Per the Bureau of Legal Affairs, you need to advise the Court an order will have to be issued for your participation. MJ Houlden 10/12/26

I have recently sent M.J Houlden, Litisation Coordinator a kite to schedule me a hearing for my UP coming hearing. I explain that I am proceeding in the Court Proper (as my own attorney) therefore, I instead of the other Party scheduling with the Prison, I have to schedule with the Prison. I Notified M.J Houlden that my Pre-hearing Conference have already been missed because of M.J. houlden refusing to schedule the hearing with the other Party. Before I File my grievance and Civil Service Complaint I must First exhaust my administrative remedies. M.J. houlden have willfully and Intentionally ~~[illegible]~~ impeded in my access to the Court this is the court Process and Procedures. I asked M.J. Houlden to put me on the Call-out so I can bring the document that shows "I" must Schedule and set everything up along with my UP coming hearing date M.J. houlden is willfully and Intentionally trying to make me miss my hearing like MJ Houlden did with the Conference. Since I was placed on the Call-out or Called and MJ Houlden view the document and the Paper do not Specifically state that, the the Process would be different. I will then after Contact the Court to have them Schedule the hearing but this is different Process that MJ Houlden did not take a look at to make a Professional determination to determine if Scheduling ~~[illegible]~~ Should me make on my end. I am following the chain of Command Instead of going directly to DW Desco and A/Warden J. Clouse.

I need for you to immediately put me on the call-out for me to make arrangements to set up schedulings for my hearings. I sent you a kite before for the Previous Conference but you did not respond so the law firm Noted me as failure to appear and I did not receive my Conference which impeded in my access to the court and me the opportunity to submit evidence for my defense. I am Immediately notifying once again ahead of time to call me out and make a copy of my up coming hearings and make schedulings so I can appear.

I need notification from the Court, not you, to schedule these conferences.

Chapter 11
Case No. 23-90086 (CML)

Subject: Request for Issueing of an order Schedulling of the Prison official to set up an appointment for the arbitration hearing, and Pre-hearing Conference.

Dear clerk of the court,

Enclosed for your review and filing with the court Please find an original request for Issueing of an order schedulling of the Prison official to set up an appointment for the arbitration hearing, and Pre-hearing Conference. I am also requestling a Pre-hearing Conference to submit additional evidence and due to a Situation out of my control.

An Immediate schedulling of a Pre-hearing Conference will not be no harm or foul due to the arbitrator and trustee in-Convience because they both have majority of everything therefore the discussions will not be long. I just want my Procedural due Process right to each Procedural due to me unless I waive it or forfeit it due to my control.

Sincerely,
Darren Johnson #753595
