Important to know

Your next meter reading:
Make sure we can safely access your meter. Don't worry if your digital meter flashes eights from time to time. That's a normal part of the energy measuring process.

Your electric service may be disconnected if your payment is past due
If payment for your electric service is past due, we may begin disconnection procedures. If your service is disconnected because of a missed payment, you must pay your past-due balance in full, plus a reconnection fee of $8.00 before your service will be reconnected. A security deposit may also be required.

Electric service does not depend on payment for other products or services
Non-payment for non-regulated products or services (such as surge protection or equipment service contracts) may result in removal from the program but will not result in disconnection of electric service.

When you pay by check
We may process the payment as a regular check or convert it into a one-time electronic check payment.

Late payment charges
A late payment charge of 1.0% will be added for any past due utility balance not paid by the due date.

Storm Recovery Charge
These bill charges were approved in financing orders issued to DEP in 2021 and 2025 by the NCUC to recover storm recovery property. As approved by the NCUC, a special purpose entity is the owner of the rights to collect the storm recovery charges and DEP acts as the agent collecting for the special purpose entities. Visit duke-energy.com/SRC to learn more.
