INSTRUCTIONS

The filing of a bankruptcy case creates an "estate" under the jurisdiction of the bankruptcy court which consists of all of the property of the debtor, wherever that property is located. Because the bankruptcy estate is so extensive and the jurisdiction of the court so broad, there may be lawsuits over the property or property rights of the estate. There also may be lawsuits concerning the debtor's discharge. If such a lawsuit is filed in a bankruptcy court, it is called an adversary proceeding.

A party filing an adversary proceeding must also complete and file Form 1040, the Adversary Proceeding Cover Sheet, unless the party files the adversary proceeding electronically through the court's Case Management/Electronic Case Filing system (CM/ECF). (CM/ECF captures the information on Form 1040 as part of the filing process.) When completed, the cover sheet summarizes basic information on the adversary proceeding. The clerk of court needs the information to process the adversary proceeding and prepare required statistical reports on court activity.

The cover sheet and the information contained on it do not replace or supplement the filing and service of pleadings or other papers as required by law, the Bankruptcy Rules, or the local rules of court. The cover sheet, which is largely self-explanatory, must be completed by the plaintiff's attorney (or by the plaintiff if the plaintiff is not represented by an attorney). A separate cover sheet must be submitted to the clerk for each complaint filed.

Plaintiffs and **Defendants.** Give the names of the plaintiffs and defendants exactly as they appear on the complaint.

Attorneys. Give the names and addresses of the attorneys, if known.

Party. Check the most appropriate box in the first column for the plaintiffs and the second column for the defendants.

Demand. Enter the dollar amount being demanded in the complaint.

Signature. This cover sheet must be signed by the attorney of record in the box on the second page of the form. If the plaintiff is represented by a law firm, a member of the firm must sign. If the plaintiff is pro se, that is, not represented by an attorney, the plaintiff must sign.

complaint / Declaration

p91

1) I the creditor Jonathan Lewis declares the statement I am about to give is true and correct to the best of my knowledge:
a) In the time frame of 2012 to 2013 at FSP/Florida state prison before 2-4-15 a CT scan discovered I had sores on my pancreas and that was the discovery of gastro intestinal issues and they either didnit tell everything or have been lying on other test or failed to do more investigation into what is wrong with me and the medical provider at the time failed to see what is wrong and let the condition worsen inside me and lead to other things as a inmate in the Florida Dept of corrections and my FDOC # L46211 and/or date 7-9-82.
b) After the discovery this was the basis for every sick call and before the discovery, notice, complaint and/or anything I used to complain about my gastro intestinal issues or issues in my abdominal area.
c) I left the custody of the Florida Dept of corrections on 2-4-15 and found out I had other issues with my liver and continued to be in and out of jail while trying to get medical attention because although I was sick I didnit have any help and I had to make money while in pain it was hard and pain is a sign something is going on.
d) From 2-4-15 to 4-3-19 I was in and out of jail/prison while I work and I am homeless while I am sick.
e) The Florida Dept of corrections engaged in a unlawful contract with the medical provider Corizon in Tallahassee, Florida the administrative staff meaning the health service administrator and the person over the contracts at the time and they made this illegal contract to give inmates the lowest possible care and/or only if medical wants to do there job without regard for the inmates symptons/conditions in turn caused the treatment I recieved in 2013 when they took over and I left prison on 2-4-15.
f) Corizon was doing the same thing in every state they did business in which caused there bankruptcy but the bankruptcy didnit

[redacted] stop them from having to suffer the consequences of there actions as a company because this is what caused the bankruptcy inmate abuse.

9) I would like [redacted] damages compensatory for all the money I [redacted] was just [redacted] wasted and you trying to make money off of me meaning sick calls etc in the amount of $100,000 punitive damages in the amount of $150,000 and nominal damages in the amount of $50,000.

[redacted] under penalty of perjury I Jonathan Lewis declare I read the complaint and the facts in it are true and correct to the best of my knowledge.
