Docket #3868 Date Filed: 06/10/2026

RESPONSE BY

THE CLAIMANT

LEONARD EHIKIOYA ITUA

TO RESPONSE BY THE

LIQUIDATING TRUSTEE OF

BANKRUPTCY COURT

(DOCKET NO. 3864)

1440987260610000000000001

THE CLAIMANT RESPOND/REPORTS THE FOLLOWING

1. I, Mr. Leonard Ehikioya Itua, the Claimant do acknowledge the receipt of the notice of disallowance of claim.

   My Lord, the subject matter in this disallowance is failure to respond to first and second notices.

   The trustee has not been able to explain when it was sent and to whom, and to whose resident address, or erroneously and deliberately sent to the one resident in the United States of America and when there was no acknowledgment he sent the disallowance notice to this Claimant.

2. My Lord, since the very first day I saw disallowance in my mail, I have consistently maintained none receipt of any notice previously to this effect even in all my complaints.

   I pray that this Honorable Court believes my innocence.

3. This is to appreciate this Honorable Court, the Honorable Judge in person despite the length and days – seek to know the truth and proffer justice.

4. The year proceeding 2021 and my prevailing health travail is an omen need not recall – but the medical receipt of 2025 is authenticate the year 2021 that the same man is alive today now aged by the Grace of God.

5. To support my request for reconsideration of my claims. The Trustee not only err but grievously when without my consent claim that I am resident in the United State of America – (File No. 7, Exhibit A attached). This impersonation known worldwide over is grievous. ***This is to mislead this Honorable Court.***

   "Impersonation" – The fact remains that I was not resident in the U.S.A as at the time (File 7, Exhibit A) attached was written, an error personified. I pray if the trustee can identify my resident address to this Honorable Court if not for impersonating.

The fact concerns what the trustee claims to have sent first/second notices to be responded to that was not responded to, was never sent nor received.

Sir, I submit that the matter was never sent nor received by me.

Reference my complaint to:

1. American Ambassador in Nigeria
2. The Director of Investigation F.B.I
3. The Clerk of the Court – Mary Sharon

Based on this foregoing, I sincerely appeal to this Honorable Court to reconsider and approve my claims.

However long truth is denied, it never dies but live that just men will always applaud its existence.

CASE OF IMPERSONATION

1. If a citizen of another nation claims to be an American citizen in a bankruptcy court claim case while he is not – what is his crime and punishment?

i. 18 USC 152, 157 and 3571 – any person that submit a fraudulent claims is liable to pay the sum of $500,000 or/and imprisonment for the same offence.

ii. Fraudulent

iii. Impersonation

2. If a lawyer/trustee of the court i.e bankruptcy court case claims a non-citizen to be a citizen of the U.S.A before the court as to deny/disallow him monetary and financial claims from the bankruptcy court claims.

- What is the crime?
- What is his crime?
- Misleading the honorable court to disallow a just claim.

to ClaimResponse@telexfreeclaims.com. The form of the Notice was previously approved by the Court.

23. In accordance with the Claims Order, the Trustee intends to have this Objection and the Notice translated into Spanish and Portuguese and served upon all Disputed Claimants.

24. Nothing in this objection constitutes a waiver of any right of the Trustee to assert claims or causes of action against any creditor or any other party. Nothing in this objection shall constitute a waiver of any right of the Trustee to object to any other claim asserted that is not included in the Objection, or to supplement, amend, or assert additional bases for objection to the Exhibit "A" claims.

Wherefore, the Trustee prays that the Court:

1. Enter an order disallowing each of the claims identified on Exhibit "A" hereto; and

2. Granting such other relief as is just and proper.

DHL EXPRESS TERMS AND CONDITIONS OF CARRIAGE
("Terms and Conditions")
IMPORTANT NOTICE

When ordering DHL's services you, as "Shipper", are agreeing, on your behalf and on behalf of the consignee of the Shipment ("Consignee") and anyone else with an interest in the Shipment that these Terms and Conditions shall apply. "Shipment" means all documents or parcels that travel under one waybill and which may be carried by any means DHL chooses, including air, road or any other carrier. A "waybill" shall include any Shipment identifier or document produced by DHL or Shipper automated systems such as a label, barcode, waybill or consignment note as well as any electronic version thereof. Every Shipment is transported on a limited liability basis as provided herein. If Shipper requires greater protection, then insurance may be arranged at an additional cost. (Please see below for further information). "DHL" means any member of the DHL Express Network.

1. Customs Clearance and Regulatory Compliance
DHL may perform any of the following activities on Shipper's or Consignee's behalf in order to provide services: (1) complete any documents, amend product or service codes and advance any duties, taxes or other regulatory charges required under applicable laws and regulations ("Customs Duties"), (2) act as Shipper's or Consignee's true and lawful agent or designate a customs broker to perform export control and customs clearance and (3) redirect the Shipment to Consignee's customs broker or other address upon request by any person who DHL believes in its reasonable opinion to be authorized. Shipper or Consignee will provide any extra authorization required by applicable law for DHL to clear a Shipment.

2. Unacceptable Shipments
A Shipment is deemed unacceptable if:
- it contains complete firearms, ammunition, explosives, explosive devices or test pieces, air guns, replica or imitation firearms; counterfeit goods; cash; bullion (of any precious metal); live animals, prohibited animal parts or remains, such as ivory; human remains or ashes; loose precious or semi-precious stones; cannabis or its derivatives; or illegal goods, such as narcotics or other illegal drugs,
- it is classified as hazardous material, dangerous goods, prohibited or restricted articles under ADR (European Road Transport Regulation on dangerous goods) or by IATA (International Air Transport Association), ICAO (International Civil Aviation Organization), or other relevant organization ("Dangerous Goods"),
- it contains any other item which DHL cannot carry safely or legally,
- the address is incorrect or not properly marked or its packaging is defective or inadequate to ensure safe transportation with ordinary care in handling,
- Shipper, Consignee or any other party with a direct or indirect interest in the Shipment is listed on any applicable sanctions lists as a denied or restricted party.

3. Deliveries and Undeliverables
Shipments cannot be delivered to PO boxes or postal codes. Shipments are delivered to the Consignee's address given by Shipper but not necessarily to the named Consignee personally. Shipments to addresses with a central receiving area will be delivered to that area.
DHL may notify Consignee of an upcoming delivery or a missed delivery. Consignee may be offered alternative delivery options such as delivery on another day, no signature required, redirection or collection at a DHL Service Point.
If the Shipment is deemed to be unacceptable as described in Section 2, it has been undervalued for customs purposes, Consignee cannot be reasonably identified or located, or Consignee refuses delivery or to pay Customs Duties or other Shipment charges, DHL shall use reasonable efforts to return the Shipment to Shipper. This shall be at Shipper's cost. If it is not possible to return the Shipment, it may be released, abandoned, disposed of or sold without incurring any liability whatsoever to Shipper or anyone else. DHL shall have the right to destroy any Shipment if DHL is prevented by any law or law enforcement agency from returning it in whole or in part to Shipper, as well as any Shipment of Dangerous Goods.

4. Inspection
DHL has the right to open and inspect a Shipment without notice for safety, security, customs or other regulatory reasons.

5. Shipment Charges, Duties and Fees
DHL's Shipment charges are calculated according to the higher of actual or volumetric weight per piece and any piece may be re-weighed and re-measured by DHL to confirm this calculation.
Payment of Customs Duties and other charges due as indicated on DHL's website in the receiving country may be requested from Consignee prior to delivery. This includes a fee if DHL uses its credit with the Customs Authorities or pays any Customs Duties on Consignee's behalf. Shipper shall pay or reimburse DHL for all Customs Duties and other charges due for services provided by DHL or incurred by DHL on Shipper's or Consignee's behalf if Consignee has failed to pay.

DHL's liability is strictly limited to direct loss and damage to a Shipment only and to the per kilogram limits in this Section 6. All other types of loss or damage are excluded (including but not limited to lost profits, income, interest, future business), whether such loss or damage is special or indirect, and even if the risk of such loss or damage was brought to DHL's attention.

6.2 DHL will make every reasonable effort to deliver the Shipment according to DHL's regular delivery schedules, but these schedules are not binding and do not form part of the contract. DHL is not liable for any damages or loss caused by delay, but for certain Shipments, Shipper may be able to claim limited delay compensation under the Money Back Guarantee terms and conditions, which are available on the DHL website (https://mydhl.express.dhl/) or from DHL Customer Service.

7. Claims
All claims must be submitted in writing to DHL within thirty (30) days from the date that DHL accepted the Shipment, failing which DHL shall have no liability whatsoever. Claims are limited to one claim per Shipment, settlement of which will be full and final settlement for all loss or damage in connection therewith.

8. Shipment Insurance
DHL may be able to arrange insurance for loss of or damage to the Shipment, covering the full value of the goods, provided that Shipper so instructs DHL in writing, including by completing the insurance section of the waybill or using DHL's automated systems and pays the applicable premium. Shipment insurance does not cover indirect loss or damage, or loss or damage caused by delays.

9. Circumstances Beyond DHL's Control
DHL is not liable for any loss or damage arising out of circumstances beyond DHL's control. These include but are not limited to electrical or magnetic damage to, or erasure of, electronic or photographic images, data or recordings; any defect or characteristic related to the nature of the Shipment, even if known to DHL; any act or omission by a person not employed or contracted by DHL - e.g. Shipper, Consignee, third party, customs or other government official; third party cyber-attacks or other information security related threats; "Force Majeure" - e.g. earthquake, cyclone, storm, flood, fog, war, plane crash, embargo, riot, epidemic, pandemic, civil commotion, or industrial action.

10. Shipper's Representations, Warranties and Indemnities
Shipper shall indemnify and hold DHL and its directors, officers, employees and agents harmless from and against all and any liabilities, losses and damages arising out of Shipper's failure to comply with the following warranties and representations:
- the Shipment is acceptable for transport under Section 2 above,
- the Shipment was prepared in secure premises by reliable persons and was protected against unauthorized interference during preparation, storage and any transportation to DHL,
- Shipper has complied with applicable export control, sanctions, customs laws and regulations or other applicable regulatory requirements and restrictions related to the import, export, transit or transfer of goods,
- Shipper has declared to DHL any controlled dual-use or military goods subject to government authorizations contained in the Shipment,
- Shipper has provided all information, permits, licenses or other government authorizations and documents, as required by applicable law or upon request from DHL, and all information, permits, licenses or other government authorizations and documents provided by Shipper or its representatives are true, complete and accurate, including the value and description of the goods and Shipper and Consignee information,
- when providing personal data to DHL, Shipper has complied with its legal obligations to process and share this data, including informing the affected individuals that personal data, including Consignee's email address and mobile phone number, is required for transport, customs clearance and delivery.

11. Routing
Shipper agrees to all routing and diversion, including the possibility that the Shipment may be carried via intermediate stopping places
