Docket #3861 Date Filed: 04/23/2026

To the Honorable Court
United States Bankruptcy Court
District of Massachusetts – Worcester Division

Re: Docket No. 3859

To the Honorable Court,

I, Igor Shikhman, residing at 33 Eagan Ave., Staten Island, NY 10312, respectfully submit this letter to clarify and correct a prior statement made regarding my case.

I previously informed the Court that I had not received two payments. After further review and by visiting my bank in person to confirm the information, I learned that those two checks were in fact received and properly processed. My earlier statement was based on incorrect information provided over the phone and a misunderstanding on my part.

I also confirm that I did receive the third and fourth distributions.

I sincerely apologize for this mistake, for any confusion it may have caused, and for any inconvenience or unnecessary use of the Court's time. This was not intentional, and I am grateful for the Court's understanding.

Respectfully submitted,
Igor Shikhman
