TRAJECTOR

August 14, 2026

Dear Valued Client,

Trajector Holdings, LLC and some of its affiliates have voluntarily filed for Chapter 11 protection in the United States Bankruptcy Court for the Middle District of Florida.

Trajector Disability remains open for business and continues to operate as usual. We understand this may raise questions, and we want to ensure you have the facts directly from us.

This filing does not change anything about the services you previously received or currently receive from Trajector Disability. We remain committed to our mission of helping people with disabilities obtain the benefits they are entitled to.

You are receiving this notice because we are required, as part of the Chapter 11 process, to send certain legal notices to people who have done business with us, including current and former clients like you.

Along with this letter, you will have access to the Notice of Chapter 11 Bankruptcy Case (the "Notice of Commencement"), which formally notifies you of the filing and lists important case dates and deadlines.

You do not need to take any action unless you believe you have a claim against Trajector. If you do, the Notice provides the deadline for filing a proof of claim along with instructions on how to do so. Receiving this letter does not mean you have a claim against Trajector.

If you have questions about your account, please get in touch with your usual Trajector Disability contact. If you are unable to reach your usual contact, please call (800) 652-9626 or visit https://journey.trajectordisability.com.

For more information about Trajector's Chapter 11 filing, please visit www.veritaglobal.net/trajector or call (888) 249-2695 (U.S./Canada) or +1 (310) 751-2601 (International).

We appreciate the trust you have placed in us and we are here to help if you have any questions.

Sincerely,

Trajector Disability

TRAJECTOR

Dear Valued Client,

Trajector Holdings, LLC and certain of its affiliates have voluntarily filed for Chapter 11 protection in the United States Bankruptcy Court for the Middle District of Florida.

Trajector remains open for business and continues operating as usual. This filing does not change anything about the services you previously received or are currently receiving from Trajector. If you have an outstanding balance with Trajector or later receive an invoice from Trajector, this filing does not change or have any impact on your balance, and any unpaid amount remains due and payable.

Trajector remains committed to its mission of helping veterans and people with disabilities obtain the benefits they are entitled to. We understand that you may have questions, and we want to make sure you hear the facts directly from us.

As part of the Chapter 11 process, we are required to send certain legal notices to people who have done business with Trajector, including current and former clients like you. Along with this letter, you will have access to the Notice of Chapter 11 Bankruptcy Case (the "Notice of Commencement"), which formally notifies you of the filing and lists important case dates and deadlines.

You do not need to take any action unless you believe you have a claim against Trajector. If you do, the Notice of Commencement provides the deadline for filing a proof of claim along with instructions on how to do so. Receiving this letter does not mean you have a claim against Trajector. If you have questions about your rights, you may wish to consult with an attorney.

If you have questions about your account, please contact your usual Trajector contact. If you are unable to reach your usual contact, please call (888) 988-3837 or visit my.trajector.com.

For more information or questions about Trajector's Chapter 11 filing, please visit www.trajectormedical.com/newsroom and www.veritaglobal.net/trajector, or call (888) 249-2695 (U.S./Canada) or +1 (310) 751-2601 (International).

We appreciate the trust you have placed in us, and we are here to help if you have any questions.

TRAJECTOR

Dear Valued Client,

Trajector Holdings, LLC and certain of its affiliates have voluntarily filed for Chapter 11 protection in the United States Bankruptcy Court for the Middle District of Florida.

Trajector remains open for business and continues operating as usual. This filing does not change anything about the services you previously received or are currently receiving from Trajector. If you have an outstanding balance with Trajector or later receive an invoice from Trajector, this filing does not change or have any impact on your balance, and any unpaid amount remains due and payable.

Trajector remains committed to its mission of helping veterans and people with disabilities obtain the benefits they are entitled to. We understand that you may have questions, and we want to make sure you hear the facts directly from us.

As part of the Chapter 11 process, we are required to send certain legal notices to people who have done business with Trajector, including current and former clients like you. Along with this letter, you will have access to the Notice of Chapter 11 Bankruptcy Case (the "Notice of Commencement"), which formally notifies you of the filing and lists important case dates and deadlines.

You do not need to take any action unless you believe you have a claim against Trajector. If you do, the Notice of Commencement provides the deadline for filing a proof of claim along with instructions on how to do so. Receiving this letter does not mean you have a claim against Trajector. If you have questions about your rights, you may wish to consult with an attorney.

If you have questions about your account, please contact your usual Trajector contact. If you are unable to reach your usual contact, please call (888) 988-3837 or visit my.trajector.com.

For more information or questions about Trajector's Chapter 11 filing, please visit www.trajectormedical.com/newsroom and www.veritaglobal.net/trajector, or call (888) 249-2695 (U.S./Canada) or +1 (310) 751-2601 (International).

We appreciate the trust you have placed in us, and we are here to help if you have any questions.

1. Prior to July 23, 2026 (the "**Petition Date**") and the commencement of the above-captioned chapter 11 cases (the "**Chapter Cases**"), the above-captioned debtors and debtors in possession (the "**Debtors**") were engaged in the business of providing services to individuals seeking disability and related benefits from government agencies, including providing medical evidence development and documentation services to veterans pursuing disability benefits from the U.S. Department of Veterans Affairs.

2. As of the Petition Date, there were two class actions pending against certain of the Debtors in the United States District Court for the Northern District of Florida (Case Nos. 1:26-cv-00099 and 1:26-cv-00150), more fully described as follows:

a. On March 27, 2026, Christopher Baker, Randall Coates, Kerry Isner, Damon Oliver, and Warren Treadwell commenced a class action against Debtor Trajector Medical, LLC, formerly known as Vet Comp & Pen Medical Consulting, LLC, in the Circuit Court of the Eighth Judicial Circuit in and for Alachua County, Florida, on behalf of a proposed class of Florida-resident veterans. The action asserts a claim under the Florida Deceptive and Unfair Trade Practices Act predicated on alleged violations of federal law governing VA accreditation and fee restrictions and seeks, among other relief, actual damages, an order voiding outstanding contractual balances, injunctive relief, and attorneys' fees and costs. On April 28, 2026, Trajector Medical removed the action to the United States District Court for the Northern District of Florida, where it remains pending as *Christopher Baker, Randall Coates, Kerry Isner, Damon Oliver, and*

arren Treadwell v. Tra ector Medical, LLC f/k/a Vet Comp Pen Medical Consulting, LLC, Case No. 1:26-cv-00099, and is presently stayed by operation of the automatic stay imposed under section 362 of the Bankruptcy Code (the "**Ba er Class Action**").

b. On April 9, 2026, Gilbert Quijada, Jr., Jeffrey Phillips, and Kimberly Phillips commenced a class action against Debtors Trajector, Inc. and Trajector Medical, LLC, formerly known as Vet Comp and Pen Medical Consulting, LLC, in the United States District Court for the Central District of California on behalf of proposed nationwide and California classes of veterans and eligible dependent spouses. On June 23, 2026, the action was transferred to the United States District Court for the Northern District of Florida, where it remains pending as *Gil ert ui ada, Jr., Jeffrey Phillips, and Kim erly Phillips v. Tra ector, nc. and Tra ector Medical, LLC f/k/a Vet Comp and Pen Medical Consulting, LLC*, Case No. 1:26-cv-00150-MW-MJF, and is presently stayed by operation of the automatic stay imposed under section 362 of the Bankruptcy Code (the "**uijada Class Action**," and together with the Baker Class Action, the "**Class Actions**").

3. The Veteran Claimants are each members of one or more of the putative classes set forth in the complaints in the Class Actions and hold unsecured claims against one or more of the Debtors arising from or related to the conduct alleged in such complaints.[2] Each of the Veteran Claimants, together with their address, is listed on **Exhibit A** attached hereto, in compliance with Bankruptcy Rule 2019.

4. The Veteran Claimants are represented by one or more of the following law firms (collectively, the "**Firms**"):

a. Aylstock, Witkin, Kreis & Overholtz, PLLC;

[2] None of the Veteran Claimants have any other economic interest in relation to the Debtors as of the date of this Verified Statement.

b. Bradley/Grombacher, LLP;

c. Pittman, Dutton, Hellums, Bradley & Mann, P.C.; and

d. Pack Law.

5. Except in connection with representation of Veteran Claimants, none of the Firms hold, nor have ever held, any economic interest in relation to the Debtors as of the date of this Verified Statement. The Firms do not represent or purport to represent any entities other than Veteran Claimants (whether individually or as representatives for all similarly-situated individuals) in connection with the Chapter 11 Cases. The Firms do not perceive any actual or potential conflicts of interest with respect to any representation of any of the Veteran Claimants (whether individually or as representatives for all similarly-situated individuals) in connection with the Chapter 11 Cases.

6. All of the information contained herein is intended only to comply with Bankruptcy Rule 2019 and is not intended for any other purpose, and without concession that Bankruptcy Rule 2019 in fact applies to the Veteran Claimants and/or the Firms. 9. The amount in controversy exceeds $50,000.00, exclusive of interest, costs, and attorney's fees.

10. Venue is proper in Alachua County, Florida, because Defendant is located in Alachua County, conducts business in this county, and the acts giving rise to this action occurred in this county.

GENERAL ALLEGATIONS

11. This case is about illegal fees charged to disabled United States Military veterans by an unaccredited Florida-based company, Defendant. The illegal fees are charged to the victims based upon the amount of VA Disability Compensation benefits paid to them. Through charging and taking these illegal fees from disabled veterans, Defendant is preying on disabled veterans by unfairly and deceptively taking millions of dollars of their disability benefits in violation of federal law and the Florida Deceptive and Unfair Trade Practices Act.

12. VA Disability Compensation provides a monthly tax-free payment to veterans who became sick or injured while serving in the military and to veterans whose service made an existing condition worse.

13. For VA Disability Compensation, the VA rates a veteran's disabilities on a scale from 0% to 100% in increments of 10%.

14. To obtain VA Disability Compensation, veterans must file a claim with the VA. When filing a claim with the VA, a veteran may file this claim on their own, or with the assistance of a Veteran Service Organization (such as The American Legion, Veterans of Foreign Wars, or Disabled American Veterans), who assists veterans in filing their disability claims without charge.

15. Additionally, a veteran may choose to use a for-profit VA accredited agent, entity or attorney when filing a disability claim with the VA and seeking disability benefits or an increase in benefits.

16. In order for a for-profit agent, entity, or attorney to assist a veteran with filing a claim for VA Disability Compensation benefits, that for-profit agent, entity, or attorney must be accredited by the VA for such purpose.

17. Congress has empowered the VA to regulate the individuals and entities that can assist a veteran with filing a VA disability claim, and 38 CFR § 14.629(b)(1) plainly states that "[n]o individual may assist claimants in the preparation, presentation, and prosecution of claims for VA benefits as an agent or attorney **unless** he or she has first been accredited by [the] VA for such purpose." Additionally, Congress itself has made the same prohibition federal law under 38 U.S.C. § 5901(a).

18. Despite this clear prohibition, Defendant routinely and systematically assists claimants in the preparation, presentation, and prosecution of claims for VA benefits and charges an illegal,

substantial, unfair, and deceptive contingency fee for doing so, despite not being accredited by the VA.

19. Defendant's contingency fee for successfully obtaining VA Disability Compensation for a claimant is equal to five (5) times the amount of any monthly VA Disability Compensation increase that Defendant achieves for a claimant. For example, if Defendant increases a claimants monthly VA Disability Compensation by $1,000.00, then Defendant will charge that claimant $5,000.00 for its services in helping the claimant achieve that $1,000.00 monthly increase.

20. The contingency fee amount charged by Defendant is in violation of 38 CFR § 14.636(b) because "only **accredited** agents or attorneys may receive fees from claimants" in connection with assisting a veteran in a VA Disability Compensation claim, and Defendant is not accredited by the VA for such purpose.

21. Defendant's uniform contract asserts that they are just a "medical evidence development company", and as such they only "develop medical evidence to support VA disability claims." Furthermore, the contract asserts that Defendant is "not accredited to prepare VA claims" and will not prepare VA claims, complete VA forms, or file VA claims.

22. However, Defendant's services in developing "medical evidence to support VA disability claims" does in fact qualify as assisting claimants in the "preparation, presentation, and prosecution" of claims for VA benefits under 38 CFR § 14.629(b)(1) and 38 USC § 5901(a), since the development of medical evidence to support and prove that a claimant is disabled is a vital part in the preparation, presentation, and prosecution of a VA disability claim; and without such curated and compiled medical evidence to attach to a claimant's VA disability claim, such VA disability claim would be futile and unsuccessful.

23. Additionally, discovery will show that Defendant's services go beyond just curating and compiling medical evidence for a veteran to attach to their VA Disability Compensation claim. Instead, Defendant also performs other services including but not limited to: filling out, editing, and/or reviewing VA Disability Compensation applications for veterans; filing VA Disability Compensation applications on behalf of veterans; advising veterans on which medical ailments they should pursue in order to achieve a disability rating from the VA; scheduling doctor evaluation appointments for veterans in order to collect medical evidence; and coaching veterans on how to answer questions from doctors in order to get a favorable evaluation to send to the VA.

24. There is no provision in 38 CFR § 14.629, 38 CFR § 14.636, or 38 USC § 5901 that allows Defendant, an unaccredited entity, to prepare and present VA Disability Compensation claims to submit to the VA and to be compensated by veterans for doing so.

25. Therefore, all fees collected by Defendant are "unconscionable . . . unfair . . . or deceptive" under Fla. Stat. § 501.204(1) and are in violation of the Florida Deceptive and Unfair Trade Practices Act as they stem from conduct that is prohibited under federal law.

26. Plaintiffs seek to represent all similarly situated veterans who have paid Defendant in connection with the unlawful conduct and contract that is "unconscionable . . . unfair . . . or deceptive" under Florida law.

CLASS REPRESENTATION ALLEGATIONS

27. Plaintiffs bring this action as a class action pursuant to Florida Rule of Civil Procedure 1.220. The proposed Class is defined as:

a. All Florida resident veterans who paid Defendant a fee, within four (4) years prior to the original filing date of this action, in connection with the preparation,

presentation, and/or prosecution of claims for VA Disability Compensation under a contract in substantially the same form as "Exhibit A."

28. Excluded from the Class are:

a. Defendant and any entity in which Defendant has a controlling interest, or which has a controlling interest in Defendant, and its legal representatives, assigns, and successors;

b. All judicial officers presiding over this action and their immediate family members; and

c. Any veteran who has timely and validly opted out of the Class.

29. The Class period is four (4) years prior to the original filing date of this action.

30. Plaintiffs reserve the right to amend the Class definition if warranted as a result of further investigation and discovery.

Rule 1.220(a) Criteria

31. Numerosity. Defendant's illegal scheme has harmed and continues to harm veterans throughout the State of Florida. The exact number of veterans charged illegal fees by Defendant is unknown, but discovery will show that possibly thousands of veterans have been harmed by Defendant's scheme. Moreover, Defendant's own website claims that they have "helped tens of thousands of people" get VA disability ratings ("Exhibit B"). Due to the nature of the work that is required to assist a veteran with a VA Disability Compensation claim, Defendant is able to interact with veterans online and/or over the phone and can conduct business throughout the entire State of Florida, therefore, the sheer scope and volume of Defendant's business supports a finding of numerosity and makes joinder of all Class members impracticable.

32. Commonality. There are multiple questions of law and fact common to the Class, including:

a. Whether Defendant's business practices are in violation of 38 U.S.C. § 5901(a), 38 CFR § 14.629(b)(1), and 38 CFR § 14.636(b);

b. Whether Defendant's violations of 38 U.S.C. § 5901(a), 38 CFR § 14.629(b)(1), and 38 CFR § 14.636(b) are in violation of the Florida Deceptive and Unfair Trade Practices Act;

c. Whether Defendant's actions, regardless of if they violate federal law, are in violation of the Florida Deceptive and Unfair Trade Practices Act; and

d. Whether Plaintiffs and other members of the Class have suffered damages and are entitled to relief.

33. Typicality. Plaintiffs' claims arise from the same unlawful practices and legal theories as those of the Class, making Plaintiffs' claims typical of the Class. Like all Class members, Plaintiffs are veterans of the United States Military who paid a standardized fee to Defendant for assistance with their VA Disability Compensation claim. The manner in which Defendant prepared, presented, and/or prosecuted the VA Disability Compensation claims of Plaintiffs was typical to the type of assistance that Defendant provides to other veterans, which is in accordance to standardized procedures. Furthermore, the documents and other records involved in Defendant's interactions with Plaintiffs were standardized and similar to those used for other veterans. Moreover, Plaintiffs suffered damages of the same type and in the same manner as the Class they seek to represent.

34. Adequacy of Representation. Plaintiffs will fairly and adequately represent and protect the interests of the Class. Plaintiffs' counsel are experienced in prosecuting class action claims and

will adequately represent the interests of the class. Plaintiffs' interest are aligned with the Class and there is no conflict of interest that will interfere with the maintenance of this class action.

Rule 1.220(b)(3) Criteria

35. Predominance and Superiority. Certification of this Class under Rule 1.220(b)(3) is appropriate for the following reasons:

a. The common questions of law and fact set forth herein, such as the legality of Defendant's fees and the appropriate measure of damages, predominate over any individual issues, and can be resolved on a class-wide basis.

b. A class action is superior to other available methods for fair and efficient adjudication of this controversy. The statutory claims under the Florida Deceptive and Unfair Trade Practices Act require only a simple identification of those veterans who are covered under the statute, and an act in violation of the statute.

c. Plaintiffs can identify the Class members once they receive a list of all veterans that entered into a contract with Defendant, similar to Exhibit A, and paid money to Defendant within 4 years of the filing date of this action, as evidenced by a standardized invoice/receipt. ("Exhibit C").

d. There are no unusual legal or factual issues that would create manageability problems.

e. Individual actions by potentially thousands of individual Class members would impose heavy burdens on the courts; be economically infeasible for many veterans given the potential for relatively small fees paid by each veteran to Defendant; create a risk of inconsistent and varying adjudications against Defendant; and could create incompatible standards of conduct.

f. Concentrating the litigation in a single forum will conserve judicial resources and ensure uniform relief for the Class.

COUNT I: VIOLATION OF FLA. STAT. § 501.204(1)
(FLORIDA DECEPTIVE AND UNFAIR TRADE PRACTICES ACT)

Plaintiffs repeat and re-allege each and every allegation contained in Paragraphs 1 through 35 of as if set out fully and completely herein and further allege:

36. Defendant's contract states that Florida law applies to the agreement between the parties regarding compensation to Defendant for developing "medical evidence to support VA Disability Claims."

37. The Florida Deceptive and Unfair Trade Practices Act states that "unfair methods of competition, unconscionable acts or practices, and unfair or deceptive acts or practices in the conduct of any trade or commerce are hereby declared unlawful." Fla. Stat. § 501.204(1).

38. The purpose of the Florida Deceptive and Unfair Trade Practices Act is to "protect the consuming public . . . from those who engage in . . . unconscionable, deceptive, or unfair acts or practices in the conduct of any trade or commerce." Fla. Stat. § 501.202(2).

39. Under the Florida Deceptive and Unfair Trade Practices Act, a "trade or commerce" is defined as "the advertising, soliciting, offering, or distributing whether by sale, rental, or otherwise, of any good or service, or any property, whether tangible or intangible, or any other article, commodity, or thing of value, wherever situated." Fla. Stat. § 501.203(8).

40. In the instant case, Defendant's business qualifies as trade or commerce under Fla. Stat. § 501.203(8) since it involves the "advertising, soliciting, offering, or distributing" of the service of assisting veterans with their VA Disability Compensation claims.

41. Courts have used many standards to determine whether an act or practice is unfair or deceptive under this Act including but not limited to if the act or practice violates industry

standards and/or public policy, if the act is immoral, unethical, unscrupulous, dishonest, or substantially injurious to consumers, or seeks to deceive or take advantage of consumers.

42. Defendant's business acts or practices are a violation of the Florida Deceptive and Unfair Trade Practices Act because they occur in Florida and violate public policy by being immoral, unethical, unscrupulous, substantially injurious to consumers, or by seeking to deceive or take advantage of consumers, since the practices are based upon conduct that is in violation of federal law, and the practices result in veterans paying illegal and exorbitant fees for assistance in their VA Disability Compensation claims that the veterans would otherwise not have to pay if they were assisted by a VA accredited agent, attorney, or entity.

43. Additionally, courts have held that a violation of a regulatory statute that is designed to prevent unfair or deceptive conduct, or that is designed to protect consumers, can be considered a violation of the Florida Deceptive and Unfair Trade Practices Act.

44. Federal law, established under 38 U.S.C. § 5901 and 38 C.F.R. § 14, are regulations governing who can prepare and present claims for disability compensation to the VA and who can receive compensation from a veteran in connection with such services. Therefore, these regulations were designed and implemented to prevent unfair or deceptive conduct and to protect veterans from unscrupulous actors; and Defendant's business practice of routinely violating these regulations constitutes a violation of Fla. Stat. § 501.204(1).

45. Specifically, 38 C.F.R. § 14.629(b)(1) plainly states that "[n]o individual may assist claimants in the preparation, presentation, and prosecution of claims for VA benefits as an agent or attorney **unless** he or she has first been accredited by [the] VA for such purpose."

46. Additionally, 38 C.F.R. § 14.636(b) plainly states that "[o]nly accredited agents and attorneys may receive fees from claimants or appellants for their services provided in connection with representation."

47. Defendant's acts are in violation of 38 C.F.R. § 14.629(b)(1) because Defendant assisted Plaintiffs in the preparation of their claims for VA Disability Compensation without first receiving accreditation by the VA.

48. Defendant assisted in the preparation of Plaintiffs' claims for VA Disability Compensation by developing, curating, and compiling the medical evidence to attach to Plaintiffs' VA Disability Compensation applications, which is vital to preparation, presentation, and prosecution of a VA disability claim since such medical evidence is used to support and prove that a claimant is disabled; and without such curated and compiled medical evidence to attach to a claimant's VA disability claim, such VA disability claim would be futile and unsuccessful.

49. Additionally, discovery will show that Defendant actually performed more services than just developing, curating, and compiling the medical evidence for Plaintiffs to attach to their VA Disability Compensation claims. Instead, Defendant also performs other services including but not limited to: filling out, editing, and/or reviewing VA Disability Compensation applications for Plaintiffs; filing VA Disability Compensation applications on behalf of Plaintiffs; advising Plaintiffs on which medical ailments they should pursue in order to achieve a disability rating from the VA; scheduling doctor evaluation appointments for Plaintiffs in order to collect medical evidence; and coaching Plaintiffs on how to answer questions from doctors in order to get a favorable evaluation to send to the VA.

50. Furthermore, Defendant's acts are in violation of 38 C.F.R. § 14.636(b) because Defendant received fees from Plaintiffs in connection with assisting Plaintiffs with their VA Disability Compensation claims.

51. Specifically, Plaintiff, DAMON OLIVER, signed a contract with Defendant on June 7, 2021, in order for Defendant to assist him with his VA Disability Compensation claim and to increase his disability rating and corresponding compensation.

52. Plaintiff, DAMON OLIVER, sought to increase his disability rating and compensation on the basis of a Mental Health Condition.

53. In order to achieve such an increase, Plaintiff, DAMON OLIVER, sent his medical records to Defendant and provided a statement to Defendant regarding the physical ailments and symptoms that he was experiencing.

54. Using this information, Defendant then filled out Plaintiff's, DAMON OLIVER, VA Disability Compensation application, compiled and curated Plaintiff's medical records and attached them to the application, and filed the application with the VA, even though Defendant was not accredited by the VA to engage in such services.

55. As a result of Defendant's services in assisting Plaintiff, DAMON OLIVER, in the preparation, presentation, and prosecution of his VA Disability Compensation Claim, Plaintiff's VA disability rating was increased from 60% to 90% and his monthly VA Disability Compensation increased by $998.82.

56. On June 13, 2022, Defendant sent Plaintiff, DAMON OLIVER, an invoice in the amount of $4,994.10, and asked Plaintiff to pay this amount in exchange for Defendant's services, even though Defendant is not legally authorized to receive compensation from veterans in exchange for assisting them with VA Disability Compensation claims. ("Exhibit D").

57. On June 16, 2022, Plaintiff, DAMON OLIVER, paid the entire $4,994.10 balance to Defendant. ("Exhibit E").

58. Similarly, Plaintiff, KERRY ISNER, signed a contract with Defendant on September 21, 2022, in order for Defendant to assist him with his VA Disability Compensation claim and to increase his disability rating and corresponding compensation. ("Exhibit F").

59. Plaintiff, KERRY ISNER, sought to increase his disability rating and compensation on the basis of headaches, lower back pain, a skin condition, and other disabilities.

60. In order to achieve such an increase, Plaintiff, KERRY ISNER, sent the medical records that he already had to Defendant and provided a statement to Defendant regarding the physical ailments and symptoms that he was experiencing.

61. Defendant then arranged several doctor appointments for Plaintiff, KERRY ISNER, in order to get more medical evidence deemed necessary for Plaintiff's claim.

62. Once Defendant received all of the necessary medical evidence, Defendant then reviewed Plaintiff's, KERRY ISNER, VA Disability Compensation application with Plaintiff, compiled and curated Plaintiff's medical records and attached them to the application, and filed the application with the VA, even though Defendant was not accredited by the VA to engage in such services.

63. As a result of Defendant's services in assisting Plaintiff, KERRY ISNER, in the preparation, presentation, and prosecution of his VA Disability Compensation Claim, Plaintiff's VA disability rating was increased from 10% to 70% and his monthly VA Disability Compensation increased by $1,319.65.

64. On June 8, 2023, Defendant sent Plaintiff, KERRY ISNER, an invoice in the amount of $6,598.25, and asked Plaintiff to pay this amount in exchange for Defendant's services, even

though Defendant is not legally authorized to receive compensation from veterans in exchange for assisting them with VA Disability Compensation claims. ("Exhibit G").

65. From June 2023 through October 2023, Plaintiff, KERRY ISNER, paid the entire $6,598.25 balance to Defendant in monthly installments. ("Exhibit H").

66. Additionally, Plaintiff, WARREN TREADWELL, signed a contract with Defendant on January 4, 2022, in order for Defendant to assist him with his VA Disability Compensation claim and to increase his disability rating and corresponding compensation. ("Exhibit I").

67. Plaintiff, WARREN TREADWELL, sought to increase his disability rating and compensation on the basis of PTSD.

68. In order to achieve such an increase, Plaintiff, WARREN TREADWELL, sent his medical records to Defendant and provided a statement to Defendant regarding the ailments and symptoms that he was experiencing.

69. Defendant then set up an evaluation with a psychologist for Plaintiff, WARREN TREADWELL, in order to get more medical evidence deemed necessary for Plaintiff's claim. Additionally, Defendant coached Plaintiff on how to answer the questions that the psychologist would ask him in order to receive a favorable evaluation from the psychologist and to help with his VA Disability Compensation claim.

70. After the evaluation was completed and once Defendant received all of the necessary medical evidence, Defendant then compiled and curated Plaintiff's, WARREN TREADWELL, medical records and attached them to the VA Disability Compensation application, and filed the application with the VA, even though Defendant was not accredited by the VA to engage in such services.

71. As a result of Defendant's services in assisting Plaintiff, WARREN TREADWELL, in the preparation, presentation, and prosecution of his VA Disability Compensation Claim, Plaintiff's VA disability rating was increased by 50% and his monthly VA Disability Compensation increased by $1,061.39.

72. On March 31, 2022, Defendant sent Plaintiff, WARREN TREADWELL, an invoice in the amount of $5,306.95, and asked Plaintiff to pay this amount in exchange for Defendant's services, even though Defendant is not legally authorized to receive compensation from veterans in exchange for assisting them with VA Disability Compensation claims. ("Exhibit J").

73. On April 1, 2022, Plaintiff, WARREN TREADWELL, paid the entire $5,306.95 balance to Defendant. ("Exhibit K").

74. Moreover, Plaintiff, CHRISTOPHER BAKER, signed a contract with Defendant on July 11, 2022, in order for Defendant to assist him with his VA Disability Compensation claim and to increase his disability rating and corresponding compensation. ("Exhibit L").

75. Plaintiff, CHRISTOPHER BAKER, sought to increase his disability rating and compensation on the basis of PTSD, headaches, cervical strain, tinnitus, and knee and shoulder ailments.

76. In order to achieve such an increase, Plaintiff, CHRISTOPHER BAKER, sent his medical records to Defendant and provided a statement to Defendant regarding the physical ailments and symptoms that he was experiencing.

77. Defendant then arranged several doctor appointments for Plaintiff, CHRISTOPHER BAKER, in order to get more medical evidence deemed necessary for Plaintiff's claim.

78. Once Defendant received all of the necessary medical evidence, Defendant then filled out and reviewed Plaintiff's, CHRISTOPHER BAKER, VA Disability Compensation application,

compiled and curated Plaintiff's medical records and attached them to the application, and filed the application with the VA, even though Defendant was not accredited by the VA to engage in such services.

79. As a result of Defendant's services in assisting Plaintiff, CHRISTOPHER BAKER, in the preparation, presentation, and prosecution of his VA Disability Compensation Claim, Plaintiff's VA disability rating increased from 0% to 90% and his monthly VA Disability Compensation increased by $2,353.39.

80. From November 2, 2022, through November 30, 2023, Defendant sent Plaintiff, CHRISTOPHER BAKER, a total of five (5) invoices for a combined balance of $12,140.97, and asked Plaintiff to pay this amount in exchange for Defendant's services, even though Defendant is not legally authorized to receive compensation from veterans in exchange for assisting them with VA Disability Compensation claims.

81. From November 3, 2022, through November 30, 2023, Plaintiff, CHRISTOPHER BAKER paid Defendant the entire $12,140.97 balance in various installment payments. ("Exhibit M").

82. Furthermore, Plaintiff, RANDALL COATES, signed a contract with Defendant sometime in April of 2023, in order for Defendant to assist him with his VA Disability Compensation claim and to increase his disability rating and corresponding compensation.

83. Plaintiff, RANDALL COATES, sought to increase his disability rating and compensation due to an array of physical ailments and disabilities.

84. In order to achieve such an increase, Plaintiff, RANDALL COATES, sent his medical records to Defendant and provided a statement to Defendant regarding the physical ailments and symptoms that he was experiencing.

85. Using that information, Defendant then gave advice to Plaintiff, RANDALL COATES, on which specific disabilities he should apply for based on his stated ailments and symptoms. Additionally, Defendant edited and reviewed Plaintiff's VA Disability Compensation application, compiled and curated Plaintiff's medical records and attached them to the application, and filed the application with the VA, even though Defendant was not accredited by the VA to engage in such services.

86. As a result of Defendant's services in assisting Plaintiff, RANDALL COATES, in the preparation, presentation, and prosecution of his VA Disability Compensation Claim, Plaintiff's VA disability rating was increased from 0% to 90% and his monthly VA Disability Compensation increased by $2,195.39.

87. From June through August of 2023, Defendant sent Plaintiff, RANDALL COATES, invoices for a combined balance of $11,544.83, and asked Plaintiff to pay this amount in exchange for Defendant's services, even though Defendant is not legally authorized to receive compensation from veterans in exchange for assisting them with VA Disability Compensation claims.

88. From June 30, 2023, through October 30, 2023, Plaintiff, RANDALL COATES paid Defendant the entire $11,544.83 balance in monthly installment payments. ("Exhibit N").

89. As outlined above, Defendant assisted Plaintiffs in the preparation, presentation, and prosecution of their claims for VA Disability Compensation, and Defendant is not accredited by the VA for this purpose. Additionally, Defendant collected fees from Plaintiffs in exchange for assisting Plaintiffs with their VA Disability Compensation claims without receiving authorization by the VA to collect such fees.

90. Defendant's collection of fees for assisting Plaintiffs in the preparation, presentation, and prosecution of Plaintiffs' VA Disability Compensation claims violates 38 U.S.C. § 5901(a),

38 C.F.R. § 14.629(b)(1) and 38 C.F.R. § 14.636(b) because Defendant is not accredited by the VA to assist veterans in the preparation, presentation, and/or prosecution of VA Disability Compensation claims and is not eligible to receive compensation for such services.

91. As a result of Defendant's unlawful fees, Plaintiffs have paid Defendant at least $40,585.10 more than is permitted by federal regulation.

92. Defendant has employed similar practices to charge unlawful fees to members of the Class and Defendant collects these amounts in open violation of federal law.

93. Therefore, Defendant's acts violate federal regulations in the following way:

a. Helping claimants prepare and present their VA Disability Compensation claims while being unaccredited; and

b. Receiving compensation for VA claims assistance while being unaccredited.

94. As a result of Defendant's violations of federal law, Defendant is in violation of the Florida Deceptive and Unfair Trade Practices Act because it is violating regulations that are designed to protect consumers, and because, through its violations, it is engaging in unethical and unscrupulous business practices that substantially injure veterans by making them pay illegal and exorbitant fees for assistance in their VA Disability Compensation claims that the veterans would otherwise not have to pay if they were assisted by a VA accredited agent, attorney, or entity.

95. As a direct and proximate cause of Defendant's violations, Plaintiffs and other class members have been harmed and suffered actual damages by paying unlawful and exorbitant fees to Defendant that were assessed and collected by Defendant in violation of federal law and the Florida Deceptive and Unfair Trade Practices Act.

96. As a direct and proximate cause of Defendant's violations, Plaintiffs and the Class are entitled to actual damages, injunctive relief, attorney's fees, and court costs pursuant to Fla. Stat. §§ 501.211 and 501.2105.

WHEREFORE, Plaintiffs demand judgment for damages, injunctive relief, and attorney's fees and court costs against Defendant, and a trial by jury.

PRAYER FOR RELIEF

WHEREFORE, Plaintiffs pray that the Court enter an Order:

A. Certifying this action as a class action as provided by Florida Rule of Civil Procedure 1.220, appointing Plaintiffs as Class Representative, and appointing the undersigned attorneys and their firm as Class Counsel;

B. That this Court enter judgment in favor of Plaintiffs and the Class for Defendant's violation of Fla. Stat. § 501.204(1);

C. That this Court award actual damages sustained by Plaintiffs and the Class in an amount to be proved at trial;

D. That this Court order that any outstanding debts still owed by the Class under Defendant's contract are void;

E. That this Court award Plaintiffs and the Class reasonable attorney's fees and court costs incurred in this action pursuant to Fla. Stat. §§ 501.211 and 501.2105;

F. That this Court enjoin Defendant, pursuant to Fla. Stat. § 501.211, from further violations of Fla. Stat. § 501.204(1), 38 U.S.C. § 5901(a), 38 C.F.R. § 14.629(b)(1), and 38 C.F.R. § 14.636(b);

G. That this court award Plaintiffs and the Class any pre-judgment and post-judgment interest as may be allowed under the law; and

H. That this Court award such other and further relief as the Court may deem just and proper.

DEMAND FOR JURY TRIAL

Plaintiffs demand a trial by jury of all issues so triable.

WHEREFORE, Plaintiffs pray that upon final judgement they may recover a judgement against Defendant for prejudgment interest as allowed by law: post judgment interest as allowed by law; actual damages; costs and expenses of this lawsuit; injunctive relief; and any other such relief, at law or equity, to which Plaintiffs may be justly entitled.

Respectfully submitted this 27th day of March 2026.

Trajector Medical has no control over your VA examination, and we recommend you attend any scheduled exam with the VA to properly evaluate your claim for benefits.
7	PERTAINS TO SECTION 7: **When do I pay you?** You will only owe Trajector Medical if your VA disability benefit compensation increases. We ask that you pay us for when you receive your increase in monthly benefit. If you are unable to pay your balance in full when invoiced, we offer automatic monthly payment plans. Once your invoice is paid, we will review your case for additional claims or appeals if your claim is denied.
8	PERTAINS TO SECTION 8-1 THROUGH 8-3: **Can you provide an example of how your standard fees are calculated?** **Standard Fee Examples:** If your VA pay goes up $700 per month you promise to pay us $3,500 (5 x $700 per month increase) plus a monthly service charge of 1% on your outstanding balance will be added to your fee. If you pay us $3,500 (5 x $700 per month increase) within 90 days of the date on your VA claim notification letter, the monthly service charges will be waived, so your balance will be paid in full. If you do not pay your balance in full until after 90 days from the date on your VA claim notification letter, you will owe five (5) times the amount your monthly VA compensation increases by plus the 1% monthly service charge ($4,500 plus the 1% monthly service charge). Your VA pay may increase substantially depending on your current rating and the severity of your disability. If your VA pay goes up $2,000 per month you promise to pay us $10,000 (5 x $2,000 per month increase) plus a monthly service charge of 1% on your outstanding balance will be added to your fee. If you pay us $10,000 (5 x $2,000 per month increase) within 90 days of the date on your VA claim notification letter, the monthly service charges will be waived, so your balance will be paid in full. If you do not pay your balance in full until after 90 days from the date on your VA claim notification letter, you will owe five (5) times the amount your monthly VA compensation increases by plus the 1% monthly service charge ($10,000 plus the 1% monthly service charge).
9	PERTAINS TO SECTION 9-1: **Are there any "hidden fees"?** No. Our agreement outlines our standard fee and if applicable, supplemental fees. Some claims may benefit from an independent examination by a licensed specialist (e.g. Psychology, Psychiatry, etc.). We do not have these specialists on staff, so we may refer you to a specialist who will charge a fee for the evaluation. Although we may be the best possible evidence for your claim, there is no obligation to use the fee for services. We may refer you to an outside legal team specializing in VA disability claims that will charge a contingency fee only if you win your case. Remember, if our evidence results in your VA approval, you are not responsible to pay for work, even if you received benefits before it is approved. Below is an example of how if applicable, supplemental fees would be calculated: A client at 30% being paid $490 increases to 50% being paid $900 with an effective date of 2-3-18 and a Rating Decision letter (RDL) dated 4-15-19: • **Appeals & Non-Conforming Claims:** $450 x 15= $6,750 x 10% = $675 added to the standard fee • **CUE Claim:** $450 x 15= $6,750 x 25% = $1,687.50 added to the standard fee **Convalescence Claim:** A client at 30% being paid $450 has a claim for a temporary 100% being paid $3,000, with an effective period of 3 months: $2,550 x 12 months = $30,600 x 20% = $6,120 added to the standard fee **Cap:** A military retiree client at 30% being paid $450 is increased to 70% being paid $900. New VA Disability compensation of $900 x 5 = $4,500 (previous total)
10	PERTAINS TO SECTION 10-1: **Why do I have to pay more for medical evidence developed in support of Appealed Claims?** Appeal claims can be a complex and lengthy process. We do all of our medical evidence work and provide valuable evidence for your case on front end and must do additional work for appeal claims. Due to the added complexity and use of additional resources, we charge a small supplemental fee of 10% of your increased disability compensation (medium likelihood number of months between the effective date and award date). This is in addition to the standard fee you will owe us if your claim wins.
11	PERTAINS TO SECTION 11-1: **What is a CUE Claim?** Sometimes our medical teams, or the VA, will identify a VA error in an original rating. If our team can identify an oversight in the medical evidence available to the VA at the original time of the assigned rating, you may be awarded retro pay back to the original effective date of the assigned disability rating.
12	PERTAINS TO SECTION 12-1: **If I am paying you, why can't you file my claims for me?** We are a private medical evidence development and medical consulting company. As such, we have no affiliation with the VA and cannot represent Veterans before the VA in any way.
13	PERTAINS TO SECTION 13-1: **What happens if the VA denies my claim?** We cannot guarantee that any VA disability claim will be approved. Sadly, the VA ultimately makes the decision. However, you have the option to appeal the decision.

TRAJECTOR MEDICAL

VET COMP & PEN *MEDICAL CONSULTING*

Trajector Medical's (as a d/b/a of Vet Comp & Pen Medical Consulting, LLC) mission is to improve the lives of Veterans by providing professional medical evidence development and medical consulting services to help Veterans identify potential VA disability benefits that they medically, legally and ethically qualify for. Our entire services agreement with you is detailed within this document, the attached FAQs, and the Notice of Privacy Practices.

	WE PROMISE TO		YOU PROMISE TO
A	Evaluate your medical evidence and the various medical symptoms you suffer from and help you understand the potential VA disabilities you may qualify for. These services are provided under the federal VA rating disability evaluation standards and are not intended for the purpose of medical care or treatment. In applying the federal VA standards, it may be necessary for you to obtain an evaluation and diagnosis of your medical symptoms from a treatment provider for us to provide additional supportive evidence. Our evaluation includes the use of proprietary technology we have developed through careful review of trends in health conditions and ratings for over 100,000 Veterans. This technology can aid in identifying potential health conditions and theories of service connection for us to consider in reviewing your medical history and symptoms.	A1	Provide a free VA.gov eBenefits account to file your medical evidence package with the VA in a timely manner and monitor your claim progress.
		A2	**NEVER** solicited or suggested that we are your VA representative. You understand that we will not prepare, present, file, and/or prosecute a claim on your behalf, and we only provide medical evidence development and medical consulting services. You are free to engage with a VA accredited VSO agent or attorney to assist you with preparing, presenting, filing, and/or prosecuting your claim. However, we are unable to refer you to any of those activities.
B	When supported by medical evidence, we work to establish a nexus link between your disability condition and your military service, exploring DIRECT, AGGRAVATION, SECONDARY, and PRESUMPTIVE paths to VA Service Connection. We also provide medical consulting to help you document your symptoms as they apply to the federal VA standards.	B1	Go to a VA Compensation & Pension appointment or private medical provider to establish a formal medical diagnosis and documentation of symptoms as required, at your expense. While we review medical files and diagnoses, we do not provide examinations or diagnose medical conditions.
C	When supported by the available evidence, we develop a comprehensive Medical Opinion addressing your symptoms, diagnosis and a medical nexus between your military service and your symptoms to support VA service Connection.	C1	Ensure the accuracy of all claim related information before you provide it to the VA and assume all liability for any misrepresentations you make.
D	Use our medical knowledge to evaluate all the federal VA medical diagnostic codes that may apply to your symptoms, so that you can understand the potential VA disability ratings you may medically, legally and ethically qualify for.	D1	Keep a record of all communications you have with the VA and provide us any VA letters or C&P exam requests when you receive them. You are responsible for initiating your next VA filing deadlines. You authorize us, and any officers of ours, to use electronic or automated means to communicate with you via email, text messaging, voicemail or mobile phone and understand that all calls may be recorded.
E	Refer you to other parties who can assist you better if we do not believe we are the best fit for your needs.	E1	Understand we may not be able to help relieve harmful conditions or provide consulting to support every disability.
F	Act in accordance with the laws and regulations that enable private medical professionals to develop evidence in support of VA claims.	F1	Either complete all VA forms by yourself or get assistance from a person accredited by the VA to complete VA forms.

	OUR PROMISE REGARDING OUR FEES		YOUR PROMISE REGARDING OUR FEES
G	We do not charge for anything other than medical evidence development and consulting services, which are based on information you provide to us. You do not pay us unless you receive an increase in your VA disability pay. We do not charge any up-front fees, so we rely on you following through with the VA and sharing the results of your disability progress with us. We do not require you to pay us out of the disability compensation you are paid each month. We do not ask or require you to assign us your disability compensation, medical benefits, or any other rights. We agree to advance our services to you with no advanced payment. HOWEVER, we want to be fair in fee to be paid as soon as you receive an increase in benefits.	G1	You promise to take the process and your VA claim seriously and not miss any VA deadlines or appointments and to respond the VA staff and their requirements.
		G2	You promise to contact us as soon as you receive your VA claim notification letter and your VA rating decision letter and provide us a copy of those letters so we can confirm the accuracy of the assigned effective date, confirm your awarded disability rating percentage is consistent with your medical evidence and the 38 CFR guidelines, and determine if you're eligible for any SMC (special Monthly Compensation) based on your medical evidence.
		G3	You promise to pay our standard fee, which is equal to five (5) times the amount your monthly VA compensation increases by. In addition, Trajector Medical may charge a monthly service charge on amounts not paid when due from the due date until paid at the lesser of 1% per month or the maximum legal rate. However, if you pay your balance in full within ninety (90) days of the date on your VA claim notification letter, we will waive your monthly service charges. You agree that N/A fee and any additional monthly service charge is not a loan, or forbearance but rather earned or part of the fee for the services we provide. You shall pay all costs of collection, including, without limitation, reasonable attorney fees.
		G4	Once your claim is approved, you promise to pay your invoice by one of the following methods: (a) Pay our fee in one lump sum within 10 days of receipt of our invoice; or (b) Enroll in our Automatic Monthly Payment Program if you wish to divide your invoice into equal payments up to 5 months; or (c) Make 2 to 5 equal monthly payments PLUS an additional $10 service charge each month if you choose to make payments via mail, online, or telephone that are not processed through our Automatic Monthly Payment Program.
		G5	With an increase in your monthly VA pay, you will often receive retro pay back to the effective date of your claim. You promise to pay our invoice as quickly as possible after your claim is approved.
		G6	You authorize us to act on your behalf and use your Protected Health Information for the limited purpose of ensuring that we are on notice of any changes to your medical conditions or disability rating(s) status.

SUPPLEMENTAL FEE INFORMATION

H We do not collect a hidden fee. Our agreement is the entirety of our fee. Before doing any work for you, we will provide you with a clear, written fee agreement.

H1 **Appeal Claims** - If a claim is denied and you choose to appeal, you agree to pay a flat fee of $1,000 per appeal. This fee is due only if and when you receive a favorable decision on appeal. If the appeal is denied, you owe us nothing. We do not charge hourly fees for appeals.

H2 **VA Awards** - If any award you receive (including back pay or future benefits) is based on a claim we helped you file, you agree to pay us a fee equal to 20% of the amount of that award. This fee is due only if you receive a benefit we helped you obtain. We will not charge this fee if your claim is denied.

H3 **Convalescence Claims** - For convalescence claims, you agree to pay us a fee equal to 20% of the gross amount of any lump sum payment you receive from the VA as a result of a claim we helped you file. This fee is due only if you receive a lump sum payment. We will not charge this fee if your claim is denied or if you receive only monthly payments.

H4 **Concurrent Retirement Disability Pay (CRDP) / Military retirees** - If you receive both VA disability compensation and military retirement pay, you may be eligible for CRDP. CRDP restores a portion of the retirement pay that is normally offset by VA disability compensation. To be eligible, you must have a VA disability rating of 50% or higher. Once this threshold is reached, you continue to receive CRDP for as long as you receive both VA disability compensation and retirement pay. We will review your records and tell you whether you appear to be eligible for CRDP. We will not charge you a fee for this review. If you are eligible, we will help you file the application. We will charge a flat fee of $1,000 for this service. This fee is due only if you receive CRDP as a result of our assistance. If you are not eligible, or if you do not receive CRDP, you owe us nothing.

H5 **Comprehensive Record Reviews** - For a comprehensive review of your records (100+ pages) completed, we will charge a flat fee of $1,000. We will not charge this fee if your claim is denied or if you receive only monthly payments.

H6 **Independent Medical Examination (IME) Reimbursements** - You understand and agree that we may recommend that you undergo an IME with a doctor we select. We will pay the cost of the IME directly to the doctor. You agree to reimburse us for the full amount we pay for the IME, regardless of the outcome of your claim. You will not be responsible for any IME that you did not authorize in advance. If you refuse to attend an IME we have scheduled, you will be responsible for the full cost of the IME.

TRAJECTOR MEDICAL

FAQ - FREQUENTLY ASKED QUESTIONS

1	PERTAINS TO SECTION 1A-1: **What's the difference between Trajector Medical and free VSO or DAV services?** Trajector Medical provides professional medical advocacy, development services and medical consulting services by engaging our team of experts to your disorder and the VA rating schedule to evaluate your current symptoms and/or VA disability ratings. You determine the claims you wish to pursue, and the extent of our services is to provide medical evidence and consulting in support of your claim. For some conditions, we may be able to provide additional at no charge or refer you to a medically credentialed provider who can complete a medical opinion. Service providers like us help you pursue your claim or appeal. A VSO cannot; by law, charge you for a claim or appeal however they typically lack professional medical experience to fully evaluate your medical evidence or symptoms, and may not provide resources to obtain the vital evidence you may need.
2	PERTAINS TO SECTION 1A-2: **Do you provide nexus letters?** There are several routes to service connection for every potential disability. We do our best to evaluate and develop relevant medical evidence to assist in linking your disability to a condition to your military service, where appropriate.
3	PERTAINS TO SECTION 1B: **What is a specialized Independent Medical Opinion, and why do I pay more for it?** A specialized Independent Medical Opinion is developed by evaluating all your symptoms and medical evidence, applying link to statistically valid and reliable medical literature to support a link, or nexus, between your current disability condition and your service. This requires the work of a highly trained medical professional and may provide the vital evidence needed to win service connection for a disability. Not all cases require this specialized evidence.
4	PERTAINS TO SECTION 1D-1: **Why is it important to keep Trajector Medical informed?** Our medical evidence is most effective when we are made aware of updates that impact your claim or work on your behalf(s) there.
5	PERTAINS TO SECTION 1E-1: **What if you cannot help with my case?** We strive to help as many Veterans as possible receive the benefits they are medically, legally and factually entitled to. We are a medical evidence development and medical consulting company, and can only help with claims supported by medical evidence. We are deeply uncertain to help all Veterans develop supporting evidence for disability claims. If we determine we are unable to help you, we will recommend alternative options that may be able to assist you.
6	PERTAINS TO SECTION 1E-2: **Will the VA still call me in for an examination if I use your company?** Anytime you file for VA disability benefits, or if you are currently VA rated, the VA can contact you to evaluate your disabilities at any time. Trajector Medical has no control over your VA examination, and we recommend you attend any scheduled exam with the VA to properly evaluate your claim for benefits.
7	PERTAINS TO SECTION 1E: **When do I pay you?** You will only owe Trajector Medical if your VA disability benefit compensation increases. We ask that you pay us for when you receive your increase in monthly benefit. If you are unable to pay your balance in full when invoiced, we offer automatic monthly payment plans. Once your invoice is paid, we will review your case for additional claims or appeals if your claim is denied.
8	PERTAINS TO SECTIONS 1E-1 AND 1E-3: **Can you provide an example of how your standard fees are calculated?** **Standard Fee Examples:** If your VA pay goes up $700 per month you promise to pay us $3,500 (5 x $700 per month increase) plus a monthly service charge of 1% on your outstanding balance will be added to your fee. If you pay us $3,500 (5 x $700 per month increase) within 90 days of the date on your VA claim notification letter, the monthly service charges will be waived, so your balance will be paid in full. If you do not pay your balance in full until after 90 days from the date on your VA claim notification letter, you will owe five (5) times the amount your monthly VA compensation increases by plus the 1% monthly service charge ($3,500 plus the 1% monthly service charge). Your VA pay may increase substantially depending on your current rating and the severity of your disability. If your VA pay goes up $2,000 per month you promise to pay us $10,000 (5 x $2,000 per month increase) plus monthly service charge of 1% on your outstanding balance will be added to your fee. If you pay us $10,000 (5 x $2,000 per month increase) within 90 days of the date on your VA claim notification letter, the monthly service charges will be waived, so your balance will be paid in full. If you do not pay your balance in full until after 90 days from the date on your VA claim notification letter, you will owe five (5) times the amount your monthly VA compensation increases by plus the 1% monthly service charge ($10,000 plus the 1% monthly service charge).
9	PERTAINS TO SECTION 1F: **Are there any "hidden fees"?** No. Our agreement outlines our standard fee and if applicable, supplemental fees. Some claims may benefit from an independent examination by a licensed specialist (e.g. Psychology, Psychiatry, etc.). We do not have these specialists on staff, so we may refer you to a specialist who will charge a fee for the evaluation. Although, we may be the best possible evidence for your claim, there is no obligation to use the fee for services. We may refer you to an outside agency/entity or VA disability claims that will charge a contingency fee only if you win your case. Remember, if our evidence results in an award, you are not responsible to pay for travel, travel reimbursement or any fees charged. Below is an example of how a supplemental fee would be calculated: A client at 30% being paid $490 increases to 50% being paid $900 with an effective date of 2-3-18 and a Rating Decision letter (RDL) dated 4-15-19. • **Appeals & Non-Conforming Claims:** $450 x 15= $6,750 x 10% = $675 added to the standard fee • **CUE Claim:** $450 x 15= $6,750 x 25% = $1,687.50 added to the standard fee **Convalescence Claim:** A client at 30% being paid $450 has an increase to a temporary 100% being paid $3,000, with an effective period of 3 months: $2,550 x 3 months = $7,650 x 20% = $1,530 added to the standard fee **Cap:** A military retiree client at 30% being paid $450 is increased to 70% being paid $900. New VA Disability compensation of $900 x 5 = $4,500 (previous total)
10	PERTAINS TO SECTION 1G: **Why do I have to pay more for medical evidence developed in support of Appealed Claims?** Appeal claims can be a complex and lengthy process. We do all of our medical evidence work and provide valuable evidence for your case on front end and must do additional work for appeal claims. Due to the added complexity and use of additional resources, we charge a small supplemental fee of 10% of your increased disability compensation (medium dollar) for the number of months between the effective date and award date. This is in addition to the standard fee you will owe us if your claim wins.
11	PERTAINS TO SECTION 1H: **What is a CUE Claim?** Sometimes our medical team, or the VA, will identify a VA error in an original rating. If our team can identify an oversight in the medical evidence available to the VA at the original time of the assigned rating, you may be awarded retro pay back to the original effective date of the assigned disability rating.
12	PERTAINS TO SECTION 1I: **If I am paying you, why can't you file my claims for me?** We are a private medical evidence development and medical consulting company. As such, we have no affiliation with the VA and cannot represent Veterans before the VA in any way.
13	PERTAINS TO SECTION 1J: **What happens if the VA denies my claim?** We cannot guarantee that any VA disability claim will be approved. Sadly, the VA officially denies 1/4 of claims. However, you have the option to appeal the decision.

TRAJECTOR MEDICAL

VET COMP & PEN *MEDICAL CONSULTING*

Trajector Medical's (as a d/b/a of Vet Comp & Pen Medical Consulting, LLC) mission is to improve the lives of Veterans by providing professional medical evidence development services to help Veterans identify potential VA disability benefits that they medically, legally and ethically qualify for. Our entire services agreement with you is detailed within this document, the attached FAQs, and the Notice of Privacy Practices.

WE PROMISE TO		YOU PROMISE TO	
A	Evaluate your medical evidence and the various medical symptoms you suffer from and help you understand the potential VA disabilities you may qualify for.	A1	Establish a free VA.gov or eBenefits account to file your medical evidence package with the VA in a timely manner and monitor your claim progress.
		A2	NEVER indicate or suggest that we are your VA Representative. You understand that we will not prepare, present, file, and/or prosecute a claim on your behalf and we strictly provide medical evidence development services. You are free to engage with a VA-accredited VSO agent or attorney to assist you with preparing, presenting, filing, and/or prosecuting your claim.
B	Work to establish a nexus link between your disability condition and your military service, evaluating DIRECT, AGGRAVATION, SECONDARY, and PRESUMPTIVE paths to VA Service Connection.	B1	Go to a VA Compensation & Pension examiner or private medical provider to establish a formal medical diagnosis and documentation of symptoms as required at your expense.
C	Develop a comprehensive Medical Opinion addressing your symptoms, diagnoses and nexus to support VA Service Connection when applicable.	C1	Ensure the accuracy of all claim-related information before you provide it to the VA and assume all liability for any misrepresentations you make.
D	Use our medical knowledge to evaluate all of the medical diagnostic codes that may apply to your symptoms, so that you can understand all of the potential VA disability ratings you may medically, legally and ethically qualify for.	D1	Keep us informed of all communications you have with the VA and advise us of any VA letters or C&P exam requests when you receive them. You are responsible for ensuring you meet VA filing deadlines. You authorize us, and any affiliates of ours, to use manual or automated means to communicate with you via email, text messaging, voicemail or mobile phone and understand that all calls may be recorded.
E	Refer you to other parties who can assist you better if we do not believe we are the best fit for all of your needs.	E1	Understand we may not be able to help develop medical evidence for every claim.
F	Act in accordance with the laws and regulations that enable private medical professionals to develop evidence in support of VA claims.	F1	Either complete all VA forms by yourself or get assistance from a person accredited by the VA to complete VA forms.

OUR PROMISE REGARDING OUR FEES		YOUR PROMISE REGARDING OUR FEES	
G	We do not charge for anything other than medical evidence development which is based on information you provide us. You do not pay us unless you receive an increase in your VA disability pay. We do not charge any up-front fees, so we rely on you following through with the VA. We do not ask you to pay us out of what the VA is currently paying you each month. We do not ask or require you to assign us your medical benefits or any other rights. We agree to advance our services to you with no advanced payment; HOWEVER, we want to be first in line to be paid as soon as your pay increases.	G1	You promise to take your VA claim seriously and not miss any VA deadlines or appointments. If your claim is denied, you promise to secure a qualified VA accredited agent or attorney to handle your appeal.
		G2	You promise to contact us as soon as you receive your VA claim notification letter and your VA rating decision letter and provide us a copy of those letters so we can confirm the accuracy of the assigned effective date, confirm your awarded disability rating percentage is consistent with your medical evidence and the 38 CFR guidelines, and determine if you're eligible for any SMC (Special Monthly Compensation) based on your medical evidence.
		G3	You promise to pay our standard fee, which is equal to five (5) times the amount your monthly VA compensation increases by. In addition, Trajector Medical may charge a monthly service charge on amounts not paid when due from the due date until paid at the lesser of 1½ percent per month or the maximum legal rate. However, if you pay your balance in full within ninety (90) days of the date on your VA claim notification letter, we will waive your monthly service charges. You agree that this fee and any additional monthly service charge is not a loan or forbearance but rather viewed as part of the fee for the services we provide. You shall pay all costs of collection, including, without limitation, reasonable attorney fees.
		G4	Once your claim is approved, you promise to pay your invoice by one of the following methods: (a) Pay our fee in one lump sum within 10 days of receipt of our invoice; or (b) Enroll in our Automatic Monthly Payment Program if you wish to divide your invoice into equal payments up to 5 months, or (c) Make 2 to 5 equal monthly payments PLUS an additional $15 service charge each month if you choose to make payments via mail, online, or telephone that are not processed through our Automatic Monthly Payment Program.
		G5	With an increase in your monthly VA pay, you will often receive retro pay back to the effective date of your claim. You promise to use any retro pay you receive along with the increase in your monthly VA compensation to pay our invoice as quickly as possible after your claim is approved.
		G6	You authorize us to act on your behalf and use your Protected Health Information for the limited purpose of ensuring that we are on notice of any changes to your medical conditions or disability benefit status.

TRAJECTOR MEDICAL

SUPPLEMENTAL FEE INFORMATION

H	We do not believe in hidden fees. Our supplemental fee information below details fees that may be applicable to you, based on your unique circumstances.
H1	**Appeal Claims** - For ongoing medical evidence development and case management services required during the appeal period, you promise to pay us our standard fee, plus a small supplemental fee equal to 10% of what your monthly VA compensation increases by times the number of months between the effective date and the award.
H2	**CUE Awards** - For any Clear and Unmistakable Error or "CUE award", you promise to pay us our standard fee plus 25% of the current increased amount used in the standard calculations, times the number of months from the effective date to the decision date.
H3	**Convalescence Claims** - For a temporary 100% convalescence claim, you promise to pay us our standard fee (if applicable), plus 20% of the gross total increase awarded for the convalescent period.
H4	**Concurrent Retirement Disability Pay (CRDP)** - Military retirees that are below a 50% VA rating receive their VA disability pay as an offset. We do not charge a retiree until they reach a disability rating of 50% or higher. Once this threshold is reached, you promise to pay us five (5) times the monthly increase from zero dollars ($0) to your new level of total monthly VA compensation that you receive.
H5	**Comprehensive Record Reviews** - If a comprehensive review of your medical records (100+ pages) is required, we will add a $250 Supplemental Fee.
H6	**Independent Medical Examination (IME) Reimbursements** - Reimbursement of expenses advanced by us for any IMEs from approved third-party medical providers. In the event we (you and Trajector Medical) agree that you would benefit from being evaluated by a third-party medical provider, Trajector Medical may agree to advance a significant portion of the charge for the IME expense. In the event any claim(s) associated with the IME is approved, you promise to reimburse us for any IME expenses we've already paid for you. The IME expenses will be added to your invoice for their services.

TRAJECTOR MEDICAL

FAQ - FREQUENTLY ASKED QUESTIONS

1	PERTAINS TO SECTIONS A/A1 **What's the difference between Trajector Medical and free VSO or DAV services?** Trajector Medical provides professional medical evidence services, by applying our medical knowledge to your situation and the VA rating schedule to evaluate your current symptoms and/or VA disability ratings. You determine the claims you wish to pursue, and the extent of our services is to provide medical evidence in support of your claim. For some conditions, we may be able to provide vital nexus statements at no charge or refer you to a medically credentialed provider who can complete a medical opinion for a reasonable fee to help you pursue your claim or appeal. A VSO can help you file a claim or appeal; however, they cannot evaluate your medical evidence or symptoms, disability level, or provide resources to obtain the vital evidence you may need.
2	PERTAINS TO SECTIONS B/B1/C/C1 **Do you provide nexus letters?** There are several routes to service connection for every potential disability. We do our best to evaluate and develop valuable medical evidence to assist in linking your disability condition to your military service, where appropriate.
3	PERTAINS TO SECTION C **What is a specialized Independent Medical Opinion, and why do I pay more for it?** A specialized Independent Medical Opinion is developed by evaluating all your symptoms and medical evidence, applying this to statistically valid and reliable medical literature to support a link, or nexus, between your current disability condition and your service. This requires the work of a highly trained medical professional and provides the vital evidence needed to win service connection for a disability. **Not all cases require this specialized evidence.**
4	PERTAINS TO SECTIONS D/D1 **Why is it important to keep Trajector Medical informed?** Our medical evidence is most effective when we are made aware of updates that impact your claim as soon as you know about them.
5	PERTAINS TO SECTIONS E/E1 **What if you cannot help with my case?** We strive to help as many Veterans as possible receive the benefits they are medically, legally and ethically qualified for. We are a medical evidence development company and can only help with claims supported by medical evidence. We are simply unable to help all Veterans with all disability claims. If we determine we are unable to help you, we will recommend alternative options that may be able to assist you.
6	PERTAINS TO SECTION G **Will the VA still call me in for an examination if I use your company?** Anytime you file for VA disability benefits, or if you are currently VA rated, the VA can contact you to evaluate your disabilities at any time. Trajector Medical has no control over your VA examination, and we recommend you attend any scheduled exam with the VA to properly evaluate your claim for benefits.
7	PERTAINS TO SECTION G **When do I pay you?** You will only owe Trajector Medical if your VA disability benefits compensation increases. We ask that you pay us first when you receive your increase in monthly benefits. If you are unable to pay your balance in full when invoiced, we offer automatic monthly payment plans. Once your invoice is paid, we will review your case for additional claims or appeals if your claim is denied.
8	PERTAINS TO SECTION G/G1/G4/G5 **Can you provide an example of how your standard fees are calculated?** **Standard Fee Examples:** If your VA pay goes up $700 per month you promise to pay us $3,500 (5 X $700 per month increase) plus a monthly service charge of 1% on your outstanding balance will be added to your fee. If you pay us $3,500 (5 X $700 per month increase) within 90 days of the date on your VA claim notification letter, the monthly service charges will be waived, so your balance will be paid in full. If you do not pay your invoice in full until after 90 days from the date on your VA claim notification letter, you will owe five (5) times the amount your monthly VA compensation increases by plus the 1% monthly service charge ($3,500 plus the 1% monthly service charge). Your VA pay may increase substantially depending on your current rating and the severity of your disability. If your VA pay goes up $2,000 per month you promise to pay us $10,000 (5 X $2,000 per month increase) plus a monthly service charge of 1% on your outstanding balance will be added to your fee. If you pay us $10,000 (5 X $2,000 per month increase) within 90 days of the date on your VA claim notification letter, the monthly service charges will be waived, so your balance will be paid in full. If you do not pay your invoice in full until after 90 days from the date on your VA claim notification letter, you will owe five (5) times the amount your monthly VA compensation increases by plus the 1% monthly service charge ($10,000 plus the 1% monthly service charge).
9	PERTAINS TO SECTION H **Are there any "Hidden Fees"?** No. Our agreement outlines our standard fee and if applicable, supplemental fees. Some claims may benefit from an independent evaluation by a credentialed specialist (e.g. Psychology, Psychiatry, etc.). We do not have these specialists on staff, so we may refer you to a specialist who will charge a fee for the evaluation. Although this may be the best possible evidence for your case, there is no obligation to use these services. We may refer you to an outside legal team specializing in VA disability claims that will charge a contingency fee only if you win your case. Below is an example of how, if applicable, supplemental fees would be calculated: A client at 30% being paid $450 increases to 50%, being paid $900 with an effective date of 2-3-18 and a Rating Decision Letter (RDL) dated 4-15-19: · **Appeals & Non-Conforming Claims:** $450 x 15= $6,750 x 10% = $675 added to the standard fee · **CUE Claims:** $450 x 15= $6,750 x 25% = $1,687.50 added to the standard fee **Convalescence Claim:** A client at 30% being paid $450 increases to a temporary 100%, being paid $3,000, with an effective period of 13 months: $2,550 x 13 months = $33,150 x 20% = $6,630 added to the standard fee **CRDP:** A military retiree client at 30% being paid $450 increases to 50%, being paid $900: New VA Disability compensation of $900 x 5 = $4,500 (invoice total)
10	PERTAINS TO SECTION H1 **Why do I have to pay more for Appeal Claims?** Appeal claims can be a complex and lengthy process. We do all of our medical evidence work and provide valuable evidence for your case up front and must do additional work for appeal claims. Due to this added complexity and use of additional resources, we charge a small supplemental fee of 10% of your increased disability compensation amount times the number of months between the effective date and award date. This is in addition to the standard fee you will owe us if your case wins.
11	PERTAINS TO SECTION H2 **What is a CUE Claim?** Sometimes our medical team, or the VA, will identify a VA error in an original rating. If our team can prove an oversight of the evidence available to the VA at the original time of the assigned rating, you may be awarded retro pay back to the original effective date of the assigned disability rating.
12	PERTAINS TO SECTION I **If I am paying you, why can't you file my claims for me?** We are a private medical evidence development company. As such, we have no affiliation with the VA and cannot represent Veterans before the VA in any way.
13	PERTAINS TO SECTION I **What happens if the VA denies my claim?** We cannot guarantee that any VA disability claim will be approved, since the VA ultimately makes this decision. However, you have the option to appeal the decision.

TRAJECTOR MEDICAL

VET COMP & PEN *MEDICAL CONSULTING*

Trajector Medical's (as a d/b/a of Vet Comp & Pen Medical Consulting, LLC) mission is to improve the lives of Veterans by providing professional medical evidence development and medical consulting services to help Veterans identify potential VA disability benefits that they medically, legally and ethically qualify for. Our entire services agreement with you is detailed within this document, the attached FAQs, and the Notice of Privacy Practices.

WE PROMISE TO		YOU PROMISE TO	
A	Evaluate your medical evidence and the various medical symptoms you suffer from and help you understand the potential VA disabilities you may qualify for. These services are provided under the federal VA rating disability evaluation standards and are not intended for the purpose of medical care or treatment. In applying the federal VA standards, it may be necessary for you to obtain an evaluation and diagnosis of your medical symptoms from a treatment provider for us to provide additional supportive evidence. Our evaluation includes the use of proprietary technology we have developed through careful review of trends in health conditions and ratings for over 100,000 Veterans. This technology can aid in identifying potential health conditions and theories of service connection for us to consider in reviewing your medical history and symptoms.	A1	Establish a free VA.gov or eBenefits account to file your medical evidence package with the VA in a timely manner and monitor your claim progress.
		A2	**NEVER** indicate or suggest that we are your VA Representative. You understand that we will not prepare, present, file, and/or prosecute a claim on your behalf and we strictly provide medical evidence development and medical consulting services. You are free to engage with a VA-accredited VSO agent or attorney to assist you with preparing, presenting, filing, and/or prosecuting your claim. However, we are unable to help you in any of those activities.
B	When supported by medical evidence, we work to establish a nexus link between your disability condition and your military service, evaluating DIRECT, AGGRAVATION, SECONDARY, and PRESUMPTIVE paths to VA Service Connection. We also provide medical consulting to help you document your symptoms as they apply to the federal VA standards.	B1	Go to a VA Compensation & Pension examiner or private medical provider to establish a formal medical diagnosis and documentation of symptoms as required at your expense. While we review medical files and diagnoses, we do not provide examinations or diagnose medical conditions.
C	When supported by the medical evidence, we develop a comprehensive Medical Opinion addressing your symptoms, diagnoses and a medical nexus between your military service and your symptoms to support VA Service Connection.	C1	Ensure the accuracy of all claim-related information before you provide it to the VA and assume all liability for any misrepresentations you make.
D	Use our medical knowledge to evaluate all the federal VA medical diagnostic codes that may apply to your symptoms, so that you can understand the potential VA disability ratings you may medically, legally and ethically qualify for.	D1	Keep us informed of all communications you have with the VA and provide us any VA letters or C&P exam requests when you receive them. You are responsible for ensuring you meet VA filing deadlines. You authorize us, and any affiliates of ours, to use manual or automated means to communicate with you via email, text messaging, voicemail or mobile phone and understand that all calls may be recorded.
E	Refer you to other parties who can assist you better if we do not believe we are the best fit for all of your needs.	E1	Understand we may not be able to help develop medical evidence or provide consulting to support every disability.
F	Act in accordance with the laws and regulations that enable private medical professionals to develop evidence in support of VA claims.	F1	Either complete all VA forms by yourself or get assistance from a person accredited by the VA to complete VA forms.

OUR PROMISE REGARDING OUR FEES		YOUR PROMISE REGARDING OUR FEES	
G	We do not charge for anything other than medical evidence development and consulting services, which are based on information you provide us. You do not pay us unless you receive an increase in your VA disability pay. We do not charge any up-front fees, so we rely on you following through with the VA and sharing the results of your disability progress with us. We do not require you to pay us out of the disability compensation you are paid each month. We do not ask or require you to assign us your disability compensation, medical benefits, or any other rights. We agree to advance our services to you with no advanced payment; HOWEVER, we want to be first in line to be paid as soon as you receive an increase in benefits.	G1	You promise to take this process and your VA claim seriously and not miss any VA deadlines or appointments and to respect the VA staff and their required procedures.
		G2	You promise to contact us as soon as you receive your VA claim notification letter and your VA rating decision letter and provide us a copy of those letters so we can confirm the accuracy of the assigned effective date, confirm your awarded disability rating percentage is consistent with your medical evidence and the 38 CFR guidelines, and determine if you're eligible for any SMC (Special Monthly Compensation) based on your medical evidence.
		G3	You promise to pay our standard fee, which is equal to five (5) times the amount your monthly VA compensation increases by. In addition, Trajector Medical may charge a monthly service charge on amounts not paid when due from the due date until paid at the lesser of 1½ percent per month or the maximum legal rate. However, if you pay your balance in full within ninety (90) days of the date on your VA claim notification letter, we will waive your monthly service charges. You agree that this fee and any additional monthly service charge is not a loan or forbearance but rather viewed as part of the fee for the services we provide. You shall pay all costs of collection, including, without limitation, reasonable attorney fees.
		G4	Once your claim is approved, you promise to pay your invoice by one of the following methods: (a) Pay our fee in one lump sum within 10 days of receipt of our invoice; or (b) Enroll in our Automatic Monthly Payment Program if you wish to divide your invoice into equal payments up to 5 months, or (c) Make 2 to 5 equal monthly payments PLUS an additional $15 service charge each month if you choose to make payments via mail, online, or telephone that are not processed through our Automatic Monthly Payment Program.
		G5	With an increase in your monthly VA pay, you will often receive retro pay back to the effective date of your claim. You promise to pay our invoice as quickly as possible after your claim is approved.
		G6	You authorize us to act on your behalf and use your Protected Health Information for the limited purpose of ensuring that we are on notice of any changes to your medical conditions or disability benefit status.

If you pay us $10,000 (5 X $2,000 per month increase) within 90 days of the date on your VA claim notification letter, the monthly service charges will be waived, so your balance will be paid in full. If you do not pay your invoice in full until after 90 days from the date on your VA claim notification letter, you will owe five (5) times the amount your monthly VA compensation increases by plus the 1% monthly service charge ($10,000 plus the 1% monthly service charge).
9	PERTAINS TO SECTION H **Are there any "Hidden Fees"?** No. Our agreement outlines our standard fee and if applicable, supplemental fees. Some claims may benefit from an independent evaluation by a licensed specialist (e.g. Psychology, Psychiatry, etc.). We do not have these specialists on staff, so we may refer you to a specialist who will charge a fee for the evaluation. Although this may be the best possible evidence for your case, there is no obligation to use these services. We may refer you to an outside legal team specializing in VA disability claims that will charge a contingency fee only if you win your case. Please Note: If our evidence leads to a win on appeal, you are still responsible to pay for services we have rendered under this agreement. Below is an example of how, if applicable, supplemental fees would be calculated: A client at 30% being paid $450 increases to 50%, being paid $900 with an effective date of 2-3-18 and a Rating Decision Letter (RDL) dated 4-15-19. • **Appeals & Non-Conforming Claims:** $450 x 15= $6,750 x 10% = $675 added to the standard fee • **CUE Claims:** $450 x 15= $6,750 x 25% = $1,687.50 added to the standard fee **Convalescence Claim:** A client at 30% being paid $450 increases to a temporary 100%, being paid $3,000, with an effective period of 13 months: $2,550 x 13 months = $33,150 x 20% = $6,630 added to the standard fee **CRDP:** A military retiree client at 30% being paid $450 increases to 50%, being paid $900: New VA Disability compensation of $900 x 5 = $4,500 (invoice total)
10	PERTAINS TO SECTION H1 **Why do I have to pay more for medical evidence developed in support of Appealed Claims?** Appeal claims can be a complex and lengthy process. We do all of our medical evidence work and provide valuable evidence for your case up front and must do additional work for appeal claims. Due to this added complexity and use of additional resources, we charge a small supplemental fee of 10% of your increased disability compensation amount times the number of months between the effective date and award date. This is in addition to the standard fee you will owe us if your case wins.
11	PERTAINS TO SECTION H2 **What is a CUE Claim?** Sometimes our medical team, or the VA, will identify a VA error in an original rating. If our team can identify an oversight of the medical evidence available to the VA at the original time of the assigned rating, you may be awarded retro pay back to the original effective date of the assigned disability rating.
12	PERTAINS TO SECTION I **If I am paying you, why can't you file my claims for me?** We are a private medical evidence development and medical consulting company. As such, we have no affiliation with the VA and cannot represent Veterans before the VA in any way.
13	PERTAINS TO SECTION J **What happens if the VA denies my claim?** We cannot guarantee that any VA disability claim will be approved, since the VA ultimately makes this decision. However, you have the option to appeal the decision.

Attorneys for Plaintiffs

UNITED STATES DISTRICT COURT

CENTRAL DISTRICT OF CALIFORNIA - WESTERN DIVISION

GILBERT QUIJADA, JR., JEFFREY PHILLIPS, and KIMBERLY PHILLIPS, individually and on behalf of all others similarly situated,

Plaintiffs,

vs.

TRAJECTOR, INC., and TRAJECTOR MEDICAL, LLC, formerly known as VET COMP AND PEN MEDICAL CONSULTING, LLC,

Defendants.

CLASS ACTION COMPLAINT AND JURY TRIAL DEMAND

Case No.:

Plaintiffs, GILBERT QUIJADA, JR. ("Staff Sergeant Quijada"), JEFFREY PHILLIPS ("Chief Petty Officer Phillips"), and KIMBERLY PHILLIPS ("Mrs. Phillips") (collectively, "Plaintiffs"), individually and on behalf of all others similarly situated, by and through undersigned counsel, bring this Class Action Complaint against Defendant Trajector, Inc. ("Trajector") and Defendant Trajector Medical, LLC, formerly known as Vet Comp and Pen Medical Consulting, LLC ("Trajector Medical") (collectively, "Defendants") for their deceptive, unlawful, and abusive practices towards our Nation's disabled persons who have served in the United States armed forces ("Veterans") and their spouses. Plaintiffs seek a declaratory judgment and monetary damages on behalf of the proposed Classes who have been wrongly charged by the Defendants, which acted unlawfully in providing services assisting and preparing Department of Veterans Affairs disability benefits claims, which by law require proper accreditation.

Plaintiffs allege the following based upon personal knowledge, investigation by counsel, and facts that are a matter of public record and, as to all other matters, upon information and belief.

INTRODUCTION AND FACTUAL BACKGROUND

1. This case is about illegal fees charged to disabled Veterans by Florida-based companies, Trajector, Inc. and Trajector Medical, LLC.

2. This class action lawsuit arises from the unlawful and deceptive practices of Defendants who for years have preyed, and continue to prey, upon our disabled Veterans by charging them, and, as applicable, their spouses, exorbitant and unlawful fees for assistance with the preparation, presentation, and/or prosecution of disability claims and appeals through the United States Department of Veterans Affairs ("VA"), in direct violation of federal law.

3. Moreover, Defendants engage in unfair and deceptive trade practices and predatory collection practices in their unlawful scheme to induce disabled Veterans to

retain their services, only to systematically take advantage of them throughout the VA disability claims process by intentionally ignoring federal regulations and laws which are designed to protect Veterans from overcharging "claim sharks." Indeed, federal regulations and laws require organizations, agents or attorneys who provide consulting services or assistance to Veterans with preparing, presenting, or prosecuting VA disability claims and appeals to receive accreditation in order to be compensated for these services. These regulations and laws also grant the VA oversight authority to these accredited organizations, agents, or attorneys and require those individuals who assist Veterans to comply with certain standards and conduct, such as requiring fees for these services to be reasonable and commensurate to the services performed.

4. Veterans who become disabled after suffering a disease or injury during active military, naval, air, or space service, or whose preexisting conditions are aggravated by such service, may be entitled to monthly tax-free disability compensation benefits from the VA. *See* 38 U.S.C. §§ 1110, 1115, 1131; 38 C.F.R. §§ 3.4(a), (b)(1). To obtain these benefits, a Veteran must submit a formal disability claim for compensation to the VA. *See* 38 C.F.R. § 3.151(a).

5. This disability benefit claim process is intended to be non-adversarial and the Secretary of the VA also has a duty to make reasonable efforts to assist and obtain relevant evidence to help Veteran claimants with their disability benefits claim submissions. *See* 38 C.F.R. § 5103A.

6. Federal law restricts representation of claimants in the preparation, presentation, and prosecution of claims for VA disability benefits to individuals who have been accredited by the VA as a representative, agent, or attorney. *See* 38 C.F.R. § 14.629(b)(1). The same regulatory framework prescribes both the circumstances under which an accredited representative, agent, or attorney may charge fees and the permissible amount of such fees. *See* 38 C.F.R. § 14.636. Statutory law further prohibits the imposition of any fee for services associated with the preparation or filing

of an initial claim for VA benefits. *See* 38 U.S.C. § 5904(c)(1).

7. Numerous Veterans Service Organizations ("VSOs") help Veterans initiate their VA disability benefits claims at no cost. Many Veterans rely on VSOs to file their initial claims, while others choose to proceed without formal representation or guidance from another organization, agent or attorney.

8. Following an adverse determination or a disability rating perceived as inadequate, a Veteran may seek further review of the VA's decision through an appeal. Veterans may also request an increased disability rating—and a corresponding increase in compensation—if their service-connected impairments have deteriorated. Throughout this process, some claimants continue to act *pro se*, others utilize assistance from VSOs, and some engage the services of VA-accredited agents or attorneys operating on a fee-for-service basis.

9. A fee for representation on a Veteran's benefits claim must be reasonable at all times. *See* 38 C.F.R. § 14.636(e). Pursuant to VA's standards of conduct for accredited individuals, it is a VA-accredited attorney or agent's responsibility to ensure that he or she does not "receive a fee that is clearly unreasonable or otherwise prohibited by law or regulation." 38 C.F.R. § 14.632(c)(5). The reasonableness review process under 38 C.F.R. § 14.636(i) can lead to the suspension or cancellation of accreditation under 38 C.F.R. § 14.633(c)(6), which specifically refers to "[c]harging excessive or unreasonable fees for representation as determined by VA."

10. For years, Defendants, which are not accredited by the VA as representatives, agents, or attorneys, have systematically targeted vulnerable Veterans suffering from service-connected disabilities, charging them unreasonable and excessive fees of $4,500 to $20,000, or more, for services that federal law expressly provides must either be reasonable or be rendered free of charge by VA-accredited

representatives, agents, or attorneys.[1]

11. Defendants' conduct violates 38 U.S.C. § 5904(c)(1), which explicitly prohibits the charging of fees for assistance with preparing and filing an initial VA disability benefits claim, as well as ancillary federal laws protecting Veterans and consumers. *See, e.g.,* 38 U.S.C. §§ 5904(c)(1); 38 C.F.R. § 14.636. Defendants' conduct and actions also violate 38 C.F.R. § 14.636(e) regarding unreasonable contingency fee agreements.

12. Defendants have known for years that their conduct violates federal law and regulations as they, and one of their predecessor companies, Vet Comp and Pen Medical Consulting, LLC, have been repeatedly warned by the Department of Veterans Affairs Office of General Counsel ("VA OGC"), the federal agency responsible for overseeing and regulating Veteran disability claims practices, in written cease-and-desist letters, to cease such activities.

13. On June 29, 2017, the VA OGC sent an explicit cease-and-desist letter[2] to Defendant Trajector Medical (formerly Vet Comp and Pen Medical Consulting, LLC) stating that it "may be engaged in illegal activities, which include the unauthorized preparation, presentation and prosecution of claims for VA benefits, as well as charging claimants for your services." The letter further details Trajector Medical's lack of accreditation, lack of any lawful basis to charge Veterans fees for assisting them in the preparation, presentation, and prosecution of their VA Claims, and that their conduct violates VA standards of conduct prohibiting accredited individuals from engaging in conduct involving fraud, deceit, misrepresentation or dishonesty. The letter ends with "[t]herefore, you and your organization are prohibited by law from representing veterans before VA."

[2] Attached as **Exhibit A**.

14. In January 2022, the VA OGC sent another cease-and-desist letter[3] stating that Defendants' conduct "likely violates 38 U.S.C. § 5904" and warned of referral to law enforcement if the Defendants did not comply, yet Defendants have ignored these warnings and continued their scheme, escalating and expanding their unlawful practices rather than ceasing them.

15. To aid in their unlawful enterprise, Defendants employ an automated calling system known as "CallBot" that repeatedly calls VA hotlines[4] using Veterans' personal information such as names, Social Security numbers, and dates of birth, to access and monitor Veterans' private, confidential disability benefits compensation information without adequate consent or disclosure.

16. Defendants use this unlawfully obtained information to determine when a Veteran's disability benefits claim has been approved or their awarded compensation for benefits has been increased.

17. Once CallBot detects an initial award or an increase in a Veteran's disability compensation, Defendants then send a bill to the Veteran based on the newly approved award, often demanding fees equal to at least five times the Veteran's monthly disability payment or, for an increased award, at least five times the increased monthly disability payment. Defendants further launch collection efforts to Veterans characterized by frequent and persistent phone calls, including multiple calls per day, and threats about consequences for nonpayment. The charges are demanded by Defendants *regardless* of whether Defendants' actual services materially contributed to the favorable VA decision(s).

18. These abusive tactics are particularly harmful because they target disabled Veterans, many of whom suffer from Post-Traumatic Stress Disorder ("PTSD"),

[3] Attached as **Exhibit B**.

[4] These VA hotlines are designed for Veteran's to directly obtain information about their disability benefits status and compensation amounts, not third-party companies such as Defendants.

traumatic brain injury, depression, or other service-connected conditions that make them especially vulnerable to harassment and financial pressure.

19. Defendants' contracts and disclosures obscure the nature and basis of their fees, fail to explain that federal law prohibits charging for help with initial claims, and do not clearly disclose that comparable assistance is available at no cost from VA-accredited organizations, agents or attorneys.

20. Defendants' fees are not limited to any actual benefit provided to the Veteran; instead, they apply to all disability claims asserted by, or on behalf of the Veteran, regardless of whether the Defendants assisted with, or participated in, those claims. This practice is deceptive and results in unreasonable, unlawful payments to Defendants as well as Defendants' unjust enrichment.

21. An NPR investigation,[5] conducted in partnership with The War Horse nonprofit newsroom[6] published in December 2025, documented Defendants' unlawful practices through interviews with sixty (60) Veterans who had used Defendants' services, eleven (11) former employees of Defendants, and analysis of multiple cease-and-desist letters from the VA spanning from 2017 to 2022.

22. This investigation revealed that Defendants' fee structure and collection practices violate federal law, that the Defendants lack VA accreditation, and that Defendants continue to operate despite explicit warnings from the federal government to cease and desist these activities that likely constitute unlawful conduct.

23. The VA OGC has made clear that:

> [T]he phrase "practice before VA" signifies the acts of preparing, presenting, or prosecuting a claim for benefits under the laws administered

> by the VA. ***Preparing a benefits claim generally includes, but is not limited to, consulting with or giving advice to a claimant or potential claimant in contemplation of filing a benefits claim, gathering evidence in support of a benefits claim on behalf of a claimant or potential claimant, or filling out VA forms for their submission to VA***.

24. Despite this unambiguous language, Defendants intentionally attempt to deceive the public to garner more business and generate unlawful fees. Defendants' business model is to provide consulting and advice to claimants contemplating filing a VA disability benefits claim, gather evidence in support of a VA disability benefits claim, and even fill out VA forms for their submission by claimants.

25. Defendants' website is simply legal advice tailored to Veterans who are contemplating filing disability benefits claims. This information is provided to entice Veterans to believe Defendants fully understand the VA disability claim process and that Defendants can help them in this process. However, Defendants provide this advice and information despite not being an accredited organization, agent, and attorney.

26. Defendants tout to Veterans on their website that they "can assist Your Benefits Pursuit" by:

- Helping you **gather** all your existing medical and non-medical records.
- **Reviewing** your documentation to help you **identify areas** where medical clarity or detail **may be missing**. It's up to you to decide what to do next.
- **Organizing** your records so that patterns, timelines, and the history of your condition are easier to understand for reviewers.

27. Indeed, this "assistance" are actions and services that the VA deems "representation" which can only be provided lawfully by those accredited by the VA, which Defendants are not. Defendants' activities—including consulting and advising Veterans on claim strategy, instructing Veterans regarding the Compensation and Pension ("C&P") examination process, gathering records or preparing medical evidence, and assembling VA forms—all fall squarely within these prohibited acts.

JURISDICTION AND VENUE

28. This Court has original jurisdiction over this civil action under the Class Action Fairness Act, 28 U.S.C. § 1332(d). The amount in controversy exceeds the sum or value of $5,000,000, exclusive of interest and costs, there are more than 100 members in the proposed Classes, and there is minimal diversity because the named Plaintiffs and certain members of the Classes are citizens of a different state than Defendants, as required by 28 U.S.C. § 1332(d)(2).

29. This Court has personal jurisdiction over Defendants because Defendants conduct substantial business within this District, including targeting Veterans residing in this District with its unlawful and abusive practices, marketing its services to Veterans nationwide and in this District, and directing collection efforts into this District.

30. Venue is proper in this District pursuant to 28 U.S.C. § 1391(b) because a substantial part of the alleged wrongful conduct and events giving rise to Plaintiffs' claims occurred in this District, including the marketing, contracting, services rendered, billing, and collection conduct challenged in this Complaint.

PARTIES

A. PLAINTIFF GILBERT QUIJADA, JR.

31. Staff Sergeant GILBERT QUIJADA, JR. is an adult resident citizen of Los Angeles, California, and disabled Veteran who honorably served in the United States Armed Services, specifically, in the United States Airforce. During Staff Sergeant Quijada's service, he suffered injuries for which he later sought a VA disability rating to receive disability benefits from the VA.

32. Staff Sergeant Quijada engaged Defendants' services in or around August 2024 without knowing, and without being advised, that Defendants were unaccredited and ineligible as a matter of law to provide services in furtherance of organizing, directing, instructing, guiding, advising, and assisting him through the VA disability benefits claim process including the preparation, presentation and prosecution of his VA claim.

33. Specifically, Defendants representatives spoke with Staff Sergeant Quijada and completed a telephonic interview during which they asked many questions, including medical-related questions, and completed certain paperwork determined by Defendants to be appropriate to advance a VA disability claim on behalf of Staff Sergeant Quijada. Staff Sergeant Quijada also provided information including his post-traumatic stress disorder symptoms. Defendants' representative advised that Defendants would fill out, categorize, detail and prepare his claims properly for both a medical assessment and in manner that would maximize his VA disability claim. Defendants further advised they would arrange for his medical appointment, and forwarded paperwork to the medical provider on his behalf.

34. At his medical examination by a medical provider selected and/or arranged for by Defendants, the medical provider reviewed the paperwork selected, completed by Defendants to be used in support of both the medical evaluation of Staff Sergeant Quijada and the subsequent submission to the VA. Staff Sergeant Quijada

later received the VA's decision letter granting a 30% disability rating for which Defendants charged him fees in violation of 38 U.S.C. § 5904(c)(1).

35. Staff Sergeant Quijada advised Defendants that he wanted to appeal the decision. Defendants advised that they would charge an additional $2,000 to provide advice, assistance and support during the appeal, a sum of money that he did not have at the time.

36. Ultimately, Staff Sergeant Quijada, not knowing that Defendants were not permitted to charge for services related to his initial disability claim, and had subsequently performed services that required accreditation as a condition precedent to Defendants' entitlement to any fees, paid a total of $2687.10 in installments, a sum that Defendants were prohibited by law to charge.

37. In addition, the document or retainer prepared by Defendants and signed by Staff Sergeant Quijada contemplated conduct that, unbeknownst to him, was in violation of several of California's consumer protection statutes, including the California Consumers Legal Remedies Act, Cal. Civ. Code §§ 1750 *et seq.*, and California Unfair Business Practices Act, Cal. Bus. & Prof. Code §§ 17200 *et seq.*, and federal statute 38 U.S.C. § 5904. Thus, when Defendants tendered the contract to Staff Sergeant Quijada who then signed it, the contract was unlawful and, accordingly, void and unenforceable. *See, e.g.,* Cal. Civ. Code §§ 1550 (stating that one of the elements of a contract is "a lawful object"), § 1667 (defining unlawful in the context of contracts); *Green v. Mt. Diablo Hosp. Dist.*, 207 Cal. App. 3d 63, 73 (1989) ("Contracts that are contrary to express statutes or to the policy of express statutes . . . are illegal contracts. . . . Any such illegality voids the entire contract." (citing Cal. Civ. Code §§ 1667(1), (2)); *Loving & Evans v. Blick*, 33 Cal. 2d 603, 609 (1949).

38. Defendants are, accordingly, precluded from making any efforts to recover compensation for services provided under the void contract as they are in violation of the law. The illegality permeated the entire agreement, and Defendants

cannot cure the illegality by securing accreditation after the fact.

39. Plaintiff Staff Sergeant Quijada and putative Class Members for whom Staff Seargeant Quijada brings this action are disabled United States military Veterans who engaged Defendants or their related or predecessor entities to assist them with their VA disability claims or appeals and who were illegally charged or paid fees to Defendants, or suffered from abusive, illegal, and unethical collection efforts in connection with that assistance.

40. Plaintiff Staff Sergeant Quijada and Class Members suffered direct economic injury by paying or being pressured to pay these unlawful, unethical charges and experienced emotional distress and disruption of their financial and medical stability as a result of Defendants' aggressive collection practices.

B. PLAINTIFF JEFFERY PHILLIPS

41. Chief Petty Officer JEFFREY PHILLIPS is an adult resident citizen of Sacramento, California and disabled Veteran who honorably served in the United States Armed Services, specifically, in the United States Navy. During his service, Jeffrey Phillips suffered injuries for which he later sought a VA disability rating to receive disability benefits from the VA.

42. In late 2023, Chief Petty Officer Phillips came into contact with Defendants and engaged Defendants without knowing, and without being advised that they were unaccredited and ineligible as a matter of law to provide services in furtherance of organizing, directing, instructing, guiding, advising, and assisting him through the VA disability benefits claim process to include the preparation, presentation and prosecution of his VA claim.

43. Specifically, Chief Petty Officer Phillips retained the services of Defendants to help him with his initial VA disability claim, including a disability evaluation. Throughout the course of his engagement with Defendants, communications occurred primarily through emails, phone calls, and documents

transmitted via DocuSign. Defendants represented that they could obtain medical records that Chief Petty Officer Phillips himself was unable to access and explained that their goal was to assist, help, and advise Chief Petty Officer Phillips through the VA disability process in a manner that would maximize his VA disability rating.

44. Defendants' representatives requested detailed information about his medical complaints, then advised him which conditions to note and which not to note on the forms they provided. Defendants selected and filled out VA claim documents which Defendants advised were necessary, then supplied those documents through DocuSign for Chief Petty Officer Phillips' review and signature. Defendants organized the documents and records, and, after Chief Petty Officer Phillips signed those documents, Defendants submitted the completed documents directly to the VA on his behalf.

45. Defendants initially advised Chief Petty Officer Phillips that he owed them $13,000 for their services. Defendants demanded payment through numerous calls and emails sent to Chief Petty Officer Phillips. Chief Petty Officer Phillips disputed part of this alleged amount owed based on the forms and documents Defendants had submitted on his behalf to the VA because those documents misidentified one of his injuries. Specifically, Defendants had incorrectly listed his leg injury as affecting the opposite leg. Defendants acknowledged this failing and lowered Defendants' demanded amount to $8,000. Not knowing that Defendants had performed services that required accreditation as a condition precedent to Defendants entitlement to any fees, Chief Petty Officer Phillips paid this amount in full.

46. The document or retainer prepared by Defendants and signed by Chief Petty Officer Phillips contemplated conduct that, unbeknownst to Chief Petty Officer Phillips, was in violation of California's consumer protection statutes, including the California Consumers Legal Remedies Act, Cal. Civ. Code §§ 1750 *et seq.*, and California Unfair Business Practices Act, Cal. Bus. & Prof. Code §§ 17200 *et seq.*, and

Federal Statute, 38 U.S.C. § 5904. Thus, when Defendants tendered the contract to Chief Petty Officer Phillips who then signed it, the contract was unlawful and, accordingly, void and unenforceable. *See, e.g.,* Cal. Civ. Code §§ 1550 (stating that one of the elements of a contract is "a lawful object"), § 1667 (defining unlawful in the context of contracts); *Green v. Mt. Diablo Hosp. Dist.*, 207 Cal. App. 3d 63, 73 (1989) ("Contracts that are contrary to express statutes or to the policy of express statutes . . . are illegal contracts. . . . Any such illegality voids the entire contract." (citing Cal. Civ. Code §§ 1667(1), (2)); *Loving & Evans v. Blick*, 33 Cal. 2d 603, 609 (1949).

47. Defendants are, accordingly, precluded from making any efforts to recover compensation for services provided under the void contract as they are in violation of the law. The illegality permeated the entire agreement, and Defendants cannot cure the illegality by securing accreditation after the fact.

48. Plaintiff Chief Petty Officer Phillips and putative Class Members for whom Chief Petty Officer Phillips brings this action are disabled United States Veterans who engaged Defendants or their related or predecessor entities to assist them with their VA disability claims or appeals and who were illegally charged or paid fees to Defendants, or suffered from abusive, illegal, and unethical collection efforts in connection with that assistance.

49. Plaintiff Chief Petty Officer Phillips and Class Members suffered direct economic injury by paying or being pressured to pay these unlawful, unethical charges and experienced emotional distress and disruption of their financial and medical stability as a result of Defendants' aggressive collection practices.

C. PLAINTIFF KIMBERLY PHILLIPS

50. Plaintiff KIMBERLY PHILLIPS is an adult resident citizen of Sacramento, California. Mrs. Phillips was at all times relevant herein the spouse of Plaintiff Chief Petty Officer Phillips and eligible to receive payment as part of Chief Petty Officer Phillips' VA disability payment pursuant to 38 U.S.C. § 1115.

51. Specifically, under VA disability compensation rules, a Veteran with a combined service-connected rating of at least 30% may receive an increased monthly payment based on a recognized adult dependent, such as a spouse or, in some cases, a parent whose income and net worth are below a VA set threshold. A spouse becomes an eligible dependent when the marriage is legally valid for VA purposes (including same sex and certain common law marriages). This increase in monthly payment includes sums received by the VA for the benefit of such qualified dependents.

52. A Veteran must formally add these dependents through VA forms[7] or online, generally within one year of the qualifying event to secure the earliest possible effective date.

53. The amount of additional compensation for a spouse is not a fixed percentage of the Veteran's payment; instead, OVA publishes detailed rate tables that specify dollar amounts by disability rating level (e.g., 30%, 40%, up to 100%) and by dependent status (Veteran alone, Veteran with spouse, Veteran with spouse and parents, etc.), so the dependency increment is determined by cross-referencing the Veteran's combined rating and the number and type of recognized dependents on the current VA compensation rate chart.

54. Defendants' demanded payment from Chief Petty Officer Phillips' was based on VA disability-related compensation that was assigned and attributable, in part, to Mrs. Phillips as a monthly stipend for dependent benefits. Not knowing that Defendants had performed services that required accreditation as a condition precedent to Defendants' entitlement to any fees, Mrs. Phillips and Chief Petty Officer Phillips paid the entire amount Defendants demanded to ensure their debt was paid in full.

55. Mrs. Phillips never signed a contract or agreement with Defendants to pay Defendants for any services they promised and/or performed in relation to her

[7] *See* https://www.va.gov/forms/21-686c/ [https://web.archive.org/web/20260403235339/https://www.va.gov/forms/21-686c/].

husband's VA disability claim for which they would provide services. As such, any purported contractual terms, conditions, and/or obligations that Defendants may allege relate to, affect or proscribe the legal rights of Chief Petty Officer Phillips, including but not limited to illegal contractual obligations for payment and arbitration of any disputes arising from the illegal contract, neither attach to, nor affect Mrs. Phillips' legal rights.

56. Plaintiff Mrs. Phillips and putative Class Members for whom Mrs. Phillips brings this action are eligible to receive payment as part of VA disability payments pursuant to 38 U.S.C. § 1115 ("Eligible Spouses"), but who never individually engaged Defendants or their related or predecessor entities to assist them with the part of any VA disability benefit claim payment. Nevertheless, the Eligible Spouses lost money as a result of Defendants' charges against VA disability payments from which Spousal benefits were calculated and to be paid on their behalf or who made payment directly or indirectly to Defendants.

C. DEFENDANTS

57. Defendant Trajector, Inc. ("Trajector") is a corporation organized under the laws of Delaware with its principal place of business at 5950 NW 1st Place, Suite 200, Gainesville, Florida 32607.

58. Defendant Trajector Medical, LLC, formerly known as Vet Comp and Pen Medical Consulting, LLC is a limited liability company organized under the laws of Wyoming with its principal place of business at 5950 NW 1st Place, Suite 200, Gainesville, Florida 32607. Upon information and belief, each of the members of LLC are citizens of Florida.

59. Wherever reference in this Complaint is made to any act or transaction of any Defendant, such allocations shall be deemed to mean that the principals, officers, employees, agents, and/or representatives of each committed, knew of performed, authorized, ratified and/or directed such act or transaction on behalf of that Defendant

while actively engaged in the scope of their duties.

60. Trajector Inc. and Trajector Medical, LLC, and its predecessor Vet Comp and Pen Medical Consulting, LLC, are Florida-based corporations whose business model consists of marketing "medical evidence" and "consulting" services to Veterans seeking VA disability benefits.[8]

61. At all times relevant herein, Defendants have not been accredited by the VA and have not satisfied the statutory and regulatory requirements for accreditation under 38 U.S.C. §§ 5903–5904 and 38 C.F.R. § 14.629. Thus, Defendants lack statutory authority to lawfully charge fees for services related to VA disability claim preparation, presentation, and/or prosecution.

62. Though Defendants present themselves as providing limited services to Veterans, and not as providing consultation or assistance or acting in any way related to the preparation, presentation, or prosecution of claims, their services in fact include those actions. Specifically Defendants provide advice about the VA disability claims process, collect medical and other records, assemble documentation, assist in the completion of forms, communicate with Veterans on how to improve their chances of success in obtaining VA disability compensation benefits, forward communications and forms to the VA on the Veteran's behalf, and, in many instances, assisting in filling out forms to be submitted to the VA, all of which violate federal law. [9]

63. Defendants' conduct of charging contingency-style fees tied to VA award

approvals or award increases is without proper legal authority.

64. Neither the Defendants nor any of their employees, agents, or representatives have ever passed the VA accreditation examination, undergone character review by the VA's OGC, or obtained the approvals necessary to represent Veterans before the VA to lawfully charge Veterans for its service, which include providing advice to Veteran's about the disability process or gathering and preparing evidence for Veterans.

65. The Defendants are owned and operated by co-founder and Chief Executive Officer, Jim Hill, a Navy veteran, and co-founder and Chief Medical Director, Gina Uribe, who is a Florida licensed Advanced Practice Registered Nurse (APRN).

66. Defendants employ numerous staff members whose duties include enrolling Veterans into Service Agreements (contingency fee agreements); identifying appropriate VA disability forms to complete; consulting and strategically advising Veterans with VA, medical, and related disability claim forms; assisting in filling out of such forms and/or providing guidance on where and/or what information and/or data to include or provide; gathering records or medical evidence to submit to the VA; forwarding forms to the VA; communicating with and consulting Veterans; submitting personal identifying information into the VA's CallBot system; monitoring disability payments; calculating fees; and executing the fee-charging and collection scheme described herein. Defendants generate millions of dollars in annual revenue through these unlawful fees imposed on vulnerable disabled Veterans, making this scheme one of the Defendants' primary sources of profit.

STATUTORY AND REGULATORY FRAMEWORK

A. The History of VA Disability Compensation Benefits

67. The United States Department of Veterans Affairs ("VA") is organized into three administrations: (a) Veterans Benefit Administration ("VBA"); (b) Veterans

Health Administration ("VHA"); and (c) National Cemetery Administration ("NCA"). The VBA provides a variety of disability compensation, pension, education, and more.[10] VBA is the administration involved in approving and awarding VA Disability Compensation.

68. The United States recognizes the effects of military service on Veterans that result in disabilities that are service connected and secondary service connected, from diseases, or injuries incurred or aggravated during active military service.[11] The VA's disability program provides monthly VA disability compensation payments to veterans who suffered injuries during their military service or secondary to their military service.

69. The VA administers one of the largest disability compensation programs in the nation.

70. The VA reported providing $195 billion in compensation to over 6.9 million Veterans and their families in fiscal year 2025.[12] Veterans and their families receive monthly disability compensation payments for partial or complete disabilities.

B. Federal Law Prohibits Charging Fees for Initial Disability Claims Prior to Approval.

71. Federal law governing representation of Veterans before the VA reflects a strong public policy of protecting Veterans from exploitation in connection with their disability benefit claims.

72. Under 38 U.S.C. § 5904(c)(1), no fee may be charged, allowed, or paid for services provided to a Veteran before the date on which the VA provides written notice of its initial decision on a disability claim. In other words, no fees may be

charged for services provided relating to a Veteran's initial disability claim. *See also* 38 U.S.C. § 5904(a). The VA's implementing regulation at 38 C.F.R. § 14.636 likewise prohibits fee agreements that violate this statutory bar.

73. The VA guidance documents and specific correspondence to Defendants' make clear that charging for work framed as "preparing the veteran" but directed toward claim development is still prohibited, as that distinction is considered a "distinction without a difference."[13] The VA has explicitly stated that assistance with gathering documents, filling out forms, and other preparation work constitutes unlawful fee charging in violation of 38 U.S.C. § 5904(c)(1) and is therefore prohibited regardless of how the service is labeled or marketed to Veterans.

74. These statutory provisions reflect a clear Congressional intent to protect Veterans from being charged for assistance with initial disability claims, ensuring that Veterans receive free assistance from a VA-accredited representative—such as the Veterans of Foreign Wars ("VFW"), American Legion, Disabled American Veterans ("DAV"), and a VA-recognized VSO—when they file for VA benefits.

C. The VA Has Strict Accreditation Requirements and Statutory Restrictions.

75. VA accreditation requirements under 38 U.S.C. § 5903 and 38 C.F.R. § 14.629 provide that only properly accredited attorneys, claims agents, or representatives of a recognized VSO may assist in the preparation, presentation, or prosecution of VA claims for compensation.

76. Specifically, individuals may not assist Veterans with preparing, presenting, and prosecuting claims for VA benefits unless they are one of the following: (1) an attorney licensed to practice law in at least one state; (2) an accredited claims

agent employed by or representing a VSO; (3) a VA-accredited attorney; or (4) other representatives specifically approved by VA.

77. The accreditation process includes specific requirements designed to protect Veterans. To obtain accreditation as a claims agent, an individual must satisfy multiple requirements, including demonstrating good character and reputation, passing a written examination administered by the VA with a score of 75% or higher, being an employee or member of a VSO, undergoing character review by the VA's OGC, and meeting additional requirements specified by VA regulations.

78. The VA maintains public lists of accredited representatives and publishes Frequently Asked Questions ("FAQs") explaining that accredited representatives provide assistance free of charge to claimants for initial claims, and may charge fees for appeals or increases to disability rating contingent on a favorable decision and subject to VA approval and fee schedules.[14]

79. Defendants and their principals have never been accredited by the VA and therefore may not lawfully charge for claim preparation, presentation, or prosecution services.

D. The Department of Veterans Affairs Has Sent Warnings to Defendants.

80. Through Freedom of Information Act ("FOIA") requests and public records obtained by investigative journalists, it has been revealed that the VA's OGC sent Defendants and their predecessor company multiple warning and cease-and-desist letters spanning from 2017 to 2022.[15]

81. On February 14, 2017, the VA OGC sent Vet Comp and Pen Medical

Consulting, LLC (Defendants' predecessor entity) a written warning letter indicating that the VA had reason to believe the Defendants "may be engaged in unlawful or illegal activities" in violation of 38 U.S.C. § 5904 and demanding that the Defendants cease such conduct.

82. Most significantly, on January 28, 2022, the VA OGC sent a comprehensive cease-and-desist letter to Defendants addressed to Defendants' CEO Jim Hill, providing detailed legal analysis of Defendants' fee practices and explicit warning as follows:

> The Department finds it likely that your company violates 38 U.S.C. § 5904. Accordingly, we demand that you cease all preparation, presentation and prosecution of VA benefit claims. If you do not comply with this demand, the Department will refer the matter to appropriate Federal and State law-enforcement authorities.

83. The January 2022 letter, comprised of approximately twelve pages of detailed legal analysis, identified multiple specific legal violations in Defendants' business practices, including: (1) charging fees for assistance with initial claims in violation of 38 U.S.C. § 5904(c)(1), (2) operating as an unaccredited claims consultant in violation of 38 U.S.C. § 5903, (3) charging contingency-style fees based on VA rating increases without proper accreditation or statutory authority, and (4) using contracts that obscure the true nature of Defendants' fee obligations to Veterans and fail to adequately disclose the legal restrictions on fee-charging.

84. Despite these explicit warnings from the VA OGC, Defendants have continued, and indeed escalated, their unlawful and abusive fee collection practices.

85. As of the date of the NPR investigation published in December 2025, more than three years after the January 2022 cease-and-desist letter, Defendants remained in business, continuing to charge Veterans unlawful fees and pursuing aggressive collection efforts against the Veterans who contested these charges.

DEFENDANTS' UNLAWFUL BUSINESS MODEL

A. Defendants' Represented Services are Different than the Actual Services Performed.

86. Defendants' business model relies on mass acquisition of Veterans as "clients," the provision of minimal or illusory front-end work, automated monitoring of VA benefit changes through its proprietary CallBot system, and aggressive, formulaic billing of fees tied to those changes without regard to whether Defendants actually contributed to the outcome.

87. Defendants market their services by stating they provide Veterans with comprehensive "medical evidence packets," and assistance in "understanding, identifying, and documenting their medical conditions."

88. In practice, Defendants perform many functions that go well beyond these activities including assistance with obtaining medical and other relevant records, organizing documentation, assembling documentation, assisting in the preparation and/or completing of forms, communicating with Veterans on how to improve chances of success in process, forwarding communications and/or forms to the VA on the Veteran's behalf and, in many instances, and assisting in filling out forms or filling out the entirety of forms to be submitted to the VA.

89. Public online reviews either through Better Business Bureau ("BBB")[16] or Google confirm that Defendants perform activities that constitute the "preparation, presentation, and prosecution" of VA disability claims, despite not being accredited. Multiple Veterans state that Defendants' completed relevant VA forms and paperwork, prepared evidence packets, reviewed medical history, and guided them "every step of

the way" through the VA disability benefits claim process.[17]

- On January 6, 2026, Edward H. commented on Trajector's BBB page that "Ivy was very helpful every step of the way from the start to the finish, *from initial enrollment to medical history to filling out paperwork*, and answered any questions that I had." (Emphasis added.).
- On March 2, 2023, Rebecca C. commented that "Since I contacted Trajectory they have made it easier on me to file my claims. They have walked through the process which helped me. They assisted me in completing the necessary documents to file and appeal my case."
- On April 12, 2023, Alex Q. wrote on BBB: "Lied about whether they charge for the initial rating. In the contract it is written as you pay for the increase. I verbally confirmed that if I filed with them for my initial rating, they would only charge for subsequent increases. Then they charged me $10k for my initial rating."
- On May 2, 2023, Austin M. wrote: "Stay away from this company! They take advantage of veterans in need. They provide no service other than filling out paperwork and they charge a ridiculous amount, I got 70% then an increase to 80% and they want my entire VA check for 5 months."
- On June 8, 2023, Eric W. wrote on BBB: "You're constantly getting calls from individuals who speak very poor English and are reading off of a script. The second you ask them a question not covered in their script they have no idea how to answer. All they do is fill out the claim form required by the VA (had I known this is it I would have done it myself and still been able to obtain the same rating). You would think with the costs of their service you would get first-class customer care

[17] *See id*.

however that is far from the truth. I caution anyone who is considering using them.

- On June 13, 2023, Trajector replied to Eric W. on the BBB website and stated: "***We understand that our services encompass much more than just medical evidence development*****,** and we are dedicated to offering comprehensive support to help Veterans identify potential VA disability benefits they medically, legally, and ethically qualify for." (Emphasis added).
- An unnamed complainant on April 17, 2023 wrote on the BBB website: "I came into contact with Trajector Medical in October 2022. Their agreement states that they work to create a nexus link to your disability and your time in service, but they did not do anything other than auto fill some forms with information you provide. I never once spoke to a licensed medical expert or qualified health care professional in regards to my disabilities, so how could they provide a nexus link. They state in their agreement that they do not charge you for anything other than evidence development and consulting, but they are now asking for $15000 for auto filling forms available through the VA website."

90. Defendants' admissions and statements by Veterans to whom Trajector have provided their "services" directly contradict Defendants' assertion that it merely "identifies conditions" and does not engage in VA claim preparation.[18]

91. However, after engaging in the above practices without the required accreditation, and assuming the duties and legal responsibilities that come from assisting in the preparation, presentation, and/or prosecution of claims, Defendants'

[18] *See* https://www.trajectormedical.com/ [https://web.archive.org/web/20260406013946/https://www.trajectormedical.com/homepage-cta-v2/].

services are inadequate and do not fully protect the interests of Veterans. Yet, Defendants aggressively collect the maximum amount of fees that accredited organizations are able to collect if they handle the claim from inception through appeal, regardless of the minimal, inadequate and generic services performed, which are not tied directly to the disability payments that are awarded to Veterans, and without securing and maintaining the required accreditation required by law.

92. Moreover, Defendants' systematic conduct of failing to disclose to Veterans that virtually identical services are available completely free from VA-accredited nonprofits—such as the VFW, American Legion, Disabled American Veterans, and other recognized VSOs—constitutes material deception that prevents Veterans from making truly informed decisions about whether to engage Defendants' services.

B. Defendants' Fee Structure is Based Solely on Disability Payment Increases and Has No Rational Relationship to the Services Performed.

93. Defendants' standard fee model typically charges Veterans a fee equal to at least five times (500%) of the Veteran's monthly disability payment. For Veterans receiving a new disability rating through an initial claim (rather than an increase to an existing rating), Defendants charge a fee equal to at least five times the monthly disability payment amount. Although charging a fee for assistance with an initial claim is prohibited, Defendants' fee structure nevertheless results in charges of $4,500 to $20,000 or more for individual Veterans, depending on the disability rating received and the monthly payment amount, for services for which charging a fee is expressly prohibited.

94. For Veterans who receive an increase to an existing disability rating (rather than an initial award), Defendants also charge a fee equal to at least five times (500%) of the Veteran's monthly disability payment. For example, a Veteran receiving

a monthly award of $2,000 in disability benefits would be charged $10,000 (equal to 500% of the $2,000 award), and a Veteran receiving a new monthly disability benefit of $3,500 would be charged $17,500 (equal to 500% of the $3,500 monthly benefit).

95. Defendants' fee structure has no rational relationship to the actual services Defendants provide or the actual work involved in assisting a Veteran with a claim or appeal.

96. Instead, Defendants' fee is purely contingent on the Veteran receiving a VA benefit award or increase, and the amount is determined unilaterally by Defendants based solely on the size of the benefit or increase, without any consideration of whether Defendants materially contributed to that outcome or performed meaningful work in support of the Veteran's disability claim.

97. Defendants' fee structure violates 38 U.S.C. § 5904 for at least four independent reasons: (1) it constitutes a fee charged for assistance with VA disability claims and benefits by unaccredited agents; (2) many of Defendants' fees are charged for assistance with initial claims, which is explicitly prohibited under 38 U.S.C. § 5904(c)(1); (3) the fee is not subject to prior VA approval and does not meet the requirements for fee arrangements under 38 C.F.R. § 14.636; and, (4) Defendants are not accredited representatives, attorneys, or members of a VSO, and therefore have no legal authority to charge any fee whatsoever for representing Veterans before the VA.

C. Defendants Use its Automated Monitoring CallBot System to Improperly Access Veterans' Account Information.

98. A central and particularly egregious feature of Defendants' business model is the CallBot automated calling system, which repeatedly accesses VA phone lines intended for Veterans to check their own payment status and account information. These hotlines are provided by the VA exclusively for Veterans' personal use to obtain information about their own benefits, and they are not intended to be accessed by third parties or by companies representing Veterans.

99. Defendants' personnel input Veterans' personal identifying information ("PII")—including full names, Social Security numbers, and dates of birth—into this CallBot system without obtaining explicit informed consent from the Veterans. Instead, Defendants' only mention of this practice is through vague contract language that does not clearly disclose the specific purpose and scope of the monitoring. Once input into the system, CallBot automatically dials the VA's automated payment hotlines, navigates through the prompts using the Veterans' PII, and retrieves current benefit amounts about that Veteran.

100. By comparing Veterans' disability benefit amounts over time, Defendants identify which Veterans' disability compensation has increased since they originally engaged Defendants' services and calculates a fee equal to at least five (5) times the monthly increase or, in the case of new awards to Veterans who previously had no VA disability rating, at least five (5) times the new monthly payment. For many Veterans, this results in invoices ranging from several thousand dollars to more than $20,000. Moreover, these fees are often completely disconnected from any specific work performed or services provided by Defendants, and calculated unilaterally by the Defendants. For example, Defendants charge the additional fee for a Veteran's increase in disability payments even if Defendants had no involvement whatsoever in the increase.

101. Because Defendants do not adequately disclose their practices or obtain knowing consent from Veterans, the use of CallBot to monitor Veterans' disability payments constitutes unauthorized access to Veterans' PII and confidential financial information, misuse of VA phone systems that are intended exclusively for Veterans' personal use, and amounts to identity-based fraud. Defendants use Veterans' PII without their informed consent to access their private financial information.

102. Veterans who initially engaged Defendants' services were not clearly informed—through disclosures in plain language—that Defendants would use their PII

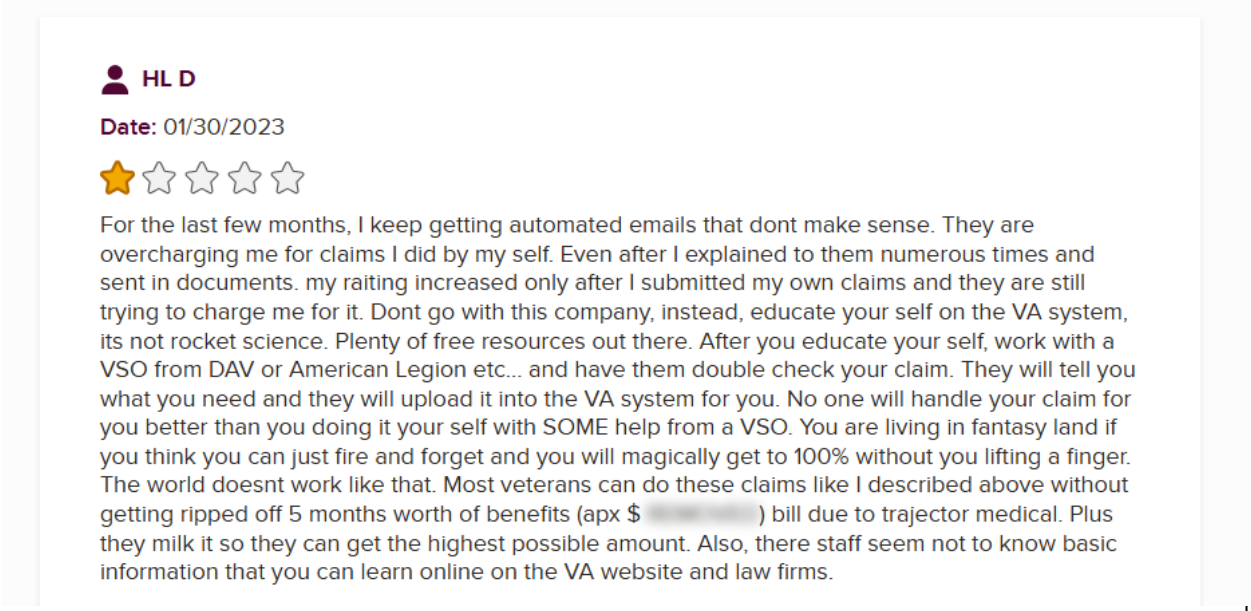
to systematically monitor their disability payments for the specific purpose of determining billing amounts, even where no service was performed for a particular disability payment increase, and triggering aggressive and abusive collection efforts. Rather, Defendants' Service Agreements contain vague language stating that Defendants "may use personal information about the veteran to access VA systems," without explaining the specific personal information to be used, the specific monitoring and billing purpose or the consequences of such monitoring.

D. Defendants Use Aggressive and Unlawful Collection Tactics.

103. Once Defendants' CallBot system detects that a Veteran has received a disability payment increase, Defendants immediately initiate collection actions and efforts against the Veteran, often within days or even hours of the benefit increase being deposited into the Veteran's financial account.

104. Defendants' collection practices include:

- multiple automated collection calls per day, sometimes two to three calls daily directed at the same Veteran;
- language threatening legal action, lawsuits, and damage to the Veteran's credit score;
- demands for payment that do not clearly explain the legal basis for the fee or the Veteran's right to dispute the charge;
- continued collection efforts even after the Veteran has disputed or declined to pay, and asserted that the fee request is unlawful and prohibited by federal law; and,
- collection efforts targeting Veterans who have already paid Defendants' charges and are disputing the amounts demanded or seeking refunds.



105. These collection practices constitute harassment and abuse in violation of applicable laws.

106. Many Veterans subject to Defendants' collection practices are elderly, disabled, or suffering from service-connected mental health conditions (including "PTSD," traumatic brain injury, depression, anxiety, and other conditions) that make them particularly vulnerable to aggressive collection harassment and that may impair their ability to effectively resist collection efforts or assert their legal rights.

107. Defendants' collection practices have caused documented emotional distress to Plaintiffs and Class Members, including severe anxiety, humiliation, feelings of hopelessness, and difficulty managing finances and obtaining necessary medical treatment.

108. Many online testimonials describe these abusive collection practices:

109. Despite their threatening, harassing, and aggressive collection practices,

For the last few months, I keep getting automated emails that dont make sense. They are overcharging me for claims I did by my self. Even after I explained to them numerous times and sent in documents. my raiting increased only after I submitted my own claims and they are still trying to charge me for it. Dont go with this company, instead, educate your self on the VA system, its not rocket science. Plenty of free resources out there. After you educate your self, work with a VSO from DAV or American Legion etc... and have them double check your claim. They will tell you what you need and they will upload it into the VA system for you. No one will handle your claim for you better than you doing it your self with SOME help from a VSO. You are living in fantasy land if you think you can just fire and forget and you will magically get to 100% without you lifting a finger. The world doesnt work like that. Most veterans can do these claims like I described above without getting ripped off 5 months worth of benefits (apx $ [redacted]) bill due to trajector medical. Plus they milk it so they can get the highest possible amount. Also, there staff seem not to know basic information that you can learn online on the VA website and law firms.

upon information and belief, Defendants have never initiated a formal legal proceeding against any Veteran to collect on an alleged debt arising from services performed for a Veteran under their Service Agreement.

E. Defendants Mislead Veterans Through Lack of Transparency, Material Omissions, and Lack of Informed Consent.

110. Defendants' Service Agreements contain vague and insufficient disclosures regarding the Defendants' fee structure, the legal basis for the fees, the availability of free services from VA-accredited nonprofits or VSOs, and the specific purposes for which Defendants will use Veterans' PII.

111. The contracts provided to Veterans do not clearly explain or adequately disclose:

- that federal law (38 U.S.C. § 5904) prohibits charging fees for assistance with initial VA disability claims;
- that Defendants are not VA-accredited and therefore have no legal authority to charge fees for assistance with Veterans' disability claims;
- that virtually identical services are available completely free from VA-accredited organizations such as VFW, American Legion, and Disabled American Veterans;
- the specific fee amount that Defendants will charge, or the precise formula by which the fee is calculated;
- that Defendants' fee is triggered by ANY award of, or increase in disability benefits, regardless of whether Defendants contributed to that increase or performed any meaningful work;
- that Defendants will use the Veteran's PII (specifically, Social Security number, birthdate, name) to monitor the Veteran's disability payments without affirmative consent for the purpose of assessing fees on any increase;
- the specific circumstances under which a Veteran may be released from fee obligations or terminate the Defendants' Service Agreement; and,
- the Veteran's right to dispute the fee or appeal Defendants' fee

calculation or demand for payment.

112. When a Veteran attempts to terminate their relationship with Defendants, the Defendants refuse to release them from fee obligations, claiming that the Service Agreement constitutes a binding, enforceable contract that obligates the Veteran to pay fees regardless of the circumstances. However, as described above, the contracts are illegal, void, and also unenforceable against public policy because they violate applicable law and attempt to compel payment of fees that federal law explicitly prohibits.

113. Defendants' misrepresentations and material omissions constitute deceptive practices under the Federal Trade Commission Act (15 U.S.C. § 45) and the California's Unfair Competition Law (Cal. Bus. & Prof. Code § 17200, *et seq*.).

CLASS ACTION ALLEGATIONS

114. Plaintiffs bring this class action under Fed. R. Civ. P. 23(a), 23(b)(2), and 23(b)(3), individually and on behalf of all members of the following:

Nationwide Class of Initial Claimants

All individuals residing in the United States who are veterans of any branch of the United States Armed Forces who, from March 1, 2022, through the date of class certification, paid Defendants or any other operating entity of Defendants, directly or indirectly and/or Defendants claim have any purported obligation to pay in the future, relating to an initial claim for Veteran Administration disability benefits, and from whom Defendants charged, demanded, or collected any fee or payment in connection with such assistance.

Nationwide Class of Non-Initial Claimants

All individuals residing in the United States who are veterans of any branch of the United States Armed Forces who, from March 1, 2022, through the date of class certification, paid Defendants or any other

operating entity of Defendants, directly or indirectly and/or Defendants claim have any purported obligation to pay in the future, relating to an non-initial claim for Veteran Administration disability benefits, and from whom Defendants charged, demanded, or collected any fee or payment in connection with such assistance.

Nationwide Class of Dependent Claimants

All Eligible Dependent Spouses of veterans of any branch of the United States Armed Forces residing in the United States who, from March 1, 2022, through the date of class certification, suffered any reduction in their dependent related VA disability benefits as a result of Defendants or any other operating entity of Defendants which, directly or indirectly, collected any fee or payment in connection with initial claims for VA benefits.

California Class of Initial Claimants

All individuals residing in California who are veterans of any branch of the United States Armed Forces who, from March 1, 2022, through the date of class certification, paid Defendants or any other operating entity of Defendants, directly or indirectly and/or Defendants claim have any purported obligation to pay in the future, relating to an initial claim for Veteran Administration disability benefits, and from whom Defendants charged, demanded, or collected any fee or payment in connection with such assistance.

California Class of Non-Initial Claimants

All individuals residing in California who are veterans of any branch of the United States Armed Forces who, from March 1, 2022, through the date of class certification, paid Defendants or any other operating entity of Defendants, directly or indirectly and/or Defendants claim have any purported obligation to pay in the future, relating to an non-initial claim

for Veteran Administration disability benefits, and from whom Defendants charged, demanded, or collected any fee or payment in connection with such assistance.

California Class of Dependents of Claimants

All Eligible Dependent Spouses of veterans of any branch of the United States Armed Forces residing in California who, from March 1, 2022, through the date of class certification, suffered any reduction in their dependent related VA disability benefits as a result of Defendants or any other operating entity of Defendants which, directly or indirectly, collected any fee or payment in connection with initial claims for VA benefits.

115. Excluded from the Classes are Defendants, their agents, affiliates, parents, subsidiaries, any entity in which Defendants have a controlling interest, any Defendants officer or director, any successor or assign, and any Judge who adjudicates this case, including their staff and immediate family.

116. Plaintiffs reserve the right to amend the Class definitions.

117. Certification of Plaintiffs' claims for class-wide treatment is appropriate because Plaintiffs can prove the elements of their claims on a class-wide basis using the same evidence that would be used to prove those elements in an individual action asserting the same claims.

118. This action satisfies the numerosity, commonality, typicality, and adequacy requirements under Fed. R. Civ. P. 23.

A. Ascertainability

119. All members of the proposed Class are readily ascertainable from information in Defendants' custody and control.

B. Numerosity

120. Plaintiffs are representative of the proposed Class, consisting of thousands, if not tens of thousands, of individual Veterans who have been injured and

harmed by Defendants' unlawful fee-charging scheme, far too many to join in a single action.

121. The exact number of Class Members is not presently known but is readily ascertainable through Defendants' business records, including Service Agreements signed by Veterans, fee invoices and billing statements, records of fees charged and collected, records of CallBot calls and monitoring of Veterans' disability payments, customer lists and contact information maintained by Defendants or their agents, payment transaction records, and collection call logs.

122. The numerosity requirement is satisfied and Class Members are so numerous that joinder of all Class Members would be impracticable. Class Members are located throughout the United States, including in all fifty states and U.S. territories, making joinder not only impracticable but effectively impossible. Plaintiffs estimate that Defendants have charged fees to at least 2,000 to 5,000 Veterans, with some estimates suggesting that Defendants have monitored the disability payments of tens of thousands of Veterans through their CallBot system.

123. Each Class Member has suffered injury as a result of Defendants' unlawful fee charging and collection practices, but the injury to each Class Member is relatively modest in relation to the burden and expense of individual litigation, making class litigation the superior method for adjudicating these claims.

C. Commonality

124. Questions of law and fact common to the Plaintiffs and the Class exist and predominate over any questions affecting only individual Class Members. For example:

- whether 38 U.S.C. § 5904(c)(1) prohibits Defendants from charging fees for assistance with initial VA disability claims;
- whether Defendants are unlawfully operating as a claims agent/consultant given its lack of VA accreditation;

- whether Defendants' fee structure—charging five times the monthly disability increase—violates federal law;
- whether Plaintiffs and Class Members provided Defendants and/or their agents with express consent or authorization to obtain and use their PII and/or confidential financial information from the VA;
- whether Defendants' use of CallBot to monitor Veterans' disability payments constitutes unauthorized access to PII and/or confidential financial information in violation of federal law;
- whether Defendants' Service Agreements adequately disclose the fees charged, the legal basis for the fees, and the availability of free services;
- whether Defendants' violated Cal Civ Code § 1770(a),subsections (2), (9), (14), (16), and (24);
- whether, and in what amount damages are owed to Class Members for Defendants' unlawful conduct;
- whether injunctive relief is appropriate prohibiting Defendants' unlawful practices;
- Whether punitive damages are appropriate; and,
- whether an equitable disgorgement of unlawfully collected fees is appropriate.

125. These common questions predominate over any individual questions that may exist, such as the specific amount charged to individual Class Members or the exact circumstances of each Veteran's interaction with Defendants. The law and facts applicable to Plaintiffs apply with equal force to all Class Members.

D. Typicality

126. Plaintiffs' claims are typical of those of the Class because Plaintiffs—like all members of the Class: (1) engaged Defendants' services for assistance with VA disability claims or appeals, (2) were charged fees by Defendants that violated federal

law, (3) had their PII used by Defendants' CallBot system to monitor their disability payments with inadequate disclosure or without express consent, (4) were subjected to aggressive and unlawful collection demands from Defendants, and (5) were not adequately informed of their legal rights or the availability of free services from VA-accredited nonprofits.

127. Plaintiffs are typical of those the Class Members. Plaintiffs' experience reflects the systematic and unlawful scheme through which Defendants solicit, service, and charge all members of the Class in the same manner and through the same processes. Any variation in individual circumstances (such as the specific amount charged or the type of disability claim) goes to the measure of damages, rather than the validity of the underlying claims.

E. Adequacy of Representation

128. Plaintiffs will fairly and adequately represent and protect the interests of the Class Members in that Plaintiffs have no conflicts of interest that would be antagonistic to those of the other Class Members. Plaintiffs seek no relief that is antagonistic or adverse to the Class Members and the infringement of the rights and the damages Plaintiffs have suffered is typical of other Class Members.

129. Plaintiffs have also retained counsel experienced in prosecuting complex class action cases. Plaintiffs and Plaintiffs' counsel intend to vigorously prosecute this action on behalf of the Class, will conduct thorough discovery, will incur significant expenses and attorney's fees in doing so, and will represent the Class vigorously through trial or settlement negotiations. The named Plaintiffs have a substantial interest in the outcome of this litigation, as they are members of the Class and will benefit from any recovery or injunctive relief obtained.

F. Superiority

130. Class litigation is an appropriate method for fair and efficient adjudication of the claims involved. Class action treatment is superior to all other available methods

for the fair and efficient adjudication of the controversy alleged herein; it will permit a large number of Class Members to prosecute their common claims in a single forum simultaneously, efficiently, and without the unnecessary duplication of evidence, effort and expense that hundreds or thousands of individual actions would require. Class action treatment will permit the adjudication of relatively modest claims by Class Members, who could not individually afford to litigate a complex claim against large corporations, like Defendants. Further, even for those Class Members who could afford to litigate such a claim, it would still be economically impractical for those Class Members given the relatively modest amount of the claim, and to impose a burden on the courts.

131. Individual damages are small relative to the collective claims. While individual Veterans may have been charged $1,000 to $20,000 each, the aggregate damage to the Class likely exceeds $5,000,000 to $50,000,000 or more. No individual Veteran could reasonably afford to bring a separate lawsuit against Defendants given the costs of litigation, attorney's fees, expert witnesses, and discovery to prosecute a separate lawsuit.

132. Defendants' conduct is systematic and uniform across all Class Members. All Class Members were subjected to the same unlawful fee structure, the same deceptive representations and omissions, and the same use of CallBot monitoring. There is a strong public interest in preventing continuing violations of federal law protecting Veterans' benefits and in deterring similar conduct by other unaccredited VA disability claims consulting companies.

133. A class action will achieve economies of scale and judicial efficiency by resolving all Class Members' claims in a single proceeding, rather than permitting hundreds or thousands of individual lawsuits that would burden the courts and potentially result in inconsistent outcomes.

134. The nature of this action and the nature of laws available to Plaintiffs and

Class Members make the use of the class action device a particularly efficient and appropriate procedure to afford relief to Plaintiffs and Class Members for the wrongs alleged. A class action is superior because, in individual actions, Defendants would necessarily gain an unconscionable advantage since they would be able to exploit and overwhelm the limited resources of each individual Class Member with superior financial and legal resources; the costs of individual suits could unreasonably consume the amounts that would be recovered. Proof of a common course of conduct to which the named Plaintiffs were exposed is representative of that experienced by Class Members and will establish the right of each Class Member to recover on the causes of action alleged. Finally, individual actions would create a risk of inconsistent results and would be unnecessary and duplicative of this litigation.

135. This litigation of the claims brought herein as a class action is manageable. Defendants' and their agents' uniform conduct, uniform representations and omissions, uniform methods of data access and collection, consistent provisions of the relevant laws, and the ascertainable identities of Class Members demonstrate that there would be no significant manageability problems with prosecuting this lawsuit as a class action. Defendants' business records can provide a comprehensive list of Class Members, and damages can be calculated based on objective criteria (fees charged to each Class Member plus reasonable interest).

136. Adequate notice can be given to Class Members directly using information maintained in the records of Defendants or their agents.

CAUSES OF ACTION

COUNT I: DECLARATORY JUDGMENT

(On Behalf of Plaintiffs and the Nationwide Classes)

137. Plaintiffs incorporate by reference paragraphs 1-136 above as if fully set forth herein.

138. Under the Declaratory Judgment Act, 28 U.S.C. §§ 2201, *et seq*., this

Court is authorized to enter a judgment declaring the rights and legal relations of the parties and to grant further necessary relief. The Court has broad authority to restrain acts, such as those alleged herein, which are unlawful.

139. An actual, present controversy exists between the Plaintiffs, including the proposed members of a Nationwide Class of Veterans, and Defendants concerning the validity and enforceability of Defendants' engagement agreements.

140. Plaintiffs seek a judicial declaration that Defendants' Service Agreements with Plaintiffs and Class Members, including any purported arbitration clauses, are unlawful, void, and unenforceable because they call for the performance of services that federal law and California public policy prohibit, and because the agreements themselves are structurally designed to facilitate and shield an illegal fee scheme targeting VA disability benefits.

141. Further, Plaintiffs seek a judicial declaration that Defendants cannot compel arbitration or otherwise rely on the illegal Service Agreements to avoid judicial or class-wide relief because the arbitration clause and any class action waiver are invalid and cannot be invoked to bar this action.

142. Specifically, under federal law, as set forth, *inter alia*, only individuals and entities accredited by the VA may lawfully prepare, present, or prosecute VA disability benefits claims on behalf of Veterans for compensation, subject to strict fee and conduct regulations.

143. Defendants, as alleged herein, are not VA accredited representatives, agents, or attorneys, yet they purport to contract with Veterans to "assist," "optimize," or "manage" their VA disability claims in exchange for contingent or other fees tied to the Veteran's VA disability compensation.

144. The California Supreme Court long ago explained that courts will not lend their aid to enforce contracts that call for the performance of services that are unlawful under a regulatory licensing scheme, and that where a contract's subject matter violates

such licensing requirements, the agreement is void and unenforceable in its entirety as an "illegal" bargain. *See Loving & Evans v. Blick*, 33 Cal. 2d 603, 609 (1949). Such contracts—regardless of facial form—should not be enforced when enforcement would effectively ratify and reward unlicensed or otherwise illegal services.

145. Defendants' engagement agreements are contracts for illegal licensed services because they: (a) promise professional-type representation and handling of VA disability claims; (b) are entered into by nonaccredited entities that are legally barred from charging for such services; and (c) extract fees from Veterans directly out of their VA disability compensation in a manner that conflicts with the governing federal and state regulatory regime. The agreements are unlawful in their very object and consideration.

146. Further, the California Supreme Court has explained that contracts for professional services are unenforceable where they conflict with statutory and professional conduct rules that embody fundamental public policy. *See Sheppard v. JM Mfg. Co.*, 6 Cal. 5th 59, 87 (2018).

147. Here, the arbitration clause is an integral part of the unlawful scheme, designed to insulate the illegality from judicial review and collective redress.

148. The provision is employed, not as a neutral dispute resolution mechanism, but as a tool to shield a statutorily illegal business model that depends on extracting unlawful fees from VA disability payments from public adjudication, regulatory scrutiny, and collective relief for Veterans. The arbitration clause is thus intertwined with, and in service of, the same illegal purposes that render the overall engagement void.

149. The arbitration clause, if any, is substantively and procedurally unconscionable and contrary to public policy because it: (a) is embedded in an illegal agreement whose central purpose is to facilitate unlawful, unaccredited representation or assistance with preparation, presentation, or prosecution of VA claims for fees; (b)

operates to deter and suppress enforcement of the very statutes and regulations that prohibit Defendants' business model; and (c) is presented to vulnerable Veterans, including those with service-connected disabilities, without full and fair disclosure of the illegality and conflicts inherent in the arrangement.

150. Because the arbitration provision is itself part and parcel of the unlawful, statutorily condemned fee scheme—and because Plaintiffs' challenge is directed at the enforceability of that provision in light of the governing public policy and regulatory regime—this Court should adjudicate such challenges and refuse enforcement of the arbitration clause.

151. Given its authority under the Declaratory Judgment Act, this Court should enter a judgment declaring, among other things, the following:

- Defendants' engagement agreements with Plaintiffs and Class Members, including any purported arbitration clauses or class action waivers, are unlawful, void, and unenforceable; and
- Defendants cannot compel arbitration or otherwise rely on the engagement agreements to avoid judicial or class-wide relief because the arbitration clause and any class action waiver are invalid, illegal and unenforceable and cannot be invoked to bar this action.

COUNT II: VIOLATIONS OF THE CONSUMERS LEGAL REMEDIES ACT

Cal. Civ. Code § 1750, *et seq.* ("CLRA")

(On Behalf of Plaintiffs and the California Classes)

152. Plaintiffs incorporate by reference paragraphs 1-136 above as if fully set forth herein.

153. Defendants are each a "person," and provided "services" within the meaning of California Civil Code sections 1761(a) and 1770.

154. Defendants' acts and practices, as alleged in this complaint, violate California Civil Code sections 1770(a)(2), (9), (14), (16), and (24) because they include

unfair and deceptive acts and practices in connection with services Defendants provided relating to applications for veterans' disability benefits:

- Misrepresenting the source, sponsorship, approval, or certification of goods or services § 1770(a)(2);
- Advertising goods or services with intent not to sell them as advertised, § 1770(a)(9);
- Representing that a transaction confers or involves rights, remedies, or obligations that it does not have or involve, or that are prohibited by law, § 1770(a)(14);
- Representing that the subject of a transaction has been supplied in accordance with a previous representation when it has not, § 1770(a)(16); and
- Charging or receiving an unreasonable fee to prepare, aid, or advise any prospective applicant, applicant, or recipient in the procurement, maintenance, or securing of public social services, § 1770(a)(24).

155. Defendants have known for years, and at least since 2017, as a result of cease-and-desist letters sent to Defendants by the VA OGC, that their conduct violates federal law and regulations because, among other things, Defendants were not accredited and thus were not authorized to assist or represent Veterans in their claims for veterans' disability benefits. Defendants have also known that their practices of charging Veterans fees when they have been awarded an increase in disability benefits, even when Defendants did little, or no, work to effect the increased award, were deceptive and violated applicable law.

156. Defendants had ample means and opportunities to alert Plaintiffs and Class Members of the illegal nature of their services, or that the fees they charged were excessive under applicable law and sometimes included fees where no services had been provided. Defendants uniformly failed to disclose these details.

157. Had Defendants disclosed these details, Plaintiffs and Class Members would not have engaged Defendants for assistance with their Veterans Disability claims.

158. Defendants were under a duty to disclose the true nature of their services, including that Defendants were not accredited because of their exclusive knowledge of these facts, because Defendants had exclusive knowledge of whether they had performed any work to warrant payment for any particular increase in disability payments, and because Defendants made partial representations about their services.

159. Defendants' omissions were material. Each Plaintiff was exposed to Defendants' specific representations about their services at the time Plaintiffs engaged Defendants' services, if not before. Each Plaintiff received and entered into the illegal service agreement or contract.

160. Plaintiffs and Class Members were unaware of the true nature of Defendants' services and that Defendants were acting illegally.

161. Defendants' conduct is ongoing and continuing, such that prospective injunctive relief is necessary, especially given Plaintiffs' desire to use services such as Defendants' in the future if they can be assured that Defendants and their services comply with applicable law.

162. Under California Civil Code section 1782(a), on their own behalf and on behalf of the Class, Plaintiffs served CLRA notices to Defendants on April 9, 2-26.

163. Plaintiffs' CLRA notices were sent via certified mail, return receipt requested, to Defendants' principal place of business, advising Defendants that they are in violation of CLRA and must refund the excess fees charged in violation of California Civil Code section 1770. Should Defendants' fail to respond within 30 days, Plaintiffs will amend their Complaint to see damages as permitted under the CLRA.

164. Plaintiffs were injured by Defendants' CLRA violations. As a result, Plaintiffs are entitled to, and currently seek, injunctive and declaratory relief hereunder.

165. In accordance with California Civil Code section 1780(d), Plaintiffs' CLRA venue declarations are attached to this Complaint as Exhibits C through E.

COUNT III: VIOLATIONS OF CALIFORNIA UNFAIR COMPETITION LAW, Cal. Bus. & Prof. Code § 17200, *et seq*.

(On behalf of Plaintiffs and the California Classes)

166. Plaintiffs incorporate by reference paragraphs 1-136 above as if fully set forth herein.

167. Defendants are each a "business" as defined by Cal. Bus. & Prof. Code § 17200 ("UCL"). The UCL proscribes "any unlawful, unfair or fraudulent business act or practice and unfair, deceptive, untrue or misleading advertising." § 17200.

168. Defendants transact business throughout the United States, including California, and Defendants' conduct in charging unlawful fees and engaging in unlawful, unfair and deceptive practices affecting California commerce.

Unlawful

169. Defendants' conduct is unlawful, in violation of the UCL, because it violates the California Consumers Legal Remedies Act, Cal. Civ. Code §§ 1750 *et seq.* as set out in Count II, *supra*.

170. Defendants' conduct is also unlawful, in violation of the UCL, because it violates federal law including, but not limited to, 38 U.S.C. § 5804, and 38 C.F.R. 626 *et. seq.*

171. Federal statute 38 U.S.C. § 5904 sets out detailed requirements for "agent[s] or attorney[s] for the preparation, presentation, and prosecution of claims" on behalf of disabled Veterans. § 5904(a)(1).

172. These requirements include that "a fee may not be charged, allowed, or paid for services of agents and attorneys . . . provided . . . before the date on which a claimant is provided notice of [the VA]'s initial decision . . . with respect to the case." § 5904(c)(1). Defendants charged Plaintiffs and Class Members fees for assistance with

preparing, presenting, and prosecuting VA disability claims before the VA's initial decision in direct violation of this statutory prohibition.

173. In addition, section 5904 requires that "agent[s] or attorney[s] for the preparation, presentation, and prosecution of claims" on behalf of disabled Veterans must meet the requirements set out by the Secretary of Veterans Affairs. *See* 38 C.F.R. § 14.636. At all times relevant hereto, Defendants violated those requirements.

174. Defendants are not an accredited attorney, organization, representative, or claims agent and have no legal authority to charge any fee whatsoever for VA disability claims representation services. Defendants' conduct directly violates 38 U.S.C. § 5904(c)(1), as implemented by 38 C.F.R. § 14.636.

175. Specifically, Defendants performed many functions that, because they are unaccredited, they were not authorized to perform including, but not limited to, assistance with collecting records, organizing documentation, assembling documentation, assisting in the filling out of forms, setting up medical examinations, providing documentation to medical providers to be used in medical examinations and for use in applying to the VA, communicating with Veterans on how to improve chances of success in process, forwarding communications and/or forms to the VA on the Veteran's behalf, and, in many instances, assisting in filling out part of forms or the entirety of forms to be submitted to the VA.

176. Plaintiffs and Class Members have been injured by Defendants' unlawful fee charging and seek recovery of all fees unlawfully charged and collected, prejudgment interest at the maximum rate permitted by law, punitive damages for Defendants' knowing and willful violation of federal law, and attorney's fees and litigation costs.

Unfair

177. Defendants' conduct is unfair in contravention of the UCL because it violates federal and California public policy, legislatively declared in Title 38 of the

United States Code, Title 38 of the Code of Federal Regulations, the FTC Act, 15 U.S.C. §§ 41 *et seq.*, and Cal. Civ. Code § 1770.

178. Defendants also acted in an unethical, unscrupulous, outrageous, oppressive, and substantially injurious manner with respect to Plaintiffs and the Class Members. Defendants engaged in unfair business practices and acts, in at least the following respects:

- failing to disclose that they were not accredited and therefore not qualified or legally permitted to represent Veterans or otherwise provide services to them regarding their claims for Veterans disability benefits;
- charging fees to which they were not entitled under the law;
- charging fees in excess of those permitted under the law;
- charging fees for services related to disability benefit increases when when no services were provided;
- misrepresenting the nature, characteristics, and benefits of their services;
- failing to disclose material facts regarding fees, legal requirements, and the availability of free or lower-cost alternatives;
- engaging in unlawful, improper, and/or predatory collection efforts; and

179. The gravity of harm resulting from Defendants' unfair conduct outweighs any potential utility. Defendants charged Plaintiffs and Class Members unfair fees because they were illegal, and because they were excessive.

- The fees were illegal because Defendants failed to comply with the requirements under the law to permit them to charge fees for the services they rendered.
- The fees were unfair because they were in excess of the amount permitted

under the law and, in many situations, for an increase in benefits for which Defendants provided no services.

- Defendants' unfair business practices harm Veterans and their spouses and are part of a common and unform course of wrongful conduct.
- There is no potential utility here aside from enriching Defendants (at Veterans' and their spouses' expense) because Plaintiffs and Class Members would have been able to receive the same services at no cost, or for a reasonable cost by accredited providers.

180. The harm from Defendants' conduct was not reasonably avoidable by the Veterans. Defendants failed to disclose that their services were being performed in violation of the law. Defendants misled Veterans who suffer from service-related disabilities, many of which may include PTSD, to believe that Defendants provided services to Veterans that were not only legal, but consisted of tasks Veterans were unable to perform on their own that were necessary for their applications in order to receive Veterans disability benefits. Defendants also misled Veterans to believe that Defendants' services were in compliance with applicable law, including its protections. Plaintiffs did not know, and had no reasonable means of discovering, that Defendants were acting in violation of the law and charging excessive fees for their services.

181. There were reasonably available alternatives that would have furthered Defendants business. Specifically, Defendants could have complied with applicable law and met all of the requirements for becoming accredited and charging fees in compliance with applicable law. By doing so, Defendants could have provided their services and earned reasonable fees from doing so.

Fraudulent (Fraud by Omission)

182. Defendants' conduct is fraudulent in violation of the UCL because it is likely to deceive a reasonable consumer and:

- Defendants knowingly and intentionally concealed from Plaintiffs and

Class Members that the services Defendants provided were illegal;

- Defendants knowingly and intentionally concealed from Plaintiffs and Class Members that the fees Defendants charged for its services were illegal;
- Defendants knowingly and intentionally concealed from Plaintiffs and Class Members that Defendants charged Plaintiffs and Class Members even where no services were provided;
- Defendants knowingly and intentionally concealed from Plaintiffs and Class Members that the fees Defendants charged for its services were excessive;
- Defendants volunteered information to Plaintiffs and Class Members through advertising, marketing materials, and other means that the services it provided were legal, and at a reasonable cost without disclosing facts that would have materially qualified those partial representations.

183. Defendants had ample means and opportunities to alert Plaintiffs and Class Members of the illegal nature of their services, or that the fees they charged were excessive under applicable law and sometimes included fees where no services had been provided. Defendants uniformly failed to disclose these details.

184. Had Defendants disclosed these details, Plaintiffs and Class Members would not have engaged Defendants for assistance with their Veterans Disability claims.

185. Defendants were under a duty to disclose the true nature of their services, including that Defendants were not accredited because of their exclusive knowledge of these facts, because Defendants had exclusive knowledge of whether they had performed any work to warrant payment for any particular increase in disability payments, and because Defendants made partial representations about their services.

186. Defendants' omissions were material. Each Plaintiff was exposed to Defendants' specific representations about their services at the time Plaintiffs engaged Defendants' services, if not before. Each Plaintiff received and entered into the illegal service agreement or contract.

187. Plaintiffs and Class Members were unaware of the true nature of Defendants' services and that Defendants were acting illegally.

188. Absent Defendants' unlawful, unfair and fraudulent conduct, Plaintiffs and Class Members, who were all unaware of the illegality of Defendants' services and the excessive and unfair fees charged, Plaintiffs and the Class Members would not have engaged Defendants' services. Defendants omitted material information that it was under a duty to disclose and on which Plaintiffs and the Class Members would have relied had they known.

189. Through their unlawful, unfair, and fraudulent conduct, Defendants acquired Plaintiffs' money. Plaintiffs and Class members suffered injury in fact, including lost money or property, as a result of Defendants' unlawful, unfair, and fraudulent conduct.

190. Plaintiffs and Class members accordingly seek appropriate relief, including: (1) restitution under the UCL; and (2) such orders or judgments as may be necessary to enjoin Defendants from continuing their unfair, unlawful, and fraudulent practices. Plaintiffs also respectfully seek reasonable attorneys' fees and costs under applicable law, including under California Code of Civil Procedure § 1021.5.

COUNT IV: VIOLATIONS OF THE ROSENTHAL FAIR DEBT COLLECTION PRACTICES ACT, Cal. Civ. Code § 1788, *et seq.*

(On behalf of Plaintiffs and the California Classes)

191. Plaintiffs incorporate by reference paragraphs 1-136 above as if fully set forth herein.

192. Each Defendant is a "debt collector" and/or "creditor" within the meaning

of the Rosenthal Fair Debt Collection Practices Act ("RFDCPA"), Cal. Civ. Code § 1788, *et seq*., because they are persons or business entities engaged in a business the principal purpose of which is the collection of debts, or who regularly collect or attempt to collect, directly or indirectly, debts owed or due or asserted to be owed or due another, including debts allegedly owed by Veterans arising from personal, family, or household purposes.

193. The obligations that Defendants attempted to collect from Plaintiffs and Class Members are "consumer debts" within the meaning of Cal. Civ. Code § 1788.2, in that they are obligations or alleged obligations of natural persons to pay money arising from transactions primarily for personal, family, or household purposes.

194. Defendants violated the RFDCPA, including but not limited to Cal. Civ. Code §§ 1788–1788.33 and incorporated provisions of the federal Fair Debt Collection Practices Act, 15 U.S.C. § 1692 *et. seq*., through their collection practices, by:

- Claiming, attempting, or threatening to enforce debts that Defendants knew were not legitimate, and asserting rights that Defendants knew did not exist, including by attempting to collect amounts not expressly authorized by law or by agreement and by threatening legal action they had no present intention or legal right to take, in violation of Cal. Civ. Code §§ 1788.10–1788.13 and 15 U.S.C. § 1692e;
- Willfully communicating with Plaintiffs and California Class Members, many of whom are Veterans with service-connected mental health conditions, with such frequency and in such manner as could reasonably be expected to harass, oppress, or abuse them, including placing multiple collection calls on a daily basis, in violation of Cal. Civ. Code § 1788.11 and 15 U.S.C. § 1692d;
- Using abusive, unfair, or unconscionable means in attempting to collect the alleged debts, including repeated harassing phone calls and threats

of legal action and adverse consequences that Defendants had no present intention or legal right to take, in violation of Cal. Civ. Code §§ 1788.10–1788.11 and 15 U.S.C. §§ 1692d, 1692e, and 1692f;

- Misrepresenting the character, amount, and legal status of the alleged debts and misleading Veterans regarding Defendants' authority to collect and the consequences of non-payment, in violation of Cal. Civ. Code §§ 1788.13 and 1788.17 and 15 U.S.C. § 1692e; and
- Continuing collection efforts after Plaintiffs and California Class Members disputed the alleged debts and advised Defendants that the debts were unlawful or inaccurate, thereby persisting in claiming and attempting to enforce debts that Defendants knew, or should have known, were not legitimate, in violation of Cal. Civ. Code §§ 1788.14–1788.17 and 15 U.S.C. §§ 1692e, 1692f, and 1692g.

195. As a direct and proximate result of Defendants' violations of the RFDCPA and the incorporated provisions of the FDCPA, Plaintiffs and California Class Members are entitled to recover actual damages, statutory damages, and attorneys' fees and costs as permitted under Cal. Civ. Code § 1788.30 and 15 U.S.C. § 1692k.

COUNT V: UNJUST ENRICHMENT

(On behalf of Plaintiffs, the Nationwide Classes and/or California Classes)

(As Pleaded in the Alternative)

196. Plaintiffs incorporate by reference paragraphs 1-136 above as if fully set forth herein.

197. Defendants have been unjustly enriched by receiving and retaining millions of dollars in unlawful fees collected from Plaintiffs, Nationwide Class Members, and California Class Members. Defendants' enrichment is unjust because: (1) the fees have no legal basis under federal or state law; (2) Plaintiffs, Nationwide Class Members, and California Class Members did not voluntarily confer the benefit

with full knowledge of the fee obligation; (3) Defendants failed to provide reasonable consideration (meaningful services) in exchange for the fees; and (4) retention of the fees is inequitable and against public policy.

198. Plaintiffs, Nationwide Class Members, and California Class Members seek restitution of all unlawfully collected fees, plus prejudgment interest and disgorgement of all profits derived from the unlawful scheme.

199. Plaintiffs, Nationwide Class Members, and California Class Members conferred unlawful monetary benefits upon Defendants. After all, Defendants benefited from (1) accepting payment and/or commission from Plaintiffs and Nationwide Class Members, and (2) using their PII to facilitate its provision of unlawful products and/or services.

200. Defendants appreciated or had knowledge of the benefits it received from Plaintiffs, Nationwide Class Members, and California Class Members.

201. Under principles of equity and good conscience, Defendants should not be permitted to retain the full value of Plaintiffs' and the Class Members' payments because Defendants failed to adequately disclose to Plaintiffs and the Class Members their services were in violation of federal law.

202. Plaintiffs, Nationwide Class Members, and California Class Members may not have an adequate remedy at law against Defendants, and accordingly, they plead this claim for unjust enrichment in addition to, or in the alternative to, other claims pleaded herein.

203. Under the circumstances, it would be unjust for Defendants to be permitted to retain any of the benefits that Plaintiffs, Nationwide Class Members, and California Class Members conferred upon them.

204. As a direct and proximate result of Defendants' conduct, Plaintiffs, Nationwide Class Members, and California Class Members have suffered and will suffer injury.

205. Plaintiffs, Nationwide Class Members, and California Class Members are entitled to full refunds, restitution, and/or damages from Defendants and/or an order proportionally disgorging all profits, benefits, and other compensation obtained by Defendants from their wrongful conduct. This can be accomplished by establishing a constructive trust from which the Plaintiffs, Nationwide Class Members, and California Class Members may seek restitution or compensation.

206. Defendants should be compelled to disgorge into a common fund-for the benefit of Plaintiffs, Nationwide Class Members, and California Class Members all unlawful or inequitable proceeds that it received because of its misconduct.

DAMAGES

Actual Damages

207. Plaintiffs and Class Members have directly suffered financial injury equal to all fees charged and collected by Defendants, which Plaintiffs estimate to total greater than $5,000,000 to $50,000,000 or more for the entire Class.

208. Additionally, Class Members are entitled to prejudgment interest at the maximum rate permitted by law from the date each fee was charged through the date of judgment.

Statutory Damages

209. Plaintiffs and the California Class Members are entitled to relief under Cal. Bus. & Prof. Code § 17203, including restitution, disgorgement of all amounts wrongfully obtained, injunctive relief, and recovery of attorneys' fees and costs as permitted by law, including but not limited to Cal. Code Civ. Proc. § 1021.5.

210. Plaintiffs and the California Class Members are entitled to relief under RFDCPA and the incorporated provisions of the FDCPA, to include actual damages, and are entitled to recover actual damages, statutory damages, and attorneys' fees and costs as permitted under Cal. Civ. Code § 1788.30 and 15 U.S.C. § 1692k.

211. Defendants' knowing and willful violation of federal law (38 U.S.C. §

5904), despite explicit warnings from the VA's Office of General Counsel, warrants punitive damages.

212. Defendants' knowing and willful violation of Federal law and California state law, including: 38 U.S.C. § 5904(c)(1), UCL and RFDCPA.

213. Defendants' conduct demonstrates reckless and callous disregard for Veterans' legal rights and entitlements.

214. Punitive damages are appropriate to punish Defendants for their egregious conduct, to deter Defendants and other claims consulting companies from similar violations, and to protect the integrity of the VA benefits system and Congress's intent to protect Veterans.

Equitable Relief: Disgorgement and Restitution

215. In addition to monetary damages, Plaintiffs seeks equitable relief, including disgorgement of all profits derived from unlawfully collected fees, restitution of all fees charged and collected from Plaintiffs and Class Members, cancellation and reformation of unlawful Service Agreements, injunctive relief prohibiting Defendants from engaging in similar conduct in the future, and establishment of a constructive settlement fund for the benefit of Plaintiffs and Class Members.

Attorney's Fees and Costs

216. Plaintiffs seek an award of attorney's fees and litigation costs incurred in prosecuting this action, including reasonable attorney's fees, reasonable attorney's fees, and costs of investigation, expert witnesses, and litigation, as provide by applicable statutory law.

PRAYER FOR RELIEF

WHEREFORE, Plaintiffs respectfully request that this case be certified and maintained as a class action and for a judgment to be entered upon Defendants as follows:

1. Certify the Class or Classes as proposed herein, designating Plaintiffs

as Class Representative, and appointing undersigned counsel as Class Counsel;

2. A judgment in favor of Plaintiffs and the Classes on all Counts;

3. Award economic and compensatory damages on behalf of Plaintiffs and all Class Members;

4. Award actual, general, special, incidental and consequential damages equal to all fees unlawfully charged and collected from Plaintiffs and Class members;

5. Award statutory damages of up to $1,000 for each named Plaintiff per violation of the RDFCPA, and foreach California Class member statutory damages, both pursuant to Cal. Civ. Code § 1788.17 incorporating the requirements of 15 U.S.C. §§ 1692b to 1692j and corresponding remedies set out in 15 U.S.C. 1692k(a)(2)(B)(ii), "such amount as the court may allow for all other class members, without regard to a minimum individual recovery, not to exceed the lesser of $500,000 or 1 per centum of the net worth of the debt collector";

6. Award punitive damages as permitted under law in an amount to be determined at trial;

7. Order equitable relief, including disgorgement of all profits derived from unlawfully collected fees, restitution of all fees to Class members, cancellation and reformation of unlawful Service Agreements, injunctive relief compelling Defendants to cease their unlawful conduct and to account to Plaintiffs and Class Members for their unjust enrichment, and to establish a claims administration process for distributing recovered funds;

8. Award reasonable attorneys' fees and reimbursement of all costs for the prosecution of this action;

9. Pre-judgment and post-judgment interest at the maximum rate permitted by law; and,

10. Grant such other and further relief this Court deems just and appropriate.

JURY DEMAND

Plaintiffs respectfully demand a trial by jury on all issues in this matter.

Mr. Jim Hill
Vet Comp and Pen Medical Consulting, LLC
2124 SW 102nd Terrace
Gainesville, FL 32607

Dear Mr. Hill:

The Department of Veterans Affairs (VA) has received information that your business, Vet Comp and Pen Medical Consulting, LLC, may be engaged in illegal activities, which include the unauthorized preparation, presentation, and prosecution of claims for VA benefits, as well as charging claimants for your services.

Chapter 59 of title 38, United States Code, and sections 14.626-14.637 of title 38, Code of Federal Regulations, govern the representation of persons seeking VA benefits. Under these laws, an individual must be accredited by VA as an agent, attorney, or representative of a VA-recognized veterans service organization to assist in the preparation, presentation, and prosecution of a claim for VA benefits. 38 U.S.C. §§ 5901-5902, 5904; 38 C.F.R. § 14.629. In other words, to provide assistance with a claim for VA benefits, even without charge, a person must be accredited by VA as an agent, attorney, or service organization representative. VA regulations provide a *one-time* only exception to this general rule, which authorizes a person to provide assistance on a particular claim, but such assistance must be without cost to the claimant and is otherwise subject to the laws governing representation. 38 C.F.R. § 14.630. Because neither you nor your business are currently accredited by VA, you are prohibited by law from assisting veterans in the preparation, presentation, and prosecution of claims before VA.

Section 5902(a)(1) of title 38, United States Code, authorizes VA to recognize veterans service organizations for the purpose of ensuring competent representation of veterans. VA implemented this authority in 38 C.F.R. § 14.628, which, among other things, requires that an organization applying for recognition demonstrate a substantial service commitment to veterans. An organization must apply for VA recognition, demonstrate that it satisfies the legal requirements for recognition, and then certify to VA that each of the organization's representatives who will assist veterans in the preparation, presentation, and prosecution of claims before VA meets the legal requirements for accreditation in 38 C.F.R. § 14.629(a). Vet Comp and Pen Medical Consulting, LLC, has not applied for or received VA recognition. Accordingly, Vet Comp and Pen Medical Consulting, LLC, does not have accredited

Vet Comp and Pen Medical Consulting, LLC

representatives available to represent veterans before VA and is prohibited by law from representing veterans before VA.

On Vet Comp and Pen Medical Consulting, LLC's website, it states "Ensuring YOU Receive ALL the VA has Promised!" In a section titled "Who We Are & What We Are Experts In," the page advertises that your business is "a private medical/legal consulting firm," that helps "disabled veterans like you obtain ALL of the compensation benefits you're legally entitled to from the Department of Veterans Affairs." Comparing your company's services to VSOs, you highlight that "[t]hey're not legal professionals. . . . They don't have the extensive medical or legal training needed to fully decipher your personal VA disability puzzle from a medical/legal [sic]. . . . [C]an your VSO explain to you why you medically and legally qualify for 70% vs. 30%?" Additional sections of the business webpage, including a 11:56 long video entitled "The 6 Stages of the VA Disability Claims Process," extensively discuss legal entitlement to compensation for disabilities, and advertise how you guide Veterans through the process of applying for benefits, prepare application materials, as well as review prior decisions and records to assess for additional claims, including CUE claims.

Further evidence of your unauthorized representation of claimants for VA benefits is provided by an instruction sheet you provide to clients. The sheet specifically instructs clients to "[r]eview ALL enclosed VA forms and applications for accuracy of information. If you feel that something is inaccurate, please DO NOT alter anything (which includes checking any boxes) unless you call me first!" You further instruct clients to "please call me regarding ALL received correspondences from the VA, and let me handle them for you, so that no processing errors will occur!" The remainder of the instruction sheet provides guidance on filing claims packets, provided by your company, as well what to do upon receipt of various forms from the VA.

These statements strongly suggest that your organization is unlawfully assisting in the preparation, presentation, and prosecution of claims before VA. By assisting in preparing claims, you and your organization are violating the laws governing accreditation. *See* 38 U.S.C. §§ 5901-5902, 5904; 38 C.F.R. § 14.629. To our knowledge, no one from Vet Pen and Comp Medical Consulting, LLC, has obtained VA accreditation as an agent, attorney, or Veterans Service Organization representative. Therefore, you and your organization are prohibited by law from representing veterans before VA.

Further, under the laws governing representation, no person or organization may charge claimants a fee for assistance in preparing initial applications for VA benefits or presenting claims to VA. Only VA-accredited agents and attorneys may charge fees for assisting in a claim for VA benefits, and only after VA has decided the claim, a notice of disagreement (NOD) has been filed initiating an appeal of that decision, and the agent or attorney has complied with the power-of-attorney requirements in 38 C.F.R. § 14.631 and the fee agreement requirements in 38 C.F.R.

Vet Comp and Pen Medical Consulting, LLC

§ 14.636(g). 38 U.S.C. § 5904(c)(1); 38 C.F.R. § 14.636(c).

The restrictions mentioned above are not the only the only restrictions on fees. Although the amount of fees charged by a VA-accredited agent or attorney for work completed after an NOD may be based on a fixed fee, hourly rate, a percentage of benefits recovered, or a combination of these bases, all fees charged must be reasonable. 38 C.F.R. § 14.636(e); *see also* 38 U.S.C. § 5904(a)(5). Factors that are considered in determining whether fees are reasonable include: (1) the extent and type of services performed; (2) the complexity of the case; (3) the level of skill and competence required; (4) the amount of time spent on the case; (5) the results achieved, including the amount of any benefits recovered; (6) the level of review to which the claim was taken and the level of review at which the representative was retained; (7) rates charged by other representatives for similar services; and (8) whether, and to what extent, the payment of fees is contingent upon the results achieved. 38 C.F.R. § 14.636(e). It is important to note that only a fee that does not exceed 20 percent of any past-due benefits awarded is presumed to be reasonable. 38 U.S.C. § 5904(a)(5); 38 C.F.R. § 14.636(f). Conversely, on the other end of the spectrum, any fee that exceeds 33 1/3 percent is presumed to be unreasonable. 38 C.F.R. § 14.636(f). It is further important to note that no fee agreement may require fees to be paid from future payments of benefits to claimants. *See* 38 U.S.C. § 5301(a) (prohibiting assignment or attachment of, or claim of creditors against, payments due or to become due under laws administered by the Secretary of VA, except to the extent specifically authorized by law); *Busch v. West*, 12 Vet. App. 552, 553 (1993) (per curiam order) (holding fee agreement lien provision, which included a lien on "any sums recovered" to be unreasonable under 38 U.S.C. § 7263(d) because it conflicted with § 5301(a) and 5904(d)(3)); *Vargas-Gonzalez v. West*, 12 Vet. App. 63, 64 (1998) (per curiam order) (same).

We have obtained information, including a "Medical Consulting Services Agreement," that discloses the fee arrangement you charge clients. The agreement outlines the fees your company charge, including that a Veteran shall be required to pay three times the difference between the pre-consulting monthly compensation benefit amount and the total newly awarded monthly compensation benefit amount. There is an additional charge of ten percent of any retroactive gross benefit awards that are a result of (1) expert medical opinions, (2) appeals, and/or (3) development of CUE claims. Because Vet Comp and Pen Medical Consulting is not accredited by the VA, and you are not an accredited individual, you and your company are prohibited by law from charging veterans a fee for assisting them in the preparation, presentation, and prosecution of their VA claims. Moreover, even if you were accredited by VA, the terms of the fee agreement allow for situations where the fee payable could exceed 33 1/3 percent of past-due benefits awarded and would be presumptively unreasonable, and would be an unlawful assignment of benefits pursuant to 38 U.S.C. § 5301(a).

Additionally, the standards of conduct for individuals accredited to represent claimants for VA benefits are based upon the Model Rules of Professional Conduct.

Vet Comp and Pen Medical Consulting, LLC

See 38 U.S.C. § 5904(a)(2). Rule 7.1 of the Model Rules of Professional Conduct requires that "[a] lawyer shall not make a false or misleading communication about the lawyer or lawyer's services. A communication is false or misleading if it contains a material misrepresentation of fact or law, or omits a fact necessary to make the statement considered as a whole not materially misleading." Comment [2] to the Rule makes clear that "[t]ruthful statements that are misleading are also prohibited." Your company's website possibly violates these requirements. *See, e.g., In re Huelskamp*, 740 N.E.2d 846, 848 (Ind. 2000). Of particular note is a passage where you boast:

> [D]uring the past 7 years, we NEVER had a single retiring veteran fail to hit 50% or higher VA Svc. Con. Disability rating when we reviewed their medical records while they were in their +/-365 window, with most Army & USMC retirees coming in at 90 to 100% rating. With our help, those veterans file an average of 25-35 claims while in the +/- 365 window vs. an average of 5-15 when they just use a VSO.

You additionally advertise assistance with a "Lifestyle Impact Claim," stating:

> The Lifestyle Impact Claim is a high-value secondary condition that most veterans are eligible for to varying degrees of ratings or intensity. It is one that is rarely acknowledged by the VA regional office, but it provides additional compensation to veterans for the impact their current service connected disability is having on their overall lifestyle, whether that impact is social, recreational, or vocational. Our clients typically receive 30%, 50%, or 70% for just this one claim alone. To qualify for this claim, you MUST be currently service connected at 0% or higher for a disability that is somehow significantly impacting your life in a negative way on a daily basis. We can help you establish a claim for both the disability and its impact on your lifestyle.

We are not aware of any such claim, and, therefore, even if you were accredited, your advertising may be considered a violation of the VA standards of conduct for accredited individuals, which requires that you be truthful in your dealings with claimants and VA as well as prohibits you from, among other things, engaging in conduct involving fraud, deceit, misrepresentation or dishonesty. *See* 38 C.F.R. § 14.632(a)(2) (requiring accredited individuals to be truthful in their dealings with claimants and VA), (c)(3) (prohibiting accredited individuals from engaging in conduct involving fraud, deceit, misrepresentation or dishonesty), (c)(4) (prohibiting accredited individuals from violating any of the provisions of title 38, United States Code, and title 38, Code of Federal Regulations), (c)(11) (prohibiting accredited individuals from engaging in any other unlawful or unethical conduct).

By law, you, individually, and your organization, must immediately cease all preparation of and assistance in claims for VA benefits. Within 30 days of the date of this letter, please inform us of the measures you are taking to address our concerns. If we do not hear from you or if we determine that you have not taken appropriate

Dear Mr. Hill:

The Office of General Counsel (OGC) of the Department of Veterans Affairs (VA) is in receipt of information obtained from publicly available sources suggesting that Trajector, Inc., for which you are the Chairman and Co-Chief Executive Officer (CEO), by and through its subsidiaries, to include Trajector Medical, may be engaged in activities which may violate various Federal statutes and applicable regulations, including the unauthorized preparation, presentation, or prosecution of claims for VA benefits and the charging of fees to VA claimants that are clearly unreasonable or otherwise prohibited by laws or regulations. Additionally, the information further suggests that attorneys employed by and through Trajector Legal, LLC (Trajector Legal), may be in violation of several provisions within VA's standards of conduct for VA-accredited individuals.

I. Trajector Medical

Chapter 59 of title 38, United States Code, and sections 14.626-14.637 of title 38, Code of Federal Regulations, govern the representation of persons seeking VA benefits. The purpose in regulating who may provide claims assistance to Veterans is to ensure that they "have responsible, qualified representation in the preparation, presentation, and prosecution of claims for veterans' benefits." 38 C.F.R. § 14.626.

Pursuant to 38 U.S.C. § 5902, VA is authorized to recognize organizations to assist claimants with their VA benefit claims. VA regulations require organizations to apply for VA recognition and demonstrate that the organization satisfies the legal requirements for recognition. 38 C.F.R. § 14.628(d)(1)(i). Our records indicate that

2.

Mr. James S. Hill

neither Trajector, Inc., nor any of its subsidiaries, to include Trajector Medical and Trajector Legal, hold VA recognition. Accordingly, as an organization, Trajector, Inc., and its subsidiaries are prohibited by law from preparing, presenting, or prosecuting VA benefit claims.

VA is further authorized to accredit individuals as representatives of VA-recognized veterans service organizations, agents, and attorneys, to prepare, present, and prosecute claims for VA benefits. 38 U.S.C. §§ 5901-5902, 5904; 38 C.F.R. § 14.629. VA regulations provide a *one-time* only exception to this general rule requiring accreditation, which authorizes a person to provide assistance to one claimant on a particular claim, but such assistance must be without cost to the claimant and is otherwise subject to the laws governing representation. 38 C.F.R. § 14.630.[1] Because the staff of Trajector Medical are not accredited by VA and do not qualify for the exception to the general rule requiring VA accreditation, they are prohibited by law from assisting Veterans in the preparation, presentation, or prosecution of their claims before VA.

An October 18, 2021, public filing to the Securities and Exchange Commission (SEC), set forth Trajector, Inc.'s business plan and stated, "[w]e help each Veteran develop a personalized claim strategy based on their medical evidence, including identifying critical connections between symptoms and medical conditions to formal medical diagnoses and linking them when appropriate to their military service so that our clients may prepare and submit these claims to the VA."[2] Form S-1, TRAJECTOR, INC., sec.gov, https://www.sec.gov/Archives/edgar/data/0001875772/000119312521300749/d180168ds1.htm (last visited Jan. 14, 2022). The SEC filing further stated that the company's Veterans Services segment "assists Veterans in evaluating their disabilities to understand how those disabilities are connected to their military services and how those disabilities fit within the VA Disability Rating criteria used by the VA for determining compensation." *Id.* Moreover, the Trajector Medical website advertises that "[o]ur team of knowledgeable, dedicated associates is experienced in assessing medical and service records to relate symptoms and diagnoses to military service, in accordance with [title 38 of the Code of Federal Regulations]" and assuring that the Veteran should "[f]eel confident that [the Veteran's] history and records are thoroughly reviewed and used in developing the right medical evidence to support [the Veteran's] VA disability benefits" because "[o]ur experience is speaking,

[1] In addition, the VA General Counsel may also extend the exception to other claimants when unusual circumstances are present, but such extensions must be specifically requested though OGC. *See* 38 C.F.R. § 14.630(b).

[2]The SEC filing was withdrawn on January 4, 2022; however, the submission still remains available to the public. *See* Form S-1, TRAJECTOR, INC., sec.gov, https://www.sec.gov/Archives/edgar/data/0001875772/000119312521300749/d180168ds1.htm (last visited Jan. 14, 2022).

Mr. James S. Hill

understanding, and applying [title 38 of the Code of Federal Regulations] in your personalized medical evidence." Why Us, trajectormedical.com, https://www.trajectormedical.com/why-us/ (last visited Jan. 14, 2022). The statements indicate that the services Trajector Medical staff provide involve preparing and developing claims to be submitted to VA, and those services are part of an overall business model to provide assistance, strategy, and advocacy in support of claims for VA benefits. A reasonable claimant would conclude that the services provided by Trajector Medical are for the purpose of assisting in the preparation, presentation, and prosecution of the claimant's VA benefit claim. This logical conclusion is reinforced by Trajector Medical's payment structure, discussed below. Accordingly, the statements in Trajector, Inc.'s SEC filing and Trajector Medical's advertising materials strongly suggest that Trajector Medical staff is unlawfully preparing, presenting, and/or prosecuting VA benefit claims. *See* 38 U.S.C. §§ 5901-5902, 5904; 38 C.F.R. §§ 14.628 and 14.629.

Further, under the laws governing representation, no person or organization may ever charge a claimant a fee for assistance in preparing an initial application for VA benefits or presenting an initial claim to VA. Only a VA-accredited agent or attorney may charge a fee for assisting in a claim for VA benefits, and only after VA has decided the initial claim and the agent or attorney has complied with the power-of-attorney requirements in 38 C.F.R. § 14.631 and the fee agreement requirements in 38 C.F.R. § 14.636(g). *See* 38 U.S.C. § 5904(c)(1); 38 C.F.R. § 14.636(c). Thus, because the staff of Trajector Medical is not accredited by VA as agents or attorneys, and because, based on Trajector, Inc.'s published statements, it appears that Trajector Medical staff is charging for the services they are providing in furtherance of the preparation and presentation of initial benefit claims, their actions appear to be contrary to law.

I remind you that, in June 2017, OGC wrote to you regarding the business activities of Vet Comp and Pen Medical Consulting, LLC, which is listed as a legacy brand of Trajector, Inc., in the SEC filing. *See* enclosure 1: OGC's June 2017 letter; *see also* Form S-1, TRAJECTOR, INC., sec.gov, p. 5, https://www.sec.gov/Archives/edgar/data/0001875772/000119312521300749/d180168ds1.htm (last visited Jan. 14, 2022). In OGC's June 2017 letter, OGC informed you that statements from your website strongly suggested that your organization was unlawfully assisting in preparing VA claims. OGC advised that you, individually, and your organization, must immediately cease all preparation of and assistance in claims for VA benefits. In your July 2017 response to OGC, you asserted that you did not represent or assist claimants before VA. *See* enclosure 2: James Hill's July 2017 letter. Through this letter, OGC is, again, informing you that Trajector Medical's website (and statements in Trajector, Inc.'s SEC filing) strongly suggests that the company and its staff are unlawfully assisting in preparing VA benefit claims. It is important to bear in mind that the statutory limitations on assisting Veterans with their VA benefit claims are based on the legislative scheme for VA claims established by Congress, and extend to all matters involving the preparation, presentation, and

4.

Mr. James S. Hill

prosecution of a claim, even if those activities occur before the official appointment of representation through the submission of VA Forms 21-22 or 21-22a. *See* 38 U.S.C. §§ 5901, 5902-5904.

Trajector, Inc.'s SEC filing stated, "we do not believe that … the evidence development activities of Trajector Medical require accreditation from the VA or are subject to the fee regulations imposed on accredited representatives." Form S-1, TRAJECTOR, INC., sec.gov, p. 26, https://www.sec.gov/Archives/edgar/data/0001875772/000119312521300749/d180168ds1.htm (last visited Jan. 14, 2022). Likewise, in your July 2017 response to OGC, you explained that you do not operate under or before VA and that you "prepare the *person*—not the *claim*—with a complete medical evaluation that educates and creates a competent and empowered claimant." *See* enclosure 2: James Hill's July 2017 letter, p 4. However, this is a distinction without a difference. Section 5901 does not limit the prohibition against acting as a claims agent or attorney to only those individuals who provide representation—meaning providing services after entering an appearance on the claim—to claimants before VA. *See* 38 C.F.R. § 14.627(p) (defining "representation"). Indeed, the implementing regulation, 38 C.F.R. § 14.629(b)(1), provides that no individual may *assist claimants* in the *preparation*, presentation, and prosecution of claims for VA benefits as an agent or attorney unless VA has accredited such individual. Trajector Medical's practice of "develop[ing] a personalized claim strategy … assist[ing] Veterans in evaluating their disabilities to understand how those disabilities fit within the VA Disability Rating criteria," and its statements regarding its experience in "speaking, understanding, and applying [title 38 of the Code of Federal Regulations] in [a veteran's] personalized medical evidence," strongly suggest that Trajector Medical is participating in VA claims preparation. *See* Why Us, trajectormedical.com, https://www.trajectormedical.com/why-us/ (last visited Jan. 14, 2022).

Moreover, Trajector Medical's fee structure, which charges a fee explicitly based on the successful outcome of a VA claim, further calls into question Trajector, Inc.'s assertion that its medical consulting services do not directly involve the preparation of VA claims. Trajector, Inc.'s SEC filing explains that the "fee for services provided [by Trajector Medical's staff] is calculated at a rate that considers the difference between the [claimant's] increase in pay for a period of five months." Form S-1, TRAJECTOR, INC., sec.gov, p. 86, https://www.sec.gov/Archives/edgar/data/0001875772/000119312521300749/d180168ds1.htm (last visited Jan. 14, 2022). However, a contract with a VA claimant generally may not obligate that claimant to pay fees from their payments of benefits. *See* 38 U.S.C. § 5301(a) (prohibiting assignment or attachment of, or claim of creditors against, payments due or to become due under laws administered by the Secretary of Veterans Affairs, except to the extent specifically authorized by law). The statute allowing for the payment of fees for the preparation, presentation, or prosecution of VA benefit claims from past-due benefits, 38 U.S.C. § 5904, is considered "an exception to th[is] assignment-of-VA-benefits statutory prohibition[.]"

5.

Mr. James S. Hill

Snyder v. Gober, 14 Vet. App. 154, 163 (2000), *adhered to in relevant part on reconsideration sub nom. Snyder v. Principi*, 15 Vet. App. 285, 291 (2001). And even this exception does not go as far as to allow for an attorney or agent to contract for the payment of fees from a claimant's future benefits. *Busch v. West*, 12 Vet. App. 552, 553 (1993) (per curiam order) (holding fee agreement lien provision, which included a lien on "any sums recovered" to be unreasonable under 38 U.S.C. § 7263(d) because it conflicted with §§ 5301(a) and 5904(d)(3)); *Vargas-Gonzalez v. West*, 12 Vet. App. 63, 64 (1998) (per curiam order) (same). Thus, even assuming arguendo that Trajector, Inc.'s logic is correct in that the services provided by Trajector Medical do not amount to the preparation, presentation, or prosecution of a Veteran's benefit claims, all fee contracts that Trajector Medical has entered into with Veterans would then appear to constitute unlawful assignments of benefits pursuant to 38 U.S.C. § 5301(a). Conversely, if Trajector, Inc.'s logic is incorrect and the services provided by Trajector Medical do amount to the preparation, presentation, or prosecution of VA benefit claims, then, as explained above, Trajector, Inc., would appear to be in violation of several statutes and regulations that govern VA accreditation and the charging of fees.

By law, Trajector Medical and its staff must immediately cease all preparation, presentation, and prosecution of VA benefit claims, charging fees for those services, and withholding VA benefits to the extent that they are doing so contrary to law. Within 30 days of the date of this letter, please inform us of the measures that Trajector, Inc., and Trajector Medical are taking to address our concerns noted above. If we do not hear from Trajector, Inc., within that time period, or if we determine that Trajector, Inc., or Trajector Medical, has not taken appropriate measures to cease any and all illegal activities, we will refer the matter to appropriate Federal and State law-enforcement authorities.

II. Trajector Legal

VA has received credible written information suggesting that attorneys of Trajector Legal may have engaged in improper conduct or demonstrated incompetence in connection with the preparation, presentation, or prosecution of VA claims.[3] OGC is responsible for monitoring the conduct of VA-accredited attorneys, agents, and veteran service organization representatives. *See* 38 C.F.R. §§ 14.632 and 14.633. Accordingly, I hereby inform all Trajector Legal attorneys named in

[3] The VA-accredited attorneys associated with Trajector Legal are: Natalie Porter Westbrook; Samuel Ryan Vanover; Thomas Jared Ellis; Susan Marie Fox; Derek Harper Wentz; Danielle Christine Choi; Sarah Elizabeth Jenkins; Michael John Ogden; Steven Bradley Howes; Lauren Elizabeth Moss; Patrick Scott Haynes; Tim Benjamin Carpenter; Kirsten Courtney Jansen; James Robert Davis; Nicholas Andrew Huntsman; Kayla Ilene Byrd-Daniels; David Daniel Bott; and James S. Trieschmann.

Mr. James S. Hill

footnote 4 that OGC is opening an informal inquiry into their conduct, and providing them with an opportunity to respond.

A. Noncompliant Fee Agreements

Section 14.636(g) of title 38, Code of Federal Regulations, provides that all fee agreements for the payment of fees for services of agents and attorneys must be in writing and signed by both the claimant or appellant and the agent or attorney. VA has received fee agreements submitted by or on behalf of Trajector Legal attorneys, beginning February 21, 2021, through the present date, which include a signature affixed by an electronic device, but the authenticity of the claimant signatory cannot be verified by VA. This raises concern as to whether the claimants were aware of, understood, and consented to the terms of the agreements. Second, section 14.636(g)(1)(iv) requires that a fee agreement include the applicable VA file number. Fee agreements submitted by or on behalf of Trajector Legal attorneys did not include such information. Without the VA file number, the claimant's file cannot be associated with the fee agreement. Moving forward, OGC will no longer accept any fee agreement without a pen-and-ink signature and the inclusion of the VA file number.

Moreover, VA regulations further provide that the agreement must provide "the specific terms under which the amount to be paid for the services of the attorney or agent will be determined." *See id.* at 14.636(g)(1)(v). Fee agreements submitted by Trajector Legal attorneys include the following language:

> Any claims where a notice of disagreement was not filed before February 19, 2019, no fee will be charged. Any claims where the notice of disagreement was filed before June 19, 2007, no fee will be charged unless there has first been a denial by the Board of Veterans' Appeals.

See enclosure 3, redacted fee agreement. If this language is attempting to reflect when a fee may be charged pursuant to current law, the language is unclear and fails to provide to the claimant the specific terms of the payments. Additionally, to the extent any attorney at Trajector Legal is charging a fee for claims in which VA issued its initial decision after February 19, 2019, although such a fee would be permissible under current law, the attorney would be violating the terms of their contract because the contract language contains the restriction that unless a notice of disagreement was filed before February 19, 2019, no fee will be charged by the attorney regardless of whether the claim has been pursued by a later notice of disagreement or through a different avenue of review (e.g., submission of additional evidence or a higher level of review).[4]

[4] Pursuant to current law, a VA-accredited attorney or agent may charge a reasonable fee for services provided after VA has notified the claimant of its initial decision with respect to a claim if the notice of the initial decision was issued on or

7.

Mr. James S. Hill

Furthermore, the discharge and withdrawal provision in the fee agreements is inconsistent with applicable law as it calls for payment based on an hourly rate rather than a quantum meruit review. In accordance with 38 C.F.R. § 14.636(f)(2), where the fee charged is a contingency fee, a reasonable fee charged for an attorney who is discharged or withdraws from representation is one that fairly and accurately reflects his or her contribution to and responsibility for the benefits awarded, as informed by the factors set forth in 38 C.F.R. § 14.636(e). The factors considered in § 14.636(e) include: (1) the extent and type of services the representative performed; (2) the complexity of the case; (3) the level of skill and competence required of the representative in giving the services; (4) the amount of time the representative spent on the case; (5) the results the representative achieved, including the amount of any benefits recovered; (6) the level of review to which the claim was taken and the level of the review at which the representative was retained; (7) rates charged by other representatives for similar services; (8) whether, and to what extent, the payment of fees is contingent upon the results achieved; and (9) when an attorney's representation ended before the decision awarding benefits was issued, consideration will be given to the reason(s) that the representation was terminated.[5] 38 C.F.R. § 14.636(e).

At a minimum, these fee agreement practices not only raise concerns regarding the accredited attorneys' competence and compliance with the governing regulations but also suggest that any fees charged may be unreasonable or otherwise prohibited under the law. *See* 38 C.F.R. § 14.632(b)(1) & (c)(5). Therefore, we ask that each Trajector Legal attorney inform us if he/she has sought or collected fees for

---

after the effective date of the modernized review system. 38 U.S.C. § 5904(c)(1). For cases in which a decision was made before VA implemented its modernized review system (February 19, 2019), there are additional requirements that must be met before a fee may be charged. If an agency of original jurisdiction issued a decision on a claim or claims before the effective date of the modernized review system as provided in 38 C.F.R. § 19.2(a), an accredited attorney or claims agent may not charge claimants a fee unless there has also been a notice of disagreement filed on or after June 20, 2007, with respect to that decision. In cases in which a notice of disagreement was filed on or before June 19, 2007, agents and attorneys may charge fees only for services provided after both of the following additional conditions have been met: (1) the Board of Veterans' Appeals (Board) promulgated a final decision with respect to the issue, or issues, involved in the appeal; and (2) the agent or attorney was retained not later than one year following the date that the Board promulgated its decision.

[5] In addition, the language of the fee agreements regarding fee disputes limits the recourse options of the parties to the Utah State Bar Fee Dispute Program. We question the validity of such limitation when VA statutes permit claimants to pursue reasonableness reviews by filing a motion with OGC. Notwithstanding any limitation written into a fee agreement, OGC always has the option to review fees for reasonableness, sua sponte. 38 U.S.C. § 5904(c)(3)(A); 38 C.F.R. § 14.636(i).

8.

Mr. James S. Hill

a case in which either (1) a notice of disagreement was not filed before February 19, 2019, or (2) the attorney was discharged or withdrew and sought fees pursuant to the hourly discharge and withdrawal provision set forth in the fee agreement. For each case identified, please provide: (1) the name of the claimant; (2) the VA file number; (3) the amount of fees charged, solicited, and/or received; and (4) the dates on which these communications or transactions occurred.

B. Contingency Fees for Expert Testimony

Section 14.632(c)(9) provides that a VA-accredited attorney is prohibited from engaging in, or counseling or advising a claimant to engage in, acts or behavior prejudicial to the fair and orderly conduct of administrative proceedings before VA. Section 14.632(d) provides that in addition to complying with the VA standards of conduct, a VA-accredited attorney is prohibited from engaging in behavior or activities that are prohibited by the rules of professional conduct of any jurisdiction in which the attorney is licensed to practice law. Under the Utah Supreme Court Rule of Professional Practice 3.4(b), an attorney shall not "falsify evidence, counsel or assist a witness to testify falsely, or *offer an inducement to a witness that is prohibited by law*." Utah Sup. Ct. R. Prof'l. Prac. 3.4 (emphasis added); *see also* American Bar Association's Model Rules, Rule 3.4. Utah Code § 78B-1-152, titled "Witnesses – Prohibition of expert witness contingent fees in civil actions," provides that "[a] plaintiff or defendant in a civil action may not engage an expert witness by means of a contingent fee agreement unless approval is sought and received from the court." Utah is not the only state that finds it unethical for an expert witness to be paid by a contingency fee. In fact, "it is considered unethical in virtually every jurisdiction to pay an expert witness a contingency fee, meaning a fee that is 'contingent upon the content of the testimony or outcome of the case." 12 Geo. J. Legal Ethics 465, 477 (1999) (quotations omitted). Indeed, "[s]uch fees are prohibited because they create an unacceptable incentive for the expert to tailor her opinion to the needs or interests of the retaining party. In other words, the expert's independence and objectivity become impaired when payment hinges on the success of the litigation." *Id.* Courts and state ethics boards are consistent that "it is unethical for a lawyer to knowingly present testimony of an expert witness compensated on a contingent fee basis." *Martello v. Santana*, 874 F. Supp. 2d 658, 667 (E. D. Ky. 2012); *see also Taylor v. Cottrell, Inc.*, 795 F.3d 813, 816-17 (8th Cir. 2015) (citing cases where U.S. district court decisions have found contingency-fee witnesses unreliable and unethical); *Tagatz v. Marquette University*, 861 F.2d 1040, 1042 (7th Cir. 1988) ("It is unethical for a lawyer to employ an expert witness on a contingent-fee basis … ."). A practicing attorney should be aware that the ethical concerns underlying this prohibition would apply to persons, such as medical professionals, who generate written evidence for the purpose of a judicial or administrative proceeding and whose independence and objectivity may be impaired by their personal financial stake in the outcome of the claim. Moreover, one could posit that the ethical concerns regarding improper inducements to expert witnesses are especially pronounced in VA's non-adversarial system where a medical opinion by a practitioner with a pecuniary interest in the

claim would naturally be subject to a lower level of scrutiny than in the traditional adversarial system. *See Hodge v. West*, 155 F.3d 1356, 1362-63 (Fed. Cir. 1998) (recognizing that, in enacting the Veterans Judicial Review Act, "Congress has designed and fully intends to maintain a beneficial non-adversarial system of veterans benefits" where "there is no room for such adversarial concepts as cross examination, best evidence rule, hearsay evidence exclusion, or strict adherence to burden of proof") (citations omitted). Thus, to the extent that a medical professional providing an advisory medical opinion or an examination is being compensated through a contingency fee arrangement, such arrangement would likely be contrary to the Utah Supreme Court Rule of Professional Practice 3.4(b) and section 14.632(c)(9) and (d) of VA's Rules of Conduct for VA-Accredited Individuals.

C. A Fee Exceeding 33 1/3 Percent Is Presumed Unreasonable.

In accordance with VA regulation 38 C.F.R. § 14.632(c)(5), an attorney is prohibited from entering into an agreement for, charging, soliciting, or receiving a fee that is clearly unreasonable or otherwise prohibited by law or regulation. *See also* 38 C.F.R. § 14.632(c)(5) (requiring an attorney to also comply with the standards of conduct of any jurisdiction in which the attorney is licensed); Utah R. Prof. Conduct 3.4(b). Moreover, under VA's governing regulations, a fee that exceeds 33 1/3 percent of the claimant's past-due benefits is always presumed to be unreasonable. 38 C.F.R. § 14.636(f)(1).

Additionally, courts and state ethics boards have found that, dependent on the facts of the case, it may be unethical to charge a contingency fee for legal services on top of a contingency fee for medical consulting. *See Ojeda v. Sharp Cabrillo Hospital*, 8 Cal. App. 4th 1, 17-18 (1992) (noting that ABA Formal Opinion 87-354 found that, "[t]o the extent the Consultant is assuming responsibility for services which the lawyer would normally provide, and may be required to provide as part of the normal service for a customary contingent fee, the lawyer's service is reduced, and what might otherwise be a reasonable contingent fee becomes unreasonable" and that District of Columbia Bar Opinion No. 55 determined that a consultant's services "may displace lawyer work" and "[t]o the extent that this happens, through its analysis of records, finding and interviewing witnesses, preparing factual statements for experts, and similar services the reasonableness of the lawyer's contingent fee percentage may be affected") (citations omitted).

As discussed above, Trajector, Inc.'s SEC filing makes clear that Trajector Medical charges a contingent fee for its services.[6] Indeed, in exchange for this

[6] Although in its SEC filing Trajector, Inc., described the services provided by Trajector Medical as a consulting service, it also stated that Trajector Medical employs its own experts to provide witness testimony. According to the SEC filing, the Trajector Medical staff includes 88 licensed medical, legal, and insurance professionals as well as 248 subject matter experts in the fields of pathophysiology, pharmacology, orthopedics, biomechanics, and psychiatry. *See* Form S-1,

contingent fee equal to the "difference between the increase in pay for a period of five months," *see* Trajector, Inc., SEC filing, it provides "medical evidence that meets the VA's [regulatory] requirements of their Schedule for Rating Disabilities," *see* Why Us, trajectormedical.com, https://www.trajectormedical.com/why-us/ (last visited Jan. 14, 2022). Separate and apart from this charge, attorneys employed by the same company, Trajector, Inc., by and through its subsidiary, Trajector Legal, are charging a fee in the amount of nearly 33 1/3 percent of the claimant's past-due benefits. *See* enclosure 3, redacted fee agreement. Although Trajector, Inc.'s SEC filing asserts that it "ensure[s] that [Trajector Legal's] attorneys are able to meet their ethical obligations," *see* Form S-1, TRAJECTOR, INC., sec.gov, p. 140, https://www.sec.gov/Archives/edgar/data/0001875772/000119312521300749/d180168ds1.htm (last visited Jan. 14, 2022), OGC has received evidence of apparent unethical conduct of Trajector Legal attorneys because, not only do they knowingly present the opinion of a medical expert compensated on a contingent fee basis but they also are charging a contingency fee of nearly 33 1/3 percent of the claimant's past-due benefits for their own legal services on top of, and without regard to the contingency fee charged for Trajector Medical's services, which appear to be much of the same services as normally provided by VA-accredited attorneys and agents.

OGC has received a Trajector Legal form, titled "HIPAA AUTHORIZATION FOR USE OR DISCLOSURE OF HEALTH INFORMATION," that informs the claimant that the attorneys of Trajector Legal intend to share medical information with all subsidiaries of Trajector, Inc. *See* enclosure 4, HIPAA Form. This language, among other things, suggests a close relationship between Trajector Legal and Trajector Medical. Based on the close relationship of the companies and the public disclosure of Trajector Medical's fee structure in the SEC filing by Trajector, Inc., it appears that Trajector Legal either knew or should have known of the contingency fee charged by Trajector Medical consulting company.

In addition, numerous fee agreements that Trajector Legal attorneys have submitted to OGC include not only a 33.3 percent contingent fee but also a provision stating that any fee agreements with other parties are completely separate from the fee agreement with Trajector Legal. A disclaimer attached to the fee agreements states explicitly:

> Client understands there are various companies under the umbrella of Trajector, Inc., which provide different types of services. Client may be using a different Trajector company while pursuing Trajector Legal, LLC, for legal services. Any fees for nonlegal services provided by other subsidiaries or companies of Trajector, Inc., are separate and distinct from the fees provided by Trajector, Inc., for legal services. For instance, if you owe a different

11.

Mr. James S. Hill

> Trajector company for the cost of medical consulting services, your payment to Trajector Legal, LLC, for legal services[] does not waive or affect in any way your obligation to pay an agreed bill under your contract with the other company or satisfy your debt to the other company.

See enclosure 3, redacted fee agreement. Therefore, it appears that Trajector Legal attorneys are not only stacking a contingency fee for what is claimed to be legal services on top of a contingency fee for what is claimed to be medical consulting services, they are charging a presumptively unreasonable fee, as the ultimate fee charged to the claimant would necessarily be greater than the 33 1/3 percent contingent fee charged for legal services alone. Such a fee appears to be in violation of section 14.632(c)(2), prohibiting a VA-accredited attorney from circumventing a rule of conduct through the actions of another and section 14.632(c)(5), prohibiting an attorney from charging a fee that is clearly unreasonable or otherwise prohibited by law.

This letter initiates a preliminary inquiry pursuant to § 14.633(e) and provides the attorneys named within this inquiry with an opportunity to respond to the allegations within 30 days. Please note that, at this time, our office has not reached any definitive conclusions regarding the conduct. We will consider the responses we receive, along with other evidence of record, to determine whether to proceed with a formal inquiry to seek cancellation or suspension of Trajector Legal attorneys' accreditation pursuant to § 14.633(e) and/or refer the matter to the Chief Disciplinary Counsel of the Utah Office of Professional Conduct and/or other enforcement authorities.

Based on the credible written information referenced above, there is an indication that Trajector Legal attorneys may have violated the standards of conduct governing representation before VA in the following manners:

- ☒ Failing to provide claimants with competent representation before VA. *See* 38 C.F.R. § 14.632(b)(1).
- ☒ Violating the standards of conduct as described in 38 C.F.R. § 14.632. 38 C.F.R. § 14.632(c)(1).
- ☒ Circumventing the rules of conduct through the actions of another. 38 C.F.R. § 14.632(c)(2).
- ☒ Violating one or more of the provisions of title 38, United States Code, or title 38, Code of Federal Regulations. 38 C.F.R. § 14.632(c)(4).
- ☒ Entering into an agreement for, charging, soliciting, or receiving a fee that is clearly unreasonable or otherwise prohibited by law or regulation. 38 C.F.R. § 14.632(c)(5).
- ☒ Engaging in, or counseling or advising a claimant to engage in acts or behavior prejudicial to the fair and orderly conduct of administrative proceedings before VA. 38 C.F.R. § 14.632(c)(9).

12.

Mr. James S. Hill

☒ Engaging in any other unlawful or unethical conduct. 38 C.F.R. § 14.632(c)(11).
☒ Engaging in behavior or activities prohibited by the rules of professional conduct of any jurisdiction in which you are licensed to practice law. 38 C.F.R. § 14.632(d).

The VA General Counsel must cancel, or suspend, an attorney's accreditation if he finds, by clear and convincing evidence, that the attorney has violated or refused to comply with the laws administered by VA or with the regulations governing practice before VA, including the standards of conduct in 38 C.F.R. § 14.632. *See* 38 C.F.R. § 14.633(c)(1), (g). If the Trajector Legal attorneys wish to respond to the allegations against them, we request that the attorneys provide a written response within 30 days from the date of this letter. We will then make a determination, based on the evidence of record, whether to initiate a formal inquiry to seek cancellation or suspension of the Trajector Legal attorneys' accreditation pursuant to 38 C.F.R. § 14.633(e) and/or whether this matter should be referred to the Chief Disciplinary Counsel of the Utah Office of Professional Conduct.

III. Conclusion

If there are any questions regarding the matters in this letter, please contact (b)(6) the VA staff attorney assigned to this case at (b)(6) @VA.gov or (b)(6)

Sincerely yours,

(b)(6)

UNITED STATES DISTRICT COURT
MIDDLE DISTRICT OF NORTH CAROLINA
GREENSBORO DIVISION

JENNIFER FORD, individually and on behalf of all others similarly situated,

Plaintiff,

v.

VETERANS GUARDIAN VA CLAIM CONSULTING, LLC,

Defendant.

CASE NO.: 1:23-cv-756

COMPLAINT -- CLASS ACTION

DEMAND FOR JURY TRIAL

CLASS ACTION COMPLAINT

Plaintiff Jennifer Ford ("Plaintiff"), individually and on behalf of all others similarly situated, alleges the following based on personal knowledge as to herself and on the investigation of her undersigned counsel as to all other matters, and brings this class action against Defendant Veterans Guardian VA Claim Consulting, LLC ("Defendant" or "Veterans Guardian").

I. NATURE OF THE ACTION

1. This case is about illegal fees charged to disabled United States Military veterans by an unaccredited North Carolina-based company, Veterans Guardian. The fees are extracted from victims' Disability Compensation benefits paid through the United States Department of Veterans Affairs (the "VA"). Despite its name, Veterans Guardian in fact preys on disabled veterans by unfairly and deceptively taking tens of millions of dollars of their disability benefits in violation of Federal law, the North Carolina Unfair and

Class Claimants' Ex. No. 20

Deceptive Trade Practices Act ("UDTPA"), and the North Carolina Debt Collection Act ("NCDCA").

2. VA Disability Compensation provides a monthly tax-free payment to veterans who became sick or injured while serving in the military and to veterans whose service made an existing condition worse.[1]

3. For VA Disability Compensation, the VA rates veterans' disabilities on a scale from 0% to 100% in 10% increments (*e.g.*, 10%, 20%, 30%).[2]

4. VA Disability Compensation can be increased to compensate for dependents such as a spouse, parent, or children.[3] Depending on the circumstances, VA Disability Compensation can exceed $4,000 per month.

5. To obtain VA Disability Compensation, veterans must file a claim with the VA. There are many Veteran Service Organizations ("VSOs") who assist veterans in filing their disability claims, *without charge*. Some of the most well-known VSOs include The American Legion, Veterans of Foreign Wars, Disabled American Veterans, among many other reputable organizations made up of VA accredited claims representatives.

6. Each of these organizations were stakeholders in the implementation of the Veterans Appeals Improvement and Modernization Act of 2017 which helped to dramatically reform and simplify the processes and procedures involved in obtaining

benefits or an increase in benefits.[4] Once a veteran receives an initial claim rating, they may to continue with their VSO or, alternatively, may use a for-profit VA accredited agent or attorney. Like attorneys representing clients before the bar of a given state, Congress empowered the VA to regulate individuals and entities assisting veterans with filing claims for VA Disability Compensation benefits.

7. 38 CFR 14.629 (b)(1) plainly states that "[n]o individual may assist claimants in the preparation, presentation, and prosecution of claims for VA benefits as an agent or attorney **unless** he or she has first been accredited by VA for such purpose."

8. Despite this clear prohibition, Veterans Guardian routinely and systematically assists claimants in the preparation, presentation, and prosecution of claims for VA benefits *and* charges a substantial contingency fee for doing so despite not being accredited by the VA.

9. Veterans Guardian's contingency fee equals five times the amount of any monthly VA Disability Compensation increase. This amount exceeds the amount that could be lawfully charged by legitimate VA-accredited representatives under 38 C.F.R. § 14, *et seq.*

10. Veterans Guardian's uniform contract asserts that its services and fees are "in compliance with Chapter 59, United States Code and Title 38, Code of Federal Regulations § 14." A copy of Plaintiff's Consulting Service Agreement (the "Contract")

with Defendant is attached hereto as Exhibit A.

11. There is no provision in Chapter 38 or Chapter 59 of the United States Code that allows Veterans Guardian, an unaccredited entity, to prepare claims for veterans to submit to the VA and to be compensated for doing so.

12. All fees collected by Veterans Guardian are unlawful as they stem from conduct prohibited by federal law.

13. Plaintiff seeks to represent all similarly situated veterans who have paid Veterans Guardian in connection with an unlawful agency contract that is unfair and deceptive under North Carolina law, the home state of Veterans Guardian.

II. JURISDICTION AND VENUE

14. This Court has jurisdiction over this action pursuant to the Class Action Fairness Act, 28 U.S.C. § 1332(d), because there are at least 100 members in the proposed Class defined below, the combined claims of the proposed Class members exceed $5,000,000, exclusive of interest and costs, and as discovery will show, more than two-thirds of the proposed Class members are citizens of a state other than Veterans Guardian's state of citizenship, North Carolina.

15. Alternatively, this Court has federal question jurisdiction over this action pursuant to 28. U.S.C. § 1331 as the foundation for the claims made arise under the Constitution, laws, or treaties of the United States, specifically Chapter 59, United States Code and Title 38, Code of Federal Regulations § 14 which prohibit non-accredited agents from aiding in the creation and/or submission of disability claims to the VA.

16. This Court possesses personal jurisdiction because Veterans Guardian deliberately and regularly conducts business, marketing, claim distributing, promoting VA claims assistance and appeals, and/or collections, in North Carolina, and has its principal place of business in Pinehurst, North Carolina. The illegal fees at issue are issued, invoiced, processed, and collected from the State of North Carolina. Veterans Guardian has obtained the benefits of the laws of North Carolina and profited handsomely from North Carolina commerce.

17. The Veterans Guardian contract with Plaintiff and the Class includes a Choice of Law and Venue provision which reads: "This agreement is entered into and shall be governed by the laws of the State of North Carolina and said states courts shall have exclusive jurisdiction to adjudicate any dispute arising out of or relating to this agreement. …"

18. Venue is also proper in this District pursuant to 28 U.S.C. § 1391 because Veterans Guardian is a limited liability company subject to personal jurisdiction in this District and does business in this District. Additionally, venue is proper because a substantial portion of the acts, events, and/or unlawful activity giving rise to the claims asserted occurred in this District.

IV. FACTS

A. The History of VA Disability Compensation Benefits

23. The United States Department of Veterans Affairs ("VA") is organized into three administrations: (a) Veterans Benefits Administration ("VBA"); (b) Veterans Health Administration ("VHA"); and (c) National Cemetery Administration ("NCA"). The VBA provides a variety of disability compensation, pension, education, and more.[5] VBA is the administration involved in approving and awarding VA Disability Compensation.

24. The United States recognizes the effects of military service on veterans that result in disabilities that are service connected and secondary service connected, diseases, or injuries incurred or aggravated during active military service.[6] The VA's disability program provides monthly VA Disability Compensation payments to veterans who suffered injuries during their military service or secondary to their military service.

25. In 2022, nearly 3.9 million veterans received monthly disability

compensation payments for partial or complete disabilities.[7]

B. Federal Law Contains Strict Guidelines Governing the Challenged Conduct

26. Sections 14.626 through 14.637 of Title 38 of the Code of Federal Regulations, implement Chapter 59 of the United States Code governing the representation of claimants for veterans' benefits. There are very clear and strict dictates under this law including:

- Anyone assisting "in the preparation, presentation, and prosecution of claims for VA benefits" must be accredited by VA for that purpose. 38 C.F.R. 14.629 (b)(1)
- Only accredited agents and attorneys may receive a fee from claimants or appellants for their services. 38 C.F.R. § 14.636(b).
- Fees charged by accredited Agents and attorneys after an initial decision must comply with power of attorney requirements of 38 C.F.R. § 14.631 and the fee agreement requirements of 38 C.F.R. § 14.636(g).
- All agreements for fees for services must be in writing and signed by both the claimant or appellant and the accredited agent or attorney. Specifically, those agreements must contain: (1) name the veteran; (2) name the claimant or appellant if other than a veteran; (3) name any disinterested third-party payer and the relationship between the third-party payer and the veteran, claimant, or appellant; (4) set forth the applicable VA file number; and (5) contain the specific terms under which the amount to be paid for the services of the attorney

or agent will be determined. 38 C.F.R. § 14.636(g)(1)(i-v).

27. A copy of those signed written agreements must then be sent to either the VA or Office of General Counsel ("OGC") within 30 days. 38 C.F.R. 14.636(g)(3).

28. No money may ever be charged or paid before a notice of the initial claim is issued. 38 U.S.C. § 5904(c)(1).

29. Fees exceeding 33 1/3 percent of past-due VA disability benefits awarded are presumed unreasonable. 38 C.F.R. § 14.636(f)

30. It is unlawful to charge veterans for assisting with initial claims or the recovery of future VA benefits.

31. Upon information and belief, Veterans Guardian is not an accredited agent of the VA, has never filed any direct-pay fee agreements with the VA, nor filed a direct-pay fee agreement with the OGC for VA Disability Compensation Claims that it prepares and collects a fee from U.S. veterans. Veterans Guardian also charges fees for initial claims and for amounts that do not comply with the VA strict limitations set forth above.

C. Unfair and Deceptive Acts by Defendant Veterans Guardian

38. By failing to first receive accreditation from the VA prior to assisting Veterans in the preparation and presentation of their veterans' benefits claims under the guise of providing only "pre-filing" and "post-filing" consulting services and charging exorbitant fees that are contingent upon the success of veterans' claims, Veterans Guardian violated federal regulations; and by violating regulations that were designed to protect veterans, Veterans Guardian has committed an unfair and deceptive trade practice under

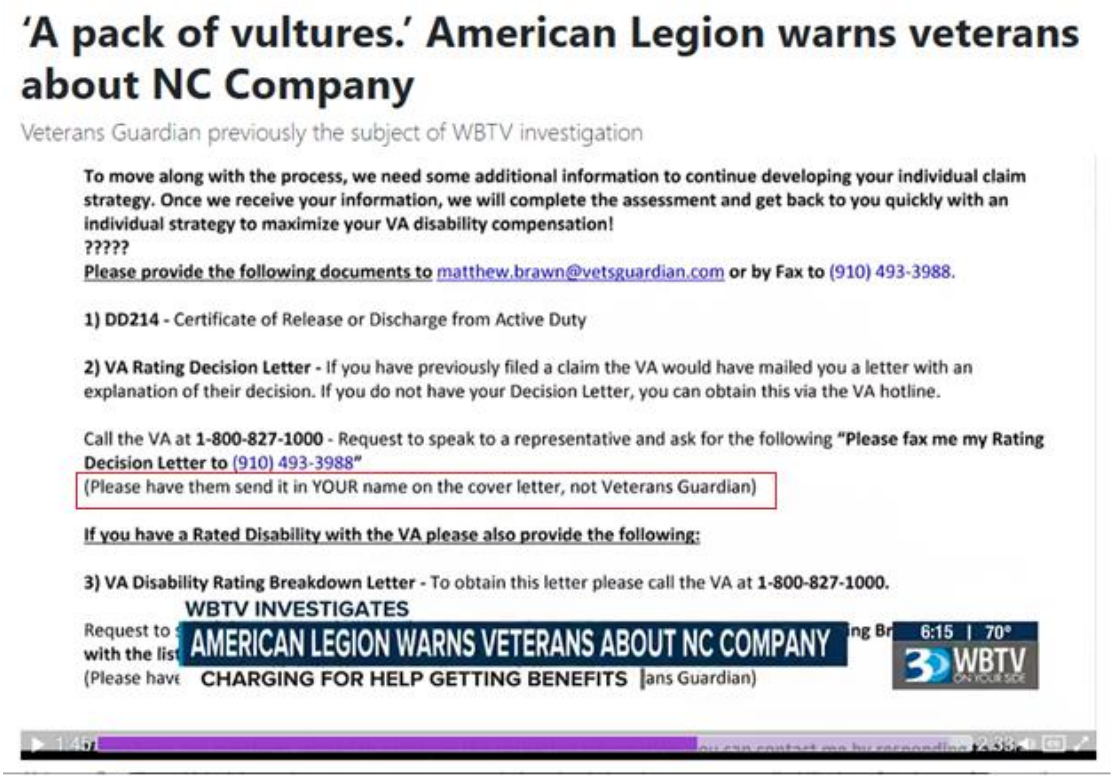
N.C. Gen. Stat. § 75–1.1.

32. The standard form Veterans Guardian Consulting Service Agreement (the "Contract") entices veterans to use its services with deceptive or false statements. For example, contrary to the specific prohibitions against unaccredited agents preparing VA Disability Compensation Claims, the Contract states that its services and fees are "in accordance with Chapter 59, Title 38, United States Code and Title 38, Code of Federal Regulations § 14." This is false or deceptive statement. Veterans Guardian is an unaccredited agency and is strictly prohibited by Federal Law from assisting in preparing or presenting disability claims to the VA. But Veterans Guardian ignores these restrictions and regulations and deceptively provides these restricted services under the pretext of providing "pre-filing" and "post-filing" consulting services. Even though the Contract informs clients that Veterans Guardian is unaccredited, it takes advantage of its veteran clients with its superior position of knowledge and sophistication by intentionally mischaracterizing its services as pre and post filing consulting services.

33. The purpose of the regulations *viz.* 38 U.S.C. Chapter 59 and 38 C.F.R. § 14 was to protect veterans from exploitation by the unlawful business practices as challenged here. For example, the purpose of enacting the law and regulations set forth above was to ensure that "claimants for Department of Veterans Affairs (VA) benefits have responsible, qualified representation in the preparation, presentation, and prosecution of claims for veterans' benefits." See 38 C.F.R. § 14.626. In fact, while enacting § 14.636 *viz.* the provision capping the fees that agents or attorneys may charge "in connection with

representation" in proceedings before the VA to 33 1/3%, Congress expressed a concern with allowing contingent fee agreements, stating that such agreements "present a more specific risk of exploitation" and "give rise to the potential that a significant portion of a veteran's past-due benefits could be transferred to a lawyer for less work than was expected by the client at the time of the agreement." *See* Accreditation of Agents and Attorneys; Agent and Attorney Fees, 73 FR 29852-01.

34. Veterans Guardian's unfair business practices have caused many unwary veterans to hire Veterans Guardian believing it to be a legitimate provider of lawful VA claim services, when in fact the Contracts are unlawful due to the fact that Veterans Guardian is not accredited by the VA; Veterans Guardian's services are not permissible under the regulations; Veterans Guardian is not permitted to charge fees on initial claims, Veterans Guardian's fees exceed the rates charged by actual VA accredited agents and attorneys; Veterans Guardian's claim over VA benefits in the form of "agreed-to" fees and the penalties imposed for the non-payment of fees are unlawful under the regulations. Thus, by violating regulations that were enacted by Congress to protect veterans from becoming victims of unlawful, unscrupulous and deceptive business practices, Veterans Guardian violates UDTPA, § 75-1.1. Its unlawful and unfair business practices have proximately caused Plaintiff's damages in the form of unlawful payments made from her monthly benefit payments.



D. Press Scrutiny of Veterans Guardian and Other "*Claims Sharks*"

35. In the last few years, companies such as Veterans Guardian, which illegally

prey on veterans in the name of helping them increase their disability benefits, have come under significant scrutiny by the media, veterans' advocacy groups and the VA itself.

36. On April 1, 2022, WBTV a local television station Charlotte, North Carolina, ran a news segment warning veterans against Veterans Guardians after conducting a private investigation into its services. The news segment included interviews with veterans who had used their services and found that Veterans Guardian "asked veterans for their personal login credentials and submit[ted] claims in their name." WBTV also reported that it had seen an email from Veterans Guardian in which it coached a client on how to ask for documents from the VA and the client told WBTV that Veterans Guardian had warned him specifically not to mention to the VA that he was working with Veterans Guardian. Below is a snapshot of the email displayed in the news segment:[8]

[8] *See* https://www.wbtv.com/2022/04/01/pack-vultures-american-legion-warns-veterans-about-nc-company/

37. WBTV also reported that the American Legion also expressed its concern with Veterans Guardian's services and fees, calling it a "a pack of vultures" and a "predatory claims company."

38. On April 27, 2022, the United States House of Representatives, Committee on Veteran's Affairs, held an investigative hearing on the practices of unaccredited claims consultants. At this conference, several veterans' advocates such as the American Legion, National Organization of Veterans' Advocates ("NOVA") and Veteran of Foreign Wars ("VFW") testified on the predatory practices of unaccredited agencies such as Veterans Guardian. For example, the VFW, referred to non-accredited consulting groups as "Claim Sharks," and called out a few predatory practices employed by these companies such as "guaranteeing increases in benefits" and "promising no-cost consultations."

39. More recently, CBS News and the Texas Tribune also brought to light the predatory nature of unaccredited claims consultants such as Veterans Guardian.[9]

E. Veterans Guardian Submitted False or Misleading Statements to Congress

i. Veterans Guardian's First False Statement to Congress

40. On April 27, 2022, the House Committee on Veterans' Affairs Subcommittees on Disability Assistance and Memorial Affairs and Oversight and Investigations conducted an open session and joint oversight hearing entitled "At What Cost? – Ensuring Quality Representation in the Veteran Benefit Claims Process" (the "Hearing").

41. Among the witnesses testifying was William Taylor ("Mr. Taylor"), co-founder and Chief Operating Officer of Veterans Guardian. When questioned during the hearing, Mr. Taylor testified under oath that "Veterans Guardian has not received a cease-and-desist letter from the VA."[10] The Hearing Committee later determined that the Letter sent by the VA OGC staff attorney was a cease-and-desist letter.

ii. Veterans Guardian's Second False Statement to Congress

42. On May 9, 2022, Hearing Committee staff emailed Brian Johnson ("Mr.

Johnson"), Veterans Guardian's Vice President of Government and Public Affairs seeking to confirm Mr. Taylor's testimony that Veterans Guardian "has not received a cease-and-desist letter from the VA." That same day, Veterans Guardian's through Mr. Johnson, falsely stated that Veterans Guardian had not received any cease-and-desist letter from VA OGC. *Id.*

iii. Veterans Guardian's Third False Statement to Congress

43. On June 9, 2022, Hearing Committee staff met with Mr. Taylor, Mr. Greenblatt, and Mr. Johnson and other representatives of Veterans Guardian to discuss its inaccurate statements regarding the Letter. When again asked about Mr. Taylor's testimony, Veterans Guardian officials stated that they did not recall receiving a cease-and-desist letter from the VA OGC. *Id.*

44. Following Veterans Guardian's third false or misleading statement and/or omission, the Hearing Committee staff explicitly referenced the Letter addressed to Mr. Greenblatt. At that time, after the Hearing Committee's fourth attempt to seek the truth from Veterans Guardian's officials, Veterans Guardian finally admitted that it had received the Letter, but did not believe that the Letter constituted a cease-and-desist letter.

iv. Once Reminded that His False Statements to Congress Carry Five Years in Prison, Mr. Taylor Supplemented his False Testimony

45. On June 27, 2022, the Chairs and Ranking Members of the Subcommittees sent a letter to Mr. Prober and advised that Mr. Taylor's testimony was inaccurate because the VA OGC categorized the Letter to Veterans Guardian as a cease-and-desist letter.

Notably, the Committee cited the June 27, 2022 letter, and reminded Mr. Taylor that it is a crime, punishable by fines and imprisonment of up to 5 years, to knowingly and willfully make a materially false, fictitious, or fraudulent statement or representation to Congress. Subsequently, Mr. Taylor supplemented his testimony to Congress.

F. PLAINTIFF'S FACTS

46. Plaintiff Jennifer Ford was honorably discharged from the United States Army on August 18, 2009.

47. Plaintiff suffered from several service-connected injuries and secondary service-connected injuries as a result of her military service as a military police officer.

48. Because her injuries were known and obvious, Plaintiff knew that she had to file a claim for disability benefits with the VA.

49. Prior to contacting Veterans Guardian, Plaintiff received a 60% VA disability impairment rating as a result of her military service. She received a monthly payment from the VA as a result of her disabilities.

i. Plaintiff's First Claim

50. In early 2022, Plaintiff believed that the PTSD she suffered from due to her time in the military caused her to suffer a complete disability at a level higher than the 60% that had previously been determined by the VA.

51. Plaintiff went to the internet to gather information about filing a VA Disability Compensation Claim or appeal with the VA.

52. Plaintiff's internet search took her to the Veterans Guardian website.

53. After spending time reading information on Veterans Guardian's website,[11] Plaintiff used the website to contact the company directly about filing a claim with the VA for additional benefits.

54. Thereafter, Plaintiff received a call from a representative of Veterans Guardian that explained its representation and services. Importantly, Veterans Guardian's representative ensured Plaintiff that its VA services were legal and in full compliance with Federal Law and that it would only charge Plaintiff five (5) times any monthly VA Disability Compensation increase received by Plaintiff, each time Veterans Guardian increased Plaintiff's monthly VA Disability Compensation. After speaking with Defendant's representative, Plaintiff signed the Contract and became a client of Veterans Guardian.

55. Once it signed Plaintiff as a client, Veterans Guardian solicited access to Plaintiff's medical records and military records to review and develop a strategy to increase her VA Disability Compensation.

56. Next, Veterans Guardian coordinated an outside private medical opinion to assess Plaintiff's post-traumatic stress disorder ("PTSD") symptoms.

57. A representative of Veterans Guardian's prepared Plaintiff for her PTSD private medical examination by explaining the PTSD examination and evaluation process.

58. Once the private medical examination was complete and Plaintiff received a medical opinion, Veterans Guardian drafted and prepared Plaintiff's VA Disability

[11] *See* https://vetsguardian.com/.

Compensation Claim using official VA forms, including: (a) VA Application for Disability Compensation and Related Compensation Benefits Form – 21-526EZ; and (b) VA Statement in Support of Claim Form – 21-4138. Additionally, Veterans Guardian gathered the necessary attachments including Plaintiff's DD214 and private medical opinion. All of the VA forms prepared by Veterans Guardian and the necessary attachments (the "Packet") were emailed by Veterans Guardian to Plaintiff for her review. The Packet emailed was labeled "draft" as it was drafted and prepared by Veterans Guardian.

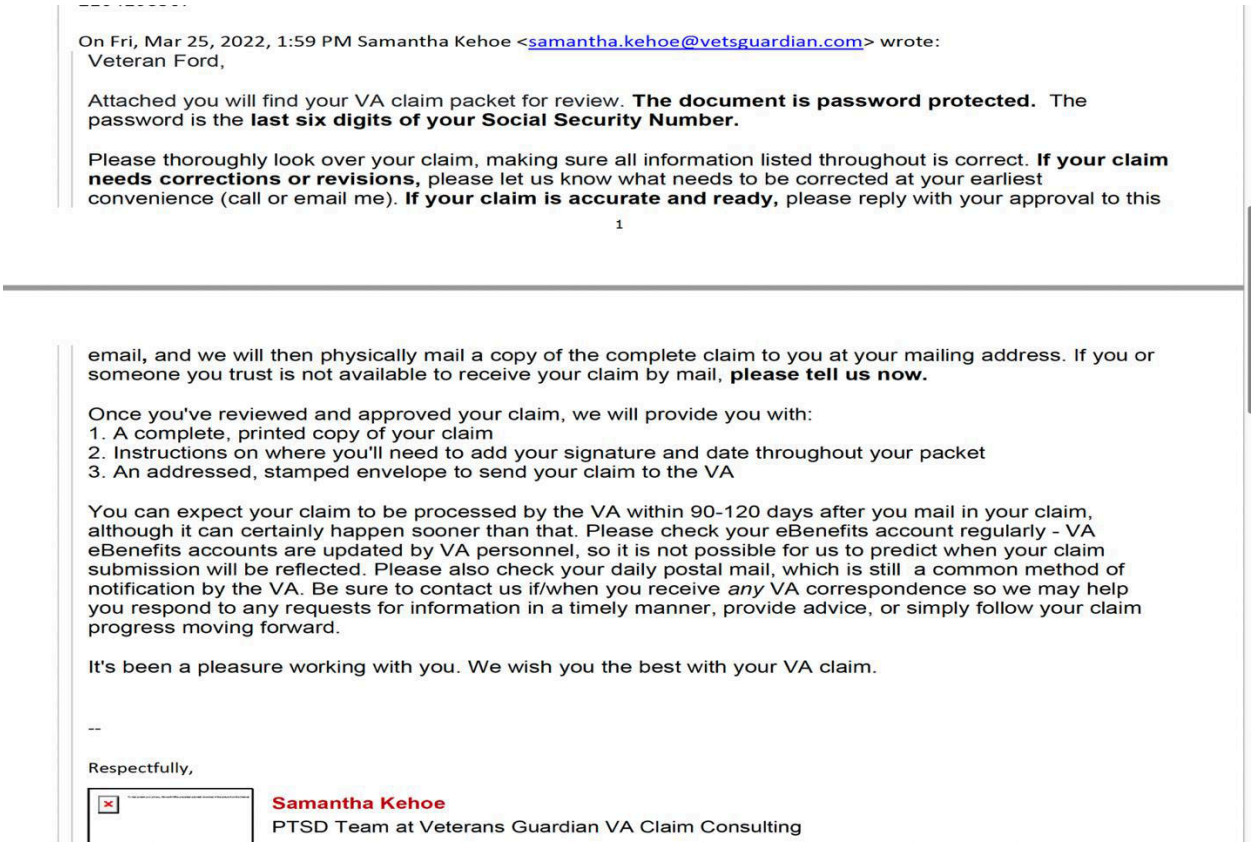
59. Once Plaintiff approved the Packet, Veterans Guardian then mailed the Packet to Plaintiff with instructions, including that Veterans Guardian: (a) marked specific locations where Plaintiff was required to sign and date the VA Disability Compensation Claim that it prepared; (b) pre-marked the Packet's envelope with the VA's mailing address that would receive the Packet; (3) pre-stamped the Packet's envelope; and (4) instructed Plaintiff to place the Packet in the mail.

60. Veterans Guardian's claim preparation continued after mailing her Packet to the VA. Specifically, Veterans Guardian instructed Plaintiff to notify its office if the VA sent correspondence that requested additional information so that Veterans Guardian could assist Plaintiff with a response and provide advice on how to respond to the VA.

61. Once Plaintiff's Packet was submitted to the VA, Veterans Guardian provided additional instructions to Plaintiff to present to the VA medical examiner and respond to the VA's questions.

62. Plaintiff thereafter received a call from the VA to schedule her VA

Compensation and Pension Examination ("C&P Exam").[12] A representative of Veterans Guardian prepared Plaintiff for her C&P Exam and coached her on how to present her symptoms to the VA medical examiner.



63. Contrary to Veterans Guardian's claims that it only offers "pre-filing" and "post-filing" claims assistance, Veterans Guardian assists veterans following their submission of the Packet when it assists with C&P Exams, simulated the C&P Exam, and prepared Plaintiff and the Class members for the C&P Exam.

64. In her First Claim in which Veterans Guardian's assisted Plaintiff, her disability rating increased.

65. Plaintiff took no part in drafting her VA Disability Claim. Veterans Guardian and its employees are the only individuals that prepared Plaintiff's First Claim and prepared Plaintiff for her C&P examination upon filing her First Claim.

66. Below is an email from Veterans Guardian's representative to Plaintiff in which it admits to preparing Plaintiff's First Claim:

[12] When a veteran files a claim for VA Disability Compensation with the VA, the VA may ask the veteran to appear at an examination as part of the VA claim process. This is known as a VA claim exam or a VA compensation and pension exam.

email, and we will then physically mail a copy of the complete claim to you at your mailing address. If you or someone you trust is not available to receive your claim by mail, **please tell us now.**

Once you've reviewed and approved your claim, we will provide you with:
1. A complete, printed copy of your claim
2. Instructions on where you'll need to add your signature and date throughout your packet
3. An addressed, stamped envelope to send your claim to the VA

You can expect your claim to be processed by the VA within 90-120 days after you mail in your claim, although it can certainly happen sooner than that. Please check your eBenefits account regularly - VA eBenefits accounts are updated by VA personnel, so it is not possible for us to predict when your claim submission will be reflected. Please also check your daily postal mail, which is still a common method of notification by the VA. Be sure to contact us if/when you receive *any* VA correspondence so we may help you respond to any requests for information in a timely manner, provide advice, or simply follow your claim progress moving forward.

It's been a pleasure working with you. We wish you the best with your VA claim.

PTSD Team at Veterans Guardian VA Claim Consulting

67. Upon clicking the link contained in the email above, Plaintiff was routed to several VA claim forms that had been fully prepared by Veterans Guardian.

68. Veterans Guardian completely prepared Plaintiff's VA Disability Compensation Claim. It selected the appropriate forms, filled out all the necessary data for Plaintiff's specific claim, printed the claim forms and supporting documents, and mailed the completed Packet in paper form to Plaintiff's home address, along with a fully addressed envelope addressed to the VA, and instructions on where to add her signature and date on the claim form. Veterans Guardian even provided a pre-addressed and stamped envelope for mailing her claim submission to the VA.

69. Veterans Guardian prepares and completes thousands of similar claim forms

for submission to the VA every month.

70. Moreover, Veterans Guardian also reminded Plaintiff in no uncertain terms, "Be sure to contact us if/when you receive any VA correspondence so we may help you respond to any requests for information in a timely manner, provide advice, or simply follow your claim progress moving forward."

71. Plaintiff ultimately received a VA Disability Compensation increase of $360.00 per month.

72. Pursuant to the fee agreement contained in Veterans Guardian's Contract, Veterans Guardian invoiced Plaintiff for $1,800.00 ($360.00 x 5).

73. Plaintiff paid Veterans Guardian $1,800.00 over the course of several monthly installment payments for preparing her VA Disability Compensation claim that was submitted to the VA.

74. A VA accredited agent or attorney is not permitted to charge a fee based on increasing a veteran's monthly disability compensation. A VA accredited agent or attorney is only permitted to charge a percentage of the back pay or past due benefits capped at 33 1/3 percent, unless approved by the OGC.

75. Plaintiff's back pay or past due benefits resulting from her first claim total roughly $350.00. As a result, the maximum a VA accredited agent or attorney could have charged Plaintiff regarding her first claim is approximately $116.55.

76. In her first claim, Veterans Guardian charged Plaintiff over fifteen times or over 1,500% the allowable fees permitted by federal law.

77. Veterans Guardian never submitted a fee agreement to the VA or the OGC. Moreover, the OGC never approved of Veterans Guardian's fees that exceeded 33 1/3%.

ii. Plaintiff's Second Claim

78. Following Plaintiff's rating increase related to her PTSD, Plaintiff believed that she had another viable disability claim related to her high blood pressure that would increase her VA Disability Compensation further.

79. Plaintiff again reached out to Veterans Guardian and had a telephone conversation to strategize about her Second Claim, and the representative of Veterans Guardian suggested that Plaintiff file a second supplemental claim for additional benefits from the VA. .

80. For Plaintiff's Second Claim, Veterans Guardian focused on her high blood pressure/hypertension, scarring, tinnitus, and asthma.

81. Again, Veterans Guardian solicited access to Plaintiff's medical records to review and develop a strategy to attempt to increase her VA Disability Compensation.

82. Veterans Guardian thereafter fully prepared Plaintiff's Second Claim.

83. Plaintiff never drafted her Second VA Disability Claim that achieved an increase, nor did she receive assistance from any VSO or VA-accredited representative. Veterans Guardian and its employees are the only individuals that prepared and worked on Plaintiff's second claim.

84. A November 7, 2022 email from a Veterans Guardian's representative to Plaintiff admits to fully preparing Plaintiff's Second Claim:

From: **Samantha Mellon** <samantha.mellon@vetsguardian.com>
Date: Mon, Nov 7, 2022, 11:58 AM
Subject: Packet for Review
To: Jenn Ford <jenanderic1814@gmail.com>

Veteran Ford,

Attached you will find your VA claim packet for your review.

The document is password protected.

The password is the last six digits of your Social Security Number.

Please thoroughly review your claim, and make sure that your Social Security Number, home address and phone number listed throughout are correct.

If your claim is accurate and ready, **please tell us immediately.**

If corrections are needed, let us know what needs to be corrected. Once you are satisfied, we will **mail** you:

1. A complete, printed copy
2. Instructions on where to sign and date
3. A self-addressed, stamped envelope to mail your claim to the VA

If you, or someone you trust is not available to mail your claim, **please tell us now.**

After 7 days if we do not get a response from you, your claim packet will automatically be sent to our mail team, and mailed out to you.

Plan on your claim being processed by the VA within 90-120 days, though processing times can vary.

85. Veterans Guardian also completely prepared Plaintiff's Second VA Disability Claim. It selected the appropriate form, filled out all the necessary data for Plaintiff's claim, printed the claim form and supporting documents, and mailed the completed package in paper form to Plaintiff's home address along with a fully addressed envelope addressed to the VA and instructions on where to add her signature and date the claim form. Veterans Guardian even provided a pre-addressed and stamped envelope for mailing her claim submission to the VA.

86. Veterans Guardian completes thousands of similar claim forms for submission to the VA every month.

87. Veterans Guardian also reminded Plaintiff in no uncertain terms that it would continue to assist in preparing and submitting her claim to the VA: "Be sure to contact us

if/when you receive any VA correspondence so we may help you respond to any requests for information in a timely manner, provide advice, or simply follow your claim progress moving forward."

88. Ultimately, Plaintiff received a monthly VA Disability Compensation increase worth $300.00.

89. Thereafter, Veterans Guardian invoiced Plaintiff under its Contract for $1,500.00 ($300.00 x 5) or five times her monthly VA Disability Compensation increase.

90. Had a VA accredited agent or attorney prepared Plaintiff's second claim, their fee would have been limited to 33 1/3% of the retroactive award or back pay.

91. The retroactive award for Plaintiff's second claim was roughly $1,620.00. In other words, the fees paid to a VA accredited agent or attorney for Plaintiff's second claim would have been roughly $539.46.

92. Plaintiff paid Veterans Guardian $1,500.00 in one lump sum on her Second Claim.

93. In total, Plaintiff has paid Veterans Guardian $3,401.00 with respect to her First Claim and Second Claim.

94. Had a VA accredited agent or attorney assisted with Plaintiff's two claims, Plaintiff would have only been required to pay approximately $656.01.

95. As a result of its unlawful fees, Plaintiff paid Veterans Guardian at least $2,744.99 more than is permitted by federal law and could have been charged by Accredited Agents.

96. Veterans Guardian has employed similar excessive fees to members of the Class.

97. Veterans Guardian collects these amounts in open violation of the restrictions and qualifications set forth in 38 C.F.R. § 14, *et seq*.

98. Discovery will show that no individual at Veterans Guardian is licensed to practice medicine.

99. Discovery will show that no individual at Veterans Guardian is a VA accredited agent or attorney.

V. CLASS ALLEGATIONS

100. Plaintiff brings this case as a class action pursuant to Rule 23 of the Federal Rules of Civil Procedure. The proposed class is defined as:

> UDTPA Class: All veterans who paid Veterans Guardian a fee in connection with preparing claims for VA Disability Compensation under a contract in substantially the same form as Exhibit A.
>
> NCDCA Class: All veterans who received an invoice from Veterans Guardian in connection with preparing claims for VA Disability Compensation under an invoice in substantially the same form as Exhibit B.

101. Expressly excluded from the Class are: (a) any Judge presiding over this action and members of their families; (b) Defendant and any entity in which Defendant has a controlling interest, or which has a controlling interest in Defendant, and its legal representatives, assigns and successors; and (c) all persons who properly execute and file a timely request for exclusion from the Class.

102. The class period is four (4) years prior to the original filing date of this action.

103. Plaintiff reserves the right to amend the Class definition if warranted as a result of further investigation and discovery.

Rule 23(a) Criteria

104. Numerosity. Veterans Guardian's scheme has harmed and continues to harm veterans and their dependents. The members of the Class are so numerous that joinder of all members is impracticable. Veterans Guardian's written graphic that it emailed to Plaintiff on May 16, 2023, states that it has "a success rate of over 90%" and has "processed over 25,000 disability claims in the last two (2) years."[13] The sheer volume of its VA Disability Claim business supports a finding of numerosity.

105. The exact number of Class members is unknown as such information is in the exclusive control of Veterans Guardian. Veterans Guardian, however, has prepared, prosecuted, and/or presented tens of thousands of VA Disability Claims on behalf of veterans disguised as *pro se* VA claims and where it charged veterans a contingent fee equivalent to five (5) times the monthly VA Disability Compensation increase that the veteran receives as a result of Veterans Guardian's representation, preparation, presentation, and/or prosecution of his/her VA Disability Claim.

106. Due to the nature of the VA Disability Claims involved and the fact that Veterans Guardian assists veterans in all 50 states and online around the globe, Plaintiff believes the Class consists of thousands of veterans. Defendant's online ads are

[13] Exhibit C

geographically dispersed throughout the U.S. and internationally making joinder of all Class members impracticable.

107. Commonality. Common questions of law and fact affect the rights of each Class member and common relief by way of damages is sought for Plaintiff and the Class.

108. The harm that Veterans Guardian has caused is substantially uniform with respect to Class members. Common questions of law and fact that affect the Class members include, but are not limited to:

a. Whether Defendant is subject to the limitations of 38 U.S.C. Chapter 59 and 38 CFR § 14, *et seq.*;

b. Whether Defendant's business practices are in violation of 38 U.S.C. Chapter 59 and 38 C.F.R. § 14;

c. Whether Defendant's violations of 38 U.S.C. Chapter 59 and 38 C.F.R. § 14 are *per se* violations of the North Carolina Unfair and Deceptive Practices Act ("UDTPA");

d. Whether the Defendant is a debt collector as defined by the North Carolina Debt Collection Act ("NCDCA") N.C.G.S. § 75-50(3);

e. Whether Defendant's invoices were sent in violation of NCDCA N.C.G.S. § 75-50(2) by falsely representing the legal status, character or true nature of the debt.

f. Whether Defendant's violations of NCDCA are *per se* violations of the UDTPA; and

g. Whether members of the Class have sustained damages and, if so, the proper measure of such damages provided by N.C. Gen Stat § 75-16.

109. Typicality. Plaintiff's claims are typical of the claims (and defenses that will be asserted) of the Class because she is a veteran of the United States Military and her VA Disability Compensation Claim prepared, presented, and/or prosecuted by Defendant was typical of the type of assistance that Defendant provides to veterans following standardized practices, procedures, and policies. The documents involved in the transaction were standard form documents and the violations are statutory in nature. Plaintiff suffered damages of the same type and in the same manner as the Class she seeks to represent. There is nothing peculiar about Plaintiff's claims.

110. Adequacy. Plaintiff will fairly and adequately assert and protect the interests of the Class. Plaintiff has hired attorneys who are experienced in prosecuting class action claims and will adequately represent the interests of the class and Plaintiff has no conflict of interest that will interfere with maintenance of this class action.

Rule 23(b) Criteria

111. Predominance and Superiority. Pursuant to FED. R. CIV. P. 23(b)(3), a class action provides a fair and efficient method for the adjudication of this controversy for the following reasons:

a. The common questions of law and fact set forth herein predominate over any questions affecting only individual Class members. The statutory claims under the N.C. Gen Stat § 75-1 require a simple identification of those veterans who are covered

under the statute, and an act in violation of N.C. Gen Stat § 75-1.1, *et seq*.

b. The statutory claims under the N.C. Gen Stat § 75-50 require a simple identification of those veterans who are covered under the statute, and an act in violation of N.C. Gen Stat § 75-51(8).

c. Plaintiff can identify members of each class once she receives a list of all veterans that entered into a Consulting Service Agreement, similar to Exhibit A, and paid money to Veterans Guardian and/or received a standard form invoice similar to Exhibit B.

d. The number of veterans who paid Veterans Guardian's fees that exceed 33 1/3 percent of the increased award as governed by 38 CFR § 14.636(f)(1) is a predominant common question that will turn on the language of the contract.

e. There are no unusual legal or factual issues that would create manageability problems;

f. Prosecution of thousands of separate actions by individual members of the Class would create a risk of inconsistent and varying adjudications against Defendant and could create incompatible standards of conduct;

g. Adjudications with respect to individual members of the Class could, as a practical matter, be dispositive of any interest of other members not parties to such adjudications, or substantially impair their ability to protect their interests; and

h. The claims of the individual Class members are small in relation to the expenses of litigation, making a Class action the only procedural method of redress in

which Class members can, as a practical matter, recover.

112. Moreover, Veterans Guardian has acted and refused to act on grounds generally applicable to the Class, thereby making declaratory relief and corresponding final injunctive relief under Rule 23(b)(2) appropriate with respect to the Class as a whole. Veterans Guardian should be enjoined from preparing, presenting, and/or prosecuting VA Disability Claims in violation of N.C. Gen Stat § 75-1.1, *et seq.*, N.C. Gen Stat § 75-50, *et seq.*, 38 U.S.C. Chapter 59, *et seq.*, and 38 CFR § 14, *et seq.*, and a declaration should be issued that Defendant disgorge its ill-gotten gains and void the invoices with any outstanding debt.

COUNT I
Violation of the N.C. Gen Stat § 75-1.1, *et seq.*
(UDTPA Class)

113. Plaintiff incorporates by reference each and every factual allegation set forth in paragraphs 1 - 112 above.

114. Veterans Guardian's Contract states that North Carolina law applies to the agreement between the parties regarding compensation to Veterans Guardian for preparing the VA Disability Compensation claim Packet to be submitted to the VA.

115. The North Carolina UDTPA prohibits businesses from engaging in unfair and deceptive acts or practices. The UDTPA largely mirrors the Federal Trade Commission Act and states that "Unfair methods of competition in or affecting commerce, and unfair or deceptive acts or practices in or affecting commerce, are declared unlawful." N.C. Gen Stat § 75-1.1.

116. The UDTPA provides a four-year statute of limitations.

117. The purpose of UDTPA is "to declare, and to provide civil legal means to maintain, ethical standards of dealings between persons engaged in business and between persons engaged in business and the consuming public within this State to the end that good faith and fair dealings between buyers and sellers at all level[s] of commerce be had in this State." *Bhatti v. Buckland*, 328 N.C. 240, 400 S.E.2d 440 (1991).

118. Courts have used many standards to determine whether an act or practice is "unfair," including:

(1) If the act violates industry standards

(2) Violates public policy

(3) Immoral, unethical, or unscrupulous

(4) Substantially injures consumers

(5) Inequitable assertion of the party's power or position

(6) Has the tendency to deceive

119. "Commerce" includes all business activities, however, denominated, but does not include professional services rendered by a member of a learned profession. N.C. Gen Stat § 75-1.1(b).

120. Veterans Guardian charged fees to veterans for preparing claims for disability benefits with the VA which constitutes commerce under the UDTPA as such services were rendered by unaccredited claims representatives, not a member of a learned profession.

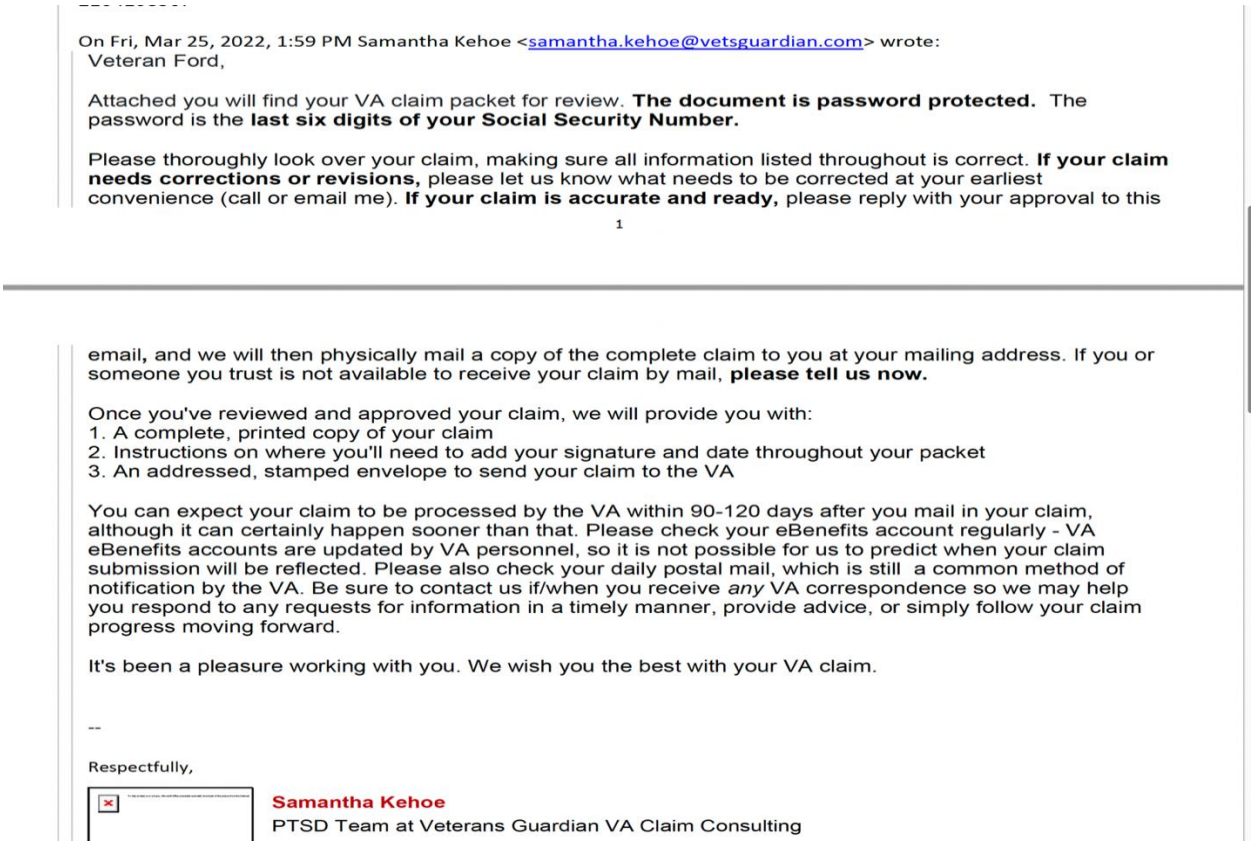
121. Veterans Guardian's business activities, at all times relevant to this Complaint, are considered "commerce" as defined in N.C. Gen Stat § 75-1.1(b).

122. Veterans Guardian's business practices occurred almost exclusively in North Carolina and violate the UDTPA because they violated public policy, were unethical and unscrupulous, and substantially injured veterans.

123. The UDTPA was created to provide an additional remedy apart from those less adequate remedies afforded under common law causes of action for fraud, breach of contract, or breach of warranty.

124. North Carolina courts have held that a violation of a regulatory statute that are designed to prevent unfair or deceptive conduct can constitute a per se violation of the UDTPA.

125. Veterans Guardian's violation of 38 U.S.C. §59, *et seq.* and/or 38 C.F.R. § 14, *et seq.*, constitutes a violation of regulations designed to prevent unfair and or deceptive conduct and therefore can act as a per se violation of N.C. Gen. Stat. 75-1.1.



126. Moreover, North Carolina appellate courts have held that violations of regulatory statutes that are designed to protect consumers are *per se* violations of N.C.G.S. 75-1.1.

127. Federal law established under 38 U.S.C. Chapter 59, *et seq.* and/or 38 C.F.R. § 14, *et seq.*, are regulations governing who can prepare and present claims for disability benefits to the VA and how much can be charged to the veteran in connection with such services. Because these regulations were designed to protect veterans, Veterans Guardian's

business practice of routinely violating these regulations constitutes a per se violation of N.C.G.S. 75-1.1. Specifically, sections 14.626 through 14.637 of Title 38 of the Code of Federal Regulations, implement Chapter 59 of the United States Code governing the representation of claimants for veterans' benefits.

128. 38 C.F.R. 14.629 (b)(1) states: "No individual may assist claimants in the preparation, presentation, and prosecution of claims for VA benefits as an agent or attorney unless he or she has first been accredited by VA for such purpose."

129. Veterans Guardian is in violation of 38. C.F.R. 14.629(b)(1) because it admittedly prepared Plaintiff's First Claim for VA benefits without first receiving accreditation by the VA:

Once you've reviewed and approved your claim, we will provide you with:
1. A complete, printed copy of your claim
2. Instructions on where you'll need to add your signature and date throughout your packet
3. An addressed, stamped envelope to send your claim to the VA

You can expect your claim to be processed by the VA within 90-120 days after you mail in your claim, although it can certainly happen sooner than that. Please check your eBenefits account regularly - VA eBenefits accounts are updated by VA personnel, so it is not possible for us to predict when your claim submission will be reflected. Please also check your daily postal mail, which is still a common method of notification by the VA. Be sure to contact us if/when you receive *any* VA correspondence so we may help you respond to any requests for information in a timely manner, provide advice, or simply follow your claim progress moving forward.

It's been a pleasure working with you. We wish you the best with your VA claim.

130. Upon clicking the link contained in the email above, Plaintiff was routed to several VA claim forms that had been fully prepared by Veterans Guardian.

131. Veterans Guardian completely prepared Plaintiff's First Claim. It selected the appropriate forms, filled out all the necessary data for Plaintiff's specific claim, printed the claim forms and supporting documents, and mailed the completed Packet in paper form to Plaintiff's home address, along with a fully addressed envelope addressed to the VA, and instructions on where to add her signature and date on the claim form. Veterans Guardian even provided a pre-addressed and stamped envelope for mailing her claim submission to the VA.

132. Upon information and belief, Veterans Guardian prepares and completes thousands of claim forms for submission to the VA every month that are substantially similar to Plaintiff's First Claim.

133. Moreover, Veterans Guardian also reminded Plaintiff in no uncertain terms, "Be sure to contact us if/when you receive any VA correspondence so we may help you respond to any requests for information in a timely manner, provide advice, or simply follow your claim progress moving forward."

134. Once Plaintiff's First Claim was submitted, Veterans Guardian prepared Plaintiff for her private medical exam, C&P medical exam administered by the VA, and Veterans Guardian instructed Plaintiff to notify its office if the VA sent correspondence that requested additional information so that Veterans Guardian could assist Plaintiff with a response and provide advice on how to respond to the VA, in violation of 38. C.F.R.

14.629(b)(1).

135. Plaintiff received an increase related to her First Claim worth roughly $360.00 per month.

136. Only accredited agents and attorneys may receive a fee from claimants or appellants for their services provided in connection with representation, however, even as an unaccredited claims representative, Veterans Guardian charged and collected a fee related to Plaintiff's First Claim in violation of 38 C.F.R. § 14.636(b).

137. Pursuant to the language contained in Veterans Guardian's Contract, Veterans Guardian emailed Plaintiff an invoice charging her $1,800.00 ($360.00 x 5) for its services in preparing Plaintiff's First Claim.

138. Over the course of several months, Plaintiff paid Veterans Guardian $1,800.00 in several installment payments.

139. Veterans Guardian collection of fees for services provided in connection with Plaintiff's First Claim representation violates 38 C.F.R. § 14.636(b).

140. Agents and attorneys may charge claimants or appellants for representation provided that: after an agency of original jurisdiction has issued a decision[14] on a claim or claims or for an increase in rate of benefit, so long as the agent or attorney has complied with: (1) the power of attorney requirements of 38 C.F.R. § 14.631; and (2) the fee agreement requirements of 38 C.F.R. § 14.636(g).

141. All agreements for the payment of any fees for services rendered in

[14] This means once the VA has made its initial claim decision or original claim decision.

connection with Veteran's benefits must be in writing and signed by both the claimant or appellant and the accredited agent or attorney. To be valid and lawful, a fee agreement must: (1) name the veteran; (2) name the claimant or appellant if other than a veteran; (3) name any disinterested third-party payer and the relationship between the third-party payer and the veteran, claimant, or appellant; (4) set forth the applicable VA file number; and (5) contain the specific terms under which the amount to be paid for the services of the attorney or agent will be determined. 38 C.F.R. § 14.636(g)(1)(i-v).

142. Within thirty (30) days of the execution of a fee agreement between a veteran and representative, the representative must send a copy of their fee agreement to either the VA or Office of General Counsel ("OGC"). 38 C.F.R. 14.636(g)(3).

143. In connection with Plaintiff's First Claim, Veterans Guardian never complied with any of the power of attorney requirements contained in 38 C.F.R. § 14.631 nor the fee agreement requirements of 38 C.F.R. § 14.636(g). Furthermore, Veterans Guardian is not an accredited agent of the VA, has never filed any direct-pay fee agreements with the VA, nor filed a direct-pay fee agreement with the OGC for any of the VA Disability Compensation Claims that it prepared and collected a fee on Plaintiff's First Claim.

144. Plaintiff's back pay or past due benefits resulting from her First Claim is roughly $350.00. As a result, the maximum amount that a VA accredited agent or attorney could have charged Plaintiff for the increase of her First Claim would have been capped at approximately $116.55.

145. In her First Claim, Veterans Guardian charged Plaintiff fifteen times or over

1,500% the allowable fees permitted by federal regulations when Veterans Guardian charged $1,800.00 to Plaintiff.

146. In Plaintiff's First Claim, Veterans Guardian never submitted a fee agreement to the VA or the OGC. Moreover, the OGC never approved of Veterans Guardian's fees.

147. As for Plaintiff's Second Claim, Veterans Guardian is in violation of 38. C.F.R. 14.629(b)(1) because it admittedly prepared Plaintiff's Second Claim for VA benefits without first receiving accreditation by the VA:

1. A complete, printed copy
2. Instructions on where to sign and date

If you, or someone you trust is not available to mail your claim, **please tell us now.**

After 7 days if we do not get a response from you, your claim packet will automatically be sent to our mail team, and mailed out to you.

Plan on your claim being processed by the VA within 90-120 days, though processing times can vary.

148. Upon clicking the link contained in the email above, Plaintiff was routed to several VA claim forms that had been fully prepared by Veterans Guardian.

149. Veterans Guardian completely prepared Plaintiff's VA Second Claim. It

selected the appropriate forms, filled out all the necessary data for Plaintiff's specific claim, printed the claim forms and supporting documents, and mailed the completed Packet in paper form to Plaintiff's home address, along with a fully addressed envelope addressed to the VA, and instructions on where to add her signature and date on the claim form. Veterans Guardian even provided a pre-addressed and stamped envelope for mailing her claim submission to the VA.

150. Veterans Guardian prepares and completes thousands of similar claim forms for submission to the VA every month.

151. Again, Veterans Guardian also reminded Plaintiff in no uncertain terms, "Be sure to contact us if/when you receive any VA correspondence so we may help you respond to any requests for information in a timely manner, provide advice, or simply follow your claim progress moving forward."

152. Once Plaintiff's Second Claim was submitted, Veterans Guardian prepared Plaintiff for her C&P medical exam administered by the VA and Veterans Guardian instructed Plaintiff to notify its office if the VA sent correspondence that requested additional information so that Veterans Guardian could assist Plaintiff with a response and provide advice on how to respond to the VA, in violation of 38. C.F.R. 14.629(b)(1).

153. Plaintiff received an increase related to her Second Claim. Plaintiff received a VA Disability Compensation increase worth roughly $300.00 per month.

154. Only accredited agents and attorneys may receive a fee from claimants or appellants for their services provided in connection with representation, however, even as

an unaccredited representative, Veterans Guardian charged and collected a fee related to Plaintiff's Second Claim in violation of 38 C.F.R. § 14.636(b).

155. Pursuant to the language contained in Veterans Guardian's Contract, Veterans Guardian charged Plaintiff an invoice ($300.00 x 5) for its services in preparing Plaintiff's Second Claim.

156. For Plaintiff's Second Claim, she paid Veterans Guardian $1,500.00 in one lump sum payment.

157. Accredited agents and attorneys may charge claimants or appellants for representation provided that: after an agency of original jurisdiction has issued a decision[15] on a claim or claims or for an increase in rate of benefit, so long as the agent or attorney has complied with: (1) the power of attorney requirements of 38 C.F.R. § 14.631; and (2) the fee agreement requirements of 38 C.F.R. § 14.636(g).

158. All agreements for the payment of any fees for services rendered in connection with Veteran's benefits must be in writing and signed by both the claimant or appellant and the accredited agent or attorney. To be valid and lawful, a fee agreement must: (1) name the veteran; (2) name the claimant or appellant if other than a veteran; (3) name any disinterested third-party payer and the relationship between the third-party payer and the veteran, claimant, or appellant; (4) set forth the applicable VA file number; and (5) contain the specific terms under which the amount to be paid for the services of the attorney or agent will be determined. 38 C.F.R. § 14.636(g)(1)(i-v).

[15] This means once the VA has made its initial claim decision or original claim decision.

159. Within thirty (30) days of the execution of a fee agreement between a veteran and representative, the representative must send a copy of their fee agreement to either the VA or Office of General Counsel ("OGC"). 38 C.F.R. 14.636(g)(3).

160. In connection with Plaintiff's Second Claim, Veterans Guardian never complied with any of the power of attorney requirements contained in 38 C.F.R. § 14.631 nor the fee agreement requirements of 38 C.F.R. § 14.636(g). Furthermore, Veterans Guardian is not an accredited agent of the VA, has never filed any direct-pay fee agreements with the VA, nor filed a direct-pay fee agreement with the OGC for any of the VA Disability Compensation Claims that it prepared and collected a fee on Plaintiff's First Claim.

161. Had a VA accredited agent or attorney prepared Plaintiff's Second Claim, their fee would have been limited to 33 1/3% of the retroactive award or back pay. The retroactive award for Plaintiff's Second Claim was roughly $1,620.00. In other words, the fees paid to a VA accredited agent or attorney for Plaintiff's Second Claim would have been capped at approximately $539.46.

162. Veterans Guardian's collection of fees for services provided in connection with Plaintiff's Second Claim violates 38 C.F.R. § 14.636(b).

163. The VA also prohibits agents and attorneys from charging or being paid for services with respect to services provided before the date on which a notice of the initial claim is issued. 38 U.S.C. § 5904(c)(1).

164. Moreover, the VA makes it unlawful for any individual or entity to charge

veterans for assisting with initial claims or the recovery of future VA benefits.

165. Upon information and belief, Veterans Guardian collects fees related to representation when it prepares claims.

166. Pursuant to 38 C.F.R. § 14.636(f), any fee that exceeds 33 1/3 percent of any past-due VA disability benefits awarded shall be presumed to be unreasonable by the VA.

167. Here, Congress created the robust regulations for VA claim services in 38 U.S.C. § 59, *et seq.* and 38 C.F.R. § 14, *et seq.*, to protect veterans similarly situated to Plaintiff from predators like Veterans Guardian. The North Carolina Supreme Court has held "Violations of statutes designed to protect the consuming public and violations of established public policy may constitute unfair and deceptive practices." *Stanley v. Moore,* 339 N.C. 717, 723, 454 S.E.2d 225, 228 (N.C. 1995).

168. As detailed herein, Veterans Guardian has repeatedly and systematically violated numerous provisions of 38 U.S.C. § 59, *et seq.* and 38 C.F.R. § 14, *et seq.*In total, Plaintiff paid Veterans Guardian $3,401.00 with respect to her two claims.

169. Had a VA accredited agent or attorney assisted with Plaintiff's two claims, Plaintiff would have only been required to pay approximately $656.01.

170. As a result of its unlawful fees, Plaintiff paid Veterans Guardian at least $2,744.99 more than is permitted by federal regulation.

171. Veterans Guardian has employed similar practices to charge excessive fees to members of the Class.

172. Veterans Guardian collects these amounts in open violation of the

restrictions, qualifications and regulations set forth in 38 C.F.R. § 14.

173. Therefore, Defendant's acts violated federal regulations in the following ways:

a. Helping claimants prepare and present their VA benefits claims while being unaccredited;

b. Charging fees that exceeds the rates allowed by the VA regulations for helping with such claims and/or charging fees that exceeds what is charged by VA accredited and highly vetted agents and attorneys;

c. Exercising a claim over VA benefits in the form of "agreed-to" fees and imposing steep penalties for the non-payment of fees;

d. Charging fees that it knows exceed thirty-three-and-one-third of a veteran's retroactive award;

e. Charging fees for claims assistance when it is unaccredited;

f. Receiving fees for claims assistance when it is unaccredited; and

g. Emailing invoices to collect debts related to claims assistance provided by its unaccredited representatives.

174. Emailing invoices to collect debts related to claims assistance whereby Defendant charges a fee that exceeds thirty-three-and-one-third percent, late fees, or interest. Accordingly, Defendant's violation of the federal regulations enacted to protect veterans, who are part of the consuming public, meets the three-part test under the UDTPA and thereby constitutes a *per* se violation of the UDTPA.

175. Veterans Guardian should not be permitted to keep any portion of its fees because it failed to submit its fee agreement in accordance with 38 C.F.R. § 14.636(f).

176. Veterans Guardian should not be permitted to keep any portion of its fees because it is not accredited and the collection of a fee by an unaccredited claims representative violates 38 C.F.R. § 14.636(b).

177. Plaintiff and Class members have been harmed and suffered actual damages (as defined by the UDTPA) by paying excessive fees under their Veterans Guardian standard form Consulting Service Agreements. See Exhibit A.

178. As a direct and proximate cause of Veterans Guardian's regulatory violations, Plaintiff and the Class are entitled to actual damages and compensatory damages along with injunctive relief pursuant to section N.C. Gen Stat § 75, *et seq*.

179. Plaintiff and the Class are entitled to treble damages pursuant to N.C. Gen Stat § 75-16.

180. Plaintiff and the Class are entitled to attorneys' fees and costs pursuant to N.C. Gen Stat § 75-16.1. Plaintiff and the Class have reason to believe that Defendant is violating and will continue to violate the Federal Regulations cited herein, and thereby are entitled to a declaration from the Court that the contracts with Defendant are void and unenforceable and any other concomitant equitable relief.

COUNT II
Violations of the North Carolina Debt Collection Act
N.C. Gen Stat § 75-50, *et seq.*
(NCDCA Class)

181. Plaintiff incorporates by reference each and every factual allegation set forth

in paragraphs 1 - 112 above.

182. The North Carolina Debt Collection Act ("NCDCA") and the UDTPA are interrelated, and the NCDCA is essentially an extension of the UDTPA to debt collection practices. *See* Batten v. Panatte, LLC (In re Batten), No. 18-00256-5-DMW (Bankr. E.D.N.C. Feb. 22, 2019).

183. Veterans Guardian is a debt collector as defined by the NCDCA, N.C.G.S. § 75.50(3).

184. NCDCA applies to any person engaged in debt collection from a consumer, which includes a creditor collecting its own accounts. N.C.G.S. § 75-50(3).

185. Plaintiff and the Class are consumers as defined by the NCDCA, N.C.G.S. § 75-50(1).

186. Veterans Guardian attempted to collect a debt from Plaintiff when it emailed her two form invoices whereby it sought payment for an alleged debt from Plaintiff on her First Claim and her Second Claim.

187. Upon information and belief, Veterans Guardian emailed other similarly situated veterans nearly identical form invoices whereby it attempted to collect substantially similar debts arising from unlawful and prohibited practices.

188. As such, the Veterans Guardian's form invoices sent to Plaintiff and the Class seek to collect a "debt" within the meaning of N.C.G.S. § 75-50(2).

189. "The collection letters need not have caused each class member a personal, factual injury based on his or her subjective reaction to it, but only an informational injury

based on alleged misrepresentations and misleading information contained in the letters, in violation of the statute." McMillan v. Blue Ridge Companies, Inc., 866 S.E.2d 700, 707, 379 N.C. 488, 497, 2021 -NCSC- 160, ¶ 21 (N.C., 2021)

190. "[W]hen a statute creates a cause of action independent from a personal, factual, injury, 'the relevant questions are only whether the plaintiff has shown a relevant statute confers a cause of action and whether the plaintiff satisfies the requirements to bring a claim under the statute.' The NCDCA is one such statute." McMillan v. Blue Ridge Companies, Inc., 866 S.E.2d 700, 709, 379 N.C. 488, 500, 2021 -NCSC- 160, ¶ 34 (N.C., 2021)(internal citations omitted).

191. The NCDCA prohibits any person collecting a debt from making deceptive or false representations about the debt being collected as follows:

> 75-54. Deceptive representation.
>
> No debt collector shall collect or attempt to collect a debt or obtain information concerning a consumer by any fraudulent, deceptive or misleading representation. Such representations include, but are not limited to, the following:
> …
> (4) Falsely representing the character, extent, or amount of a debt against a consumer…
>
> (7) Falsely representing the status or true nature of the services rendered by the debt collector or his business.

192. Veterans Guardian admits that it is not accredited. Exhibit A. The VA only permits accredited attorneys or agents to charge for assistance with VA Disability Claims. 38 C.F.R. § 14.636(b).

193. Veterans Guardian knew that only accredited agents and attorneys may charge a fee to veterans for such services as provided in 38 C.F.R. § 14.636(b), and that even accredited agents may only charge a maximum of one-and-one-third percent of any back pay award pursuant to 38 C.F.R. § 14.636(f).

194. By sending Collection Letters seeking payment for claim services that are prohibited by Chapter 38 CFR § 14 et seq and by charging amounts that exceed the limited amounts that can be charged for such services, by those accredited agents, Veterans Guardian falsely represented the legal status, character or "true nature" of the debt. In truth, the debt is completely prohibited by Chapter 38.

195. On Plaintiff's First Claim, Veterans Guardian charged Plaintiff $1,800.00 ($360.00 x 5), even though federal law capped fees on Plaintiff's First Claim at approximately $116.55.

196. On Plaintiff's Second Claim, Veterans Guardian charged Plaintiff $1,500.00 ($300.00 x 5), even though federal law capped fees on Plaintiff's Second Claim at approximately $539.46.

197. In total, Veterans Guardian charged Plaintiff $3,401.00 with respect to her two claims, even though it knew that federal law prohibited any fees higher than $656.01.

198. To collect its unlawful fees, Veterans Guardian's emailed debt collection invoices to Plaintiff that did not disclose the unlawful nature of the agreement or the underlying debt stemming therefrom. See Exhibit B.

199. Upon information and belief, Veterans Guardian entered into thousands of

illegal standard form Consulting Service Agreement contracts with veterans across the United States similar to Exhibit A. Once a veteran receives an increase from the VA and is awarded additional monthly benefits, Veterans Guardian emails illegal standard form invoices, similar to Exhibit B.

200. Any debts that Veterans Guardian collected under its standard form illegal Consulting Service Agreement and standard form invoices should be disgorged. Any outstanding debts related to any standard form illegal Consulting Service Agreement should be void.

201. Defendant had actual knowledge that its fees are not authorized by federal law or North Carolina law, and therefore in charging the illegal fees Veterans Guardian knowingly violated N.C.G.S. § 75-55 by claiming and attempting to enforce a debt which was not legitimate and not lawfully due and owing.

202. As a direct and proximate result of Defendant's NCDCA violations, Plaintiff and the Class have been harmed in the amount of fees collected and are entitled to actual damages, statutory damages of not less than $500 but no more than $4,000 for each violation, declaratory and injunctive relief, and attorney's fees and costs pursuant to N.C.G.S. § 75-56(a)-(d).

PRAYER FOR RELIEF

WHEREFORE, Plaintiff prays that the Court enter an Order:

a. Certifying this action as a class action as provided by Rule 23 of the Federal Rules of Civil Procedure, appointing Plaintiff as Class Representative, and appointing the undersigned attorneys and their firms as Class Counsel;

b. That this Court enter judgment in favor of Plaintiff and the Class for Defendant's *per se* violations of N.C. Gen Stat § 75-1.1, *et seq.*;

c. That this Court award actual damages sustained by Plaintiff and the Class in an amount to be proved at trial;

d. That this Court award treble damages as required by 75-1.1, *et seq.*, for the harm caused by Defendant;

e. That this Court enter judgment in favor of Plaintiff and the Class for Defendant's violations of N.C. Gen Stat § 75-50, *et seq.*;

f. That this Court order the Defendant to pay civil penalties to Plaintiff and the Class worth not less than five hundred dollars ($500.00) nor greater than four thousand dollars ($4,000.00) for each violation N.C.G.S. § 75-56(b);

g. That this Court assess punitive damages against the Defendant in accordance with N.C.G.S. § 75-56(c).

h. That this Court order Defendant to disgorge profits received by Defendant from sales and revenue of any kind as a result of the actions complained of by Plaintiff and the Class;

i. That this Court order that any outstanding debts still owed by the Class under Defendant's Contract are void.

j. Awarding Plaintiff, and all those similarly situated, reasonable attorneys' fees and costs incurred in this action pursuant to N.C. Gen Stat § 75-16.1, *et seq.*

k. Enjoin Defendant from further violations of 38 U.S.C. § 59, *et seq.* and 38 CFR 14, *et seq.*;

l. Awarding Plaintiff, and all those similarly situated, any pre-judgment and post-judgment interest as may be allowed under the law; and

m. Awarding such other and further relief as the Court may deem just and proper.

JURY TRIAL DEMAND

Plaintiff demands a jury trial on all issues so triable.

Veterans Guardian only retains cases in which Veterans Guardians consulting services provide benefit to the veteran. Veterans Guardian reserves the right to end any consulting relationship if Veterans Guardian determines that it can no longer provide benefit to the client or it is apparent that the client is attempting to defraud the government.

2) All consulting is based on information provided by the client and the client retains responsibility for the accuracy and truthfulness of that information and the outcome of the consulting service provided based on that information. The client is solely responsible for ensuring that all filings with the VA are accurate and timely and assumes responsibility for any impact on benefits and a VA decision as a result of a filing.

3) Veterans Guardian does not guarantee an outcome on VA rating decisions. Not all claims will be decided in favor of the client. This is why Veterans Guardian does not charge a fee unless there is a favorable outcome.

4) **Pending Claims.** Pending claims that have not been adjudicated can complicate the process and impact your individual claim strategy. Veterans Guardian's preference is to allow claims to be adjudicated first and then establish the consulting relationship and move forward. However, Veterans Guardian will move forward with providing pre-filing consulting services for unrelated claims if the client desires. Existing claims impact the development of an overall claim strategy and require further review and development. Due to the work required

GZ7

of Veterans Guardian in relation to these claims any favorable outcome on these claims will be included in the fee structure.

5) Veterans Guardian will only provide consulting services for medical conditions that have adequate medical history, medical-legal evidence, and documented service connection. Veterans Guardian will not be a party to any fraudulent or undeserved claim.

6) Veterans Guardian is not a law firm, does not have an attorney on staff, and is not licensed to practice law in any jurisdiction. Our consulting services may include verbal or written discussions of legal issues and procedures and any communications are understood to be only Veterans Guardians' opinion and does not constitute legal assistance or advice.

Determination of benefits and awards is determined solely by the Department of Veterans Affairs.

8) This agreement represents the full agreement between the client and Veterans Guardian. Any verbal or written representations made by any representative of Veterans Guardian that is not included in this agreement is only valid if those representations are signed by the CEO of Veterans Guardian.

9) The client understands and agrees that the consulting services provided are "as is" and that Veterans Guardian disclaims all warranties of any kind. The client is only charged a fee if there is a favorable outcome.

10) Release of Information: To the extent not prohibited by Law or Regulation, you authorize the transfer and disclosure of any information relating to you to and between the branches, subsidiaries, representative offices, affiliates and agents of Veterans Guardian and third parties selected by any of them or us, wherever situated, for confidential use. We and any of the branches, subsidiaries, representative offices, affiliates and agents of Veterans Guardian or third parties selected by any of them or us, shall be entitled to transfer and disclosure any information as may be required by Law or Regulation, court, regulator or legal process.

d. Medical Exams

1) In the event that a client requires an independent medical opinion from a medical professional that meets VA credentialing requirements, the client has the option to use a private provider or a VA staff doctor. If the client chooses to use a private provider, the private provider may charge a fee for their services which is wholly separate from Veterans Guardian and its consulting services. Any fees will be paid directly to the private provider with no involvement of Veterans Guardian.

2) Veterans Guardian has pre-identified private medical professionals that understand the complexities of the VA disability claim process and provide credible and unbiased independent medical opinions based on an individual evaluation of the client and their medical history, and available medical-legal evidence.

a) No client is required to utilize a Veterans Guardian pre-identified medical professional.

b) Pre-identified private medical professionals are independent of Veterans Guardian and solely responsible for any medical opinion and may provide an opinion that does not support a favorable VA disability rating.

c) Veterans Guardian cannot provide any guarantee that the independent medical opinion of a pre-identified medical professional will be favorable to the clients VA claim. In the event that the independent medical opinion does not support a claim for a given condition, Veterans Guardian may choose to provide no further assistance in development of that specific given condition.

d) These conditions provide independent medical evaluations that carry significant weight and provide value to clients in VA consideration of their disability claims.

e) If the client chooses to utilize one of the Veterans Guardian pre-identified medical professionals the client is granting permission for Veterans Guardian to communicate with that medical professional to include but not limited to the following:

i. Transmission of any and all personal and health information provided by the Client to Veterans Guardian from Veterans Guardian to the Medical Professional. The purpose of this transfer of information is to provide the medical professional with the information necessary to prepare for and conduct the mental health examination.

ii. Transmission of completed assessments from the medical professional to Veterans Guardian to include but not limited to an Independent Medical Opinion and addendums. The purpose of this transfer is to provide Veterans Guardian with the completed assessment to assist the Veteran in preparing their claim packet for submission to the VA.

3) **Mental Health Consultation Consent**.

If the client chooses to utilize one of the Veterans Guardian pre-identified medical professionals the client agrees to and understands the following:

a) I will receive a psychological consultation from a licensed mental health professional.

b) The purpose of this consultation is to provide the Veterans Benefits Administration (VBA), which is also part of the VA, with information they need to make a decision regarding my claim for Compensation & Pension (C&P) benefits.

c) I understand that I am not a patient of any of the mental health professionals and I will not be receiving counseling or psychotherapy. I understand that the only reason for this process is to conduct a psychological consultation for compensation and pension (C&P) purposes. I understand that if I want to receive mental health treatment from the Veterans Health Administration, I can call any VA medical center or clinic to request an appointment.

d) The consultation might be stressful, I might feel upset (sad, anxious, irritable, depressed, etc.) as a result of the consultation. I understand that the mental health professional and Veterans Guardian are not able or responsible for crisis management. If I am in crisis, I understand that I can receive immediate attention by calling the Veteran Crisis Line (1-800-272-8255, press 1, or text 838255) or the National Suicide Prevention Lifeline (1-800-273-8255).

e) This consultation and its contents are private and confidential except under the following circumstances:

i. If I appeal my case to the Federal courts, some aspects of this exam may become a matter of public record.

ii. The mental health professional will write an exam report and send it to Veterans Guardian to be included in the information provided to you for submission of your claim packet to the VA. A copy of the exam report will also be retained in a secure location for future reference, as needed.

iii. If I am in imminent danger of harming myself or another person, the mental health professional working with me must take whatever steps necessary to prevent harm and this might mean breaking confidentiality.

iv. If I share information that would lead a reasonable person to suspect that a child, disabled adult, or elderly person is being abused or neglected then the mental health professional is obligated to report that information to Protective Services.

f) I must be honest in answering questions during the consultation and on all psychological questionnaires and tests (as applicable). Any attempt to exaggerate or fabricate symptoms of mental disorders could have negative consequences for my claim.

g) If I had any questions about this consent, all of them were answered prior to the consultation being conducted.

3. Determination of Consulting Fee

a. The client is only charged a fee if there is a favorable outcome on their claim that results in an increase in the client's compensation from the government. WE TAKE ALL THE RISK UP FRONT.

JZJ

b. Veterans Guardian will receive compensation equivalent to five (5) times the increase in the client's monthly compensation that results from Veterans Guardian Pre-filing consulting services.

c. Determination of Increase in Client's Monthly Compensation and Consulting Fee. The increase in the clients monthly compensation is determined by subtracting the client's pre-consulting monthly compensation prior to submission of a claim based on Veterans Guardian Pre-filing consulting services and the clients post-consulting monthly compensation after submission of a claim based on Veterans Guardian Pre-filing consulting services. The client's individual status relating to retirement, separation, and active duty status impacts how the consulting fee is determined. Each client will fall into 1 of 4 categories; Retired Veteran, Separated Veteran, Active Duty Retiring and Active Duty Separating. Each category has a specific process for determining the consulting fee as follows:

1) **Retired or Retiring Veteran.** As a veteran receiving retirement pay, whether or not the client is receiving concurrent retirement and disability pay (CRDP) plays a large factor in determination of total compensation from the government and Veterans Guardian consulting fees. Pre-consulting and post-consulting monthly compensation and the consulting fee is determined as follows:

   a) **Pre-Consulting Monthly Compensation.** If the client has a VA rating of 40% or less and is not receiving concurrent retirement and disability pay (CRDP), their pre-consulting monthly compensation will be treated as no benefit ($0) because the Veteran is not receiving any additional benefit from the government. If the client has a rating that is 50% or greater and is receiving CRDP their pre-consulting monthly compensation will be treated as the full value of the VA benefit because they are receiving their full Retirement pay and VA benefit concurrently.

   b) **Post-Consulting Monthly Compensation.** The post-consulting monthly compensation is dependent on whether or not the client achieves a rating of at least 50% and is eligible to receive CRDP. If the client does not achieve a rating of 50% or greater and is therefore not eligible to receive CRDP, their post-consulting monthly compensation will be treated as no benefit ($0) and the client will owe Veterans Guardian no consulting fee because the client did not receive any additional benefit from the government. If the client achieves a rating of 50% or greater and is eligible to receive CRDP the post-consulting monthly compensation will be treated as the full value of the VA benefit because they are now receiving their full retirement pay concurrently.

   c) **Consulting Fee.** The consulting fee is determined by subtracting the pre-consulting monthly compensation from the post-consulting monthly compensation and multiplying any increase by five (5). As a veteran receiving retired pay you will only be charged a consulting fee if there is an increase in your monthly compensation and you achieve a disability rating of 50% or higher and are eligible for CRDP.

Examples of Consulting Fee Determination: Client is retired with a spouse and no children

Example #1

Pre-consulting Rating: **20%**
Monthly Compensation: **$0** (no CRDP)
Post-consulting Rating: **60%**
Monthly Compensation: **$1,215.86**
Special Monthly Comp: **$108.57**
Monthly Compensation: **$1,324.43**
Increase
(multiply x 5 for consulting fee)
Consulting Fee: **$6,622.15**

Example #2

Pre-consulting Rating: **20%**
Monthly Compensation: **$0** (no CRDP)
Post-consulting Rating: **40%**
Monthly Compensation: **$0** (no CRDP)
Monthly Compensation: **$0**
Increase
(multiply x 5 for consulting fee)
Consulting Fee: **$0**

2) **Separated or Separating Veteran.** As a separated veteran, retirement pay is not a factor. The increase in the clients monthly compensation is determined by subtracting the client's pre-consulting monthly compensation prior to submission of a Veterans Guardian assisted claim and the clients post-consulting

GLJ

monthly compensation after submission of their Veterans Guardian assisted claim and multiplying any increase by five (5).

Example of Consulting Fee Determination: Client has a spouse and no children

Pre-consulting Rating:	**30%**
Monthly Compensation:	**$479.83**
Post-consulting Rating:	**60%**
Monthly Compensation:	**$1215.86**
Special Monthly Comp:	**$108.57**
Monthly Compensation:	**$844.60**
Increase (multiply x 5 for consulting fee)	
Consulting Fee:	**$4,223.00**

3) For determination of the consulting fee, Veterans Guardian considers as part of the monthly benefit disability compensation, special monthly compensation (SMC), and additional spouse/dependent payments.

4) Veterans Guardian does not consider any retroactive pay, temporary convalescent rating pay, combat related special compensation awards, aid and attendance, or Dependency Indemnity Compensation in the determination of consulting fees.

d. Subsequent Consulting Services with Veterans Guardian. As with the initial claim, the increase in the clients monthly benefit award is determined by subtracting the client's monthly benefit award after the previous submission based on Veterans Guardian Pre-filing consulting services and the clients monthly benefit award after submission of their subsequent submission based on Veterans Guardian Pre-filing consulting services. Bottom line – we base determination of subsequent consulting fees only on any increase we help you achieve.

e. Pending Claims. If the client chooses to begin a consulting relationship with Veterans Guardian before any and all pending claims have been adjudicated by the VA, any compensation subsequently awarded by the VA will be included in the determination of consulting fees.

4. Payment. Veterans Guardian provides the client with flexibility for the payment of consulting fees and will work with the client to develop a payment schedule to meet the clients needs within the following terms.

a. Consulting fees are considered billable from the date the client receives their first increased disability compensation based on Veterans Guardian Pre-filing consulting services.

b. Clients will receive a billing statement electronically from Veterans Guardian on the 1st of the month they receive their first increased disability compensation. The billing statement will include a payment schedule and instructions for payment methods. All payments are due by the 7th of the month.

c. Payment Methods.

2) Electronic Payments. Veterans Guardian will also accept payment through electronic means including credit card and ACH transfer. Electronic payments will be set up as automatic recurring payments for the timeframe of the fee schedule.

d. Fee Structure.

1) Option 1: Lump Sum Payment. The client may choose to make a lump sum payment for the full consulting fee at a 10% discount. Payment is due on the 1st of the month they receive their first increased disability compensation. To qualify for the 10% discount, full payment must be made no later than the 7th of the month in the 1st month the client receives increased disability compensation.

GZ7

2) **Option 2: Scheduled Payments.** The client may choose to establish a payment schedule. Veterans Guardian will establish a 5 or 10 month schedule that divides the consulting fee into 5 or 10 equal payments due monthly without any interest or additional fees.

   1) The first payment is due on the 1st of the month they receive their first increased disability compensation and must be paid NLT then the 7th of the month.

   2) All subsequent payments are due on the 1st of each month and must be paid NLT then the 7th of the month.

   3) The client may choose to accelerate the fee schedule and pay more than the minimum required each month with no penalty or additional fees.

   4) The client agrees to a payment schedule using a bank account or credit card on file that will be automatically debited on the first of each month.

3) Any late monthly payments are subject to a $50 late fee. Any outstanding balance after 10 months may be subject to an annual interest rate of 20%.

5. Death of Client.

a. In the event of the death of a client during the period in which fees are being collected all payments will immediately stop and any outstanding balance for consulting fees will be forgiven. The client's surviving dependents, heirs or estate will not be liable for any outstanding fees. Any fees collected up to the point of the client's death will remain the property of Veterans Guardian.

6. This agreement contains the entire agreement between the parties and all negotiations and understandings have been included. Any statements or representations which may have been made by any party to this agreement in the negotiation stages of this agreement which may in some way be inconsistent with this final written agreement are declared to be of no value in this agreement. Only the written terms of this agreement will bind the parties.

7. The invalidity or unenforceability of any particular provision of this agreement shall not affect any other provision hereof, but this Agreement shall be construed and enforced as if such invalid or unenforceable provision was omitted.

8. This agreement is entered into and shall be governed by the laws of the State of North Carolina and said states courts shall have exclusive jurisdiction to adjudicate any dispute arising out of or relating to this agreement.

VA Disability Claims Assistance

Separating Fact from Fiction

VETERANS GUARDIAN
VA CLAIM CONSULTING

Myth: The Department of Veterans Affairs is easy to navigate and most often results in the proper level of disability benefits.

Fact: Anyone who has filed a disability claim with the VA knows that the system is extremely onerous and time-consuming. Look no further than the VA disability claims backlog: There are over 243,000 pending claims that are backlogged, or older than 125 days since the submission. That's over one-third of active claims.

Myth: The VA does a good job of identifying, treating, and compensating veterans' specific disabilities.

Fact: The VA requires that claimants provide proof of their disability, proof of eligibility for VA disability benefits, proof that their disability is related to military service, and medical evidence of all the above. Many disabled veterans need assistance collecting, vetting, packaging, and providing these materials, ranging from general guidance to medical evaluations, to hands-on preparation of their claims. To argue that the VA is an ally in this process is akin to arguing that the IRS is helpful in tax preparation.

Myth: Assistance provided by VSOs for benefits claims is widely available to veterans nationwide at an expedited speed.

Fact: While well-intentioned, VSO groups can be understaffed and under-resourced in many areas of the country. This leads to bureaucratic slowdown and limited offerings for veterans. Local representatives and members of VSOs don't solely focus on just disability claims and simply don't have the time or expertise to focus on individual disability claims.

Myth: Private companies are not trained or capable of providing quality disability claim services.

Fact: Veterans Guardian has a success rate of over 90%. Our experience is one of the keys to our success. Many of our staff have personally gone through the disability claims process, and we've successfully processed over 25,000 disability claims in the last two years. VSOs are generalists that help with many different veterans' issues. Whereas we specialize in the VA disability process to ensure that every claim has the best possible chance of being approved in the continually changing VA disability environment.

Myth: Private companies don't care about veterans.

Fact: Most private companies are founded by veterans. At Veterans Guardian, we're veteran-owned and operated, and our staff is 75% of veterans, spouses of veterans, or spouses of active duty service members. Additionally, with a contingent fee-based model, we're incentivized to provide the best experience and achieve the best result for each veteran client.

Myth: Private disability claims companies are operating totally unchecked.

Fact: Private disability claims companies are subject to the Federal Trade Commission, Department of Justice, and state Inspector General oversight. Any of these organizations can bring civil and criminal penalties for private companies that break the law.

Myth: Private disability claims companies took advantage of veterans during the COVID-19 pandemic shutdown.

Fact: There is no evidence of widespread abuse of veterans during the pandemic. VSOs made a conscious decision to shut down during the pandemic. Private businesses did not have that luxury.

Myth: Any unaccredited disability benefits consultant is acting illegally.

Fact: Federal and state laws DO NOT prohibit private claims consultants from assisting veterans with their disability claims.

Myth: Disability claims companies can be accredited; they just don't want to.

Fact: There is no path to accreditation for private disability claims companies. The way accreditation is currently structured makes it impossible for private companies to maintain their independence as consultants and provide their expertise to a wide variety of veteran disability claims needs.

Myth: Veterans Guardian is actively avoiding federal accreditation in order to avoid oversight and regulation.

Fact: Veterans Guardian is and has been actively seeking federal accreditation. We welcome accreditation and believe the VA process should be more inclusive, with additional oversight.

Myth: Predatory claims companies are aggressively soliciting veterans for their business.

Fact: Most private disability claims companies do what just about every other business in America does - they advertise on social media. Nearly 70% of veterans who use Veterans Guardian have already tried a free service.

Myth: There is endemic corruption and "claim sharking" in the disability benefits space.

Fact: While we acknowledge there are some bad practices, the vast majority of companies, such as Veterans Guardian, are operating in a forthright and transparent manner. In fact, over 50% of our clients are referrals from past satisfied customers, and we never solicit the veteran.

INSTRUCTIONS FOR ATTORNEYS COMPLETING CIVIL COVER SHEET FORM JS 44

Authority For Civil Cover Sheet

The JS 44 civil cover sheet and the information contained herein neither replaces nor supplements the filings and service of pleading or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently, a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. The attorney filing a case should complete the form as follows:

I.(a) Plaintiffs-Defendants. Enter names (last, first, middle initial) of plaintiff and defendant. If the plaintiff or defendant is a government agency, use only the full name or standard abbreviations. If the plaintiff or defendant is an official within a government agency, identify first the agency and then the official, giving both name and title.

(b) County of Residence. For each civil case filed, except U.S. plaintiff cases, enter the name of the county where the first listed plaintiff resides at the time of filing. In U.S. plaintiff cases, enter the name of the county in which the first listed defendant resides at the time of filing. (NOTE: In land condemnation cases, the county of residence of the "defendant" is the location of the tract of land involved.)

(c) Attorneys. Enter the firm name, address, telephone number, and attorney of record. If there are several attorneys, list them on an attachment, noting in this section "(see attachment)".

II. Jurisdiction. The basis of jurisdiction is set forth under Rule 8(a), F.R.Cv.P., which requires that jurisdictions be shown in pleadings. Place an "X" in one of the boxes. If there is more than one basis of jurisdiction, precedence is given in the order shown below.
United States plaintiff. (1) Jurisdiction based on 28 U.S.C. 1345 and 1348. Suits by agencies and officers of the United States are included here.
United States defendant. (2) When the plaintiff is suing the United States, its officers or agencies, place an "X" in this box.
Federal question. (3) This refers to suits under 28 U.S.C. 1331, where jurisdiction arises under the Constitution of the United States, an amendment to the Constitution, an act of Congress or a treaty of the United States. In cases where the U.S. is a party, the U.S. plaintiff or defendant code takes precedence, and box 1 or 2 should be marked.
Diversity of citizenship. (4) This refers to suits under 28 U.S.C. 1332, where parties are citizens of different states. When Box 4 is checked, the citizenship of the different parties must be checked. (See Section III below**; NOTE: federal question actions take precedence over diversity cases.**)

III. Residence (citizenship) of Principal Parties. This section of the JS 44 is to be completed if diversity of citizenship was indicated above. Mark this section for each principal party.

IV. Nature of Suit. Place an "X" in the appropriate box. If there are multiple nature of suit codes associated with the case, pick the nature of suit code that is most applicable. Click here for: Nature of Suit Code Descriptions.

V. Origin. Place an "X" in one of the seven boxes.
Original Proceedings. (1) Cases which originate in the United States district courts.
Removed from State Court. (2) Proceedings initiated in state courts may be removed to the district courts under Title 28 U.S.C., Section 1441.
Remanded from Appellate Court. (3) Check this box for cases remanded to the district court for further action. Use the date of remand as the filing date.
Reinstated or Reopened. (4) Check this box for cases reinstated or reopened in the district court. Use the reopening date as the filing date.
Transferred from Another District. (5) For cases transferred under Title 28 U.S.C. Section 1404(a). Do not use this for within district transfers or multidistrict litigation transfers.

IN THE UNITED STATES DISTRICT COURT
FOR THE MIDDLE DISTRICT OF NORTH CAROLINA
GREENSBORO DIVISION

JENNIFER FORD, ERIC BEARD, and BRIAN OTTERS,[1] individually and on behalf of all others similarly situated, Plaintiffs, v. **VETERANS GUARDIAN VA CLAIM CONSULTING, LLC,** Defendant.	**Case No. 1:23-cv-756-CCE-LPA** **CLASS ACTION** **JURY TRIAL DEMAND**

CONSOLIDATED CLASS ACTION COMPLAINT

Plaintiffs Jennifer Ford ("Ford"), Eric Beard ("Beard"), and Brian Otters ("Otters") (collectively, "Plaintiffs"), individually and on behalf of all others similarly situated, allege the following based on personal knowledge, as to themselves, and on the investigation of their undersigned counsel, as to all other matters, and bring this Consolidated Class Action Complaint against Defendant Veterans Guardian VA Claim Consulting, LLC ("Defendant" or "Veterans Guardian").

I. NATURE OF THE ACTION

1. This case is about illegal fees charged to disabled United States Military

[1] After further investigation, undersigned counsel determined that the Class would be adequately represented by Plaintiffs Ford, Beard, and Otters.

Class Claimants' Ex. No. 21

veterans by an unaccredited North Carolina-based company, Veterans Guardian. The fees are extracted from veterans' disability compensation benefits paid through the United States Department of Veterans Affairs (the "VA"). Despite its name, Veterans Guardian in fact preys on disabled veterans by unfairly and deceptively taking tens of millions of dollars of their disability benefits in violation of federal law. In doing so, Veterans Guardian has committed a *per se* violation of the North Carolina Unfair and Deceptive Trade Practices Act ("UDTPA") and violated the North Carolina Debt Collection Act ("NCDCA").

2. VA Disability Compensation provides a monthly tax-free payment to veterans who became sick or injured while serving in the military and to veterans whose service made an existing condition worse.[2]

3. For VA Disability Compensation, the VA rates veterans' disabilities on a scale from 0% to 100% in 10% increments (*e.g.*, 10%, 20%, 30%).[3]

4. VA Disability Compensation can be increased to compensate for dependents such as a spouse, parent, or children.[4] Depending on the circumstances, VA Disability Compensation can exceed $4,000 per month.

5. To obtain VA Disability Compensation, veterans must file a claim with the VA. There are many Veteran Service Organizations ("VSOs") who assist veterans in filing their disability claims, *without charge*. Some of the most well-known VSOs include The

[3] *See* https://www.benefits.va.gov/compensation/rates-index.asp#:~:text=VA%20rates%20disability%20from%200,disability%20percentage%20for%20multiple%20disabilities

American Legion, Veterans of Foreign Wars, Disabled American Veterans, among many other reputable organizations made up of VA accredited claims representatives.

6. Each of these organizations were stakeholders in the implementation of the Veterans Appeals Improvement and Modernization Act of 2017 which helped to dramatically reform and simplify the processes and procedures involved in obtaining benefits or an increase in benefits.[5] Once a veteran receives an initial claim rating, they may continue with their VSO or, alternatively, may use a for-profit VA accredited agent or attorney. Like attorneys representing clients before the bar of a given state, Congress empowered the VA to regulate any and all individuals and entities assisting veterans with preparing, presenting, and/or prosecuting claims for VA Disability Compensation benefits.

7. 38 C.F.R. § 14.629 (b)(1) plainly states that "[n]o individual may assist claimants in the preparation, presentation, and prosecution of claims for VA benefits as an agent or attorney **unless** he or she has first been accredited by VA for such purpose."

8. More importantly, VA accredited agents and attorneys may only charge claimants for representation provided **after** the VA has issued an **initial** decision on the claim or claims, and the agent or attorney has complied with the power of attorney requirements in § 14.631 and the fee agreement requirements in paragraph (g) of this section. 38 C.F.R. § 14.636(c)(1)(i).

9. Despite these clear prohibitions that agents must be accredited and may not charge for initial claims preparation, Veterans Guardian, an unaccredited organization with

[5] https://news.va.gov/press-room/vas-appeals-modernization-act-takes-effect-today-new-law-streamlines-departments-current-claims-and-appeals-process-for-veterans/

unaccredited employees, routinely assists in the preparation, presentation, and prosecution of initial and non-initial disability claims *and* then charges veterans for these services. Defendant charges the veterans a contingency fee of five times the amount of any monthly VA Disability Compensation. This amount obviously exceeds the zero-charge prohibition set by the VA.

10. Veterans Guardian's uniform contract, also known as the Consulting Service Agreement ("Contract"), asserts that its services and fees are "in compliance with Chapter 59, United States Code and Title 38, Code of Federal Regulations § 14." Copies of Plaintiffs' Contracts with Defendant are attached hereto as Exhibit A.

11. There is no provision in Chapter 38 or Chapter 59 of the United States Code that allows any third-party, including Veterans Guardian, to prepare and present initial claims for submission to the VA and to be compensated for doing so.

12. All fees collected by Defendant for initial claims are unlawful as a matter of law as they stem from conduct strictly prohibited by federal law.

13. There is also no provision in Chapter 38 or Chapter 59 of the United States Code that allows for any unaccredited third-party, including Veterans Guardian, to charge its client for preparing, presenting and prosecuting non-initial VA claims.

14. Thus, Defendant routinely violates federal regulations in four ways: (1) being unaccredited, it charges fees to assist veterans in connection with non-initial claims for VA disability compensation; (2) it charges fees to assist veterans in connection with initial claims for VA disability compensation; (3) it does not comply with the power of attorney requirements established by the VA; and (4) it does not comply with the fee agreement

requirements established by the VA.

15. Plaintiffs seek to represent all similarly situated veterans who paid Veterans Guardian a fee in connection with Veterans Guardian's unlawful Contract for any assistance with preparing, presenting, and/or prosecuting initial claims or non-initial claims for VA Disability Compensation.

II. JURISDICTION AND VENUE

16. This Court has jurisdiction over this action pursuant to the Class Action Fairness Act, 28 U.S.C. § 1332(d), because there are at least 100 members in the proposed Class defined below, the combined claims of the proposed Class members exceed $5,000,000, exclusive of interest and costs, and as discovery will show, more than two-thirds of the proposed Class members are citizens of a state other than Defendant's state of citizenship, North Carolina.

17. Alternatively, this Court has federal question jurisdiction over this action pursuant to 28. U.S.C. § 1331 as the foundation for the claims made arise under the Constitution, laws, or treaties of the United States, specifically Chapter 59, United States Code and Title 38, Code of Federal Regulations § 14 which prohibit non-accredited agents from aiding in the creation and/or submission of disability claims to the VA.

18. This Court possesses personal jurisdiction because Veterans Guardian deliberately and regularly conducts business, marketing, claim distributing, promoting VA claims assistance and appeals, and/or collections, in North Carolina, and has its principal place of business in Pinehurst, North Carolina. The illegal fees at issue are issued, invoiced, processed, and collected from the State of North Carolina. Veterans Guardian has obtained

the benefits of the laws of North Carolina and profited handsomely from North Carolina commerce.

19. The Defendant's Contract with Plaintiffs and the Class includes a Choice of Law and Venue provision stating: "This agreement is entered into and shall be governed by the laws of the State of North Carolina and said states courts shall have exclusive jurisdiction to adjudicate any dispute arising out of or relating to this agreement. …"

20. Venue is also proper in this District pursuant to 28 U.S.C. § 1391 because Veterans Guardian is a limited liability company subject to personal jurisdiction in this District and does business in this District. Additionally, venue is proper because a substantial portion of the acts, events, and/or unlawful activity giving rise to the claims asserted occurred in this District.

IV. FACTS

A. The History of VA Disability Compensation Benefits

27. The United States Department of Veterans Affairs ("VA") is organized into three administrations: (a) Veterans Benefits Administration ("VBA"); (b) Veterans Health Administration ("VHA"); and (c) National Cemetery Administration ("NCA"). The VBA provides a variety of disability compensation, pension, education, and more to veterans.[6] VBA is the administration responsible for approving and awarding VA Disability Compensation.

28. The United States recognizes the effects of military service on veterans that result in disabilities that are service connected and secondary service connected, diseases, or injuries incurred or aggravated during active military service.[7] The VA's disability program provides monthly VA Disability Compensation payments to veterans who suffered injuries during their military service or secondary to their military service.

29. In 2022, nearly 3.9 million veterans received monthly disability

compensation payments for partial or complete disabilities.[8]

B. Federal Law Contains Strict Guidelines Governing the Challenged Conduct

30. Sections 14.626 through 14.637 of Title 38 of the Code of Federal Regulations, implement Chapter 59 of the United States Code governing the representation of claimants for veterans' benefits. There are very clear and strict dictates under this law including:

- Anyone assisting "in the preparation, presentation, and prosecution of claims for VA benefits" must be accredited by VA for that purpose. 38 C.F.R. § 14.629 (b)(1).
- Only accredited agents and attorneys may receive a fee from claimants or appellants for their services. 38 C.F.R. § 14.636(b).
- Fees charged by accredited agents and attorneys after an initial decision must comply with power of attorney requirements of 38 C.F.R. § 14.631 and the fee agreement requirements of 38 C.F.R. § 14.636(g).
- All agreements for fees for services must be in writing and signed by both the claimant or appellant and the accredited agent or attorney. Specifically, those agreements must contain: (1) name of the veteran; (2) name of the claimant or appellant, if other than a veteran; (3) name of any disinterested third-party payer and the relationship between the third-party payer and the veteran, claimant, or appellant; (4) the applicable VA file number; and (5) the specific terms under

[8] *See* https://www.census.gov/newsroom/press-releases/2021/veterans-report.html

which the amount to be paid for the services of the attorney or agent will be determined. 38 C.F.R. § 14.636(g)(1)(i-v).

31. A copy of those signed written agreements must then be sent to either the VA or Office of General Counsel ("OGC") within 30 days. 38 C.F.R. § 14.636(g)(3).

32. No money may ever be charged or paid before a notice of the initial claim is issued. 38 U.S.C. § 5904(c)(1).

33. Fees exceeding 33 1/3 percent of past-due VA disability benefits awarded are presumed unreasonable. 38 C.F.R. § 14.636(f)

34. It is unlawful to charge veterans for assisting with initial claims or non-initial claims paid from future VA disability benefits.

35. Upon information and belief, Veterans Guardian is not an accredited agent of the VA, nor are any of its employees. Veterans Guardian has never filed any direct-pay fee agreements with the VA, nor filed a direct-pay fee agreement with the OGC for VA Disability Compensation Claims that it prepares and collects a fee from U.S. veterans. Veterans Guardian also charges fees for initial claims and for amounts that do not comply with the VA's strict limitations set forth above, in violation of 38 U.S.C. § 5904(c)(1).

C. *Per Se* Violation of the UDTPA by Defendant Veterans Guardian

36. Veterans Guardian's form Contracts falsely represent to its clients that it offers only pre-filing and post-filing consulting services in order "to assist clients in making decisions on the filing of VA benefit claims."

37. Particularly, Veterans Guardian enumerates the following services to fall within the scope of its "pre-filing" consulting services:

b. Conduct a full review of all pertinent documents related to the client's current VA benefit status as applicable to the individual client including the client's DD214, VA Rating Decision Letter(s), VA Rating Breakdown Letter(s) and any other correspondence with the VA to understand the status of your current VA benefit status.

c. Conduct a full review of all pertinent military medical records from your time in service and current civilian medical records to determine all possible medical conditions that could qualify for service connection and a VA disability rating.

d. Conduct research of current medical opinions to support medical condition claims and service connection.

e. Conduct independent rating evaluations based on a knowledge of current VA regulations and statutes.

f. Based on a synthesis of these assessments, research and knowledge identify medical conditions that are likely to qualify for service connection and a VA disability rating and develop an individual claim strategy to guide the client if they choose to submit a VA disability claim.

g. Provide in depth online assessments for the client to complete to capture relevant information on the client's current medical condition to support development of additional medical evidence and supporting documents.

h. Based on the Individual VA claim strategy, assist the client in further development of medical evidence to ensure that each individual medical condition has the medical evidence necessary to meet the VA regulatory and statutory requirements for a service connected disability rating.

i. Assist the client in obtaining independent medical opinions and ensure they provide the information necessary for a service connected disability rating.

> ii. Assist the client in development of Lay Statements in support of each individual condition claim.

See Exhibit A, Clause 2(a)(2).

38. Further, Veterans Guardian defines "post-filing" consulting services as "service[s] that occur[] once the VA has made a final decisions on any claim and or appeal and is no longer active and the client is no longer a "claimant" as defined in 38 CFR § 14.627(h) and 38 CFR § 14.627(i)" and enumerates the following services to fall within the scope of its "post-filing" consulting services:

> c. Veterans Guardian will conduct a review of the VA decision letter and any other pertinent correspondence from the VA and provide an updated assessment of your new VA Benefit Status.
>
> d. Veterans Guardian will provide a recommendation as to eligibility for any additional claims and future actions with regard to VA benefits. If Veterans Guardian identifies possible additional claims and actions the client has the options to restart the Veterans Guardian process prior to making any decisions to pursue additional action and resume a status as a "claimant".
>
> e. After the client has received a service connected disability rating from the VA (based on Veterans Guardian assistance), Veterans Guardian will continue to provide advice and assessments of any action from the VA to help protect your rating from being incorrectly lowered for the lifetime of the client at NO ADDITIONAL CHARGE.

See Exhibit A, Clause 2(a)(3).

39. However, in the list of services above, Veterans Guardian mischaracterizes several services to be "pre-filing" consulting and "post-filing" consulting services when in fact they are services that essentially prepare claims for veterans. Veterans Guardian also

omits to list several services it performs that directly indicates that it prepares claims for veterans, including drafting claims on behalf of veterans, which is prohibited under the law as discussed below.

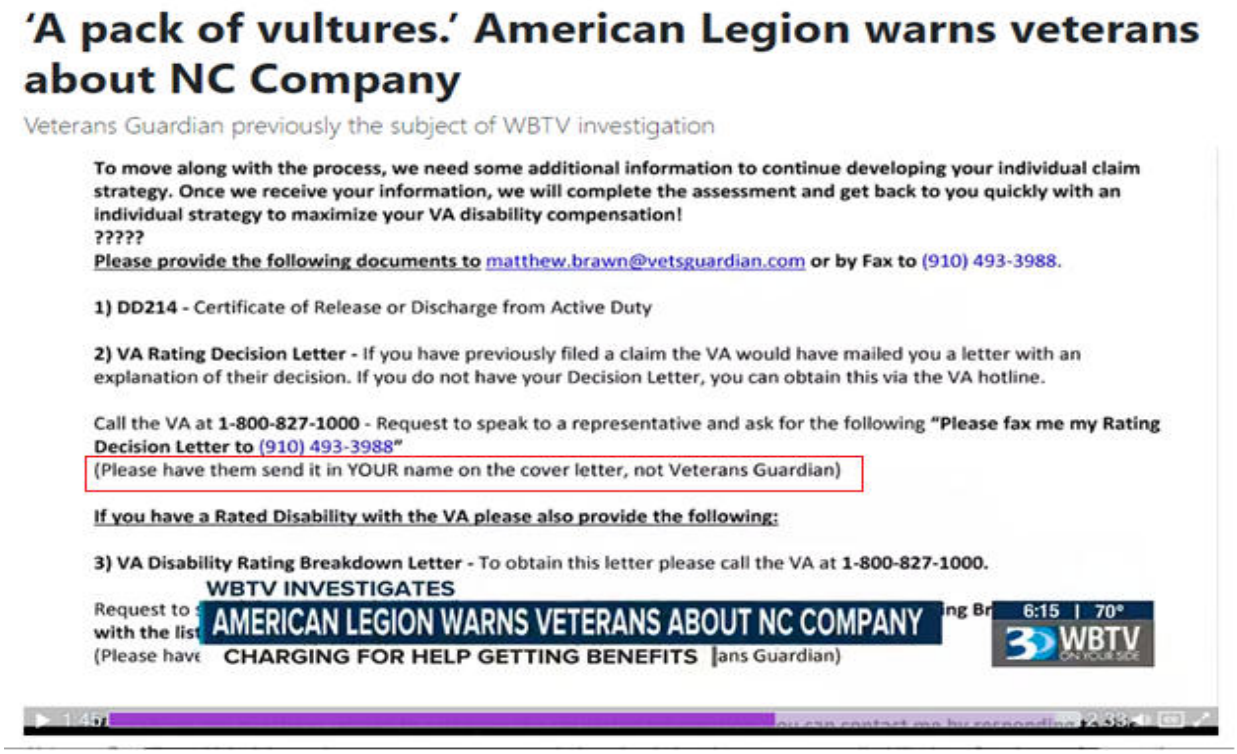
40. Further, notably, Veterans Guardian does not charge any money for its initial consultation call in which it advises veterans of their claims strategy, but charges a fee only if it is able to get a rating increase for the veterans as a result of its claims preparation service that it deceptively calls "pre-filing" and "post-filing" consulting services.

41. Accordingly, by failing to first receive accreditation from the VA prior to assisting veterans in the preparation and presentation of their veterans' benefits claims and charging exorbitant fees that are contingent upon the success of veterans' claims, Defendant routinely violates federal regulations; and by violating regulations that were designed to protect veterans, Veterans Guardian has committed a *per se* violation of the unfair and deceptive trade practice law in North Carolina, N.C. Gen. Stat. § 75–1.1.

42. Contrary to the specific prohibitions against unaccredited agents preparing VA Disability Compensation Claims, the Contract states that its services and fees are "in accordance with Chapter 59, Title 38, United States Code and Title 38, Code of Federal Regulations § 14." This is a false statement. Veterans Guardian and its employees are unaccredited agents and are therefore strictly prohibited, by federal law, from assisting in preparing, presenting, and/or prosecuting disability claims to the VA. Even though the Contract informs clients that Veterans Guardian is unaccredited, it takes advantage of veterans with its superior position of knowledge and sophistication. It deceptively characterizes its services as "pre-filing" and "post-filing" consulting services, making it

appear to its clients as if they were permissible under the law, when in fact those services are the precise kind that are prohibited under federal law.

43. The purpose of the regulations *viz.* 38 U.S.C. Chapter 59 and 38 C.F.R. § 14 is to protect veterans from exploitation by the unlawful business practices as challenged here. For example, the purpose of enacting the law and regulations set forth above was to ensure that "claimants for Department of Veterans Affairs (VA) benefits have responsible, qualified representation in the preparation, presentation, and prosecution of claims for veterans' benefits." See 38 C.F.R. § 14.626.



44. Veterans Guardian's unfair business practices have caused many veterans to hire Veterans Guardian believing it to be a legitimate provider of lawful VA claim services, when in fact the Contracts are unlawful due to the fact that Veterans Guardian is not accredited by the VA; Veterans Guardian's services are not permissible under the regulations; no person (accredited or unaccredited) is permitted to charge any fees on initial claims; no person (accredited or unaccredited) is permitted to charge fees that will be paid from future VA disability benefits; no unaccredited person is permitted to charge any fees on non-initial claims; and Veterans Guardian's claim over VA benefits in the form of "agreed-to" fees and the penalties imposed for the non-payment of fees are unlawful under the regulations. Thus, by violating regulations that were enacted by Congress to protect veterans from becoming victims of unlawful, unscrupulous, and unfair business practices, Veterans Guardian violates the UDTPA, § 75-1.1. Its unlawful and unfair business practices have proximately caused Plaintiffs damages in the form of unlawful payments made from their future monthly benefit payments.

D. Investigations into Veterans Guardian and Other "*Claims Sharks*" in the Press

45. In the last few years, Veterans Guardian's practice of illegally preying on veterans rob them of their disability benefits has come under significant scrutiny by the media, veterans' advocacy groups and the VA itself.

46. On April 1, 2022, WBTV a local television station Charlotte, North Carolina, ran a news segment warning veterans against Veterans Guardian after conducting a private investigation into its services. The news segment included interviews with veterans who had used their services and found that Veterans Guardian "asked veterans for their personal login credentials and submit[ted] claims in their name." WBTV also reported that it had seen an email from Veterans Guardian in which it coached a client on how to ask for documents from the VA and the client told WBTV that Veterans Guardian had warned him specifically not to mention to the VA that he was working with Veterans Guardian. Below is a snapshot from the news segment:[9]

[9] *See* https://www.wbtv.com/2022/04/01/pack-vultures-american-legion-warns-veterans-about-nc-company/

47. WBTV also reported that the American Legion was concerned with Veterans Guardian's services and fees, calling it a "a pack of vultures" and a "predatory claims company."

48. On April 27, 2022, the United States House of Representatives, Committee on Veteran's Affairs, held an investigative hearing on the practices of unaccredited claims consultants. At this conference, several veterans' advocates such as the American Legion, National Organization of Veterans' Advocates ("NOVA") and Veteran of Foreign Wars ("VFW") testified on the predatory practices of unaccredited agencies such as Veterans Guardian. For example, the VFW, referred to non-accredited consulting groups as "Claim Sharks," and called out a few predatory practices employed by these companies such as "guaranteeing increases in benefits" and "promising no-cost consultations."

49. More recently, CBS News and the Texas Tribune also brought to light the

predatory nature of unaccredited claims consultants such as Veterans Guardian.[10]

E. Veterans Guardian Submitted False or Misleading Statements to Congress

i. Veterans Guardian's First False Statement to Congress

50. On April 27, 2022, the House Committee on Veterans' Affairs Subcommittees on Disability Assistance and Memorial Affairs and Oversight and Investigations conducted an open session and joint oversight hearing entitled "At What Cost? – Ensuring Quality Representation in the Veteran Benefit Claims Process" (the "Hearing").

51. Among the witnesses testifying was William Taylor ("Mr. Taylor"), co-founder and Chief Operating Officer of Veterans Guardian. When questioned during the hearing, Mr. Taylor testified under oath that "Veterans Guardian has not received a cease-and-desist letter from the VA."[11] The Hearing Committee later determined that the Letter sent by the VA OGC staff attorney was a cease-and-desist letter.

ii. Veterans Guardian's Second False Statement to Congress

52. On May 9, 2022, Hearing Committee staff emailed Brian Johnson ("Mr. Johnson"), Veterans Guardian's Vice President of Government and Public Affairs seeking to confirm Mr. Taylor's testimony that Veterans Guardian "has not received a cease-and-

desist letter from the VA." That same day, Veterans Guardian's through Mr. Johnson, falsely stated that Veterans Guardian had not received any cease-and-desist letter from VA OGC. *Id.*

iii. Veterans Guardian's Third False Statement to Congress

53. On June 9, 2022, Hearing Committee staff met with Mr. Taylor, Mr. Greenblatt, Mr. Johnson and other representatives of Veterans Guardian to discuss its inaccurate statements regarding the cease and desist letter from the VA. When again asked about Mr. Taylor's testimony, Veterans Guardian officials stated that they did not recall receiving a cease-and-desist letter from the VA OGC. *Id.*

54. Following Veterans Guardian's third false or misleading statement and/or omission, the Hearing Committee staff explicitly referenced the Letter addressed to Mr. Greenblatt. At that time, after the Hearing Committee's fourth attempt to seek the truth from Veterans Guardian's officials, Veterans Guardian finally admitted that it had received the Letter, but did not believe that the Letter constituted a cease-and-desist letter.

iv. Once Reminded that His False Statements to Congress Carry Five Years in Prison, Mr. Taylor Supplemented his False Testimony

55. On June 27, 2022, the Chairs and Ranking Members of the Subcommittees sent a letter to Mr. Prober and advised that Mr. Taylor's testimony was inaccurate because the VA OGC categorized the Letter to Veterans Guardian as a cease-and-desist letter. Notably, the Committee cited the June 27, 2022 letter, and reminded Mr. Taylor that it is a crime, punishable by fines and imprisonment of up to 5 years, to knowingly and willfully make a materially false, fictitious, or fraudulent statement or representation to Congress.

Subsequently, Mr. Taylor supplemented his testimony to Congress admitting to receipt of the letter from the VA.

56. Despite the cease and desist letter from the VA, Veteran's Guardian continues to thwart Federal law to the detriment of Plaintiffs and the Class.

F. PLAINTIFF JENNIFER FORD'S FACTS

57. Plaintiff Jennifer Ford was honorably discharged from the United States Army on August 18, 2009.

58. Ford suffered from several service-connected injuries and secondary service-connected injuries as a result of her military service as a military police officer.

59. Because her injuries were known and obvious, Ford knew that she had to file a claim for disability benefits with the VA.

60. Prior to contacting Veterans Guardian, Ford received a 60% VA disability impairment rating as a result of her military service. She received a monthly payment from the VA as a result of her disabilities.

i. Ford's First Claim

61. In early 2022, Ford believed that the PTSD she suffered from due to her time in the military caused her to suffer a complete disability at a level higher than the 60% that had previously been determined by the VA.

62. Ford went to the internet to gather information about filing a VA Disability Compensation Claim or appeal with the VA.

63. Ford's internet search took her to the Veterans Guardian website.

64. After spending time reading information on Veterans Guardian's website,[12] Ford used the website to contact the company directly about filing a claim with the VA for additional benefits.

65. Thereafter, Ford received a call from a representative of Veterans Guardian that explained its representation and services. Importantly, Veterans Guardian's representative assured Ford that its VA services were legal and in full compliance with federal law and that it would only charge Ford five (5) times any monthly VA Disability Compensation increase received by Ford, each time Veterans Guardian increased Ford's monthly VA Disability Compensation. After speaking with Defendant's representative, Ford signed the Contract and became a client of Veterans Guardian.

66. Once it signed Ford as a client, Veterans Guardian solicited access to Ford's medical records and military records to review and develop a strategy to increase her VA Disability Compensation.

67. Next, Veterans Guardian coordinated an outside private medical exam to assess Ford's post-traumatic stress disorder ("PTSD") symptoms.

68. A representative of Veterans Guardian's prepared Ford for her PTSD private medical examination by explaining the PTSD examination and evaluation process.

69. Once the private medical examination was complete and Ford received a medical opinion, Veterans Guardian drafted and prepared Ford's VA Disability Compensation Claim using official VA forms, including: (a) VA Application for Disability

[12] *See* https://vetsguardian.com/.

Compensation and Related Compensation Benefits Form – 21-526EZ; and (b) VA Statement in Support of Claim Form – 21-4138. Additionally, Veterans Guardian gathered the necessary attachments including Ford's DD214 and private medical opinion. All of the VA forms prepared by Veterans Guardian and the necessary attachments (the "Packet") were emailed by Veterans Guardian to Ford for her review. The Packet emailed was labeled "draft" as it was drafted and prepared by Veterans Guardian.

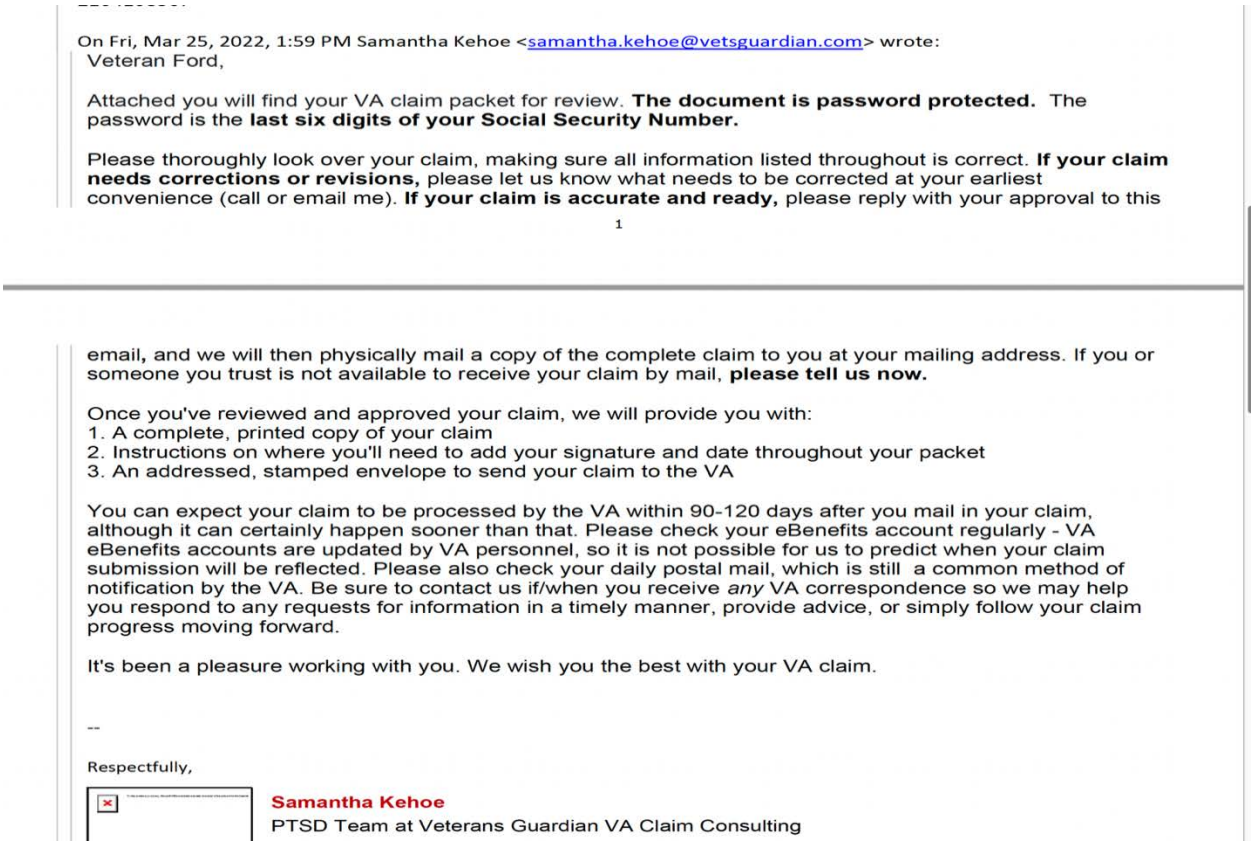
70. Once Ford approved the Packet, Veterans Guardian then mailed the Packet to Ford with instructions, including that Veterans Guardian: (a) marked specific locations where Ford was required to sign and date the VA Disability Compensation Claim that it prepared; (b) pre-marked the Packet's envelope with the VA's mailing address that would receive the Packet; (3) pre-stamped the Packet's envelope; and (4) instructed Ford to place the Packet in the mail.

71. Veterans Guardian's claim preparation continued even after mailing her Packet to the VA. Specifically, Veterans Guardian instructed Ford to notify its office if the VA sent correspondence that requested additional information so that Veterans Guardian could assist Ford with a response and provide advice on how to respond to the VA.

72. Once Ford's Packet was submitted to the VA, Veterans Guardian provided additional instructions to Ford to present to the VA medical examiner and respond to the VA's questions.

73. Ford thereafter received a call from the VA to schedule her VA

Compensation and Pension Examination ("C&P Exam").[13] A representative of Veterans Guardian prepared Ford for her C&P Exam and coached her on how to present her symptoms to the VA medical examiner.



74. Contrary to Veterans Guardian's claims that it only offers "pre-filing" and "post-filing" claims assistance, Veterans Guardian assists veterans following their submission of the Packet when it assists with C&P Exams, simulated the C&P Exam, and prepared Ford and the Class members for the C&P Exam.

75. In her First Claim in which Veterans Guardian's assisted Ford, her disability rating increased.

76. Ford took no part in drafting her VA Disability Claim. Veterans Guardian and its employees are the only individuals that prepared Ford's First Claim and prepared Ford for her C&P examination upon filing her First Claim.

77. Below is an email from Veterans Guardian's representative to Ford in which it admits to preparing Ford's First Claim:

[13] When a veteran files a claim for VA Disability Compensation with the VA, the VA may ask the veteran to appear at an examination as part of the VA claim process. This is known as a VA claim exam or a VA compensation and pension exam.

PTSD Team at Veterans Guardian VA Claim Consulting

78. Upon clicking the link contained in the email above, Ford was routed to several VA claim forms that had been fully prepared by Veterans Guardian.

79. Veterans Guardian completely prepared Ford's VA Disability Compensation Claim. It selected the appropriate forms, filled out all the necessary data for Ford's specific claim, printed the claim forms and supporting documents, and mailed the completed Packet in paper form to Ford's home address, along with a fully addressed envelope addressed to the VA, and instructions on where to add her signature and date on the claim form. Veterans Guardian even provided a pre-addressed and stamped envelope for mailing her claim submission to the VA.

80. Veterans Guardian prepares and completes thousands of similar claim forms for submission to the VA every month.

81. Moreover, Veterans Guardian also reminded Ford in no uncertain terms, "Be sure to contact us if/when you receive any VA correspondence so we may help you respond to any requests for information in a timely manner, provide advice, or simply follow your claim progress moving forward."

82. Ford ultimately received a VA Disability Compensation increase of $360.00 per month.

83. Pursuant to the fee agreement contained in Veterans Guardian's Contract, Veterans Guardian invoiced Ford for $1,880.00 ($377.92 x 5)[14].

84. Ford paid Veterans Guardian $1,880.00 over the course of several monthly installment payments for preparing her VA Disability Compensation claim that was submitted to the VA.

85. A VA accredited agent or attorney is not permitted to charge a fee based on increasing a veteran's monthly disability compensation. A VA accredited agent or attorney is only permitted to charge a percentage of the back pay or past due benefits capped at 33 1/3 percent, unless approved by the OGC.

86. Ford's back pay or past due benefits resulting from her first claim total roughly $350.00. As a result, the maximum a VA accredited agent or attorney could have charged Ford regarding her first claim is approximately $116.55.

87. In her first claim, Veterans Guardian charged Ford over fifteen times or over

[14] The Defendant's claim preparation fee calculations are rounded down to the nearest $10 increment.

1,500% the allowable fees permitted by federal law.

88. Veterans Guardian never submitted a fee agreement to the VA or the OGC. Moreover, the OGC never approved of Veterans Guardian's fees that exceeded 33 1/3%.

ii. Ford's Second Claim

89. Following Ford's rating increase related to her PTSD, Ford believed that she had another viable disability claim related to her high blood pressure that would increase her VA Disability Compensation further.

90. Ford again reached out to Veterans Guardian and had a telephone conversation to strategize about her Second Claim, and the representative of Veterans Guardian suggested that Ford file a second supplemental claim for additional benefits from the VA. .

91. For Ford's Second Claim, Veterans Guardian focused on her high blood pressure/hypertension, scarring, tinnitus, and asthma.

92. Again, Veterans Guardian solicited access to Ford's medical records to review and develop a strategy to attempt to increase her VA Disability Compensation.

93. Veterans Guardian thereafter fully prepared Ford's Second Claim.

94. Ford never drafted her Second VA Disability Claim that achieved an increase, nor did she receive assistance from any VSO or VA-accredited representative. Veterans Guardian and its employees are the only individuals that prepared and worked on Ford's Second Claim.

95. A November 7, 2022 email from a Veterans Guardian's representative to Ford admits to fully preparing Ford's Second Claim:

From: **Samantha Mellon** <samantha.mellon@vetsguardian.com>

Subject: Packet for Review

Veteran Ford,

Attached you will find your VA claim packet for your review.

The document is password protected.

The password is the last six digits of your Social Security Number.

Please thoroughly review your claim, and make sure that your Social Security Number, home address and phone number listed throughout are correct.

If your claim is accurate and ready, **please tell us immediately.**

If corrections are needed, let us know what needs to be corrected. Once you are satisfied, we will **mail** you:

1. A complete, printed copy
2. Instructions on where to sign and date
3. A self-addressed, stamped envelope to mail your claim to the VA

If you, or someone you trust is not available to mail your claim, **please tell us now.**

After 7 days if we do not get a response from you, your claim packet will automatically be sent to our mail team, and mailed out to you.

Plan on your claim being processed by the VA within 90-120 days, though processing times can vary.

96. Veterans Guardian also completely prepared Ford's Second VA Disability Claim. It selected the appropriate form, filled out all the necessary data for Ford's claim, printed the claim form and supporting documents, and mailed the completed package in paper form to Ford's home address along with a fully addressed envelope addressed to the VA and instructions on where to add her signature and date the claim form. Veterans Guardian even provided a pre-addressed and stamped envelope for mailing her claim submission to the VA.

97. Veterans Guardian completes thousands of similar claim forms for submission to the VA every month.

98. Veterans Guardian also reminded Ford in no uncertain terms that it would continue to assist in preparing and submitting her claim to the VA: "Be sure to contact us

if/when you receive any VA correspondence so we may help you respond to any requests for information in a timely manner, provide advice, or simply follow your claim progress moving forward."

99. Ultimately, Ford received a monthly VA Disability Compensation increase worth $300.00.

100. Thereafter, Veterans Guardian invoiced Ford under its Contract for $1,690.00 ($338.00 x 5, rounded down to the nearest $10 increment) or five times her monthly VA Disability Compensation increase.

101. Had a VA accredited agent or attorney prepared Ford's second claim, their fee would have been limited to 33 1/3% of the retroactive award or back pay.

102. The retroactive award for Ford's second claim was roughly $1,620.00. In other words, the fees paid to a VA accredited agent or attorney for Ford's second claim would have been roughly $539.46.

103. Ford paid Veterans Guardian $1,521.00 in one lump sum on her Second Claim.

104. In total, Ford has paid Veterans Guardian $3,401.00 with respect to her First Claim and Second Claim.

105. Had a VA accredited agent or attorney assisted with Ford's two claims, Ford would have only been required to pay approximately $656.01.

106. As a result of its unlawful fees, Ford paid Veterans Guardian at least $2,744.99 more than is permitted by federal law and could have been charged by Accredited Agents.

107. Veterans Guardian has employed similar excessive fees to members of the Class.

108. Veterans Guardian collects these amounts in open violation of the restrictions and qualifications set forth in 38 C.F.R. § 14, *et seq*.

109. Discovery will show that no individual at Veterans Guardian is licensed to practice medicine.

110. Discovery will show that no individual at Veterans Guardian is a VA accredited agent or attorney.

126. Veterans Guardian's claim preparation of Beard's initial claim continued even after mailing Beard's Packet to the VA. Good Afternoon,

There is one mistake that I can see. I did do about one year in the reserves rough estimate would have been 09/01/2012 to 08/31/2013. This was just a period of time I was missing the service and wanted to complete my last year of my 8 year obligation doing something. It was a terrible experience. That's located at 21A.

134. Pursuant to the fee agreement contained in Veterans Guardian's Contract, Veterans Guardian invoiced Beard for $21,360 ($4,278.80 x 5, rounded down to the nearest $10 increment).

135. Beard paid Veterans Guardian over $19,000 through monthly installment payments for preparing his initial VA Disability Compensation claim and is still obligated under the unlawful Contract.

136. Had Beard known that charging for preparation of an initial claim was unlawful or that the services for any assistance on initial claims were free if provided by an accredited attorney, accredited agent, or a VSO, he would not have entered into the agreement.

142. After spending time reading information on Veterans Guardian's website,[17] Otters contacted the Defendant directly about filing a non-initial claim with the VA.

[17] *See* https://vetsguardian.com/.

143. Thereafter, Otters received a call from a representative of Veterans Guardian that explained its representation and services. Importantly, Veterans Guardian's representative assured Otters that its VA services were legal and in full compliance with Federal Law. If Otters received any benefits from his non-initial claim filing with the VA, Veterans Guardian would charge Otters five (5) times any monthly VA Disability Compensation payment received by him.

144. After corresponding with Defendant's representative and believing its services to be legal and legitimate, Otters signed the Contract and became a client of Veterans Guardian.

145. Once it signed Otters as a client, Veterans Guardian solicited access to Otters' medical records and military records to review and develop a strategy to prepare Otters' non-initial claim for VA Disability Compensation.

146. Next, Veterans Guardian coordinated with an outside private medical provider to assess Otters' military stressors and military related injuries.

147. A representative of Veterans Guardian prepared Otters for his private medical examination by explaining the examination and evaluation process.

148. Once the private medical examination was complete and Otters received a medical opinion, Veterans Guardian completely drafted and prepared Otters' VA Disability Compensation Claim using official VA forms. Additionally, Veterans Guardian gathered the necessary attachments including Otters' DD214 (Certificate of Release or Discharge from Active Duty) and private medical opinion. All of the VA forms prepared by Veterans Guardian and the necessary attachments (the "Packet") were mailed by

Veterans Guardian to Otters for his review. The mailed Packet was drafted and prepared by Veterans Guardian for ultimate submission to the VA.

149. Moreover, Veterans Guardian sent the Packet to Otters by US Mail with instructions, including that Veterans Guardian: (a) marked specific locations where Otters was required to sign and date the non-initial VA Disability Compensation Claim that it prepared; (b) pre-marked the Packet's envelope with the VA's mailing address that would receive the Packet; (c) pre-stamped the Packet's envelope with postage paid for by Defendant; and (d) instructed Otters to place the signed Packet in the US Mail for delivery to the VA.

150. Veterans Guardian's claim preparation of Otters' non-initial claim continued even after Otters' Packet was mailed to the VA. Specifically, Veterans Guardian instructed Otters to notify its office if the VA sent correspondence that requested additional information so that Veterans Guardian could assist Otters with a response and provide advice on how to respond to the VA.

151. Once Otters' Packet was submitted to the VA, Veterans Guardian provided additional instructions to Otters to present to the VA medical examiner and respond to the VA's questions.

152. Otters thereafter received a call from the VA to schedule his VA Compensation and Pension Examination ("C&P Exam").[18] A representative of Veterans

[18] When a veteran files a claim for VA Disability Compensation with the VA, the VA may ask the veteran to appear at an examination as part of the VA claim process. This is known as a VA claim exam or a VA compensation and pension exam.

Guardian prepared Otters for his C&P Exam.

153. Contrary to Veterans Guardian's statement that it only offers "pre-filing" and "post-filing" claims assistance, after Veterans Guardian drafted and prepared his non-initial VA Disability Compensation Claim, and following the submission of Otters' Packet when it assisted with him C&P Exam preparation.

154. Following the submission of the Non-Initial Claim drafted and prepared by Veterans Guardian; and its preparation of Otters for his medical exams, Otters received a 90% disability rating.

155. Otters took no part in drafting his non-initial VA Disability Claim. Veterans Guardian and its employees are the only individuals that prepared Otters' Non-Initial Claim and prepared Otters for his private medical examination, and prepared Otters for his C&P examination upon the filing of his Non-Initial Claim.

156. Below is an email from Veterans Guardian's representative to Otters in which it admits to preparing Otter's Non-Initial Claim:

157. Otters ultimately received a VA Disability Compensation of $599.33 per month as a result of the VA claim prepared by Veterans Guardian.

158. Pursuant to the fee agreement contained in Veterans Guardian's Contract, Veterans Guardian invoiced Otters for $2,990 ($599.33 x 5).

159. Otters paid Veterans Guardian $2,990 through monthly installment payments for preparing his non-initial VA Disability Compensation Claim.

160. Had Otters known that charging for preparation of a Non-Initial Claim was unlawful or that the services for any assistance on non-initial claims must be provided by an accredited attorney, accredited agent, or a VSO, he would not have entered into Veterans Guardian's Contract.

161. Upon information and belief, Veterans Guardian prepares thousands of similar initial claim and non-initial VA Disability Compensation Claim forms for submission to the VA each year.

162. By preparing, presenting, and/or prosecuting initial and non-initial VA Disability Compensation Claims for veterans like Plaintiffs and the Class, Defendant acted as an agent.

V. CLASS ALLEGATIONS

163. Plaintiffs bring this case as a class action pursuant to Rule 23 of the Federal Rules of Civil Procedure. The proposed Classes (the "Class") are defined as:

> UDTPA Initial Claim Class: All veterans who paid Veterans Guardian in connection with an initial claim for VA Disability Compensation under a contract in substantially the same form as Exhibit A.
>
> UDTPA Non-Initial Claim Class: All veterans who paid Veterans Guardian a fee in connection with preparing claims for VA Disability Compensation under a contract in substantially the same form as Exhibit A.

> NCDCA Class: All veterans who received an invoice from Veterans Guardian in connection with preparing claims for VA Disability Compensation under an invoice in substantially the same form as Exhibit B.

164. Expressly excluded from the Class are: (a) any Judge presiding over this action and members of their families; (b) Defendant and any entity in which Defendant has a controlling interest, or which has a controlling interest in Defendant, and its legal representatives, assigns and successors; and (c) all persons who properly execute and file a timely request for exclusion from the Class.

165. The Class Period is four (4) years prior to the original filing date of this action through the date of the Court's order certifying the class.

166. Plaintiffs reserve the right to amend the Class definitions if warranted as a result of further investigation and discovery.

Rule 23(a) Criteria

167. Numerosity. Veterans Guardian's scheme has harmed and continues to harm veterans and their dependents. The members of the Class are so numerous that joinder of all members is impracticable. Veterans Guardian's written graphic that it emailed to Plaintiffs on May 16, 2023, states that it has "a success rate of over 90%" and has "processed over 25,000 disability claims in the last two (2) years."[19] The sheer volume of its VA Disability Claim business supports a finding of numerosity.

168. The exact number of Class members is unknown as such information is in the exclusive control of Veterans Guardian. Veterans Guardian, however, has prepared,

[19] Exhibit C.

prosecuted, and/or presented tens of thousands of VA Disability Claims on behalf of veterans disguised as *pro se* VA claims and where it charged veterans a contingent fee equivalent to five (5) times the monthly VA Disability Compensation increase that the veteran receives as a result of Veterans Guardian's preparation, presentation, and/or prosecution of his/her VA Disability Claim.

169. Due to the nature of the VA Disability Claims involved and the fact that Veterans Guardian assists veterans in all 50 states and online around the globe, Plaintiffs reasonably believe the Class easily consists of thousands of veterans. Defendant's online ads are geographically dispersed throughout the U.S. and internationally making joinder of all Class members impracticable.

170. Commonality. Common questions of law and fact affect the rights of each Class member and common relief by way of damages is sought for Plaintiffs and the Class.

171. The harm that Veterans Guardian has caused is substantially uniform with respect to Class members. Common questions of law and fact that affect the Class members include, but are not limited to:

a. Whether Defendant is subject to the limitations of 38 U.S.C. Chapter 59 and 38 CFR § 14, *et seq.*;

b. Whether Defendant's business practices are in violation of 38 U.S.C. Chapter 59 and 38 C.F.R. § 14;

c. Whether Defendant's business practice of charging veterans for preparing, presenting, and/or prosecuting initial VA disability claims violates 38 C.F.R. § 14.636 (c)(1)(i);

d. Whether Defendant's violations of 38 U.S.C. Chapter 59 and 38 C.F.R. § 14 are *per se* violations of the North Carolina Unfair and Deceptive Practices Act ("UDTPA");

e. Whether the Defendant is a debt collector as defined by the NCDCA (N.C.G.S. § 75-50(3));

f. Whether Defendant's invoices were sent in violation of NCDCA (N.C.G.S. § 75-50(2));

g. Whether Defendant's violations of NCDCA are *per se* violations of the UDTPA; and

h. Whether members of the Class have sustained damages and, if so, the proper measure of such damages provided by N.C. Gen Stat § 75-16 and NCDCA § 75-56.

172. Typicality. Plaintiffs' claims are typical of the claims (and defenses that will be asserted) of the Class because they are veterans of the United States Military and their VA disability compensation claims that were prepared, presented, and/or prosecuted by Defendant were typical of the type of assistance that Defendant provides to veterans following uniform practices, procedures, and policies. The documents involved in the transaction were standard form documents and the violations are statutory and regulatory in nature. Plaintiffs suffered damages of the same type and in the same manner as the Class they seek to represent. There is nothing unique about Plaintiffs' claims.

173. Adequacy. Plaintiffs will fairly and adequately assert and protect the interests of the Class. Plaintiffs have hired attorneys who are experienced in prosecuting class action

claims and will adequately represent the interests of the Class and Plaintiffs have no conflict of interest that will interfere with maintenance of this class action.

Rule 23(b) Criteria

174. Predominance and Superiority. Pursuant to FED. R. CIV. P. 23(b)(3), a class action provides a fair and efficient method for the adjudication of this controversy for the following reasons:

a. The common questions of law and fact set forth herein predominate over any questions affecting only individual Class members.

b. The statutory claims under the N.C. Gen. Stat. § 75-1 require a simple identification of those veterans who are covered under the statute, and an act in violation of N.C. Gen. Stat. § 75-1.1, *et seq*.

c. The statutory claims under the N.C. Gen. Stat. § 75-50 require a simple identification of those veterans who are covered under the statute, and an act in violation of N.C. Gen. Stat. § 75-51(8).

d. Plaintiffs can easily identify members of each Class using Defendant's business records, once Defendant produces a list of all veterans that entered into a Contract, similar to Exhibit A, and paid money to Veterans Guardian and/or received a standard form invoice similar to Exhibit B.

e. The veterans who paid Veterans Guardian's fees related to preparation, presentation, and prosecution of initial disability claims in violation of 38 C.F.R. § 14.636(c)(1)(i) is a predominant common question that will turn on the language of the contract.

f. The number of veterans who paid Veterans Guardian's fees that exceed 33 1/3 percent of the increased award as governed by 38 CFR § 14.636(f)(1) is a predominant common question that will turn on the language of the contract.

g. There are no unusual legal or factual issues that would create manageability problems;

h. Prosecution of thousands of separate actions by individual members of the Class would create a risk of inconsistent and varying adjudications against Defendant and could create incompatible standards of conduct;

i. Adjudications with respect to individual members of the Class could, as a practical matter, be dispositive of any interest of other members not parties to such adjudications, or substantially impair their ability to protect their interests; and

j. The claims of the individual Class members are small in relation to the expenses of litigation, making a Class action the only procedural method of redress in which Class members can, as a practical matter, recover.

175. Moreover, Veterans Guardian has acted and refused to act on grounds generally applicable to the Class, thereby making declaratory relief and corresponding final injunctive relief under Rule 23(b)(2) appropriate with respect to the Class as a whole. Veterans Guardian should be enjoined from preparing, presenting, and/or prosecuting VA Disability Claims in violation of N.C. Gen Stat § 75-1.1, *et seq.*, N.C. Gen Stat § 75-50, *et seq.*, 38 U.S.C. Chapter 59, *et seq.*, and 38 CFR § 14, *et seq.*, and a declaration should be issued that Defendant disgorge its ill-gotten gains and void the invoices with any outstanding debt.

COUNT I
Violation of the N.C. Gen Stat § 75-1.1, *et seq.*
(UDTPA Initial Claim Class)

176. Plaintiffs incorporate by reference each and every factual allegation set forth in paragraphs 1-175 above.

177. Veterans Guardian's Contract states that North Carolina law applies to the agreement between the parties regarding compensation to Veterans Guardian for preparing the VA Disability Compensation claim packet to be submitted to the VA.

178. The North Carolina UDTPA prohibits businesses from engaging in unfair and deceptive acts or practices. The UDTPA largely mirrors the Federal Trade Commission Act and states that "Unfair methods of competition in or affecting commerce, and unfair or deceptive acts or practices in or affecting commerce, are declared unlawful." N.C. Gen. Stat § 75-1.1.

179. The UDTPA provides a four-year statute of limitations.

180. The purpose of the UDTPA is "to declare, and to provide civil legal means to maintain, ethical standards of dealings between persons engaged in business and between persons engaged in business and the consuming public within this State to the end that good faith and fair dealings between buyers and sellers at all level[s] of commerce be had in this State." *Bhatti v. Buckland*, 328 N.C. 240, 400 S.E.2d 440 (1991).

181. Courts have used many standards to determine whether an act or practice is "unfair," including:

(1) If the act violates industry standards

(2) Violates public policy

(3) Immoral, unethical, or unscrupulous

(4) Substantially injures consumers

(5) Inequitable assertion of the party's power or position

(6) Has the tendency to deceive

182. "Commerce" includes all business activities, however, denominated, but does not include professional services rendered by a member of a learned profession. N.C. Gen. Stat § 75-1.1(b).

183. Veterans Guardian charged fees to veterans for preparing initial claims for disability benefits with the VA which constitutes "commerce" under the UDTPA, as such services were rendered by unaccredited claims representatives, not a member of a learned profession.

184. Veterans Guardian's business activities, at all times relevant to this Complaint, are considered "commerce" as defined in N.C. Gen. Stat. § 75-1.1(b).

185. Veterans Guardian's business practices occurred almost exclusively in North Carolina and violate the UDTPA because they violated public policy and were unethical, unscrupulous, illegal, and substantially injured veterans.

186. The UDTPA was created to provide an additional remedy apart from those less adequate remedies afforded under common law causes of action for fraud, breach of contract, or breach of warranty.

187. North Carolina courts have held that a violation of a regulatory statute that is designed to prevent unfair or deceptive conduct can constitute a *per se* violation of the UDTPA.

188. Veterans Guardian's violation of 38 U.S.C. § 59, *et seq.* and/or 38 C.F.R. § 14, *et seq.*, constitutes a violation of regulations designed to prevent unfair and or deceptive conduct against our nation's veterans and therefore is a *per se* violation of N.C. Gen. Stat. § 75-1.1.

189. Moreover, North Carolina appellate courts have held that violations of regulatory statutes that are designed to protect consumers are *per se* violations of N.C. Gen. Stat. § 75-1.1.

190. Federal law established under 38 U.S.C. Chapter 59, *et seq.* and/or 38 C.F.R. § 14, *et seq.*, are regulations that are designed to protect veterans against unfair and deceptive conduct with respect to the preparation presentation of VA disability claims. These regulations govern who can prepare these claims and how much can be charged for such services. Accordingly, the violation of these regulations constitutes a *per se* violation of N.C. Gen. Stat. § 75-1.1.

191. Specifically, Veterans Guardian violated sections 38 C.F.R. § 14.629 (b)(1) and § 14.636(c)(1)(i) as discussed below:

Violation of 38 C.F.R. § 14.629:

192. 38 C.F.R. § 14.629 (b)(1) states: "No individual may assist claimants in the preparation, presentation, and prosecution of claims for VA benefits as an agent or attorney unless he or she has first been accredited by VA for such purpose." By admittedly preparing Beard's Initial Claim for VA benefits without first receiving accreditation by the VA, Veterans Guardian violated § 14.629(b)(1). Veterans Guardian prepared or aided in the preparation of Beard's initial VA claim as evidenced by this communication:

Good Afternoon,

There is one mistake that I can see. I did do about one year in the reserves rough estimate would have been 09/01/2012 to 08/31/2013. This was just a period of time I was missing the service and wanted to complete my last year of my 8 year obligation doing something. It was a terrible experience. That's located at 21A.

If you or someone you trust is not available to receive your claim by mail, **please tell us now.**

Once you've reviewed and approved your claim, we will provide you with:

1. A complete, printed copy of your claim
2. Instructions on where you'll need to add your signature and date throughout your packet
3. An addressed, stamped envelope to send your claim to the VA

You can expect your claim to be processed by the VA within 90-120 days after you mail in your claim, although it can certainly happen sooner than that. Please check your eBenefits account regularly - VA eBenefits accounts are updated by VA personnel, so it is not possible for us to predict when your claim submission will be reflected. Please also check your daily postal mail, which is still a common method of notification by the VA. Be sure to contact us if/when you receive *any* VA correspondence so we may help you respond to any requests for information in a timely manner, provide advice, or simply follow your claim progress moving forward.

193. Upon clicking the link contained in the email above, Beard was routed to several VA claim forms that had been fully prepared by Veterans Guardian.

194. Defendant prepared Beard's Initial Claim by selecting the initial forms, filling out the forms with necessary data for Beard's specific initial claim, printing the initial claim forms and supporting documents, and mailing the completed claim packet in paper form to Beard's home address, along with a fully addressed envelope to the VA with instructions on where to add his signature and date on the initial claim form. Veterans Guardian even provided a pre-addressed and stamped envelope for mailing his initial claim submission to the VA.

195. Moreover, Defendant also reminded Beard in no uncertain terms, "Be sure to contact us if/when you receive any VA correspondence so we may help you respond to any requests for information in a timely manner, provide advice, or simply follow your claim progress moving forward."

196. Once Veterans Guardian drafted and prepared Beard's Initial Claim, it prepared Beard for his private medical exam, instructed Beard to submit his Initial Claim, prepared Beard for his C&P medical exam administered by the VA, and Veterans Guardian instructed Beard to notify its office if the VA sent correspondence that requested additional information so that Veterans Guardian could assist Beard with a response and provide advice on how to respond to the VA, in violation of 38. C.F.R. § 14.629(b)(1).

197. Pursuant to this common business practice, Beard received a disability determination on his Initial Claim worth roughly $4,278.80 per month.

198. 38 U.S.C. § 5904(c)(1) prohibits VA agents and attorneys from charging or being paid for services with respect to services provided before the date on which a notice of the initial claim is issued.

199. In direct contravention of this provision, Veterans Guardian, being unaccredited, charged and collected a fee for the preparation of Beard's Initial Claim despite having never filed any direct-pay fee agreements with the VA nor a direct-pay fee agreement with the OGC for the initial VA Disability Compensation Claim that it prepared.

200. Further, 38 C.F.R. § 14.636(c)(1)(i) provides that *only* VA accredited agents and attorneys may charge claimants or appellants for representation provided after an agency of original jurisdiction has issued notice of an initial decision on the claim or claims for an increase in rate of benefit, and the agent or attorney has complied with (1) the power of attorney requirements of 38 C.F.R. § 14.631; and (2) the fee agreement requirements of 38 C.F.R. § 14.636(g).

201. All agreements for the payment of any fees for services rendered in connection with Veteran's benefits must be in writing and signed by both the claimant or appellant and the accredited agent or attorney. To be valid and lawful, a fee agreement must: (1) name the veteran; (2) name the claimant or appellant if other than a veteran; (3) name any disinterested third-party payer and the relationship between the third-party payer and the veteran, claimant, or appellant; (4) set forth the applicable VA file number; and (5) contain the specific terms under which the amount to be paid for the services of the attorney or agent will be determined. 38 C.F.R. § 14.636(g)(1)(i-v).

202. Within thirty (30) days of the execution of a fee agreement between a veteran and representative, the representative must send a copy of their fee agreement to either the VA or Office of General Counsel ("OGC"). 38 C.F.R. § 14.636(g)(3).

203. Veterans Guardian violated these provisions as well by charging a fee for

assisting on claims filed before an agency of original jurisdiction had issued notice of an initial decision (i.e. an initial claim). Veterans Guardian was also not an accredited claims representative and did not comply with any of the power of attorney requirements under § 14.631 and fee agreement requirements under § 14.636 (g).

204. Pursuant to the language contained in Veterans Guardian's Contract, Veterans Guardian emailed Beard an invoice charging him $21,394.00 ($4,278.80 x 5) for its services in preparing Beard's Initial Claim. Over the course of several months, Beard paid Veterans Guardian over $19,000 in several installment payments.

205. Thus, Veterans Guardian's action of collecting fees for services provided in connection with Beard's Initial Claim violated 38 C.F.R. § 14.636(b), (c), (f), (g) and § 14.631; and 38 U.S.C. § 5904(c)(1).

206. While there was no lawful charge in connection with Beard's Initial Claim, 38 C.F.R § 636(f) establishes the maximum amount that a VA accredited agent or attorney could have charged Beard if it were in connection with an increase in benefits (non-initial claim) at 33 1/3%. The amount paid by Beard is far more than any allowable amount under that standard as well.

207. Here, Congress created the robust regulations for VA claim services in 38 U.S.C. § 59, *et seq.* and 38 C.F.R. § 14, *et seq.*, to protect veterans similarly situated to Beard from predators like Veterans Guardian. The North Carolina Supreme Court has held "Violations of statutes designed to protect the consuming public and violations of established public policy may constitute unfair and deceptive practices." *Stanley v. Moore*, 339 N.C. 717, 723, 454 S.E.2d 225, 228 (N.C. 1995).

208. Therefore, Defendant violated federal regulations and the UDTPA in the following ways:

a. Preparing and presentation of VA benefits claims while its employees are unaccredited;

b. Charging a fee to assist with an initial VA disability compensation claim;

c. Charging fees that exceeds the rates allowed by the VA regulations for helping with such claims;

d. Exercising a claim over VA benefits in the form of "agreed-to" fees and imposing steep penalties for the non-payment of fees;

e. Charging fees that are clearly excessive;

f. Charging fees on initial claims that it knows are not permitted by federal law;

g. Emailing invoices to collect debts related to initial-claims assistance provided by its unaccredited representatives; and

h. Emailing invoices to collect debts related to initial-claims assistance whereby Defendant charges a fee for such services related to initial claims, late fees related to an initial claim, or interest on fees related to an initial claim.

209. Beard and Class members have been harmed and have suffered actual damages (as defined by the UDTPA) by paying illegal fees under Veterans Guardian's standard form Contract. See Exhibit A.

210. As a direct and proximate cause of Veterans Guardian's regulatory violations, Beard and the Class are entitled to actual damages and compensatory damages along with injunctive relief pursuant to section N.C. Gen. Stat. § 75, *et seq*.

211. Beard and the Class are entitled to treble damages pursuant to N.C. Gen. Stat. § 75-16.

212. Beard and the Class are entitled to attorneys' fees and costs pursuant to N.C. Gen. Stat. § 75-16.1. Beard and the Class have reason to believe that Defendant is violating and will continue to violate the federal regulations cited herein, and thereby are entitled to a declaration from the Court that the contracts with Defendant are void and unenforceable and any other concomitant equitable relief.

COUNT II
Violation of the N.C. Gen Stat § 75-1.1, *et seq.*
(UDTPA Non-Initial Claim Class)

213. Plaintiffs incorporate by reference each and every factual allegation set forth in paragraphs 1-175 above.

214. Veterans Guardian's Contract states that North Carolina law applies to the agreement between the parties regarding compensation to Veterans Guardian for preparing the VA Disability Compensation claim packet to be submitted to the VA.

215. The North Carolina UDTPA prohibits businesses from engaging in unfair and deceptive acts or practices. The UDTPA largely mirrors the Federal Trade Commission Act and states that "Unfair methods of competition in or affecting commerce, and unfair or deceptive acts or practices in or affecting commerce, are declared unlawful." N.C. Gen Stat § 75-1.1.

216. The UDTPA provides a four-year statute of limitations.

217. The purpose of UDTPA is "to declare, and to provide civil legal means to maintain, ethical standards of dealings between persons engaged in business and between

persons engaged in business and the consuming public within this State to the end that good faith and fair dealings between buyers and sellers at all level[s] of commerce be had in this State." *Bhatti v. Buckland*, 328 N.C. 240, 400 S.E.2d 440 (1991).

(2) Violates public policy

(3) Immoral, unethical, or unscrupulous

(4) Substantially injures consumers

(5) Inequitable assertion of the party's power or position

(6) Has the tendency to deceive

219. "Commerce" includes all business activities, however, denominated, but does not include professional services rendered by a member of a learned profession. N.C. Gen Stat § 75-1.1(b).

220. Veterans Guardian charged fees to veterans for preparing claims for disability benefits with the VA which constitutes commerce under the UDTPA as such services were rendered by unaccredited claims representatives, not a member of a learned profession.

221. Veterans Guardian's business activities, at all times relevant to this Complaint, are considered "commerce" as defined in N.C. Gen Stat § 75-1.1(b).

222. Veterans Guardian's business practices occurred almost exclusively in North Carolina and violate the UDTPA because they violated public policy, were unethical and

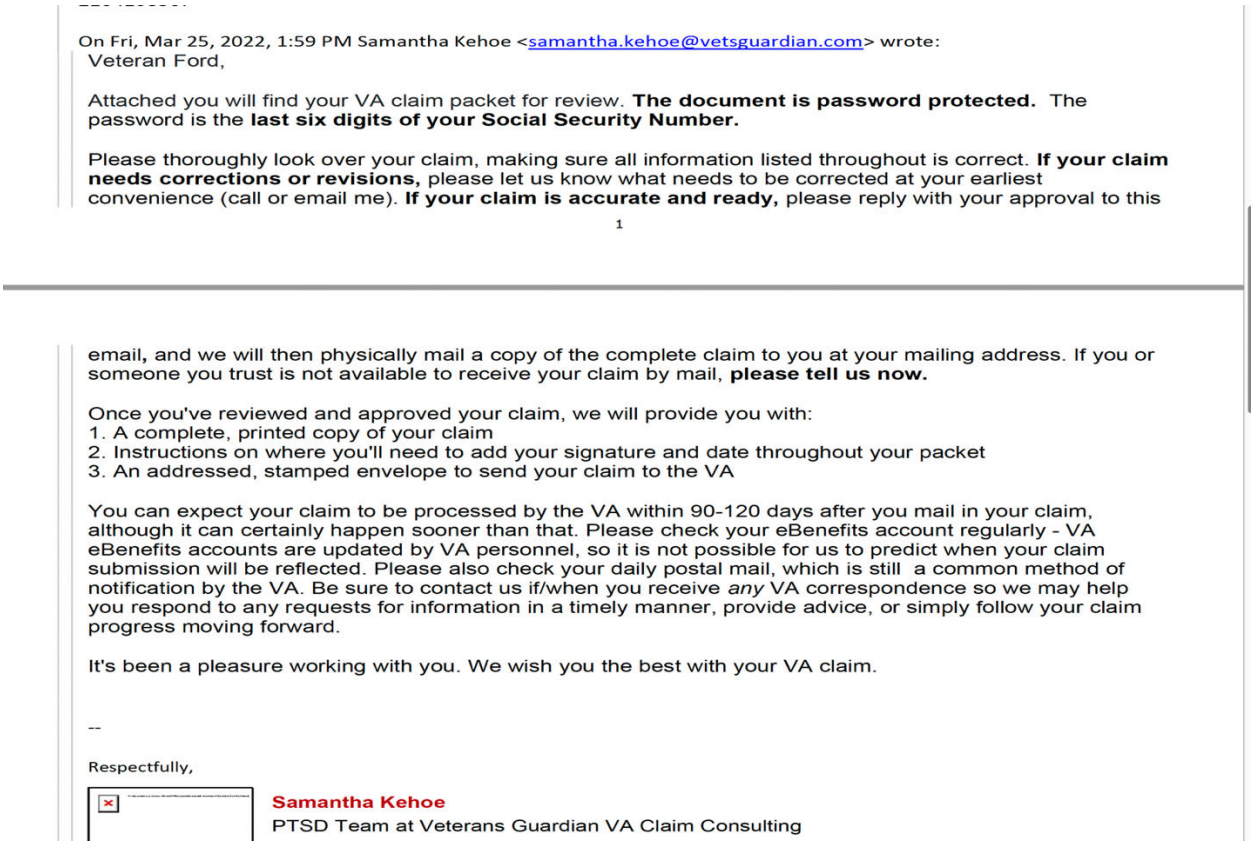
unscrupulous, and substantially injured veterans.

223. The UDTPA was created to provide an additional remedy apart from those less adequate remedies afforded under common law causes of action for fraud, breach of contract, or breach of warranty.

224. North Carolina courts have held that a violation of a regulatory statute that are designed to prevent unfair or deceptive conduct can constitute a per se violation of the UDTPA.

225. Veterans Guardian's violation of 38 U.S.C. § 59, *et seq.* and/or 38 C.F.R. § 14, *et seq.*, constitutes a violation of regulations designed to prevent unfair and or deceptive conduct and therefore can act as a per se violation of N.C. Gen. Stat. 75-1.1.

226. Moreover, North Carolina appellate courts have held that violations of regulatory statutes that are designed to protect consumers are *per se* violations of N.C.G.S. 75-1.1.



227. Federal law established under 38 U.S.C. Chapter 59, *et seq.* and/or 38 C.F.R. § 14, *et seq.*, are regulations governing who can prepare and present claims for disability benefits to the VA and how much can be charged to the veteran in connection with such services. Because these regulations were designed to protect veterans, Veterans Guardian's business practice of routinely violating these regulations constitutes a *per se* violation of N.C.G.S. § 75-1.1. Specifically, sections 14.626 through 14.637 of Title 38 of the Code of Federal Regulations, implement Chapter 59 of the United States Code governing the representation of claimants for veterans' benefits.

228. 38 C.F.R. § 14.629 (b)(1) states: "No individual may assist claimants in the

preparation, presentation, and prosecution of claims for VA benefits as an agent or attorney unless he or she has first been accredited by VA for such purpose."

1. Ford's First Claim

229. Veterans Guardian is in violation of 38. C.F.R. § 14.629(b)(1) because it admittedly prepared Ford's First Claim for VA benefits without first receiving accreditation by the VA:

email, and we will then physically mail a copy of the complete claim to you at your mailing address. If you or someone you trust is not available to receive your claim by mail, **please tell us now.**

Once you've reviewed and approved your claim, we will provide you with:
1. A complete, printed copy of your claim
2. Instructions on where you'll need to add your signature and date throughout your packet
3. An addressed, stamped envelope to send your claim to the VA

You can expect your claim to be processed by the VA within 90-120 days after you mail in your claim, although it can certainly happen sooner than that. Please check your eBenefits account regularly - VA eBenefits accounts are updated by VA personnel, so it is not possible for us to predict when your claim submission will be reflected. Please also check your daily postal mail, which is still a common method of notification by the VA. Be sure to contact us if/when you receive *any* VA correspondence so we may help you respond to any requests for information in a timely manner, provide advice, or simply follow your claim progress moving forward.

It's been a pleasure working with you. We wish you the best with your VA claim.

230. Upon clicking the link contained in the email above, Ford was routed to several VA claim forms that had been fully prepared by Veterans Guardian.

231. Veterans Guardian completely prepared Ford's First Claim. It selected the appropriate forms, filled out all the necessary data for Ford's specific claim, printed the claim forms and supporting documents, and mailed the completed Packet in paper form to

Ford's home address, along with a fully addressed envelope addressed to the VA, and instructions on where to add her signature and date on the claim form. Veterans Guardian even provided a pre-addressed and stamped envelope for mailing her claim submission to the VA.

232. Upon information and belief, Veterans Guardian prepares and completes thousands of claim forms for submission to the VA every month that are substantially similar to Ford's First Claim.

233. Moreover, Veterans Guardian also reminded Ford in no uncertain terms, "Be sure to contact us if/when you receive any VA correspondence so we may help you respond to any requests for information in a timely manner, provide advice, or simply follow your claim progress moving forward."

234. Once Ford's First Claim was submitted, Veterans Guardian prepared Ford for her private medical exam, C&P medical exam administered by the VA, and Veterans Guardian instructed Ford to notify its office if the VA sent correspondence that requested additional information so that Veterans Guardian could assist Ford with a response and provide advice on how to respond to the VA, in violation of 38. C.F.R. 14.629(b)(1).

235. Ford received an increase related to her First Claim worth roughly $360.00 per month.

236. Only accredited agents and attorneys may receive a fee from claimants or appellants for their services provided in connection with representation, however, even as an unaccredited claims representative, Veterans Guardian charged and collected a fee related to Ford's First Claim in violation of 38 C.F.R. § 14.636(b).

237. Pursuant to the language contained in Veterans Guardian's Contract, Veterans Guardian emailed Ford an invoice charging her $1,800.00 ($360.00 x 5) for its services in preparing Ford's First Claim.

238. Over the course of several months, Ford paid Veterans Guardian $1,800.00 in several installment payments.

239. Veterans Guardian collection of fees for services provided in connection with Ford's First Claim representation violates 38 C.F.R. § 14.636(b).

240. Further, 38 C.F.R. § 14.636(c)(1)(i) provides that *only* Agents and attorneys may charge claimants or appellants for representation provided that: after an agency of original jurisdiction has issued a decision[20] on a claim or claims or for an increase in rate of benefit, so long as the agent or attorney has complied with: (1) the power of attorney requirements of 38 C.F.R. § 14.631; and (2) the fee agreement requirements of 38 C.F.R. § 14.636(g).

241. All agreements for the payment of any fees for services rendered in connection with veteran's benefits must be in writing and signed by both the claimant or appellant and the accredited agent or attorney. To be valid and lawful, a fee agreement must: (1) name the veteran; (2) name the claimant or appellant if other than a veteran; (3) name any disinterested third-party payer and the relationship between the third-party payer and the veteran, claimant, or appellant; (4) set forth the applicable VA file number; and (5) contain the specific terms under which the amount to be paid for the services of the attorney

or agent will be determined. 38 C.F.R. § 14.636(g)(1)(i-v).

242. Within thirty (30) days of the execution of a fee agreement between a veteran and representative, the representative must send a copy of their fee agreement to either the VA or Office of General Counsel ("OGC"). 38 C.F.R. 14.636(g)(3).

243. In connection with Ford's First Claim, Veterans Guardian never complied with any of the power of attorney requirements contained in 38 C.F.R. § 14.631 nor the fee agreement requirements of 38 C.F.R. § 14.636(g). Furthermore, Veterans Guardian is not an accredited agent of the VA, has never filed any direct-pay fee agreements with the VA, nor filed a direct-pay fee agreement with the OGC for any of the VA Disability Compensation Claims that it prepared and collected a fee on Ford's First Claim.

244. Ford's back pay or past due retroactive benefits resulting from her First Claim is roughly $350.00. As a result, the maximum amount that a VA accredited agent or attorney could have charged Ford for the increase of her First Claim would have been capped at approximately $116.55.

245. In her First Claim, Veterans Guardian charged Ford fifteen times or over 1,500% the allowable fees permitted by federal regulations when Veterans Guardian charged $1,800.00 to Ford.

246. In Ford's First Claim, Veterans Guardian never submitted a fee agreement to the VA or the OGC. Moreover, the OGC never approved of Veterans Guardian's fees.

2. Ford's Second Claim

247. As for Ford's Second Claim, Veterans Guardian is in violation of 38. C.F.R. 14.629(b)(1) because it admittedly prepared Ford's Second Claim for VA benefits without

first receiving accreditation by the VA:

Veterans Guardian even provided a pre-addressed and stamped envelope for mailing her claim submission to the VA.

250. Veterans Guardian prepares and completes thousands of similar claim forms for submission to the VA every month.

251. Again, Veterans Guardian also reminded Ford in no uncertain terms, "Be sure to contact us if/when you receive any VA correspondence so we may help you respond to any requests for information in a timely manner, provide advice, or simply follow your claim progress moving forward."

Once Ford's Second Claim was submitted, Veterans Guardian prepared Ford for her C&P medical exam administered by the VA and Veterans Guardian instructed Ford to notify its office if the VA sent correspondence that requested additional information so that Veterans Guardian could assist Ford with a response and provide advice on how to respond to the VA, in violation of 38. C.F.R. 14.629(b)(1).

253. Ford received an increase related to her Second Claim. Ford received a VA Disability Compensation increase worth roughly $300.00 per month.

254. Only accredited agents and attorneys may receive a fee from claimants or appellants for their services provided in connection with representation, however, even as an unaccredited representative, Veterans Guardian charged and collected a fee related to Ford's Second Claim in violation of 38 C.F.R. § 14.636(b).

255. Pursuant to the language contained in Veterans Guardian's Contract, Veterans Guardian charged Ford an invoice ($300.00 x 5) for its services in preparing Ford's Second Claim.

256. For Ford's Second Claim, she paid Veterans Guardian $1,500.00 in one lump sum payment.

3. Otters' Claim

257. Veterans Guardian is in violation of 38. C.F.R. § 14.629(b)(1) because it

admittedly prepared Otters' Claim for VA benefits without first receiving accreditation by the VA:

258. After receiving his Claim Packet via US Mail above, Otters was asked to review several VA claim forms that had been fully prepared by Veterans Guardian.

259. Veterans Guardian completely prepared Otters' Claim. It selected the appropriate forms, filled out all the necessary data for Otters' specific claim, printed the

claim forms and supporting documents, and mailed the completed Packet in paper form to Otters' home address, along with a fully addressed envelope addressed to the VA, paid for the postage, and provided instructions on where to add his signature and date on the claim form. Veterans Guardian even provided a pre-addressed and stamped envelope for mailing his claim submission to the VA.

260. Upon information and belief, Veterans Guardian prepares and completes hundreds of VA Disability Compensation Claim forms for submission to the VA every month that are substantially similar to Otters' Claim.

261. Moreover, Veterans Guardian also reminded Otters in no uncertain terms, to contact them if Otters received any VA correspondence so that Veterans Guardian could help him respond to any requests for information in a timely manner, provide advice, or simply follow the progress of his VA claim moving forward.

262. Once Otters' Claim was submitted, Veterans Guardian prepared Otters for C&P medical exam administered by the VA, and Veterans Guardian instructed Otters to notify its office if the VA sent correspondence that requested additional information so that Veterans Guardian could assist Otters with a response and provide advice on how to respond to the VA, in violation of 38. C.F.R. 14.629(b)(1).

263. Following his assistance from Veterans Guardian, Otters' disability rating percentage increased from 70% to 90%. Otters received an increase related to his Claim worth roughly $599.33 per month.

264. Only accredited agents and attorneys may receive a fee from claimants or appellants for their services provided in connection with representation, however, even as

an unaccredited claims representative, Veterans Guardian charged and collected a fee related to Otters' Claim in violation of 38 C.F.R. § 14.636(b).

265. Pursuant to the language contained in Veterans Guardian's Contract, Veterans Guardian emailed Otters an invoice charging him $2,990.00 ($599.33 x 5) for its services in preparing Otters' Claim.

266. Over the course of several months, Otters paid Veterans Guardian $2,990.00 in several installment payments.

267. Veterans Guardian collection of fees for services provided in connection with Otters' Claim representation violates 38 C.F.R. § 14.636(b).

268. Further, 38 C.F.R. § 14.636(c)(1)(i) provides that *only* Agents and attorneys may charge claimants or appellants for representation provided that: after an agency of original jurisdiction has issued a decision[21] on a claim or claims or for an increase in rate of benefit, so long as the agent or attorney has complied with: (1) the power of attorney requirements of 38 C.F.R. § 14.631; and (2) the fee agreement requirements of 38 C.F.R. § 14.636(g).

269. All agreements for the payment of any fees for services rendered in connection with veteran's benefits must be in writing and signed by both the claimant or appellant and the accredited agent or attorney. To be valid and lawful, a fee agreement must contain: (1) name the veteran; (2) name the claimant or appellant if other than a veteran; (3) name any disinterested third-party payer and the relationship between the third-

party payer and the veteran, claimant, or appellant; (4) the applicable VA file number; and (5) specific terms under which the amount to be paid for the services of the attorney or agent will be determined. 38 C.F.R. § 14.636(g)(1)(i-v).

270. Within thirty (30) days of the execution of a fee agreement between a veteran and representative, the representative must send a copy of their fee agreement to either the VA or Office of General Counsel ("OGC"). 38 C.F.R. 14.636(g)(3).

271. In connection with Otters' Claim, Veterans Guardian never complied with any of the power of attorney requirements contained in 38 C.F.R. § 14.631 nor the fee agreement requirements of 38 C.F.R. § 14.636(g). Furthermore, Veterans Guardian is not an accredited agent of the VA, has never filed any direct-pay fee agreements with the VA, nor filed a direct-pay fee agreement with the OGC for any of the VA Disability Compensation Claims that it prepared and collected a fee on Otters' Claim.

272. The VA also prohibits agents and attorneys from charging or being paid for services with respect to services provided before the date on which a notice of the initial claim is issued. 38 U.S.C. § 5904(c)(1).

273. Moreover, the VA makes it unlawful for any individual or entity to charge veterans for assisting with initial claims or the recovery of future VA benefits.

274. Upon information and belief, Veterans Guardian collects fees related to representation when it prepares claims.

275. Pursuant to 38 C.F.R. § 14.636(f), any fee that exceeds 33 1/3 percent of any past-due VA disability benefits awarded shall be presumed to be unreasonable by the VA.

276. Here, Congress created the robust regulations for VA claim services in 38

U.S.C. § 59, *et seq.* and 38 C.F.R. § 14, *et seq.*, to protect veterans similarly situated to Ford from predators like Veterans Guardian. The North Carolina Supreme Court has held "Violations of statutes designed to protect the consuming public and violations of established public policy may constitute unfair and deceptive practices." *Stanley v. Moore*, 339 N.C. 717, 723, 454 S.E.2d 225, 228 (N.C. 1995).

277. As detailed herein, Veterans Guardian has repeatedly and systematically violated numerous provisions of 38 U.S.C. § 59, *et seq.* and 38 C.F.R. § 14, *et seq.* In total, Ford paid Veterans Guardian $3,401.00 with respect to her two claims.

278. Had a VA accredited agent or attorney assisted with Ford's two claims, Ford would have only been required to pay approximately $656.01.

279. Ford disputes whether Veterans Guardian could charge her any fee as an unaccredited agent. Even if Veterans Guardian were permitted to assist with VA claims as an unaccredited agent, Ford paid Veterans Guardian at least $2,744.99 more than is permitted by federal regulation.

280. Veterans Guardian has employed similar practices to charge excessive fees to members of the UDTPA Non-Initial Claim Class.

281. Veterans Guardian collects these amounts in open violation of the restrictions, qualifications and regulations set forth in Chapter 59 and 38 of the United States Code and 38 C.F.R. § 14.

282. Therefore, Defendant's acts violated federal regulations in the following ways:

a. Helping claimants prepare and present their VA benefits claims while being

unaccredited;

b. Charging fees that exceeds the rates allowed by the VA regulations for helping with such claims and/or charging fees that exceeds what is charged by VA accredited and highly vetted agents and attorneys;

c. Exercising a claim over VA benefits in the form of "agreed-to" fees and imposing steep penalties for the non-payment of fees;

d. Charging fees that it knows exceed thirty-three-and-one-third of a veteran's retroactive award;

e. Charging fees for claims assistance when it is unaccredited;

f. Receiving fees for claims assistance when it is unaccredited; and

g. Emailing invoices to collect debts related to claims assistance provided by its unaccredited representatives.

283. Preparing, presenting, and/or prosecuting VA disability claims without accreditation violates federal law. Additionally, emailing invoices to collect debts related to claims assistance whereby Defendant charges a fee that exceeds thirty-three-and-one-third percent, late fees, or interest is illegal. Accordingly, Defendant's violation of the federal regulations enacted to protect veterans, who are part of the consuming public, meets the three-part test under the UDTPA and thereby constitutes a *per* se violation of the UDTPA.

284. Veterans Guardian should not be permitted to keep any portion of its fees because it failed to submit its fee agreement in accordance with 38 C.F.R. § 14.636(f).

285. Veterans Guardian should not be permitted to keep any portion of its fees

because it is not accredited and the collection of a fee by an unaccredited claims representative violates 38 C.F.R. § 14.636(b).

286. Ford, Otters, and the Class members have been harmed and suffered actual damages (as defined by the UDTPA) by paying excessive fees under the Veterans Guardian standard form Contract. *See* Exhibit A.

287. As a direct and proximate cause of Veterans Guardian's regulatory violations, Ford, Otters, and the Class are entitled to actual damages and compensatory damages along with injunctive relief pursuant to section N.C. Gen Stat § 75, *et seq*.

288. Ford, Otters, and the Class are entitled to treble damages pursuant to N.C. Gen Stat § 75-16.

289. Ford, Otters, and the Class are entitled to attorneys' fees and costs pursuant to N.C. Gen Stat § 75-16.1. Ford, Otters, and the Class have reason to believe that Defendant is violating and will continue to violate the federal regulations cited herein, and thereby are entitled to a declaration from the Court that the contracts with Defendant are void and unenforceable and any other concomitant equitable relief.

COUNT III
Violations of the North Carolina Debt Collection Act
N.C. Gen Stat § 75-50, *et seq.*
(NCDCA Class)

290. Plaintiffs incorporate by reference each and every factual allegation set forth in paragraphs 1-175 above.

291. The NCDCA and the UDTPA are interrelated, and the NCDCA is essentially an extension of the UDTPA to debt collection practices. *See Batten v. Panatte, LLC (In re.*

Batten), No. 18-00256-5-DMW (Bankr. E.D.N.C. Feb. 22, 2019).

292. Veterans Guardian is a "debt collector" as defined by the NCDCA. *See* N.C.G.S. § 75.50(3).

293. NCDCA applies to any person engaged in debt collection from a consumer, which includes a creditor collecting its own accounts. N.C.G.S. § 75-50(3).

294. Plaintiffs and the Class are "consumer[s]" as defined by the NCDCA. *See* N.C.G.S. § 75-50(1).

295. Veterans Guardian attempted to collect a debt from Plaintiffs when it emailed them form invoices seeking payment for an alleged debt from Plaintiffs on their claims.

296. Upon information and belief, Veterans Guardian emailed other similarly situated veterans nearly identical form invoices whereby it attempted to collect substantially similar debts arising from unlawful and prohibited practices.

297. As such, the Veterans Guardian's form invoices sent to Plaintiffs and the Class seek to collect a "debt" within the meaning of N.C.G.S. § 75-50(2).

298. "The collection letters need not have caused each class member a personal, factual injury based on his or her subjective reaction to it, but only an informational injury based on alleged misrepresentations and misleading information contained in the letters, in violation of the statute." *McMillan v. Blue Ridge Companies, Inc.*, 866 S.E.2d 700, 707, 379 N.C. 488, 497, 2021 -NCSC- 160, ¶ 21 (N.C., 2021)

299. "[W]hen a statute creates a cause of action independent from a personal, factual, injury, 'the relevant questions are only whether the plaintiff has shown a relevant statute confers a cause of action and whether the plaintiff satisfies the requirements to bring

a claim under the statute.' The NCDCA is one such statute." *McMillan v. Blue Ridge Companies, Inc.*, 866 S.E.2d 700, 709, 379 N.C. 488, 500, 2021 -NCSC- 160, ¶ 34 (N.C., 2021)(internal citations omitted).

300. The NCDCA prohibits any person collecting a debt from making deceptive or false representations about the debt being collected. *See* N.C.G.S § 75-54.

> 75-54. Deceptive representation.
>
> No debt collector shall collect or attempt to collect a debt or obtain information concerning a consumer by any fraudulent, deceptive or misleading representation. Such representations include, but are not limited to, the following:
> …
> (4) Falsely representing the character, extent, or amount of a debt against a consumer…
>
> (7) Falsely representing the status or true nature of the services rendered by the debt collector or his business.

301. Veterans Guardian admits that it is not accredited. Exhibit A. The VA only permits accredited attorneys or agents to charge for assistance with VA Disability Claims. 38 C.F.R. § 14.636(b).

302. Veterans Guardian knew that only accredited agents and attorneys may charge a fee to veterans for such services as provided in 38 C.F.R. § 14.636 (b), and that even accredited agents may only charge a maximum of one-and-one-third percent of any back pay award pursuant to 38 C.F.R. § 14.636 (f).

303. By sending collection letters seeking payment for claim services that are prohibited by Chapter 38 C.F.R. § 14 *et. seq.* and by charging amounts that exceed the limited amounts that can be charged for such services, Veterans Guardian falsely

represented the legal status, character or "true nature" of the debt. In truth, the debt is completely prohibited by Chapter 38.

304. On Ford's First Claim, Veterans Guardian charged her $1,800.00 ($360.00 x 5), even though federal law prohibited any fee to unaccredited agents or capped fees on Ford's First Claim at approximately $116.55.

305. On Ford's Second Claim, Veterans Guardian charged her $1,500.00 ($300.00 x 5), even though federal law prohibited any fee for unaccredited agents or capped fees on Ford's Second Claim at approximately $539.46.

306. In total, Veterans Guardian charged Ford $3,401.00 with respect to her two claims, even though it knew that federal law prohibited any fees higher than $656.01.

307. On Beard's Initial Claim, Veterans Guardian charged him $21,394 ($4,278.80 x 5), even though federal law completely prohibited fees on Beard's Initial Claim.

308. In total, Veterans Guardian charged Beard $21,394 with respect to his Initial Claim, even though it knew that federal law prohibited the collection of any fee on an initial claim.

309. On Otters' Claim, Veterans Guardian charged him $2,990.00 (599.33 x 5), even though federal law even though federal law prohibited any fee for unaccredited agents.

310. To collect its unlawful fees, Veterans Guardian's emailed debt collection invoices to Plaintiffs that did not disclose the unlawful nature of the agreement or the underlying debt stemming therefrom. *See* Exhibit B.

311. Upon information and belief, Veterans Guardian entered into thousands of illegal standard form Contracts with veterans across the United States similar to Exhibit A. Once a veteran receives an increase from the VA and is awarded additional monthly compensation, Veterans Guardian emails illegal standard form invoices to them, similar to Exhibit B.

312. Any debts that Veterans Guardian collected under its standard form illegal Contract and standard form invoices should be disgorged. Any outstanding debts related to any standard form illegal Contract should be cancelled.

313. Defendant had actual knowledge that its fees are not authorized by federal law or North Carolina law, and therefore in charging the illegal fees Veterans Guardian knowingly violated N.C.G.S. § 75-55 by claiming and attempting to enforce a debt which was not legitimate and not lawfully due and owing.

314. As a direct and proximate result of Defendant's NCDCA violations, Plaintiffs and the Class have been harmed in the amount of fees collected and are entitled to actual damages; statutory damages of not less than $500 but no more than $4,000 for each violation; declaratory and injunctive relief; and attorney's fees and costs pursuant to N.C.G.S. § 75-56(a)-(d).

PRAYER FOR RELIEF

WHEREFORE, Plaintiffs pray that the Court enter an Order:

a. Certifying this action as a class action, as provided by Rule 23 of the Federal Rules of Civil Procedure, appointing Plaintiffs as Class Representatives, and appointing the undersigned attorneys and their firms as Class Counsel;

d. Medical Exams

1) In the event that a client requires an independent medical opinion from a medical professional that meets VA credentialing requirements, the client has the option to use a private provider or a VA staff doctor. If the client chooses to use a private provider, the private provider may charge a fee for their services which is wholly separate from Veterans Guardian and its consulting services. Any fees will be paid directly to the private provider with no involvement of Veterans Guardian.

2) Veterans Guardian has pre-identified private medical professionals that understand the complexities of the VA disability claim process and provide credible and unbiased independent medical opinions based on an individual evaluation of the client and their medical history, and available medical-legal evidence.

a) No client is required to utilize a Veterans Guardian pre-identified medical professional.

b) Pre-identified private medical professionals are independent of Veterans Guardian and solely responsible for any medical opinion and may provide an opinion that does not support a favorable VA disability rating.

c) Veterans Guardian cannot provide any guarantee that the independent medical opinion of a pre-identified medical professional will be favorable to the clients VA claim. In the event that the independent medical opinion does not support a claim for a given condition, Veterans Guardian may choose to provide no further assistance in development of that specific given condition.

d) These conditions provide independent medical evaluations that carry significant weight and provide value to clients in VA consideration of their disability claims.

e) If the client chooses to utilize one of the Veterans Guardian pre-identified medical professionals the client is granting permission for Veterans Guardian to communicate with that medical professional to include but not limited to the following:

i. Transmission of any and all personal and health information provided by the Client to Veterans Guardian from Veterans Guardian to the Medical Professional. The purpose of this transfer of information is to provide the medical professional with the information necessary to prepare for and conduct the mental health examination.

ii. Transmission of completed assessments from the medical professional to Veterans Guardian to include but not limited to an Independent Medical Opinion and addendums. The purpose of this transfer is to provide Veterans Guardian with the completed assessment to assist the Veteran in preparing their claim packet for submission to the VA.

3) **Mental Health Consultation Consent**.

If the client chooses to utilize one of the Veterans Guardian pre-identified medical professionals the client agrees to and understands the following:

a) I will receive a psychological consultation from a licensed mental health professional.

b) The purpose of this consultation is to provide the Veterans Benefits Administration (VBA), which is also part of the VA, with information they need to make a decision regarding my claim for Compensation & Pension (C&P) benefits.

c) I understand that I am not a patient of any of the mental health professionals and I will not be receiving counseling or psychotherapy. I understand that the only reason for this process is to conduct a psychological consultation for compensation and pension (C&P) purposes. I understand that if I want to receive mental health treatment from the Veterans Health Administration, I can call any VA medical center or clinic to request an appointment.

d) The consultation might be stressful, I might feel upset (sad, anxious, irritable, depressed, etc.) as a result of the consultation. I understand that the mental health professional and Veterans Guardian are not able or responsible for crisis management. If I am in crisis, I understand that I can receive immediate attention by calling the Veteran Crisis Line (1-800-272-8255, press 1, or text 838255) or the National Suicide Prevention Lifeline (1-800-273-8255).

e) This consultation and its contents are private and confidential except under the following circumstances:

i. If I appeal my case to the Federal courts, some aspects of this exam may become a matter of public record.

ii. The mental health professional will write an exam report and send it to Veterans Guardian to be included in the information provided to you for submission of your claim packet to the VA. A copy of the exam report will also be retained in a secure location for future reference, as needed.

iii. If I am in imminent danger of harming myself or another person, the mental health professional working with me must take whatever steps necessary to prevent harm and this might mean breaking confidentiality.

iv. If I share information that would lead a reasonable person to suspect that a child, disabled adult, or elderly person is being abused or neglected then the mental health professional is obligated to report that information to Protective Services.

f) I must be honest in answering questions during the consultation and on all psychological questionnaires and tests (as applicable). Any attempt to exaggerate or fabricate symptoms of mental disorders could have negative consequences for my claim.

g) If I had any questions about this consent, all of them were answered prior to the consultation being conducted.

3. Determination of Consulting Fee

a. The client is only charged a fee if there is a favorable outcome on their claim that results in an increase in the client's compensation from the government. WE TAKE ALL THE RISK UP FRONT.

JZJ

b. Veterans Guardian will receive compensation equivalent to five (5) times the increase in the client's monthly compensation that results from Veterans Guardian Pre-filing consulting services.

c. Determination of Increase in Client's Monthly Compensation and Consulting Fee. The increase in the clients monthly compensation is determined by subtracting the client's pre-consulting monthly compensation prior to submission of a claim based on Veterans Guardian Pre-filing consulting services and the clients post-consulting monthly compensation after submission of a claim based on Veterans Guardian Pre-filing consulting services. The client's individual status relating to retirement, separation, and active duty status impacts how the consulting fee is determined. Each client will fall into 1 of 4 categories; Retired Veteran, Separated Veteran, Active Duty Retiring and Active Duty Separating. Each category has a specific process for determining the consulting fee as follows:

1) **Retired or Retiring Veteran.** As a veteran receiving retirement pay, whether or not the client is receiving concurrent retirement and disability pay (CRDP) plays a large factor in determination of total compensation from the government and Veterans Guardian consulting fees. Pre-consulting and post-consulting monthly compensation and the consulting fee is determined as follows:

   a) **Pre-Consulting Monthly Compensation.** If the client has a VA rating of 40% or less and is not receiving concurrent retirement and disability pay (CRDP), their pre-consulting monthly compensation will be treated as no benefit ($0) because the Veteran is not receiving any additional benefit from the government. If the client has a rating that is 50% or greater and is receiving CRDP their pre-consulting monthly compensation will be treated as the full value of the VA benefit because they are receiving their full Retirement pay and VA benefit concurrently.

   b) **Post-Consulting Monthly Compensation.** The post-consulting monthly compensation is dependent on whether or not the client achieves a rating of at least 50% and is eligible to receive CRDP. If the client does not achieve a rating of 50% or greater and is therefore not eligible to receive CRDP, their post-consulting monthly compensation will be treated as no benefit ($0) and the client will owe Veterans Guardian no consulting fee because the client did not receive any additional benefit from the government. If the client achieves a rating of 50% or greater and is eligible to receive CRDP the post-consulting monthly compensation will be treated as the full value of the VA benefit because they are now receiving their full retirement pay concurrently.

   c) **Consulting Fee.** The consulting fee is determined by subtracting the pre-consulting monthly compensation from the post-consulting monthly compensation and multiplying any increase by five (5). As a veteran receiving retired pay you will only be charged a consulting fee if there is an increase in your monthly compensation and you achieve a disability rating of 50% or higher and are eligible for CRDP.

Examples of Consulting Fee Determination: Client is retired with a spouse and no children

Example #1

Pre-consulting Rating: **20%**
Monthly Compensation: **$0** (no CRDP)
Post-consulting Rating: **60%**
Monthly Compensation: **$1,215.86**
Special Monthly Comp: **$108.57**
Monthly Compensation: **$1,324.43**
Increase
(multiply x 5 for consulting fee)
Consulting Fee: **$6,622.15**

Example #2

Pre-consulting Rating: **20%**
Monthly Compensation: **$0** (no CRDP)
Post-consulting Rating: **40%**
Monthly Compensation: **$0** (no CRDP)
Monthly Compensation: **$0**
Increase
(multiply x 5 for consulting fee)
Consulting Fee: **$0**

2) **Separated or Separating Veteran.** As a separated veteran, retirement pay is not a factor. The increase in the clients monthly compensation is determined by subtracting the client's pre-consulting monthly compensation prior to submission of a Veterans Guardian assisted claim and the clients post-consulting

monthly compensation after submission of their Veterans Guardian assisted claim and multiplying any increase by five (5).

Example of Consulting Fee Determination: Client has a spouse and no children

Pre-consulting Rating:	**30%**
Monthly Compensation:	**$479.83**
Post-consulting Rating:	**60%**
Monthly Compensation:	**$1215.86**
Special Monthly Comp:	**$108.57**
Monthly Compensation:	**$844.60**
Increase (multiply x 5 for consulting fee)	
Consulting Fee:	**$4,223.00**

3) For determination of the consulting fee, Veterans Guardian considers as part of the monthly benefit disability compensation, special monthly compensation (SMC), and additional spouse/dependent payments.

4) Veterans Guardian does not consider any retroactive pay, temporary convalescent rating pay, combat related special compensation awards, aid and attendance, or Dependency Indemnity Compensation in the determination of consulting fees.

d. Subsequent Consulting Services with Veterans Guardian. As with the initial claim, the increase in the clients monthly benefit award is determined by subtracting the client's monthly benefit award after the previous submission based on Veterans Guardian Pre-filing consulting services and the clients monthly benefit award after submission of their subsequent submission based on Veterans Guardian Pre-filing consulting services. Bottom line – we base determination of subsequent consulting fees only on any increase we help you achieve.

e. Pending Claims. If the client chooses to begin a consulting relationship with Veterans Guardian before any and all pending claims have been adjudicated by the VA, any compensation subsequently awarded by the VA will be included in the determination of consulting fees.

4. Payment. Veterans Guardian provides the client with flexibility for the payment of consulting fees and will work with the client to develop a payment schedule to meet the clients needs within the following terms.

a. Consulting fees are considered billable from the date the client receives their first increased disability compensation based on Veterans Guardian Pre-filing consulting services.

b. Clients will receive a billing statement electronically from Veterans Guardian on the 1st of the month they receive their first increased disability compensation. The billing statement will include a payment schedule and instructions for payment methods. All payments are due by the 7th of the month.

c. Payment Methods.

1) Check. Payment(s) can be made by check to 75 Trotter Hills Circle, Pinehurst, NC 28374 .

2) Electronic Payments. Veterans Guardian will also accept payment through electronic means including credit card and ACH transfer. Electronic payments will be set up as automatic recurring payments for the timeframe of the fee schedule.

d. Fee Structure.

1) Option 1: Lump Sum Payment. The client may choose to make a lump sum payment for the full consulting fee at a 10% discount. Payment is due on the 1st of the month they receive their first increased disability compensation. To qualify for the 10% discount, full payment must be made no later than the 7th of the month in the 1st month the client receives increased disability compensation.

GLJ

2) **Option 2: Scheduled Payments.** The client may choose to establish a payment schedule. Veterans Guardian will establish a 5 or 10 month schedule that divides the consulting fee into 5 or 10 equal payments due monthly without any interest or additional fees.

   1) The first payment is due on the 1st of the month they receive their first increased disability compensation and must be paid NLT then the 7th of the month.

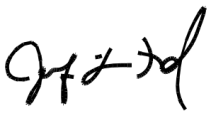
   2) All subsequent payments are due on the 1st of each month and must be paid NLT then the 7th of the month.

   3) The client may choose to accelerate the fee schedule and pay more than the minimum required each month with no penalty or additional fees.

   4) The client agrees to a payment schedule using a bank account or credit card on file that will be automatically debited on the first of each month.

3) Any late monthly payments are subject to a $50 late fee. Any outstanding balance after 10 months may be subject to an annual interest rate of 20%.

5. Death of Client.



a. In the event of the death of a client during the period in which fees are being collected all payments will immediately stop and any outstanding balance for consulting fees will be forgiven. The client's surviving dependents, heirs or estate will not be liable for any outstanding fees. Any fees collected up to the point of the client's death will remain the property of Veterans Guardian.

6. This agreement contains the entire agreement between the parties and all negotiations and understandings have been included. Any statements or representations which may have been made by any party to this agreement in the negotiation stages of this agreement which may in some way be inconsistent with this final written agreement are declared to be of no value in this agreement. Only the written terms of this agreement will bind the parties.

7. The invalidity or unenforceability of any particular provision of this agreement shall not affect any other provision hereof, but this Agreement shall be construed and enforced as if such invalid or unenforceable provision was omitted.

8. This agreement is entered into and shall be governed by the laws of the State of North Carolina and said states courts shall have exclusive jurisdiction to adjudicate any dispute arising out of or relating to this agreement.

d. Medical Exams

1) In the event that a client requires an independent medical opinion from a medical professional that meets VA credentialing requirements, the client has the option to use a private provider or a VA staff doctor. If the client chooses to use a private provider, the private provider may charge a fee for their services which is wholly separate from Veterans Guardian and its consulting services. Any fees will be paid directly to the private provider with no involvement of Veterans Guardian.

2) Veterans Guardian has pre-identified private medical professionals that understand the complexities of the VA disability claim process and provide credible and unbiased independent medical opinions based on an individual evaluation of the client and their medical history, and available medical-legal evidence.

a) No client is required to utilize a Veterans Guardian pre-identified medical professional.

b) Pre-identified private medical professionals are independent of Veterans Guardian and solely responsible for any medical opinion and may provide an opinion that does not support a favorable VA disability rating.

c) Veterans Guardian cannot provide any guarantee that the independent medical opinion of a pre-identified medical professional will be favorable to the clients VA claim. In the event that the independent medical opinion does not support a claim for a given condition, Veterans Guardian may choose to provide no further assistance in development of that specific given condition.

d) These conditions provide independent medical evaluations that carry significant weight and provide value to clients in VA consideration of their disability claims.

EB

e) If the client chooses to utilize one of the Veterans Guardian pre-identified medical professionals the client is granting permission for Veterans Guardian to communicate with that medical professional to include but not limited to the following:

ii. Transmission of completed assessments from the medical professional to Veterans Guardian to include but not limited to an Independent Medical Opinion and addendums. The purpose of this transfer is to provide Veterans Guardian with the completed assessment to assist the Veteran in preparing their claim packet for submission to the VA.

3) Mental Health Consultation Consent.

If the client chooses to utilize one of the Veterans Guardian pre-identified medical professionals the client agrees to and understands the following:

a) I will receive a psychological consultation from a licensed mental health professional.

b) The purpose of this consultation is to provide the Veterans Benefits Administration (VBA), which is also part of the VA, with information they need to make a decision regarding my claim for Compensation & Pension (C&P) benefits.

c) I understand that I am not a patient of any of the mental health professionals and I will not be receiving counseling or psychotherapy. I understand that the only reason for this process is to conduct a psychological consultation for compensation and pension (C&P) purposes. I understand that if I want to receive mental health treatment from the Veterans Health Administration, I can call any VA medical center or clinic to request an appointment.

d) The consultation might be stressful, I might feel upset (sad, anxious, irritable, depressed, etc.) as a result of the consultation. I understand that the mental health professional and Veterans Guardian are not able or responsible for crisis management. iv. If I share information that would lead a reasonable person to suspect that a child, disabled adult, or elderly person is being abused or neglected then the mental health professional is obligated to report that information to Protective Services.

f) I must be honest in answering questions during the consultation and on all psychological questionnaires and tests (as applicable). Any attempt to exaggerate or fabricate symptoms of mental disorders could have negative consequences for my claim.

g) If I had any questions about this consent, all of them were answered prior to the consultation being conducted.

3. Determination of Consulting Fee

a. The client is only charged a fee if there is a favorable outcome on their claim that results in an increase in the client's compensation from the government. WE TAKE ALL THE RISK UP FRONT.

b. Veterans Guardian will receive compensation equivalent to five (5) times the increase in the client's monthly compensation that results from Veterans Guardian Pre-filing consulting services.

c. Determination of Increase in Client's Monthly Compensation and Consulting Fee. The increase in the clients monthly compensation is determined by subtracting the client's pre-consulting monthly compensation prior to submission of a claim based on Veterans Guardian Pre-filing consulting services and the clients post-consulting monthly compensation after submission of a claim based on Veterans Guardian Pre-filing consulting services. The client's individual status relating to retirement, separation, and active duty status impacts how the consulting fee is determined. Each client will fall into 1 of 4 categories; Retired Veteran, Separated Veteran, Active Duty Retiring and Active Duty Separating. Each category has a specific process for determining the consulting fee as follows:

1) Retired or Retiring Veteran. As a veteran receiving retirement pay, whether or not the client is receiving concurrent retirement and disability pay (CRDP) plays a large factor in determination of total compensation from the government and Veterans Guardian consulting fees. Pre-consulting and post-consulting monthly compensation and the consulting fee is determined as follows:

a) Pre-Consulting Monthly Compensation. If the client has a VA rating of 40% or less and is not receiving concurrent retirement and disability pay (CRDP), their pre-consulting monthly compensation will be treated as no benefit ($0) because the Veteran is not receiving any additional benefit from the government. If the client has a rating that is 50% or greater and is receiving CRDP their pre-consulting monthly compensation will be treated as the full value of the VA benefit because they are receiving their full Retirement pay and VA benefit concurrently.

b) Post-Consulting Monthly Compensation. The post-consulting monthly compensation is dependent on whether or not the client achieves a rating of at least 50% and is eligible to receive CRDP. If the client does not achieve a rating of 50% or greater and is therefore not eligible to receive CRDP, their post-consulting monthly compensation will be treated as no benefit ($0) and the client will owe Veterans Guardian no consulting fee because the client did not receive any additional benefit from the government. If the client achieves a rating of 50% or greater and is eligible to receive CRDP the post-consulting monthly compensation will be treated as the full value of the VA benefit because they are now receiving their full retirement pay concurrently.

c) Consulting Fee. The consulting fee is determined by subtracting the pre-consulting monthly compensation from the post-consulting monthly compensation and multiplying any increase by five (5). As a veteran receiving retired pay you will only be charged a consulting fee if there is an increase in your monthly compensation and you achieve a disability rating of 50% or higher and are eligible for CRDP.

Examples of Consulting Fee Determination: Client is retired with a spouse and no children

Example #1

Pre-consulting Rating: **20%**
Monthly Compensation: **$0** (no CRDP)
Post-consulting Rating: **60%**
Monthly Compensation: **$1,215.86**
Special Monthly Comp: **$108.57**
Monthly Compensation: **$1,324.43**
Increase
(multiply x 5 for consulting fee)
Consulting Fee: **$6,622.15**

Example #2

Pre-consulting Rating: **20%**
Monthly Compensation: **$0** (no CRDP)
Post-consulting Rating: **40%**
Monthly Compensation: **$0** (no CRDP)
Monthly Compensation: **$0**
Increase
(multiply x 5 for consulting fee)
Consulting Fee: **$0**

2) **Separated or Separating Veteran.** As a separated veteran, retirement pay is not a factor. The increase in the clients monthly compensation is determined by subtracting the client's pre-consulting monthly compensation prior to submission of a Veterans Guardian assisted claim and the clients post-consulting monthly compensation after submission of their Veterans Guardian assisted claim and multiplying any increase by five (5).

Example of Consulting Fee Determination: Client has a spouse and no children

Pre-consulting Rating: **30%**
Monthly Compensation: **$479.83**
Post-consulting Rating: **60%**
Monthly Compensation: **$1215.86**
Special Monthly Comp: **$108.57**

Monthly Compensation: **$844.60**
Increase
(multiply x 5 for consulting fee)

Consulting Fee: **$4,223.00**

3) For determination of the consulting fee, Veterans Guardian considers as part of the monthly benefit disability compensation, special monthly compensation (SMC), and additional spouse/dependent payments.

4) Veterans Guardian does not consider any retroactive pay, temporary convalescent rating pay, combat related special compensation awards, aid and attendance, or Dependency Indemnity Compensation in the determination of consulting fees.

d. **Subsequent Consulting Services with Veterans Guardian.** As with the initial claim, the increase in the clients monthly benefit award is determined by subtracting the client's monthly benefit award after the previous submission based on Veterans Guardian Pre-filing consulting services and the clients monthly benefit award after submission of their subsequent submission based on Veterans Guardian Pre-filing consulting services. Bottom line – we base determination of subsequent consulting fees only on any increase we help you achieve.

e. **Pending Claims.** If the client chooses to begin a consulting relationship with Veterans Guardian before any and all pending claims have been adjudicated by the VA, any compensation subsequently awarded by the VA will be included in the determination of consulting fees.

4. **Payment.** Veterans Guardian provides the client with flexibility for the payment of consulting fees and will work with the client to develop a payment schedule to meet the clients needs within the following terms.

a. Consulting fees are considered billable from the date the client receives their first increased disability compensation based on Veterans Guardian Pre-filing consulting services.

b. Clients will receive a billing statement electronically from Veterans Guardian on the 1st of the month they receive their first increased disability compensation. The billing statement will include a payment schedule and instructions for payment methods. All payments are due by the 7th of the month.

c. **Payment Methods.**

1) **Check.** Payment(s) can be made by check to 75 Trotter Hills Circle, Pinehurst, NC 28374 .

2) **Electronic Payments.** Veterans Guardian will also accept payment through electronic means including credit card and ACH transfer. Electronic payments will be set up as automatic recurring payments for the timeframe of the fee schedule.

d. **Fee Structure.**

1) **Option 1: Lump Sum Payment.** The client may choose to make a lump sum payment for the full consulting fee at a 10% discount. Payment is due on the 1st of the month they receive their first increased disability

EB

compensation. To qualify for the 10% discount, full payment must be made no later than the 7th of the month in the 1st month the client receives increased disability compensation.

2) **Option 2: Scheduled Payments.** The client may choose to establish a payment schedule. Veterans Guardian will establish a 5 or 10 month schedule that divides the consulting fee into 5 or 10 equal payments due monthly without any interest or additional fees.

   1) The first payment is due on the 1st of the month they receive their first increased disability compensation and must be paid NLT then the 7th of the month.

   2) All subsequent payments are due on the 1st of each month and must be paid NLT then the 7th of the month.

   3) The client may choose to accelerate the fee schedule and pay more than the minimum required each month with no penalty or additional fees.

   4) The client agrees to a payment schedule using a bank account or credit card on file that will be automatically debited on the first of each month.

3) Any late monthly payments are subject to a $50 late fee. Any outstanding balance after 10 months may be subject to an annual interest rate of 20%.

5. **Death of Client.**
   a. In the event of the death of a client during the period in which fees are being collected all payments will immediately stop and any outstanding balance for consulting fees will be forgiven. The client's surviving dependents, heirs or estate will not be liable for any outstanding fees. Any fees collected up to the point of the client's death will remain the property of Veterans Guardian.
6. This agreement contains the entire agreement between the parties and all negotiations and understandings have been included. Any statements or representations which may have been made by any party to this agreement in the negotiation stages of this agreement which may in some way be inconsistent with this final written agreement are declared to be of no value in this agreement. Only the written terms of this agreement will bind the parties.
7. The invalidity or unenforceability of any particular provision of this agreement shall not affect any other provision hereof, but this Agreement shall be construed and enforced as if such invalid or unenforceable provision was omitted.
8. This agreement is entered into and shall be governed by the laws of the State of North Carolina and said states courts shall have exclusive jurisdiction to adjudicate any dispute arising out of or relating to this agreement.

3) Client affirms they do not have any notice of Disagreement, Appeals, and do not meet the definition of "claimant" as defined in 38 CFR § 14.627(h) and 38 CFR § 14.627(i).

4) Client affirms that they understand that there are completely free services available to veterans to support the filing of claims for VA benefits and for the services that Veterans Guardian will provide pursuant to this agreement. The client always has the option to utilize the free services provided by entities such as National Service Organizations (e.g. VFW, DAV), Local Service Organizations, State Sponsored Veteran Service Officers, and/or the paid services of VA accredited agents or lawyers. Utilization of Veterans Guardian consulting services is not required to submit a claim for VA benefits and the client can achieve a positive VA benefit claim outcome with these other organizations. Furthermore, clients may utilize Veterans Guardian consulting services in coordination with these other free or paid services. Veterans Guardian only works with clients that understand these other options are available and have elected to retain Veterans Guardian consulting services with that full knowledge. The Veterans Administration provides a search tool to find representatives for VA Claims who will assist you for free at www.ebenfits.va.gov/ebenefits/vso-search.

5) Client affirms that they understand that Veterans Guardian is not a VA accredited agent and will not assist a claimant in the preparation, presentation and prosecution of claims for VA benefits. Veterans Guardian is not the client's representative to the VA and does not file claims or any other documents or responses with the VA

on behalf of the client. The client is solely responsible for any and all submissions of claims, documents or responses to the VA either as their own representative or through a VA accredited agent.

6) Client agrees to provide all required documents as determined by Veterans Guardian to include but not limited to any and all medical records (both military and civilian), VA rating decision letters, VA rating breakdown letter, VA pay history, confirmation of current claim status, DD214, and any other correspondence with the VA. Clients are responsible for providing these documents in a timely manner.

7) Clients will not provide any original copies of any documents sent to Veterans Guardian. Any documents submitted to Veterans Guardian will be copied and the client will maintain the original or a copy of any documents sent to Veterans Guardian. Veterans Guardian will scan any documents received and store electronically on a HIPAA compliant server. All paper documents will be destroyed once scanned. Veterans Guardian will not return paper documents to a client. Client affirms that they are responsible for maintaining copies of all records and releases Veterans Guardian of any liability for the loss of a client's records.

8) The client will provide timely and responsive answers to any inquiries from Veterans Guardian to support completion of Pre-filing and Post-filing consulting services and any billing activities.

9) The client will notify Veterans Guardian and provide copies of any and all correspondence received from the VA to include Rating Decision Letters within two days of receipt in order to support Post filing consulting services within the VA regulatory and statutory timelines.

10) The client will notify Veterans Guardian of any pending appointments with a medical professional (private provider, military provider, VA provider) or VA Compensation and Pension (C&P) exam so that Veterans Guardian can assist the client in preparing for the appointment.

11) The client agrees to pay all fees IAW section 3 (Determination of Consulting Fee) and section 4 (Payments).

12) The client assumes full responsibility for failure to provide information or comply with the terms of this agreement and the possible delay or loss of benefits that may result. Client understands that they or their accredited representative are solely responsible for timely filing of a claim and responses to the VA and that failure to meet these timelines may result in loss or reduction of benefits.

13) The client will provide and maintain both an email address and phone number for communication with Veterans Guardian. If the client changes either email address or phone number, Veterans Guardian will be notified of any change and provided with new contact information. Client authorizes Veterans Guardian to communicate through these means for any and all functions related to this agreement including phone call, text, email, and automated messaging systems.

14) Client will obtain and/or maintain a Premium VA eBenefits account.

15) If the client fails to meet these requirements or to do so in a timely manner, Veterans Guardian may terminate its relationship with the client if it determines it can no longer provide benefit to the client.

c. Additional Terms and Conditions.

1) Each case will be reviewed to determine compatibility with Veterans Guardians services. Veterans Guardian only retains cases in which Veterans Guardians consulting services provide benefit to the veteran. Veterans Guardian reserves the right to end any consulting relationship if Veterans Guardian determines that it can no longer provide benefit to the client or it is apparent that the client is attempting to defraud the government.

2) All consulting is based on information provided by the client and the client retains responsibility for the accuracy and truthfulness of that information and the outcome of the consulting service provided based on that information. The client is solely responsible for ensuring that all filings with the VA are accurate and timely and assumes responsibility for any impact on benefits and a VA decision as a result of a filing.

3) Veterans Guardian does not guarantee an outcome on VA rating decisions. Not all claims will be decided in favor of the client. This is why Veterans Guardian does not charge a fee unless there is a favorable outcome.

4) **Pending Claims.** Pending claims that have not been adjudicated can complicate the process and impact your individual claim strategy. Veterans Guardian's preference is to allow claims to be adjudicated first and then

establish the consulting relationship and move forward. However, Veterans Guardian will move forward with providing pre-filing consulting services for claims if the client desires. Existing claims impact the development of an overall claim strategy and require further review and development. Due to the work required of Veterans Guardian in relation to these claims any favorable outcome on these claims will be included in the fee structure.

5) Veterans Guardian will only provide consulting services for medical conditions that have adequate medical history, medical-legal evidence, and documented service connection. Veterans Guardian will not be a party to any fraudulent or undeserved claim.

6) Veterans Guardian is not a law firm, does not have an attorney on staff, and is not licensed to practice law in any jurisdiction. Our consulting services may include verbal or written discussions of legal issues and procedures and any communications are understood to be only Veterans Guardians' opinion and does not constitute legal assistance or advice.

7) Information listed in this agreement and any and all other correspondence or marketing materials from Veterans Guardian, not limited to but including, benefit amounts, success rates, and disability rating and benefit increases are estimates not specific to any one claim and do not represent a promise or guarantee of results. Determination of benefits and awards is determined solely by the Department of Veterans Affairs.

8) This agreement represents the full agreement between the client and Veterans Guardian. Any verbal or written representations made by any representative of Veterans Guardian that is not included in this agreement is only valid if those representations are signed by the CEO of Veterans Guardian.

9) The client understands and agrees that the consulting services provided are "as is" and that Veterans Guardian disclaims all warranties of any kind. The client is only charged a fee if there is a favorable outcome.

10) Release of Information: To the extent not prohibited by Law or Regulation, you authorize the transfer and disclosure of any information relating to you to and between the branches, subsidiaries, representative offices, affiliates and agents of Veterans Guardian and third parties selected by any of them or us, wherever situated, for confidential use. We and any of the branches, subsidiaries, representative offices, affiliates and agents of Veterans Guardian or third parties selected by any of them or us, shall be entitled to transfer and disclosure any information as may be required by Law or Regulation, court, regulator or legal process.

d. Medical Exams

1) In the event that a client requires an independent medical opinion from a medical professional that meets VA credentialing requirements, the client has the option to use a private provider or a VA staff doctor. If the client chooses to use a private provider, the private provider may charge a fee for their services which is wholly separate from Veterans Guardian and its consulting services. Any fees will be paid directly to the private provider with no involvement of Veterans Guardian.

2) Veterans Guardian has pre-identified private medical professionals that understand the complexities of the VA disability claim process and provide credible and unbiased independent medical opinions based on an individual evaluation of the client and their medical history, and available medical-legal evidence.

- **a)** No client is required to utilize a Veterans Guardian pre-identified medical professional.
- **b)** Pre-identified private medical professionals are independent of Veterans Guardian and solely responsible for any medical opinion and may provide an opinion that does not support a favorable VA disability rating.
- **c)** Veterans Guardian cannot provide any guarantee that the independent medical opinion of a pre-identified medical professional will be favorable to the clients VA claim. In the event that the independent medical opinion does not support a claim for a given condition, Veterans Guardian may choose to provide no further assistance in development of that specific given condition.
- **d)** These conditions provide independent medical evaluations that carry significant weight and provide value to clients in VA consideration of their disability claims.

e) If the client chooses to utilize one of the Veterans Guardian pre-identified medical professionals the client is granting permission for Veterans Guardian to communicate with that medical professional to include but not limited to the following:

i. Transmission of any and all personal and health information provided by the Client to Veterans Guardian from Veterans Guardian to the Medical Professional. The purpose of this transfer of information is to provide the medical professional with the information necessary to prepare for and conduct the mental health examination.

ii. Transmission of completed assessments from the medical professional to Veterans Guardian to include but not limited to an Independent Medical Opinion and addendums. The purpose of this transfer is to provide Veterans Guardian with the completed assessment to assist the Veteran in preparing their claim packet for submission to the VA.

3) Mental Health Consultation Consent.

If the client chooses to utilize one of the Veterans Guardian pre-identified medical professionals the client agrees to and understands the following:

a) I will receive a psychological consultation from a licensed mental health professional.

b) The purpose of this consultation is to provide the Veterans Benefits Administration (VBA), which is also part of the VA, with information they need to make a decision regarding my claim for Compensation & Pension (C&P) benefits.

c) I understand that I am not a patient of any of the mental health professionals and I will not be receiving counseling or psychotherapy. I understand that the only reason for this process is to conduct a psychological consultation for compensation and pension (C&P) purposes. I understand that if I want to receive mental health treatment from the Veterans Health Administration, I can call any VA medical center or clinic to request an appointment.

d) The consultation might be stressful, I might feel upset (sad, anxious, irritable, depressed, etc.) as a result of the consultation. I understand that the mental health professional and Veterans Guardian are not able or responsible for crisis management. If I am in crisis, I understand that I can receive immediate attention by calling the Veteran Crisis Line (1-800-272-8255, press 1, or text 838255) or the National Suicide Prevention Lifeline (1-800-273-8255).

e) This consultation and its contents are private and confidential except under the following circumstances:

i. If I appeal my case to the Federal courts, some aspects of this exam may become a matter of public record.

ii. The mental health professional will write an exam report and send it to Veterans Guardian to be included in the information provided to you for submission of your claim packet to the VA. A copy of the exam report will also be retained in a secure location for future reference, as needed.

iii. If I am in imminent danger of harming myself or another person, the mental health professional working with me must take whatever steps necessary to prevent harm and this might mean breaking confidentiality.

iv. If I share information that would lead a reasonable person to suspect that a child, disabled adult, or elderly person is being abused or neglected then the mental health professional is obligated to report that information to Protective Services.

f) I must be honest in answering questions during the consultation and on all psychological questionnaires and tests (as applicable). Any attempt to exaggerate or fabricate symptoms of mental disorders could have negative consequences for my claim.

g) If I had any questions about this consent, all of them were answered prior to the consultation being conducted.

3. Determination of Consulting Fee

a. The client is only charged a fee if there is a favorable outcome on their claim that results in an increase in the client's compensation from the government. WE TAKE ALL THE RISK UP FRONT.

b. Veterans Guardian will receive compensation equivalent to five (5) times the increase in the client's monthly compensation that results from Veterans Guardian Pre-filing consulting services.

c. Determination of Increase in Client's Monthly Compensation and Consulting Fee. The increase in the clients monthly compensation is determined by subtracting the client's pre-consulting monthly compensation prior to submission of a claim based on Veterans Guardian Pre-filing consulting services and the clients post-consulting monthly compensation after submission of a claim based on Veterans Guardian Pre-filing consulting services. The client's individual status relating to retirement, separation, and active duty status impacts how the consulting fee is determined. Each client will fall into 1 of 4 categories; Retired Veteran, Separated Veteran, Active Duty Retiring and Active Duty Separating. Each category has a specific process for determining the consulting fee as follows:

1) Retired or Retiring Veteran. As a veteran receiving retirement pay, whether or not the client is receiving concurrent retirement and disability pay (CRDP) plays a large factor in determination of total compensation from the government and Veterans Guardian consulting fees. Pre-consulting and post-consulting monthly compensation and the consulting fee is determined as follows:

a) Pre-Consulting Monthly Compensation. If the client has a VA rating of 40% or less and is not receiving concurrent retirement and disability pay (CRDP), their pre-consulting monthly compensation will be treated as no benefit ($0) because the Veteran is not receiving any additional benefit from the government. If the client has a rating that is 50% or greater and is receiving CRDP their pre-consulting monthly compensation will be treated as the full value of the VA benefit because they are receiving their full Retirement pay and VA benefit concurrently.

b) Post-Consulting Monthly Compensation. The post-consulting monthly compensation is dependent on whether or not the client achieves a rating of at least 50% and is eligible to receive CRDP. If the client does not achieve a rating of 50% or greater and is therefore not eligible to receive CRDP, their post-consulting monthly compensation will be treated as no benefit ($0) and the client will owe Veterans Guardian no consulting fee because the client did not receive any additional benefit from the government. If the client achieves a rating of 50% or greater and is eligible to receive CRDP the post-consulting monthly compensation will be treated as the full value of the VA benefit because they are now receiving their full retirement pay concurrently.

c) Consulting Fee. The consulting fee is determined by subtracting the pre-consulting monthly compensation from the post-consulting monthly compensation and multiplying any increase by five (5). As a veteran receiving retired pay you will only be charged a consulting fee if there is an increase in your monthly compensation and you achieve a disability rating of 50% or higher and are eligible for CRDP.

Examples of Consulting Fee Determination: Client is retired with a spouse and no children

Example #1

Pre-consulting Rating: **20%**
Monthly Compensation: **$0** (no CRDP)
Post-consulting Rating: **60%**
Monthly Compensation: **$1,215.86**
Special Monthly Comp: **$108.57**
Monthly Compensation: **$1,324.43**
Increase
(multiply x 5 for consulting fee)
Consulting Fee: **$6,622.15**

Example #2

Pre-consulting Rating: **20%**
Monthly Compensation: **$0** (no CRDP)
Post-consulting Rating: **40%**
Monthly Compensation: **$0** (no CRDP)
Monthly Compensation: **$0**
Increase
(multiply x 5 for consulting fee)
Consulting Fee: **$0**

BDD

2) **Separated or Separating Veteran.** As a separated veteran, retirement pay is not a factor. The increase in the clients monthly compensation is determined by subtracting the client's pre-consulting monthly compensation prior to submission of a Veterans Guardian assisted claim and the clients post-consulting monthly compensation after submission of their Veterans Guardian assisted claim and multiplying any increase by five (5).

Example of Consulting Fee Determination: Client has a spouse and no children

Pre-consulting Rating: **30%**
Monthly Compensation: **$479.83**
Post-consulting Rating: **60%**
Monthly Compensation: **$1215.86**
Special Monthly Comp: **$108.57**

Monthly Compensation: **$844.60**
Increase
(multiply x 5 for consulting fee)

Consulting Fee: **$4,223.00**

3) For determination of the consulting fee, Veterans Guardian considers as part of the monthly benefit disability compensation, special monthly compensation (SMC), and additional spouse/dependent payments.

4) Veterans Guardian does not consider any retroactive pay, temporary convalescent rating pay, combat related special compensation awards, aid and attendance, or Dependency Indemnity Compensation in the determination of consulting fees.

d. **Subsequent Consulting Services with Veterans Guardian.** As with the initial claim, the increase in the clients monthly benefit award is determined by subtracting the client's monthly benefit award after the previous submission based on Veterans Guardian Pre-filing consulting services and the clients monthly benefit award after submission of their subsequent submission based on Veterans Guardian Pre-filing consulting services. Bottom line – we base determination of subsequent consulting fees only on any increase we help you achieve.

e. **Pending Claims.** If the client chooses to begin a consulting relationship with Veterans Guardian before any and all pending claims have been adjudicated by the VA, any compensation subsequently awarded by the VA will be included in the determination of consulting fees.

4. **Payment.** Veterans Guardian provides the client with flexibility for the payment of consulting fees and will work with the client to develop a payment schedule to meet the clients needs within the following terms.

a. Consulting fees are considered billable from the date the client receives their first increased disability compensation based on Veterans Guardian Pre-filing consulting services.

b. Clients will receive a billing statement electronically from Veterans Guardian on the 1st of the month they receive their first increased disability compensation. The billing statement will include a payment schedule and instructions for payment methods. All payments are due by the 7th of the month.

c. **Payment Methods.**

1) **Check.** Payment(s) can be made by check to 75 Trotter Hills Circle, Pinehurst, NC 28374 .

2) **Electronic Payments.** Veterans Guardian will also accept payment through electronic means including credit card and ACH transfer. Electronic payments will be set up as automatic recurring payments for the timeframe of the fee schedule.

d. **Fee Structure.**

1) **Option 1: Lump Sum Payment.** The client may choose to make a lump sum payment for the full consulting fee at a 10% discount. Payment is due on the 1st of the month they receive their first increased disability

compensation. To qualify for the 10% discount, full payment must be made no later than the 7th of the month in the 1st month the client receives increased disability compensation.

2) **Option 2: Scheduled Payments.** The client may choose to establish a payment schedule. Veterans Guardian will establish a 5 or 10 month schedule that divides the consulting fee into 5 or 10 equal payments due monthly without any interest or additional fees.

   1) The first payment is due on the 1st of the month they receive their first increased disability compensation and must be paid NLT then the 7th of the month.

   2) All subsequent payments are due on the 1st of each month and must be paid NLT then the 7th of the month.

   3) The client may choose to accelerate the fee schedule and pay more than the minimum required each month with no penalty or additional fees.

   4) The client agrees to a payment schedule using a bank account or credit card on file that will be automatically debited on the first of each month.

3) Any late monthly payments are subject to a $50 late fee. Any outstanding balance after 10 months may be subject to an annual interest rate of 20%.

5. **Death of Client.**
   a. In the event of the death of a client during the period in which fees are being collected all payments will immediately stop and any outstanding balance for consulting fees will be forgiven. The client's surviving dependents, heirs or estate will not be liable for any outstanding fees. Any fees collected up to the point of the client's death will remain the property of Veterans Guardian.
6. This agreement contains the entire agreement between the parties and all negotiations and understandings have been included. Any statements or representations which may have been made by any party to this agreement in the negotiation stages of this agreement which may in some way be inconsistent with this final written agreement are declared to be of no value in this agreement. Only the written terms of this agreement will bind the parties.
7. The invalidity or unenforceability of any particular provision of this agreement shall not affect any other provision hereof, but this Agreement shall be construed and enforced as if such invalid or unenforceable provision was omitted.
8. This agreement is entered into and shall be governed by the laws of the State of North Carolina and said states courts shall have exclusive jurisdiction to adjudicate any dispute arising out of or relating to this agreement.

EXHIBIT C

VA Disability Claims Assistance

Separating Fact from Fiction

VETERANS GUARDIAN
VA CLAIM CONSULTING

Myth: The Department of Veterans Affairs is easy to navigate and most often results in the proper level of disability benefits.

Fact: Anyone who has filed a disability claim with the VA knows that the system is extremely onerous and time-consuming. Look no further than the VA disability claims backlog: There are over 243,000 pending claims that are backlogged, or older than 125 days since the submission. That's over one-third of active claims.

Myth: The VA does a good job of identifying, treating, and compensating veterans' specific disabilities.

Fact: The VA requires that claimants provide proof of their disability, proof of eligibility for VA disability benefits, proof that their disability is related to military service, and medical evidence of all the above. Many disabled veterans need assistance collecting, vetting, packaging, and providing these materials, ranging from general guidance to medical evaluations, to hands-on preparation of their claims. To argue that the VA is an ally in this process is akin to arguing that the IRS is helpful in tax preparation.

Myth: Assistance provided by VSOs for benefits claims is widely available to veterans nationwide at an expedited speed.

Fact: While well-intentioned, VSO groups can be understaffed and under-resourced in many areas of the country. This leads to bureaucratic slowdown and limited offerings for veterans. Local representatives and members of VSOs don't solely focus on just disability claims and simply don't have the time or expertise to focus on individual disability claims.

Myth: Private companies are not trained or capable of providing quality disability claim services.

Fact: Veterans Guardian has a success rate of over 90%. Our experience is one of the keys to our success. Many of our staff have personally gone through the disability claims process, and we've successfully processed over 25,000 disability claims in the last two years. VSOs are generalists that help with many different veterans' issues. Whereas we specialize in the VA disability process to ensure that every claim has the best possible chance of being approved in the continually changing VA disability environment.

Myth: Private companies don't care about veterans.

Fact: Most private companies are founded by veterans. At Veterans Guardian, we're veteran-owned and operated, and our staff is 75% of veterans, spouses of veterans, or spouses of active duty service members. Additionally, with a contingent fee-based model, we're incentivized to provide the best experience and achieve the best result for each veteran client.

Myth: Private disability claims companies are operating totally unchecked.

Fact: Private disability claims companies are subject to the Federal Trade Commission, Department of Justice, and state Inspector General oversight. Any of these organizations can bring civil and criminal penalties for private companies that break the law.

Myth: Private disability claims companies took advantage of veterans during the COVID-19 pandemic shutdown.

Fact: There is no evidence of widespread abuse of veterans during the pandemic. VSOs made a conscious decision to shut down during the pandemic. Private businesses did not have that luxury.

Myth: Any unaccredited disability benefits consultant is acting illegally.

Fact: Federal and state laws DO NOT prohibit private claims consultants from assisting veterans with their disability claims.

Myth: Disability claims companies can be accredited; they just don't want to.

Fact: There is no path to accreditation for private disability claims companies. The way accreditation is currently structured makes it impossible for private companies to maintain their independence as consultants and provide their expertise to a wide variety of veteran disability claims needs.

Myth: Veterans Guardian is actively avoiding federal accreditation in order to avoid oversight and regulation.

Fact: Veterans Guardian is and has been actively seeking federal accreditation. We welcome accreditation and believe the VA process should be more inclusive, with additional oversight.

Myth: Predatory claims companies are aggressively soliciting veterans for their business.

Fact: Most private disability claims companies do what just about every other business in America does - they advertise on social media. Nearly 70% of veterans who use Veterans Guardian have already tried a free service.

Myth: There is endemic corruption and "claim sharking" in the disability benefits space.

Fact: While we acknowledge there are some bad practices, the vast majority of companies, such as Veterans Guardian, are operating in a forthright and transparent manner. In fact, over 50% of our clients are referrals from past satisfied customers, and we never solicit the veteran.

VETERANS GUARDIAN
VA CLAIM CONSULTING

IN THE UNITED STATES DISTRICT COURT
FOR THE MIDDLE DISTRICT OF NORTH CAROLINA

JENNIFER FORD, ERIC BEARD, and BRIAN OTTERS, individually and on behalf of all others similarly situated,	)	
Plaintiffs,	)	
v.	)	1:23-CV-756
VETERANS GUARDIAN VA CLAIM CONSULTING, LLC,	)	
Defendant.	)	

MEMORANDUM OPINION AND ORDER

Catherine C. Eagles, Chief District Judge.

Plaintiffs Jennifer Ford, Eric Beard, and Brian Otters are disabled military veterans who retained the defendant, Veterans Guardian VA Claim Consulting LLC, to assist them in obtaining or increasing their disability compensation. Federal law restricts those who may assist veterans in preparing, presenting, and prosecuting claims for benefits before the Veterans Administration to persons or entities meeting specific qualifications and accreditation requirements.

The plaintiffs contend that Guardian violates federal law by offering these services without accreditation and that it charges illegal fees in violation of the North Carolina Unfair and Deceptive Trade Practices Act and the North Carolina Debt Collection Act. The plaintiffs move for certification of three classes. Because the plaintiffs have satisfied the Rule 23 requirements for each class, the motion will be granted.

Class Claimants' Ex. No. 22

I. Facts As Alleged

Veterans may receive VA disability compensation, via a monthly payment, if they became sick or injured while serving in the military or if their service made an existing condition worse. 38 U.S.C. §§ 1110, 1131; 38 C.F.R. § 3.4(a), (b)(1). To receive these benefits, veterans must file a claim with the VA. 38 C.F.R. § 3.151(a).

Federal regulations provide that "[n]o individual may assist claimants in the preparation, presentation, and prosecution of claims for VA benefits as an agent or attorney unless he or she has first been accredited by VA for such purpose." *Id*. § 14.629(b)(1). Federal regulations govern and limit the services for which an accredited agent or attorney may charge fees and the amount of such fees. *See id*. § 14.636. By statute, charging a fee is prohibited in connection with the filing of an initial claim. *See* 38 U.S.C. § 5904(c)(1).

Multiple veteran service organizations assist veterans in filing their disability claims without charge. *See Arnesen v. Principi*, 300 F.3d 1353, 1360 (Fed. Cir. 2002) (citing *Walters v. Nat'l Ass'n of Radiation Survivors*, 473 U.S. 305, 311 (1985)). Many veterans use these free services to help with their initial claims, while others file their own initial claims. If a claim is denied or if a veteran believes the initial claim disability rating is too low, they may seek further review of that decision. Veterans may also seek an increase in their disability rating and, thus, an increase in their monthly benefits, if their service-related health problems worsen. Some veterans continue through this process on their own, others use a veteran service organization, and still others use a for-profit VA accredited agent or attorney.

Guardian is not an accredited agent of the VA. It assists veterans in applying for disability compensation and for increases in compensation, and it charges five times the monthly compensation increase that its clients receive as a fee for its services. Doc. 52-1 at 9, 19, 29. This is substantially higher than fees an accredited agent can charge.

Ms. Ford suffered several service-connected injuries and secondary service-connected injuries because of her military service. Doc. 52 at ¶¶ 57–58. Before contacting Guardian, she received a 60% VA disability impairment rating. *Id*. at ¶ 60. In 2022, she contacted Guardian about filing a claim for additional benefits. *Id*. at ¶¶ 61–64. She signed a contract with Guardian. *Id*. at ¶ 65; Doc. 52-1 at 3–11. Guardian accessed her medical and military records, coordinated a private medical exam, and drafted and prepared her VA disability compensation claim with attachments. Doc. 52 at ¶¶ 66–69. Guardian continued working with her in compiling her claim packet, submitting her claim, and providing post-filing instructions for submitting additional materials. *Id*. at ¶¶ 69–81. She received a VA disability compensation increase of $360 per month, and pursuant to her contract with Guardian, it billed her $1,880. *Id*. at ¶¶ 82–83; Doc. 52-2 at 3–4. She paid Guardian $1,880 over multiple monthly payments. Doc. 52 at ¶ 84. She later worked with Guardian in a similar manner to file a second claim for increased benefits due to a different medical condition. *Id*. at ¶¶ 89–98. She received a monthly VA disability compensation increase of $300 a month, and pursuant to her contract with Guardian, it billed her $1,690. *Id*. at ¶¶ 99–100; Doc. 52-2 at 5–6. She paid Guardian $1,521 in one lump sum. Doc. 52 at ¶ 103.

Mr. Beard suffered from several service-connected injuries and secondary service-connected injuries because of his military service. *Id*. at ¶¶ 111–12. Unlike Ms. Ford, Mr. Beard had never filed a VA benefits claim before contacting Guardian around August 2022. *Id*. at ¶¶ 114–16. He signed a contract with Guardian. *Id*. at ¶ 120; Doc. 52-1 at 13–21. Guardian accessed his medical and military records, coordinated a private medical exam, and drafted and prepared his VA disability compensation claim with attachments. Doc. 52 at ¶¶ 121–25. Guardian continued working with him in compiling his claim packet, submitting his claim, and providing post-filing instructions for submitting additional materials. *Id*. at ¶¶ 125–32. He received VA disability compensation of $4,278.80 per month, and pursuant to his contract with Guardian, it billed him $21,360. *Id*. at ¶¶ 133–34; Doc. 52-2 at 8–9. He has paid Guardian over $19,000 in monthly installments, and Guardian contends he still owes it money on the contract. Doc. 52 at ¶ 135.

Mr. Otters suffered from several service-connected injuries and secondary service-connected injuries because of his military service. *Id*. at ¶¶ 138–39. In 2023, he contacted Guardian about filing a non-initial claim for additional benefits. *Id*. at ¶¶ 140–42. He signed a contract with Guardian. *Id*. at ¶ 144; Doc. 52-1 at 23–31. Guardian accessed his medical records and military records, coordinated a private medical exam, and drafted and prepared his VA disability compensation claim with attachments. Doc. 52 at ¶¶ 145–48. Guardian continued working with him in compiling his claim packet, submitting his claim, and providing post-filing instructions for submitting additional materials. *Id*. at ¶¶ 149–53. He received a 90% disability rating and VA disability

compensation of $599.33 per month, and, pursuant to his contract with Guardian, it billed him $2,990. *Id*. at ¶¶ 154, 157–58; Doc. 52-2 at 11–12. He paid Guardian $2,990 over multiple monthly payments. Doc. 52 at ¶ 159.

II. The Plaintiffs' Claims and Requested Classes

In 2023, Ms. Ford filed this putative class action, which was later consolidated with cases filed by Mr. Beard and Mr. Otters. Docs. 1, 44. The plaintiffs allege that Guardian acted as an agent in the preparation of their claims for veterans' benefits in violation of federal law, 38 U.S.C. § 5904. Doc. 52 at ¶¶ 35, 205.

In Counts I and II, the plaintiffs assert that Guardian's actions of charging fees and preparing claim packets without being accredited constitute *per se* unfair trade practices prohibited by the North Carolina Unfair Trade Practices Act ("UDTPA").[1] *Id*. at ¶¶ 187–289; Doc. 73 at 14–15. They contend that even if the actions are not *per se* unfair trade practices, its actions still constitute unfair trade practices. Doc. 52 at ¶¶ 187–289; Doc. 73 at 14–15. The plaintiffs request two classes for the UDTPA claims: those who used Guardian's services to prepare initial claims and those who used Guardian's services to prepare non-initial claims. Doc. 52 at ¶¶ 187–289; Doc. 73 at 14–15. Specifically, they propose the following classes:

> **(1) UDTPA Initial Claim Class**: All veterans who paid Veterans Guardian in connection with preparing an initial claim for VA Disability Compensation under a contract in substantially the same form as the Consulting Service

[1] The plaintiffs contend that North Carolina law applies based on the choice of law provision in their contracts with Guardian stating such. Doc. 52 at ¶¶ 177, 214; Doc. 52-1 at 11, 21, 31; Doc. 73 at 7, 14.

> Agreement attached as Exhibit A to the Consolidated Complaint.
>
> **(2) UDTPA Non-Initial Claim Class**: All veterans who paid Veterans Guardian a fee in connection with preparing a non-initial claim for VA Disability Compensation under a contract in substantially the same form as the Consulting Service Agreement attached as Exhibit A to the Consolidated Complaint.

Doc. 70 at 1.

Under Count III, they assert that Guardian violated the North Carolina Debt Collection Act ("NCDCA") by sending invoices to collect its unlawful fees. They ask that a class be certified of people who paid Guardian after being sent an invoice for its services. Doc. 52 at ¶¶ 292–314; Doc. 73 at 16. Specifically, they propose the following class:

> **(3) NCDCA Class**: All veterans who paid money to Defendant after being sent an email invoice from Veterans Guardian in connection with a claim for VA Disability Compensation that is in substantially the same email invoice attached as Exhibit B to the Consolidated Complaint.

Doc. 100 at 17 (amending proposed class definition).

Guardian opposes certification of all three classes. Doc. 94. Each party filed briefs with evidentiary support, Docs. 73, 94, 100, and the motion is ripe for decision.

III. Class Certification

"The class action is an exception to the usual rule that litigation is conducted by and on behalf of the individual named parties only." *Comcast Corp. v. Behrend*, 569 U.S. 27, 33 (2013) (cleaned up). To qualify for the exception, the plaintiffs "must affirmatively demonstrate their compliance" with Federal Rule of Civil Procedure 23.

1988 Tr. for Allen Child. Dated 8/8/88 v. Banner Life Ins. Co., 28 F.4th 513, 521 (4th Cir. 2022) (cleaned up). District courts must rigorously assess the proffered evidence, *Wal-Mart Stores, Inc. v. Dukes*, 564 U.S. 338, 350–51 (2011), but they have "wide discretion" in evaluating whether the Rule 23 requirements have been met, in light of their experience and expertise in managing complex litigation. *Ward v. Dixie Nat'l Life Ins. Co.*, 595 F.3d 164, 179 (4th Cir. 2010); *see Carolina Youth Action Project v. Wilson*, 60 F.4th 770, 780 (4th Cir. 2023); *Reiter v. Sonotone Corp.*, 442 U.S. 330, 345 (1979) (noting that district courts "have broad power and discretion vested in them" as to the "certification and management of potentially cumbersome" class actions).

There are a number of requirements a plaintiff must meet to obtain class certification. As a threshold requirement, the class representative must be a member of the class she seeks to represent. The plaintiff must also meet the requirements of Rule 23(a): numerosity, commonality, typicality, and adequacy of representation. Finally, the plaintiff must meet one set of requirements under Rule 23(b). Here, the plaintiffs proceed under Rule 23(b)(3) for all three classes, so they must show that the class members are readily identifiable and must meet the predominance and superiority requirements.

IV. The Proposed UDTPA Classes

A. Threshold Requirements

The proposed class representatives must be members of the proposed class. *See Amchem Prods., Inc. v. Windsor*, 521 U.S. 591, 625–26 (1997); *see also* Fed. R. Civ. P. 23(a). As noted *supra*, the proposed UDTPA classes consist of:

> **UDTPA Initial Claim Class**: All veterans who paid Veterans Guardian in connection with preparing an initial claim for VA Disability Compensation under a contract in substantially the same form as the Consulting Service Agreement attached as Exhibit A to the Consolidated Complaint.
>
> **UDTPA Non-Initial Claim Class**: All veterans who paid Veterans Guardian a fee in connection with preparing a non-initial claim for VA Disability Compensation under a contract in substantially the same form as the Consulting Service Agreement attached as Exhibit A to the Consolidated Complaint.

Doc. 70 at 1.

During the relevant time, Mr. Beard retained Guardian to assist him in obtaining VA disability compensation, signed a contract with Guardian, and paid for those services. Doc. 73-9 at 3–4, 6. He is thus a member of the UDTPA initial claim class, and Guardian does not contend otherwise. During the relevant time, Ms. Ford and Mr. Otters retained Guardian to assist in increasing their disability compensation, signed contracts for those services, and paid for those services. Doc. 73-8 at 3–4, 6, 8; Doc. 73-10 at 3–4, 6. Mr. Beard, Ms. Ford, and Mr. Otters all made their first payments to Guardian within the class period provided *infra* at pp. 24-25. *See* Doc. 73-8 at 3, 6, 8; Doc. 73-9 at 3, 6; Doc. 73-10 at 3, 6. They are thus members of the UDTPA non-initial claim class, and Guardian does not contend otherwise.

Plaintiffs pursuing class certification under Rule 23(b)(3) must also demonstrate that members of the class are readily identifiable or ascertainable. *Peters v. Aetna Inc.*, 2 F.4th 199, 241–42 (4th Cir. 2021). To be readily identifiable, plaintiffs need not be able to "identify every class member at the time of certification." *Krakauer v. Dish Network,*

LLC ("*Krakauer II*"), 925 F.3d 643, 658 (4th Cir. 2019) (cleaned up). Rather, a class need only be defined "in such a way as to ensure that there will be some administratively feasible way for the court to determine whether a particular individual is a member at some point." *Id.* (cleaned up).

The members of these putative classes are ascertainable. They can be identified based on the "objective criteria," *EQT Prod. Co. v. Adair*, 764 F.3d 347, 358 (4th Cir. 2014), of whether they signed written contracts with Guardian during the relevant period for either initial claims (for Class 1) or non-initial claims (for Class 2) of veterans' disability compensation and whether they paid Guardian in connection with those services. Guardian maintains records of its clients' names, contact information, contracts, claims, invoices, and payment amounts, Doc. 75-1; Doc. 75-2 at 237-38; Doc. 52-1; Doc. 55-3 at 23, so those qualifications for class membership can be readily determined through common records Guardian itself maintains.

B. Rule 23(a) Requirements

1. Numerosity

There are thousands of members in each putative UDTPA class. Doc. 75-1. Guardian does not dispute numerosity. Doc. 94 at 11 n.2.

Joinder of that many parties would be impracticable, raising the specter of many lawsuits. As these proceedings show, there have already been three different lawsuits in this court alone. Some class members would also be economically unmotivated to litigate their claims or face challenges doing so because of their disabilities. Doc. 73-8 at

8; Doc. 73-9 at 6; Doc. 73-10 at 6. And judicial economy favors a class action over joinder. *See In re Zetia (Ezetimibe) Antitrust Litig.*, 7 F.4th 227, 235 (4th Cir. 2021).

The plaintiffs have satisfied the numerosity requirement.

2. Commonality

To satisfy the commonality requirement, there must be "questions of law or fact common to the class." Fed. R. Civ. P. 23(a)(2). To establish commonality, "the plaintiff [must] demonstrate that the class members have suffered the same injury." *Wal-Mart*, 564 U.S. at 349–50 (cleaned up). "Even a single common question will do," *id.* at 359 (cleaned up), "but it must be of such a nature that its determination will resolve an issue that is central to the validity of each one of the claims in one stroke." *EQT*, 764 F.3d at 360 (cleaned up); *see also Carolina Youth*, 60 F.4th at 780 ("Commonality requires [that] an entire set of claims depend upon a common contention that is capable of classwide resolution." (cleaned up)).

The plaintiffs identify several common legal and factual questions that will drive the liability decision in the putative UDTPA classes. Doc. 73 at 19–20.[2] The key initial question for all three requested classes requires statutory interpretation to determine whether Guardian acts as an "agent" for the veterans who retain their services. Among other key questions common to both UDTPA classes are: (1) whether Guardian is acting

[2] "In a class action brought under Rule 23(b)(3), the commonality requirement of Rule 23(a)(2) is subsumed under, or superseded by, the more stringent Rule 23(b)(3) requirement that questions common to the class predominate over other questions." *Lienhart v. Dryvit Sys., Inc.*, 255 F.3d 138, 146 n.4 (4th Cir. 2001) (cleaned up); *accord Thorn v. Jefferson-Pilot Life Ins. Co.*, 445 F.3d 311, 319 (4th Cir. 2006). The common questions will be discussed in more detail *infra* in connection with the predominance requirement.

in violation of the accreditation statute when it prepares and presents claim packets to the VA in exchange for compensation as an unaccredited company; and (2) whether a violation of the accreditation statute constitutes a per se violation of the UDTPA. The plaintiffs have satisfied the commonality requirement for the UDTPA classes.

3. Typicality

Typicality requires that "the claims or defenses of the representative parties are typical of the claims or defenses of the class." Fed. R. Civ. P. 23(a)(3). "The typicality requirement is met where the claims asserted by the named plaintiffs arise from the same course of conduct and are based on the same legal theories as the claims of the unnamed class members." *Tatum v. R.J. Reynolds Tobacco Co.*, 254 F.R.D. 59, 65 (M.D.N.C. 2008) (cleaned up). This requirement "goes to the heart of a representative parties' ability to represent a class," and the named plaintiff's interest in prosecuting its case "must simultaneously tend to advance the interests of the absent class members." *Deiter v. Microsoft Corp.*, 436 F.3d 461, 466 (4th Cir. 2006). The claims of the class representative and the claims of the class need not "be perfectly identical or perfectly aligned." *Id.* at 467.

As to the typicality requirement, all the class members allege the same injury: imposition of illegal fees by an unaccredited agent. The named plaintiffs each base their claims on violations of the UDTPA through violation of the federal accreditation statute. Doc. 52 at ¶¶ 188, 225; *see Lienhart*, 255 F.3d at 146 ("Typicality requires that the . . . class representative . . . be part of the class and possess the same interest and suffer the same injury as the class members." (cleaned up)). Guardian followed consistent

procedures with each of its clients in contracting with them and filing claims. *See* Docs. 52-1, 61, 73-8, 73-9, 73-10, 123. For example, the parties' joint stipulation states:

> each VA Claim Packet produced as part of the sampled client files was sent by Defendant to the respective client via email. Defendant confirms that the produced VA Claim Packet was attached to Defendant's email to each client stating that the VA claim is attached for the client's review. Defendant confirms this practice is standard for all Veterans Guardian clients during the Class Period.

Doc. 61 at 1.

The Claim Packet prepared for Mr. Beard is for an Initial Claim, and he can adequately represent all members of the UDTPA Initial Claim Class. Doc. 73-9 at 4–6. The Claim Packets prepared for Ms. Ford and Mr. Otters were for Non-Initial claims, and they can adequately represent the UDTPA Non-Initial Claim Class. Doc. 73-8 at 3–4; Doc. 73-10 at 3–4.

4. Adequacy of Representation

Rule 23(a) requires that the class representatives "fairly and adequately protect the interests of the class." Fed. R. Civ. P. 23(a)(4). The adequacy inquiry "serves to uncover conflicts of interest between named parties and the class they seek to represent." *Amchem*, 521 U.S. at 625; *accord Carolina Youth*, 60 F.4th at 780. It also serves to assess "competency and conflicts of class counsel." *Amchem*, 521 U.S. at 626 n.20; *accord Wal-Mart*, 564 U.S. at 349 n.5.

The plaintiffs have satisfied the adequacy requirement. Ms. Ford, Mr. Beard, and Mr. Otters have been active participants in this litigation. Each has assisted counsel in the litigation, provided declarations, and participated in depositions. Docs. 94-1, 94-2,

94-3; 73-8; 73-9; 73-10. They are motivated to pursue the case because each is directly affected by the alleged illegal fees they paid Guardian. *See* Docs. 73-8; 73-9; 73-10. Interim lead class counsel has adequately represented the class to date, complying with court-imposed deadlines and filing appropriate motions. The Court has independently reviewed the qualifications, experience, knowledge of the law, and resources of Plaintiffs' Counsel. They have extensive experience in consumer class litigation actions. *See* Docs. 51; 43-1; 43-2. Plaintiffs' Counsel's qualifications will be discussed in more detail *infra* at 26 when addressing appointment of class counsel.

Guardian asserts that the named plaintiffs are not adequate representatives because their interests may conflict with the interests of some putative class members who, it asserts, benefited from Guardian's services and want to use those services. Doc. 94 at 26–27. The argument that some class members would like to use those services, even if illegal, is not persuasive. *See Laumann v. Nat'l Hockey League*, 105 F. Supp. 3d 384, 404 (S.D.N.Y. 2015). "[I]t confuses the question of whether a common injury unites the class with the distinct question of whether all class members agree about how best to *respond* to the injury." *Id.* at 400; *see also Howell v. Advantage RN, LLC*, No. 17-CV-883, 2018 WL 3437123, at *7 (S.D. Cal. July 17, 2018) ("[The named plaintiff's] interest is in determining whether Defendant is employing an unlawful policy . . . . [She] is therefore an adequate representative."). And the broad freedom to contract does not include services that are illegal. *See Bicycle Transit Auth., Inc. v. Bell*, 314 N.C. 219, 228, 333 S.E.2d 299, 305 (1985). Any class member who does not want to participate in the class or receive any benefits from the class can opt out.

C. Rule 23(b)(3) Requirements

Predominance "tests whether proposed classes are sufficiently cohesive to warrant adjudication by representation." *Amchem*, 521 U.S. at 623. "An individual question is one where members of a proposed class will need to present evidence that varies from member to member, while a common question is one . . . [that] is susceptible to generalized, class-wide proof." *Tyson Foods, Inc. v. Bouaphakeo*, 577 U.S. 442, 453 (2016) (cleaned up). "[C]ommon issues of liability may still predominate even when some individualized inquiry is required." *Ealy v. Pinkerton Gov't Servs., Inc.*, 514 F. App'x 299, 305 (4th Cir. 2013); *see also Krakauer v. Dish Network L.L.C.* ("*Krakauer I*"), 311 F.R.D. 384, 399 (M.D.N.C. 2015) ("Predominance . . . does not require all issues to be common." (cleaned up)); *Gunnells v. Healthplan Servs. Inc.*, 348 F.3d 417, 429 (4th Cir. 2003) ("[T]he need for individualized proof of damages alone will *not* defeat class certification."). "Predominance applies to damages because the efficiencies of the class action mechanism would be negated if questions of individual damage calculations overwhelm questions common to the class," but "this does not mean that damages must be susceptible of measurement across the entire class for purposes of Rule 23(b)(3)." *In re Zetia*, 7 F.4th at 237 (cleaned up).

The superiority requirement looks at whether the class action "would achieve economies of time, effort, and expense, and promote uniformity of decision as to persons similarly situated." *Amchem*, 521 U.S. at 615 (cleaned up). Superiority reflects the policy at the core of class actions, which were designed to overcome the problem that "small recoveries do not provide the incentive for any individual to bring a solo action

prosecuting his or her rights." *Cal. Pub. Emps' Ret. Sys. v. ANZ Sec., Inc.*, 582 U.S. 497, 513 (2017). Class actions address "this problem by aggregating the relatively paltry potential recoveries into something worth someone's (usually an attorney's) labor." *Amchem*, 521 U.S. at 617 (cleaned up).

Rule 23(b)(3) provides a non-exclusive list of factors for courts to consider in deciding whether a class action meets the predominance and superiority requirements:

> (A) the class members' interests in individually controlling the prosecution or defense of separate actions; (B) the extent and nature of any litigation concerning the controversy already begun by or against class members; (C) the desirability or undesirability of concentrating the litigation of the claims in the particular forum; and (D) the likely difficulties in managing a class action.

Fed. R. Civ. P. 23(b)(3); *accord Thorn*, 445 F.3d at 319.

1. Predominance

Courts look to the elements of the cause of action to decide if common questions of law and fact predominate. *Erica P. John Fund, Inc. v. Halliburton Co.*, 563 U.S. 804, 809 (2011). The elements of a UDTPA claim are: "(1) [the] defendant committed an unfair or deceptive act or practice, (2) the action in question was in or affecting commerce, and (3) the act proximately caused injury to the plaintiff." *Nobel v. Foxmoor Grp., LLC*, 380 N.C. 116, 120, 868 S.E.2d 30, 33 (2022); *accord Custer v. Dovenmuehle Mortg., Inc.*, No. 24-CV-306, 2024 WL 4528187, at *4 (M.D.N.C. Oct. 18, 2024).

Here, there is one overarching common question of fact and law: whether Guardian acts as an "agent." There are two more overarching common questions of law: (1) whether Guardian is acting in violation of the accreditation statute when it prepares

and presents claim packets to the VA in exchange for compensation as an unaccredited company; and (2) whether a violation of the accreditation statute constitutes a *per se* violation of the UDTPA. If the case goes to trial, whether the facts found by the jury constitute an unfair trade practice will be a common question of law. *See Fortson v. Garrison Prop. & Cas. Ins. Co.*, No. 19-CV-294, 2022 WL 198782, at *2 (M.D.N.C. Jan. 13, 2022).

These questions can be answered with common evidence of Guardian's processes for filing clients' claims (both initial and non-initial), working with clients, and billing clients. The evidence tends to show that Guardian follows uniform procedures and uses similar contracts with all its clients such that answers to these questions will be applicable to all putative class members. Docs. 52-1, 61, 73-8, 73-9, 73-10, 123. The case also has a common defense, because Guardian claims that it does not act as an agent for any client. Doc. 75-2 at 38–39, 73–75; *see e.g.*, Doc. 53 at ¶¶ 35, 121, 154.

Guardian identifies several individual issues that it contends defeat predominance. First, it points to the common law definition of agency and the need for individual determinations on agency. Doc. 94 at 13. But the plaintiffs' evidence shows that Guardian interacted with and worked for the putative class members in a uniform manner throughout the relationships based on its standard practices. Docs. 123, 61, 73-8, 73-9, 73-10. Guardian stipulates as much. Doc. 61. And the plaintiffs' theory is based on these common practices, not on proof that will vary from individual to individual. The standard practices bear on the central issues of the litigation: whether Guardian's actions of charging fees and preparing claim packets without being accredited constitutes a

UDTPA violation. *See EQT*, 764 F.3d at 366 (stating that common practices that bear on the central issue in the litigation support a finding of predominance).

Second, Guardian asserts that individual questions exist about whether the UDTPA applies to each putative class member. Doc. 94 at 16–17. It contends that North Carolina law will not govern the damages determination for out-of-state class members and that it is questionable such out of state class members can even assert a UDTPA claim. *Id*. at 17–19. Whether North Carolina law will apply is another common question. Should Guardian prevail on its argument that North Carolina law will not apply across the board, the Court can revisit whether to modify the class definition.[3]

Third, Guardian contends, relying on terms in the contracts with putative class members, that questions about whether the voluntary payment doctrine bars individual putative class members' damages defeat commonality and predominance. *Id*. at 19–22. "Under the North Carolina doctrine of voluntary payment, a payment cannot be recovered if it is voluntarily made by a person with full knowledge of all facts relevant to the payment." *Boydell v. Wells Fargo Bank, N.A.*, 12-CV-35, 2013 WL 5462255, at *1 (W.D.N.C. Sept. 30, 2013). The doctrine serves as an affirmative defense. *Id*. But Guardian does not explain how the evidence might differ from class member to class

[3] As the plaintiffs point out, the choice of law provision in the contracts at issue is broad. Moreover, Guardian has relied on terms in the contracts in its defenses and yet it now is saying the terms of the contract do not matter. At some point, Guardian will have to choose whether to rely on the contract terms or not. *Am. Bankers Ins. Grp., Inc. v. Long*, 453 F.3d 623, 627 (4th Cir. 2006) ("Equitable estoppel rests on a simple proposition: it is unfair for a party to rely on a contract when it works to its advantage, and repudiate it when it works to its disadvantage.") (cleaned up).

member and, as already discussed, the contracts included the same language and the interactions between Guardian and its clients followed the same standard practices. Docs. 52-1, 73-8, 73-9, 73-10. It seems likely that this will also raise a common question of fact or law, not a raft of individual issues.

Fourth, Guardian contends that calculating damages will require a complicated economic analysis that will significantly differ for each class member. Doc. 94 at 22–24. But that argument assumes the Court will reject the plaintiffs' proposed method of damage calculation, by which a class member's damages would be the amount the class member paid or was obligated to pay Guardian. That is a straightforward and simple formula that is unlikely to raise many individual disputes. *See Gunnells*, 348 F.3d at 429; *Ward*, 595 F.3d at 180 (affirming class certification despite some individual damages inquiries when "the formula for damages was identical for all class members"). Whether the plaintiffs' method of calculating damages is appropriate is another common question. Even if the Court were to find the plaintiffs' proposed method of calculating damages inappropriate, that does not mean that Guardian's complicated counter-proposal is the only alternative. Actual damages need not be proven with mathematical certainty, *Ridley v. Wendel*, 251 N.C. App. 452, 460, 795 S.E.2d 807, 814 (2016) (cleaned up), and there are several uncomplicated class-wide possibilities for damage calculation that occur to the Court. Any individual questions arising from the determination of damages can likely be managed.

The plaintiffs have satisfied the predominance requirement.

2. Superiority

A class action is the superior method to resolve the plaintiffs' UDTPA claims. The type of injury the putative class members allegedly suffered is not a personal injury or death of a loved one, where a plaintiff will ordinarily have "a substantial stake in making individual decisions on whether and when to settle." *Amchem*, 521 U.S. at 616. Here, "the class members likely have little interest in controlling the litigation." *See Krakauer I*, 311 F.R.D. at 400.

Given the large number of class members, class-wide adjudication will be more efficient. *See Gunnells*, 348 F.3d at 432–33; *In re Warfarin Sodium Antitrust Litig.*, 391 F.3d 516, 534 (3d Cir. 2004). Adjudicating these claims in one forum will provide flexibility, control, and consistency that would not exist with individual litigation. *See* Fed. R. Civ. P. 23(b)(3)(C); *Gunnells*, 348 F.3d at 425, 433. And, as discussed *supra*, the potential individual issues do not present great difficulties in managing the class. *See* Fed. R. Civ. P. 23(b)(3)(D).

Absent a class action, each veteran who paid Guardian and wanted to challenge its fees must bring an individual case or be joined in this action. These options are onerous, inefficient, and a waste of court resources. A class action will allow finality for all members of the UDTPA classes. Guardian also benefits, because without class certification it faces the possibility of conflicting verdicts on what is essentially the same issue.

Guardian does not raise any new superiority objections, instead contending that its commonality and predominance objections on individual issues also show a lack of

superiority. Doc. 94 at 24–25. As already discussed, individual questions do not predominate.

The Court has overseen many class actions. As these cases go, this one is pretty simple. It has discrete dispositive common questions, and many of those questions are likely to be resolved at summary judgment. If and when individual questions arise, it is likely they can be managed fairly and efficiently.

The plaintiffs have satisfied the superiority requirement.

V. The Proposed NCDCA Class

A. Threshold Requirements

As noted *supra*, the proposed NCDCA class consists of:

> **NCDCA Class**: All veterans who paid money to Defendant after being sent an email invoice from Veterans Guardian in connection with a claim for VA Disability Compensation that is in substantially the same email invoice attached as Exhibit B to the Consolidated Complaint.

Doc. 100 at 17 (amending proposed class definition).

During the relevant time, Ms. Ford, Mr. Beard, and Mr. Otters received invoices demanding payment for Guardian's services, and they each paid Guardian some of the amount owed. Doc. 52-2; Doc. 73-8 at 6, 8; Doc. 73-9 at 6–7; Doc. 73-10 at 6–7. Guardian sent Mr. Beard, Ms. Ford, and Mr. Otters at least one invoice during the class period provided below. *See* Doc. 52-2. The plaintiffs are all members of the NCDCA class, and Guardian does not contend otherwise.

The members of this putative class are ascertainable. They can be identified based on the "objective criteria," *EQT*, 764 F.3d at 358, of whether they were billed and then

paid at least a portion of the amount assed by Guardian for its services in on their claims of VA disability compensation. Guardian maintains records of its clients' names, contact information, contracts, claims, invoices, and payment amounts, Doc. 75-1; Doc. 75-2 at 237-38; Doc. 52-1; Doc. 55-3 at 23, so those qualifications for class membership can be readily determined through common records Guardian itself maintains.

Guardian contends that the original proposed NCDCA class includes members who lack Article III standing, because putative class members who have not made any payment lack a concrete injury. Doc. 94 at 28. But the plaintiffs have revised their proposed NCDCA class definition to solve this potential problem, and the proposed class now includes only those who have paid Guardian money. That change removes any Article III standing concern. Doc. 100 at 17.

B. Rule 23(a) Requirements

1. Numerosity

There are thousands of members of the putative NCDCA class. Doc. 75-1. Guardian does not dispute numerosity. Doc. 94 at 11 n.2.

Joinder of that many parties would be impracticable, raising the specter of many lawsuits with individuals asserting different claims under different state or even federal laws. Many class members would also be economically unmotivated to litigate their claims or face challenges doing so because of their disabilities. Doc. 73-8 at 8; Doc. 73-9 at 6; Doc. 73-10 at 6. And judicial economy favors a class action over joinder. *See In re Zetia*, 7 F.4th at 235.

The plaintiffs have satisfied the numerosity requirement.

2. Commonality

The plaintiffs identify several common questions that will drive the liability decision in the putative NCDCA class. Doc. 73 at 20, 23. Just as with the UDTPA classes, the key initial question requires statutory interpretation to determine whether Guardian acts as an "agent" and thus must be accredited. If Guardian is an agent, another common question follows: whether invoicing and collecting fees that violate the Accreditation Statute constitutes a violation of the NCDCA.[4] The plaintiffs have satisfied the commonality requirement for the NCDCA class.

3. Typicality

All the class members have the same injury: imposition of illegal fees by an unaccredited agent. The named plaintiffs each base their claims on violations of the NCDCA through violation of the federal accreditation statute. Doc. 52 at ¶ 303; *see Lienhart*, 255 F.3d at 146. Guardian followed consistent procedures with each of its clients in billing them for the services. *See* docs. 52-2, 61, 73-8, 73-9, 73-10, 123. Ms. Ford, Mr. Beard, and Mr. Otters each received invoices in the same manner and paid Guardian at least some amount of money, and they can adequately represent all members of the NCDCA Class. Doc. 52-2; Doc. 73-8 at 6–9; Doc. 73-9 at 6–7; Doc. 73-10 at 6–7.

4. Adequacy of Representation

The plaintiffs and their lawyers are adequate to represent the putative NCDCA class for the reasons discussed above. *See* discussion *supra* at 12–13.

[4] For the reasons stated in note 2, the common questions will be discussed in more detail *infra* in connection with the predominance requirement.

C. Rule 23(b)(3) Requirements

1. Predominance

"All NCDCA claims require: (1) a consumer; (2) that owes a debt; (3) to a debt collector." *Onnipauper LLC v. Dunston*, 290 N.C. App. 486, 490, 892 S.E.2d 487, 491 (2023). The plaintiff must then establish the three general requirements for a Chapter 75 claim: "(1) an unfair act (2) in or affecting commerce (3) proximately causing injury." *Davis Lake Cmty. Ass'n v. Feldmann*, 138 N.C. App. 292, 296, 530 S.E.2d 865, 868 (2000); *see* N.C. Gen. Stat. § 75-1.1.

Here, there are two overarching common questions of law: (1) whether Guardian acts as an "agent," and thus must be accredited to legally act for veterans, and (2) whether the action of invoicing and collecting fees that violate the Accreditation Statute constitutes a violation of the NCDCA.

The first question is the same question that must be asked and answered in connection with the UDTPA claims and will be answered with common evidence. *See* discussion *infra*. So too is the second question: the evidence tends to show that Guardian follows uniform procedures and uses similar invoices with all its clients such that answers to these questions will be applicable to all putative class members. Docs. 52-2, 73-8, 73-9, 73-10. If one veteran is a consumer that owes a debt to a debt collector, that answer will be the same for other veterans in the class. The case also has a common defense, because Guardian claims it does not act as an agent for any client. Doc. 75-2 at 38–39, 73–75; *see e.g.*, Doc. 53 at ¶¶ 35, 121, 154. Plaintiffs' request for statutory

damages under the NCDCA also supports predominance. Doc. 52 at ¶ 314; N.C. Gen. Stat. § 75-56(b); *Krakauer II*, 925 F.3d at 658.

Guardian makes the same arguments against commonality and predominance for the NCDCA claim as they do for the UDTPA claim. Those arguments are not persuasive for the reasons outlined above.

The plaintiffs have satisfied the predominance requirement.

2. Superiority

The plaintiffs have satisfied the superiority requirement on the NCDCA class for the same reasons discussed in connection with the UDTPA claim.

VI. Class Definitions

The plaintiffs' proposed class definitions did not include class periods with beginning and ending dates. *See* Doc. 70 at 1; Doc. 100 at 17. The Court issued a text order directing the parties to meet and confer about appropriate modifications to the class definitions to include dates clarifying the class period in consideration of the statute of limitations. Text Order 11/21/2025.

The parties submitted amended class definitions agreeing on the language except as to the class period end-date. The parties agree that the four-year statute of limitations applies to both the NCDCA and UDTPA claims and thus to the claims asserted by all three classes. Doc. 129 at 3; Doc. 130 at 2–3; *see also* N.C. Gen. Stat. § 75-16.2. Thus they agree that the classes should include persons who made payments to Guardian on or after August 23, 2019, four years before the filing of the first complaint by Mr. Otters.

Doc. 129 at 3; Doc. 130 at 2–3; *see also Patterson v. Veterans Guardian VA Claim Consulting, LLC*, No. 23-CV-762, Doc. 1-1 at 2.

The parties disagree on the end date. The plaintiff suggests the date the Court enters the order approving class notice. Doc. 129 at 2. Guardian suggests the date the Court enters the order granting class certification. Doc. 130 at 3.

The class period end date will be the date the Court enters the order approving class notice because that date will include a larger group of those allegedly harmed and will make it less likely another lawsuit is filed. "Terminating a class period on the date of class notice is a common approach." *Heredia v. Sunrise Senior Living, LLC*, No. 18-CV-1974, 2024 WL 6910417, at *1 (C.D. Cal Feb. 12, 2024) (collecting cases).

The Court will certify the following classes:

> **(1) UDTPA Initial Claim Class**: All veterans who made their first payment to Veterans Guardian in connection with an initial claim for VA Disability Compensation under a consulting contract substantially similar to Exhibit A to the Consolidated Complaint between August 23, 2019, and the date of this Court's order approving class notice.
>
> **(2) UDTPA Non-Initial Claim Class**: All veterans who made their first payment to Veterans Guardian in connection with a non-initial claim for VA Disability Compensation under a consulting contract substantially similar to Exhibit A to the Consolidated Complaint between August 23, 2019, and the date of this Court's order approving class notice.
>
> **(3) NCDCA Class**: All veterans who, between August 23, 2019, and the date of this Court's order approving class notice, were sent an invoice by Veterans Guardian in connection with a claim for VA Disability Compensation in substantially the same form as Exhibit B to the Consolidated Complaint and who made a payment to Veterans Guardian.

VII. Appointment of Class Representatives and Class Counsel

The plaintiffs move to be appointed as class representatives, and they move for appointment of the interim lead class counsel as class counsel. Doc. 70 at 2. As stated *supra* at 8, 12–13, Mr. Beard is an adequate representative of the UDTPA initial claim class, and Ms. Ford and Mr. Otters are adequate representatives of the UDTPA non-initial claim class. And, as stated *supra* at 22, all three plaintiffs are adequate representatives of the NCDCA class. Mr. Beard will be appointed class representative of the UDTPA initial claim class, Ms. Ford and Mr. Otters will be appointed class representatives of the UDTPA non-initial claim class, and all three plaintiffs will be appointed representatives of the NCDCA class.

Plaintiffs' interim lead class counsel, attorneys with Varnell & Warwick P.A. and Berger Montague PC, are adequate representatives of the classes and are capable of proceeding as class counsel. Mr. Otters and his individual counsel make no argument to the contrary. Guardian makes no argument to the contrary. Plaintiffs' interim lead class counsel have extensive experience in consumer class actions, Doc. 51 at 3; Doc. 43-1 at 42-43, Doc. 43-2 at 4–8, and several among them have served as class counsel in other cases in federal courts. *See* Doc. 43-1 at 42-43, Doc. 43-2 at 4, 7–8. The Court will appoint Plaintiffs' interim lead class counsel as class counsel for all three classes.

VIII. Conclusion

In its discretion, the Court will certify the three classes with the added class period dates. Mr. Beard Ms. Ford, and Mr. Otters have met the threshold requirements. All three classes are sufficiently numerous, and there are common questions likely to be

dispositive. The plaintiffs' claims are typical of those of the class members, and they and their counsel are adequate representatives. In all three classes, common questions predominate, and a class action is the superior method of adjudication. Mr. Beard will be appointed class representative of the UDTPA initial claim class, Ms. Ford and Mr. Otters will be appointed class representatives of the UDTPA non-initial claim class, and all three plaintiffs will be appointed representatives of the NCDCA class. Plaintiffs' interim lead class counsel will be appointed as class counsel for all three classes.

It is **ORDERED** that:

1. The plaintiffs' motion for class certification, Doc. 70, is **GRANTED**.

2. The following classes are **CERTIFIED**:

    a. **UDTPA Initial Claim Class**: All veterans who made their first payment to Veterans Guardian in connection with an initial claim for VA Disability Compensation under a consulting contract substantially similar to Exhibit A to the Consolidated Complaint between August 23, 2019, and the date of this Court's order approving class notice.

    b. **UDTPA Non-Initial Claim Class**: All veterans who made their first payment to Veterans Guardian in connection with a non-initial claim for VA Disability Compensation under a consulting contract substantially similar to Exhibit A to the Consolidated Complaint between August 23, 2019, and the date of this Court's order approving class notice.

    c. **NCDCA Class**: All veterans who, between August 23, 2019, and the date of this Court's order approving class notice, were sent an invoice by Veterans Guardian in connection with a claim for VA Disability Compensation in substantially the same form as Exhibit B to the Consolidated Complaint and who made a payment to Veterans Guardian.

3. Eric Beard is **APPOINTED** class representative of the initial UDTPA claim class.
4. Jennifer Ford and Brian Otters are **APPOINTED** class representatives of the non-initial UDTPA claim class.
5. Jennifer Ford, Eric Beard, and Brian Otters are **APPOINTED** class representatives of the NCDCA class.
6. Plaintiffs' interim lead class counsel, Christopher J. Brochu, Brian W. Warwick, Janet R. Varnell, Pamela G. Levinson, and Varnell & Warwick P.A. and Jeff Osterwise, Shanon J. Carson, Radha Nagamani Raghavan, and Berger Montague PC are **APPOINTED** as class counsel for all three classes.
7. The parties **SHALL** meet and confer about an appropriate class notice, any needed modifications to the trial schedule, and any other logistical or housekeeping matters raised as a result of this Order. No later than January 15, 2026, the parties **SHALL** file a Joint Submission on Class Notice and Trial containing their joint proposal or, if they do not agree in full, dueling proposals with short briefs directed to items of disagreement.

This the 30th day of December, 2025.

UNITED STATES DISTRICT JUDGE

IN THE UNITED STATES DISTRICT COURT
FOR THE MIDDLE DISTRICT OF NORTH CAROLINA

JENNIFER FORD, ERIC BEARD, and BRIAN OTTERS, individually and on behalf of all others similarly situated,	)	
Plaintiffs,	)	
v.	)	1:23-CV-756
VETERANS GUARDIAN VA CLAIM CONSULTING, LLC,	)	
Defendant.	)	

MEMORANDUM OPINION AND ORDER

Catherine C. Eagles, Chief District Judge.

On behalf of military veterans like the plaintiffs, Jennifer Ford, Eric Beard, and Brian Otters, Veterans Guardian VA Claim Consulting, LLC, prepares claims to obtain or increase disability compensation for presentation to the Veterans Administration. It charges a contingency fee for its services. For several policy reasons, federal law prohibits anyone not accredited by the VA from acting as an agent in preparing or presenting such claims to the VA and imposes limits on the fees such accredited entities can charge. The plaintiffs contend that Guardian violates federal law by offering these services without accreditation and that it charges and collects illegal fees in violation of the North Carolina Unfair and Deceptive Trade Practices Act and the North Carolina Debt Collection Act.

Class Claimants' Ex. No. 23

The evidence is undisputed that Guardian is not accredited, that on behalf of veterans it prepares claims forms, that in those forms it presents disability claims for decision by the VA, and that it charges fees for doing so. These actions violate federal law. The Court therefore grants the plaintiffs' summary judgment motion to this extent and likewise denies Guardian's summary judgment motion to this extent.

This ruling does not resolve all issues presented in the summary judgment motions. Those remaining issues will be addressed by separate order as time permits.

I. Summary Judgment Standard

A "court shall grant summary judgment if the movant shows that there is no genuine dispute as to any material fact and the movant is entitled to judgment as a matter of law." Fed. R. Civ. P. 56(a). A genuine dispute of material fact exists "if the evidence is such that a reasonable jury could return a verdict for the nonmoving party." *Anderson v. Liberty Lobby, Inc.*, 477 U.S. 242, 248 (1986). In analyzing a summary judgment motion, courts "must construe all facts and reasonable inferences in the light most favorable to the nonmoving party." *Bandy v. City of Salem*, 59 F.4th 705, 709 (4th Cir. 2023). The moving party has the initial burden of demonstrating the absence of any material issue of fact; once the moving party meets its initial burden, the nonmoving party must come forward with evidentiary material demonstrating the existence of a genuine issue of material fact requiring a trial. *Id*. at 709–10; *see also Celotex Corp. v. Catrett*, 477 U.S. 317, 324 (1986).

"When faced with cross-motions for summary judgment, the court must review each motion separately on its own merits to determine whether either of the parties

deserves judgment as a matter of law." *Rossignol v. Voorhaar*, 316 F.3d 516, 523 (4th Cir. 2003) (cleaned up); *see also Coal. for TJ v. Fairfax Cnty. Sch. Bd.*, 68 F.4th 864, 878 (4th Cir. 2023). "When considering each individual motion, the court must take care to resolve all factual disputes and any competing, rational inferences in the light most favorable to the party opposing that motion." *Rossignol*, 316 F.3d at 523 (cleaned up).

II. Overview of the Relevant Statutes and Regulations

Federal law provides that "no individual may act as an agent or attorney in the preparation, presentation, or prosecution of any claim under laws administered by the Secretary unless such individual has been recognized for such purposes by the Secretary." 38 U.S.C. § 5901(a).[1] Federal law also prohibits agents from charging or collecting a fee in connection with the filing of an initial disability claim for benefits before the Veterans Administration. *Id.* § 5904(c)(1). Subject to statutory and regulatory reasonableness provisions, *id.* § 5904(a)(5); 38 C.F.R. § 14.636(e), agents and attorneys may charge fees for work later in the claims process. 38 U.S.C. § 5904(a)(5); 38 C.F.R. § 14.636(c)(1)(i) ("Agents and attorneys may charge claimants or appellants for representation provided after . . . notice of an initial decision on the claim . . . .").

Chapter 59 does not explicitly define "agent." The regulations define an "agent" in terms of the standards and qualifications for accreditation. 38 C.F.R. § 14.627(c) ("Agent means a person who has met the standards and qualifications outlined in [38

[1] *See also* 38 C.F.R. § 14.629(b)(1) ("No individual may assist claimants in the preparation, presentation, and prosecution of claims for VA benefits as an agent or attorney unless he or she has first been accredited by VA for such purpose.").

C.F.R.] § 14.629(b)."); *id*. § 14.629(b) (listing requirements for accreditation, including applications, determination of character and fitness, a written examination, and continuing education).

III. Undisputed Facts

Neither Guardian nor its employees are accredited by the VA to act as agents in the preparation, presentation, or prosecution of VA disability claims. Doc. 73-2 at 29; Doc. 52-1 at p. 3 ¶ 1(e). Guardian assists veterans seeking to obtain VA disability benefits for the first time (initial claims) and veterans seeking to increase their VA disability benefits (non-initial claims). Doc. 73-2 at 9; Doc. 52-1 at p. 10 ¶ 3(d).

Guardian follows standard practices and policies when working with its clients on their VA disability claims. Doc. 73-2 at 11–12, 18, 23, 26; *see also* Doc. 52-1 at p. 4 ¶ 2; Doc. 123 at ¶ 1. All of Guardian's clients sign a consulting service agreement when they begin working with Guardian. Doc. 123 at ¶ 3; Doc. 52-1. Thereafter, in summary, Guardian assists in gathering information and identifying the types of benefits for which a client may be eligible; it drafts documents and fills out the forms used to seek such benefits; it emails the forms to the client for review; and once the client approves the packet, Guardian prints the form and mails it to the client with a postage-paid envelope addressed to the VA. *See infra* at 4–6.

To start the process, Guardian works with clients to obtain their medical and military service records. Doc. 73-2 at 9, 13; *see also* Doc. 52-1 at p. 4 ¶ 2. It gives clients an extensive questionnaire that it developed, and it uses the completed questionnaire to help identify symptoms and issues for claim packets. Doc 73-2 at 9. It

reviews the client's records and materials to "help determine . . . what types of claims the veteran may or may not be eligible for." *Id*. at 9, 14; *see also* Doc. 52-1 at p. 4 ¶ 2. It identifies additional medical or lay evidence needed to support the claims. Doc. 73-2 at 13–14; *see also* Doc. 52-1 at p. 4 ¶ 2. It offers referrals to medical providers to support claims. Doc. 52-1 at p. 4 ¶ 2. It makes medical appointments for clients. Doc. 106-2 at 7; Doc. 106-9 at 27; Doc. 106-16 at 13. It may "conduct medical research." Doc. 73-2 at 9; *see also* Doc. 52-1 at p. 4 ¶ 2. It "assist[s] in completing the forms, providing evidence, [and] . . . putting the claim packet together." Doc. 73-2 at 9, 14–15; *see also* Doc. 52-1 at p. 4 ¶ 2.

Guardian is responsible for "drafting the [claim] information [and] typing it into the fillable VA disability form." Doc. 73-2 at 11–12, 15–16. It then emails the assembled claim packets to clients for their review. Doc. 123 at ¶ 1. Guardian does not include its name anywhere in the claim packet. Doc. 73-2 at 18–19.

After clients review and agree with the claim packet as prepared by Guardian, Guardian prints hard copies of the claim packets and mails them to the clients with an instruction letter and a stamped envelope addressed to the VA. *Id*. at 17, 20, 23; *see also* Doc. 106-2 at 7. Guardian pays for the postage to the VA and adds "sign here" labels to the packets. Doc. 73-2 at 20, 22–23. The instruction letter explains to the client "what they're receiving, what they need to do, [and] what the steps are to submit the claim in their own name, on their own behalf." *Id*. at 23. Guardian's cover letter instructs clients "not to identify that the veteran has been working with Veterans Guardian." *Id*. at 24–25.

Clients are responsible for "validating that everything in there is truthful," and clients make the final decision on whether to submit the claim. *Id*. at 17. If they choose to submit the claim packet, clients sign the forms and mail the packet to the VA. *Id*. Guardian does not directly submit the packet to the VA. *Id*. at 17, 19. Guardian tracks the mailed packet to the client, *id*. at 19, and from the client to the VA. *Id*. at 25.

Guardian's consulting service agreement states that "Guardian is not a VA accredited agent," "is not the client's representative to the VA," and "does not file claims or any other documents or responses with the VA on behalf of the client." Doc. 52-1 at p. 3 ¶ 1(e). The agreement details that "[t]he client is solely responsible for any and all submissions of claims, documents or responses to the VA either as their own representative or through a VA accredited agent." *Id*. The agreement states that "there are completely free services available to veterans to support the filing of claims for VA benefits." *Id*. at p. 3 ¶ 1(d). Guardian's clients also sign an acknowledgement titled "Veteran's Right to Choose: Your Claim, Your Choice" that provides the same disclosures about free services with other organizations and the fact that Guardian is not accredited. *See e.g.*, Doc. 106-4 at 2.

Guardian's client agreement requires clients to notify Guardian of VA decisions and to "provide copies of any and all correspondence received from the VA to include Rating Decision Letters within two days of receipt." Doc. 52-1 at p. 6 ¶ 2(b)(9). As a standard practice, Guardian receives the decision letters from its clients, but not every client sends their letter. Doc. 73-2 at 28. Guardian's clients can, and sometimes do, instruct the VA to fax their rating decision letter to Guardian. Doc. 55-3 at 48, 50; Doc.

113-2; Doc. 125 at 23–24. Guardian can confirm its clients' disability income increases by calling the VA pay verification phone number and inputting the client's social security number and birthdate. Doc. 55-3 at 50. During the class period, Guardian employees called the VA pay verification phone number over 250,000 times. *See* Docs. 122, 122-1.

Guardian determines its clients' fees using their rating decision letters, Doc. 73-2 at 27, supplemented by information obtained from calls to the VA's pay verification number. Doc. 55-3 at 50. It emails invoices to clients after they receive their rating decision letters. Doc. 73-2 at 34.

Guardian works with clients on a contingent basis and only charges a fee when clients receive an increase in their monthly disability benefit. *See e.g.*, Doc. 52-1 at p. 5 ¶ 2(a)(6). It charges clients five times the increase in their monthly compensation. *Id*. at p. 9 ¶ 3(c). It provides options to pay either a lump sum with a 10% discount or monthly scheduled payments. *Id*. at pp. 10–11 ¶ 4(d); *see also* Doc. 52-2 at 3, 5, 8, 11.

The plaintiffs' testimony confirms Guardian's standard process for assisting clients. Ms. Ford testified that Guardian compiled her claim by sending her claim packet in an envelope prepped and ready to go. Doc. 106-2 at 7–8, 14, 34; *see also* Doc. 73-8 at ¶¶ 15–21, 26–30. She "gave them access to [her] records, and they put it all together." Doc. 106-2 at 7. Guardian set up her doctors' appointments. *Id*. at 7. Mr. Otters testified that the process followed the same way for him, *see* Doc. 106-16 at 14–16; *see also* Doc. 73-10 at ¶¶ 15–21, as did Mr. Beard. *See* Doc. 106-9 at 17, 21; *see also* Doc. 73-9 at ¶¶ 16–22.

Guardian assisted Ms. Ford with two non-initial VA disability claims. Doc. 73-8 at ¶¶ 7–31; Doc. 52-2 at 3, 5. As a result of the first claim submitted with Guardian's assistance, her disability rating increased from 60% to 70%. Doc. 73-8 at ¶ 22; Doc. 52-2 at 3; Doc. 73-5 at 4. Her monthly compensation increased from $1,585.03 to $1,962.95 for a total increase of $377.92. Doc. 52-2 at 3. Guardian charged her a fee of $1,880, five times her total increase rounded down to the nearest $10 increment. *Id*. She paid the entire invoice. Doc. 73-8 at ¶ 25. As a result of the second claim submitted with Guardian's assistance, her disability rating increased from 70% to 80%. *Id*. at ¶ 31; Doc. 52-2 at 5. Her monthly compensation increased from $2,133.06 to $2,471.15 for a total increase of $338.09. Doc. 52-2 at 5. Guardian charged her a fee of $1,690, five times her total increase rounded down to the nearest $10 increment. *Id*. She paid the entire invoice. Doc. 73-8 at ¶ 34.

Guardian assisted Mr. Otters with a non-initial VA disability claim. Doc. 73-10 at ¶ 22; Doc. 52-2 at 11. As a result of the claim, his disability rating increased from 70% to 90%, and his monthly compensation increased from $1,977.06 to $2,576.39 for a total increase of $599.33. Doc. 73-10 at ¶¶ 22, 24; Doc. 52-2 at 11. Guardian charged him a fee of $2,990, five times his total increase rounded down to the nearest $10 increment. Doc. 52-2 at 11. He paid the entire invoice. Doc. 73-10 at ¶ 25.

Guardian assisted Mr. Beard with an initial VA disability claim. Doc. 73-9 at 3, 6; Doc. 52-2 at 8. As a result of the claim, he received a disability rating of 100% and monthly compensation of $4,272.80. Doc. 73-9 at ¶ 23; Doc. 52-2 at 8; Doc. 73-5 at 5. Guardian charged him a fee of $21,360, five times his total compensation increase

rounded down to the nearest $10 increment. Doc. 52-2 at 8. He paid $19,224 and has an outstanding balance of $2,136. Doc. 73-9 at ¶ 27.

It is undisputed that Guardian charges "more" for initial claims than accredited agents because Guardian charges fees for initial claims, Doc. 52-1 at pp. 8–9 ¶ 3, and accredited agents cannot charge anything for initial claims. *See* 38 U.S.C. § 5904(c)(1). Guardian acknowledges that if it were accredited it could not charge fees for assisting veterans file initial VA disability claims. Doc. 73-2 at 29–33.

Because Guardian does not include its name and involvement in claim preparation and presentation in the claim forms it prepares and instructs veterans to similarly exclude that fact, the VA does not review Guardian's fees for non-initial claims under the VA's reasonableness requirements that apply to the fees charged by accredited agents. *See* 38 C.F.R. § 14.636(e). Those regulations provide that "[f]ees which exceed 33 1/3 percent of any past-due benefits awarded shall be presumed to be unreasonable." *Id.* § 14.636(f)(1).

IV. Overview of the Plaintiffs' Claims

All of the plaintiffs' claims depend on the factual assertion that Guardian is acting as an agent in the preparation or presentation of claims to the VA and on the legal proposition that doing so for a fee and without accreditation violates federal law. This order addresses these factual and legal predicates to Guardian's liability on the state law claims asserted by the classes.

If the plaintiffs prevail on these legal and factual predicate questions, other elements are required to prevail on their state law claims and there are other issues

presented in the summary judgment briefing. This order does not address those larger liability questions, which will be addressed in a later order.

V. Acting as an Agent

When courts interpret a statute, they start with the text. *Sw. Airlines Co. v. Saxon*, 596 U.S. 450, 457 (2022). They "begin by considering whether the language at issue has a plain and unambiguous meaning." *Yates v. Mun. Mortg. & Equity, LLC*, 744 F.3d 874, 895 (4th Cir. 2014). Here, the statutory framework and language both show a clear purpose of insuring that claimants are assisted only by knowledgeable, approved agents and attorneys and that claimants are protected against unreasonable fees and predatory practices. *See* 38 USC §§ 5901–5904; *see also Henderson ex rel. Henderson v. Shinseki*, 562 U.S. 428, 431–32 (2011). In this context, the statute says that "no individual may act as an agent or attorney in the preparation, presentation, or prosecution of any claim" unless recognized by the VA. 38 U.S.C. § 5901(a). Because Guardian does exactly that without such recognition by the VA, it engages in conduct prohibited by the statute.

A. Anyone Who Assists Veterans with Preparation or Presentation of a Claim for a Fee is an Agent and Must Be Accredited by the VA.

In Title 38 of the United States Code, Congress has established a comprehensive statutory system governing benefits for veterans. The general provisions for making claims are in Chapter 51, *id*. § 5100 *et seq*., and the provisions governing who can assist veterans with their claims are in Chapter 59. *Id*. § 5901 *et seq*.

In Chapter 59, Congress requires that "no individual may act as an agent or attorney in the preparation, presentation, or prosecution of any claim under laws

administered by the Secretary unless such individual has been recognized for such purposes by the Secretary." *Id*. § 5901(a). The statute explicitly authorizes the Secretary to recognize three categories of people to prepare, present, and prosecute claims before the VA.

First, the Secretary may recognize representatives of veterans' organizations who are approved to prepare, present, and prosecute claims for no fee. *Id*. § 5902. Second, "the Secretary may recognize any individual for the preparation, presentation, and prosecution of any particular claim for benefits" for no fee and pursuant to a power of attorney. *Id*. § 5903. Third, under certain conditions, "the Secretary may recognize any individual as an agent or attorney for the preparation, presentation, and prosecution of claims." *Id*. § 5904.

To be recognized by the Secretary under this third option, the agents and attorneys must be qualified and competent to assist claimants; meet the Secretary's training rules, qualifications, and standards; and comply with the Secretary's "reasonable restrictions on the amount of fees" charged as detailed in regulations. *Id*. These restrictions on fees are consistent with the express congressional recognition of the potential for predatory practices by unaccredited and unapproved entities. *Id*. § 5901(b).

The organization of Chapter 59 shows an explicit congressional intent to limit those who assist veterans in the preparation, presentation, or prosecution of claims to those who are approved by the Secretary in one of three ways: as an approved group's representative who charges no fee, as an individual power of attorney who charges no fee, or as agents or attorneys who charge only reasonable fees. Within this statutory

framework, anyone who prepares, presents, or prosecutes VA disability claims[2] must be recognized and accredited by the VA in order to do such work and anyone who does this work for a fee on behalf of a veteran is an "agent."

The regulations confirm the interpretation that an agent is anyone who "assists" claimants in the preparation, presentation, or prosecution of claims for VA benefits for a fee. 38 C.F.R. § 14.629(b)(1). The regulations provide the following definitions. *See id*. § 14.627. "Accreditation means the authority granted by VA to representatives, agents, and attorneys to assist claimants in the preparation, presentation, and prosecution of claims for VA benefits." *Id*. § 14.627(a). "Agent means a person who has met the standards and qualifications outlined in § 14.629(b)." *Id*. § 14.627(c). Section 14.629(b) details the agent accreditation requirement for assisting claimants, the process to become accredited, and the conditions for accreditation. *Id*. § 14.629(b). "Claim means application made under title 38 U.S.C., and implementing directives, for entitlement to VA benefits, reinstatement, continuation, or increase of benefits, or the defense of a proposed agency adverse action concerning benefits." *Id*. § 14.627(h). The regulations also detail recognition, standards of conduct, and discipline for agents and attorneys. *Id*. §§ 14.626–14.637.

The regulations are consistent with the statute. The organization of § 14.629(b)(1), like the organization of the statute, shows that an individual acts as an agent by preparing, presenting, or prosecuting claims for a fee. *Id*. § 14.629(b)(1). The

[2] Section 5901(a) uses the disjunctive "or".

structure and language of the regulations are designed to restrict preparing, presenting, and prosecuting claims to those who are qualified and competent and who either charge no fee or a reasonable fee.[3] And § 14.627(c)'s definition of "agent" requires that a person preparing, presenting, or prosecuting claims must meet the requirements of § 14.629(b).

The VA advises that:

> Preparing a benefits claim generally includes, but is not limited to, consulting with or giving advice to a claimant or potential claimant in contemplation of filing a benefits claim, gathering evidence in support of a benefits claim on behalf of a claimant or potential claimant, or filling out VA forms for their submission to VA.

Doc. 111-5 at 2. Its view is that "to provide assistance with a claim for VA benefits, even without charge, a person must be accredited by VA as an agent," Doc. 73-7 at 3, and that "Congress requires that an individual be accredited by VA to act as an agent or attorney in the *preparation* of a VA claim." *Id*. at 8.

In sum, the statute's text and structure shows that an agent is defined by the conduct of preparing, presenting, or prosecuting claims and that anyone who does one or more of these things must fall into one of the statutory categories or it is prohibited from providing such services. The regulations and the VA itself support that definition.

Guardian asserts that this interpretation of the word "agent" gives rise to constitutional questions, specifically the question of whether prohibiting it from charging fees for assisting with initial claims would violate the First Amendment. Doc. 104 at 21.

[3] Here, because the VA regulations are consistent with and appropriately implement the statutory requirements, the Court cites to them as further support for the Court's interpretation of the statute. *See Skidmore v. Swift & Co.,* 323 U.S. 134, 140 (1944).

Calling upon the canon of constitutional avoidance, it thus contends that the Court should interpret the word "agent" more narrowly to require activities meeting the common-law definition of the word agent. *Id*.

But the canon of constitutional avoidance does not apply unless the text of the statute is ambiguous. *See Nielsen v. Preap*, 586 U.S. 392, 419 (2019). It "comes into play only when, after the application of ordinary textual analysis, the statute is found to be susceptible of more than one construction." *Jennings v. Rodriguez*, 583 U.S. 281, 296 (2018) (cleaned up). But § 5901(a) is not ambiguous and ordinary textual analysis does not give rise to more than one construction. As discussed, the statute directly looks to actions of preparing, presenting, or prosecuting claims on behalf of a veteran in describing an agent. *See* 38 U.S.C. § 5901(a).

Moreover, Guardian's potential First Amendment argument, to the extent it has presented one, is weak. The statute governs conduct: preparing claims, presenting those claims in the required forms, and charging fees. It establishes what is essentially a licensing system for insuring that those who so act are qualified to perform those services and do not charge predatory fees. And it does not compel those who are accredited to deliver any particular government message. "[T]he First Amendment does not prevent restrictions directed at commerce or conduct from imposing incidental burdens on speech." *Sorrell v. IMS Health Inc.,* 564 U.S. 552, 567, (2011); *accord Nat'l Inst. of Fam. & Life Advocs. v. Becerra*, 585 U.S. 755, 769 (2018).[4]

[4] Guardian relies on only two cases. Doc. 104 at 21–22; Doc. 157 at 1. One is an out-of-circuit case that analyzed a New Jersey state law, not the federal law. Doc. 104 at 21–22

Finally, Guardian asserts that the plaintiffs' reading of the statutes and regulations would prohibit friends and family from assisting people with claims. Doc. 125 at 11–12, 19. But the regulations provide an exception for a friend or family member assisting on a single claim for no compensation. *See* 38 C.F.R. § 14.630. This argument is without merit.

B. Guardian Is An Agent That Prepares and Presents Claims on Behalf of Class Members for a Fee Without Accreditation.

The evidence is undisputed that Guardian prepares claims on behalf of veterans for a fee without following the accreditation requirements and without authority from the VA. It is also undisputed that it presents such claims to the VA on behalf of veterans. As detailed more thoroughly *supra*, Guardian creates forms and surveys for veterans to use in telling Guardian about their relevant experience and potential disabilities, gathers information from clients and their medical care providers, refers clients to health care providers it determines might be helpful, and decides how to fill out the forms requesting benefits and increases in benefits, thus preparing the claim. *See, e.g.,* Doc. 106-2 at 7; Doc. 106-9 at 13–15, 21; Doc. 106-16 at 14–16; *see also supra* at 4–5. It advises veterans on the best way to present the veteran's claims in those forms, attaches the exhibits it has gathered and developed to the forms it has filled out, and assembles the

(discussing *Veterans Guardian VA Claim Consulting LLC v. Platkin*, 133 F.4th 213 (3d Cir. 2025)). The other is a recent Supreme Court case *Chiles v. Salazar*, 607 U.S. ___, 146 S. Ct. 1010 (2026), which was directed to content-based regulation of speech and explicitly recognized that laws regulating conduct with only incidental effect on speech are not subject to strict scrutiny. *Chiles*, 146 S. Ct. at 1022–23. Guardian has made no showing that the statute is likely to violate its First Amendment rights.

claims packets for submission to the VA, thus presenting the claim in those claims packets. *See, e.g.,* Doc. 106-2 at 7; Doc. 106-9 at 15-18, 21; Doc. 106-16 at 14–16; *see also supra* at 5–6. It does all of this for the client's benefit, with the client's permission, and at the client's direction. Clients entrust Guardian with confidential medical and personal information, including their social security numbers and dates of birth. *See e.g.*, Doc. 55-3 at 50. Guardian prints the claim packets and sends the completed claim packets to clients. Doc. 73-2 at 17, 20, 23; *see also* Doc. 106-2 at 7. All the clients have to do is review the claim's form for accuracy, sign at the places marked by Guardian, and then mail the form, using the postage-paid envelope provided by Guardian. *See e.g.*, Doc. 73-2 at 20, 22–23, 25; *see also supra* at 5–6. Guardian tracks delivery of the claim packet to the VA. Doc. 73-2 at 25.

In all these activities, the evidence is undisputed that Guardian has the actual authority from the client to investigate the client's situation, to obtain information and develop evidence on the client's behalf, and to fill out the claim forms and decide what should go into the claims packets it assembles. These activities constitute the "preparation" of claims to the VA and the "presentation" of claims to the VA. 38 U.S.C. § 5901(a).

As to preparing a claim, the VA's guidance is consistent. The VA advises that:

> Preparing a benefits claim generally includes, but is not limited to, consulting with or giving advice to a claimant or potential claimant in contemplation of filing a benefits claim, gathering evidence in support of a benefits claim on behalf of a claimant or potential claimant, or filling out VA forms for their submission to VA.

Doc. 111-5 at 2. Guardian admits that it does those exact actions.[5]

Guardian contends that it does not prepare or present claims and that it only provides "consulting" services, as shown by its actions and signed contracts with clients. *See, e.g.*, Doc. 52-1. First, the label that Guardian attaches to its services is not controlling; the reality of the work done is what matters. *See e.g., Cmty. Worship Fellowship v. United States*, 178 Fed. Cl. 764, 774 (2025) (stating "the compensation label an organization applies to its payments does not control the analysis" (cleaned up)). The undisputed evidence shows that Guardian was much more than a "consultant."[6]

Second, the fact that clients make the final decision on whether to file and prosecute a claim prepared by Guardian does not mean that Guardian did not prepare or present the claim or that Guardian is not an agent. Absent a power of attorney as authorized under 38 U.S.C. §§ 5902 and 5903, or other extenuating circumstances, the veteran must sign the claim form and attest to its accuracy. *See e.g.*, Doc. 108-3 at 9. And *O'Neill v. Department of Housing & Urban Development*, 220 F.3d 1354 (Fed. Cir.

[5] While not determinative, the VA agrees that Guardian acts as an agent by preparing claims. The VA sent Guardian two cease and desist letters in January 2019, and August 2024. Doc. 73-7. The letters point out that Guardian was acting as an unaccredited agent in assisting clients with VA disability claims. *Id*. at 3 ("[T]o provide assistance with a claim for VA benefits, even without charge, a person must be accredited by VA as an agent . . . ."); *id*. at 8 ("Congress requires that an individual be accredited by VA to act as an agent or attorney in the *preparation* of a VA claim.").

[6] Indeed, Guardian repeatedly emphasizes that its work helps veterans obtain benefits they would not obtain without its help, or at least sooner than they otherwise would, thus seeking to take credit for the results of the claims it prepares and presents. Yet it inconsistently contends that it is not responsible for those claims when it comes to complying with federal law. It is disingenuous to take the credit for good results achieved by its work if it was not responsible for preparing the claims.

2000), the case on which Guardian relies, Doc. 104 at 16, itself notes that in an agency relationship the "principal has the right to control the conduct of the agent with respect to matters entrusted to him." *O'Neill*, 220 F.3d at 1360. That the client may make some of the decisions related to the way the claim is presented and that the client makes the ultimate decision on filing does not mean that Guardian is not an agent or does not prepare or present claims, nor is it sufficient to give rise to a disputed question of fact.

Guardian contends that because it does not affirmatively act on plaintiffs' behalf before the VA or have a power of attorney, it is not an agent. Doc. 104 at 19–20.[7] But nothing in the statute requires that someone do either of those things in order to be an agent. The reference in the statute to powers of attorney concerns representatives and individuals who prepare and present claims without charging a fee, not agents who charge a fee for such work. *See* 38 U.S.C. §§ 5902(b)(1), 5903(a).

Guardian also relies on *O'Neill* to support its contention that there can be no agency relationship when the agent does not have actual or apparent authority to act on the claimant's behalf. Doc. 104 at 16. But Guardian does have such actual authority. As discussed *infra*, it is undisputed that for a fee, Guardian has actual authority to investigate and develop evidence, to make medical appointments, and to fill out the claim forms. Those are the exact steps needed to prepare a claim to the VA. It is undisputed that

[7] Guardian points to its Chief Operating Officer's deposition testimony about "representation provided by accredited agents." Doc 104 at 20. But he states, "I can't speak directly to what they do." Doc. 106-1 at 7. And then he states what he thinks accredited agents do. *See e.g.*, *id.* at 7, 9–10, 16. In any event, Guardian does not cite to a source supporting his speculation that agents receive power of attorney and his testimony expressing his opinions about who is and is not an agent is not material.

Guardian has the actual authority to compile the forms and exhibits into a persuasive presentation requiring only the veteran's signature and delivery to the VA, using stamped pre-addressed envelopes that Guardian provides and that Guardian tracks. These are the steps needed to present a claim to the VA. These are the acts that make Guardian an "agent" in this statutory scheme.

VI. Conclusion

Federal law and the undisputed facts establish that Guardian acts as an agent on behalf of class members in the preparation of VA disability claims and in the presentation of VA disability claims. The undisputed facts show that Guardian is not accredited, as federal law requires of those who prepare or present claims on behalf of veterans, and that it charges and collects fees for those services in violation of federal law. To that extent, the plaintiffs' summary judgment motion will be granted, and Guardian's summary judgment motion will be denied.

The Court reserves ruling on the remaining issues presented in the summary judgment motions. Those issues will be addressed by later order as time permits.

It is **ORDERED** that:

1. The plaintiffs' motion for summary judgment, Doc. 109, is **GRANTED in part** and it is deemed established for purposes of this case that the defendant, Veterans Guardian VA Claim Consulting, LLC, acts as an unaccredited agent on behalf of the class members in preparing and presenting initial and non-initial claims to the Veterans Administration, in violation of federal law.

2. To the extent Guardian contends it is entitled to judgment in its favor because it is not an agent, its motion for summary judgment, Doc. 103, is **DENIED**.
3. The parties need not yet comply with the deadlines in the scheduling order, Doc. 151 at ¶¶ 2–3, tied to a summary judgment decision.
4. Other scheduling deadlines remain in place for the time being.

This the 20th day of May, 2026.

MEMORANDUM OPINION AND ORDER

Catherine C. Eagles, Chief District Judge.

The defendant, Veterans Guardian VA Claim Consulting, LLC, prepares and presents disability claims for veterans like the plaintiffs, Jennifer Ford, Eric Beard, and Brian Otters, to submit to the VA, even though it is not accredited by the VA as required by federal law. In this class action, the plaintiffs contend that Guardian's federal law violations constitute violations of the North Carolina Unfair and Deceptive Trade Practices Act ("UDTPA") and the North Carolina Debt Collection Act ("NCDCA"). Because North Carolina law applies to the UDTPA claims of the named plaintiffs and class members and because Guardian committed unfair trade practice acts, the Court will grant the plaintiffs' motion for summary judgment on liability for the unfair trade practices claims. Guardian's motion for summary judgment on the debt collection claim will be granted in part, to the extent the claim is based on N.C. Gen. Stat. § 75-54(4)

because the plaintiffs have provided no evidence of any misleading statement in a legal proceeding. Guardian's summary judgment motion will otherwise be denied.

I. Overview

Guardian has moved for summary judgment on the issue of whether it is an agent, on the UDTPA claims, on a narrow aspect of the NCDCA claim, and on its affirmative defense of the voluntary payment doctrine. Doc. 103 at 2; Doc. 104 at 15–30. The plaintiffs have moved for summary judgment on the issue of whether Guardian is an agent and on liability as to their UDTPA claims. Doc. 109; Doc. 110 at 23–25.

All three claims brought by the plaintiffs and the classes they represent are statutory claims under North Carolina law: the UDTPA claims under N.C. Gen. Stat. § 75-1.1 and the NCDCA claim under N.C. Gen. Stat. §§ 75-54(4), (7), 75-55. The named plaintiffs and class representatives are residents of states other than North Carolina. *See* Doc. 73-8 at ¶ 2; Doc. 73-9 at ¶ 2; Doc. 73-10 at ¶ 2. The classes include people who live in North Carolina and outside of North Carolina. Doc. 131 at 17, 27.

All claims by the plaintiffs on behalf of the three certified classes depend on the premise that Guardian violates federal law by preparing and presenting disability claims to the VA on behalf of veterans without accreditation. The plaintiffs have established that predicate requirement, for reasons explained in an earlier order filed May 20, 2026. Doc. 175. That order is adopted in full by reference. The Court has also resolved questions arising from the enactment of a new law by the North Carolina legislature related to fees charged for providing services like Guardian provides and has granted Guardian's motion as to claims arising after September 30, 2025. Doc. 178. That order is also adopted in

full by reference. This order addresses all remaining summary judgment arguments, resolving those motions in full.

II. Undisputed Facts

The plaintiffs and class members signed contracts with Guardian and used Guardian's services to apply for first-time VA benefits (initial claims) or for increases in VA benefits (non-initial claims). All received either a disability benefit amount for the first time or an increase in their current VA disability benefit amount. Doc. 52-2 at 3, 5, 8 11; Doc. 131 at 27. The plaintiffs and class members each received an invoice from Guardian for its fee and paid at least part of the amount owed. Doc. 73-8 at ¶¶ 25, 34; Doc. 73-9 at ¶ 27; Doc. 73-10 at ¶ 25; Doc. 131 at 27.

Guardian is domiciled in North Carolina. Doc. 13 at 2; Doc. 52 at ¶ 24; Doc. 53 at ¶ 24. All of Guardian's acts occurred in North Carolina. Doc. 73-2 at 37, 41.

Guardian works with clients on a contingent basis and charges a fee if and when clients receive an initial VA benefit or an increase in their existing VA benefit. Doc. 52-1 at p. 5 ¶ 2(a)(6). Guardian charges five times the increase in the client's monthly compensation. *Id*. at p. 9 ¶ 3(c)(1)(c). Guardian calculates the "increase" by subtracting the monthly compensation a client received before working with Guardian, if any, from the monthly compensation a client received after working with Guardian. *Id*.

When Guardian assists clients with initial disability claims, it always uses $0 as the monthly compensation a client received before working with it. *See e.g.*, 52-2 at 8. As Guardian acknowledges, it could not charge fees for preparing the initial VA disability claims if it was accredited, Doc. 73-2 at 29–33, because such fees are prohibited by

statute. 38 U.S.C. § 5904(c)(1); *see also* Doc. 175 at 9. So any fee charged for assistance on initial claims is "more" than accredited agents could charge.

Fees charged by accredited agents for preparing non-initial claims for benefits are subject to review by the VA for reasonableness. *See* 38 U.S.C. § 5904(a)(5); 38 C.F.R. § 14.636(e). Because Guardian does not include its name and involvement in claim preparation and presentation in the claim forms it prepares and it instructs clients to exclude that fact, Doc. 73-2 at 24–25, the VA does not review Guardian's fees for reasonableness. Those regulations provide that "[f]ees which exceed 33 1/3 percent of any past-due benefits awarded shall be presumed to be unreasonable." 38 C.F.R. § 14.636(f)(1).

Other undisputed facts will be addressed in the context of the plaintiffs' specific claims and Guardian's specific arguments.

III. Choice of Law

The contracts signed by the parties provide for application of North Carolina law to disputes about the contract, and the claims at this stage center on whether Guardian's conduct in performing its duties under that contract constitutes unfair trade practices. North Carolina law applies to the claims of all the named plaintiffs and class members alleging the unfair acts of acting as an agent in violation of federal law.

A. The Choice of Law Provision in the Contract

It is undisputed that all of Guardian's clients sign a consulting service agreement when they begin working with Guardian. Doc. 123 at ¶ 3; Doc. 52-1. The contracts, written by Guardian, provide that "[t]his agreement is entered into and shall be governed

by the laws of the State of North Carolina and said state's courts shall have exclusive jurisdiction to adjudicate any dispute arising out of or relating to this agreement." Doc. 52-1 at p. 11 ¶ 8.

North Carolina courts generally honor choice-of-law clauses, *iPayment, Inc. v. Grainger*, 257 N.C. App. 307, 312, 808 S.E.2d 796, 800 (2018), but the North Carolina Supreme Court has not decided whether this type of generic choice-of-law provision applies to UDTPA claims. *See Frazier v. Titlemax of Va., Inc.*, __N.C. App.__, __S.E.2d__, 2026 WL 1235226, at *4 (2026).[1] Some federal district courts have determined that generic choice of law provisions only apply to issues of contract construction, interpretation, or enforceability. *See e.g., P & L Dev. LLC v. Bionpharma, Inc.*, 367 F. Supp. 3d 421, 429 (M.D.N.C. 2019). Other district courts have looked to the facts of the case to determine the intent of the parties and whether the claim is closely related to the parties' contract. *See e.g., Volvo Grp. N. Am., LLC v. Forja de Monterrey S.A. de C.V.*, No. 16-CV-114, 2019 WL 4919632, at *6 (M.D.N.C. Oct. 4, 2019).

Here, the plaintiffs do not assert a breach of contract claim, but they do contend that the contractual provisions detailing Guardian's services and establishing the fees owed for those services constitute an unfair trade practice because the services Guardian

[1] The choice-of-law provision at issue here is generic because it "provides that the contract shall be 'governed by' the law of a particular state without specifically providing that the clause governs any and all claims arising from or relating to the contract." *Frazier*, 2026 WL 1235226, at *4 (cleaned up). "[C]aselaw regarding the scope of a generic choice-of-law provision is unsettled, with the courts divided as to whether a generic choice-of-law clause only applies to contractual claims or more broadly applies to statutory and tort claims that relate to the contract." *Id.*; *see also Brimer v. MDElite Laser & Aesthetic, LLC*, 770 F. Supp. 3d 876, 888–89 (E.D.N.C. 2025).

provides and the fees Guardian charges under the contract violate federal law. This contract-based illegality forms the basis for their UDTPA claims and NCDCA claim, which also requires an unfair trade practice. *See* discussion *infra*.

By implicit definition, the UDTPA classes include only those veterans who have a contract with the choice-of-law provision. Doc. 131 at 27.[2] Guardian's affirmative defense of the voluntary payment doctrine relies on the contract, Doc. 104 at 27–30, and other affirmative defenses that it raised earlier in the case also relied on the contract. Doc. 53 at 43–44 (raising affirmative defenses of "no material misrepresentation" and "commercially reasonable and lawful action"). At the summary judgment hearing, Guardian's counsel stated that "[the case] is basically a contract case. . . ." Doc. 174 at 40. And in a different case where different choice-of-law rules applied but involving the same contract, Guardian asserted that North Carolina law applied to a consumer protection tort claim. *See Young v. Veterans Guardian VA Claim Consulting LLC*, No. 24-CV-1021, Doc. 44 at 16–17 (M.D.N.C. Dec. 19, 2024) (applying Montana's choice of law rules and asserting that the contract provision includes tort claims related to the contract). Thus, the contract is closely intertwined with the plaintiffs' unfair trade practices claims. *Volvo Grp.*, 2019 WL 4919632, at *6.

Guardian decided that North Carolina law should apply to its agreement with clients, showing its clear intent to be governed by North Carolina law. Class members

[2] The class definitions require payment for a claim "under a consulting contract substantially similar to Exhibit A to the Consolidated Complaint." Doc. 131 at 27. The contracts attached to the Consolidated Complaint contain the choice-of-law provision. Doc. 52-1 at 11, 21, 31.

also agreed that North Carolina law should apply. That mutual intent is corroborated by the broader forum selection clause in the same sentence, which calls for courts in North Carolina "to adjudicate any dispute arising out of or relating to this agreement," Doc. 52-1 at p. 11 ¶ 8, showing the parties' more general intent. As everyone agrees, the disputes in this case arise out of and relate to the agreement. It only makes sense for North Carolina law to also govern whether Guardian's actions taken pursuant to that contract constitute unfair trade practices. And while enforceability of the contract is not directly at issue, the plaintiffs' claims, if successful, would undermine such enforceability. Based on the choice of law provision, the questions the claims raise as to enforceability, *see, e.g.*, *P & L Dev.*, 367 F. Supp. 3d at 429, the intent of the parties, *see, e.g.*, *Volvo*, 2019 WL 4919632, at *6, and the fact that the claims are closely related to the parties' contract, *see, e.g.*, *id.*, application of North Carolina law is appropriate.

Guardian contends that the choice of law provision in the contract does not apply because the claims at issue are essentially tort claims and the choice of law provision only encompasses disputes over the contract. *See generally* Doc. 180. The plaintiffs do allege in the operative complaint that Guardian made "false representations" to its veteran clients, *e.g.*, Doc. 52 at ¶ 36, but those "false representations" were allegedly made in the contract itself. *See, e.g.*, *id.* Moreover, the plaintiffs' arguments in their brief in favor of summary judgment on the UDTPA claims do not reference allegations of false statements. Doc. 110 at 23–25. As discussed, *supra*, the UDTPA claims closely relate to the contract because the claims rely on the contract language and both sides invoke the contract in their arguments, among other reasons.

Guardian contends that its assertions in *Young* are inapplicable because the facts were different, Montana choice of law rules applied, and the Court did not rely on Guardian's argument in that case. *See* Doc. 182. Unlike North Carolina which has not addressed the application of generic choice of law provisions to tort claims, the Montana Supreme Court has held that a generic choice of law provision applies to contract claims and tort claims related to the contract. *Masters Grp. Int'l., Inc. v. Comerica Bank*, 352 P.3d 1101, 1114–16 (Mont. 2015). The Court appreciates the difference, but that does not make Guardian's litigation conduct in *Young* irrelevant. The Court does not decide the choice of law issue based solely on Guardian's litigation conduct in *Young*; rather Guardian's argument in *Young* is one of many factors the Court has considered.

B. North Carolina Choice of Law Rules – the UDTPA Claim

In the alternative, North Carolina choice of law rules also call for application of North Carolina law to the Unfair and Deceptive Trade Practices Act claims. If there is no applicable contractual provision, federal district courts sitting in diversity apply the choice-of-law rules of the state in which they sit. *Small v. WellDyne, Inc.*, 927 F.3d 169, 173 n.3 (4th Cir. 2019). Both parties agree that North Carolina's choice of law rules govern.

North Carolina courts consistently examine choice of law issues in terms of the nature of the cause of action. For example, the Supreme Court of North Carolina consistently has applied the doctrine of "lex loci, the law of the situs of the claim," to actions sounding in tort. *Boudreau v. Baughman,* 322 N.C. 331, 335, 368 S.E.2d 849, 854 (1988); *see Charnock v. Taylor*, 223 N.C. 360, 361, 26 S.E.2d 911, 913 (1943)

(noting "the lex loci" is the "law of the jurisdiction in which the transaction occurred or circumstances arose on which the litigation is based"); *but see New England Leather Co. v. Feuer Leather Corp.*, 942 F.2d 253, 255 (4th Cir. 1991) (noting that when the place of injury is open to debate, a "most significant relationship test seems appropriate"). The "interpretation of a contract is governed by the law of the place where the contract was made," unless there is a contrary choice of law provision in the contract. *Tanglewood Land Co. v. Byrd,* 299 N.C. 260, 262, 261 S.E.2d 655, 656 (1980). Federal courts take a similar approach, examining the nature of the cause of action to determine what law applies. *See, e.g.*, *Rhone-Poulenc Agro S.A. v. Monsanto Co.*, 73 F. Supp. 2d 554, 555–56 (M.D.N.C. 1999) (evaluating various causes of action and applying North Carolina law to a fraud claim, Illinois law to a breach of contract claim, and Connecticut law to breach of oral or implied agreement claims).

For a UDTPA claim, the plaintiff must establish an unfair or deceptive act or practice in or affecting commerce that proximately causes injury. *See Davis Lake Cmty. Ass'n v. Feldmann*, 138 N.C. App. 292, 296, 530 S.E.2d 865, 868 (2000); N.C. Gen. Stat. § 75-1.1. "[T]he UDTPA is not a tort; it is 'the creation of statute' and 'neither wholly tortious nor wholly contractual in nature." *Foodbuy, LLC v. Gregory Packaging, Inc.,* 987 F.3d 102, 121 (4th Cir. 2021) (quoting *Bernard v. Cent. Carolina Truck Sales, Inc.,* 68 N.C. App. 228, 230, 314 S.E.2d 582, 584 (1984)). It is, instead, "a different legal creature and not subject to the same defenses as traditional contract and tort claims." *Id.* at 121–22 (quoting *Media Network, Inc. v. Long Haymes Carr, Inc.,* 197 N.C. App. 433, 678 S.E.2d 671, 683 (2009)).

The nature and elements of a UDTPA claim may vary depending on whether it is based on allegedly unfair practices or on allegedly deceptive practices. *See, e.g.*, *CPI Sec. Sys., Inc. v. Vivint Smart Home, Inc.*, 145 F.4th 390, 401 (4th Cir. 2025) (noting "unfair competition claims do not have as an element the plaintiff's reliance" in contrast to a UDTPA claim "tantamount to fraud, which requires reliance"); *Lifebrite Hosp. Grp. of Stokes, LLC v. Blue Cross & Blue Shield of N.C.*, No. 1:18-CV-293, 2026 WL 1383204, at *19 (M.D.N.C. May 18, 2026) (examining a UDTPA claim that "does not sound in fraud"); *SciGrip, Inc. v. Osae*, 373 N.C. 409, 427, 838 S.E.2d 334, 347 (2020) (discussing the need for "substantial aggravating circumstances" for a breach of contract to constitute an unfair trade practice).

"The Supreme Court of North Carolina has not addressed the proper test for determining when the UDTPA applies" to out-of-state plaintiffs. *Teijin Auto. Techs. NA Holding Corp. v. Sompo Am. Ins. Co.*, No. 24-CV-159, 2025 WL 932934, at *7 (M.D.N.C. Mar. 27, 2025). The North Carolina Court of Appeals has recognized a "split of authority" within its decisions about whether the lex loci test or an alternative "most significant relationship" test should be applied to UDTPA claims. *Stetser v. TAP Pharm. Prods., Inc.*, 165 N.C. App. 1, 14–15, 98 S.E.2d 570, 580 (2004) (analyzing under both standards). Under the lex loci test, "the substantive law of the state where the injury or harm was sustained or suffered," applies; this is, "ordinarily, the state where the last event necessary to make the actor liable or the last event required to constitute a tort takes place." *SciGrip*, 373 N.C. at 420 (cleaned up). "The most significant relationship test considers (1) the place of injury, (2) the place of the conduct causing the injury, (3) the

domiciles of the parties, and (4) the place where the relationship is centered." *Teijin Auto.*, 2025 WL 932934, at *8.

The North Carolina Business Court generally applies the lex loci test to UDTPA claims. *See, e.g.*, *Window World of Baton Rouge, LLC v. Window World, Inc.*, 2024 WL 5053172, at *44 (N.C. Super. Nov. 26, 2024), *amended on reconsideration*, 2024 WL 5098060 (N.C. Super. Dec. 12, 2024). "[F]ederal courts generally appear to favor the lex loci rule," *SmithKline Beecham Corp. v. Abbott Labs.*, No. 15-CV-360, 2017 WL 1051123, at *6 (M.D.N.C. Mar. 20, 2017); *see also P & L Dev.*, 367 F. Supp. 3d at 428 (collecting cases), but that approach is not universal. *See Hardee's Food Sys., Inc. v. Beardmore*, No. 96-CV-508, 1997 WL 33825259, at *3 (E.D.N.C. June 6, 1997) (finding the UDTPA applicable based on "substantial in-state effect"); *Hometown Publ'g., LLC v. Kidsville News!, Inc*., No. 14-CV-76, 2014 WL 7499450, at *5–6 (E.D.N.C. Oct. 3, 2014) (Mag. J., recommendation), *adopted*, 2015 WL 13650095, at *4–5 (E.D.N.C. Jan. 5, 2015) (following *Hardee's* reasoning and allowing the UDTPA claim by an out-of-state plaintiff that alleged no in-state injury based on misconduct committed in North Carolina). In many cases, federal courts have avoided the issue because the result is the same under the lex loci test and the most significant relationship test. *See Teijin Auto.*, 2025 WL 932934, at *8; *SmithKline*, 2017 WL 1051123, at *9; *Guzman v. Diamond Candles, LLC*, No. 15-CV-422, 2016 WL 5679451, at *2–3 (M.D.N.C. Sep. 30, 2016).

A hard and fast choice-of-law rule on the applicability of the UDTPA does not make sense because of the wide range of behaviors and actions that can constitute unfair trade practices. Some, such as those based on fraud, are more like tort claims, and some,

such as those based on an aggravated breach of contract, are more like contract claims. Other UDTPA claims can fall somewhere in the middle of that spectrum. And, as noted *supra*, when the place of injury is open to debate, courts apply the most significant relationship test. *See New England Leather*, 942 F.2d at 255; *see also* n. 4 *infra*.

The varying nature of UDTPA claims warrants a case-by-case analysis considering the relevant facts and the nature of the conduct claimed to constitute an unfair or deceptive trade practice, any difficulties in determining where the "last act" occurred, and, if applicable, the parties' contract. The North Carolina legislature's removal of the UDTPA's geographical limitation, *see Window World*, 2024 WL 5053172, at *44, supports such flexibility.

In this case, these considerations lead to the application of North Carolina law. At summary judgment, the plaintiffs focus their UDTPA claims on the contention that they were injured when Guardian prepared and presented their claims without accreditation and without disclosure to the VA, when they paid the illegal fees to Guardian in North Carolina,[3] and when they were exposed to Guardian's unlawful conduct of acting as an unaccredited agent. Doc. 110 at 23–25; Doc. 174 at 25–26. These alleged injuries occurred both in their locations at the time they paid Guardian and in North Carolina where Guardian received payment and where all of Guardian's acts occurred. *See New England Leather*, 942 F.2d at 255 (stating that when the place of injury is open to debate, a "most significant relationship test seems appropriate"); *Teijin Auto.*, 2025 WL 932934,

[3] The record does not contain evidence of where the named plaintiffs or any class members were located when they made payments to Guardian. *See* n. 4 *infra*.

at *7 (same); *see also Cargill, Inc. v. WDS, Inc.*, No. 3:16-CV-848, 2018 WL 1525352, at *8 (W.D.N.C. Mar. 28, 2018) (confirming that the injury in a UDTPA claim arose when the plaintiffs paid the defendant in North Carolina, which constituted the last act under the lex loci test); *Harco Nat'l Ins. Co. v. Grant Thornton LLP*, 206 N.C. App. 687, 696–97, 698 S.E.2d 719, 725–26 (2010) (rejecting a bright line rule that the injured party suffers its injury at its principal place of business and instead determining where an injured party in fact sustained its alleged injury to determine the applicable law).

And, as already noted, Guardian has chosen North Carolina law to apply to any dispute related to its contracts with its clients, which this case assuredly is. *See* discussion *supra*. Even if North Carolina courts would not apply the contractual choice of law provision as determinative, that does not make it irrelevant.

It is undisputed that North Carolina is the place of the conduct causing the alleged injury because all of Guardian's acts occurred in North Carolina. Doc. 73-2 at 37, 41. Guardian is domiciled in North Carolina. Doc. 13 at 2; Doc. 52 at ¶ 24; Doc. 53 at ¶ 24. The relationships with class members are centered in North Carolina where Guardian operates, communicates with class members, and prepares VA claims. Doc. 73-2 at 37, 41; Doc. 52-1 at 3; Doc. 52-2 at 4. Guardian received payment in North Carolina. *See* Doc. 52-2 at 3–4 (invoices stating acceptance of electronic card payment, automatic bank transfer, and mailed checks and using Guardian's North Carolina address). Deciding where the "last act" creating liability occurred may also be complicated.[4]

[4] This can be complicated legally and factually. Is the last act where payment was made, where payment was received, or some other place? If it is where payment was made, where did

Considering the facts and claims made specific to this case, North Carolina law applies to the UDTPA claims of the plaintiffs and class members. Guardian's motion for summary judgment will be denied as to its argument that the UDTPA does not apply to the out-of-state plaintiffs and class members.

C. North Carolina Choice of Law Rules – the NCDCA Claim

"All NCDCA claims require: (1) a consumer; (2) that owes a debt; (3) to a debt collector." *Onnipauper LLC v. Dunston*, 290 N.C. App. 486, 490, 892 S.E.2d 487, 491 (2023). In addition to these basic elements, an NCDCA claim requires a showing that the debt collector committed an unfair act that affects commerce and that proximately injures the consumer. *Id*.

In the initial summary judgment briefing, neither party specifically addressed the choice-of-law issue in discussing the NCDCA claim. In the supplemental briefing, the parties direct their choice-of-law arguments to both the UDTPA claims and the NCDCA claim but without distinguishing between the two. *See generally* Docs. 179, 180. To the extent that the plaintiffs rely on the same unfair acts to support their NCDCA claim as support their UDTPA claims at summary judgment–illegally acting as an agent for clients on VA disability claims in violation of federal VA accreditation law and seeking to collect

---

that happen? The parties seem to assume that the class member's home state is the location from which payment was made. Doc. 104 at 26; Doc. 110 at 26; *see also* n. 4 *infra*. But gone are the days when all bills were paid by mailing a check at a nearby post office. People visit family, travel, and work across state lines, and it is easy to make payments from a mobile phone or other mobile device from anywhere; is payment made where the payor lives, or where the payor is physically located when they hit the "pay now" button, or where the branch bank where the account was opened is physically located, where the online bank is headquartered, or somewhere else?

illegal fees for those claims in violation of federal law–the analysis is the same and North Carolina law applies.[5]

D. Conclusion

Considering the elements of the claims, the facts of this case, and the parties' contract, North Carolina law applies to the UDTPA and the NCDCA claims based on the unfair act of acting as an agent in violation of federal law brought by the out-of-state named plaintiffs and class members.

IV. Liability Under Counts I and II: Unfair and Deceptive Trade Practices

Both parties move for summary judgment as to liability on the two UDTPA claims. For a UDTPA claim, the plaintiff must establish an unfair act or practice in or affecting commerce that proximately causes injury. *See Davis Lake Cmty. Ass'n*, 138 N.C. App. at 296; N.C. Gen. Stat. § 75-1.1. The plaintiffs contend that Guardian committed *per se* violations of the UDTPA by acting as an unaccredited agent in preparing and presenting initial VA disability claims (Count I) and non-initial VA disability claims (Count II). Doc. 110 at 23; *see also* Doc. 52 at ¶¶ 188–90, 207–08, 225–28, 283. In the alternative, they contend that even if Guardian's actions were not *per se*

[5] In the operative complaint, the plaintiffs alleged facts framing the NCDCA claim in terms of false representations. *See* Doc. 52 at ¶¶ 300–03. They have not moved for summary judgment on the NCDCA claim, and it is unclear what facts they plan to use to support that claim at trial. The Court declines to address whether North Carolina law would apply to this more tort-like aspect of the plaintiffs' NCDCA claim absent application of the contractual provision because the parties have not addressed that specific issue and it is not necessary given the Court's decision that the contractual choice of law provision applies. *See Margolin v. Nat'l Assoc. of Immigration Judges*, 608 U.S. __, 146 S. Ct. 1285, 1288 (2026) (per curiam) ("Federal courts adhere to the principle of party presentation.").

UDTPA violations, its actions were still unfair trade practices. Doc. 110 at 23–25; *see also* Doc. 52 at ¶¶ 187–208, 222, 279–82.

Whether a defendant committed the acts in question can be a question of fact, but whether those acts constitute unfair trade practices is a question of law for the Court. *See, e.g.*, *Legacy Data Access, LLC v. MediQuant, Inc.*, No. 3:15-CV-584, 2017 WL 6001637, at *16 (W.D.N.C. Dec. 4, 2017). Whether such acts affect commerce or proximately cause injury are questions of fact. *See id.*

A. What is an Unfair Trade Practice?

"A practice is unfair when it offends established public policy as well as when the practice is immoral, unethical, oppressive, unscrupulous, or substantially injurious to consumers." *Walker v. Fleetwood Homes of N.C., Inc.*, 362 N.C. 63, 72, 53 S.E.2d 393, 399 (2007) (cleaned up). "[T]he violation of a statute designed to protect the consuming public may constitute an unfair and deceptive practice, even where the statute itself does not provide for a private right of action." *Stanley v. Moore*, 339 N.C. 717, 723, 454 S.E.2d 225, 228 (1995). But such a "violation does not automatically result in an unfair or deceptive trade practice." *Walker*, 362 N.C. at 70.

In deciding whether the violation of a statute constitutes an unfair trade practice, the North Carolina Supreme Court has looked to whether the "statute at issue defined in detail unfair methods of [business] and unfair and deceptive acts or practices in the . . . industry, thereby establishing the [legislative] intent to equate a violation of that statute with the more general provision of § 75-1.1." *Id*. at 71; *see also Cross v. Ciox Health, LLC*, 438 F. Supp. 3d 572, 586 (E.D.N.C. 2020). Violations of regulatory statutes may be

per se violations if "the regulatory statute specifically defines and proscribes conduct which is unfair or deceptive within the meaning of N.C. Gen. Stat. § 75-1.1." *Noble v. Hooters of Greenville (NC), LLC*, 199 N.C. App. 163, 170, 681 S.E.2d 448, 454 (2009); *see also Djarum v. Dhanraj Imps., Inc.*, 876 F. Supp. 2d 664, 668 (W.D.N.C. 2012) (violation of the Lanham Act constitutes an unfair trade practice); *Camco Mfg., Inc. v. Jones Stephens Corp.*, 391 F. Supp. 3d 515, 528 (M.D.N.C. 2019) (same). Even if a violation of federal law does not constitute a *per se* UDTPA violation, such violation may still be the basis for an unfair practice, depending on the facts. *See CPI Sec. Sys., Inc. v. Vivint Smart Home, Inc.*, No. 20-CV-504, 2021 WL 5225634, at *5 n.4 (W.D.N.C. Nov. 9, 2021).

B. Guardian's Violations of Federal Law Constitute *Per Se* Unfair Trade Practice Violations

Section 5901 proscribes the unfair and deceptive conduct in the industry by discussing the accreditation requirements for agents and warning against "predatory practices" that occur when unaccredited agents violate those requirements. 38 U.S.C. § 5901(b); *see, e.g., Noble*, 199 N.C. App. at 170 (stating that regulatory statutes must define and proscribe conduct that is unfair within the meaning of § 75-1.1 for a violation of the statute to constitute a *per se* UDTPA violation); *Cross*, 438 F. Supp. 3d at 586 (same and adding that courts look to whether statutes define in detail unfair practices in the industry thus establishing the legislative intent for a § 75-1.1 violation). Section 5901 requires the VA to provide links to online tools for claimants to (1) report individuals violating Chapter 59; (2) search a list for accredited agents, attorneys, and other entities;

and (3) find final disciplinary decisions for people who have violated Chapter 59. 38 U.S.C. § 5901(b)(1)(B)-(D). Those requirements protect veterans by cautioning against unauthorized claim assistance and giving them tools to find information about proper assistance. *Id*. § 5901(b).

Here, it is undisputed that Guardian engages in this conduct by acting as an unaccredited agent and charging fees. *See* Doc. 175 at 19. In addition, Guardian's fees are either prohibited by federal law (as to initial claims) or are assessed in an attempt to avoid the required VA oversight (as to non-initial claims). *See* discussion *infra* at 19–20. These violations continued to occur after the VA issued cease-and-desist letters.[6] *See Cross*, 438 F. Supp. 3d at 587–88 (looking to whether the regulatory violation "readily translated to" a type of UDTPA violation and whether the violation was a single incident or ongoing practice). These actions, taken together, are unfair, prohibited by law, and predatory. They constitute unfair trade practices.[7]

Guardian contends that § 5901 does not specifically define and proscribe the unfair or deceptive conduct to establish a *per se* UDTPA violation. Doc. 125 at 24–25. But the statute requires agents to be accredited to prepare and present disability claims

[6] As early as January 2019, Guardian knew that the VA believed Guardian was violating the federal accreditation laws. *See* Doc. 73-7 (cease-and-desist letters from the VA to Guardian in January 2019, and August 2024).

[7] There cannot be a *per se* UDTPA violation based on a violation of a federal law if North Carolina law regulates that legal area. *See Lyons P'ship, L.P. v. Morris Costumes, Inc.*, 243 F.3d 789, 805 (4th Cir. 2001). Before October 1, 2025, North Carolina did not define unfair trade practices in the context of charging fees for assisting veterans with VA claims, N.C. Gen. Stat. § 143B-1278, so a § 5901 violation before October 1, 2025, can be a *per se* UDTPA violation. *See Lyons P'ship*, 243 F.3d at 805; *see also* Doc. 178 at 6. Claims after that date have already been dismissed on other grounds. Doc. 178 at 6.

and requires the VA to warn about people violating the accreditation mandate. 38 U.S.C. § 5901. It directs the VA to provide a search tool for claimants to find agents and attorneys accredited to prepare, present, or prosecute VA claims. *Id*. § 5901(b)(1)(C). The statute sufficiently describes the unfair and deceptive conduct because it details the predatory practice of acting as an unaccredited agent. *See Noble*, 199 N.C. App. at 170. Guardian's federal accreditation violations translate to "unfair or deceptive acts or practices" under § 75-1.1, and Guardian engages in that exact predatory practice by acting as an unaccredited agent in violation of federal law.

C. Guardian's Violations of Federal Law Constitute Unfair Trade Practice Violations

Alternatively, Guardian's actions of preparing claims without accreditation and charging fees outside the statutory and regulatory system constitute unfair trade practices, viewed in toto. *See CPI Sec. Sys.*, 2021 WL 5225634, at *5 n.4.

First, as has already been shown, Guardian violates federal law by preparing and presenting claims without accreditation. Doc. 175 at 19.

Second, Guardian charges fees for initial claims that are illegal under federal law and avoids oversight by the VA for the fees it charges for non-initial claims. Federal law prohibits charging a fee in connection with the filing of an initial disability claim for benefits before the VA even by accredited agents. 38 U.S.C. § 5904(c)(1). Guardian acknowledges that it could not charge clients any amount for assistance with initial VA disability claims if it was accredited. Doc. 73-2 at 29–33. Guardian's action of charging for assistance with initial claims as an unaccredited agent violates federal law, and

Guardian engages in predatory practices by acting as an unaccredited agent and charging fees for preparing such claims in violation of federal law. The amount Guardian charges its clients for unlawful assistance supports that its actions constitute UDTPA violations, at least as to initial claims.

It appears to be disputed whether the fees Guardian charges for preparing non-initial claims are always, often, usually, or sometimes larger than would be approved by the VA.[8] But it is undisputed that Guardian instructs veterans not to mention Guardian's assistance in its communications with the VA and that the way Guardian presents claims avoids oversight by the VA for reasonableness of the fee charged by accredited agents.

Finally, the evidence is undisputed that Guardian attempts to avoid the flat prohibition against preparing and presenting claims without accreditation in ways that contradict reality, border on subterfuge as to the VA, or are otherwise unfair. Guardian instructs clients not to mention Guardian's involvement in the preparation or presentation of the claim in any materials submitted to the VA, *id*. at 24–25, thus undermining the VA's ability to identify statutory violations and predatory fees. Guardian knows that it is not accredited, and it knows that no one, not even accredited agents, can charge for preparing initial claims. *See id*. at 29–33. It is undisputed that Guardian knew what it was doing and acted intentionally. It continues to violate federal law despite at least two cease-and-desist letters from the VA. Doc. 73-7.[9] Guardian illegally charges fees, and

[8] The parties did not develop this point in the summary judgment briefing and disagreed on it at a hearing. This factor does not play into the Court's determination.

[9] *See supra* note 6.

class members have paid over $250,000,000 in fees during the class period. Doc. 75-1; Doc. 147 at 16.

It is undisputed that Guardian's actions affected commerce as there was an exchange of money.[10] And it injured the class members because they paid for assistance that Guardian was not allowed to provide without accreditation.

The plaintiffs' motion for summary judgment as to liability on its Unfair and Deceptive Trade Practice Claims, Count I and Count II, will be granted. Guardian's motion for summary judgment on Count I and Count II will be denied.

V. Count III: North Carolina Debt Collection Act Claim

Only Guardian moves for summary judgment on Count III, the plaintiffs' claim under the North Carolina Debt Collection Act, and it moves on a limited ground. *See* Docs. 103, 109. In Count III of the operative complaint, the plaintiffs alleged that Guardian engaged in unfair debt collection, citing, among other provisions, the first provision of § 75-54(4). Doc. 52 at ¶ 300. Guardian moves for summary judgment only to the extent the plaintiffs allege a violation of this provision.

The NCDCA lists a number of specific examples of prohibited unfair acts. In the first clause of § 75-54(4), the provision at issue in the pending motion, the NCDCA prohibits, "[f]alsely representing the character, extent, or amount of a debt against a consumer or of its status in any legal proceeding . . . ." N.C. Gen. Stat. § 75-54(4).[11]

---

[10] Guardian does not dispute the "in commerce" element. Doc. 174 at 50.

[11] Section 75-54(4) prohibits other unfair conduct not raised by the plaintiffs.

As a number of courts have held, to be prohibited and unfair under this part of § 75-54(4), the statute requires a legal proceeding. *See Waddell v. U.S. Bank Nat'l Ass'n*, 395 F. Supp. 3d 676, 683 (E.D.N.C. 2019) (collecting cases). The plaintiffs have not presented any evidence of a false statement in a legal proceeding, and they cite no authority for their argument that this provision of the statute does not require a legal proceeding. Doc. 110 at 28–29; Doc. 127 at 14–15. Guardian is entitled to summary judgment on this aspect of the NCDCA claim.

Guardian's motion for partial summary judgment directed to this aspect of the NCDCA claim in Count III will be granted.

VI. The Voluntary Payment Defense

Guardian asserts the affirmative defense of "voluntary payment" as to all of the plaintiffs' claims and contends its application precludes the plaintiffs' request for recovery of fees paid. Doc. 104 at 27. In North Carolina, "a payment cannot be recovered if it is voluntarily made by a person with full knowledge of all facts relevant to the payment." *Boydell v. Wells Fargo Bank, N.A.*, No. 12-CV-35, 2013 WL 5462255, at *1 (W.D.N.C. Sep. 30, 2013); *see Guerry v. Am. Tr. Co.,* 234 N.C. 644, 647, 68 S.E.2d 272, 274 (1951).[12] This defense applies generally to breach of contract and unjust enrichment claims. *See Guerry*, 234 N.C. at 647. Guardian has not cited nor has the Court found a North Carolina case dismissing a UDTPA or NCDCA claim based on this

[12] As damages, the plaintiffs seek to recover the fees paid by the class members for using Guardian's services to prepare and present their claims. Doc. 73 at 27.

defense. As discussed, *supra*, the elements of a UDTPA and NCDCA claim are different from contract and unjust enrichment claims. *See, e.g., Foodbuy*, 987 F.3d at 121–22.

In addition, courts have recognized that application of the voluntary payment defense to consumer protection statutory claims "would undermine the legislative purpose in enacting those statutes." *Braan v. Wells Fargo Home Mortg., Inc. by Wells Fargo Bank, N.A.*, No. 17-CV-380, 2017 WL 3315253, at *7 (D. Md. Aug. 3, 2017).[13] That is the case here. The defense does not apply to bar the plaintiffs' claims.

Finally, Guardian has not established that the plaintiffs had "full knowledge of all facts relevant to the payment." *Boydell,* 2013 WL 546225, at *1. The plaintiffs and class members knew that Guardian was not accredited by the VA, but Guardian's contract stated that its "services provided are [in accordance with] regulations and limitations identified in Chapter 59, Title 38, United States Code and Title 38, Code of Federal Regulations, section 14." Doc. 52-1 at p. 4 ¶¶ 2(a)(2)(a), 2(a)(3)(a); *see id*. at p. 3 ¶ 1. That statement is not accurate. Doc. 73-7 at 3–4, 7–8; Doc. 175 at 10, 19. The voluntary payment doctrine does not apply.

Guardian's motion for summary judgment on this defense will be denied.

VII. Conclusion

North Carolina law applies to the UDTPA and the NCDCA claims based on the unfair act of acting as an agent in violation of federal law brought by the out-of-state

[13] The Court doubts even Guardian would assert that the voluntary payment doctrine defense applies against a *per se* UDTPA violation under the new Military Veteran Support Act provisions. *See* N.C. Gen. Stat. § 143B-1278(d).

named plaintiffs and class members. Guardian committed unfair trade practice acts that affected commerce and injured the class members, and the plaintiffs are entitled to summary judgment as to liability on their UDTPA claims. To the extent the plaintiffs contend that Guardian has acted unfairly in ways prohibited by the first provision of § 75-54(4), Guardian is entitled to summary judgment because the plaintiffs have neither alleged nor offered evidence of any false or misleading representation in a legal proceeding. Guardian's motion will be denied as to the voluntary payment defense because the defense does not apply.

It is **ORDERED** that:

1. The plaintiffs' motion for summary judgment, Doc. 109, is **GRANTED** as to liability on the unfair trade practices claims in Counts I and II.
2. The defendant's motion for summary judgment, Doc. 103, is **GRANTED** in part as follows:
    a. The NCDCA Claim in Count III is **DISMISSED** to the extent that it is based on N.C. Gen. Stat. § 75-54(4).
    b. The remaining aspects of the NCDCA claim in Count III may proceed to trial.
3. The defendant's motion for summary judgment, Doc. 103, is otherwise **DENIED**.

PLAINTIFFS' MOTION FOR LEAVE TO AMEND

Plaintiffs Warriors and Family Assistance Center LLC, Tonya Price, Manring & Farrell Attorneys at Law, and Clifford Farrell, individually and on behalf of all others similarly situated (collectively, "Plaintiffs"), pursuant

to Rules 15, 16, and 20 of the Federal Rules of Civil Procedure and the Local Rules of the Northern District of Florida, hereby submit this memorandum of law in support of their request for leave to file an Amended Complaint against Defendant Trajector Medical, LLC ("Trajector"). Plaintiffs' proposed amendment removes two named Plaintiffs (Warriors and Family Assistance Center LLC, or "WFAC," and Tonya Price) and adds one named Plaintiff (Veterans of Foreign Wars, or "VFW"), which will serve as a class representative. Plaintiffs Tonya Price and her business, Warriors and Family Assistance Center LLC, no longer desire to pursue this litigation due to personal issues. Plaintiffs' proposed amendment also adds five new claims: three "Racketeering Influenced and Corrupt Organizations" (RICO)-related claims, a contributory false advertising claim, and a declaratory judgment claim. These new claims underscore the web of entities involved in Trajector's finances and alleged conduct, as well as the significance of whether Trajector "presents, prepares, and prosecutes" VA disability claims. As explained below, granting leave to file this amendment will not unfairly prejudice Trajector or unduly delay the final disposition of this case, and it serves the interests of justice.

ARGUMENT

I. LEGAL STANDARD

"[W]hen a motion to amend is filed after a scheduling order deadline, Rule 16 is the proper guide for determining whether a party's delay may be excused." *Sosa v. Airprint Sys.*, 133 F.3d 1417, 1418 n.2 (11th Cir. 1998). A plaintiff must first establish that good cause exists under Rule 16(b) and then satisfy Rule 15(a)'s requirements for obtaining leave to amend. *Id.*; *United Nat'l Ins. Co. v. Owl's Nest of Pensacola Beach, Inc.*, No. 3:05cv374/MCR/MD, 2006 U.S. Dist. LEXIS 42859, at *8 (N.D. Fla. June 8, 2006).

Federal Rule of Civil Procedure 16(b)(4) provides that a Scheduling Order may be modified "only for good cause and with the judge's consent." Fed. R. Civ. P. 16(b)(4). In determining whether Plaintiffs meet the good cause standard under Rule 16, "the court may consider three factors: 1) whether the plaintiff failed to ascertain facts prior to filing the complaint or failed to acquire information during the discovery period; 2) whether the information supporting the proposed amendment was available to the plaintiff; and 3) whether, even after acquiring the information, the plaintiff delayed in requesting leave to amend." *Vanhorne-Padilla v. Fla. Hosp. Med.*

Grp., Inc., No. 6:22-cv-1904-WWB-EJK, 2023 U.S. Dist. LEXIS 210802, at *3 (M.D. Fla. Nov. 28, 2023).

Next, if good cause under Rule 16 has been found, "Federal Rule of Civil Procedure 15(a)(2), which provides that 'the court should freely give leave [to amend] when justice so requires,' drastically circumscribes the court's discretion to deny a motion to amend." *Safeco Ins. Co. v. Alford*, No. 4:11-CV-0043-HLM, 2011 U.S. Dist. LEXIS 175056, at *4 (N.D. Ga. Dec. 5, 2011) (quoting Fed. R. Civ. P. 15(a)(2)) (citing *Fla. Evergreen Foliage v. E. I. DuPont de Nemours & Co.*, 470 F. 3d 1036, 1041 (11th Cir. 2006)). "A court thus may deny a motion to amend only if certain circumstances exist, including: (1) undue delay; (2) bad faith or dilatory motive; (3) repeated failure to cure deficiencies by amendments previously allowed; (4) undue prejudice to the opposing party; or (5) futility of the amendment." *Id.*; *see also Equity Lifestyle Props., Inc. v. Fla. Mowing & Landscape Serv., Inc.*, 556 F.3d 1232, 1241 (11th Cir. 2009).

Furthermore, plaintiffs may be joined in one action if "(A) they assert any right to relief jointly, severally, or in the alternative with respect to or arising out of the same transaction, occurrence, or series of transactions or occurrences; and (B) any question of law or fact common to all plaintiffs will

arise in the action." Fed. R. Civ. P. 20. Rule 21 of the Federal Rules of Civil Procedure provides that "the court may at any time, on just terms, add or drop a party." Fed. R. Civ. P. 21.[1]

II. PLAINTIFFS HAVE GOOD CAUSE TO AMEND UNDER RULE 16(b)

Good cause exists to allow Plaintiffs to amend their Complaint at this time because several changed circumstances have made an amended complaint timely.

First, while the deadline to amend pleadings and add new parties has passed, the new party that the current Plaintiffs seek to add to this case was only recently retained by Plaintiffs' counsel. Plaintiffs' counsel quickly secured the VFW as another plaintiff who was harmed by Trajector's conduct after Trajector recently sent a threatening letter. This letter was the basis of Plaintiffs' July 18, 2025, Time-Sensitive Motion for a Protective Order (ECF No. 107). In particular, Trajector's letter threatening accredited agents and attorneys included as an attachment another letter threatening the VFW

[1] The standard for deciding a motion for leave to add parties under Rule 21 is the same as the standard under Rule 15(a) for a motion seeking leave to file an amended complaint. *See Loggerhead Turtle v. Cty. Council of Volusia Cty.*, 148 F.3d 1231, 1255 (11th Cir. 1998).

directly. *See* ECF No. 107-1 at 4 ("Letters have already been sent by our attorneys to the Veterans of Foreign Wars (VFW) . . . informing them of their error and demanding that they cease making or disseminating these mischaracterizations."). This effort to intimidate and bully accredited agents, attorneys, and Veteran Service Organizations ("VSOs") catalyzed the VFW's decision to be included in this litigation. Further, Trajector's letter has put into controversy whether VFW's "claim shark" campaign against Trajector—among other companies—constitutes true and protected speech. Plaintiffs' added declaratory judgment claim addresses this latter question.

Third, Plaintiffs learned during discovery that there are additional entities that are bound up in Trajector's finances and alleged conduct. These entities include but are not limited to Trajector Holdings, LLC, Trajector, Inc., Trajector Media Services, LLC, Trajector Disability, Trajector Legal LLC, Perfect Path LLC, Anchor Six, Global Tek, Ampry Holdings LLC d/b/a Benefit Karma, and Outreach Legal. For example, Trajector stated during the July 2, 2025, hearing on Plaintiffs' Motion to Compel that it was not sure whether Trajector Medical LLC even had financial income statements independent and separate from its parent company. Additionally, the few financial documents produced by Trajector thus far show that the conduct

and finances of these various entities are intertwined. *See* Appendix A (filed under seal).

Thus, Plaintiffs were without the necessary knowledge to file the present motion to amend before the case management deadline to amend had expired. Since then, they have acted diligently in seeking this extension despite that inability to meet the original deadline—including by filing this motion within just 10 days of the Court's inquiry during the September 23, 2025, hearing. *Cf. Yoder v. Fla. Farm Bureau*, No. 1:19-cv-70-AW-GRJ, 2020 U.S. Dist. LEXIS 258300, at *3 (N.D. Fla. Oct. 30, 2020) (*finding* good cause when the extension-seeking party filed its motion to amend within 59 days of the intervening development). Accordingly, Plaintiffs have shown good cause to permit amendment of their Complaint under Federal Rule of Civil Procedure 16(b).

III. THERE IS NO UNFAIR PREJUDICE, UNDUE DELAY, BAD FAITH, DILATORY MOTIVE, OR FUTILITY OF AMENDMENT

Given that good cause to permit amendment under Rule 16(b) exists, leave to amend may be denied under Rule 15(a) when there is (1) undue delay; (2) bad faith or dilatory motive; (3) repeated failure to cure deficiencies by amendments previously allowed; (4) undue prejudice to the

opposing party; or (5) futility of the amendment. *Equity Lifestyle*, 556 F.3d at 1241. "[U]nless a substantial reason exists to deny leave to amend, the discretion of the district court is not broad enough to permit denial." *Committe v. Bd. of Trs. of the Fla. State Univ.*, No. 4:15cv228-MW/CAS, 2016 U.S. Dist. LEXIS 106553, at *3 (N.D. Fla. July 7, 2016) (quoting *Shipner v. Eastern Air Lines, Inc.*, 868 F.2d 401, 407 (11th Cir. 1989)). "The nonmovant bears the burden of showing prejudice, bad faith and futility of the amendment." *Bedgood v. Waste Mgmt.*, No. 6:22-cv-1449-CEM-NWH, 2025 U.S. Dist. LEXIS 129245, at *2-3 (M.D. Fla. July 8, 2025) (quoting *Jackson v. Fulton Cty.*, No. 1:12-CV-0518-ODE-ECS, 2013 U.S. Dist. LEXIS 207229, at *18 (N.D. Ga. Nov. 6, 2013)). As set forth below, none of these reasons to deny leave to amend is present here.

A. The Proposed Amendment Is Timely.

The proposed amendment is timely for the reasons stated above: VFW decided to be a part of this litigation after Trajector sent a threatening letter to accredited agents, attorneys, and VSOs, and Plaintiffs seek to add the new claims and parties both as a result of that letter and after learning about Trajector's related entities in discovery.

B. No Unfair Prejudice.

Trajector cannot demonstrate that it will suffer unfair prejudice by having to defend against the claims of the VFW in this existing case rather than in a newly filed case. Indeed, Trajector provoked (or at the very least, should have reasonably anticipated) this outcome by threatening litigation against one of the largest and oldest organizations serving veterans in America—the VFW. This case is in the early stages of discovery, particularly considering class certification is still looming. The first discovery requests to the named Plaintiffs were issued on April 16, 2025, over 246 documents or 1,974 pages have been produced, and no deposition of the named Plaintiffs have occurred. Plaintiffs served discovery on Trajector on January 11, 2025, and again on July 2, 2025; after no less than five meet and confers and Plaintiffs' successful motion to compel, Trajector has produced about 341 readable documents,[2] all of which would still be relevant with the VFW as an additional named plaintiff in this litigation. Trajector has already produced Trajector Holdings's consolidated financial statements for four years within the class period, and no Rule 30(b)(6) depositions of Trajector

[2] In addition, Trajector produced 772 JSON files, are call logs that require third-party programs to review.

or its owners or principals have occurred yet. As such, the addition of the VFW does not create unfair prejudice or undue burden on Trajector. Similarly, the discovery period is ongoing, and some of the evidence related to the RICO and contributory false advertising claims has already been sought.

It is well-settled law that having to expend additional resources to conduct further discovery alone does not constitute unfair prejudice. *United States ex rel. Armfield v. Gills*, No. 8:07-CV-2374-T-27TBM, 2011 U.S. Dist. LEXIS 104031, at *9 (M.D. Fla. Sep. 13, 2011); *United States v. Zak*, No. 1:18-cv-05774-AT, 2020 U.S. Dist. LEXIS 228364, at *10 (N.D. Ga. Nov. 4, 2020); *Allstate Ins. Co. v. Regions Bank*, No. 14-0067-WS-C, 2014 U.S. Dist. LEXIS 115540, at *29 & n.15 (S.D. Ala. Aug. 19, 2014) (collecting cases). Accordingly, Plaintiffs' proposed amendment does not substantially affect the prosecution or defense of this action so as to constitute unfair prejudice to Defendant or undue delay of this litigation.

C. No Bad Faith or Dilatory Motive.

Defendant cannot show that bad faith or dilatory motive undermines Plaintiffs' proposed amendment. The VFW only recently retained Plaintiffs' counsel on the heels of Trajector's letter threatening litigation, followed by

Trajector's letter to Plaintiffs and Class members. Plaintiffs have since sought to amend this Complaint to add VFW and the Declaratory Judgment claim, stemming from Trajector's recent actions. In addition, the RICO and contributory false advertising claims are warranted based on evidence suggesting there are related entities that was just uncovered within the past few months.

Therefore, Plaintiffs have not been dilatory in now moving for leave to add the VFW and the additional claims.

D. Plaintiffs' Proposed Amendments Are Not Futile.

Defendant also cannot demonstrate that Plaintiffs' proposed amendments are futile. The Lanham Act and FDUTPA claims that Plaintiffs propose to prosecute through the VFW are supported by the already existing allegations that Trajector has made false or misleading advertisements which resulted in unfair competition. Indeed, the Court has already ruled that the similar Lanham Act claims brought in the current complaint are adequately alleged and thus not futile. *See* ECF No. 78 at 10. In addition, because the false advertising allegations are based on whether or not Trajector "presents, prepares, or prosecutes" VA disability claims, the Declaratory Judgment claim is supported by the already existing allegations.

These facts and the other facts alleged in the proposed amended complaint, if proven, give rise to the claims alleged.

Further, the new contributory false advertising claim in the proposed fourth amended complaint are rooted in a majority of the same factual allegations already contained in the operative Complaint. The additional discovery based on these claims will be narrowly focused on the related entities' relationship to the current defendant, Trajector Medical, LLC, some of which is already in progress. Therefore, leave to amend is not futile and should be granted. *See, e.g.*, *LJ Remainder, LLC v. City of Atlanta*, 2025 WL 419539, at *2 (N.D. Ga. Feb. 6, 2025); *Galaxy Am., Inc. v. Ez Inflatables, Inc.*, No. 2:19-cv-855-JES-MRM, 2021 U.S. Dist. LEXIS 269215, at *12-17 (M.D. Fla. Aug. 17, 2021); Wright, Miller & Kane, FEDERAL PRACTICE AND PROCEDURE § 1487 (3d ed.1990) ("If a proposed amendment is not clearly futile, then denial of leave to amend is improper[.]").

None of the factors that serve as a basis for denying a Rule 15(a)(2) motion is applicable here. Amendment will not result in undue prejudice or delay to Trajector, and Plaintiffs seek leave to amend in good faith and in the interest of expeditious, efficient case management and preservation of the parties' and this Court's resources.

In contrast, if leave to amend is denied, the new plaintiff will simply be required to file a new case against Trajector in federal court and that will make resolution of the claims take place in a less efficient manner. It is preferred to address all claims against Trajector in one case rather than multiple cases. *See Hawkins v. Fulton County*, 95 F.R.D. 88, 91 (N.D. Ga. 1982). Where, as here, an amendment will promote judicial economy by efficiently resolving all pending, related claims against a defendant, leave to amend to add an additional plaintiff should be granted.

IV. Amendment to Join Additional Plaintiffs.

Rule 20(a)(1) allows parties to join together as plaintiffs in the same action if "they assert any right to relief jointly, severally, or in the alternative with respect to or arising out of the same transaction, occurrence, or series of transactions and occurrences;" and if "any question of law or fact common to all plaintiffs will arise in the action."

These requirements are satisfied. The proposed new plaintiff, the VFW, is a Veteran Service Organization which has represented hundreds of thousands of veterans in VA disability claims throughout the class period. Shared issues of fact and law include, for example, Trajector's alleged false or misleading advertisements, whether those false or misleading

advertisements affected the purchasing decisions of prospective veteran clients, damages resulting from Trajector's misrepresentations and omissions, including their profits, and Trajector's policies and procedures. Joinder is eminently more efficient and avoids a waste of judicial resources because it allows for common facts and issues to be consolidated in the same action.

CONCLUSION

Based on the foregoing, Plaintiffs respectfully request that this Court grant Plaintiffs' Motion for Leave to Amend the Complaint and enter an Order docketing Plaintiffs' Amended Complaint, attached as **Exhibit A**, as filed.

EXHIBIT A

UNITED STATES DISTRICT COURT
FOR THE NOTHERN DISTRICT OF FLORIDA
GAINESVILLE DIVISION

MANRING & FARRELL ATTORNEYS AT LAW, CLIFFORD FARRELL, and VETERANS OF FOREIGN WARS OF THE UNITED STATES, individually, and on behalf of all others similarly situated, **Plaintiffs,** **v.** **TRAJECTOR MEDICAL LLC f/k/a VET COMP & PEN MEDICAL CONSULTING LLC, TRAJECTOR HOLDINGS LLC, TRAJECTOR MEDIA SERVICES LLC, AMPRY HOLDINGS LLC d/b/a BENEFIT KARMA, GLOBAL TEK BPO LLC, JAMES S. HILL II, GINA G. URIBE, and RICHARD BLASER,** **Defendants.**	**Case No. 1:23-cv-290-AW-HTC** **CLASS ACTION** **DEMAND FOR JURY TRIAL**

FOURTH AMENDED CLASS ACTION COMPLAINT

1. This case challenges Defendants' unlawful scheme to assist veterans in preparing and filing VA disability claims without being accredited to do so, in violation of federal law, and the unfair competitive advantage this illegal conduct gives them over Veterans Service

Organizations ("VSOs") with accredited representatives as well as accredited attorneys and agents (together, "Accredited Representatives").

2. By federal statute and regulation (the "Accreditation Laws"), only accredited attorneys, agents, and service organizations' representatives may prepare, present, prosecute, and/or file VA disability claims for compensation. Federal law sets out the prohibition on collecting fees for preparing claims without accreditation, barring not only direct charges for claim preparation but also any disguised or indirect costs that function as compensation for assisting in the preparation or presentation of a VA disability benefits claim. See 38 U.S.C. §§ 5901, 5904; 38 C.F.R. §§ 14.629, 14.636. Fees for assisting with initial VA disability claims are strictly prohibited, even if accredited. See 38 U.S.C. §§ 5901, 5904; 38 C.F.R. §§ 14.629, 14.636.

3. Deliberately ignoring the Accreditation Laws, Defendants built a multi-entity pipeline designed to solicit veterans, prepare VA disability claims, transmit them to the VA, and charge illegal fees. They disguised their role during the claim process as only "medical consulting," and advertised to that effect. But in fact, they unlawfully compete with VSOs and accredited attorneys and agents bound by law and a regulatory framework designed to

protect our veterans and to avoid fraud, waste, and abuse within the VA benefits system.

4. Plaintiffs—Manring & Farrell Attorneys at Law ("MFAL"), Clifford Farrell ("Farrell"), the Veterans of Foreign Wars of the United States (the "VFW," a major VSO), and the putative Class of VSOs and accredited attorneys and agents—lost clients, revenues, funding, public trust and credibility, and goodwill as veterans were diverted into Defendants' unlawful system. Plaintiffs bring their claims under the Lanham Act, FDUTPA, and RICO on behalf of themselves and others similarly situated (the "Class").

JURISDICTION AND VENUE

5. This Court has subject-matter jurisdiction over this case under 28 U.S.C. § 1331 because Plaintiffs assert federal causes of action under the Lanham Act and RICO. The exercise of supplemental jurisdiction over Plaintiffs' related state-law cause of action is appropriate under 28 U.S.C. § 1367.

6. This Court also has subject-matter jurisdiction over this case under the Class Action Fairness Act ("CAFA"), 28 U.S.C. § 1332(d), because the matter in controversy exceeds $5,000,000, exclusive of interest and costs,

and because it is a class action in which at least two-thirds of the Class members are citizens of states different from Defendants' states of citizenship.

7. Minimal diversity exists for CAFA jurisdiction. Plaintiff Veterans of Foreign Wars of the United States is domiciled in Missouri. Plaintiff Manring & Farrell Attorneys at Law is domiciled in Ohio, while Plaintiff Farrell is domiciled in Ohio and is an Ohio citizen. Class members are domiciled in and citizens of most states. Defendant Trajector Medical LLC ("Trajector Medical"), formerly known as Vet Comp & Pen Medical Consulting, LLC, is a Wyoming limited-liability company with its principal place of business in Gainesville, Florida. According to reports filed with the Florida Division of Corporations and Plaintiffs' investigation, Trajector's managing members are Defendants James S. Hill II ("Hill") and Gina G. Uribe ("Uribe"), both citizens of Florida. Upon information and belief, Defendant Richard Blaser ("Blaser") is also a citizen of Florida.

8. This Court has personal jurisdiction over Trajector Medical, Trajector Holdings LLC ("Trajector Holdings"), Trajector Media Services LLC ("Trajector Media"), Global Tek BPO LLC ("Global Tek"), Ampry Holdings LLC ("Ampry Holdings"), Hill, Uribe, and Blaser because they all

operate from Trajector Medical's principal place of business, their headquarters are located within this District, conduct substantial business in this District, maintain a registered agent in this District, have prepared and/or filed tens of thousands of VA disability claims in or from this District, have owned and operated bank accounts in this District, own the real property used as Defendants' headquarters located in this District, have processed payments from thousands of veterans in this District, have had sufficient contacts with this District, and otherwise purposely have availed themselves of the markets in this District during the Class Period.

9. For the same reasons, venue is proper in the Northern District of Florida under 28 U.S.C. § 1391 and in the Gainesville Division under N.D. Fla. Loc. R. 3.1(B). In addition, a substantial part of the events giving rise to the claims Plaintiffs and members of the proposed Class assert occurred in and were directed from this District and Division.

PARTIES

10. Plaintiff Veterans of Foreign Wars of the United States is a VSO federally chartered by Congress. The VFW was officially formed in 1914 and has served millions of veterans for over a century. The VFW is a membership

organization with approximately 1.4 million members, many of whom are disabled veterans. The VFW is headquartered in Kansas City, Missouri.

11. Plaintiff Manring & Farrell Attorneys at Law is an Ohio entity. Its principal place of business is 5810 Shier Rings Road, Front, Dublin, OH 43016. Plaintiff Farrell is the managing partner of Manring & Farrell Attorneys at Law. At all relevant times, Manring & Farrell Attorneys at Law was the entity through which Plaintiff Farrell provided services to veterans as a VA-accredited attorney.

12. Plaintiff Clifford Farrell is a natural person living in Dublin, Ohio, and an Ohio citizen.

13. Defendant Trajector Medical LLC, formerly known as Vet Comp & Pen Medical Consulting, LLC, is a Wyoming entity. Its principal place of business is 5950 NW 1st Place, Suite 200, Gainesville, FL 32607. Trajector has two managing members, Defendants Hill and Uribe, both Florida citizens.

14. Defendant Trajector Holdings LLC is a Delaware entity. Its principal place of business is 5950 NW 1st Place, Suite 200, Gainesville, FL 32607. Trajector Holdings has two managing members: Defendants Hill and Uribe, both Florida citizens.

15. Defendant Trajector Media Services LLC is a Wyoming entity. Its principal place of business is 1712 Pioneer Ave, Suite 500, Cheyenne, WY 82001. Trajector Media Services has two managing members: Defendants Hill and Uribe, both Florida citizens.

16. Defendant Ampry Holdings LLC is a Wyoming entity. Its principal place of business is 1712 Pioneer Ave, Suite 500, Cheyenne, WY 82001. Ampry Holdings LLC has two managing members: Defendants Hill and Uribe, both Florida citizens.

17. Defendant Global Tek BPO LLC is a Delaware entity. Its principal place of business is Cabanatuan City, Nueva Ecija, Philippines. Upon information and belief, Global Tek BPO LLC has one managing member and owner: Defendant Trajector Holdings.

18. Defendant James S. Hill II is a natural person. Upon information and belief, he lives in Newberry, Florida. Upon information and belief, at all times material hereto, Mr. Hill was a citizen of Florida.

19. Defendant Gina G. Uribe is a natural person. Upon information and belief, she lives in Newberry, Florida. Upon information and belief, at all times material hereto, Ms. Uribe was a citizen of Florida.

20. Defendant Richard Blaser is a natural person. Upon information and belief, he lives in Newberry, Florida. Upon information and belief, at all times material hereto, Mr. Blaser was a citizen of Florida.

FACTUAL ALLEGATIONS

The VA Disability-Compensation System's Regulations Were Created to Protect Veterans.

21. Members of the uniformed services take an oath to serve and protect our country. The government understands that their courage results in millions of disabled veterans. Recognizing their service, taxpayers repay soldiers through disability compensation administered by the Department of Veterans Affairs ("VA"), which provides a monthly tax-free payment intended to cover a wide range of physical and mental health conditions resulting from the veterans' service. The payments can exceed $4,000 per month.

22. Unlike our adversary-based judiciary, Congress decided instead to design the benefits system to be "informal and nonadversarial," with the VA even owing a duty to assist, and claimants receiving the benefit of the doubt. *Henderson v. Shinseki*, 562 U.S. 428, 440 (2011). From the Civil War era

forward, Congress has restricted fees and representation of veterans in submitting disability claims to protect their benefits from profiteering.

23. Defendants' business model seeks to take advantage of this non-adversarial process. Indeed, the reason that Defendants' business model is successful is that it primarily involves preparing simple standardized claim forms that are submitted to the VA and then waiting for benefits to be awarded. Defendants' fees are contractually triggered when benefits are paid. There is simply no additional work or representation "before the VA" to be done other than the preparing and filing the claim.

24. The first step in filing a claim for disability compensation (an "initial claim") is designed to be simple so the veteran can do it themselves. Even VA-accredited representatives (including those associated with VSOs), attorneys, and agents who may lawfully assist veterans with initial claims must do so without charging any fee on initial claims. Specifically, 38 U.S.C. § 5904(c)(1) states that "a fee may not be charged, allowed, or paid . . . for services . . . provided before the date on which a claimant is provided notice of the agency of original jurisdiction's initial decision under § 5104." In other words, federal regulations require that no one may charge for helping

prepare/file an initial claim before the VA issues its first or initial rating decision.

25. There are many nonprofit VSOs, like the VFW, as well as other nonprofit VA-accredited representatives accessible in counties across the country and acting under the authority of each state's Department of Veterans Affairs, that can also assist veterans with initial claims. VSOs and county representatives do not charge fees for assisting with initial claims. Most initial claims can be filed without any assistance at all.

26. Upon receipt of an initial claim for disability compensation, the VA reviews the veteran's claim, personnel record, and evidence and potentially orders a medical examination. If the VA determines the veteran is disabled, it assigns the veteran a rating percentage derived from an assessment of the injury or medical condition's effect on the veteran's overall health and ability to function. The rating percentage runs in 10 percent increments on a scale from 0 to 100 percent. This percentage determines the amount of the monthly payment and the veteran's eligibility for other VA benefits.

27. After receiving an initial claim rating percentage, if the veteran believes the VA's rating determination was incorrect, they may continue

receiving assistance from a VSO or county representative (if they began with one) or engage a for-profit VA-accredited attorney or agent to appeal or seek modification of that initial decision. The accredited representative may file a supplemental claim, request a higher-level review, or proceed to administrative and judicial appeals.

28. Only accredited VSO representatives or accredited attorneys and agents can legally assist veterans in preparing, presenting and prosecuting disability claims, and only accredited attorneys and agents may charge a fee for doing so after the initial claim decision has been made. 38 C.F.R. §§ 14.629(b)(1), 14.636(b)(1).

29. Critically, the VA expressly prohibits all unaccredited claims assistance by any person: "[n]o individual may assist claimants in the preparation, presentation, and prosecution of claims for VA benefits as an agent or attorney unless he or she has first been accredited by VA for such purpose." 38 C.F.R. § 14.629(b)(1) (emphasis added); *see also* 38 U.S.C. § 5901(a).

30. The VA further protects veterans by regulating the fees that accredited attorneys and agents may charge for assisting veterans with steps taken after the initial claim decision. Under 38 C.F.R. § 14.636(e), their fees

may only be based on past-due benefits, a fixed fee, an hourly rate, or a combination of these options. A contingent fee of 20% or less of any past-due benefits (i.e., retroactive payments) recovered by the accredited attorney or agent on the veteran's behalf is presumed to be reasonable, while a contingent fee that exceeds 33 and 1/3% of any past-due benefits is presumed to be unreasonable. 38 C.F.R. § 14.636(f)(1).

31. Accredited attorneys and agents may not derive their fees from future recoveries of benefits or seek any payment based upon speculative future benefits. 38 C.F.R. § 14.636(e).

Defendants Violate the Accreditation Laws

32. Defendants James Hill, Gina Uribe, and Richard Blaser have set up a series of closely held companies which are designed, intended, and used for the deliberate purpose of charging illegal fees to veterans for unaccredited disability claim preparation and filing. Because Hill, Uribe, and Blaser know that their business model is unlawful, they take many steps to make it appear as if they are providing medical services and advice to veterans for a fee. In reality, they are knowingly violating the Accreditation Laws and engaging in unfair competition with accredited entities like Plaintiffs who are bound by those laws.

33. Defendants Trajector Holdings, Trajector Medical, Trajector Media, and Global Tek are owned, operated, and controlled by Defendants Hill, Uribe, and Blaser. Trajector Medical, Trajector Media, and Global Tek are wholly owned subsidiaries of Trajector Holdings.

34. Ampry Holdings also does business as "Benefit Karma."

35. Upon information and belief, Ampry Holdings is owned by Hill and Uribe, but is not a wholly owned subsidiary of Trajector Holdings.

36. While these entities present themselves as separate companies providing distinct services, in truth they operate in conjunction under the ownership and direction of Hill, Uribe, Blaser, Trajector Holdings and Ampry Holdings. By design, each entity plays a specialized role in a single unified scheme to violate the Accreditation Laws and to take advantage of the nonadversarial nature of the VA disability system for profit to the competitive disadvantage of the Class (and to the detriment of their own veteran clients).

Solicitation and Sign-Up

37. The scheme begins with Trajector Medical and Trajector Media. These entities act as the "front end" of the business and market directly to veterans, soliciting their business through telephone calls, email, live events,

and digital advertising. In doing so, Defendants intentionally hold themselves out as trusted advisors to veterans seeking VA disability benefits, but deliberately disguised as only providing "medical evidence services."

38. On information and belief, Trajector Media employs both salespeople who work to get veterans to sign service contracts with Trajector Medical and claim-preparation teams who gather medical and service treatment evidence and other personal information from the veteran necessary to prepare claims to be submitted to the VA.

Preparation and Population of Claim Forms

39. Global Tek works with Trajector Medical and has call-center employees located in the Philippines who collect intake information and sensitive records from veteran clients for the purpose of creating a disability claim packet for submission to the VA.

40. On information and belief, Global Tek is also responsible for communicating with the VA regarding veteran clients' service records and for obtaining Rating Decision Letters from the VA and assessing fees to veteran clients.

41. Global Tek provides information to Trajector Medical obtained by placing calls to the VA and setting up faxes from the VA. The calls and faxes are made to gather information about a veteran's claim status and monthly disability award.

42. Global Tek's employees contact the VA directly without the veterans present and pose as or identify themselves as the veterans through the VA system. Contacting the VA is performed by Global Tek's employees for the express purpose of separating any direct contact between Trajector Medical and the VA so that Trajector Medical can assert to its clients and the VA that it does not present claims to the VA and it does not represent veterans before the VA.

The Software Backbone of the Scheme

43. Trajector Medical purports to "develop medical evidence" for VA claims, but in practice it operates as the central hub of the enterprise.

44. Once a veteran has officially signed a contract with Trajector Medical, their records and information are transmitted to a Customer Relationship Management (CRM) software system created and operated by Trajector Medical. Using this proprietary CRM, Trajector Medical and its affiliated entities compile the veteran's service records, medical history and

supporting documents, such as lay statements, DD214, and service treatment records, into the CRM system. Trajector Medical staff also generate additional canned medical documentation, select the appropriate standardized VA disability claim form, and prepare the factual underpinnings necessary to construct a VA disability claim.

45. Trajector Medical and its affiliates use the CRM and proprietary tools to enter information into VA disability claim forms—the very legal instruments that only an accredited attorney, agent, or representative is authorized to prepare and file on a veteran's behalf and which are relied on by the VA to award benefits. Veterans are provided these pre-completed forms electronically, typically through Adobe E-Sign software and the CRM system and in the final form of a "medical evidence packet," and are instructed to sign and date.

46. Because the veteran client has already determined that they are going to file a claim for benefits at this stage, Trajector Medical deliberately crosses the line reserved by the Accreditation Laws for accredited attorneys, agents, and representatives by assisting in preparing the disability claims.

47. Finally, the completed VA disability claim packets are transmitted through Trajector's CRM system to Ampry Holdings. At this

time, Ampry Holdings transmits the VA disability claim packets to the VA by fax, completing the unlawful loop. By not identifying themselves on the fax cover sheet as the filer or Trajector Medical as the representative who prepared the veterans' VA disability claim packets, Ampry Holdings makes it appear that the claim was filed by the veteran themselves. Filing VA disability claims is performed by Ampry Holdings' employees for the express purpose of separating any direct contact between Trajector Medical and the VA so that Trajector Medical can assert to its clients and the VA that it does not file claims to the VA and it does not represent veterans before the VA.

48. Although Defendants attempt to present these as independent businesses providing discrete services, the reality is that they operate as a single coordinated enterprise. The Trajector Entities share ownership, management, personnel, IT, CRM, medical-professional services, subscriptions, and a common unlawful purpose: to insert themselves into the VA disability-claim preparation process, divert veterans away from accredited attorneys, agents, and VSO representatives, and extract unlawful profits through deception and misrepresentation.

49. Each of these entities could not function in isolation. Without Trajector Medical, Trajector Media and Global Tek, there would be no solicitation or intake of veterans. Without Trajector Medical, there would be no medical evidence and no completed claims. Without Ampry, there would be no filing with the VA. The entities depend on one another, forming an integrated pipeline that exists solely to usurp the statutory rights of accredited attorneys, agents, and VSO representatives (and to defraud veterans and the VA itself).

50. Defendants' coordinated actions amount to a conspiracy and an unlawful enterprise. By using interstate wires, electronic mail, fax, and digital platforms, Defendants have repeatedly engaged in acts of wire fraud and mail fraud. By charging veterans for services that accredited representatives lawfully provide for free, Defendants have engaged in unfair and deceptive trade practices. And by structuring their interlocking entities to appear independent while pursuing a unified illegal objective, Defendants have engaged in racketeering activity under federal and state law.

51. In short, Defendants operate as a single fraudulent scheme. Trajector Holdings, Trajector Medical, Hill, Uribe, and Blaser sit atop a

network of entities that are nothing more than instrumentalities of an enterprise designed to prey on veterans, misappropriate the work of accredited representatives, and unlawfully profit from the preparation and filing of VA disability claims.

Trajector Medical's False and Misleading Statements to Veterans

52. This lawsuit also challenges Trajector Medical's false advertising, which materially misrepresents the nature and characteristics of its services.

53. In an effort to evade VA regulations, Trajector Medical presents itself to veterans as a "medical consulting" company. Its marketing materials tell veterans that it plays no part in preparing, presenting, or prosecuting claims. But these statements are false. To the contrary, Trajector Medical's entire business model is to charge veterans a fee equal to five times the monthly amount of benefits awarded by the VA based on the claim that is prepared and submitted by Defendants and relied on by the VA. Trajector Medical falsely and misleadingly tells veterans that it does not engage in this illegal conduct, when it actually does.

54. During the Class Period, Trajector Medical made and continues to make false and misleading statements on its websites, in its contracts with

veterans, and in cease-and-desist letters sent to Plaintiffs and the Class. These same statements were also made in a previous public filing to the Securities and Exchange Commission about the nature and legality of its services.

55. First, Trajector Medical is well aware that only accredited attorneys, agents, and representatives may lawfully prepare, present, and prosecute claims under 38 C.F.R. § 14.636 and 38 U.S.C. § 5901. As a result, its marketing materials repeatedly state that it does not prepare, present, or prosecute claims to the VA. These statements are false and misleading.

56. Hundreds of complaints from veteran customers describe how Trajector Medical's staff (employed by Trajector Medical, Trajector Media or Global Tek) prepared their claims despite being unaccredited. The VA even ordered Trajector Medical—twice—to cease and desist from unaccredited preparation and misleading veterans about the nature of its services. *See* **Exhibits A, B**.

57. Specifically, the false and misleading statements on its website assert that Trajector Medical does not prepare or present claims and include the following false statements:

> "We DO NOT fill out application forms or file your claim or represent you before the VA. . . . Independently of Trajector Medical, the veteran and/or their VA-accredited representative is responsible for preparing, presenting, and/or filing the disability benefits claims they decide to pursue with the VA."[1]
>
> "Q: Will you submit my paperwork for me?
> A: At Trajector Medical, we ONLY help with medical evidence development."[2]
>
> "Our goal is to get you the highest rating you medically, legally and ethically qualify for. However, we do not fill out claims or provide legal and medical advice. We help you medically strategize evidence to support your claim."[3]

58. Despite these and other statements by Trajector Medical to the contrary, evidence abounds that its staff and related entities coordinate the preparation, presentation and prosecution of VA claims, and actually file

those same claims with the VA. The VA relies on the claims prepared by Defendants to award benefits to their veteran customers despite Defendants not being accredited. The claims are not rejected by the VA because Trajector Medical hides its involvement and makes the claims appear as if they are prepared by the veteran themselves.

59. Complaints from Trajector Medical's veteran customers are routinely made in publicly available online sources. They illustrate the significant and material discrepancies between how Trajector Medical advertised its services and the true nature of those services. Plaintiffs provide the following excerpts from a representative selection of these complaints:[4]

- "This company abuses veterans. All they do is have their offshore employees transcribe what you submit to them onto VA forms and submit them for claims."[5]

- "The VA had a problem with the claim they submitted on my behalf. The VA reduced my disability percentage because of an error trajector made and they refuse to file for an appeal as well as refusing to reimburse me for the

60. These unsolicited complaints lay bare the true nature of the services. These unsolicited complaints from Trajector Medical's veteran customers demonstrate that it and its affiliated entities do, in fact, prepare, present, and/or prosecute claims to the VA on behalf of veterans. They also show that Trajector Medical and its affiliated entities are not merely engaging in "medical consulting." This conduct directly competes with VSOs and accredited agents and attorneys, like Plaintiffs and the Class, who are properly authorized and vetted to support veterans in the act of filing such claims, to the detriment of Plaintiffs and Class members.

61. By falsely asserting that its staff are only preparing "medical evidence" and not preparing claims, Trajector Medical entices veterans to hire it instead of accredited VSOs, attorneys, or agents. Once veterans are under contract with Trajector Medical, it and its related entities prepare claims and present them to the VA in exchange for payment. And once under contract with Trajector Medical, veterans are effectively unable to hire an accredited attorney or agent or otherwise pay twice for the same service—particularly given the enormous fees Trajector Medical charges.

Defendants Are Aware of their Illegal Practices

62. Defendants have long been on notice that the VA and regulators view its conduct as illegal and that their false statements about the nature and legality of its services mislead veterans. Nevertheless, together with its affiliates, Trajector Medical has continued and even expanded its unlawful operations.

63. On June 29, 2017, the VA's Office of General Counsel ("OGC") sent a cease-and-desist letter to Trajector Medical, which at that time was called Vet Comp & Pen Medical Consulting, LLC. It began:

> The Department of Veterans Affairs (VA) has received information that your business, Vet Comp and Pen Medical Consulting, LLC, may be engaged in illegal activities, which include the unauthorized preparation, presentation, and prosecution of claims for VA benefits, as well as charging claimants for your services.

Exhibit A at 1.

64. Because neither Trajector Medical nor its executives or staff were accredited by the VA, the OGC determined that it was unlawfully assisting veterans in the preparation, presentation, and prosecution of claims. *Id.* at 1–2.

65. The OGC went on to identify particular statements on Trajector Medical's website and in instruction sheets it provided to veterans that were "evidence of [its] unauthorized representation of claimants." *Id.* at 2.

66. The OGC also notified Trajector Medical that its fee arrangements were illegal in many respects. *Id.* at 2–3.

67. In the end, the VA ordered Trajector Medical to "immediately cease all preparation of and assistance in claims for VA benefits." *Id.* at 4.

68. Trajector responded to the 2017 letter, asserting that it "prepare[s] the person—not the claim—with a complete medical evaluation," arguing that it did not actually prepare any claims and thus rendering the business lawful. **Exhibit B** at 4 (emphasis omitted).

69. The VA rejected that baseless argument. On January 28, 2022, the OGC sent another cease-and-desist letter to Trajector, Inc. (Trajector's ultimate parent company, with Hill and Uribe also in its leadership and operating from the same business address). It began:

> The [OGC] is in receipt of information obtained from publicly available sources suggesting that Trajector, Inc., for which you are the Chairman and Co-Chief Executive Officer (CEO), by and through its subsidiaries, to include Trajector Medical, may be engaged in activities which may violate various Federal statutes and applicable regulations, including the unauthorized preparation, presentation, or prosecution of

> claims for VA benefits and the charging of fees to VA claimants that are clearly unreasonable or otherwise prohibited by laws or regulations.

Exhibit B at 1.

70. The OGC reminded Trajector Medical that this was not the first time its associated companies' illegal actions had come to the VA's attention. The VA expressed its concern that despite the first cease-and-desist letter in 2017, Trajector was still acting unlawfully. *Id.* at 3–4. The OGC explained why the argument that it "prepare[s] the person—not the claim," was "a distinction without a difference." *Id.* at 4. The Accreditation Laws, 38 U.S.C. § 5901 and 38 C.F.R. § 14.629(b)(1), prohibit unaccredited individuals from *assisting* veterans in the preparation, production, and prosecution of claims. Trajector's employees were doing just that. *Id.*

71. To be clear, the OGC further explained:

> The statements indicate that the services Trajector Medical staff provide involve preparing and developing claims to be submitted to VA, and those services are part of an overall business model to provide assistance, strategy, and advocacy in support of claims for VA benefits. A reasonable claimant would conclude that the services provided by Trajector Medical are for the purpose of assisting in the preparation, presentation, and prosecution of the claimant's VA benefit claim.

Id. at 3.

72. The OGC again concluded that "Trajector Medical's fee structure, which charges a fee explicitly based on the successful outcome of a VA claim, further calls into question Trajector, Inc.'s assertion that its medical consulting services do not directly involve the preparation of VA claims." *Id.* at 4. Its letter further pointed out the many ways in which Trajector's fee arrangements, which persist to the present day, are unlawful. *Id.* at 4–5. Again, the OGC ordered Trajector to "immediately cease all preparation of and assistance in claims for VA benefits, charging fees for those services, and withholding VA benefits to the extent that [it is] doing so contrary to law." *Id.* at 5.

73. On October 18, 2021, Trajector, Inc. (Trajector's ultimate parent company) filed a Registration Statement with the SEC in advance of a planned Initial Public Offering. In order to not deceive potential investors, Trajector, Inc. acknowledged the real possibility that Trajector's business model runs afoul of the law, "expos[ing] [the companies] to significant liability."[14]

[14] Trajector, Inc., Registration Statement (Form S-1) at 26 (Oct. 18, 2021) ("Trajector, Inc. Reg. Statement"), https://www.sec.gov/Archives/edgar/data/1875772/000119312521300749/d180168ds1.htm.

74. The SEC filing also identified Plaintiffs and Class Members, VSOs and VA-accredited attorneys and agents, as Trajector Medical's primary competition:

> Our competitors generally fall into three categories: small, local law firms that provide advocacy services for injured or disabled individuals; not-for-profit organizations with limited resources and expertise; and traditional advocacy and eligibility companies, although they currently focus primarily on the private and employer-based insurance markets.
>
> . . .
>
> Although[] there are a vast number of competitors ranging from VA accredited agents and law firms to the VA and which provide VSO services, some at no cost, law firms and accredited agents generally lack the potential for a high volume of incoming VA referrals.[15]

75. Despite acknowledging the legally tenuous nature of its services and its direct competition with accredited individuals in its SEC filing, Trajector Medical omitted the VA's position on its legality from its advertising, continuing to falsely misrepresent to veterans in its advertising and contracts that its services are perfectly legal and do not require accreditation.

[15] Trajector, Inc. Reg. Statement at 129–30, *supra* note 14.

76. These representations and omissions were and are false and misleading.

RICO Violations – Pattern of Racketeering Activity

77. Defendant Trajector Medical and its affiliated entities and owners have engaged in a coordinated enterprise to unlawfully prepare and file VA disability claims. Their scheme rests on a routine and systematic deception: (1) lying to veterans to induce them to contract for unlawful services, (2) lying to the Department of Veterans Affairs ("VA") to conceal their role in preparing and filing claims, and (3) issuing cease-and-desist letters to Plaintiffs and the Class threatening to file suit for defamation, intentional interference of business relationships and other claims if their unlawful conduct is discussed with their veteran clients or the general public. **Exhibit C**. These actions constitute multiple acts of wire fraud and mail fraud that are designed to allow the unlawful scheme to continue indefinitely, and which together form a "pattern of racketeering activity" within the meaning of 18 U.S.C. §§ 1961–1962.

False Statements in Contracts to Veterans

78. Defendants' scheme begins with fraudulent contracts emailed from Trajector Medical to veterans. In these contracts, Defendants falsely state that they do not "prepare, present, or prosecute" claims, when in fact the very purpose of their enterprise is to do precisely that. These written misrepresentations, transmitted electronically across state lines, are material falsehoods designed to induce veterans to pay unlawful fees for services that only accredited representatives may provide. Each emailed contract constitutes a distinct act of wire fraud.

1. Concealment of Trajector Medical's Role on VA Claim Forms

79. Defendants' fraud continues when Trajector Medical prepares VA disability claim forms using its internal CRM system and then sends the pre-populated forms to veterans via Adobe for electronic signature. When those claims are filed, Trajector Medical deliberately omits its role as preparer, creating the false appearance that the veteran alone completed the filing.

80. Furthermore, Defendants also hide the fact that the medical professionals providing canned medical opinions supporting each veteran's

disability and linking it to their military service are employed by Trajector Medical and therefore have a financial interest in the outcome of the award.

81. Accordingly, this concealment is material, because if the VA knew of Trajector Medical's role in preparing the claims, it would reject the claim as having been prepared by an unaccredited individual. Each electronic transmission of these pre-populated forms, and each filing that omits Trajector Medical's involvement, constitutes an additional separate act of wire fraud.

2. Fraudulent Filings by Fax to the VA

82. Through Ampry Holdings, Defendants also transmit claims to the VA by fax, again concealing Trajector's role. Each fax submission is deliberately structured to make the filing appear to have been sent from the veteran themselves, when in fact Trajector prepared and transmitted it.

83. This deception is calculated to evade VA regulations requiring accredited representatives. The VA would reject such claims if it were aware that they were prepared and filed by Trajector Medical.

84. Each fax constitutes a separate interstate wire communication made in furtherance of the fraudulent scheme, and therefore qualifies as a distinct predicate act of wire fraud.

3. Fraudulent Use of the VA's "ebenefits" Portal

85. The VA uses its own proprietary software system for tracking disability claims, known as the "ebenefits" system. Each veteran has their own ebenefits account.

86. Defendants improperly use veterans' ebenefits accounts to file claims electronically during the class period. Rather than have the veteran file the claims themselves, Defendants obtained login credentials from the veterans and then used their login credentials to file the claims with the VA. By submitting claims through the ebenefits system, Defendants intended to hide their role and involvement from the VA and make it appear as if the veteran personally logged in and filed the claim. This conduct conceals material information from the VA, namely, that an unaccredited third party prepared and filed the claim. Had the VA been aware that the claim was prepared by filed by an unaccredited entity, the claims would have been rejected. Each fraudulent ebenefits submission is a separate act of wire fraud.

87. Together, these four categories of wire fraud demonstrate a pattern of racketeering activity. They share the same unlawful purpose: to enrich Defendants by unlawfully charging veterans for claims preparation services while concealing their lack of accreditation. They employ the same

methods: systematic misrepresentations transmitted by email, fax, electronic portal, and other interstate wires. They affect the same victims: veterans, misled into paying unlawful fees; Plaintiffs and Class members, deprived of clients; and the VA and taxpayers, burdened by fraudulent claims. The acts are continuous, repeated, and ongoing and form an essential part of Defendants' ongoing business operations. Accordingly, Defendants' conduct constitutes a "pattern of racketeering activity" within the meaning of 18 U.S.C. § 1961(5), and renders them liable under 18 U.S.C. § 1962(c) and (d).

Defendants' Conduct Harmed the VFW

88. The Veterans of Foreign Wars of the United States ("VFW") is a congressionally chartered war veterans' organization first established on September 29, 1899, through the merger of local veterans' groups formed by U.S. veterans who served in the Spanish-American and Philippine-American Wars. Those groups joined to form the VFW in 1914.

89. Subsequently, the VFW officially received its federal charter from the United States Congress on May 28, 1936, under the 74th Congress. See 36 U.S.C. §§ 230101–13.

90. A federal charter is not merely symbolic. It reflects the official recognition by Congress that the VFW serves a unique public purpose: assisting veterans with benefits to which they are lawfully entitled and safeguarding the integrity of the veterans' benefits system itself.

91. As of recent years, the VFW—together with its Auxiliary—counts approximately 1.4 million members across the United States and its territories, making it one of the nation's largest and most influential VSOs. Many of the VFW's members are disabled veterans.

92. The VFW operates through a national network of more than 5,500 Posts, which serve as local chapters providing services, camaraderie, and outreach to veterans. The organization is headquartered in Kansas City, Missouri, with its National Legislative Service and National Veterans Service departments situated near Capitol Hill in Washington, D.C.

93. **Accredited Service Officer Network and Claims Assistance.** The VFW's National Veterans Service (NVS) program maintains a robust network of over 2000 VA-accredited Service Officers and Pre-Discharge Representatives who provide free professional assistance to veterans in preparing and submitting VA disability claims.

94. As of May 2025, the VFW is currently representing more than 590,500 veterans with disability claims before the VA.

95. In fiscal year 2023, VFW Service Officers helped approximately 130,000 veterans submit initial VA disability claims.

96. As a congressionally chartered national veterans service organization, the VFW is uniquely positioned to serve as a representative Plaintiff on behalf of other VSOs who can lawfully prepare claims. The organization directly assists veterans in preparing and filing VA disability claims through accredited professionals that it employs.

97. In addition to its claims-assistance services, the VFW serves as an advocate on behalf of veterans. The VFW was the first to sound the alarm against "claim sharks" or unaccredited, for-profit entities, like Trajector Medical that prey upon disabled veterans by charging excessive and unlawful fees for assistance in preparing and filing VA disability claims.

98. The VFW has had to divert substantial resources from its claim preparation services in order spend time and money educating veterans and training staff on the harm caused by claim sharks. When claim sharks like including Trajector Medical mislead veterans into paying for services that the VFW's accredited representatives provide for free,. their practices not

only siphon off veterans' benefits but also weaken trust and cause confusion in the VFW and expose veterans to identity theft and predatory financial schemes. Those veterans include many of the VFW's own members, disabled veterans who have contracted with and paid Trajector Medical some or all amounts owed.

99. **Diversion of Veterans Away from Accredited Representatives.** Each time Trajector misleads a veteran into paying for claims assistance, it directly deprives the VFW of the opportunity to perform the very function Congress chartered it to perform: preparing and filing claims at no cost through accredited representatives. This diversion of veterans and claims weakens the VFW's ability to fulfill its core business activity of assisting the broader veteran community.

100. When a VFW member contacts a claim preparation staff member of the VFW about contracts entered into with Trajector Medical, the staff members must spend time and resources that would have been used to prepare claims, examining the veterans' contracts and advising the veteran about its legal and contractual obligations. As a result, fewer claims are made because time and resources are diverted dealing with claim sharks.

101. **Spending Money to Fight Claim Sharks.** Because Trajector's unlawful activities directly interfere with the VFW's core role in claims preparation, the VFW has been forced to expend significant resources to combat these practices. The VFW has developed education campaigns, published public-facing websites, testified before Congress, and engaged in lobbying against claim shark legislation advanced or supported Trajector Medical nationwide. These expenditures represent concrete damages flowing from Defendants' unlawful conduct.

102. **Damage to Institutional Credibility.** Trajector Medical's creation of a parallel, unlawful claims pipeline undermines the integrity of the accreditation system, and the perceived integrity of the VFW and other VSOs. Veterans who encounter Trajector's services may become confused about which organizations are legitimate and federally authorized to assist them, thereby diminishing the VFW's reputation and undermining the credibility of VSOs that faithfully perform this work at no cost. In an attempt to education veterans on the reasons why they should not contract with Trajector Medical, the VFW spends significant resources on education of veterans.

103. **Increased Burden on Accredited Representatives.** The unlawful claims generated by Defendants frequently contain errors, exaggerated medical evidence, or incomplete submissions. Correcting these flawed claims falls on accredited representatives, including the VFW's Service Officers, who must expend additional time and resources filing new or amended claims. Moreover, when a claim is filed by Trajector Medical on behalf of a veteran who was previously represented by the VFW, the VFW receives notice of the claim. However, it appears that the claim was filed by the veteran. As such, the VFW's representation of that veteran does not change in the VA's system as it would if the claim was filed by an accredited agent. This causes confusion and interferes with the VFW's ability to serve its clients and other veterans efficiently and faithfully execute its congressionally assigned function.

104. **Erosion of Federal Oversight.** By circumventing VA accreditation requirements, Defendants directly undermine the regulatory structure that Congress intended to safeguard veterans and to empower organizations like the VFW. This erosion of oversight strikes at the heart of the VFW's federal charter, which Congress enacted to ensure veterans could

rely on trustworthy, accredited representatives to access their benefits without exploitation, and thus threatens the VFW's core functions

105. The VFW has also been forced to divert substantial staff and financial resources to combat the illegal practices of Trajector Medical and similar claim sharks. Over the past several years, VFW national staff, accredited service officers, and legislative advocates have collectively spent thousands of hours fielding calls, gathering evidence, and coordinating responses to federal and state oversight bodies in order to spotlight and counteract unlawful claim preparers. These hours are resources that otherwise would have been dedicated to the VFW's core business and accredited claims work on behalf of veterans.

106. In addition to staff time, the VFW has incurred over $250,000.00 dollars in attorney fees and staff costs preparing for and participating in congressional hearings, meetings with regulators, and public policy forums addressing claim sharks. The VFW has had to retain outside legal counsel for specialized matters, draft testimony, amicus support, and prepare supporting materials, a direct financial loss caused by the need to respond to the unlawful practices of Trajector and related entities. These harms are directly caused by the unlawful conduct of Trajector Medical and constitute

direct harm to the VFW as an organization, for organizational standing purposes.

107. The VFW has also borne the cost of significant travel expenses associated with its advocacy against Trajector's practices, including repeated trips to Washington, D.C., for hearings, as well as travel to regional conferences and state legislatures. These expenses include airfare, lodging, meals, and staff per diems, which collectively amount to tens of thousands of dollars annually. But for Defendants' misconduct, these funds could have been used to expand accredited claims assistance and other core VFW programs.

108. To counter the confusion sown by Trajector's unlawful activities, the VFW has had to develop and deploy additional training programs and resources for its accredited service officers. These programs include special briefings on identifying fraudulent claim preparation, updated guidance on counseling veterans misled by claim sharks, and tailored continuing education modules. Each training cycle requires hundreds of hours of staff preparation and thousands of dollars in program development and delivery.

109. Beyond internal training, the VFW has committed thousands of hours to veteran-facing outreach designed specifically to warn against claim

sharks and correct misinformation spread by Trajector and other claim sharks about VSOs and assistance from accredited representatives. This includes producing educational videos, publishing website content, organizing town halls, and fielding inquiries from veterans who were misled or harmed. Each of these initiatives consumes resources the VFW would otherwise direct toward assisting veterans with their disability claims.

110. The cumulative effect of these expenditures is profound: the VFW has been compelled to invest hundreds of thousands of dollars and thousands of staff hours annually into combating the unlawful claim-shark industry led by Defendants. These expenditures are not voluntary advocacy choices, but rather necessary defensive measures to protect the VFW's accredited claims assistance program and to preserve the integrity of veterans' access to earned benefits. The VFW's forced redirection of time, effort, money, and personnel is a direct injury traceable to Defendants' unlawful conduct.

Defendants' Conduct Harmed Clifford Farrell and Manring & Farrell Attorneys at Law

111. Plaintiff Clifford Farrell is a VA-accredited attorney and the managing partner of Plaintiff Manring & Farrell Attorneys at Law in

Columbus, Ohio. Manring & Farrell Attorneys at Law has a combined 80 years of experience among its accredited employees and practices exclusively on claims related to VA disability compensation and Social Security benefits.

112. Because 38 U.S.C. § 5901(a) and 38 C.F.R. § 14.629(b)(1) prohibit anyone who is not an accredited attorney or agent from assisting veterans in the preparation, presentation, and prosecution of claims for VA benefits, and 38 C.F.R. § 14.636(b) prohibits anyone who is not an accredited attorney or agent from collecting fees for those services, only accredited individuals like Plaintiffs Farrell can legally assist in the preparation, presentation, and prosecution of VA disability claims for pay. Thus, each and every time a veteran pays to engage Trajector Medical instead of an accredited attorney, agent, or VSO representative like Plaintiffs Farrell, MFAL, and Class members, Defendants have unlawfully engaged in unfair competition and unlawfully taken business away from them.

CLASS ACTION ALLEGATIONS

113. Plaintiff VFW brings this action individually and as a class action under Federal Rule of Civil Procedure 23(b)(2)-(3) on behalf of the following class (the "VSO Class"): all entities congressionally chartered and/or

recognized as Veteran Service Organizations whose accredited representatives prepared VA disability claims during the Class Period.

114. Plaintiffs Manring & Farrell Attorneys at Law and Clifford Farrell bring this action individually and as a class action under Federal Rule of Civil Procedure 23(b)(2)–(3) on behalf of the following class (the "Accredited Individual Class"): all persons who were recognized by the VA as accredited agents or attorneys and who prepared VA disability claims during the Class Period.

115. The VSO Class and the Accredited Individual Class are referred to collectively herein as the "Class."

116. The Class Period runs from December 4, 2019, to the date of any order certifying the VSO Class and/or Accredited Individual Class.

117. Excluded from the Class are Defendants' employees, independent contractors, co-conspirators, officers, directors, legal representatives, heirs, and successors, any of their wholly or partly owned subsidiaries or parent companies; proposed counsel for the parties to this action and their employees; the judicial officers and associated court staff assigned to this case; and all persons who make a timely election to be excluded from the Class.

118. This action has been brought and may be properly maintained on behalf of the proposed Class under Federal Rule of Civil Procedure 23.

119. **Numerosity pursuant to Rule 23(a)(1):** The members of the Class are numerous and geographically dispersed across Florida and the United States such that individual joinder of all members of the Class is impracticable. The identification, location, and contact information for nearly all Accredited Individual Class members is maintained by the VA and is contained in a regularly updated public database of accredited attorneys and agents and recognized VSOs are located at: https://www.va.gov/ogc/apps/accreditation/. The identification for all VSOC Class members is contained within 36 U.S.C., Subtitle II, Part B; their locations and contact information are readily ascertainable from public websites and records.

120. **Commonality and Predominance pursuant to Rule 23(a)(2) and (b)(3):** This action involves common questions of law and fact which predominate over any questions affecting individual members of the Class. They include, without limitation:

1. Whether Trajector Medical's advertising, marketing, and other promotional materials were likely to cause confusion,

cause mistake, or deceive veteran customers as to the approval and legality of Trajector's services or fees;

2. Whether Trajector Medical's advertising, marketing, and other promotional materials misrepresented the nature, characteristics, or qualities of its services and the legality of the fees it was charging;

3. Whether Trajector Medical's conduct and statements in its advertising and service contracts constitute violations of the Lanham Act's prohibition against false advertising, 15 U.S.C. § 1125(a)(1)(B);

4. Whether Trajector Medical's conduct and false statements to veterans constituted unfair and deceptive trade practices in violation of the Florida Deceptive and Unfair Trade Practices Act, Fla. Stat § 501.201, *et seq.*;

5. Whether the Defendants are jointly liable for false advertising under the Lanham Act;

6. Whether the Count IV RICO Defendants engaged in a pattern of racketeering activity through an association in fact enterprise engaged in unaccredited preparation and filing of disability claims for fees;

7. Whether the Count V RICO Defendants engaged in a pattern of racketeering activity through Trajector Medical, acting as an enterprise engaged in unaccredited preparation and filing of disability claims for fees; and

8. Whether the Defendants are allowed to prepare, present, prosecute, and/or file VA disability claims without accreditation by the VA as set forth in Trajector Medical's July 3, 2025, cease-and-desist letters sent to Plaintiffs and the Class.

Exhibit C.

121. **Typicality pursuant to Rule 23(a)(3):** Plaintiffs' claims are typical of the claims of the proposed accredited Class members. Plaintiffs and Class members operated under and pursuant to the VA's regulations governing accredited representatives, attorneys, and agents and provided lawful claims preparation, presentation, and prosecution services during the Class Period. Trajector Medical and its related entities harmed Plaintiffs' and Class members' businesses and operations in much the same manner by misleadingly soliciting veterans as customers, misdirecting them away from accredited representatives, attorneys, and agents' services. Trajector Medical's false statements and deceptive and unlawful conduct gives rise to substantially the same legal rights and claims for each Plaintiff and Class member.

122. **Adequacy pursuant to Rule 23(a)(4):** Plaintiffs are adequate representatives of the Class because their interests do not conflict with the interests of the other members of the Class they seek to represent. Plaintiffs have retained counsel who are competent and experienced in complex class action litigation, and through them, Plaintiffs intend to prosecute this action

vigorously. They and their counsel will fairly and adequately protect Class members' interests.

123. **Declaratory and Injunctive Relief pursuant to Rule 23(b)(2):** Trajector Medical and the related Defendants have acted or refused to act on grounds generally applicable to Plaintiffs and Class members, making final injunctive relief and declaratory relief appropriate for the Class as a whole. Trajector Medical engaged in substantially similar conduct for each member of the Class by unlawfully using false and misleading statements to solicit veterans as customers, misdirecting them away from accredited representatives, attorneys, and agents' services. They also made false and misleading statements or omissions to their veteran clients and to the VA regarding their unaccredited preparation and filing of VA disability Claims.

124. Declaratory relief is also appropriate regarding the July 3, 2025, letters sent to Plaintiffs and the Class threatening to file suit for defamation and other claims if they do not cease the VFW's Claim Shark Campaign and making statements to veteran clients that Trajector Medical is unlawfully preparing VA disability claims. These written threats to sue Plaintiffs and Class members if they continue communicating to veterans that Defendants are unlawful "claim sharks" have created an immediate chilling effect on

Plaintiffs' and Class members' ability to speak, advocate, and compete in the marketplace for veteran services. Plaintiffs—the accredited representatives and the VFW—have a right, grounded in federal statute and their congressional charter, to warn veterans about unaccredited entities charging unlawful fees. Defendants' threats of suit impose a present harm by forcing Plaintiffs either to self-censor their protected speech or risk costly litigation, thereby frustrating their mission and impairing their competitive position. This chilling effect is directly traceable to Defendants' conduct, and an injunction barring such retaliatory threats would redress the injury.

125. **Superiority pursuant to Rule 23(b)(3):** A class action is superior to any other available means for the fair and efficient adjudication of this controversy. No particularly unusual difficulties are likely to be encountered in this class action's management. Individual litigation will cause ongoing harm to Plaintiffs and the Class members, create the potential for inconsistent or contradictory judgments, and increase the delay and expense to all parties and the court system itself. By contrast, a class action provides the benefits of single adjudication, economy of scale, and comprehensive supervision by a single court.

COUNT I
VIOLATION OF THE LANHAM ACT'S
PROHIBITION OF FALSE ADVERTISING 15 U.S.C. § 1125(a)(1)(B)
(Count I Defendant – Trajector Medical Only)

126. Plaintiffs repeat and re-allege paragraphs 1 through 125 as if fully set forth herein.

127. The Lanham Act provides:

> "[a]ny person who, on or in connection with any goods or services . . . uses in commerce any word, term, name, symbol, or device, or any combination thereof, or any false designation of origin, false or misleading description of fact, or false or misleading representation of fact, which . . . in commercial advertising or promotion, misrepresents the nature, characteristics, qualities, or geographic origin of his or her or another person's goods, services, or commercial activities, shall be liable in a civil action by any person who believes that he or she is or is likely to be damaged by such act."

15 U.S.C. § 1125(a)(1).

128. During the Class Period, Trajector Medical provided services and performed commercial activities in interstate commerce, including solicitation of veteran clients throughout the United States through its website and online advertising and it collected millions of dollars in unlawful fees from those clients. In connection with those unaccredited claim services and commercial activities, Trajector Medical's advertising and promotional materials used words, terms, false and misleading descriptions

of fact, and false and misleading representations of fact, and omissions of fact intended to induce veteran clients to hire it for assistance in VA disability claim filings (collectively, "Statements").

129. As described above, Trajector Medical's Statements misrepresent the nature, characteristics, and qualities of its services and fees. In particular, Trajector Medical's Statements tell veterans that it does not prepare, present, or prosecute claims for VA benefits. The Statements are false and misleading because Trajector Medical regularly assists in the preparation and filing of disability claims and charges enormous fees for its illegal work.

130. Trajector Medical's false Statements include the following examples:

> We DO NOT fill out application forms or file your claim or represent you before the VA. . . . Independently of Trajector Medical, the veteran and/or their VA-accredited representative is responsible for preparing, presenting, and/or filing the disability benefits claims they decide to pursue with the VA.[16]

131. Similar false statements about its unaccredited claim preparation and filings were made to veterans in its Service Contract entered into with all Trajector Medical clients.

132. The veterans who these Statements misled and the Class members' business interests harmed by that conduct are dispersed across the country, so the Statements affected interstate commerce.

133. Trajector Medical's Statements were material because they were likely to, and in many or most cases did, influence veterans to engage unaccredited Trajector Medical to assist with their claim for VA benefits

instead of accredited VSOs, attorneys or agents—i.e., Plaintiffs and Class members.

134. Trajector Medical's false and misleading Statements have harmed Plaintiffs and Class members because they lose veteran clients each time a veteran hired unaccredited Trajector Medical to assist in preparing their claim.

135. Plaintiffs reasonably believe that they are likely to continue being damaged by Trajector Medical's false and misleading Statements. When veterans have been misled into engaging Trajector Medical's services, rather than engaging those of an accredited VSO, attorney, or agent (like Plaintiffs and Class members), Plaintiffs and Class members lose the opportunity to fairly compete for those veterans' business.

136. Trajector Medical's Statements violate the Lanham Act's prohibition against false advertising. See 15 U.S.C. § 1125(a)(1)(B).

137. Trajector Medical has caused—and will continue to cause—immediate and irreparable injury to Plaintiffs and Class members' businesses and operations for which there is no adequate remedy at law. Consequently, Plaintiffs and Class members are entitled to and seek an injunction under 15 U.S.C. § 1116 to restrain Trajector Medical as well as its

agents, employees, independent contractors, representatives, and all persons acting in concert with Trajector Medical from engaging in further acts of false advertising, and to mandate removal of all of Trajector Medical's false statements from the marketplace.

138. Plaintiffs and Class members are further entitled to recover from Trajector Medical the gains, profits, and advantages it has obtained as a result of its false advertising in violation of the Lanham Act. Plaintiffs anticipate that discovery will permit them to ascertain the full extent of Trajector Medical's gains, profits, and advantages that its illegal conduct has engendered.

139. An accounting and disgorgement of Trajector Medical's profits is appropriate, particularly given that its conduct was willful and deliberate. As its Statements, response to the VA's cease-and-desist letters and SEC filings demonstrate, Trajector Medical knew that neither itself nor its staff were accredited by the VA to assist in the preparation and filing of disability claims and it knew that the VA viewed its conduct as illegal. Even two cease-and-desist letters from the VA were not enough to dissuade it from continuing to contract with veterans and charge fees without being accredited.

140. An accounting of Trajector Medical's profits is also necessary to deter future unlawful conduct. Unlawful preparation, presentation, and prosecution of VA disability-compensation claims, and misleading statements about the nature of that practice and the fees charged for it, comprise most or all of Trajector Medical's business. If Trajector Medical is permitted to retain its ill-gotten profits, it will not be sufficiently deterred from future violations.

141. Furthermore, should an award based on Trajector Medical's profits be inadequate to compensate Plaintiffs and Class members, this case's circumstances would entitle Plaintiffs and Class members to enhanced damages resulting from Trajector Medical's willful misconduct. Despite being on notice for years—since at least the VA's first cease-and-desist letter in 2017—Trajector Medical has intentionally continued its illegal conduct and has harmed the lawfully accredited businesses including Plaintiffs and the Class.

142. Plaintiffs are also entitled to recover the costs of this action and reasonable attorney fees under 15 U.S.C. § 1117(a).

COUNT II
CONTRIBUTORY FALSE ADVERTISING (LANHAM ACT)
(Count II Defendants - Trajector Holdings; James S. Hill II; Gina G. Uribe; and Richard Blaser)

143. Plaintiffs reallege and incorporate by reference paragraphs 1 through 125 as if fully set forth herein and specifically include the Lanham Act § 43(a) false-advertising claim in Count I above against Trajector Medical.

144. As alleged above, Trajector Medical directly engaged in false advertising in commercial advertising and promotion in interstate commerce, injuring Plaintiffs. Its false advertising pervaded its marketing materials, rendering it serious and widespread. Because the legality of Trajector Medical's entire business model is based upon the false assertion that advertising statements, they are central to each customer's decision to contract with Trajector Medical.

Contributory Liability - Knowing Inducement/Material Participation

145. Trajector Holdings, Hill, and Uribe have controlled Trajector Medical at all relevant times, including its advertising.

146. Defendant Uribe is a former employee of the VA who was tasked with evaluating disability claims for the VA for the purpose of issuing

disability ratings decisions. As a result, she is fully aware of the legal prohibitions on preparing disability claims without accreditation.

147. She conveyed that information to her partner, Defendant Hill, who assisted her in creating a business model which purports to only create "medical evidence," but which actually prepares claims and charges excessive amounts for doing so.

148. Because the Defendants knew about the accreditation requirements, they drafted, or approved of drafts which deliberately and falsely asserted that Trajector Medical was only preparing "medical evidence" when in fact it was knowingly preparing claims and submitting them to the VA.

149. As a result, Uribe, Hill and Trajector Holdings have materially contributed to the false advertising done by Trajector Medical in the Lanham Act Count set forth herein. These three Defendants actively and materially furthered that unlawful conduct by, *inter alia*: (a) creating advertising statements to be made by Trajector Medical which falsely state that it does not prepare VA disability claims when it does; (b) authorizing and controlling budgets, advertising campaigns, and scripts which falsely states that Trajector Medical only prepares "medical evidence" and does not

prepare claims; (c) approved and benefited from outcome-based fee arrangements tied to VA awards made possible by the false advertising; and (d) supplying the means and instrumentalities (platforms, personnel, and policies) by which the false advertising was executed. Trajector Holdings, Hill, and Uribe thereby induced, caused, and/or worked to bring about Trajector Medical's false advertising, causing it to violate the Lanham Act.

150. Trajector Holdings, Hill, and Uribe supervised and directly controlled Trajector Medical's challenged advertising and the specific false statements about not preparing disability claims.

151. They also have a direct financial interest in the unlawful conduct, and they ratified and directly profited from the false advertising carried out in the name of Trajector Medical.

152. Defendants' contributory misconduct proximately caused commercial injury to Plaintiffs, including lost clients and revenues, depressed referral volume, increased intake/corrective-advertising costs, and reputational harm.

153. Plaintiffs seek injunctive relief, corrective advertising, an accounting and disgorgement of profits attributable to the false advertising,

damages where available, and costs and attorneys' fees in this exceptional case under 15 U.S.C. §§ 1116–17.

COUNT III
VIOLATION OF THE
FLORIDA DECEPTIVE AND UNFAIR TRADE PRACTICES ACT
Fla. Stat. § 501.204, *et seq.*
(Count III Defendant – Trajector Medical Only)

154. Plaintiffs repeat and re-allege paragraphs 1 through 125 as if fully set forth herein.

155. Florida's Deceptive and Unfair Trade Practices Act, Fla. Stat. Section 501.204(1), prohibits "unconscionable acts or practices, and unfair or deceptive acts or practices in the conduct of any trade or commerce."

156. Plaintiffs and each Class member are interested parties or persons within the meaning of Fla. Stat. § 501.203(6). They vied for business with and were competitors of Trajector Medical during the Class Period.

157. Trajector Medical has engaged in trade or commerce within the meaning of Fla. Stat. § 501.203(8) because it advertised and provided services to veterans as potential and actual customers. Plaintiffs and each Class member competed for the business of those same veteran customers.

158. As described above, Trajector Medical's advertising constituted unconscionable, deceptive, and unfair acts and practices because it

misrepresented the nature, characteristics, and qualities of Trajector Medical's services and fees. In particular, Trajector Medical's advertising tells veterans that it does not prepare, present, or prosecute claims for VA benefits. The advertising is false and misleading because, as veterans' firsthand experiences demonstrate, Trajector Medical regularly does just that, demanding enormous fees for its illegal work.

159. Trajector Medical's false and misleading statements in its advertising include the exemplars below (as alleged in paragraph 27 above):

> "We DO NOT fill out application forms or file your claim or represent you before the VA. . . . Independently of Trajector Medical, the veteran and/or their VA-accredited representative is responsible for preparing, presenting, and/or filing the disability benefits claims they decide to pursue with the VA."[19]

> "Q: Will you submit my paperwork for me?
> A: At Trajector Medical, we ONLY help with medical evidence development."[20]

> "Our goal is to get you the highest rating you medically, legally and ethically qualify for. However, we do not fill out claims or

> provide legal and medical advice. We help you medically strategize evidence to support your claim."[21]

160. Trajector Medical's false and misleading statements in its advertising harmed Plaintiffs and Class members because they caused veteran customers to hire unaccredited Trajector Medical for assistance with their disability claims, instead of accredited VSO representatives, attorneys, and agents like Plaintiffs and Class members. In the absence of Trajector Medical's deceptive statements and unfair practices, these veterans would have engaged accredited representatives, attorneys, or agents like Plaintiffs and Class members.

161. Plaintiffs and Class members are aggrieved by Trajector Medical's conduct and statements because they have lost business as a result.

162. Trajector Medical's conduct and statements have resulted in actual damages to Plaintiffs and Class Members. Plaintiffs and Class Members have suffered because many veterans who were misled into

engaging Trajector Medical would have instead engaged Plaintiffs and Class members for assistance during the claims process.

163. Trajector Medical's conduct thus violates Fla. Stat. § 501.204(1).

164. Therefore, Plaintiffs and Class members seek injunctive and declaratory relief, attorneys' fees, and costs under Fla. Stat. §§ 501.2105, 501.211.

COUNT IV
CIVIL RICO (18 U.S.C. § 1962(c))
ASSOCIATION-IN-FACT ENTERPRISE
(Count IV Defendants – Trajector Medical; Trajector Holdings; Trajector Media; Global Tek; Ampry Holdings; James S. Hill II; Gina G. Uribe; and Richard Blaser)

165. Plaintiffs reallege and incorporate paragraphs 1 through 125 as if fully set forth herein.

166. 18 U.S.C. § 1962(c) makes it unlawful for "any person employed by or associated with any enterprise … to conduct or participate, directly or indirectly, in the conduct of such enterprise's affairs through a pattern of racketeering activity."

167. **RICO Persons.** Defendants James S. Hill II, Gina G. Uribe, Richard Blaser, Trajector Medical, Trajector Holdings, Trajector Media,

Global Tek, and Ampry Holdings are each a "person" within the meaning of 18 U.S.C. § 1961(3).

168. **RICO Enterprise**. The Trajector Enterprise is an association-in-fact enterprise within the meaning of 18 U.S.C. § 1961(4), composed of Trajector Medical LLC, Trajector Media Services LLC, Ampry Holdings LLC, Global Tek BPO LLC, and Trajector Holdings LLC, which operate together with a common purpose, relationships among associates, and longevity sufficient to pursue that purpose.

169. **Common Purpose.** The enterprise's purpose is to unlawfully prepare, present, and file VA disability claims without accreditation; to charge fees prohibited by 38 U.S.C. § 5904(c)(1) for preparing those claims; to conceal the unaccredited nature of its work from veterans and from the VA; and to divert business away from accredited VSOs, attorneys, and agents for Defendants' profit.

170. **Participation.** Hill, Uribe, and Blaser directed and controlled the enterprise, and conducted and participated, directly and indirectly, in the conduct of its affairs by personally approving and directing Trajector Medical to falsely assert that it is not assisting in the preparation and presentation of disability claims for its veteran customers. In fact, Hill, Uribe

and Blaser and Trajector Holdings established separate roles for each legal entity to carry out in order to be able to state (falsely) that Trajector Medical, specifically, does not prepare claims. To accomplish this goal of the enterprise, Hill, Uribe, Blaser and Trajector Holdings created separate subsidiary entities that each perform different parts of the claim-preparation process. Although none of the entities or their employees are accredited, they each perform a separate function separate from Trajector Medical for the express purpose of allowing Trajector Medical to assert that "it" does not prepare claims. Because the RICO Defendants are together preparing claims without being accredited in direct violation of the Accreditation Laws, they each participated in the RICO Association-in-Fact Enterprise.

171. **Structure and Roles.** Each RICO Person performs a separate function to accomplish the goals of the Enterprise, as follows.

172. **Defendant Trajector Media,** under the guidance and direction of Hill and Uribe solicits veteran clients who have reached to out Trajector Medical through telephone or website. Employees of Trajector Media send Service Agreement Contracts with Trajector Medical to veteran clients, which falsely assert that Trajector Medical will not and does not prepare VA disability claims. During the contract process, Trajector Media employees

also gather basic information from the veteran client to begin the claim preparation process.

173. **Defendant Global Tek** is the owner and operator of a call center in the Philippines whose employees collects information from veteran clients via email, fax, and telephone. Global Tek is operated under the direction and control of Hill and Uribe. Global Tek call center employees collect data from the VA pertaining to the veteran client's military service and work experience and any prior injuries. That service information is then inputted into the proprietary CRM software system created for the purpose of creating VA disability claims for submission to the VA, where it can be accessed by other members of the Enterprise.

174. **Defendant Trajector Medical** employs medical-services providers including physicians, nurses and nurse practitioners. Medical staff employees of Trajector Medical perform medical examinations of the veteran clients. This task is normally carried out by a nurse or nurse practitioner. The physician then reviews the examination notes of the nurse and provides a medical opinion linking the veteran's military service to the injuries he/she is currently suffering from as support for the disability rating increase. Trajector Medical employees generate medical documentation to

support disability claims from its medical employees and assembles "Medical Claim Packets" which include VA claim forms that must be submitted to the VA for benefits to be awarded. These Claim Packets are substantially the same as the "claims" that are filed by Plaintiffs on behalf of their veteran clients. The Claim Packets are entered into the CRM software system.

175. **Defendant Ampry Holdings** is a technology company owned and controlled by Hill, Uribe and Blaser. Contrary to the many statements about not preparing claims detailed above, Ampry Holdings electronically transmits via email link fully prepared claim packets to each veteran client for final approval. The link provided by Ampry Holdings, once "approved," automatically transmits the claim to the VA via electronic fax to the VA's public fax number. Critically, Ampry Holdings hides from the VA any involvement by any Trajector entity, so that the claim appears to have been filed by the veteran themselves.

176. **Predicate Acts.** The above RICO Defendants engaged in mail and wire fraud (18 U.S.C. §§ 1341, 1343), including false statements to veteran clients about not preparing claims as set forth in each Service Contract entered into with each veteran client. These Service Contracts are

sent by email and falsely state that Trajector Medical does not prepare claims, and the contracts also omit the material fact that the VA has stated to Trajector Medical that its actions require accreditation and are unlawful without it. These false statements are essential because any statements which truthfully set forth Trajector Medical's role in preparing claims could be forwarded to the VA or other officials, which could lead to legal actions being filed for Trajector Medical's unaccredited claim preparation and filing.

177. Because the false statements are set forth in standard contracts and forms that are routinely issued to each veteran client there are thousands of individual instances of wire fraud that have occurred during the Class Period. It is estimated that Trajector Medical entered into contracts with thousands of veterans during the class period and each contract constitutes a separate act of wire fraud.

178. Similarly, because each veteran client contract eventually leads to the filing of a claim with the VA, there are multiple acts of wire fraud that have occurred each time a Trajector Medical-prepared claim is filed with the VA while concealing Trajector Medical's involvement in the claim preparation without accreditation. If Trajector Medical's role was known, the VA would have rejected the claim as having been submitted by an

unaccredited agent. Thus, its acts of wire fraud are necessary for the claim to be accepted by the VA to form the foundation of any benefits awarded, and in turn for Defendants to profit by collecting a large percentage of the award from veterans.

179. These false statements about not preparing claims allowed Defendants to collect illegal fees from its veteran clients via invoices sent via email and by regular mail once the benefits have been awarded. Non-accredited entities cannot charge veterans for preparing disability claims and no person can charge a veteran for preparing initial claims. By sending invoices by email and regular mail without disclosing the unlawful nature of the fees being collected, Defendants engaged in mail and wire fraud.

180. **Continuity.** The pattern of racketeering activity has continued since at least 2017 and remains ongoing, constituting both closed- and open-ended continuity.

181. **Injury and Proximate Cause.** Plaintiffs suffered direct competitor injury, including lost clients and revenues, reduced donor and foundation allocations, diminished state/local appropriations, corrective costs, and reputational harm. These injuries flow directly from Defendants'

racketeering conduct and are properly recognized as cognizable business injuries.

182. **Damages.** Plaintiffs seek treble damages under 18 U.S.C. § 1964(c), together with costs and attorneys' fees, and injunctive relief prohibiting further unaccredited claim preparation and fee collection.

COUNT V
CIVIL RICO
(18 U.S.C. § 1962(c))
Plead in the Alternative to Count IV RICO Claim
(Count V Defendants - Trajector Media, Global Tek, Ampry Holdings, James S. Hill II; Gina G. Uribe; and Richard Blaser)

183. Plaintiffs reallege and incorporate paragraphs 1 through 125 as if fully set forth herein.

184. Plaintiffs bring this count in the alternative to their Count IV RICO claim.

185. 18 U.S.C. § 1962(c) makes it unlawful for "any person employed by or associated with any enterprise . . . to conduct or participate, directly or indirectly, in the conduct of such enterprise's affairs through a pattern of racketeering activity."

186. Defendants James S. Hill II, Gina G. Uribe, and Richard Blaser ("RICO Persons") are each "persons" under 18 U.S.C. § 1961(3).

187. Defendant Trajector Medical LLC is a "legal entity" and therefore an "enterprise" within the meaning of 18 U.S.C. § 1961(4).

188. The RICO Persons, Hill, Uribe, and Blaser are legally distinct from Trajector Medical LLC.

The Trajector Medical Enterprise

189. Trajector Medical LLC ("Trajector Medical") is the central corporate entity through which Hill, Uribe, and Blaser conducted racketeering activity. Although Trajector Medical holds itself out as a "medical consulting" business, its actual function is to prepare VA disability claims and extract unlawful fees from veterans in violation of federal law.

190. Hill, Uribe, Blaser by and through their related entities Trajector Media, Global Tek, and Ampry Holdings created, directed, and used Trajector Medical as the corporate instrumentality for their unlawful scheme.

191. Acting through Trajector Medical's corporate structure, they employed staff and their related entities, medical providers, and the CRM system to generate and transmit fraudulent claim packets and medical evidence to veterans and the VA without accreditation.

192. The RICO Persons used Trajector Medical's client contracts, CRM system, and affiliated vendors and entities (including Trajector Media, Ampry Holdings, and Global Tek) to solicit veterans, prepare claims, and disguise their unaccredited role in each claim. By doing so, they conducted and participated in the conduct of Trajector Medical's affairs through racketeering activity.

193. This scheme has operated continuously since at least 2017 and remains ongoing, demonstrating both closed- and open-ended continuity. Racketeering activity is not an isolated occurrence but the regular way Trajector Medical conducts business.

194. Hill, Uribe, and Blaser, through Trajector Medical, engaged in repeated predicate acts of mail and wire fraud in violation of 18 U.S.C. §§ 1341, 1343.

195. **False Statements to Veterans**. Veterans were falsely told that Trajector Medical did not prepare or present claims to the VA. In reality, Trajector Medical, Global Tek, and/or Trajector Media's staff prepared claim forms, medical evidence, and/or claim packets, and instructed veterans simply to sign the completed claims. Trajector Medical and/or Ampry Holdings sent those claim packets to the VA and those claim packets were

relied on by the VA in awarding benefits. These misrepresentations induced veterans to pay unlawful fees for claim preparation prohibited under 38 U.S.C. § 5904(c)(1) because they are unaware that accreditation is actually required for the work being performed. Absent this fraud on thousands of its veteran clients, the veterans would become aware that accreditation was required and that the collection of fees was unlawful. As a result, keeping the accreditation requirement a secret by falsely asserting that it does not prepare claims is essential to each veteran hiring Trajector Medical instead of Plaintiffs and the class and is essential to veterans paying the excessive fees being charged. If their veteran clients were aware that the work being done required accreditation, they would not pay the unlawful fees being charged.

196. **False Statements to the VA.** Defendants act to hide the role of Trajector Medical from the VA so that the claim packets are not rejected. For this reason, the medical evidence submitted by medical professionals employed by Trajector Medical do not disclose that they are employed by Trajector Medical. Instead, they appear to be employed independently. Second, the claim packet itself does not disclose Trajector Medical prepared the claim despite the VA forms having a section where such information is

to be disclosed. The electronic fax that is used to send each claim to the VA also scrubs any connection to Trajector Medical from the claim and makes it appear to the VA as if the claim was being filed by the veteran themselves.

197. By hiding its involvement from the VA, Defendants ensure that the VA does not reject the claim as having been prepared by an unaccredited agent. Thus, each claim that is electronically filed with the VA and which fails to disclose the involvement of Trajector Medical constitutes a separate and distinct act of wire fraud that is material to the VA and therefore to the racketeering scheme. This omission was deliberate and material because the VA prohibits unaccredited claim preparation and would have rejected the filings had it known the truth.

Roles of the RICO Persons

198. **Hill** established the corporate structure of Trajector Medical, directed advertising and contracting policies, and oversaw concealment of unaccredited claim preparation and filing.

199. **Uribe** managed day-to-day operations of Trajector Medical, instructed staff to mislead veterans about accreditation, and oversaw offshore contact to the VA and stateside processing of veterans' data for creation of claim packets submitted through Trajector Medical.

200. **Blaser** managed marketing, embedded false disclaimers into contracts and websites, and controlled CRM/IT systems used to draft and transmit claim packets to the VA without identifying Trajector Medical's role in preparing and presenting the claim.

201. Each Defendant knowingly used Trajector Medical's corporate structure to conduct racketeering activity, rather than merely performing their own personal affairs.

Proximate Cause of Plaintiffs' Injuries

202. The racketeering conduct of Hill, Uribe, and Blaser, acting through Trajector Medical, directly injured Plaintiffs' business and property.

203. **Diversion of Clients.** Each veteran misled into contracting with Trajector Medical was a veteran Plaintiffs otherwise would have served. This constitutes direct competitor injury.

204. **Lost Revenues and Funding.** Because Plaintiff VFW measures and secures funding based on veterans served and benefits recovered, Defendants' diversion of veterans reduced its donor support, VFW Foundation allocations, and—in some jurisdictions—state and county appropriations for service-officer positions.

205. Many accredited representatives and VSOs obtain funding, grants, or institutional support (from veteran foundations, donors, or government programs) in part based on performance metrics and client conversions. If claim sharks siphon off potential clients before referrals reach accredited representatives, the flow of funding tied to volume or performance may decline. This indirect loss further weakens the financial sustainability of legitimate providers.

206. Defendants' diversion of veterans also reduced the pool of prospective business for for-profit accredited representatives like Plaintiffs Farrell and MFAL and diminished their revenue potential.

207. Specifically, accredited representatives like Plaintiff Farrell and law firms like Plaintiff MFAL derive revenue from representing veterans in legitimate claims and appeals, and the unlawful diversion of even a portion of that population reduces the overall number of cases available to accredited representatives. Thus, the revenue loss primarily occurs through market displacement and the injury is measurable in reduced market share, increased client acquisition costs, and diminished growth potential.

208. Accredited representatives, constrained by VA rules on how and when fees may be charged (e.g. only after a favorable decision, subject to

reasonableness review) cannot compete on the same terms as claim sharks. This asymmetry allows claim sharks to underprice or mislead, squeezing accredited representatives' margins and pricing power.

209. **Corrective Costs.** Plaintiffs spent resources correcting defective claims and educating veterans about unlawful claim practices, among other necessary corrective tasks.

210. **Specifically,** Accredited representatives are forced to invest in additional compliance oversight, monitoring of fraudulent competitors, litigation threats, and educational outreach to veterans, to protect their own business integrity and competitive positioning. This is cost that claim sharks do not bear (or bear less). Over time, these hidden cost burdens can shrink net revenue or even make smaller firms nonviable.

211. **Reputational Harm.** Defendants' scheme caused confusion about which organizations are legally authorized to prepare claims, undermining Plaintiffs' reputation and goodwill.

212. When veterans encounter claim sharks like Trajector Medical masquerading as legitimate, they may develop mistrust toward all "claim preparers," including accredited ones. That reputational spillover can depress demand for legitimate services. Accredited representatives then

must spend additional resources educating, marketing, and reassuring clients about their legitimacy—costs that erode profitability. Moreover, claim sharks then use the illegal proceeds to further their aggressive lobbying for deregulation or legalization of unaccredited fees (as seen in state legislatures) aggravating competitive disadvantages.

Damages Proximately Caused by Racketeering Activity

213. These injuries are not speculative or remote; they flow directly from the racketeering scheme conducted through Trajector Medical.

214. Plaintiffs and Class members sustained injuries including lost clients, reduced donor and foundation support, reduced government appropriations tied to demonstrated workload, increased corrective costs, and reputational harm. Defendants' unlawful revenues are a reasonable approximation or measurement of Plaintiffs' lost business opportunities. Plaintiffs seek treble damages under 18 U.S.C. § 1964(c), plus attorneys' fees and costs.

Relief

215. Plaintiffs request judgment against Defendants Hill, Uribe, and Blaser, jointly and severally, for: (1) treble damages in an amount to be determined at trial; (2) costs of suit and reasonable attorneys' fees; (3)

injunctive relief prohibiting further unaccredited claim preparation or fee collection through Trajector Medical; and (4) such other relief as the Court deems just and proper.

COUNT VI
RICO CONSPIRACY (18 U.S.C. § 1962(d))
(Count VI Defendants – Trajector Medical, Trajector Holdings, Trajector Media, Global Tek, Ampry Holdings, James S. Hill II; Gina G. Uribe; and Richard Blaser)

216. Plaintiffs reallege and incorporate paragraphs 1 through 125 as if fully set forth herein.

217. Defendants Hill, Uribe, and Blaser knowingly agreed and conspired to conduct and participate in the affairs of the enterprise(s) described above through a pattern of racketeering activity, in violation of 18 U.S.C. § 1962(d).

218. **No overt act is required.** Each conspirator knew about and agreed to facilitate the scheme's unlawful objectives of preparing disability claims without accreditation for excessive and unlawful fees.

219. As a direct and proximate result of the conspiracy, Plaintiffs suffered the injuries described above and are entitled to treble damages, costs, and attorneys' fees under 18 U.S.C. § 1964(c).

COUNT VII

Declaratory Judgment Act, 28 U.S.C. § 2201
(Count VII Defendant – Trajector Medical Only)

220. Plaintiffs re-allege and incorporate by reference paragraphs 1 through 125 as though fully set forth herein.

221. On July 3, 2025, Defendant Trajector Medical, through counsel, sent a cease-and-desist letter to Plaintiff VFW demanding that it retract statements describing Trajector Medical as preparing VA disability claims for compensation, describing Trajector Medical as a "claim shark," and threatening litigation for defamation, tortious interference, conspiracy, and antitrust violations if it did not immediately comply. (See, **Exhibit D**, July 3, 2025, Trajector VFW Letter).

222. On or about the same date, Trajector Medical also sent a substantially similar cease-and-desist letter to named Plaintiffs Clifford Farrell and MFAL an accredited attorney, again denying that it prepares VA disability claims and threatening litigation for defamation, tortious interference, conspiracy and antitrust violations if he or others continued to say otherwise. (See **Exhibit C**, July 3, 2025, Trajector Accredited Attorney/Agent Letter).

223. On information and belief, on or about the same date, Trajector Medical sent the same letter by email and/or through the US Mail to all members of the National Organization of Veteran Advocates ("NOVA") as well as to all accredited attorneys and agents listed on the VA's website located here: https://www.va.gov/ogc/apps/accreditation/. These individuals comprise most of the individuals covered by proposed class definition.

224. These letters make clear that Trajector Medical disputes the characterization of its business model as assisting in preparing VA disability claims for compensation and threatening litigation unless they cease their speech. This threat is made despite the VA already having issued two cease-and-desist letters to Trajector Medical deeming its conduct as unlawful.

225. Upon information and belief, Trajector Medical has sent or threatened to send similar communications to thousands of other accredited attorneys, agents, and VSOs, making this controversy common to the proposed Class.

226. Plaintiffs and Class members want to continue to be able to advise their veteran clients truthfully and candidly about Trajector Medical and its conduct, including warning them about the Claim Shark Campaign

and what Plaintiffs contend are unlawful practices. Trajector Medical's threats of litigation create an imminent risk that this protected and important speech will be chilled.

227. Cease-and-desist letters and other direct threats of litigation like these create a justiciable controversy for purposes of the Declaratory Judgment Act, 28 U.S.C. § 2201. The recipient of such threats need not wait until they are sued in order to take action when and if the threat is concrete and made in good faith. Because the letters sent by Trajector Medical were sent by their lawyers, make specific threats regarding specific legal claims and even cites to cases in support of the legal claims, the threats are concrete and specific.

228. Through these letters, Plaintiffs and Class members have been placed in the constitutionally cognizable dilemma recognized by the Eleventh Circuit: they must either refrain from engaging in conduct they reasonably believe to be lawful and truthful—namely, advising their veteran clients consistent with the legal opinion taken by the VA and speaking about whether Trajector Medical prepares claims—or continue that speech and face imminent litigation.

229. The Declaratory Judgment Act authorizes this Court to "declare the rights and other legal relations of any interested party seeking such declaration" in cases of actual controversy.

230. Declaratory relief is appropriate because a central issue Plaintiffs present—whether Trajector Medical's business constitutes the unaccredited "preparation, presentation, or prosecution" of VA disability claims within the meaning of 38 U.S.C. §§ 5901–5904 and 38 C.F.R. §§ 14.626–14.637 determines both the truth of Plaintiffs' and Class members' challenged speech and the legitimacy of Trajector Medical's conduct. If the conduct is lawful, then Plaintiffs and the Class should stop making such statements. But if Trajector is preparing and filing VA disability claims to the VA without the necessary accreditation, then Plaintiffs and the Class should be allowed to educate their veteran clients or potential clients accordingly. A genuine dispute is at issue.

231. Therefore, Plaintiffs, on behalf of themselves and the proposed Class, respectfully request that this Court enter judgment pursuant to 28 U.S.C. § 2201 declaring:

a. Whether or not Trajector Medical, LLC engages in the preparation, presentation, or prosecution of VA disability claims for

compensation within the meaning of 38 U.S.C. §§ 5901–04 and 38 C.F.R. §§ 14.626–14.637;

b. Whether Trajector Medical, LLC is required by 38 U.S.C. §§ 5901–04 and 38 C.F.R. §§ 14.626–14.637 to be accredited to assist in preparing VA disability claims for compensation;

c. That Plaintiffs' and Class members' statements regarding Trajector Medical's conduct—including statements to their veteran clients in connection with the Claim Shark Campaign—are not actionable as defamation or otherwise unlawful, because they concern a matter of law and fact now resolved by the Court; and

d. Such other and further relief as the Court deems just and proper, including costs and attorneys' fees.

PRAYER FOR RELIEF

a. Award judgment in favor of Plaintiffs and against Defendants, jointly and severally, for compensatory damages in an amount to be proven at trial, to be trebled under 18 U.S.C. § 1964(c).

b. Enter permanent injunctive relief prohibiting Defendants from engaging in unaccredited preparation or filing of VA disability claims

and from disseminating false or misleading advertising regarding their services.

c. Order disgorgement and restitution of monies wrongfully obtained as permitted by law, including under the Lanham Act and FDUTPA.

d. Award Plaintiffs their reasonable attorneys' fees and costs as permitted by law, including under 18 U.S.C. § 1964(c), 15 U.S.C. § 1117(a), and Fla. Stat. § 501.2105.

e. Grant such other and further relief as the Court deems just and proper.

JURY TRIAL DEMAND

Plaintiffs demand a trial by jury on all issues so triable.

Mr. Jim Hill
Vet Comp and Pen Medical Consulting, LLC
2124 SW 102nd Terrace
Gainesville, FL 32607

Dear Mr. Hill:

The Department of Veterans Affairs (VA) has received information that your business, Vet Comp and Pen Medical Consulting, LLC, may be engaged in illegal activities, which include the unauthorized preparation, presentation, and prosecution of claims for VA benefits, as well as charging claimants for your services.

Chapter 59 of title 38, United States Code, and sections 14.626-14.637 of title 38, Code of Federal Regulations, govern the representation of persons seeking VA benefits. Under these laws, an individual must be accredited by VA as an agent, attorney, or representative of a VA-recognized veterans service organization to assist in the preparation, presentation, and prosecution of a claim for VA benefits. 38 U.S.C. §§ 5901-5902, 5904; 38 C.F.R. § 14.629. In other words, to provide assistance with a claim for VA benefits, even without charge, a person must be accredited by VA as an agent, attorney, or service organization representative. VA regulations provide a *one-time* only exception to this general rule, which authorizes a person to provide assistance on a particular claim, but such assistance must be without cost to the claimant and is otherwise subject to the laws governing representation. 38 C.F.R. § 14.630. Because neither you nor your business are currently accredited by VA, you are prohibited by law from assisting veterans in the preparation, presentation, and prosecution of claims before VA.

Section 5902(a)(1) of title 38, United States Code, authorizes VA to recognize veterans service organizations for the purpose of ensuring competent representation of veterans. VA implemented this authority in 38 C.F.R. § 14.628, which, among other things, requires that an organization applying for recognition demonstrate a substantial service commitment to veterans. An organization must apply for VA recognition, demonstrate that it satisfies the legal requirements for recognition, and then certify to VA that each of the organization's representatives who will assist veterans in the preparation, presentation, and prosecution of claims before VA meets the legal requirements for accreditation in 38 C.F.R. § 14.629(a). Vet Comp and Pen Medical Consulting, LLC, has not applied for or received VA recognition. Accordingly, Vet Comp and Pen Medical Consulting, LLC, does not have accredited

Vet Comp and Pen Medical Consulting, LLC

representatives available to represent veterans before VA and is prohibited by law from representing veterans before VA.

On Vet Comp and Pen Medical Consulting, LLC's website, it states "Ensuring YOU Receive ALL the VA has Promised!" In a section titled "Who We Are & What We Are Experts In," the page advertises that your business is "a private medical/legal consulting firm," that helps "disabled veterans like you obtain ALL of the compensation benefits you're legally entitled to from the Department of Veterans Affairs." Comparing your company's services to VSOs, you highlight that "[t]hey're not legal professionals. . . . They don't have the extensive medical or legal training needed to fully decipher your personal VA disability puzzle from a medical/legal [sic]. . . . [C]an your VSO explain to you why you medically and legally qualify for 70% vs. 30%?" Additional sections of the business webpage, including a 11:56 long video entitled "The 6 Stages of the VA Disability Claims Process," extensively discuss legal entitlement to compensation for disabilities, and advertise how you guide Veterans through the process of applying for benefits, prepare application materials, as well as review prior decisions and records to assess for additional claims, including CUE claims.

Further evidence of your unauthorized representation of claimants for VA benefits is provided by an instruction sheet you provide to clients. The sheet specifically instructs clients to "[r]eview ALL enclosed VA forms and applications for accuracy of information. If you feel that something is inaccurate, please DO NOT alter anything (which includes checking any boxes) unless you call me first!" You further instruct clients to "please call me regarding ALL received correspondences from the VA, and let me handle them for you, so that no processing errors will occur!" The remainder of the instruction sheet provides guidance on filing claims packets, provided by your company, as well what to do upon receipt of various forms from the VA.

These statements strongly suggest that your organization is unlawfully assisting in the preparation, presentation, and prosecution of claims before VA. By assisting in preparing claims, you and your organization are violating the laws governing accreditation. *See* 38 U.S.C. §§ 5901-5902, 5904; 38 C.F.R. § 14.629. To our knowledge, no one from Vet Pen and Comp Medical Consulting, LLC, has obtained VA accreditation as an agent, attorney, or Veterans Service Organization representative. Therefore, you and your organization are prohibited by law from representing veterans before VA.

Further, under the laws governing representation, no person or organization may charge claimants a fee for assistance in preparing initial applications for VA benefits or presenting claims to VA. Only VA-accredited agents and attorneys may charge fees for assisting in a claim for VA benefits, and only after VA has decided the claim, a notice of disagreement (NOD) has been filed initiating an appeal of that decision, and the agent or attorney has complied with the power-of-attorney requirements in 38 C.F.R. § 14.631 and the fee agreement requirements in 38 C.F.R.

Vet Comp and Pen Medical Consulting, LLC

§ 14.636(g). 38 U.S.C. § 5904(c)(1); 38 C.F.R. § 14.636(c).

The restrictions mentioned above are not the only the only restrictions on fees. Although the amount of fees charged by a VA-accredited agent or attorney for work completed after an NOD may be based on a fixed fee, hourly rate, a percentage of benefits recovered, or a combination of these bases, all fees charged must be reasonable. 38 C.F.R. § 14.636(e); *see also* 38 U.S.C. § 5904(a)(5). Factors that are considered in determining whether fees are reasonable include: (1) the extent and type of services performed; (2) the complexity of the case; (3) the level of skill and competence required; (4) the amount of time spent on the case; (5) the results achieved, including the amount of any benefits recovered; (6) the level of review to which the claim was taken and the level of review at which the representative was retained; (7) rates charged by other representatives for similar services; and (8) whether, and to what extent, the payment of fees is contingent upon the results achieved. 38 C.F.R. § 14.636(e). It is important to note that only a fee that does not exceed 20 percent of any past-due benefits awarded is presumed to be reasonable. 38 U.S.C. § 5904(a)(5); 38 C.F.R. § 14.636(f). Conversely, on the other end of the spectrum, any fee that exceeds 33 1/3 percent is presumed to be unreasonable. 38 C.F.R. § 14.636(f). It is further important to note that no fee agreement may require fees to be paid from future payments of benefits to claimants. *See* 38 U.S.C. § 5301(a) (prohibiting assignment or attachment of, or claim of creditors against, payments due or to become due under laws administered by the Secretary of VA, except to the extent specifically authorized by law); *Busch v. West*, 12 Vet. App. 552, 553 (1993) (per curiam order) (holding fee agreement lien provision, which included a lien on "any sums recovered" to be unreasonable under 38 U.S.C. § 7263(d) because it conflicted with § 5301(a) and 5904(d)(3)); *Vargas-Gonzalez v. West*, 12 Vet. App. 63, 64 (1998) (per curiam order) (same).

We have obtained information, including a "Medical Consulting Services Agreement," that discloses the fee arrangement you charge clients. The agreement outlines the fees your company charge, including that a Veteran shall be required to pay three times the difference between the pre-consulting monthly compensation benefit amount and the total newly awarded monthly compensation benefit amount. There is an additional charge of ten percent of any retroactive gross benefit awards that are a result of (1) expert medical opinions, (2) appeals, and/or (3) development of CUE claims. Because Vet Comp and Pen Medical Consulting is not accredited by the VA, and you are not an accredited individual, you and your company are prohibited by law from charging veterans a fee for assisting them in the preparation, presentation, and prosecution of their VA claims. Moreover, even if you were accredited by VA, the terms of the fee agreement allow for situations where the fee payable could exceed 33 1/3 percent of past-due benefits awarded and would be presumptively unreasonable, and would be an unlawful assignment of benefits pursuant to 38 U.S.C. § 5301(a).

Additionally, the standards of conduct for individuals accredited to represent claimants for VA benefits are based upon the Model Rules of Professional Conduct.

Vet Comp and Pen Medical Consulting, LLC

See 38 U.S.C. § 5904(a)(2). Rule 7.1 of the Model Rules of Professional Conduct requires that "[a] lawyer shall not make a false or misleading communication about the lawyer or lawyer's services. A communication is false or misleading if it contains a material misrepresentation of fact or law, or omits a fact necessary to make the statement considered as a whole not materially misleading." Comment [2] to the Rule makes clear that "[t]ruthful statements that are misleading are also prohibited." Your company's website possibly violates these requirements. *See, e.g., In re Huelskamp*, 740 N.E.2d 846, 848 (Ind. 2000). Of particular note is a passage where you boast:

> [D]uring the past 7 years, we NEVER had a single retiring veteran fail to hit 50% or higher VA Svc. Con. Disability rating when we reviewed their medical records while they were in their +/-365 window, with most Army & USMC retirees coming in at 90 to 100% rating. With our help, those veterans file an average of 25-35 claims while in the +/- 365 window vs. an average of 5-15 when they just use a VSO.

You additionally advertise assistance with a "Lifestyle Impact Claim," stating:

> The Lifestyle Impact Claim is a high-value secondary condition that most veterans are eligible for to varying degrees of ratings or intensity. It is one that is rarely acknowledged by the VA regional office, but it provides additional compensation to veterans for the impact their current service connected disability is having on their overall lifestyle, whether that impact is social, recreational, or vocational. Our clients typically receive 30%, 50%, or 70% for just this one claim alone. To qualify for this claim, you MUST be currently service connected at 0% or higher for a disability that is somehow significantly impacting your life in a negative way on a daily basis. We can help you establish a claim for both the disability and its impact on your lifestyle.

We are not aware of any such claim, and, therefore, even if you were accredited, your advertising may be considered a violation of the VA standards of conduct for accredited individuals, which requires that you be truthful in your dealings with claimants and VA as well as prohibits you from, among other things, engaging in conduct involving fraud, deceit, misrepresentation or dishonesty. *See* 38 C.F.R. § 14.632(a)(2) (requiring accredited individuals to be truthful in their dealings with claimants and VA), (c)(3) (prohibiting accredited individuals from engaging in conduct involving fraud, deceit, misrepresentation or dishonesty), (c)(4) (prohibiting accredited individuals from violating any of the provisions of title 38, United States Code, and title 38, Code of Federal Regulations), (c)(11) (prohibiting accredited individuals from engaging in any other unlawful or unethical conduct).

By law, you, individually, and your organization, must immediately cease all preparation of and assistance in claims for VA benefits. Within 30 days of the date of this letter, please inform us of the measures you are taking to address our concerns. If we do not hear from you or if we determine that you have not taken appropriate

measures to cease any and all illegal activities, we will refer the matter to the appropriate law-enforcement authorities.

Dear Mr. Hill:

The Office of General Counsel (OGC) of the Department of Veterans Affairs (VA) is in receipt of information obtained from publicly available sources suggesting that Trajector, Inc., for which you are the Chairman and Co-Chief Executive Officer (CEO), by and through its subsidiaries, to include Trajector Medical, may be engaged in activities which may violate various Federal statutes and applicable regulations, including the unauthorized preparation, presentation, or prosecution of claims for VA benefits and the charging of fees to VA claimants that are clearly unreasonable or otherwise prohibited by laws or regulations. Additionally, the information further suggests that attorneys employed by and through Trajector Legal, LLC (Trajector Legal), may be in violation of several provisions within VA's standards of conduct for VA-accredited individuals.

I. Trajector Medical

Chapter 59 of title 38, United States Code, and sections 14.626-14.637 of title 38, Code of Federal Regulations, govern the representation of persons seeking VA benefits. The purpose in regulating who may provide claims assistance to Veterans is to ensure that they "have responsible, qualified representation in the preparation, presentation, and prosecution of claims for veterans' benefits." 38 C.F.R. § 14.626.

Pursuant to 38 U.S.C. § 5902, VA is authorized to recognize organizations to assist claimants with their VA benefit claims. VA regulations require organizations to apply for VA recognition and demonstrate that the organization satisfies the legal requirements for recognition. 38 C.F.R. § 14.628(d)(1)(i). Our records indicate that

2.

Mr. James S. Hill

neither Trajector, Inc., nor any of its subsidiaries, to include Trajector Medical and Trajector Legal, hold VA recognition. Accordingly, as an organization, Trajector, Inc., and its subsidiaries are prohibited by law from preparing, presenting, or prosecuting VA benefit claims.

VA is further authorized to accredit individuals as representatives of VA-recognized veterans service organizations, agents, and attorneys, to prepare, present, and prosecute claims for VA benefits. 38 U.S.C. §§ 5901-5902, 5904; 38 C.F.R. § 14.629. VA regulations provide a *one-time* only exception to this general rule requiring accreditation, which authorizes a person to provide assistance to one claimant on a particular claim, but such assistance must be without cost to the claimant and is otherwise subject to the laws governing representation. 38 C.F.R. § 14.630.[1] Because the staff of Trajector Medical are not accredited by VA and do not qualify for the exception to the general rule requiring VA accreditation, they are prohibited by law from assisting Veterans in the preparation, presentation, or prosecution of their claims before VA.

An October 18, 2021, public filing to the Securities and Exchange Commission (SEC), set forth Trajector, Inc.'s business plan and stated, "[w]e help each Veteran develop a personalized claim strategy based on their medical evidence, including identifying critical connections between symptoms and medical conditions to formal medical diagnoses and linking them when appropriate to their military service so that our clients may prepare and submit these claims to the VA."[2] Form S-1, TRAJECTOR, INC., sec.gov, https://www.sec.gov/Archives/edgar/data/0001875772/000119312521300749/d180168ds1.htm (last visited Jan. 14, 2022). The SEC filing further stated that the company's Veterans Services segment "assists Veterans in evaluating their disabilities to understand how those disabilities are connected to their military services and how those disabilities fit within the VA Disability Rating criteria used by the VA for determining compensation." *Id.* Moreover, the Trajector Medical website advertises that "[o]ur team of knowledgeable, dedicated associates is experienced in assessing medical and service records to relate symptoms and diagnoses to military service, in accordance with [title 38 of the Code of Federal Regulations]" and assuring that the Veteran should "[f]eel confident that [the Veteran's] history and records are thoroughly reviewed and used in developing the right medical evidence to support [the Veteran's] VA disability benefits" because "[o]ur experience is speaking,

---

[1] In addition, the VA General Counsel may also extend the exception to other claimants when unusual circumstances are present, but such extensions must be specifically requested though OGC. *See* 38 C.F.R. § 14.630(b).

[2]The SEC filing was withdrawn on January 4, 2022; however, the submission still remains available to the public. *See* Form S-1, TRAJECTOR, INC., sec.gov, https://www.sec.gov/Archives/edgar/data/0001875772/000119312521300749/d180168ds1.htm (last visited Jan. 14, 2022).

3.

Mr. James S. Hill

understanding, and applying [title 38 of the Code of Federal Regulations] in your personalized medical evidence." Why Us, trajectormedical.com, https://www.trajectormedical.com/why-us/ (last visited Jan. 14, 2022). The statements indicate that the services Trajector Medical staff provide involve preparing and developing claims to be submitted to VA, and those services are part of an overall business model to provide assistance, strategy, and advocacy in support of claims for VA benefits. A reasonable claimant would conclude that the services provided by Trajector Medical are for the purpose of assisting in the preparation, presentation, and prosecution of the claimant's VA benefit claim. This logical conclusion is reinforced by Trajector Medical's payment structure, discussed below. Accordingly, the statements in Trajector, Inc.'s SEC filing and Trajector Medical's advertising materials strongly suggest that Trajector Medical staff is unlawfully preparing, presenting, and/or prosecuting VA benefit claims. *See* 38 U.S.C. §§ 5901-5902, 5904; 38 C.F.R. §§ 14.628 and 14.629.

Further, under the laws governing representation, no person or organization may ever charge a claimant a fee for assistance in preparing an initial application for VA benefits or presenting an initial claim to VA. Only a VA-accredited agent or attorney may charge a fee for assisting in a claim for VA benefits, and only after VA has decided the initial claim and the agent or attorney has complied with the power-of-attorney requirements in 38 C.F.R. § 14.631 and the fee agreement requirements in 38 C.F.R. § 14.636(g). *See* 38 U.S.C. § 5904(c)(1); 38 C.F.R. § 14.636(c). Thus, because the staff of Trajector Medical is not accredited by VA as agents or attorneys, and because, based on Trajector, Inc.'s published statements, it appears that Trajector Medical staff is charging for the services they are providing in furtherance of the preparation and presentation of initial benefit claims, their actions appear to be contrary to law.

I remind you that, in June 2017, OGC wrote to you regarding the business activities of Vet Comp and Pen Medical Consulting, LLC, which is listed as a legacy brand of Trajector, Inc., in the SEC filing. *See* enclosure 1: OGC's June 2017 letter; *see also* Form S-1, TRAJECTOR, INC., sec.gov, p. 5, https://www.sec.gov/Archives/edgar/data/0001875772/000119312521300749/d180168ds1.htm (last visited Jan. 14, 2022). In OGC's June 2017 letter, OGC informed you that statements from your website strongly suggested that your organization was unlawfully assisting in preparing VA claims. OGC advised that you, individually, and your organization, must immediately cease all preparation of and assistance in claims for VA benefits. In your July 2017 response to OGC, you asserted that you did not represent or assist claimants before VA. *See* enclosure 2: James Hill's July 2017 letter. Through this letter, OGC is, again, informing you that Trajector Medical's website (and statements in Trajector, Inc.'s SEC filing) strongly suggests that the company and its staff are unlawfully assisting in preparing VA benefit claims. It is important to bear in mind that the statutory limitations on assisting Veterans with their VA benefit claims are based on the legislative scheme for VA claims established by Congress, and extend to all matters involving the preparation, presentation, and

4.

Mr. James S. Hill

prosecution of a claim, even if those activities occur before the official appointment of representation through the submission of VA Forms 21-22 or 21-22a. *See* 38 U.S.C. §§ 5901, 5902-5904.

Trajector, Inc.'s SEC filing stated, "we do not believe that … the evidence development activities of Trajector Medical require accreditation from the VA or are subject to the fee regulations imposed on accredited representatives." Form S-1, TRAJECTOR, INC., sec.gov, p. 26, https://www.sec.gov/Archives/edgar/data/0001875772/000119312521300749/d180168ds1.htm (last visited Jan. 14, 2022). Likewise, in your July 2017 response to OGC, you explained that you do not operate under or before VA and that you "prepare the *person*—not the *claim*—with a complete medical evaluation that educates and creates a competent and empowered claimant." *See* enclosure 2: James Hill's July 2017 letter, p 4. However, this is a distinction without a difference. Section 5901 does not limit the prohibition against acting as a claims agent or attorney to only those individuals who provide representation—meaning providing services after entering an appearance on the claim—to claimants before VA. *See* 38 C.F.R. § 14.627(p) (defining "representation"). Indeed, the implementing regulation, 38 C.F.R. § 14.629(b)(1), provides that no individual may *assist claimants* in the *preparation*, presentation, and prosecution of claims for VA benefits as an agent or attorney unless VA has accredited such individual. Trajector Medical's practice of "develop[ing] a personalized claim strategy … assist[ing] Veterans in evaluating their disabilities to understand how those disabilities fit within the VA Disability Rating criteria," and its statements regarding its experience in "speaking, understanding, and applying [title 38 of the Code of Federal Regulations] in [a veteran's] personalized medical evidence," strongly suggest that Trajector Medical is participating in VA claims preparation. *See* Why Us, trajectormedical.com, https://www.trajectormedical.com/why-us/ (last visited Jan. 14, 2022).

Moreover, Trajector Medical's fee structure, which charges a fee explicitly based on the successful outcome of a VA claim, further calls into question Trajector, Inc.'s assertion that its medical consulting services do not directly involve the preparation of VA claims. Trajector, Inc.'s SEC filing explains that the "fee for services provided [by Trajector Medical's staff] is calculated at a rate that considers the difference between the [claimant's] increase in pay for a period of five months." Form S-1, TRAJECTOR, INC., sec.gov, p. 86, https://www.sec.gov/Archives/edgar/data/0001875772/000119312521300749/d180168ds1.htm (last visited Jan. 14, 2022). However, a contract with a VA claimant generally may not obligate that claimant to pay fees from their payments of benefits. *See* 38 U.S.C. § 5301(a) (prohibiting assignment or attachment of, or claim of creditors against, payments due or to become due under laws administered by the Secretary of Veterans Affairs, except to the extent specifically authorized by law). The statute allowing for the payment of fees for the preparation, presentation, or prosecution of VA benefit claims from past-due benefits, 38 U.S.C. § 5904, is considered "an exception to th[is] assignment-of-VA-benefits statutory prohibition[.]"

Mr. James S. Hill

Snyder v. Gober, 14 Vet. App. 154, 163 (2000), *adhered to in relevant part on reconsideration sub nom. Snyder v. Principi*, 15 Vet. App. 285, 291 (2001). And even this exception does not go as far as to allow for an attorney or agent to contract for the payment of fees from a claimant's future benefits. *Busch v. West*, 12 Vet. App. 552, 553 (1993) (per curiam order) (holding fee agreement lien provision, which included a lien on "any sums recovered" to be unreasonable under 38 U.S.C. § 7263(d) because it conflicted with §§ 5301(a) and 5904(d)(3)); *Vargas-Gonzalez v. West*, 12 Vet. App. 63, 64 (1998) (per curiam order) (same). Thus, even assuming arguendo that Trajector, Inc.'s logic is correct in that the services provided by Trajector Medical do not amount to the preparation, presentation, or prosecution of a Veteran's benefit claims, all fee contracts that Trajector Medical has entered into with Veterans would then appear to constitute unlawful assignments of benefits pursuant to 38 U.S.C. § 5301(a). Conversely, if Trajector, Inc.'s logic is incorrect and the services provided by Trajector Medical do amount to the preparation, presentation, or prosecution of VA benefit claims, then, as explained above, Trajector, Inc., would appear to be in violation of several statutes and regulations that govern VA accreditation and the charging of fees.

By law, Trajector Medical and its staff must immediately cease all preparation, presentation, and prosecution of VA benefit claims, charging fees for those services, and withholding VA benefits to the extent that they are doing so contrary to law. Within 30 days of the date of this letter, please inform us of the measures that Trajector, Inc., and Trajector Medical are taking to address our concerns noted above. If we do not hear from Trajector, Inc., within that time period, or if we determine that Trajector, Inc., or Trajector Medical, has not taken appropriate measures to cease any and all illegal activities, we will refer the matter to appropriate Federal and State law-enforcement authorities.

II. Trajector Legal

VA has received credible written information suggesting that attorneys of Trajector Legal may have engaged in improper conduct or demonstrated incompetence in connection with the preparation, presentation, or prosecution of VA claims.[3] OGC is responsible for monitoring the conduct of VA-accredited attorneys, agents, and veteran service organization representatives. *See* 38 C.F.R. §§ 14.632 and 14.633. Accordingly, I hereby inform all Trajector Legal attorneys named in

[3] The VA-accredited attorneys associated with Trajector Legal are: Natalie Porter Westbrook; Samuel Ryan Vanover; Thomas Jared Ellis; Susan Marie Fox; Derek Harper Wentz; Danielle Christine Choi; Sarah Elizabeth Jenkins; Michael John Ogden; Steven Bradley Howes; Lauren Elizabeth Moss; Patrick Scott Haynes; Tim Benjamin Carpenter; Kirsten Courtney Jansen; James Robert Davis; Nicholas Andrew Huntsman; Kayla Ilene Byrd-Daniels; David Daniel Bott; and James S. Trieschmann.

footnote 4 that OGC is opening an informal inquiry into their conduct, and providing them with an opportunity to respond.

A. Noncompliant Fee Agreements

Section 14.636(g) of title 38, Code of Federal Regulations, provides that all fee agreements for the payment of fees for services of agents and attorneys must be in writing and signed by both the claimant or appellant and the agent or attorney. VA has received fee agreements submitted by or on behalf of Trajector Legal attorneys, beginning February 21, 2021, through the present date, which include a signature affixed by an electronic device, but the authenticity of the claimant signatory cannot be verified by VA. This raises concern as to whether the claimants were aware of, understood, and consented to the terms of the agreements. Second, section 14.636(g)(1)(iv) requires that a fee agreement include the applicable VA file number. Fee agreements submitted by or on behalf of Trajector Legal attorneys did not include such information. Without the VA file number, the claimant's file cannot be associated with the fee agreement. Moving forward, OGC will no longer accept any fee agreement without a pen-and-ink signature and the inclusion of the VA file number.

Moreover, VA regulations further provide that the agreement must provide "the specific terms under which the amount to be paid for the services of the attorney or agent will be determined." *See id.* at 14.636(g)(1)(v). Fee agreements submitted by Trajector Legal attorneys include the following language:

> Any claims where a notice of disagreement was not filed before February 19, 2019, no fee will be charged. Any claims where the notice of disagreement was filed before June 19, 2007, no fee will be charged unless there has first been a denial by the Board of Veterans' Appeals.

See enclosure 3, redacted fee agreement. If this language is attempting to reflect when a fee may be charged pursuant to current law, the language is unclear and fails to provide to the claimant the specific terms of the payments. Additionally, to the extent any attorney at Trajector Legal is charging a fee for claims in which VA issued its initial decision after February 19, 2019, although such a fee would be permissible under current law, the attorney would be violating the terms of their contract because the contract language contains the restriction that unless a notice of disagreement was filed before February 19, 2019, no fee will be charged by the attorney regardless of whether the claim has been pursued by a later notice of disagreement or through a different avenue of review (e.g., submission of additional evidence or a higher level of review).[4]

[4] Pursuant to current law, a VA-accredited attorney or agent may charge a reasonable fee for services provided after VA has notified the claimant of its initial decision with respect to a claim if the notice of the initial decision was issued on or

7.

Mr. James S. Hill

Furthermore, the discharge and withdrawal provision in the fee agreements is inconsistent with applicable law as it calls for payment based on an hourly rate rather than a quantum meruit review. In accordance with 38 C.F.R. § 14.636(f)(2), where the fee charged is a contingency fee, a reasonable fee charged for an attorney who is discharged or withdraws from representation is one that fairly and accurately reflects his or her contribution to and responsibility for the benefits awarded, as informed by the factors set forth in 38 C.F.R. § 14.636(e). The factors considered in § 14.636(e) include: (1) the extent and type of services the representative performed; (2) the complexity of the case; (3) the level of skill and competence required of the representative in giving the services; (4) the amount of time the representative spent on the case; (5) the results the representative achieved, including the amount of any benefits recovered; (6) the level of review to which the claim was taken and the level of the review at which the representative was retained; (7) rates charged by other representatives for similar services; (8) whether, and to what extent, the payment of fees is contingent upon the results achieved; and (9) when an attorney's representation ended before the decision awarding benefits was issued, consideration will be given to the reason(s) that the representation was terminated.[5] 38 C.F.R. § 14.636(e).

At a minimum, these fee agreement practices not only raise concerns regarding the accredited attorneys' competence and compliance with the governing regulations but also suggest that any fees charged may be unreasonable or otherwise prohibited under the law. *See* 38 C.F.R. § 14.632(b)(1) & (c)(5). Therefore, we ask that each Trajector Legal attorney inform us if he/she has sought or collected fees for

---

after the effective date of the modernized review system. 38 U.S.C. § 5904(c)(1). For cases in which a decision was made before VA implemented its modernized review system (February 19, 2019), there are additional requirements that must be met before a fee may be charged. If an agency of original jurisdiction issued a decision on a claim or claims before the effective date of the modernized review system as provided in 38 C.F.R. § 19.2(a), an accredited attorney or claims agent may not charge claimants a fee unless there has also been a notice of disagreement filed on or after June 20, 2007, with respect to that decision. In cases in which a notice of disagreement was filed on or before June 19, 2007, agents and attorneys may charge fees only for services provided after both of the following additional conditions have been met: (1) the Board of Veterans' Appeals (Board) promulgated a final decision with respect to the issue, or issues, involved in the appeal; and (2) the agent or attorney was retained not later than one year following the date that the Board promulgated its decision.

[5] In addition, the language of the fee agreements regarding fee disputes limits the recourse options of the parties to the Utah State Bar Fee Dispute Program. We question the validity of such limitation when VA statutes permit claimants to pursue reasonableness reviews by filing a motion with OGC. Notwithstanding any limitation written into a fee agreement, OGC always has the option to review fees for reasonableness, sua sponte. 38 U.S.C. § 5904(c)(3)(A); 38 C.F.R. § 14.636(i).

8.

Mr. James S. Hill

a case in which either (1) a notice of disagreement was not filed before February 19, 2019, or (2) the attorney was discharged or withdrew and sought fees pursuant to the hourly discharge and withdrawal provision set forth in the fee agreement. For each case identified, please provide: (1) the name of the claimant; (2) the VA file number; (3) the amount of fees charged, solicited, and/or received; and (4) the dates on which these communications or transactions occurred.

B. Contingency Fees for Expert Testimony

Section 14.632(c)(9) provides that a VA-accredited attorney is prohibited from engaging in, or counseling or advising a claimant to engage in, acts or behavior prejudicial to the fair and orderly conduct of administrative proceedings before VA. Section 14.632(d) provides that in addition to complying with the VA standards of conduct, a VA-accredited attorney is prohibited from engaging in behavior or activities that are prohibited by the rules of professional conduct of any jurisdiction in which the attorney is licensed to practice law. Under the Utah Supreme Court Rule of Professional Practice 3.4(b), an attorney shall not "falsify evidence, counsel or assist a witness to testify falsely, or *offer an inducement to a witness that is prohibited by law*." Utah Sup. Ct. R. Prof'l. Prac. 3.4 (emphasis added); *see also* American Bar Association's Model Rules, Rule 3.4. Utah Code § 78B-1-152, titled "Witnesses – Prohibition of expert witness contingent fees in civil actions," provides that "[a] plaintiff or defendant in a civil action may not engage an expert witness by means of a contingent fee agreement unless approval is sought and received from the court." Utah is not the only state that finds it unethical for an expert witness to be paid by a contingency fee. In fact, "it is considered unethical in virtually every jurisdiction to pay an expert witness a contingency fee, meaning a fee that is 'contingent upon the content of the testimony or outcome of the case." 12 Geo. J. Legal Ethics 465, 477 (1999) (quotations omitted). Indeed, "[s]uch fees are prohibited because they create an unacceptable incentive for the expert to tailor her opinion to the needs or interests of the retaining party. In other words, the expert's independence and objectivity become impaired when payment hinges on the success of the litigation." *Id.* Courts and state ethics boards are consistent that "it is unethical for a lawyer to knowingly present testimony of an expert witness compensated on a contingent fee basis." *Martello v. Santana*, 874 F. Supp. 2d 658, 667 (E. D. Ky. 2012); *see also Taylor v. Cottrell, Inc.*, 795 F.3d 813, 816-17 (8th Cir. 2015) (citing cases where U.S. district court decisions have found contingency-fee witnesses unreliable and unethical); *Tagatz v. Marquette University*, 861 F.2d 1040, 1042 (7th Cir. 1988) ("It is unethical for a lawyer to employ an expert witness on a contingent-fee basis … ."). A practicing attorney should be aware that the ethical concerns underlying this prohibition would apply to persons, such as medical professionals, who generate written evidence for the purpose of a judicial or administrative proceeding and whose independence and objectivity may be impaired by their personal financial stake in the outcome of the claim. Moreover, one could posit that the ethical concerns regarding improper inducements to expert witnesses are especially pronounced in VA's non-adversarial system where a medical opinion by a practitioner with a pecuniary interest in the

9.

Mr. James S. Hill

claim would naturally be subject to a lower level of scrutiny than in the traditional adversarial system. *See Hodge v. West*, 155 F.3d 1356, 1362-63 (Fed. Cir. 1998) (recognizing that, in enacting the Veterans Judicial Review Act, "Congress has designed and fully intends to maintain a beneficial non-adversarial system of veterans benefits" where "there is no room for such adversarial concepts as cross examination, best evidence rule, hearsay evidence exclusion, or strict adherence to burden of proof") (citations omitted). Thus, to the extent that a medical professional providing an advisory medical opinion or an examination is being compensated through a contingency fee arrangement, such arrangement would likely be contrary to the Utah Supreme Court Rule of Professional Practice 3.4(b) and section 14.632(c)(9) and (d) of VA's Rules of Conduct for VA-Accredited Individuals.

C. A Fee Exceeding 33 1/3 Percent Is Presumed Unreasonable.

In accordance with VA regulation 38 C.F.R. § 14.632(c)(5), an attorney is prohibited from entering into an agreement for, charging, soliciting, or receiving a fee that is clearly unreasonable or otherwise prohibited by law or regulation. *See also* 38 C.F.R. § 14.632(c)(5) (requiring an attorney to also comply with the standards of conduct of any jurisdiction in which the attorney is licensed); Utah R. Prof. Conduct 3.4(b). Moreover, under VA's governing regulations, a fee that exceeds 33 1/3 percent of the claimant's past-due benefits is always presumed to be unreasonable. 38 C.F.R. § 14.636(f)(1).

Additionally, courts and state ethics boards have found that, dependent on the facts of the case, it may be unethical to charge a contingency fee for legal services on top of a contingency fee for medical consulting. *See Ojeda v. Sharp Cabrillo Hospital*, 8 Cal. App. 4th 1, 17-18 (1992) (noting that ABA Formal Opinion 87-354 found that, "[t]o the extent the Consultant is assuming responsibility for services which the lawyer would normally provide, and may be required to provide as part of the normal service for a customary contingent fee, the lawyer's service is reduced, and what might otherwise be a reasonable contingent fee becomes unreasonable" and that District of Columbia Bar Opinion No. 55 determined that a consultant's services "may displace lawyer work" and "[t]o the extent that this happens, through its analysis of records, finding and interviewing witnesses, preparing factual statements for experts, and similar services the reasonableness of the lawyer's contingent fee percentage may be affected") (citations omitted).

As discussed above, Trajector, Inc.'s SEC filing makes clear that Trajector Medical charges a contingent fee for its services.[6] Indeed, in exchange for this

[6] Although in its SEC filing Trajector, Inc., described the services provided by Trajector Medical as a consulting service, it also stated that Trajector Medical employs its own experts to provide witness testimony. According to the SEC filing, the Trajector Medical staff includes 88 licensed medical, legal, and insurance professionals as well as 248 subject matter experts in the fields of pathophysiology, pharmacology, orthopedics, biomechanics, and psychiatry. *See* Form S-1,

contingent fee equal to the "difference between the increase in pay for a period of five months," *see* Trajector, Inc., SEC filing, it provides "medical evidence that meets the VA's [regulatory] requirements of their Schedule for Rating Disabilities," *see* Why Us, trajectormedical.com, https://www.trajectormedical.com/why-us/ (last visited Jan. 14, 2022). Separate and apart from this charge, attorneys employed by the same company, Trajector, Inc., by and through its subsidiary, Trajector Legal, are charging a fee in the amount of nearly 33 1/3 percent of the claimant's past-due benefits. *See* enclosure 3, redacted fee agreement. Although Trajector, Inc.'s SEC filing asserts that it "ensure[s] that [Trajector Legal's] attorneys are able to meet their ethical obligations," *see* Form S-1, TRAJECTOR, INC., sec.gov, p. 140, https://www.sec.gov/Archives/edgar/data/0001875772/000119312521300749/d180168ds1.htm (last visited Jan. 14, 2022), OGC has received evidence of apparent unethical conduct of Trajector Legal attorneys because, not only do they knowingly present the opinion of a medical expert compensated on a contingent fee basis but they also are charging a contingency fee of nearly 33 1/3 percent of the claimant's past-due benefits for their own legal services on top of, and without regard to the contingency fee charged for Trajector Medical's services, which appear to be much of the same services as normally provided by VA-accredited attorneys and agents.

OGC has received a Trajector Legal form, titled "HIPAA AUTHORIZATION FOR USE OR DISCLOSURE OF HEALTH INFORMATION," that informs the claimant that the attorneys of Trajector Legal intend to share medical information with all subsidiaries of Trajector, Inc. *See* enclosure 4, HIPAA Form. This language, among other things, suggests a close relationship between Trajector Legal and Trajector Medical. Based on the close relationship of the companies and the public disclosure of Trajector Medical's fee structure in the SEC filing by Trajector, Inc., it appears that Trajector Legal either knew or should have known of the contingency fee charged by Trajector Medical consulting company.

In addition, numerous fee agreements that Trajector Legal attorneys have submitted to OGC include not only a 33.3 percent contingent fee but also a provision stating that any fee agreements with other parties are completely separate from the fee agreement with Trajector Legal. A disclaimer attached to the fee agreements states explicitly:

> Client understands there are various companies under the umbrella of Trajector, Inc., which provide different types of services. Client may be using a different Trajector company while pursuing Trajector Legal, LLC, for legal services. Any fees for nonlegal services provided by other subsidiaries or companies of Trajector, Inc., are separate and distinct from the fees provided by Trajector, Inc., for legal services. For instance, if you owe a different

Mr. James S. Hill

> Trajector company for the cost of medical consulting services, your payment to Trajector Legal, LLC, for legal services[] does not waive or affect in any way your obligation to pay an agreed bill under your contract with the other company or satisfy your debt to the other company.

See enclosure 3, redacted fee agreement. Therefore, it appears that Trajector Legal attorneys are not only stacking a contingency fee for what is claimed to be legal services on top of a contingency fee for what is claimed to be medical consulting services, they are charging a presumptively unreasonable fee, as the ultimate fee charged to the claimant would necessarily be greater than the 33 1/3 percent contingent fee charged for legal services alone. Such a fee appears to be in violation of section 14.632(c)(2), prohibiting a VA-accredited attorney from circumventing a rule of conduct through the actions of another and section 14.632(c)(5), prohibiting an attorney from charging a fee that is clearly unreasonable or otherwise prohibited by law.

This letter initiates a preliminary inquiry pursuant to § 14.633(e) and provides the attorneys named within this inquiry with an opportunity to respond to the allegations within 30 days. Please note that, at this time, our office has not reached any definitive conclusions regarding the conduct. We will consider the responses we receive, along with other evidence of record, to determine whether to proceed with a formal inquiry to seek cancellation or suspension of Trajector Legal attorneys' accreditation pursuant to § 14.633(e) and/or refer the matter to the Chief Disciplinary Counsel of the Utah Office of Professional Conduct and/or other enforcement authorities.

Based on the credible written information referenced above, there is an indication that Trajector Legal attorneys may have violated the standards of conduct governing representation before VA in the following manners:

- ☒ Failing to provide claimants with competent representation before VA. *See* 38 C.F.R. § 14.632(b)(1).
- ☒ Violating the standards of conduct as described in 38 C.F.R. § 14.632. 38 C.F.R. § 14.632(c)(1).
- ☒ Circumventing the rules of conduct through the actions of another. 38 C.F.R. § 14.632(c)(2).
- ☒ Violating one or more of the provisions of title 38, United States Code, or title 38, Code of Federal Regulations. 38 C.F.R. § 14.632(c)(4).
- ☒ Entering into an agreement for, charging, soliciting, or receiving a fee that is clearly unreasonable or otherwise prohibited by law or regulation. 38 C.F.R. § 14.632(c)(5).
- ☒ Engaging in, or counseling or advising a claimant to engage in acts or behavior prejudicial to the fair and orderly conduct of administrative proceedings before VA. 38 C.F.R. § 14.632(c)(9).

12.

Mr. James S. Hill

☒ Engaging in any other unlawful or unethical conduct. 38 C.F.R. § 14.632(c)(11).
☒ Engaging in behavior or activities prohibited by the rules of professional conduct of any jurisdiction in which you are licensed to practice law. 38 C.F.R. § 14.632(d).

The VA General Counsel must cancel, or suspend, an attorney's accreditation if he finds, by clear and convincing evidence, that the attorney has violated or refused to comply with the laws administered by VA or with the regulations governing practice before VA, including the standards of conduct in 38 C.F.R. § 14.632. *See* 38 C.F.R. § 14.633(c)(1), (g). If the Trajector Legal attorneys wish to respond to the allegations against them, we request that the attorneys provide a written response within 30 days from the date of this letter. We will then make a determination, based on the evidence of record, whether to initiate a formal inquiry to seek cancellation or suspension of the Trajector Legal attorneys' accreditation pursuant to 38 C.F.R. § 14.633(e) and/or whether this matter should be referred to the Chief Disciplinary Counsel of the Utah Office of Professional Conduct.

III. Conclusion

TRAJECTOR MEDICAL

Dear Cliff Farrell,

I am writing to you today as the Corporate Counsel for Trajector Medical, LLC, a medical evidence services company committed to supporting Veterans. We understand there has been some misinformation circulating regarding our services, and we welcome the opportunity to clarify our mission and operations. Our goal is to foster a collaborative relationship with accredited attorneys and agents, along with Veteran Service Organizations (VSOs) and their representatives, to ensure we can collectively continue to provide essential and beneficial services to Veterans who have honorably served our nation.

Trajector Medical's Business.

Trajector Medical is in the business of providing medical evidence to Veterans, along with others pursuing compensation or government benefits, for them to use in making a disability claim, in the case of Veterans, to the Department of Veterans Affairs (VA). The VA is unequivocally clear about what is required to establish service connection for a disability. The VA's own website states that ***a Veteran must provide evidence of a current condition, an in-service event, and a medical nexus linking the two.*** (https://www.va.gov/disability/eligibility/ (emphasis added).). These requirements are highly medical in nature. They often require the expertise of licensed medical professionals to provide a review or a probative medical opinion. This is in contrast to the services provided by attorneys, agents, and VSOs, who are legally prohibited from providing medical diagnoses or rendering medical opinions.

The NVLSP Veterans Benefits Manual states that having quality medical evidence is the "most important factor" to getting a favorable decision for the Veteran. It provides:

[A]lthough the VA is obligated to assist claimants in obtaining the evidence necessary to substantiate their claims, the VA's compliance track record is not good. The volumes of decisions by the Board of Veterans' Appeals (BVA) and the U.S. Court of Appeals for Veterans Claims are littered with thousands of cases in which the BVA or the Court was forced to remand the claim to the VA regional office (RO) because the RO had failed in its duty to assist the claimant."

...

Too many claimants have sat back and relied on the ROs to assist, only to be forced to appeal an RO denial to the BVA or the Court to obtain remand to get the RO to do what it should have done years earlier when the claim was first filed. ... Many claimants have literally had to wait for years before the evidence that should have been obtained by VA at the outset is finally obtained.

...

There is no way to know beforehand what these VA-employed or VA contracted medical experts would conclude if they have a clean slate on which to write. But if the veteran already has, or can obtain from a private

physician, a medical diagnosis of the current medical condition and a medical opinion linking that current condition to the period of military service, and the veteran submits these documents with or shortly after the claim is filed, it will substantially increase the chance of success.

Veterans Benefits Manuel by NVLSP, 2024-2025 Edition.(1)

Trajector Medical operates exclusively in this medical evidence space. We provide medical evidence services that Veterans may use when pursuing their disability claims. Due to our professional medical experience and understanding of the VA rating criteria, we often are able to help Veterans understand their conditions and the condition's service-connection, helping Veterans to document disabilities that would have otherwise been missed.

We do not (i) prepare, present, or prosecute claims, (ii) complete VA claims forms, we do not file VA claims paperwork, (iii) represent Veterans nor apply law to facts, or (iv) we do not assist Veterans with their appeals. Trajector Medical's business model is not predatory or illegal, and we do not provide the same services that an accredited representative would provide a Veteran. To see and understand this for yourself, please take the time to review the materials provided as Attachment "A".

Medical evidence services are distinct from the services of an accredited representative. This is not just our opinion, it is shared by the VA's own legal leadership. The VA's Deputy Chief Counsel has explained that medical evidence services like those of Trajector Medical do not qualify as preparation, presentation, and prosecution of claims because medical evidence services are equivalent to expert testimony:

> [The VA] do[es] not consider the submission of medical evidence to be part of 'preparation, presentation, and prosecution' of a benefit claim. Medical evidence is created as part of, almost seen as, expert testimony, versus a claims preparer (an attorney, agent, or VSO representative) is an advocate on the Veteran's behalf. They are two separate roles, and they both play an important part in our VA system, but they are separate and distinct.

(March 29, 2023 Testimony of VA Deputy Chief Counsel, Christa Shriber, before the House Subcommittee on Disability Assistance and Memorial Affairs.)

Congress has affirmed this distinction, passing multiple laws that support this position and confirm the importance of private medical evidence in the VA disability benefits process, and you can read more on those laws in Attachment A.(2)

<u>The "Claim Shark" Campaign and Related Activities</u>

Over the past few years, there has been a campaign to call out bad actors in the VA disability space. These bad actors are violating federal regulations and acting as the Veterans' representatives without accreditation. In addition to preparing and filing claims in violation of the VA accreditation requirements, these bad actors, labeled as "Claim Sharks", are said to prey on Veterans using the following misleading or predatory practices:

- guarantee an increased disability rating or percentage increase;
- advertise expedited VA claims decisions;
- request login credentials to access a veteran's personal information through secure VA websites like eBenefits or <u>VA.gov</u>;

- impose predatory contracts; and
- tell veterans to forego VA medical examinations while offering consultations from their own network of doctors.

Trajector Medical does none of these listed activities. We encourage you to speak with our Veteran clients and ask them if Trajector Medical performed any of these listed activities. Alternatively, we invite you to reach out to us at the below contact information so we can discuss our business more in depth with you-show you what we do, how we comply with the law, and, most importantly, how we help Veterans.

Unfortunately, Trajector Medical has been falsely labeled as one of these Claim Sharks based on assumptions and misinformation. Most troubling is the evidence that the leaders of this campaign have been fully aware that their accusations against Trajector Medical are false. We have discovered evidence demonstrating that they knew our medical evidence services were legal, yet continued to intentionally direct their staff, members, and allies to tell Veterans and government policy makers that Trajector Medical is "predatory" and "illegal". These attacks harm our business and ultimately harm Veterans. Letters have already been sent by our attorneys to the Veterans of Foreign Wars (VFW) and National Organization of Veterans Advocates, Inc. (NOVA) informing them of their error and demanding that they cease making or disseminating these mischaracterizations. These letters are included as Attachments "C" and "D".

As a member of NOVA, you are probably aware of the communications, through trainings and webinars, from NOVA leadership regarding Claim Sharks and what to tell your clients when they ask about Claim Sharks. We are aware that NOVA has instructed its attorneys to tell their clients to breach their contracts with Trajector Medical and not pay for the medical evidence services we have provided to the Veterans to help them be successful before the VA when making a claim. These instructions seem to be the result of NOVA grouping Trajector Medical with unaccredited claims assistance companies, the Claim Sharks, even though NOVA is aware that the medical evidence services provided by Trajector Medical are legal and not predatory. As you can see in Attachment "D", NOVA leadership has been put on notice of these actions, and you should be aware of them as well.

Often though, when we speak with accredited agents or attorneys, we find they may have heard of Trajector Medical, including the label of being a Claim Shark, but they do not know what we do or the nature of the services we provide. When we are able to explain and show how we legally support Veterans with the critical medical evidence needed for successful claims, the image of a claim shark is dispelled and, in its place, is the realization that we are a trusted partner in the mission to ensure that Veterans receive the benefits they legally, medically and ethically deserve. We invite you to test this for yourself; have a conversation with us and make your own assessment of our business.

Unlawful Coordinated Attack on Trajector Medical's Business Model

While some of you receiving this letter may not be participating in, or may not even be familiar with, the Claim Shark campaign and related activities, unfortunately we have reason to believe that some of you may be engaging in conduct designed to interfere with Trajector Medical's ability to service its Veteran clients. Specifically, Trajector Medical is concerned that some recipients of this letter may be engaged in one or more of the following unlawful activities: (*i*) making or promoting false or misleading statements about Trajector Medical's services; (*ii*) actively

deterring prospective clients from engaging Trajector Medical; (*iii*) encouraging Trajector Medical's current clients to refuse to pay Trajector Medical and otherwise breach their contracts with Trajector Medical; and (*iv*) colluding with Veterans' Service Organizations and law firms to participate in these unlawful acts in an anticompetitive effort to drive Trajector Medical and similar services out of business. Such conduct would violate numerous state and federal laws.

First, making false or misleading statements regarding Trajector Medical's business practices constitutes defamation *per se*. *See Jews For Jesus, Inc. v. Rapp*, 997 So. 2d 1098, 1108–09 (Fla. 2008) (a false statement that "injures [a plaintiff's] business or reputation or occupation" is defamatory); *see also Fun Spot of Fla., Inc. v. Magical Midway of Cent. Fla., Ltd.*, 242 F. Supp. 2d 1183, 1197 (M.D. Fla. 2002) (citing *Campbell v. Jacksonville Kennel Club*, 66 So. 2d 793 (Fla. 1953)) (a false statement that "imputes to another conduct, characteristics, or a condition incompatible with the proper exercise of his lawful business, trade, profession or office is slander *per se*"). Making false statements that are designed to interfere with Trajector Medical's business would subject you to *both* compensatory and punitive damages. *See Bailey v. St. Louis*, 196 So. 3d 375, 382 (Fla. Dist. Ct. App. 2016) (awarding punitive damages where defendant made defamatory comments about plaintiff's business without investigating truth).

Second, it is illegal to tortiously interfere with Trajector Medical's client relationships. Dissemination of false information about the legality of Trajector Medical's services to Trajector Medical's current and prospective customers may confuse the Veterans that Trajector Medical serves, cause them financial harm, and disrupt their receipt of medical evidence services from Trajector Medical. This has caused significant financial harm to Trajector Medical. This conduct would give rise to liability for tortious interference. *See, e.g.*, *Onemata Corp. v. Arefin*, 2024 WL 3666091, at *1–2 (11th Cir. Aug. 6, 2024) (awarding $2 million for an intentional and unjustified interference with plaintiff's business); see also Assured Partners of Missouri, LLC v. Bauer, 2024 WL 5056348, at* 3 (E.D. Mo. Dec. 10, 2024) (tortious interference where defendant "knew about [plaintiff's] business expectancy, used improper means to interfere with that expectancy, and lacked justification to do so").

Third, participating in agreements or associations with others to defame and tortiously interfere with Trajector Medical's business raises concerns about a civil conspiracy and anticompetitive behavior. Such actions ultimately harm not only businesses like Trajector Medical – but consumers as well – by aiming to eliminate an entire class of competition. This conduct would constitute a civil conspiracy and a violation federal and state antitrust laws for which you may be held liable. *See, e.g.*, *Cordell Consultant, Inc. Money Purchase Plan and Trust v. Abbott*, 561 Fed. Appx. 882, 886 (11th Cir. 2014) (agreement to engage in unlawful act gives rise to civil conspiracy claim); *Precision Rx Compounding, LLC v. Express Scripts Holding Co.*, 2016 WL 4446801, at *2 (E.D. Mo. Aug. 24, 2016) (claim stated under federal and state antitrust laws where court could "infer the existence of an agreement from consciously parallel conduct").

If you are participating in any of the unlawful actions described above, your unlawful conduct must stop immediately. Trajector Medical requests that you:

1. **Permanently cease and desist from making public statements or issuing internal guidance that inaccurately depicts Trajector Medical or the legality**

of private medical evidence services, including by removing all references to, and otherwise stop labeling Trajector Medical as, a "Claim Shark," or characterizing Trajector Medical and its services as predatory, illegal, misleading, or fraudulent;

2. **For all future public statements or internal guidance on "Claim Sharks" or similar characterizations, make an explicit call-out that Trajector Medical and similar private medical evidence services companies who do not prepare, present or prosecute claims are NOT Claim Sharks;**
3. **Permanently cease and desist from interfering with Trajector Medical's current or prospective business relationships, including by discouraging Veterans from using Trajector Medical's services or telling Veterans that they are not required to fulfill their contractual obligations to Trajector Medical; and**
4. **Permanently cease and desist from coordinating with others to interfere with Trajector Medical's business through any of the above-described conduct or any other means.**

Given the possibility of litigation relating to these issues, to the extent you are engaged in any of the above conduct you are on notice of your legal duty to inform your staff to preserve all documents potentially relevant to the foregoing claims, including but not limited to (*i*) all documents, emails, text messages, and other communications that mention or refer to Trajector Medical, or medical evidence services; (*ii*) all records of guidance provided to your officers, employees, or affiliates regarding private medical evidence services; (*iii*) all agreements, financial transactions, referral arrangements, or communications with law firms or other entities regarding Veteran services; (*iv*) all records of lobbying efforts or legislative initiatives related to private medical evidence services; (*v*) all public statements, marketing materials, or social media posts related to Trajector Medical or similar service providers; and (*vi*) all recordings of meetings that reference Trajector Medical or similar service providers, including meetings occurring on Zoom, Teams, or other videoconferencing platforms, and all related notes taken by the attendees.

As you may know, Trajector Medical is currently defending itself from what it believes is a baseless lawsuit and is not interested in pursuing its own litigation against the recipients of this letter who have taken illegal actions against Trajector Medical. The best path forward is discussion outside of the public courts.

We invite you to contact us to begin a more detailed dialogue. Other parties, including a top firm in this space, are starting to come forward with corroborating information and have settled this issue with Trajector Medical. We invite you to settle outside of court as well and are willing to give a full release of liability if you do so. Please advise us of your earliest availability to discuss, or confirm in writing to LegalDepartment@TrajectorMedical.com, no later than July 20, either (*i*) that you do not engage in any of the above-described unlawful conduct and that you will not engage in such conduct going forward, or (*ii*) that while you do engage in the above-described unlawful conduct, you will immediately stop.

Where Do We Go from Here

We understand that many receiving this letter have not engaged in the above-described unlawful conduct and have no intention of doing so. That is great, and we hope this letter does not seem like a threat to you and you will understand that we are just trying to protect our business and the services we provide to Veterans.

Our main purpose in sending this letter is to present the relevant facts and legal authorities so that you can better understand our business. We know that after years of the Claim Shark campaign, which mistakenly lumped us in with predatory actors, you may have a strong bias against us. But we hope that you give us a chance to explain the value that Trajector Medical and its medical evidence services provide to Veterans. We believe there is a path forward for the accredited agents and attorneys, VSO representatives, and the medical evidence services companies to work together to fully support Veterans and, at the same time, identify the true bad actors in the space and take effective steps to protect Veterans from their predatory and illegal practices.

With this in mind, we propose that you review the attached and

importance of medical evidence. Then reach out if you would like to discuss further by emailing us at LegalDepartment@TrajectorMedical.com.

We believe the Veteran community is best served when ethical attorneys, agents, and medical evidence providers can all thrive. We would like to focus on our mission of supporting Veterans with medical evidence services instead of dealing with distractions such as fighting misinformation and misguided attacks. We hope that you will give us a chance to do just that.

This letter is sent without prejudice to any of Trajector Medical's rights, remedies, and arguments, all of which are expressly reserved.

Re: Unlawful "Claim Shark" Campaign Regarding "Predatory Practices"

Dear Messrs. Gallucci and Muckelbauer:

On behalf of our client Trajector Medical, LLC ("Trajector Medical"), we write to demand that the Veterans of Foreign Wars ("VFW") immediately cease and desist its "Don't Feed the Sharks" campaign, which falsely states that Trajector Medical is a "Claim Shark" and is engaging in certain "predatory practices." We further demand that the VFW immediately cease and desist all blanket accusations that it is illegal for anyone who is not accredited by the U.S. Department of Veterans Affairs ("VA") to charge a fee for services provided to a veteran at the initial claim stage.

Trajector Medical provides medical evidence services that veterans may use when pursuing disability claims. Trajector Medical does not assist veterans with the preparation, presentation or prosecution of claims, does not represent veterans before the VA or any other government agency, and does not act as an agent or attorney for veterans pursuing disability claims. Veterans have the statutory right pursuant to 38 U.S.C. §§ 5103A(b)(4)(A), 5125, *et al.* to submit private medical evidence in support of their claims, and Trajector Medical's role is to provide that evidence for veterans.

It has come to Trajector Medical's attention that the VFW is disseminating false statements about Trajector Medical's services through the "Don't Feed the Sharks" flyer campaign (**Exhibit A**), which the VFW has widely distributed across multiple internet sites and social media

platforms, including Facebook,[1] Instagram,[2] and LinkedIn.[3] The VFW's campaign falsely asserts that Trajector Medical engages in the following illegal "predatory practices":

1. Promising or guaranteeing an increased disability rating or percentage increase.

2. Advertising expedited VA Claims decisions.

3. Requesting login credentials to access a veteran's personal information through secure VA websites like eBenefits or VA.gov.

4. Using confusing tactics or ambiguous language to mislead claimants or coerce them into signing a contract.

5. Telling veterans to forego VA exams and offering health consultations within their own network of doctors.

Trajector Medical's website openly describes the lawful medical evidence services that it offers veterans, and these services do not include or involve any of these so-called "predatory practices."[4]

Your statements that Trajector Medical engages in these practices are demonstrably and blatantly false, and constitute defamation *per se*. *See Jews For Jesus, Inc. v. Rapp*, 997 So. 2d 1098, 1108–09 (Fla. 2008) (a statement that "injures [a plaintiff's] business or reputation or occupation" is defamatory); *see also Fun Spot of Fla., Inc. v. Magical Midway of Cent. Fla., Ltd.*, 242 F. Supp. 2d 1183, 1197 (M.D. Fla. 2002) (citing *Campbell v. Jacksonville Kennel Club*, 66 So. 2d 793 (Fla. 1953)) (a statement that "imputes to another conduct, characteristics, or a condition incompatible with the proper exercise of his lawful business, trade, profession or office is slander *per se*").

As of the date of this letter, there are more than three dozen active internet pages on which the VFW's false statements are published and through which they have reached a significant segment of Trajector Medical's current and prospective customer base. (**Exhibit B**) Not only is the VFW liable for Trajector Medical's damages, but such blatantly false statements that are designed to interfere with another's business subjects the VFW to punitive damages as well. *See Bailey v. St. Louis*, 196 So. 3d 375, 382 (Fla. Dist. Ct. App. 2016) (awarding punitive damages

where defendant made defamatory comments about plaintiff's business without investigating truth).

Furthermore, the VFW's flyer falsely suggests that private medical service providers cannot lawfully charge a fee for services provided at the initial claims stage. The VA's Deputy Chief Counsel has clearly stated in sworn congressional testimony that medical evidence services do not qualify as preparation, presentation, and prosecution of claims (for which fees at the initial stage are prohibited by the VA regulations) because these medical evidence services are equivalent to expert testimony:

> [The VA] do[es] not consider the submission of medical evidence to be part of 'preparation, presentation, and prosecution' of a benefit claim. Medical evidence is created as part of, almost seen as, expert testimony, versus a claims preparer (an attorney, agent, or VSO representative) is an advocate on the veteran's behalf. They are two separate roles, and they both play an important part in our VA system, but they are separate and distinct.

March 29, 2023 Testimony of VA Deputy Chief Counsel, Christa Shriber, before the House Subcommittee on Disability Assistance and Memorial Affairs.

Additionally, Trajector Medical has received multiple reports that VFW representatives have advised veterans not to work with Trajector Medical and to break existing contractual obligations with Trajector Medical, including by not paying the fees that they owe Trajector Medical. This has confused the veterans that Trajector Medical serves, caused them financial harm, disrupted their receipt of medical evidence services from Trajector Medical, and has caused significant financial harm to Trajector Medical. This conduct gives rise to liability for tortious interference. *See, e.g.*, *Onemata Corp. v. Arefin*, 2024 WL 3666091, at *1–2 (11th Cir. Aug. 6, 2024) (awarding $2 million for an intentional and unjustified interference with plaintiff's business); *see also AssuredPartners of Missouri, LLC v. Bauer*, 2024 WL 5056348, at *3 (E.D. Mo. Dec. 10, 2024) (tortious interference where defendant "knew about [plaintiff's] business expectancy, used improper means to interfere with that expectancy, and lacked justification to do so").

In addition to directly distributing false and misleading information regarding Trajector Medical's services and intentionally interfering with Trajector Medical's business relationships, we have reason to believe that the VFW has colluded with other Veterans Services Organizations ("VSOs") and law firms to engage in the same tortious conduct in an effort to deter veterans from using Trajector Medical's services. Furthermore, the proliferation of the "Don't Feed the Sharks Campaign" by VFW entities nationwide, among others, demonstrates that the VFW has been at the center of the "Claim Shark" campaign that other VSOs and law firms have also promoted. Trajector Medical has reason to believe the VFW has rallied and encouraged other co-conspirators to promote this campaign in an effort that is anti-competitive and harms not only Trajector Medical, but also consumers. Such conduct would constitute civil conspiracy and violation federal and state antitrust laws for which you may be held liable. *See, e.g.*, *Cordell*

Consultant, Inc. Money Purchase Plan and Trust v. Abbott, 561 Fed. Appx. 882, 886 (11th Cir. 2014) (agreement to engage in unlawful act gives rise to civil conspiracy claim); *Precision Rx Compounding, LLC v. Express Scripts Holding Co.*, 2016 WL 4446801, at *2 (E.D. Mo. Aug. 24, 2016) (claim stated under federal and state antitrust laws where court could "infer the existence of an agreement from consciously parallel conduct").

The VFW's unlawful conduct must stop immediately, and Trajector Medical demands that the VFW do the following:

1. Permanently cease and desist from making public or private statements that inaccurately characterize Trajector Medical or the legality of its private medical evidence services, including by removing all references identifying Trajector Medical as a "Claim Shark", or otherwise labeling Trajector Medical and its services as predatory, illegal, misleading, or fraudulent, and by refraining from stating that only accredited agents or attorneys can charge a fee to veterans who are proceeding through the veterans' benefits claims process;

2. Identify all third parties to whom the VFW has distributed a copy of the "Claim Shark" flyer.

3. For any third party to whom the VFW has previously distributed a copy of the "Claim Shark" flyer that names Trajector Medical, the VFW must ask such third parties to take down and permanently refrain from publishing that flyer;

4. Permanently cease and desist from interfering with Trajector Medical's current or prospective business relationships, including by discouraging veterans from using Trajector Medical's services or telling veterans that they are not required to fulfill their contractual obligations to Trajector Medical; and

5. Permanently cease and desist from coordinating with others to interfere with Trajector Medical's business through any of the above-described conduct or any other means.

Given the possibility of litigation, the VFW is on notice of its legal duty to inform VFW staff to preserve all documents potentially relevant to the foregoing claims, including but not limited to (*i*) all documents, emails, text messages, and other communications that mention or refer to Trajector Medical, medical evidence services, or the "Don't Feed the Sharks" campaign; (*ii*) all records of guidance provided to VFW officers, employees, or affiliates regarding private medical evidence services; (*iii*) all agreements, financial transactions, referral arrangements, or communications with law firms or other entities regarding veteran services; (*iv*) all records of lobbying efforts or legislative initiatives related to private medical evidence services; (*v*) all public statements, marketing materials, or social media posts related to Trajector Medical or similar service providers; and (*vi*) all recordings of meetings that reference Trajector Medical or similar service providers, including meetings occurring on Zoom, Teams, or other videoconferencing platforms, and all related notes taken by the attendees.

We invite you to contact us to begin a more detailed dialogue. Please advise us of your earliest availability to discuss next steps, or confirm in writing no later than July 10, 2025 that the VFW will comply with these demands. Trajector Medical will not hesitate to take legal action against the VFW's (and others') unlawful tactics absent your confirmation.

This letter is sent without prejudice to any of Trajector Medical's rights, remedies, and arguments, all of which are expressly reserved.

Sincerely yours,

Megan K. Bannigan

DON'T FEED THE SHARKS

DontFeedTheSharks.org

What is a "Claim Shark"?

- A Claim Shark is an individual or company that charges hefty fees to "assist" or "consult" veterans with filing their VA benefit claims – this practice is illegal!
- Claim Sharks are not VA accredited, meaning they aren't required to adhere to the well-established professional and ethical standards of VA accreditation, so their advice can often be misleading or even fraudulent.
- Like a "Loan Shark," once you're in, you can't get out, and may be subject to new and hidden fees whenever you get a new rating, no matter who does the work.

Some of their predatory practices are:

- Promising or guaranteeing an increased disability rating or percentage increase.
- Advertising expedited VA claims decisions.
- Requesting login credentials to access a veteran's personal information through secure VA websites like eBenefits or VA.gov.
- Using confusing tactics or ambiguous language to mislead claimants or coerce them into signing a contract.
- Telling veterans to forego VA exams and offering health consultations within their own network of doctors.

Who are the Claim Sharks?

- Trajector Medical
- Vet Benefits Guide
- Veterans Guardian
- VA Claims Insider
- Telemedica
- Patriot Angels
- Veteran Care Services
- VetComm
- VA Claims Academy
- Vet Assist

Veterans can protect themselves by:

- Always working with VA accredited representatives.
- Attending all exams ordered by VA.
- Not signing contracts.
- Not agreeing to fees or payments from future benefits.
- Not agreeing to pay for medical consultations or opinions.
- Not providing access to Protected Health Information or Personal Identifiable Information.

Who is NOT a Claim Shark?

- VA accredited veterans service organization representatives, like the VFW
- VA accredited claims agents
- VA accredited attorneys
- Attorneys assisting with Camp LeJeune lawsuits who do not charge excessive fees

Pattern of Complaints

According to information in BBB files, Trajector Medical has a pattern of complaint alleging contract and billing/refund issues.

Specifically, consumers state they work with Trajector Medical for assistance in submitting their claims with the VA. They are told they would help advocate for the consumer in helping with their disability claims. Trajector Medical then only files the paperwork but the consumers state they do the rest of the work. Consumers are then sent a bill months later for thousand's of dollars.

On April 18th 2024 BBB contacted Trajector Medical to request their voluntary cooperation in resolving the unanswered complaints as well as their cooperation in eliminating the pattern of complaint.

On May 2nd, 2024, Trajector Medical responded with the following information as a means to eliminate the pattern of complaint:

Thank you for bringing this matter to our attention. We appreciate the feedback provided by your

organization and the opportunity to address this matter. At Trajector Medical, our clients' satisfaction is a

top priority for us.

We assist our clients in the development of medical evidence. We do not assist in the preparation, presentation, or prosecution of any claim, and we are not a law firm nor VA-accredited agents; this is emphasized in the agreement that each of our clients sign. We do not represent veterans or have access to Veterans' military or medical records unless provided to us by them. Veterans may use the evidence package we develop to support any claims they choose to file with the VA, and for any other matter for which they may need medical evidence.

Our fee is calculated based on the tangible results we provide to our clients. We charge five times the monthly increase in benefits a client receives as an outcome of a successful VA disability claim supported by the medical evidence that we provided. This model ensures that our remuneration is aligned with the benefits we bring to our clients, and our fees are only applicable when there is a demonstrable increase in their monthly benefits. We have helped tens of thousands of satisfied veteran clients by developing medical evidence in support of the benefits for which they are medically, legally, and ethically qualified.

Because we do not represent clients before the VA, we lack the ability to confirm if and how the VA considered the medical evidence we developed for a client of Trajector Medical. Our business model, therefore, depends entirely on the Veteran's promise to provide us with award letters and other

documentation to validate whether our evidence contributed to their increased rating. This promise to provide us with their VA award letter is part of our service agreement signed by every Trajector Medical client.

Unfortunately, not all of our clients provide their VA decision letters after receiving an increase in monthly compensation as promised. We make multiple attempts to collect documentation before developing an invoice. If the veteran does not provide the requested documentation, this can increase the likelihood of a billing error. Once provided with the VA decision, any increase in compensation that is not a result of our medical evidence development services will not result in a consulting fee. At this point, any amount that was inappropriately invoiced will be immediately removed. For any client disputing an invoice who provides their VA decision letter as promised in their service agreement a detailed audit is performed by our highly trained staff. We do not bill for compensation increases that are not a direct result of the medical evidence that we provide. The accuracy of our billing depends on our clients complying with the terms of our service agreement which requires the provision of VA decision letters after our medical evidence packet is provided to them.

We value the opportunity to address this matter and the Better Business Bureau for bringing this to our attention. We strive to ensure that every client's experience with Trajector Medical exceeds their

expectations.

As of August 13, 2026, more than two years after terminating my services with Trajectory Medical, I continue to receive repeated and unwanted phone calls regarding an alleged debt. I consider the frequency and persistence of these calls to be harassing and unacceptable. I am requesting that Trajectory Medical immediately cease all collection calls and communications regarding an alleged balance. In March 2024, I officially terminated my services with Trajectory Medical by phone and email after paying my balance in full. Despite the termination of my services and full payment of my account in 2024, I continue to receive several phone calls each week in 2026 claiming that I owe money because I allegedly received an increase in benefits after my contract with the company was terminated. I am extremely concerned about how Trajectory Medical would know whether I received any increases in my benefits after my services were terminated with their company. This raises serious questions and concerns about how the company obtained this information and whether my private records or benefits information may have been accessed or obtained without my authorization. Once I officially terminated my services and paid my balance in full, any actions I took afterwards concerning my benefits on my own should not be the concern of Trajectory Medical. I no longer had an active contract with the company, and I had fulfilled my financial obligations to them.

I am requesting that Trajector Medical immediately stop calling me weekly regarding an alleged outstanding balance.
In March 2024, after my service with their company had been completed, I officially terminated my account by telephone and email. At that time, I had paid my account in full, and I understood that my financial obligation to them had been completely satisfied.

Beginning in late 2025 and continuing throughout early 2026, Trajector Medical has repeatedly and persistently called me, often on a weekly basis, claiming that I owe an additional balance,because they said I had received a disability increase in 2025, after I had already terminated my account and paid my balance in full with them.
Once my account was terminated and my balance was paid in full in March 2024, I had no further agreement or obligation to Trajector Medical for any disability increase I

determine whether their disability rating have increased. Once a clients account has been paid in full and the contract has been terminated, Trajector Medical should have no reason or authorization to access or review the veterans records for any subsequent disability increases.

I am requesting that Trajector Medical cease all harassing telephone calls and other collection attempts regarding this alleged balance that I do not owe them.

?I am filing this complaint against Trajector Medical regarding unlawful billing practices, deceptive contracting, and unauthorized fee collection related to my Department of Veterans Affairs (VA) disability benefits.?Trajector is an unaccredited company attempting to collect fees for VA disability claim assistance. Under federal law (38 U.S.C. 5901), entities assisting veterans with VA claims for compensation must be accredited by the Department of Veterans Affairs, and unaccredited entities are prohibited from collecting fees for preparing, presenting, or prosecuting claims.?Furthermore, the Department of Veterans [redacted] of General Counsel has issued formal Cease-and-Desist notices to Trajector warning that its business model violates federal law regarding unauthorized claims assistance and unlawful fee structures.?Despite my formal notification revoking any agreement and requesting a cease and desist of all communications, Trajector continues to demand payment and send aggressive invoices demanding $902.10. The rating increase I received was not the direct result of medical evidence developed exclusively by Trajector, yet they claim entitlement to an unlawful fee structure equal to five times my monthly increase.?Because Trajector lacks VA accreditation under 38 U.S.C. 5901, any underlying contract or fee agreement is illegal, void, and unenforceable.?Desired Resolution:?I request the following resolutions to consider this matter resolved:?Immediate and full cancellation of all current and future invoices, fees, or alleged outstanding balances billed to my account.?Formal written confirmation sent via email acknowledging that my contract/account has been closed with a zero balance.?Immediate cessation of all collection outreach, automated calls, emails, and postal mailings.?Confirmation that Trajector has purged my personal, medical, and VA logon credentials from their active databases.

Good afternoon, Mr. [redacted] appreciate your feedback regarding your account and experience with us. Please allow us to clarify some points for you:

Trajector Medical provides medical evidence services to Veterans pursuing VA disability

provides medical evidence consultation to veterans under the authority granted in federal statutes and regulations including:
38 U.S.C. 5107(b), which requires the VA to consider all medical evidence of record, no matter where it came from;
38 U.S.C. 5125, which requires the VA to accept medical reports from private healthcare professionals;
38 C.F.R. 3.159(a)(1), which requires that the VA must consider the training, education, and experience of a healthcare professional to offer medical diagnoses, statements, and opinions to determine how much weight to assign to medical evidence developed by that professional; and 38 U.S.C. 5101(d)(1)(A), which requires the VA to post Disability Benefits Questionnaire forms on its public-facing websites so that private medical professionals can use them.
These regulations clearly detail that Veterans need not rely solely on VA or military records but are entitled to support their claims with private medical evidence.
At a 2023 congressional hearing, a VA senior staff lawyer testified under oath that We [VA] do not consider the submission of medical evidence to be part of preparation, presentation, and prosecution of a benefit claim. Medical evidence is created as part of, almost seen as, expert testimony, versus a claims preparer (an attorney, agent, or [redacted] representative) is an advocate on the veterans behalf. They are two separate roles, and they both play an important part in our VA system, but they are separate and distinct.
On the [redacted] Compensation webpage, the VA states: [t]he Department of Veterans Affairs encourages all Veterans to submit their private medical records for consideration
In summary, federal statutes, regulations, and VA guidance confirm Veterans right to obtain independent private medical evidence and expressly recognize the role of private, fee-based medical professionals in documenting evidence in support of disability claims.
You entered into a contract for our medical evidence services. We provided those services, and you utilized our medical evidence in support of your VA disability benefits claim. Accordingly, you remain contractually obligated to pay the agreed-upon fee for those services.
As stated in the contract, Trajector Medical is not affiliated with the [redacted] and does not independently monitor or access your VA claim or disability rating information. Instead, we rely on your agreement to provide your Rating Decision Letter (RDL) so that we may determine whether our medical evidence contributed to any rating increase obtained through your claim.
We are in receipt of your data privacy request and will process it in accordance with applicable law. Although not required, you may visit our data privacy request portals at Data Privacy Request and [redacted] Request to submit your request.

We are also in receipt of your request to cease communications from Trajector Medical and will comply as required by law. However, please note that applicable laws do not restrict our ability to contact you regarding outstanding contractual payment obligations.
We are pleased to have assisted you in supporting your disability compensation claim with medical evidence. As you likely know, medical evidence is often a significant factor in the successful adjudication of disability claims. We sincerely hope your efforts are successful and, if so, that you will honor your contractual obligations for the services we provided.

Hello Mr. [redacted] appreciate your valuable input and want to acknowledge the thoughts you have shared. We note that you've raised points related to your account and the invoice you've settled. Following a careful review of your account and communications, we would like to share some insights:

? Fee Disclosure

Our records show that during our enrollment process, clear discussions were held to explain how our services are billed, with opportunities given to ask any questions. Our representative took great care during enrollment to outline our pricing structure, using examples for clarity, discussing payment options and confirming your understanding before engaging our services.

? Alternative Resources

We affirm that your chat with a local Veterans [redacted] came to our attention. We did suggest that you were welcome to collaborate with a VSO or independently manage the process before you decided to utilize our services.

? Trajector Medical's Role

We want to reinforce that we clarified in our discussion that Trajector Medical does not represent veterans before the VA and does not prepare VA claims. Once you asked for clarification, we reiterated this point and your understanding was acknowledged.

As for VA accreditation, its important to note that companies like ours do not require accreditation to assist with medical records. This is thanks to legislation giving veterans the independence to choose which services they use. You were advised about this before we started offering our services.

We confirm that the service you paid for has been provided. As everything is now settled and your account is closed, we consider this matter resolved.

Complaint Against Trajector Medical I am filing this complaint because I believe Trajector Medical engaged in unfair and deceptive business practices.I repeatedly attempted to terminate my relationship with Trajector Medical before my VA disability claim was decided. I communicated by both telephone and email that I no longer wished to use their services and considered our relationship terminated.Despite these repeated requests, Trajector Medical continues to demand payment and insists I remain financially obligated. When I asked them to identify the specific contract provision requiring payment under these circumstances, they failed to provide a clear [redacted] my experience, the company provided minimal assistance beyond collecting information and submitting paperwork. I was responsible for tracking my own VA claim and obtaining updates. Their continued payment demands after my cancellation attempts have become harassing.I request that Trajector Medical:- Immediately stop all collection efforts.- Honor my termination of services.- Provide a complete copy of every agreement governing my account.- Identify the exact contract language they rely on to claim I owe payment despite canceling before my VA decision.- Confirm in writing that my account is closed if they cannot establish a contractual basis for their demands.I believe veterans deserve clear, transparent contracts and the ability to end services without continued payment demands. I am requesting a fair resolution and a written response addressing these concerns.

"I have received and reviewed the business's response from [redacted], the Escalations Specialist. I am submitting this rebuttal to firmly reject the company's framed narrative, to document their hostile tone, and to state clearly that I will not be withdrawing or amending this BBB complaint.
First, the businesss reply perfectly illustrates the exact type of hostile, aggressive maneuvering that led to this complaint. The company claims I 'insisted I would not send any documents.' In reality, I was forced to repeatedly and firmly say 'no' because Trajector Medical consistently badgered me, refused to respect my multiple attempts to withdraw from their services, and would not take no for an answer. They are now using my desperate attempts to end their harassment as a weapon against me in this public forum.
Second, the company claims they never 'demanded payment.' While they may not have issued a final invoice, their relentless hounding for my private VA decision letterswhich dictate financial billingfunctioned as an explicit, high-pressure attempt to establish a financial claim against me before my VA process was even complete.

Hello Mrs. [redacted] extend our gratitude to you for providing your feedback. The insights we derive from experiences like yours are invaluable in helping us strive towards betterment in our services.

It has come to our attention that there have been some queries regarding your account and certain communications. We have taken immediate steps to clarify the situation and ensure your complete peace of mind. We understand that the main query circles around the status of your account and the existence of an invoice.

Applying the utmost diligence to ensure the accuracy of our records, we confirm that your account was successfully closed out as of last month. Coinciding with our commitment to absolute transparency and respect towards our clients, we affirm that closure of accounts would not proceed if any invoice was pending. The inception of your case did lead us to a thorough recheck of our records. It's important to emphasize that our policy prevents us from closing any accounts with pending invoices. Hence, we can be certain that no active invoice currently exists in your name.

It's equally important to highlight that a request for documents might have inadvertently reached you post the closure of your account. Such a scenario might have led to some misunderstanding, for which we extend our clarifications. Further supplementing this, our documentation states that a member of our client experience team had initiated contact with you to convey these details and ensure clarity on the status of your account closure.

While our records indicate a mutual understanding of the account status, we trust the current overview has reaffirmed that no further obligations stand between us. Moving forward, we want to assure you that you won't be receiving any further follow-ups on this matter, maintaining your privacy and bringing this chapter to a close.

We value the relationship we had with you and should you ever decide to reconnect with our services in the future, our team will be more than happy to ensure smoother experiences for you.

Warm Regards,

Dear Mr. [redacted] you for your feedback. We appreciate your concerns about Trajector Medical's fee structure and its compliance with federal law pertaining to veterans' claims for VA disability benefits.

To address your questions, please note that Trajector Medical operates within the legal framework which permits veterans to secure and present private medical evidence in support of their claims. We provide such medical evidence services under the authority provided by multiple federal statutes and regulations which include the following:

1. 38 U.S.C. 5107(b) obligates the VA to assess all medical evidence of record, regardless of the source.
2. 38 U.S.C. 5125 necessitates the VA to acknowledge medical testament from independent healthcare practitioners.
3. 38 C.F.R. 3.159(a)(1) mandates the [redacted] to weigh the education, training, and experience of a healthcare professional when assessing medical diagnoses.
4. 38 U.S.C. 5101(d)(1)(A) requires the VA to publish Disability Benefits Questionnaire forms

alongside VA or military records.

In a 2023 congressional hearing, a senior VA lawyer maintained that medical evidence, typically seen as expert testimony, is an integral but separate facet of the benefits claim process. This is separate from being an advocate or representative for the veteran's claim. The VA's Compensation webpage also supports this perspective, encouraging veterans to submit private medical records for consideration.

The engagement you had with us was for medical evidence development services, entailing us to consult on and provide the medical substantiation used in your VA disability appeal. Your use of this evidence contributed to an increase in your disability rating. As per our agreement with you, these services were successfully executed, and the obligations fulfilled

A thorough review of your account was done. The review resulted in us waiving off your remaining balance completely, and henceforth your agreement has been closed and no further financial obligation exists from your end. We won't be providing a refund as there's no provision in the agreement for repayment for services that have been delivered.

While we understand your dissatisfaction, we appreciate your feedback which is integral to our continuous process of improvement. We appreciate the opportunity to assist you in your journey. We remain committed to supporting veterans, so should you have any further questions, please let us know.

I am rejecting this response because: first of all it was NOT an appeal! It was my initial claim. Trajector turned me down when I asked to appeal saying that they didnt do that. Second as per my current attorney who is actually helping with my appeal and is not taking more the the required 20% of back pay as per federal law informed me that Trajector missed half of what was in my medical records! Half!! They literally did the least they could do then charged 100% of my back pay. Federal law states that no business assisting veterans is entitled to more than 20% of our back pay! This law is in place to protect us from companies like Trajector. Trajector is claiming that since they are not affiliated with the VA or are operating in some grey area they do not have to abide by this federal law and can charge as much as they want all under the banner of helping and assisting veterans knowingly praying on our ignorance. It was truly my fault for trusting them and not doing my research. But for them to KNOWINGLY over charge using my ignorance of the system against me then blatantly refusing to refund my over payment when

daily multiple times a day before I even got my check. I asked if they were going to help with an appeal to raise my rating and they turned their back on me saying they didnt do that, and when I confronted them with the law they canceled my last payment immediately then blatantly ignored me when I asked for my over payment back. They say the owner is a Veteran. They claim they care about our service. These are all lies so they can capitalize off of our injuries with false claims and playing a system. Its beyond disgusting and I want my over payment back. They are operating unlawfully playing some grey area because no one can enforce the law on them and its going to cost me more to fight for my money than the $2600 they owe me in OVERPAYMENT and they know it! Literally gross.

Business Response

Date: 06/04/2026

Dear Mr. [redacted] you for sharing your feedback. We fully comprehend your continued dissatisfaction and regret that our prior correspondence hasn't addressed your concerns to your satisfaction.

We want to once again communicate, in line with our previous response, our firm conviction that Trajector Medical has fulfilled all its obligations to you as outlined in our agreement. We provide medical evidence services to veterans seeking VA disability benefits, a function that is firmly enshrined and protected by federal law.

Trajector Medical operates within the legal framework set by federal statutes and regulations, providing medical evidence consultation to veterans. Among the authorities we rely on are:

- 38 U.S.C. 5107(b): This mandates the VA to consider all medical evidence on record, irrespective of the source,
- 38 U.S.C. 5125: This obligates the VA to accept medical documents from private healthcare professionals,
- 38 C.F.R. 3.159(a)(1): This necessitates that the VA consider the education, experience, and training of healthcare professionals when deciding the weight to assign to medical evidence given by that professional,
- 38 U.S.C. 5101(d)(1)(A): This requires the VA to make Disability Benefits Questionnaire forms available on its public websites so private medical practitioners can use them.

These regulations clearly state that veterans are not solely dependent on VA or military records, but have the right to support their claims with private medical evidence. You entered a contract with Trajector Medical for us to develop this medical evidence for you. These services were duly provided and you made use of the evidence we developed to support your VA disability claim. Consequently, your disability rating increased. We believe we duly delivered the services set out in our agreement, and we received payment for these services.

To conclude, your account currently stands without issues and the services promised were delivered in full, as agreed. In our view, all issues related to this matter have been adequately addressed and we consider it resolved.

I called Trajectory because I didn't know how to file with the VA on my own and was concerned about if the separation bonus I had received (52K) in 1995 would prevent me from receiving disability benefits. I was told by [redacted] that it would not. He told me I would owe Trajectory the first 5 months' worth of the settlement, if any. I email him the form showing the bonus I received as well as emailing it to Charizzeanne [redacted], the second [redacted] I talked to. I did everything I was told to do, went to all the appointments and filed all the paperwork. The [redacted] gave me 10% disability. The [redacted] will keep the money and give $0.00 to me for the next 25 years to recoup the 52K I received for separation. The very thing [redacted] told me would not happen. As he stated, Trajectory would get the first 5 months of payment which in this case is $0.00 and not $902.10. I have never written the BBB before, but [redacted] (Jesbeth) was supposed to call this morning to discuss this did not. Instead, I receive a second invoice after only 2 days from receiving the first. I feel I was lied to from the first phone call and now am being blown off. If Mr. [redacted] didn't know if separation pay would be an issue, he should have said so or found out because that's why I called them in the first place.

As of January 27, 2026 I talked to [redacted] on the phone at around 8 AM. I requested her to cancel my account and all [redacted] that Trajector Medical is providing. I need to be able to file for SSI at my 62 year old birthday coming [redacted]. She stated that she will turn my account over to the cancellation department and they will contact me when it has been completed. As of to date, we have not received any information other than they will not cancel our agreement until [redacted] sends a letter stating that I am not approved for disability. I have sent Trajector Medical my last known contact with SSI requesting my secondary military unit after active service. I do not know that information. I have already told this to Trajector Medical and they have not given any advise to me to find or send this information. Now I need to file for my SSI at my 62nd birthday coming in [redacted] and SSI says they cannot give me any information because Trajector Medical is representing me in a disability request.

Hello Mr. [redacted] genuinely appreciate your constructive feedback, as it gives us the opportunity to grow and improve our service for all our clients. We have taken your comments on board and we understand that different aspects of the agreement structure may not have been to your complete satisfaction. It is important to mention that the transparency in our agreement is a top priority and that details regarding the fee structure and any other potential costs were provided in the contract shared with you at the beginning of our collaboration.

We believe in proactive communication, and our diligent client experience team has been making multiple attempts to engage in conversation with you through various channels such as emails, phone calls, and text messages, with the aim of providing more assistance and clarity. Although the dialogue we had with you didn't reach a resolution, it gave us valuable insights into your situation. The door is always open and our team remains available and ready to assist.

Regarding the ongoing processing with your VA disability claims, it's important to clarify that modifications to the account at this stage are not possible due to the pending status of your

We understand dealing with the VA disability claims process can be challenging, and we offer our full support in these times. Our commitment to assisting you remains strong and we are more than willing to provide any additional help related to your case once proceedings with the VA have been completed.

Concerning your query on representing you for SSI, unfortunately, this falls outside the scope of our services. As per the contract you reviewed, agreed to, and signed, we explicitly specified that we don't provide any legal representation services. Hence, we are not in a position to advocate on your behalf in any context, whether it be at the [redacted], SSI, or any other institution.

We always strive to serve our clients better and your feedback is instrumental in achieving that goal. Take care, and do not hesitate to reach out again if you have more inquiries.

I am rejecting this response because: There are no rejections from the [redacted] for disability. As a matter of fact, it has been stalled due to a request from [redacted] to get a discharge letter from EDD, not from my secondary military unit as I once believed. I am now working with [redacted] directly to get them the information they need as requested. If your service was doing a good job, this would have been given to me to proceed with the proper information [redacted] needed. This has been an on going issue since the start of your service. Not getting me lined up to give [redacted] the information they needed. And the only reason I found out what they needed is because I talked directly to [redacted]. As far as I feel, you are not providing any service worthy of your payment. If you did you would have made sure I was giving the information that [redacted] needed. If you want to fix this problem, get the information [redacted] needs and get me that information or get it yourself if possible. Either way, I do not feel your services have been good enough to receive payment as required.

In reference to your recent communication, we aim to clarify our position. While we strive to provide a broad spectrum of services, representation for SSI isn't one we're able to offer currently. Our services are outlined with precision within our contract agreement, clarifying that legal representation is not within our purview. Regrettably, this means we aren't equipped to step in as advocates before institutions such as the VA or SSI.

We also feel it's important to emphasize that additional communication on our behalf is out of our scope. Specifically, any dealings with entities concerning your SSI is not a task we car undertake.

We believe in investing time and effort into possibilities that serve both parties well. Our comprehensive review has led us to a point where we feel a mutual decision to part ways serves the interest of both parties. This conclusion considers the various services we have provided and reflects our wish to maintain a mutually beneficial relationship. Considering the various dialogues we've shared, we believe we've deliberated all available paths. While we empathize with the complexities of your circumstances, there remains a gap between your needs and our core offerings. Thus, it seems most fitting at this point to cease our professional arrangement, in line with our previous discussions.

To maintain clarity, do note that with your account status as closed, we won't be in a positior to provide further assistance or engage in additional communications. We value your understanding in this matter and wish you luck with your future endeavors.

Dear [redacted],
This is to acknowledge your feedback about our services and your overall journey with us. It's invaluable and drives our effort to make our services more accessible and productive.
We want to clarify that our role focuses on assisting you with the disabilities you wish to pursue with the VA. However, it should be noted that we aren't entitled to submit, handle, or file disability claims on your behalf.
Furthermore, our assistance doesn't extend to disabilities denied previously by the VA, requiring appeal processes beyond our offerings. We are absolutely committed to delivering the finest support to the claims within our scope responsibly, maintaining all laws and regulations.
Reflecting upon our records, it seems that the unfavorable outcomes surfaced post our involvement, not prior. Such outcomes may be disheartening, and we genuinely empathize. However, the predicted results of your submissions are beyond our control. We made sure this was clearly outlined in the contract you agreed to at the onset of our services.
In response to your feedback, It's our belief that we have endeavored to exercise every possible measure to ensure a swift and satisfactory conclusion on our part. Rest assured that all the required actions on your account closure have been swiftly undertaken. Dear [redacted],

Hearing about your recent experience with our services caught our attention and we value the time you took to share your feedback. We acknowledge that situations like this often stir a range of sentiments and want to assure you that we've been attentive to every detail.

Allow us to clarify that we employ a variety of communication avenues, including SMS, emails and phone calls via our electronic phone system. At no point do we utilize a "ringless voicemail system". We assure you this holds true for all our operations, maintaining transparency and consistency in our interaction methods.

As stated, the scheduling of any appointments or examinations related to your VA submissions falls under the purview of the [redacted] and linked third-party companies. Our service does not encompass this aspect, focusing primarily on advocating for you.

Our client experience team reached out to engage with you on these matters. We include this step in our processes so we can handle your experience firsthand and most importantly, to ensure we are aligned with you in our understanding of the situation. It was positive to know they successfully connected with you and had the opportunity to talk through all details at play.

This company somehow thinks they helped my uncle get an increase in his service connected disability. He lives in a veterans home. I have been his medical and financial [redacted] for ten years. I and the facility assisted with this process but suddenly he was getting text messages requesting payment for $3200. He is on medical assistance. He doesnt even have that kind of money. His increase went straight to the VA facility. I called and they refused to speak with me. Had no record of me despite me being listed in all his medical records as [redacted] so what records did they have? I told them he has a brain injury and not sure how they would have even gotten his info without my consent. I asked how I could get the [redacted] to them and they were supposed to send me an email to upload but never did. Total scam trying to rip off veterans.

Last year I filed a claim for service connected disabilities. As of this date, the claim has been somewhat approved. I say "somewhat" because I only received a 10% disability rating. During the course of filing, with Trajector under the impression that the company would not only boost my rating to a higher percentage but also move my claim along at a faster pace. Neither of which happened. Services rendered by the company was relegated to merely calling me several times to see how my case was moving along. I was under the impression that they were going to contact the VA for me to handle all of that. Not sure where the company derived that $900 fee from but I feel it's excessive. Especially in light of the low rating i received along with the minimal amount of money I will be receiving. The medical disabilities that I filed for amounted to 12. I received payment for only ONE disability out of that 12. Obviously, Trajector didn't help me much at all.

Dear Mr. [redacted] genuinely value your thoughts shared with us. We believe that real improvements stem from such open channels of communication, and were committed to continuous growth and enhancement.

We understand how crucial it is for our clients to fully comprehend our fee structure and other contractual terms. This is why we always strive to maintain utmost transparency from the outset. Ensuring that these elements are not only clear but agreed upon prior to establishing any services remains a priority to us.

We also deeply care about every client and their experience with us. In line with this, we've invested considerable effort in reaching out to you through multiple communication methods. Our goal here was simple to facilitate better understanding and [redacted] open dialogue.

As an entity that specializes in crafting support documentation for disability claims, our objective is to augment the empowerment of our clients during the claim process. That said, it's important to keep in mind that certain aspects such as increasing disability ratings or affecting the VA processing speed are simply beyond our control.

Taking everything into account, we've decided that the best way forward involves updating your invoice and continuing from this point. By doing so, we aim to optimize our resources towards aiding other clients and effectively utilize our time in providing superior service.

I continue to stand on the fact that Trajector failed to give me the service that they are charging me for. In essence, I am NOT getting what they want me to pay for. Once again, I was only able to obtain a low 10% rating. And that rating was approved without any assistance from Trajector. Therefore, as of this date, I am NOT satisfied with the "work" Trajector has done on my behalf. Which is LITTLE to NONE. If you cannot assist me in eliminating this problem with this company then I would like for you to suggest other avenues I could explore to alleviate this problem. Thank you

Hello Mr. [redacted] you for taking the time to share your feedback. We appreciate the opportunity to respond and provide clarity.

Our service structure, including pricing and applicable terms, is fully outlined in the agreement that was provided, reviewed, and acknowledged prior to any services being performed. That agreement explains how fees are assessed and includes a detailed breakdown of potential costs. Our records confirm the agreement was reviewed and signed before work began.

We made multiple attempts to connect with you regarding your account and invoice through phone calls, emails, and text messages, with the intent of offering assistance and ensuring alignment. Unfortunately, we were unable to establish contact during that time.

With respect to our services, our role is to assist by compiling and preparing supporting medical documentation for disability claims. While we bring experience and guidance to this process, outcomes and processing timelines are determined exclusively by the VA. We do not represent that results or processing speed can be influenced by our services.

Regarding our most recent communication, we want to clarify that the reference to moving forward related to the administrative update of your invoice and the subsequent closeout of your account. After careful review, we have completed that update and initiated the account closeout process. This decision was made thoughtfully and allows our team to focus our time and resources on supporting clients who are actively engaging with us.

This message serves as our final communication regarding this matter.

As a retired Army officer, Trajector Medical ("TM") was contracted to assist in my submission of a Veterans' Administration (hereafter called "VA") claim for disability. Upon submitting TM's generated claim documents in April, 2025, the [redacted] awarded me 10% disability in July, 2025. The monthly VA disability pay was $175.51. My TM contract stipulated that I was to pay TM 5 times the award amount, which should be a one-time payment of $877.55. I sent an email to TM requesting that I be invoiced for $877.55. I later decided to challenge the VA finding of 10% disability - on my own & without any aid / assistance / advice from TM - and submitted 2 VA requests (1 on-line form and 1 hardcopy form) after Trajector Medical's involvement was completed. The VA evaluated my re-submissions; in late 2025, I was awarded a disability rating of 50% first & then 60%. After this, I started receiving multiple [redacted] calls from TM informing me that, since I was now rated at 60% disability (which would qualify me for $1,396 in monthly VA disability), I now owed Trajector Medical 5 times that NEW amount, or $6,980. I learned, through a recent investigation of Trajector Medical, by [redacted] ([redacted]), that Trajector Medical uses my provided personal [redacted] ID - via electronic entities called "CallBots" - to query the VA & identify any increases to a servicemember's VA rating...then invoice them AGAIN for 5 times any increase. In fact, I received an email from TM stating (and I quote) "This invoice is for your most recent decision only. If additional benefit increases are awarded, you may receive additional invoices." I object to (1) TM's attempt to collect more than what they were contracted to initially receive, (2) use my personal information to contact the VA, then (3) attempt to collect additional monies for VA decisions they did not influence...ad infinitum. I didn't agree to a lifelong series of payments & should only pay the original $877.55 due, and nothing else.

I am a veteran who hired Trajector Medical in 2023 to help with a VA disability claim. I learned today that Trajector is not accredited by the Department of Veterans Affairs ([redacted])I also learned unaccredited claims predators are not allowed to charge veterans to help process their initial claims They built a full medical evidence package for my case.They then typed all of the information into the VA claim forms themselves and presented the completed forms to me only for review, not for data entry.I reviewed what they had already entered and then submitted the completed claim through the VA disability page. After [redacted] granted my initial claim, Trajector charged me a lump-sum fee of $8,315.30 for this work.Trajectors fine print says they are not accredited to prepare VA claims and that I must physically enter my information onto VA forms. However, they filled in the forms and typed the information themselves, built the entire claim packet, and simply had me review and click submit. This directly contradicts the way they try to describe their services to regulators and in other BBB responses, where they claim they only develop medical evidence and never complete or file VA forms.They functioned as a unaccredited representative, preparing my initial VA claim and then charging me $8,300 for it, contrary to VA guidance.Requested resolution:A full refund of the $8,315.30 fee, or at minimum a substantial refund based on the fact that this was an initial claim and they are not VA-accredited to provide this service.I am able to provide comprehensive evidence as needed.

Hello [redacted],

Thank you for taking the time to share your experience with the BBB, as it offers us a valuable opportunity to clarify.

The VA accreditation rules you cited are important. They apply to entities that can legally represent a client with the VA such as lawyers who can charge for services with VA claims. As a private company, we specialize in creating and providing medical documentation for your disabilities. We don't create or submit VA claims on behalf of our clients. This is why we are authorized to charge for our services.

With regard to your refund request, we're limited by several factors:
-Your account was concluded on 3/19/2024, so there's no ongoing business relationship

-Our records indicate that you experienced an increase in disability benefits after using our services
-The foundation for your refund request doesn't meet our refund policy criteria

As per the indicated timeline and evidence, we maintain that our obligations were met and your service extended its benefits. As such, we're concluding our interactions regarding this matter.

My name is [redacted] and for over two years, I have been POWER OF ATTORNEY for my husband, [redacted] L [redacted]. [redacted] and I filed his VA claim in 2023 and was told by the [redacted] to refile in 2024, which we did. With the help of a friend, [redacted], without my knowledge and advice, filled out a service agreement with Trajector not knowing (due to cognitive issues) the legal implications that might be attached to signing such a document. During phone calls with [redacted], the representative of Trajector should have been able to pick up on his issues. Also, the contract is horrendous, awarding Trajector for services which are entirely free through the VA. We filed the claim, not Trajector, and that was done before [redacted] was put in touch with Trajector. I have seen that he gets to his appointments, of which the VA notifies us directly. Everything that we have done has been done directly with the VA. Also, I understand from my research that Trajector is unaccredited by the VA. [redacted] gets $136.00 a month disability from the [redacted]. Trajector needs to leave this 82-year-old Veteran alone.

We received a letter today (12/19/2025) from the BBB dated 12/15/2025. The letter states that a response needed to be made within five days of the date of the letter. When I went in to respond, I find that the complaint was invalid for lack of response. This is confusing as I as Power of Attorney for [redacted] had no time to respond to your letter. Do I need to refile the complaint? Or do I just need to respond to your letter asking for a resolution. My resolution to the original complaint would be for Trajector to withdraw any agreement which may have been signed by [redacted] due to diminished capacity. Further, there should be no contact with [redacted] by Trajector. [redacted] D. [redacted]

Im a U.S. Veteran seeking compensation for war injuries. I was referred to this company and spent over 6 months going through the process of filing and waiting to receive my compensation, only to learn that this company never filed any information on my behalf to receive compensation. Over 6 months of calls and collecting data. The [redacted] informed me that this company is scamming US Veterans out of their entitled total compensation for charging (large sums $$$$) for a service that is free to all US Veterans. A U.S. Veteran should never have to pay anyone for receiving their entitled compensation for serving their country. After letting Trajectory know that I was informed by [redacted] that nothing was on file for me to receive compensation, this company dropped me and closed out my files. They scammed me, used over 6months of my time with numerous calls, and have all my private, essential information. Now Im receiving alerts that my information is being misused and I feel this company is the blame. Scamming the ones that serve our country and doing it intentionally, shameful. Trajectory (CEO: [redacted]) took advantage of me when I was at my lowest. Please stop this disservice to people that have served this country with great honor.

The VA Department also informed me that no U.S. Veteran should ever have to pay anyone for their entitled compensation for serving their country. This company has cause me so much mental anguish that I became homeless and no longer can work.

You have brought this complaint against Trajector Disability. We are a Utah firm that helps individuals seeking Social Security disability. That is our SOLE area of practice.
At no time have you ever been a client of Trajector Disability. We have never contacted you, and until today, did not know your name or any of your contact information. You are mistaking us for someone else you may have done business with.
We respectfully ask that you direct your questions and concerns towards the correct company. You are not, and have never been, a client of ours.

Originally i just wanted to see if i could get health care thru the Va. So i worked with my local senior center, they had a one day meeting with an [redacted] person which ended up with a second meeting. So from him i was told i would be hearing from the Va. A couple of months went by an nothing so i was lookin around at different options when i came across Trajector. So i called an spoke with A person Named [redacted] on aug.13 2025. I asked alot of questions, one of which was does this service cost me anything, i was told if any cost it would be covered by the Va. I stressed the point that i did not need any more bills, an just was interested in getting health coverage. While speaking with them i asked where the location was, my answer was the [redacted], at that point i was ready to hang up, but he say no we are world wide. Botton line is they assigned a person for me and would leave a text message on my phone when i sure call this person, by the name of RubyJane. That should have been another flag strange name an she was never there to take my return calls. At this point i quit returning any calls, mean while the service i originally got counseled for before trajector sent me a Va. letter for eligable health care. Then I recieved a bill from Trajector for $877 an some

change. I looked online at BBB I guess a little late but found 58 complaints for this company. They spent very little time with me an i know not $877 worth of time. Just would like them to go away if possible.

Dear Mr. [redacted] sincerely value your feedback and want to acknowledge your thoughts shared on your experience.

In relation to your invoice, our contract did make it clear that services would only be billed under specific circumstances, i.e., when our assistance leads to an increase in benefits. It also highlighted that there would be no charge if there was no resulting award. These particulars were communicated upfront, prior to commencing any service-based activity.

Going by our records, the enhancement to your benefits aligns with the supporting materials we prepared. This build-up gives us confidence that the invoiced amount is attributable to the services provided.

Recognizing the crucial role of swift resolution, we have initiated a comprehensive review of your account and the related invoice. We've subsequently updated your invoice following this detailed assessment, which has led to the closing out of your account.

We felt sure that our initial invoice accurately reflected our service. But as we believe in investing our time to ensure high customer satisfaction, we've chosen to revise the invoice before concluding your account.

While your journey with us has come to a close, we hope this action demonstrates our dedication to fortifying the trust and satisfaction of our clients.

This company has made false claims that they could guarantee if I had them file for my VA claim for disability they could get me 50% or more. I finally got my claim back and it is only 10%. In there contract it states that when I get my award letter I owe them $3,800. Ummm that is a little steep for only getting $175 a month and the rating is not 50 it 10. They keep calling me and I told them that to stop calling because they are taking advantage of a veteran and when I talked to a VA [redacted] on the phone they stated that what they have done to me was illegal and they are pursuing avenues to investigate the fraud they are

committing to veterans stating that they can guarantee 50% but they cannot legally state that as it is fraud.

Complaint: **24182613**

I am rejecting this response because:

This is a generated generic response to the issue with trying to bill me for services not rendered in regards to the help and guaranteed 100 % approval response to VA benefits. I was completely denied all benefits and have found another company to go with because of recent reviews of trajectory medicals deceitful practices and taking advantage of veterans in general and the VA has put a hold on all future trajector medical helped veterans initial and future correspondence with them. If the VA finds out that Veterans are getting help from TM they will pursue legal avenues to stop them from doing so. I also was

told by VA legal that if TM does not stop and desist all correspondence I was to tell them and they will take care of this on my behalf on their end.

Hello Mr. [redacted]

Your thoughts and reflections about the service we provided are extremely valuable to us. We appreciate you taking the time to express them, as they provide us the opportunity to refine our approach and ensure our clients' satisfaction.

When you engaged with our services, it was clarified in the contract that our fees only apply when our work results in an increased benefit to our clients. This method of fee application was transparently shared and mutually agreed upon prior to initiating services. Reviewing our records, its indicated that your benefits augmented, in part due to the supportive documentation our team provided, which hence triggered the creation of your invoice.

Recognizing the importance of your feedback, we have moved forward with a thorough examination of your account status and the specifics of your invoice. This in-depth review included a meticulous analysis of all the interactions, documented agreements, and services rendered to you.

Upon the completion of this comprehensive review, a few changes have been introduced to your invoice. Additionally, we've completed the procedure of finalizing your account closure, respecting your decision to discontinue our services.

Despite our conviction about the accuracy of the initial invoice, your perspective has led us to undertake these actions. It is essential for us to emphasize that these steps were taken in good faith, with the aim to end this chapter on amiable terms.

I began to use this organization to start a disability claim. [redacted] attempted to file a disability claim stating issues that I had no complaints about. They continued to seek disability off of lies. I called them to fire them. They stated they understood. After I began seeking disability on my own through VA. Complaint Against: Trajector Medical Summary of Complaint: Trajector Medical contacted us in April [redacted] disability rating. We agreed to their services, and by September 2025 his rating was increased from 20% to 50%. Trajector Medical billed us $3,775.45 (five times the monthly increase of $756), which we paid in full in September. After that payment, we received no communication until November 18, 2025. In the meantime, I independently pursued the VA process, scheduled several exams, added a spouse as a dependent, and successfully obtained an additional increase to 60% without any assistance from Trajector Medical. Trajector Medical is now requesting documentation of the updated rating and payment history in order to bill us an additional $2,109.00 (five times the new monthly increase of $421.87). I strongly dispute this charge. The additional increase was achieved solely through my own efforts, and Trajector Medical provided no services or support toward this outcome. Desired Resolution: I request that Trajector Medical close our account and consider the $3,775.45 already paid in September as full and final payment for services rendered. No further charges should be assessed, as the subsequent increase was obtained without their involvement. Supporting Details: - Initial engagement: April

2025 - Disability rating increase to 50%: September 2025 - Invoice paid: $3,775.45 in September 2025 - Independent increase to 60%: Achieved through my own efforts, finalized after September 2025 - Seeking additional information for more invoicing

I engaged Trajector Medical to assist with a VA disability claim. After an initial phone conversation, I received from them basically a transcript of what I had described to them. After that, they made multiple appointments to discuss, evaluate and develop evidence. None of which ever took place, they failed to follow up. Never did they develop any evidence or review my medical records. Out of the blue I received an email congratulating me on my claim approval and sending me an invoice for $17,076.75! The information provided demonstrates they access my VA account information without my knowledge or consent. I completed the process on my own with basically no help from them. This company is supposed to assist veterans in obtaining VA benefits. I filled out paperwork to work them and never heard from them again. Over 7 years later after I got awarded benefits after working with an attorney, they billed me over $3200. There were no claims submitted from them they can't even provide paperwork of submitting anything for me. They asked for my decision letter on which it stated who recovered the benefits for me. I submitted it and asked for confirmation that I no longer owe them any funds and they refuse to provide proof of that. They continue to send me these bills. They are not professional or effective and should not be allowed to trick other veterans that are just trying to get what is owed to them.

Trajector Medical has been harassing me with phone calls and emails. I have asked them to stop contacting me! They charged me and VA told me that they cannot by law charge veterans for initial claims. Anyway, I asked them to discontinue any and all contact. Destroy and delete any PHI and PII. They continued the contact. I later received a bill and they kept harassing me with the annoying phone calls, voice messages, emails, etc although I quoted the [redacted] S. Code that specifically states they cannot charge.. I finally decided to just pay them because it was very stressful and was afraid that not paying would affect my credit and could possibly lose my job. I have a zero balance and would like them to stop all contact with me by emails, text, mail, etc and to delete and properly destroy all PII and PHI. I do not want any other contact with this company. It is bad for veterans. I am asking them again to STOP! They did nothing to help with my rating.

Dear [redacted],

Allow me to extend our sincere gratitude for sharing your valuable thoughts regarding your experience with us. We firmly believe that open and honest communication forms the bedrock of successful relationships, and appreciate you entrusting us with your views.

We understand that there has been some confusion regarding the nature of the services we

provide. We are a dedicated team proficient in creating comprehensive supporting documentation that aid our clients in their disability claims. Please note, as a non-VA affiliated entity, we do not perform tasks directly related to preparing, presenting, or prosecuting VA claims. Such roles are exclusively for [redacted]-accredited representatives, who undergo defined training programs and meet specific standards of expertise.

In the spirit of ensuring your satisfaction, we have thoroughly reviewed your case after receiving your feedback. Following this diligent review process, changes were made in line with our objective of reconciling any perceived discrepancies. While we have always been confident in the legitimacy of our initial invoice based off our rendered services, we are equally respectful of your views and understand the paramount importance customer satisfaction holds for us.

We've now confirmed the closure of your account. Please be assured, your feedback is not just appreciated but is held in high regard as it provides us with a unique perspective. I paid $5,510.20 for the initial service once I was approved for a 50% rating. Their fee doesn't reflect the amount of work they did for me. After I reached the 50% rating and paid the initial invoice, the representative who called me told me that I wouldn't have to pay them anymore after that. They took the initial medical information from me and filed an application on my behalf. I personally had to file another application to appeal everything that was denied because they stopped communicating after I paid the first invoice. So I was shocked when I received another invoice congratulating me on my increase and charging me $6,654.25 more! This is in direct violation of federal law, which states that the charges can not exceed $9,200 for this type of service regarding disability. Then there is the fact that they gave me no assistance in getting the additional percentage, so they are asking for payment for doing no work. Veterans beware, this company is not VA-accredited, and the [redacted] says to stay away from them because they are claim predators, and I am experiencing that firsthand.

We would like to address the points you've brought up about your invoice. When we came together to form a partnership, you were given an overview of our fee structure relating to the disabilities support services we provide. This structure was presented clearly and in a detailed manner, with the understanding that certain costs may come into effect contingent on any benefits awarded through our collective efforts. With regards to the recent increase in your benefits, it appears that this might be directly connected to the strategic effort put into preparing the extensive supporting materials on your behalf.

In the event you possess any paperwork or evidence suggesting a different perspective, we are more than willing to reopen the matter for discussion. Please feel free to present this information to us at your earliest convenience. We are committed to thoroughly understanding all aspects of your experience, and believe that remaining open to discussion and providing transparent information is fundamental to maintaining a fruitful relationship.

Concerning the status of your account with us, it will remain active and we will continue to maintain open lines of dialogue. This decision is primarily due to the active invoice associated with your account which we believe can be successfully addressed through mutual communication.

We're eager for the opportunity to continue working together to address any lingering queries or concerns, and to [redacted] an enduring and mutually beneficial relationship. Thank you again for your feedback, and we're looking forward to move ahead in an ever-improving fashion.

I am writing this for my husband who is unable to do so. . It involves [redacted] thinking Trajectory was a VSO and free and him giving them all the information on himself for them to fight for a claim, He was a 0 but we were fighting some and have won some that they want money for. At the time of talking with them [redacted] who has medical problems and was just beginning the fight with throat cancer with 5 radiations a week and chemo was telling them about himself. I am being his medical power of attorney and wife asked him to talk some other time. I hope what I wrote below is what shows up, not this. [redacted] talked to them thinking them a VSO, As I put below with everything [redacted] was going though, they should of hung up and said we will talk some other time. But after reading about them, I see why they did not. [redacted] has won one rating at 20 percent that I fought for in 2024. I re fought it and they are sending us an invoice for it. They knew before we knew he won it. That make me very uneasy. He has since won more, and they are calling so much. They never quit calling even when I told them he was in the

hospital very sick during his fight. Even when i called them and said his mom died please do not call we are heading to [redacted] they called and emailed. They will not talk to me unless it is convenient. [redacted] has put in I think 4 forms to talk to me to them to and they come back saying he did not fill out the forms their analysist said. They charge an enormous fee 5 times what you get. I did not realize that [redacted] had signed anything with them for a bit. He should never have done that. He said they asked him questions and told him to sign. Also,,a neighbor was over here being with [redacted] so I could run errands, and he said he was listening to them prompt [redacted] into saying yes to everything. . They are trying to get pay on something that was denied I fought in 2024 and fighting it won in 2025. The are ruthless, I tried below to write most of what happened.

I was called in January by trajector medical. I explained to them I just got an increase. They asked all kinds of questions , Im 64. Of coarse I have problems with my body. They got a nurse on the line and asked me all kinds of questions. I got very uncomfortable because they pretty much asking about every body part. I stopped them and told them. I didnt want to continue with them. I had surgery on May 27, 2025. My vso put in the paper work to assist with claim from surgery. I am temporarily at 100% disability. They stated that I owe them almost $9,000 . For one thing its temporary while healing. Another thing they were asked not to continue anything with me as again I felt uncomfortable and forced to continue with their services cause after I said NO several times. They are calling me twice a day if not more wanting money. They didnt put in any paperwork for my surgery. They didnt even know about it. This company is harassing and trying to take advantage of the people who served. I wont give them information. By the way I only got $1800 more a month more and they are wanting almost $9000

The business created contract in which they were to contact you before all appointments. Assist in helping you complete the required steps in seeking help with VA. They have predatory practices they help you fill out paper work never call again. I went to three appointments and they never called once. When I called they said sorry and wanted payment for a job they never did. They are in breach of there contract and demanding money. I advise them to never call again because the lady demanding money was rude. I called to to pay them thats the only reason they said sorry. I find it odd they breach there contract but are still taking money out my account for a service they did not provide. The

Governor of the State of Florida before I joined or was aware of Trajectory advised against taking advantage of Veterans as this company is currently doing. They help you fill out paper and leave you until you get a percentage then come back and demand money for services never received this needs to be stopped.

I used Trajector Medicals services to assist with my VA claim. Their evidence helped increase my claim, which I was then charged for their services and paid the bill due. A year later, an appeal that I initiated, completed evidence for, and solely completed on my own was successful and increased my rating which then Trajcetor sent me a new bill for services that they did not render. I have since received nonstop phone calls and emails even after providing them evidence that they were not involved with this new appeal. I have talked to multiple representatives, emailed them, and taken the necessary steps to show that our interaction was complete over a year prior only to be left with an outstanding bill and continued harassment.

I am writing to file a complaint against Trajector Medical (also known as Vet and related entities). Trajector Medical offered to assist me by gathering information and preparing an evidence packet for my VA claim. I spoke with them by phone two or three times and provided information about my claim. They then submitted a packet to the on my behalf after having me sign a contract agreeing to pay them five times the monthly payout based on the rating awarded. I feel they misrepresented who they were when we first spoke. The packet they submitted contained incorrect information, and several of the claims were denied. For example, they submitted a claim for sleep apnea when my issue has always been insomnia. When I tried to contact them for guidance afterward, I initially received no response. Emails I found were sent to me as no-reply emails. About a week later, they called once while I was at work, even though they were aware I am unable to take calls during work hours. Since then, I have moved forward with my claim independently with support from the VA and local resources. However, I am now receiving nonstop calls (mostly during work hours) and even an emailed bill for over /$11,000. I have since learned that Trajector Medical is not accredited by the VA to represent veterans. They are not attorneys, accredited agents, or VA-recognized . To my understanding, under 38 CFR , it is illegal for an unaccredited organization to charge fees for preparing, presenting, or prosecuting a claim before the VA. Their practice targets veterans who may not know these rules, creating large and unfair financial demands. I respectfully request that your office investigate their practices. I am asking that they stop billing me and stop contacting me for an unfinished and mismanaged job. If this issue is not resolved, I will also submit a formal complaint to the Office of General Counsel.

Dear ,

Firstly, allow us to extend gratitude for taking the time to provide us with vital feedback on your experience. Here at our organization, we undoubtedly value your input, and it's through interactions like yours that we continuously refine our services to cater to the unique needs of our resolute clients.

Our primary service, as clearly specified in our agreement, revolves around the preparation of supporting documentation for disabilities you are intending to claim for. As we continually work to communicate this to all our clients, we are not VA-accredited representatives and consequently, we are not authorized to submit disability paperwork to the on you behalf. This task, as defined by specific training standards, remains within the scope of -accredited representatives, including attorneys, claims agents, and Veterans (VSO) representatives.

As non-accredited professionals, our extensive expertise and commitment lie in generating accurate and comprehensive supporting documents for your disabilities. Our full suite of services is outlined in the agreement you previously acknowledged and signed, and our transparency in delivering these services remains a key characteristic of our operations.

In regards to your invoice, we want to ensure that you feel empowered and informed throughout every step of our service process. Upon the signing of our agreement, you recognized and agreed to our explicitly stated fee structure associated with the support we provide towards the disabilities you intend to claim for. These criteria, as always, were shared upfront to maintain clear and open communication.

From our records, there is a visible connection between your increased benefits and the materials we diligently prepared. However, we are open and eager to review additional data or documents you wish to share that might provide further insights into this matter.

As we continue to aim for client satisfaction, we want you to know that your account remains active, and our dedicated team is committed to maintaining open lines of communication with you, until all aspects linked to your account are efficiently resolved. Our continued interaction is a testament to our commitment towards understanding and meeting your needs.

Respectfully,

Response to Trajector Medicals Statement:
Thank you for your response. While I appreciate the acknowledgment of my concerns, I continue to dispute Trajector Medicals claim that I owe any payment for services rendered.
To clarify, I was led to believe that Trajector Medical (also referred to as Vet Comp & Pen) would assist with my VA disability claim in a manner similar to an accredited representative. At no point was it clearly communicated that this company is not VA-accredited, nor that they are legally prohibited from charging fees for the preparation, presentation, or prosecution of VA claims under 38 CFR 14.636.
I spoke with their staff only a few times, provided basic background information, and was told they would prepare an evidence packet. The materials they produced included incorrect and irrelevant information including conditions I did not claim (e.g., sleep apnea). I did not receive ongoing communication or guidance after that, and I ultimately sought assistance from my local [redacted]-accredited representative, who helped me correctly prepare and submit my claim.
My VA claim was adjudicated based on documentation prepared by the [redacted] and my accredited representative, not by Trajector Medical. I have reviewed my VA decision in full, and it does not indicate that Trajectors materials were used in determining my rating.
Despite this, I continue to receive calls during my work hours (despite previously stating I am unavailable by phone), and I have received a bill exceeding $11,000. This is both unreasonable and unjustified.
I have now formally requested that all future communication be in writing only and that they cease phone contact.
I respectfully maintain that:

Trajector Medical misrepresented their role and failed to clarify their lack of VA accreditation.
They did not contribute to the favorable portions of my claim outcome.
They should not be billing veterans for claim preparation, as this violates VA regulations.
I request that the BBB continue to review this case and ensure that Trajector Medical stops contacting or billing me for services I neither authorized in full nor benefitted from.
Respectfully,
[redacted]

They gave me information to send to the VA for disability and misrepresented the information that was given to them. When I received the rating of 10% they immediately wanted $800 and offered no help with the other issues that were denied that they stated they would help with as well. Now they will not quit calling demanding money when they do not want to help with the rest of the process. When I told VA my story with them they asked that I make a complaint.Very [redacted] trying to take money from veterans that are already in financially poor condition.

Dear Mr. [redacted] you for sharing your viewpoint on our services. We have received your recent feedback, and we value your thoughts greatly. We understand the importance of clear and open communication and respect your perspectives.

To address your comments on the invoice, wed like to remind you that our fee only applies when our efforts yield an increase in benefits; it is never charged in the absence of an award. We initiate services after affirming detailed terms outlined in the agreement, including our fee structure. We welcome any new information that you would be willing to present to us in this respect.

Additionally, the parameters of assistance provided, such as not extending support for appeal claims, were explicitly shared within the signed agreement. This does not diminish the value of services that have already benefitted you.

Please know that we are committed to promptly prioritize and realize resolutions. We have tried to establish contact multiple times via call, text, and emails without much fortune. We believe open dialogue will provide opportunities to address your thoughts in a more

personalized manner.

We encourage you to return our calls when convenient to you so that we can constructively discuss and make progress. Were eagerly looking forward to hearing from you.

They are relentless and will not quit calling or emailing me. I was told that they would provide help with my va claim even if I was denied they would help me throughout the process. I received a 10% va rating and was denied with a slew of claim that they made on my behalf. Basically, they threw everything against the wall hoping something would stick. When I told them that I had received the 10% rating they immediately asked for the 5x the monthly benefit, which is extremely predatory especially when I found out that this service if free to veterans. I asked for help with appealing the claim and they said we don't help with that. They stated that they would help me throughout the process and that was a complete lie. They made so many promises that were not true and I told them I would not pay them until they did what they stated they would do.
This company is under investigation for their predatory practices and have been under many different names as they are a company that is taking advantage of Veterans as it is illegal for them to make the claim or do the paperwork. That is why they send it to you to send so they are not liable. Very shady practice that I was unaware of how the process really worked.
I told VA about this, and they told me that it was completely illegal for them to do this. My communication with them is over, they can take me to court for the $800 and they will lose as they are already under investigation by the federal government. This will just help the justice [redacted] put an end to these predatory companies. The BBB should be trying to the same as Veterans are the reason will our freedom from this type of issues.
Sincerely,

Dear Mr. [redacted] appreciate your feedback and its essential for us to understand better our clients' experiences. It always contributes to our continuous growth, as we aim to provide premium service at all times.

In reexamining our initial contract, it was clearly explained that our fees apply only when our work leads to an increase in benefits. As per the agreed terms, no charges are applicable if no award is given. Based on our records, your benefits have indeed encountered an upturn that seems connected to the input we provided. These terms were well articulated upfront, establishing transparency prior to any service commencement.

Moving on to the aspect of appeal support for denied disabilities, it is crucial to note that it falls beyond our service scope, which was outlined in the same agreement. Although we may not be able to assist with appeals, the work we've already undertaken has successfully supported your current benefits increment.

We keenly operate within our capacity, which is centered on collating, organizing, and facilitating compelling medical evidence for clients' disability claims. However, it is [redacted] to reiterate that we do not undertake representation of clients nor submission of claims to the [redacted], as explicitly stated in our contract. We operate as a non-accredited organization focusing on our client's medical evidence requirements, not on [redacted] claims representation.

Our client experience team has been reaching out to you on numerous occasions through calls, emails, and text messages as part of our commitment to ensure the best possible resolution. We are genuinely interested in maintaining a constructive and progressive dialogue with you to facilitate the most favorable outcome. We understand the significant impact immediate actions can have and we've been dedicatedly working to enhance the situation.
In the interim, your account remains active with us as there is an ongoing invoice. We request that you return our call at your earliest convenience. We eagerly look forward to hearing from you and trust that through open dialogue, we can find a resolution.

Upon referral by a coworker, I contacted Trajector Medical to assist in increasing my VA rating from 0% to anything higher. I sent in any info they requested, I answered their medical questions, I attended the exams. Most of my claims were denied but I did receive an increase in rating to 20%. Trajector quickly sent an invoice for payment on August 12, 2025. I paid in full on August 14, 2025. I received an email receipt of my payment from Trajector and I have zero balance with them.But ever since, I continue to get phone calls, text messages, and email notifications from them, two to three times a week. I appreciate the service that they rendered, I promptly paid them in full on my end but I believe our professional relationship is ended. I am formally requesting my Trajector Medical account to be closed and there be no further contact.

This service is a scam which takes advantage of military veterans. They claim to be a full service disability claim assistance liaison for the veteran and the VA. They never looked at my medical records, which contains all the evidence to receive a rating. All they did was

copy and paste symptoms onto a form that I described, and send it to the VA. Upon my appointment I personally had to dig through my medical records and find dates of appointments and symptoms to actually back up my claim. Trajector Medical claims to assist veterans with [redacted] disability claims. When I submitted paperwork, the [redacted] informed me I already had claims on record and that Trajector is not authorized. A [redacted] representative advised me to discontinue my contract, stating they are “claim sharks” and only accredited [redacted] are authorized.

I reviewed Trajector’s paperwork and found spelling errors, inaccurate information, and unprofessional presentation. On March 16, 2025 at 05:07 AM, I submitted a “Request for Discontinuation” as outlined in the contract.

Despite cancelling, I was harassed with repeated spam calls and emails demanding money. I suffer from PTSD and anxiety, and this harassment has been extremely distressing for me and my family.

Trajector later sent fabricated invoices for $13,629.80 for services not properly provided. In reality, they only submitted poorly written, error-filled forms that could have been completed in minutes.

This company continues to harass me after cancellation, sending false bills and repeated calls. Their actions demonstrate a pattern of exploitation of veterans, intimidation, and fraudulent billing practices.

Dear [redacted],

Thank you for taking the time to share your experience and provide feedback. We always aim to deliver the highest quality service and your insights are crucial in that commitment.

To clarify our role, while we are deeply committed to assisting our clients, our service is not of a legal nature. We do not represent clients or submit claims to the [redacted]. We are a separate entity from the [redacted] and we do not facilitate communication on behalf of our clients with them. This was outlined in the initial agreement which you acknowledged before we commenced our services.

Preparation, presentation or any prosecution of [redacted] claims is strictly undertaken by [redacted]-accredited representatives such as attorneys, claims agents, or [redacted] ([redacted]) representatives. These individuals have fulfilled specific training criteria which we, as an unaccredited organization, do not provide. This was clearly delineated in the contract provided to you prior to the commencement of our services and was acknowledged by you.

In relation to your invoice, we wish to highlight that our fee structure was pre-discussed and acknowledged by you in the agreement. This fee is associated with the claims we support. Our assessment suggests that the increase in your benefits correlates with the materials we assisted in preparing. While we do not have any contrary indications, we are more than willing to review any material or information you would like to share with us on this matter.

For now, your account will stay active and ongoing communication will prevail to continue working towards a resolution for any matters on your account. We remain committed to keeping our communication lines open so we can navigate through this together. Our team is empowered to address every aspect of your experience, and we remain available to you until this matter reaches a satisfactory outcome

[To assist us in bringing this matter to a close, you must give us a reason why you are rejecting the response. If no reason is received your complaint will be closed Administratively Resolved]

Complaint: [redacted]

I am rejecting this response because:

Dear Trajector Medical,

Thank you for your response. Unfortunately, it did not address the issues I raised in my original [redacted] complaint. As outlined in our contract, I formally requested discontinuation of services, yet that has been consistently ignored.

It feels as though any communication with your company is met with a scripted reply rather than genuine consideration. The fees you insist upon do not reflect legitimate services rendered but instead resemble an attempt to pressure customers into payment.

At this point, it is clear that continuing this back-and-forth through the [redacted] will be unproductive. I now better understand why so many complaints remain unresolved—or are eventually closed simply because people realise it is a waste of time talking to a brick wall and give up. Meaningful resolution is impossible when the company refuses to engage with anything beyond collecting money.

I am filing this complaint due to Trajector Medicals ongoing billing attempts and unauthorized access to my VA disability rating information after I previously terminated my agreement with them weeks before any increase was awarded. My request to end the relationship and revoke their access was ignored, and they are trying to pressure me into a payment plan under misrepresented terms and a non-payment penalty fee. I have now formally re-terminated the agreement and am demanding written confirmation of its receipt, this time, from them, but they have yet to comply. I originally signed an agreement with Trajector Medical to help develop medical evidence for a VA disability claim. When I went to the [redacted] appointment, the [redacted] informed me that I would be denied (leg, foot, back) because the paperwork was written wrong by Trajector Medical. I contacted Trajector medical, from the parking lot that day, and informed them, that day, that I no longer wanted their services because they refused to understand my complaint insisting that the submitted documentation was correct and the [redacted] was wrong. The [redacted] was right, I was denied for that claim (leg, foot, back) just as the [redacted] said I would be but a week later I was approved for another issue (mental) by a different [redacted] told me they were cancelling on that day I spoke with them from the parking lot (before any increase or approvals were granted for mental) informing them of their mistake.

Trajector Medical contacted me around August [redacted] disability rating.They asked general questions over the phone about my health and what I had already received benefits for.I was contacted a couple months later and was "taught" how to answer questions at my C&P Exams.Communication was non existent until after I had completed my C&P exams and they called and emailed repeatedly leaving messages asking if I had received a rating yet and to call them [redacted] this point I realized that they must have impersonated me to the VA to find out this information because about 2 days after I found out about my rating increase, Trajector Medical began calling daily and multiple times a day asking if I received a rating. I have not spoken with Trajector Medical since last year I believe. They did nothing for me and sent me an email with an invoice totaling $7609.90 I refuse to pay a company that I NEVER signed a contract with nor gave any verbal authority to use my information to contact the Department of Veterans Affairs.

Hello Mr. [redacted] appreciate you taking the time to share your thoughts and contribute to our continuous improvement. We hold high regard for all feedback we receive.

In reference to your mentioned points about data use, our agreement assures the strict use of your information as a limited proxy for the sole purpose of accessing your military service details and benefits. Our Notice of Privacy Practices in the agreement you signec elucidates our uncompromised stance on information security.

Complaint: **23704373**

I am rejecting this response because:

I want to see all of the work that Trajector did that they believe is worth thousands of dollars from each veteran that turns to them. I had an initial phone call just to gather my basic information. The next phone call, that was clearly from a call center, was roughly 45mins to an hour that someone just asked does this hurt, do you have issues with this, could this be related to this? etc. All of this in very broken English. All of that information is apparently injected into a "master copy" to be sent to the [redacted]. After that, I received a phone call to "teach" me how to answer the physicians questions at my exams. Basically, "be honest and help them understand how it affects your daily life". I showed up to my first appointment embarrassed because I was under the assumption it was for my mental health but it was for my lower back injury. The [redacted] looked at me like I was crazy but that was what was gone over during my last phone call with Trajector.

I do not see how it is legal, moral, or ethical to copy and paste information from 1 document to another and then charge thousands of dollars because you supposedly did something. I am grateful that I have finally received the benefits I believe I have always deserved because I, unfortunately, earned it. I have to continue to live with the pain and suffering everyday and probably for the rest of my life. But to all of you I am just another check in the mail and another veteran duped by your silly claims that y'all "fought for me". I could imagine paying something for an appeal or to take opposition to what the [redacted] rated me but just to file a single report, I don't think so. As far as the contract is concerned, I do not feel as if Trajector held up their end of the deal with the help and support that I was told I would receive. That is why I do not agree with the payment amount.

Also, I have stayed in contact via email for the sole reason that I work for a living and also I want documentation because he said, she said apparently does not bode well. I truly do hope that Trajector Medical will honestly look in the mirror and see the wrong of their ways and do what is right and HELP our veterans instead of using us in a

scheme to make money from our injuries, pain, and suffering that we all deal with everyday.

Hello Mr. [redacted] role is to assist our clients by providing medical evidence to support their claims for various forms of disability benefits, to present during the course of litigation related to injuries, etc. As you acknowledged in your signed agreement, we do not represent clients before the [redacted] nor can we influence VA decisions. Our scope is limited to assisting in the provision of medical evidence based on your medical history, symptoms, and personal accounts, which are then submitted by you to the VA as part of your disability claim. The fee structure you agreed to is based on results: specifically, five times the monthly increase in your VA benefits, but only when there is a tangible, documented increase in compensation using medical evidence that we provided. This outcome-based model ensures our services are aligned with successful results for the veterans we serve. Your message references concerns about legality and ethics. Please rest assured that our model, agreements, and operations have been developed with legal review and adhere to all applicable standards governing medical documentation and billing practices. The terms of your agreement were presented in advance of services, and your signature acknowledges understanding and acceptance of those terms, including the fee arrangement. We do not prepare itemized invoices, as thats simply not how our fees are structured.

We also respectfully note that, as outlined in the agreement, you committed to keeping us informed of VA communications, including sharing any award letters or rating decision letters. This step is critical in verifying whether and how our services contributed to your outcome. While we stand behind the services provided and the value they contributed to the claim you submitted, we are committed to resolving this matter constructively. If you have documentation that contradicts our current understanding of your benefit increase or the timeline of events, we invite you to share it with us so we can reassess the fee in good faith. If the rating decision letter does not show that our evidence was used in awarding your increase, well cancel the invoice accordingly.

Again, we thank you for your service, and we are genuinely sorry that you feel let down by your experience. We hope to work with you toward an amicable resolution that respects both your perspective and the terms we agreed upon.

Respectfully,

Asking for to much money when they under delivered. The medical evidence they provided me was only for a mental health condition, in June 2025 i was awarded 70% for the mental condition in July 2025 they VA said a mistake was made an service connection is not warranted and the 70% will be severed. i told trajector about this and i still received a bill for 5X the 70% rate. I asked for help about my sleep apnea in getting a nexus letter they denied me help and offered absolutely no medical evidence, no diagnosis no anything. All they provided me for mental health claim was a PCL 5 scale assesment and that was not enough. I was denied for everything else. I do not want their help any further because they did not deliver the proper medical evidence that fits my situation. I should not be billed for a VA disability that is severed. i feel taken advantage off and stuck in a contract i do not wish to be apart of especially when they were not helpful and i had to provide so much more evidence on my own with no help from them.

Initial Complaint

Date: 07/02/2025

Type: Billing Issues

Status: Resolved

I am writing to file a formal complaint against Trajector Medical regarding their unethical billing practices and persistent harassment.

In 2024 and 2025, Trajector Medical assisted me with the initial submission of my veteran disability claim, which resulted in a 90% disability rating. I acknowledge their service in this specific instance and paid them accordingly.

However, my subsequent increase to a 100% disability rating was achieved entirely through my own efforts, without any assistance from Trajector Medical. After receiving my 90% rating, I contacted Trajector Medical seeking assistance with an additional claim to potentially reach 100%. and I was explicitly informed by their representatives that they could not help me with such a claim. Consequently, I independently prepared and submitted my mental health claim to the Department of Veterans Affairs, and it was approved, elevating my disability rating to 100%.

Despite their clear lack of involvement in obtaining my 100% rating, Trajector Medical is now aggressively demanding payment for services they did not provide. I have been subjected to numerous, persistent telephone calls from their company, which I consider harassment, given the lack of legitimate basis for their claims.

I have informed Trajector Medical that I do not owe them any money for my 100% disability rating, as they did not assist in securing it. I have also demanded that they cease all further contact. However, the calls continue.

I am requesting your assistance in resolving this matter. Trajector Medical should be compelled to cease all billing attempts for services not rendered and to stop all harassing communications immediately.

I am filing this complaint due to Trajector Medicals ongoing billing attempts and unauthorized access to my VA disability rating information after I previously terminated my agreement with them. They issued a new invoice based on a rating increase they had no involvement in, and used access privileges I no longer consented to in order to do so. My request to end the relationship and revoke their access was ignored, and I felt pressured into a payment plan under misrepresented terms. I have now formally re-terminated the agreement and am demanding written confirmation, but they have yet to comply.I originally signed an agreement with Trajector Medical to help develop medical evidence for a VA disability claim. After an initial increase, I terminated the agreement and informed them I no longer wished to continue. However, they later accessed my updated VA records, despite not being my authorized representative or POA, and issued a new invoice based on an increase they did not assist with. I never authorized this, nor did I confirm the rating with them.I recently sent a formal termination letter (via email and certified mail), including revocation of all PII/PHI access and a request for documentation of their claim. They have failed to acknowledge my previous termination or justify the new invoice.This behavior is predatory and deceptive. I have filed complaints with the VA Office of Inspector General, the [redacted], and the California Attorney General.

Dear Ms. you for taking the time to share your feedback. At Trajector Medical, we are committed to supporting veterans with the respect, care, and clarity they deserve. We take every opportunity to review concerns thoughtfully and thoroughly.

Following your recent communication, we completed a comprehensive review of your account. Based on that review, wed like to provide the following clarifications regarding the points you raised:

1. Invoice and Fees
When you enrolled in our services, you reviewed and signed a contract that clearly outlines our fee structure. Our records indicate that the increase in your benefits is directly related tc the materials and support we provided during your claim process. To date, we have not received documentation showing otherwise.

2. Use of Information
As part of your agreement, you authorized Trajector Medical to act as a limited proxy to access specific service-related documents and records. This access is strictly limited to reading and reviewing recordsit does not allow us to alter any information or act on your behalf in front of any federal agency. We take this responsibility seriously, and your persona data remains protected in accordance with and our Privacy Practices.

3. Retention of Data
We understand your request to delete your information. However, as a healthcare-related organization operating under Florida law and federal HIPAA guidelines, we are required to retain certain information, including relevant medical and service records, for a minimum of six years. This ensures compliance and accountability for all parties.

4. Account Status
Your account remains active due to an outstanding balance. In accordance with our policies accounts with open invoices cannot be closed. We are always open to further conversation if you would like to revisit your account or explore resolution options.

We recognize that this experience may not have met your expectations, and we appreciate the opportunity to explain our process. Our team remains committed to serving the veteran community with professionalism and integrity.

If you would like to continue the conversation, our team is available to speak directly and assist with any next steps.

[To assist us in bringing this matter to a close, you must give us a reason why you are rejecting the response. If no reason is received your complaint will be closed Administratively Resolved]

Complaint: **23532476**

I am rejecting this response because:

Thank you for your response. I appreciate the opportunity to address several critical issues that remain unresolved.

1. Invoice and start="639" data-end="642"> I continue to dispute the invoice tied to a 90% VA disability rating. I have not provided documentation of that rating to Trajector Medical, nor have I received a clear explanation of how your team became aware of that information. My previous submission included documentation only for a 70% increase, which I am currently paying toward. If you claim the 90% outcome was directly tied to your services, I respectfully request proof of how that information was obtained and which medical packets specifically contributed to the additional increase. Without that, your assertion remains unverified and raises serious concerns.

2. Use of Information / start="1309" data-end="1312"> I remain concerned about how my personal and protected health information (PII/PHI) was accessed. While your response references the limited proxy agreement, it does not address whether anyone from Trajector Medical actively accessed my VA or eBenefits accountnor have you provided logs, dates, or methods of how you learned of my 70% rating. A general reference to proxy authority is not a substitute for transparency. I am requesting a specific statement confirming whether any member of your staff accessed VA systems to obtain information not voluntarily submitted by me.

3. Retention of start="1914" data-end="1917"> I understand federal requirements around record retention. However, this does not excuse your failure to address my explicit revocation of proxy access and my concern that my data may be used beyond the minimum necessary for financial recordkeeping. I expect a written statement confirming that my data will not be accessed or used in any capacity beyond the legally required minimum and that no future collection attempts will rely on data obtained without my consent.

4. Account start="2415" data-end="2418"> Your reply reaffirms my concern that Trajector is conflating outcomes in order to justify a larger invoice. I have been cooperative by paying toward the portion I believe corresponds directly to the 70% increase. Your continued insistence on keeping the account open while declining to provide proof of how you obtained other rating information raises ethical and potentially legal concerns.

I remain open to a good-faith resolution, but I also reserve the right to escalate this matter further with regulatory bodies or through other appropriate channels if it remains unresolved.

Regards,

To Whom It May Concern,
Thank you again for providing a platform where consumers can raise concerns.
Since my last communication, Trajector Medical has continued to send billing statements and requests for documentation via emailmost recently through a Monthly Account Snapshot on 17 July 2025. While seemingly routine, I believe these are

calculated attempts to solicit informal engagement, which would allow them to bypass the formal written boundaries Ive clearly established.
To date, Trajector Medical has failed to provide any verifiable documentation showing how or when their team became aware of my 70% or 90% VA disability ratingdespite multiple requests. I have not submitted any rating decision documents beyond the portion confirming the 70% increase, and Trajector has not demonstrated how any work they performed directly led to that rating or any subsequent increase.
Their continued refusal to provide these critical details raises serious questions about their transparency and good-faith participation in this process. As the party asserting that I owe payment for services, they bear the burden of proof, and so far, they have not met it.
While I have continued to make payments toward the portion of the invoice I believe is valid (the 70% increase), I will now begin submitting formal complaints to respected veterans advocacy organizations to ensure other veterans are informed and protected.
I respectfully request that this complaint remain unresolved until Trajector Medical provides full and documented transparency into:
How they became aware of my rating without direct submission from me
How they believe their efforts contributed to any rating increase
Why they continue to bill without addressing those core issues.
Thank you again for your support.

Sincerely,
[redacted]

They were referred to by the disability office and thereby thought they were a legitimate company that would be helping with my benefits claim for veterans benefits and SSI benefits. They led me to believe they would be there and helping every step of the way. They did very little above what I was doing myself. I still had to fill out all the paperwork etc. They didn't help at all with my SSI disability benefits and the benefits I was awarded from the VA are only $185 per month. The back payment for this was only $800. Yet they billed me $800 for their services. At the moment this $185 is my sole source of income. I have been paying them $50 monthly even at the expense of my not having basic living essentials. I have paid roughly $250 already but they have now been calling [redacted] telling me that isn't enough [redacted] that they want more. I do not have more to give and would like to find out why they billed me so much in the first place when I thought it was a lot lower of an amount they would charge me. I would think them getting $250 out of $800 is more than they could take much less the full $800 I received in back payment. Especially when they did little to nothing to assist me. Harassing me to pay more than $50 out of my monthly $185 when what i have been paying them is more than I can

afford is wrong entirely. I would like to find out where they are justifying $800 fee for an $800 back payment on a monthly award of only $185. I would also like the harassing calls to stop. I have not been approved for ssi disability and only receive this $185 monthly. I can possibly send $5 a month to show effort but this was supposed to benefit me and lessen burden on family amd friends. Not stress me out by having them harass me for every dime for the very little they did.

Last Wednesday June 11 I attempted pay off Trajectory Medical for money I owed them for representing me in a Medical claim. However when I went to the portal to pay off the amount of $3803.70 they attempted to try and rip me off by adding an extra $1666.26 to the amount. This would have had me paying $4969.96 when I only owe them $3803.70. I called there customer service department and spoke to several kids there. One kid tried to get me to give him my credit card number and stated he would run the amount but it would still charge me a fee of $1166.26 but not to worry he would fix it. He then offered me a second option of making a partial payment but said he could go in and manually remove the fees of $1166.26. They then sent me a email asking me to do a bank wire transfer. At this point I don not trust these people anymore with any of my banking information. They seem to be trying to rip people off and are into scamming people. They are suppose to be helping veterans not ripping them off. Its a shame to do people like this. I would like a invoice with the amount I owe emailed to me with there billing address. I will then mail

them there payment by money order. I will not be doing anything with my checking or banking account to allow them to rip me off. I am sick and on a fixed income and just give money to people trying to rip people off.

I am writing in regards to Trajector medical. As many others have stated on the very high percentage of invoice as compared to benefits received. All was fine with initial set up, as they provided assistance from what seemed to be professionals. However after that is was pushy calls from what seemed a foreign call center. I understand there was a contract, however that was forced to be signed before services began. And though my claims were submitted. I feel like I am paying around $8000.00 for services that do not add up to what was promised. With the follow up calls it was always poorly scripted conversations with no real understanding of what was going on and these calls were made by persons that spoke little to no English. They could not answer my questions in a way that were clear. Only the same rewritten jargon was relayed to me. I feel that the amount owed should be adjusted to properly match services received. After reviewing all the complaints I can not believe the Company is still allowed to deceive Veterans. Anyone reading this complaint be forewarned that though there may be positive results, they do not come with genuine ethic.

I am filing a formal complaint against Trajector Medical for attempting to collect payment for services that were never used or submitted on my behalf.

Trajector Medical prepared a medical evidence packet for my disability claim.

However, I did not submit their packet to the [redacted]. I independently gathered and submitted my own medical documentation, which led to my claim being approved. Despite this, Trajector has attempted to charge me a fee based on a 5X increase in my monthly benefits, claiming credit for the outcome without evidence that their services were used.

I have repeatedly notified them in writing that I did not use their documentation in my [redacted] claim, and requested cancellation of the invoice and closure of the account. They refuse to acknowledge my dispute and continue to attempt to collect on the account, even offering a “discount” and threatening to keep the account open unless I pay.

This is a deceptive and coercive billing practice, and I am requesting that the CFPB investigate and require Trajector Medical to cancel the invoice, cease communication, and close the account. I am happy to provide all written documentation proving my position.

?

Requested Resolution:
• Cancel the invoice
• Close my account
• Prevent further collection attempts
• Hold Trajector accountable for deceptive billing

I signed up with trajector with the assumption they would help me through the VA process. They did nothing but attach themselves to my claim without any assistance so informed them of such, but they had access to my disability % change somehow and when asked, an employee slipped and said they used my social security number and birthday to sign in as me. Fairly certain that is illegal. They now claim a piece of my 100% even after providing evidence their help wasn't needed or useful. I have been enduring 3-5 calls per week claiming I owe them many thousands of dollars, regardless of if I show the evidence or not.

Trajector medical originally helped me get from a 60% to a 90% VA disabiltiy rating. They immediately sent me an invoice shortly after my award and I promptly paid them what I owed. That was just over 2 years ago and I haven't used their services since. Trajector medical is now harrassing me with emails, phone calls and text messages saying I now owe them an additional $7,774.75 even though they have done nothing for me in the last 2 years! I am rejecting this response because:

Trajector filled in and completed my forms and also facilitated the submission of the forms to the [redacted]. This is a criminal action. Trajector, is not accredited by the [redacted] to assist, complete or submit forms for clients. Also, the way Trajector filled out my forms is now causing issues because they were not consice and used very bad english. I am now having to undo the damage they cause, which will take more time. The only way to resolve this without legal issues is to close my account and quit trying to collect on the invoice. What is really crazy about this is that Trajector received a cease and desist order from the [redacted]. Yet you continue to be a claim shark.

Dear [redacted],

Thank you for taking the time to share your perspective. We always value feedback from those we've had the opportunity to work with, and we welcome the chance to offer clarification.

At Trajector Medical, our focus is on helping veterans develop independent medical evidence to support their disability claims. We are not accredited representatives and do not advertise ourselves as such. In line with public guidance and legal standards, we do not prepare, present, or prosecute [redacted] claims. Clients remain in full control of their own submissions, whether filed personally or through an accredited third party of their choosing.

To address one point directly: Trajector Medical has not received a cease and desist order from the [redacted]. This statement is not accurate. We continue to operate in full compliance with all applicable laws and policies governing our work.

We understand that you may feel differently about the materials provided. From our end, we've made every effort to ensure our services and fee structure were presented clearly and agreed upon at the outset of our engagement. Throughout the process, we've aimed to act in good faith and in alignment with our mission—to support veterans with care, professionalism, and integrity.

While we may not see eye to eye on every detail, we remain committed to resolving matters constructively. Our offer to reduce your invoice by 50% still stands as a gesture of goodwill. We believe this approach is both fair and reasonable. If you prefer to have your legal counsel continue the conversation on your behalf, we are open to that as well.

Again, we appreciate your feedback and the opportunity to provide further context. We remain committed to respectful communication and to supporting those who've served.

respectfully,

Subject: Improper Billing for VA Disability Claim Not Assisted by Trajector Medical Details of the Complaint:In 2023, I engaged the services of Trajector Medical to assist me in filing VA disability claims. At that time, they helped me file several claims, and when those claims were successfully awarded, Trajector Medical billed me for their services. I paid them over $3,000 for the claims they worked on, which I do not dispute.However, there were also claims that Trajector Medical assisted with that were denied by the [redacted] 2025, I filed a completely separate VA disability claim on my own, without any assistance, documentation, or involvement from Trajector Medical. This new claim was independently handled by me from start to finish. After successfully being awarded benefits from this claim, Trajector Medical has now billed me for it, despite having no part whatsoever in the claim preparation, submission, or any related work.I find this billing to be both unethical and deceptive. They are attempting to collect payment for a service they did not perform, which is misleading and unfair. I have attempted to resolve this issue directly with Trajector Medical, but they have continued to pursue this improper charge.Resolution Sought:I am requesting that Trajector Medical immediately cease their attempts to collect payment for the [redacted] any way.I also request confirmation in writing that they will not seek further compensation related to claims they were not involved in.Thank you for your attention to this matter.

To Whom It May Concern,

I am submitting this response to formally reject the statement provided by Trajector Medical regarding my recent complaint.

Trajector Medicals response is factually incorrect and omits key details. I originally contacted the company to dispute a $7,000 charge for services that were never rendered. During that communication, I was asked to provide documentation related to my VA disability claim and to demonstrate that no work had been performed by Trajector on the case in question. I provided the requested documentation promptly and in full.

Instead of resolving the issue at that point, I was subjected to repeated and unsolicited contact from Trajector Medical via phone, email, and text message. These communications were aggressive and persistent, and I considered them to be harassing in natureespecially given that I had already provided evidence disputing the charge.

It was only after I filed a complaint with the Better Business Bureau that Trajector Medical finally acknowledged it had not worked on the claim and agreed to correct the invoice and close my account. Based on this experience, I believe that if I had not reached out to the BBB, the company would have continued to pursue payment for services it did not provide.

I respectfully request that Trajector Medical acknowledge the inappropriate nature of its communications and that this information be posted publicly so that other veterans are made aware and do not feel pressured into paying for unrendered services.

Sincerely,

Business Response

Dear Mr. [redacted] style="font-size: 0.875rem;">While it is correct that we received some documentation, there were some items still missing. We made several attempts since November 2023 to request this information to update the decision status for your conditions on your account. We do this to ensure the information we have is current and accurate. Thank you for providing your most recent decision letter. It allowed us to confirm that your increase was not related to the conditions we created medical evidence for. We were actually in the process of updating your account when we received this feedback. We attempted to contact you by both phone and email to update you that the matter has been resolved and your account is closed. While we were unable to reach you, a letter of account closure was sent confirming this.

Type: Service or Repair Issues

Status: Answered

I am filing a complaint against Trajector Medical for deceptive and negligent practices related to their assistance with my VA disability claim. Despite not delivering any of their advertised services, Trajector has sent me an invoice for approximately $11,000.00. I request they close my account with a $0 balance due and cease all further contact with [redacted] had an open disability claim with the VA that would have backdated my compensation by 9 months, but Trajectors actions caused significant delays, leading to the loss of compensation. Here are the key issues:Failure to Provide Medical Evidence: The doctor at my C&P exam stated that there was no supporting medical evidence for my claims, despite Trajectors promises to assist in gathering this evidence. Most of my claims were denied, except those for which I submitted my own medical records.Misleading Advice: Trajector instructed me to click a link to submit my claim via fax, despite my concerns, resulting in a loss of 9 months of compensation.Incomplete Documentation: After filling out a detailed packet of medical ailments, the nurse assigned to review my paperwork could not locate it during our interview, wasting time and preventing a proper review.Appeal and Supplemental Claim: After my claims were denied, I filed a supplemental claim with my own evidence. My claims were eventually approved, but only after unnecessary delays.Harassment from [redacted] Trajectors foreign call center staff has repeatedly contacted me, seemingly with access to my disability rating, causing further stress and harassment.Despite the lack of services, Trajector sent me an invoice for approximately $11,000. I request that the Better Business Bureau investigate Trajectors deceptive practices and that they close my account with a $0 balance due. Additionally, I request that Trajector Medical cease all further contact with me moving forward.

Dear Mr. [redacted] are sorry to hear that you are dissatisfied with your experience and feel that you did not receive adequate support from our team. Additionally, we regret that you are unhappy with the invoice issued for services we believe were appropriately rendered, which has led to your recent complaint with the Better Business Bureau.

While we understand your concerns regarding the invoice, we would like to clarify a few key points. Prior to any services being provided, you reviewed, acknowledged, and signed a service agreement outlining the terms and conditions of our engagement, including the fee structure for claims supported through our effortssuch as the development of medical evidence.

In regard to the back pay you did not receive, we empathize with your disappointment. However, the granting of back pay or retroactive benefits is solely determined by the Department of Veterans Affairs (VA) and is not influenced by any external party, including our organization. It is also important to note that back pay is not guaranteed under any circumstances.

You mentioned that your claims were denied; however, to date, we have not received any

documentation confirming such denials or indicating that our support did not contribute to the benefits you ultimately received from the VA. The [redacted] makes its decisions based on the totality of evidence presented, and its examiners are expected to evaluate all available information. It is incorrect to state that no medical evidence was provided in your case, as that is not accurate.

At this time, your account remains active with our finance team due to the unresolved invoice and the lack of engagement with our client experience team. Should you wish to discuss the matter further and work toward a resolution, we welcome the opportunity to speak with you.

Sincerely,
Trajector Medical

Complaint: **23243037**

I am rejecting this response because:

1. Failure to Deliver Promised Services: Despite the signed agreement, Trajector did not provide the expert assistance they promised, particularly in developing medical evidence for my VA claim. The documents they submitted were of no value and did not contribute to the success of my claim.
2. Mishandling and Loss of Medical Forms: Trajector lost the original medical forms I meticulously filled out, which included all of my medical conditions. These forms were critical to my claim, and the failure to properly manage or even retain them was a major factor in their failure to deliver what they promised.
3. Unjustified Invoice: The invoice issued by Trajector is unjustified. I did not receive the services outlined in the agreement, and I believe the invoice is an attempt to collect for services that were never rendered.
4. Incompetence and Data Privacy Concerns: Given the mishandling of my claim and personal documents, I have serious concerns about Trajector's ability to handle sensitive information safely and in accordance with data privacy regulations.
5. No Further Engagement: I have made it clear that I do not wish to engage further with Trajector, and I expect my account to be closed with a $0 balance due. I will continue to post reviews and warn others about my negative experience if the matter is not resolved.

I request that Trajector address these issues promptly by closing my account with no balance due and removing the unjustified invoice.

Regards,

Dear Mr. [redacted] you for taking the time to share your feedback. At Trajector Medical, we strive to provide meaningful support tailored to each clients needs and appreciate the chance to address your concerns directly.

Before we began working together, you reviewed and signed a service agreement that clearly outlines the terms of our engagement, including the fee structure related to claims assistance and the development of medical evidence. This agreement ensures transparency and helps set clear expectations from the start.

Our records show that we provided extensive support for your claim, including medical opinions and supporting medical literature for multiple conditions. We also made efforts to connect with you before your Compensation & Pension (C&P) exam to offer guidance, though we did not receive a response. Were always here to assist and encourage communication throughout the process to maximize the benefit of our support.

If you have VA rating decision letters that indicate our medical evidence did not contribute to an increase in your benefits, we are prepared to clear your invoice in full. On the other hand, if the evidence we provided did play a role, we welcome the opportunity to review your invoice with you to ensure it reflects your satisfaction with our services.

We value open dialogue and want to work with you toward a fair resolution. We encourage continued engagement so that we can support you as effectively as possible. Until we hear from you, your account will remain open, and the invoice will be pending.

Complaint: **23243037**

Dear Trajector Medical,

I am rejecting your recent response and reiterating my demand for resolution. While I appreciate your attempt to address my concerns, your response does not adequately resolve the issues I have raised, nor does it reflect the gravity of the situation.

Failure to Deliver Promised Services: The service agreement you referenced does not change the fact that Trajector failed to deliver the services promised. You claim to have provided "medical opinions and supporting medical literature for multiple conditions," but this is inaccurate. I was never examined by a medical professional, and the evidence you provided was of no value. The services promised were never rendered, and the invoice for $11,000 is unjustified and should be voided.

Mishandling of Communication: Your claims about attempting to contact me before my C&P exam are misleading. I was denied an appointment and told I would receive a call the day before my exam. Instead, I received an automated call that dialed my number twice in rapid succession, followed by a claim that I did not respond. When I immediately returned the call, I was denied assistance. The email you sent with guidance contained broken links and was completely ineffective.

Unjustified Invoice: I maintain that the $11,000 invoice is unjustifiable. The services you claim to have provided were not delivered, and I request that my account be closed with a $0 balance and the invoice

removed immediately. Failure to take these actions constitutes an attempt to collect on an invalid debt.

Potential HIPAA Violations Involving Exposure to Foreign Nationals: I have serious concerns regarding potential violations of the [redacted] Portability and Accountability Act (HIPAA), particularly in relation to the mishandling and exposure of my medical information. It is possible that my personal health information has been accessed or handled by foreign nationals, which would constitute a direct violation of [redacted] and consumer protection regulations. I expect your company to ensure that all actions taken on my behalf comply with [redacted] privacy and security requirements.

Failure to Resolve the Matter: Should Trajector fail to resolve this matter promptly, I will pursue all available legal avenues to protect my rights, including, but not limited to, filing complaints with regulatory authorities such as the [redacted] ([redacted]), the [redacted] ([redacted]), and the [redacted] of Health and Human Services (HHS) regarding HIPAA violations. Additionally, I reserve the right to pursue civil action for damages resulting from your companys failure to meet contractual obligations, as well as potential violations of privacy laws.

Demand for Immediate Action: I demand that Trajector immediately close my account with a $0 balance, remove the unjustified invoice, and cease any further attempts to collect payment. If these conditions are met, I will consider this matter resolved and will update my BBB complaint accordingly. Failure to comply will lead to further escalation, including legal action.

Dear Mr. [redacted] you for your follow-up and for sharing your continued concerns. We take all client feedback seriously and appreciate the opportunity to respond directly.

Trajector Medical is a medical evidence company. We work to provide clients with independent medical opinions and literature reviews that they may choose to submit to the VA. In your case, our records confirm that we prepared and delivered multiple medical evidence packets covering a range of claimed conditions, including expert medical opinions supported by peer-reviewed literature.

Our fee is calculated based on the tangible results we provide to our clients. This model ensures that our remuneration is aligned with the benefits we bring to our clients, and our fees are only applicable when our medical evidence is used to obtain demonstrable increase in their monthly benefits. We have helped tens of thousands of satisfied veteran clients by providing medical evidence in support of the benefits for which they are medically, legally, and ethically qualified.

We regret that you experienced difficulty with some communications and would appreciate an opportunity to better understand the issues you encountered. We are committed to

continuously improving how we support our clients.

We take client privacy with the utmost seriousness. All work is performed in accordance with applicable privacy and data security laws, and all personnel with access to medical information operate under strict contractual confidentiality obligations. If you believe your information was mishandled in any way, we would welcome more specifics so that we can conduct an internal review. While Trajector is not a HIPAA-covered entity, we take the protection of client information seriously and enforce strict data security and confidentiality protocols. All personnel, including any foreign support team members, are subject to rigorous vetting, binding confidentiality agreements, and compliance with our internal policies designed to safeguard personal information. We operate within the bounds of applicable U.S. and state privacy, consumer protection, and data security laws. We remain committed to ensuring that all actions taken on your behalf meet or exceed industry standards for privacy and security

We remain open to reviewing and resolving your invoice. As noted previously, if your VA rating decision letters show that the medical evidence we provided did not contribute to any increase in your benefits, we are prepared to clear your invoice in full. If our evidence was a factor, we are still open to discussing the invoice and any concerns you may have regarding value and satisfaction.

We truly want to find a fair and transparent resolution. We encourage you to provide a copy of your VA rating decision so we can properly assess whether the services rendered led to an increase in benefits. This step allows us to close the loop responsibly and in accordance with our internal resolution policy.

Complaint: **23243037**

Dear Better Business Bureau,

I am rejecting Trajector Medical's most recent response and wish to emphasize a critical point they made, which further reinforces my position. Trajector has admitted that they are not a HIPAA-covered entity, which means they do not operate under the same privacy and confidentiality standards required for medical evidence.

This is a significant admission. Since they are not HIPAA-compliant, the "medical evidence" they provide cannot be regarded as legitimate or legally binding in the context of a VA disability claim. The VA requires evidence that is handled with appropriate confidentiality and security, which Trajector has openly stated they do not meet.

This reinforces my argument that the documentation provided by Trajector was not valid, and their services were of no value in my claim. I refuse to pay for unprofessional, irrelevant, and improperly handled documents that were never going to be accepted as legitimate evidence by the VA.

In accordance with the VA's requirements for disability claims, veterans must provide three critical pieces of evidence:

1.) Current Disability

2.) Connection to [redacted] Related Cause or Aggravation

Veterans who succeed in their claims are not benefiting from Trajector's "garbage" documents, but from the medical records, service records, and personal documentation they already possess. Trajector's documents do not satisfy these requirements, and any success veterans experience is due to their own medical recordsnot the irrelevant, generic materials Trajector provides. To be clear, Trajector's involvement does NOT contribute to meeting the VA's evidence criteria.

Given this, I reject their continued request for my VA rating decision letter and assert that Trajectors invoice is entirely unjustified. Their refusal to follow [redacted] standards further proves that their services are neither credible nor compliant with the necessary legal and medical requirements.

As such, I reiterate my demand for Trajector to immediately close my account with a $0 balance and remove the unjustified invoice. Failure to do so will result in further legal action and complaints to the appropriate regulatory bodies.

Sincerely,

I used Trajector Medical services and on my behalf Trajector filed a VA disability claim. I was rewarded a 60% disability rating. The claim was submitted in July 2023. The [redacted] made their decision in October 2023. As per the agreement with Trajector Medical I paid for their service with my last payment was in April 2024. In February 2024 I contacted Trajector Medical asking for Trajector to file an appeal for my benefits and Trajector refused stating they don't file appeals. I then informed Trajector I do not want contact and I cancelled any further services from them. Now in April 2025 Trajector is sending me invoices for services not provided and can't provide a copy of anything Trajector Medical has done on my behalf since July 2023 because they haven't provided any service to me.Just like I stated to Trajector in February 2024 I don't want contact by Trajector and I do not owe Trajector Medical any money because payment for their service has been paid in full.

Dear Mr. [redacted] regret to hear that you are dissatisfied with your experience and have filed a complaint with the Better Business Bureau. It is unfortunate that the source of your concern appears to be the invoice issued for services we believe were rendered.

We would like to take this opportunity to clarify that while our team provided you with support and guidance, Trajector Medical does not submit claims on behalf of our clients, as we are not authorized to act in that capacity.

In an effort to resolve this matter promptly, our Client Experience team attempted to contact you multiple times via phone, SMS, and email. Unfortunately, these efforts have been unsuccessful, and we have not yet had the opportunity to speak with you directly to discuss and resolve your concerns.

As it stands, your account remains active with our Finance team, as we have not received any documentation or evidence from you that would warrant invalidating the invoice. We remain committed to resolving this issue and welcome the opportunity to assist you further.

Should you wish to move forward toward a resolution, we encourage you to contact us at your earliest convenience.

Sincerely,

Dear Mr. [redacted] you for sharing your feedback.

We always aim to provide thoughtful support and clear communication throughout each step of the process. When we noticed your account had outstanding documentation, our Client Experience team reached out several times by phone, text, and email. These outreach efforts were made to ensure we had everything needed to complete your file and finalize your invoice.

Based on our review, we received documentation for all but one of the claims we assisted with. To fully close out the account and consider adjustments to the invoice, we simply needed confirmation of the outcome related to that remaining item. Without that final piece and without direct communication, we werent able to move forward at the time.

That said, we recently conducted a full review of your account. In the spirit of closure and goodwill, weve gone ahead and updated your invoice and closed your account in full.

I filed an application with this company in October 2024. After the initial intake phone conversations and going over medical records with seemingly informed professionals, I was handed off to call center representatives (CCR) who could not discuss claim in detail or provide updated or relevant information. There were mistakes on my application, no Intent to File was submitted with the application, which I found out from the [redacted] of Vet Affairs is a requirement and I have informed them of my legal name several times and it was never updated. This complaint is filed with the name on their records. The [redacted] gave scripted unhelpful responses over and over which prompted me to contact the [redacted] of Vet Affairs who informed me about the need for an Intent to File AND that there were errors on the application. The [redacted] could not or did not address my concerns or provide additional information past the application processbasic info! This company also obtained info about my disability rating illegally. I did not provide it to them! I have since learned thatthey are giving advice on how to prepare, present, and prosecute claims before the VA without proper accreditation from the [redacted] office of general counsel; only accredited representatives are authorized by law to collect a fee for assisting claimants. I also found out that representatives of this company have been calling and fraudulently behaving as my authorized representative to inquire about VA rating increases. I did pay some of what was demanded because I thought I was obligated. I have requested that they close my file and was informed that I would have to pay their requested monies in full first. I seek assistance with closing the file with no monies due.

Business Response

Date: 04/23/2025

Dear [redacted],

We regret to hear that you are dissatisfied with our services and feel that we did not provide adequate support. We sincerely apologize for any inconvenience you may have experienced regarding your account and the invoice issued, which you have referenced in your recent complaint to the Better Business Bureau (BBB).

We understand your concerns regarding the legitimacy of our billing practices. However, we would like to clarify that the regulations governing accredited entities do not apply to our organization, as we do not provide legal representation. This distinction is clearly outlined in the service agreement that you read, acknowledged, and signed prior to the commencement of any services. Like many businesses, we are fully entitled to charge for our services regardless of BBB accreditation status. Additionally, the interpretation of our

agreement by any third-party law firm does not override applicable laws or contractual enforceability.

In reference to your statements about a potential HIPAA violation, we want to emphasize that at no point have we acted, nor do we have the authority to act, as your authorized representative. This limitation is also expressly detailed in the agreement you signed. Specifically, Section 1 of the agreement states:

Prepare for Battle
-We are not your VA representative so we will not prepare, present, file, and/or prosecute a claim on your behalf. Although we help as much as we can with medical evidence collection and development, you must do your part.*

We recognize your concerns regarding the invoice, and we want to reiterate that all services and fees were transparently disclosed and agreed upon prior to any work being performed. The fee structure, which was clearly detailed in the agreement, pertains to claims that may result in an increase in benefits due to our support. To date, we have not received any documentation confirming that your claims were denied or that our assistance did not contribute to the benefits you are now receiving.

As the invoice remains unresolved, your account will remain active with our finance department. If you would like to discuss this matter further or work toward a resolution, we welcome you to contact us at your earliest convenience.

Respectfully,
Trajector Medical

I engaged Trajector to assist me with my Veterans Administration claim. Their service provides no value. They only complete the VA forms with the information I provide to them. You must submit your own forms (which I had submitted myself previously). They claim to coach you with periodic phone calls, but they only ask you questions about the status of your claim. No new information is provided. I asked to terminate our agreement on 7 January 2025 when it became apparent that they were not helping, and I was ignored. Now, I receive harassing phone calls, email messages, and texts pressuring me. Had a call today and offered a settlement (for what I don't know) if they would altogether terminate our relationship, and they refused.

Dear Mr. [redacted] regret to hear that you are dissatisfied with our services and feel that we did not adequately support you. We understand your concerns regarding the issues you've experienced with your account and the invoice issued for services we believe were rendered, which led to your complaint to the Better Business Bureau and your subsequent rejection of our prior response.

While you have expressed that we have "refused" to assist you, we respectfully disagree with that characterization. Since your initial complaint, we have made multiple attempts to reach out to you. Our last documented communication was on April 4, 2025, when you indicated that you had requested to close your account as early as January. At that time, we explained that we could not honor that request due to the fact that the medical evidence we provided was submitted to the [redacted] on your behalf. Regarding your agreement: were committed to honoring what was outlined and are simply waiting on the final VA decision paperwork to close your file. Wed truly like to find a resolution that feels right for both sides.

Dear Mr. [redacted] regret to hear that you are dissatisfied with our services and feel that we did not adequately support you. We understand your concerns regarding our billing practices. However, it is important to clarify that we are not a law firm or accredited representation, and the regulations governing such entities do not apply to us. This is clearly outlined in the agreement you read, acknowledged, and signed prior to any services being renderedspecifically in the following section:

> Prepare for Battle:
> We are not your VA representative, and therefore we do not prepare, present, file, or prosecute claims on your behalf. While we assist to the extent possible with the collection and development of medical evidence, you are responsible for completing your portion of the process.

We appreciate that you may feel frustrated regarding the invoice; however, we would like to emphasize that all terms, including our fee structure, were disclosed in the agreement that was reviewed and signed by you before any services began. These fees apply to any increase in benefits resulting from our assistance. To date, we have not received any documentation showing that your claims were denied or that our services did not contribute to your increase in benefits, despite repeated requests from our invoicing team.

We would have welcomed the opportunity to address your concerns directly and reach a resolution. Unfortunately, despite multiple outreach attemptsincluding phone calls, emails, and text messagesour escalation team was unable to connect with you.

Due to the unresolved nature of your account, your invoice remains active with our finance department. We encourage you to contact us if you are willing to engage in a constructive conversation to resolve this matter.

In Dec [redacted] for PTSD and tinnitus. Claim for tinnitus denied in Jan 24, never saw or va ref any files on my behalf from trajectory med. Any evidence ref was from mil recs as for PTSD I was awarded in March, I never had any contact from rejector during the whole time I was pursuing a va rating. From the time I filed again for PTSD I had to go to mental health docs at the va, never got anything from rejector med to help with claim. My award was based on evidence from my c&p exam which the va ordered in Oct 24, all evidence that supports my claim for PTSD was obtained thru the va and private phycologist. There is no ref showing any files or pkg from trajectory, but how did they know what I was awarded and now I hear and get a outrageous bill and cannot see anywhere they sent any files or info to VA on my behalf all was from my exams and sessions w the mental health personnel from bs and private phycologist. On all [redacted] and correspondence from va shows nothing as far as rejector med submitting anything. I can provide all [redacted] which show what evidence was considered and submitted to support my claims.

My name is [redacted], and I am an army veteran. I used a company, Trajector, to help me out with my VA benefits starting on Jan 26, 2024.
That is the day I signed the agreement. They submitted my documents to the VA. I was awarded money for special monthly compensation based on loss of use of creative organs. I paid them about $600.00. My depressive mood disorder that was at 70% was proposed to be decreased to 50%. I called them many times in June 2024 to find out what was next, and what they were going to do. Basically, they told me that I have choices but I have to do it myself. I have not heard from them since June last year until the second week of February 2025, telling me congratulations for achieving 100% and a bill for $7,963.55. This is an unreasonable fee charge. Especially when Trajector did not do anything to assist me on going from 90% to 100%. Since July 15, 2024 I have been working with an accredited claims agent, [redacted] # [redacted]. She submitted a [redacted] and that is how I went to get my 905 back.
Then I submitted another claim for me to get my 100%. I received a 100% P & T raiting in Nov 2024. In December 2024, the VA proposed to decrease two items that my accredited agent had submitted that got me to 100%. Since then, my agent has submitted a second [redacted]. The Trajector company has not helped me at all to achieve 100%. My accredited claims agent cannot even get paud for this achievement ([redacted]), how does Trajector get to charge me almost 8k for something that they did not do. I need assistance with this issue please Help me!

I signed up to work with Trajector Medical for assistance in submitting my claims with the [redacted]. I was told that Trajecor would help advocate for me with helping on my disability claims. Trajector Medical only filed the paperwork but then I do everything else. When I would call for help I was sent to a call center out of the country that didnt understand English on a third grade level. When I did ask for help via email, text or phone call no one was there to help. But they sure did call, text and email when my percentage changed. This company is scamming Veterans out of thousands and we have to pay because they make you sign a contract that they can sue you over. I feel like they should only bill for the time that they are working directly with the Veteran by the hour. Just like attorneys do.

On 8 August 2024 I began working with Trajector Medical to file my VA claim. I had a deadline of 8/26 before my intent to file expired and I would lose back pay. They finished my forms and they were filed on 9/4/2024. They were aware of the deadline when we began talking. It's literally the only reason to use a claim service since the Vet service rep was a 30 day wait. The deadline was missed, costing me $8k roughly in backpay, and they're billing me for $2400 due to my rate increase. I agreed to pay them based on the fact my claim should've been done on time and I'd be able to pay them from my backpay. Now I'm stuck with a $2000 bill (because they're going take $400 off due to the lack of preparation they provided for my comp and benefits appointment). They are dishonest, they overclaim things knowing they can't be supported, which makes veterans look like they're after a money grab, and after my appointment I felt gross. THIS SHOULD BE ILLEGAL. What they're doing is exploiting the service and sacrifice of veterans for personal and financial gain. I attached pictures of first email correspondence and their email after my medical evidence was filed with the Va showing they missed the timeline. Also I've got a picture from an 8/22 email where they were "working" on my claim which had been ongoing from 8/8 when they requested and received files from me. They caused me to miss my deadline and a full year of backpay. Since they cost me $8k plus, the least they could do is eat the bill! These people are crooks!

Trajector reached out and offered 30% off of my bill, which is a drop in the bucket compared to the lost backpay ($8k). It's the only thing they were willing to do and they're giving me a year to pay back what was intended to be paid from the backpay. It's the only "deal" I was offered. I was misled into believing my back pay would cover it BUT since the intent to file date was missed, I now have to pay that out of my pocket with money I don't have, making it much harder on me financially. Had I known they wouldn't meet the deadline, I would have waited to deal with the service rep for free. This is not a good company, they're wolves in sheep's clothes, acting as if they're doing veterans a favor when in reality, they're looking to score off of our service and sacrifice. This should be illegal and having now found out who they are and what they do, I cannot and do not trust them. I've repeated this sentiment and there will not be much to change my mind. I want every veteran to understand the truth of what they do and encourage them to use the other avenues to get their claims processed. I'm sure they'll

I found Trajector Medical online and like most likely you, I was impressed with all the positive reviews on [redacted]. Unfortunately, there are many companies that know to solicit positive reviews when they know they will not receive them organically. I do not believe that these are real and genuine reviews. My experience with Trajector Medical began with an initial phone consultation, and it left a poor impression. The staff came across as unprofessional and overly pushy, and I struggled to communicate with them due to what seemed like a language barrier. I wouldnt be surprised if theyre operating out of a foreign call center, possibly in the [redacted]. The information they provided was written in broken English and riddled with errors about the injuries I sustained during my military service. In the end, I had to rewrite most of what they sent me, which was bare-bones to begin with. Frustrated, I requested to end their representation for my VA claim. I strongly suggest checking other review sites, such as this one, where youll notice a clear pattern of dissatisfied customers. I dont recommend using [redacted]. Theyre not accredited by the Department of Veterans Affairs, which means they legally cant charge fees to prepare, file, or pursue your claim. Worse, its against the law for them to contact the VA and impersonate you to access your claim details. Youre better off handling the paperwork yourselfsomething youll end up doing anyway if you work with them. Its disappointing that a company like this exists, preying on veterans while offering minimal effort in return.

They start off by telling you how they "will" help you with all of the very important aspects to your VA claim. They ask a lot of questions about my conditions. The only good thing about the entire process was going over my issues with the nurse that called me.After covering the issues it was turned over to their "Medical Evidence Team". I got a call that the document and paperwork was ready for filing. You do not see what is on the forms until after you finish the call with the person walking you through signing them. You are directed to the pages that require signatures but there is no mention of what you are verifying is true statements on the form.Then after signing and submitting the form.... Then they allow you to download what you just signed as true statements.This is where it all started to fall apart. I got to read what I actually verified as the truth and found out that many things were really false.I tried to contact them the next day, which is useless, I left a call back which I didn't get. After a few days, they finally called me back and I let them know that the forms had straight out lies on them and they said to just wait and see what the VA would do.I kept getting emails stressing how important it was to speak before my VA exams. Then I got my first VA exam appt. I call, wait on line for 15 minutes and finally press 1 for a call back. Again... No call back!The next day I get a call and I tell them about my upcoming appt. She says that I got an email reviewing my symptoms. WOW!!! It was a few lines covering about 5% of the 30+ page document given to the VA. SO..... Basically, we didn't review ANYTHING!SO.... All in all. They took the info I gave them, Actually did NO investigations, Filled out forms with false information and just left me hanging to deal with everything on my own. They wrote false information of official forms, had me sign them and then left me to deal with the outcomes on my own.

Used Trajector based on friend recommendation for insomnia VA rating. I filled other ALL of my other VA claims on my own after using them for the Insomnia claim. I was at a current 10% for tinnitus when I sent their medical form in. I subsequently filed claims on my own, and the the claims went thru a lengthy process between various stages. I finally for a rating increase from my initial 10% rating for tinnitus to 60% combined. 50% General anxiety with bruxism resulting from combat related PTSD was all grouped together. The VA states right in the claim letter INSOMNIA is not a stand alone condition. They want to charge me the standard 5X increase in monthly payment amount that equates to $6100 for their fee. This is incorrect as their service was used for Insomnia only and was spelled out as not a stand alone condition, I sent the claim letter in as per the contract and have spoken both to my case worker [redacted] who agreed with me, but wouldn't be able to assist me as not his department and would send my information to the billing department about the incorrect invoicing error. I have emails they received my claim letter and phone call recordings from ALL my conversations with them. I'm currently waiting to see if they will remove this obvious attempt to grab money for a rating decision and increase that had nothing to do with their "medical" service provided. For the record I have also sent correspondence in requesting to terminate service with their company via E-mail and that I will no longer utilize or recommend them to anyone. I did for the record sign a contract stating the 5X pay for rating increase if granted by the [redacted], however as stated my claim decision letter states IT IS NOT a stand alone condition that was granted.This invoice should be adjusted to $0 as it an wasn't accepted VA condition and our contract terminated as concluded with both parties settled in full. No future contact once a paid invoice is settled or will be grounds for harassment.

So I have now received multiple email and texts [redacted] the bill after having spoken to [redacted] in the billing department. He also agreed with me that the charge isnt legit and needs removed and services closed out with their company. I talked to him as he answered when I call [redacted] who originally responded to the BBB complaint. He was also going to input a note to stop this from happening. Well guess we can see that doesnt work.
Not sure why someone once I explain it multiple times just adjust it down to zero as per their terms of use since no rating was awarded for insomnia for which I used them. After the end of this week if no resolution of adjusting the invoice to zero, I will most likely have to get a VA attorney for closure and help in this matter.

Complaint: **22937000**

I am rejecting this response because: I was told over the phone that your company agreed with me that my increase was not because of your work and indeed from my own. My invoice was adjusted to $0 and when I asked to receive a paid in full or $0 balance statement, I was then told well we actually will put this on hold until July to make sure I somehow magically wouldnt receive a claim letter detailing the insomnia I used [redacted] wouldnt be sent. This case needs resolved now, either needs to send me a $0 owed statement or close the case I wont ever receive an insomnia rating, as that is considered part of PTSD rating that I made happen due to sexual from my own. Guess the recorded phone conversations I have with your staff mean nothing. I have provided my letter which you have stated and agree with that I owe you nothing and would gladly close the case, if I could just provide a letter for insomnia that was denied . I have done all I can AND YOU EITHER CLOSE CASE, or I will be forced to hire an attorney and provide your conversations saying this isnt from your work. The claim letter I provided states this as such and you agree with that.

Please send a pain in full statement or $0 owed and close this case and any future involvement between parties, or say I do now owe again and we can settle that in a court . I was told I do indeed Dont owe your company so this should be a simple process unless its a shady attempt to keep this open and try to collect for which nothing is owed and agreed multiple times now.

hello, I am a 20 year navy veteran. like an idiot went thru a private company Trajector medical online wanted to increase VA benefits from 30 percent. called trajector. talked to

who took info, they called back later to take my info, talked to a so called nurse, they asked a lot of questions about all my injuries that occurred while in service. That lasted about a half hour. Well I think i signed a contract, at that time they didn't explain fee clearly, so i did not understand properly. They filed all my complaints thru VA, I am assuming. It took more than a year to complete all my doctor appointments. I did all appointments myself with no help from trajector. The only thing that company did was the paperwork. This all took place in on about August 2023.All the physical ailments that the company filed for me were denied, because if it isn't in your medical records it didn't happen. That company promised results. Well on last appointment I talked to a pa who added my kidney functions on to her ort. At the time of initial filings my kidney function was 40 percent. Since then I got pneumonia and levels went to 7 percent. Date October 2024. I am currently in dialysis. I got a VA letter increasing my benefits to 90 percent. letter from VA with compensation of . Called Trajector to they wanted for their service. That was outrageous, I want I fair bill, not one that gouges you. Began working with Trajector Medical when I researched VA disability claims. I was IMMEDIATELY contacted by Trajector Medical and a fellow veteran friend of mine had used them, so I reached out for assistance. Once contact was made, things proceeded as expected with a couple of phone calls to gather information. I made it very clear that I could not be contacted during normal working hours, but anytime after 3 pm was fine. I was called DAILY throughout the times I specifically stated was off limits due to my job. I ignored those that I could and when I did answer I reminded the caller about my specified times in the beginning and was assured they would tell the rest of the team and the calls would only be after 3 pm. The calls continued and started to get very short with each caller. When I finally had enough I told Trajector that I was terminating their service and requested a letter from them stating that out contract was terminated and there were no outstanding charges. Their policy states that if I do not receive any compensation from the [redacted] from their efforts, no money is due. We never got to the point of submitting any paperwork to the VA, so no compensation could have been had. I made this request based on several other complaints that I found against this company. Several attempts to get a letter from teh company only resulted in contact from a representative trying to recover services. I made it clear that I was not interested in working with them any longer and thats were it ended. I am still waiting for a letter from them stating that our contract is terminated.

In May 2024 I hired trajector medical to assist me with my veterans affairs claim. I was told I would be charged five times the increase that I received. I was advised I would only be charged for what they helped me get. I was advised I would not be charged the increase for dependents and only be charged for myself as I added my dependents to my VA account on my own. [redacted] failed to file multiple from injuries on multiple occasions. I spoke with them multiple times regarding why specific injuries were not claimed. The individuals I spoke with seemed to not understand what I was saying, due to language barriers. I was advised during the process that they would help me with getting my sleep apnea tested and diagnosed. I was advised that I would be charged an additional fee for that service. I was never tested through trajector although they falsely documented that I was. I had to go through the [redacted] on my own to get testing done and a diagnosis. I filed a complaint with trajector. I was advised it would be investigated. Trajector filed multiple injuries on the wrong parts of the body when I advised certain things such as I claimed my right shoulder and not my left but they documented my left. When I brought this to their attention to have it corrected, I was advised it would be corrected and they never corrected it. After I filed my complaint when I attempted to contact trajector for assistance, I was forced to leave a message and would not receive a call back. I would later receive a call after a couple weeks from trajector not regarding my call, but instead asking if I had heard back from the [redacted] on a decision.

Dear [redacted],

We were disappointed to learn of your dissatisfaction with the services we have provided, and we deeply regret that you were unable to have your concerns addressed regarding your invoice. We apologize for any confusion surrounding our fee structure, particularly for the lack of clarity prior to the delivery of services. It is never our intention to leave our clients feeling uncertain, and we understand how this has contributed to your decision to file a complaint with the Better Business Bureau.

In light of your concerns, we would like to take this opportunity to address a few key points. We recognize that this situation has been frustrating for you, and we empathize with your position. However, it is important to clarify that despite the availability of free services, you made the decision to utilize our paid service. This choice is explicitly outlined in the contract you reviewed, acknowledged, and signed prior to receiving any services from us. We firmly believe that this agreement was transparent and fully communicated to you at the outset of our business relationship.

Furthermore, we have not yet received any evidence to suggest that the increase in your invoice was not in accordance with the medical support or documentation that was provided to you in relation to your claims. Our services and subsequent charges were based on the details we were given and the professional support we extended to your case

As of now, your account remains unresolved and is still under the management of our finance team. Despite numerous attempts by our Client Experience team to reach a resolution, they have not been successful in reaching a satisfactory outcome with you. Therefore, there is still an outstanding balance on your account.

We would like to stress that we are more than willing to engage in a constructive dialogue to resolve this matter amicably. Should you wish to settle this situation, we encourage you to contact us directly so that we can work together toward a resolution.

I was hopeful that Trajector would fulfill their promise to "assist" but they did not. I obtained and filled out all VA paperwork either on my own or with help from the veterans affairs office. I went to many out-of-town appointments all while struggling with my physical disabilities. Trajector did not "assist", yet billed me excessive amounts (see re:June 2024 Invoice below). They still promised assistance and help but nothing, so I requested that my file at Trajector be closed. They did not close my file. They did not refund any amount from

the June payment. And, now trying to bill me [redacted] why are they billing me again? ...a few weeks ago, after much effort on my part and the Veterans Affairs representative (not Trajector), I was able to get a VA benefit claim approved (which was previously denied while trying to get assistance from Trajector, I have documents which prove this). Trajector never provided satisfactory assistance with any claims including this one, yet they have just sent me a new bill of $663.70.First of all, let's address this new bill. Statement Date 1/2/2025, Inv-[redacted] for $663.70. I should not have received this bill. Account balance should be corrected and my file closed as I previously requested and a closeout letter sent to me.Back to that June 2024 Invoice: Trajector charged me an outrageously excessive amount of $7,434.40 back in June of 2024 and there should be a refund from that payment. The service promised was never [redacted] complaints directly to Trajector have been ignored as seen by the fact no refund has been issued and they left my file open. I believe the refund should have been negotiated fairly and I definitely should not still be receiving any bills from them when service was not delivered.The Guard VA Benefits Act [September 2024] is changing what can be done about "Claims Shark" companies. I am looking for a swift and full resolution to this matter so that we can avoid further legal action.

Dear Mr. [redacted] regret to hear that you are dissatisfied with our services and feel that we did not provide adequate support. We understand that you encountered issues with your account and the invoice issued for services we believe were rendered, leading to your complaint with the Better Business Bureau (BBB).

We recognize your concerns regarding our billing practices; however, our fee structure is clearly outlined in the contract that you reviewed, acknowledged, and signed before any services were provided. These services contributed to the increase in benefits that you now receive. Additionally, we have not received any documentation indicating that your claims were denied or that our assistance did not contribute to your benefit increase. The perception that services were not rendered does not invalidate the invoice; therefore, a refund will not be provided.

Regarding your prior request to close your account, we apologize for any inconvenience. At the time of your request, we required specific documentation from you, which was not provided. As a result, your account remained active following your enrollment.

We value the opportunity to resolve concerns amicably; however, despite multiple attempts to reach you via phone, email, and SMS, we were unable to establish communication. Given the lack of engagement, we have chosen to proceed with closing your account. While we stand by the validity of the invoice, we recognize that further discussions may not be productive. As your account has now been closed, you are no longer a client, and you should not receive any further communications from us.

I reached out to a company called Trajector Medical in July [redacted] claim. The company agreed to assist they would help out and only charge a fee if I had a successful claim. Their work product was subpar. There were so many errors I had to correct. They left a claim off of the original paperwork. I submitted a seperate claim in October 2024 without their assistance. The VA issue a claim decision in January 2025 and combined the two claims that were submitted. Every single claim Trajector did, were denied. The claim I submitted in October was approved. Now Trajector says I owe them money. I recently found out that this practice, charging veterans to assist with claims preparation, is against federal law. How can they do this?

This company claimed to help veterans provide medical evidence for their claims. I spoke on the phone for 1.5 hours and all they did was help me fill out a form. I eventually received a rating from the [redacted] and paid this company the requested amount which was almost $2,000. They also claimed they would help and talk to me before any exams so that we understand what to expect. I reached out prior to my scheduled exams multiple times and no one returned my calls or texts. They offered no additional assistance.Several months later they reached out and said that they know I got an increase in disability benefits and that I now owe them $9,000. This information is private and can only be obtained by calling the VA and providing my social security number and pretending to be me.Also, I contacted the company to close my account and they refuse to close out my account unless I provide my personal and private medical records to them and pay them $9,000.This company helped me fill out a form for a little over an hour. Thats it. They never helped prepare me for my exams or helped with anything else, despite them agreeing to. Then when I paid them $2,000 for minimal work, they impersonated me to access VA records and now want more money from me. Any increase I received has nothing to do with them. This predatory collection process and identity fraud is unethical.

Here is a more professional and polished version of your message:

Dear Mr. [redacted] regret to hear that you are dissatisfied with our services and feel that we did not adequately support you. We understand your concerns regarding the invoice issued

for the services we provided, as well as your complaint with the Better Business Bureau (BBB).

Our fee structure is clearly outlined in the contract that you reviewed, acknowledged, and signed before any services were rendered. The assistance we provided resulted in the increased benefits you are now receiving. To date, we have not received any evidence that your claims were denied or that our support did not contribute to your recent benefit increase. The mere belief that services were not rendered does not automatically invalidate the invoice.

Additionally, deciding to discontinue our services does not in itself void the contract. Your agreement remains in effect until your account is formally closed in our system and you are no longer a client.

Regarding your claim of "identity theft," we want to clarify that we have never engaged in such actions. You expressly authorized us to access specific information, as detailed in the contract you signed. For your reference, the relevant section states:

"Trajector Medical and our affiliates may stand in your place as your limited proxy and utilize your personally identifying information (PII) and protected health information (PHI) to access, obtain, and review information relating to your military service, military medical information, private medical information, and any VA or Social Security medical and disability benefits data reporting systems. This Limited Proxy Agreement is restricted to read-only access and does not extend to any decision-making authority on your behalf, nor does it authorize us to make any changes to your records. Please consult our Notice of Privacy Practices for a full description of how we secure, use, and access your PHI."

We have made multiple attempts to contact you outside of this platform, including emails, phone calls, and SMS messages. However, the phone number on file appears to be disconnected, and we have not received any response to our escalation teams emails.

Since we have not yet received any substantiating evidence invalidating the invoice, your account has been placed with our retention holding team due to the outstanding balance.

Sincerely,
Trajector Medical

About a year ago I contacted Trajector Medical to assist with increasing my VA disability rating, based on their claims of support and personalized medical evidence development. However, the service they provided has been extremely disappointing and does not justify the thousands of dollars they are expecting to charge.The agreement led me to believe that I would receive thorough medical consultations and meaningful assistance. Instead, all I got was a 30-minute call with some who claimed to be an RN that did nothing to move my case forward, barely spoke English, did really nothing to help, and they filled out minimal paperwork. Initially I didnt say anything because I was hopeful this place was legit. Recently, I attempted to contact Trajector Medical to tell them I didnt get any increase and wanted to terminate my account but they never respond. The only response I got was an automated message acknowledging receipt of my decision letter and stating they would wait for deferred conditions to be adjudicated. My request to terminate the contract and discontinue further communication was completely ignored. This companys practices are misleading and exploitative. They overpromise, underdeliver, and expect to charge veterans ridiculously high fees for services that do little to help, under the guise of patriotism and supporting veterans. I feel deceived and taken advantage of. On top of all of this, they violated their contract by contacting the [redacted] ON MY BEHALF to try to get information on my claim status. I never once approved anything like this. It is extremely unethical, and ILLEGAL. They appear to be a scam. Their practices are that of criminals. Theyre not accredited. They claim they wont contact the [redacted] on your behalf, only do the investigating and paperwork gathering for you but they in fact did the opposite. I havent gotten anything but denials and deferred.. ts been a year they contacted the [redacted] claiming to be my medical advisor. Unacceptable.

Dear [redacted],
We are genuinely sorry to learn that you are dissatisfied with our services and feel unsupported. It is also disheartening to hear that the invoice we issued may have contributed to your perception of injustice, prompting your complaint to the BBB. Please allow us to address your concerns and provide clarity.
Firstly, while we are currently unaccredited, we operate within the bounds of the law. We are authorized to charge for our services as we have explicitly established that we are not a legal entity. This distinction is clearly outlined in the agreement you reviewed, acknowledged, and signed before any services were rendered. As a business, we are permitted to charge for our offerings in the same manner as other non-legal entities. The

laws governing accredited entities do not apply to our operations. Additionally, we would like to emphasize that we have never communicated with the [redacted] on your behalf, as this would require us to be a legal service, which we are not.
We regret that we were not afforded the opportunity to resolve your concerns before this escalation. Despite our escalation team's diligent efforts to reach you through phone calls, emails, and SMS messages, they were unable to establish contact to discuss the matter.
As the issue remains unresolved, your account will remain active with our team. We understand the importance of addressing your concerns and would greatly appreciate the chance to work toward a resolution. If you are willing to engage in a discussion, please do not hesitate to reach out to us.

Trajector Medical is a predatory company that is illegally using my SS # to call the VA and impersonating me. I have also reported them to the BBB scam report, because of this behavior. After my first BBB complaint, they send you to an apparent escalation person, who asks the same things the call center in the [redacted] does, which is complete fluff. I wrote their lawyer, [redacted], a certified letter after their office said they were having a legal review of my claim. I put in this letter old emails and a copy of a notarized letter from years ago, expressing I wanted them to stop representing me and stop using my personal information to get claim rating information. Once I learned they were breaking laws 34. CFR [redacted](b) and 38 CFR [redacted], that no [redacted] company could prepare, present or prosecute any veterans claim on their behalf I asked to be released through calls, emails a notarized letter and finally a certified letter. These correspondence were all sent to their lawyer.I am asking the BBB to step in and have this company present an official hard copy of a termination letter that I owe them nothing. They did not honor any part of this agreement and have been using my personal information to gain VA access illegally, Trajector Medical is a scam company Harassing a Veteran is no way to run a business, and ALL Veterans need to be made Aware of this. We fought for our Country and companies like this continue to make us go to War. I'm asking for an Official Letter of release to be sent to my Mailing Address, NOT an email. I will continue fighting if not received by mailing documentation to the Attorney General in my State, the [redacted], The VA Office of Council, the Office of Integrity and Compliance. I'm expecting a response on the BBB that this company has officially sent a Termination letter. This company did absolutely NOTHING!

To whom it may concern:

After a final review of the client's account was completed by myself and our legal team, we have reached the following conclusion:
The claim that we used the complainants Social Security number to impersonate them with the VA is false. Trajector Medical is a third-party provider of private medical evidence and does not prepare, present, or prosecute VA claims, making the cited restrictions inapplicable to our operations. We have reviewed the complainants requests to terminate services and confirm their case has been closed. A letter confirming no further obligations will be sent as requested. We respect the veteran community and remain committed to lawful and ethical practices. There will be no further contact from our business.

In April 2024, I began using Trajector Medical to assist with my VA claim. During the initial interview process, they created the impression that they could help me secure ratings for a wide range of issues. However, my experience with them has been overwhelmingly negative.The first red flag appeared when they submitted the documents for my new and supplemental claims. It was clear to anyone reading them that the information was not tailored to me as an individual. I was shocked by the poor grammar and lack of attention to detail in the submissionssomething I would never have submitted on my own. Despite raising these concerns, nothing was corrected. Critical information, such as my personal history and relevant details, were left out entirely.Their customer service has been equally frustrating. Many representatives are difficult to understand, and they often fail to comprehend the issues Im trying to explain. Most of my complaints have been dismissed or ignored outright. Trajector Medical has provided no meaningful assistance, yet they still expect to profit if I secure a disability [redacted] is tragic that companies like Trajector Medical are allowed to exploit Veterans in this way, reaping financial benefits from the disability claims process while providing substandard service. I was unaware this company charged money to help get veterans benefits for injuries sustained while serving in the military. I have had no income since 2010 and the small benefit I receive through the VA is not enough to live on let along pay for their bill- which is 5x my increase. I requested them cancel the contract with them but they are looking for money that I don't have. They are not willing to work with me at all. When the supposed contract was signed, I was not in a frame of mind to justly sign the contract as I was hospitalized shortly after. I worked with a [redacted] who got me my benefits after the fact for free, the same as they are trying to charge me for. I want the contract cancelled and no contact with me or my medical records.

Dear [redacted],
We sincerely regret to learn that you are dissatisfied with our services and feel that we have not adequately supported you. It is concerning to hear that the invoice we issued may have led to the perception of unfair treatment, which in turn appears to have contributed to your complaint with the Better Business Bureau (BBB).
We truly value every opportunity to address and resolve any concerns our clients have, and we would have appreciated the chance to work with you to settle this matter amicably. However, it seems that we were not given that opportunity. Despite multiple efforts by our escalation team to resolve the issue, they have unfortunately been unable to reach you. Our records indicate that numerous attempts were made to contact you, including phone calls, emails, and SMS messages, but regrettably, we have not received any response.
Given that this issue remains unresolved, your account will continue to be active with our team for the time being. However, the lack of communication from your side has made it challenging for us to reach a resolution. If you are open to discussing this matter and working toward a solution, we encourage you to get in touch with us at your earliest convenience.

I am rejecting this response because: we have attempted to resolve this on the phone prior and were unable to. You wanted payment from a man who receives $175/mo and has no other income before you would do anything. Why should we continue to have conversations with you when you are not willing to actually resolve anything? We asked to pull any authorizations we gave, and once again you were not able to do this on the phone until you receive payment. We have notified the VA system and were notified this was what they consider a scam as they provide these services for free. We are now working with them to pursue this on their end to discontinue any relay of medical knowledge or future decisions as you are unwilling to resolve.

Once again, we ask you zero the account balance, close the account and cease contact.

Dear Mr. [redacted] regret to learn of your dissatisfaction with our services and sincerely apologize for any frustration or inconvenience you have experienced. It is our goal to address all client concerns in a timely and effective manner, and we regret that your

expectations were not met in this instance. We understand your reluctance to engage further with us due to concerns related to your invoice and financial situation. While we empathize with the challenges you may be facing, we believe it is important to clarify a few points for transparency.

First, our records indicate that you chose to proceed with our services despite the availability of free alternatives. The terms and conditions, including the associated costs, were clearly outlined in the contract that you reviewed, acknowledged, and signed prior to the commencement of any services. By signing this agreement, you confirmed your understanding and acceptance of these terms.

Second, while we understand that you have reached out to the Better Business Bureau (BBB), it is important to note that the BBB functions primarily as a platform for reviews and does not have the authority to resolve contractual or financial disputes. To address your concerns effectively, it is essential that you communicate directly with us.

At this time, your account remains unresolved and has been referred to our finance team due to an outstanding balance. Our Escalations Team has made multiple attempts to contac you, but unfortunately, these efforts have been unsuccessful due to a lack of response.

We strongly encourage you to reach out to us at your earliest convenience to discuss a resolution. Our goal is to work collaboratively with you to find a solution that is mutually agreeable and ensures a satisfactory conclusion.

I contacted Trajector Medical to help with my VA claim. They offered professional & personalized services, medical evidence development. They did none of this. They only type up a report using my information.1st red flag was the interview staff unaware of basic med terms. The only services they provided were scripted phone calls. Once the paperwork was typed the staff member declined my request for adequate time to review; he was very rushed & insisted it was not necessary. I would have made corrections. I then received a letter from the [redacted] stating the claim was closed without exam & all information submitted used for backfill information only. The [redacted] stated that there was no change to my disability rating. I immediately contacted Trajector and requested an urgent call back. It took them a week to respond; I was told they had no idea what to do next. I then got a last minute appt for a VA exam (after claim closed). I requested a call back for review prior to exam. I spoke with staff that was very rude & dismissed my request. Afterwards I got a call, but it was an internal QA call with a scripted survey not for assistance.The VA exam left me very concerned & with many questions. I called Trajector for help.Since my VA exam this company has GHOSTED ME and they have offered no calls, no e-mails and NO ASSITANCE. I have learned that they are NOT ACREDITTED, making it possible for them to exploit money from myself & other veterans. I feel that I have done more than due diligence, while this company has ignored and dismissed every request I have made. As stated, I am currently being ghosted by them: this has gone on over five weeks after requesting urgent assistance. That alone should terminate their service. They have provided no qualifying assistance to justify keeping my account open or charging me for non-existent services. THIS COMPANY IS A TOTAL SCAM.

After contacting the BBB, I received 3 calls in less than a week following a dearth of communication. The agent I spoke with was friendly and stated that they would make adjustments as needed to my case (no specifics given).
Please note: as stated this unfortunately is a NON-accredited company. Per Federal Regulation CFR 38 {{ Only accredited agents and attorneys may receive fees from claimants or appellants for their services provided in connection with representation. Fees which do not exceed 20 percent of any past-due benefits awarded as defined in paragraph (h)(3) of this section shall be presumed to be reasonable if the agent or attorney provided representation that continued through the date of the decision awarding benefits. Fees which exceed 33 1/3 percent of any past-due benefits awarded shall be presumed to be unreasonable}}
Due to their performance to this point, I do not feel comfortable closing this case until they have actually accomplished making an adjustment to their service fees.

As previously stated when I had questions or asked for assistance this company ignored and even ghosted me. BUT when they wanted info on VA claim decision = money for them, they were calling daily (even multiple times a day).
The escalation team member was friendly and helpful within his limits; so the case has finally been closed.

THEY ARE A NON-ACCREDITED [redacted] Per Federal Regulation CFR 38 {{ Only accredited agents and attorneys may receive fees from claimants or appellants for their services provided in connection with representation. Fees which exceed 33 1/3 percent of any past-due benefits awarded shall be presumed to be unreasonable}}
Per regs a reasonable fee would have been approx.: $3300
Maximum allowed by law would be approx.: $5500
MY ADJUSTED FEE was $9500
Be aware that there is current legislation in the works aimed at protecting Veterans benefits from predatory claim sharks: Hopefully this will pass to protect others, even though myself and others were not.

I am filing a formal complaint against Trajector Medical for their failure to honor my request to terminate my relationship with their company, as well as for other concerning practices.Failure to Terminate Relationship: I explicitly requested to terminate my relationship with Trajector Medical, but my request was not respected. Despite multiple attempts to end the agreement, they continued to contact me and failed to acknowledge my decision.Misrepresentation of Services: When I initially engaged with Trajector Medical, I was assured I would receive specific support and guidance throughout the VA claims process. However, their services fell far short of these promises. I was left to complete much of the work on my own, including gathering documentation and scheduling additional appointments.Unauthorized Access to Records: I am deeply concerned about how Trajector Medical obtained information regarding my VA disability rating. I did not grant permission for access to my records, and I believe this warrants investigation.I am requesting the BBBs assistance in resolving this matter. Specifically, I ask that:Trajector Medical immediately terminate my relationship with their company as per my request.They cease any further contact with me.An investigation into their business practices be conducted, especially concerning the potential unauthorized access to my personal records.I appreciate your attention to this matter and look forward to a resolution.

Dear [redacted],
We sincerely regret to hear about your dissatisfaction with our services and apologize for any challenges you encountered in addressing your questions or concerns regarding your

account and closeout request. We understand your decision to file a complaint with the BBB and would like to address your concerns comprehensively.

Firstly, while the BBB serves as a review platform, it does not hold the authority to investigate companies or enforce resolutions. For this reason, we encourage you to contact us directly to address your concerns effectively.
Secondly, regarding your VA rating and permissions, you authorized us to access specific information as outlined in the agreement you signed. For your reference, the relevant section states:

Trajector Medical and our affiliates may stand in your place as your limited proxy and utilize your personally identifying information (PII) and protected health information (PHI to access, obtain, and review information relating to your military service, military medical information, private medical information, and any VA or Social Security medical and disability benefits data reporting systems. This Limited Proxy Agreement is restricted to read-only access and does not extend to any decision-making authority on your behalf, nor does it authorize us to make any changes to your records. Please consul our Notice of Privacy Practices for a full description of how we secure, use, and access your PHI.
Our escalations team has made multiple attempts to reach you to resolve this matter. Unfortunately, those attempts have been unsuccessful due to a lack of response. At this time, your concerns and account remain unresolved.
We remain committed to assisting you and encourage you to contact us directly to work toward a resolution.

Please do not close this case. I did not know I received an email waiting for a response.
In response to Trajector:
To Whom It May Concern,
Thank you for your response. However, I must address several inaccuracies and concerns regarding your claims and actions.
Unauthorized Access to My VA Account:
While you referenced a Limited Proxy Agreement, I have explicitly revoked any authorization for your company to access my information. I contacted the [redacted] directly, and they confirmed that there is no record of anyone being authorized on my account. This indicates that any retrieval of information you claim to have conducted is unauthorized and, therefore, illegal.
Privacy Violations:
If you have accessed my Personally Identifiable Information (PII) or Protected Health Information (PHI) without my explicit consent, you have violated privacy laws, including but not limited to the [redacted] Portability and Accountability Act (HIPAA). Your actions also conflict with the terms outlined in your agreement, which I no longer consent to.
Failure to Resolve My Concerns:
Your claim that I have been unresponsive is inaccurate. I have made repeated attempts

to express my concerns and resolve this matter but have not received satisfactory responses. This is precisely why I escalated my complaint to the Better Business Bureau.

Continued Unauthorized Activities:

Despite my clear communication that I do not authorize your access to my VA or medical information, your company appears to be continuing these activities. I demand an immediate explanation of how and why this is occurring without proper authorization.

Next Steps:

To resolve this matter:

Immediately cease and desist all unauthorized access to my VA account and personal information.

Provide a detailed account of any access or activity involving my PII and PHI, including dates, times, and the specific information retrieved.

Confirm in writing that no further access will be made without my explicit, renewed consent.

If these demands are not met promptly, I will have no choice but to escalate this matter further, including filing complaints with relevant regulatory agencies such as the Department of Veterans Affairs, the [redacted] ([redacted]), and the [redacted] ([redacted]) under the [redacted] of Health and Human Services.

I look forward to your immediate and transparent response.

Sincerely,

[redacted]

Business Response

Date: 01/09/2025

Dear [redacted],

We are sorry to hear that our previous response did not meet your expectations and that you remain dissatisfied. Your decision to file a complaint with external entities is certainly within your rights, but we would like to take this opportunity to address your concerns comprehensively once more.

Unauthorized Access to Your VA Account:

You stated that:

"While you referenced a Limited Proxy Agreement, I have explicitly revoked any authorization for your company to access my information. I contacted the [redacted] directly and they confirmed that there is no record of anyone being authorized on my account. This indicates that any retrieval of information you claim to have conducted is unauthorized and, therefore, illegal."

This statement is not accurate. To clarify, we are neither capable of nor authorized to access your VA account directly. [redacted] is not a legal entity with such permissions, and we categorically deny any unauthorized access to your account. As a result, there would be no record at the VA of such activities because they have not occurred.

Privacy Concerns:

You also mentioned:

"If you have accessed my Personally Identifiable Information (PII) or Protected Health Information (PHI) without my explicit consent, you have violated privacy laws, including but not limited to the [redacted] Portability and Accountability Act (HIPAA). Your actions also conflict with the terms outlined in your agreement, which I no longer consent to." To address this, as outlined in your signed agreement, you initially authorized us to access specific

information to assist with your case. For your reference, the relevant section of the agreement states:
"Trajector Medical and our affiliates may stand in your place as your limited proxy and utilize your Personally Identifiable Information (PII) and Protected Health Information (PHI) to access, obtain, and review information relating to your military service, medical records, and benefits data. This Limited Proxy Agreement is restricted to read-only access and does not extend to any decision-making authority or permission to alter your records. Please consult our Notice of Privacy Practices for further details."
While we understand that you no longer wish to engage with our services, the contract remains valid until your account is officially closed in our systems. Simply withdrawing consent does not retroactively void the terms of the agreement.
Efforts to Resolve the Issue:
We have made multiple attempts to reach you to discuss and resolve this matter, including emails, phone calls, and SMS messages. Unfortunately, the phone number on file appears to be disconnected, and our escalation team has not received any responses to their emails.
Regarding your claim that the invoice is invalid, we have not yet received any supporting evidence from you to substantiate this. As such, your account has been placed with our retention holding team due to the outstanding invoice.
We remain committed to addressing your concerns in good faith and encourage you to provide any additional information or documentation to help resolve this matter.
Sincerely,

Trajector Medical impersonated an accredited [redacted] claims consultant and illegally manipulated HIPAA information, military information, and personal information out of me.

They coerced over $800 out of me and are demanding over $18,000 in charges for claims work they are not legally allowed to provide without [redacted] accreditation They have even decieved Medical establishments with their legal team to make C&P Exam appointments on my behalf. They predatorily advertise with false and misleading advertising on [redacted] and [redacted], make misleading claims (all lies are confirmed over phone and changed on paper) the contracts are wrapped in legal jargon and nuances i couldn't make fully informed decisions with.

[redacted] started my claim from scratch when I went with [redacted] for help and Trajector is claiming that Trajector is owed the money for the work of [redacted]!

I sent several emails to cease and decist contact from me (not from an attorney) to stop their financial threats of past due payments. Their harassment has grown in boldness too! I get 3 or more calls a day, often before 8am or after 8pm, they send letters, emails, texts, and calls, im almost surprised they haven't sent a physical rep which I am afraid might happen because of their persistence!

They are not legally allowed to charge ANY money to a disabled veteran (which I am) unless they are [redacted] accredited, and they aren't.

[redacted] & [redacted] advised me that their practices are indeed illegal and predatory but thankfully their contracts i was told are " unenforceable".

That was a tremendous relief however I desperately need assistance to stop their fraudulent threats, invoices, calls, business practices and any form of contact from them stopped. Their entire business is predatory and the [redacted]. has them listed as a predatory company now.

Their harassment and tactics are negatively affecting my physical, emotional, mental & spiritual health.

Any support is VERY appreciated!

Dear [redacted],
We regret to hear about your dissatisfaction and your belief that we did not adequately support you. We apologize for any inconvenience caused by the issues with your account and the invoice issued for the services we believe were provided to you, which led to your complaint with the Better Business Bureau (BBB).
Regarding your concern about our ability to charge for services, please note that the laws and regulations governing accredited entities do not apply to our organization, as we do not provide legal representation of any kind. This distinction is clearly outlined in the agreement you reviewed, acknowledged, and signed prior to any services being rendered. Like other businesses, we are permitted to charge for our services without BBB accreditation. Furthermore, opinions provided by the law firm you consulted do not override existing laws or regulations, and our contract remains legally enforceable.
In response to your claim of a HIPAA violation, we want to clarify that we neither possess nor have ever had the ability to manipulate such sensitive information. Additionally, we do not schedule C&P (Compensation & Pension) appointments as we are not affiliated with the [redacted] in any capacity. These details are explicitly stated in the agreement you reviewed and signed. Unsubstantiated claims without evidence do not constitute proof of any wrongdoing on our part.
We understand your concerns regarding the invoice. However, the agreement you acknowledged and signed prior to service commencement outlined all terms, including the fee structure for awarded claims. These services contributed to the increased benefits you are now receiving. To date, we have not received documentation supporting your claim that our services were ineffective or that your claims were denied, despite requests from our invoicing team.
Unfortunately, we were not given the opportunity to address your concerns directly or resolve this matter collaboratively. Our records indicate that our escalation team made multiple attempts to contact you via phone, email, and SMS without success.
Due to the unresolved status of your account, it remains active with our finance team. We encourage you to contact us at your earliest convenience to discuss the matter and work toward a resolution.

We value the opportunity to address your concerns and remain available should you wish to engage further

They gathered medical information, they prepared information pertaining to me medically, they then requested payment for that gathering of said information which is exclusively medical in nature. They are not legally allowed to charge a fee unless they are accredited to do so and they are not accredited to do so legally. Being a private medical company does not exempt them from federal law and adhering to that standard of accredidation. They are preying on uninformed disabled veterans who do not know this. This is not just illegal, it's discrimination towards the disabled!
Their business is operating illegally.
They do not need to be unaccredited lawyers because they are functioning in the role which gathers, prepares and assists with medical evidence gathering. An agent is one who facilitates an action on behalf of another, if they have not acted or assisted in preparation then there is no service to be charged for... If they HAVE recieved payment for assistance with a claim, they have broken the law because only accredited agents and lawyers may charge for that service of assisting with a claim for a claiment. No accredidation, no authority to charge. It is illegal to gather, prepare or ASSIST any claiment (I am the claiment) in any way...they have done all 3 AND have charged for this service. They are even harassing me to pay for a service they claim themselves they can't provide legally.
[redacted] prepared my claim without any assistance from Trajector, and [redacted] is accredited to do so, and they did so for free. Trajector is operating illegally.

I am rejecting this response because: What they have done is illegal. They gathered medical information, they prepared information pertaining to me medically, they then requested payment for that gathering of said information, i had no clue what their payment structure meant, they told me everybody charges a fee. The information they gathered from me is exclusively medical in nature. They are not legally allowed to charge a fee unless they are accredited to do so and they are not accredited to do so legally. Being a private medical company does not exempt them from federal law and adhering to that standard of accredidation. They are preying on uninformed disabled veterans who do not know this and lie over the phone when you ask questions about what they do. This is not just illegal, it's discrimination towards the disabled.

They are functioning in a role which gathers, prepares and assists with medical evidence gathering for a veteran which is illegal for any business to do unless the [redacted] approves them to do so. It is illegal to gather, prepare or ASSIST any claiment (I am the claiment) in any way with a disability claim and i did not know that and would have never given them ANY information of i knew this ...they have done all 3 aforementioned illegal actions (gather. Prepare and assist a claiment) and a 4th they have charged for this service. They are even harassing me to pay for a service they claim themselves they can't provide legally because they are unaccredited, this is blatently deceptive! [redacted] prepared my claim without any assistance from Trajector Medical, and [redacted] is accredited to do so, and they did so for free. Trajector is operating illegally and the [redacted] agrees. They are bad actors and practicing poor business ethics, I do not accept their corrupt business practices. I want an itemized list of what services they provided and an explanation of how each service is not breaking the law by telling veterans their services are legal without using an unenforceable contract as grounds. Their preparation of any of my medical information voids any contract to pay because their service is illegally conducted and they lied to me telling me they are allowed to do so when they in fact are not allowed to charge a service especially for first time claims like mine was.

I had a horrible experience. Trajector Medical has a very bad and incredibly incompetent customer service. When I used their services I did not get an increase on my VA rating, I actually got a decrease. But I submitted my Decision Letters to Trajector Medical to close my relationship with them and move on to use a different company.

After I used a different company ([redacted]) I was able to get an increase on my VA rating and suddenly Trajector Medical started contacting me every day via phone calls, emails, and texts requesting me to submit evidence again even though I didn't not have any business with them anymore.

For months I spoke to many different representatives of Trajector Medical and submitted the requested evidence many times but then I received an invoice from Trajector Medical charging me for the increase on my VA rating even though I didn't get it by using their service.

After having many frustrating conversations with customer service representatives that barely speak English and having to explain my situation over and over again I still haven't been able to get rid of Trajector Medical's constant harassment and I haven't been able to dispute the invoice charging me for work they didn't do. It is a total nightmare as I keep getting daily emails, phone calls and texts requesting me to submit evidence again.

I have learned from many other veterans that have used Trajector Medical's services that I am not the only one who has experienced the exact same situation (or worse). This company is only attempting to take vulnerable Veterans' money even if they don't do any real work for veterans.

If this harassment does not stop and my account is permanently closed, I am seriously considering taking legal action against Trajector Medical and I would encourage any other veterans who may find themselves under Trajector Medical's harassment to consider it as well.

In November 2023 while the company was trying to gain my business there were promises made to provide information prior to my medical appointments. Information was never provided. Calls, emails were never received. Within a day, a brief PDF on general medical topics was provided. However, the promise was to call and walk through the process and general questions the evaluator may ask. There was never a call. However, once a rating was received. April 2024. The phone did not stop ringing to ask for their money. I receive on average four (4) calls a day. Messages left, also texts and emails were also sent. Even after a payment was provided, the calls continued. I have complained to Trajector about the product/service provided and I am told multiple is that they can't do anything. The person or persons I have talk to are not managers and somehow the managers are never available.

Trajector invoices me for work they never did and/or were already paid for:
Invoice #INV-[redacted]

Trajector didn't do any work but is billing me for $4,400.15

I made a previous complaint against them and their CEO offered to call me to talk, but they still billed me for work they didn't do.

Now, after paying off my original bill to them (that I didn't owe, but couldn't get them to go away) they are trying to bill me again. They also keep calling and texting.

Trajector doesn't care about vets. Just about getting paid. They'll make you do all the work, ignore your calls, and will only respond to you when it's time for them to get paid.

Dear [redacted],

We regret that you have experienced issues with our services and feel that we may not be acting in good faith due to the issuance of an invoice for assistance we believe was rendered. We are sorry to hear of your concerns regarding the support provided, but to date, we have not received any documentation or evidence from you that would dispute the validity of the invoice.

Our escalations team has made numerous efforts to reach out and address your concerns. Despite these attempts—including multiple emails, calls, and text messages—we have unfortunately not received a response, limiting our ability to engage in a productive discussion.

Following a final review of your account, we have made the decision to process it for closure. While we maintain that the invoice issued remains valid, in the absence of any documentation to the contrary, we have chosen to update it and move forward with closure due to the lack of response.

Please be advised that no further communication or outreach from us should be expected.

Sincerely,
Trajector Medical

I reached out to Trajector Medical to get help with increasing my disability from 80% to 100% with the VA. At the beginning I asked what are the services? Trajector claimed they gather medical evidence and compile it properly, and they advocate for the veteran with the [redacted] throughout the process. I was advised any issues that arise they handle it. Due to the marketing seemed promising, I decide to give them a try. During the first two weeks I noticed I still had to fill out and compile all of my own medical work. I also noticed the software they used is designed to take the information and compile it for them. I still didnt think too much of it figuring maybe someone will look at it and correct it if needed.After getting the compiled paperwork, I noticed there was not really a difference from anything I already did, but I stayed anyway.After submitting the claim on my own, I noticed everything with Trajector changed.I received no help, and when I did speak with someone, it sounded like an AI scammer with a robotic voice. I had to correct the paperwork and send all my own medical paperwork to the VA. I then emailed advising I wanted to cancel due to I did not receive the services I was promised.The lady then proceeded to say I couldnt cancel because they gave me paperwork, even though the paperwork given was sufficient. As of now I was just notified of a 10% increase from the [redacted], for the work I put in. Trajector is advising of only a discount even though every new medical condition they listed on the paperwork I received a 0% rating for. From the beginning to now, Trajector has lied about the services provided, gave no help or response to any letter. Wouldnt allow me to cancel, although no claim decision was made, no help was given, and their paperwork was insufficient. At this point their end of the contract has not be upheld at all, and they appear to be a foreign company scamming veterans. I want to help other veterans avoid the mistake I made.

Earlier this year in April, I contacted Trajector Medical to assist with increasing my VA disability rating, based on their claims of support and personalized medical evidence development. However, the service they provided has been extremely disappointing and does not justify the thousands of dollars they are expecting to charge.The agreement led me to believe that I would receive thorough medical consultations and meaningful assistance. Instead, all I got was a 30-minute call with an RN that did nothing to move my case forward, and they filled out about an hour's worth of paperwork "I" had to proofread over anyway. I held off on raising concerns earlier, hoping more support would be provided later in the process, but after receiving my decision letter with every claim they assisted with being denied, and two being deferred.Recently, I attempted to contact Trajector Medical to terminate the contract and stop their services as I received a decision letter. However, the only response I received was an automated message acknowledging the receipt of my VA decision letter and stating they would wait for deferred and pending conditions to be adjudicated. My request to terminate the contract and discontinue further communication was completely ignored.This companys practices are misleading and exploitative. They overpromise, underdeliver, and expect to charge myself and other veterans exorbitant fees for services that do little to help. I feel deceived and taken advantage of by their business.Desired Outcome:Immediate termination of all services.Confirmation that I owe no payments, given there has been no change to my VA disability rating.Cessation of any further communication or billing attempts.

On 2/28/23, Trajector helped me file a supplemental claim for insomnia to my existing 10% rating for tinnitus. I had a C&P exam in April 2023 during which time the examiner told me he was diagnosing me with PTSD, not insomnia. On June 13, 2023, I received my rating decision letter stating that the VA was denying my claim for insomnia and PTSD. On 4/29/24, I called Trajector and asked if they would help me file an appeal for insomnia/PTSD. The [redacted] told me Trajector does not file or help with appeals. Since they were not helping me any further and were unwilling to file an appeal on my behalf, I asked if I would owe them any money in the future if I appealed on my own and got a rating. The [redacted] told me no. I believed since Trajector was no longer providing me a service or helping me, my contract with them was done. Their [redacted] told me as much. Since Trajector refused to help me, I filed an appeal with the help of my local VSO in May 2024. In September 2024, I received an increase in my rating to 60% (10% tinnitus and 50% PTSD). On 10/9/24, I received an email from Trajector asking me to pay them $7343.25 for the 50% increase (the increase X 5 months). Trajector is not entitled to this money for the following reasons: 1. Trajector helped me file an insomnia claim, not a PTSD claim, which was denied by the VA 2. Trajector refused to help after the denial 3. A Trajector [redacted] told me on 4/29/24 that I would not owe them any money if I appealed on my own 4. My 50% increase was for PTSD, not insomnia, which they did not help me file 5. Trajector's website proudly states, "We NEVER charge any fees unless you receive a bene?t from our services." Since I did not receive a benefit from their services, they should not charge me a $7343.25 bill. Suggested solution for Trajector: 1. Rescind the bill of $7343.25 and zero out any balance I owe them 2. Immediately cancel any and all contracts between me and Trajector

Trajector Medical promises help with filling VA disability claims. They offered nothing but phone calls with scripted messages from a phone bank. In the end, I got a rating from VA based on my work. I paid what I agreed to even though they didnt do what they said they would in terms of support. I want to proceed with the help of an attorney but cannot proceed until Trajector releases me from representation. The attorney says he cant serve as my advocate until I am released by Trajector. I just need a letter indicating that we are parting ways. I have called Trajector multiple times seeking a letter. First I was told it would be 1-2 days. Then I was told it would be 5-7 business days and things would be expedited. Now Im being told it will be 2-4 weeks. This shouldnt take so much time. I would appreciate any help I can receive.

Back in April 2023 I contacted Trajector Medical in hopes of receiving help with my VA claims. After talking to them for a while I was under the impression that they were accredited through the [redacted], come to find out they aren't and upon further research I found out this company is just another company that is know to be one of many Claim Sharks preying on Veterans. So after finding this out I sent them two email stating that I am no longer needing their services due to them not being accredited through the VA. In which I never received a reply to. Yet after I cut ties and did everything myself, they decide to start contacting me again demanding payment after I made it clear that their services are no longer need nor did they help with anything. This is outrageous, countless emails and phones seeking pay for something they didn't even help with. If they weren't a predatory company and were accredited they'd receive payment directly from the VA, but since they are greedy they'd rather reel Vets in and charge insanely high prices and mask it as "helping." Its upsetting knowing that I been through all kinds of obstacles with the VA from obtaining my own medical records, buddy [redacted] exams and all kinds of things to obtain the proper documentation to submit to the VA MYSELF and to have the reach out demanding payment knowing they didn't do a single thing to help! The thing that upset me the most is them saying that they submitted evidence on my behalf, which wasn't in the slightest bit true because you have to be able to access ones claim to do so.

Business Response

Date: 10/04/2024

Dear Mr. [redacted] regret to learn that you are dissatisfied with our services. We sincerely apologize for any concerns regarding your invoice that may have prompted you to file a complaint with the Better Business Bureau (BBB). We would like to clarify any misunderstandings that may have contributed to your perception of us as a claim shark.

Firstly, your assertion that we filed claims or submitted evidence on your behalf is incorrect. Trajector Medical is not a legal service, and we do not act in that capacity. This distinction is explicitly outlined in the agreement you reviewed, acknowledged, and signed. Section A2 o the agreement clearly states that we do not serve as your VA representative and do not prepare, present, file, or prosecute claims on your behalf. Our role is strictly limited to medical evidence development and medical consulting services. We also explicitly inform our clients that they are free to engage a VA-accredited representative, such as a [redacted] agent or attorney, for assistance with any claims-related matters. Section I further reinforces that we are not a law firm or VA-accredited agents, nor do we provide legal advice. We also do not guarantee the outcome of your claims, treat medical conditions, or prescribe medication.

With regard to the invoice in question, the fee structure was transparently outlined in the agreement you signed before services were rendered. Section G3 specifies that our standard fee is equal to five times the amount your monthly VA compensation increases by.

Additionally, a monthly service charge may apply if the balance is not paid within the due date, but this charge can be waived if payment is made in full within 90 days of receiving your VA claim notification. Any additional costs, including attorney fees, are also detailed in this section of the agreement.

It is unfortunate that we were not provided the opportunity to resolve this matter directly with you. Despite multiple attempts by our escalation team to reach you and address your concerns, we were unsuccessful. As a result, your account remains active with our finance team, and your unresponsiveness has complicated efforts to resolve the situation.

Should you wish to discuss your account and work toward a resolution, we encourage you to contact us at your earliest convenience.

Respectfully,

Then I recently got an increase ON MY OWN and then they pop up again with their hands out! Its funny how they couldnt reply to my emails about not wanting to work with them, but now they care? Business Response

Date: 10/11/2024

Dear Mr. [redacted] regret to hear that you are dissatisfied with our services and have rejected our previous response. We apologize for any issues you have encountered with your account and the invoice we issued, which was for services we believe were rendered to you. We are also sorry for any perceived communication gaps during the processing of your claims with the VA. As we are not affiliated with the [redacted], do not have direct communication with them, and lack access to their systems, we are unable to provide real-time updates during that period.

We acknowledge your concerns regarding our service charges and the perception that we may be operating in a questionable manner, which you have described as being akin to a "claim shark." Please note that, like any accredited entity, we are entitled to charge for our

services in accordance with applicable laws and regulations. We strictly adhere to all legal requirements regarding claims processing and the supporting documentation we provide to our clients.

We understand your frustration with the invoice, but we would like to clarify a few key points. First, before any services were provided, you reviewed, acknowledged, and signed an agreement that clearly outlined our fee structure. This agreement included our charges for any claims awarded with our assistance. The terms of the agreement were thoroughly discussed before you signed, and it was only after this that you experienced the increase in benefits you now receive.

We value the opportunity to resolve disputes amicably; however, in this case, we were not given the chance to address your concerns. Despite multiple attempts by our escalation team to contact you, we were unable to reach you for a discussion. Our records show that you did not respond to these efforts and have only communicated through the complaint you filed with the BBB. Please be advised that the BBB does not have the authority to resolve this matter.

Given the unresolved status of the invoice, your account remains active with our finance team. We have not received any documentation from you that substantiates your claim that the invoice is invalid or that disproves our involvement in assisting with your claim. Our records indicate that you received supporting documentation from us, which you used in filing your claims in 2023. As of yet, you have not provided proof that the claim increases were unrelated to the documentation we supplied.

Should you wish to discuss this matter further and work towards a resolution, we encourage you to reach out to us.

I used Trajector Medical in 2021 to file for an increase in my dysthemic disorder/PTSD rating. In 2022 my rating was increased from 10% to 70%, where it remains today. Back in 2021, Trajector was engaging in a business practice that had veterans turn over their usernames and passwords to VA websites to verify their information. I did so, not realizing how predatory TM really was. My account was settled in 2022 when I paid my five months increase when my mental health rating went from 10 to 70%. However, in 2022 I was denied a service connection for sleep apnea and rated at zero percent for headaches. My appeals for both have been denied. I am convinced that Trajector Medicals AI-generated evidence complete with misspellings and grammatical errors, was largely responsible for my sleep apnea denial and my headaches being rated at ZERO! Thanks to Trajector I now have no realistic hope for receiving benefits that I earned! I am seeking to end my contract with Trajector Medical and any and all of its associated companies, and never be contacted by them again. I have already steered three other veterans AWAY from Trajector Medical. Texas Attorney General [redacted] recently sued VA Claims Insider for similar practices and I wait patiently for the day when he sues Trajector Medical. I will happily sign my name to any lawsuit against this predatory and unethical business.

Dear [redacted],

We regret to hear that you are dissatisfied with our services, and we apologize if you feel that we have not provided the level of support you expected. We understand that you believe our actions may have contributed to the denial of your claims, and we are sorry for any confusion or frustration this may have caused.

It is important to clarify that we do not have any influence over the VA's decision-making process regarding claims. We strive to provide accurate guidance and support to all our clients, and it is unfortunate that our efforts were perceived otherwise.

We would have welcomed the opportunity to address your concerns directly. However, despite multiple attempts by our escalation team to reach out to you and discuss the situation, we were unable to establish contact. This lack of communication has complicated the resolution process on our end.

Given the current circumstances and the continued lack of response, we have decided to

close your account in our system. We believe this step is necessary to bring closure to this matter. A formal letter confirming the closure of your account has been sent to you, and no further communication from us will be necessary.

Sincerely,
Trajector Medical

I started with Trajector Medical this year, and I am beyond dissatisfied with them. First off, they are claim sharks. They did the bare minimum when it came to getting my claim done. Every time I went to an appointment, they would give me scripts on what to say and what to expect. Once I got to those appointments, the doctors couldn't wait to get me out of there, and when I expressed concerns, Trajector said that I could fill out a survey and get a new exam, but it could take months to get one scheduled, and they didn't recommend it. They also only took X-rays. No labs, CTs, MRIs, sleep studies, or other tests were done. I ended up with a 70% rating, and before the ink was even dry, they were hounding me for when I was gonna pay my balance of over $7000 for their bare minimum work, all while having the audacity to ask me to bring on other veterans to their services. I paid off the balance, and got an email that my balance was paid in full. Then, without their help, my rating went from 70% to 90%, and they sent me another invoice for just shy of $3000 for "medical services." During this time, they also hounded me with email requests for me to upload my decision letters, even though I had already sent them multiple times. Their customer service is atrocious, and 95% of the time the reps barely spoke English, and just made excuses as to why they couldn't help. They preach that communication and all that is key, yet the only time they got serious about reaching out is when money was owed to them. When I explained my situation that I'm a stay at home dad, and that I couldn't really afford to pay off $3000 in three months, they warned me about interest charges and other fees, and now have to stress out about how I'm going to handle finances at home because they hid the fact that they'd continue to charge you for every increase in their fine print, and they never went over that with me before. I want my contract with them canceled, and for not further contact from them.

I have received an email from Trajector satisfying my requests of them that my account be terminated.

Initial Complaint

Date: 08/15/2024

Type: Product Issues

Status: Resolved

I used Trajector's services to attain a more favorable rating. When I received their "medical evidence," I was extremely disappointed. It was not a medical nexus. They simply did a google search for research papers and attached a couple abstracts from various studies. I figured they knew what they were doing, so I filled my claims.
Almost everything was denied. I received a small 10% increase. I contacted them and

asked about filing an appeal. Over the phone and through email, I was told they were "happy with my medically supported increase." They told me to pay the invoice and then their team would look into an appeal. I paid the invoice, but no one ever contacted me for an appeal.
I called again asking about help with an appeal but was never given a straight answer. I figured that I was done with Trajector and that I would have to do it on my own. So, I refiled for an appeal on my own. Trajector had nothing to do with the appeal.
*They did not assist me when I filed the appeal.
*They did not assist me when I wrote a second statement.
*They did not assist me in gathering additional medical evidence.
*They did not assist me in preparing for the second medical examination.
But because they continue to call the VA as your "representative", they discovered that I won my appeal, and now they want more money from me. This violated their own contract which states that after you file a claim and pay off the invoice, they will not invoice you again for any future increases. I spoke with them and explained all this. They still want me to send them documentation, even though I am under no obligation to do so.
I told Trajector to stop calling me and to handle all communications through email or regular mail. They are now calling twice a day. Trajector's predatory actions are causing my family and I undue stress.
I want to all communication to cease and desist. I want my account zeroed out and closed.

Trajector Medical is a predatory company preying on veterans. I believe they have fraudulently contacted the VA on my behalf. When I first contacted them, I was promised specialized assistance, none of which was provided. Then they sent me a bogus invoice with incorrect data. I believe this company makes promises in order to get you to sign a contract, knowing full well they will fail to deliver and then hound their clients for money. I have sent them an email informing them of my termination with them and await a response.

Business Response

Date: 08/30/2024

Dear [redacted],

We regret to hear that you are dissatisfied with our services and apologize for any negative experience you may have had regarding your invoice. We take all concerns seriously and understand that you felt compelled to file a complaint with the Better Business Bureau (BBB). We are equally sorry that you feel we did not adequately support you throughout this process.

Regarding your concerns about unauthorized access to your information, we respectfully disagree with your characterization. As outlined in the agreement you reviewed, acknowledged, and signed prior to the commencement of services, specifically in Section [redacted], you authorized us to act on your behalf and use your Protected Health Information (PHI) for the limited purpose of ensuring we are aware of any changes to your medical conditions or disability benefit status.

We value open communication and would have welcomed the opportunity to address your concerns directly. However, it appears that we were not given that chance. We have made multiple attempts to reach you through our Escalation Team to clarify and resolve any misunderstandings regarding the services you believe were not provided. Unfortunately, despite our repeated efforts, we have been unable to establish contact with you. Our records reflect several unsuccessful attempts to connect, and we regret that you have chosen not to engage with us outside of this platform. As we have previously mentioned, the BBB does not mediate such matters; direct communication with us is necessary to address and resolve your concerns.

Given the current circumstances, your account remains active with our finance team due to the unresolved issues. Regrettably, your lack of response has complicated the situation. We remain committed to resolving this matter and encourage you to contact us directly so we can work together towards a mutually agreeable resolution.

Sincerely,
Trajector Medical

[To assist us in bringing this matter to a close, you must give us a reason why you are rejecting the response. If no reason is received your complaint will be closed Administratively Resolved]

Complaint: [redacted]

I am rejecting this response because:
Acting on my behalf does not constitute impersonating me with the VA. I have spoken with the VA and there was no paperwork filed with the VA authorizing Trajector access to my account on my behalf, as well as there were no calls recorded or annotated to my file with the VA by a representative of Trajector or anybody acting on behalf of me. According to the VA, that means the only way Trajector would have acted on my behalf is by impersonating me. As I'm sure you're aware, this is highly iillegal and potentially grounds for action against Trajector by the Veterans Affairs Office of the Inspector General.
Additionally, as I have previously stated, Trajector failed to hold up their end of the contract in multiple ways, including failure to identify conditions, failure to provide nexus letters, failure to return a phone call ahead of C&P exams, and I have as of yet not received a response to my email to the email address listed in the contract for termination of contract.
When I spoke to the VA most recently, they advised me about 38 CFR 14.629 (b)(1) and 38 CR 14.636 (b) stating that if I am using any company, I should not be doing so. As I mentioned in an email, I did not state or mention that I was using Trajector specifically, however the VA stated they have been getting complaints about multiple companies, one of which being Trajector Medical.
Finally, the representative from the VA brought to my attention that your firm is giving advice on the preparation, presentation, and prosecution of claims before the VA without proper accreditation from the VA Office of General Counsel. Only accredited representatives are authorized by law to collect a fee for assisting claimants. It is not fair nor accurate to state that I have been unreachable or have not responded to contact. I have been in contact multiple times with Jeanette from your Escalations Team, however she does not respond to my concerns, but rather copy and pastes canned company responses.
I look forward to the confirmation of the termination of my contract and relationship with Trajector, as well as the confirmation of my records being removed from Trajector Medical's systems.

TRAJECTOR MEDICAL

Business Response

Date: 09/10/2024

Dear [redacted],

We are sorry to hear that you were dissatisfied with our previous response and have chosen to reject it.

We want to reiterate that we have conducted ourselves appropriately, and in compliance with all applicable laws and regulations. We respectfully disagree with your concerns regarding unauthorized access to your information. As outlined in the agreement you reviewed, acknowledged, and signed prior to the commencement of services — specifically in Section [redacted] — you authorized us to act on your behalf and use your Protected Health Information (PHI) for the limited purpose of monitoring any changes to your medical conditions or disability benefit status. At no point have we impersonated any of our clients.

In relation to your assertion that only accredited representatives are legally authorized to collect fees for assisting claimants in the preparation, presentation, and prosecution of claims before the VA, and that we are operating illegally, we must clarify that this statement is inaccurate. As we have made clear, we do not claim to be an accredited representative. Our role is strictly limited to providing support with documentation for your claims, as explicitly outlined in the agreement you signed prior to receiving any services from us.

We value transparent communication and would have welcomed the opportunity to address your concerns directly. Unfortunately, it appears we were not afforded that opportunity. Despite multiple attempts by our Escalation Team to reach you and clarify any misunderstandings regarding the services provided, we have been unable to establish contact with you. Our records show several attempts were made by our managers and supervisors, all of which were unsuccessful. As noted before, the Better Business Bureau does not mediate these types of matters; therefore, direct communication with us is essential to resolve any issues.

In conclusion, we stand by the validity of the invoice provided to you. Given the lack of constructive dialogue, we have decided to close out your account and process the invoice accordingly. As a courtesy, we have issued a formal closing letter, which serves as documentation of this action. We regret that we were unable to reach a mutually satisfactory resolution and, at this point, do not anticipate further communication on this matter.

Sincerely,
Trajector Medical

In 2022 I engaged Trajector to assist with a VA claim, with the understanding that I would pay a small fee only if benefits were provided for the claim they assisted with. The team provided minimal assistance with wording for submitting documents. Following this, communication became exceedingly difficult. I received random calls from various representatives, often from different countries, and when trying to return those calls, I was unable to reach anyone. Instead I was met with apologies about management changes. Most of my claims were denied, except for one that awarded 10%. After several months I spoke with a representative to notify them of the decision and that I no longer wished to continue with the company. The representative stated that I owed $829.60 for the minimal assistance they gave to close out the account. I made this payment on August, 28, 2023 and was told this would complete the process. The only documentation I received was a receipt confirming the payment. However, a year later I received another call from a representative claiming that certain documents were never sent and still needed. I explained that this did not make sense, as I was previously told the account was settled. Despite my concerns about the legitimacy of these requests, I complied and sent the requested documents via email. Then they started asking for a breakdown of the decision rating by taking a screenshot of my VA app. I complied. These documents have my social security information and other sensitive information and these agents outright stated they are located offshore. They refuse to give me phone numbers where I can contact the same person and when asked to send emails stating my account is closed they say they will call. I am requesting my account closed immediately and an email stating such, with no further requests for documentation or payment as I have already fulfilled my obligation. The lack of clear communication and consistent information has been frustrating.

Dear [redacted],

We regret hearing that you are dissatisfied with our services. We take your concerns seriously and wish to address the issues regarding your invoice that led to your complaint with the Better

Business Bureau (BBB). It is disheartening that you feel we did not provide adequate support.

Regarding our fee structure, we would like to clarify that this information is explicitly detailed in the agreement that you reviewed, acknowledged, and signed prior to the commencement of any services. The agreement clearly outlines our fee structure, including any additional fees that may be incurred if payment is not received in full within 90 days following a favorable outcome of your claims. We assure you that we have acted in full transparency and have not misled you in any way.

Concerning your communication with our team, we apologize for any misunderstanding. However, once your claims are submitted to the VA, we are unable to provide updates, as we do not have any direct communication with the VA nor access to their systems. Consequently, we are unable to offer status updates while your claims are under review.

We regret that we were not given the opportunity to resolve your dispute and address the concerns with your account. Despite our multiple attempts to reach you, our records indicate that we were unable to establish contact. We understand that you have tried to reach out, but unfortunately, when we have attempted to return your calls, the connection has been terminated, preventing us from discussing your concerns further.

Given the unresolved nature of this issue and the lack of communication, we have been left with limited options. In light of this, we have proceeded with closing your account in our system, despite the submission of the claims we assisted with. You will not receive any further communication from us moving forward.

Date: 08/23/2024

Dear Veteran [redacted],

Thank you for reaching out to us and bringing your concerns to our attention. We understand the seriousness of the situation and want to address your issues thoroughly.

First and foremost, we want to explain your relationship with Trajector. You entered into a Medical [redacted] Agreement (MEDA) with Trajector, pursuant to which we provided medical evidence consulting services to you, which we understand contributed to you receiving your ratings increase. That is the basis of our Trajector invoice to you.

Next, we want to be clear that Ree Medical is an entirely separate and distinct entity from Trajector. Trajector does not have any affiliation or operational relationship with Ree Medical and we are not aware of their business practices.

We regret that you are experiencing difficulties and confusion involving Ree Medical, and we encourage you to return our communications regarding this matter so that we may obtain more information regarding Ree Medicals dealings with our clients.

We are currently taking action regarding what we believe to be Ree Medicals unauthorized use of our trademarks and actions which may confuse, mislead and potentially exploit our clients, including you, as well as other veterans. Our goal is to ensure that no other veterans face similar issues, and we are working diligently to stop any potentially deceptive practices by Ree Medical.

Regarding the outstanding invoice to Trajector that you mentioned, our goal is to provide excellent client service while helping our Veterans receive all the benefits for which they are medically, legally, and ethically qualified. We are thrilled that you have received a 100% rating and are glad to have been able to work with you on the medical evidence to support

this increase. To address the concerns you raised, a member from our escalations team has been in touch with you and is eager to hear your concerns and work toward a resolution for the concerns mentioned in your review. We remain committed to resolving all the concerns that you have.

We are also prepared to assist you on terminating your contract with Trajector if that is your wish. Please provide us with any relevant documents (including the Rating Decision Letter that weve requested), and we will initiate the necessary procedures to assist you.

For further assistance or any questions, please contact us directly. We are here to help and ensure that your concerns are addressed promptly and to your satisfaction.

We were truly disappointed to learn that you are dissatisfied with our services, and we sincerely regret any frustration you may have experienced regarding your invoice. Dear [redacted],

We hope this message finds you well. We were concerned to learn about your dissatisfaction with our services and the negative review you left. We sincerely regret any inconvenience or frustration you may have experienced during your engagement with us, particularly regarding the invoice we issued, which we believe accurately reflects the services rendered.

It is unfortunate that we were not given the opportunity to address your concerns and resolve any potential misunderstandings regarding your account. Despite multiple efforts or our part to contact you and reach an amicable resolution, we have been unsuccessful in establishing communication. Our escalation team made several attempts to engage with you, but unfortunately, no response was received.

Upon further review of your account, our records clearly indicate that you registered for our services in September of 2023. To ensure thoroughness, we conducted a detailed investigation with both our IT department and compliance officers, all of which confirmed that the agreement was reviewed, acknowledged, and signed by you. We regret that we were unable to present you with a copy of the agreement due to the lack of response.

At this juncture, due to the outstanding invoicing issue, your account remains active with ou finance and billing department. Your continued lack of response has complicated the resolution process, but we remain committed to finding a mutually satisfactory outcome. Should you wish to reopen communication and work toward resolving this matter, we strongly encourage you to reach out to us at your earliest convenience.

The contract said it would cost 5% of my increase but failed to mention that they could not legally provide their services and that their 5% charge is based on a 5-year formula which they sent in the invoice, (see formula below). They also were able to get my disability rating before I received my rating letter from the VA without my authorization. I believe this is a HIPAA violation of some sort. EARNINGS OVER TIME 5 Years of VA Pay Increase | $100,667.40 (5 years X $20,133.48 yearly benefit value)RETURN ON INVESTMENT Trajector Medical Service Fee | $8,388.95 5 Years of VA Pay Increase | $100,667.40 Return on Investment Factor: 12 [redacted] When I filed my claim, I received an email from the VA stating Trajector medical cannot charge me for the following:Consult or give advice to VA claimants.Collect evidence for a claim.Prepare and file an initial or supplemental claim.Submit requests for higher level review.Submit an appeal to the Board of Veterans.Business has not tried to resolve the issue: I informed them the VA said they could not legally charge me through the email correspondence they sent, and I stopped receiving emails, but they call me 3 or 4 times a day. I started blocking their calls. I appreciate that my rating has gone up, but I think their processes, tactics, and fees are unethical and predatory.Advertising: The add was seen as a pop-up on my phone after a conversation regarding the struggle I have had over the past several years with my claim.Thank you for your time and assistance.v/r [redacted]

Good afternoon,

My claim is valid and the outcome I would like is for them to stop calling me 3 or more times a day and to clear the amount owed because the VA said they cannot legally charge me for a service which is free to veterans. Thank you and have a good day.

Business Response

Dear [redacted],

We were disheartened to learn of your dissatisfaction with our services, and we sincerely regret any frustration or negative feelings you may have experienced regarding your recent invoice. We understand that these concerns have led to a formal complaint with the Better Business Bureau (BBB), and we take this matter very seriously.

In reference to your assertion that we are not authorized to charge for our services, we mus clarify that this is a misunderstanding. Trajector Medical operates in full compliance with all applicable regulations. While it is accurate that VA-accredited entities are permitted to charge for legal services, it is important to note that we are not a VA-accredited entity offering legal services. Instead, we provide specialized medical evidence development and consulting services, which are distinct from legal representation. This distinction is explicitly outlined in the agreement you signed with us, particularly in section A2, which states:

"NEVER indicate or suggest that we are your VA Representative. You understand that we wi not prepare, present, file, and/or prosecute a claim on your behalf. We strictly provide medical evidence development and medical consulting services. You are free to engage with a VA-accredited VSO agent or attorney to assist you with preparing, presenting, filing, and/or prosecuting your claim. However, we are unable to help you in any of those activities."

Regarding the fees associated with our services, these were clearly detailed in the agreement you reviewed, acknowledged, and signed prior to the commencement of any services. It appears there may have been a misunderstanding regarding our fee structure. To clarify, we do not charge five years worth of your increase if any claims are awarded. Rather, our fee is calculated based on five times the increase in benefits you receive with our assistance. This structure is designed to ensure fairness and transparency in our billing process.

We regret that we were not given the opportunity to resolve your concerns directly before the escalation to the BBB. Our records indicate that our escalation team made multiple attempts to contact you to discuss your concerns and seek a resolution, but regrettably, we were unable to reach you.

Given the current status of your account, it remains active with our finance team. Your continued lack of response complicates the resolution process, but we are still open to discussing this matter further and working towards a mutually agreeable solution. We kindly ask that you reach out to us at your earliest convenience so that we may address your concerns directly.

Thank you for your attention to this matter. We look forward to hearing from you and resolving this issue in a manner that satisfies both parties.

Respectfully,
Trajector Medical

Dear BBB of [redacted]:

Yes, we have come to a resolution regarding my complaint.

There was a misunderstanding regarding my billing and comments made to me from the [redacted]. I spoke with [redacted], a representative from Trajector Medical and he was patient and understanding concerning my frustration.

My transaction with their company would have been much smoother if I had had my conversation with him in the beginning and their process was explained with more clarity.

For the record Trajector Medical was able to help me accomplish in a few months what I could not do in eighteen years.

Status: Answered

In 2023 Trajector assisted with my VA claims. Trajector's agreement states that they don't act as an agent or prepare/ file claims on a vet's behalf. However, they acted as an agent by filling out my claims, sending them to me for review, and submitting them for me. Trajector told me not to edit their claims, but I had to make changes in order to make the information accurate and coherent. When claims Trajector filed were successful, I paid them their fees immediately. But when claims were denied due to errors or missing info, Trajector refused to acknowledge or fix/resubmit them, despite me asking many times. With the denied claims a lost cause, I filed new/different claims MYSELF. Trajector was very disorganized in general. They seem to be an overseas call center, one hand doesnt know what the other is doing, and everyone reads from scripts. I often had to send them the same documents multiple times, despite Trajector acknowledging that they already had them. When I told Trajector that I no longer wanted to use their services and to close my account, they said they would close it when the last claim they filed was settled. In Jan 2024 their last claim was decided. I promptly paid Trajector their fee, and believed my account was closed. However, when the new claims I filed MYSELF were resolved successfully months later, Trajector sent me a bill for those too. So Trajector clearly didn't close my account, AND they clearly used my personal info to access the VA system to see my increase. I have since told them several times in writing and in recorded phone conversations that the new increase was for claims that I filed myself, and that because of their dishonest actions, I will not provide them with any more personal info or pay their invoice. I already gave Trajector all the decision letters for the claims THEY filed. But Trajector refuses to acknowledge that my last increase was for claims I filed myself, and they continue to harass me for payment.

Hello. Trajector may say they tried to contact me to work things out. I told Trajector months back that I refuse to take their calls, because they made numerous promises to me over the phone and then reneged on them later and said theres no proof they made such promises. Also, I tried to work things out with them before filing my complaint, but they ignored I said and stuck to their script where they demand payment and demand personal info for the claim I filed on my own, which I refuse to give them due to how untrustworthy and predatory they have proven to be.

Dear [redacted],

We regret to learn of your dissatisfaction with our services and your belief that we did not provide adequate support. We understand that you disagree with your invoice, and we apologize for any frustration this may have caused. Additionally, we regret that there has been a misunderstanding regarding the terms of your agreement, leading you to believe ou actions were unjust.

We value the opportunity to resolve any disputes and account issues. Despite our multiple attempts and best efforts to reach a resolution, we have been unable to do so due to your non-compliance in providing the necessary documentation to dispute the invoice in question. Furthermore, your lack of responsiveness outside of the Better Business Bureau (BBB) platform has hindered our ability to address your concerns effectively. It is important to note that all fees were clearly outlined in the agreement that you reviewed, acknowledged, and signed prior to any services being rendered. These services have, in fact, resulted in increased benefits for you.

At this time, due to the unresolved invoice issue, your account will remain active with our finance team. We have yet to receive any documentation from you that would support your claim that the invoice is invalid. Your refusal to provide the required supporting documentation has made it impossible for us to proceed with resolving this matter.

We remain open to discussing this issue and working towards a peaceful resolution. Should you wish to engage in a constructive dialogue, please do not hesitate to contact us.

Respectfully,
Trajector Medical

Complaint: **21993823**

I am rejecting this response because: This is a typical scripted garbage [redacted]ly from Trajector, as is seen in many of their responses to complaints from other vets here on the BBB site.

Trajector states that I misunderstood the terms of the agreement. I didnt misunderstand anythingthe terms were clear. Specifically, that Id be required to pay Trajector 5X the monthly increase I received for claims Trajector filed (and ONLY claims that Trajector filed) that were successful. The agreement did NOT say that I was committed to Trajector for life, or that I would have to pay Trajector for benefits increases I received from claims/supplemental claims/appeals I filed myself, or that I would be required to provide them with any documentation to prove otherwise. Further, Trajector [redacted] assured me several times that they would not charge me for benefits I received for claims I filed on my own, including when I asked them to close my account after the last claims they filed for me were settled by the VA in January. In regards to me asking Trajector to close my account: A [redacted] assured me that my account would be closed once I paid them for the claims that were settled in January. I paid Trajector promptly and in full for those claims in the beginning of February, once I received my pay from the VA. Therefore, it is clear that I held up my end of the agreement. Trajector obviously did not hold up their end of the agreement. They did not close my account like they said they would, and they even continued to access my personal information from the VA without my permission, as evidenced below. And despite the agreement and their verbal assurances to me saying otherwise, Trajector is attempting to charge me for a benefits increase I got from a claim I filed myself.

Trajector states that I refused to provide them with necessary documentation. False. I promptly provided Trajector with the decision letters for all the claims Trajector filed for me while we worked together. For those who dont know, thats how Trajector calculates what a vet owes them. So obviously, Trajector received the necessary documentation from me. If they now say they dont have it, then they lost it. That is not surprising, as during the time we worked together, Trajector frequently mishandled or lost documentation I sent them, requiring me to send it again. I am not going to cater to Trajectors disorganization/unprofessionalism by sending them docs that I know I already provided. Nor will I provide Trajector with any documentation for claims I filed myself. Note: The false invoice Trajector sent me for the claim I filed myself, which I refuse to pay, wasnt based on a decision letter; As stated above, Trajector continued to use my personal info to access the VA system after I told them I was terminating our relationship. That is how they learned of the recent increase I received on my own, and seem to be solely what their false invoice is based on.

Trajector claims I refused to discuss this matter with them. Wrong. I tried to resolve this matter with them several times via phone and email prior to filing a complaint with the BBB. During those attempts, I quickly I realized that any discussion with Trajector over the phone was pointless because they ignored everything I said, stuck to their scripted demands for payment and for documentation of the claims I filed myself. Further, it was clear that any commitments or assurances made verbally by Trajector were conveniently forgotten, or that they have no record of that or they never said that. Once I realized Trajector refused to honor any promises or assurances made verbally, I told Trajector I would not discuss anything with them on the phone, rather only via email. Despite being told to only contact me via email, Trajector [redacted] continued to call and harass me, so I was forced to block their number. And even though we exchanged some emails after that, email became pointless as well. Trajector never acknowledged the emails I sent them theyd just send me a new email from a different person. I only filed the BBB claim after it was clear that Trajector would only accept one resolution: Payment.

Trajector claims they tried to contact me to seek a resolution after I filed my BBB complaint. That sounds reasonable enough if you havent been exposed to Trajectors methods. In reality, Trajectors way of contacting me was to [redacted] me with phone calls at least twice a day every day for weeks. This was AFTER I stated to them in no uncertain terms that I would only communicate with them via email, to ensure that there was a record of what was said between us and they couldnt walk back on verbal assurances. To any reasonable person, thats not an attempt at peaceful resolutionthats pure harassment, and I refuse to be subject to that.

In closing: I am steadfast in my refusal to pay Trajectors false invoice or to provide them any personal information related to claims I filed myself. I maintain that I fulfilled my side of the agreement by promptly paying Trajector over $10K in fees for the claims they successfully filed on my behalf, and that Trajector is refusing to honor their side by not closing my account when they said they would, and by trying to charge (and relentlessly harass) me for claims I filed myself. I recently spoke with the VA and also an attorney. The attorney advised me that what Trajector is doing is very likely illegal, which makes any agreement we had illegal and therefore unenforceable. The VA stated that while a vet has the right to have anyone he or she wants assist them with a disability claim, it is illegal for anyone but a registered agent (which Trajector is NOT) to

charge the vet for those services. At the very beginning, BEFORE they officially started working on my disability claims for me, Trajector was on their best behavior. However, as soon as work began, I was handed off to overseas call centers and began to see how disorganized they are and how they refuse to fix their mistakes or address claims that were denied. Thats why I decided to not work with them anymore and asked that they close my account. I had no hard feelings, and I appreciated them helping me get a benefits increase. I thought that theyd at least be professional enough to close out my account like I requested. I was wrong. I am appalled at how predatory, dishonest, and abusive Trajector turned out to be, and I feel that every veteran I know or meet should hear about my terrible experience with Trajector, to include the vets I meet at local VA hospitals and VFW posts. Due to my profession, I work with many law enforcement officers and other first responders. Many of them are veterans too, and I feel that community should also be made aware of just how unscrupulous and predatory Trajector is.

Dear [redacted],

We regret to hear that you remain dissatisfied with our services and feel that our previous response did not address your concerns, leading to your rejection of our efforts. We understand that receiving an invoice you disagree with may have caused frustration, and we sincerely apologize for any inconvenience this may have caused.

As previously communicated, we would have appreciated the opportunity to resolve your dispute and account, but unfortunately, we have been unable to do so due to limited communication. Despite our multiple attempts and best efforts to reach a resolution, we have been unable to engage in a meaningful dialogue as you have chosen not to communicate with us outside of this platform. As you are aware, the BBB is not equipped to handle disputes between customers and businesses. You mentioned that you have blocked our numbers, preventing phone communication, and have ceased responding to our emails We understand that you feel the communication from our invoicing team has been excessive; however, even our Escalations Team has been unable to reach you to discuss this matter further. While you have expressed concerns about the lack of a record when communicating over the phone, please note that all calls made or received by our team are recorded.

Regarding the invoice, it reflects services we believe were rendered to you. All fees were clearly outlined in the agreement you read, acknowledged, and signed prior to any services being provided. You indicated that you filed claims independently, which contributed to the increase. We have requested the decision letters for those claims as evidence that the increase you experienced was not related to any actions taken by our team. Providing this information is part of your agreement with us, as stipulated in section D1: Keep us informed of all communications you have with the VA and provide us with any VA letters or C&P exam requests when you receive them. We would like to clarify that any decision letters we have received were not related to the claims you mentioned filing independently.

Your allegation that we accessed your information without permission is also unfounded. This action is consistent with your agreement with us, as outlined in section G6: You authorize us to act on your behalf and use your Protected Health Information for the limited purpose of ensuring that we are informed of any changes to your medical conditions or disability benefit status.

In response to your statement that we are not authorized to charge for our services, this is incorrect. While it is true that Trajector Medical is not a VA-accredited entity, the law you referenced applies to VA-accredited entities that offer legal services. We do not provide legal services, and this distinction is clearly stated in the agreement you signed with us, as noted in section A2: NEVER indicate or suggest that we are your VA Representative. You understand that we will not prepare, present, file, and/or prosecute a claim on your behalf. We strictly provide medical evidence development and consulting services. You are free to engage with a VA-accredited VSO agent or attorney to assist you with these legal matters; however, we are unable to assist in those activities.

At this time, we have determined that further discussions would not be a productive use of our time. Therefore, we have decided to update your invoice and proceed with closing out your account. A letter confirming the closure of your account has been sent to you as proof.

Respectfully,
Trajector Medical

I accept that Trajector voided their invalid invoice and finally closed my account, long after they said they would. So yes, as far as I'm concerned, the issue is now closed. However, not exactly to my satisfaction, as Trajector's last response is full of falsehoods clearly engineered to say what they want the public to see AND stick to the company line they think will keep them out of trouble with the government entities who may want to bring legal action against Trajector. I would like to make it clear that willingly I sent Trajector ALL of the decision letters for the claims they filed for me. Obviously they got them, as that's how they were able to charge me for their services (prior to their final invoice, which they estimated after they continued to access my personal info from the VA without my permission, after I told them to close my account). However, during the time i worked with Trajector, they lost numerous documents that I sent them. So without a doubt the lost the ones that I sent them. But the proof that they received them is the fact that they used them to invoice me previously. They said I ignored them. False. Before I filed my complaint with the BBB, I tried to work it out with them on the phone. They made it clear that they would not relent in their demands for payment for the invalid invoice. They also reneged on numerous promises they made to me previously on the phone. That's when I told them that I would not communicate with them via phone any longer, as anything the said to me verbally could not be counted on. I told them that I would only communicate with them via email, so as to have a written record of it. They continued to call me relentlessly, often twice a day every day for weeks. When they emailed me, I did reply. But seldom would they acknowledge my reply. And if they did acknowledge, it was just to reiterate their

demands. But usually I got no reply from them, just another new email from someone else with the same cut & paste demands. They also said that they don't prepare and file claims for vets. They absolutely did prepare and file mine for me. I didn't even know how to do it until I taught myself AFTER I had been working with Trajector and had gotten tired of all their mistakes, and horrible communication (except for the people who called me constantly asking if I'd gotten an increase so that they could charge me for it). I was initially pleasantly surprised that Trajector wrote up my claims and submitted them for me, because I didn't know how. I thought it was just them going above and beyond. I didn't learn it was illegal until afterward. But I still paid them the agreed upon fees because I keep my word. Trajector keeps insisting that they don't prepare and file claims for vets, but I can say with absolute certainty that they did that for me, and I'm sure they are just sticking to that line because to admit otherwise is their admission of breaking the law. As I said, I keep my word. If Trajector's last invoice had even the slightest bit of legitimacy, I would have paid that too without hesitation and this situation would have never arisen. But their invoice was completely false, and they tried to relentlessly harass me into paying it. Only now they are saying they are writing it off because their resources are better spent elswhere, but the reality is they know their invoice is false, they know they can't collect it from me, and they know I
