I. Assumption of Executory Contracts and Unexpired Leases. The Debtors have demonstrated that it is an exercise of their sound business judgment to assume and assign to SGM the Currently Identified Designated Contracts (as defined and identified in paragraph 15 below) and to the extent subsequently identified by SGM pursuant to paragraph 16 below, the Subsequently Identified Designated Contracts (as defined in paragraph 16 below) (the Currently Identified Designated Contracts and the Subsequently Identified Contracts are collectively referred to herein as the "Designated Contracts") in connection with the consummation of the Transaction, and the assumption and assignment of the Designated Contracts is in the best interests of the Debtors and their estates.

J. Cure/Adequate Assurance. In connection with the Closing, and pursuant to the APA, unless otherwise ordered, any and all defaults existing on or prior to the Closing under any of the Designated Contracts will have been cured, within the meaning of § 365(b)(1)(A), by payment of the amounts and in the manner set forth below, unless otherwise agreed by SGM and the counterparty. SGM has provided or will provide adequate assurance of future performance of and under the Designated Contracts within the meaning of § 365(b)(1)(C) and § 365(f)(2)(B), and shall have no further obligation to provide assurance of performance to any counterparty to a Designated Contract. Pursuant to § 365(f), the Designated Contracts to be assumed by the Debtors (i.e., St. Francis Medical Center, a California nonprofit public benefit corporation ("St. Francis Medical Center"), St. Vincent Medical Center, a California nonprofit public benefit corporation ("St. Vincent Medical Center"), St. Vincent Dialysis Center, Inc., a California nonprofit public benefit corporation ("St. Vincent Dialysis Center"), and Seton Medical Center, a California nonprofit public benefit corporation ("Seton Medical Center") (collectively, the "Hospitals"), VHS, and Verity Holdings LLC, a California limited liability company ("Holdings")), and assigned to SGM under the APA shall be assigned and transferred to, and remain in full force and effect for the benefit of, SGM, notwithstanding any provision in such Designated Contracts prohibiting their assignment or transfer. The Debtors have demonstrated that no other parties to any of the Designated Contracts has incurred any actual pecuniary loss

resulting from a default on or prior to the Closing under any of the Designated Contracts within the meaning of § 365(b)(1)(B).

K. Rejection of Executory Contracts and Unexpired Leases. The Debtors will have demonstrated that it is a reasonable and appropriate exercise of their sound business judgment for the Hospitals to reject all of their executory contracts and unexpired leases, excluding (i) Designated Contracts, (ii) any prepetition multiparty contract affecting more than one Debtor in addition to the Hospitals, (iii) any prepetition contract that is the subject of a Rule 9019 settlement motion prior to Closing, and (vi) any collective bargaining agreement, pension plan or health and welfare plan providing collectively bargained benefits to which a Hospital is a party or sponsor, which matters shall be scheduled for determination as provided in paragraph 33 below. Each such executory contract rejection is subject only to the conditions set forth in paragraphs 18, 31, and 32. The Debtors shall file an appropriate motion to reject such contracts, covered by this paragraph K, prior to Closing and shall request therein that the rejection be effective as of the Closing or as otherwise appropriate.

L. Highest or Otherwise Best Offer. The Debtors solicited offers and noticed the Auction in accordance with the provisions of the Bidding Procedures Order. The Auction was duly noticed, the sale process was conducted in a non-collusive manner and the Debtors afforded a full, fair and reasonable opportunity for any person or entity to make a higher or otherwise better offer to purchase the Purchased Assets. Other than SGM's Stalking Horse Bid, the Debtors received two Qualified Partial Bids by the Partial Bid Deadline and did not receive a Qualified Full Bid (as such terms are defined by the Bidding Procedures Order). The Debtors properly consulted with the Consultation Parties in selecting the SGM Stalking Horse Bid as the highest and best bid and in determining that no auction should be held (as such terms are defined in the Bidding Procedures Order), as set forth in their No-Auction Notice. The transfer and sale of the Purchased Assets to SGM on the terms set forth in the APA constitutes the highest or otherwise best offer for the Purchased Assets and will provide a greater recovery for the Debtors' estates than would be provided by any other available alternative. The Debtors' determination, in

consultation with the Consultation Parties (as defined in the Bidding Procedure Order), that the APA constitutes the highest or best offer for the Purchased Assets and to not conduct an auction constitutes a valid and sound exercise of the Debtors' business judgment.

M. No *De Facto* or *Sub Rosa* Plan of Reorganization. The sale of the Purchased Assets does not constitute a *de facto* or *sub rosa* plan of reorganization or liquidation because it does not propose to (i) impair or restructure existing debt of, or equity or membership interests in, the Debtors, (ii) impair or circumvent voting rights with respect to any plan proposed by the Debtors, (iii) circumvent chapter 11 safeguards, including those set forth in §§ 1125 and 1129, or (iv) classify claims or equity or membership interests.

N. Legal and Factual Bases. The legal and factual bases set forth in the Motion and at the Sale Hearing establish just cause for the relief granted herein.

NOW THEREFORE, IT IS HEREBY ORDERED THAT:

1. The relief requested in the Motion is GRANTED and APPROVED in all respects to the extent provided herein.

2. All objections with regard to the relief sought in the Motion that have not been withdrawn, waived, settled, or provided for herein or in the Bidding Procedures Order, including any reservation of rights included in such objections, are overruled on the merits with prejudice. To the extent of any inconsistency between this Sale Order and the Bidding Procedures Order, the terms of this Sale Order shall prevail.

3. Pursuant to §§ 105(a), 363(b), 363(f), and 365, the Transaction, including the transfer and sale of the Purchased Assets to SGM on the terms set forth in the APA, is approved in all respects, and the Debtors are authorized and directed to consummate the Transaction in accordance with the APA, including, without limitation, by executing all of the Transaction Documents (and any ancillary documents or instruments that may be reasonably necessary or desirable to implement the APA or the Transaction) and taking all actions necessary and appropriate to effectuate and consummate the Transaction (including the transfer and sale of the Purchased Assets) in consideration of the Purchase Price (as defined in § 1.1 of the APA) upon

the terms set forth in the APA, including, without limitation, assuming and assigning to SGM the Designated Contracts. The Debtors and SGM shall have the right to make any mutually agreeable, non-material changes to the APA, which shall be in writing signed by both parties, without further order of the Court provided, that after reasonable notice, the Official Committee of Unsecured Creditors (the "Committee"), the DIP Agent (as defined in the Final DIP Order defined below), and the Prepetition Secured Creditors (as defined in the Final DIP Order) do not object to such changes. Any timely objection by the aforementioned parties to any agreed non-material changes to the APA may be resolved by the Court on shortened notice.

4. As of the Closing, (i) the Transaction set forth in the APA shall effect a legal, valid, enforceable and effective transfer and sale of the Purchased Assets to SGM free and clear of all Encumbrances, except with respect to the liens arising from the Special Assessments and the PACE Obligations assumed by SGM, as further set forth in the APA and this Sale Order; and (ii) the APA, and the other Transaction Documents, and the Transaction, shall be enforceable against and binding upon, and not subject to rejection or avoidance by, the Debtors, any successor thereto including a trustee or estate representative appointed in the Bankruptcy Cases, the Debtors' estates, all holders of any Claim(s) (as defined in the Bankruptcy Code) against the Debtors, whether known or unknown, any holders of Encumbrances on all or any portion of the Purchased Assets, all counterparties to the Designated Contracts and all other persons and entities.

5. Encumbrances in and to Purchased Assets shall attach (subject to any Challenge within the meaning of the Final DIP Order that has been, or may be, timely filed) to the Sale Proceeds of such Purchased Assets with each such Encumbrance having the same force, extent, effect, validity and priority as such Encumbrance had on the Purchased Assets giving rise to the Sale Proceeds immediately prior to the Closing. For the avoidance of doubt, the foregoing force, extent, effect, validity and priority shall: (i) reflect the security interests, liens (including any Prepetition Replacement Liens arising for diminution of value, if any) and rights, powers and authorities that have been granted to the DIP Agent, the DIP Lender and to the Prepetition

Secured Creditors, as applicable, pursuant to the Final DIP Order, to the extent that (i) the rights granted to the Prepetition Secured Creditors with respect to §§506(c) and 552(b) by the Final DIP Order are not limited or modified as a result of the appeal from the Final DIP Order filed by the Committee on November 29, 2019; and/or (ii) any replacement liens or security interest granted to the Prepetition Secured Creditors by the Final DIP Order are not invalidated as a result of any Challenge within the meaning of the Final DIP Order that has been, or may be, timely filed. In addition, the Intercreditor Agreement (as defined in the Final DIP Order) shall apply with respect to the rights of the parties thereto in and to the Sale Proceeds and the Escrow Deposit Account, to the extent of and in accordance with its terms with all parties reserving all rights thereunder.

6. Subject to the fulfillment of the terms and conditions of the APA, this Sale Order shall, as of the Closing, be considered and constitute for all purposes a full and complete general assignment, conveyance, and transfer of the Purchased Assets and/or a bill of sale transferring all of the Debtors' rights, title and interest in and to the Purchased Assets to SGM. Consistent with, but not in limitation of the foregoing, each and every federal, state, and local governmental agency or department, except as stated herein, is hereby authorized and directed to accept all documents and instruments necessary and appropriate to consummate the transactions contemplated by the APA and approved in this Sale Order. A certified copy of this Order may be filed with the appropriate clerk and/or recorded with the appropriate recorder to cancel any Encumbrances of record.

7. Any person or entity that is currently, or on the Closing Date may be, in possession of some or all of the Purchased Assets is hereby directed to surrender possession of such Purchased Assets either to (a) the Debtors before the Closing or (b) to SGM or its designee upon the Closing, and to cooperate with the Debtors and SGM in the Debtors' and SGM's fulfillment of their obligations hereunder and pursuant to the APA.

8. The transfer of the Purchased Assets pursuant to the Transaction Documents shall be a legal, valid, and effective transfer and shall, in accordance with §§ 105(a) and 363(f), and upon consummation of the Transaction, including, without limitation, payment of the Purchase

Price to the Debtors, vest SGM with all right, title, and interest in the Purchased Assets, free and clear of all Encumbrances. Upon closing of the Transaction, SGM shall take title to and possession of the Purchased Assets, subject only to the Assumed Obligations, as set forth in the APA. The transfer of the Purchased Assets from the Debtors to SGM constitutes a transfer for reasonable equivalent value and fair consideration under the Bankruptcy Code and the laws of the State of California.

9. Following the Closing, no holder of any Encumbrance against the Debtors or upon the Purchased Assets shall interfere with SGM's respective rights in, title to or use and enjoyment of the Purchased Assets. All persons and entities are hereby forever prohibited and enjoined from taking any action that would adversely affect or interfere with the ability of the Debtors to sell and transfer the Purchased Assets to SGM, including the assumption and assignment of the Designated Contracts.

10. SGM shall not be deemed, as a result of any action taken in connection with, or as a result of the Transaction (including the transfer and sale of the Purchased Assets), to: (i) be a successor, continuation or alter ego (or other such similarly situated party) to the Debtors or their estates by reason of any theory of law or equity, including, without limitation, any bulk sales law, doctrine or theory of successor liability, or any theory or basis of liability, regardless of source of origin; or (ii) have, *de facto* or otherwise, merged with or into the Debtors; or (iii) be a mere continuation, *alter ego*, or substantial continuation of the Debtors. Other than the Assumed Liabilities, SGM is not assuming any of the Debtors' debts.

11. This Sale Order (i) shall be effective as a determination that, on Closing, all Encumbrances existing against the Purchased Assets before the Closing have been unconditionally released, discharged and terminated, and that the transfers and conveyances described herein have been effected, and (ii) shall be binding upon and shall govern the acts of all persons and entities. If, following a reasonable written request made by the Debtors, any person or entity that has filed financing statements or other documents or agreements evidencing any Encumbrances against the Purchased Assets shall not have delivered to the Debtors for use at or

in connection with Closing, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases of all Encumbrances which the person or entity has with respect to the Purchased Assets, then SGM and/or the Debtors are hereby authorized to execute and file such statements, instruments, releases and other documents on behalf of the person or entity with respect to such Purchased Assets. For the avoidance of doubt, such statements, instruments, releases and other documents shall not impair Encumbrances that attach (subject to any Challenge within the meaning of the Final DIP Order that has been, or may be, timely filed) to the Sale Proceeds or the terms of this Order, including, but not limited to paragraphs 5 and 13 hereof.

12. In accordance with the APA, concurrently with the Closing, SGM shall pay that portion of the Purchase Price due at Closing, by wire transfer of immediately available funds, to Debtors' Escrow Deposit Accounts (defined below), subject to the adjustments set forth in the APA. Any direct expenses of the Sale shall be disclosed by Debtors to the DIP Agent, the Prepetition Secured Creditors, and the Committee in advance of the Closing.

13. The terms and conditions of the Final DIP Order shall apply with respect to the Sale Proceeds and Escrow Deposit Accounts (defined herein). Without limiting the foregoing, the Debtors shall comply with paragraph 4 of the Final DIP Order in the following manner:

(a) the Debtors shall direct SGM, pursuant to the terms of the APA, to remit all Sale Proceeds to the separate accounts opened in the name of each Debtor for the Sale Proceeds (each such hereafter referred to as "Escrow Deposit Account");

(b) in giving direction to SGM pursuant to sub-paragraph (a), above, the Debtors shall exercise their reasonable business judgment, in good faith, and allocate the Sale Proceeds among the Escrow Deposit Accounts on the basis of the value of each Debtor's Purchased Assets as of the Closing (which allocation, for the avoidance of doubt, shall be subject to the reservations of rights in paragraph 4 of the Final DIP Order and paragraph 31 of the Bidding Procedures Order; provided further that nothing in this paragraph shall waive or limit any rights the Committee or the Prepetition Secured Creditors may have in connection with the confirmation of a proposed

chapter 11 plan for any of the Debtors' cases (including the right to seek to reallocate estate values and the Sale Proceeds);

(c) without limitation of the rights of the DIP Agent and DIP Lender under the DIP Financing Agreements and the Final DIP Order, no funds held in any Escrow Deposit Account shall be (i) commingled with any other funds of the applicable Debtor or any of the other Debtors or (ii) used by the Debtors for any purpose, except as provided in this Order, the DIP Credit Agreements or the Final DIP Order without further order of this Court, after reasonable notice under the circumstances to the DIP Agent, the Prepetition Secured Creditors and the Committee; and

(d) each Escrow Deposit Account shall be subject to a deposit account control agreement in favor of the DIP Agent and DIP Lender, and subject to, without limitation of the rights of the DIP Agent and DIP Lender under the DIP Financing Agreements and the Final DIP Order with respect to the Sale Proceeds and Escrow Deposit Account, including, without limitation, following the occurrence of an Event of Default or the Revolving Loan Termination Date (as defined in the DIP Credit Agreement), the Debtors shall not be permitted to use the funds held in any Escrow Deposit Account for any purpose, except as provided in paragraph 14, 15, 16, and 17 of this Order, and to fund any Purchase Price adjustment in favor of the Purchaser, without first obtaining the consent of the DIP Agent, DIP Lender and the Prepetition Secured Creditors or obtaining an order of the Court pursuant to §§ 363 or 1129 after reasonable notice under the circumstances to the DIP Agent, the DIP Lender, the Prepetition Secured Creditors and the Committee and, if necessary, a hearing thereon; and

(e) for the avoidance of doubt, the rights of the Debtors, the Committee, and the Prepetition Secured Creditors as to the Sale Proceeds and any funds held in a Deposit Escrow shall be, except as set forth herein, as contemplated by Paragraph 4 of the Final DIP Order, and nothing in this Order shall be construed as altering, amending, waiving, or affecting in any way such rights. Concurrently with the Closing or as soon thereafter as is possible, and in accordance with the APA, SGM shall pay to the counter-parties to the Designated Contracts the cure amounts

set forth in the Cure Notice, or as otherwise agreed to by the Debtors, SGM and the applicable counter-parties thereto or ordered by this Court after a continued hearing on the Cure Objections (the "Designated Cure Amounts"). SGM has the right under the APA to remove any Contracts from the list of Designated Contracts up to seven (7) days prior to Closing, as also set forth in the *Order Approving Stipulation Regarding Designation Deadline Re Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And For Prospective Overbidders, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections* [Docket No. 1865].

14. To the extent that any of the contracts and/or leases, which give rise to the Designated Cure Amounts and are set forth in the Designation Notice and are not subsequently and timely removed by SGM under the APA and the *Order Approving Stipulation Regarding Designation Deadline Re Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And For Prospective Overbidders, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections* [Docket No. 1865] (the "Currently Identified Designated Contracts") are executory contracts or unexpired leases (over which the Court is not making any such determination at this time), then in connection with the Closing, the Debtors shall be deemed to have assumed all such Currently Identified Designated Contracts (so that they are deemed part of the Designated Contracts) and to have assigned them to SGM, and SGM shall have assumed all obligations owing under all such Currently Identified Designated Contracts arising after and following the Closing. The Court shall resolve any and all disputes which may arise between the Debtors, SGM and any of the Currently Identified Designated Contract Counter-Parties over whether the Currently Identified Designated Contracts are executory contracts or unexpired leases and whether any of the Currently Identified Designated Contract Counter-Parties are entitled to an allowed claim against the Debtors which exceeds the Designated Cure Amounts (the "Assumption Dispute").

15. In the event that the Court determines that any such counter-parties to the Currently Identified Designated Contracts (the "Currently Identified Designated Contract

Counter-Parties" and, individually, a "Currently Identified Designated Contract Counter-Party") have an allowed cure claim against the Debtors which exceeds the Designated Cure Amounts (the "Excess Cure Amount"), the difference will be paid by SGM and shall not be the responsibility of the Debtors as more specifically set forth below; provided, however, that unless the Court makes such a determination on or before fifteen (15) days prior to Closing, and unless the Debtor, SGM and the Currently Identified Designated Contract Counter-Party agree otherwise, the Currently Identified Designated Contract which is the subject of such Assumption Dispute, shall be deemed a rejected contract within the meaning of § 1.11(a) of the APA as of ten (10) days prior to Closing, and SGM, except as provided below, shall have no obligation to assume such Currently Identified Designated Contract or to pay any Cure Amount or Excess Cure Amount in connection with such Currently Identified Designated Contract. To the extent an Assumption Dispute relates solely to the Cure Amount, the Debtors may, with SGM's consent, assume and assign the applicable executory contract or unexpired lease at Closing and prior to the resolution of the Assumption Dispute by the Bankruptcy Court, provided, that either (a) the Bankruptcy Court has estimated the maximum cure payment, pursuant to 11 U.S.C. § 502(c), and SGM has remitted such amount to the Debtors to be held as sales proceeds in the Sale Proceeds Account for the relevant Debtor(s), or (b) SGM provides to the relevant Debtor(s) and non-Debtor counterparty a separate reasonably acceptable undertaking that SGM will promptly pay the maximum disputed cure amount in accordance with 11 U.S.C. § 365 (b)(1)(A) and (B) (or such smaller amount as may be fixed or estimated by the Bankruptcy Court or otherwise agreed to by such non-Debtor party and SGM). The Debtors shall pay and hereby are authorized to pay disputed cure amounts from the relevant Sales Proceeds Account(s) upon entry of a final order by this Court to the extent SGM remitted to Sellers the amount required by item (a) of this paragraph of the Order.

16. All of the Currently Identified Designated Contracts, to the extent they are executory contracts or unexpired leases and are not subsequently and timely removed by SGM under the APA and the *Order Approving Stipulation Regarding Designation Deadline Re Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And For*

Prospective Overbidders, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections [Docket No. 1865], or deemed a rejected contract within the meaning of § 1.11(a) of the APA pursuant to paragraph 15 above, shall be part of the Designated Contracts that will be assumed by the Debtors and assigned to SGM at the Closing. In the event that SGM elects to add any other of the Debtors' executory contracts or unexpired leases to the list of Designated Contracts (the "Subsequently Identified Designated Contracts" and, individually, a "Subsequently Identified Designated Contract") under the APA and the *Order Approving Stipulation Regarding Designation Deadline Re Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And For Prospective Overbidders, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections* [Docket No. 1865], SGM shall notify the Debtors of any such Subsequently Identified Designated Contracts on or before thirty days before Closing, and the Debtors shall (i) file a notice with the Court identifying all such Subsequently Identified Designated Contracts and their respective cure amounts as agreed upon between the Debtors and SGM, and (ii) serve such notice by over-night mail on all counter-parties to the Subsequently Identified Designated Contracts (the "Subsequently Identified Designated Contract Counter-Parties"). All Subsequently Identified Designated Contracts shall be assumed by the Debtors and assigned to SGM at the Closing, with SGM to be obligated to pay all cure amounts owing to such Subsequently Identified Designated Contract Counter-Parties concurrently with the Closing, as set forth in the Debtors' notice, or as otherwise agreed to by the Debtors, SGM and the applicable counter-parties thereto, or ordered by the Court in accordance with paragraphs 34 and 36 below (the "Additional Cure Amounts"), so long as such amount as ordered by the Court is no greater than the amount agreed upon by SGM; and in the event the Additional Cure Amount is greater than the amount agreed upon by SGM, and SGM is not willing to pay the Additional Cure Amount, the Debtors shall not be required to pay the Additional Cure Amount(s) and the Subsequently Identified Designated Contract(s) shall be deemed a rejected contract within the meaning of § 1.11(a) of the APA pursuant to paragraph 15 above; provided, and for the avoidance of doubt, no collective bargaining agreement, pension plan or health and welfare plan providing

collectively bargained benefits to which a Hospital is a party or sponsor constitutes a Currently Identified Designated Contract or a Subsequently Identified Designated Contract for which SGM or the Debtors may be obligated to pay any cure amount.

17. Upon the Closing, the Debtors are authorized and directed to assume, assign and/or transfer each of the Designated Contracts to SGM, including the Currently Identified Designated Contracts and any Subsequently Identified Designated Contracts (collectively, the "Contract Counter-Parties"). At the Closing, SGM shall pay the (i) Sale Proceeds, (ii) the Designated Cure Amounts identified in paragraph 13 above, (iii) the Excess Cure Amounts identified in paragraph 15 above, and (iv) the Additional Cure Amounts, subject to paragraph 15 above. Payment by SGM of such Designated Cure Amounts and Additional Cure Amounts are deemed the necessary and sufficient amounts to "cure" all "defaults" with respect to all such Currently Identified Designated Contracts and Subsequently Identified Designated Contracts under § 365(b). The foregoing payment shall (i) effect a cure of all defaults existing under all such Currently Identified Designated Contracts, and (ii) compensate all such Contract Counter-Parties for any actual pecuniary loss resulting from any such default. The Debtors shall then have assumed and assigned to SGM, effective as of the Closing, all of the Designated Contracts (comprised of both all Currently Identified Designated Contracts and all Subsequently Identified Designated Contracts, if any), and, pursuant to § 365(f), the assignment by the Debtors of all such Designated Contracts to SGM shall not be a default thereunder. After the payment of the Designated Cure Amounts and the Additional Cure Amounts, neither the Debtors nor SGM shall have any further liabilities to any Contract Counter-Parties, other than SGM's obligations under the Designated Contracts that accrue and become due and payable after the Closing Date. In addition, adequate assurance of future performance has been demonstrated by or on behalf of SGM with respect to all of the Designated Contracts within the meaning of §§ 365(b)(1)(c), 365(b)(3) (to the extent applicable) and 365(f)(2)(B). For the avoidance of doubt, SGM shall not be liable for the payment of any liabilities or obligations arising from or related to (a) any executory contracts that the Debtors intend to reject by appropriate motion and which are not being assumed and assigned to SGM, (b) any multiparty contract affecting more than one Debtor in addition to one of the hospitals subject to the

Transaction, or (c) any collective bargaining agreement ("CBA"), pension plan, or health and welfare plan providing for collectively bargained for benefits to which a Hospital is a party or a sponsor, unless expressly assumed and assigned with SGM's consent.

18. The Debtors intend, and are hereby authorized, to (A) reject, pursuant to § 365(a), all executory contracts to which one or more of the Hospitals are a party, excluding (i) Designated Contracts, and (ii) any prepetition multiparty contract affecting more than one Debtor in addition to one of the Hospitals, and, (B) reject and terminate, to the extent separately authorized by this Court, pursuant to §§ 1113, 1114, and any other applicable provision of the Bankruptcy Code, any collective bargaining agreement, pension plan or health and welfare plan providing collectively bargained benefits to which one of the Hospitals is a party or sponsor and that SGM does not assume.

19. All of the Contract Counter-Parties are forever barred, estopped, and permanently enjoined from (i) raising or asserting against the Debtors or SGM, or any of their property, any assignment fee, acceleration, default, breach, or claim of pecuniary loss, or condition to assignment, arising under or related to the Designated Contracts, existing as of the Closing, or arising by reason of the consummation of the Transaction contemplated by the APA, including, without limitation, the Transaction and the assumption and assignment of the Designated Contracts, including any asserted breach relating to or arising out of the change-in-control provisions in such Designated Contracts, or any purported written or oral modification to the Designated Contracts and (ii) asserting against SGM any claim, counterclaim, breach, or condition asserted or assertable against the Debtors existing as of the Closing or arising by reason of the transfer of the Purchased Assets, except for the Assumed Obligations.

20. Any provisions in any Designated Contracts that prohibit or condition the assignment of such Designated Contract or allow the counterparty to such Designated Contract to terminate, recapture, impose any penalty, condition on renewal or extension or modify any term or condition upon the assignment of such Designated Contract constitute unenforceable anti-assignment provisions

that are void and of no force and effect with respect to the Debtors' assumption and assignment of such Designated Contract to SGM in accordance with the APA, pursuant to § 363(f).

21. The terms and provisions of this Sale Order, as well as the rights granted under the Transaction Documents, shall continue in full force and effect and are binding upon any successor, reorganized Debtors, or chapter 7 or chapter 11 trustee applicable to the Debtors, notwithstanding entry of any order of conversion or dismissal ~~any such conversion, dismissal or order entry~~. Nothing contained in any chapter 11 plan confirmed in the Debtors' cases or in any order confirming such a plan, nor any order dismissing the cases or converting the cases to a case under chapter 7, shall conflict with or derogate from the provisions of the APA, any documents or instruments executed in connection therewith, or the terms of this Sale Order, provided however, that in the event of a conflict between this Sale Order and an express or implied provision of the APA, this Sale Order shall govern. The provisions of this Sale Order and any actions taken pursuant hereto shall survive any conversion or dismissal of the cases and the entry of any other order that may be entered in the cases, including any order (i) confirming any plan of reorganization; (ii) converting the cases from chapter 11 to chapter 7; (iii) appointing a trustee or examiner in the cases; or (iv) dismissing the cases.

22. The Transaction contemplated by the APA and other Transaction Documents are undertaken without collusion and in "good faith," as that term is defined in § 363(m) of the Bankruptcy Code. SGM is a good faith purchaser within the meaning of § 363(m) and, as such, is entitled to the full protections of § 363(m). Accordingly, the reversal or modification on appeal of the authorization provided herein by this Sale Order to consummate the Transaction shall not affect the validity of the sale of the Purchased Assets to SGM. The APA and the Transactions contemplated thereby cannot be avoided under § 363(n).

23. The failure to specifically include any particular provision of the APA or the other Transaction Documents in this Sale Order shall not diminish or impair the effectiveness of such provisions, it being the intent of the Bankruptcy Court that the Transaction, the APA and the other Transaction Documents be authorized and approved in their entirety. Likewise, all of the provisions of this Sale Order are non-severable and mutually dependent.

24. This Order constitutes a final and appealable order within the meaning of 28 U.S.C. § 158(a). Notwithstanding Rules 6004(h), 6006(d), 7062, or 9014, if applicable, or any other LBR or otherwise, this Sale Order shall not be stayed for 14-days after the entry hereof, but shall be effective and enforceable immediately upon entry pursuant to Rule 6004(h) and 6006(d). Time is of the essence in approving the Transaction (including the transfer and the sale of the Purchased Assets).

25. EMERGENCY MOTION

Pursuant to Rule 9075-1 of the Local Bankruptcy Rules of the United States Bankruptcy Court for the Central District of California (the "LBR"), Rule 6004 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), §§ 105, 362, 363, 525 of title 11 of the United States Code, 11 U.S.C. §§ 101 *et seq*. (the "Bankruptcy Code"),[1] and 28 U.S.C. § 1334(e), Verity Health System Of California, Inc. ("VHS") and the above-referenced affiliated debtors, the debtors and debtors in possession (collectively, the "Debtors") in the above-captioned chapter 11 bankruptcy cases (the "Cases"), hereby move, on an emergency basis (the "Motion"), for the entry of an order: (i) enforcing this Court's previous order [Docket No. 2306] authorizing the sale ("SGM Sale") of the Debtors' assets to Strategic Global Management, Inc. ("SGM"); and (ii) finding that the SGM Sale is free and clear of the conditions imposed by the California Attorney General (the "Attorney General") that are materially different (the "Additional Conditions") than the conditions in the asset purchase agreement (the "SGM APA") [Docket No. 2305-1]; or, alternatively, (iii) finding that the Attorney General abused his discretion imposing the conditions under applicable nonbankruptcy law; and (iv) granting such other and further relief as the Court deems just and proper. The sale order approving the SGM Sale (the "Sale Order"), the conditions issued by the Attorney General (the "2019 Conditions"), the Additional Conditions, in redline format, and the SGM APA, are attached to the annexed Memorandum of Points and Authorities (the "Memorandum") as Exhibits "A," "B," "C," and "D," respectively. Certain correspondence between the Debtors, SGM, and the Attorney General is attached to the Memorandum as Exhibit "E."

The Debtors request that the relief sought be granted on an emergency basis because the Debtors will suffer immediate and irreparable harm without the relief requested in this Motion. Indeed, absent relief, the Debtors' sale to SGM of its four remaining hospitals (collectively, the "Hospitals") will collapse, which would result in the loss of access to critical healthcare in

underserved communities, the loss of thousands of jobs, and the loss of anticipated recoveries to creditors. Simply put, the Additional Conditions would unwind the heroic efforts of constituents who have diligently worked to maintain the Hospitals throughout these cases and spent countless hours and funds working with SGM to close the SGM Sale. Even a delay in the closing will significantly impact these Cases because the Debtors (i) are operating at a loss of approximately $450,000 per day, imposing significant costs upon the estates and upon creditors, (ii) seek to confirm their plan of liquidation by the end of the year, and (iii) are required to meet the milestone under the cash collateral agreement that the Plan go effective in 2019 and have no alternative financing source.

The Additional Conditions threaten the SGM sale. The Additional Conditions trigger SGM's termination rights under the APA unless the Debtors obtain a supplemental order from this Court finding that the Additional Conditions are an "interest in property" for purposes of § 363(f), and that the Hospitals can be sold free and clear of the Additional Conditions without the imposition of any other conditions. *See* Exhibit "D," SGM APA, Section 8.6. SGM has repeatedly informed the Debtors and the Attorney General that the Additional Conditions are "deal killers." *See* Exhibit "E." To illustrate the magnitude of the economic impact of the Additional Conditions, *two* of the Additional Conditions alone would have the economic impact of increasing the effective purchase price by over 50 percent to nearly a billion dollars. The economic impact of compliance with the other Additional Conditions are in the tens of millions of dollars. In essence, the Additional Conditions would render the SGM APA and this Court's Sale Order meaningless. Such result is inconsistent with § 363, this Court's exclusive jurisdiction over property of the Debtors' estates, and fundamental purposes of the Bankruptcy Code.

The SGM APA specifically contemplates the Debtors will challenge promptly any conditions materially different from those to which SGM agreed. *See* Exhibit D, SGM APA §§

8.6, 9.3. Failure to challenge timely the imposition of Additional Conditions may result in termination of the SGM Sale. *Id.* The Debtors and SGM met with representatives of the Attorney General regularly to encourage imposition of conditions consistent with Schedule 8.6. *See* Adcock Dec. and Levy-Biehl Dec. Further, the Debtors negotiated vigorously with additional constituencies (including the Official Committee of Unsecured Creditors, the Pension Benefit Guaranty Corporation, and labor unions) to secure their support of the SGM Sale, which were provided to the Attorney General before the 2019 Conditions were issued. Nevertheless, the Attorney General has imposed conditions on the SGM Sale inconsistent with Schedule 8.6 after taking the maximum amount of time provided by statute to review the transaction and constituent input. *See* Exhibit "B." Given the Attorney General's long delay in reviewing the SGM Sale, the Debtors must challenge the Additional Conditions on an expedited basis to ensure that the SGM Sale closes, the Hospitals stay open to provide essential patient care, thousands of jobs are not lost and assets of the estates are preserved.

The Attorney General will not suffer prejudice if the Court grants this Motion for expedited relief. As noted above, the Attorney General considered the 2019 Conditions for 135 days prior to their issuance on September 25, 2019. During that time, the Debtors and SGM have made abundantly clear that any departure from the conditions in Schedule 8.6 to the SGM APA would threaten the SGM Sale. *See, e.g.,* Exhibit "E." Further, the Attorney General is amply familiar with the issues raised herein, having briefed the same in several bankruptcy cases in this District, including in the Debtors' Cases. *See* Docket No. 463; *In re Gardens Reg'l Hosp. & Med. Ctr., Inc.*, No. 2:16-bk-17463-ER, Doc. No. 752 (Bankr. C.D. Cal. Apr. 24, 2017); *In re Victor Valley Cmty. Hosp.*, No. 8:12-bk-12896-CB, Doc. No. 1804 (Bankr. C.D. Cal. Sept. 27, 2011). Accordingly, the Debtors respectfully request that the Court grant the Motion for an emergency hearing because the proposed expedited hearing will not prejudice the Attorney General and is in the best interests of the Debtors' estates and creditors.

I.

INTRODUCTION

Nearly five months after this Court entered the Sale Order authorizing the Debtors to sell their four remaining general acute care hospitals (the "Hospitals") to SGM, the Attorney General issued the 2019 Conditions that effectively increase the purchase price in the SGM APA by over $300 million. The imposition of the Additional Conditions in the 2019 Conditions would destroy the sale of the Hospitals to the only buyer willing to buy them, SGM, and would result in the loss of access to critical healthcare in underserved communities, the loss of thousands of jobs, and the loss of anticipated recoveries to creditors. The Debtors' estates and their constituents have already borne operating losses of approximately $450,000, per day, waiting for the Attorney General to issue his decision. Moreover, the Debtors, SGM and third parties have expended tremendous efforts to prepare for and close the SGM Sale in reliance on the Sale Order. These tireless efforts have taken a significant amount of time and resources and simply cannot be undone.

The Debtors are mindful that the Hospitals have struggled for decades and that the 2015 conditions imposed by the Attorney General (the "2015 Conditions") locked the Hospitals into financial and operational obligations that made success impossible (the Debtors lost hundreds of millions of dollars since the 2015 Conditions were imposed). Chapter 11 presented the last and only viable option to save the Hospitals. The Attorney General cannot strip the Debtors of the protections afforded by the Bankruptcy Code, which is, in essence, the impact of the 2019 Conditions if they are enforced.

In addition to the fact that the imposition of the Additional Conditions would be devastating to patients, the communities the Hospitals serve, thousands of employees and stakeholders in these cases, the Additional Conditions cannot be upheld because they contravene the Bankruptcy Code, the Court's jurisdiction, and fundamental purposes of the Bankruptcy Code.

Specifically, the Court should enforce the Sale Order and find that that the Debtors are authorized to the sell the Hospitals without imposition of the Additional Conditions because:

- *Section 363(f) authorizes the Court to sell the Debtors' assets free and clear of the Additional Conditions which are an "interest in property*;"

- *The Additional Conditions are an inappropriate attempt to impose successor liability on SGM because the Sale Order authorizes the assets to pass to SGM free and clear of successor liability*;
- *Section 363(d)(1) must be harmonized with § 363(f), which authorizes the Court to sell the assets free and clear of the Additional Conditions*;
- *The Attorney General's broad attempt to exercise control over the Debtors' assets contravenes the Court's exclusive jurisdiction over the Debtors' assets, pursuant to 28 U.S.C. § 1334(e);*
- *Imposition of the Additional Conditions constitutes impermissible discrimination against the Debtors and SGM under § 525(a) because the Additional Conditions are premised on the continuance of the Debtors' obligations; and*
- *The Attorney General is exceeding his authority by attempting to regulate a for profit entity.*

Additionally, and as significantly, under state law, the imposition of the Additional Conditions are a breach of the Attorney General's fiduciary obligations and an abuse of his discretion.

Based upon all of the foregoing, and for the reasons set forth in greater detail below, the Debtors urge the Court to enter an order enforcing the Sale Order and finding that sale was "free and clear" of the Additional Conditions.

II.

JURISDICTION, VENUE, AND STATUTORY PREDICATES

The Bankruptcy Court has jurisdiction to consider this matter pursuant to 28 U.S.C. §§ 157 and 1334. This matter is a core proceeding under 28 U.S.C. §§ 157(b)(2). Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

The Motion seeks, in part, an order of the Court enforcing the terms of its final order approving the SGM Sale [Docket No. 2306]. The statutory predicates for this relief are §§ 363 and 105, and Bankruptcy Rule 6004. This Court "plainly ha[s] jurisdiction to interpret and enforce its own prior orders." *Travelers Indem. Co. v. Bailey*, 557 U.S. 137, 151 (2009); *see also In re Millenium Seacarriers, Inc.*, 419 F.3d 83, 96 (2d Cir. 2005) ("A bankruptcy court retains jurisdiction to interpret and enforce its own orders [.]") (quoting *Luan Inv. S.E., v. Franklin 145 Corp. (In re Petrie Retail, Inc.)*, 304 F.3d 223, 230 (2d Cir.2002)).

(213) 623-9300

The Debtors further request that the Court find that the Attorney General abused his discretion in imposing the 2019 Conditions without an evidentiary basis. The statutory predicates for such a finding are set forth in the California Corporations Code, §§ 5914 *et seq.*, and the California Code of Regulations, title 11, § 999.5. The Debtors have standing to challenge the 2019 Conditions because the Debtors' allegations of lost business opportunity and corresponding economic harm related to the SGM Sale constitute an injury in fact. *See Prime Healthcare Services, Inc. v. Harris*, 216 F. Supp. 3d 1096, (S.D. Cal. 2016) (citing *Wedges/Ledges of Cal., Inc. v. City of Phoenix, Ariz.*, 24 F.3d 56, 60 (9th Cir. 1994)) (finding standing where plaintiff alleged that "the financially unviable conditions [the attorney general] imposed on the [Daughters of Charity Health System] transaction forced it to abandon its $843 million bid to acquire" the hospital); *see also Vill. Of Arlington Heights v. Metro. Hous. Dev. Corp.*, 429 U.S. 252, 261-63 (1977) (concluding that a nonprofit developer had standing to challenge the denial of its petition for rezoning and seek injunctive and declaratory relief, despite the fact that its land-purchase contract was contingent upon securing rezoning).

III.

FACTUAL BACKGROUND

A. General Background

1. On August 31, 2018 (the "Petition Date"), the Debtors each filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. Since the commencement of their Cases, the Debtors have been operating their businesses as debtors in possession pursuant to §§ 1107 and 1108.

2. Debtor VHS, a California nonprofit public benefit corporation, is the sole corporate member of five Debtor California nonprofit public benefit corporations that operated O'Connor Hospital ("OCH") and Saint Louise Regional Hospital ("SLRH"), and currently operates St. Francis Medical Center ("SFMC"), St. Vincent Medical Center ("SVMC"), and Seton Medical Center, including Seton Medical Center Coastside Campus (collectively, "Seton" and, together with OCH, SLRH, SFMC, and SVMC, the "Verity Hospitals").

(213) 623-9300

3. As of the Petition Date, VHS, the Verity Hospitals, and their affiliated entities (collectively, "Verity Health System") operated as a nonprofit health care system, with approximately 1,680 inpatient beds, six active emergency rooms, a trauma center, eleven medical office buildings, and a host of medical specialties, including tertiary and quaternary care. *See* First-Day Decl., at 4, ¶ 12. The scope of the services provided by the Verity Health System is exemplified by the fact that in 2017, the Verity Hospitals provided medical services to over 50,000 inpatients and approximately 480,000 outpatients. *Id*., at 4, ¶ 12.

4. Additional background facts on the Debtors, including an overview of the Debtors' business, information on the Debtors' capital structure and additional events leading up to these chapter 11 Cases, are set forth in the First-Day Declaration.

5. On September 14, 2018, the Office of the United States Trustee appointed the Committee [Docket No. 197].

B. The Daughters of Charity and the 2015 Conditions

6. The Verity Hospitals were originally owned and operated by the Daughters of Charity of St. Vincent de Paul, Province of the West (the "Daughters of Charity"), to support the mission of the Catholic Church through a commitment to the sick and poor. The Daughters of Charity began their healthcare mission in California in 1858 with the opening of Los Angeles Infirmary, now known as SVMC. The Daughters of Charity expanded its hospitals to San Jose in 1889 and San Francisco in 1893. The Daughters of Charity ministered to ill, poverty-stricken individuals for more than 150 years.

7. In June 2001, the Daughters of Charity Health System ("DCHS") was formed. In 2002, DCHS commenced operations and was the sole corporate member of the Verity Hospitals, which at that time were California nonprofit religious corporations.

8. Between 1995 and 2015, the Verity Hospitals incurred substantial operating losses. During that time period, Daughters of Charity and DCHS attempted to find a solution which would resolve the operating losses, either through a sale of some or all of the Verity Hospitals, or a merger with a more financially sound partner. In 2013, DCHS unsuccessfully solicited purchase offers for OCH, SLRH, and Seton.

(213) 623-9300

9. Throughout 2014, DCHS explored offers to sell the system and, in October of 2014, entered into an agreement with Prime Healthcare Services and Prime Healthcare Foundation (collectively, "Prime") to sell the health system. A condition of such sale was approval by the Attorney General.

10. In early 2015, the Attorney General consented to the sale to Prime, but subject to certain conditions, which, in Prime's view, were so onerous that it could not proceed with the transaction. Accordingly, Prime terminated the transaction. The history of this failed transaction and the process for Attorney General review is more fully set forth in *Prime Healthcare Services, Inc., et al. v. Harris*, 216 F. Supp. 3d 1096, 1101-06 (S.D. Cal. 2016).

11. In 2015, DCHS again marketed the health system for sale, and, again, focused on offers that maintained the system as a whole, including the assumption of all existing obligations. In July 2015, the DCHS Board of Directors selected BlueMountain Capital Management LLC ("BlueMountain"), a private investment firm, to recapitalize its operations and transition leadership of the health system to the new Verity Health System (the "BlueMountain Transaction").

12. In connection with the BlueMountain Transaction, the DCHS and its sole member, Daughters of Charity Ministry Services Corporation, certain funds managed by BlueMountain and Integrity Healthcare, LLC (a management company was formed to manage VHS for BlueMountain under a new management agreement) entered into a System Restructuring and Support Agreement (the "Restructuring Agreement"). Under the Restructuring Agreement, VHS and the Verity Hospitals were converted from religious corporations to public benefit corporations. BlueMountain agreed to make a capital infusion of $100 million, arrange loans for another $160 million to the system, and manage operations, with an option to buy the health system at a future time. DCHS' name was changed to Verity Health System.

13. On December 3, 2015, the Attorney General approved the BlueMountain Transaction, subject to the 2015 Conditions. The 2015 Conditions were imposed for periods ranging from 5 to 15 years. Generally, the terms of the 2015 Conditions included (i) transfers of control, (ii) maintenance of health services, (iii) required participation in Medicare and Medi-Cal programs, (iv) community benefit programs, (v) charity care levels, (vi) county contracts, (vii) local

governing boards, (viii) medical staff compliance, (ix) assumption of hundreds of millions of dollars of pension obligations, and (x) annual attestation of compliance.

14. In the 2015 Conditions, VHS was expressly required to make capital expenditures of at least $180 million over 5 years, and to meet accelerated time lines for making the Verity Hospitals seismic compliant. Each hospital had specific requirements as to services that had to be maintained or even expanded. For example, SVMC was required to maintain an emergency room with eight stations, including six fast track stations, 19 acute rehab beds, and 30 ICU beds, among other things. It was also required to provide $400,000 of charity care annually and provide community benefit programs of at least $1 million annually. SVMC was required to maintain Medi-Cal contracts with LA Care Health Plan and various commercial plan contracts. All of the Verity Hospitals had similar obligations imposed.

15. Despite BlueMountain's infusion of cash and retention of various consultants and experts to assist in improving cash flow and operations, the health system continued to incur losses. It soon became apparent that the problems facing the Verity Health System were too large to solve without a formal court supervised restructuring.

C. The Bankruptcy Cases

16. The Debtors commenced these Cases to protect the original legacy of the Daughters of Charity to the maximum extent possible by retiring debt incurred over the past 18 years and selling the hospital facilities to enable the continued operation of the Verity Hospitals under new ownership and leadership free from the historical losses and operational uncertainties. The Debtors' strategy contemplated a Court-supervised sale of some or all of the Verity Hospitals, and related facilities, and a comprehensive resolution of the Debtors' financial obligations through a court approved plan of reorganization.

17. In June 2018, the Debtors engaged Cain Brothers, a division of KeyBanc Capital Markets ("Cain"), to identify potential buyers of some or all of the Verity Hospitals and related assets and commenced discussions with those potential buyers. Cain prepared a Confidential Investment Memorandum, organized an online data site to share information with potential buyers and contacted over 181 strategic and financial buyers beginning in July 2018 to solicit their interest

(213) 623-9300

in exploring a transaction regarding the Verity Hospitals. As a result of its broad marketing process, Cain received sixteen indications of interest, or other proposals, and continued to develop potential sales of some or all of the Verity Hospitals.

18. At the commencement of the cases, the Debtors obtained court approval for a debtor in possession financing facility with up to $185 million of availability from Ally Bank subject to a borrowing base (the "DIP Facility"). The DIP Facility was secured by substantially all of the Debtors' assets and also provides for super priority administrative priority status for all obligations under the facility. The DIP financing enabled Debtors to operate the Verity Hospitals while they continued their efforts to find a purchaser for their assets and to reach agreements with key constituents. As discussed below, the Debtors have repaid their DIP financing obligations and are funding operations through the consensual use of cash collateral.

D. The SCC Sale

19. On December 27, 2018, the Bankruptcy Court entered the *Order (A) Authorizing the Sale of Certain of the Debtors' Assets to Santa Clara County Free and Clear of Liens, Claims, Encumbrances, and Other Interests; (B) Approving the Assumption and Assignment of an Unexpired Lease Related Thereto; and (C) Granting Related Relief* [Docket No. 1153], approving a sale of OCH, SLRH, and related assets, to Santa Clara County (the "SCC Sale").

20. The SCC Sale closed on February 28, 2019. After payment of certain cure costs, closing costs and other items, the net remaining proceeds were approximately $184.38 million, which are held in four sale proceeds account. An additional $23.35 million is held in escrow (the "Post-Closing Escrow") by First American Title Insurance Company, the escrow agent. The Post-Closing Escrow was established pursuant to the terms of the SCC APA, as security for the Debtors' post-closing obligations and expires in February 2020.

21. The Attorney General vigorously opposed the SCC Sale, insisting that either the 2015 Conditions applied to SCC or that the SCC Sale was subject to his review. This Court rejected both arguments, and overruled his objections. *See* Docket Nos. 1146, 1153. The Attorney General appealed, but voluntarily dismissed the appeal after the Debtors filed a motion to dismiss

as moot pursuant to § 363(m). *See* Case No. 2:19-cv-00133-DMG, Docket No. 40, 41 (C.D. Cal. Feb. 1, 2019).

E. The SGM Sale

22. On January 17, 2019, the Debtors filed the Debtors' *Notice Of Motion And Motion for the Entry of (I) an Order (1) Approving Form of Asset Purchase Agreement for Stalking Horse Bidder and For Prospective Overbidders to Use, (2) Approving Auction Sale Format, Bidding Procedures and Stalking Horse Bid Protections, (3) Approving Form of Notice to be Provided to Interested Parties, (4) Scheduling a Court Hearing to Consider Approval of the Sale to the Highest Bidder and (5) Approving Procedures Related to the Assumption of Certain Executory Contracts and Unexpired Leases; and (II) an Order (A) Authorizing the Sale of Property Free and Clear of All Claims, Liens and Encumbrances* (the "Sale and Bidding Procedures Motion") [Docket No. 1279].

23. On February 19, 2019, the Court held a hearing on the Sale and Bidding Procedures Motion and thereafter entered an order approving the Sale and Bidding Procedures Motion (the "Bidding Procedures Order") [Docket No. 1572]. SGM served as the Stalking Horse Bidder under the terms of the Bidding Procedures Order. The Bidding Procedures Order also approved the SGM APA as modified therein.

24. There were two "Qualified Bidders" (as defined in the Bidding Procedures Order) for partial bids for different Hospitals (one for SVMC and one for SFMC) and no Qualified Full Bid. After consultation with the Consultation Parties as defined in the Bidding Procedures Order, the Debtors determined to not conduct either a Partial Bid of Full Bid auction, as set forth in the *Notice That No Auction Shall Be Held Re Debtors' Motion and Motion for the Entry of (I) An Order (1) Approving Form of Asset Purchase Agreement for Stalking Horse Bidder and for Prospective Overbidders; (2) Approving Auction Sale Format, Bidding Procedures and Stalking Horse Bid Protections; (3) Approving Form of Notice to Be Provided to Interested Parties; (4) Scheduling a Court Hearing to Consider Approval of the Sale to the Highest Bidder; and (5) Approving Procedures Related to the Assumption of Certain Executory Contracts and Unexpired Leases; and (II) an Order (A) Authorizing the Sale of Property Free and Clear of All Claims, Liens*

and Encumbrances [Docket No. 2053] (the "No-Auction Notice") filed by the Debtors on April 4, 2019.

25. Accordingly, under the terms of the SGM APA and the Bidding Procedures Order, no auction was held and the Debtors declared SGM as the "winning bidder" of the Hospitals. No-Auction Notice at 2.

26. On May 2, 2019, the Bankruptcy Court entered the *Order (A) Authorizing The Sale Of Certain Of The Debtors' Assets To Strategic Global Management, Inc. free And Clear Of Liens, Claims, Encumbrances, And Other Interests; (B) Approving The Assumption And Assignment Of An Unexpired Lease Related Thereto; And (C) Granting Related Relief* [Docket No. 2306] (the "Sale Order"), approving the SGM Sale. The closing of the SGM Sale is subject to review by the Attorney General and satisfaction of certain other closing conditions. The Debtors expect the SGM Sale to close in the fourth quarter of 2019.

27. SGM has agreed to continue to operate the Hospitals and abide by the vast majority of the 2015 Conditions, as set forth in Schedule 8.6 to the SGM APA.

28. Section 8.6 of the SGM APA is titled: "Attorney General Provisions." It provides the following:

> Purchaser recognizes that the transactions contemplated by this Agreement may be subject to review and approval of the CA AG. Purchaser agrees to close the transactions contemplated by this Agreement so long as any conditions imposed by the CA AG are substantially consistent with the conditions set forth, as Purchaser Approved Conditions, in Schedule 8.6. In the event the CA AG imposes conditions on the transactions contemplated by this Agreement, or on Purchaser in connection therewith, which are materially different than the Purchaser Approved Conditions set forth on Schedule 8.6 (the "Additional Conditions"), Sellers shall have the opportunity to file a motion with the Bankruptcy Court seeking the entry of an order ("Supplemental Sale Order") finding that the Additional Conditions are an "interest in property" for purposes of 11 U.S.C. § 363(f), and that the Assets can be sold free and clear of the Additional Conditions without the imposition of any other conditions, which would adversely affect the Purchaser. For purposes of this Section 8.6, Additional Conditions which individually or collectively impose a direct or indirect cost to Purchaser of $5 million, or more, shall be conclusively deemed to be "materially different." If Sellers determine not to seek such

(213) 623-9300

Supplemental Sale Order, or fail to obtain such Supplemental Sale Order within 60 days of the Attorney General's imposition of Additional Conditions, Purchaser shall be entitled to terminate this Agreement and receive the return of its Good Faith Deposit. If Sellers timely obtain such Supplemental Sale Order from the Bankruptcy Court or another court, Purchaser shall have a period of 21 business days from the entry of such order (the "Evaluation Period") to determine, in the exercise of the Purchaser's reasonable business judgment and in consultation with Purchaser's financing sources, whether to proceed to consummate the transactions contemplated by this Agreement; provided, however, (i) Purchaser shall not terminate or provide notice of termination of the Stalking Horse APA based on the Seller's failure to satisfy the condition set forth under this Section 8.6 until the expiration of the Evaluation Period as may be extended herein, and (ii) the Evaluation Period may be extended by the Debtors, in consultation with the Consultation Parties, by up to 90 days for any appeal properly perfected with respect to the Supplemental Sale Order (the "Extended Evaluation Periods"). For the avoidance of doubt, if the Debtors or any of the Consultation Parties dispute the reasonableness of the exercise of the Purchaser's business judgment, such dispute shall be determined by the Bankruptcy Court only in the context of an adversary proceeding. If, at the conclusion of the Extended Evaluation Periods, such Supplemental Sale Order has not become a final, non-appealable order and Purchaser determines not to proceed, Purchaser shall have the right within ten (10) business days after the conclusion of the Extended Evaluation Periods to terminate this Agreement and receive the return of its Good Faith Deposit. Sellers shall provide Purchaser with prompt written notice of the conclusion of the Extended Evaluation Periods and whether the Supplemental Sale Order has become a final, non-appealable order. For purposes of this Section 8.6, "a final, non-appealable order" shall include a Supplemental Sale Order (i) which has been affirmed or the appeal of which has been dismissed by any appellate court and for which the relevant appeal period has expired (other than any right of appeal to the U.S. Supreme Court), or (ii) which has been withdrawn by the appellant. If the Supplemental Sale Order becomes a final, non-appealable order prior to the expiration of the Evaluation Period or, if applicable, the Extended Evaluation Periods, Purchaser shall consummate the Sale provided that all other conditions to closing have been satisfied. During any Evaluation Period or Extended Evaluation Periods, Purchaser shall reasonably cooperate in any efforts to render the Supplemental Sale Order a final, non-appealable order, including timely taking reasonable steps in preparation for closing of the transactions described in this Agreement; provided, however, Purchaser shall not be obligated to expend more than $500,000. For the avoidance of doubt, neither this provision, nor any of the rights granted to the Purchaser herein, shall constitute a waiver

of any party in interest's right to argue that any appeal from the Sale Order should be dismissed on statutory, Constitutional or equitable mootness grounds."

F. The Debtors and SGM Have Expended Substantial Time and Resources to Close the SGM Sale

29. As discussed above, SGM and third parties have expended tremendous efforts to prepare for and close the SGM Sale in reliance on the Sale Order. These tireless efforts have taken a significant amount of time and resources and simply cannot be undone. By way of example: (i) the Debtors sent "WARN notices" to approximately 4,900 employees, pursuant to the federal Worker Adjustment and Retraining Notification Act of 1988; (ii) thousands of counterparties to executory contracts and unexpired leases, including physicians, have relied on the Sale Order and continued to provide services in reliance on the finality of that Sale Order; (iii) the Debtors and SGM have spent months facilitating an efficient close of the sale, with approximately 20 different workstreams, meeting at least weekly to ensure a smooth transition of operations; (iv) government agency personnel, including the California Department of Public Health and the Board of Pharmacy, have been diligently processing SGM's change of ownership applications for licenses and permits in reliance on the finality of the Sale Order; (v) the Debtors, SGM, and each of the Debtors' six unions spent months successfully negotiating and finalizing modified collective bargaining agreements; (vi) the medical groups affiliated with the Debtors have sent termination notices to their remaining physicians; (vii) the Debtors and SGM have coordinated changes in insurance coverages and insurance policies to ensure seamless coverage for employees and patients, and (viii) the Debtors have created plans to shut off certain services after the close of the SGM Sale. *See* Adcock Decl. ¶ 7.

G. The Debtors' Cash Collateral Agreement

30. On September 6, 2019, the Court entered the *Final Order (A) Authorizing Continued Use of Cash Collateral, (B) Granting Adequate Protection, (C) Modifying Automatic Stay, and (D) Granting Related Relief* [Docket No. 3022] (the "Supplemental Cash Collateral Order") granting the Debtors motion for use of cash collateral [Docket No. 2962, 2968] (the "Supplemental Cash Collateral Motion"). The Supplemental Cash Collateral Order authorized the Debtors' consensual

LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

use of cash collateral pursuant to an agreement with certain of its secured lenders (the "Cash Collateral Agreement"). Pursuant to the Cash Collateral Agreement, the Debtors are obligated to meet certain milestones, including plan confirmation by December 15, 2019 and a plan effective date on or before December 31, 2019. *See* Supp. Cash Collateral Mot. at 24. Further, termination of the SGM APA would result in an event of default under the Cash Collateral Agreement. *See id.* In each case, the success of the SGM Sale bears directly on the Debtors' ability to fund operations and timely meet its plan confirmation milestones.

H. The Debtors' Plan and Confirmation Timeline

31. On September 3, 2019, the Debtors filed the *Debtors' Chapter 11 Plan of Liquidation (Dated September 3, 2019* [Docket No. 2993] (the "Plan") and their related disclosure statement [Docket No. 2994] (the "Disclosure Statement"). As more fully described in the Disclosure Statement and below, the Debtors' Plan provides for deemed consolidation of the Debtors for purposes of implementation of the Plan and the distribution of the proceeds of the two sale transactions in accordance with the Bankruptcy Code's distribution and classification provisions. Such treatment is supported by the facts of these cases and applicable law.

I. The Attorney General Review Process

32. For years, the Debtors engaged in dialogue with the Attorney General about the Debtors' financial challenges and the future of the Hospitals, including, for example, a July 2018 meeting in anticipation of the Debtors' bankruptcy filings conducted by the Debtors' representatives and Deputy Attorney General Wendi Horwitz. *See* Levy-Biehl Decl. ¶ 3.

33. On February 15, 2019, the Debtors' representatives met with Attorney General Xavier Becerra and Melanie Fontes Rainer, Special Assistant Attorney General, in Sacramento to discuss the pending SCC Sale and the forthcoming auction and sale of the Hospitals. *See* Levy-Biehl Decl. ¶ 5.

34. Beginning in early April 2019, the Debtors' special healthcare regulatory counsel, Nelson Hardiman LLP, engaged with Deputy Attorney General Scott Chan in anticipation of submitting a notice and requesting approval of the SGM Sale. These discussions and exchanges were regular and ongoing, and addressed, among other things, the substantive and procedural

601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

requirements for the submission and review as well as the review timeline. At all times, the Debtors consistently requested an expedited review of the submission in light of their significant operating losses and cash flow challenges. *See* Levy-Biehl Decl. ¶ 7.

35. By letter dated May 7, 2019, the Debtors provided notice to, and requested written consent from, the Attorney General for the proposed SGM Sale pursuant to California Corporations Code § 5914 and title 11 of the California Code of Regulations, § 999.5. *See* Levy-Biehl Decl. ¶¶ 7, 8. On May 13, 2019, the Debtors supplemented their submission to the Attorney General, by including the filing made to the Federal Trade Commission pursuant to the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended. *See* Levy-Biehl Decl. ¶ 9.

36. As outlined in the submission to the Attorney General—and discussed a number of times in writing, in person, and by email with various representatives of the Attorney General—the SGM Sale is critical. *Id.* at 8. The Debtors explained to the Attorney General that the SGM Sale is the only option to ensure that the Hospitals will survive their current financial challenges and be preserved as providers of essential health care services to their communities. *Id.*; *see also Notice of Submission of Debtors' Response to the Health Care Impact Statements and Conditions Proposed by JD Healthcare, Inc.* [Docket No. 2946].

37. The Debtors also explained to the Attorney General that (i) the 2015 Conditions accelerated the demise of the Verity Hospitals to the point that that only a Court supervised restructuring could save them, and (ii) conditions materially different than those in Schedule 8.6 would ensure closure of the Hospitals. *See* Adcock Decl. ¶ 15; *see also Notice of Submission of Debtors' Response to the Health Care Impact Statements and Conditions Proposed by JD Healthcare, Inc.* [Docket No. 2946].

38. Throughout the process, the Debtors' representatives engaged in ongoing discussions with the Attorney General's office, and requested, among other things, an in-person meeting to review the submission, the transaction, and the expedited processing of the submission. *See* Levy-Biehl Decl. ¶ 10. The Attorney General denied these requests. *Id.*

39. The Attorney General's expert, JD Healthcare, conducted interviews with the Debtors' corporate and hospital personnel and other stakeholders in July 2019. *See* Levy-Biehl

Decl. ¶ 11. On August 16, 2019, following these interviews and public hearings, JD Healthcare released its Health Care Impact Statements on the proposed sale of SFMC and SVMC. *Id.* On August 19, 2019, JD Healthcare released its Health Care Impact Statement for Seton. *Id.* The Health Care Impact Statements set forth the expert's proposed conditions on the SGM Sale.

40. On August 16, 2019, the Attorney General requested that the Debtors and SGM submit responses to the proposed conditions detailing the conditions that were "deal breakers" to the SGM Sale. On August 21, 2019, SGM submitted its response to the Health Care Impact Statements. On August 23, 2019, the Debtors submitted their response. *See* correspondence attached hereto as Exhibit "E."

41. During the week of August 26, 2019, Deputy Attorney General Scott Chan held public hearings at each of the Hospitals to solicit comments regarding the SGM Sale. *See* Adcock Decl. ¶ 12. At each public meeting, representatives of SGM and the Debtors made public statements detailing the economic impact of the conditions proposed by JD Healthcare and the economic situation confronting each Hospital; urging the Attorney General to consider economic factors when issuing his conditions; and reiterating that any conditions exceeding those in Schedule 8.6 of the SGM APA could result in the termination of the SGM Sale and the closure of the Hospitals. *Id.*; *see also* Levy-Biehl Decl. ¶ 13.

42. On September 6, 2019, the Attorney General's office met with SGM representatives to discuss the proposed SGM Sale and the proposed conditions. *See* Levy-Biehl Decl. ¶ 14. On September 19, 2019, the Attorney General's office met with representatives of SGM and the Debtors for the same purpose. *Id.* On September 23, 2019, the Attorney General conducted another telephonic meeting with SGM and the Debtors. During each meeting, SGM consistently informed the Attorney General's office that SGM would not proceed with the transaction if the Attorney General imposed conditions beyond those SGM agreed to accept in Schedule 8.6. *Id.*

J. The 2019 Attorney General Conditions

43. On September 25, 2019, the Attorney General conditionally consented to the SGM Sale. The Attorney General's conditional consent is subject to the 2019 Conditions. *See* Exhibit "B." The 2019 Conditions include numerous Additional Conditions that are materially different

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

than those SGM contractually agreed to in Schedule 8.6. *See* Exhibit "C," which is a redline reflecting the deletion of the conditions in the 2019 Conditions that are materially different than the conditions in Schedule 8.6; *see also* Baronoff, Decl. ¶ 7.

44. The 2019 Conditions require, among other things, that SGM continue to operate the Hospitals and maintain various services, clinics and contractual arrangements for a period of time greater than the period of time that Debtors would have been obligated under the 2015 Conditions if the Debtors had the ability to continue to operate the Hospitals. *See* Adcock, Decl. ¶ 9. The 2019 Conditions are also materially different than those to which SGM agreed in Schedule 8.6 because the Additional Conditions impose, among other things, greater requirements for charity care expenditures, community benefit expenditures, capital expenditures, and do not account for the substantial shift in charity care needs following the implementation of the Affordable Care Act. *Id.*; see also Exhibit "C."

45. Importantly, SGM only agreed to close the SGM Sale if the conditions imposed by the Attorney General's office were not "materially different" than the conditions SGM agreed to in Section 8.6. *See* APA, Section 8.6, at 32, 33, Docket No. 2305-1; see also *See* Baronoff, Decl. ¶ 5. Additionally, SGM has repeatedly told the Debtors that multiple lenders have informed SGM that they would not agree to finance the SGM Sale if the conditions were not consistent with Schedule 8.6, which makes the SGM Sale nearly impossible to close. *See* Adcock, Decl. ¶ 16.

46. To avoid the impact of the Additional Conditions on the SGM Sale, the Debtors must seek an order enforcing the Sale Order, finding that the SGM Sale is free and clear of the 2019 Conditions, and limiting the SGM Sale to only those conditions to which SGM contractually agreed to assumed in Schedule 8.6 of the SGM APA.

K. The Economic Impact of the Additional Conditions

47. The Additional Conditions have a significant impact on the economic viability of the Hospitals and effectively increase, by more than 50%, the purchase price in the SGM APA. By way of example only, the 2019 Conditions would require SVMC to remain operated and maintained as a licensed general acute care hospital (as defined in California Health and Safety Code Section 1250) through December 2024, whereas Schedule 8.6 provides that SVMC will do so

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

through December 2020. The reported Financial Statements of SVMC reflect that, in fiscal year 2019 (ended June 30, 2019), SVMC lost approximately $65 million which was an 18% and 103% increase over the fiscal years 2018 and 2017, respectively. *See* Chadwick Decl., at ¶ 6. Assuming operating losses at SVMC can be maintained at fiscal 2019 levels (a highly optimistic assumption), SGM would likely incur additional estimated losses totaling $260 million through December 2024 because of the Additional Conditions. *Id.* Moreover, the $260 million loss would likely need to be financed. *Id.* Using an average interest rate of 5% for four years of debt service would result in estimated incremental financing charges totaling approximately $25 million. *Id.* Accordingly, this 2019 Condition alone would place a potential burden on the buyer of at least $285 million beyond that contemplated in Section 8.6.

48. The Charity Care requirement presents another example of the significant economic impact of the 2019 Conditions when compared with Schedule 8.6. The 2019 Conditions require that SGM to provide an annual amount of Charity Care at St. Francis equal to or greater than $12,793,435 for a period of six fiscal years, which is at least $4,793,435, per year more than SGM has agreed to provide, pursuant to Section 8.6 for a period of seven years.[2] *See* Chadwick Decl. ¶ 7; *see also* 2019 Conditions, Exhibit "B." After adjusting for the one-year shorter required duration of this 2019 Condition, the estimated incremental cost to the buyer would be nearly $20 million in total over the six years. *See* Chadwick Decl. ¶ 7. The 2019 Conditions provide for additional increases in Charity Care amounts for St. Vincent and Seton, as well as increases across all four Hospitals in Community Benefit Service amounts. *Id.*

49. In summary, the total financial impact of just the these two examples of 2019 Conditions would require SGM to incur additional losses of approximately $305 million beyond those contemplated by Schedule 8.6. *See* Chadwick Decl. ¶¶ 8, 9. When compared to the SGM APA purchase price of $610 million, these represent a 50% increase in the price for the sale of

[2] The Charity Care Condition imposed by the Attorney General is also $6.4 million dollars *more* than SFMC provided in Fiscal Year 2019. Thus, the Attorney General is actually requiring an increase in charity care being provided by SFMC.

DENTONS US LLP

(213) 623-9300

these distressed assets. *Id.* The magnitude of these losses calls into question the viability of the acquisition.

50. The imposition of the Additional Conditions would result in the termination of the SGM Sale, unless the Debtors obtain the supplemental order required in Section 8.6 of the APA. *See* Baronoff, Decl. ¶ 7. If the SGM Sale does not close, the most likely outcome is that at least three of the Hospitals will have to close. *See* Adcock, Decl. ¶ 9. Altogether, between July 1, 2018 and June 30, 2019, the Hospitals had more than 34,000 inpatient admissions and 312,000 outpatient visits. *Id.* If the Hospitals are closed, all of those patients would be forced to find alternative providers for treatment, perhaps at greater distances than they are now required to travel for treatment at the Hospitals. For example, Seton Coastside is the only emergency room facility on the Pacific Coast between Daly City and Santa Cruz. *Id.* Additionally, Seton Coastside has 116 skilled nursing facility ("SNF") beds and, if Seton Coastside were closed, those residents would be forced to be relocated significant distances to find alternative facilities. *Id.* The risk of negative outcomes for emergency room patients increases as the distance, and therefore the time, required to obtain treatment, increases. In addition to the difficulty in finding alternative facilities for the SNF patients, the impact of transfer trauma on this population could be significant. *Id.*

IV.

ARGUMENT

A. THE SALE ORDER EFFECTUATED A SALE OF THE DEBTORS' ASSETS FREE AND CLEAR OF THE ADDITIONAL CONDITIONS

1. Section 363 Authorizes the Court to Sell the Debtors' Assets Free and Clear of Interests

The Court authorized the Debtors to sell assets to SGM pursuant to §§ 363(b) and (f). Section 363(b)(1) provides that the Debtors "may use, sell, or lease, other than in the ordinary course of business, property of the estate." 11 U.S.C. § 363(b)(1). The Bankruptcy Code provides that a sale pursuant to § 363(b)(1) must satisfy one of five alternative tests to be "free and clear of any interest in such property of an entity other than the estate":

> (1) applicable nonbankruptcy law permits sale of such property free and clear of such interest;
> (2) such entity consents;

DENTONS US LLP
601 South Figueroa Street, Suite 2500
Los Angeles, California 90017-5704
(213) 623-9300

> (3) such interest is a lien and the price at which such property is to be sold is greater than the aggregate value of all liens on such property;
> (4) such interest is in bona fide dispute; or
> (5) such entity could be compelled, in a legal or equitable proceeding, to accept a money satisfaction of such interest.

11 U.S.C. § 363(f).

Here, the Sale Order expressly provides that the SGM Sale was approved "free and clear of all liens, claims, interests, rights of setoff, recoupment, netting and deductions, rights of first offer, first refusal and any other similar contractual property, legal or equitable rights and any successor or successor-in-interest liability theories" pursuant to §§ 363(b) and (f). *See* Sale Order, ¶ G at 7. On this basis, and as set forth more fully below, the Sale Order effectuated the SGM Sale free and clear of the Additional Conditions.

2. <u>The Additional Conditions Constitute an Interest in Property Subject to the "Free and Clear" Language in Section 363</u>

a. Case Law Makes Clear That The Debtors Can Sell Their Hospitals Free And Clear Of "Interest In Property."

The Bankruptcy Code does not define "interest in property" as that term is used in § 363(f). *See, e.g.*, *Precision Indus., Inc. v. Qualitech Steel SBQ, LLC*, 327 F.3d 537, 545 (7th Cir. 2003) ("The Bankruptcy Code does not define 'any interest,' and in the course of applying section 363(f) to a wide variety of rights and obligations related to estate property, courts have been unable to formulate a precise definition."). The majority of courts interpret the phrase "interest in property" broadly to include both *in rem* interests in property as well as "other obligations that may flow from ownership of the property." *Folger Adam Sec., Inc. v. DeMatteis v. MacGregor JV*, 209 F.3d 252, 258 (3d Cir. 2000); *see also In re Leckie Smokeless Coal Co.*, 99 F.3d 573, 582 (4th Cir. 1996) ("Congress did not expressly indicate that . . . it intended to limit the scope of section 363(f) to *in rem* interests, strictly defined, and we decline to adopt such a restricted reading of the statute here.").

The majority of courts have coalesced around a single approach: interests in property are obligations connected to or arising from the property being sold. *See, e.g.*, *In re Trans World Airlines, Inc.*, 322 F.3d 283, 290 (3d Cir. 2003) (finding that "interests in property [are] within the

meaning of section 363(f) in the sense that they ***arise from the property being sold***") (emphasis added); *Leckie Smokeless Coal Co.*, 99 F.3d at 582 (finding that certain claims constituted "interests in . . . assets within the meaning of section 363(f)" where there was "a relationship between (1) the Fund's and Plan's rights to demand premium payments from Appellees and (2) the ***use to which Appellees put their assets***") (emphasis added); *Folger Adam Sec., Inc.*, 209 F.3d at 259 ("'[A]ny interest' is intended to refer to ***obligations that are connected to, or arise from, the property being sold***.") (emphasis added); *Indiana State Police Pension Trust v. Chrysler LLC (In re Chrysler LLC)*, 576 F.3d 108, 124 (2d Cir. 2009), *granting cert. and vacating as moot*, 558 U.S. 1087 (2009) ("We agree with *TWA* and *Leckie* that the term any interest in property encompasses those ***claims that arise from the property being sold***.") (emphasis added) (quotations omitted); *Precision Indus., Inc.*, 327 F.3d at 545 ("the term 'any interest' as used in section 363(f) is sufficiently broad to include Precision's possessory interest as a lessee"); *Myers v. U.S.*, 297 B.R. 774, 781 (S.D. Coal Industry Retiree Health Benefit Act of 1992, 26 U.S.C. §§ 9701-9722 (the "Coal Act"). *See Leckie Smokeless Coal Co.*, 99 F.3d at 575-76. Under the Coal Act, the successor to an operator was jointly and severally liable with the operator for payment of premiums. *See id.* at 576-77. Following the debtors' bankruptcy filing, the benefit plans opposed a proposed asset sale free and clear of successor liability for Coal Act premium payment obligations. *See id.* at 577. The bankruptcy court approved the sale free and clear, and, on appeal, the Fourth Circuit affirmed, concluding that the right to collect future premiums constituted interests in the assets transferred by the sale. *See id.* at 582. The Fourth Circuit explained that the benefit plans' right to collect premiums under the Coal Act

> are grounded, at least in part, in the fact that those very assets have been employed for coal-mining purposes: if Appellees had never elected to put their assets to use in the coal-mining industry, and had taken up business in an altogether different area, the Plan and Fund would have no right to seek premium payments from them. Because there is therefore a relationship between (1) the Fund's and Plan's rights to demand premium payments from Appellees and (2) the use to which Appellees put their assets, we find that the Fund and Plan have interests in those assets within the meaning of section 363(f).

Id. The relationship drawn by the Fourth Circuit between the prepetition obligation and the purchaser's use of assets for the same purposes as the debtor is cited repeatedly in cases finding that regulatory obligations are interests subject to § 363(f).

Similarly, a debtor's experience rating—the historic metric by which state regulators determine tax or insurance rates—may not be imputed to a purchaser of the debtor's assets. *See, e.g.*, *In re Old Carco, LLC*, 538 B.R. 674 (Bankr. S.D.N.Y. 2015).[4] In *Old Carco, LLC*, the purchaser of substantially all of the debtor's assets sought an order finding that the sale order prohibited Indiana and Illinois from using the debtor's experience rating to calculate the

purchaser's unemployment insurance tax rate. *See* 538 B.R. at 677. The state statutes in issue authorized regulators to compute tax rates "based, in part, on the employer's historical claims paying experience, generally reaching back three years." *Id.* at 679. Thus, the purchaser's tax rate was subject to increase based on the amount of benefits paid to workers discharged during the debtor's operations. *See id.* at 679-80. The bankruptcy court concluded that the experience rating constituted an interest in the assets sold because

> [t]he States' rights to use Old Chrysler's Experience Rating arises from New Chrysler's acquisition of its assets and the continuation of its business. Had New Chrysler started the same business from scratch with new assets, the States could not use Old Chrysler's Experience Rating to compute its tax rate. Furthermore, New Chrysler's increased liability is directly related to Old Chrysler's discharge of persons it employed in its business; these discharged employees never worked for New Chrysler.

Id. at 684-85. Significantly, this "continuation of business" test is repeated throughout cases addressing interests in property. *See, e.g.*, *Trans World Airlines, Inc.*, 322 F.3d at 290 ("Had TWA not invested in airline assets, which required the employment of the EEOC claimants, those successor liability claims would not have arisen."); *PBBPC, Inc.*, 484 B.R. at 869 ("the record reflects that the transfer of an employer's contribution rate to a successor asset purchaser is really an attempt to recover the money that the predecessor employer would have paid if it had continued in business"); *Leckie Smokeless Coal Co*, 99 F.3d at 582 (finding no liability would arise "if [purchasers] had never elected to put their assets to use in the coal-mining industry, and had taken up business in an altogether different area"); *accord Chrysler LLC*, 576 F.3d at 126.

b. The Additional Conditions Are An Interest In Property For At Least Three Reasons.

Applying the same analysis, it is clear that the 2019 Conditions are interests in property within the meaning of § 363(f) for at least three reasons. Before discussing these reasons, the Debtors reiterate that their argument only focuses on the Additional Conditions since SGM contractually agreed to be bound by the conditions in Schedule 8.6.

First, as this Court has recognized, the Additional Conditions the Attorney General seeks to impose on SGM are premised on the Debtors' operations. Specifically,

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

> [t]he Conditions provide that any owner of the Hospital must furnish specified levels of emergency services, intensive care services, cardiac services, and various other services. The required service levels were derived ***based upon the historical experience of the prior operator***.

In re Verity Health Sys. of Cal., Inc., 598 B.R. 283, 293 (Bankr. C.D. Cal. 2018) (Robles, J.) (emphasis added). Thus, for example, the Additional Conditions' purported imposition of "charitable care obligations are connected to and arise from the Assets being sold . . . [because] [h]ad the Assets not originally been earmarked for charitable purposes, the Attorney General could not seek to impose continuing charitable care obligation." *In re Gardens Reg'l Hosp. & Med. Ctr., Inc.*, 567 B.R. 820, 826 (Bankr. C.D. Cal. 2017) (Robles, J.), *appeal dismissed*, No. 17-03708, 2018 WL 1229989 (C.D. Cal. Jan. 19, 2018). The Additional Conditions constitute an interest in property to the extent they are premised or calculated based on the historical operations of the Debtors.

Second, the Attorney General's statutory authority to impose the Additional Conditions arises from the Debtors' operation of its assets as nonprofit acute care hospitals. The California statutory scheme grants the Attorney General authority to consent to the sale of a nonprofit health facility to a for-profit corporation. *See* CAL. CORP. CODE § 5914(a)(1)(A) (providing that a nonprofit corporation operating or controlling a health facility must obtain the consent of the Attorney General before entering into a transaction to "[s]ell, transfer, lease, exchange, option, convey, or otherwise dispose of, its assets to a for-profit corporation"); *see also id.* § 5917 (authorizing the Attorney General to condition any transaction described in CAL. CORP. CODE § 5914). The California statute ***does not*** allow the Attorney General to impose similar conditions on SGM—a for-profit entity—had it "started the same business from scratch with new assets." *Old Carco*, 538 B.R. at 684. As with the experience rating cases, it is the Debtors' "prior ownership and use" of the assets transferred by the SGM Sale that gives the Attorney General "a contingent right" to impose conditions on the Debtors under California law. *USA United Fleet, Inc.*, 496 B.R. at 87. Accordingly, the Additional Conditions constitute interests in property because they arise from the Debtors' prior ownership and use of the assets as nonprofit acute care hospitals.

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

Third, the Attorney General's authority to review the transaction arises from SGM's continuation of the Debtors' business as a health facility. *See* CAL. CORP. CODE § 5914(a)(1) (applying only to a sale of the assets of a nonprofit corporation that "operates or controls a health facility"). Under California law, the Debtors' assets subject to the SGM Sale qualify as health facilities to the extent they are operating general acute care hospitals. *See* CAL. HEALTH & SAFETY CODE § 1250(a). By way of example, in *Gardens Regional Hospital and Medical Center, Inc.*, this Court found that a sale of closed general acute care hospitals did not fall within the ambit of the Attorney General's regulatory authority because "the Assets being sold do not include an operating hospital." *See* 567 B.R. at 827. Here, however, SGM intends to purchase the Debtors' assets as operating acute care hospitals and continue their operations post-closing. As this Court has observed, the Attorney General's authority to impose the Additional Conditions on SGM under California Corporations Code, §§ 5914 *et seq.*, is "grounded, at least in part, in the fact that those very assets have been employed for" acute care hospital purposes. *Leckie Smokeless Coal Co.*, 99 F.3d at 582; *see also Gardens Reg'l Hosp. & Med. Ctr., Inc.*, 567 B.R. at 826 ("The Attorney General's claim to regulatory authority is similar to the regulatory interests asserted in *PBBPC* and *Leckie Smokeless Coal*, and therefore constitutes an 'interest in . . . property' for purposes of § 363(f)."). Accordingly, the Additional Conditions constitute interests in property because the Attorney General's authority to impose the Additional Conditions is conditioned on their operation as health facilities upon the closing of the SGM Sale.

3. The SGM Sale Should Be Authorized Free and Clear of the Additional Conditions Pursuant to Section 363(f)

The Debtors are authorized to consummate the SGM Sale free and clear of the 2019 Conditions because the SGM Sale satisfies the disjunctive sub-factors of § 363(f). *See* 11 U.S.C. 363(f); *see also Pinnacle Rest. at Big Sky, LLC v. CH SP Acquisitions (In re Spanish Peaks Hldgs. II, LLC)*, 872 F.3d 892, 897 (9th Cir. 2017). For practical purposes, the analysis below references the Additional Conditions, given that SGM contractually agreed to be bound by the conditions in Schedule 8.6.

a. California Law Allows the Sale of Nonprofit Health Facilities Without the Imposition of Additional Conditions (§ 363(f)(1))

The Bankruptcy Code permits the sale of property free and clear of interests if "such a sale would be ***legally permissible***." *In re Spanish Peaks Hldgs. II, LLC*, 872 F.3d at 900 (emphasis added); *see also* 11 U.S.C. § 363(f)(1) (permitting sales free and clear of interests if "applicable nonbankruptcy law permits the sale of such property free and clear of such interest"). Thus, absent a specific statutory requirement, the purchaser of an asset assumes no associated liabilities of the seller, including successor liability. *See Myers v. U.S.*, 297 B.R. at 784 ("As a general rule, under California law a purchaser does not assume the seller's liability."). Under § 363(f)(1), the Debtors can sell the Hospitals free and clear of the Additional Conditions because ***neither*** the Attorney General's statutory basis for imposing the Additional Conditions ***nor*** California common law impose successor liability. *See In re Verity Health Sys. Of Cal., Inc.*, 598 B.R. at 296 (Bankr. C.D. Cal. 2018) (Robles, J.) ("Provisions within the Conditions are enforceable only to the extent they are supported by California law.")

The California Corporations Code does not authorize the Attorney General to impose successor liability on the assets of a health facility. California law imposes upon the seller the obligation to notify the Attorney General of a sale and to obtain his consent to such sale. *See* CAL. CORP. CODE § 5914(a)(1) ("Any nonprofit corporation that . . . operates a health facility . . . shall be required to providing written notice to, and obtain the written consent of, the Attorney General" prior to entering into a sale transaction.); *see id.* § 5917 (granting the Attorney General discretion to "consent to, give conditional consent to, or not consent to any agreement or transaction). But, the statute ***does not*** grant the Attorney General authority to impose conditions on the assets subject to the transaction. Indeed, the Attorney General was previously unable to identify any provision of applicable "California law entitling him to enforce successorship liability under the circumstances of this case." *In re Verity Health Sys. of Cal., Inc.*, 598 B.R. at 296 (finding that "[t]he Attorney General's reliance upon provisions purporting to make the Conditions binding upon all successors, regardless of the circumstances under which such successors acquiring the Hospitals, is an impermissible attempt to expand his regulatory authority over the Hospitals").

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

In *La Paloma Generating, Co.*, a bankruptcy court granted a sale pursuant to § 363(f)(1) after finding that the applicable California regulatory scheme governing the transfer of cap and trade liabilities in the sale of electrical generation facilities did not impose successor liability. *See* No. 16-12700, 2017 WL 5197116 (Bankr D. Del. Nov. 9, 2017). The court concluded that, as here, the regulatory scheme did not impose successor liability because it imposed liabilities on entities rather than the assets subject to the transaction. *See id.* at *7 ("[T]he Regulation does not dictate . . . substitution and assumption of liability. In no way does Section 95835(b)(8) impugn liability on the purchase of the Covered Entity's assets."). Here, similarly, the California Corporations Code does not impose any statutory successor liability because the obligations are limited to the seller rather than the assets transferred pursuant to a sale.

Further, the SGM Sale does not implicate any of the four grounds to impose successor liability under California law. Under California law,

> the purchaser does not assume the seller's liabilities unless (1) there is an express or implied agreement of assumption, (2) the transaction amounts to a consolidation or merger of the two corporations, (3) the purchasing corporation is a mere continuation of the seller, or (4) the transfer of assets to the purchaser is for the fraudulent purpose of escaping liability for the seller's debts.

Ray v. Alad Corp., 19 Cal. 3d 22, 28 (1977); *see also City of San Diego v. Nat'l Steel & Shipbuilding Co.*, No. 09-2275, 2011 WL 5104624, at *4 (S.D. Cal. Oct. 27, 2011). None of the four grounds is present here. SGM has not expressly or impliedly agreed to assume the Debtors' obligations under the 2015 Conditions (except to the extent contracted in the SGM APA). The Court specifically found that the transfer was at arm's length and in good faith rather than for any fraudulent purpose. *See* Sale Order, ¶¶ D-E at 6-7 ("[T]he Transaction being consummated pursuant to and in accordance with the APA is not being consummated, for the purpose of hindering, delaying or defrauding creditors of the Debtors."). Finally, the transaction is not a consolidation, merger, or mere continuation because SGM has provided non-stock consideration and SGM and the Debtors have different officers, directors, or stockholders. *See, e.g.*, *Alad Corp.*, 19 Cal. 3d at 28-29 (citing *Econ. Refining & Serv. Co. v. Royal Nat. Bank of N.Y.*, 20 Cal. App. 3d 434 (Cal. Ct. App. 1971); *Malone v. Red Top Cab Co.* 16 Cal. App. 2d 268, 272-274 (1936);

Shannon v. Samuel Langston Co. 379 F. Supp. 797, 801 (W.D. Mich. 1974)). Accordingly, the Debtors may sell the Hospitals free and clear of the Additional Conditions because nonbankruptcy law does not impose successor liability notwithstanding the contrary provisions in the Additional Conditions.

b. The Additional Conditions Are Subject to A Bona Fide Dispute (§ 363(f)(4))

The Debtors may sell the Hospital free and clear of the Additional Conditions because the Attorney General's authority to impose the Additional Conditions is in bona fide dispute. *See* 11 U.S.C. § 363(f)(4). The phrase "bona fide dispute" is not defined by the Bankruptcy Code. *See Atlas Mach. & Iron Works, Inc. v. Bethlehem Steel Corp*., 986 F.2d 709, 715 (4th Cir. 1993) ("Although courts have not agreed on a precise definition of 'bona fide dispute,' it entails some sort of meritorious, existing conflict.") (citations omitted). Courts find a "bona fide dispute" when "there is an objective basis for either a factual or legal dispute as to the validity of the asserted interest." *In re Taylor*, 198 B.R. 142, 147 (Bankr. D.S.C. 1996). An objective legal basis for dispute may arise under bankruptcy or nonbankruptcy law. *See In re L.L. Murphrey Co.*, No. 12-03837-8-JRL, 2013 WL 2451368 (Bankr. E.D.N.C. June 6, 2013) (finding bona fide dispute as to validity of a creditor's lien subject to avoidance under § 544(a)(3)). Importantly, it is not necessary that the court resolve the dispute or its merits. *See id.* ("This standard does not require that the Court resolve the underlying dispute or determine the probable outcome of the dispute, but merely whether one exists.").

Here, the Additional Conditions are subject to bona fide dispute under bankruptcy and nonbankruptcy law. As set forth in this Motion, the Debtors dispute the Attorney General's authority to issue conditions impose successor liability contrary to the provisions of California law, the Bankruptcy Code, and the Sale Order. Further, as discussed more fully below, the Debtors dispute whether the Attorney General abused his discretion in imposing the Additional Conditions without adequate support. In each instance, the Court need not determine the relative merits of the disputes, and, instead, need only find that the disputes raised by the Debtors are bona fide. In each

(213) 623-9300

case, the Debtors' disputes as to the Additional Conditions support a sale free and clear of the Additional Conditions under § 363(f)(4).

c. The Attorney General Can Be Compelled to Accept A Money Satisfaction in the Event of Noncompliance with the Additional Conditions (§ 363(f)(5))

Section 363(f)(5) permits a sale free and clear if (i) the nondebtor could be compelled to accept a money satisfaction of the interest in property (ii) in a proceeding that could be brought. *See In re PW, LLC*, 391 B.R. 25, 41 (B.A.P. 9th Cir. 2008). An interest in property is subject to satisfaction for purposes of § 363(f)(5) if it imposes a calculable monetary obligation. *See In re Vista Marketing Grp. Ltd.*, 557 B.R. at 635 ("[O]ne would be hard-pressed to present a clearer example of a situation where the interest-holder could be compelled to accept a money satisfaction of its interest under subsection (f)(5) than the calculable monetary obligation asserted by the District in its surcharge bill and disconnection notice."); *see also In re Trans World Airlines, Inc.*, 322 F.3d 283, 290 (3d Cir. 2003) (interests in property such as travel vouchers and EEOC claims may be reduced to a specific monetary value for purposes of § 365(f)(5)).

Here, many of the Additional Conditions are subject to satisfaction by the payment of money. For example, certain Additional Conditions require charity care of a specific monetary value. *See* Exhibit "C." The Attorney General has historically (including in the Debtors' own experience) allowed health facilities to satisfy any charity care deficiency by paying funds to satisfy shortfalls to other purposes or entities. *See, e.g.*, First-Day Decl., ¶ 108 at 28 ("[A]s a result of a shortfall in the fiscal year 2017 charity care requirement for certain hospitals, VHS was required to make an additional contribution to the Retirement Plans of $7,619,000 in October 2017."); *see also In re WBQ P'ship*, 189 B.R. at 107 (finding § 363(f)(5) satisfied where state's right of recapture upon sale of nursing home could constitute a claim against the debtors subject to hypothetical cramdown).

Indeed, there is no dispute that the Attorney General allows unsatisfied charity care contributions to be satisfied by the payment of money. In the 2015 Conditions, the Attorney General expressly allowed the Debtors to satisfy any shortfall by paying an amount equal to the charity care shortfall to some other purpose. For example, with regard to St. Francis, the 2015

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

Conditions expressly allowed satisfaction of the Charity Care Condition by payment of 50% of the shortfall to employee pension plans and 50% of the shortfall to capital expenditures for maintenance of the facilities. *See* Docket No.256-1, Exhibit A, at 9. Allowing payment of monies to other entities to satisfy a shortfall in providing charity care is not unique to these hospitals. A review of the Attorney General's website describing nonprofit hospital transactions is replete with such examples. *See* https://oag.ca.gov/sites/all/files/agweb/pdfs/charities/nonprofithosp/. For example, in a decision on January 9, 2019, regarding Parkview Hospital, the Attorney General approved the proposed transaction with the condition that if there was a shortfall in the charity care required, that shortfall could be satisfied by the payment of "an amount equal to the deficiency to one or more tax-exempt entities that provide direct health care services to residents in the Hospital's service area."

Further, the 2019 Conditions make clear that the Attorney General can enforce satisfaction of these monetary obligations in a hypothetical legal proceeding. *See In re WBQ P'ship*, 189 B.R. at 107 (holding that nursing home sale was free and clear of state department's right to recover depreciation overpayments and emphasizing "'hypothetical' satisfaction, since § 363(f)(5) authorizes a sale if the interest holder '*could be* compelled, in a legal or equitable proceeding, to accept a money satisfaction of such interest'") (emphasis in original). The Attorney General specifically reserves his right to enforce the 2019 Conditions "to the fullest extent provided by law" and that, "[i]n addition to any legal remedies the Attorney General may have, the Attorney General shall be entitled to specific performance, injunctive relief, and such other equitable remedies a court may deem appropriate for breach of any of these Conditions." *See* Exhibit "B." As with the Debtors' prior satisfaction of the Charity Care Condition, payment of money was sufficient to "extinguish" entirely the Debtors' obligation to comply with the Charity Care Condition. *See, e.g.*, *In re Hassen Imports P'ship*, 502 B.R. 851, 861 (C.D. Cal. 2013) (finding that § 363(f)(5) "only authorizes sale free and clear when money payment is given in exchange for the extinguished interest"). Accordingly, as noted by the Attorney General, monetary conditions may be satisfied in a hypothetical legal proceeding.

Accordingly, the Attorney General can be compelled to accept monetary satisfaction of the Additional Conditions that impose calculable monetary obligations sufficient to sell the Hospitals free and clear of the Additional Conditions. For the foregoing reasons, the Sale Order effectuated a sale free and clear of the 2019 Conditions except for those SGM agreed to assume by contract as set forth in Schedule 8.6.

d. The Additional Conditions Contravene The Purposes of § 363(f) to the Extent They Purport to Impose Successor Liability on SGM.

California law does not authorize the Attorney General to impose successor liability on the purchaser of a health care facility because the statute only makes reference to the obligations of the seller rather than the assets sold. *See* discussion, *supra*; *see also In re La Paloma Generating, Co.*, No. 16-12700, 2017 WL 5197116 (Bankr. D. Del. Nov. 9, 2017); CAL. CORP. CODE § 5914. Further, the Debtors may sell the Hospitals free and clear of any successor liability assuming, *arguendo*, that the Conditions impose successor liability on SGM.

Courts favor a broader reading of § 363 in two instances where imposition of successor liability would compromise the fundamental purposes of bankruptcy sales. ***First***, "allowing sales of debtor assets free and clear of liabilities of the debtor induces a higher sale price for the assets, thereby maximizing the value of the estate and maximizing potential recovery to creditors." *Grumman Olson Indus. Inc.*, 467 B.R. at 703; *see also Douglas v. Stamco*, 363 Fed. Appx. 101, 102-03 (2d Cir. 2010) ("to the extent that the 'free and clear' nature of the sale . . . was a crucial inducement in the sale's successful transaction . . . the potential chilling effect of allowing a tort claim subsequent to the sale would run counter to a core aim of the Bankruptcy Code"); *Indiana State Police Pension Trust*, 576 F.3d at 126 ("The possibility of transferring assets free and clear of existing tort liability was a critical inducement to the Sale."); *In re PBBPC, Inc.*, 484 B.R. at 870 (rejecting imposition of experience rating where "the possibility of transferring assets free and clear of successor liability was a critical inducement to the sale") (quotations omitted); *Myers v. U.S.*, 297 B.R. at 781 (finding sale order sold assets free and clear of successor liability and positing "who would ever purchase assets at a bankruptcy proceeding if the successor liability were not limited, despite the plain wording of the bankruptcy court order?"). As discussed in detail, above,

DENTONS US LLP

(213) 623-9300

imposition of the Additional Conditions have serious financial consequences for the SGM Sale that undercut the free and clear nature of the SGM Sale and served as a critical inducement for the only bidder on the Debtors' Hospital assets. Accordingly, the Debtors may sell the Hospitals free and clear of any successor liability imposed by the Additional Conditions under § 363.

Second, allowing a claimant to pursue an asset purchaser in bankruptcy "would subvert the Bankruptcy Code's priority scheme, by allowing a low-priority, unsecured claim to leapfrog over other creditors in the bankruptcy." *See, e.g.*, *In re Grumman Olson Indus. Inc*., 467 B.R. 694, 703 (S.D.N.Y 2012); *see also In re Trans World Airlines, Inc.*, 322 F.3d 283, 291 (3d Cir. 2003) ("Even were we to conclude that the claims at issue are not interests in property, the priority scheme of the Bankruptcy Code supports the transfer of TWA's assets free and clear of the claims."); *Myers*, 297 B.R. at 781 (finding a sale order that *excluded* "successor liability" from the interests stripped under § 363(f) nevertheless effectuated a sale of the assets free and clear of successor liability because, to hold otherwise, "would allow unsecured creditors to receive greater protection and more priority than secured claims"). The Additional Conditions allow the Attorney General to impose monetary obligations on SGM to continue providing services such as charity care that were financially infeasible for the Debtors.

B. COMPLIANCE WITH § 363(d)(1) DOES NOT LIMIT THE DEBTORS' RIGHT TO SELL ITS ASSETS FREE AND CLEAR UNDER § 363(f).

Section 363(d)(1) provides that the Debtors must sell the Hospitals in accordance with nonbankruptcy law applicable to nonprofit transactions, and § 363(f) authorizes the Debtors to sell the Hospitals free and clear of interests in property. These two sections are easily construed under several applicable principles of statutory construction.

First, each statutory provision should be read by reference to the whole act. *See John Hancock Mut. Life Ins. Co. v. Harris Trust & Sav. Bank*, 114 S. Ct. 517, 523 (1993); *Pavelic & Leflore v. Marvel Entm't Grp.*, 493 U.S. 120, 123-24 (1989); *Mass. v. Morash*, 490 U.S. 107, 114-15 (1989). Second, the Court should avoid interpreting a provision of the Bankruptcy Code in a way inconsistent with the policy of another provision of the Bankruptcy Code. *See United Sav. Ass'n v. Timbers of Inwood Forest Assocs.*, 484 U.S. 365, 371 (1988). Finally, specific provisions

DENTONS US LLP

(213) 623-9300

targeting a particular issue apply instead of provisions more generally covering the issue. *See Morton v. Mancari*, 417 U.S. 535, 550-51 (1974) (a general statute will not be held to have repealed by implication a more specific one unless there is "clear intention otherwise"); *U.S. v. Novak*, 476 F.3d 1041, 1054 (9th Cir. 2007) (recognizing "the elementary tenet of statutory construction that a general statute will not alter a more specific one") (quotations omitted). This tenet applies with equal force to interpretation of competing provisions of the Bankruptcy Code. *See Law v. Seigel*, 571 U.S. 415, 421 (2014) (resolving conflict between §§ 105(a) and 522 by "application of the axiom that a statute's general permission to take actions of a certain type must yield to a specific prohibition found elsewhere").

Applying these principles, the requirement to act in accordance with nonbankruptcy law does not abrogate the Debtors' authority to sell free and clear of the Additional Conditions under the more specific provisions of § 363(f), particularly when the Additional Conditions would render the terms of the SGM APA and the Sale Order meaningless.

Section 363(f) provides specific grounds to conduct sales free and clear of interests in property that is not limited by a nonprofit debtor's general obligation, under § 363(d)(1), to comply with nonbankruptcy law. Section 363 provides that nonprofit debtors must generally comply with applicable nonbankruptcy law in conducting sales under § 363(b). Section 363(d)(1) provides that a nonprofit debtor may sell assets of the estate pursuant to § 363(b) "only in accordance with nonbankruptcy law applicable to the transfer of property by" such nonprofit debtor. 11 U.S.C. 363(d)(1). This general requirement in § 363(d)(1) makes no reference to § 363(f), which sets forth the specific bases by which a debtor may obtain approval of a sale under § 363(b) free and clear of any interest in such property. Without a "clear intention otherwise," the general requirement that a nonprofit debtor comply with nonbankruptcy law does not repeal by implication the specifics of free and clear sales under § 363(f), including the Debtors' rights to sell assets free and clear of successor liability. *See Morton*, 417 U.S. at 550-51. Simply put, § 363(d)(1) does not grant the Attorney General the unfettered right to impose conditions without regard to this Court's exclusive

DENTONS US LLP

jurisdiction over the Debtors' assets and any other provisions of the Bankruptcy Code. *See*, *e.g.*, §§ 363(f), 525, 541; *see also* 28 U.S.C. § 1334(e).[5]

Even if the provisions were in conflict, applicable law authorizing the Attorney General to review and condition sales of health facilities is not inconsistent with the successor liability limitations set forth in § 363(f). As discussed above, applicable California law does not impose successor liability on the SGM Sale because the obligations are imposed on the seller of a health facility rather than the assets themselves. *See, e.g.*, *In re La Paloma Generating, Co.*, 2017 WL 5197116, at *7 ("[T]he Regulation does not dictate . . . substitution and assumption of liability. In no way does Section 95835(b)(8) impugn liability on the purchase of the Covered Entity's assets.").

Accordingly, the general requirements of § 363(d)(1) are not in conflict with the Debtors' authority to sell assets free and clear of successor liability under § 363(f). The Debtors complied with the requirements of nonbankruptcy law and received the Attorney General's conditional approval of the SGM Sale. Nonbankruptcy law does not impose successor liability on SGM, and,

[5] The Attorney General has previously argued that he may enforce conditions on the sale of a nonprofit hospital, pursuant to police and regulatory powers designed to protect the health and safety of the community. *See* Docket No. 463, at 7 (the "Prior Response"). However, unlike § 362(b)(4), § 363 has no exception for governmental entities acting pursuant to police or regulatory powers. The Congress is presumed to act intentionally and purposely when it includes language in one section but omits it in another. *Keene Corp. v. United States*, 508 U.S. 200, 208 (1993) ("where Congress includes particular language in one section of a statute but omits it in another [...] it is generally presumed that Congress acts intentionally and purposely in the disparate inclusion or exclusion.") (quoting *Russello v. United States*, 464 U.S. 16, 23 (1983)). Even if such an exception were to apply, as the Attorney General concedes in the Prior Response, preemption of state law is most likely where the state statute carves an exception out of the Bankruptcy Code, or where the state statute is concerned with economic regulation rather than protecting the public health and safety. Prior Response, at 7, lines 1-15 (citing *Baker & Drake, Inc. v. Pub. Serv. Comm'n of Nevada*, 35 F.3d 1348, 1353 (9th Cir. 1994)). Both situations exist here. First, the interpretation suggested by the Attorney General carves a huge exception out of the Bankruptcy Code, basically allowing him to ignore both the plain language of the federal laws, and the practical implications of his interpretation. Second, although the state statute discusses that a sale to a for-profit "may affect the availability of community health care services," Prior Response, at 7, lines 23-24 (citing CAL. CORP. CODE, Ch. 9, Note §1m Stats 1996, ch. 1105), the Attorney General has *no* general oversight over health facilities in California or over acute care hospitals in particular. Rather, his review is predicated on the regulation of a kind of business—nonprofits—and therefore falls neatly into economic regulations.

to the extent the Additional Conditions impose successor liability, the Debtors may sell free and clear under § 363(f) while still complying with their general obligations under § 363(d)(1).

C. THE ATTORNEY GENERAL CANNOT INTERFERE WITH THE COURT'S EXCLUSIVE JURISDICTION OVER PROPERTY OF THE ESTATES.

Section 1334(e) of title 28 of the United States Code grants federal district courts—and, by jurisdictional grant, pursuant to 28 U.S.C. § 157(a), bankruptcy courts within each district—exclusive jurisdiction of all property of the debtor and its estate, "wherever located." 28 U.S.C. § 1334(e); 11 U.S.C. § 157(a); *see also Hong Kong and Shanghai Banking Corp. v. Simon (In re Simon)*, 153 F.3d 991 (9th Cir. 1998) (district court in which bankruptcy case is commenced has exclusive *in rem* jurisdiction over all estate property); *see also Central Va. Cmty College v. Katz*, 546 U.S. 356, 126 S. Ct. 990 (2006) (A "critical feature of every bankruptcy proceeding [is] the exercise of exclusive jurisdiction over all of the debtor's property."). Moreover, in the context of adjudicating the rights of in a bankruptcy estate, even against the Attorney General, the power of the bankruptcy court includes the "power to issue compulsory orders to facilitate the administration and distribution of the res." *Id.* The Supreme Court was clear in *Katz* that the Court's power was not limited to *in rem* beyond the "mere adjudication of rights in a res" and extended to proceedings "necessary to effectuate the *in rem* jurisdiction of the bankruptcy courts." *Id.* Therefore, under *Katz*, the Court also has the power to issue orders necessary to effectuate the Sale Order, including issuing orders that the SGM Sale is free and clear of the Additional Conditions.

Here, the Court has exclusive jurisdiction over the Hospitals because they are indisputably "property of the estates" pursuant to § 541. *See* § 541. The Court's exclusive jurisdiction limits the Attorney General's attempt to impose restrictions on the Hospitals. Moreover, the states' right to regulate an operating debtor in possession under 28 U.S.C. § 959(b) does not limit this Court's jurisdiction or give the state the right to interfere in the sale of the Debtors' Hospitals. *See Hillis Motors v Hawai`i Auto Dealers Assn.*, 997 F.2d 581, 592 (9th Cir 1993) (holding that state action to involuntarily dissolve a corporation for non-payment of franchise fees and filings violated the automatic stay as an act to control property of the estate under § 362(a)(3) and was not excepted by §362 (b)(4) or (5) or 28 U.S.C. § 959(b)).

D. THE ADDITIONAL CONDITIONS VIOLATE § 525 BECAUSE THEIR EXPRESS PURPOSE IS TO REQUIRE SGM TO UNDERTAKE THE SAME OBLIGATIONS THE DEBTORS CAN NO LONGER ACCOMPLISH.

Imposition of the Additional Conditions constitutes impermissible discrimination against the Debtors and SGM, as a debtor-associate, pursuant to § 525. Section 525(a) grants the Debtors protection against discriminatory treatment by governmental unit on account of the Debtors' insolvency. *See* 11 U.S.C. § 525(a).

One of the leading case interpreting § 525 is the United States Supreme Court's decision in *Federal Communications Commission v. NextWave Communications, Inc.* 537 U.S. 293 (2003) ("NextWave"). In *NextWave*, the Federal Communications Commission (the "FCC") cancelled certain licenses owned by the debtor, but denied that the proximate cause for its cancellation of the licenses was the failure to make payments due to the FCC. Instead, the FCC contended that § 525 did not apply because it had a valid regulatory motive for the cancellation. The Supreme Court held that the FCC's motive was "irrelevant" because "[s]ection 525 means nothing more or less than that the failure to pay a dischargeable debt must alone be the proximate cause of the cancellation —the act or event that triggers the agency's decision to cancel, whatever the agency's ultimate motive in pulling the trigger may be." *NextWave*, 537 U.S. at 301-02. The FCC contended that NextWave's license obligations to the commission were not "debt[s] that [are] dischargeable" in bankruptcy. *Id.* at 302. The FCC argued that regulatory requirements, such as a full and timely payment condition, are not properly classified as "debts" under the Bankruptcy Code. The Supreme Court dismissed this argument, finding that "a debt is a debt even when the obligation to pay it is a regulatory condition." *Id.* at 303. The FCC also argued that NextWave's obligations were not "dischargeable" in bankruptcy because bankruptcy courts did not have the jurisdictional authority to alter regulatory obligations. *Id.* Noting that dischargeability is not tied to the existence of such authority, the Supreme Court found that a preconfirmation debt is dischargeable unless it falls within an express exception to discharge. *Id.*

In *In re Aurora Gas, LLC*, the bankruptcy court addressed whether the State of Alaska violated § 525(a) by effectively conditioning the sale of gas leases on the purchaser's assumption of unpurchased liabilities. *See* No. 16-00130, 2017 WL 4325560 (Bankr. D. Alaska Sept. 26, 2017).

The debtor formerly operated nine oil and gas wells leased from the state. *See id.* at *1. During the course of the bankruptcy case, the debtor determined that it would not be able to sell three of the wells leased on state lands and could not afford to completely plug and abandon the wells. *See id.* The debtor, thus, began the process of temporarily plugging the wells and obtained approval to reject the leases. *See id.* The debtor secured an offer to purchase five of the remaining oil and gas leases for $100,000, subject, however, to review and approval by the state. *See id.* The bankruptcy court entered an order granting authority to assume and assign the leases and sell related assets free and clear of claims and interests. *See id.* at *2. Subsequently, the state imposed conditions on the sale that required the purchaser either agree to (i) a bond in the amount of $200,000 and an agreement to plug and abandon the three unpurchased wells, or (ii) a bond in the amount of $6 million. *See id.*

The bankruptcy court held that the imposition of the conditions violated § 525(a). The bankruptcy court noted that "the State does not deny that the Decision was an attempt to collect [the debtor's] debt for the [nonoperating] leases. Rather, it defends its action as necessary to provide for the plugging and abandonment of the wells which the debtor will not be able to accomplish." *Id.* at *4. The court concluded that the state "effectively denied the debtor's transfer of five of its . . . leases because it insists on recovering the debtor's . . . plug and abandonment liability." *Id.* at *5. Indeed, the $6 million bonding requirement made clear that the state's intent was to recover on the debtor's potentially dischargeable liabilities rather than the "proper exercise of the agency's discretion in discharge of its statutory duties." *See id.* ("There is nothing in the Decision to support the [state's] conclusion that it will cost $1,000,000 to plug and abandon each well.").

The Additional Conditions are no different than those addressed by the bankruptcy court in *Aurora Gas* because they impose upon SGM the very same levels of services, charity care, and other obligations imposed on the Debtors by the 2015 Conditions. The Additional Conditions repeatedly obligate SGM to maintain licensure and services "at no less than current" levels that correspond directly to the Debtors' postpetition services. *See* Exhibit "B" ("The term 'current' or 'currently' throughout this document means as of January 1, 2019.") (2019 Conditions, at 2, n.2).

As discussed above, § 363(f) allows the Debtors to sell their assets free and clear of the Attorney General's interests in imposing Additional Conditions. These interests are dischargeable within the meaning of § 525(a) even if the Debtors will not receive a discharge under their Plan. *See Aurora Gas, LLC*, 2017 WL 4325560, at *6 ("The State has not identified any exception within § 523(a) for the debtor's prepetition liability for plugging and abandoning the [nonoperating] wells. Nothing within § 525(a) requires that the debtor actually obtain a discharge, only that the debt be dischargeable."); *FCC v. NextWave Pers. Commc'ns Inc.*, 537 U.S. at 303 ("A preconfirmation debt is dischargeable unless it falls within an express exception to discharge."). Further, as with *Aurora Gas*, the Additional Conditions will "effectively den[y] the [Debtors'] transfer of" their hospital assets because the Attorney General "insists on recovering" from SGM the same obligations imposed on the Debtors under the 2015 Conditions. The Additional Conditions must be denied as violative of § 525(a) because the Debtors' inability to continue the same services following the conclusion of these Cases are "the proximate cause" of the Attorney General's Additional Conditions. *See NextWave Pers. Commc'ns Inc.*, 537 U.S. at 301-02.

E. THE ATTORNEY GENERAL ABUSED HIS DISCRETION IN IMPOSING THE ADDITIONAL CONDITIONS.

1. The Court Has Authority to Review Whether the Attorney General Abused His Discretion in Imposing the Additional Conditions.

If the Court does not find the Additional Conditions are cut off by § 363, the Debtors ask that the Court review the Attorney General's decision under applicable nonbankruptcy law. Section 1221(e) of the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005, Pub. L. No. 109-8, § 1221(e) (2005), makes clear that the applicable nonbankruptcy law should be interpreted by this Court and should not be referred to a state court. *In re HHH Choices Health Plan, LLC*, 554 B.R. 697, 700-01 (Bankr. S.D.N.Y. 2016) ("While a transfer [of nonprofit assets] must comply with the substantive requirements of state law. . . . any determination that would be made by a state court, . . . in the absence of a bankruptcy case, is now a determination to be made by [the bankruptcy court], and not by the state court.").

The Attorney General has discretion under applicable state law to deny, consent to, or conditionally approve a transaction. However, that discretion is limited and subject to judicial

review. Under state law, the Court has the power to overrule the Attorney General's decision imposing conditions inconsistent with Section 8.6 of the SGM APA. *Del Riccio v. Superior Court*, 115 Cal. App. 2d 29, 31 (1952) ("In the exercise of equitable jurisdiction the court undoubtedly has broad discretionary powers to take whatever action is necessary in the interests of justice in order that its decrees will not fail to accomplish their purpose."); *see also* Cal. Code Civ. Proc., § 187. That power extends even to reviewing discretionary decisions for abuse of discretion. *Lamb v. Webb* (1907) 151 Cal. 451, 454 (the trial court has the power to compel the Attorney General to act where the Attorney General abused its discretion); accord *City of Campbell v. Mosk*, 197 Cal. App. 2d 640, 645 (1961).

Judicial review of most public agency decisions is obtained either by: (1) a writ of ordinary/traditional mandamus, pursuant to C.C.P. § 1085; or (2) a writ of administrative mandamus, pursuant to C.C.P. § 1094.5. *See Friends of the Old Trees v. Dep't of Forestry & Fire Prot.*, 61 Cal. Rptr. 2d 297, 303 (Cal. Ct. App. 1997). Ordinary mandate under C.C.P. § 1085 is a traditional remedy by which a court compels an inferior tribunal to perform a legally required duty. Administrative mandate under C.C.P. §1094.5 is a statutory remedy which enables a petitioner to challenge an administrative decision after an adjudicatory hearing in which the agency performs a fact finding function. Parties are entitled to seek both in the same action. *See Conlan v. Bonta*, 102 Cal. App. 4th 745, 751-52 (2002). Moreover, C.C.P. §§ 1085 and 1094.5, subd. (f) are identical in authorizing courts to issue a writ of mandate to compel the performance of an act "which the law specially enjoins."

Under C.C.P. § 1094.5, the Court "begin[s] its review with a presumption of the correctness of administrative findings, and then, after affording the respect due to these findings, exercise[s] independent judgment in making its own findings." *Fukuda v. City of Angels*, 977 P.2d 693, 701 (Cal. 1999); s*ee Benetatos v. City of Los Angeles,* 186 Cal. Rptr. 3d 46, 56 (Cal. Ct. App. 2015) ("the independent judgment test is applied to review administrative decisions that will drive an owner out of business or significantly injure the business's ability to function").

Alternatively, for traditional mandamus under C.C.P. § 1085, the Court reviews the administrative action to determine whether it "was arbitrary, capricious, or entirely lacking in

DENTONS US LLP

(213) 623-9300

evidentiary support, contrary to established public policy, unlawful or procedurally unfair." *Id.* (quotations omitted). "Although mandate will not lie to control a public agency's discretion, that is to say, force the exercise of discretion in a particular manner, it will lie to correct abuses of discretion." *Id.* (quotations omitted). "Abuse of discretion is established if the … order or decision is not supported by the findings, or the findings are not supported by the evidence." *Wollmer v. City of Berkeley*, 193 Cal. App. 4th 1329, 1338 (2011) (citing Cal. Code Civ. Proc., § 1094.5, subd. (b).) Moreover, the Court should not give deference to the Attorney General's interpretation of State law. *County of San Diego v. State of Cal*. 15 Cal. 4th 68, 109 (1997). Because public agencies and officials "have a duty to comply with applicable state statutes and local ordinances," failure to do so is an abuse of discretion that is "arbitrary, capricious, or lacking in evidentiary support *Bright Dev. v. City of Tracy* 20 Cal. App. 4th 783 (1993).

Regardless of which standard applies here, the Attorney General's conduct does not pass muster under either statute. The Attorney General's decision to impose many, if not all, of the Additional Conditions, is not supported by findings or evidence. *See Topanga Assn. for a Scenic Community v. County of Los Angeles*, 11 Cal. 3d 506, 515 (1974) ("[I]mplicit in section 1094.5 is a requirement that the agency which renders the challenged decision must set forth findings to bridge the analytic gap between the raw evidence and ultimate decision or order."). The Attorney General has given no consideration whatsoever to the economic impact of the 2019 Conditions on the continued existence of the Hospitals. Although Attorney General's review of the SGM Sale was undertaken pursuant to a statute that purports to seek to preserve healthcare for the community, it is undisputed that the 2019 Conditions imposed by the Attorney General will have the singular result of destroying the SGM Sale and closing hospitals. There could not be a clearer example of an abuse of discretion. *Honchariw v. City of Stanislaus* 218 Cal. App. 4th 1019, 1027 (2013); *see also Bob Jones Univ. v. United States* 461 U.S. 574, 586 (1983) (a well-established canon of statutory construction provides that literal language should not defeat the plain purpose of the statute).

2. The Scope of the Court's Review on Writ of Mandamus

Judicial review of most public agency decisions is obtained by a writ of: (1) ordinary or traditional mandamus, per C.C.P. § 1085; or (2) administrative mandamus, per C.C.P. § 1094.5. *See Friends of the Old Trees v. Dep't of Forestry & Fire Prot.*, 61 Cal. Rptr. 2d 297, 303 (Cal. Ct. App. 1997).

The applicable type of mandate is determined by the nature of the administrative action or decision, in that quasi-legislative or ministerial acts are reviewed by ordinary mandate, while quasi-judicial acts are reviewed by administrative mandate. *Id.* "Generally speaking, a legislative action is the formulation of a rule to be applied to all future cases, while an adjudicatory act involves the actual application of such a rule to a specific set of existing facts." *Id.* (quotation omitted). More specifically, traditional mandate is used to review agency action when the agency was not required to hold a hearing, whereas administrative mandamus reviews final administrative orders from a proceeding "in which by law a hearing is required to be given, evidence is required to be taken, and discretion in the determination of facts is vested in the inferior tribunal[.]" *Id.* (quoting C.C.P. § 1094.5(a)).

Here, when evaluating the proposed transaction, the Attorney General was required to hold a hearing, take evidence, and utilize discretion in his determination of existing facts. Indeed, California Corporations Code § 5916 explicitly requires that "[p]rior to issuing any written decision referred to in Section 5915 . . . the Attorney General shall conduct one or more public meetings, one of which shall be in the county in which the facility is located, to hear comments from interested parties." *See Sierra Club v. State Bd. of Forestry*, 7 Cal. 4th 1215, 1235 (1994) (section 1095.4 hearing requirement satisfied where the Board of Forestry is required to hold a public hearing to review timber harvesting plan and determine if it conforms to the rules and regulations of the board and the Forest Practice Act).

In addition to being required to receive public input, the Attorney General's conditional consent must also only have been determined after considering "relevant factors," such as the ten enumerated ones set forth in California Corporations Code § 5917. These factors include the Attorney General's receipt and review of evidence supporting whether the transaction is "fair and

DENTONS US LLP

(213) 623-9300

reasonable to the nonprofit corporation," at "fair market value," and "in the public interest." CAL. CORP. CODE § 5917. As part of this evidentiary review, the Attorney General is authorized to contract with experts and consultants (and has done so here). *See* CAL. CORP. CODE § 5919. As a result, the Attorney General's conditional consent is an adjudicatory administrative decision, and the standard of review in this proceeding must be administrative mandamus.[6] *See Friends of the Old Trees*, 61 Cal. Rptr. 2d at 304–05 (Section 1094.5 review required where the statutes governing the Department of Forestry & Fire Protection's approval of a timber harvest plan provides numerous opportunities for public and agency input, even though the "Department is not required to hold a trial-type hearing."); *see also Ebbetts Pass Forest Watch v. Dep't of Forestry & Fire Prot.*, 20 Cal. Rptr. 3d 808, 814 (Cal. Ct. App. 2004) (public meetings to review timber harvest plan satisfy section 1094.5 standard).

Not only does the § 1094.5 framework apply, the scope of the Court's judicial review is necessarily the "independent judgment rule," because the Attorney General's conditional consent "substantially affects" Verity's "fundamental vested right." *See, e.g.*, *Mann v. Dep't of Motor Vehicles*, 90 Cal. Rptr. 2d 277, 283 (Cal. Ct. App. 1999). Due to the separation of powers doctrine, deprivation of an entity's or individual's fundamental rights by an agency cannot evade judicial protection. *See Bixby v. Pierno*, 481 P.2d 242 (Cal. 1971) ("By carefully scrutinizing administrative decisions which substantially affect vested, fundamental rights, the courts of California have undertaken to protect such rights, and particularly the right to practice one's trade or profession, from untoward intrusions by the massive apparatus of government."). Thus, "[i]f the decision of an administrative agency will substantially affect such a right, the trial court not only examines the administrative record for errors of law but also exercises its independent judgment upon the evidence disclosed" in a *de novo* review. *Id.*

---

[6] This is in sharp contrast to the inapplicable §1085 standard involving only ministerial acts: "[a] ministerial act is an act that a public officer is required to perform in a prescribed manner in obedience to the mandate of legal authority and without regard to his own judgment or opinion concerning such act's propriety or impropriety, when a given state of facts exists." *Schwartz v. Poizner*, 113 Cal. Rptr. 3d 610, 614 (Cal. Ct. App. 2010) (quotations omitted).

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

Whether an administrative decision substantially affects fundamental vested rights is determined on a case-by-case basis, in which this Court must consider "whether the affected right is deemed to be of sufficient significance to preclude its extinction or abridgement by a body lacking *judicial* power." *Interstate Brands v. Unemployment Ins. Appeals Bd.*, 608 P.2d 707, 713 n.5 (Cal. 1980) (emphasis in original). In this case, the Attorney General's conditional consent has the practical effect of closing at least three of the Hospitals, forever. In that sense, it is indistinguishable from administrative decisions involving the revocation of a professional license or business permit, which, for decades, courts have consistently held to affect a fundamental right. *See, e.g.*, *Oxford Preparatory Acad. v. Chino Valley Unified Sch. Dist.*, 249 Cal. Rptr. 3d 726, 730–31 (Cal. Ct. App. 2019), *reh'g denied* (July 29, 2019), *review filed* (Aug. 20, 2019) (charter school "has a fundamental vested right to continue operating"); *Coe v. City of San Diego*, 208 Cal. Rptr. 3d 73, 81 (Cal. Ct. App. 2016) ("a decision to revoke a nude entertainment business permit involves a fundamental vested right."); *The Termo Co. v. Luther*, 86 Cal. Rptr. 3d 687, 697 (Cal. Ct. App. 2008) ("The implementation of the Order and Decision would have the effect not only of shutting down a business that has been in existence for 20 years or more, but also of terminating the right to produce oil—an extraordinarily valuable resource, especially in the current economic era. . . . Certainly, a fundamental vested right is at issue."); *Bauer v. City of San Diego*, 89 Cal. Rptr. 2d 795, 804 n.14 (Cal. Ct. App. 1999); *Goat Hill Tavern v. City of Costa Mesa*, 8 Cal. Rptr. 2d 385, 391 (Cal. Ct. App. 1992) ("the right to continue operating an established business in which [the owner] has made a substantial investment" is a "fundamental vested right."). Indisputably, the Debtors' rights to preserve its Hospitals—such that they can continue providing healthcare and lifesaving procedures to the community they serve—are fundamental, vested, and abridged substantially by the Attorney General's 2019 Conditions.

The Attorney General may attempt to cast the Debtors' rights in a purely economic light, incorrectly arguing that the Debtors merely assert the right to sell its businesses. *Cf. SP Star Enterprises, Inc. v. City of Los Angeles*, 93 Cal. Rptr. 3d 152, 162 (Cal. Ct. App. 2009). But, the rights threatened by the Attorney General's decision are the survival of three Hospitals upon which the public undisputedly depends. *Benetatos v. City of Los Angeles*, 186 Cal. Rptr. 3d 46, 56 (Cal.

Ct. App. 2015) ("The substantial evidence test has been applied to review administrative decisions that restrict a property owner's return on his property, or which increase the cost of doing business, or reduce profits, because such decisions impact mere economic interests rather than fundamental vested rights. In contrast, the independent judgment test is applied to review administrative decisions ***that will drive an owner out of business or significantly injure the business's ability to function***.") (emphasis added).

As a result, in this proceeding, this Court "begin[s] its review with a presumption of the correctness of administrative findings, and then, after affording the respect due to these findings, exercise[s] independent judgment in making its own findings." *Fukuda v. City of Angels*, 977 P.2d 693, 701 (Cal. 1999).

In addition, "[w]here the court finds that there is relevant evidence that, in the exercise of reasonable diligence, could not have been produced or that was improperly excluded at the hearing before respondent . . . the court may admit the evidence at the hearing on the writ without remanding the case." C.C.P. § 1094.5(e); *see also Tiholiz v. Northridge Hosp. Found.*, 199 Cal. Rptr. 338, 343 (Cal. Ct. App. 1984) (permitting admission of newly discovered evidence in the form of declarations, finding that "a litigant has a fundamental interest at stake in procedural fairness, including but not limited to an interest in the compilation of an accurate hearing record").

Even if traditional mandamus applies, the Attorney General's conditional consent constitutes an abuse of his discretion. The Debtors are "beneficially interested" to seek a writ of mandate, in that its particular right to sustain the Hospitals is direct and substantial, especially given the undisputed public need for these hospitals. *Citizens for Amending Proposition L v. City of Pomona*, 239 Cal. Rptr. 3d 750, 763–64 (Cal. Ct. App. 2018), *reh'g denied* (Nov. 28, 2018). Under § 1085, the trial court reviews an administrative action to determine whether an agency's action "was arbitrary, capricious, or entirely lacking in evidentiary support, contrary to established public policy, unlawful or procedurally unfair." *Id.* (quotations omitted). "Although mandate will not lie to control a public agency's discretion, that is to say, force the exercise of discretion in a particular manner, it will lie to correct abuses of discretion." *Id.* (quotations omitted).

Because public agencies and officials "have a duty to comply with applicable state statutes and local ordinances," failure to do so is an abuse of discretion that is "arbitrary, capricious, or lacking in evidentiary support." *Id.* at 774.

There are also exceptions to the general rule precluding the consideration of extra-record evidence in traditional mandamus actions, where such evidence provides background information regarding the quasi-legislative agency decision, to establish whether the agency fulfilled its duties in making the decision, or to assist the trial court in understanding the agency's decision. *Outfitter Properties, LLC v. Wildlife Conservation Bd.*, 143 Cal. Rptr. 3d 312, 322 (Cal. Ct. App. 2012).

3. The Attorney General Failed to Assure Preservation of the Hospitals for Their Communities

As set forth above, the Attorney General's discretion to issue conditions of approval of a sale of a nonprofit hospital to a for profit entity is circumscribed by (i) California Corporations Code § 5917, and (ii) the Attorney General's general statutory and common law obligations to preserve and/or redirect the charitable assets for public benefit. *See, e.g.,* CAL. GOV'T CODE § 12598. Although the Attorney General is not a technical fiduciary to such assets, *see Restatement of the Law of Charitable Nonprofit Organizations Principles of the Law of Nonprofit Organizations* § 5.01 TD (2017), and although the Attorney General, in the normal course, is not empowered to substitute its judgment for that of the trustees of the charitable assets, the Attorney General's role in overseeing a nonprofit hospital sale becomes virtually that of a fiduciary to such assets during the sale process. This virtual status results from the multiple layers of statutory and common law requirements imposed on the Attorney General's decision making, and the Attorney General's arrogation of the right to impose contractual post-sale restrictions on then for-profit assets (which in fact imposes the Attorney General's judgment over that of the successor hospital administrator).

Here, the Attorney General, in conditionally approving the SGM Sale, has accepted that the Hospitals are no longer sustainable as part of a nonprofit enterprise. There were no nonprofit bidders for the Hospitals. Once the Attorney General has determined that the Hospitals cannot be maintained as nonprofit, the Attorney General's duties are to (i) ensure that the facility is monetized at a fair market value to the nonprofit seller of the facility, *see* CAL. CORP. CODE §

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

5917(c), and (ii) ensure that the monies received from the sale of the facility are preserved for charitable use by redirecting them under appropriate *cy pres* guidelines, *see* CAL. GOV'T CODE § 12598(a).

The Hospitals, once sold, are no longer charitable assets, so the Attorney General's power and his right of oversight of these Hospitals ceases. The 2019 Conditions represent the Attorney General's attempt to subvert California Corporations Code § 5917 and extend his continuing control over non-charitable health care assets. The Attorney General cannot commit such an end-run around the statutory limitations to his decision making discretion. Importantly, any continuing control over the Hospitals is a result solely of a contract entered into between the Attorney General and SGM.

One of the paramount obligations of the Attorney General is to preserve charitable assets. This obligation is embodied in California Government Code § 12598(a), which provides that "[t]he primary responsibility for supervising charitable trusts in California, ... *for protection of assets held by charitable trusts* and public benefit corporations, resides in the Attorney General." (emphasis added). It is also one of the factors set forth by the Legislature in California Corporations Code § 5917(h). *See* CAL. CORP. CODE § 5917(h) ("The agreement or transaction may create a significant effect on the availability or accessibility of health care services to the affected community.").

The Attorney General is duty-bound to ensure that the Hospitals survive, and, thus, cannot impair availability or access of the community to health care facilities. The Attorney General breached his obligation to act in a manner to preserve the charitable assets by imposing the Additional Conditions with full knowledge that such conditions would result in the closure of at least 3 Hospitals. *See* Exhibit "E;" see also Baronoff Decl. ¶ 7. The Attorney General's actions will have destroyed, not preserved, the charitable assets. Such action clearly controverts the Attorney General's discretion. Agency decisions, such as those of the Attorney General here, are subject to judicial review and can be reversed if the court finds that the agency's discretionary choice is an abuse of discretion. *See Motor Vehicle Mfrs. Assn. of the U.S. v. State Farm Mut. Auto Ins. Co.*, 463 U.S. 29 (1983); *20th Century Ins. Co. v. Garamendi*, 8 Cal. 4th 216, 271

(1994); *Coachella Valley Unified School Dist. v. State of Cal.*, 176 Cal. App. 4th 93, 113-118 (Cal. Ct. App. 2009); *Paulsen v. Golden Gate University*, 25 Cal. 3d 803, 808 (1979); *Saleeby v. State Bar*, 39 Cal. 3d 547, 563 (1985); *Quackenbush v. Mission Ins. Co.*, 46 Cal. App. 4th 458, 465 (Cal. Ct. App. 1996).

Based upon the foregoing, the Attorney General has abused his discretion and breached his most basic duty to preserve charitable assets and to ensure access and availability of health care facilities for the community.

V.

CONCLUSION

WHEREFORE, for all the foregoing reasons and such additional reasons as may be advanced at or prior to the hearing regarding this Motion, the Debtors respectfully request that the Court enter an order (i) finding that the SGM Sale is free and clear of the Additional Conditions, or alternatively, (b) the Attorney General has abused his discretion in imposing the Additional Conditions, and (iii) granting such other and further relief as the Bankruptcy Court deems just and proper.

DECLARATION OF RICHARD G. ADCOCK

I, Richard G. Adcock, declare that I have personal knowledge of the facts set forth in this declaration, and I would competently testify to them under oath if called as a witness.

1. I am, and have been since January 2018, the Chief Executive Officer of Verity Health System of California, Inc. ("VHS"). Prior thereto, I served as VHS's Chief Operating Officer since August 2017.

2. I have extensive senior-level experience in the nonprofit healthcare arena, especially in the areas of healthcare delivery, hospital acute care services, health plan management, product management, acquisitions, integrations, population health management, budgeting, disease management and medical devices. I have meaningful experience in both the technology and healthcare industries in the areas of product development, business development, mergers and acquisitions, marketing, financing, strategic and tactical planning, human resources, and engineering.

3. Prior to VHS, from 2014 until 2017, I served as Executive Vice President and Chief Innovation Officer of Sanford Health, a large integrated health system headquartered in the Dakotas dedicated to health and healing. In this role, I was responsible for leading Sanford Health's growth and innovation, in addition to direct operational oversight of the following related entities: Sanford Research, Sanford Health Plan; Sanford Foundation (a philanthropic fundraising foundation); Sanford Frontiers (a commercial and real estate company); Profile by Sanford (a scientific weight loss program); and Sanford World Clinic (which operates clinics in multiple countries).

4. From 2012 to 2017, I served as the President of Sanford Frontiers and had the responsibility of starting a new entity within Sanford Health focused on innovative ventures. From 2008 to 2012, I served as Executive Vice President of Sanford Clinic. I was responsible both for (i) working directly with the President of the Clinic to the lead team of Vice Presidents in all aspects of management, and (ii) Sanford World Clinics operations, including the design, opening and operation of several global clinics. From 2006 to 2008, I served as the Vice President of Sanford Clinic and was responsible for leading strategic, operational and financial aspects within Sanford

Clinic. From 2004 to 2006, I served as Director of Clinical Operations at Sanford Children's Specialty Clinic and led the Pediatric Subspecialty Physician program and the clinical practice through all facets of the operation.

5. Prior to Sanford Health, I served as the Director of Engineering and Six Sigma Master Black Belt at GE Medical Systems, and before that served as the Vice President of Research and Development and the Co-Owner/Founder of Micro Medical Systems. I have a bachelor of science in business administration and a masters of business administration in healthcare management.

6. On May 2, 2019, the Court entered an order (the "Sale Order") approving the sale of substantially all assets of Debtors'[7] remaining hospitals (St. Francis Medical Center ("SFMC"), St. Vincent Medical Center ("SVMC") including the St. Vincent Dialysis Center ("SVDC"), and Seton Medical Center ("SMC"), including Seton Medical Center Coastside Campus ("SMCC") (collectively the "Hospitals"), to Strategic Global Management, Inc. ("SGM") for $610 million (the "SGM Sale"), subject to certain adjustments, plus the payment of cure costs and assumption of certain liabilities, as more fully set forth in that certain asset purchase agreement (the "APA") [Docket No. 2306].

7. The Debtors, SGM and third parties have expended tremendous efforts to prepare for and close the SGM Sale in reliance on the Sale Order. These tireless efforts have taken a significant amount of time and resources and simply cannot be undone. By way of example: (i) the Debtors sent "WARN notices" to approximately 4,900 employees, pursuant to the federal Worker Adjustment and Retraining Notification Act of 1988; (ii) thousands of counterparties to executory contracts and unexpired leases, including physicians, have relied on the Sale Order and continued to provide services in reliance on the finality of that Sale Order; (iii) the Debtors and SGM have spent months facilitating an efficient close of the sale, with approximately 20 different workstreams, meeting at least weekly to ensure a smooth transition of operations; (iv) government agency personnel, including the California Department of Public Health and the Board of

[7] "Debtors" collectively refers to VHS and its affiliated debtors in this proceeding.

Pharmacy, have been diligently processing SGM's change of ownership applications for licenses and permits in reliance on the finality of the Sale Order; (v) the Debtors, SGM, and each of the Debtors' six unions spent months successfully negotiating and finalizing modified collective bargaining agreements; (vi) the medical groups affiliated with the Debtors have sent termination notices to their remaining physicians; (vii) the Debtors and SGM have coordinated changes in insurance coverages and insurance policies to ensure seamless coverage for employees and patients, and (viii) the Debtors have created plans to shut off certain services after the close of the SGM Sale. In addition, the Debtors have no further financing source.

8. Attached hereto as Exhibit "1" is a true and correct copy of a September 18, 2019 letter from Chokri BenSaid, Director of the Hospital Division of the United Healthcare Workers West Service Employees International Union, Inc., to Deputy Attorney General Scott Chan, expressing support for the SGM Sale. Attached hereto as Exhibit "2" is a true and correct copy of a letter from Jennifer Lemmon, Collective Bargaining Director of the California Nurses Association, to Attorney General Becerra, to the same effect. Attached hereto as Exhibit "3" is a true and correct copy of a September 24, 2019 letter from Mark Shinderman, counsel for the official committee of unsecured creditors, to Attorney General Becerra, also expressing support for the SGM Sale.

9. I have reviewed the conditions (the "2019 Conditions") set forth in the September 25, 2019 report issued by the California Attorney General (the "Attorney General") regarding the SGM Sale. The 2019 Conditions require, among other things, that SGM continue to operate the Hospitals and maintain various services, clinics and contractual arrangements for a period of time greater than the period of time that Debtors would have been obligated under the 2015 Conditions (defined below) if the Debtors had the ability to continue to operate the Hospitals. The 2019 Conditions are also materially different than those to which SGM agreed in Schedule 8.6 because they impose additional conditions including, among other things, greater requirements for charity care expenditures, community benefit expenditures, capital expenditures, and do not account for the substantial shift in charity care needs following the implementation of the Affordable Care Act.

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

10. The 2019 Conditions are in large part the same as the proposed conditions ("Proposed Conditions") set forth in the Initial Health Care Impact Statements prepared by JD Healthcare. Annexed hereto as Exhibit "E" is a true and correct copy of a letter from SGM's counsel, Todd Swanson of Hooper, Lundy & Bookman, P.C., to Deputy Attorney General Scott Chan, explaining that SGM would not accept the Proposed Conditions to the extent they materially differ from Schedule 8.6 to the APA.

11. I previously urged the Attorney General not impose conditions that would threaten to close the Hospitals or otherwise unwind stakeholders' heroic efforts to save these Hospitals. This was detailed in my *Declaration filed in support of the Notice of Submission of Debtors' Response to the Health Care Impact Statements and Conditions Imposed By JD Healthcare, Inc.* [Docket No. 2946], a true and correct copy of which is annexed hereto as Exhibit "E". It was also detailed in my August 23, 2019 letter to Deputy Attorney General Scott Chan, as true and correct copy of which is annexed hereto as Exhibit "E".

12. Further, during the week of August 26, 2019, Deputy Attorney General Scott Chan held public hearings at each of the Hospitals to solicit comments regarding the SGM Sale. I attended each of the public meetings in person. At each public meeting, representatives of SGM and the Debtors made public statements detailing the economic impact of the conditions proposed by the Attorney General's expert, JD Healthcare, and the economic situation confronting each Hospital; urging the Attorney General to consider economic factors when issuing his conditions; and reiterating that any conditions exceeding those in Schedule 8.6 of the SGM APA could result in the termination of the SGM Sale and the closure of the Hospitals.

13. As was the case with the Proposed Conditions, many of the 2019 Conditions are materially inconsistent with those to which SGM has agreed in Schedule 8.6, and do not take into consideration the negative economic impact of the 2019 Conditions and the conditions imposed on the Hospitals in 2015 (the "2015 Conditions").

14. Without regard to the economic and community realities, certain of the 2019 Conditions force the Hospitals to maintain programs that not only suffer significant losses an

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

annual basis, but are unnecessary because the same services (and in some instances, more comprehensive services) are already provided at other hospitals in the area.

15. The economic impact of the 2019 Conditions cannot be understated. As a hospital operator, I know from first-hand experience operating and overseeing the Hospitals that (i) the 2015 Conditions were too burdensome, (ii) hampered the Hospitals ability to prosper, as discussed above, and (iii) accelerated the demise of these Hospitals. Verity, its employees, tens of thousands of vendors and other parties have made tireless efforts during the sale process to ensure high quality continued patient care and to take the necessary steps that would allow the Hospitals to be sold to a new operator that could successfully operate the Hospitals. The Bankruptcy Court has now approved the sale to SGM, which paves the way for these Hospitals and the communities they serve to continue the Hospitals' mission of quality patient care.

16. The Debtors did not receive any other qualified bid to purchase the Hospitals. Thus, there is no back-up bidder to purchase the Hospitals if the SGM Sale does not close. Additionally, SGM representatives have repeatedly told the Debtors that multiple lenders have informed SGM that they would not agree to finance the SGM Sale if the conditions were not consistent with Schedule 8.6, which makes the SGM Sale nearly impossible to close. Consequently, if the Additional Conditions were imposed, they would create an environment where it is likely no lender would be willing to finance the sale of the Hospitals to SGM, ensuring closure of at least three of the Hospitals.

17. Due to the Debtors' liquidity issues, unsustainable operating losses, and the absence of an interested viable purchaser, SVMC, Seton Medical Center, and Seton Coastside would need to be closed if the SGM Sale does not close. The closures of SVMC, Seton Medical Center, and Seton Coastside would result in the loss of approximately 2,900 jobs.

18. As to SFMC, the Debtors would likely attempt a private sale in the bankruptcy cases. I, however, foresee significant challenges to SFMC's sustainability and sale. Specifically, any new sale of SFMC would require additional time, which would result in an exorbitant amount of administrative and other expenses in these cases. By way of an example, the Debtors would need to find a new buyer after a marketing process, seek approval from the Court, and then await

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

yet another review by the Attorney General. To even accomplish the foregoing, it is likely that the Debtors would need to obtain debtor in possession financing to help fund operations, which would carry another layer of expense.

19. Consequently, even if the Debtors were able to sell SFMC in the event the SGM Sale failed, recoveries to creditors would be significantly reduced by hundreds of millions of dollars since (i) there would not be any proceeds from the sale of SVMC, Seton, and Seton Coastside, and (ii) the delay associated with the second sale of SFMC.

20. The Hospitals provide access to essential healthcare services in their communities. Faced with the possibility of losing the Hospitals in their entirety, rote application of the 2015 Conditions should yield to the pragmatics of economics and demonstrable patient care and community need.

21. If the SGM transaction does not close, the Debtors, employees, pension holders, other stakeholders, and community members, would be exposed to significant and unrecoverable health care and economic loss.

22. If the SGM Sale fails, the most likely outcome is that at least three of the Hospitals will have to close. Altogether, between July 1, 2018 and June 30, 2019, the Hospitals had more than 34,000 inpatient admissions and 312,000 outpatient visits. If the Hospitals are closed, all of those patients would be forced to find alternative providers for treatment, perhaps at greater distances than they are now required to travel for treatment at the Hospitals. For example, Seton Coastside is the only emergency room facility on the Pacific Coast between Daly City and Santa Cruz. Additionally, Seton Coastside has 116 skilled nursing facility ("SNF") beds and, if Seton Coastside were closed, those residents would be forced to be relocated significant distances to find alternative facilities. In my experience, the risk of negative outcomes for emergency room patients increases as the distance, and therefore the time, required to obtain treatment, increases. Additionally, in additional to the difficulty in finding alternative facilities for the SNF patients, the impact of transfer trauma on this population could be significant.

23. Further, among the other stakeholders which will be harmed by a failed SGM Sale are the vendors that have supported the Hospitals by providing credit terms throughout these cases.

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

Under the SGM Sale, these creditors will receive payment for their support of the Hospitals during the sale process. A failed sale to SGM would put that at risk. In addition, there are thousands of vendors whose contracts will likely be assumed by SGM in the sale. Consequently, these vendors will be paid for their prepetition claims, an estimated total recovery for these vendors of $50 million. Even those vendors whose contracts are not assumed by SGM are still expected to receive millions of dollars of recoveries. In total, the failed sale to SGM would cost these vendors tens of millions of dollars in recoveries. Further, there would be a loss of future income for services provided to the operating Hospitals on a go-forward basis.

24. The Hospitals have approximately 4,900 employees. SGM has committed to retain "substantially all" employees of the Debtors, as set forth in the APA.

25. In the past week, the Debtors have finalized settlement agreements (the "Settlement Agreements") with each and every union that is party to collective bargaining agreements (the "CBAs") related to the Hospitals being sold to SGM. The Settlement Agreements provide, *inter alia*, for modification and assignment of the CBAs to SGM (along with waiver of any cure obligations of the Debtors), the treatment and allowance of certain claims, including severance for employees who are not offered employment, paid time off, and retiree health (for the few retirees who utilize the program) and the waiver of other claims. The Settlement Agreements are conditioned on Bankruptcy Court approval and on other important events, including Plan confirmation and closing of the sale to SGM for a purchase price that is not materially different from the amount contained in the SGM APA. The Debtors are in the process of finalizing pleading papers that will request Court approval of the Settlement Agreements and related relief, which it expects to file for expedited consideration presently.

26. The SGM Sale presents the Debtors' stakeholders with the best possible alternative, and the failure of the SGM transaction will likely result in a loss of healthcare access for vulnerable populations, as well as jobs of thousands of employees.

Attorney General, State of California
1300 I Street
Sacramento, CA 95814

Dear Attorney General Becerra:

The official committee of unsecured creditors (the "Committee") of debtor Verity Health System ("Verity"), a statewide healthcare provider, represents the interests of Verity's creditor constituency, including labor unions, retirees, and tort claimants, among others. The Committee is charged with the obligation to help maximize the recoveries of all unsecured creditor constituents.

Verity is rapidly depleting cash reserves such that prolonging the proceedings could result in the shuttering of healthcare facilities in underserved communities. Verity's proposed sale of assets to Strategic Global Management, Inc., an affiliate of KPC, presents an opportunity to offer continued access to health care services for those communities served by Verity, while also providing an opportunity for unsecured creditors to obtain some recovery, albeit small (absent successful litigation with the secured creditors and others). The Committee is not aware of any alternative at this point that would accomplish these goals.

Time is of the essence and any delay in closing would be very costly. Verity estimates, and the Committee believes, that the cost of delay is almost $5 million per week. Consequently, any further delay could eliminate unsecured creditor recoveries entirely.

Thank you for your consideration of the Committee's views and we look forward to further discussing this matter with you should you have any questions.

Sincerely,

Mark Shinderman

DECLARATION OF PETER BARONOFF

Peter Baronoff declares as follows:

1. I am currently the Chief Executive Officer of KPC Healthcare, Inc., which owns four hospitals in Orange County: The Orange County Global Medical Center, Southcoast Global Medical Center, Anaheim Global Medical Center, and Chapman Global Medical Center. I am also the Chief Executive Officer of Physicians for Healthy Hospitals, Inc., which owns Hemet Global Medical Center and Mennefee Global Medical Center. I am the Chief Executive Officer of Victor Valley Hospital Acquisition, Inc., which owns the Victor Valley Global Medical Center. All of the afore-said hospitals are acute care hospitals, and collectively referred to as "KPC".

2. Following the commencement of the Chapter 11 cases for Verity Health Systems of California, Inc., et al (collectively "Verity"), I began discussions with Verity's representatives regarding the possible acquisition by Strategic Global Management, Inc. ("SGM"), one of KPC's affiliates, of one or more of the Verity hospitals. Over the course of the months beginning November 2018 and continuing into February 2019, I was directly involved in the negotiations on behalf of SGM in connection with SGM's prospective acquisition of St. Vincent Medical Center, St. Vincent Dialysis Center, St. Francis Medical Center, and Seton Medical Center (including its Seton Medical Center Coastside campus) ("the SGM Hospitals"). These negotiations eventually led to the execution of an Asset Purchase Agreement between SGM and Verity for the SGM Hospitals ("APA").

3. During the course of SGM's negotiations with Verity, there were innumerable issues that the parties confronted, discussed, negotiated and ultimately resolved when the parties reached a final agreement on the terms of the APA. One of the most intensely negotiated subjects had to do with the prospective conditions that might be imposed by the California Attorney General ("Attorney General") in connection with the proposed transfer of the SGM Hospitals to SGM. Based upon my prior experience with hospital acquisitions, both in connection with my employment at KPC and also in connection with my prior employment as an

executive of Promise Healthcare ("Promise"), I was well aware of the Attorney General's approval process in connection with the sale of not for profit hospitals and with the precedent for the Attorney General to impose conditions on such sales. Indeed, I was personally involved, on behalf of Promise, in the Gardens Regional Hospital Chapter 11 case. Promise was a DIP lender and stalking horse bidder for Gardens Regional Hospital, but was ultimately outbid by SGM at the auction. When SGM terminated its purchase agreement, as a result of the imposition by the Attorney General of condition, which were deemed burdensome by SGM, that sale transaction was terminated and Gardens Regional Hospital was eventually closed.

4. Knowing that, in our case, SGM's acquisition of the SGM Hospitals would undergo an approval process by the Attorney General, and knowing that the Attorney General might impose conditions that would not be acceptable to SGM, SGM recognized the importance of negotiating a provision in its Asset Purchase Agreement which would protect it from the possibility that the Attorney General would impose conditions on the transfer of the hospitals to SGM which would be burdensome from a financial standpoint and otherwise. Accordingly, SGM and Verity spent an enormous amount of time negotiating the provisions of what became Section 8.6 (and Schedule 8.6 referenced therein) of the APA. Without question, the negotiation of Section 8.6 was the most intensely negotiated provision of the APA. In fact, it was not until the morning of the hearing to approve SGM as the stalking horse purchaser, which took place on February 6, 2019, that the parties, with input from the Official Creditors Committee and other stakeholders, were able to agree on the final wording of Section 8.6.

5. In essence, the parties agreed that if the Attorney General imposed "Additional Conditions" (as used in Section 8.6), SGM would not be obligated to close the sale unless Verity was able to procure from the Bankruptcy Court or another court, a supplemental sale order finding that the Additional Conditions are an "interest in property" for purposes of 11 U.S.C. § 363(f), and that the Assets can be sold free and clear of the Additional Conditions without the imposition of any other conditions. Section 8.6 also discusses certain time limits and finality requirements, as more specifically set forth therein.

6. The Additional Conditions referred to in Section 8.6 were those conditions which are materially different than the conditions approved by SGM in Schedule 8.6. Additional Conditions which individually or collectively impose a direct or indirect cost to SGM of $5 million, or more, shall be conclusively deemed to be "materially different."

7. On September 25, 2019, the Attorney General issued his decision with respect to the proposed transfer of the SGM Hospitals to SGM ("Decision"). We have carefully reviewed the Decision. The Attorney General's Decision imposes numerous conditions on the transfer of the SGM Hospitals to SGM. Many of these conditions are "Additional Conditions" as that term is used in Section 8.6 of the APA. SGM has evaluated the Additional Conditions and has advised Verity that, based upon these Additional Conditions, SGM is invoking its rights under Section 8.6 of the APA. Accordingly, SGM has advised Verity that SGM will not close the purchase of the SGM Hospitals unless Verity is able to obtain the requisite court order within the time period provided for in Section 8.6.

8. I declare under penalty of perjury, of the laws of the United States of America, that all of the foregoing facts are true and correct and if sworn to testify concerning the contents of this Declaration I could and would do so competently.

PETER C. CHADWICK

I, Peter C. Chadwick, declare, that if called as a witness, I would and could competently testify thereto, of my own personal knowledge, as follows:

1. I am a Managing Director of Berkeley Research Group, LLC ("BRG") and am duly authorized to make this declaration (the "Declaration") on behalf of BRG. I obtained a BA from Pennsylvania State University, and an MBA in Finance from Babson College, Olin School of Business. Before joining BRG, I was an Executive Director at Capstone Advisory Group, LLC. Prior to that, I was a Senior Managing Director at FTI Consulting. For more than twenty years, I have served as a chief restructuring officer, chief executive officer, chief operating officer, chief financial officer and as a financial advisor and trustee in complex restructuring matters. Among other things, I have significant experience in the healthcare arena and effectuating sale transactions.

2. On November 7, 2018, the Court entered an order employing BRG [Docket No. 785] as the financial advisors to Verity Health System of California, Inc. and the above-referenced debtors and debtors in possession (collectively, the "Debtors"), the above captioned chapter 11 cases (the "Cases"). I have diligently worked with the Debtors on every aspect of their Cases. In addition, I have been serving as Chief Financial Officer of Seton Medical Center since September 1, 2019.

3. Except as otherwise indicated herein, this Declaration is based upon my personal knowledge, my review of relevant documents or information provided to me by employees of BRG and the Debtors. In preparing this Declaration, I have relied on my experience as described above. I am also assisted by others at BRG who work at my direction in the preparation of the analysis and other information included herein. In addition, I reviewed the Debtors' schedules and legal papers. In preparing this Declaration, I worked with persons at the Debtors' facilities with factual knowledge of information upon which I have relied. If called upon to testify, I would testify competently to the facts set forth in this Declaration.

4. This Declaration is in support of the *Debtors' Emergency Motion for the Entry of an Order (I) Enforcing the Order Authorizing the Sale to Strategic Global Management, Inc.; (II) Finding That the Sale Is Free and Clear of Conditions Materially Different Than Those Approved*

by the Court; (III) Finding That the Attorney General Abused His Discretion in Imposing Conditions on That Sale; and (IV) Granting Related Relief (the "Motion"), and for all other purposes permitted by law. All capitalized terms not otherwise defined herein shall have the same meaning as in the Motion.

5. I have reviewed the conditions (the "2019 Conditions") set forth in the September 25, 2019 report (the "Report") issued by the California Attorney General (the "Attorney General") regarding the proposed sale of St. Francis Medical Center ("SFMC"), St. Vincent Medical Center ("SVMC"), and Seton Medical Center, including its Daly City and Coastside Campuses ("Seton") (collectively, the "Hospitals"), to Strategic Global Management, Inc. ("SGM") and its affiliated entities, as reflected in that certain Asset Purchase Agreement (the "APA"). I have also compared the 2019 Conditions to Schedule 8.6 to the APA.

6. Several of the 2019 Conditions differ materially from Schedule 8.6 attached to the APA (the "Additional Conditions"). The Additional Conditions would have a significant impact on the economic viability of the Hospitals and increase the purchase price in the APA to nearly a billion dollars. By way of example only, the 2019 Conditions would require SVMC to remain operated and maintained as a licensed general acute care hospital (as defined in California Health and Safety Code Section 1250) through December 2024, whereas Schedule 8.6 provides that SVMC must be operated through December 2020. The reported Financial Statements of SVMC reflect that, in fiscal 2019 (ended June 30, 2019), SVMC lost approximately $65 million which was an 18% and 103% increase over the fiscal years 2018 and 2017, respectively. Attached hereto as Exhibit "1" is a true and correct copy of excerpts from SVMC's Financial Statements, which reflect this information. Assuming operating losses at SVMC can be maintained at fiscal 2019 levels (a highly optimistic assumption), the buyer of the Hospitals would likely incur additional estimated losses totaling $260 million. Moreover, the $260 million loss would likely need to be financed. Using an average interest rate of 5% for four years of debt service would result in estimated incremental financing charges totaling approximately $25 million. Accordingly, this 2019 Condition alone would place a potential burden on the buyer of at least $285 million beyond that contemplated in Schedule 8.6.

(213) 623-9300

7. The Additional Conditions also impose certain charity care ("Charity Care") requirements on SGM. The Charity Care requirement presents another example of the significant economic impact of the 2019 Conditions when compared with Schedule 8.6. The 2019 Conditions require SGM to provide an annual amount of Charity Care at SFMC equal to or greater than $12,793,435 for a period of six fiscal years, which is at least $4,793,435, per year more than SGM has agreed to provide pursuant to Schedule 8.6 for a period of seven years. After adjusting for the one-year shorter required duration of this 2019 Condition, the estimated incremental cost to the buyer would be nearly $20 million in total over the six years. The 2019 Conditions provide for additional increases in Charity Care amounts for SVMC and Seton, as well as increases across all three Hospitals in Community Benefit Service amounts. Moreover, these Charity Care conditions would actually require the Hospitals to increase the Charity Care they provide above current levels.

8. In summary, the total financial impact of just these two examples of 2019 Conditions would require SGM to incur additional losses of approximately $305 million beyond those contemplated by Schedule 8.6. Attached hereto as Exhibit "2" is a chart reflecting the economic analysis set forth above. When compared to the buyer's APA purchase price of $610 million, these represent a 50% increase in the price for the sale of these distressed assets. The magnitude of these losses calls into question the viability of the acquisition.

9. The two examples of 2019 Conditions addressed above were selected to illustrate the impact on the viability of the system and impact on sale. In fact, many of the other 2019 Conditions materially diverge from Schedule 8.6, including those addressing cancer services and select uneconomic payor agreements. In addition, some of the 2019 Conditions diverge from the conditions under which VHS is currently required to operate (the "2015 Conditions"), including those addressing continuing liver transplant services and acting as a ST-Elevation Myocardial Infarction receiving center. The 2015 Conditions locked the Hospitals into financial obligations and operational obligations that made financial success impossible (the Debtors have lost hundreds of millions of dollars as a result of the implementation of the 2015 Conditions). The Hospitals' adherence to the Additional Conditions (aside from the two specific examples

discussed in paragraphs 6-8 above) would add an additional burden of tens of millions of dollars in losses, further undermining the viability of the Hospitals.

I declare under penalty of perjury and of the laws in the United States of America, the foregoing is true and correct.

DECLARATION OF HOPE R. LEVY-BIEHL

I, Hope R. Levy-Biehl, declare that I have personal knowledge of the facts set forth in this declaration, and I would competently testify to them under oath if called as a witness.

1. I am an attorney at law licensed to practice before all courts in the State of California. I am a partner in the law firm of Nelson Hardiman LLP, attorneys for Verity Health System of California, Inc. ("VHS").

2. This Declaration is in support of the *Debtors' Emergency Motion for the Entry of an Order (I) Enforcing the Order Authorizing the Sale to Strategic Global Management, Inc.; (II) Finding That the Sale Is Free and Clear of Conditions Materially Different Than Those Approved by the Court; (III) Finding That the Attorney General Abused His Discretion in Imposing Conditions on That Sale; and (IV) Granting Related Relief* (the "Motion"), and for all other purposes permitted by law. All capitalized terms not otherwise defined herein shall have the same meaning as in the Motion.

3. Upon information and belief, I understand VHS has had an ongoing dialogue for several years with the California Attorney General about the financial challenges facing VHS and the future of the O'Connor Hospital ("OCH"), Saint Louise Regional Hospital ("SLRH"), St. Francis Medical Center ("SFMC"), St. Vincent Medical Center ("SVMC"), and Seton Medical Center, including its Daly City and Coastside Campuses ("Seton"). For example, I understand that in anticipation of filing for bankruptcy, VHS representatives met with Deputy Attorney General Wendi Horwitz in July of 2018.

4. On December 27, 2018, the Bankruptcy Court entered the *Order (A) Authorizing the Sale of Certain of the Debtors' Assets to Santa Clara County Free and Clear of Liens, Claims, Encumbrances, and Other Interests; (B) Approving the Assumption and Assignment of an Unexpired Lease Related Thereto; and (C) Granting Related Relief* [Docket No. 1153], approving a sale of OCH and SLRH, and related assets, to Santa Clara County (the "SCC Sale").

5. Upon information and belief, I understand VHS representatives subsequently met with Attorney General Xavier Becerra and Senior Advisor Becerra Melanie Fontes Rainer in

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

Sacramento in February of 2019, to discuss the pending SCC Sale and the forthcoming auction and sale of SFMC, SVMC and Seton (collectively, the "Hospitals").

6. On May 2, 2019, the Court entered the order (the "Sale Order") approving the sale of substantially all assets of Debtors' Hospitals, to Strategic Global Management, Inc. ("SGM") for $610 million (the "SGM Sale"), plus the payment of cure costs and assumption of certain liabilities, as more fully set forth in that certain asset purchase agreement (the "APA") [Docket No. 2306].

7. In anticipation of submitting a notice and request for approval of the SGM Sale to the Attorney General's office, VHS representatives from Nelson Hardiman (including myself) engaged with Deputy Attorney General Scott Chan beginning in early April 2019. These discussions and exchanges were regular and ongoing, and addressed, among other things, the substantive and procedural requirements for the submission and review and the related timeline. At all times, VHS consistently requested an expedited review of the submission in light of its significant operating losses and cash flow challenges.

8. By letter dated May 7, 2019, VHS provided notice to, and requested written consent from, the Attorney General for the SGM Sale pursuant to California Corporations Code Section 5914 and Title 11 of the California Code of Regulations, Section 999.5. *See* Docket No. 2379. As outlined in the submission and discussed a number of times in writing, in person and by email with various representatives of the Attorney General, the SGM Sale was critical and truly the only option to help ensure that the Hospitals would survive the current financial challenges facing them and be preserved as providers of essential health care services to the communities they serve.

9. The submission to the Attorney General, on May 7, 2019, was supplemented and completed on May 13, 2019, with the filing made to the Federal Trade Commission pursuant to the Hart-Scott-Rodino Antitrust Improvements Act 1976, as amended.

10. VHS representatives thereafter engaged in ongoing discussions with the Attorney General's office, requesting, among other things, an in-person meeting to review the submission and transaction prior to the completion of its expert's Health Care Impact Statements and the expedited processing of the submission. The Attorney General denied both requests.

DENTONS US LLP

11. The Attorney General retained JD Healthcare to prepare Health Care Impact Statements regarding the proposed sale of the Hospitals. After conducting interviews of certain corporate and hospital personnel of VHS and other stakeholders in July 2019, and in advance of the public hearings held by the Attorney General, JD Healthcare released its Health Care Impact Statements concerning the proposed sale of the Hospitals on August 16, 2019 and August 19, 2019.

12. By letter, dated August 21, 2019, SGM submitted its response to the Health Care Impact Statements and the embedded recommended conditions. By letter dated August 23, 2019, VHS submitted its response to these statements and conditions, which was also filed with the Bankruptcy Court. True and correct copies of these letters are annexed as Exhibit "E" to the Motion.

13. In late August 2019, Deputy Attorney General Scott Chan, on behalf of the Attorney General, held public meetings relating to each affected hospital. I attended the public hearings regarding the sale of SFMC and SVMC. At each of the public meetings I attended, Rich Adcock of VHS, Peter Baronoff of SGM, and Sam Maizel of Dentons US LLP, each spoke directly and on the record about the economic issues raised by the potential conditions for each hospital, and urged the Attorney General to consider the economic implications of the conditions he would impose. Mr. Adcock and Mr. Baronoff made clear that the proposed transaction would be at risk, and therefore the continued operations of the Hospitals would be at risk, if the Attorney General imposed conditions which exceeded the conditions agreed to in Schedule 8.6. I understand Rich Adcock, Peter Baronoff and Sam Maizel made similar statements at the Seton public hearings.

14. Following its receipt of the "deal breaker" letters and the public hearings, the Attorney General's office met first with representatives from SGM on September 6, 2019, and subsequently with representatives of both SGM and VHS on September 19, 2019. Upon information and belief, I understand that at the meeting on September 19, 2019, SGM informed the Attorney General's office that it would not proceed with the transaction if the Attorney General imposed conditions beyond those it agreed to accept in Schedule 8.6 to the APA.

I declare under penalty of perjury under the laws of the United States that the foregoing is true and correct.

This matter came before the Court on the *Motion For The Entry Of (I) An Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And For Prospective Overbidders To Use, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections, (3) Approving Form Of Notice To Be Provided To Interested Parties, (4) Scheduling A Court Hearing To Consider Approval Of The Sale To The Highest Bidder And (5) Approving Procedures Related To The Assumption Of Certain Executory Contracts And Unexpired Leases; And (II) An Order (A) Authorizing The Sale Of Property Free And Clear Of All Claims, Liens And Encumbrances* (the "Motion") [Docket No. 1279], filed by Verity Health System of California, Inc. ("VHS"), and the above-referenced affiliated debtors and debtors in possession in the above-captioned chapter 11 bankruptcy cases (the "Debtors"), for the entry of an order, pursuant to §§ 105(a), 363, and 365 of title 11 of the United States Code (the "Bankruptcy Code"), Rules 2002, 6004, 6006, 9007, and 9014, and LBR 6004-1.[1]

At the previous hearing on the Motion on February 19, 2019 (the "Bidding Procedures Hearing"), the Court considered various objections (the "Premature Objections") filed by: (i) St Vincent IPA Medical Corporation and Angeles IPA [Docket No. 1397]; (ii) the California Attorney General [Docket No. 1352]; (iii) MGH Painting Inc. [Docket No. 1358]; and (iv) Belfor USA Group, Inc. [Docket No. 1364]. The Court ruled that the Premature Objections were premature and preserved for the Sale Hearing, as set forth in order granting the Motion (the "Bidding Procedures Order") [Docket No. 1572]. The Bidding Procedures Order also stated that objections filed by the U.S. Department of Health and Human Services and Centers for Medicare and Medicaid Services [Doc. No. 1346] and the California Department of Health Care Services [Doc. No. 1353] (the "Continued Objections") were continued, as resolved by stipulations [Docket Nos. 1458 and 1473, respectively], approved by this Court's orders [Docket Nos. 1465 and 1483, respectively].

[1] Unless specified otherwise, all chapter and section references are to the Bankruptcy Code, 11 U.S.C. §§ 101-1532, all "Rule" references are to the Federal Rules of Bankruptcy Procedure, and all "LBR" references are to the Local Bankruptcy Rules for the United States Bankruptcy Court for the Central District of California.

the legal and factual bases set forth in the Motion and presented at the Sale Hearing establish just cause for the relief granted herein and for the reasons set forth in the Court's tentative ruling [Docket No. 2221]; and all objections to the Motion, if any, having been withdrawn, continued or overruled; and for the reasons set forth in the Court's tentative ruling [Docket No. 2221], which the Court adopts as its final ruling and which is incorporated herein by reference; and after due deliberation and sufficient good cause appearing therefor:

THE COURT HEREBY FINDS AND CONCLUDES THAT:[2]

A. Jurisdiction and Venue. This Court has jurisdiction to hear and determine the Motion pursuant to 28 U.S.C. §§ 157 and 1334. This matter relates to the administration of the Debtors' bankruptcy estates and is accordingly a core proceeding pursuant to 28 U.S.C. § 157(b)(2) (A), (M), (N) and (O). Venue of these cases is proper in this District and in this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

B. Statutory Predicates. The statutory predicates for the relief requested in the Motion are (i) §§ 105(a), 363(b), (f), (k), (l) and (m), and 365, (ii) Rules 2002(a)(2), 2002(c)(1) and (d), 6004 (a), (b), (c), (e), (f) and (h), 6006(a), (c) and (d), 9006, 9007, 9013 and 9014, and (iii) LBR 6004-1 and 9013-1.

C. Notice. As evidenced by the affidavits of service previously filed with the Court, the Debtors have provided proper, timely, adequate and sufficient notice with respect to the following: (i) the Motion and the relief sought therein, including the entry of this Sale Order and the transfer and sale of the assets (the "Purchased Assets"), as set forth in the Asset Purchase Agreement, dated January 8, 2019, a copy of which is attached as Exhibit "A" to Docket No. 1279 (the "APA"); (ii) the Sale Hearing; (iii) the No-Auction Notice; and (iv) the assumption and assignment of the executory contracts and unexpired leases and proposed cure amounts owing under such executory contracts and unexpired leases (the "Cure Amounts"); and no further notice

[2] The findings and conclusions set forth herein constitute the Court's findings of fact and conclusions of law pursuant to Rule 7052, made applicable to this proceeding pursuant to Rule 9014. To the extent that any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent that any of the following conclusions of law constitute findings of fact, they are adopted as such.

of the Motion, the relief requested therein or the Sale Hearing is required. The Debtors have also complied with all obligations to provide notice of the Auction, the Sale Hearing, the proposed sale and otherwise, as required by the Bidding Procedures Order. A reasonable opportunity to object and to be heard regarding the relief provided herein has been afforded to parties-in-interest.

D. Arm's Length Transaction. The APA and other documents and instruments (the "Transaction Documents") related to and connected with this transaction (the "Transaction") and the consummation thereof were negotiated and entered into by the Debtors and Strategic Global Management, Inc. ("SGM"), as Purchaser under the APA without collusion, in good faith and through an arm's length bargaining process. Neither SGM nor any of its affiliates or representatives is an "insider" of the Debtors, as that term is defined in § 101(31). None of the Debtors, SGM, or their respective representatives engaged in any conduct that would cause or permit the APA, any of the other Transaction Documents or the Transaction to be avoided under § 363(n), or have acted in any improper or collusive manner. The terms and conditions of the APA and the other Transaction Documents, including, without limitation, the consideration provided in respect thereof, are fair and reasonable, and are not avoidable and shall not be avoided, and no damages may be assessed against SGM or any other party, as set forth in § 363(n). The consideration provided by SGM is fair, adequate and constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code and any other applicable laws of the United States or any of its jurisdictions or subdivisions, including the State of California.

E. Good Faith Purchaser. SGM has proceeded in good faith and without collusion in all respects in connection with the sale process, in that: (i) SGM, in proposing and proceeding with the Transaction in accordance with the APA, recognized that the Debtors were free to deal with other interested parties; (ii) SGM agreed to provisions in the APA that would enable the Debtors to accept a higher and better offer; (iii) SGM complied with all of the provisions in the Bidding Procedures Order applicable to SGM; (iv) all payments to be made by SGM and other agreements entered into or to be entered into between SGM and the Debtors in connection with the Transaction have been disclosed; (v) the negotiation and execution of the APA and related

Transaction Documents were conducted in good faith and constituted an arm's length transaction; (vi) SGM did not induce or cause the chapter 11 filings by the Debtors; and (vii) the APA was not entered into, and the Transaction being consummated pursuant to and in accordance with the APA is not being consummated, for the purpose of hindering, delaying or defrauding creditors of the Debtors. SGM is therefore entitled to all of the benefits and protections provided to a good-faith purchaser under § 363(m). Accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the Transaction shall not affect the validity of the Transaction, any terms or conditions of the Transaction or SGM's status as a "good faith" purchaser.

F. Justification for Relief. Good and sufficient reasons for approval of the APA and the other Transaction Documents and the Transaction have been articulated to this Court in the Motion and at the Sale Hearing, and the relief requested in the Motion and set forth in this Sale Order is in the best interests of the Debtors, their estates, and their creditors. The Debtors have demonstrated through the Motion and other evidence submitted at the Sale Hearing both (i) good, sufficient and sound business purpose and justification and (ii) compelling circumstances for the transfer and sale of the Purchased Assets as provided in the APA outside the ordinary course of business, and (iii) such transfer and sale is an appropriate exercise of the Debtors' business judgment and in the best interests of the Debtors, their estates, and their creditors.

G. Free and Clear. In accordance with §§ 363(b) and 363(f), the consummation of the Transaction pursuant to the Transaction Documents shall be a legal, valid, and effective transfer and sale of the Purchased Assets and, except with respect to the liens arising from the Special Assessments and the PACE Obligations (each as defined in §1.1(a)(iii) of the APA) assumed by SGM, shall vest in SGM, through the consummation of the Transaction, all of the Debtors' right, title, and interest in and to the Purchased Assets, free and clear of all liens, claims, interests, rights of setoff, recoupment, netting and deductions, rights of first offer, first refusal and any other similar contractual property, legal or equitable rights, and any successor or successor-in-interest liability theories (collectively, the "Encumbrances"). The Debtors have demonstrated that one or

more of the standards set forth in § 363(f)(1)-(5) have been satisfied. Those holders of Encumbrances who did not object, or who withdrew their objections, to the sale or the Motion are deemed to have consented pursuant to § 363(f)(2). Those holders of Encumbrances who did object fall within one or more of the other subsections of § 363(f). All holders of the Encumbrances in the Purchased Assets are adequately protected by having their respective Encumbrances attach to the Debtors' interests in the proceeds of the sale of the Purchased Assets under the APA (subject to any Challenge within the meaning of that certain *Final Order (I) Authorizing Postpetition Financing, (II) Authorizing Use of Cash Collateral, (III) Granting Liens and Providing Superpriority Administrative Expense Status, (IV) Granting Adequate Protection, (V) Modifying Automatic Stay, and (VI) Granting Related Relief* [Docket No. 409] (the "Final DIP Order") that has been, or may be, timely filed[3]), and any related documents or instruments delivered in connection therewith, whenever and wherever received (the "Sale Proceeds") to the extent and manner herein provided.

H. Prompt Consummation. The Debtors have demonstrated good and sufficient cause to waive the stay requirement under Rules 6004(h) and 6006(d). Time is of the essence in consummating the Transaction, and it is in the best interests of the Debtors and their estates to consummate the Transaction within the timeline set forth in the Motion and the APA. The Court finds that there is no just reason for delay in the implementation of this Order, and expressly directs entry of judgment as set forth in this Order.

[3] The Final DIP Order granted to the Committee standing to file the requisite pleading to challenge the validity, enforceability and amount of the Prepetition Liens (each such proceeding or appropriate pleading commencing a proceeding or other contested matter, a "Challenge") within ninety (90) days from the formation of the Committee (the "Challenge Deadline"). *See* Final DIP Order ¶ 5(e). The Committee's investigation as to the Prepetition Liens remains ongoing. The Committee and the Prepetition Secured Creditors have entered into a number of stipulations (the "Challenge Stipulations") by which the Committee has acknowledged and stipulated to the validity, enforceability and perfection of the Prepetition Liens in certain collateral identified in the Challenge Stipulations, and by which the Challenge Deadline has been extended a number of times with respect to the validity, enforceability and perfection of the Prepetition Liens in any other collateral. The Challenge Deadline with respect to any Prepetition Liens for which the Committee has not stipulated pursuant to the Challenge Stipulations as to the validity, enforceability and perfection thereof is now May 13, 2019.

I. Assumption of Executory Contracts and Unexpired Leases. The Debtors have demonstrated that it is an exercise of their sound business judgment to assume and assign to SGM the Currently Identified Designated Contracts (as defined and identified in paragraph 15 below) and to the extent subsequently identified by SGM pursuant to paragraph 16 below, the Subsequently Identified Designated Contracts (as defined in paragraph 16 below) (the Currently Identified Designated Contracts and the Subsequently Identified Contracts are collectively referred to herein as the "Designated Contracts") in connection with the consummation of the Transaction, and the assumption and assignment of the Designated Contracts is in the best interests of the Debtors and their estates.

J. Cure/Adequate Assurance. In connection with the Closing, and pursuant to the APA, unless otherwise ordered, any and all defaults existing on or prior to the Closing under any of the Designated Contracts will have been cured, within the meaning of § 365(b)(1)(A), by payment of the amounts and in the manner set forth below, unless otherwise agreed by SGM and the counterparty. SGM has provided or will provide adequate assurance of future performance of and under the Designated Contracts within the meaning of § 365(b)(1)(C) and § 365(f)(2)(B), and shall have no further obligation to provide assurance of performance to any counterparty to a Designated Contract. Pursuant to § 365(f), the Designated Contracts to be assumed by the Debtors (i.e., St. Francis Medical Center, a California nonprofit public benefit corporation ("St. Francis Medical Center"), St. Vincent Medical Center, a California nonprofit public benefit corporation ("St. Vincent Medical Center"), St. Vincent Dialysis Center, Inc., a California nonprofit public benefit corporation ("St. Vincent Dialysis Center"), and Seton Medical Center, a California nonprofit public benefit corporation ("Seton Medical Center") (collectively, the "Hospitals"), VHS, and Verity Holdings LLC, a California limited liability company ("Holdings")), and assigned to SGM under the APA shall be assigned and transferred to, and remain in full force and effect for the benefit of, SGM, notwithstanding any provision in such Designated Contracts prohibiting their assignment or transfer. The Debtors have demonstrated that no other parties to any of the Designated Contracts has incurred any actual pecuniary loss

LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

resulting from a default on or prior to the Closing under any of the Designated Contracts within the meaning of § 365(b)(1)(B).

K. Rejection of Executory Contracts and Unexpired Leases. The Debtors will have demonstrated that it is a reasonable and appropriate exercise of their sound business judgment for the Hospitals to reject all of their executory contracts and unexpired leases, excluding (i) Designated Contracts, (ii) any prepetition multiparty contract affecting more than one Debtor in addition to the Hospitals, (iii) any prepetition contract that is the subject of a Rule 9019 settlement motion prior to Closing, and (vi) any collective bargaining agreement, pension plan or health and welfare plan providing collectively bargained benefits to which a Hospital is a party or sponsor, which matters shall be scheduled for determination as provided in paragraph 33 below. Each such executory contract rejection is subject only to the conditions set forth in paragraphs 18, 31, and 32. The Debtors shall file an appropriate motion to reject such contracts, covered by this paragraph K, prior to Closing and shall request therein that the rejection be effective as of the Closing or as otherwise appropriate.

L. Highest or Otherwise Best Offer. The Debtors solicited offers and noticed the Auction in accordance with the provisions of the Bidding Procedures Order. The Auction was duly noticed, the sale process was conducted in a non-collusive manner and the Debtors afforded a full, fair and reasonable opportunity for any person or entity to make a higher or otherwise better offer to purchase the Purchased Assets. Other than SGM's Stalking Horse Bid, the Debtors received two Qualified Partial Bids by the Partial Bid Deadline and did not receive a Qualified Full Bid (as such terms are defined by the Bidding Procedures Order). The Debtors properly consulted with the Consultation Parties in selecting the SGM Stalking Horse Bid as the highest and best bid and in determining that no auction should be held (as such terms are defined in the Bidding Procedures Order), as set forth in their No-Auction Notice. The transfer and sale of the Purchased Assets to SGM on the terms set forth in the APA constitutes the highest or otherwise best offer for the Purchased Assets and will provide a greater recovery for the Debtors' estates than would be provided by any other available alternative. The Debtors' determination, in

consultation with the Consultation Parties (as defined in the Bidding Procedure Order), that the APA constitutes the highest or best offer for the Purchased Assets and to not conduct an auction constitutes a valid and sound exercise of the Debtors' business judgment.

M. No *De Facto* or *Sub Rosa* Plan of Reorganization. The sale of the Purchased Assets does not constitute a *de facto* or *sub rosa* plan of reorganization or liquidation because it does not propose to (i) impair or restructure existing debt of, or equity or membership interests in, the Debtors, (ii) impair or circumvent voting rights with respect to any plan proposed by the Debtors, (iii) circumvent chapter 11 safeguards, including those set forth in §§ 1125 and 1129, or (iv) classify claims or equity or membership interests.

N. Legal and Factual Bases. The legal and factual bases set forth in the Motion and at the Sale Hearing establish just cause for the relief granted herein.

NOW THEREFORE, IT IS HEREBY ORDERED THAT:

1. The relief requested in the Motion is GRANTED and APPROVED in all respects to the extent provided herein.

2. All objections with regard to the relief sought in the Motion that have not been withdrawn, waived, settled, or provided for herein or in the Bidding Procedures Order, including any reservation of rights included in such objections, are overruled on the merits with prejudice. To the extent of any inconsistency between this Sale Order and the Bidding Procedures Order, the terms of this Sale Order shall prevail.

3. Pursuant to §§ 105(a), 363(b), 363(f), and 365, the Transaction, including the transfer and sale of the Purchased Assets to SGM on the terms set forth in the APA, is approved in all respects, and the Debtors are authorized and directed to consummate the Transaction in accordance with the APA, including, without limitation, by executing all of the Transaction Documents (and any ancillary documents or instruments that may be reasonably necessary or desirable to implement the APA or the Transaction) and taking all actions necessary and appropriate to effectuate and consummate the Transaction (including the transfer and sale of the Purchased Assets) in consideration of the Purchase Price (as defined in § 1.1 of the APA) upon

the terms set forth in the APA, including, without limitation, assuming and assigning to SGM the Designated Contracts. The Debtors and SGM shall have the right to make any mutually agreeable, non-material changes to the APA, which shall be in writing signed by both parties, without further order of the Court provided, that after reasonable notice, the Official Committee of Unsecured Creditors (the "Committee"), the DIP Agent (as defined in the Final DIP Order defined below), and the Prepetition Secured Creditors (as defined in the Final DIP Order) do not object to such changes. Any timely objection by the aforementioned parties to any agreed non-material changes to the APA may be resolved by the Court on shortened notice.

4. As of the Closing, (i) the Transaction set forth in the APA shall effect a legal, valid, enforceable and effective transfer and sale of the Purchased Assets to SGM free and clear of all Encumbrances, except with respect to the liens arising from the Special Assessments and the PACE Obligations assumed by SGM, as further set forth in the APA and this Sale Order; and (ii) the APA, and the other Transaction Documents, and the Transaction, shall be enforceable against and binding upon, and not subject to rejection or avoidance by, the Debtors, any successor thereto including a trustee or estate representative appointed in the Bankruptcy Cases, the Debtors' estates, all holders of any Claim(s) (as defined in the Bankruptcy Code) against the Debtors, whether known or unknown, any holders of Encumbrances on all or any portion of the Purchased Assets, all counterparties to the Designated Contracts and all other persons and entities.

5. Encumbrances in and to Purchased Assets shall attach (subject to any Challenge within the meaning of the Final DIP Order that has been, or may be, timely filed) to the Sale Proceeds of such Purchased Assets with each such Encumbrance having the same force, extent, effect, validity and priority as such Encumbrance had on the Purchased Assets giving rise to the Sale Proceeds immediately prior to the Closing. For the avoidance of doubt, the foregoing force, extent, effect, validity and priority shall: (i) reflect the security interests, liens (including any Prepetition Replacement Liens arising for diminution of value, if any) and rights, powers and authorities that have been granted to the DIP Agent, the DIP Lender and to the Prepetition

Secured Creditors, as applicable, pursuant to the Final DIP Order, to the extent that (i) the rights granted to the Prepetition Secured Creditors with respect to §§506(c) and 552(b) by the Final DIP Order are not limited or modified as a result of the appeal from the Final DIP Order filed by the Committee on November 29, 2019; and/or (ii) any replacement liens or security interest granted to the Prepetition Secured Creditors by the Final DIP Order are not invalidated as a result of any Challenge within the meaning of the Final DIP Order that has been, or may be, timely filed. In addition, the Intercreditor Agreement (as defined in the Final DIP Order) shall apply with respect to the rights of the parties thereto in and to the Sale Proceeds and the Escrow Deposit Account, to the extent of and in accordance with its terms with all parties reserving all rights thereunder.

6. Subject to the fulfillment of the terms and conditions of the APA, this Sale Order shall, as of the Closing, be considered and constitute for all purposes a full and complete general assignment, conveyance, and transfer of the Purchased Assets and/or a bill of sale transferring all of the Debtors' rights, title and interest in and to the Purchased Assets to SGM. Consistent with, but not in limitation of the foregoing, each and every federal, state, and local governmental agency or department, except as stated herein, is hereby authorized and directed to accept all documents and instruments necessary and appropriate to consummate the transactions contemplated by the APA and approved in this Sale Order. A certified copy of this Order may be filed with the appropriate clerk and/or recorded with the appropriate recorder to cancel any Encumbrances of record.

7. Any person or entity that is currently, or on the Closing Date may be, in possession of some or all of the Purchased Assets is hereby directed to surrender possession of such Purchased Assets either to (a) the Debtors before the Closing or (b) to SGM or its designee upon the Closing, and to cooperate with the Debtors and SGM in the Debtors' and SGM's fulfillment of their obligations hereunder and pursuant to the APA.

8. The transfer of the Purchased Assets pursuant to the Transaction Documents shall be a legal, valid, and effective transfer and shall, in accordance with §§ 105(a) and 363(f), and upon consummation of the Transaction, including, without limitation, payment of the Purchase

Price to the Debtors, vest SGM with all right, title, and interest in the Purchased Assets, free and clear of all Encumbrances. Upon closing of the Transaction, SGM shall take title to and possession of the Purchased Assets, subject only to the Assumed Obligations, as set forth in the APA. The transfer of the Purchased Assets from the Debtors to SGM constitutes a transfer for reasonable equivalent value and fair consideration under the Bankruptcy Code and the laws of the State of California.

9. Following the Closing, no holder of any Encumbrance against the Debtors or upon the Purchased Assets shall interfere with SGM's respective rights in, title to or use and enjoyment of the Purchased Assets. All persons and entities are hereby forever prohibited and enjoined from taking any action that would adversely affect or interfere with the ability of the Debtors to sell and transfer the Purchased Assets to SGM, including the assumption and assignment of the Designated Contracts.

10. SGM shall not be deemed, as a result of any action taken in connection with, or as a result of the Transaction (including the transfer and sale of the Purchased Assets), to: (i) be a successor, continuation or alter ego (or other such similarly situated party) to the Debtors or their estates by reason of any theory of law or equity, including, without limitation, any bulk sales law, doctrine or theory of successor liability, or any theory or basis of liability, regardless of source of origin; or (ii) have, *de facto* or otherwise, merged with or into the Debtors; or (iii) be a mere continuation, *alter ego*, or substantial continuation of the Debtors. Other than the Assumed Liabilities, SGM is not assuming any of the Debtors' debts.

11. This Sale Order (i) shall be effective as a determination that, on Closing, all Encumbrances existing against the Purchased Assets before the Closing have been unconditionally released, discharged and terminated, and that the transfers and conveyances described herein have been effected, and (ii) shall be binding upon and shall govern the acts of all persons and entities. If, following a reasonable written request made by the Debtors, any person or entity that has filed financing statements or other documents or agreements evidencing any Encumbrances against the Purchased Assets shall not have delivered to the Debtors for use at or

in connection with Closing, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases of all Encumbrances which the person or entity has with respect to the Purchased Assets, then SGM and/or the Debtors are hereby authorized to execute and file such statements, instruments, releases and other documents on behalf of the person or entity with respect to such Purchased Assets. For the avoidance of doubt, such statements, instruments, releases and other documents shall not impair Encumbrances that attach (subject to any Challenge within the meaning of the Final DIP Order that has been, or may be, timely filed) to the Sale Proceeds or the terms of this Order, including, but not limited to paragraphs 5 and 13 hereof.

12. In accordance with the APA, concurrently with the Closing, SGM shall pay that portion of the Purchase Price due at Closing, by wire transfer of immediately available funds, to Debtors' Escrow Deposit Accounts (defined below), subject to the adjustments set forth in the APA. Any direct expenses of the Sale shall be disclosed by Debtors to the DIP Agent, the Prepetition Secured Creditors, and the Committee in advance of the Closing.

13. The terms and conditions of the Final DIP Order shall apply with respect to the Sale Proceeds and Escrow Deposit Accounts (defined herein). Without limiting the foregoing, the Debtors shall comply with paragraph 4 of the Final DIP Order in the following manner:

(a) the Debtors shall direct SGM, pursuant to the terms of the APA, to remit all Sale Proceeds to the separate accounts opened in the name of each Debtor for the Sale Proceeds (each such hereafter referred to as "Escrow Deposit Account");

(b) in giving direction to SGM pursuant to sub-paragraph (a), above, the Debtors shall exercise their reasonable business judgment, in good faith, and allocate the Sale Proceeds among the Escrow Deposit Accounts on the basis of the value of each Debtor's Purchased Assets as of the Closing (which allocation, for the avoidance of doubt, shall be subject to the reservations of rights in paragraph 4 of the Final DIP Order and paragraph 31 of the Bidding Procedures Order; provided further that nothing in this paragraph shall waive or limit any rights the Committee or the Prepetition Secured Creditors may have in connection with the confirmation of a proposed

(c) without limitation of the rights of the DIP Agent and DIP Lender under the DIP Financing Agreements and the Final DIP Order, no funds held in any Escrow Deposit Account shall be (i) commingled with any other funds of the applicable Debtor or any of the other Debtors or (ii) used by the Debtors for any purpose, except as provided in this Order, the DIP Credit Agreements or the Final DIP Order without further order of this Court, after reasonable notice under the circumstances to the DIP Agent, the Prepetition Secured Creditors and the Committee; and

(d) each Escrow Deposit Account shall be subject to a deposit account control agreement in favor of the DIP Agent and DIP Lender, and subject to, without limitation of the rights of the DIP Agent and DIP Lender under the DIP Financing Agreements and the Final DIP Order with respect to the Sale Proceeds and Escrow Deposit Account, including, without limitation, following the occurrence of an Event of Default or the Revolving Loan Termination Date (as defined in the DIP Credit Agreement), the Debtors shall not be permitted to use the funds held in any Escrow Deposit Account for any purpose, except as provided in paragraph 14, 15, 16, and 17 of this Order, and to fund any Purchase Price adjustment in favor of the Purchaser, without first obtaining the consent of the DIP Agent, DIP Lender and the Prepetition Secured Creditors or obtaining an order of the Court pursuant to §§ 363 or 1129 after reasonable notice under the circumstances to the DIP Agent, the DIP Lender, the Prepetition Secured Creditors and the Committee and, if necessary, a hearing thereon; and

(e) for the avoidance of doubt, the rights of the Debtors, the Committee, and the Prepetition Secured Creditors as to the Sale Proceeds and any funds held in a Deposit Escrow shall be, except as set forth herein, as contemplated by Paragraph 4 of the Final DIP Order, and nothing in this Order shall be construed as altering, amending, waiving, or affecting in any way such rights. Concurrently with the Closing or as soon thereafter as is possible, and in accordance with the APA, SGM shall pay to the counter-parties to the Designated Contracts the cure amounts

set forth in the Cure Notice, or as otherwise agreed to by the Debtors, SGM and the applicable counter-parties thereto or ordered by this Court after a continued hearing on the Cure Objections (the "Designated Cure Amounts"). SGM has the right under the APA to remove any Contracts from the list of Designated Contracts up to seven (7) days prior to Closing, as also set forth in the *Order Approving Stipulation Regarding Designation Deadline Re Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And For Prospective Overbidders, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections* [Docket No. 1865].

14. To the extent that any of the contracts and/or leases, which give rise to the Designated Cure Amounts and are set forth in the Designation Notice and are not subsequently and timely removed by SGM under the APA and the *Order Approving Stipulation Regarding Designation Deadline Re Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And For Prospective Overbidders, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections* [Docket No. 1865] (the "Currently Identified Designated Contracts") are executory contracts or unexpired leases (over which the Court is not making any such determination at this time), then in connection with the Closing, the Debtors shall be deemed to have assumed all such Currently Identified Designated Contracts (so that they are deemed part of the Designated Contracts) and to have assigned them to SGM, and SGM shall have assumed all obligations owing under all such Currently Identified Designated Contracts arising after and following the Closing. The Court shall resolve any and all disputes which may arise between the Debtors, SGM and any of the Currently Identified Designated Contract Counter-Parties over whether the Currently Identified Designated Contracts are executory contracts or unexpired leases and whether any of the Currently Identified Designated Contract Counter-Parties are entitled to an allowed claim against the Debtors which exceeds the Designated Cure Amounts (the "Assumption Dispute").

15. In the event that the Court determines that any such counter-parties to the Currently Identified Designated Contracts (the "Currently Identified Designated Contract

To the extent an Assumption Dispute relates solely to the Cure Amount, the Debtors may, with SGM's consent, assume and assign the applicable executory contract or unexpired lease at Closing and prior to the resolution of the Assumption Dispute by the Bankruptcy Court, provided, that either (a) the Bankruptcy Court has estimated the maximum cure payment, pursuant to 11 U.S.C. § 502(c), and SGM has remitted such amount to the Debtors to be held as sales proceeds in the Sale Proceeds Account for the relevant Debtor(s), or (b) SGM provides to the relevant Debtor(s) and non-Debtor counterparty a separate reasonably acceptable undertaking that SGM will promptly pay the maximum disputed cure amount in accordance with 11 U.S.C. § 365 (b)(1)(A) and (B) (or such smaller amount as may be fixed or estimated by the Bankruptcy Court or otherwise agreed to by such non-Debtor party and SGM). The Debtors shall pay and hereby are authorized to pay disputed cure amounts from the relevant Sales Proceeds Account(s) upon entry of a final order by this Court to the extent SGM remitted to Sellers the amount required by item (a) of this paragraph of the Order.

16. All of the Currently Identified Designated Contracts, to the extent they are executory contracts or unexpired leases and are not subsequently and timely removed by SGM under the APA and the *Order Approving Stipulation Regarding Designation Deadline Re Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And For*

Prospective Overbidders, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections [Docket No. 1865], or deemed a rejected contract within the meaning of § 1.11(a) of the APA pursuant to paragraph 15 above, shall be part of the Designated Contracts that will be assumed by the Debtors and assigned to SGM at the Closing. In the event that SGM elects to add any other of the Debtors' executory contracts or unexpired leases to the list of Designated Contracts (the "Subsequently Identified Designated Contracts" and, individually, a "Subsequently Identified Designated Contract") under the APA and the *Order Approving Stipulation Regarding Designation Deadline Re Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And For Prospective Overbidders, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections* [Docket No. 1865], SGM shall notify the Debtors of any such Subsequently Identified Designated Contracts on or before thirty days before Closing, and the Debtors shall (i) file a notice with the Court identifying all such Subsequently Identified Designated Contracts and their respective cure amounts as agreed upon between the Debtors and SGM, and (ii) serve such notice by over-night mail on all counter-parties to the Subsequently Identified Designated Contracts (the "Subsequently Identified Designated Contract Counter-Parties"). All Subsequently Identified Designated Contracts shall be assumed by the Debtors and assigned to SGM at the Closing, with SGM to be obligated to pay all cure amounts owing to such Subsequently Identified Designated Contract Counter-Parties concurrently with the Closing, as set forth in the Debtors' notice, or as otherwise agreed to by the Debtors, SGM and the applicable counter-parties thereto, or ordered by the Court in accordance with paragraphs 34 and 36 below (the "Additional Cure Amounts"), so long as such amount as ordered by the Court is no greater than the amount agreed upon by SGM; and in the event the Additional Cure Amount is greater than the amount agreed upon by SGM, and SGM is not willing to pay the Additional Cure Amount, the Debtors shall not be required to pay the Additional Cure Amount(s) and the Subsequently Identified Designated Contract(s) shall be deemed a rejected contract within the meaning of § 1.11(a) of the APA pursuant to paragraph 15 above; provided, and for the avoidance of doubt, no collective bargaining agreement, pension plan or health and welfare plan providing

collectively bargained benefits to which a Hospital is a party or sponsor constitutes a Currently Identified Designated Contract or a Subsequently Identified Designated Contract for which SGM or the Debtors may be obligated to pay any cure amount.

17. Upon the Closing, the Debtors are authorized and directed to assume, assign and/or transfer each of the Designated Contracts to SGM, including the Currently Identified Designated Contracts and any Subsequently Identified Designated Contracts (collectively, the "Contract Counter-Parties"). At the Closing, SGM shall pay the (i) Sale Proceeds, (ii) the Designated Cure Amounts identified in paragraph 13 above, (iii) the Excess Cure Amounts identified in paragraph 15 above, and (iv) the Additional Cure Amounts, subject to paragraph 15 above. Payment by SGM of such Designated Cure Amounts and Additional Cure Amounts are deemed the necessary and sufficient amounts to "cure" all "defaults" with respect to all such Currently Identified Designated Contracts and Subsequently Identified Designated Contracts under § 365(b). The foregoing payment shall (i) effect a cure of all defaults existing under all such Currently Identified Designated Contracts, and (ii) compensate all such Contract Counter-Parties for any actual pecuniary loss resulting from any such default. The Debtors shall then have assumed and assigned to SGM, effective as of the Closing, all of the Designated Contracts (comprised of both all Currently Identified Designated Contracts and all Subsequently Identified Designated Contracts, if any), and, pursuant to § 365(f), the assignment by the Debtors of all such Designated Contracts to SGM shall not be a default thereunder. After the payment of the Designated Cure Amounts and the Additional Cure Amounts, neither the Debtors nor SGM shall have any further liabilities to any Contract Counter-Parties, other than SGM's obligations under the Designated Contracts that accrue and become due and payable after the Closing Date. In addition, adequate assurance of future performance has been demonstrated by or on behalf of SGM with respect to all of the Designated Contracts within the meaning of §§ 365(b)(1)(c), 365(b)(3) (to the extent applicable) and 365(f)(2)(B). For the avoidance of doubt, SGM shall not be liable for the payment of any liabilities or obligations arising from or related to (a) any executory contracts that the Debtors intend to reject by appropriate motion and which are not being assumed and assigned to SGM, (b) any multiparty contract affecting more than one Debtor in addition to one of the hospitals subject to the

Transaction, or (c) any collective bargaining agreement ("CBA"), pension plan, or health and welfare plan providing for collectively bargained for benefits to which a Hospital is a party or a sponsor, unless expressly assumed and assigned with SGM's consent.

18. The Debtors intend, and are hereby authorized, to (A) reject, pursuant to § 365(a), all executory contracts to which one or more of the Hospitals are a party, excluding (i) Designated Contracts, and (ii) any prepetition multiparty contract affecting more than one Debtor in addition to one of the Hospitals, and, (B) reject and terminate, to the extent separately authorized by this Court, pursuant to §§ 1113, 1114, and any other applicable provision of the Bankruptcy Code, any collective bargaining agreement, pension plan or health and welfare plan providing collectively bargained benefits to which one of the Hospitals is a party or sponsor and that SGM does not assume.

19. All of the Contract Counter-Parties are forever barred, estopped, and permanently enjoined from (i) raising or asserting against the Debtors or SGM, or any of their property, any assignment fee, acceleration, default, breach, or claim of pecuniary loss, or condition to assignment, arising under or related to the Designated Contracts, existing as of the Closing, or arising by reason of the consummation of the Transaction contemplated by the APA, including, without limitation, the Transaction and the assumption and assignment of the Designated Contracts, including any asserted breach relating to or arising out of the change-in-control provisions in such Designated Contracts, or any purported written or oral modification to the Designated Contracts and (ii) asserting against SGM any claim, counterclaim, breach, or condition asserted or assertable against the Debtors existing as of the Closing or arising by reason of the transfer of the Purchased Assets, except for the Assumed Obligations.

20. Any provisions in any Designated Contracts that prohibit or condition the assignment of such Designated Contract or allow the counterparty to such Designated Contract to terminate, recapture, impose any penalty, condition on renewal or extension or modify any term or condition upon the assignment of such Designated Contract constitute unenforceable anti-assignment provisions

that are void and of no force and effect with respect to the Debtors' assumption and assignment of such Designated Contract to SGM in accordance with the APA, pursuant to § 363(f).

21. The terms and provisions of this Sale Order, as well as the rights granted under the Transaction Documents, shall continue in full force and effect and are binding upon any successor, reorganized Debtors, or chapter 7 or chapter 11 trustee applicable to the Debtors, notwithstanding entry of any order of conversion or dismissal ~~any such conversion, dismissal or order entry~~. Nothing contained in any chapter 11 plan confirmed in the Debtors' cases or in any order confirming such a plan, nor any order dismissing the cases or converting the cases to a case under chapter 7, shall conflict with or derogate from the provisions of the APA, any documents or instruments executed in connection therewith, or the terms of this Sale Order, provided however, that in the event of a conflict between this Sale Order and an express or implied provision of the APA, this Sale Order shall govern. The provisions of this Sale Order and any actions taken pursuant hereto shall survive any conversion or dismissal of the cases and the entry of any other order that may be entered in the cases, including any order (i) confirming any plan of reorganization; (ii) converting the cases from chapter 11 to chapter 7; (iii) appointing a trustee or examiner in the cases; or (iv) dismissing the cases.

22. The Transaction contemplated by the APA and other Transaction Documents are undertaken without collusion and in "good faith," as that term is defined in § 363(m) of the Bankruptcy Code. SGM is a good faith purchaser within the meaning of § 363(m) and, as such, is entitled to the full protections of § 363(m). Accordingly, the reversal or modification on appeal of the authorization provided herein by this Sale Order to consummate the Transaction shall not affect the validity of the sale of the Purchased Assets to SGM. The APA and the Transactions contemplated thereby cannot be avoided under § 363(n).

23. The failure to specifically include any particular provision of the APA or the other Transaction Documents in this Sale Order shall not diminish or impair the effectiveness of such provisions, it being the intent of the Bankruptcy Court that the Transaction, the APA and the other Transaction Documents be authorized and approved in their entirety. Likewise, all of the provisions of this Sale Order are non-severable and mutually dependent.

24. This Order constitutes a final and appealable order within the meaning of 28 U.S.C. § 158(a). Notwithstanding Rules 6004(h), 6006(d), 7062, or 9014, if applicable, or any other LBR or otherwise, this Sale Order shall not be stayed for 14-days after the entry hereof, but shall be effective and enforceable immediately upon entry pursuant to Rule 6004(h) and 6006(d). Time is of the essence in approving the Transaction (including the transfer and the sale of the Purchased Assets).

25. The automatic stay in effect pursuant to § 362 is hereby lifted with respect to the Debtors to the extent necessary, without further order of this Court, to (i) allow SGM to deliver any notice provided for in the APA and Transaction Documents and (ii) allow SGM to take any and all actions permitted under the APA and Transaction Documents in accordance with the terms and conditions thereof.

26. Unless otherwise provided in this Sale Order, to the extent any inconsistency exists between the provisions of the APA and this Sale Order, the provisions contained in this Sale Order shall govern.

27. This Court shall retain exclusive jurisdiction to interpret, construe, and enforce the provisions of the APA and this Sale Order in all respects, and further, including, without limitation, to (i) hear and determine all disputes between the Debtors and/or SGM, as the case may be, and any other non-Debtor party to, among other things, the Designated Contracts concerning, among other things, assignment thereof by the Debtors to SGM and any dispute between SGM and the Debtors as to their respective obligations with respect to any asset, liability, or claim arising hereunder; (ii) compel delivery of the Purchased Assets to SGM free and clear of Encumbrances, except with respect to the liens arising from the Special Assessments and the PACE Obligations; (iii) compel the delivery of the Purchase Price or performance of other obligations owed to the Debtors; (iv) interpret, implement, and enforce the provisions of this Sale Order; and (v) protect SGM against (A) claims made related to any of the Excluded Liabilities (as defined in the APA), (B) any claims of successor or vicarious liability (or similar claims or theories) related to the Purchased Assets or the Designated Contracts, or (C) any Encumbrances asserted on or against SGM or the Purchased Assets.

28. Following the date of entry of this Sale Order, the Debtors and SGM are authorized to make changes to the APA and/or execute supplemental agreements implementing the transactions contemplated by the APA without the need for any further order of the Court provided that all such changes have been approved in writing by the Debtors, SGM, the Committee, the DIP Agent, and Prepetition Secured Creditors. Any other proposed changes to the APA or this Sale Order shall require a further order of the Court, after reasonable notice under the circumstances and a hearing.

29. Notwithstanding any other provision of this Sale Order or any other Order of this Court, no sale, transfer or assignment of any rights and interests of a regulated entity in any federal license or authorization issued by the FCC shall take place prior to the issuance of FCC regulatory approval for such sale, transfer or assignment pursuant to the Communications Act of 1934, as amended, and the rules and regulations promulgated thereunder. The FCC's rights and powers to take any action pursuant to its regulatory authority, including, but not limited to, imposing any regulatory conditions on such sales, transfers and assignments and setting any regulatory fines or forfeitures, are fully preserved, and nothing herein shall proscribe or constrain the FCC's exercise of such power or authority to the extent not inconsistent with the applicable provisions of the Bankruptcy Code.

30. To the extent the Purchased Assets contain records of the Verity Health System Retirement Plan A and Verity Health System Retirement Plan B (collectively, the "Pension Plans") or employment records of participants of the Pension Plans, SGM shall store, and preserve any such records until the Pension Benefit Guaranty Corporation ("PBGC") has completed its investigation regarding the Pension Plans and shall make such documents available to PBGC for inspection and copying. Such records include, but are not limited to, any Pension Plan governing documents, actuarial documents, and employment records (collectively, the "Pension Plan Documents"). The Debtors shall retain and not abandon any Pension Plan Documents that are not Purchased Assets no earlier than February 28, 2020, and shall make such documents available to the PBGC for inspection and copying.

31. No later than May 13, 2019, either (i) the Debtors will file a notice of a resolution of the issues regarding the transfer and/or proposed assumption and assignment or rejection of the

Nothing in this Sale Order shall apply to Medi-Cal Provider Agreements until and unless there is a Court order approving a settlement between the Debtors and the DHCS or a Court order resolving the DHCS's objections.

32. No later than May 13, 2019, either (i) the Debtors will file a notice of a resolution of the issues regarding the transfer and/or proposed assumption and assignment or rejection of the Hospitals' Medicare Provider Agreements or (b) HHS will file a supplemental objection to the proposed transfer of the Medicare Provider Agreements. Nothing in this Sale Order shall apply to Medicare Provider Agreements until and unless there is a Court order approving a settlement between the Debtors and the HHS or a Court order resolving the HHS's objections.

33. In accordance with the terms of §§ 4.7 and 5.11 of the APA, the Debtors and SGM will negotiate regarding modification of applicable CBAs. To the extent the Debtors seek modification, rejection and/or termination of CBAs, they will comply with the requirements of § 1113, as applicable, and may do so before or after Closing under their discretion.

34. A continued hearing on the Cure Objections shall be held on June 5, 2019, at 10:00 a.m. (Pacific Time). As to the Currently Identified Designated Contracts, by no later than May 22, 2019, at 4:00 p.m. (Pacific Time), the Debtors shall file a notice containing a list of (a) the Cure Objections that have been resolved, and (b) the Cure Objections as to which Court intervention is required. As to the Cure Objections for which Court intervention is required, pursuant to the *Order*

Approving Omnibus Stipulation Continuing Hearing on Certain Objections to Notice and Supplemental Notice of Contracts Designated for Assumption and Assignment [Docket No. 2183], the deadline for the Debtors to reply to the Cure Objections shall be May 29, 2019, at 4:00 p.m. (Pacific Time). ~~the following briefing schedule shall apply: (1) the Debtors' opposition to each outstanding Cure Objection shall be submitted by no later than May 22, 2019; and (2) the counterparties' reply in support of its Cure Objections shall be submitted by no later than May 29, 2019.~~ Nothing in this Sale Order constitutes a finding or determination on any Cure Objection. 35. As to any executory contracts or unexpired leases that were listed on the Initial Designated Contract List, but not listed on any prior Cure Notice, any counterparty thereto may file an objection to the cure amount or assumption thereof by May 22, 2019, and all other provisions in paragraph 34 shall apply to resolution thereof.

36. As to Subsequently Identified Designated Contracts, (i) promptly upon SGM's identifying such contract(s), the Debtors shall file a notice with the Court identifying all Subsequently Identified Designated Contracts no later than 30 days prior to Closing and provide service thereof in accordance with paragraph 16, and (ii) to the extent that any Subsequently Identified Designated Contracts were not listed on a Cure Notice, counterparties subject to contracts who object to assumption and/or the proposed cure amounts must file an objection no later than 14 days prior to Closing, and any reply shall be filed no later than 7 days prior to Closing. To the extent that a negotiated resolution cannot be achieved, any objections filed in connection with the Subsequently Identified Designated Contracts shall be adjudicated by the Court, which shall resolve any and all disputed issues related to the objection(s).

1.6.2 Other than the Utility Deposits (defined below), which are governed by Section 1.8(j), and other than with respect to Cure Costs payable by Purchaser, the following costs and expenses shall be prorated based upon the payment period (*i.e.*, calendar or other tax fiscal year) to which the same are attributable: all real estate and personal property lease payments, real estate and personal property taxes, real estate assessments, other than the PACE Special Assessments and other similar charges against real estate, and power and utility charges (collectively, the "**Prorated Charges**") on the Assets. Purchaser's receipt of same. For the avoidance of doubt, all rental payments received after Closing shall be first applied to any amounts owed to the Sellers under this Section 1.6.3.

1.6.4 All prorations and payments to be made under the foregoing provisions shall be agreed upon by Purchaser and Sellers prior to the Closing and shall be binding upon the parties; provided, however, with respect to the Unpaid Amounts, in the event any proration, apportionment or computation shall prove to be incorrect for any reason, then either the applicable Seller or Purchaser shall be entitled to an adjustment to correct the same, provided that said party makes written demand on the party from whom it is entitled to such adjustment within thirty (30) calendar days after the erroneous payment or computation was made, or such later time as may be required, in the exercise of due diligence, to obtain the necessary information for proration. This Section 1.6 shall survive Closing.

4.1 Access and Information; Inspections.

4.1.1 From the Signing Date through the Effective Time, (a) each Seller shall afford to the officers and agents of Purchaser (which shall include accountants, attorneys, bankers and other consultants and authorized agents of Purchaser) reasonable access during normal business hours at Seller's corporate headquarters in El Segundo, California to, and the right to inspect, the books, accounts, records and all other relevant documents and information with respect to the assets, liabilities and business of the Hospital of such Seller and the plant and property of the Hospital of such Seller at the Hospital of such Seller and (b) each Seller shall furnish Purchaser with such additional financial and operating data and other information in such Seller's possession

as to businesses and properties of the Hospital of such Seller as Purchaser or its representatives may from time to time reasonably request; *provided*, *however*, that such Seller is not obligated to disclose information which is proprietary to such Seller and would not be essential to the ongoing operation of the Hospital of such Seller by Purchaser; *provided*, *further*, that all disclosures of information shall be consistent with the confidentiality agreements and any other non-disclosure agreements entered into (or to be entered into) among Purchaser, its representatives and such Seller. Purchaser's right of access and inspection shall be exercised in such a manner as not to interfere unreasonably with the operations of any Seller or the Hospital.

4.1.2 Notwithstanding anything contained herein, no Seller shall be required to provide Purchaser or its representatives or agents access to or disclose information where such access or disclosure would violate the rights of its patients, jeopardize the attorney-client or similar privilege with respect to such information or contravene any law, judgment, fiduciary duty or contract entered into prior to or on the date of this Agreement with respect to such information.

4.2 Cooperation.

4.2.1 Each Seller shall reasonably cooperate with Purchaser and its authorized representatives and attorneys: (a) in Purchaser's efforts to obtain all consents, approvals, authorizations, clearances and licenses required to carry out the transactions contemplated by this Agreement (including, without limitation, those of governmental and regulatory authorities) or which Purchaser reasonably deems necessary or appropriate, (b) in the preparation of any document or other material which may be required by any governmental agency as a predicate to or result of the transactions contemplated in this Agreement, and (c) in Purchaser's efforts to effectuate the assignment of Assumed Contracts to Purchaser as of the Closing Date. Except as may be otherwise requested by a Seller in order to comply with applicable law or regulatory guidance, notwithstanding anything contained herein, other than Bankruptcy Court orders and authorizations, it shall be Purchaser's sole responsibility (including payment of any fees, expenses, filings costs or other amounts) to obtain the Contract and Lease Consents, as well as all governmental consents, approvals, assignments, authorizations, clearances and licenses required to (x) carry out the transactions contemplated by this Agreement, including but not limited to medical licenses and/or (y) transfer any of the Assets, including any Licenses. To the extent Purchaser needs certain information and data which is in the possession of a Seller in order for Purchaser to complete Purchaser's license and permit approval applications, Purchaser shall receive, upon request, reasonable assistance from such Seller in connection with the provision of such information.

4.2.2 Notwithstanding any provision to the contrary contained in this Agreement (including Section 8.7), no Seller shall be obligated to obtain the approval or consent to the assignment, to Purchaser, of any Assumed Contracts or Assumed Leases, from any party to any of the Assumed Contracts or Assumed Leases even if any such contract or lease states that it is not assignable without such party's consent.

4.3 Other Bidders. Purchaser expressly acknowledges and agrees that each Seller has an obligation to seek out and determine the best and highest offer reasonably available for such

Seller's assets in accordance with the Bankruptcy Code, and nothing herein shall amend, modify, alter, diminish or affect such obligation.

4.4 Sellers' Efforts to Close. Each Seller shall use its reasonable commercial efforts to satisfy all of the conditions precedent set forth in ARTICLE 7 and ARTICLE 8 to its or Purchaser's obligations under this Agreement to the extent that such Seller's action or inaction can control or materially influence the satisfaction of such conditions; provided, however, that such Seller shall not be required to pay or commit to pay any amount to (or incur any obligation in favor of) any person (other than filing or application fees).

4.5 Termination Cost Reports. Each Seller shall file all Medicare, Medi-Cal and any other termination cost reports required to be filed as a result of the consummation of (a) the transfer of the Assets of such Seller to Purchaser and (b) the transactions contemplated by this Agreement with respect to such Seller, provided that Purchaser shall fund reasonable costs and expenses of preparation, filing and audit of such reports. Purchaser shall permit each Seller access to all Hospital books and records to prepare such reports and shall assist such Seller in the process of preparing, filing, and reviewing the termination cost reports. All such termination cost reports shall be filed by the applicable Seller in a manner that is consistent with current laws, rules and regulations. Each Seller shall be responsible for filing governmental cost reports for the period of January 1, 2019 through the Closing Date. Purchaser shall be responsible for its own cost report filings relating to the Hospitals beginning on the day immediately following the Effective Time.

4.6 Conduct of the Business. From the Signing Date until the Closing, or the earlier termination of this Agreement, without the prior written consent of Purchaser, Sellers shall, with respect to the ownership of the Assets and the operation of the Hospitals, use commercially reasonable efforts to, in each case except as would not have a Material Adverse Effect (except as otherwise noted):

(a) without regard to Material Adverse Effect, carry on Sellers' ownership of the Assets and the operation of the Hospitals consistent with past practice, but subject to the Bankruptcy Cases and Sellers' obligations and actions in connection therewith;

(b) maintain in effect the insurance and equipment replacement coverage with respect to the Assets;

(c) if and as permitted by the Bankruptcy Court, pay any bonuses payable under the Key Employee Retention Plan and Key Employee Incentive Plan of Sellers;

(d) maintain the Assets in materially the same condition as at present, ordinary wear and tear excepted;

(e) perform its obligations under all contracts with respect to the Assets in compliance with the Bankruptcy Code;

(f) following entry of the Sale Order, permit and allow reasonable access by Purchaser and its representatives (which shall include the right to send written materials, all of which shall be subject to Sellers' reasonable approval prior to delivery) to make offers of post-

Closing employment to any of Sellers' personnel (including access by Purchasers and their representatives for the purpose of conducting open enrollment sessions for Purchasers' employee benefit plans and programs) and to establish relationships with physicians, medical staff and others having business relations with Sellers;

(g) with respect to material deficiencies, if any, cited by any governmental authority (other than the Attorney General of the State of California and other than with respect to Seismic requirements) or accreditation body in the most recent surveys conducted by each, cure or develop and timely implement a plan of correction that is acceptable to such governmental authority or such accreditation body;

(h) timely file or cause to be filed all material reports, notices and tax returns required to be filed and pay all required taxes as they come due;

(i) without regard to Material Adverse Effect, beginning on February 21, 2019 and in accordance with the Sellers' budget under their debtor in possession financing, timely pay any fees that are or become due and payable under QAF IV and QAF V;

(j) comply in all material respects with all Legal Requirements (including Environmental Laws) applicable to the conduct and operation of the Hospitals; and

(k) without regard to Material Adverse Effect, maintain all material approvals, permits and environmental permits relating to the Hospitals and the Assets.

4.7 Contract With Unions. Representatives of Sellers who are parties to collective bargaining agreements and Purchaser shall meet and confer from time to time as reasonably requested by either party to discuss strategic business options and alternative approaches in negotiating each collective bargaining agreement. The applicable Sellers and Purchaser shall each participate in all union negotiations related to any specific collective bargaining agreement. Promptly following the Signing Date, applicable Sellers shall use commercially reasonable efforts to initiate discussions with Purchaser and conduct discussions to renegotiate each collective bargaining agreement currently in effect with each applicable union. The applicable Sellers will not unreasonably withhold, condition or delay approval or implementation of any successfully renegotiated collective bargaining agreement. The parties recognize that an applicable Seller's failure to secure a modification to any collective bargaining agreement, or to conclude a successor collective bargaining agreement shall not be a breach of Sellers' obligation under this Agreement, provided that if the unions refuse to negotiate, or otherwise are not timely, reasonable or realistic in renegotiating, the collective bargaining agreements during the period between the Signing Date and the Closing Date, Sellers and Purchaser will jointly consider, and negotiate mutually in good faith, alternative approaches that may be available and/or necessary to reduce Sellers' labor cost structure, including, but not limited to, seeking to reject the collective bargaining agreement(s).

ARTICLE 5

COVENANTS OF PURCHASER

5.1 Purchaser's Efforts to Close. Purchaser shall use its reasonable commercial efforts to satisfy all of the conditions precedent set forth in ARTICLE 7 and ARTICLE 8 to its or Sellers' obligations under this Agreement to the extent that Purchaser's action or inaction can control or materially influence the satisfaction of such conditions. Prior to consummation of the transactions contemplated hereby or the termination or expiration of this Agreement, Purchaser shall be permitted to communicate and meet with (a) counter-parties to the agreements and contracts of the Hospitals, included those included in Assumed Obligations, regarding the terms and conditions under which they may be assumed and assigned to Purchaser, and (b) applicable governmental and regulatory authorities regarding prospective compliance with regulatory requirements and related issues; so long as, in the case of each of (a) and (b) (i) such communications and meetings do not interfere with the operation of the Businesses or the conduct of the Bankruptcy Cases and (ii) any communications or meetings with any governmental authority are approved in advance by Sellers as to timing and content (and Sellers are copied on such communications and afforded the opportunity to participate in such meetings).

5.2 Required Governmental Approvals.

(a) Purchaser, at its sole cost and expense (a) shall use its best efforts to secure, as promptly as practicable before the Closing Date, all consents, approvals (or exemptions therefrom), authorizations, clearances and licenses required to be obtained from governmental and regulatory authorities in order to carry out the transactions contemplated by this Agreement and to cause all of its covenants and agreements to be performed, satisfied and fulfilled (and provide Sellers copies of all materials relating to such consents, approvals, authorizations, clearances and licenses upon submission and all materials received from third parties in connection with such consents, approvals, authorizations, clearances and licenses upon receipt), and (b) will provide such other information and communications to governmental and regulatory authorities as any Seller or such authorities may reasonably request. Purchaser will provide Sellers periodic and timely updates regarding all such consents, approvals, authorizations, clearances and licenses. Purchaser is responsible for all filings with and requests to governmental authorities necessary to enable Purchaser to operate the Hospital at and after the Effective Time. Purchaser shall, promptly, but no later than thirty (30) business days after the entry of the Sale Order or sooner if required by applicable governmental or regulatory authorities, file all applications, licensing packages and other similar documents with all applicable governmental and regulatory authorities which are a prerequisite to obtaining the material licenses, permits, authorizations and provider numbers described in Section 8.1. Purchaser shall be entitled, but not obligated, to obtain the Contract and Lease Consents. Purchaser shall be entitled, but not obligated, to solicit and obtain estoppel certificates from any third party to any Leased Real Property. Purchaser's failure to obtaining any or all of the Contract and Lease Consents or estoppel certificates as of the Closing Date shall not be a condition precedent to either party's obligation to close the transactions contemplated by this Agreement.

(b) Purchaser and Sellers agree that because the change of ownership and regulatory approval process in connection with the transactions contemplated by this Agreement may take an extended period of time, Purchaser and Sellers agree to an initial closing effective upon the approval of the court and upon the approval of the transaction by the CA AG (as defined below) in accordance with Sections 7.5 and 8.6, at which time the Assets (less the portion of the Assets constituting drugs or other pharmacy assets) will be sold to Purchaser and immediately leased back

to Sellers, with a concurrent management agreement entered into at that time upon terms mutually agreeable to the parties in their reasonable business judgment. The Sale Leaseback Agreement and Interim Management Agreement will terminate at the Closing when the Purchaser is issued the Licenses necessary to operate the Hospitals directly (namely, the Hospital Licenses and pharmacy permits).

5.3 Certain Employee Matters.

(a) Purchaser agrees to make offers of employment, effective as of the Effective Time, to substantially all persons (whether such persons are full time employees, part-time employees, on short-term or long-term disability or on leave of absence, military leave or workers compensation leave) (the "**Hospital Employees**") who, immediately prior to the Effective Time are: (i) employees of any Seller; (ii) employees of any affiliate of any Seller which employs individuals at the Hospital and are listed on **Schedule 5.3**; or (iii) employed by an affiliate of any Seller and are listed on **Schedule 5.3**. For the avoidance of doubt, the Hospital Employees shall not include any employees of Verity or any other affiliate of Seller unless such individual is listed on **Schedule 5.3**. Any of the Hospital Employees who accept an offer of employment with Purchaser as of or after the Effective Time shall be referred to in this Agreement as the "**Hired Employees**." All employees who are Hired Employees shall cease to be employees of the applicable Seller or its affiliates as of the Effective Time.

(b) Purchaser shall give all Hired Employees full credit for paid time off pay to such employees as of the Closing Date by crediting such employees the time off reflected in the employment records of the applicable Seller and/or any of its affiliates immediately prior to the Effective Time, subject to compliance with applicable law and regulation, including consent of such employees if required.

(c) After the Closing Date, Purchaser's human resources department will give reasonable assistance to each Seller and its affiliates with respect to such Seller's and such Seller's affiliates' post-Closing administration of such Seller's and such Seller's affiliates' pre-Closing employee benefit plans for the Hospital Employees. Within five (5) days after the Closing Date, Purchaser shall provide to each Seller a list of all the Hospital Employees who were offered employment by Purchaser but refused such employment along with a list of all Hired Employees (which such list Purchaser shall periodically update).

(d) With respect to any collective bargaining agreements or labor contract with respect to any employees, Purchaser shall comply with the applicable laws and bankruptcy court orders relating to collective bargaining agreements or labor contracts.

(e) The provisions of this Section 5.3 are solely for the benefit of the parties to this Agreement, and no employee or former employee or any other individual associated therewith or any employee benefit plan or trustee thereof shall be regarded for any purpose as a third party beneficiary of this Agreement, and nothing herein shall be construed as an amendment to any employee benefit plan for any purpose.

5.4 Excluded Assets. As soon as practicable after the Closing Date, Purchaser shall deliver to each Seller or such Seller's designee any Excluded Assets of such Seller found at the

Hospital on and after the Effective Time, without imposing any charge on any Seller for Purchaser's storage or holding of same on and after the Effective Time.

5.5 Waiver of Bulk Sales Law Compliance. Purchaser hereby waives compliance by Sellers with the requirements, if any, of Article 6 of the Uniform Commercial Code as in force in any state in which the Assets are located and all other laws applicable to bulk sales and transfers.

5.6 Attorney General. Promptly after entry of the Sale Order, but in any event within ten (10) calendar days, Purchaser shall, at its sole cost and expense, make any notices or other filings with the Attorney General of the State of California (the "**CA AG**"). Each Seller shall reasonably cooperate with Purchaser in such notices or other filings.

5.7 Conduct Pending Closing. Prior to consummation of the transactions contemplated hereby or the termination or expiration of this Agreement pursuant to its terms, unless Sellers shall otherwise consent in writing, Purchaser shall not take any action or fail or omit to take any action which would cause any of Purchaser's representations and warranties set forth in ARTICLE 4 to be inaccurate or untrue as of the Closing.

5.8 Cure Costs. Purchaser, upon assumption, shall pay the Cure Costs for each Assumed Contract and Assumed Lease so that each such Assumed Contract and Assumed Lease may be assumed by the applicable Seller and assigned to Purchaser in accordance with the provisions of section 365 of the Bankruptcy Code. For purposes of this Agreement, "**Cure Costs**", means all amounts that must be paid and all obligations that otherwise must be satisfied, including pursuant to Sections 365(b)(1)(A) and (B) of the Bankruptcy Code in connection with the assumption and/or assignment of the Assumed Contracts and Assumed Leases to Purchaser as provided herein.

5.9 Operating Covenant. Purchaser shall act in good faith and use Purchaser's commercially reasonable efforts to serve the medical needs of each Hospital's service area.

5.10 HSR Filing. Purchaser and each Seller will as promptly as practicable, and in any event no later than five business days after the date of the Sale Order, file with the Federal Trade Commission and the Department of Justice the notification and report forms required for the transactions contemplated hereby and any supplemental information that may be reasonably requested in connection therewith pursuant to the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "**HSR Act**"), which notification and report forms and supplemental information will comply in all material respects with the requirements of the HSR Act. Purchaser shall pay all filing fees required with respect to the notification, report and other requirements of the HSR Act. Each of Purchaser and Sellers shall furnish to the other such information and assistance as the other shall reasonably requires in connection with the preparation and submission to, or agency proceedings by, any governmental authority under the HSR Act, and each of Purchaser and Sellers shall keep the other promptly apprised of any communications with, and inquires or requests for information from, such governmental authorities. Purchaser shall take such action (including divestitures or hold separate arrangements) as may be required by any governmental authority in order to resolve with the minimum practicable delay any objections such governmental authorities may have to the transactions contemplated by this Agreement under the HSR Act.

5.11 Contract with Unions. Representatives of Sellers who are parties to collective bargaining agreements and Purchaser shall meet and confer from time to time as reasonably requested by either party to discuss strategic business options and alternative approaches in negotiating each collective bargaining agreement. The applicable Sellers and Purchaser shall each participate in all union negotiations related to any specific collective bargaining agreement. Promptly following the Signing Date, applicable Sellers shall use commercially reasonable efforts to initiate discussions with Purchaser and conduct discussions to renegotiate each collective bargaining agreement currently in effect with each applicable union. The applicable Sellers will not unreasonably withhold, condition or delay approval or implementation of any successfully renegotiated collective bargaining agreement to be assumed by Purchaser. The parties recognize that an applicable Seller's failure to secure a modification to any collective bargaining agreement, or to conclude a successor collective bargaining agreement shall not be a breach of Sellers' obligation under this Agreement. In addition, Sellers may, in their discretion, seek to reject any or all of the collective bargaining agreement(s).

ARTICLE 6

SELLERS' BANKRUPTCY AND BANKRUPTCY COURT APPROVAL

6.1 Bankruptcy Court Approval; Overbid Protection and Break-Up Fee.

(a) Sellers and Purchaser acknowledge that this Agreement and the sale of the Assets and the assumption and assignment of the Assumed Contracts and Assumed Leases are subject to Bankruptcy Court approval, and that this Agreement is subject to termination in its entirety in the event any Seller receives a better and higher offer for the Assets in accordance with the Bankruptcy Code and subject to the terms stated herein.

(b) Promptly following the execution of this Agreement by all parties, the Seller shall file a motion with the Bankruptcy Court (the "**Sales Procedures Motion**"), the content of which shall be subject to the reasonable approval by Purchaser, for entry of an order approving bid procedures and overbid protections containing substantially the following terms and conditions:

(1) the Seller shall not accept any offer to sell the Assets subject to this Agreement ("**Overbid**") to another purchaser ("**Overbidder**") unless that offer exceeds the Purchase Price by an amount sufficient to pay the Break-Up Fee and such offer includes the purchase of substantially all Assets subject of this Agreement;

(2) in the event that an overbidder (and not the Purchaser) is the successful bidder for the purchase of the Assets (the "**Alternate Transaction**") and the Alternative Transaction is approved by the Bankruptcy Court, (a) the Deposit, and any interest earned thereon, shall be returned to Purchaser immediately upon the entry of such sale order, and (b) Purchaser shall be paid a break-up fee of three and one-half percent (3.25%) of the Cash Consideration ($19,825,000.00) plus reimbursement of reasonably documented reasonable costs and expenses incurred by Purchaser related to its due diligence, and pursuing, negotiating, and documenting the transactions contemplated by this Agreement in an amount not to exceed $2,000,000.00 ((the "**Break-Up Fee**"); provided, however, that in the event that

the Purchaser is successful as to some but not all of the Assets, the Break-Up Fee shall be reduced pro rata to the percentage of Assets not actually purchased by the Purchaser, based on the allocation of the Purchase Price as described in Section 1.1(a)(i), as compared to the Assets which were the subject of this Agreement; in the event that Purchaser terminates this Agreement in accordance with Section 8.6 hereof, expenses of Purchaser incurred in satisfaction of Section 8.6 shall be reimbursed up to $500,000; and

(3) The Break-Up Fee shall be deemed to be an allowed expense of the kind specified in Section 503(b) of the Bankruptcy Code to be paid solely from the proceeds of the Alternate Transaction, pursuant to the Sale Order. The Break-Up Fee shall not be paid if the Alternate Transaction was pursued due to a material breach by the Purchaser or the Purchaser's failure or refusal to consummate the transaction after the satisfaction or waiver of all closing conditions.

The Sales Procedures Motion will contain bid procedures as set forth in the bid procedures attached hereto as **Schedule 6.1(b)(3)**.

If Sellers fails to obtain Bankruptcy Court approval for the Sales Procedures Motion by no later than four weeks after the end of the Final Diligence Period, Purchaser shall have the right to terminate this Agreement, without recourse or liability, and Seller shall immediately thereafter return to Purchaser the Deposit and any interest earned thereon.

(c) Each Seller shall at the Sale Hearing exercise reasonable efforts to obtain a "Sale Order" approving this Agreement, subject to its obligations in respect of any better and higher offer for such Seller's assets in accordance with the Bankruptcy Code. For purposes of this Agreement, the term "**Sale Order**" shall mean an order of the Bankruptcy Court authorizing the sale of the Assets (including the assumption and assignment of the Assumed Contracts and Assumed Leases) to Purchaser consistent with this Agreement and in a form reasonably satisfactory to Purchaser.

(d) Each Seller agrees to proceed in good faith to obtain Bankruptcy Court approval of the sale contemplated herein with a determination that Purchaser is a good faith purchaser pursuant to Bankruptcy Code section 363(m) and to file such declarations and other evidence as may be required to support a finding of good faith.

(e) Each Seller shall seek an order from the Bankruptcy Court retaining jurisdiction over all matters relating to claims against such Seller as debtor solely in the Bankruptcy Court.

6.2 Appeal of Sale Order. In the event an appeal is taken or a stay pending appeal is requested from the Sale Order, Sellers shall immediately notify Purchaser of such appeal or stay request and shall provide to Purchaser promptly a copy of the related notice of appeal or order of stay. Sellers shall also provide Purchaser with written notice of any motion or application filed in connection with any appeal from either of such orders. In the event of an appeal of the Sale Order, Sellers shall be primarily responsible for drafting pleadings and attending hearings as necessary to defend against the appeal; provided, however, Purchaser, at its option, shall have the right to

participate as a party in interest in such appeal. In the event a stay is issued by any appellate court, including the United States District Court, which prevents the sale from closing, as scheduled, Purchaser shall have the right to terminate this Agreement if such stay is not vacated on or before 45 days from the date of the stay is issued, and Purchaser shall be entitled to the prompt return of the Deposit and any interest earned thereon.

ARTICLE 7

CONDITIONS PRECEDENT TO OBLIGATIONS OF SELLERS

Sellers' obligation to sell the Assets and to close the transactions as contemplated by this Agreement shall be subject to the satisfaction of each of the following conditions on or prior to the Closing Date unless specifically waived in writing by Sellers in whole or in part at or prior to the Closing:

7.1 Signing and Delivery of Instruments. Purchaser shall have executed and delivered all documents, instruments and certificates required to be executed and delivered pursuant to the provisions of this Agreement.

7.2 No Restraints. No temporary restraining order, preliminary or permanent injunction or other order preventing the consummation of the transactions contemplated in this Agreement shall have been issued by any court of competent jurisdiction or any other governmental body and shall remain in effect on the Closing Date, and further, no governmental entity shall have commenced any action or suit before any court of competent jurisdiction or other governmental authority that seeks to restrain or prohibit the consummation of the transactions contemplated hereby.

7.3 Performance of Covenants. Purchaser shall have in all respects performed or complied with each and all of the obligations, covenants, agreements and conditions required to be performed or complied with by it on or prior to the Closing Date.

7.4 Governmental Authorizations. Purchaser shall have obtained all material licenses, permits and authorizations from governmental agencies or governmental bodies that are necessary or required for completion of the transactions contemplated by this Agreement, including reasonable assurances that any material licenses, permits and authorizations not actually issued as of the Closing will be issued following Closing (which may include oral assurances from appropriate governmental agencies or bodies).

7.5 Attorney General Provisions. The conditions to Purchaser's obligations to close set forth in Section 8.6 shall have been satisfied.

7.6 Bankruptcy Court Approval. The Bankruptcy Court shall have entered the Sale Order.

7.7 HSR Act. The applicable waiting period under the HSR Act shall have expired or been earlier terminated.

7.8 CSCDA Acknowledgement. The CSCDA and PACE Trustee shall have executed acknowledgements in form and substance acceptable to Sellers that Purchaser is the Successor Property Owner and Obligated Party under the PACE Obligations, and releases of the Sellers from any and all claims arising or accruing prior to the Closing Date.

ARTICLE 8

CONDITIONS PRECEDENT TO OBLIGATIONS OF PURCHASER

Purchaser's obligation to purchase the Assets and to close the transactions contemplated by this Agreement shall be subject to the satisfaction of each of the following conditions on or prior to the Closing Date unless specifically waived in writing by Purchaser in whole or in part at or prior to the Closing.

8.1 Governmental Authorizations. Except as otherwise set forth in this Agreement, Purchaser and Sellers shall have obtained licenses, permits and authorizations from governmental agencies or governmental bodies that are required for the purchase, sale and operation of the Hospitals, including without limitation approval of the CA AG (subject to Section 8.6), except in such case where failure to obtain such license, permit or authorizations from a governmental agency or governmental body does not have a Material Adverse Effect.

8.2 Bankruptcy Court Approval. The Bankruptcy Court shall have entered the Sale Order and made a finding that Purchaser is a "good faith" purchaser under Section 363(m) of the Bankruptcy Code.

8.3 Signing and Delivery of Instruments. Sellers shall have executed and delivered all documents, instruments and certificates required to be executed and delivered pursuant to all of the provisions of this Agreement.

8.4 Performance of Covenants. Sellers shall have in all material respects performed or complied with each and all of the obligations, covenants, agreements and conditions required to be performed or complied with by Sellers on or prior to the Closing Date; *provided*, *however*, this condition will be deemed to be satisfied unless (a) Sellers were given written notice of such failure to perform or comply and did not or could not cure such failure to perform or comply within fifteen (15) business days after receipt of such notice and (b) the respects in which such obligations, covenants, agreements and conditions have not been performed have had or would have a Material Adverse Effect.

8.5 No Restraints. No temporary restraining order, preliminary or permanent injunction or other order preventing the consummation of the transactions contemplated in this Agreement shall have been issued by any court of competent jurisdiction and shall remain in effect on the Closing Date, and further, no governmental entity shall have commenced any action or suit before any court of competent jurisdiction or other governmental authority that seeks to restrain or prohibit the consummation of the transactions contemplated hereby.

8.6 Attorney General Provisions. Purchaser recognizes that the transactions contemplated by this Agreement may be subject to review and approval of the CA AG. Purchaser

agrees to close the transactions contemplated by this Agreement so long as any conditions imposed by the CA AG are substantially consistent with the conditions set forth, as Purchaser Approved Conditions, in Schedule 8.6. In the event the CA AG imposes conditions on the transactions contemplated by this Agreement, or on Purchaser in connection therewith, which are materially different than the Purchaser Approved Conditions set forth on Schedule 8.6 (the "Additional Conditions"), Sellers shall have the opportunity to file a motion with the Bankruptcy Court seeking the entry of an order ("Supplemental Sale Order") finding that the Additional Conditions are an "interest in property" for purposes of 11 U.S.C. § 363(f), and that the Assets can be sold free and clear of the Additional Conditions without the imposition of any other conditions, which would adversely affect the Purchaser. For purposes of this Section 8.6, Additional Conditions which individually or collectively impose a direct or indirect cost to Purchaser of $5 million, or more, shall be conclusively deemed to be "materially different." If Sellers determine not to seek such Supplemental Sale Order, or fail to obtain such Supplemental Sale Order within 60 days of the Attorney General's imposition of Additional Conditions, Purchaser shall be entitled to terminate this Agreement and receive the return of its Good Faith Deposit. If Sellers timely obtain such Supplemental Sale Order from the Bankruptcy Court or another court, Purchaser shall have a period of 21 business days from the entry of such order (the "Evaluation Period") to determine, in the exercise of the Purchaser's reasonable business judgment and in consultation with Purchaser's financing sources, whether to proceed to consummate the transactions contemplated by this Agreement; provided, however, (i) Purchaser shall not terminate or provide notice of termination of the Stalking Horse APA based on the Seller's failure to satisfy the condition set forth under this Section 8.6 until the expiration of the Evaluation Period as may be extended herein, and (ii) the Evaluation Period may be extended by the Debtors, in consultation with the Consultation Parties, by up to 90 days for any appeal properly perfected with respect to the Supplemental Sale Order (the "Extended Evaluation Periods"). For the avoidance of doubt, if the Debtors or any of the Consultation Parties dispute the reasonableness of the exercise of the Purchaser's business judgment, such dispute shall be determined by the Bankruptcy Court only in the context of an adversary proceeding. If, at the conclusion of the Extended Evaluation Periods, such Supplemental Sale Order has not become a final, non-appealable order and Purchaser determines not to proceed, Purchaser shall have the right within ten (10) business days after the conclusion of the Extended Evaluation Periods to terminate this Agreement and receive the return of its Good Faith Deposit. Sellers shall provide Purchaser with prompt written notice of the conclusion of the Extended Evaluation Periods and whether the Supplemental Sale Order has become a final, non-appealable order. For purposes of this Section 8.6, "a final, non-appealable order" shall include a Supplemental Sale Order (i) which has been affirmed or the appeal of which has been dismissed by any appellate court and for which the relevant appeal period has expired (other than any right of appeal to the U.S. Supreme Court), or (ii) which has been withdrawn by the appellant. If the Supplemental Sale Order becomes a final, non-appealable order prior to the expiration of the Evaluation Period or, if applicable, the Extended Evaluation Periods, Purchaser shall consummate the Sale provided that all other conditions to closing have been satisfied. During any Evaluation Period or Extended Evaluation Periods, Purchaser shall reasonably cooperate in any efforts to render the Supplemental Sale Order a final, non-appealable order, including timely taking reasonable steps in preparation for closing of the transactions described in this Agreement; provided, however, Purchaser shall not be obligated to expend more than $500,000. For the avoidance of doubt, neither this provision, nor any of the rights granted to the Purchaser herein,

shall constitute a waiver of any party in interest's right to argue that any appeal from the Sale Order should be dismissed on statutory, Constitutional or equitable mootness grounds.

8.7 Medicare and Medi-Cal Provider Agreements. Sellers shall transfer their Medicare provider agreements pursuant to a settlement agreement with the Centers for Medicare and Medicaid Services (**"CMS"**) and shall transfer their Medi-Cal provider agreements pursuant to a settlement agreement with the California Department of Health Care Services (**"DHCS"**), which such settlement agreements shall result in: (i) resolution of all outstanding financial defaults under any of Sellers' Medicare and Medi-Cal provider agreements and (ii) full satisfaction, discharge, and release of any claims under the Medicare or Medi-Cal provider agreements, whether known or unknown, that CMS or DHCS, as applicable, has against the Seller or Purchaser for monetary liability arising under the Medicare or Medi-Cal provider agreements before the Effective Time; provided, however, that Purchaser acknowledges that it will succeed to the quality history associated with the relevant Medicare or Medi-Cal provider agreements assigned and shall be treated, for purposed of survey and certification issues as if it is the relevant Seller and no change of ownership occurred.

8.8 HSR Act. The applicable waiting period under the HSR Act shall have expired or been earlier terminated.

ARTICLE 9

TERMINATION

9.1 Termination. This Agreement may be terminated at any time prior to Closing:

(a) by the mutual written consent of the parties;

(b) by Sellers if a material breach of this Agreement has been committed by Purchaser and such breach has not been (i) waived in writing by Sellers or (ii) cured by Purchaser to the reasonable satisfaction of Sellers within fifteen (15) business days after service by Sellers upon Purchaser of a written notice which describes the nature of such breach;

(c) by Purchaser if, in its sole and absolute discretion, it is not satisfied with either (i) the results of its due diligence examination of the Hospitals, or (ii) the contents of any schedule or exhibit that was not completed and attached to this Agreement, but which has been provided to Purchaser after the Signing Date, and Purchaser has notified Seller of its election to terminate the Agreement under this Section 9.1(c) on or prior to January 8, 2019, which notice may be given by facsimile or email correspondence; provided, that for the avoidance of doubt, following expiration of the Final Diligence Period, notwithstanding anything else in this Agreement, Purchaser shall not be entitled to terminate this Agreement (or not Close) as a result of the breach of any representation or warranty made by Sellers (or any of them) other than the breach of a Sale Order Date Representation, but in each case solely to the extent such breach of a

Sale Order Date Representation would result in a Material Adverse Effect; provided, further, that any dispute between Purchaser and Sellers as to whether a Material Adverse Effect has occurred for any purpose under this Agreement shall be exclusively settled by a determination made by the Bankruptcy Court;

(d) by Purchaser if a material breach of this Agreement has been committed by Sellers and such breach has not been (i) waived in writing by Purchaser or (ii) cured by Sellers to the reasonable satisfaction of Purchaser within fifteen (15) business days after service by Purchaser upon Sellers of a written notice which describes the nature of such breach;

(e) by Purchaser if satisfaction of any of the conditions in ARTICLE 8 has not occurred by December 31, 2019 or becomes impossible, and Purchaser has not waived such condition in writing (provided that the failure to satisfy any of the applicable condition or conditions in Sections 8.1 through 8.5 inclusive has occurred by reason other than (i) through the failure of Purchaser to comply with its obligations under this Agreement or (ii) Sellers' failure to provide their closing deliveries on the Closing Date as a result of Purchaser not being ready, willing and able to close the transaction on the Closing Date); provided that upon the imposition of Additional Conditions by the CA AG, Section 8.6 must be satisfied or waived by Purchaser by no later than sixty (60) days thereafter.

(f) by Sellers if satisfaction of any of the conditions in ARTICLE 7 has not occurred by December 31, 2019 or becomes impossible, and Sellers have not waived such condition in writing (provided that the failure to satisfy the applicable condition or conditions has occurred by reason other than (i) through the failure of Sellers to comply with their obligations under this Agreement or (ii) Purchaser's failure to provide its closing deliveries on the Closing Date as a result of Sellers not being ready, willing and able to close the transaction on the Closing Date);

(g) by either Purchaser or Sellers if the Bankruptcy Court enters an order dismissing the Bankruptcy Cases or fails to approve the Sales Procedures Motion by the date specified in Section 6.1(b);

(h) by Sellers if, in connection with the Bankruptcy Cases, any Seller accepts an Alternate Transaction and pays the Break-Up Fee;

(i) by either Purchaser or Sellers if the Closing has not occurred (other than through the failure of any party seeking to terminate this Agreement to comply fully with its obligations under this Agreement) on or before December 31, 2019; or

(j) by Purchaser if a force majeure event (such as acts of God, storms, floods, landslides, earthquakes, lightning, riots, fires, pandemics, sabotage, civil commotion or civil unrest, interference by civil or military authorities, acts of war (declared or undeclared) or armed hostilities, other national or international calamity, one or more acts of terrorism, or failure of energy sources) shall have occurred between the Signing Date and Closing Date, which event is reasonably likely to have a Material Adverse Effect.

9.2 Termination Consequences. If this Agreement is terminated pursuant to

Sections 6.1(b), 6.2 or 9.1: (a) all further obligations of the parties under this Agreement shall terminate (other than Purchaser's right to receive the Break-Up Fee if applicable), provided that the provisions of ARTICLE 12, shall survive; and (b) each party shall pay only its own costs and expenses incurred by it in connection with this Agreement; provided, in the case of any termination based on Sections 9.1(b) or (d) the consequences of such termination shall be determined in accordance with ARTICLE 11 hereof. In addition, if this Agreement is terminated pursuant to Sections 6.1(b), 6.2 or 9.1 (other than Section 9.1(b)), Seller shall immediately return the Deposit to Purchaser with all interest earned thereon. Each Party acknowledges that the agreements contained in this Section 9.2 are an integral part of the transactions contemplated by this Agreement, that without these agreements such Party would not have entered into this Agreement.

ARTICLE 10

POST-CLOSING MATTERS

10.1 Excluded Assets.

Subject to Section 10.2 hereof, any Excluded Asset (or proceeds thereof) (a) pursuant to the terms of this Agreement, (b) as otherwise determined by the parties' mutual written agreement or (c) absent such agreement, as determined by adjudication by the Bankruptcy Court, which comes into the possession, custody or control of Purchaser (or its respective successors-in-interest, assigns or affiliates) shall, within five (5) business days following receipt, be transferred, assigned or conveyed by Purchaser (and its respective successors-in-interest, assigns and affiliates) to the applicable Seller. Purchaser (and its respective successors-in-interest, assigns and affiliates) shall have neither the right to offset amounts payable to any Seller under this Section 10.1 against, nor the right to contest its obligation to transfer, assign and convey to any Seller because of, outstanding claims, liabilities or obligations asserted by Purchaser against any Seller. If Purchaser does not remit any monies included in the Excluded Assets (or proceeds thereof) to the applicable Seller in accordance with the first sentence of this Section 10.1, such withheld funds shall bear interest at the Prime Rate in effect on the calendar day upon which such payment was required to be made to Seller (the "**Excluded Asset Due Date**") plus five percent (5%) (or the maximum rate allowed by law, whichever is less), such interest accruing on each calendar day after the Excluded Asset Due Date until payment of the Excluded Assets and all interest thereon is made to the applicable Seller.

10.2 Preservation and Access to Records After the Closing.

(a) From the Closing Date until seven (7) years after the Closing Date or such longer period as required by law (the "**Document Retention Period**"), Purchaser shall keep and preserve all medical records (including, without limitation, electronic medical records), patient records, medical staff records and other books and records which are among the Assets as of the Effective Time, but excluding any records which are among the Excluded Assets. Purchaser will afford to the representatives of Sellers, any of their affiliates, the Official Committee of the Unsecured Creditors of the Sellers, Sellers' estate representative or any liquidating trustee of the Sellers' bankruptcy estate ("**Seller Parties**"), including their counsel and accountants, full and complete access to, and copies (including, without limitation, color laser copies) of, such records with respect to time periods prior to the Effective Time (including, without limitation, access to

records of patients treated at the Hospital prior to the Effective Time) during normal business hours after the Effective Time, to the extent reasonably needed by any Seller Party for any lawful purpose. Purchaser acknowledges that, as a result of entering into this Agreement and operating the Hospital, it will gain access to patient records and other information which are subject to rules and regulations concerning confidentiality. Purchaser shall abide by any such rules and regulations relating to the confidential information it acquires. Purchaser shall maintain the patient and medical staff records at the Hospital in accordance with applicable law and the requirements of relevant insurance carriers. After the expiration of the Document Retention Period, if Purchaser intends to destroy or otherwise dispose of any of the documents described in this Section 10.2(a), Purchaser shall provide written notice to Sellers of Purchaser's intention no later than forty-five (45) calendar days prior to the date of such intended destruction or disposal. Any of the Seller Parties shall have the right, at its sole cost, to take possession of such documents during such forty-five (45) calendar day period. If any of the Seller Parties does not take possession of such documents during such forty-five (45) calendar day period, Purchaser shall be free to destroy or otherwise dispose of such documentation upon the expiration of such forty-five (45) calendar day period.

(b) Provided that Purchaser shall not incur any out of pocket costs, Purchaser shall give full cooperation to the Seller Parties and their insurance carriers in connection with the administration of Sellers' estate, including, without limitation, in connection with all claims, actions, causes of action or audits relating to the Excluded Assets, Excluded Liabilities or pre-Closing operation of the Sellers or the Hospital that any Seller Party may elect to pursue, dispute or defend, in respect of events occurring prior to the Effective Time with respect to the operation of the Hospital. Such cooperation shall include, without limitation, making the Hired Employees available for interviews, depositions, hearings and trials and other assistance in connection with the administration of Sellers' estate and such cooperation shall also include making all of its employees available to assist in the securing and giving of evidence and in obtaining the presence and cooperation of witnesses (all of which shall be done without payment of any fees or expenses to Purchaser or to such employees); provided that Purchaser shall not be required to incur any out of pocket costs in association therewith. In addition, Sellers and their affiliates shall be entitled to remove from the Hospital originals of any such records, but only for purposes of pending litigation involving the persons to whom such records refer, as certified in writing prior to removal by counsel retained by Sellers or any of their affiliates in connection with such litigation. Any records so removed from the Hospital shall be promptly returned to Purchaser following Sellers' or their applicable affiliate's use of such records.

(c) In connection with (i) the transition of the Hospital pursuant to the transaction contemplated by this Agreement, (ii) Sellers' rights to the Excluded Assets, (iii) any claim, audit, or proceeding, including, without limitation, any tax claim, audit, or proceeding and (iv) the Sellers' obligations under the Excluded Liabilities, Purchaser shall after the Effective Time give Sellers access during normal business hours to Purchaser's books, personnel, accounts and records and all other relevant documents and information with respect to the assets, liabilities and business of the Hospital as representatives of Sellers and their affiliates may from time to time reasonably request, all in such manner as not to unreasonably interfere with the operations of the Hospital.

(d) Purchaser and its representatives shall be given access by Sellers during normal business hours to the extent reasonably needed by Purchaser for business purposes to all documents, records, correspondence, work papers and other documents retained by Sellers pertaining to any of the Assets prior to the Effective Time (excluding confidential employee information, privileged materials and patient records), all in such manner as to not interfere unreasonably with Sellers. Such documents and other materials shall be, at Sellers' option, either (i) copied by Sellers for Purchaser at Purchaser's expense, or (ii) removed by Purchaser from the premises, copied by Purchaser and promptly returned to Sellers.

(e) Purchaser shall comply with, and be solely responsible for, all obligations under the Standards for Privacy of Individually Identifiable Health Information (45 CFR Parts 160 and 164) promulgated pursuant to the Health Insurance Portability and Accountability Act of 1996 with respect to the operation of the Hospital on and after the Effective Time.

(f) Purchaser shall cooperate with Sellers, on a timely basis and as reasonably requested by Sellers, in connection with the provision of all data of the Hospital and other information required by Sellers for reporting to HFAP for the remainder of the quarterly period in which the Closing has occurred.

(g) To the maximum extent permitted by law, if any Person requests or demands, by subpoena or otherwise, any documents relating to the Excluded Liabilities or Excluded Assets, including without limitation, documents relating to the operations of any of the Hospital or any of the Hospital's committees prior to the Effective Time, prior to any disclosure of such documents, Purchaser shall notify Sellers and shall provide Sellers with the opportunity to object to, and otherwise coordinate with respect to, such request or demand.

(h) Provision of Benefits of Certain Contracts. Notwithstanding anything contained herein to the contrary, this Agreement shall not constitute an agreement to assign any Assumed Contract or Assumed Lease, if, notwithstanding the provisions of Sections 363 and 365 of the Bankruptcy Code, an attempted assignment thereof, without the consent of the third party thereto, would constitute a breach thereof or in any way negatively affect the rights of Sellers or Purchaser, as the assignee of such Assumed Contract or Assumed Lease, as the case may be, thereunder. If, notwithstanding the provisions of Sections 363 and 365 of the Bankruptcy Code, such consent or approval is required but not obtained, Sellers will cooperate with Purchaser in any reasonable arrangement designed to both (a) provide Purchaser with the benefits of or under any such Assumed Contract or Assumed Lease, and (b) cause Purchaser to bear all costs and obligations of or under any such Assumed Contract or Assumed Lease. Further, notwithstanding anything contained in this Agreement to the contrary, this Agreement shall not constitute an agreement to assign any Account Receivable the assignment of which is either prohibited by law or by the terms of any contract with a payor without the consent of such payor. Any payments received by Sellers after the Closing Date from patients, payors, clients, customers, or others who are the obligors on Accounts Receivables transferred to Purchaser as a part of the Assets on the Closing Date shall be paid over to Purchaser within ten (10) business days after receipt by Seller.

10.3 Closing of Financials. Provided that Purchaser shall not incur any out of pocket costs, Purchaser shall cause the individual acting as the chief financial officer of the Hospital after the Effective Time (the "**Post-Effective Time CFO**") to cooperate with Sellers' representatives in

order to complete the standardized closing of Sellers' financial records through the Closing Date including, without limitation, the closing of general ledger account reconciliations (collectively, the "**Closing of Financials**"). Purchaser shall cause the Post-Effective Time CFO to use his or her good faith efforts to cooperate with Sellers' representatives in order to complete the Closing of Financials by no later than the date which is thirty (30) calendar days after the Closing Date. The Post-Effective Time CFO and other appropriate personnel shall be reasonably available to Sellers for a period of no less than one hundred eighty (180) calendar days after the Closing Date to assist Sellers in the completion of Sellers' post-Closing audit, such assistance not to interfere unreasonably with such Post-Effective Time CFO's other duties.

10.4 Medical Staff. To ensure continuity of care in the community, Purchaser agrees that the Hospital's medical staff members in good standing as of the Effective Time shall maintain medical staff privileges at the Hospital as of the Effective Time. On and after the Effective Time, the medical staff will be subject to the Hospital's Medical Staff Bylaws then currently in effect, provided that such Bylaws are in compliance with all applicable laws and regulations and contain customary obligations.

10.5 Shared Intangible Assets. In the event and to the extent that certain intangible Assets transferred by Sellers have been used to operate businesses of Verity or Verity Holdings or their affiliates which are not being sold to Purchaser ("**Shared Intangible Assets**") and such Shared Intangible Assets continue to be used by Verity or Verity Holdings or their affiliates to operate such businesses after Closing, Verity and Verity Holdings retain the rights to continue to use such Assets notwithstanding their sale to Purchaser. Purchaser shall reasonably cooperate with Verity and Verity Holdings and their affiliates to give effect to such rights and shall provide Verity and Verity Holdings and their affiliates such documentation, records and information and reasonable access to such systems as necessary for Verity and Verity Holdings and their affiliates to continue to operate such businesses; all in such manner as not to reasonably interfere with the operations of the Hospitals; provided, however, Purchaser shall not be required to incur any out-of-pocket costs in association therewith unless reimbursed by Verity and Verity Holdings and their affiliates.

ARTICLE 11

DEFAULT, TAXES AND COST REPORTS

11.1 Purchaser Default. If Purchaser commits any material default under this Agreement, Sellers shall have the right to sue for damages; provided, however that the amount of such damages shall never exceed $60,000,000.00. For the avoidance of doubt, Sellers shall have no right to sue for specific performance under this Agreement.

11.2 Seller Default. If Sellers commit any material default under this Agreement, Purchaser shall have the right to demand and receive a refund of the Deposit, and Purchaser may, in addition thereto, pursue any rights or remedies that Purchaser may have under applicable law, including the right to sue for damages or specific performance.

11.3 Tax Matters; Allocation of Purchase Price.

(a) After the Closing Date, the parties shall cooperate fully with each other and shall make available to each other, as reasonably requested, all information, records or documents relating to tax liabilities or potential tax liabilities attributable to Sellers with respect to the operation of the Hospital for all periods prior to the Effective Time and shall preserve all such information, records and documents at least until the expiration of any applicable statute of limitations or extensions thereof. The parties shall also make available to each other to the extent reasonably required, and at the reasonable cost of the requesting party (for out-of-pocket costs and expenses only), personnel responsible for preparing or maintaining information, records and documents in connection with tax matters and as Sellers reasonably may request in connection with the completion of any post-Closing audits of the Hospital.

(b) The Purchase Price (including any liabilities that are considered to be an increase to the Purchase Price for United States federal income Tax purposes) shall be allocated among the Assets in accordance with Section 1060 of the Code and the Treasury Regulations promulgated thereunder as set forth in **Schedule 11.3(b)** (such schedule the "**Allocation Schedule**"). The Allocation Schedule shall be for Sellers' and Purchaser's tax purposes only, and shall not limit the Sellers' creditors in any way.

11.4 Cost Report Matters.

(a) Consistent with Section 4.5, Sellers shall, at Purchaser's expense, prepare and timely file all cost reports relating to the periods ending prior to the Effective Time or required as a result of the consummation of the transactions described in this Agreement, including, without limitation, those relating to Medicare, Medicaid, and other third party payors which settle on a cost report basis (the "**Seller Cost Reports**").

(b) Upon reasonable notice and during normal business office hours, Purchaser will cooperate reasonably with Sellers in regard to Sellers' preparation and filing of the Seller Cost Reports. Such cooperation shall include, at no cost to Sellers, obtaining access to files at the Hospital and Purchaser's provision to Sellers of data and statistics, and the coordination with Sellers pursuant to reasonable notice of Medicare and Medicaid exit conferences or meetings. Sellers shall have no obligations after the Effective Time with respect to Seller Cost Reports except for preparation and filing thereof.

ARTICLE 12

MISCELLANEOUS PROVISIONS

12.1 Further Assurances and Cooperation. Sellers shall execute, acknowledge and deliver to Purchaser any and all other assignments, consents, approvals, conveyances, assurances, documents and instruments reasonably requested by Purchaser at any time and shall take any and all other actions reasonably requested by Purchaser at any time for the purpose of more effectively assigning, transferring, granting, conveying and confirming to Purchaser, the Assets. After consummation of the transaction contemplated in this Agreement, the parties agree to cooperate with each other and take such further actions as may be necessary or appropriate to effectuate, carry out and comply with all of the terms of this Agreement, the documents referred to in this Agreement and the transactions contemplated hereby.

12.2 Successors and Assigns. All of the terms and provisions of this Agreement shall be binding upon and shall inure to the benefit of and be enforceable by the respective successors and assigns of the parties hereto; *provided, however,* that no party hereto may assign any of its rights or delegate any of its duties under this Agreement without the prior written consent of the other parties which consent shall not be unreasonably withheld or delayed, except that Purchaser may, without the prior written consent of Sellers, assign all or any portion of its rights under this Agreement to one or more of its affiliates prior to the Closing Date.

12.3 Governing Law; Venue. This Agreement shall be construed, performed, and enforced in accordance with, and governed by, the laws of the State of California (without giving effect to the principles of conflicts of laws thereof), except to the extent that the laws of such State are superseded by the Bankruptcy Code or other applicable federal law. For so long as Sellers are subject to the jurisdiction of the Bankruptcy Court, the parties irrevocably elect, as the sole judicial forum for the adjudication of any matters arising under or in connection with the Agreement, and consent to the exclusive jurisdiction of, the Bankruptcy Court. The parties hereby consent to the jurisdiction of such court and waive their right to challenge any proceeding involving or relating to this Agreement on the basis of lack of jurisdiction over the Person or forum non conveniens.

12.4 Amendments. This Agreement may not be amended other than by written instrument signed by the parties hereto.

12.5 Exhibits, Schedules and Disclosure Schedule. The Disclosure Schedule and all exhibits and schedules referred to in this Agreement shall be attached hereto and are incorporated by reference herein. From the Signing Date until the Closing, the parties agree that Sellers may update the Disclosure Schedule as necessary upon written notice to Purchaser, and the applicable representation and warranty shall thereafter be deemed amended for all purposes by such updated Disclosure Schedule. Notwithstanding the foregoing, but subject to Section 9.2(c), should any exhibit or schedule not be completed and attached hereto as of the Signing Date, Sellers and Purchaser shall promptly negotiate in good faith any such exhibit or schedule, which exhibit or schedule must be acceptable to each of Sellers and Purchaser in their reasonable discretion prior to being attached hereto. Any matter disclosed in this Agreement or in the Disclosure Schedule with reference to any Section of this Agreement shall be deemed a disclosure in respect of all sections to which such disclosure may apply. The headings, if any, of the individual sections of the Disclosure Schedule are provided for convenience only and are not intended to affect the construction or interpretation of this Agreement. The Disclosure Schedule is arranged in sections and paragraphs corresponding to the numbered and lettered sections and paragraphs of Article III merely for convenience, and the disclosure of an item in one section of the Disclosure Schedule as an exception to a particular representation or warranty shall be deemed adequately disclosed as an exception with respect to all other representations or warranties to the extent that the relevance of such item to such representations or warranties is reasonably apparent on the face of such disclosure, notwithstanding the presence or absence of an appropriate section of the Disclosure Schedule with respect to such other representations or warranties or an appropriate cross reference thereto.

12.6 Notices. Any notice, demand or communication required, permitted, or desired to be given hereunder shall be deemed effectively given when personally delivered, when received by telegraphic or other electronic means (including facsimile) or overnight courier, or five (5)

calendar days after being deposited in the United States mail, with postage prepaid thereon, certified or registered mail, return receipt requested, addressed as follows:

12.7 Headings. The section and other headings contained in this Agreement and in the Disclosure Schedule, exhibits and schedules to this Agreement are included for the purpose of convenient reference only and shall not restrict, amplify, modify or otherwise affect in any way the meaning or interpretation of this Agreement or the Disclosure Schedule, exhibits and schedules hereto.

12.8 Publicity. Prior to the Closing Date, Sellers and Purchaser shall consult with each other as to the form and substance of any press release or other public disclosure materially related

to this Agreement or any other transaction contemplated hereby and each shall have the right to review and comment on the other's press releases prior to issuance; *provided*, *however*, that nothing in this Section 12.8 shall be deemed to prohibit either Sellers or Purchaser from making any disclosure that its counsel deems necessary or advisable in order to satisfy either party's disclosure obligations imposed by law subject to reasonable prior notice to the other party thereof.

12.9 Fair Meaning. This Agreement shall be construed according to its fair meaning and as if prepared by all parties hereto.

12.10 Gender and Number; Construction; Affiliates. All references to the neuter gender shall include the feminine or masculine gender and vice versa, where applicable, and all references to the singular shall include the plural and vice versa, where applicable. Unless otherwise expressly provided, the word "including" followed by a listing does not limit the preceding words or terms and shall mean "including, without limitation." Any reference in this Agreement to an "affiliate" shall mean any Person directly or indirectly controlling, controlled by or under common control with a second Person. The term "control" (including the terms "controlled by" and "under common control with") means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract or otherwise. A "Person" shall mean any natural person, partnership, corporation, limited liability company, association, trust or other legal entity.

12.11 Third Party Beneficiary. None of the provisions contained in this Agreement are intended by the parties, nor shall they be deemed, to confer any benefit on any person not a party to this Agreement, except for the parties' successors and permitted assigns, and except for any liquidating trustee or plan administrator for Sellers' estate.

12.12 Expenses and Attorneys' Fees. Except as otherwise provided in this Agreement, each party shall bear and pay its own costs and expenses relating to the preparation of this Agreement and to the transactions contemplated by, or the performance of or compliance with any condition or covenant set forth in, this Agreement, including without limitation, the disbursements and fees of their respective attorneys, accountants, advisors, agents and other representatives, incidental to the preparation and carrying out of this Agreement, whether or not the transactions contemplated hereby are consummated. The parties expressly agree that all sales, transfer, documentary transfer and similar taxes, fees, surcharges and the like in connection with the sale of the Assets shall be borne by Purchaser. If any action is brought by any party to enforce any provision of this Agreement, the prevailing party shall be entitled to recover its court costs and reasonable attorneys' fees.

12.13 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Agreement, binding on all of the parties hereto. The parties agree that facsimile copies of signatures shall be deemed originals for all purposes hereof and that a party may produce such copies, without the need to produce original signatures, to prove the existence of this Agreement in any proceeding brought hereunder.

12.14 Entire Agreement. This Agreement, the Disclosure Schedule, the exhibits and schedules, and the documents referred to in this Agreement contain the entire understanding

between the parties with respect to the transactions contemplated hereby and supersede all prior or contemporaneous agreements, understandings, representations and statements, oral or written, between the parties on the subject matter hereof (the "**Superseded Agreements**"), which Superseded Agreements shall be of no further force or effect; provided, that notwithstanding the foregoing, the letter Confidentiality Agreement dated July 12, 2018 between Purchaser and Cain Brothers, a division of KeyBanc Capital Markets Inc., on behalf of Sellers and their related entities shall not be a Superseded Agreement and shall continue in full force in effect in accordance with its terms.

12.15 No Waiver. Any term, covenant or condition of this Agreement may be waived at any time by the party which is entitled to the benefit thereof but only by a written notice signed by the party expressly waiving such term or condition. The subsequent acceptance of performance hereunder by a party shall not be deemed to be a waiver of any preceding breach by any other party of any term, covenant or condition of this Agreement, other than the failure of such other party to perform the particular duties so accepted, regardless of the accepting party's knowledge of such preceding breach at the time of acceptance of such performance. The waiver of any term, covenant or condition shall not be construed as a waiver of any other term, covenant or condition of this Agreement.

12.16 Severability. If any term, provision, condition or covenant of this Agreement or the application thereof to any party or circumstance shall be held to be invalid or unenforceable to any extent in any jurisdiction, then the remainder of this Agreement and the application of such term, provision, condition or covenant in any other jurisdiction or to persons or circumstances other than those as to whom or which it is held to be invalid or unenforceable, shall not be affected thereby, and each term, provision, condition and covenant of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

12.17 Time is of the Essence. Time is of the essence for all dates and time periods set forth in this Agreement and each performance called for in this Agreement.

RE: Verity Health System of California, Inc. Notice of Proposed Transfer
St. Francis Medical Center, St. Vincent Medical Center, and Seton Medical Center

Dear Ms. Levy-Biehl:

The Health Care Impact Statements for the proposed sale of the Verity hospitals for St. Vincent and St. Francis were posted today on the Attorney General's web site at http://oag.ca.gov/charities/nonprofithosp. Please have your clients review the proposed conditions in the Health Care Impact Statements, and let me know in writing whether any of the conditions are a "deal breaker." If there is such a condition, please provide an explanation why your client considers it a "deal breaker" and provide any supporting documents and information. Please provide your client's response on or before August 23, 2019. If I receive no response, I will assume your client has no such concerns. In addition, California Code of Regulations, Title 11, section 999.5(e)(3)(D) states in pertinent part:

> The applicant shall prominently post a copy of the independent health care impact statement on its website available to the public and any applicant's website available to its employees within 24 hours of receipt. If the report is posted on the Attorney General's website, the applicant may provide a prominent link to the report in lieu of posting on its website.

Please have your client post on any and all hospitals' websites available to the public and websites available to its employees or post a link to the Attorney General's website.

Sincerely,
Scott Chan

Re: Verity Health System of California, Inc. Notice of Proposed Transfer of St. Francis Medical Center, St. Vincent Medical Center, and Seton Medical Center.

Dear Mr. Chan:

As you know, our firm is healthcare counsel to Strategic Global Management, Inc. ("SGM"), the purchaser of four of the Verity Hospitals pursuant to the Asset Purchase Agreement between the Verity Chapter 11 Debtors ("Verity") and SGM, as approved by the Bankruptcy Court ("APA").

We have reviewed your letters of August 16, 2019 and August 19, 2019, to Hope R. Levy-Biehl, outside counsel for the Verity, as well as the Initial Health Care Impact Statements ("Impact Statements"), related to St. Vincent Medical Center, St. Francis Medical Center and Seton Medical Center ("Hospitals"), which are referenced in the letters.

In your letters to Ms. Levy-Biehl, you have requested from her the identification of any conditions set forth in the Impact Statements which are considered "deal breakers," and you further requested an explanation as to why Verity would consider any of the conditions deal breakers. Although the letters were not sent to SGM, we do want to communicate to you SGM's position on the proposed conditions set forth in the Impact Statements.

Our client very much appreciates the ongoing efforts of the Attorney General to review our client's proposed acquisition of the Hospitals and related assets, and we look forward to the opportunity of continuing a dialogue with the Attorney General regarding the acquisition of these Hospitals and any conditions that may be attached to the Attorney General's approval of their transfer to SGM.

HOOPER, LUNDY & BOOKMAN, P.C.

HEALTH CARE LAWYERS & ADVISORS

However, the conditions recommended in the Impact Statements are materially inconsistent with the conditions which our client had thoughtfully developed and agreed to accept, as set forth in Schedule 8.6 to the APA. SGM continues to investigate and analyze the Hospitals' assets and operations, but SGM still believes that the conditions agreed to in Schedule 8.6 reflect the appropriate and needed approach in support of efforts to address the significant, long standing operational, economic and physical plant challenges facing these Hospitals, many of which were noted in the Impact Statements.

Accordingly, at this juncture, SGM would not accept the conditions proposed in the Impact Statements to the extent they materially differ from the conditions accepted by SGM in Schedule 8.6 to the APA. SGM reserves all of its rights in connection with the APA and, specifically, all of SGM's rights set forth in Section 8.6 thereof.

Nonetheless, as noted above, SGM is continuing its investigation and remains open to discussions with the Attorney General regarding these matters, including face-to-face meetings as appropriate.

Very truly yours,

Todd E. Swanson

Re: Response to August 16 and August 19, 2019 Correspondence
Summary of "Deal Breakers"

Dear Mr. Chan,

Please consider this letter the response of Verity Health System of California, Inc. and its affiliates ("Verity" or "Debtors") to your letters regarding the conditions proposed (the "Recommended Conditions") by JD Healthcare, Inc. ("JD Healthcare" or "Expert") in its Health Care Impact Statements ("Impact Statements"), analyzing the proposed sale of St. Francis Medical Center ("St. Francis"), St. Vincent Medical Center (St. Vincent"), and Seton Medical Center, including its Daly City and Coastside Campuses ("Seton") (collectively, the "Hospitals") to Strategic Global Management, Inc. and/or one of its affiliated entities ("SGM" or "Buyer") (the "Transaction") pursuant to the Asset Purchase Agreement (the "APA"), entered into by and between the parties and approved by the Bankruptcy Court [Docket No. 2305]. We appreciate the opportunity to provide this response.

For the reasons outlined below, if the Attorney General ("AG") adopts the Recommended Conditions, SGM will not proceed with acquiring the Hospitals. SGM confirmed this in its letter to you dated August 21, 2019, when it stated that "the conditions recommended in the Impact Statements are materially inconsistent with the conditions . . . agreed to in Schedule 8.6." Importantly, any condition that the AG adopts that is not consistent with Schedule 8.6 is, in our view, a "deal breaker." Further, if the AG adopts the Proposed Conditions and if the Debtors are unsuccessful in their efforts to cut off the conditions under Section 363 of the Bankruptcy Code[1]

[1] Verity reserves the right to challenge the AG's ability to impose conditions such as the Recommended Conditions in the context of a sale in bankruptcy pursuant to section 363 of the Bankruptcy Code. In this case and *In re Gardens Regional Hospital and Medical Center, Inc.*, 567 B.R. 820 (Bankr. C.D. Cal. 2017), the Bankruptcy Court expressly held, for example, that conditions imposed on a buyer by the Attorney General, as part of the Attorney General's review of the sale of a non-for-profit hospital, is an "interest in property" that can be stripped off the assets through a sale under section 363 of the Bankruptcy Code. *See also In re Verity Health Sys. of Cal., Inc.*, 598 B.R. 283, 293 (Bankr. C.D. 2018) (holding that the "Conditions are an "interest in property" within the meaning of §363(f). These ruling are consistent with rulings by the Second, Third, Fourth and Seventh Circuits, and many lower courts, which have interpreted "any interest" expansively to include not only in rem interests in property, but also

and the sale to SGM does not proceed, the likely outcome is the closure of St. Vincent, Seton, and perhaps St. Francis. This would be an unnecessary and avoidable tragedy and would have a dire impact on countless patients, employees, vendors, and stakeholders. This is especially true here when SGM has agreed to continue to operate the Hospitals and to abide by the vast majority of the conditions imposed by the AG in its approval of the BlueMountain Transaction (the "2015 Conditions")[2] for the remaining term that the conditions apply to Verity, as set forth in Schedule 8.6 to the APA.

Consequently, we strongly request that your office not accept the Expert's Recommended Conditions, which are essentially a roll-forward of the 2015 Conditions based on the historic operations and not current patient care needs or market conditions. Instead, we encourage the AG to tailor the conditions to match those outlined in Schedule 8.6 providing SGM with the flexibility necessary to turn the Hospitals around financially, so they can continue to provide critical healthcare access to the communities they serve and thousands of jobs for the foreseeable future.

We further urge the Attorney General to exercise his discretion in a manner that considers the economic impact of the Recommended Conditions on the Hospitals. While the Impact Statements provide a significant amount of information related to the Hospitals background and the Transaction, the reports lack (i) any analysis of the economic impact that the 2015 Conditions have had on the Hospitals, and (ii) any cost-benefit analysis of the Recommended Conditions. Alarmingly, without regard to the economic and community realities, certain Recommended Conditions, if adopted, would force the Hospitals to maintain programs that not only lose significant amounts of money on an annual basis, but are unnecessary since the same services (and in some instances, more comprehensive or robust services) are already being provided at other hospitals in the area. To aid the Attorney General, we have provided evidence that considers the economic impact of the Recommended Conditions on the Hospitals both in this letter and in the enclosed, supporting declarations. We are happy to provide additional evidence and to discuss this further.

The Attorney General's consideration of the economic impact of the prospective conditions is critical. We, as operators of the Hospitals, know the 2015 Conditions were overly burdensome and hampered the Hospitals' ability to break even, let alone prosper. Indeed, the

Hospitals filed voluntary petitions for relief under Chapter 11 of the United States Bankruptcy Code on August 31, 2018 to stop hemorrhaging precious cash resources. Verity, its employees, its 10,000 vendors, and other parties have made tireless efforts during the tenure of the Chapter 11 cases to ensure continued patient care and to take the necessary steps to allow the Hospitals to be sold to a new operator that could successfully operate the Hospitals.

The Bankruptcy Court has now approved the Transaction, which paves the way for a better chapter for these Hospitals and the communities they serve. The Attorney General should carefully consider the foregoing and not impose any conditions, based largely on historic operations, that would unravel operational improvements resulting from the heroic efforts of Verity's employees and management to save these Hospitals and inexorably lead to their closure.

We also request the opportunity to meet with you and other key decisions makers before any conditions are finalized in this Transaction, given their importance and the fact that the Recommended Conditions would destroy the Transaction and have a negative impact on tens of thousands of patients, employees, vendors, and stakeholders.

I. The 2015 Conditions and the Chapter 11 Cases

Before discussing the Recommended Conditions, I would like you to have the benefit of my experience overseeing the operations and financial performance of the Hospitals. *See* Enclosed Declaration of Richard G. Adcock, Verity Health System of California, Inc. Chief Executive Officer. Upon my appointment of CEO as the Hospitals, two competing issues were immediately apparent: the Hospitals are (i) critically important to the communities they serve, but (ii) are damaged financially as a result of cumulative decisions made in the last two decades.

While my extensive experience in healthcare has assisted me in understanding and navigating the complex problems threatening the Hospitals, one thing has crystalized for me: *the Hospitals require operational flexibility to adjust to market needs and demands and to effectuate a financial turn-around*. The 2015 Conditions do not allow for that type of flexibility and therefore hamper the Hospitals' ability to succeed. Thus, it is imperative that the Attorney General consider the pragmatic realities of the Hospitals' operations when imposing conditions on the Hospitals. We strongly request that the AG tailor the conditions imposed on this Transaction to align with the Purchaser Approved Conditions in Schedule 8.6, providing SGM with the flexibility to close on the Transaction and turn the Hospitals around so they can continue to provide meaningful health care services, community benefits, and jobs to the communities they serve.

II. SGM Was the Only Qualified Bidder for St. Francis, St. Vincent, and Seton.

Verity conducted a robust process to market and solicit potential buyers. In June 2018, it engaged Cain Brothers, a division of KeyBanc Capital Markets ("Cain"), to identify potential

buyers of some or all of the Verity hospitals and related assets and commenced discussions with those potential buyers. Cain prepared a Confidential Investment Memorandum and organized an online data site to share information with potential buyers, contacting over 181 prospective strategic and financial buyers beginning in July 2018 to solicit their interest in exploring a transaction regarding the Verity hospitals. As a result of its far-reaching marketing process, Cain received sixteen indications of interest or other proposals and continued to develop potential sales.

Verity, in consultation with Cain and its other advisors, selected SGM's offer to serve as the stalking-horse bid to acquire the assets of St. Francis, St. Vincent, St. Vincent Dialysis Center, Seton, and related assets (the "Assets") through a sale under section 363 of chapter 11 of title 11 of the United State Code (the "Bankruptcy Code"). Following extensive negotiations, SGM and St. Francis, St. Vincent, St. Vincent Dialysis Center, and Seton entered into the APA, which provides for the purchase of the Assets for $610 million, plus payments of cure costs, as set forth therein.

Thereafter, in accordance with the bidding procedures, Cain continued to actively market the Assets. Cain notified 90 parties of the sale process, directly sent the parties the bidding procedures approved by the bankruptcy court, and represented Cain's availability to assist in the bidding process. Thereafter, sixteen of those parties signaled ongoing interest by their requests for continued access to the data room containing information about the Assets.

Notwithstanding the time, energy, and resources dedicated to this process, SGM submitted the only qualified bid for St. Francis, St. Vincent, and Seton. *Again, and importantly, SGM has agreed to accept, in full or in large part, the majority of the* 2015 *Conditions imposed by the AG in its approval of the BlueMountain Transaction for the remainder of the term applicable to Verity*. SGM has not agreed to accept those 2015 Conditions in their entirety due to its need for flexibility to turn the Hospitals around financially and to modify or eliminate services that are not financially feasible to retain and/or not necessary to serve the community. The Bankruptcy Court entered orders (i) approving the APA, schedules and exhibits thereto, and (ii) authorizing the sale to SGM under section 363 of the Bankruptcy Code.

III. If the Attorney General's Office Adopts the Conditions Proposed by JD Healthcare, SGM Will Not Acquire the Hospitals.

Verity and SGM engaged in extensive discussions and negotiations about the 2015 Conditions, with Schedule 8.6 developed as a result of compromises and concessions made by the parties regarding what conditions SGM committed to accept, while ensuring it had the flexibility and opportunity to turn the failing healthcare system around. Pursuant to Section 8.6 of the APA, SGM negotiated the requirement to close on the Transaction only if the conditions imposed by the AG are "substantially consistent" with the conditions set forth in Schedule 8.6. As outlined in greater detail below, the Recommended Conditions are not substantially

Verity Health
2040 E. Mariposa Avenue
El Segundo, CA 90245

consistent with the conditions enumerated in Schedule 8.6 in a number of significant ways and, if adopted by the AG, will result in this Transaction failing. For the avoidance of any doubt, if the AG adopts and imposes any condition on this Transaction that is not consistent with Schedule 8.6, any such condition should be considered by the AG's office as a "deal breaker."

We highlight below some of the material ways in which the conditions proposed by the Expert diverge from Schedule 8.6.

A. The "term" of the Condition

In Schedule 8.6, there are a number of conditions that SGM accepted "for a term which coincides with the remaining term applicable to [the] condition" for the specific Hospital, as set forth in the 2015 Conditions. While SGM agreed to essentially stand in Verity's shoes and to honor the remaining term of the Prior Conditions, it was unwilling to commit to these 2015Conditions for a more extended period, as these conditions were a key factor contributing to the financial demise of the Hospitals and any requirement to honor these commitments for longer would inhibit SGM's ability to make operational changes necessary to turn the Hospitals around. SGM makes its point in its letter to you when it stated "the conditions agreed to in Schedule 8.6 reflect the appropriate and needed approach in support of efforts to address the significant, long standing operational, economic and physical plant challenges facing these Hospitals, many of which were noted in the Impact Statements."

It is worth noting that in at least some cases (and specifically for Seton), JD Healthcare has recommended that certain conditions be applied to SGM "for the remainder of the term" or in some cases for a period of time that is even shorter than the term remaining on the 2015 Conditions. The AG should apply this same standard to all of the conditions required of SGM (*i.e.*, not longer than the remaining term).

As outlined in greater detail below, if the AG does not allow SGM to honor its conditions for a term that runs concurrent with the term that currently applies to Verity, there is a significant risk that the Hospitals will close. This will result in the loss of critical community-based health care services, jobs, recoveries for creditors, and the loss of over $9 million annually in charity care and over $3,300,000 annually in community benefits currently provided by these Hospitals.

The closure of the Hospitals would be a tremendous and completely avoidable loss. By imposing conditions for a period of time that runs concurrent with the 2015 Conditions, the AG would help to ensure that the Transaction closes and the Hospitals remain open, potentially for much longer, once under new ownership, shed from burdensome historic liabilities and challenges and on more solid financial grounds. This will give SGM the time it needs to further evaluate the opportunities and challenges for these Hospitals and to determine what changes are appropriate to ensure their long-term viability and the best and most productive services for the Hospitals going forward. SGM can, at its election, and if financially prudent, continue to honor

Verity Health
2040 E. Mariposa Avenue
El Segundo, CA 90245

the 2015 Conditions and maintain the beds, services, and offerings beyond this term, but requiring it to do so will terminate this Transaction and result in the loss of all services before the 2015 Conditions have even lapsed.

B. Cancer Care

In its Recommended Conditions, JD Healthcare suggests that the AG require SGM to maintain cancer care at the Hospitals, including radiation therapy at St. Francis and St. Vincent, and inpatient oncology, interventional radiology, radiation therapy, and infusion service at Seton. This condition is a clear deal breaker for SGM.

As a threshold matter, it is important to note that none of the Hospitals offer a comprehensive oncology service today. *See* Enclosed Declaration of Tirso del Junco, Jr. M.D., Verity Health System of California, Inc. Chief Medical Officer. St. Francis, St. Vincent and Seton do not currently provide surgical oncology services. While Seton historically had a more robust oncology service line, two of the medical oncologists previously practicing at the Hospital retired and have not been replaced, which has resulted in a further decline in oncology services, including a significant decline in infusion services.

Importantly, demand for oncology services has been steadily on the decline at each Hospital. The reasons for this decline are a function of changing market conditions and are not a mystery. By its own account, the Expert found that St. Francis' cancer care volume decreased from fiscal year 2017 through fiscal year 2019. There are at least three other community hospitals offering cancer care to the same community of patients served by St. Francis. There has also been a decrease in oncology volume at St. Vincent over the last three years, with at least four other community hospitals and/or academic medical centers providing cancer care services to the same community of patients served by St. Vincent. JD Healthcare notes that cancer is the leading cause of death in Los Angeles. While this is very unfortunate and may well be true, the Expert has not suggested that this is the result of a lack of sufficient providers of oncology services or that the provision of cancer care services at St. Vincent and St. Francis is important in fighting this epidemic.

We cannot look at the provision of oncology services in a vacuum. Oncology is a very expensive service line. *See* Enclosed Declaration of Anita Chou, Verity Health System of California, Inc. Chief Financial Officer In FY 2018, St. Vincent provided 9,435 cancer treatments for a loss of $995,000. We would anticipate SGM losing an additional $547,000 as a result of its inability to access drug pricing under the federal 340B Drug Discount Program ("340B pricing"),[3] which would result in a projected net loss of approximately $1.5 million annual in the oncology service line . In FY 2018, Seton provided 8,429 in oncology treatments

[3] The 340B Drug Discount Program is a US federal government program created in 1992 that requires drug manufacturers to provide outpatient drugs to non-profit health care organizations at significantly reduced prices. As a for-profit enterprise, SGM is not eligible for 340B pricing.

Verity Health
2040 E. Mariposa Avenue
El Segundo, CA 90245

for a net loss of $3.8 million. SGM would have lost an additional $3 million as a result of its inability to access 340B pricing, with approximately $2.6 million attributable to higher oncology drug costs. It is not financially feasible to expect Seton, once owned by SGM, to operate an oncology program with diminishing volume and need at a loss of nearly $7 million per year, especially when the Hospital is already operating at an annual loss of $60 million. In FY 2018, St. Francis provided 15,556 oncology treatments for a total operating cost of $11.6 million. This service line generated a net income of $1.8 million. St. Francis will incur a loss of $262,000 under SGM ownership in light of its inability to access 340B drugs. Some portion of this would translate into additional costs for the St. Francis oncology program.

St. Vincent and Seton already sustain overwhelming losses each year. While St. Francis is operating at a modest profit, it has significant cash flow challenges and may not be financially successful if it had to stand on its own without the support of the system. Given these challenges, every dollar committed and lost impacts the ongoing operations and viability of the Hospitals. SGM recognized from the inception that maintaining oncology services without access to 340B pricing would negatively impact its ability to operate the Hospitals. While access to cancer care is critical, the Expert found sufficient alternative providers. Despite there being available cancer care providers in each of the Hospitals' communities, the Expert recommended requiring the Hospitals' admittedly partial cancer programs continue. The AG should not adopt these Recommended Conditions, which would require SGM to maintain an expensive, diminishing service line when there are alternative service providers in the Hospital communities.

C. Charity Care

SGM has committed to provide annual charity care funds equal to or greater than $430,384 for patients at St. Vincent, $8,000,000 for patients at St. Francis, and $935,405 for patients at Seton, for a term that coincides with the remaining term of the 2015 Conditions. This translates to a commitment of approximately $9,400,000 annually to support necessary medical services for patients in need of care. Any additional charity care requirements above these amounts are a deal breaker for SGM, as it would hinder the long term sustainability of the Hospitals' services.

We appreciate JD Healthcare's recognition that health reform and the Affordable Care Act ("ACA") have changed the need for charity care. We agree with JD Healthcare's suggestion that the AG should adjust the required commitment to charity care based on available data from time periods after the implementation of the ACA. However, a three-year lookback period is too long in light of the significant year-over-year changes in the need for charity care. Instead, the AG should look at the actual charity care provided in the past year by St. Francis, St. Vincent and Seton as a more appropriate barometer for the level of charity care that should be offered by the Hospitals prospectively. SGM has committed to a significant minimum amount of charity care in Schedule 8.6 and the AG should accept this commitment.

Verity Health

2040 E. Mariposa Avenue
El Segundo, CA 90245

SGM has agreed to administer the charity care funds under its existing financial assistance policy applicable across SGM's hospital system. In order to operate an efficient system, SGM will need to have one set of policies, procedures, and patient financial assistance applications. The Expert has recommended that SGM be required to operate under Verity's policy. SGM should be permitted to organize its administration of the charity care funds, consistent with its other hospitals, and in compliance with applicable state and federal law, without being required to continue Verity's specific policy.

D. Community Benefit

SGM has committed to provide annual community benefit services equal to or greater than $1,076,459 for the communities served by St. Vincent, $1,439,854 for the communities served by St. Francis, and $848,434 for the communities served by Seton, for a term that coincides with the remaining term of the Prior Conditions. Any additional community benefit program requirements above these amounts are a deal breaker for SGM, as it would hinder the long-term sustainability of the Hospitals' services. Further, SGM must be afforded the flexibility to determine how best to serve the community and which programs to provide on behalf of each Hospital.[4]

E. Capital Commitment

As of June 30, 2019, Verity expended approximately $172 million of the $180 million in capital commitments required as part of the 2015 Conditions applicable to Verity's six hospitals, leaving approximately $8 million unexpended by Verity. SGM has agreed to pay the previously required, but unexpended Verity capital commitment applicable to the three Hospitals it is acquiring. In order to determine SGM's share of the unexpended $8 million, we considered the Santa Clara County and SGM asset purchase agreements to arrive at the proxy value of the Verity hospitals of $845,000,000, comprised of $235,000,000 for O'Connor Hospital and Saint Louise Regional Hospital, and $610,000,000 for St. Francis, St. Vincent, and Seton. Based on these figures, SGM is acquiring approximately 72% of the Verity hospital assets. As such, SGM's portion of the outstanding capital commitment as of June 30, 2019, is approximately $5.8 million.

Provided that Verity does not expend any additional capital expenditures through the closing of the pending APA, then SGM would honor and commit to expend $5.8 million in capital commitments among St. Francis, St. Vincent, and Seton. If the remaining amount of the original capital commitment pursuant to the 2015 Conditions left unexpended through the closing of the APA is less than the above number, SGM would honor and commit to spend seventy-two percent (72%) of such lesser amount in capital commitments. We understand SGM

[4] Please note that although St. Francis Career College was referenced in the Expert's recommendations, American Career College bought St. Francis Career College in 2013 and has since closed the Lynwood Campus in 2019.

Verity Health
2040 E. Mariposa Avenue
El Segundo, CA 90245

would want to maintain the flexibility to determine how best to apportion these required expenditures among the Hospitals based on their individual needs and their operational priorities and to have the opportunity to expend such amounts over five (5) years following the closing pursuant to the APA.

F. Economic Impact of the Expert Proposed Conditions Generally

While the Impact Statements provide a significant amount of information about the Transaction, the Hospital operations and challenges, and the communities they serve, it lacks (i) any of the economic impact the 2015 Conditions have had on the Hospitals or that the Recommended Conditions would have on SGM, and (ii) any cost-benefit analysis of the conditions recommended by the Expert. Verity and SGM agree that many of the services provided by the Hospitals are essential to the communities they serve and that is why SGM has agreed to adopt many of the 2015 Conditions. The Impact Statements fail to consider and discuss the extent to which the economic impact of the proposed conditions guarantees a failed SGM transaction. In its letter to you, SGM states: "the conditions recommended in the Impact Statements are materially inconsistent with the conditions […] set forth in Schedule 8.6 to the APA." It goes on to say that "SGM would not accept the conditions proposed in the Impact Statements."

If the AG adopts the Recommended Conditions, based on the historical conditions, operations and needs and not the present reality, this will result in requirements for the Hospitals to maintain programs that not only lose a significant amount of money on an annual basis but that are also unnecessarily duplicative of other services (sometimes more comprehensive) already offered at other hospitals in the area. This will also result in SGM walking away from this Transaction.

As further discussed below, a failed SGM Transaction would mean closure for all the Hospitals resulting in the loss of access to medical care for hundreds of thousands of community members and patients, put thousands of employees out of work, and deny any financial recovery for former employees with pension rights, as well as other stakeholders.

By way of example, the Recommended Conditions require that SGM maintain transplant services at St. Vincent, including its newly developed liver transplant program, for at least five years from the Closing Date. St. Vincent established its liver transplant program earlier in 2019, performing a total of 10 liver transplants to date. At present, this program is not receiving any reimbursement as it is still going through the initial certification process. The liver transplant program places a significant financial burden on the Hospital. A third-party liver program expert consulting company has produced feasibility and performance projections for the St. Vincent program and anticipates that it will lose $21 million over 5 years, or somewhere in excess of 15% of the total value of St. Vincent. Liver transplant services were not a required service under the 2015 Conditions and SGM should not be required to maintain liver transplant services at St. Vincent as part of this Transaction.

Verity Health
2040 E. Mariposa Avenue
El Segundo, CA 90245

Additionally, the Recommended Conditions require SGM to contract with LA Care for St. Francis, and St. Vincent. Verity is currently involved in litigation with LA Care to recover approximately $15.2 million in underpaid and/or unpaid claims.[5] *See* St. Vincent Medical Center v. Local Initiative Health Authority for Los Angeles County dba L.A. Care Health Plan, Case No. 19-01002 at kccllc.net/verity. Requiring SGM to contract with LA Care is unreasonable in light of LA Care's inability to adequately ensure timely and full payment at market rates for services. When both parties can freely negotiate a new contract with needed assurances of payment at market rates, the community benefits. This is not possible if SGM is mandated to contract with LA Care regardless of the contract terms offered by LA Care or LA Care's performance or non-performance under the contract.

These are just a few examples of how the Recommended Conditions fail to take in to account the economic consequences of the suggestions and the impact these would have on hospital viability and prudent operations.

IV. If the AG Imposes the Conditions Recommended by its Expert, and the Debtors are Unsuccessful in their Efforts to Cut Off the Conditions under Section 363 of the Bankruptcy Code, the SGM Sale Will Terminate and St. Vincent and Seton Will Close.

A. The Debtors and Their Stakeholders Will Suffer Immediate Irreparable Harm if the SGM Sale Does Not Close.

The aftermath of a failed SGM sale is the prompt closure of St. Vincent and Seton in light of their unsustainable operational losses, the absence of an interested viable purchaser that would continue operations as acute care hospitals, and the almost certain lack of financing to continue their operations. While St. Francis would attempt a private sale in the bankruptcy case, the Debtors foresee significant challenges notwithstanding the fact that its financial performance may be stronger during parts of the year than the other Hospitals. Indeed, excluding QAF, since it is often difficult to rely on from a working capital perspective due to its sporadic payment pattern, St. Francis would need to borrow greater than $35 million from the Verity Hospital System throughout the year to manage large working capital fluctuations. The administrative expenses and risks associated with continuing the bankruptcy cases to attempt to identify a new buyer other than SGM, further threaten the Debtors' ability to finance and sell the Hospitals as going concerns and related recoveries to constituents. These threats are borne directly by the communities served by the Hospitals, their patients, employees, and other critical stakeholders, and are material considerations with which to assess the proposed SGM sale.

[5] To add specific examples, one large category of claims at issue involves services that were authorized by LA Care through delegated vendors but that LA Care denied payment because it had no way to track the delegated vendors' authorization numbers. As a result, LA Care required timely filed electronic claims to be resubmitted in paper. Another example is that LA Care has improperly administered payments under "stop loss" provisions – denying payment to St. Francis, in particular, for services to some of the most needy patients.

Verity Health

El Segundo, CA 90245

1. St. Vincent and Seton Will Likely Close.

St. Vincent and Seton are likely to close promptly after the SGM transaction fails for two significant reasons tied to their ongoing financial underperformance: (i) the Debtors cannot sustain the operational losses incurred by St. Vincent and Seton without the prospect of a potential purchaser, and (ii) the Debtors must conserve resources to underwrite a sale of St. Francis. St. Vincent and Seton (including both the Daly City and Coastside campuses) have combined operating losses greater than $105 million in the 10 months since filing bankruptcy.

The Expert acknowledges that "no other offers were received by the Bankruptcy Court to purchase and operate" St. Vincent and Seton. *See* St. Vincent Report at 86; Seton Report at 87. This finding is consistent with the results of the Debtors' extensive marketing efforts. As outlined in greater detail above, beginning in July 2018, the Debtors engaged Cain to identify potential buyers of some or all of the Debtors' Hospitals. Cain contacted over 181 strategic and financial buyers and received 11 indications of interest. None of these indications proposed purchasing and operating St. Vincent or Seton individually. The Debtors cannot sustain incurring ongoing operational losses to maintain the going-concern value of St. Vincent and Seton without the realistic prospect of a purchaser.

These closures would begin almost immediately. Because the failure of the SGM sale puts the recovery of secured creditors at risk, it is almost certain that the secured creditors would object to continued use of their cash collateral to subsidize the losses at St. Vincent and Seton. While the Debtors may be able to obtain an order authorizing the use of cash collateral over their objection, that use would be limited to the amount necessary to avoid harm to patients. Based on the experience of Debtors' counsel, St. Vincent and Seton would first seek court approval to close their emergency departments and close the Hospitals to new patients. Given the average length of stay for hospital inpatients, we would expect all acute care patients to be discharged within a week. We would expect St. Vincent to be closed in less than one month.

Closure of Seton would be much slower than St. Vincent, given the more involved process of the skilled nursing and sub-acute resident populations at both the Daly City and Coastside campuses, and would cost tens of millions of dollars to effectuate. We would immediately seek the assistance of the California Department of Public Health, the Center for Medicare and Medicaid Services, the Department of Health Care Services, Santa Clara and San Mateo Counties and other key governmental and non-governmental stake holders to find appropriate placements for the approximately 180 long term and subacute residents at Seton. However, the post-acute care delivery system in Northern California does not have the excess capacity to accept these residents. *See* Enclosed Declaration of Maya Altman, CEO for the Health Plan of San Mateo. We would anticipate many of these residents being displaced across the state and outside of the state in order to find appropriate and available beds and resources. The transfer trauma risk attendant to the closure of Seton's nursing facility would be significant with patients needing to be transferred, in many cases, hundreds of miles away from their communities, families and support networks.

Thereafter, the Debtors would most likely attempt a private sale of St. Vincent and Seton after they are closed. After their extensive but ultimately unsuccessful marketing efforts, the Debtors believe that the most likely outcome is a sale to a real estate or similar purchaser without an interest in continuing or reopening the facilities as acute care hospitals, and without the need for Attorney General review. *See In re Gardens Reg'l Hosp. & Med. Ctr., Inc.*, 567 B.R. 820, 826-829 (Bankr. C.D. Cal. 2017) (Robles, J.) (holding that sale of a closed not for profit hospital is not subject to Attorney General review).

2. St. Francis Will Attempt a Private Sale at a Depressed Value with Significant Financial Obstacles and Creditor Scrutiny.

In the event the SGM transaction fails due to the imposition of conditions making continued operations economically unfeasible, the Debtors will turn their efforts to fund a renewed sale process for St. Francis, their only potentially profitable going-concern asset. A St. Francis sale process would face stiff headwinds and present significant liquidity demands, which would be further exacerbated if the Debtors are continuing to incur operating losses associated with St. Vincent and Seton. The Expert cites interviewees who "expressed that if this [SGM] transaction was not finalized, the Hospital would likely be acquired by another organization due to its history of financial success." *See* St. Francis Report at 85. However, this supposition does not account for the expenses and uncertainties associated with a single-facility sale.

St. Francis realizes substantial economic benefits from its integration in the Verity Health System that would be stripped in a single-facility sale. First, St. Francis cannot sustain itself solely on cash flow from operations. The primary receivables attributable to St. Francis operations—reimbursements and related supplemental payments on account of the Hospital Quality Assurance Fee program—are paid periodically during the year and substantially after the service period to which they relate. As stated previously, excluding QAF, St. Francis must borrow greater than $35 million from the Verity Hospital System throughout the year in order to manage its large working capital fluctuations. Historically, St. Francis has leveraged financing arrangements entered into by the Verity Health System. The obligated parties under those financing arrangements historically included VHS, O'Connor Hospital, Saint Louise Regional Hospital, Seton, St. Vincent, and St. Francis. St. Francis cannot achieve stable financial operations without access to credit historically supplied on a joint and several basis to the Verity Health System.

St. Francis benefits from the consolidated administrative functions and unified technology of the Verity Health System, which St. Francis would need to arrange for and purchase individually in anticipation of a single-facility sale. The total burden of the cost of the underlying IT systems and licensing agreements for the system, at a cost of more than $40 million per year, would likely be the burden of St. Francis alone. In addition, St. Francis would bear a significant portion of the current annual overhead costs of over $100 million that no longer could be spread across the other Hospitals. These two factors will put significant strain

Verity Health
2040 E. Mariposa Avenue
El Segundo, CA 90245

on the cash flow of the remaining Debtors and would ultimately make completing an extremely quick private sale of St. Francis critical to maintaining any value for the estate.

A private sale is more expedient, but, in the absence of a renewed, robust sale process, the Debtors expect the sale would yield a purchase price hundreds of millions of dollars lower than the SGM Transaction and would receive objections from constituents who would request a new marketing process. Based on the Debtors' experience through the extensive pre-bankruptcy and post-filing marketing efforts, the Debtors are very aware of (i) the difficulty in identifying a purchaser that is both interested in, and capable of, closing on such a transaction, and (ii) the large amount of time and money it takes to sustain ongoing operating losses while working with a prospective buyer through the complex sale process. In these circumstances, the Expert's comment, without support, that there would be "other buyers" if the SGM Transaction failed is at best unsupported and a gross oversimplification of what would be an involved, complicated process. Even if a new deal process were successful and yielded a willing buyer capable of closing, it is highly uncertain whether the Debtors could fund the ongoing operating capital necessary to continue to operate St. Francis while the sale worked its way through the rigorous bankruptcy, AG, and regulatory approval process.

The Debtors' creditors are also likely to object to a fire sale of St. Francis given the already small recoveries available if the SGM sale is successful. A private sale is likely to leave only a partial recovery for secured creditors and, as discussed below, no recovery for other critical stakeholders. These secured creditors and stakeholders are likely to carefully scrutinize such a transaction and demand a longer auction process in lieu of a private sale. Each of these likely demands from secured creditors, other stakeholders, and the Attorney General would expose St. Francis to further financial deterioration arising from the increased administrative and professional costs associated with a lengthy sale process as well as further losses from operations.

It should be noted that even if there are good sales prospects, Verity will likely have no choice but to close St. Francis pending a sale, putting the hospital license in suspense and closing all beds and service lines. This would require a prompt shut-down of St. Francis, including the closure of its emergency room and trauma center as well as its psychiatric unit. While a buyer could apply to have the St. Francis hospital license resurrected and taken out of suspense, this is not without consequence. As a Hospital that relies heavily on government reimbursement and QAF to survive, in taking the license out of suspense, a St. Francis buyer would need to apply for new Medicare and Medi-Cal provider agreements, enduring a period during which the hospital is open but not yet certified. In addition, St. Francis would not be eligible for QAF during the period of time when it is closed, which would also impact its QAF fees and payments upon reopening. All of this would likely have a negative impact on the value of St. Francis as a freestanding hospital as well as its timeline for reopening its emergency department and certain non-essential services.

B. A Renewed Sale Process Will Materially Delay the Bankruptcy Cases.

The Debtors have administered and financed their bankruptcy cases and plan of liquidation assuming that the cases would conclude shortly after the SGM sale. If SGM does not consummate the sale, then the Debtors will incur additional, unexpected administrative expenses associated with continued operations as they pursue new sales and closures. These expenses—unanticipated by the Debtors and their lenders—will increasingly burden the Debtors' ability to fund their operations.

While difficult to predict, the Debtors anticipate that a single-facility private sale of St. Francis will take approximately five to six months to close. The bankruptcy court process, assuming that (a) a buyer could be located, and (b) the Debtors would seek a private sale, would last approximately six to eight weeks and involve soliciting potential purchasers, drafting and negotiating an asset purchase agreement and sale motion, and holding a sale hearing on three weeks' notice to interested parties. The balance of time is allocated to the 90 to 135-day Attorney General review process. This assumes that the private sale of St. Francis would not require a more belabored auction process in bankruptcy court; however, as noted above, creditors disappointed with partial or no recovery on their claims may convince the court that an auction process will result in a higher sale price.

The Debtors anticipate that the private sales of St. Vincent and Seton would take substantially less time to close if the facilities are not operating as acute care hospitals. The Debtors estimate that sales of St. Vincent and Seton could close in no less than two months on the most favorable timeline and for substantially less consideration. This assumes an expedited disposition of the facilities' patient populations, which we anticipate will be especially challenging for Seton's long-term patient populations at both the Daly City and Coastside campuses.

There is significant risk in the Debtors ability to fund an additional six-month sale process. These alternative sale timelines, through abbreviated, nevertheless require the Debtors to incur significant administrative expenses. As discussed, the Debtors incur cash flow losses of $450,000 every day. The Debtors have obtained $185 million of debtor in possession financing to cover these operational and administrative expenses during their bankruptcy cases because their stakeholders were satisfied that there was a high likelihood of consummating significant asset sales; this matures September 7, 2019. In fact, the financing terms are subject to strict case milestones and short-term budgets based upon consummating sales of the Hospitals by specific dates. *See* Docket No. 309-2 (DIP Credit Agreement, § 7.1 at 63) (the Debtors financial covenants include limits on budget variances during the bankruptcy cases); *see id.* (DIP Credit Agreement, § 9.1(q) at 72-76) (providing for defaults if Debtors fail to meet case deadlines including sale deadlines). Without the prospect of an imminent asset sale that would, at a minimum, cover the costs of financing, the Debtors' ability to obtain financing is a significant risk. The Debtors' access to cash collateral and proceeds of the O'Connor Hospital and Saint Louise Regional Hospital sale are likewise subject to the liens and limitations of the Debtors'

Verity Health
2040 E. Mariposa Avenue
El Segundo, CA 90245

secured creditors. The Debtors' ability to fund their operations becomes increasingly dubious as the bankruptcy cases continue without resolution.

C. Patients, Employees, Vendors, Community Members, and Other Essential Stakeholders Bear Directly the Ramifications of a Failed SGM Transaction.

The Attorney General should not ignore the significant economic ramifications of a failed SGM sale because of the negative healthcare impacts on patients and community members. If the SGM sale does not close, patients and community members will lose access to healthcare facilities. Extending the timeline to a sale by six months will also jeopardize the ability to finance the remaining hospital. Furthermore, the degradation in value realized from the asset sales will directly affect key stakeholder recoveries.

1. The Impact on Community Members and Patients

Failure to consummate the SGM sale likely results in the closure of St. Vincent and Seton and risks closure of St. Francis. The Expert recognizes the unique role the Hospitals play in their communities. Although the Debtors challenge the specifics of the proposed conditions, it is indisputable that these facilities provide access to essential healthcare services in their communities. Faced with the possibility of losing these facilities in their entirety, rote application of historical conditions must yield to the pragmatics of economics and demonstrable community need.

St. Francis is a critical safety-net provider of health care services, serving a large number of uninsured and underinsured patients. It is located in a medically underserved area and operates the only trauma center in the service area. It also provides critical acute inpatient psychiatric services as well as a mobile crisis evaluation team.

St. Vincent is the oldest hospital in Los Angeles, providing critical emergency room and other specialized services to the community it serves. In addition to serving almost 180 skilled nursing and subacute residents, Seton also operates a geriatric-psych service line and the only emergency department on the Peninsula in the 55-mile stretch between Santa Cruz and Daly City.

In addition to the possibility of losing these Hospitals, the communities would also lose the charity care and community benefits they offer. This would be a tragic and unnecessary loss.

2. The Impact on Vendors

It is the vendors that have supported the Hospitals during the pendency of the bankruptcy cases, allowing the Hospitals to stay open and to continue providing services in the ordinary course. Under the SGM purchase agreement, these vendors will receive payment in full for their

Verity Health
2040 E. Mariposa Avenue
El Segundo, CA 90245

support of Verity during its bankruptcy and a failed sale to SGM could put those payments at risk.

In addition, there are thousands of vendors whose contracts will be assumed by SGM pursuant to the sale. As a consequence, these vendors will be paid for their pre-petition claims an estimated total recovery of more than $50 million. For those vendors whose contracts are not being assumed by SGM, the sale will still provide millions of dollars of recoveries. In total, the failed sale to SGM would cause these vendors to lose tens of millions of dollars in recoveries. Further, there would be a loss of future services by these vendors that would provide the go-forward services to the operating hospitals.

3. The Impact on Employees

St. Francis, St. Vincent, and Seton have approximately 4,950 employees. SGM has committed to retain "substantially all" employees of the Debtors, as set forth in the APA. *See* Docket No, 2305-1 (SGM APA, § 5.3(a) at 27). Similarly, SGM has committed to participate in good faith negotiations of new collective bargaining agreements with the unions. *See id.* (SGM APA, § 4.7 at 25). The SGM sale presents the Debtors' stakeholders with the best possible alternative, and the failure of the SGM transaction will likely result in losing healthcare access for vulnerable populations as well as the loss of employment for thousands of employees.

V. Conclusion.

For all of the reasons outlined above, the AG should not adopt the Recommended Conditions. This would result in the certain failure of the SGM Transaction and the likely closure of St. Vincent, Seton, and perhaps St. Francis. This would be a devastating loss to the communities the Hospitals serve, to their patients, employees, vendors, creditors, and more. This would entail the unnecessary loss of historic, meaningful, community hospitals with robust histories, dedicated to providing charity care and community benefits, especially when as here, there is a ready buyer in SGM who has agreed to continue to operate the Hospitals and to abide by the vast majority of the 2015 Conditions for the period of time they apply to Verity. We urge you to tailor the conditions imposed on this Transaction to align with the Purchaser Approved Conditions in Schedule 8.6, providing SGM with the flexibility to close on the Transaction and turn the Hospitals around so they can continue to provide meaningful health care services, community benefits, and jobs to the communities they serve.

Sincerely,

Richard G. Adcock, CEO

DECLARATION OF RICHARD G. ADCOCK

I, Richard G. Adcock, declare that I have personal knowledge of the facts set forth in this declaration, and I would competently testify to them under oath if called as a witness.

1. I am, and have been since January 2018, the Chief Executive Officer of Verity Health System of California, Inc. ("VHS"). Prior thereto, I served as VHS's Chief Operating Officer since August 2017.

2. I have extensive senior-level experience in the nonprofit healthcare arena, especially in the areas of healthcare delivery, hospital acute care services, health plan management, product management, acquisitions, integrations, population health management, budgeting, disease management and medical devices. I have meaningful experience in both the technology and healthcare industries in the areas of product development, business development, mergers and acquisitions, marketing, financing, strategic and tactical planning, human resources, and engineering.

3. Prior to VHS, from 2014 until 2017, I served as Executive Vice President and Chief Innovation Officer of Sanford Health, a large integrated health system headquartered in the Dakotas dedicated to health and healing. In this role, I was responsible for leading Sanford Health's growth and innovation, in addition to direct operational oversight of the following related entities: Sanford Research, Sanford Health Plan; Sanford Foundation (a philanthropic fundraising foundation); Sanford Frontiers (a commercial and real estate company); Profile by Sanford (a scientific weight loss program); and Sanford World Clinic (which operates clinics in multiple countries).

4. From 2012 to 2017, I served as the President of Sanford Frontiers and had the responsibility of starting a new entity within Sanford Health focused on innovative ventures. From 2008 to 2012, I served as Executive Vice President of Sanford Clinic. I was responsible both for (i) working directly with the President of the Clinic to the lead team of Vice Presidents in all aspects of management, and (ii) Sanford World Clinics operations, including the design, opening and operation of several global clinics. 2006 to 2008, I served as the Vice President of Sanford Clinic and was responsible for leading strategic, operational and financial aspects within Sanford Clinic. From 2004 to 2006, I served as Director of Clinical Operations at Sanford Children's Specialty Clinic and led the Pediatric Subspecialty Physician program and the clinical practice through all facets of the operation.

5. Prior to Sanford Health, I served as the Director of Engineering and Six Sigma Master Black Belt at GE Medical Systems, and before that served as the Vice President of Research and Development and the Co-Owner/Founder of Micro Medical Systems. I have a bachelor of science in business administration and a masters of business administration in healthcare management.

6. I have reviewed the conditions proposed (the "Recommended Conditions") by JD Healthcare, Inc. ("JD Healthcare" or "Expert") to the California Attorney General (the "Attorney General") in the Health Care Impact Statements (the "Reports"), analyzing the proposed sale of St. Francis Medical Center ("St. Francis"), St. Vincent Medical Center (St. Vincent"), and Seton Medical Center, including its Daly City and Coastside Campuses ("Seton") (collectively, the "Hospitals"), to Strategic Global Management, Inc. and its affiliated entities ("SGM"), as reflected in that certain Asset Purchase Agreement (the "APA").

7. Upon review of the Recommended Conditions, I urge the Attorney General not to issue the Recommended Conditions, and, instead, to impose the conditions to which SGM has agreed to in Schedule 8.6 to the APA.

8. As explained below in detail, the Attorney General should not impose the Recommended Conditions because they do not take into consideration the negative economic impact of the Recommended Conditions nor the negative economic impact of the previously imposed conditions on the Hospitals (the "2015 Conditions").

9. The Attorney General should exercise his oversight responsibilities and discretion to impose conditions that consider the economic impact to the Hospitals.

10. My extensive experience in healthcare has helped me understand and

navigate the complex problems threatening the Hospitals.

11. Two competing issues were immediately apparent upon my appointment as CEO: the Hospitals are (i) critically important to the communities they serve, but (ii) are damaged financially as a result of cumulative decisions made in the last two decades.

12. After overseeing the operations and financial performance of the Hospitals, I concluded that the only feasible path to maintain Hospital operations was to initiate a bankruptcy process that would allow the transfer of the Hospitals to more financially stable operators, reduce existing liabilities, and commence a process in cooperation with the Attorney General to ensure the continued viability of these important community assets.

13. While SGM has the ability to keep these Hospitals open and help them to prosper, the Attorney General's role in that process cannot be understated.

14. Specifically, to fix the problems that presently threaten the Hospitals continued viability, the Attorney General must consider the pragmatic realities of the Hospitals' operations.

15. The Hospitals require operational flexibility to address the fast-paced changes in the healthcare market. I will use a specific example to illustrate my point. One of the 2015 Conditions requires that St. Francis maintains a fixed number of beds for pediatric patients. However, and by way of example, children in the St. Francis service area often go to the nearby children's hospital for treatment (e.g., Miller Children's, Children's Hospital of Los Angeles, and Women's Hospital). Consequently, St. Francis does not utilize many of the beds it is required to maintain pursuant to the condition. This results in unnecessary operating costs without attendant increases in revenue and, more importantly, prevents St. Francis from instead applying its resources to address the demonstrated needs of the community. In addition, these pediatric beds are needed as general adult inpatient beds. Put simply, 2015 Conditions do not reflect the needs of the market place. This is one of many examples that is repeated across service lines affected by the 2015 Conditions.

16. The payor contracts present another example of the negative impact of the 2015 conditions on the Hospitals. In my experience, I have never seen a set of conditions that obligate the Hospitals, as providers, to accept a particular payor's contact no matter how disadvantageous the terms and conditions. The Attorney General's mandated requirement to remain in an economically damaging relationship obliterates the Hospitals' ability to negotiate appropriate terms, including reimbursement consistent with market conditions. The Hospital payor contracts are below-market as a result of many years of poor payor contract negotiations coupled with the 2015 Conditions. Stated differently, through the imposition of the conditions, the Attorney General transfers negotiating leverage to the payors and leaves the Hospitals severally disadvantaged. While the Attorney General certainly may not have intended that result at the time the 2015 Conditions were imposed, the 2015 Conditions had that impact and accelerated and contributed to the threats facing the Hospitals today.

17. While the impact reports provide a significant amount of information related to the Hospital's background and the SGM transaction, the reports are lacking (i) any analysis of the economic impact the 2015 Conditions have had on the Hospitals, and (ii) any cost benefit analysis of the Recommended Conditions.

18. Without regard to the economic and community realities, certain Recommended Conditions force the Hospitals to maintain programs that not only suffer significant losses an annual basis, but are unnecessary because the same services (and in some instances, more comprehensive services) are already provided at other Hospitals in the area.

19. The Attorney General's consideration of the economic impact of the Recommended Conditions is critical. As a Hospital operator, I know the 2015 Conditions were too burdensome and hampered the Hospitals ability to prosper, as discussed above. Verity, its employees, tens of thousands of vendors and other parties have made tireless efforts during the sale process to ensure high quality continued patient care and to take the necessary steps that would allow the Hospitals to be sold to a new operator that could

successfully operate the Hospitals. The Bankruptcy Court has now approved the sale to SGM, which paves the way for these Hospitals and the communities they serve to continue the Hospitals' mission of quality patient care.

20. The alternative to an SGM sale is, most likely, the closure of SVMC and Seton in light of their unsustainable operating losses, the absence of an interested viable purchaser that would continue operations as acute care hospitals, and the almost certain lack of financing to sustain their operations.

21. While SFMC would most likely attempt a private sale in the bankruptcy cases, I foresee significant challenges. SFMC's financial performance may be stronger during parts of the year than the other Hospitals; however, SFMC relies significantly on the Verity Hospital System to borrow an excess of $35 million throughout the year to achieve its financial success and has not demonstrated an ability to independently manage large working capital fluctuations. The administrative expenses and risks associated with continuing the cases to attempt to identify a new buyer other than SGM, further threaten the Debtors' ability to finance and sell the Hospitals as going concerns and related recoveries to constituents. These threats are borne directly by the communities served by the Hospitals, their patients, employees, and other critical stakeholders, and are material considerations with which to assess the proposed SGM sale.

22. The Reports recognize the unique role the Hospitals play in their communities. Although I disagree with the specifics of the Recommended Conditions, I believe it is indisputable that the Hospitals provide access to essential healthcare services in their communities. Faced with the possibility of losing the Hospitals in their entirety, rote application of the 2015 Conditions should yield to the pragmatics of economics and demonstrable patient care and community need.

23. If the SGM transaction does not close, the Debtors, employees, pension holders, other stakeholders, and community members, would be exposed to significant and unrecoverable health care and economic loss.

24. Among the stakeholders which will be harmed by a failed SGM sale are the

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

vendors that have supported the Hospitals by providing credit terms throughout these cases. Under the SGM sale, these creditors will receive payment for their support of the Hospitals during the sale process. A failed sale to SGM would put that at risk. In addition, there are thousands of vendors whose contracts will likely be assumed by SGM in the sale. Consequently, these vendors will be paid for their pre-petition claims, an estimated total recovery for these vendors of $50 million. Even those vendors whose contracts are not assumed by SGM are still expected to receive millions of dollars of recoveries. In total, the failed sale to SGM would cost these vendors tens of millions of dollars in recoveries. Further, there would be a loss of future income for services provided to the operating Hospitals on a go-forward basis.

25. The Hospitals have approximately 4,900 employees. SGM has committed to retain "substantially all" employees of the Debtors, as set forth in the APA.

26. The SGM sale presents the Debtors' stakeholders with the best possible alternative, and the failure of the SGM transaction will likely result in a loss of healthcare access for vulnerable populations, as well as jobs of thousands of employees.

27. Based on the foregoing, I request the Attorney General carefully consider the foregoing and not impose conditions that would threaten to close the Hospitals or otherwise unwind stakeholders' heroic efforts to save these Hospitals.

I declare under penalty of perjury under the laws of the United States that the foregoing is true and correct.

Executed this 23rd day of August, 2019, in Santa Monica, California.

DECLARATION OF ANITA CHOU

I, Anita Chou, declare, that if called as a witness, I would and could testify as follows based on my own personal knowledge.

1. I am the Chief Financial Officer ("CFO") of Verity Health System of California, Inc. ("VHS"). I became the Debtors' acting CFO on August 20, 2018, and on August 29, 2018, the board of directors appointed me as the CFO. Prior to my appointment as acting CFO, I served as the VHS SVP Hospital Finance, with oversight responsibilities over all of Verity Health System hospitals' CFOs from February 1, 2018 until August 19, 2018, and as the St. Vincent Medical Center CFO from March 2016 to February 2018. Prior to VHS, I spent three years at Prospect Medical Holdings from March 2013 to March 2016 in various senior level corporate finance positions including Hospital System CFO, ten years as the controller for three different hospital and hospital systems (*e.g.*, Saint John's Health Center & Affiliates, Valley Presbyterian Hospital, and USC Kenneth Norris Jr. Cancer Hospital), and three years as a Financial Market Analyst for El Camino Hospital. I received my Masters in Health Administration from the University of Southern California in 2005, and my Bachelor of Science from University of California, San Diego in 1998.

2. Debtor VHS, a California non-profit public benefit corporation, is the sole corporate member of the five debtor California non-profit public benefit corporations that operated six acute care hospitals (the "Hospitals"), including St. Francis Medical Center ("SFMC"), St. Vincent Medical Center ("SVMC") and Seton Medical Center, which includes its Daly City and Coastside Campuses ("Seton"). Seton operates under one consolidated general acute care hospital license. VHS, the Hospitals and their affiliated entities operated as a non-profit healthcare system in the State of California.

3. The statements herein are based upon my personal knowledge of the facts and information gathered by me in my capacity as CFO for VHS.

4. I have reviewed the Health Care Impact Statements (the "Reports"), analyzing the proposed sale of SFMC, SVMC and Seton to Strategic Global Management, Inc., and its affiliated entities ("SGM"), as reflected in that certain Asset Purchase Agreement (the "APA").

5. The report on SFMC, at pages 92-96, the report on SVMC, at pages 87-90, and the report on Seton, at pages 88-92, set forth JD's recommended conditions (the "Recommended Conditions") for the transactions to the California Attorney General (the "Attorney General"). I urge the Attorney General not to issue the proposed conditions and, instead, to impose the conditions to which SGM has agreed in Schedule 8.6 to the APA.

6. The Recommended Conditions for SFMC, SVMC and Seton that deviate from Schedule 8.6 attached to the APA are "deal breakers" and should not be imposed by the Attorney General.

A. St. Francis

7. The Recommended Conditions for SFMC include a requirement that, for at least 10 years from the closing date, SFMC maintain cancer services. The current cost to maintain cancer treatment at SFMC exceeds $11 million annually, which includes the financial advantages that permit SFMC, as a non-profit hospital, to use the 340B program. The 340B Drug Discount Program is a U.S. federal government program that requires drug manufacturers to provide outpatient drugs to eligible health care organizations and covered entities at significantly reduced prices. SGM will operate SFMC as a for-profit enterprise, and, therefore, the 340B program will no longer be available, increasing the cost of pharmaceuticals, and, therefore, the cancer program, by $262,000 per year.

8. The Recommended Conditions include a requirement that, for at least 10 years from the closing date, SFMC maintain Wound Care Services. The Wound Care Clinic operated at a $385,000 net loss in 2018 and is expected to continue to operate at a loss.

9. The Recommended Conditions include a requirement that, for at least 10 years from the closing date, SFMC maintain its participation in the Medi-Cal Managed Care Program, continuing its contracts with LA Care Health Plan and Health Net Community Solutions. With Managed Medi-Cal rates that are significantly below market, such a restriction will continue to impose a financial burden upon SFMC as well as hinder its ability to negotiate appropriate payor rates. These contracts have not been renegotiated in the last 5 years in part due to the imposition of the conditions.

DENTONS US LLP

Los Angeles, California 90017-5704
(213) 623-9300

B. St. Vincent

10. The Recommended Conditions for SVMC include a requirement that, for at least 5 years from the closing date, SVMC maintain cancer services. The cancer treatment program at SVMC operated at a net loss in 2018 of $995,000. And, because SGM will operate SVMC as a for profit enterprise, SGM cannot utilize the benefit of the 340B program which will impose additional cost for pharmaceuticals by $547,000 per year, exacerbating existing operating losses at the facility of over $65 million annually. With the loss of the 340B program, cancer care at SVMC will operate at a projected increased net loss of approximately $1.5 million per year.

11. The Recommended Conditions include a requirement that, for 5 years after the closing date, SVMC will continue to provide liver transplant service. The liver transplant program at SVMC started in calendar year 2019. In fact, performance projections prepared by a third-party expert consultant in transplant programs show a 5-year net loss of $21 million for SVMC. Worse, currently SVMC is not receiving reimbursement for liver transplants because SVMC is still in process of being certified to perform these transplants. Finally, SGM will have to negotiate reimbursement rates with third party payors going forward which may not cover the cost of the surgeries.

12. The Recommended Conditions include a requirement that for 5 years from the closing date, SVMC shall maintain its participation in the Medi-Cal Managed Care program, including continuing contracts with LA Care Health Plan and Health Net Community Solutions, Inc. Just as in the case with SFMC, with Managed Medi-Cal rates that are significantly below market, such a restriction will continue to impose a financial burden upon SVMC as well as hinder its ability to negotiate appropriate payor rates. These contracts have not been renegotiated in more than 5 years in part due to the imposition of the conditions.

C. Seton and Seton Coastside

13. The Recommended Conditions include a requirement that for 6 years Seton continue to offer cancer services at its Daly City Campus. The cancer services at Seton operated at a net loss of $3.8 million in 2018. The loss of the 340B program will increase costs by $3 million, of which $2.6 million is attributable to the loss of infusion therapy services. It is not financially

feasible to operate a cancer program at a continuing loss of nearly $7 million per year for a facility that is currently operating at a loss of $60 million annually.

I declare under penalty of perjury that, to the best of my knowledge and after reasonable inquiry, the foregoing is true and correct.

DECLARATION OF TIRSO DEL JUNCO, JR., M.D.

I, Tirso del Junco, Jr., M.D., declare that if called as a witness, I would and could competently testify thereto, of my own personal knowledge as follows.

1. I am currently the Chief Medical Officer for Verity Health System of California, Inc. ("VHS"). I am licensed and authorized to practice medicine in the State of California. I have been with VHS since its beginning in December 2015. I have also served as VHS's Associate Chief Medical Officer and as St. Vincent Medical Center's Chief Medical Officer. Prior to joining VHS, I held several positions at Mission Community Hospital in Panorama City, including associate chief medical officer.

2. Debtor VHS, a California non-profit public benefit corporation, is the sole corporate member of the five debtor California non-profit public benefit corporations that operated six acute care hospitals (the "Hospitals"), including St. Francis Medical Center ("SFMC"), St. Vincent Medical Center ("SVMC") and Seton Medical Center, which includes its Daly City and Coastside Campuses ("Seton"). Seton operates under one consolidated general acute care hospital license. VHS, the Hospitals and their affiliated entities operated as a non-profit health care system in the State of California.

3. The statements herein are based upon my personal knowledge of the facts and information gathered by me in my capacity the Chief Medical Officer for VHS.

4. I have read the Health Care Impact Statements (the "Reports") prepared by JD Healthcare ("JD") analyzing the proposed sale of SFMC, SVMC and Seton to Strategic Global Management, Inc., and its affiliated entities ("SGM").

5. The report on SFMC, at pages 92-96, the report on SVMC, at pages 87-90, and the report on Seton and Seton Coastside, at pages 88-92, set forth JD's recommended conditions (the "Recommended Conditions") for the transactions to the California Attorney General (the "Attorney General").

6. The Recommended Conditions for SFMC, SVMC and Seton that deviate from Schedule 8.6 attached to the certain Asset Purchase Agreement are "deal breakers" and should not be adopted by the Attorney General.

A. St. Francis Medical Center

7. The Recommended Conditions for SFMC include a requirement that, for at least 10 years from the closing date, SFMC maintain cancer services, including radiation oncology. First, SFMC currently does not have a full complement of cancer services to offer its patients. In fact, SFMC offers *only* radiation oncology, and does not provide infusion chemotherapy and does not have a formal surgical oncology program; SFMC patients who need these services go to other hospitals. All three of those cancer services are currently being provided to patients within the area by Long Beach Memorial, Downy PIH, Torrance Memorial Medical Center and Lakewood Community Hospital. In other words, other hospitals within the area offer a full array of cancer services that SFMC does not offer, and those hospitals can thoroughly meet the needs for such services in the area. SFMC, as a non-profit hospital, receives the benefit of the 340B program. The 340B Drug Discount Program is a U.S. federal government program that requires drug manufacturers to provide outpatient drugs to eligible health care organizations and covered entities at significantly reduced prices. SGM will operate SFMC as a for-profit hospital, and, therefore, the 340B program will no longer be available, thereby increasing the cost of supplies.

8. The Recommended Conditions include a requirement that, for at least 10 years from the closing date, SFMC maintain wound care services. The report fails to note that the wound care clinic was re-licensed as a multi-specialty clinic in 2019 (for gastrointestinal services and general surgery, among other specialties); requiring SFMC to continue to provide wound care in the multi-specialty clinic would prevent SFMC from providing in the same clinic at the same time—multi-specialty services to meet community needs. In addition, the report fails to note that the hyperbaric chamber that was utilized in connection with such wound care services was removed by the vendor in 2018. Other hospitals in the area provide wound care services for patients, including Long Beach Memorial, Torrance Memorial and Downey PIH.

B. St. Vincent Medical Center

9. The Recommended Conditions include a requirement that, for at least 5 years from the closing date, SVMC maintain cancer services, including radiation oncology. As is the case with SFMC, SVMC does *not* have a full complement of cancer services to offer its patients; SVMC does

not provide infusion or infusion chemotherapy, and does not have a formal surgical oncology program. SVMC patients who require those services are required to go to other hospitals. All four of those services are currently being provided at California Hospital, Good Samaritan, White Memorial, Hollywood Presbyterian and the Norris Cancer Center at USC Keck. In other words, other hospitals within the area offer a full array of services that SVMC does not offer, thoroughly meeting the need for such services in the area. As is the case with SFMC, the 340B program, which permits SVMC as a non-profit hospital, to obtain cancer supplies, principally pharmaceuticals, from vendors at discounted pricing, cannot continue at SVMC because SGM will operate SVMC as a for-profit hospital. The inability to utilize the financial advantages of the 340B program will have a material impact, increasing costs to provide cancer care.

10. As to both SFMC and SVMC, there are three facilities designated as National Cancer Institutes within the Los Angeles area, including the Norris Cancer Center at Keck USC Medical Center, City of Hope and UCLA Medical Center. Those facilities provide superior cancer treatment to their patients. All three are within 25 miles of SFMC and SVMC.

11. The Recommended Conditions for SVMC include a requirement that, for 5 years after the closing date, SVMC continue to provide liver transplants. The liver transplant program at SVMC only started in 2019. The reality is that the community has 5 neighboring liver transplant centers, which provide the same transplant services as SVMC. The cost to maintain the services is high, best demonstrated by the fact that in regards to the 10 liver transplants surgeries performed so far in 2019, patients have stayed an average of 35 days, which is 15 days over the geometric mean length of stay ("GMLOS"), which is a benchmark to enable comparison of length of stay versus severity of illness, set forth by Medicare. Worse, at the present time, SVMC is not receiving reimbursements because it is awaiting Medicare review of the program for certification.

C. <u>Seton Medical Center and Seton Coastside</u>

12. The Recommended Conditions requiring Seton to provide cancer services at its Daly City Campus should not be required as a condition for approval of the sale by the Attorney General.

13. More specifically, the Recommended Conditions include a requirement that for 6 years from the closing date, Seton shall maintain cancer services at its Daly City Campus, including

oncology services, radiation therapy and infusion services. Seton provides radiation oncology and infusion therapy, but does not have a formal surgical oncology program. Accordingly, just as is the case with SFMC and SVMC, Seton does not have the full complement of cancer services to offer its patients. Seton patients who need the full array of services, that includes surgical oncology, go to other hospitals. A full array of cancer services are currently being provided to patients within the area, at UCSF and Stanford, and at Mills Peninsula which is located within ten miles of Seton. Just as is the case with SFMC and SVMC, other hospitals within the area offer a full array of cancer services, thoroughly meeting the community's needs for such services. Finally, just as is the case with SFMC and SVMC, the 340B program cannot continue in a for-profit hospital as proposed by SGM for Seton. Accordingly, the cost for Seton to provide cancer care without the 340B program will dramatically increase.

I declare under penalty of perjury under the laws of the United State that the foregoing is true and correct. Executed this 23rd day of August, 2019, in Los Angeles, California.

DECLARATION OF MAYA ALTMAN

I, Maya Altman, declare that I have personal knowledge of the facts set forth in this declaration and I would competently testify to them under oath if called as a witness.

1. I am the CEO for the Health Plan of San Mateo. My office is located at 801 Gateway Blvd., South San Francisco, California.

2. The Health Plan of San Mateo (HPSM) is a County Organized Health System (COHS) that contracts with the State of California to operate the Medi-Cal program in San Mateo County. HPSM is the single Medi-Cal plan in this county. HPSM contracts with providers in San Mateo County as well as nearby counties to provide health services, including long term care and skilled nursing care, for its members. Seton Medical Center and Seton Coastside both currently contract with HPSM. HPSM has approximately 140,000 members; nearly all of them are enrolled in Medi-Cal or dually eligible for both Medicare and Medi-Cal.

3. I have been the CEO of HPSM since 2005. Prior to this position, I was the Director of Finance and Administration for the San Mateo County Health Department. I started with San Mateo County Health in 1994 and worked in various capacities before assuming responsibility for finance and administration.

4. I received a Master's Degree in Public Policy from the University of California at Berkeley, and a Bachelor of Arts degree from Bryn Mawr College.

5. Seton Medical Center and Seton Coastside offer services to HPSM members that are unavailable or minimally available from other providers. For example, Seton Medical Center operates the only subacute unit in San Mateo County, a 44 bed unit fully occupied with nearly all Medi-Cal beneficiaries. Were Seton Medical Center to close, these ventilator dependent patients would have to be moved to facilities at a great distance from their families.

6. Seton Medical Center and Seton Coastside operate a combined total of 155 skilled nursing facility beds. HPSM is gravely concerned about the erosion of SNF resources in San Mateo County and the Bay Area for people who are publicly insured

through Medi-Cal and Medicare. This is a national trend but is especially problematic in San Mateo County where the population is aging faster than the rest of California. The county's population of residents over the age of 65 is projected to increase by 57% from 91,447 in 2015 to 160,366 in 2030. San Mateo County's In Home Support Services (IHSS) Medi-Cal population is already 26% over the age of 85 compared to 15% in the rest of California. San Mateo County has already lost 264 licensed SNF beds since 2009, making it extremely difficult to place Medi-Cal enrollees who need this level of care in nursing facilities.

7. Were Seton Medical Center and Seton Coastside to close, Medi-Cal beneficiaries needing skilled nursing facilities would have to be placed in facilities far away, most likely outside of the Bay Area and at a great distance from their families.

I declare under penalty of perjury under the laws of the United States that the foregoing is true and correct.

Strategic Global Management, Inc. ("SGM") submits its statement in support of the "*Debtor's Emergency Motion For Entry Of An Order: (I) Enforcing The Order Authorizing The Sale To Strategic Global Management, Inc; (II) Finding That The Sale Is Free And Clear Of Conditions Materially Different Than Those Approved By The Court; (III) Finding That The Attorney General Abused His Discretion In Imposing Conditions On That Sale; And (IV) Granting Related Relief*" [Doc. No. 3188] (the "Motion") filed by Verity Health Systems of California, Inc., *et al*. (the "Debtors" or "Verity," and together with SGM, the "APA Parties"), and respectfully represents as follows:

I.

STATEMENT IN SUPPORT OF MOTION

1. After careful review of the additional conditions (the "Additional Conditions") imposed by the California Attorney General (the "Attorney General") on the sale (the "Sale") of St. Vincent Medical Center, St. Vincent Dialysis Center, St. Francis Medical Center, and Seton Medical Center (including its Seton Medical Center Coastside campus) (collectively, the "SGM Hospitals"), SGM has determined that:

- (1) the Additional Conditions are materially different from, and inconsistent with the "bargained for" negotiated conditions (the "Negotiated Conditions") agreed upon by the APA Parties, as set forth in Schedule 8.6 of the asset purchase agreement (the "APA");
- (2) the Additional Conditions are unacceptable to SGM; and
- (3) SGM will not close the Sale unless the Debtors timely obtain an order from the Court finding that the Additional Conditions are "interests in property" that can be sold free and clear pursuant to Section 363(f) of the Bankruptcy Code, as described more fully in Section 8.6 of the APA (the "Free and Clear Order").

2. The AG's decision to impose the Additional Conditions (the "Decision") – despite the AG being previously informed that SGM would not close the Sale if any additional material, or more onerous conditions are imposed to the Negotiated Conditions – now entitles SGM to "terminate the [APA] and receive the return of its Good Faith Deposit" if the Debtors determine not to seek, or cannot timely (*i.e.*, within 60 days of the Decision) an order from this Court

finding "that the Additional Conditions are an 'interest in property' for purposes of 11 U.S.C. § 363(f), and that the assets can be sold free and clear of the Additional Conditions without the imposition of any other conditions, which would adversely affect the Purchaser." *See* (APA § 8.6) ("Attorney General Provisions").

3. As described in the "*Declaration of Peter Baronoff*" filed on September 30, 2019, the contents of which are incorporated herein by this reference, the issue regarding the prospective conditions that might be imposed by the Attorney General (the "AG Conditions Issue") was one of the most negotiated issues, and important subjects to SGM.

4. Specifically, over the course of several months from November 2018 to February 2019, SGM discussed with the Debtors' representatives the possible acquisition of the SGM Hospitals. During these discussions, there were innumerable issues that the APA Parties confronted, discussed, negotiated, and ultimately resolved when a final agreement on the form and terms of the APA was reached.

5. One of the most important, and intensely negotiated, subjects during these discussions involved the AG Conditions Issue. SGM was aware from its previous attempt to acquire another hospital in the Gardens Regional Hospital Chapter 11 case before this court, and from other bankruptcy cases in which it was involved that its acquisition of the SGM Hospitals would undergo an approval process by the Attorney General and recognized the importance of negotiating a provision in the APA that would protect it from the possibility that the Attorney General would impose onerous conditions on the Sale, which would be unacceptably burdensome to it from a financial standpoint or otherwise. As a result, the APA Parties spent an enormous amount of time negotiating the provisions of what became Section 8.6 (and Schedule 8.6 referenced therein) of the APA.

6. Section 8.6 of the APA was designed to create a process by which the APA Parties could address potential problems created by the imposition of Additional Conditions, which were not acceptable to SGM. In essence, the APA Parties agreed that if the Attorney General imposed unacceptable Additional Conditions, SGM would not be obligated to close the Sale unless the Debtors timely obtained a Free and Clear Order from the Court. The "Additional Conditions"

referred to in Section 8.6 of the APA were those conditions which, individually or in the aggregate, imposed on SGM $5 million or more of costs beyond the cost of the conditions which SGM had agreed to accept, as set forth in Schedule 8.6 to the APA.

7. Here, the Additional Conditions are materially different from, and inconsistent with the Negotiated Conditions set forth in Schedule 8.6 to the APA. SGM has advised the Debtors that it will not close the Sale unless the Debtors timely obtain a Free and Clear Order from the Court, and otherwise comply with section 8.6 and all other conditions to closing.

8. SGM reserves any and all arguments and rights that it may have pertaining to the Sale, APA, and ability to terminate the APA (including, but not limited to, termination of the APA if the Free and Clear Order does not timely become "a final, non-appealable order," as defined in the APA).

II.

CONCLUSION

For the foregoing reasons, SGM respectfully requests that the Court grant the Motion, and grant such other and further relief as is just and appropriate.

EMERGENCY MOTION

Pursuant to Rule 9075-1 of the Local Bankruptcy Rules of the United States Bankruptcy Court for the Central District of California (the "LBR"), Rule 6004 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), §§ 105, 362, 363, 525 of title 11 of the United States Code, 11 U.S.C. §§ 101 *et seq*. (the "Bankruptcy Code"),[1] and 28 U.S.C. § 1334(e), Verity Health System Of California, Inc. ("VHS") and the above-referenced affiliated debtors, the debtors and debtors in possession (collectively, the "Debtors") in the above-captioned chapter 11 bankruptcy cases (the "Cases"), hereby move, on an emergency basis (the "Motion"), for the entry of an order: (i) enforcing this Court's previous order [Docket No. 2306] authorizing the sale ("SGM Sale") of the Debtors' assets to Strategic Global Management, Inc. ("SGM"); and (ii) finding that the SGM Sale is free and clear of the conditions imposed by the California Attorney General (the "Attorney General") that are materially different (the "Additional Conditions") than the conditions in the asset purchase agreement (the "SGM APA") [Docket No. 2305-1]; or, alternatively, (iii) finding that the Attorney General abused his discretion imposing the conditions under applicable nonbankruptcy law; and (iv) granting such other and further relief as the Court deems just and proper. The sale order approving the SGM Sale (the "Sale Order"), the conditions issued by the Attorney General (the "2019 Conditions"), the Additional Conditions, in redline format, and the SGM APA, are attached to the annexed Memorandum of Points and Authorities (the "Memorandum") as Exhibits "A," "B," "C," and "D," respectively. Certain correspondence between the Debtors, SGM, and the Attorney General is attached to the Memorandum as Exhibit "E."

The Debtors request that the relief sought be granted on an emergency basis because the Debtors will suffer immediate and irreparable harm without the relief requested in this Motion. Indeed, absent relief, the Debtors' sale to SGM of its four remaining hospitals (collectively, the "Hospitals") will collapse, which would result in the loss of access to critical healthcare in

underserved communities, the loss of thousands of jobs, and the loss of anticipated recoveries to creditors. Simply put, the Additional Conditions would unwind the heroic efforts of constituents who have diligently worked to maintain the Hospitals throughout these cases and spent countless hours and funds working with SGM to close the SGM Sale. Even a delay in the closing will significantly impact these Cases because the Debtors (i) are operating at a loss of approximately $450,000 per day, imposing significant costs upon the estates and upon creditors, (ii) seek to confirm their plan of liquidation by the end of the year, and (iii) are required to meet the milestone under the cash collateral agreement that the Plan go effective in 2019 and have no alternative financing source.

The Additional Conditions threaten the SGM sale. The Additional Conditions trigger SGM's termination rights under the APA unless the Debtors obtain a supplemental order from this Court finding that the Additional Conditions are an "interest in property" for purposes of § 363(f), and that the Hospitals can be sold free and clear of the Additional Conditions without the imposition of any other conditions. *See* Exhibit "D," SGM APA, Section 8.6. SGM has repeatedly informed the Debtors and the Attorney General that the Additional Conditions are "deal killers." *See* Exhibit "E." To illustrate the magnitude of the economic impact of the Additional Conditions, *two* of the Additional Conditions alone would have the economic impact of increasing the effective purchase price by over 50 percent to nearly a billion dollars. The economic impact of compliance with the other Additional Conditions are in the tens of millions of dollars. In essence, the Additional Conditions would render the SGM APA and this Court's Sale Order meaningless. Such result is inconsistent with § 363, this Court's exclusive jurisdiction over property of the Debtors' estates, and fundamental purposes of the Bankruptcy Code.

The SGM APA specifically contemplates the Debtors will challenge promptly any conditions materially different from those to which SGM agreed. *See* Exhibit D, SGM APA §§

8.6, 9.3. Failure to challenge timely the imposition of Additional Conditions may result in termination of the SGM Sale. *Id.* The Debtors and SGM met with representatives of the Attorney General regularly to encourage imposition of conditions consistent with Schedule 8.6. *See* Adcock Dec. and Levy-Biehl Dec. Further, the Debtors negotiated vigorously with additional constituencies (including the Official Committee of Unsecured Creditors, the Pension Benefit Guaranty Corporation, and labor unions) to secure their support of the SGM Sale, which were provided to the Attorney General before the 2019 Conditions were issued. Nevertheless, the Attorney General has imposed conditions on the SGM Sale inconsistent with Schedule 8.6 after taking the maximum amount of time provided by statute to review the transaction and constituent input. *See* Exhibit "B." Given the Attorney General's long delay in reviewing the SGM Sale, the Debtors must challenge the Additional Conditions on an expedited basis to ensure that the SGM Sale closes, the Hospitals stay open to provide essential patient care, thousands of jobs are not lost and assets of the estates are preserved.

The Attorney General will not suffer prejudice if the Court grants this Motion for expedited relief. As noted above, the Attorney General considered the 2019 Conditions for 135 days prior to their issuance on September 25, 2019. During that time, the Debtors and SGM have made abundantly clear that any departure from the conditions in Schedule 8.6 to the SGM APA would threaten the SGM Sale. *See, e.g.,* Exhibit "E." Further, the Attorney General is amply familiar with the issues raised herein, having briefed the same in several bankruptcy cases in this District, including in the Debtors' Cases. *See* Docket No. 463; *In re Gardens Reg'l Hosp. & Med. Ctr., Inc.*, No. 2:16-bk-17463-ER, Doc. No. 752 (Bankr. C.D. Cal. Apr. 24, 2017); *In re Victor Valley Cmty. Hosp.*, No. 8:12-bk-12896-CB, Doc. No. 1804 (Bankr. C.D. Cal. Sept. 27, 2011). Accordingly, the Debtors respectfully request that the Court grant the Motion for an emergency hearing because the proposed expedited hearing will not prejudice the Attorney General and is in the best interests of the Debtors' estates and creditors.

I.

INTRODUCTION

Nearly five months after this Court entered the Sale Order authorizing the Debtors to sell their four remaining general acute care hospitals (the "Hospitals") to SGM, the Attorney General issued the 2019 Conditions that effectively increase the purchase price in the SGM APA by over $300 million. The imposition of the Additional Conditions in the 2019 Conditions would destroy the sale of the Hospitals to the only buyer willing to buy them, SGM, and would result in the loss of access to critical healthcare in underserved communities, the loss of thousands of jobs, and the loss of anticipated recoveries to creditors. The Debtors' estates and their constituents have already borne operating losses of approximately $450,000, per day, waiting for the Attorney General to issue his decision. Moreover, the Debtors, SGM and third parties have expended tremendous efforts to prepare for and close the SGM Sale in reliance on the Sale Order. These tireless efforts have taken a significant amount of time and resources and simply cannot be undone.

The Debtors are mindful that the Hospitals have struggled for decades and that the 2015 conditions imposed by the Attorney General (the "2015 Conditions") locked the Hospitals into financial and operational obligations that made success impossible (the Debtors lost hundreds of millions of dollars since the 2015 Conditions were imposed). Chapter 11 presented the last and only viable option to save the Hospitals. The Attorney General cannot strip the Debtors of the protections afforded by the Bankruptcy Code, which is, in essence, the impact of the 2019 Conditions if they are enforced.

In addition to the fact that the imposition of the Additional Conditions would be devastating to patients, the communities the Hospitals serve, thousands of employees and stakeholders in these cases, the Additional Conditions cannot be upheld because they contravene the Bankruptcy Code, the Court's jurisdiction, and fundamental purposes of the Bankruptcy Code.

Specifically, the Court should enforce the Sale Order and find that that the Debtors are authorized to the sell the Hospitals without imposition of the Additional Conditions because:

- *Section 363(f) authorizes the Court to sell the Debtors' assets free and clear of the Additional Conditions which are an "interest in property*;"

- *The Additional Conditions are an inappropriate attempt to impose successor liability on SGM because the Sale Order authorizes the assets to pass to SGM free and clear of successor liability*;
- *Section 363(d)(1) must be harmonized with § 363(f), which authorizes the Court to sell the assets free and clear of the Additional Conditions*;
- *The Attorney General's broad attempt to exercise control over the Debtors' assets contravenes the Court's exclusive jurisdiction over the Debtors' assets, pursuant to 28 U.S.C. § 1334(e);*
- *Imposition of the Additional Conditions constitutes impermissible discrimination against the Debtors and SGM under § 525(a) because the Additional Conditions are premised on the continuance of the Debtors' obligations; and*
- *The Attorney General is exceeding his authority by attempting to regulate a for profit entity.*

Additionally, and as significantly, under state law, the imposition of the Additional Conditions are a breach of the Attorney General's fiduciary obligations and an abuse of his discretion.

Based upon all of the foregoing, and for the reasons set forth in greater detail below, the Debtors urge the Court to enter an order enforcing the Sale Order and finding that sale was "free and clear" of the Additional Conditions.

II.

JURISDICTION, VENUE, AND STATUTORY PREDICATES

The Bankruptcy Court has jurisdiction to consider this matter pursuant to 28 U.S.C. §§ 157 and 1334. This matter is a core proceeding under 28 U.S.C. §§ 157(b)(2). Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

The Motion seeks, in part, an order of the Court enforcing the terms of its final order approving the SGM Sale [Docket No. 2306]. The statutory predicates for this relief are §§ 363 and 105, and Bankruptcy Rule 6004. This Court "plainly ha[s] jurisdiction to interpret and enforce its own prior orders." *Travelers Indem. Co. v. Bailey*, 557 U.S. 137, 151 (2009); *see also In re Millenium Seacarriers, Inc.*, 419 F.3d 83, 96 (2d Cir. 2005) ("A bankruptcy court retains jurisdiction to interpret and enforce its own orders [.]") (quoting *Luan Inv. S.E., v. Franklin 145 Corp. (In re Petrie Retail, Inc.)*, 304 F.3d 223, 230 (2d Cir.2002)).

(213) 623-9300

The Debtors further request that the Court find that the Attorney General abused his discretion in imposing the 2019 Conditions without an evidentiary basis. The statutory predicates for such a finding are set forth in the California Corporations Code, §§ 5914 *et seq.*, and the California Code of Regulations, title 11, § 999.5. The Debtors have standing to challenge the 2019 Conditions because the Debtors' allegations of lost business opportunity and corresponding economic harm related to the SGM Sale constitute an injury in fact. *See Prime Healthcare Services, Inc. v. Harris*, 216 F. Supp. 3d 1096, (S.D. Cal. 2016) (citing *Wedges/Ledges of Cal., Inc. v. City of Phoenix, Ariz.*, 24 F.3d 56, 60 (9th Cir. 1994)) (finding standing where plaintiff alleged that "the financially unviable conditions [the attorney general] imposed on the [Daughters of Charity Health System] transaction forced it to abandon its $843 million bid to acquire" the hospital); *see also Vill. Of Arlington Heights v. Metro. Hous. Dev. Corp.*, 429 U.S. 252, 261-63 (1977) (concluding that a nonprofit developer had standing to challenge the denial of its petition for rezoning and seek injunctive and declaratory relief, despite the fact that its land-purchase contract was contingent upon securing rezoning).

III.

FACTUAL BACKGROUND

A. General Background

1. On August 31, 2018 (the "Petition Date"), the Debtors each filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. Since the commencement of their Cases, the Debtors have been operating their businesses as debtors in possession pursuant to §§ 1107 and 1108.

2. Debtor VHS, a California nonprofit public benefit corporation, is the sole corporate member of five Debtor California nonprofit public benefit corporations that operated O'Connor Hospital ("OCH") and Saint Louise Regional Hospital ("SLRH"), and currently operates St. Francis Medical Center ("SFMC"), St. Vincent Medical Center ("SVMC"), and Seton Medical Center, including Seton Medical Center Coastside Campus (collectively, "Seton" and, together with OCH, SLRH, SFMC, and SVMC, the "Verity Hospitals").

(213) 623-9300

3. As of the Petition Date, VHS, the Verity Hospitals, and their affiliated entities (collectively, "Verity Health System") operated as a nonprofit health care system, with approximately 1,680 inpatient beds, six active emergency rooms, a trauma center, eleven medical office buildings, and a host of medical specialties, including tertiary and quaternary care. *See* First-Day Decl., at 4, ¶ 12. The scope of the services provided by the Verity Health System is exemplified by the fact that in 2017, the Verity Hospitals provided medical services to over 50,000 inpatients and approximately 480,000 outpatients. *Id*., at 4, ¶ 12.

4. Additional background facts on the Debtors, including an overview of the Debtors' business, information on the Debtors' capital structure and additional events leading up to these chapter 11 Cases, are set forth in the First-Day Declaration.

5. On September 14, 2018, the Office of the United States Trustee appointed the Committee [Docket No. 197].

B. The Daughters of Charity and the 2015 Conditions

6. The Verity Hospitals were originally owned and operated by the Daughters of Charity of St. Vincent de Paul, Province of the West (the "Daughters of Charity"), to support the mission of the Catholic Church through a commitment to the sick and poor. The Daughters of Charity began their healthcare mission in California in 1858 with the opening of Los Angeles Infirmary, now known as SVMC. The Daughters of Charity expanded its hospitals to San Jose in 1889 and San Francisco in 1893. The Daughters of Charity ministered to ill, poverty-stricken individuals for more than 150 years.

7. In June 2001, the Daughters of Charity Health System ("DCHS") was formed. In 2002, DCHS commenced operations and was the sole corporate member of the Verity Hospitals, which at that time were California nonprofit religious corporations.

8. Between 1995 and 2015, the Verity Hospitals incurred substantial operating losses. During that time period, Daughters of Charity and DCHS attempted to find a solution which would resolve the operating losses, either through a sale of some or all of the Verity Hospitals, or a merger with a more financially sound partner. In 2013, DCHS unsuccessfully solicited purchase offers for OCH, SLRH, and Seton.

9. Throughout 2014, DCHS explored offers to sell the system and, in October of 2014, entered into an agreement with Prime Healthcare Services and Prime Healthcare Foundation (collectively, "Prime") to sell the health system. A condition of such sale was approval by the Attorney General.

10. In early 2015, the Attorney General consented to the sale to Prime, but subject to certain conditions, which, in Prime's view, were so onerous that it could not proceed with the transaction. Accordingly, Prime terminated the transaction. The history of this failed transaction and the process for Attorney General review is more fully set forth in *Prime Healthcare Services, Inc., et al. v. Harris*, 216 F. Supp. 3d 1096, 1101-06 (S.D. Cal. 2016).

11. In 2015, DCHS again marketed the health system for sale, and, again, focused on offers that maintained the system as a whole, including the assumption of all existing obligations. In July 2015, the DCHS Board of Directors selected BlueMountain Capital Management LLC ("BlueMountain"), a private investment firm, to recapitalize its operations and transition leadership of the health system to the new Verity Health System (the "BlueMountain Transaction").

12. In connection with the BlueMountain Transaction, the DCHS and its sole member, Daughters of Charity Ministry Services Corporation, certain funds managed by BlueMountain and Integrity Healthcare, LLC (a management company was formed to manage VHS for BlueMountain under a new management agreement) entered into a System Restructuring and Support Agreement (the "Restructuring Agreement"). Under the Restructuring Agreement, VHS and the Verity Hospitals were converted from religious corporations to public benefit corporations. BlueMountain agreed to make a capital infusion of $100 million, arrange loans for another $160 million to the system, and manage operations, with an option to buy the health system at a future time. DCHS' name was changed to Verity Health System.

13. On December 3, 2015, the Attorney General approved the BlueMountain Transaction, subject to the 2015 Conditions. The 2015 Conditions were imposed for periods ranging from 5 to 15 years. Generally, the terms of the 2015 Conditions included (i) transfers of control, (ii) maintenance of health services, (iii) required participation in Medicare and Medi-Cal programs, (iv) community benefit programs, (v) charity care levels, (vi) county contracts, (vii) local

governing boards, (viii) medical staff compliance, (ix) assumption of hundreds of millions of dollars of pension obligations, and (x) annual attestation of compliance.

14. In the 2015 Conditions, VHS was expressly required to make capital expenditures of at least $180 million over 5 years, and to meet accelerated time lines for making the Verity Hospitals seismic compliant. Each hospital had specific requirements as to services that had to be maintained or even expanded. For example, SVMC was required to maintain an emergency room with eight stations, including six fast track stations, 19 acute rehab beds, and 30 ICU beds, among other things. It was also required to provide $400,000 of charity care annually and provide community benefit programs of at least $1 million annually. SVMC was required to maintain Medi-Cal contracts with LA Care Health Plan and various commercial plan contracts. All of the Verity Hospitals had similar obligations imposed.

15. Despite BlueMountain's infusion of cash and retention of various consultants and experts to assist in improving cash flow and operations, the health system continued to incur losses. It soon became apparent that the problems facing the Verity Health System were too large to solve without a formal court supervised restructuring.

C. The Bankruptcy Cases

16. The Debtors commenced these Cases to protect the original legacy of the Daughters of Charity to the maximum extent possible by retiring debt incurred over the past 18 years and selling the hospital facilities to enable the continued operation of the Verity Hospitals under new ownership and leadership free from the historical losses and operational uncertainties. The Debtors' strategy contemplated a Court-supervised sale of some or all of the Verity Hospitals, and related facilities, and a comprehensive resolution of the Debtors' financial obligations through a court approved plan of reorganization.

17. In June 2018, the Debtors engaged Cain Brothers, a division of KeyBanc Capital Markets ("Cain"), to identify potential buyers of some or all of the Verity Hospitals and related assets and commenced discussions with those potential buyers. Cain prepared a Confidential Investment Memorandum, organized an online data site to share information with potential buyers and contacted over 181 strategic and financial buyers beginning in July 2018 to solicit their interest

(213) 623-9300

in exploring a transaction regarding the Verity Hospitals. As a result of its broad marketing process, Cain received sixteen indications of interest, or other proposals, and continued to develop potential sales of some or all of the Verity Hospitals.

18. At the commencement of the cases, the Debtors obtained court approval for a debtor in possession financing facility with up to $185 million of availability from Ally Bank subject to a borrowing base (the "DIP Facility"). The DIP Facility was secured by substantially all of the Debtors' assets and also provides for super priority administrative priority status for all obligations under the facility. The DIP financing enabled Debtors to operate the Verity Hospitals while they continued their efforts to find a purchaser for their assets and to reach agreements with key constituents. As discussed below, the Debtors have repaid their DIP financing obligations and are funding operations through the consensual use of cash collateral.

D. The SCC Sale

19. On December 27, 2018, the Bankruptcy Court entered the *Order (A) Authorizing the Sale of Certain of the Debtors' Assets to Santa Clara County Free and Clear of Liens, Claims, Encumbrances, and Other Interests; (B) Approving the Assumption and Assignment of an Unexpired Lease Related Thereto; and (C) Granting Related Relief* [Docket No. 1153], approving a sale of OCH, SLRH, and related assets, to Santa Clara County (the "SCC Sale").

20. The SCC Sale closed on February 28, 2019. After payment of certain cure costs, closing costs and other items, the net remaining proceeds were approximately $184.38 million, which are held in four sale proceeds account. An additional $23.35 million is held in escrow (the "Post-Closing Escrow") by First American Title Insurance Company, the escrow agent. The Post-Closing Escrow was established pursuant to the terms of the SCC APA, as security for the Debtors' post-closing obligations and expires in February 2020.

21. The Attorney General vigorously opposed the SCC Sale, insisting that either the 2015 Conditions applied to SCC or that the SCC Sale was subject to his review. This Court rejected both arguments, and overruled his objections. *See* Docket Nos. 1146, 1153. The Attorney General appealed, but voluntarily dismissed the appeal after the Debtors filed a motion to dismiss

as moot pursuant to § 363(m). *See* Case No. 2:19-cv-00133-DMG, Docket No. 40, 41 (C.D. Cal. Feb. 1, 2019).

E. The SGM Sale

22. On January 17, 2019, the Debtors filed the Debtors' *Notice Of Motion And Motion for the Entry of (I) an Order (1) Approving Form of Asset Purchase Agreement for Stalking Horse Bidder and For Prospective Overbidders to Use, (2) Approving Auction Sale Format, Bidding Procedures and Stalking Horse Bid Protections, (3) Approving Form of Notice to be Provided to Interested Parties, (4) Scheduling a Court Hearing to Consider Approval of the Sale to the Highest Bidder and (5) Approving Procedures Related to the Assumption of Certain Executory Contracts and Unexpired Leases; and (II) an Order (A) Authorizing the Sale of Property Free and Clear of All Claims, Liens and Encumbrances* (the "Sale and Bidding Procedures Motion") [Docket No. 1279].

23. On February 19, 2019, the Court held a hearing on the Sale and Bidding Procedures Motion and thereafter entered an order approving the Sale and Bidding Procedures Motion (the "Bidding Procedures Order") [Docket No. 1572]. SGM served as the Stalking Horse Bidder under the terms of the Bidding Procedures Order. The Bidding Procedures Order also approved the SGM APA as modified therein.

24. There were two "Qualified Bidders" (as defined in the Bidding Procedures Order) for partial bids for different Hospitals (one for SVMC and one for SFMC) and no Qualified Full Bid. After consultation with the Consultation Parties as defined in the Bidding Procedures Order, the Debtors determined to not conduct either a Partial Bid of Full Bid auction, as set forth in the *Notice That No Auction Shall Be Held Re Debtors' Motion and Motion for the Entry of (I) An Order (1) Approving Form of Asset Purchase Agreement for Stalking Horse Bidder and for Prospective Overbidders; (2) Approving Auction Sale Format, Bidding Procedures and Stalking Horse Bid Protections; (3) Approving Form of Notice to Be Provided to Interested Parties; (4) Scheduling a Court Hearing to Consider Approval of the Sale to the Highest Bidder; and (5) Approving Procedures Related to the Assumption of Certain Executory Contracts and Unexpired Leases; and (II) an Order (A) Authorizing the Sale of Property Free and Clear of All Claims, Liens*

and Encumbrances [Docket No. 2053] (the "No-Auction Notice") filed by the Debtors on April 4, 2019.

25. Accordingly, under the terms of the SGM APA and the Bidding Procedures Order, no auction was held and the Debtors declared SGM as the "winning bidder" of the Hospitals. No-Auction Notice at 2.

26. On May 2, 2019, the Bankruptcy Court entered the *Order (A) Authorizing The Sale Of Certain Of The Debtors' Assets To Strategic Global Management, Inc. free And Clear Of Liens, Claims, Encumbrances, And Other Interests; (B) Approving The Assumption And Assignment Of An Unexpired Lease Related Thereto; And (C) Granting Related Relief* [Docket No. 2306] (the "Sale Order"), approving the SGM Sale. The closing of the SGM Sale is subject to review by the Attorney General and satisfaction of certain other closing conditions. The Debtors expect the SGM Sale to close in the fourth quarter of 2019.

27. SGM has agreed to continue to operate the Hospitals and abide by the vast majority of the 2015 Conditions, as set forth in Schedule 8.6 to the SGM APA.

28. Section 8.6 of the SGM APA is titled: "Attorney General Provisions." It provides the following:

> Purchaser recognizes that the transactions contemplated by this Agreement may be subject to review and approval of the CA AG. Purchaser agrees to close the transactions contemplated by this Agreement so long as any conditions imposed by the CA AG are substantially consistent with the conditions set forth, as Purchaser Approved Conditions, in Schedule 8.6. In the event the CA AG imposes conditions on the transactions contemplated by this Agreement, or on Purchaser in connection therewith, which are materially different than the Purchaser Approved Conditions set forth on Schedule 8.6 (the "Additional Conditions"), Sellers shall have the opportunity to file a motion with the Bankruptcy Court seeking the entry of an order ("Supplemental Sale Order") finding that the Additional Conditions are an "interest in property" for purposes of 11 U.S.C. § 363(f), and that the Assets can be sold free and clear of the Additional Conditions without the imposition of any other conditions, which would adversely affect the Purchaser. For purposes of this Section 8.6, Additional Conditions which individually or collectively impose a direct or indirect cost to Purchaser of $5 million, or more, shall be conclusively deemed to be "materially different." If Sellers determine not to seek such

Supplemental Sale Order, or fail to obtain such Supplemental Sale Order within 60 days of the Attorney General's imposition of Additional Conditions, Purchaser shall be entitled to terminate this Agreement and receive the return of its Good Faith Deposit. If Sellers timely obtain such Supplemental Sale Order from the Bankruptcy Court or another court, Purchaser shall have a period of 21 business days from the entry of such order (the "Evaluation Period") to determine, in the exercise of the Purchaser's reasonable business judgment and in consultation with Purchaser's financing sources, whether to proceed to consummate the transactions contemplated by this Agreement; provided, however, (i) Purchaser shall not terminate or provide notice of termination of the Stalking Horse APA based on the Seller's failure to satisfy the condition set forth under this Section 8.6 until the expiration of the Evaluation Period as may be extended herein, and (ii) the Evaluation Period may be extended by the Debtors, in consultation with the Consultation Parties, by up to 90 days for any appeal properly perfected with respect to the Supplemental Sale Order (the "Extended Evaluation Periods"). For the avoidance of doubt, if the Debtors or any of the Consultation Parties dispute the reasonableness of the exercise of the Purchaser's business judgment, such dispute shall be determined by the Bankruptcy Court only in the context of an adversary proceeding. If, at the conclusion of the Extended Evaluation Periods, such Supplemental Sale Order has not become a final, non-appealable order and Purchaser determines not to proceed, Purchaser shall have the right within ten (10) business days after the conclusion of the Extended Evaluation Periods to terminate this Agreement and receive the return of its Good Faith Deposit. Sellers shall provide Purchaser with prompt written notice of the conclusion of the Extended Evaluation Periods and whether the Supplemental Sale Order has become a final, non-appealable order. For purposes of this Section 8.6, "a final, non-appealable order" shall include a Supplemental Sale Order (i) which has been affirmed or the appeal of which has been dismissed by any appellate court and for which the relevant appeal period has expired (other than any right of appeal to the U.S. Supreme Court), or (ii) which has been withdrawn by the appellant. If the Supplemental Sale Order becomes a final, non-appealable order prior to the expiration of the Evaluation Period or, if applicable, the Extended Evaluation Periods, Purchaser shall consummate the Sale provided that all other conditions to closing have been satisfied. During any Evaluation Period or Extended Evaluation Periods, Purchaser shall reasonably cooperate in any efforts to render the Supplemental Sale Order a final, non-appealable order, including timely taking reasonable steps in preparation for closing of the transactions described in this Agreement; provided, however, Purchaser shall not be obligated to expend more than $500,000. For the avoidance of doubt, neither this provision, nor any of the rights granted to the Purchaser herein, shall constitute a waiver

of any party in interest's right to argue that any appeal from the Sale Order should be dismissed on statutory, Constitutional or equitable mootness grounds."

F. The Debtors and SGM Have Expended Substantial Time and Resources to Close the SGM Sale

29. As discussed above, SGM and third parties have expended tremendous efforts to prepare for and close the SGM Sale in reliance on the Sale Order. These tireless efforts have taken a significant amount of time and resources and simply cannot be undone. By way of example: (i) the Debtors sent "WARN notices" to approximately 4,900 employees, pursuant to the federal Worker Adjustment and Retraining Notification Act of 1988; (ii) thousands of counterparties to executory contracts and unexpired leases, including physicians, have relied on the Sale Order and continued to provide services in reliance on the finality of that Sale Order; (iii) the Debtors and SGM have spent months facilitating an efficient close of the sale, with approximately 20 different workstreams, meeting at least weekly to ensure a smooth transition of operations; (iv) government agency personnel, including the California Department of Public Health and the Board of Pharmacy, have been diligently processing SGM's change of ownership applications for licenses and permits in reliance on the finality of the Sale Order; (v) the Debtors, SGM, and each of the Debtors' six unions spent months successfully negotiating and finalizing modified collective bargaining agreements; (vi) the medical groups affiliated with the Debtors have sent termination notices to their remaining physicians; (vii) the Debtors and SGM have coordinated changes in insurance coverages and insurance policies to ensure seamless coverage for employees and patients, and (viii) the Debtors have created plans to shut off certain services after the close of the SGM Sale. *See* Adcock Decl. ¶ 7.

G. The Debtors' Cash Collateral Agreement

30. On September 6, 2019, the Court entered the *Final Order (A) Authorizing Continued Use of Cash Collateral, (B) Granting Adequate Protection, (C) Modifying Automatic Stay, and (D) Granting Related Relief* [Docket No. 3022] (the "Supplemental Cash Collateral Order") granting the Debtors motion for use of cash collateral [Docket No. 2962, 2968] (the "Supplemental Cash Collateral Motion"). The Supplemental Cash Collateral Order authorized the Debtors' consensual

LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

use of cash collateral pursuant to an agreement with certain of its secured lenders (the "Cash Collateral Agreement"). Pursuant to the Cash Collateral Agreement, the Debtors are obligated to meet certain milestones, including plan confirmation by December 15, 2019 and a plan effective date on or before December 31, 2019. *See* Supp. Cash Collateral Mot. at 24. Further, termination of the SGM APA would result in an event of default under the Cash Collateral Agreement. *See id.* In each case, the success of the SGM Sale bears directly on the Debtors' ability to fund operations and timely meet its plan confirmation milestones.

H. The Debtors' Plan and Confirmation Timeline

31. On September 3, 2019, the Debtors filed the *Debtors' Chapter 11 Plan of Liquidation (Dated September 3, 2019* [Docket No. 2993] (the "Plan") and their related disclosure statement [Docket No. 2994] (the "Disclosure Statement"). As more fully described in the Disclosure Statement and below, the Debtors' Plan provides for deemed consolidation of the Debtors for purposes of implementation of the Plan and the distribution of the proceeds of the two sale transactions in accordance with the Bankruptcy Code's distribution and classification provisions. Such treatment is supported by the facts of these cases and applicable law.

I. The Attorney General Review Process

32. For years, the Debtors engaged in dialogue with the Attorney General about the Debtors' financial challenges and the future of the Hospitals, including, for example, a July 2018 meeting in anticipation of the Debtors' bankruptcy filings conducted by the Debtors' representatives and Deputy Attorney General Wendi Horwitz. *See* Levy-Biehl Decl. ¶ 3.

33. On February 15, 2019, the Debtors' representatives met with Attorney General Xavier Becerra and Melanie Fontes Rainer, Special Assistant Attorney General, in Sacramento to discuss the pending SCC Sale and the forthcoming auction and sale of the Hospitals. *See* Levy-Biehl Decl. ¶ 5.

34. Beginning in early April 2019, the Debtors' special healthcare regulatory counsel, Nelson Hardiman LLP, engaged with Deputy Attorney General Scott Chan in anticipation of submitting a notice and requesting approval of the SGM Sale. These discussions and exchanges were regular and ongoing, and addressed, among other things, the substantive and procedural

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

requirements for the submission and review as well as the review timeline. At all times, the Debtors consistently requested an expedited review of the submission in light of their significant operating losses and cash flow challenges. *See* Levy-Biehl Decl. ¶ 7.

35. By letter dated May 7, 2019, the Debtors provided notice to, and requested written consent from, the Attorney General for the proposed SGM Sale pursuant to California Corporations Code § 5914 and title 11 of the California Code of Regulations, § 999.5. *See* Levy-Biehl Decl. ¶¶ 7, 8. On May 13, 2019, the Debtors supplemented their submission to the Attorney General, by including the filing made to the Federal Trade Commission pursuant to the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended. *See* Levy-Biehl Decl. ¶ 9.

36. As outlined in the submission to the Attorney General—and discussed a number of times in writing, in person, and by email with various representatives of the Attorney General—the SGM Sale is critical. *Id.* at 8. The Debtors explained to the Attorney General that the SGM Sale is the only option to ensure that the Hospitals will survive their current financial challenges and be preserved as providers of essential health care services to their communities. *Id.*; *see also Notice of Submission of Debtors' Response to the Health Care Impact Statements and Conditions Proposed by JD Healthcare, Inc.* [Docket No. 2946].

37. The Debtors also explained to the Attorney General that (i) the 2015 Conditions accelerated the demise of the Verity Hospitals to the point that that only a Court supervised restructuring could save them, and (ii) conditions materially different than those in Schedule 8.6 would ensure closure of the Hospitals. *See* Adcock Decl. ¶ 15; *see also Notice of Submission of Debtors' Response to the Health Care Impact Statements and Conditions Proposed by JD Healthcare, Inc.* [Docket No. 2946].

38. Throughout the process, the Debtors' representatives engaged in ongoing discussions with the Attorney General's office, and requested, among other things, an in-person meeting to review the submission, the transaction, and the expedited processing of the submission. *See* Levy-Biehl Decl. ¶ 10. The Attorney General denied these requests. *Id.*

39. The Attorney General's expert, JD Healthcare, conducted interviews with the Debtors' corporate and hospital personnel and other stakeholders in July 2019. *See* Levy-Biehl

Decl. ¶ 11. On August 16, 2019, following these interviews and public hearings, JD Healthcare released its Health Care Impact Statements on the proposed sale of SFMC and SVMC. *Id.* On August 19, 2019, JD Healthcare released its Health Care Impact Statement for Seton. *Id.* The Health Care Impact Statements set forth the expert's proposed conditions on the SGM Sale.

40. On August 16, 2019, the Attorney General requested that the Debtors and SGM submit responses to the proposed conditions detailing the conditions that were "deal breakers" to the SGM Sale. On August 21, 2019, SGM submitted its response to the Health Care Impact Statements. On August 23, 2019, the Debtors submitted their response. *See* correspondence attached hereto as Exhibit "E."

41. During the week of August 26, 2019, Deputy Attorney General Scott Chan held public hearings at each of the Hospitals to solicit comments regarding the SGM Sale. *See* Adcock Decl. ¶ 12. At each public meeting, representatives of SGM and the Debtors made public statements detailing the economic impact of the conditions proposed by JD Healthcare and the economic situation confronting each Hospital; urging the Attorney General to consider economic factors when issuing his conditions; and reiterating that any conditions exceeding those in Schedule 8.6 of the SGM APA could result in the termination of the SGM Sale and the closure of the Hospitals. *Id.*; *see also* Levy-Biehl Decl. ¶ 13.

42. On September 6, 2019, the Attorney General's office met with SGM representatives to discuss the proposed SGM Sale and the proposed conditions. *See* Levy-Biehl Decl. ¶ 14. On September 19, 2019, the Attorney General's office met with representatives of SGM and the Debtors for the same purpose. *Id.* On September 23, 2019, the Attorney General conducted another telephonic meeting with SGM and the Debtors. During each meeting, SGM consistently informed the Attorney General's office that SGM would not proceed with the transaction if the Attorney General imposed conditions beyond those SGM agreed to accept in Schedule 8.6. *Id.*

J. The 2019 Attorney General Conditions

43. On September 25, 2019, the Attorney General conditionally consented to the SGM Sale. The Attorney General's conditional consent is subject to the 2019 Conditions. *See* Exhibit "B." The 2019 Conditions include numerous Additional Conditions that are materially different

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

than those SGM contractually agreed to in Schedule 8.6. *See* Exhibit "C," which is a redline reflecting the deletion of the conditions in the 2019 Conditions that are materially different than the conditions in Schedule 8.6; *see also* Baronoff, Decl. ¶ 7.

44. The 2019 Conditions require, among other things, that SGM continue to operate the Hospitals and maintain various services, clinics and contractual arrangements for a period of time greater than the period of time that Debtors would have been obligated under the 2015 Conditions if the Debtors had the ability to continue to operate the Hospitals. *See* Adcock, Decl. ¶ 9. The 2019 Conditions are also materially different than those to which SGM agreed in Schedule 8.6 because the Additional Conditions impose, among other things, greater requirements for charity care expenditures, community benefit expenditures, capital expenditures, and do not account for the substantial shift in charity care needs following the implementation of the Affordable Care Act. *Id.*; see also Exhibit "C."

45. Importantly, SGM only agreed to close the SGM Sale if the conditions imposed by the Attorney General's office were not "materially different" than the conditions SGM agreed to in Section 8.6. *See* APA, Section 8.6, at 32, 33, Docket No. 2305-1; see also *See* Baronoff, Decl. ¶ 5. Additionally, SGM has repeatedly told the Debtors that multiple lenders have informed SGM that they would not agree to finance the SGM Sale if the conditions were not consistent with Schedule 8.6, which makes the SGM Sale nearly impossible to close. *See* Adcock, Decl. ¶ 16.

46. To avoid the impact of the Additional Conditions on the SGM Sale, the Debtors must seek an order enforcing the Sale Order, finding that the SGM Sale is free and clear of the 2019 Conditions, and limiting the SGM Sale to only those conditions to which SGM contractually agreed to assumed in Schedule 8.6 of the SGM APA.

K. The Economic Impact of the Additional Conditions

47. The Additional Conditions have a significant impact on the economic viability of the Hospitals and effectively increase, by more than 50%, the purchase price in the SGM APA. By way of example only, the 2019 Conditions would require SVMC to remain operated and maintained as a licensed general acute care hospital (as defined in California Health and Safety Code Section 1250) through December 2024, whereas Schedule 8.6 provides that SVMC will do so

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

through December 2020. The reported Financial Statements of SVMC reflect that, in fiscal year 2019 (ended June 30, 2019), SVMC lost approximately $65 million which was an 18% and 103% increase over the fiscal years 2018 and 2017, respectively. *See* Chadwick Decl., at ¶ 6. Assuming operating losses at SVMC can be maintained at fiscal 2019 levels (a highly optimistic assumption), SGM would likely incur additional estimated losses totaling $260 million through December 2024 because of the Additional Conditions. *Id.* Moreover, the $260 million loss would likely need to be financed. *Id.* Using an average interest rate of 5% for four years of debt service would result in estimated incremental financing charges totaling approximately $25 million. *Id.* Accordingly, this 2019 Condition alone would place a potential burden on the buyer of at least $285 million beyond that contemplated in Section 8.6.

48. The Charity Care requirement presents another example of the significant economic impact of the 2019 Conditions when compared with Schedule 8.6. The 2019 Conditions require that SGM to provide an annual amount of Charity Care at St. Francis equal to or greater than $12,793,435 for a period of six fiscal years, which is at least $4,793,435, per year more than SGM has agreed to provide, pursuant to Section 8.6 for a period of seven years.[2] *See* Chadwick Decl. ¶ 7; *see also* 2019 Conditions, Exhibit "B." After adjusting for the one-year shorter required duration of this 2019 Condition, the estimated incremental cost to the buyer would be nearly $20 million in total over the six years. *See* Chadwick Decl. ¶ 7. The 2019 Conditions provide for additional increases in Charity Care amounts for St. Vincent and Seton, as well as increases across all four Hospitals in Community Benefit Service amounts. *Id.*

49. In summary, the total financial impact of just the these two examples of 2019 Conditions would require SGM to incur additional losses of approximately $305 million beyond those contemplated by Schedule 8.6. *See* Chadwick Decl. ¶¶ 8, 9. When compared to the SGM APA purchase price of $610 million, these represent a 50% increase in the price for the sale of

[2] The Charity Care Condition imposed by the Attorney General is also $6.4 million dollars *more* than SFMC provided in Fiscal Year 2019. Thus, the Attorney General is actually requiring an increase in charity care being provided by SFMC.

DENTONS US LLP

(213) 623-9300

these distressed assets. *Id.* The magnitude of these losses calls into question the viability of the acquisition.

50. The imposition of the Additional Conditions would result in the termination of the SGM Sale, unless the Debtors obtain the supplemental order required in Section 8.6 of the APA. *See* Baronoff, Decl. ¶ 7. If the SGM Sale does not close, the most likely outcome is that at least three of the Hospitals will have to close. *See* Adcock, Decl. ¶ 9. Altogether, between July 1, 2018 and June 30, 2019, the Hospitals had more than 34,000 inpatient admissions and 312,000 outpatient visits. *Id.* If the Hospitals are closed, all of those patients would be forced to find alternative providers for treatment, perhaps at greater distances than they are now required to travel for treatment at the Hospitals. For example, Seton Coastside is the only emergency room facility on the Pacific Coast between Daly City and Santa Cruz. *Id.* Additionally, Seton Coastside has 116 skilled nursing facility ("SNF") beds and, if Seton Coastside were closed, those residents would be forced to be relocated significant distances to find alternative facilities. *Id.* The risk of negative outcomes for emergency room patients increases as the distance, and therefore the time, required to obtain treatment, increases. In addition to the difficulty in finding alternative facilities for the SNF patients, the impact of transfer trauma on this population could be significant. *Id.*

IV.

ARGUMENT

A. THE SALE ORDER EFFECTUATED A SALE OF THE DEBTORS' ASSETS FREE AND CLEAR OF THE ADDITIONAL CONDITIONS

1. Section 363 Authorizes the Court to Sell the Debtors' Assets Free and Clear of Interests

The Court authorized the Debtors to sell assets to SGM pursuant to §§ 363(b) and (f). Section 363(b)(1) provides that the Debtors "may use, sell, or lease, other than in the ordinary course of business, property of the estate." 11 U.S.C. § 363(b)(1). The Bankruptcy Code provides that a sale pursuant to § 363(b)(1) must satisfy one of five alternative tests to be "free and clear of any interest in such property of an entity other than the estate":

> (1) applicable nonbankruptcy law permits sale of such property free and clear of such interest;
> (2) such entity consents;

DENTONS US LLP
601 South Figueroa Street, Suite 2500
Los Angeles, California 90017-5704
(213) 623-9300

> (3) such interest is a lien and the price at which such property is to be sold is greater than the aggregate value of all liens on such property;
> (4) such interest is in bona fide dispute; or
> (5) such entity could be compelled, in a legal or equitable proceeding, to accept a money satisfaction of such interest.

11 U.S.C. § 363(f).

Here, the Sale Order expressly provides that the SGM Sale was approved "free and clear of all liens, claims, interests, rights of setoff, recoupment, netting and deductions, rights of first offer, first refusal and any other similar contractual property, legal or equitable rights and any successor or successor-in-interest liability theories" pursuant to §§ 363(b) and (f). *See* Sale Order, ¶ G at 7. On this basis, and as set forth more fully below, the Sale Order effectuated the SGM Sale free and clear of the Additional Conditions.

2. <u>The Additional Conditions Constitute an Interest in Property Subject to the "Free and Clear" Language in Section 363</u>

a. Case Law Makes Clear That The Debtors Can Sell Their Hospitals Free And Clear Of "Interest In Property."

The Bankruptcy Code does not define "interest in property" as that term is used in § 363(f). *See, e.g.*, *Precision Indus., Inc. v. Qualitech Steel SBQ, LLC*, 327 F.3d 537, 545 (7th Cir. 2003) ("The Bankruptcy Code does not define 'any interest,' and in the course of applying section 363(f) to a wide variety of rights and obligations related to estate property, courts have been unable to formulate a precise definition."). The majority of courts interpret the phrase "interest in property" broadly to include both *in rem* interests in property as well as "other obligations that may flow from ownership of the property." *Folger Adam Sec., Inc. v. DeMatteis v. MacGregor JV*, 209 F.3d 252, 258 (3d Cir. 2000); *see also In re Leckie Smokeless Coal Co.*, 99 F.3d 573, 582 (4th Cir. 1996) ("Congress did not expressly indicate that . . . it intended to limit the scope of section 363(f) to *in rem* interests, strictly defined, and we decline to adopt such a restricted reading of the statute here.").

The majority of courts have coalesced around a single approach: interests in property are obligations connected to or arising from the property being sold. *See, e.g.*, *In re Trans World Airlines, Inc.*, 322 F.3d 283, 290 (3d Cir. 2003) (finding that "interests in property [are] within the

The Fourth Circuit decision in *Leckie Smokeless Coal Co.* is instructive. In *Leckie*, the debtors—coal mine operators—were obligated to contribute to retiree benefit plans pursuant to the

Coal Industry Retiree Health Benefit Act of 1992, 26 U.S.C. §§ 9701-9722 (the "Coal Act"). *See Leckie Smokeless Coal Co.*, 99 F.3d at 575-76. Under the Coal Act, the successor to an operator was jointly and severally liable with the operator for payment of premiums. *See id.* at 576-77. Following the debtors' bankruptcy filing, the benefit plans opposed a proposed asset sale free and clear of successor liability for Coal Act premium payment obligations. *See id.* at 577. The bankruptcy court approved the sale free and clear, and, on appeal, the Fourth Circuit affirmed, concluding that the right to collect future premiums constituted interests in the assets transferred by the sale. *See id.* at 582. The Fourth Circuit explained that the benefit plans' right to collect premiums under the Coal Act

> are grounded, at least in part, in the fact that those very assets have been employed for coal-mining purposes: if Appellees had never elected to put their assets to use in the coal-mining industry, and had taken up business in an altogether different area, the Plan and Fund would have no right to seek premium payments from them. Because there is therefore a relationship between (1) the Fund's and Plan's rights to demand premium payments from Appellees and (2) the use to which Appellees put their assets, we find that the Fund and Plan have interests in those assets within the meaning of section 363(f).

Id. The relationship drawn by the Fourth Circuit between the prepetition obligation and the purchaser's use of assets for the same purposes as the debtor is cited repeatedly in cases finding that regulatory obligations are interests subject to § 363(f).

Similarly, a debtor's experience rating—the historic metric by which state regulators determine tax or insurance rates—may not be imputed to a purchaser of the debtor's assets. *See, e.g.*, *In re Old Carco, LLC*, 538 B.R. 674 (Bankr. S.D.N.Y. 2015).[4] In *Old Carco, LLC*, the purchaser of substantially all of the debtor's assets sought an order finding that the sale order prohibited Indiana and Illinois from using the debtor's experience rating to calculate the

purchaser's unemployment insurance tax rate. *See* 538 B.R. at 677. The state statutes in issue authorized regulators to compute tax rates "based, in part, on the employer's historical claims paying experience, generally reaching back three years." *Id.* at 679. Thus, the purchaser's tax rate was subject to increase based on the amount of benefits paid to workers discharged during the debtor's operations. *See id.* at 679-80. The bankruptcy court concluded that the experience rating constituted an interest in the assets sold because

> [t]he States' rights to use Old Chrysler's Experience Rating arises from New Chrysler's acquisition of its assets and the continuation of its business. Had New Chrysler started the same business from scratch with new assets, the States could not use Old Chrysler's Experience Rating to compute its tax rate. Furthermore, New Chrysler's increased liability is directly related to Old Chrysler's discharge of persons it employed in its business; these discharged employees never worked for New Chrysler.

Id. at 684-85. Significantly, this "continuation of business" test is repeated throughout cases addressing interests in property. *See, e.g.*, *Trans World Airlines, Inc.*, 322 F.3d at 290 ("Had TWA not invested in airline assets, which required the employment of the EEOC claimants, those successor liability claims would not have arisen."); *PBBPC, Inc.*, 484 B.R. at 869 ("the record reflects that the transfer of an employer's contribution rate to a successor asset purchaser is really an attempt to recover the money that the predecessor employer would have paid if it had continued in business"); *Leckie Smokeless Coal Co*, 99 F.3d at 582 (finding no liability would arise "if [purchasers] had never elected to put their assets to use in the coal-mining industry, and had taken up business in an altogether different area"); *accord Chrysler LLC*, 576 F.3d at 126.

b. The Additional Conditions Are An Interest In Property For At Least Three Reasons.

Applying the same analysis, it is clear that the 2019 Conditions are interests in property within the meaning of § 363(f) for at least three reasons. Before discussing these reasons, the Debtors reiterate that their argument only focuses on the Additional Conditions since SGM contractually agreed to be bound by the conditions in Schedule 8.6.

First, as this Court has recognized, the Additional Conditions the Attorney General seeks to impose on SGM are premised on the Debtors' operations. Specifically,

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

> [t]he Conditions provide that any owner of the Hospital must furnish specified levels of emergency services, intensive care services, cardiac services, and various other services. The required service levels were derived ***based upon the historical experience of the prior operator***.

In re Verity Health Sys. of Cal., Inc., 598 B.R. 283, 293 (Bankr. C.D. Cal. 2018) (Robles, J.) (emphasis added). Thus, for example, the Additional Conditions' purported imposition of "charitable care obligations are connected to and arise from the Assets being sold . . . [because] [h]ad the Assets not originally been earmarked for charitable purposes, the Attorney General could not seek to impose continuing charitable care obligation." *In re Gardens Reg'l Hosp. & Med. Ctr., Inc.*, 567 B.R. 820, 826 (Bankr. C.D. Cal. 2017) (Robles, J.), *appeal dismissed*, No. 17-03708, 2018 WL 1229989 (C.D. Cal. Jan. 19, 2018). The Additional Conditions constitute an interest in property to the extent they are premised or calculated based on the historical operations of the Debtors.

Second, the Attorney General's statutory authority to impose the Additional Conditions arises from the Debtors' operation of its assets as nonprofit acute care hospitals. The California statutory scheme grants the Attorney General authority to consent to the sale of a nonprofit health facility to a for-profit corporation. *See* CAL. CORP. CODE § 5914(a)(1)(A) (providing that a nonprofit corporation operating or controlling a health facility must obtain the consent of the Attorney General before entering into a transaction to "[s]ell, transfer, lease, exchange, option, convey, or otherwise dispose of, its assets to a for-profit corporation"); *see also id.* § 5917 (authorizing the Attorney General to condition any transaction described in CAL. CORP. CODE § 5914). The California statute ***does not*** allow the Attorney General to impose similar conditions on SGM—a for-profit entity—had it "started the same business from scratch with new assets." *Old Carco*, 538 B.R. at 684. As with the experience rating cases, it is the Debtors' "prior ownership and use" of the assets transferred by the SGM Sale that gives the Attorney General "a contingent right" to impose conditions on the Debtors under California law. *USA United Fleet, Inc.*, 496 B.R. at 87. Accordingly, the Additional Conditions constitute interests in property because they arise from the Debtors' prior ownership and use of the assets as nonprofit acute care hospitals.

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

Third, the Attorney General's authority to review the transaction arises from SGM's continuation of the Debtors' business as a health facility. *See* CAL. CORP. CODE § 5914(a)(1) (applying only to a sale of the assets of a nonprofit corporation that "operates or controls a health facility"). Under California law, the Debtors' assets subject to the SGM Sale qualify as health facilities to the extent they are operating general acute care hospitals. *See* CAL. HEALTH & SAFETY CODE § 1250(a). By way of example, in *Gardens Regional Hospital and Medical Center, Inc.*, this Court found that a sale of closed general acute care hospitals did not fall within the ambit of the Attorney General's regulatory authority because "the Assets being sold do not include an operating hospital." *See* 567 B.R. at 827. Here, however, SGM intends to purchase the Debtors' assets as operating acute care hospitals and continue their operations post-closing. As this Court has observed, the Attorney General's authority to impose the Additional Conditions on SGM under California Corporations Code, §§ 5914 *et seq.*, is "grounded, at least in part, in the fact that those very assets have been employed for" acute care hospital purposes. *Leckie Smokeless Coal Co.*, 99 F.3d at 582; *see also Gardens Reg'l Hosp. & Med. Ctr., Inc.*, 567 B.R. at 826 ("The Attorney General's claim to regulatory authority is similar to the regulatory interests asserted in *PBBPC* and *Leckie Smokeless Coal*, and therefore constitutes an 'interest in . . . property' for purposes of § 363(f)."). Accordingly, the Additional Conditions constitute interests in property because the Attorney General's authority to impose the Additional Conditions is conditioned on their operation as health facilities upon the closing of the SGM Sale.

3. The SGM Sale Should Be Authorized Free and Clear of the Additional Conditions Pursuant to Section 363(f)

The Debtors are authorized to consummate the SGM Sale free and clear of the 2019 Conditions because the SGM Sale satisfies the disjunctive sub-factors of § 363(f). *See* 11 U.S.C. 363(f); *see also Pinnacle Rest. at Big Sky, LLC v. CH SP Acquisitions (In re Spanish Peaks Hldgs. II, LLC)*, 872 F.3d 892, 897 (9th Cir. 2017). For practical purposes, the analysis below references the Additional Conditions, given that SGM contractually agreed to be bound by the conditions in Schedule 8.6.

DENTONS US LLP

a. California Law Allows the Sale of Nonprofit Health Facilities Without the Imposition of Additional Conditions (§ 363(f)(1))

The Bankruptcy Code permits the sale of property free and clear of interests if "such a sale would be ***legally permissible***." *In re Spanish Peaks Hldgs. II, LLC*, 872 F.3d at 900 (emphasis added); *see also* 11 U.S.C. § 363(f)(1) (permitting sales free and clear of interests if "applicable nonbankruptcy law permits the sale of such property free and clear of such interest"). Thus, absent a specific statutory requirement, the purchaser of an asset assumes no associated liabilities of the seller, including successor liability. *See Myers v. U.S.*, 297 B.R. at 784 ("As a general rule, under California law a purchaser does not assume the seller's liability."). Under § 363(f)(1), the Debtors can sell the Hospitals free and clear of the Additional Conditions because ***neither*** the Attorney General's statutory basis for imposing the Additional Conditions ***nor*** California common law impose successor liability. *See In re Verity Health Sys. Of Cal., Inc.*, 598 B.R. at 296 (Bankr. C.D. Cal. 2018) (Robles, J.) ("Provisions within the Conditions are enforceable only to the extent they are supported by California law.")

The California Corporations Code does not authorize the Attorney General to impose successor liability on the assets of a health facility. California law imposes upon the seller the obligation to notify the Attorney General of a sale and to obtain his consent to such sale. *See* CAL. CORP. CODE § 5914(a)(1) ("Any nonprofit corporation that . . . operates a health facility . . . shall be required to providing written notice to, and obtain the written consent of, the Attorney General" prior to entering into a sale transaction.); *see id.* § 5917 (granting the Attorney General discretion to "consent to, give conditional consent to, or not consent to any agreement or transaction). But, the statute ***does not*** grant the Attorney General authority to impose conditions on the assets subject to the transaction. Indeed, the Attorney General was previously unable to identify any provision of applicable "California law entitling him to enforce successorship liability under the circumstances of this case." *In re Verity Health Sys. of Cal., Inc.*, 598 B.R. at 296 (finding that "[t]he Attorney General's reliance upon provisions purporting to make the Conditions binding upon all successors, regardless of the circumstances under which such successors acquiring the Hospitals, is an impermissible attempt to expand his regulatory authority over the Hospitals").

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

In *La Paloma Generating, Co.*, a bankruptcy court granted a sale pursuant to § 363(f)(1) after finding that the applicable California regulatory scheme governing the transfer of cap and trade liabilities in the sale of electrical generation facilities did not impose successor liability. *See* No. 16-12700, 2017 WL 5197116 (Bankr D. Del. Nov. 9, 2017). The court concluded that, as here, the regulatory scheme did not impose successor liability because it imposed liabilities on entities rather than the assets subject to the transaction. *See id.* at *7 ("[T]he Regulation does not dictate . . . substitution and assumption of liability. In no way does Section 95835(b)(8) impugn liability on the purchase of the Covered Entity's assets."). Here, similarly, the California Corporations Code does not impose any statutory successor liability because the obligations are limited to the seller rather than the assets transferred pursuant to a sale.

Further, the SGM Sale does not implicate any of the four grounds to impose successor liability under California law. Under California law,

> the purchaser does not assume the seller's liabilities unless (1) there is an express or implied agreement of assumption, (2) the transaction amounts to a consolidation or merger of the two corporations, (3) the purchasing corporation is a mere continuation of the seller, or (4) the transfer of assets to the purchaser is for the fraudulent purpose of escaping liability for the seller's debts.

Ray v. Alad Corp., 19 Cal. 3d 22, 28 (1977); *see also City of San Diego v. Nat'l Steel & Shipbuilding Co.*, No. 09-2275, 2011 WL 5104624, at *4 (S.D. Cal. Oct. 27, 2011). None of the four grounds is present here. SGM has not expressly or impliedly agreed to assume the Debtors' obligations under the 2015 Conditions (except to the extent contracted in the SGM APA). The Court specifically found that the transfer was at arm's length and in good faith rather than for any fraudulent purpose. *See* Sale Order, ¶¶ D-E at 6-7 ("[T]he Transaction being consummated pursuant to and in accordance with the APA is not being consummated, for the purpose of hindering, delaying or defrauding creditors of the Debtors."). Finally, the transaction is not a consolidation, merger, or mere continuation because SGM has provided non-stock consideration and SGM and the Debtors have different officers, directors, or stockholders. *See, e.g.*, *Alad Corp.*, 19 Cal. 3d at 28-29 (citing *Econ. Refining & Serv. Co. v. Royal Nat. Bank of N.Y.*, 20 Cal. App. 3d 434 (Cal. Ct. App. 1971); *Malone v. Red Top Cab Co.* 16 Cal. App. 2d 268, 272-274 (1936);

Shannon v. Samuel Langston Co. 379 F. Supp. 797, 801 (W.D. Mich. 1974)). Accordingly, the Debtors may sell the Hospitals free and clear of the Additional Conditions because nonbankruptcy law does not impose successor liability notwithstanding the contrary provisions in the Additional Conditions.

b. The Additional Conditions Are Subject to A Bona Fide Dispute (§ 363(f)(4))

The Debtors may sell the Hospital free and clear of the Additional Conditions because the Attorney General's authority to impose the Additional Conditions is in bona fide dispute. *See* 11 U.S.C. § 363(f)(4). The phrase "bona fide dispute" is not defined by the Bankruptcy Code. *See Atlas Mach. & Iron Works, Inc. v. Bethlehem Steel Corp*., 986 F.2d 709, 715 (4th Cir. 1993) ("Although courts have not agreed on a precise definition of 'bona fide dispute,' it entails some sort of meritorious, existing conflict.") (citations omitted). Courts find a "bona fide dispute" when "there is an objective basis for either a factual or legal dispute as to the validity of the asserted interest." *In re Taylor*, 198 B.R. 142, 147 (Bankr. D.S.C. 1996). An objective legal basis for dispute may arise under bankruptcy or nonbankruptcy law. *See In re L.L. Murphrey Co.*, No. 12-03837-8-JRL, 2013 WL 2451368 (Bankr. E.D.N.C. June 6, 2013) (finding bona fide dispute as to validity of a creditor's lien subject to avoidance under § 544(a)(3)). Importantly, it is not necessary that the court resolve the dispute or its merits. *See id.* ("This standard does not require that the Court resolve the underlying dispute or determine the probable outcome of the dispute, but merely whether one exists.").

Here, the Additional Conditions are subject to bona fide dispute under bankruptcy and nonbankruptcy law. As set forth in this Motion, the Debtors dispute the Attorney General's authority to issue conditions impose successor liability contrary to the provisions of California law, the Bankruptcy Code, and the Sale Order. Further, as discussed more fully below, the Debtors dispute whether the Attorney General abused his discretion in imposing the Additional Conditions without adequate support. In each instance, the Court need not determine the relative merits of the disputes, and, instead, need only find that the disputes raised by the Debtors are bona fide. In each

case, the Debtors' disputes as to the Additional Conditions support a sale free and clear of the Additional Conditions under § 363(f)(4).

c. The Attorney General Can Be Compelled to Accept A Money Satisfaction in the Event of Noncompliance with the Additional Conditions (§ 363(f)(5))

Section 363(f)(5) permits a sale free and clear if (i) the nondebtor could be compelled to accept a money satisfaction of the interest in property (ii) in a proceeding that could be brought. *See In re PW, LLC*, 391 B.R. 25, 41 (B.A.P. 9th Cir. 2008). An interest in property is subject to satisfaction for purposes of § 363(f)(5) if it imposes a calculable monetary obligation. *See In re Vista Marketing Grp. Ltd.*, 557 B.R. at 635 ("[O]ne would be hard-pressed to present a clearer example of a situation where the interest-holder could be compelled to accept a money satisfaction of its interest under subsection (f)(5) than the calculable monetary obligation asserted by the District in its surcharge bill and disconnection notice."); *see also In re Trans World Airlines, Inc.*, 322 F.3d 283, 290 (3d Cir. 2003) (interests in property such as travel vouchers and EEOC claims may be reduced to a specific monetary value for purposes of § 365(f)(5)).

Here, many of the Additional Conditions are subject to satisfaction by the payment of money. For example, certain Additional Conditions require charity care of a specific monetary value. *See* Exhibit "C." The Attorney General has historically (including in the Debtors' own experience) allowed health facilities to satisfy any charity care deficiency by paying funds to satisfy shortfalls to other purposes or entities. *See, e.g.*, First-Day Decl., ¶ 108 at 28 ("[A]s a result of a shortfall in the fiscal year 2017 charity care requirement for certain hospitals, VHS was required to make an additional contribution to the Retirement Plans of $7,619,000 in October 2017."); *see also In re WBQ P'ship*, 189 B.R. at 107 (finding § 363(f)(5) satisfied where state's right of recapture upon sale of nursing home could constitute a claim against the debtors subject to hypothetical cramdown).

Indeed, there is no dispute that the Attorney General allows unsatisfied charity care contributions to be satisfied by the payment of money. In the 2015 Conditions, the Attorney General expressly allowed the Debtors to satisfy any shortfall by paying an amount equal to the charity care shortfall to some other purpose. For example, with regard to St. Francis, the 2015

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

Conditions expressly allowed satisfaction of the Charity Care Condition by payment of 50% of the shortfall to employee pension plans and 50% of the shortfall to capital expenditures for maintenance of the facilities. *See* Docket No.256-1, Exhibit A, at 9. Allowing payment of monies to other entities to satisfy a shortfall in providing charity care is not unique to these hospitals. A review of the Attorney General's website describing nonprofit hospital transactions is replete with such examples. *See* https://oag.ca.gov/sites/all/files/agweb/pdfs/charities/nonprofithosp/. For example, in a decision on January 9, 2019, regarding Parkview Hospital, the Attorney General approved the proposed transaction with the condition that if there was a shortfall in the charity care required, that shortfall could be satisfied by the payment of "an amount equal to the deficiency to one or more tax-exempt entities that provide direct health care services to residents in the Hospital's service area."

Further, the 2019 Conditions make clear that the Attorney General can enforce satisfaction of these monetary obligations in a hypothetical legal proceeding. *See In re WBQ P'ship*, 189 B.R. at 107 (holding that nursing home sale was free and clear of state department's right to recover depreciation overpayments and emphasizing "'hypothetical' satisfaction, since § 363(f)(5) authorizes a sale if the interest holder '*could be* compelled, in a legal or equitable proceeding, to accept a money satisfaction of such interest'") (emphasis in original). The Attorney General specifically reserves his right to enforce the 2019 Conditions "to the fullest extent provided by law" and that, "[i]n addition to any legal remedies the Attorney General may have, the Attorney General shall be entitled to specific performance, injunctive relief, and such other equitable remedies a court may deem appropriate for breach of any of these Conditions." *See* Exhibit "B." As with the Debtors' prior satisfaction of the Charity Care Condition, payment of money was sufficient to "extinguish" entirely the Debtors' obligation to comply with the Charity Care Condition. *See, e.g.*, *In re Hassen Imports P'ship*, 502 B.R. 851, 861 (C.D. Cal. 2013) (finding that § 363(f)(5) "only authorizes sale free and clear when money payment is given in exchange for the extinguished interest"). Accordingly, as noted by the Attorney General, monetary conditions may be satisfied in a hypothetical legal proceeding.

Accordingly, the Attorney General can be compelled to accept monetary satisfaction of the Additional Conditions that impose calculable monetary obligations sufficient to sell the Hospitals free and clear of the Additional Conditions. For the foregoing reasons, the Sale Order effectuated a sale free and clear of the 2019 Conditions except for those SGM agreed to assume by contract as set forth in Schedule 8.6.

d. The Additional Conditions Contravene The Purposes of § 363(f) to the Extent They Purport to Impose Successor Liability on SGM.

California law does not authorize the Attorney General to impose successor liability on the purchaser of a health care facility because the statute only makes reference to the obligations of the seller rather than the assets sold. *See* discussion, *supra*; *see also In re La Paloma Generating, Co.*, No. 16-12700, 2017 WL 5197116 (Bankr. D. Del. Nov. 9, 2017); CAL. CORP. CODE § 5914. Further, the Debtors may sell the Hospitals free and clear of any successor liability assuming, *arguendo*, that the Conditions impose successor liability on SGM.

Courts favor a broader reading of § 363 in two instances where imposition of successor liability would compromise the fundamental purposes of bankruptcy sales. ***First***, "allowing sales of debtor assets free and clear of liabilities of the debtor induces a higher sale price for the assets, thereby maximizing the value of the estate and maximizing potential recovery to creditors." *Grumman Olson Indus. Inc.*, 467 B.R. at 703; *see also Douglas v. Stamco*, 363 Fed. Appx. 101, 102-03 (2d Cir. 2010) ("to the extent that the 'free and clear' nature of the sale . . . was a crucial inducement in the sale's successful transaction . . . the potential chilling effect of allowing a tort claim subsequent to the sale would run counter to a core aim of the Bankruptcy Code"); *Indiana State Police Pension Trust*, 576 F.3d at 126 ("The possibility of transferring assets free and clear of existing tort liability was a critical inducement to the Sale."); *In re PBBPC, Inc.*, 484 B.R. at 870 (rejecting imposition of experience rating where "the possibility of transferring assets free and clear of successor liability was a critical inducement to the sale") (quotations omitted); *Myers v. U.S.*, 297 B.R. at 781 (finding sale order sold assets free and clear of successor liability and positing "who would ever purchase assets at a bankruptcy proceeding if the successor liability were not limited, despite the plain wording of the bankruptcy court order?"). As discussed in detail, above,

imposition of the Additional Conditions have serious financial consequences for the SGM Sale that undercut the free and clear nature of the SGM Sale and served as a critical inducement for the only bidder on the Debtors' Hospital assets. Accordingly, the Debtors may sell the Hospitals free and clear of any successor liability imposed by the Additional Conditions under § 363.

Second, allowing a claimant to pursue an asset purchaser in bankruptcy "would subvert the Bankruptcy Code's priority scheme, by allowing a low-priority, unsecured claim to leapfrog over other creditors in the bankruptcy." *See, e.g.*, *In re Grumman Olson Indus. Inc*., 467 B.R. 694, 703 (S.D.N.Y 2012); *see also In re Trans World Airlines, Inc.*, 322 F.3d 283, 291 (3d Cir. 2003) ("Even were we to conclude that the claims at issue are not interests in property, the priority scheme of the Bankruptcy Code supports the transfer of TWA's assets free and clear of the claims."); *Myers*, 297 B.R. at 781 (finding a sale order that *excluded* "successor liability" from the interests stripped under § 363(f) nevertheless effectuated a sale of the assets free and clear of successor liability because, to hold otherwise, "would allow unsecured creditors to receive greater protection and more priority than secured claims"). The Additional Conditions allow the Attorney General to impose monetary obligations on SGM to continue providing services such as charity care that were financially infeasible for the Debtors.

B. COMPLIANCE WITH § 363(d)(1) DOES NOT LIMIT THE DEBTORS' RIGHT TO SELL ITS ASSETS FREE AND CLEAR UNDER § 363(f).

Section 363(d)(1) provides that the Debtors must sell the Hospitals in accordance with nonbankruptcy law applicable to nonprofit transactions, and § 363(f) authorizes the Debtors to sell the Hospitals free and clear of interests in property. These two sections are easily construed under several applicable principles of statutory construction.

First, each statutory provision should be read by reference to the whole act. *See John Hancock Mut. Life Ins. Co. v. Harris Trust & Sav. Bank*, 114 S. Ct. 517, 523 (1993); *Pavelic & Leflore v. Marvel Entm't Grp.*, 493 U.S. 120, 123-24 (1989); *Mass. v. Morash*, 490 U.S. 107, 114-15 (1989). Second, the Court should avoid interpreting a provision of the Bankruptcy Code in a way inconsistent with the policy of another provision of the Bankruptcy Code. *See United Sav. Ass'n v. Timbers of Inwood Forest Assocs.*, 484 U.S. 365, 371 (1988). Finally, specific provisions

DENTONS US LLP

LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

targeting a particular issue apply instead of provisions more generally covering the issue. *See Morton v. Mancari*, 417 U.S. 535, 550-51 (1974) (a general statute will not be held to have repealed by implication a more specific one unless there is "clear intention otherwise"); *U.S. v. Novak*, 476 F.3d 1041, 1054 (9th Cir. 2007) (recognizing "the elementary tenet of statutory construction that a general statute will not alter a more specific one") (quotations omitted). This tenet applies with equal force to interpretation of competing provisions of the Bankruptcy Code. *See Law v. Seigel*, 571 U.S. 415, 421 (2014) (resolving conflict between §§ 105(a) and 522 by "application of the axiom that a statute's general permission to take actions of a certain type must yield to a specific prohibition found elsewhere").

Applying these principles, the requirement to act in accordance with nonbankruptcy law does not abrogate the Debtors' authority to sell free and clear of the Additional Conditions under the more specific provisions of § 363(f), particularly when the Additional Conditions would render the terms of the SGM APA and the Sale Order meaningless.

Section 363(f) provides specific grounds to conduct sales free and clear of interests in property that is not limited by a nonprofit debtor's general obligation, under § 363(d)(1), to comply with nonbankruptcy law. Section 363 provides that nonprofit debtors must generally comply with applicable nonbankruptcy law in conducting sales under § 363(b). Section 363(d)(1) provides that a nonprofit debtor may sell assets of the estate pursuant to § 363(b) "only in accordance with nonbankruptcy law applicable to the transfer of property by" such nonprofit debtor. 11 U.S.C. 363(d)(1). This general requirement in § 363(d)(1) makes no reference to § 363(f), which sets forth the specific bases by which a debtor may obtain approval of a sale under § 363(b) free and clear of any interest in such property. Without a "clear intention otherwise," the general requirement that a nonprofit debtor comply with nonbankruptcy law does not repeal by implication the specifics of free and clear sales under § 363(f), including the Debtors' rights to sell assets free and clear of successor liability. *See Morton*, 417 U.S. at 550-51. Simply put, § 363(d)(1) does not grant the Attorney General the unfettered right to impose conditions without regard to this Court's exclusive

DENTONS US LLP

jurisdiction over the Debtors' assets and any other provisions of the Bankruptcy Code. *See*, *e.g.*, §§ 363(f), 525, 541; *see also* 28 U.S.C. § 1334(e).[5]

Even if the provisions were in conflict, applicable law authorizing the Attorney General to review and condition sales of health facilities is not inconsistent with the successor liability limitations set forth in § 363(f). As discussed above, applicable California law does not impose successor liability on the SGM Sale because the obligations are imposed on the seller of a health facility rather than the assets themselves. *See, e.g.*, *In re La Paloma Generating, Co.*, 2017 WL 5197116, at *7 ("[T]he Regulation does not dictate . . . substitution and assumption of liability. In no way does Section 95835(b)(8) impugn liability on the purchase of the Covered Entity's assets.").

Accordingly, the general requirements of § 363(d)(1) are not in conflict with the Debtors' authority to sell assets free and clear of successor liability under § 363(f). The Debtors complied with the requirements of nonbankruptcy law and received the Attorney General's conditional approval of the SGM Sale. Nonbankruptcy law does not impose successor liability on SGM, and,

[5] The Attorney General has previously argued that he may enforce conditions on the sale of a nonprofit hospital, pursuant to police and regulatory powers designed to protect the health and safety of the community. *See* Docket No. 463, at 7 (the "Prior Response"). However, unlike § 362(b)(4), § 363 has no exception for governmental entities acting pursuant to police or regulatory powers. The Congress is presumed to act intentionally and purposely when it includes language in one section but omits it in another. *Keene Corp. v. United States*, 508 U.S. 200, 208 (1993) ("where Congress includes particular language in one section of a statute but omits it in another [...] it is generally presumed that Congress acts intentionally and purposely in the disparate inclusion or exclusion.") (quoting *Russello v. United States*, 464 U.S. 16, 23 (1983)). Even if such an exception were to apply, as the Attorney General concedes in the Prior Response, preemption of state law is most likely where the state statute carves an exception out of the Bankruptcy Code, or where the state statute is concerned with economic regulation rather than protecting the public health and safety. Prior Response, at 7, lines 1-15 (citing *Baker & Drake, Inc. v. Pub. Serv. Comm'n of Nevada*, 35 F.3d 1348, 1353 (9th Cir. 1994)). Both situations exist here. First, the interpretation suggested by the Attorney General carves a huge exception out of the Bankruptcy Code, basically allowing him to ignore both the plain language of the federal laws, and the practical implications of his interpretation. Second, although the state statute discusses that a sale to a for-profit "may affect the availability of community health care services," Prior Response, at 7, lines 23-24 (citing CAL. CORP. CODE, Ch. 9, Note §1m Stats 1996, ch. 1105), the Attorney General has *no* general oversight over health facilities in California or over acute care hospitals in particular. Rather, his review is predicated on the regulation of a kind of business—nonprofits—and therefore falls neatly into economic regulations.

to the extent the Additional Conditions impose successor liability, the Debtors may sell free and clear under § 363(f) while still complying with their general obligations under § 363(d)(1).

C. THE ATTORNEY GENERAL CANNOT INTERFERE WITH THE COURT'S EXCLUSIVE JURISDICTION OVER PROPERTY OF THE ESTATES.

Section 1334(e) of title 28 of the United States Code grants federal district courts—and, by jurisdictional grant, pursuant to 28 U.S.C. § 157(a), bankruptcy courts within each district—exclusive jurisdiction of all property of the debtor and its estate, "wherever located." 28 U.S.C. § 1334(e); 11 U.S.C. § 157(a); *see also Hong Kong and Shanghai Banking Corp. v. Simon (In re Simon)*, 153 F.3d 991 (9th Cir. 1998) (district court in which bankruptcy case is commenced has exclusive *in rem* jurisdiction over all estate property); *see also Central Va. Cmty College v. Katz*, 546 U.S. 356, 126 S. Ct. 990 (2006) (A "critical feature of every bankruptcy proceeding [is] the exercise of exclusive jurisdiction over all of the debtor's property."). Moreover, in the context of adjudicating the rights of in a bankruptcy estate, even against the Attorney General, the power of the bankruptcy court includes the "power to issue compulsory orders to facilitate the administration and distribution of the res." *Id.* The Supreme Court was clear in *Katz* that the Court's power was not limited to *in rem* beyond the "mere adjudication of rights in a res" and extended to proceedings "necessary to effectuate the *in rem* jurisdiction of the bankruptcy courts." *Id.* Therefore, under *Katz*, the Court also has the power to issue orders necessary to effectuate the Sale Order, including issuing orders that the SGM Sale is free and clear of the Additional Conditions.

Here, the Court has exclusive jurisdiction over the Hospitals because they are indisputably "property of the estates" pursuant to § 541. *See* § 541. The Court's exclusive jurisdiction limits the Attorney General's attempt to impose restrictions on the Hospitals. Moreover, the states' right to regulate an operating debtor in possession under 28 U.S.C. § 959(b) does not limit this Court's jurisdiction or give the state the right to interfere in the sale of the Debtors' Hospitals. *See Hillis Motors v Hawai`i Auto Dealers Assn.*, 997 F.2d 581, 592 (9th Cir 1993) (holding that state action to involuntarily dissolve a corporation for non-payment of franchise fees and filings violated the automatic stay as an act to control property of the estate under § 362(a)(3) and was not excepted by §362 (b)(4) or (5) or 28 U.S.C. § 959(b)).

D. THE ADDITIONAL CONDITIONS VIOLATE § 525 BECAUSE THEIR EXPRESS PURPOSE IS TO REQUIRE SGM TO UNDERTAKE THE SAME OBLIGATIONS THE DEBTORS CAN NO LONGER ACCOMPLISH.

Imposition of the Additional Conditions constitutes impermissible discrimination against the Debtors and SGM, as a debtor-associate, pursuant to § 525. Section 525(a) grants the Debtors protection against discriminatory treatment by governmental unit on account of the Debtors' insolvency. *See* 11 U.S.C. § 525(a).

One of the leading case interpreting § 525 is the United States Supreme Court's decision in *Federal Communications Commission v. NextWave Communications, Inc.* 537 U.S. 293 (2003) ("NextWave"). In *NextWave*, the Federal Communications Commission (the "FCC") cancelled certain licenses owned by the debtor, but denied that the proximate cause for its cancellation of the licenses was the failure to make payments due to the FCC. Instead, the FCC contended that § 525 did not apply because it had a valid regulatory motive for the cancellation. The Supreme Court held that the FCC's motive was "irrelevant" because "[s]ection 525 means nothing more or less than that the failure to pay a dischargeable debt must alone be the proximate cause of the cancellation —the act or event that triggers the agency's decision to cancel, whatever the agency's ultimate motive in pulling the trigger may be." *NextWave*, 537 U.S. at 301-02. The FCC contended that NextWave's license obligations to the commission were not "debt[s] that [are] dischargeable" in bankruptcy. *Id.* at 302. The FCC argued that regulatory requirements, such as a full and timely payment condition, are not properly classified as "debts" under the Bankruptcy Code. The Supreme Court dismissed this argument, finding that "a debt is a debt even when the obligation to pay it is a regulatory condition." *Id.* at 303. The FCC also argued that NextWave's obligations were not "dischargeable" in bankruptcy because bankruptcy courts did not have the jurisdictional authority to alter regulatory obligations. *Id.* Noting that dischargeability is not tied to the existence of such authority, the Supreme Court found that a preconfirmation debt is dischargeable unless it falls within an express exception to discharge. *Id.*

In *In re Aurora Gas, LLC*, the bankruptcy court addressed whether the State of Alaska violated § 525(a) by effectively conditioning the sale of gas leases on the purchaser's assumption of unpurchased liabilities. *See* No. 16-00130, 2017 WL 4325560 (Bankr. D. Alaska Sept. 26, 2017).

The debtor formerly operated nine oil and gas wells leased from the state. *See id.* at *1. During the course of the bankruptcy case, the debtor determined that it would not be able to sell three of the wells leased on state lands and could not afford to completely plug and abandon the wells. *See id.* The debtor, thus, began the process of temporarily plugging the wells and obtained approval to reject the leases. *See id.* The debtor secured an offer to purchase five of the remaining oil and gas leases for $100,000, subject, however, to review and approval by the state. *See id.* The bankruptcy court entered an order granting authority to assume and assign the leases and sell related assets free and clear of claims and interests. *See id.* at *2. Subsequently, the state imposed conditions on the sale that required the purchaser either agree to (i) a bond in the amount of $200,000 and an agreement to plug and abandon the three unpurchased wells, or (ii) a bond in the amount of $6 million. *See id.*

The bankruptcy court held that the imposition of the conditions violated § 525(a). The bankruptcy court noted that "the State does not deny that the Decision was an attempt to collect [the debtor's] debt for the [nonoperating] leases. Rather, it defends its action as necessary to provide for the plugging and abandonment of the wells which the debtor will not be able to accomplish." *Id.* at *4. The court concluded that the state "effectively denied the debtor's transfer of five of its . . . leases because it insists on recovering the debtor's . . . plug and abandonment liability." *Id.* at *5. Indeed, the $6 million bonding requirement made clear that the state's intent was to recover on the debtor's potentially dischargeable liabilities rather than the "proper exercise of the agency's discretion in discharge of its statutory duties." *See id.* ("There is nothing in the Decision to support the [state's] conclusion that it will cost $1,000,000 to plug and abandon each well.").

The Additional Conditions are no different than those addressed by the bankruptcy court in *Aurora Gas* because they impose upon SGM the very same levels of services, charity care, and other obligations imposed on the Debtors by the 2015 Conditions. The Additional Conditions repeatedly obligate SGM to maintain licensure and services "at no less than current" levels that correspond directly to the Debtors' postpetition services. *See* Exhibit "B" ("The term 'current' or 'currently' throughout this document means as of January 1, 2019.") (2019 Conditions, at 2, n.2).

As discussed above, § 363(f) allows the Debtors to sell their assets free and clear of the Attorney General's interests in imposing Additional Conditions. These interests are dischargeable within the meaning of § 525(a) even if the Debtors will not receive a discharge under their Plan. *See Aurora Gas, LLC*, 2017 WL 4325560, at *6 ("The State has not identified any exception within § 523(a) for the debtor's prepetition liability for plugging and abandoning the [nonoperating] wells. Nothing within § 525(a) requires that the debtor actually obtain a discharge, only that the debt be dischargeable."); *FCC v. NextWave Pers. Commc'ns Inc.*, 537 U.S. at 303 ("A preconfirmation debt is dischargeable unless it falls within an express exception to discharge."). Further, as with *Aurora Gas*, the Additional Conditions will "effectively den[y] the [Debtors'] transfer of" their hospital assets because the Attorney General "insists on recovering" from SGM the same obligations imposed on the Debtors under the 2015 Conditions. The Additional Conditions must be denied as violative of § 525(a) because the Debtors' inability to continue the same services following the conclusion of these Cases are "the proximate cause" of the Attorney General's Additional Conditions. *See NextWave Pers. Commc'ns Inc.*, 537 U.S. at 301-02.

E. THE ATTORNEY GENERAL ABUSED HIS DISCRETION IN IMPOSING THE ADDITIONAL CONDITIONS.

1. The Court Has Authority to Review Whether the Attorney General Abused His Discretion in Imposing the Additional Conditions.

If the Court does not find the Additional Conditions are cut off by § 363, the Debtors ask that the Court review the Attorney General's decision under applicable nonbankruptcy law. Section 1221(e) of the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005, Pub. L. No. 109-8, § 1221(e) (2005), makes clear that the applicable nonbankruptcy law should be interpreted by this Court and should not be referred to a state court. *In re HHH Choices Health Plan, LLC*, 554 B.R. 697, 700-01 (Bankr. S.D.N.Y. 2016) ("While a transfer [of nonprofit assets] must comply with the substantive requirements of state law. . . . any determination that would be made by a state court, . . . in the absence of a bankruptcy case, is now a determination to be made by [the bankruptcy court], and not by the state court.").

The Attorney General has discretion under applicable state law to deny, consent to, or conditionally approve a transaction. However, that discretion is limited and subject to judicial

review. Under state law, the Court has the power to overrule the Attorney General's decision imposing conditions inconsistent with Section 8.6 of the SGM APA. *Del Riccio v. Superior Court*, 115 Cal. App. 2d 29, 31 (1952) ("In the exercise of equitable jurisdiction the court undoubtedly has broad discretionary powers to take whatever action is necessary in the interests of justice in order that its decrees will not fail to accomplish their purpose."); *see also* Cal. Code Civ. Proc., § 187. That power extends even to reviewing discretionary decisions for abuse of discretion. *Lamb v. Webb* (1907) 151 Cal. 451, 454 (the trial court has the power to compel the Attorney General to act where the Attorney General abused its discretion); accord *City of Campbell v. Mosk*, 197 Cal. App. 2d 640, 645 (1961).

Judicial review of most public agency decisions is obtained either by: (1) a writ of ordinary/traditional mandamus, pursuant to C.C.P. § 1085; or (2) a writ of administrative mandamus, pursuant to C.C.P. § 1094.5. *See Friends of the Old Trees v. Dep't of Forestry & Fire Prot.*, 61 Cal. Rptr. 2d 297, 303 (Cal. Ct. App. 1997). Ordinary mandate under C.C.P. § 1085 is a traditional remedy by which a court compels an inferior tribunal to perform a legally required duty. Administrative mandate under C.C.P. §1094.5 is a statutory remedy which enables a petitioner to challenge an administrative decision after an adjudicatory hearing in which the agency performs a fact finding function. Parties are entitled to seek both in the same action. *See Conlan v. Bonta*, 102 Cal. App. 4th 745, 751-52 (2002). Moreover, C.C.P. §§ 1085 and 1094.5, subd. (f) are identical in authorizing courts to issue a writ of mandate to compel the performance of an act "which the law specially enjoins."

Under C.C.P. § 1094.5, the Court "begin[s] its review with a presumption of the correctness of administrative findings, and then, after affording the respect due to these findings, exercise[s] independent judgment in making its own findings." *Fukuda v. City of Angels*, 977 P.2d 693, 701 (Cal. 1999); s*ee Benetatos v. City of Los Angeles,* 186 Cal. Rptr. 3d 46, 56 (Cal. Ct. App. 2015) ("the independent judgment test is applied to review administrative decisions that will drive an owner out of business or significantly injure the business's ability to function").

Alternatively, for traditional mandamus under C.C.P. § 1085, the Court reviews the administrative action to determine whether it "was arbitrary, capricious, or entirely lacking in

DENTONS US LLP

(213) 623-9300

evidentiary support, contrary to established public policy, unlawful or procedurally unfair." *Id.* (quotations omitted). "Although mandate will not lie to control a public agency's discretion, that is to say, force the exercise of discretion in a particular manner, it will lie to correct abuses of discretion." *Id.* (quotations omitted). "Abuse of discretion is established if the … order or decision is not supported by the findings, or the findings are not supported by the evidence." *Wollmer v. City of Berkeley*, 193 Cal. App. 4th 1329, 1338 (2011) (citing Cal. Code Civ. Proc., § 1094.5, subd. (b).) Moreover, the Court should not give deference to the Attorney General's interpretation of State law. *County of San Diego v. State of Cal*. 15 Cal. 4th 68, 109 (1997). Because public agencies and officials "have a duty to comply with applicable state statutes and local ordinances," failure to do so is an abuse of discretion that is "arbitrary, capricious, or lacking in evidentiary support *Bright Dev. v. City of Tracy* 20 Cal. App. 4th 783 (1993).

Regardless of which standard applies here, the Attorney General's conduct does not pass muster under either statute. The Attorney General's decision to impose many, if not all, of the Additional Conditions, is not supported by findings or evidence. *See Topanga Assn. for a Scenic Community v. County of Los Angeles*, 11 Cal. 3d 506, 515 (1974) ("[I]mplicit in section 1094.5 is a requirement that the agency which renders the challenged decision must set forth findings to bridge the analytic gap between the raw evidence and ultimate decision or order."). The Attorney General has given no consideration whatsoever to the economic impact of the 2019 Conditions on the continued existence of the Hospitals. Although Attorney General's review of the SGM Sale was undertaken pursuant to a statute that purports to seek to preserve healthcare for the community, it is undisputed that the 2019 Conditions imposed by the Attorney General will have the singular result of destroying the SGM Sale and closing hospitals. There could not be a clearer example of an abuse of discretion. *Honchariw v. City of Stanislaus* 218 Cal. App. 4th 1019, 1027 (2013); *see also Bob Jones Univ. v. United States* 461 U.S. 574, 586 (1983) (a well-established canon of statutory construction provides that literal language should not defeat the plain purpose of the statute).

2. The Scope of the Court's Review on Writ of Mandamus

Judicial review of most public agency decisions is obtained by a writ of: (1) ordinary or traditional mandamus, per C.C.P. § 1085; or (2) administrative mandamus, per C.C.P. § 1094.5. *See Friends of the Old Trees v. Dep't of Forestry & Fire Prot.*, 61 Cal. Rptr. 2d 297, 303 (Cal. Ct. App. 1997).

The applicable type of mandate is determined by the nature of the administrative action or decision, in that quasi-legislative or ministerial acts are reviewed by ordinary mandate, while quasi-judicial acts are reviewed by administrative mandate. *Id.* "Generally speaking, a legislative action is the formulation of a rule to be applied to all future cases, while an adjudicatory act involves the actual application of such a rule to a specific set of existing facts." *Id.* (quotation omitted). More specifically, traditional mandate is used to review agency action when the agency was not required to hold a hearing, whereas administrative mandamus reviews final administrative orders from a proceeding "in which by law a hearing is required to be given, evidence is required to be taken, and discretion in the determination of facts is vested in the inferior tribunal[.]" *Id.* (quoting C.C.P. § 1094.5(a)).

Here, when evaluating the proposed transaction, the Attorney General was required to hold a hearing, take evidence, and utilize discretion in his determination of existing facts. Indeed, California Corporations Code § 5916 explicitly requires that "[p]rior to issuing any written decision referred to in Section 5915 . . . the Attorney General shall conduct one or more public meetings, one of which shall be in the county in which the facility is located, to hear comments from interested parties." *See Sierra Club v. State Bd. of Forestry*, 7 Cal. 4th 1215, 1235 (1994) (section 1095.4 hearing requirement satisfied where the Board of Forestry is required to hold a public hearing to review timber harvesting plan and determine if it conforms to the rules and regulations of the board and the Forest Practice Act).

In addition to being required to receive public input, the Attorney General's conditional consent must also only have been determined after considering "relevant factors," such as the ten enumerated ones set forth in California Corporations Code § 5917. These factors include the Attorney General's receipt and review of evidence supporting whether the transaction is "fair and

reasonable to the nonprofit corporation," at "fair market value," and "in the public interest." CAL. CORP. CODE § 5917. As part of this evidentiary review, the Attorney General is authorized to contract with experts and consultants (and has done so here). *See* CAL. CORP. CODE § 5919. As a result, the Attorney General's conditional consent is an adjudicatory administrative decision, and the standard of review in this proceeding must be administrative mandamus.[6] *See Friends of the Old Trees*, 61 Cal. Rptr. 2d at 304–05 (Section 1094.5 review required where the statutes governing the Department of Forestry & Fire Protection's approval of a timber harvest plan provides numerous opportunities for public and agency input, even though the "Department is not required to hold a trial-type hearing."); *see also Ebbetts Pass Forest Watch v. Dep't of Forestry & Fire Prot.*, 20 Cal. Rptr. 3d 808, 814 (Cal. Ct. App. 2004) (public meetings to review timber harvest plan satisfy section 1094.5 standard).

Not only does the § 1094.5 framework apply, the scope of the Court's judicial review is necessarily the "independent judgment rule," because the Attorney General's conditional consent "substantially affects" Verity's "fundamental vested right." *See, e.g.*, *Mann v. Dep't of Motor Vehicles*, 90 Cal. Rptr. 2d 277, 283 (Cal. Ct. App. 1999). Due to the separation of powers doctrine, deprivation of an entity's or individual's fundamental rights by an agency cannot evade judicial protection. *See Bixby v. Pierno*, 481 P.2d 242 (Cal. 1971) ("By carefully scrutinizing administrative decisions which substantially affect vested, fundamental rights, the courts of California have undertaken to protect such rights, and particularly the right to practice one's trade or profession, from untoward intrusions by the massive apparatus of government."). Thus, "[i]f the decision of an administrative agency will substantially affect such a right, the trial court not only examines the administrative record for errors of law but also exercises its independent judgment upon the evidence disclosed" in a *de novo* review. *Id.*

---

[6] This is in sharp contrast to the inapplicable §1085 standard involving only ministerial acts: "[a] ministerial act is an act that a public officer is required to perform in a prescribed manner in obedience to the mandate of legal authority and without regard to his own judgment or opinion concerning such act's propriety or impropriety, when a given state of facts exists." *Schwartz v. Poizner*, 113 Cal. Rptr. 3d 610, 614 (Cal. Ct. App. 2010) (quotations omitted).

DENTONS US LLP

LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

Whether an administrative decision substantially affects fundamental vested rights is determined on a case-by-case basis, in which this Court must consider "whether the affected right is deemed to be of sufficient significance to preclude its extinction or abridgement by a body lacking *judicial* power." *Interstate Brands v. Unemployment Ins. Appeals Bd.*, 608 P.2d 707, 713 n.5 (Cal. 1980) (emphasis in original). In this case, the Attorney General's conditional consent has the practical effect of closing at least three of the Hospitals, forever. In that sense, it is indistinguishable from administrative decisions involving the revocation of a professional license or business permit, which, for decades, courts have consistently held to affect a fundamental right. *See, e.g.*, *Oxford Preparatory Acad. v. Chino Valley Unified Sch. Dist.*, 249 Cal. Rptr. 3d 726, 730–31 (Cal. Ct. App. 2019), *reh'g denied* (July 29, 2019), *review filed* (Aug. 20, 2019) (charter school "has a fundamental vested right to continue operating"); *Coe v. City of San Diego*, 208 Cal. Rptr. 3d 73, 81 (Cal. Ct. App. 2016) ("a decision to revoke a nude entertainment business permit involves a fundamental vested right."); *The Termo Co. v. Luther*, 86 Cal. Rptr. 3d 687, 697 (Cal. Ct. App. 2008) ("The implementation of the Order and Decision would have the effect not only of shutting down a business that has been in existence for 20 years or more, but also of terminating the right to produce oil—an extraordinarily valuable resource, especially in the current economic era. . . . Certainly, a fundamental vested right is at issue."); *Bauer v. City of San Diego*, 89 Cal. Rptr. 2d 795, 804 n.14 (Cal. Ct. App. 1999); *Goat Hill Tavern v. City of Costa Mesa*, 8 Cal. Rptr. 2d 385, 391 (Cal. Ct. App. 1992) ("the right to continue operating an established business in which [the owner] has made a substantial investment" is a "fundamental vested right."). Indisputably, the Debtors' rights to preserve its Hospitals—such that they can continue providing healthcare and lifesaving procedures to the community they serve—are fundamental, vested, and abridged substantially by the Attorney General's 2019 Conditions.

The Attorney General may attempt to cast the Debtors' rights in a purely economic light, incorrectly arguing that the Debtors merely assert the right to sell its businesses. *Cf. SP Star Enterprises, Inc. v. City of Los Angeles*, 93 Cal. Rptr. 3d 152, 162 (Cal. Ct. App. 2009). But, the rights threatened by the Attorney General's decision are the survival of three Hospitals upon which the public undisputedly depends. *Benetatos v. City of Los Angeles*, 186 Cal. Rptr. 3d 46, 56 (Cal.

DENTONS US LLP

LOS ANGELES, CALIFORNIA 90017-5704

Ct. App. 2015) ("The substantial evidence test has been applied to review administrative decisions that restrict a property owner's return on his property, or which increase the cost of doing business, or reduce profits, because such decisions impact mere economic interests rather than fundamental vested rights. In contrast, the independent judgment test is applied to review administrative decisions ***that will drive an owner out of business or significantly injure the business's ability to function***.") (emphasis added).

As a result, in this proceeding, this Court "begin[s] its review with a presumption of the correctness of administrative findings, and then, after affording the respect due to these findings, exercise[s] independent judgment in making its own findings." *Fukuda v. City of Angels*, 977 P.2d 693, 701 (Cal. 1999).

In addition, "[w]here the court finds that there is relevant evidence that, in the exercise of reasonable diligence, could not have been produced or that was improperly excluded at the hearing before respondent . . . the court may admit the evidence at the hearing on the writ without remanding the case." C.C.P. § 1094.5(e); *see also Tiholiz v. Northridge Hosp. Found.*, 199 Cal. Rptr. 338, 343 (Cal. Ct. App. 1984) (permitting admission of newly discovered evidence in the form of declarations, finding that "a litigant has a fundamental interest at stake in procedural fairness, including but not limited to an interest in the compilation of an accurate hearing record").

Even if traditional mandamus applies, the Attorney General's conditional consent constitutes an abuse of his discretion. The Debtors are "beneficially interested" to seek a writ of mandate, in that its particular right to sustain the Hospitals is direct and substantial, especially given the undisputed public need for these hospitals. *Citizens for Amending Proposition L v. City of Pomona*, 239 Cal. Rptr. 3d 750, 763–64 (Cal. Ct. App. 2018), *reh'g denied* (Nov. 28, 2018). Under § 1085, the trial court reviews an administrative action to determine whether an agency's action "was arbitrary, capricious, or entirely lacking in evidentiary support, contrary to established public policy, unlawful or procedurally unfair." *Id.* (quotations omitted). "Although mandate will not lie to control a public agency's discretion, that is to say, force the exercise of discretion in a particular manner, it will lie to correct abuses of discretion." *Id.* (quotations omitted).

Because public agencies and officials "have a duty to comply with applicable state statutes and local ordinances," failure to do so is an abuse of discretion that is "arbitrary, capricious, or lacking in evidentiary support." *Id.* at 774.

There are also exceptions to the general rule precluding the consideration of extra-record evidence in traditional mandamus actions, where such evidence provides background information regarding the quasi-legislative agency decision, to establish whether the agency fulfilled its duties in making the decision, or to assist the trial court in understanding the agency's decision. *Outfitter Properties, LLC v. Wildlife Conservation Bd.*, 143 Cal. Rptr. 3d 312, 322 (Cal. Ct. App. 2012).

3. The Attorney General Failed to Assure Preservation of the Hospitals for Their Communities

As set forth above, the Attorney General's discretion to issue conditions of approval of a sale of a nonprofit hospital to a for profit entity is circumscribed by (i) California Corporations Code § 5917, and (ii) the Attorney General's general statutory and common law obligations to preserve and/or redirect the charitable assets for public benefit. *See, e.g.,* CAL. GOV'T CODE § 12598. Although the Attorney General is not a technical fiduciary to such assets, *see Restatement of the Law of Charitable Nonprofit Organizations Principles of the Law of Nonprofit Organizations* § 5.01 TD (2017), and although the Attorney General, in the normal course, is not empowered to substitute its judgment for that of the trustees of the charitable assets, the Attorney General's role in overseeing a nonprofit hospital sale becomes virtually that of a fiduciary to such assets during the sale process. This virtual status results from the multiple layers of statutory and common law requirements imposed on the Attorney General's decision making, and the Attorney General's arrogation of the right to impose contractual post-sale restrictions on then for-profit assets (which in fact imposes the Attorney General's judgment over that of the successor hospital administrator).

Here, the Attorney General, in conditionally approving the SGM Sale, has accepted that the Hospitals are no longer sustainable as part of a nonprofit enterprise. There were no nonprofit bidders for the Hospitals. Once the Attorney General has determined that the Hospitals cannot be maintained as nonprofit, the Attorney General's duties are to (i) ensure that the facility is monetized at a fair market value to the nonprofit seller of the facility, *see* CAL. CORP. CODE §

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

5917(c), and (ii) ensure that the monies received from the sale of the facility are preserved for charitable use by redirecting them under appropriate *cy pres* guidelines, *see* CAL. GOV'T CODE § 12598(a).

The Hospitals, once sold, are no longer charitable assets, so the Attorney General's power and his right of oversight of these Hospitals ceases. The 2019 Conditions represent the Attorney General's attempt to subvert California Corporations Code § 5917 and extend his continuing control over non-charitable health care assets. The Attorney General cannot commit such an end-run around the statutory limitations to his decision making discretion. Importantly, any continuing control over the Hospitals is a result solely of a contract entered into between the Attorney General and SGM.

One of the paramount obligations of the Attorney General is to preserve charitable assets. This obligation is embodied in California Government Code § 12598(a), which provides that "[t]he primary responsibility for supervising charitable trusts in California, ... *for protection of assets held by charitable trusts* and public benefit corporations, resides in the Attorney General." (emphasis added). It is also one of the factors set forth by the Legislature in California Corporations Code § 5917(h). *See* CAL. CORP. CODE § 5917(h) ("The agreement or transaction may create a significant effect on the availability or accessibility of health care services to the affected community.").

The Attorney General is duty-bound to ensure that the Hospitals survive, and, thus, cannot impair availability or access of the community to health care facilities. The Attorney General breached his obligation to act in a manner to preserve the charitable assets by imposing the Additional Conditions with full knowledge that such conditions would result in the closure of at least 3 Hospitals. *See* Exhibit "E;" see also Baronoff Decl. ¶ 7. The Attorney General's actions will have destroyed, not preserved, the charitable assets. Such action clearly controverts the Attorney General's discretion. Agency decisions, such as those of the Attorney General here, are subject to judicial review and can be reversed if the court finds that the agency's discretionary choice is an abuse of discretion. *See Motor Vehicle Mfrs. Assn. of the U.S. v. State Farm Mut. Auto Ins. Co.*, 463 U.S. 29 (1983); *20th Century Ins. Co. v. Garamendi*, 8 Cal. 4th 216, 271

(1994); *Coachella Valley Unified School Dist. v. State of Cal.*, 176 Cal. App. 4th 93, 113-118 (Cal. Ct. App. 2009); *Paulsen v. Golden Gate University*, 25 Cal. 3d 803, 808 (1979); *Saleeby v. State Bar*, 39 Cal. 3d 547, 563 (1985); *Quackenbush v. Mission Ins. Co.*, 46 Cal. App. 4th 458, 465 (Cal. Ct. App. 1996).

Based upon the foregoing, the Attorney General has abused his discretion and breached his most basic duty to preserve charitable assets and to ensure access and availability of health care facilities for the community.

V.

CONCLUSION

WHEREFORE, for all the foregoing reasons and such additional reasons as may be advanced at or prior to the hearing regarding this Motion, the Debtors respectfully request that the Court enter an order (i) finding that the SGM Sale is free and clear of the Additional Conditions, or alternatively, (b) the Attorney General has abused his discretion in imposing the Additional Conditions, and (iii) granting such other and further relief as the Bankruptcy Court deems just and proper.

DECLARATION OF RICHARD G. ADCOCK

I, Richard G. Adcock, declare that I have personal knowledge of the facts set forth in this declaration, and I would competently testify to them under oath if called as a witness.

1. I am, and have been since January 2018, the Chief Executive Officer of Verity Health System of California, Inc. ("VHS"). Prior thereto, I served as VHS's Chief Operating Officer since August 2017.

2. I have extensive senior-level experience in the nonprofit healthcare arena, especially in the areas of healthcare delivery, hospital acute care services, health plan management, product management, acquisitions, integrations, population health management, budgeting, disease management and medical devices. I have meaningful experience in both the technology and healthcare industries in the areas of product development, business development, mergers and acquisitions, marketing, financing, strategic and tactical planning, human resources, and engineering.

3. Prior to VHS, from 2014 until 2017, I served as Executive Vice President and Chief Innovation Officer of Sanford Health, a large integrated health system headquartered in the Dakotas dedicated to health and healing. In this role, I was responsible for leading Sanford Health's growth and innovation, in addition to direct operational oversight of the following related entities: Sanford Research, Sanford Health Plan; Sanford Foundation (a philanthropic fundraising foundation); Sanford Frontiers (a commercial and real estate company); Profile by Sanford (a scientific weight loss program); and Sanford World Clinic (which operates clinics in multiple countries).

4. From 2012 to 2017, I served as the President of Sanford Frontiers and had the responsibility of starting a new entity within Sanford Health focused on innovative ventures. From 2008 to 2012, I served as Executive Vice President of Sanford Clinic. I was responsible both for (i) working directly with the President of the Clinic to the lead team of Vice Presidents in all aspects of management, and (ii) Sanford World Clinics operations, including the design, opening and operation of several global clinics. From 2006 to 2008, I served as the Vice President of Sanford Clinic and was responsible for leading strategic, operational and financial aspects within Sanford

Clinic. From 2004 to 2006, I served as Director of Clinical Operations at Sanford Children's Specialty Clinic and led the Pediatric Subspecialty Physician program and the clinical practice through all facets of the operation.

5. Prior to Sanford Health, I served as the Director of Engineering and Six Sigma Master Black Belt at GE Medical Systems, and before that served as the Vice President of Research and Development and the Co-Owner/Founder of Micro Medical Systems. I have a bachelor of science in business administration and a masters of business administration in healthcare management.

6. On May 2, 2019, the Court entered an order (the "Sale Order") approving the sale of substantially all assets of Debtors'[7] remaining hospitals (St. Francis Medical Center ("SFMC"), St. Vincent Medical Center ("SVMC") including the St. Vincent Dialysis Center ("SVDC"), and Seton Medical Center ("SMC"), including Seton Medical Center Coastside Campus ("SMCC") (collectively the "Hospitals"), to Strategic Global Management, Inc. ("SGM") for $610 million (the "SGM Sale"), subject to certain adjustments, plus the payment of cure costs and assumption of certain liabilities, as more fully set forth in that certain asset purchase agreement (the "APA") [Docket No. 2306].

7. The Debtors, SGM and third parties have expended tremendous efforts to prepare for and close the SGM Sale in reliance on the Sale Order. These tireless efforts have taken a significant amount of time and resources and simply cannot be undone. By way of example: (i) the Debtors sent "WARN notices" to approximately 4,900 employees, pursuant to the federal Worker Adjustment and Retraining Notification Act of 1988; (ii) thousands of counterparties to executory contracts and unexpired leases, including physicians, have relied on the Sale Order and continued to provide services in reliance on the finality of that Sale Order; (iii) the Debtors and SGM have spent months facilitating an efficient close of the sale, with approximately 20 different workstreams, meeting at least weekly to ensure a smooth transition of operations; (iv) government agency personnel, including the California Department of Public Health and the Board of

[7] "Debtors" collectively refers to VHS and its affiliated debtors in this proceeding.

Pharmacy, have been diligently processing SGM's change of ownership applications for licenses and permits in reliance on the finality of the Sale Order; (v) the Debtors, SGM, and each of the Debtors' six unions spent months successfully negotiating and finalizing modified collective bargaining agreements; (vi) the medical groups affiliated with the Debtors have sent termination notices to their remaining physicians; (vii) the Debtors and SGM have coordinated changes in insurance coverages and insurance policies to ensure seamless coverage for employees and patients, and (viii) the Debtors have created plans to shut off certain services after the close of the SGM Sale. In addition, the Debtors have no further financing source.

8. Attached hereto as Exhibit "1" is a true and correct copy of a September 18, 2019 letter from Chokri BenSaid, Director of the Hospital Division of the United Healthcare Workers West Service Employees International Union, Inc., to Deputy Attorney General Scott Chan, expressing support for the SGM Sale. Attached hereto as Exhibit "2" is a true and correct copy of a letter from Jennifer Lemmon, Collective Bargaining Director of the California Nurses Association, to Attorney General Becerra, to the same effect. Attached hereto as Exhibit "3" is a true and correct copy of a September 24, 2019 letter from Mark Shinderman, counsel for the official committee of unsecured creditors, to Attorney General Becerra, also expressing support for the SGM Sale.

9. I have reviewed the conditions (the "2019 Conditions") set forth in the September 25, 2019 report issued by the California Attorney General (the "Attorney General") regarding the SGM Sale. The 2019 Conditions require, among other things, that SGM continue to operate the Hospitals and maintain various services, clinics and contractual arrangements for a period of time greater than the period of time that Debtors would have been obligated under the 2015 Conditions (defined below) if the Debtors had the ability to continue to operate the Hospitals. The 2019 Conditions are also materially different than those to which SGM agreed in Schedule 8.6 because they impose additional conditions including, among other things, greater requirements for charity care expenditures, community benefit expenditures, capital expenditures, and do not account for the substantial shift in charity care needs following the implementation of the Affordable Care Act.

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

10. The 2019 Conditions are in large part the same as the proposed conditions ("Proposed Conditions") set forth in the Initial Health Care Impact Statements prepared by JD Healthcare. Annexed hereto as Exhibit "E" is a true and correct copy of a letter from SGM's counsel, Todd Swanson of Hooper, Lundy & Bookman, P.C., to Deputy Attorney General Scott Chan, explaining that SGM would not accept the Proposed Conditions to the extent they materially differ from Schedule 8.6 to the APA.

11. I previously urged the Attorney General not impose conditions that would threaten to close the Hospitals or otherwise unwind stakeholders' heroic efforts to save these Hospitals. This was detailed in my *Declaration filed in support of the Notice of Submission of Debtors' Response to the Health Care Impact Statements and Conditions Imposed By JD Healthcare, Inc.* [Docket No. 2946], a true and correct copy of which is annexed hereto as Exhibit "E". It was also detailed in my August 23, 2019 letter to Deputy Attorney General Scott Chan, as true and correct copy of which is annexed hereto as Exhibit "E".

12. Further, during the week of August 26, 2019, Deputy Attorney General Scott Chan held public hearings at each of the Hospitals to solicit comments regarding the SGM Sale. I attended each of the public meetings in person. At each public meeting, representatives of SGM and the Debtors made public statements detailing the economic impact of the conditions proposed by the Attorney General's expert, JD Healthcare, and the economic situation confronting each Hospital; urging the Attorney General to consider economic factors when issuing his conditions; and reiterating that any conditions exceeding those in Schedule 8.6 of the SGM APA could result in the termination of the SGM Sale and the closure of the Hospitals.

13. As was the case with the Proposed Conditions, many of the 2019 Conditions are materially inconsistent with those to which SGM has agreed in Schedule 8.6, and do not take into consideration the negative economic impact of the 2019 Conditions and the conditions imposed on the Hospitals in 2015 (the "2015 Conditions").

14. Without regard to the economic and community realities, certain of the 2019 Conditions force the Hospitals to maintain programs that not only suffer significant losses an

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

annual basis, but are unnecessary because the same services (and in some instances, more comprehensive services) are already provided at other hospitals in the area.

15. The economic impact of the 2019 Conditions cannot be understated. As a hospital operator, I know from first-hand experience operating and overseeing the Hospitals that (i) the 2015 Conditions were too burdensome, (ii) hampered the Hospitals ability to prosper, as discussed above, and (iii) accelerated the demise of these Hospitals. Verity, its employees, tens of thousands of vendors and other parties have made tireless efforts during the sale process to ensure high quality continued patient care and to take the necessary steps that would allow the Hospitals to be sold to a new operator that could successfully operate the Hospitals. The Bankruptcy Court has now approved the sale to SGM, which paves the way for these Hospitals and the communities they serve to continue the Hospitals' mission of quality patient care.

16. The Debtors did not receive any other qualified bid to purchase the Hospitals. Thus, there is no back-up bidder to purchase the Hospitals if the SGM Sale does not close. Additionally, SGM representatives have repeatedly told the Debtors that multiple lenders have informed SGM that they would not agree to finance the SGM Sale if the conditions were not consistent with Schedule 8.6, which makes the SGM Sale nearly impossible to close. Consequently, if the Additional Conditions were imposed, they would create an environment where it is likely no lender would be willing to finance the sale of the Hospitals to SGM, ensuring closure of at least three of the Hospitals.

17. Due to the Debtors' liquidity issues, unsustainable operating losses, and the absence of an interested viable purchaser, SVMC, Seton Medical Center, and Seton Coastside would need to be closed if the SGM Sale does not close. The closures of SVMC, Seton Medical Center, and Seton Coastside would result in the loss of approximately 2,900 jobs.

18. As to SFMC, the Debtors would likely attempt a private sale in the bankruptcy cases. I, however, foresee significant challenges to SFMC's sustainability and sale. Specifically, any new sale of SFMC would require additional time, which would result in an exorbitant amount of administrative and other expenses in these cases. By way of an example, the Debtors would need to find a new buyer after a marketing process, seek approval from the Court, and then await

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

yet another review by the Attorney General. To even accomplish the foregoing, it is likely that the Debtors would need to obtain debtor in possession financing to help fund operations, which would carry another layer of expense.

19. Consequently, even if the Debtors were able to sell SFMC in the event the SGM Sale failed, recoveries to creditors would be significantly reduced by hundreds of millions of dollars since (i) there would not be any proceeds from the sale of SVMC, Seton, and Seton Coastside, and (ii) the delay associated with the second sale of SFMC.

20. The Hospitals provide access to essential healthcare services in their communities. Faced with the possibility of losing the Hospitals in their entirety, rote application of the 2015 Conditions should yield to the pragmatics of economics and demonstrable patient care and community need.

21. If the SGM transaction does not close, the Debtors, employees, pension holders, other stakeholders, and community members, would be exposed to significant and unrecoverable health care and economic loss.

22. If the SGM Sale fails, the most likely outcome is that at least three of the Hospitals will have to close. Altogether, between July 1, 2018 and June 30, 2019, the Hospitals had more than 34,000 inpatient admissions and 312,000 outpatient visits. If the Hospitals are closed, all of those patients would be forced to find alternative providers for treatment, perhaps at greater distances than they are now required to travel for treatment at the Hospitals. For example, Seton Coastside is the only emergency room facility on the Pacific Coast between Daly City and Santa Cruz. Additionally, Seton Coastside has 116 skilled nursing facility ("SNF") beds and, if Seton Coastside were closed, those residents would be forced to be relocated significant distances to find alternative facilities. In my experience, the risk of negative outcomes for emergency room patients increases as the distance, and therefore the time, required to obtain treatment, increases. Additionally, in additional to the difficulty in finding alternative facilities for the SNF patients, the impact of transfer trauma on this population could be significant.

23. Further, among the other stakeholders which will be harmed by a failed SGM Sale are the vendors that have supported the Hospitals by providing credit terms throughout these cases.

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

Under the SGM Sale, these creditors will receive payment for their support of the Hospitals during the sale process. A failed sale to SGM would put that at risk. In addition, there are thousands of vendors whose contracts will likely be assumed by SGM in the sale. Consequently, these vendors will be paid for their prepetition claims, an estimated total recovery for these vendors of $50 million. Even those vendors whose contracts are not assumed by SGM are still expected to receive millions of dollars of recoveries. In total, the failed sale to SGM would cost these vendors tens of millions of dollars in recoveries. Further, there would be a loss of future income for services provided to the operating Hospitals on a go-forward basis.

24. The Hospitals have approximately 4,900 employees. SGM has committed to retain "substantially all" employees of the Debtors, as set forth in the APA.

25. In the past week, the Debtors have finalized settlement agreements (the "Settlement Agreements") with each and every union that is party to collective bargaining agreements (the "CBAs") related to the Hospitals being sold to SGM. The Settlement Agreements provide, *inter alia*, for modification and assignment of the CBAs to SGM (along with waiver of any cure obligations of the Debtors), the treatment and allowance of certain claims, including severance for employees who are not offered employment, paid time off, and retiree health (for the few retirees who utilize the program) and the waiver of other claims. The Settlement Agreements are conditioned on Bankruptcy Court approval and on other important events, including Plan confirmation and closing of the sale to SGM for a purchase price that is not materially different from the amount contained in the SGM APA. The Debtors are in the process of finalizing pleading papers that will request Court approval of the Settlement Agreements and related relief, which it expects to file for expedited consideration presently.

26. The SGM Sale presents the Debtors' stakeholders with the best possible alternative, and the failure of the SGM transaction will likely result in a loss of healthcare access for vulnerable populations, as well as jobs of thousands of employees.

RE: Verity Health Systems, Inc. and Strategic Global Management, Inc.

Dear Mr. Becerra and Mr. Chan,

The Service Employees International Union United Healthcare Workers West (SEIU-UHW), represents approximately 1,400 workers at St. Francis Medical Center and St. Vincent Medical Center. SEIU-UHW is writing in support of the sale transaction between Verity Health Systems, Inc. and Strategic Global Management, Inc. Given that Verity Health Systems has been in bankruptcy proceedings for over a year and Strategic Global Management was the only entity to submit a qualified bid for St. Francis Medical Center and St. Vincent Medical Center we believe this transaction is the best way to preserve jobs and patient care. Therefore, we urge a prompt closing of this sale.

Sincerely,

Chokri BenSaid

RE: Verity Health Systems, Inc. and Strategic Global Management, Inc.

Dear Mr. Becerra and Mr. Chan:

The California Nurses Association represents approximately 468 registered nurses at St. Vincent Medical Center and approximately 396 registered nurses at Seton Medical Center. CNA is writing in support of the sale transaction between Verity Health Systems, Inc. and Strategic Global Management, Inc. Given that Verity Health Systems has been in bankruptcy proceedings for over a year and Strategic Global Management was the only entity to submit a qualified bid for St. Vincent Medical Center and Seton Medical Center, we believe this transaction is the best way to preserve jobs and patient care. VIA EMAIL

The Honorable Xavier Becerra
Attorney General, State of California
1300 I Street
Sacramento, CA 95814

Dear Attorney General Becerra:

The official committee of unsecured creditors (the "Committee") of debtor Verity Health System ("Verity"), a statewide healthcare provider, represents the interests of Verity's creditor constituency, including labor unions, retirees, and tort claimants, among others. The Committee is charged with the obligation to help maximize the recoveries of all unsecured creditor constituents.

Verity is rapidly depleting cash reserves such that prolonging the proceedings could result in the shuttering of healthcare facilities in underserved communities. Verity's proposed sale of assets to Strategic Global Management, Inc., an affiliate of KPC, presents an opportunity to offer continued access to health care services for those communities served by Verity, while also providing an opportunity for unsecured creditors to obtain some recovery, albeit small (absent successful litigation with the secured creditors and others). The Committee is not aware of any alternative at this point that would accomplish these goals.

Time is of the essence and any delay in closing would be very costly. Verity estimates, and the Committee believes, that the cost of delay is almost $5 million per week. Consequently, any further delay could eliminate unsecured creditor recoveries entirely.

Thank you for your consideration of the Committee's views and we look forward to further discussing this matter with you should you have any questions.

Sincerely,

Mark Shinderman

DECLARATION OF PETER BARONOFF

Peter Baronoff declares as follows:

1. I am currently the Chief Executive Officer of KPC Healthcare, Inc., which owns four hospitals in Orange County: The Orange County Global Medical Center, Southcoast Global Medical Center, Anaheim Global Medical Center, and Chapman Global Medical Center. I am also the Chief Executive Officer of Physicians for Healthy Hospitals, Inc., which owns Hemet Global Medical Center and Mennefee Global Medical Center. I am the Chief Executive Officer of Victor Valley Hospital Acquisition, Inc., which owns the Victor Valley Global Medical Center. All of the afore-said hospitals are acute care hospitals, and collectively referred to as "KPC".

2. Following the commencement of the Chapter 11 cases for Verity Health Systems of California, Inc., et al (collectively "Verity"), I began discussions with Verity's representatives regarding the possible acquisition by Strategic Global Management, Inc. ("SGM"), one of KPC's affiliates, of one or more of the Verity hospitals. Over the course of the months beginning November 2018 and continuing into February 2019, I was directly involved in the negotiations on behalf of SGM in connection with SGM's prospective acquisition of St. Vincent Medical Center, St. Vincent Dialysis Center, St. Francis Medical Center, and Seton Medical Center (including its Seton Medical Center Coastside campus) ("the SGM Hospitals"). These negotiations eventually led to the execution of an Asset Purchase Agreement between SGM and Verity for the SGM Hospitals ("APA").

3. During the course of SGM's negotiations with Verity, there were innumerable issues that the parties confronted, discussed, negotiated and ultimately resolved when the parties reached a final agreement on the terms of the APA. One of the most intensely negotiated subjects had to do with the prospective conditions that might be imposed by the California Attorney General ("Attorney General") in connection with the proposed transfer of the SGM Hospitals to SGM. Based upon my prior experience with hospital acquisitions, both in connection with my employment at KPC and also in connection with my prior employment as an

executive of Promise Healthcare ("Promise"), I was well aware of the Attorney General's approval process in connection with the sale of not for profit hospitals and with the precedent for the Attorney General to impose conditions on such sales. Indeed, I was personally involved, on behalf of Promise, in the Gardens Regional Hospital Chapter 11 case. Promise was a DIP lender and stalking horse bidder for Gardens Regional Hospital, but was ultimately outbid by SGM at the auction. When SGM terminated its purchase agreement, as a result of the imposition by the Attorney General of condition, which were deemed burdensome by SGM, that sale transaction was terminated and Gardens Regional Hospital was eventually closed.

4. Knowing that, in our case, SGM's acquisition of the SGM Hospitals would undergo an approval process by the Attorney General, and knowing that the Attorney General might impose conditions that would not be acceptable to SGM, SGM recognized the importance of negotiating a provision in its Asset Purchase Agreement which would protect it from the possibility that the Attorney General would impose conditions on the transfer of the hospitals to SGM which would be burdensome from a financial standpoint and otherwise. Accordingly, SGM and Verity spent an enormous amount of time negotiating the provisions of what became Section 8.6 (and Schedule 8.6 referenced therein) of the APA. Without question, the negotiation of Section 8.6 was the most intensely negotiated provision of the APA. In fact, it was not until the morning of the hearing to approve SGM as the stalking horse purchaser, which took place on February 6, 2019, that the parties, with input from the Official Creditors Committee and other stakeholders, were able to agree on the final wording of Section 8.6.

5. In essence, the parties agreed that if the Attorney General imposed "Additional Conditions" (as used in Section 8.6), SGM would not be obligated to close the sale unless Verity was able to procure from the Bankruptcy Court or another court, a supplemental sale order finding that the Additional Conditions are an "interest in property" for purposes of 11 U.S.C. § 363(f), and that the Assets can be sold free and clear of the Additional Conditions without the imposition of any other conditions. Section 8.6 also discusses certain time limits and finality requirements, as more specifically set forth therein.

6. The Additional Conditions referred to in Section 8.6 were those conditions which are materially different than the conditions approved by SGM in Schedule 8.6. Additional Conditions which individually or collectively impose a direct or indirect cost to SGM of $5 million, or more, shall be conclusively deemed to be "materially different."

7. On September 25, 2019, the Attorney General issued his decision with respect to the proposed transfer of the SGM Hospitals to SGM ("Decision"). We have carefully reviewed the Decision. The Attorney General's Decision imposes numerous conditions on the transfer of the SGM Hospitals to SGM. Many of these conditions are "Additional Conditions" as that term is used in Section 8.6 of the APA. SGM has evaluated the Additional Conditions and has advised Verity that, based upon these Additional Conditions, SGM is invoking its rights under Section 8.6 of the APA. Accordingly, SGM has advised Verity that SGM will not close the purchase of the SGM Hospitals unless Verity is able to obtain the requisite court order within the time period provided for in Section 8.6.

8. I declare under penalty of perjury, of the laws of the United States of America, that all of the foregoing facts are true and correct and if sworn to testify concerning the contents of this Declaration I could and would do so competently.

PETER C. CHADWICK

I, Peter C. Chadwick, declare, that if called as a witness, I would and could competently testify thereto, of my own personal knowledge, as follows:

1. I am a Managing Director of Berkeley Research Group, LLC ("BRG") and am duly authorized to make this declaration (the "Declaration") on behalf of BRG. I obtained a BA from Pennsylvania State University, and an MBA in Finance from Babson College, Olin School of Business. Before joining BRG, I was an Executive Director at Capstone Advisory Group, LLC. Prior to that, I was a Senior Managing Director at FTI Consulting. For more than twenty years, I have served as a chief restructuring officer, chief executive officer, chief operating officer, chief financial officer and as a financial advisor and trustee in complex restructuring matters. Among other things, I have significant experience in the healthcare arena and effectuating sale transactions.

2. On November 7, 2018, the Court entered an order employing BRG [Docket No. 785] as the financial advisors to Verity Health System of California, Inc. and the above-referenced debtors and debtors in possession (collectively, the "Debtors"), the above captioned chapter 11 cases (the "Cases"). I have diligently worked with the Debtors on every aspect of their Cases. In addition, I have been serving as Chief Financial Officer of Seton Medical Center since September 1, 2019.

3. Except as otherwise indicated herein, this Declaration is based upon my personal knowledge, my review of relevant documents or information provided to me by employees of BRG and the Debtors. In preparing this Declaration, I have relied on my experience as described above. I am also assisted by others at BRG who work at my direction in the preparation of the analysis and other information included herein. In addition, I reviewed the Debtors' schedules and legal papers. In preparing this Declaration, I worked with persons at the Debtors' facilities with factual knowledge of information upon which I have relied. If called upon to testify, I would testify competently to the facts set forth in this Declaration.

4. This Declaration is in support of the *Debtors' Emergency Motion for the Entry of an Order (I) Enforcing the Order Authorizing the Sale to Strategic Global Management, Inc.; (II) Finding That the Sale Is Free and Clear of Conditions Materially Different Than Those Approved*

by the Court; (III) Finding That the Attorney General Abused His Discretion in Imposing Conditions on That Sale; and (IV) Granting Related Relief (the "Motion"), and for all other purposes permitted by law. All capitalized terms not otherwise defined herein shall have the same meaning as in the Motion.

5. I have reviewed the conditions (the "2019 Conditions") set forth in the September 25, 2019 report (the "Report") issued by the California Attorney General (the "Attorney General") regarding the proposed sale of St. Francis Medical Center ("SFMC"), St. Vincent Medical Center ("SVMC"), and Seton Medical Center, including its Daly City and Coastside Campuses ("Seton") (collectively, the "Hospitals"), to Strategic Global Management, Inc. ("SGM") and its affiliated entities, as reflected in that certain Asset Purchase Agreement (the "APA"). I have also compared the 2019 Conditions to Schedule 8.6 to the APA.

6. Several of the 2019 Conditions differ materially from Schedule 8.6 attached to the APA (the "Additional Conditions"). The Additional Conditions would have a significant impact on the economic viability of the Hospitals and increase the purchase price in the APA to nearly a billion dollars. By way of example only, the 2019 Conditions would require SVMC to remain operated and maintained as a licensed general acute care hospital (as defined in California Health and Safety Code Section 1250) through December 2024, whereas Schedule 8.6 provides that SVMC must be operated through December 2020. The reported Financial Statements of SVMC reflect that, in fiscal 2019 (ended June 30, 2019), SVMC lost approximately $65 million which was an 18% and 103% increase over the fiscal years 2018 and 2017, respectively. Attached hereto as Exhibit "1" is a true and correct copy of excerpts from SVMC's Financial Statements, which reflect this information. Assuming operating losses at SVMC can be maintained at fiscal 2019 levels (a highly optimistic assumption), the buyer of the Hospitals would likely incur additional estimated losses totaling $260 million. Moreover, the $260 million loss would likely need to be financed. Using an average interest rate of 5% for four years of debt service would result in estimated incremental financing charges totaling approximately $25 million. Accordingly, this 2019 Condition alone would place a potential burden on the buyer of at least $285 million beyond that contemplated in Schedule 8.6.

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

7. The Additional Conditions also impose certain charity care ("Charity Care") requirements on SGM. The Charity Care requirement presents another example of the significant economic impact of the 2019 Conditions when compared with Schedule 8.6. The 2019 Conditions require SGM to provide an annual amount of Charity Care at SFMC equal to or greater than $12,793,435 for a period of six fiscal years, which is at least $4,793,435, per year more than SGM has agreed to provide pursuant to Schedule 8.6 for a period of seven years. After adjusting for the one-year shorter required duration of this 2019 Condition, the estimated incremental cost to the buyer would be nearly $20 million in total over the six years. The 2019 Conditions provide for additional increases in Charity Care amounts for SVMC and Seton, as well as increases across all three Hospitals in Community Benefit Service amounts. Moreover, these Charity Care conditions would actually require the Hospitals to increase the Charity Care they provide above current levels.

8. In summary, the total financial impact of just these two examples of 2019 Conditions would require SGM to incur additional losses of approximately $305 million beyond those contemplated by Schedule 8.6. Attached hereto as Exhibit "2" is a chart reflecting the economic analysis set forth above. When compared to the buyer's APA purchase price of $610 million, these represent a 50% increase in the price for the sale of these distressed assets. The magnitude of these losses calls into question the viability of the acquisition.

9. The two examples of 2019 Conditions addressed above were selected to illustrate the impact on the viability of the system and impact on sale. In fact, many of the other 2019 Conditions materially diverge from Schedule 8.6, including those addressing cancer services and select uneconomic payor agreements. In addition, some of the 2019 Conditions diverge from the conditions under which VHS is currently required to operate (the "2015 Conditions"), including those addressing continuing liver transplant services and acting as a ST-Elevation Myocardial Infarction receiving center. The 2015 Conditions locked the Hospitals into financial obligations and operational obligations that made financial success impossible (the Debtors have lost hundreds of millions of dollars as a result of the implementation of the 2015 Conditions). The Hospitals' adherence to the Additional Conditions (aside from the two specific examples

discussed in paragraphs 6-8 above) would add an additional burden of tens of millions of dollars in losses, further undermining the viability of the Hospitals.

I declare under penalty of perjury and of the laws in the United States of America, the foregoing is true and correct.

DECLARATION OF HOPE R. LEVY-BIEHL

I, Hope R. Levy-Biehl, declare that I have personal knowledge of the facts set forth in this declaration, and I would competently testify to them under oath if called as a witness.

1. I am an attorney at law licensed to practice before all courts in the State of California. I am a partner in the law firm of Nelson Hardiman LLP, attorneys for Verity Health System of California, Inc. ("VHS").

2. This Declaration is in support of the *Debtors' Emergency Motion for the Entry of an Order (I) Enforcing the Order Authorizing the Sale to Strategic Global Management, Inc.; (II) Finding That the Sale Is Free and Clear of Conditions Materially Different Than Those Approved by the Court; (III) Finding That the Attorney General Abused His Discretion in Imposing Conditions on That Sale; and (IV) Granting Related Relief* (the "Motion"), and for all other purposes permitted by law. All capitalized terms not otherwise defined herein shall have the same meaning as in the Motion.

3. Upon information and belief, I understand VHS has had an ongoing dialogue for several years with the California Attorney General about the financial challenges facing VHS and the future of the O'Connor Hospital ("OCH"), Saint Louise Regional Hospital ("SLRH"), St. Francis Medical Center ("SFMC"), St. Vincent Medical Center ("SVMC"), and Seton Medical Center, including its Daly City and Coastside Campuses ("Seton"). For example, I understand that in anticipation of filing for bankruptcy, VHS representatives met with Deputy Attorney General Wendi Horwitz in July of 2018.

4. On December 27, 2018, the Bankruptcy Court entered the *Order (A) Authorizing the Sale of Certain of the Debtors' Assets to Santa Clara County Free and Clear of Liens, Claims, Encumbrances, and Other Interests; (B) Approving the Assumption and Assignment of an Unexpired Lease Related Thereto; and (C) Granting Related Relief* [Docket No. 1153], approving a sale of OCH and SLRH, and related assets, to Santa Clara County (the "SCC Sale").

5. Upon information and belief, I understand VHS representatives subsequently met with Attorney General Xavier Becerra and Senior Advisor Becerra Melanie Fontes Rainer in

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

Sacramento in February of 2019, to discuss the pending SCC Sale and the forthcoming auction and sale of SFMC, SVMC and Seton (collectively, the "Hospitals").

6. On May 2, 2019, the Court entered the order (the "Sale Order") approving the sale of substantially all assets of Debtors' Hospitals, to Strategic Global Management, Inc. ("SGM") for $610 million (the "SGM Sale"), plus the payment of cure costs and assumption of certain liabilities, as more fully set forth in that certain asset purchase agreement (the "APA") [Docket No. 2306].

7. In anticipation of submitting a notice and request for approval of the SGM Sale to the Attorney General's office, VHS representatives from Nelson Hardiman (including myself) engaged with Deputy Attorney General Scott Chan beginning in early April 2019. These discussions and exchanges were regular and ongoing, and addressed, among other things, the substantive and procedural requirements for the submission and review and the related timeline. At all times, VHS consistently requested an expedited review of the submission in light of its significant operating losses and cash flow challenges.

8. By letter dated May 7, 2019, VHS provided notice to, and requested written consent from, the Attorney General for the SGM Sale pursuant to California Corporations Code Section 5914 and Title 11 of the California Code of Regulations, Section 999.5. *See* Docket No. 2379. As outlined in the submission and discussed a number of times in writing, in person and by email with various representatives of the Attorney General, the SGM Sale was critical and truly the only option to help ensure that the Hospitals would survive the current financial challenges facing them and be preserved as providers of essential health care services to the communities they serve.

9. The submission to the Attorney General, on May 7, 2019, was supplemented and completed on May 13, 2019, with the filing made to the Federal Trade Commission pursuant to the Hart-Scott-Rodino Antitrust Improvements Act 1976, as amended.

10. VHS representatives thereafter engaged in ongoing discussions with the Attorney General's office, requesting, among other things, an in-person meeting to review the submission and transaction prior to the completion of its expert's Health Care Impact Statements and the expedited processing of the submission. The Attorney General denied both requests.

DENTONS US LLP

11. The Attorney General retained JD Healthcare to prepare Health Care Impact Statements regarding the proposed sale of the Hospitals. After conducting interviews of certain corporate and hospital personnel of VHS and other stakeholders in July 2019, and in advance of the public hearings held by the Attorney General, JD Healthcare released its Health Care Impact Statements concerning the proposed sale of the Hospitals on August 16, 2019 and August 19, 2019.

12. By letter, dated August 21, 2019, SGM submitted its response to the Health Care Impact Statements and the embedded recommended conditions. By letter dated August 23, 2019, VHS submitted its response to these statements and conditions, which was also filed with the Bankruptcy Court. True and correct copies of these letters are annexed as Exhibit "E" to the Motion.

13. In late August 2019, Deputy Attorney General Scott Chan, on behalf of the Attorney General, held public meetings relating to each affected hospital. I attended the public hearings regarding the sale of SFMC and SVMC. At each of the public meetings I attended, Rich Adcock of VHS, Peter Baronoff of SGM, and Sam Maizel of Dentons US LLP, each spoke directly and on the record about the economic issues raised by the potential conditions for each hospital, and urged the Attorney General to consider the economic implications of the conditions he would impose. Mr. Adcock and Mr. Baronoff made clear that the proposed transaction would be at risk, and therefore the continued operations of the Hospitals would be at risk, if the Attorney General imposed conditions which exceeded the conditions agreed to in Schedule 8.6. I understand Rich Adcock, Peter Baronoff and Sam Maizel made similar statements at the Seton public hearings.

14. Following its receipt of the "deal breaker" letters and the public hearings, the Attorney General's office met first with representatives from SGM on September 6, 2019, and subsequently with representatives of both SGM and VHS on September 19, 2019. Upon information and belief, I understand that at the meeting on September 19, 2019, SGM informed the Attorney General's office that it would not proceed with the transaction if the Attorney General imposed conditions beyond those it agreed to accept in Schedule 8.6 to the APA.

I declare under penalty of perjury under the laws of the United States that the foregoing is true and correct.

This matter came before the Court on the *Motion For The Entry Of (I) An Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And For Prospective Overbidders To Use, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections, (3) Approving Form Of Notice To Be Provided To Interested Parties, (4) Scheduling A Court Hearing To Consider Approval Of The Sale To The Highest Bidder And (5) Approving Procedures Related To The Assumption Of Certain Executory Contracts And Unexpired Leases; And (II) An Order (A) Authorizing The Sale Of Property Free And Clear Of All Claims, Liens And Encumbrances* (the "Motion") [Docket No. 1279], filed by Verity Health System of California, Inc. ("VHS"), and the above-referenced affiliated debtors and debtors in possession in the above-captioned chapter 11 bankruptcy cases (the "Debtors"), for the entry of an order, pursuant to §§ 105(a), 363, and 365 of title 11 of the United States Code (the "Bankruptcy Code"), Rules 2002, 6004, 6006, 9007, and 9014, and LBR 6004-1.[1]

At the previous hearing on the Motion on February 19, 2019 (the "Bidding Procedures Hearing"), the Court considered various objections (the "Premature Objections") filed by: (i) St Vincent IPA Medical Corporation and Angeles IPA [Docket No. 1397]; (ii) the California Attorney General [Docket No. 1352]; (iii) MGH Painting Inc. [Docket No. 1358]; and (iv) Belfor USA Group, Inc. [Docket No. 1364]. The Court ruled that the Premature Objections were premature and preserved for the Sale Hearing, as set forth in order granting the Motion (the "Bidding Procedures Order") [Docket No. 1572]. The Bidding Procedures Order also stated that objections filed by the U.S. Department of Health and Human Services and Centers for Medicare and Medicaid Services [Doc. No. 1346] and the California Department of Health Care Services [Doc. No. 1353] (the "Continued Objections") were continued, as resolved by stipulations [Docket Nos. 1458 and 1473, respectively], approved by this Court's orders [Docket Nos. 1465 and 1483, respectively].

[1] Unless specified otherwise, all chapter and section references are to the Bankruptcy Code, 11 U.S.C. §§ 101-1532, all "Rule" references are to the Federal Rules of Bankruptcy Procedure, and all "LBR" references are to the Local Bankruptcy Rules for the United States Bankruptcy Court for the Central District of California.

Any additional objections that were filed and overruled at the Bidding Procedures Hearing are not listed herein.

The Court, having reviewed the Memorandum [Docket No. 2115], the Declarations of Richard Adcock [Docket Nos. 8 and 1469] and James Moloney [Docket No. 2220] in support thereof, the *Notice To Counterparties To Executory Contracts And Unexpired Leases Of The Debtors That May Be Assumed And Assigned* [Docket No. 1704], the *Supplemental Notice To Counterparties To Executory Contracts and Unexpired Leases of The Debtors That May Be Assumed and Assigned* [Docket No. 1836], the *Second Supplemental Notice Re Notice to Counterparties to Executory Contracts and Unexpired Leases of the Debtors That May Be Assumed and Assigned* [Docket No. 2065] (together Docket Nos. 1704, 1836 and 2065 are the "Cure Notice"), the *Notice of Executory Contracts and Unexpired Leases Designated by Strategic Global Management, Inc. For Assumption and Assignment* [Docket No. 2131] (the "Designation Notice"), the *Notice That No Auction Shall Be Held Re Debtors' Motion and Motion for the Entry of (I) An Order (1) Approving Form of Asset Purchase Agreement for Stalking Horse Bidder and for Prospective Overbidders; (2) Approving Auction Sale Format, Bidding Procedures and Stalking Horse Bid Protections; (3) Approving Form of Notice to Be Provided to Interested Parties; (4) Scheduling a Court Hearing to Consider Approval of the Sale to the Highest Bidder; and (5) Approving Procedures Related to the Assumption of Certain Executory Contracts and Unexpired Leases; and (II) an Order (A) Authorizing the Sale of Property Free and Clear of All Claims, Liens and Encumbrances* [Docket No. 2053] (the "No-Auction Notice"), the objections filed by various counterparties to certain executory contracts and unexpired leases [Docket Nos. 1788; 1804; 1819; 1830; 1849; 1850; 1852; 1853; 1856-1858; 1863; 1866; 1869; 1870; 1873-1877 1881; 1882; 1885; 1890-1892; 1904; 1926; 1930; 1933; 1940; 1946; 1948; 1949; 1953; 1954; 1965; 2058; 2066; 2108; 2113; 2144; 2146; 2148, 2150, 2157, 2161, 2162] (the "Cure Objections"), the objection by the California Department of Health Care Services (the "DHCS") [Docket No. 1879], the *Stipulation Continuing Hearing Regarding Creditors U.S. Department of Health and Human Services and California Department of Health Care Services* [Docket No.

the legal and factual bases set forth in the Motion and presented at the Sale Hearing establish just cause for the relief granted herein and for the reasons set forth in the Court's tentative ruling [Docket No. 2221]; and all objections to the Motion, if any, having been withdrawn, continued or overruled; and for the reasons set forth in the Court's tentative ruling [Docket No. 2221], which the Court adopts as its final ruling and which is incorporated herein by reference; and after due deliberation and sufficient good cause appearing therefor:

THE COURT HEREBY FINDS AND CONCLUDES THAT:[2]

A. Jurisdiction and Venue. This Court has jurisdiction to hear and determine the Motion pursuant to 28 U.S.C. §§ 157 and 1334. This matter relates to the administration of the Debtors' bankruptcy estates and is accordingly a core proceeding pursuant to 28 U.S.C. § 157(b)(2) (A), (M), (N) and (O). Venue of these cases is proper in this District and in this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

B. Statutory Predicates. The statutory predicates for the relief requested in the Motion are (i) §§ 105(a), 363(b), (f), (k), (l) and (m), and 365, (ii) Rules 2002(a)(2), 2002(c)(1) and (d), 6004 (a), (b), (c), (e), (f) and (h), 6006(a), (c) and (d), 9006, 9007, 9013 and 9014, and (iii) LBR 6004-1 and 9013-1.

C. Notice. As evidenced by the affidavits of service previously filed with the Court, the Debtors have provided proper, timely, adequate and sufficient notice with respect to the following: (i) the Motion and the relief sought therein, including the entry of this Sale Order and the transfer and sale of the assets (the "Purchased Assets"), as set forth in the Asset Purchase Agreement, dated January 8, 2019, a copy of which is attached as Exhibit "A" to Docket No. 1279 (the "APA"); (ii) the Sale Hearing; (iii) the No-Auction Notice; and (iv) the assumption and assignment of the executory contracts and unexpired leases and proposed cure amounts owing under such executory contracts and unexpired leases (the "Cure Amounts"); and no further notice

[2] The findings and conclusions set forth herein constitute the Court's findings of fact and conclusions of law pursuant to Rule 7052, made applicable to this proceeding pursuant to Rule 9014. To the extent that any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent that any of the following conclusions of law constitute findings of fact, they are adopted as such.

of the Motion, the relief requested therein or the Sale Hearing is required. The Debtors have also complied with all obligations to provide notice of the Auction, the Sale Hearing, the proposed sale and otherwise, as required by the Bidding Procedures Order. A reasonable opportunity to object and to be heard regarding the relief provided herein has been afforded to parties-in-interest.

D. Arm's Length Transaction. The APA and other documents and instruments (the "Transaction Documents") related to and connected with this transaction (the "Transaction") and the consummation thereof were negotiated and entered into by the Debtors and Strategic Global Management, Inc. ("SGM"), as Purchaser under the APA without collusion, in good faith and through an arm's length bargaining process. Neither SGM nor any of its affiliates or representatives is an "insider" of the Debtors, as that term is defined in § 101(31). None of the Debtors, SGM, or their respective representatives engaged in any conduct that would cause or permit the APA, any of the other Transaction Documents or the Transaction to be avoided under § 363(n), or have acted in any improper or collusive manner. The terms and conditions of the APA and the other Transaction Documents, including, without limitation, the consideration provided in respect thereof, are fair and reasonable, and are not avoidable and shall not be avoided, and no damages may be assessed against SGM or any other party, as set forth in § 363(n). The consideration provided by SGM is fair, adequate and constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code and any other applicable laws of the United States or any of its jurisdictions or subdivisions, including the State of California.

E. Good Faith Purchaser. SGM has proceeded in good faith and without collusion in all respects in connection with the sale process, in that: (i) SGM, in proposing and proceeding with the Transaction in accordance with the APA, recognized that the Debtors were free to deal with other interested parties; (ii) SGM agreed to provisions in the APA that would enable the Debtors to accept a higher and better offer; (iii) SGM complied with all of the provisions in the Bidding Procedures Order applicable to SGM; (iv) all payments to be made by SGM and other agreements entered into or to be entered into between SGM and the Debtors in connection with the Transaction have been disclosed; (v) the negotiation and execution of the APA and related

Transaction Documents were conducted in good faith and constituted an arm's length transaction; (vi) SGM did not induce or cause the chapter 11 filings by the Debtors; and (vii) the APA was not entered into, and the Transaction being consummated pursuant to and in accordance with the APA is not being consummated, for the purpose of hindering, delaying or defrauding creditors of the Debtors. SGM is therefore entitled to all of the benefits and protections provided to a good-faith purchaser under § 363(m). Accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the Transaction shall not affect the validity of the Transaction, any terms or conditions of the Transaction or SGM's status as a "good faith" purchaser.

F. Justification for Relief. Good and sufficient reasons for approval of the APA and the other Transaction Documents and the Transaction have been articulated to this Court in the Motion and at the Sale Hearing, and the relief requested in the Motion and set forth in this Sale Order is in the best interests of the Debtors, their estates, and their creditors. The Debtors have demonstrated through the Motion and other evidence submitted at the Sale Hearing both (i) good, sufficient and sound business purpose and justification and (ii) compelling circumstances for the transfer and sale of the Purchased Assets as provided in the APA outside the ordinary course of business, and (iii) such transfer and sale is an appropriate exercise of the Debtors' business judgment and in the best interests of the Debtors, their estates, and their creditors.

G. Free and Clear. In accordance with §§ 363(b) and 363(f), the consummation of the Transaction pursuant to the Transaction Documents shall be a legal, valid, and effective transfer and sale of the Purchased Assets and, except with respect to the liens arising from the Special Assessments and the PACE Obligations (each as defined in §1.1(a)(iii) of the APA) assumed by SGM, shall vest in SGM, through the consummation of the Transaction, all of the Debtors' right, title, and interest in and to the Purchased Assets, free and clear of all liens, claims, interests, rights of setoff, recoupment, netting and deductions, rights of first offer, first refusal and any other similar contractual property, legal or equitable rights, and any successor or successor-in-interest liability theories (collectively, the "Encumbrances"). The Debtors have demonstrated that one or

more of the standards set forth in § 363(f)(1)-(5) have been satisfied. Those holders of Encumbrances who did not object, or who withdrew their objections, to the sale or the Motion are deemed to have consented pursuant to § 363(f)(2). Those holders of Encumbrances who did object fall within one or more of the other subsections of § 363(f). All holders of the Encumbrances in the Purchased Assets are adequately protected by having their respective Encumbrances attach to the Debtors' interests in the proceeds of the sale of the Purchased Assets under the APA (subject to any Challenge within the meaning of that certain *Final Order (I) Authorizing Postpetition Financing, (II) Authorizing Use of Cash Collateral, (III) Granting Liens and Providing Superpriority Administrative Expense Status, (IV) Granting Adequate Protection, (V) Modifying Automatic Stay, and (VI) Granting Related Relief* [Docket No. 409] (the "Final DIP Order") that has been, or may be, timely filed[3]), and any related documents or instruments delivered in connection therewith, whenever and wherever received (the "Sale Proceeds") to the extent and manner herein provided.

H. Prompt Consummation. The Debtors have demonstrated good and sufficient cause to waive the stay requirement under Rules 6004(h) and 6006(d). Time is of the essence in consummating the Transaction, and it is in the best interests of the Debtors and their estates to consummate the Transaction within the timeline set forth in the Motion and the APA. The Court finds that there is no just reason for delay in the implementation of this Order, and expressly directs entry of judgment as set forth in this Order.

[3] The Final DIP Order granted to the Committee standing to file the requisite pleading to challenge the validity, enforceability and amount of the Prepetition Liens (each such proceeding or appropriate pleading commencing a proceeding or other contested matter, a "Challenge") within ninety (90) days from the formation of the Committee (the "Challenge Deadline"). *See* Final DIP Order ¶ 5(e). The Committee's investigation as to the Prepetition Liens remains ongoing. The Committee and the Prepetition Secured Creditors have entered into a number of stipulations (the "Challenge Stipulations") by which the Committee has acknowledged and stipulated to the validity, enforceability and perfection of the Prepetition Liens in certain collateral identified in the Challenge Stipulations, and by which the Challenge Deadline has been extended a number of times with respect to the validity, enforceability and perfection of the Prepetition Liens in any other collateral. The Challenge Deadline with respect to any Prepetition Liens for which the Committee has not stipulated pursuant to the Challenge Stipulations as to the validity, enforceability and perfection thereof is now May 13, 2019.

I. Assumption of Executory Contracts and Unexpired Leases. The Debtors have demonstrated that it is an exercise of their sound business judgment to assume and assign to SGM the Currently Identified Designated Contracts (as defined and identified in paragraph 15 below) and to the extent subsequently identified by SGM pursuant to paragraph 16 below, the Subsequently Identified Designated Contracts (as defined in paragraph 16 below) (the Currently Identified Designated Contracts and the Subsequently Identified Contracts are collectively referred to herein as the "Designated Contracts") in connection with the consummation of the Transaction, and the assumption and assignment of the Designated Contracts is in the best interests of the Debtors and their estates.

J. Cure/Adequate Assurance. In connection with the Closing, and pursuant to the APA, unless otherwise ordered, any and all defaults existing on or prior to the Closing under any of the Designated Contracts will have been cured, within the meaning of § 365(b)(1)(A), by payment of the amounts and in the manner set forth below, unless otherwise agreed by SGM and the counterparty. SGM has provided or will provide adequate assurance of future performance of and under the Designated Contracts within the meaning of § 365(b)(1)(C) and § 365(f)(2)(B), and shall have no further obligation to provide assurance of performance to any counterparty to a Designated Contract. Pursuant to § 365(f), the Designated Contracts to be assumed by the Debtors (i.e., St. Francis Medical Center, a California nonprofit public benefit corporation ("St. Francis Medical Center"), St. Vincent Medical Center, a California nonprofit public benefit corporation ("St. Vincent Medical Center"), St. Vincent Dialysis Center, Inc., a California nonprofit public benefit corporation ("St. Vincent Dialysis Center"), and Seton Medical Center, a California nonprofit public benefit corporation ("Seton Medical Center") (collectively, the "Hospitals"), VHS, and Verity Holdings LLC, a California limited liability company ("Holdings")), and assigned to SGM under the APA shall be assigned and transferred to, and remain in full force and effect for the benefit of, SGM, notwithstanding any provision in such Designated Contracts prohibiting their assignment or transfer. The Debtors have demonstrated that no other parties to any of the Designated Contracts has incurred any actual pecuniary loss

LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

resulting from a default on or prior to the Closing under any of the Designated Contracts within the meaning of § 365(b)(1)(B).

K. Rejection of Executory Contracts and Unexpired Leases. The Debtors will have demonstrated that it is a reasonable and appropriate exercise of their sound business judgment for the Hospitals to reject all of their executory contracts and unexpired leases, excluding (i) Designated Contracts, (ii) any prepetition multiparty contract affecting more than one Debtor in addition to the Hospitals, (iii) any prepetition contract that is the subject of a Rule 9019 settlement motion prior to Closing, and (vi) any collective bargaining agreement, pension plan or health and welfare plan providing collectively bargained benefits to which a Hospital is a party or sponsor, which matters shall be scheduled for determination as provided in paragraph 33 below. Each such executory contract rejection is subject only to the conditions set forth in paragraphs 18, 31, and 32. The Debtors shall file an appropriate motion to reject such contracts, covered by this paragraph K, prior to Closing and shall request therein that the rejection be effective as of the Closing or as otherwise appropriate.

L. Highest or Otherwise Best Offer. The Debtors solicited offers and noticed the Auction in accordance with the provisions of the Bidding Procedures Order. The Auction was duly noticed, the sale process was conducted in a non-collusive manner and the Debtors afforded a full, fair and reasonable opportunity for any person or entity to make a higher or otherwise better offer to purchase the Purchased Assets. Other than SGM's Stalking Horse Bid, the Debtors received two Qualified Partial Bids by the Partial Bid Deadline and did not receive a Qualified Full Bid (as such terms are defined by the Bidding Procedures Order). The Debtors properly consulted with the Consultation Parties in selecting the SGM Stalking Horse Bid as the highest and best bid and in determining that no auction should be held (as such terms are defined in the Bidding Procedures Order), as set forth in their No-Auction Notice. The transfer and sale of the Purchased Assets to SGM on the terms set forth in the APA constitutes the highest or otherwise best offer for the Purchased Assets and will provide a greater recovery for the Debtors' estates than would be provided by any other available alternative. The Debtors' determination, in

consultation with the Consultation Parties (as defined in the Bidding Procedure Order), that the APA constitutes the highest or best offer for the Purchased Assets and to not conduct an auction constitutes a valid and sound exercise of the Debtors' business judgment.

M. No *De Facto* or *Sub Rosa* Plan of Reorganization. The sale of the Purchased Assets does not constitute a *de facto* or *sub rosa* plan of reorganization or liquidation because it does not propose to (i) impair or restructure existing debt of, or equity or membership interests in, the Debtors, (ii) impair or circumvent voting rights with respect to any plan proposed by the Debtors, (iii) circumvent chapter 11 safeguards, including those set forth in §§ 1125 and 1129, or (iv) classify claims or equity or membership interests.

N. Legal and Factual Bases. The legal and factual bases set forth in the Motion and at the Sale Hearing establish just cause for the relief granted herein.

NOW THEREFORE, IT IS HEREBY ORDERED THAT:

1. The relief requested in the Motion is GRANTED and APPROVED in all respects to the extent provided herein.

2. All objections with regard to the relief sought in the Motion that have not been withdrawn, waived, settled, or provided for herein or in the Bidding Procedures Order, including any reservation of rights included in such objections, are overruled on the merits with prejudice. To the extent of any inconsistency between this Sale Order and the Bidding Procedures Order, the terms of this Sale Order shall prevail.

3. Pursuant to §§ 105(a), 363(b), 363(f), and 365, the Transaction, including the transfer and sale of the Purchased Assets to SGM on the terms set forth in the APA, is approved in all respects, and the Debtors are authorized and directed to consummate the Transaction in accordance with the APA, including, without limitation, by executing all of the Transaction Documents (and any ancillary documents or instruments that may be reasonably necessary or desirable to implement the APA or the Transaction) and taking all actions necessary and appropriate to effectuate and consummate the Transaction (including the transfer and sale of the Purchased Assets) in consideration of the Purchase Price (as defined in § 1.1 of the APA) upon

the terms set forth in the APA, including, without limitation, assuming and assigning to SGM the Designated Contracts. The Debtors and SGM shall have the right to make any mutually agreeable, non-material changes to the APA, which shall be in writing signed by both parties, without further order of the Court provided, that after reasonable notice, the Official Committee of Unsecured Creditors (the "Committee"), the DIP Agent (as defined in the Final DIP Order defined below), and the Prepetition Secured Creditors (as defined in the Final DIP Order) do not object to such changes. Any timely objection by the aforementioned parties to any agreed non-material changes to the APA may be resolved by the Court on shortened notice.

4. As of the Closing, (i) the Transaction set forth in the APA shall effect a legal, valid, enforceable and effective transfer and sale of the Purchased Assets to SGM free and clear of all Encumbrances, except with respect to the liens arising from the Special Assessments and the PACE Obligations assumed by SGM, as further set forth in the APA and this Sale Order; and (ii) the APA, and the other Transaction Documents, and the Transaction, shall be enforceable against and binding upon, and not subject to rejection or avoidance by, the Debtors, any successor thereto including a trustee or estate representative appointed in the Bankruptcy Cases, the Debtors' estates, all holders of any Claim(s) (as defined in the Bankruptcy Code) against the Debtors, whether known or unknown, any holders of Encumbrances on all or any portion of the Purchased Assets, all counterparties to the Designated Contracts and all other persons and entities.

5. Encumbrances in and to Purchased Assets shall attach (subject to any Challenge within the meaning of the Final DIP Order that has been, or may be, timely filed) to the Sale Proceeds of such Purchased Assets with each such Encumbrance having the same force, extent, effect, validity and priority as such Encumbrance had on the Purchased Assets giving rise to the Sale Proceeds immediately prior to the Closing. For the avoidance of doubt, the foregoing force, extent, effect, validity and priority shall: (i) reflect the security interests, liens (including any Prepetition Replacement Liens arising for diminution of value, if any) and rights, powers and authorities that have been granted to the DIP Agent, the DIP Lender and to the Prepetition

Secured Creditors, as applicable, pursuant to the Final DIP Order, to the extent that (i) the rights granted to the Prepetition Secured Creditors with respect to §§506(c) and 552(b) by the Final DIP Order are not limited or modified as a result of the appeal from the Final DIP Order filed by the Committee on November 29, 2019; and/or (ii) any replacement liens or security interest granted to the Prepetition Secured Creditors by the Final DIP Order are not invalidated as a result of any Challenge within the meaning of the Final DIP Order that has been, or may be, timely filed. In addition, the Intercreditor Agreement (as defined in the Final DIP Order) shall apply with respect to the rights of the parties thereto in and to the Sale Proceeds and the Escrow Deposit Account, to the extent of and in accordance with its terms with all parties reserving all rights thereunder.

6. Subject to the fulfillment of the terms and conditions of the APA, this Sale Order shall, as of the Closing, be considered and constitute for all purposes a full and complete general assignment, conveyance, and transfer of the Purchased Assets and/or a bill of sale transferring all of the Debtors' rights, title and interest in and to the Purchased Assets to SGM. Consistent with, but not in limitation of the foregoing, each and every federal, state, and local governmental agency or department, except as stated herein, is hereby authorized and directed to accept all documents and instruments necessary and appropriate to consummate the transactions contemplated by the APA and approved in this Sale Order. A certified copy of this Order may be filed with the appropriate clerk and/or recorded with the appropriate recorder to cancel any Encumbrances of record.

7. Any person or entity that is currently, or on the Closing Date may be, in possession of some or all of the Purchased Assets is hereby directed to surrender possession of such Purchased Assets either to (a) the Debtors before the Closing or (b) to SGM or its designee upon the Closing, and to cooperate with the Debtors and SGM in the Debtors' and SGM's fulfillment of their obligations hereunder and pursuant to the APA.

8. The transfer of the Purchased Assets pursuant to the Transaction Documents shall be a legal, valid, and effective transfer and shall, in accordance with §§ 105(a) and 363(f), and upon consummation of the Transaction, including, without limitation, payment of the Purchase

Price to the Debtors, vest SGM with all right, title, and interest in the Purchased Assets, free and clear of all Encumbrances. Upon closing of the Transaction, SGM shall take title to and possession of the Purchased Assets, subject only to the Assumed Obligations, as set forth in the APA. The transfer of the Purchased Assets from the Debtors to SGM constitutes a transfer for reasonable equivalent value and fair consideration under the Bankruptcy Code and the laws of the State of California.

9. Following the Closing, no holder of any Encumbrance against the Debtors or upon the Purchased Assets shall interfere with SGM's respective rights in, title to or use and enjoyment of the Purchased Assets. All persons and entities are hereby forever prohibited and enjoined from taking any action that would adversely affect or interfere with the ability of the Debtors to sell and transfer the Purchased Assets to SGM, including the assumption and assignment of the Designated Contracts.

10. SGM shall not be deemed, as a result of any action taken in connection with, or as a result of the Transaction (including the transfer and sale of the Purchased Assets), to: (i) be a successor, continuation or alter ego (or other such similarly situated party) to the Debtors or their estates by reason of any theory of law or equity, including, without limitation, any bulk sales law, doctrine or theory of successor liability, or any theory or basis of liability, regardless of source of origin; or (ii) have, *de facto* or otherwise, merged with or into the Debtors; or (iii) be a mere continuation, *alter ego*, or substantial continuation of the Debtors. Other than the Assumed Liabilities, SGM is not assuming any of the Debtors' debts.

11. This Sale Order (i) shall be effective as a determination that, on Closing, all Encumbrances existing against the Purchased Assets before the Closing have been unconditionally released, discharged and terminated, and that the transfers and conveyances described herein have been effected, and (ii) shall be binding upon and shall govern the acts of all persons and entities. If, following a reasonable written request made by the Debtors, any person or entity that has filed financing statements or other documents or agreements evidencing any Encumbrances against the Purchased Assets shall not have delivered to the Debtors for use at or

in connection with Closing, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases of all Encumbrances which the person or entity has with respect to the Purchased Assets, then SGM and/or the Debtors are hereby authorized to execute and file such statements, instruments, releases and other documents on behalf of the person or entity with respect to such Purchased Assets. For the avoidance of doubt, such statements, instruments, releases and other documents shall not impair Encumbrances that attach (subject to any Challenge within the meaning of the Final DIP Order that has been, or may be, timely filed) to the Sale Proceeds or the terms of this Order, including, but not limited to paragraphs 5 and 13 hereof.

12. In accordance with the APA, concurrently with the Closing, SGM shall pay that portion of the Purchase Price due at Closing, by wire transfer of immediately available funds, to Debtors' Escrow Deposit Accounts (defined below), subject to the adjustments set forth in the APA. Any direct expenses of the Sale shall be disclosed by Debtors to the DIP Agent, the Prepetition Secured Creditors, and the Committee in advance of the Closing.

13. The terms and conditions of the Final DIP Order shall apply with respect to the Sale Proceeds and Escrow Deposit Accounts (defined herein). Without limiting the foregoing, the Debtors shall comply with paragraph 4 of the Final DIP Order in the following manner:

(a) the Debtors shall direct SGM, pursuant to the terms of the APA, to remit all Sale Proceeds to the separate accounts opened in the name of each Debtor for the Sale Proceeds (each such hereafter referred to as "Escrow Deposit Account");

(b) in giving direction to SGM pursuant to sub-paragraph (a), above, the Debtors shall exercise their reasonable business judgment, in good faith, and allocate the Sale Proceeds among the Escrow Deposit Accounts on the basis of the value of each Debtor's Purchased Assets as of the Closing (which allocation, for the avoidance of doubt, shall be subject to the reservations of rights in paragraph 4 of the Final DIP Order and paragraph 31 of the Bidding Procedures Order; provided further that nothing in this paragraph shall waive or limit any rights the Committee or the Prepetition Secured Creditors may have in connection with the confirmation of a proposed

(c) without limitation of the rights of the DIP Agent and DIP Lender under the DIP Financing Agreements and the Final DIP Order, no funds held in any Escrow Deposit Account shall be (i) commingled with any other funds of the applicable Debtor or any of the other Debtors or (ii) used by the Debtors for any purpose, except as provided in this Order, the DIP Credit Agreements or the Final DIP Order without further order of this Court, after reasonable notice under the circumstances to the DIP Agent, the Prepetition Secured Creditors and the Committee; and

(d) each Escrow Deposit Account shall be subject to a deposit account control agreement in favor of the DIP Agent and DIP Lender, and subject to, without limitation of the rights of the DIP Agent and DIP Lender under the DIP Financing Agreements and the Final DIP Order with respect to the Sale Proceeds and Escrow Deposit Account, including, without limitation, following the occurrence of an Event of Default or the Revolving Loan Termination Date (as defined in the DIP Credit Agreement), the Debtors shall not be permitted to use the funds held in any Escrow Deposit Account for any purpose, except as provided in paragraph 14, 15, 16, and 17 of this Order, and to fund any Purchase Price adjustment in favor of the Purchaser, without first obtaining the consent of the DIP Agent, DIP Lender and the Prepetition Secured Creditors or obtaining an order of the Court pursuant to §§ 363 or 1129 after reasonable notice under the circumstances to the DIP Agent, the DIP Lender, the Prepetition Secured Creditors and the Committee and, if necessary, a hearing thereon; and

Concurrently with the Closing or as soon thereafter as is possible, and in accordance with the APA, SGM shall pay to the counter-parties to the Designated Contracts the cure amounts

set forth in the Cure Notice, or as otherwise agreed to by the Debtors, SGM and the applicable counter-parties thereto or ordered by this Court after a continued hearing on the Cure Objections (the "Designated Cure Amounts"). SGM has the right under the APA to remove any Contracts from the list of Designated Contracts up to seven (7) days prior to Closing, as also set forth in the *Order Approving Stipulation Regarding Designation Deadline Re Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And For Prospective Overbidders, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections* [Docket No. 1865].

14. To the extent that any of the contracts and/or leases, which give rise to the Designated Cure Amounts and are set forth in the Designation Notice and are not subsequently and timely removed by SGM under the APA and the *Order Approving Stipulation Regarding Designation Deadline Re Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And For Prospective Overbidders, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections* [Docket No. 1865] (the "Currently Identified Designated Contracts") are executory contracts or unexpired leases (over which the Court is not making any such determination at this time), then in connection with the Closing, the Debtors shall be deemed to have assumed all such Currently Identified Designated Contracts (so that they are deemed part of the Designated Contracts) and to have assigned them to SGM, and SGM shall have assumed all obligations owing under all such Currently Identified Designated Contracts arising after and following the Closing. The Court shall resolve any and all disputes which may arise between the Debtors, SGM and any of the Currently Identified Designated Contract Counter-Parties over whether the Currently Identified Designated Contracts are executory contracts or unexpired leases and whether any of the Currently Identified Designated Contract Counter-Parties are entitled to an allowed claim against the Debtors which exceeds the Designated Cure Amounts (the "Assumption Dispute").

15. In the event that the Court determines that any such counter-parties to the Currently Identified Designated Contracts (the "Currently Identified Designated Contract

Counter-Parties" and, individually, a "Currently Identified Designated Contract Counter-Party") have an allowed cure claim against the Debtors which exceeds the Designated Cure Amounts (the "Excess Cure Amount"), the difference will be paid by SGM and shall not be the responsibility of the Debtors as more specifically set forth below; provided, however, that unless the Court makes such a determination on or before fifteen (15) days prior to Closing, and unless the Debtor, SGM and the Currently Identified Designated Contract Counter-Party agree otherwise, the Currently Identified Designated Contract which is the subject of such Assumption Dispute, shall be deemed a rejected contract within the meaning of § 1.11(a) of the APA as of ten (10) days prior to Closing, and SGM, except as provided below, shall have no obligation to assume such Currently Identified Designated Contract or to pay any Cure Amount or Excess Cure Amount in connection with such Currently Identified Designated Contract. To the extent an Assumption Dispute relates solely to the Cure Amount, the Debtors may, with SGM's consent, assume and assign the applicable executory contract or unexpired lease at Closing and prior to the resolution of the Assumption Dispute by the Bankruptcy Court, provided, that either (a) the Bankruptcy Court has estimated the maximum cure payment, pursuant to 11 U.S.C. § 502(c), and SGM has remitted such amount to the Debtors to be held as sales proceeds in the Sale Proceeds Account for the relevant Debtor(s), or (b) SGM provides to the relevant Debtor(s) and non-Debtor counterparty a separate reasonably acceptable undertaking that SGM will promptly pay the maximum disputed cure amount in accordance with 11 U.S.C. § 365 (b)(1)(A) and (B) (or such smaller amount as may be fixed or estimated by the Bankruptcy Court or otherwise agreed to by such non-Debtor party and SGM). The Debtors shall pay and hereby are authorized to pay disputed cure amounts from the relevant Sales Proceeds Account(s) upon entry of a final order by this Court to the extent SGM remitted to Sellers the amount required by item (a) of this paragraph of the Order.

16. All of the Currently Identified Designated Contracts, to the extent they are executory contracts or unexpired leases and are not subsequently and timely removed by SGM under the APA and the *Order Approving Stipulation Regarding Designation Deadline Re Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And For*

Prospective Overbidders, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections [Docket No. 1865], or deemed a rejected contract within the meaning of § 1.11(a) of the APA pursuant to paragraph 15 above, shall be part of the Designated Contracts that will be assumed by the Debtors and assigned to SGM at the Closing. In the event that SGM elects to add any other of the Debtors' executory contracts or unexpired leases to the list of Designated Contracts (the "Subsequently Identified Designated Contracts" and, individually, a "Subsequently Identified Designated Contract") under the APA and the *Order Approving Stipulation Regarding Designation Deadline Re Order (1) Approving Form Of Asset Purchase Agreement For Stalking Horse Bidder And For Prospective Overbidders, (2) Approving Auction Sale Format, Bidding Procedures And Stalking Horse Bid Protections* [Docket No. 1865], SGM shall notify the Debtors of any such Subsequently Identified Designated Contracts on or before thirty days before Closing, and the Debtors shall (i) file a notice with the Court identifying all such Subsequently Identified Designated Contracts and their respective cure amounts as agreed upon between the Debtors and SGM, and (ii) serve such notice by over-night mail on all counter-parties to the Subsequently Identified Designated Contracts (the "Subsequently Identified Designated Contract Counter-Parties"). All Subsequently Identified Designated Contracts shall be assumed by the Debtors and assigned to SGM at the Closing, with SGM to be obligated to pay all cure amounts owing to such Subsequently Identified Designated Contract Counter-Parties concurrently with the Closing, as set forth in the Debtors' notice, or as otherwise agreed to by the Debtors, SGM and the applicable counter-parties thereto, or ordered by the Court in accordance with paragraphs 34 and 36 below (the "Additional Cure Amounts"), so long as such amount as ordered by the Court is no greater than the amount agreed upon by SGM; and in the event the Additional Cure Amount is greater than the amount agreed upon by SGM, and SGM is not willing to pay the Additional Cure Amount, the Debtors shall not be required to pay the Additional Cure Amount(s) and the Subsequently Identified Designated Contract(s) shall be deemed a rejected contract within the meaning of § 1.11(a) of the APA pursuant to paragraph 15 above; provided, and for the avoidance of doubt, no collective bargaining agreement, pension plan or health and welfare plan providing

collectively bargained benefits to which a Hospital is a party or sponsor constitutes a Currently Identified Designated Contract or a Subsequently Identified Designated Contract for which SGM or the Debtors may be obligated to pay any cure amount.

17. Upon the Closing, the Debtors are authorized and directed to assume, assign and/or transfer each of the Designated Contracts to SGM, including the Currently Identified Designated Contracts and any Subsequently Identified Designated Contracts (collectively, the "Contract Counter-Parties"). At the Closing, SGM shall pay the (i) Sale Proceeds, (ii) the Designated Cure Amounts identified in paragraph 13 above, (iii) the Excess Cure Amounts identified in paragraph 15 above, and (iv) the Additional Cure Amounts, subject to paragraph 15 above. Payment by SGM of such Designated Cure Amounts and Additional Cure Amounts are deemed the necessary and sufficient amounts to "cure" all "defaults" with respect to all such Currently Identified Designated Contracts and Subsequently Identified Designated Contracts under § 365(b). The foregoing payment shall (i) effect a cure of all defaults existing under all such Currently Identified Designated Contracts, and (ii) compensate all such Contract Counter-Parties for any actual pecuniary loss resulting from any such default. The Debtors shall then have assumed and assigned to SGM, effective as of the Closing, all of the Designated Contracts (comprised of both all Currently Identified Designated Contracts and all Subsequently Identified Designated Contracts, if any), and, pursuant to § 365(f), the assignment by the Debtors of all such Designated Contracts to SGM shall not be a default thereunder. After the payment of the Designated Cure Amounts and the Additional Cure Amounts, neither the Debtors nor SGM shall have any further liabilities to any Contract Counter-Parties, other than SGM's obligations under the Designated Contracts that accrue and become due and payable after the Closing Date. In addition, adequate assurance of future performance has been demonstrated by or on behalf of SGM with respect to all of the Designated Contracts within the meaning of §§ 365(b)(1)(c), 365(b)(3) (to the extent applicable) and 365(f)(2)(B). For the avoidance of doubt, SGM shall not be liable for the payment of any liabilities or obligations arising from or related to (a) any executory contracts that the Debtors intend to reject by appropriate motion and which are not being assumed and assigned to SGM, (b) any multiparty contract affecting more than one Debtor in addition to one of the hospitals subject to the

Transaction, or (c) any collective bargaining agreement ("CBA"), pension plan, or health and welfare plan providing for collectively bargained for benefits to which a Hospital is a party or a sponsor, unless expressly assumed and assigned with SGM's consent.

18. The Debtors intend, and are hereby authorized, to (A) reject, pursuant to § 365(a), all executory contracts to which one or more of the Hospitals are a party, excluding (i) Designated Contracts, and (ii) any prepetition multiparty contract affecting more than one Debtor in addition to one of the Hospitals, and, (B) reject and terminate, to the extent separately authorized by this Court, pursuant to §§ 1113, 1114, and any other applicable provision of the Bankruptcy Code, any collective bargaining agreement, pension plan or health and welfare plan providing collectively bargained benefits to which one of the Hospitals is a party or sponsor and that SGM does not assume.

19. All of the Contract Counter-Parties are forever barred, estopped, and permanently enjoined from (i) raising or asserting against the Debtors or SGM, or any of their property, any assignment fee, acceleration, default, breach, or claim of pecuniary loss, or condition to assignment, arising under or related to the Designated Contracts, existing as of the Closing, or arising by reason of the consummation of the Transaction contemplated by the APA, including, without limitation, the Transaction and the assumption and assignment of the Designated Contracts, including any asserted breach relating to or arising out of the change-in-control provisions in such Designated Contracts, or any purported written or oral modification to the Designated Contracts and (ii) asserting against SGM any claim, counterclaim, breach, or condition asserted or assertable against the Debtors existing as of the Closing or arising by reason of the transfer of the Purchased Assets, except for the Assumed Obligations.

20. Any provisions in any Designated Contracts that prohibit or condition the assignment of such Designated Contract or allow the counterparty to such Designated Contract to terminate, recapture, impose any penalty, condition on renewal or extension or modify any term or condition upon the assignment of such Designated Contract constitute unenforceable anti-assignment provisions

that are void and of no force and effect with respect to the Debtors' assumption and assignment of such Designated Contract to SGM in accordance with the APA, pursuant to § 363(f).

21. The terms and provisions of this Sale Order, as well as the rights granted under the Transaction Documents, shall continue in full force and effect and are binding upon any successor, reorganized Debtors, or chapter 7 or chapter 11 trustee applicable to the Debtors, notwithstanding entry of any order of conversion or dismissal ~~any such conversion, dismissal or order entry~~. Nothing contained in any chapter 11 plan confirmed in the Debtors' cases or in any order confirming such a plan, nor any order dismissing the cases or converting the cases to a case under chapter 7, shall conflict with or derogate from the provisions of the APA, any documents or instruments executed in connection therewith, or the terms of this Sale Order, provided however, that in the event of a conflict between this Sale Order and an express or implied provision of the APA, this Sale Order shall govern. The provisions of this Sale Order and any actions taken pursuant hereto shall survive any conversion or dismissal of the cases and the entry of any other order that may be entered in the cases, including any order (i) confirming any plan of reorganization; (ii) converting the cases from chapter 11 to chapter 7; (iii) appointing a trustee or examiner in the cases; or (iv) dismissing the cases.

22. The Transaction contemplated by the APA and other Transaction Documents are undertaken without collusion and in "good faith," as that term is defined in § 363(m) of the Bankruptcy Code. SGM is a good faith purchaser within the meaning of § 363(m) and, as such, is entitled to the full protections of § 363(m). Accordingly, the reversal or modification on appeal of the authorization provided herein by this Sale Order to consummate the Transaction shall not affect the validity of the sale of the Purchased Assets to SGM. The APA and the Transactions contemplated thereby cannot be avoided under § 363(n).

23. The failure to specifically include any particular provision of the APA or the other Transaction Documents in this Sale Order shall not diminish or impair the effectiveness of such provisions, it being the intent of the Bankruptcy Court that the Transaction, the APA and the other Transaction Documents be authorized and approved in their entirety. Likewise, all of the provisions of this Sale Order are non-severable and mutually dependent.

24. This Order constitutes a final and appealable order within the meaning of 28 U.S.C. § 158(a). Notwithstanding Rules 6004(h), 6006(d), 7062, or 9014, if applicable, or any other LBR or otherwise, this Sale Order shall not be stayed for 14-days after the entry hereof, but shall be effective and enforceable immediately upon entry pursuant to Rule 6004(h) and 6006(d). Time is of the essence in approving the Transaction (including the transfer and the sale of the Purchased Assets).

25. The automatic stay in effect pursuant to § 362 is hereby lifted with respect to the Debtors to the extent necessary, without further order of this Court, to (i) allow SGM to deliver any notice provided for in the APA and Transaction Documents and (ii) allow SGM to take any and all actions permitted under the APA and Transaction Documents in accordance with the terms and conditions thereof.

26. Unless otherwise provided in this Sale Order, to the extent any inconsistency exists between the provisions of the APA and this Sale Order, the provisions contained in this Sale Order shall govern.

27. This Court shall retain exclusive jurisdiction to interpret, construe, and enforce the provisions of the APA and this Sale Order in all respects, and further, including, without limitation, to (i) hear and determine all disputes between the Debtors and/or SGM, as the case may be, and any other non-Debtor party to, among other things, the Designated Contracts concerning, among other things, assignment thereof by the Debtors to SGM and any dispute between SGM and the Debtors as to their respective obligations with respect to any asset, liability, or claim arising hereunder; (ii) compel delivery of the Purchased Assets to SGM free and clear of Encumbrances, except with respect to the liens arising from the Special Assessments and the PACE Obligations; (iii) compel the delivery of the Purchase Price or performance of other obligations owed to the Debtors; (iv) interpret, implement, and enforce the provisions of this Sale Order; and (v) protect SGM against (A) claims made related to any of the Excluded Liabilities (as defined in the APA), (B) any claims of successor or vicarious liability (or similar claims or theories) related to the Purchased Assets or the Designated Contracts, or (C) any Encumbrances asserted on or against SGM or the Purchased Assets.

28. Following the date of entry of this Sale Order, the Debtors and SGM are authorized to make changes to the APA and/or execute supplemental agreements implementing the transactions contemplated by the APA without the need for any further order of the Court provided that all such changes have been approved in writing by the Debtors, SGM, the Committee, the DIP Agent, and Prepetition Secured Creditors. Any other proposed changes to the APA or this Sale Order shall require a further order of the Court, after reasonable notice under the circumstances and a hearing.

29. Notwithstanding any other provision of this Sale Order or any other Order of this Court, no sale, transfer or assignment of any rights and interests of a regulated entity in any federal license or authorization issued by the FCC shall take place prior to the issuance of FCC regulatory approval for such sale, transfer or assignment pursuant to the Communications Act of 1934, as amended, and the rules and regulations promulgated thereunder. The FCC's rights and powers to take any action pursuant to its regulatory authority, including, but not limited to, imposing any regulatory conditions on such sales, transfers and assignments and setting any regulatory fines or forfeitures, are fully preserved, and nothing herein shall proscribe or constrain the FCC's exercise of such power or authority to the extent not inconsistent with the applicable provisions of the Bankruptcy Code.

30. To the extent the Purchased Assets contain records of the Verity Health System Retirement Plan A and Verity Health System Retirement Plan B (collectively, the "Pension Plans") or employment records of participants of the Pension Plans, SGM shall store, and preserve any such records until the Pension Benefit Guaranty Corporation ("PBGC") has completed its investigation regarding the Pension Plans and shall make such documents available to PBGC for inspection and copying. Such records include, but are not limited to, any Pension Plan governing documents, actuarial documents, and employment records (collectively, the "Pension Plan Documents"). The Debtors shall retain and not abandon any Pension Plan Documents that are not Purchased Assets no earlier than February 28, 2020, and shall make such documents available to the PBGC for inspection and copying.

If necessary, the Debtors will file any reply to the supplemental objection no later than 4:00 p.m. (Pacific Time), on May 27, 2019, and a hearing will be held on the issues raised regarding the transfer and/or proposed assumption and assignment or rejection of the Medi-Cal Provider Agreements on June 5, 2019, at 10:00 a.m. (Pacific Time); and all parties' rights, claims, and defenses are preserved until that hearing. Nothing in this Sale Order shall apply to Medi-Cal Provider Agreements until and unless there is a Court order approving a settlement between the Debtors and the DHCS or a Court order resolving the DHCS's objections.

32. No later than May 13, 2019, either (i) the Debtors will file a notice of a resolution of the issues regarding the transfer and/or proposed assumption and assignment or rejection of the Hospitals' Medicare Provider Agreements or (b) HHS will file a supplemental objection to the proposed transfer of the Medicare Provider Agreements. Nothing in this Sale Order shall apply to Medicare Provider Agreements until and unless there is a Court order approving a settlement between the Debtors and the HHS or a Court order resolving the HHS's objections.

33. In accordance with the terms of §§ 4.7 and 5.11 of the APA, the Debtors and SGM will negotiate regarding modification of applicable CBAs. To the extent the Debtors seek modification, rejection and/or termination of CBAs, they will comply with the requirements of § 1113, as applicable, and may do so before or after Closing under their discretion.

34. A continued hearing on the Cure Objections shall be held on June 5, 2019, at 10:00 a.m. (Pacific Time). As to the Currently Identified Designated Contracts, by no later than May 22, 2019, at 4:00 p.m. (Pacific Time), the Debtors shall file a notice containing a list of (a) the Cure Objections that have been resolved, and (b) the Cure Objections as to which Court intervention is required. Approving Omnibus Stipulation Continuing Hearing on Certain Objections to Notice and Supplemental Notice of Contracts Designated for Assumption and Assignment [Docket No. 2183], the deadline for the Debtors to reply to the Cure Objections shall be May 29, 2019, at 4:00 p.m. (Pacific Time). ~~the following briefing schedule shall apply: (1) the Debtors' opposition to each outstanding Cure Objection shall be submitted by no later than May 22, 2019; and (2) the counterparties' reply in support of its Cure Objections shall be submitted by no later than May 29, 2019.~~ Nothing in this Sale Order constitutes a finding or determination on any Cure Objection. All Cure Objections are preserved until resolved either by agreement between the Debtors and the contract counterparty or further order of the Court.

35. As to any executory contracts or unexpired leases that were listed on the Initial Designated Contract List, but not listed on any prior Cure Notice, any counterparty thereto may file an objection to the cure amount or assumption thereof by May 22, 2019, and all other provisions in paragraph 34 shall apply to resolution thereof.

36. 1.6.1 All transfer, conveyance, sales, use, stamp, similar state and local taxes arising from the sale of the Assets hereunder shall be the responsibility of, and allocated to, Purchaser.

1.6.2 Other than the Utility Deposits (defined below), which are governed by Section 1.8(j), and other than with respect to Cure Costs payable by Purchaser, the following costs and expenses shall be prorated based upon the payment period (*i.e.*, calendar or other tax fiscal year) to which the same are attributable: all real estate and personal property lease payments, real estate and personal property taxes, real estate assessments, other than the PACE Special Assessments and other similar charges against real estate, and power and utility charges (collectively, the "**Prorated Charges**") on the Assets. Each Seller shall pay its respective portion at or prior to the Closing (or Purchaser shall receive credit for) of any unpaid Prorated Charges attributable to periods or portions thereof occurring prior to the Effective Time, and Purchaser shall assume as an Assumed Liability or, to the extent previously paid by any Seller, pay to such Seller at the Closing all Prorated Charges attributable to periods or portions thereof occurring from and after the Effective Time. 1.6.3 Sellers shall be entitled to all rents and other payments under Tenant Leases accruing for the period prior to the Effective Time ("**Pre Effective Time Lease Amounts**"), and Purchaser shall be entitled to all rents and other payments under tenant leases accruing for the period after the Effective Time ("**Post Effective Time Lease Amounts**" and together with the Pre Effective Time Lease Amounts, the "**Lease Amounts**"). All Lease Amounts that are accrued but uncollected as of the Closing (including, without limitation, rents and other payments accrued prior to the Closing but payable in arrears after the Closing) (collectively, the "**Unpaid Amounts**") shall belong to Sellers, and Purchaser shall, upon receipt of said rents and other payments, receive the same in trust for Sellers and shall promptly remit any of such amounts to the applicable Seller within ten (10) days after

Purchaser's receipt of same. For the avoidance of doubt, all rental payments received after Closing shall be first applied to any amounts owed to the Sellers under this Section 1.6.3.

1.6.4 All prorations and payments to be made under the foregoing provisions shall be agreed upon by Purchaser and Sellers prior to the Closing and shall be binding upon the parties; provided, however, with respect to the Unpaid Amounts, in the event any proration, apportionment or computation shall prove to be incorrect for any reason, then either the applicable Seller or Purchaser shall be entitled to an adjustment to correct the same, provided that said party makes written demand on the party from whom it is entitled to such adjustment within thirty (30) calendar days after the erroneous payment or computation was made, or such later time as may be required, in the exercise of due diligence, to obtain the necessary information for proration. This Section 1.6 shall survive Closing.

If any such information comes to Purchaser's attention on or before the Closing Date (whether through a Seller or otherwise, including through updated schedules, and whether before or after the Signing Date) that would give Purchaser a right to terminate this Agreement pursuant to Section 9.1(c), Purchaser must immediately notify Sellers if any such information comes to its attention on or before the Closing Date, and Purchaser's failure to so notify Sellers shall constitute a waiver of such right in relation to the relevant breach.

3.9 Ability to Perform. Purchaser has the ability to obtain funds in cash in amounts equal to the Purchase Price by means of credit facilities or otherwise and will at the Closing have immediately available funds in cash, which are sufficient to pay the Purchase Price and to pay any other amounts payable pursuant to this Agreement and to consummate the transactions contemplated by this Agreement.

3.10 Purchaser Knowledge. References in this Agreement to "Purchaser's knowledge" or "the knowledge of Purchaser" means the actual knowledge of the Chief Executive Officer, Chief Financial Officer or Chief Operating Officer of Purchaser, without independent research. No constructive or imputed knowledge shall be attributed to any such individual by virtue of any position held, relationship to any other Person or for any other reason.

3.11 Investigation. Purchaser has been afforded reasonable access to, and has been provided adequate time to review, the books, records, information, operations, facilities and personnel of each Seller and the Hospital for purposes of conducting a due diligence investigation of each Seller and the Hospital. Purchaser has conducted a reasonable due diligence investigation of each Seller and the Hospital and has received satisfactory answers to all inquiries it has made respecting each Seller and the Hospital and has received all information it considers necessary to make an informed business evaluation of each Seller and the Hospital. In connection with its due diligence investigation of each Seller and the Hospital, Purchaser has not relied upon any books, records, information, operations, facilities and personnel provided by any Seller, including in making its determination to enter into this Agreement and/or consummate the transactions contemplated hereby.

ARTICLE 4

COVENANTS OF SELLERS

4.1 Access and Information; Inspections.

4.1.1 From the Signing Date through the Effective Time, (a) each Seller shall afford to the officers and agents of Purchaser (which shall include accountants, attorneys, bankers and other consultants and authorized agents of Purchaser) reasonable access during normal business hours at Seller's corporate headquarters in El Segundo, California to, and the right to inspect, the books, accounts, records and all other relevant documents and information with respect to the assets, liabilities and business of the Hospital of such Seller and the plant and property of the Hospital of such Seller at the Hospital of such Seller and (b) each Seller shall furnish Purchaser with such additional financial and operating data and other information in such Seller's possession

as to businesses and properties of the Hospital of such Seller as Purchaser or its representatives may from time to time reasonably request; *provided*, *however*, that such Seller is not obligated to disclose information which is proprietary to such Seller and would not be essential to the ongoing operation of the Hospital of such Seller by Purchaser; *provided*, *further*, that all disclosures of information shall be consistent with the confidentiality agreements and any other non-disclosure agreements entered into (or to be entered into) among Purchaser, its representatives and such Seller. Purchaser's right of access and inspection shall be exercised in such a manner as not to interfere unreasonably with the operations of any Seller or the Hospital.

4.1.2 Notwithstanding anything contained herein, no Seller shall be required to provide Purchaser or its representatives or agents access to or disclose information where such access or disclosure would violate the rights of its patients, jeopardize the attorney-client or similar privilege with respect to such information or contravene any law, judgment, fiduciary duty or contract entered into prior to or on the date of this Agreement with respect to such information.

4.2 Cooperation.

4.2.1 Each Seller shall reasonably cooperate with Purchaser and its authorized representatives and attorneys: (a) in Purchaser's efforts to obtain all consents, approvals, authorizations, clearances and licenses required to carry out the transactions contemplated by this Agreement (including, without limitation, those of governmental and regulatory authorities) or which Purchaser reasonably deems necessary or appropriate, (b) in the preparation of any document or other material which may be required by any governmental agency as a predicate to or result of the transactions contemplated in this Agreement, and (c) in Purchaser's efforts to effectuate the assignment of Assumed Contracts to Purchaser as of the Closing Date. Except as may be otherwise requested by a Seller in order to comply with applicable law or regulatory guidance, notwithstanding anything contained herein, other than Bankruptcy Court orders and authorizations, it shall be Purchaser's sole responsibility (including payment of any fees, expenses, filings costs or other amounts) to obtain the Contract and Lease Consents, as well as all governmental consents, approvals, assignments, authorizations, clearances and licenses required to (x) carry out the transactions contemplated by this Agreement, including but not limited to medical licenses and/or (y) transfer any of the Assets, including any Licenses. To the extent Purchaser needs certain information and data which is in the possession of a Seller in order for Purchaser to complete Purchaser's license and permit approval applications, Purchaser shall receive, upon request, reasonable assistance from such Seller in connection with the provision of such information.

4.2.2 Notwithstanding any provision to the contrary contained in this Agreement (including Section 8.7), no Seller shall be obligated to obtain the approval or consent to the assignment, to Purchaser, of any Assumed Contracts or Assumed Leases, from any party to any of the Assumed Contracts or Assumed Leases even if any such contract or lease states that it is not assignable without such party's consent.

4.3 Other Bidders. Purchaser expressly acknowledges and agrees that each Seller has an obligation to seek out and determine the best and highest offer reasonably available for such

Seller's assets in accordance with the Bankruptcy Code, and nothing herein shall amend, modify, alter, diminish or affect such obligation.

4.4 Sellers' Efforts to Close. Each Seller shall use its reasonable commercial efforts to satisfy all of the conditions precedent set forth in ARTICLE 7 and ARTICLE 8 to its or Purchaser's obligations under this Agreement to the extent that such Seller's action or inaction can control or materially influence the satisfaction of such conditions; provided, however, that such Seller shall not be required to pay or commit to pay any amount to (or incur any obligation in favor of) any person (other than filing or application fees).

4.5 Termination Cost Reports. Each Seller shall file all Medicare, Medi-Cal and any other termination cost reports required to be filed as a result of the consummation of (a) the transfer of the Assets of such Seller to Purchaser and (b) the transactions contemplated by this Agreement with respect to such Seller, provided that Purchaser shall fund reasonable costs and expenses of preparation, filing and audit of such reports. Purchaser shall permit each Seller access to all Hospital books and records to prepare such reports and shall assist such Seller in the process of preparing, filing, and reviewing the termination cost reports. All such termination cost reports shall be filed by the applicable Seller in a manner that is consistent with current laws, rules and regulations. Each Seller shall be responsible for filing governmental cost reports for the period of January 1, 2019 through the Closing Date. Purchaser shall be responsible for its own cost report filings relating to the Hospitals beginning on the day immediately following the Effective Time.

4.6 Conduct of the Business. From the Signing Date until the Closing, or the earlier termination of this Agreement, without the prior written consent of Purchaser, Sellers shall, with respect to the ownership of the Assets and the operation of the Hospitals, use commercially reasonable efforts to, in each case except as would not have a Material Adverse Effect (except as otherwise noted):

(a) without regard to Material Adverse Effect, carry on Sellers' ownership of the Assets and the operation of the Hospitals consistent with past practice, but subject to the Bankruptcy Cases and Sellers' obligations and actions in connection therewith;

(b) maintain in effect the insurance and equipment replacement coverage with respect to the Assets;

(c) if and as permitted by the Bankruptcy Court, pay any bonuses payable under the Key Employee Retention Plan and Key Employee Incentive Plan of Sellers;

(d) maintain the Assets in materially the same condition as at present, ordinary wear and tear excepted;

(e) perform its obligations under all contracts with respect to the Assets in compliance with the Bankruptcy Code;

(f) following entry of the Sale Order, permit and allow reasonable access by Purchaser and its representatives (which shall include the right to send written materials, all of which shall be subject to Sellers' reasonable approval prior to delivery) to make offers of post-

Closing employment to any of Sellers' personnel (including access by Purchasers and their representatives for the purpose of conducting open enrollment sessions for Purchasers' employee benefit plans and programs) and to establish relationships with physicians, medical staff and others having business relations with Sellers;

(g) with respect to material deficiencies, if any, cited by any governmental authority (other than the Attorney General of the State of California and other than with respect to Seismic requirements) or accreditation body in the most recent surveys conducted by each, cure or develop and timely implement a plan of correction that is acceptable to such governmental authority or such accreditation body;

(h) timely file or cause to be filed all material reports, notices and tax returns required to be filed and pay all required taxes as they come due;

(i) without regard to Material Adverse Effect, beginning on February 21, 2019 and in accordance with the Sellers' budget under their debtor in possession financing, timely pay any fees that are or become due and payable under QAF IV and QAF V;

(j) comply in all material respects with all Legal Requirements (including Environmental Laws) applicable to the conduct and operation of the Hospitals; and

(k) without regard to Material Adverse Effect, maintain all material approvals, permits and environmental permits relating to the Hospitals and the Assets.

4.7 Contract With Unions. Representatives of Sellers who are parties to collective bargaining agreements and Purchaser shall meet and confer from time to time as reasonably requested by either party to discuss strategic business options and alternative approaches in negotiating each collective bargaining agreement. The applicable Sellers and Purchaser shall each participate in all union negotiations related to any specific collective bargaining agreement. Promptly following the Signing Date, applicable Sellers shall use commercially reasonable efforts to initiate discussions with Purchaser and conduct discussions to renegotiate each collective bargaining agreement currently in effect with each applicable union. The applicable Sellers will not unreasonably withhold, condition or delay approval or implementation of any successfully renegotiated collective bargaining agreement. The parties recognize that an applicable Seller's failure to secure a modification to any collective bargaining agreement, or to conclude a successor collective bargaining agreement shall not be a breach of Sellers' obligation under this Agreement, provided that if the unions refuse to negotiate, or otherwise are not timely, reasonable or realistic in renegotiating, the collective bargaining agreements during the period between the Signing Date and the Closing Date, Sellers and Purchaser will jointly consider, and negotiate mutually in good faith, alternative approaches that may be available and/or necessary to reduce Sellers' labor cost structure, including, but not limited to, seeking to reject the collective bargaining agreement(s).

ARTICLE 5

COVENANTS OF PURCHASER

5.1 Purchaser's Efforts to Close. Purchaser shall use its reasonable commercial efforts to satisfy all of the conditions precedent set forth in ARTICLE 7 and ARTICLE 8 to its or Sellers' obligations under this Agreement to the extent that Purchaser's action or inaction can control or materially influence the satisfaction of such conditions. Prior to consummation of the transactions contemplated hereby or the termination or expiration of this Agreement, Purchaser shall be permitted to communicate and meet with (a) counter-parties to the agreements and contracts of the Hospitals, included those included in Assumed Obligations, regarding the terms and conditions under which they may be assumed and assigned to Purchaser, and (b) applicable governmental and regulatory authorities regarding prospective compliance with regulatory requirements and related issues; so long as, in the case of each of (a) and (b) (i) such communications and meetings do not interfere with the operation of the Businesses or the conduct of the Bankruptcy Cases and (ii) any communications or meetings with any governmental authority are approved in advance by Sellers as to timing and content (and Sellers are copied on such communications and afforded the opportunity to participate in such meetings).

5.2 Required Governmental Approvals.

(a) Purchaser, at its sole cost and expense (a) shall use its best efforts to secure, as promptly as practicable before the Closing Date, all consents, approvals (or exemptions therefrom), authorizations, clearances and licenses required to be obtained from governmental and regulatory authorities in order to carry out the transactions contemplated by this Agreement and to cause all of its covenants and agreements to be performed, satisfied and fulfilled (and provide Sellers copies of all materials relating to such consents, approvals, authorizations, clearances and licenses upon submission and all materials received from third parties in connection with such consents, approvals, authorizations, clearances and licenses upon receipt), and (b) will provide such other information and communications to governmental and regulatory authorities as any Seller or such authorities may reasonably request. Purchaser will provide Sellers periodic and timely updates regarding all such consents, approvals, authorizations, clearances and licenses. Purchaser is responsible for all filings with and requests to governmental authorities necessary to enable Purchaser to operate the Hospital at and after the Effective Time. Purchaser shall, promptly, but no later than thirty (30) business days after the entry of the Sale Order or sooner if required by applicable governmental or regulatory authorities, file all applications, licensing packages and other similar documents with all applicable governmental and regulatory authorities which are a prerequisite to obtaining the material licenses, permits, authorizations and provider numbers described in Section 8.1. Purchaser shall be entitled, but not obligated, to obtain the Contract and Lease Consents. Purchaser shall be entitled, but not obligated, to solicit and obtain estoppel certificates from any third party to any Leased Real Property. Purchaser's failure to obtaining any or all of the Contract and Lease Consents or estoppel certificates as of the Closing Date shall not be a condition precedent to either party's obligation to close the transactions contemplated by this Agreement.

(b) Purchaser and Sellers agree that because the change of ownership and regulatory approval process in connection with the transactions contemplated by this Agreement may take an extended period of time, Purchaser and Sellers agree to an initial closing effective upon the approval of the court and upon the approval of the transaction by the CA AG (as defined below) in accordance with Sections 7.5 and 8.6, at which time the Assets (less the portion of the Assets constituting drugs or other pharmacy assets) will be sold to Purchaser and immediately leased back

to Sellers, with a concurrent management agreement entered into at that time upon terms mutually agreeable to the parties in their reasonable business judgment. The Sale Leaseback Agreement and Interim Management Agreement will terminate at the Closing when the Purchaser is issued the Licenses necessary to operate the Hospitals directly (namely, the Hospital Licenses and pharmacy permits).

5.3 Certain Employee Matters.

(a) Purchaser agrees to make offers of employment, effective as of the Effective Time, to substantially all persons (whether such persons are full time employees, part-time employees, on short-term or long-term disability or on leave of absence, military leave or workers compensation leave) (the "**Hospital Employees**") who, immediately prior to the Effective Time are: (i) employees of any Seller; (ii) employees of any affiliate of any Seller which employs individuals at the Hospital and are listed on **Schedule 5.3**; or (iii) employed by an affiliate of any Seller and are listed on **Schedule 5.3**. For the avoidance of doubt, the Hospital Employees shall not include any employees of Verity or any other affiliate of Seller unless such individual is listed on **Schedule 5.3**. Any of the Hospital Employees who accept an offer of employment with Purchaser as of or after the Effective Time shall be referred to in this Agreement as the "**Hired Employees**." All employees who are Hired Employees shall cease to be employees of the applicable Seller or its affiliates as of the Effective Time.

(b) Purchaser shall give all Hired Employees full credit for paid time off pay to such employees as of the Closing Date by crediting such employees the time off reflected in the employment records of the applicable Seller and/or any of its affiliates immediately prior to the Effective Time, subject to compliance with applicable law and regulation, including consent of such employees if required.

(c) After the Closing Date, Purchaser's human resources department will give reasonable assistance to each Seller and its affiliates with respect to such Seller's and such Seller's affiliates' post-Closing administration of such Seller's and such Seller's affiliates' pre-Closing employee benefit plans for the Hospital Employees. Within five (5) days after the Closing Date, Purchaser shall provide to each Seller a list of all the Hospital Employees who were offered employment by Purchaser but refused such employment along with a list of all Hired Employees (which such list Purchaser shall periodically update).

(d) With respect to any collective bargaining agreements or labor contract with respect to any employees, Purchaser shall comply with the applicable laws and bankruptcy court orders relating to collective bargaining agreements or labor contracts.

(e) The provisions of this Section 5.3 are solely for the benefit of the parties to this Agreement, and no employee or former employee or any other individual associated therewith or any employee benefit plan or trustee thereof shall be regarded for any purpose as a third party beneficiary of this Agreement, and nothing herein shall be construed as an amendment to any employee benefit plan for any purpose.

5.4 Excluded Assets. As soon as practicable after the Closing Date, Purchaser shall deliver to each Seller or such Seller's designee any Excluded Assets of such Seller found at the

Hospital on and after the Effective Time, without imposing any charge on any Seller for Purchaser's storage or holding of same on and after the Effective Time.

5.5 Waiver of Bulk Sales Law Compliance. Purchaser hereby waives compliance by Sellers with the requirements, if any, of Article 6 of the Uniform Commercial Code as in force in any state in which the Assets are located and all other laws applicable to bulk sales and transfers.

5.6 Attorney General. Promptly after entry of the Sale Order, but in any event within ten (10) calendar days, Purchaser shall, at its sole cost and expense, make any notices or other filings with the Attorney General of the State of California (the "**CA AG**"). Each Seller shall reasonably cooperate with Purchaser in such notices or other filings.

5.7 Conduct Pending Closing. Prior to consummation of the transactions contemplated hereby or the termination or expiration of this Agreement pursuant to its terms, unless Sellers shall otherwise consent in writing, Purchaser shall not take any action or fail or omit to take any action which would cause any of Purchaser's representations and warranties set forth in ARTICLE 4 to be inaccurate or untrue as of the Closing.

5.8 Cure Costs. Purchaser, upon assumption, shall pay the Cure Costs for each Assumed Contract and Assumed Lease so that each such Assumed Contract and Assumed Lease may be assumed by the applicable Seller and assigned to Purchaser in accordance with the provisions of section 365 of the Bankruptcy Code. For purposes of this Agreement, "**Cure Costs**", means all amounts that must be paid and all obligations that otherwise must be satisfied, including pursuant to Sections 365(b)(1)(A) and (B) of the Bankruptcy Code in connection with the assumption and/or assignment of the Assumed Contracts and Assumed Leases to Purchaser as provided herein.

5.9 Operating Covenant. Purchaser shall act in good faith and use Purchaser's commercially reasonable efforts to serve the medical needs of each Hospital's service area.

5.10 HSR Filing. Purchaser and each Seller will as promptly as practicable, and in any event no later than five business days after the date of the Sale Order, file with the Federal Trade Commission and the Department of Justice the notification and report forms required for the transactions contemplated hereby and any supplemental information that may be reasonably requested in connection therewith pursuant to the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "**HSR Act**"), which notification and report forms and supplemental information will comply in all material respects with the requirements of the HSR Act. Purchaser shall pay all filing fees required with respect to the notification, report and other requirements of the HSR Act. Each of Purchaser and Sellers shall furnish to the other such information and assistance as the other shall reasonably requires in connection with the preparation and submission to, or agency proceedings by, any governmental authority under the HSR Act, and each of Purchaser and Sellers shall keep the other promptly apprised of any communications with, and inquires or requests for information from, such governmental authorities. Purchaser shall take such action (including divestitures or hold separate arrangements) as may be required by any governmental authority in order to resolve with the minimum practicable delay any objections such governmental authorities may have to the transactions contemplated by this Agreement under the HSR Act.

5.11 Contract with Unions. Representatives of Sellers who are parties to collective bargaining agreements and Purchaser shall meet and confer from time to time as reasonably requested by either party to discuss strategic business options and alternative approaches in negotiating each collective bargaining agreement. The applicable Sellers and Purchaser shall each participate in all union negotiations related to any specific collective bargaining agreement. Promptly following the Signing Date, applicable Sellers shall use commercially reasonable efforts to initiate discussions with Purchaser and conduct discussions to renegotiate each collective bargaining agreement currently in effect with each applicable union. The applicable Sellers will not unreasonably withhold, condition or delay approval or implementation of any successfully renegotiated collective bargaining agreement to be assumed by Purchaser. The parties recognize that an applicable Seller's failure to secure a modification to any collective bargaining agreement, or to conclude a successor collective bargaining agreement shall not be a breach of Sellers' obligation under this Agreement. In addition, Sellers may, in their discretion, seek to reject any or all of the collective bargaining agreement(s).

ARTICLE 6

SELLERS' BANKRUPTCY AND BANKRUPTCY COURT APPROVAL

6.1 Bankruptcy Court Approval; Overbid Protection and Break-Up Fee.

(a) Sellers and Purchaser acknowledge that this Agreement and the sale of the Assets and the assumption and assignment of the Assumed Contracts and Assumed Leases are subject to Bankruptcy Court approval, and that this Agreement is subject to termination in its entirety in the event any Seller receives a better and higher offer for the Assets in accordance with the Bankruptcy Code and subject to the terms stated herein.

(b) Promptly following the execution of this Agreement by all parties, the Seller shall file a motion with the Bankruptcy Court (the "**Sales Procedures Motion**"), the content of which shall be subject to the reasonable approval by Purchaser, for entry of an order approving bid procedures and overbid protections containing substantially the following terms and conditions:

(1) the Seller shall not accept any offer to sell the Assets subject to this Agreement ("**Overbid**") to another purchaser ("**Overbidder**") unless that offer exceeds the Purchase Price by an amount sufficient to pay the Break-Up Fee and such offer includes the purchase of substantially all Assets subject of this Agreement;

(2) in the event that an overbidder (and not the Purchaser) is the successful bidder for the purchase of the Assets (the "**Alternate Transaction**") and the Alternative Transaction is approved by the Bankruptcy Court, (a) the Deposit, and any interest earned thereon, shall be returned to Purchaser immediately upon the entry of such sale order, and (b) Purchaser shall be paid a break-up fee of three and one-half percent (3.25%) of the Cash Consideration ($19,825,000.00) plus reimbursement of reasonably documented reasonable costs and expenses incurred by Purchaser related to its due diligence, and pursuing, negotiating, and documenting the transactions contemplated by this Agreement in an amount not to exceed $2,000,000.00 ((the "**Break-Up Fee**"); provided, however, that in the event that

the Purchaser is successful as to some but not all of the Assets, the Break-Up Fee shall be reduced pro rata to the percentage of Assets not actually purchased by the Purchaser, based on the allocation of the Purchase Price as described in Section 1.1(a)(i), as compared to the Assets which were the subject of this Agreement; in the event that Purchaser terminates this Agreement in accordance with Section 8.6 hereof, expenses of Purchaser incurred in satisfaction of Section 8.6 shall be reimbursed up to $500,000; and

(3) The Break-Up Fee shall be deemed to be an allowed expense of the kind specified in Section 503(b) of the Bankruptcy Code to be paid solely from the proceeds of the Alternate Transaction, pursuant to the Sale Order. The Break-Up Fee shall not be paid if the Alternate Transaction was pursued due to a material breach by the Purchaser or the Purchaser's failure or refusal to consummate the transaction after the satisfaction or waiver of all closing conditions.

The Sales Procedures Motion will contain bid procedures as set forth in the bid procedures attached hereto as **Schedule 6.1(b)(3)**.

If Sellers fails to obtain Bankruptcy Court approval for the Sales Procedures Motion by no later than four weeks after the end of the Final Diligence Period, Purchaser shall have the right to terminate this Agreement, without recourse or liability, and Seller shall immediately thereafter return to Purchaser the Deposit and any interest earned thereon.

(c) Each Seller shall at the Sale Hearing exercise reasonable efforts to obtain a "Sale Order" approving this Agreement, subject to its obligations in respect of any better and higher offer for such Seller's assets in accordance with the Bankruptcy Code. For purposes of this Agreement, the term "**Sale Order**" shall mean an order of the Bankruptcy Court authorizing the sale of the Assets (including the assumption and assignment of the Assumed Contracts and Assumed Leases) to Purchaser consistent with this Agreement and in a form reasonably satisfactory to Purchaser.

(d) Each Seller agrees to proceed in good faith to obtain Bankruptcy Court approval of the sale contemplated herein with a determination that Purchaser is a good faith purchaser pursuant to Bankruptcy Code section 363(m) and to file such declarations and other evidence as may be required to support a finding of good faith.

(e) Each Seller shall seek an order from the Bankruptcy Court retaining jurisdiction over all matters relating to claims against such Seller as debtor solely in the Bankruptcy Court.

6.2 Appeal of Sale Order. In the event an appeal is taken or a stay pending appeal is requested from the Sale Order, Sellers shall immediately notify Purchaser of such appeal or stay request and shall provide to Purchaser promptly a copy of the related notice of appeal or order of stay. Sellers shall also provide Purchaser with written notice of any motion or application filed in connection with any appeal from either of such orders. In the event of an appeal of the Sale Order, Sellers shall be primarily responsible for drafting pleadings and attending hearings as necessary to defend against the appeal; provided, however, Purchaser, at its option, shall have the right to

participate as a party in interest in such appeal. In the event a stay is issued by any appellate court, including the United States District Court, which prevents the sale from closing, as scheduled, Purchaser shall have the right to terminate this Agreement if such stay is not vacated on or before 45 days from the date of the stay is issued, and Purchaser shall be entitled to the prompt return of the Deposit and any interest earned thereon.

ARTICLE 7

CONDITIONS PRECEDENT TO OBLIGATIONS OF SELLERS

Sellers' obligation to sell the Assets and to close the transactions as contemplated by this Agreement shall be subject to the satisfaction of each of the following conditions on or prior to the Closing Date unless specifically waived in writing by Sellers in whole or in part at or prior to the Closing:

7.1 Signing and Delivery of Instruments. Purchaser shall have executed and delivered all documents, instruments and certificates required to be executed and delivered pursuant to the provisions of this Agreement.

7.2 No Restraints. No temporary restraining order, preliminary or permanent injunction or other order preventing the consummation of the transactions contemplated in this Agreement shall have been issued by any court of competent jurisdiction or any other governmental body and shall remain in effect on the Closing Date, and further, no governmental entity shall have commenced any action or suit before any court of competent jurisdiction or other governmental authority that seeks to restrain or prohibit the consummation of the transactions contemplated hereby.

7.3 Performance of Covenants. Purchaser shall have in all respects performed or complied with each and all of the obligations, covenants, agreements and conditions required to be performed or complied with by it on or prior to the Closing Date.

7.4 Governmental Authorizations. Purchaser shall have obtained all material licenses, permits and authorizations from governmental agencies or governmental bodies that are necessary or required for completion of the transactions contemplated by this Agreement, including reasonable assurances that any material licenses, permits and authorizations not actually issued as of the Closing will be issued following Closing (which may include oral assurances from appropriate governmental agencies or bodies).

7.5 Attorney General Provisions. The conditions to Purchaser's obligations to close set forth in Section 8.6 shall have been satisfied.

7.6 Bankruptcy Court Approval. The Bankruptcy Court shall have entered the Sale Order.

7.7 HSR Act. The applicable waiting period under the HSR Act shall have expired or been earlier terminated.

7.8 CSCDA Acknowledgement. The CSCDA and PACE Trustee shall have executed acknowledgements in form and substance acceptable to Sellers that Purchaser is the Successor Property Owner and Obligated Party under the PACE Obligations, and releases of the Sellers from any and all claims arising or accruing prior to the Closing Date.

ARTICLE 8

CONDITIONS PRECEDENT TO OBLIGATIONS OF PURCHASER

Purchaser's obligation to purchase the Assets and to close the transactions contemplated by this Agreement shall be subject to the satisfaction of each of the following conditions on or prior to the Closing Date unless specifically waived in writing by Purchaser in whole or in part at or prior to the Closing.

8.1 Governmental Authorizations. Except as otherwise set forth in this Agreement, Purchaser and Sellers shall have obtained licenses, permits and authorizations from governmental agencies or governmental bodies that are required for the purchase, sale and operation of the Hospitals, including without limitation approval of the CA AG (subject to Section 8.6), except in such case where failure to obtain such license, permit or authorizations from a governmental agency or governmental body does not have a Material Adverse Effect.

8.2 Bankruptcy Court Approval. The Bankruptcy Court shall have entered the Sale Order and made a finding that Purchaser is a "good faith" purchaser under Section 363(m) of the Bankruptcy Code.

8.3 Signing and Delivery of Instruments. Sellers shall have executed and delivered all documents, instruments and certificates required to be executed and delivered pursuant to all of the provisions of this Agreement.

8.4 Performance of Covenants. Sellers shall have in all material respects performed or complied with each and all of the obligations, covenants, agreements and conditions required to be performed or complied with by Sellers on or prior to the Closing Date; *provided*, *however*, this condition will be deemed to be satisfied unless (a) Sellers were given written notice of such failure to perform or comply and did not or could not cure such failure to perform or comply within fifteen (15) business days after receipt of such notice and (b) the respects in which such obligations, covenants, agreements and conditions have not been performed have had or would have a Material Adverse Effect.

8.5 No Restraints. No temporary restraining order, preliminary or permanent injunction or other order preventing the consummation of the transactions contemplated in this Agreement shall have been issued by any court of competent jurisdiction and shall remain in effect on the Closing Date, and further, no governmental entity shall have commenced any action or suit before any court of competent jurisdiction or other governmental authority that seeks to restrain or prohibit the consummation of the transactions contemplated hereby.

8.6 Attorney General Provisions. Purchaser recognizes that the transactions contemplated by this Agreement may be subject to review and approval of the CA AG. Purchaser

agrees to close the transactions contemplated by this Agreement so long as any conditions imposed by the CA AG are substantially consistent with the conditions set forth, as Purchaser Approved Conditions, in Schedule 8.6. In the event the CA AG imposes conditions on the transactions contemplated by this Agreement, or on Purchaser in connection therewith, which are materially different than the Purchaser Approved Conditions set forth on Schedule 8.6 (the "Additional Conditions"), Sellers shall have the opportunity to file a motion with the Bankruptcy Court seeking the entry of an order ("Supplemental Sale Order") finding that the Additional Conditions are an "interest in property" for purposes of 11 U.S.C. § 363(f), and that the Assets can be sold free and clear of the Additional Conditions without the imposition of any other conditions, which would adversely affect the Purchaser. For purposes of this Section 8.6, Additional Conditions which individually or collectively impose a direct or indirect cost to Purchaser of $5 million, or more, shall be conclusively deemed to be "materially different." If Sellers determine not to seek such Supplemental Sale Order, or fail to obtain such Supplemental Sale Order within 60 days of the Attorney General's imposition of Additional Conditions, Purchaser shall be entitled to terminate this Agreement and receive the return of its Good Faith Deposit. If Sellers timely obtain such Supplemental Sale Order from the Bankruptcy Court or another court, Purchaser shall have a period of 21 business days from the entry of such order (the "Evaluation Period") to determine, in the exercise of the Purchaser's reasonable business judgment and in consultation with Purchaser's financing sources, whether to proceed to consummate the transactions contemplated by this Agreement; provided, however, (i) Purchaser shall not terminate or provide notice of termination of the Stalking Horse APA based on the Seller's failure to satisfy the condition set forth under this Section 8.6 until the expiration of the Evaluation Period as may be extended herein, and (ii) the Evaluation Period may be extended by the Debtors, in consultation with the Consultation Parties, by up to 90 days for any appeal properly perfected with respect to the Supplemental Sale Order (the "Extended Evaluation Periods"). For the avoidance of doubt, if the Debtors or any of the Consultation Parties dispute the reasonableness of the exercise of the Purchaser's business judgment, such dispute shall be determined by the Bankruptcy Court only in the context of an adversary proceeding. If, at the conclusion of the Extended Evaluation Periods, such Supplemental Sale Order has not become a final, non-appealable order and Purchaser determines not to proceed, Purchaser shall have the right within ten (10) business days after the conclusion of the Extended Evaluation Periods to terminate this Agreement and receive the return of its Good Faith Deposit. Sellers shall provide Purchaser with prompt written notice of the conclusion of the Extended Evaluation Periods and whether the Supplemental Sale Order has become a final, non-appealable order. For purposes of this Section 8.6, "a final, non-appealable order" shall include a Supplemental Sale Order (i) which has been affirmed or the appeal of which has been dismissed by any appellate court and for which the relevant appeal period has expired (other than any right of appeal to the U.S. Supreme Court), or (ii) which has been withdrawn by the appellant. If the Supplemental Sale Order becomes a final, non-appealable order prior to the expiration of the Evaluation Period or, if applicable, the Extended Evaluation Periods, Purchaser shall consummate the Sale provided that all other conditions to closing have been satisfied. During any Evaluation Period or Extended Evaluation Periods, Purchaser shall reasonably cooperate in any efforts to render the Supplemental Sale Order a final, non-appealable order, including timely taking reasonable steps in preparation for closing of the transactions described in this Agreement; provided, however, Purchaser shall not be obligated to expend more than $500,000. For the avoidance of doubt, neither this provision, nor any of the rights granted to the Purchaser herein,

shall constitute a waiver of any party in interest's right to argue that any appeal from the Sale Order should be dismissed on statutory, Constitutional or equitable mootness grounds.

8.7 Medicare and Medi-Cal Provider Agreements. Sellers shall transfer their Medicare provider agreements pursuant to a settlement agreement with the Centers for Medicare and Medicaid Services (**"CMS"**) and shall transfer their Medi-Cal provider agreements pursuant to a settlement agreement with the California Department of Health Care Services (**"DHCS"**), which such settlement agreements shall result in: (i) resolution of all outstanding financial defaults under any of Sellers' Medicare and Medi-Cal provider agreements and (ii) full satisfaction, discharge, and release of any claims under the Medicare or Medi-Cal provider agreements, whether known or unknown, that CMS or DHCS, as applicable, has against the Seller or Purchaser for monetary liability arising under the Medicare or Medi-Cal provider agreements before the Effective Time; provided, however, that Purchaser acknowledges that it will succeed to the quality history associated with the relevant Medicare or Medi-Cal provider agreements assigned and shall be treated, for purposed of survey and certification issues as if it is the relevant Seller and no change of ownership occurred.

8.8 HSR Act. The applicable waiting period under the HSR Act shall have expired or been earlier terminated.

ARTICLE 9

TERMINATION

9.1 Termination. This Agreement may be terminated at any time prior to Closing:

(a) by the mutual written consent of the parties;

(b) by Sellers if a material breach of this Agreement has been committed by Purchaser and such breach has not been (i) waived in writing by Sellers or (ii) cured by Purchaser to the reasonable satisfaction of Sellers within fifteen (15) business days after service by Sellers upon Purchaser of a written notice which describes the nature of such breach;

(c) by Purchaser if, in its sole and absolute discretion, it is not satisfied with either (i) the results of its due diligence examination of the Hospitals, or (ii) the contents of any schedule or exhibit that was not completed and attached to this Agreement, but which has been provided to Purchaser after the Signing Date, and Purchaser has notified Seller of its election to terminate the Agreement under this Section 9.1(c) on or prior to January 8, 2019, which notice may be given by facsimile or email correspondence; provided, that for the avoidance of doubt, following expiration of the Final Diligence Period, notwithstanding anything else in this Agreement, Purchaser shall not be entitled to terminate this Agreement (or not Close) as a result of the breach of any representation or warranty made by Sellers (or any of them) other than the breach of a Sale Order Date Representation, but in each case solely to the extent such breach of a

Sale Order Date Representation would result in a Material Adverse Effect; provided, further, that any dispute between Purchaser and Sellers as to whether a Material Adverse Effect has occurred for any purpose under this Agreement shall be exclusively settled by a determination made by the Bankruptcy Court;

(d) by Purchaser if a material breach of this Agreement has been committed by Sellers and such breach has not been (i) waived in writing by Purchaser or (ii) cured by Sellers to the reasonable satisfaction of Purchaser within fifteen (15) business days after service by Purchaser upon Sellers of a written notice which describes the nature of such breach;

(e) by Purchaser if satisfaction of any of the conditions in ARTICLE 8 has not occurred by December 31, 2019 or becomes impossible, and Purchaser has not waived such condition in writing (provided that the failure to satisfy any of the applicable condition or conditions in Sections 8.1 through 8.5 inclusive has occurred by reason other than (i) through the failure of Purchaser to comply with its obligations under this Agreement or (ii) Sellers' failure to provide their closing deliveries on the Closing Date as a result of Purchaser not being ready, willing and able to close the transaction on the Closing Date); provided that upon the imposition of Additional Conditions by the CA AG, Section 8.6 must be satisfied or waived by Purchaser by no later than sixty (60) days thereafter.

(f) by Sellers if satisfaction of any of the conditions in ARTICLE 7 has not occurred by December 31, 2019 or becomes impossible, and Sellers have not waived such condition in writing (provided that the failure to satisfy the applicable condition or conditions has occurred by reason other than (i) through the failure of Sellers to comply with their obligations under this Agreement or (ii) Purchaser's failure to provide its closing deliveries on the Closing Date as a result of Sellers not being ready, willing and able to close the transaction on the Closing Date);

(g) by either Purchaser or Sellers if the Bankruptcy Court enters an order dismissing the Bankruptcy Cases or fails to approve the Sales Procedures Motion by the date specified in Section 6.1(b);

(h) by Sellers if, in connection with the Bankruptcy Cases, any Seller accepts an Alternate Transaction and pays the Break-Up Fee;

(i) by either Purchaser or Sellers if the Closing has not occurred (other than through the failure of any party seeking to terminate this Agreement to comply fully with its obligations under this Agreement) on or before December 31, 2019; or

(j) by Purchaser if a force majeure event (such as acts of God, storms, floods, landslides, earthquakes, lightning, riots, fires, pandemics, sabotage, civil commotion or civil unrest, interference by civil or military authorities, acts of war (declared or undeclared) or armed hostilities, other national or international calamity, one or more acts of terrorism, or failure of energy sources) shall have occurred between the Signing Date and Closing Date, which event is reasonably likely to have a Material Adverse Effect.

9.2 Termination Consequences. If this Agreement is terminated pursuant to

Sections 6.1(b), 6.2 or 9.1: (a) all further obligations of the parties under this Agreement shall terminate (other than Purchaser's right to receive the Break-Up Fee if applicable), provided that the provisions of ARTICLE 12, shall survive; and (b) each party shall pay only its own costs and expenses incurred by it in connection with this Agreement; provided, in the case of any termination based on Sections 9.1(b) or (d) the consequences of such termination shall be determined in accordance with ARTICLE 11 hereof. In addition, if this Agreement is terminated pursuant to Sections 6.1(b), 6.2 or 9.1 (other than Section 9.1(b)), Seller shall immediately return the Deposit to Purchaser with all interest earned thereon. Each Party acknowledges that the agreements contained in this Section 9.2 are an integral part of the transactions contemplated by this Agreement, that without these agreements such Party would not have entered into this Agreement.

ARTICLE 10

POST-CLOSING MATTERS

10.1 Excluded Assets.

Subject to Section 10.2 hereof, any Excluded Asset (or proceeds thereof) (a) pursuant to the terms of this Agreement, (b) as otherwise determined by the parties' mutual written agreement or (c) absent such agreement, as determined by adjudication by the Bankruptcy Court, which comes into the possession, custody or control of Purchaser (or its respective successors-in-interest, assigns or affiliates) shall, within five (5) business days following receipt, be transferred, assigned or conveyed by Purchaser (and its respective successors-in-interest, assigns and affiliates) to the applicable Seller. Purchaser (and its respective successors-in-interest, assigns and affiliates) shall have neither the right to offset amounts payable to any Seller under this Section 10.1 against, nor the right to contest its obligation to transfer, assign and convey to any Seller because of, outstanding claims, liabilities or obligations asserted by Purchaser against any Seller. If Purchaser does not remit any monies included in the Excluded Assets (or proceeds thereof) to the applicable Seller in accordance with the first sentence of this Section 10.1, such withheld funds shall bear interest at the Prime Rate in effect on the calendar day upon which such payment was required to be made to Seller (the "**Excluded Asset Due Date**") plus five percent (5%) (or the maximum rate allowed by law, whichever is less), such interest accruing on each calendar day after the Excluded Asset Due Date until payment of the Excluded Assets and all interest thereon is made to the applicable Seller.

10.2 Preservation and Access to Records After the Closing.

(a) From the Closing Date until seven (7) years after the Closing Date or such longer period as required by law (the "**Document Retention Period**"), Purchaser shall keep and preserve all medical records (including, without limitation, electronic medical records), patient records, medical staff records and other books and records which are among the Assets as of the Effective Time, but excluding any records which are among the Excluded Assets. Purchaser will afford to the representatives of Sellers, any of their affiliates, the Official Committee of the Unsecured Creditors of the Sellers, Sellers' estate representative or any liquidating trustee of the Sellers' bankruptcy estate ("**Seller Parties**"), including their counsel and accountants, full and complete access to, and copies (including, without limitation, color laser copies) of, such records with respect to time periods prior to the Effective Time (including, without limitation, access to

records of patients treated at the Hospital prior to the Effective Time) during normal business hours after the Effective Time, to the extent reasonably needed by any Seller Party for any lawful purpose. Purchaser acknowledges that, as a result of entering into this Agreement and operating the Hospital, it will gain access to patient records and other information which are subject to rules and regulations concerning confidentiality. Purchaser shall abide by any such rules and regulations relating to the confidential information it acquires. Purchaser shall maintain the patient and medical staff records at the Hospital in accordance with applicable law and the requirements of relevant insurance carriers. After the expiration of the Document Retention Period, if Purchaser intends to destroy or otherwise dispose of any of the documents described in this Section 10.2(a), Purchaser shall provide written notice to Sellers of Purchaser's intention no later than forty-five (45) calendar days prior to the date of such intended destruction or disposal. Any of the Seller Parties shall have the right, at its sole cost, to take possession of such documents during such forty-five (45) calendar day period. If any of the Seller Parties does not take possession of such documents during such forty-five (45) calendar day period, Purchaser shall be free to destroy or otherwise dispose of such documentation upon the expiration of such forty-five (45) calendar day period.

(b) Provided that Purchaser shall not incur any out of pocket costs, Purchaser shall give full cooperation to the Seller Parties and their insurance carriers in connection with the administration of Sellers' estate, including, without limitation, in connection with all claims, actions, causes of action or audits relating to the Excluded Assets, Excluded Liabilities or pre-Closing operation of the Sellers or the Hospital that any Seller Party may elect to pursue, dispute or defend, in respect of events occurring prior to the Effective Time with respect to the operation of the Hospital. Such cooperation shall include, without limitation, making the Hired Employees available for interviews, depositions, hearings and trials and other assistance in connection with the administration of Sellers' estate and such cooperation shall also include making all of its employees available to assist in the securing and giving of evidence and in obtaining the presence and cooperation of witnesses (all of which shall be done without payment of any fees or expenses to Purchaser or to such employees); provided that Purchaser shall not be required to incur any out of pocket costs in association therewith. In addition, Sellers and their affiliates shall be entitled to remove from the Hospital originals of any such records, but only for purposes of pending litigation involving the persons to whom such records refer, as certified in writing prior to removal by counsel retained by Sellers or any of their affiliates in connection with such litigation. Any records so removed from the Hospital shall be promptly returned to Purchaser following Sellers' or their applicable affiliate's use of such records.

(c) In connection with (i) the transition of the Hospital pursuant to the transaction contemplated by this Agreement, (ii) Sellers' rights to the Excluded Assets, (iii) any claim, audit, or proceeding, including, without limitation, any tax claim, audit, or proceeding and (iv) the Sellers' obligations under the Excluded Liabilities, Purchaser shall after the Effective Time give Sellers access during normal business hours to Purchaser's books, personnel, accounts and records and all other relevant documents and information with respect to the assets, liabilities and business of the Hospital as representatives of Sellers and their affiliates may from time to time reasonably request, all in such manner as not to unreasonably interfere with the operations of the Hospital.

(d) Purchaser and its representatives shall be given access by Sellers during normal business hours to the extent reasonably needed by Purchaser for business purposes to all documents, records, correspondence, work papers and other documents retained by Sellers pertaining to any of the Assets prior to the Effective Time (excluding confidential employee information, privileged materials and patient records), all in such manner as to not interfere unreasonably with Sellers. Such documents and other materials shall be, at Sellers' option, either (i) copied by Sellers for Purchaser at Purchaser's expense, or (ii) removed by Purchaser from the premises, copied by Purchaser and promptly returned to Sellers.

(e) Purchaser shall comply with, and be solely responsible for, all obligations under the Standards for Privacy of Individually Identifiable Health Information (45 CFR Parts 160 and 164) promulgated pursuant to the Health Insurance Portability and Accountability Act of 1996 with respect to the operation of the Hospital on and after the Effective Time.

(f) Purchaser shall cooperate with Sellers, on a timely basis and as reasonably requested by Sellers, in connection with the provision of all data of the Hospital and other information required by Sellers for reporting to HFAP for the remainder of the quarterly period in which the Closing has occurred.

(g) To the maximum extent permitted by law, if any Person requests or demands, by subpoena or otherwise, any documents relating to the Excluded Liabilities or Excluded Assets, including without limitation, documents relating to the operations of any of the Hospital or any of the Hospital's committees prior to the Effective Time, prior to any disclosure of such documents, Purchaser shall notify Sellers and shall provide Sellers with the opportunity to object to, and otherwise coordinate with respect to, such request or demand.

(h) Provision of Benefits of Certain Contracts. Notwithstanding anything contained herein to the contrary, this Agreement shall not constitute an agreement to assign any Assumed Contract or Assumed Lease, if, notwithstanding the provisions of Sections 363 and 365 of the Bankruptcy Code, an attempted assignment thereof, without the consent of the third party thereto, would constitute a breach thereof or in any way negatively affect the rights of Sellers or Purchaser, as the assignee of such Assumed Contract or Assumed Lease, as the case may be, thereunder. If, notwithstanding the provisions of Sections 363 and 365 of the Bankruptcy Code, such consent or approval is required but not obtained, Sellers will cooperate with Purchaser in any reasonable arrangement designed to both (a) provide Purchaser with the benefits of or under any such Assumed Contract or Assumed Lease, and (b) cause Purchaser to bear all costs and obligations of or under any such Assumed Contract or Assumed Lease. Further, notwithstanding anything contained in this Agreement to the contrary, this Agreement shall not constitute an agreement to assign any Account Receivable the assignment of which is either prohibited by law or by the terms of any contract with a payor without the consent of such payor. Any payments received by Sellers after the Closing Date from patients, payors, clients, customers, or others who are the obligors on Accounts Receivables transferred to Purchaser as a part of the Assets on the Closing Date shall be paid over to Purchaser within ten (10) business days after receipt by Seller.

10.3 Closing of Financials. Provided that Purchaser shall not incur any out of pocket costs, Purchaser shall cause the individual acting as the chief financial officer of the Hospital after the Effective Time (the "**Post-Effective Time CFO**") to cooperate with Sellers' representatives in

order to complete the standardized closing of Sellers' financial records through the Closing Date including, without limitation, the closing of general ledger account reconciliations (collectively, the "**Closing of Financials**"). Purchaser shall cause the Post-Effective Time CFO to use his or her good faith efforts to cooperate with Sellers' representatives in order to complete the Closing of Financials by no later than the date which is thirty (30) calendar days after the Closing Date. The Post-Effective Time CFO and other appropriate personnel shall be reasonably available to Sellers for a period of no less than one hundred eighty (180) calendar days after the Closing Date to assist Sellers in the completion of Sellers' post-Closing audit, such assistance not to interfere unreasonably with such Post-Effective Time CFO's other duties.

10.4 Medical Staff. To ensure continuity of care in the community, Purchaser agrees that the Hospital's medical staff members in good standing as of the Effective Time shall maintain medical staff privileges at the Hospital as of the Effective Time. On and after the Effective Time, the medical staff will be subject to the Hospital's Medical Staff Bylaws then currently in effect, provided that such Bylaws are in compliance with all applicable laws and regulations and contain customary obligations.

10.5 Shared Intangible Assets. In the event and to the extent that certain intangible Assets transferred by Sellers have been used to operate businesses of Verity or Verity Holdings or their affiliates which are not being sold to Purchaser ("**Shared Intangible Assets**") and such Shared Intangible Assets continue to be used by Verity or Verity Holdings or their affiliates to operate such businesses after Closing, Verity and Verity Holdings retain the rights to continue to use such Assets notwithstanding their sale to Purchaser. Purchaser shall reasonably cooperate with Verity and Verity Holdings and their affiliates to give effect to such rights and shall provide Verity and Verity Holdings and their affiliates such documentation, records and information and reasonable access to such systems as necessary for Verity and Verity Holdings and their affiliates to continue to operate such businesses; all in such manner as not to reasonably interfere with the operations of the Hospitals; provided, however, Purchaser shall not be required to incur any out-of-pocket costs in association therewith unless reimbursed by Verity and Verity Holdings and their affiliates.

ARTICLE 11

DEFAULT, TAXES AND COST REPORTS

11.1 Purchaser Default. If Purchaser commits any material default under this Agreement, Sellers shall have the right to sue for damages; provided, however that the amount of such damages shall never exceed $60,000,000.00. For the avoidance of doubt, Sellers shall have no right to sue for specific performance under this Agreement.

11.2 Seller Default. If Sellers commit any material default under this Agreement, Purchaser shall have the right to demand and receive a refund of the Deposit, and Purchaser may, in addition thereto, pursue any rights or remedies that Purchaser may have under applicable law, including the right to sue for damages or specific performance.

11.3 Tax Matters; Allocation of Purchase Price.

(a) After the Closing Date, the parties shall cooperate fully with each other and shall make available to each other, as reasonably requested, all information, records or documents relating to tax liabilities or potential tax liabilities attributable to Sellers with respect to the operation of the Hospital for all periods prior to the Effective Time and shall preserve all such information, records and documents at least until the expiration of any applicable statute of limitations or extensions thereof. The parties shall also make available to each other to the extent reasonably required, and at the reasonable cost of the requesting party (for out-of-pocket costs and expenses only), personnel responsible for preparing or maintaining information, records and documents in connection with tax matters and as Sellers reasonably may request in connection with the completion of any post-Closing audits of the Hospital.

(b) The Purchase Price (including any liabilities that are considered to be an increase to the Purchase Price for United States federal income Tax purposes) shall be allocated among the Assets in accordance with Section 1060 of the Code and the Treasury Regulations promulgated thereunder as set forth in **Schedule 11.3(b)** (such schedule the "**Allocation Schedule**"). The Allocation Schedule shall be for Sellers' and Purchaser's tax purposes only, and shall not limit the Sellers' creditors in any way.

11.4 Cost Report Matters.

(a) Consistent with Section 4.5, Sellers shall, at Purchaser's expense, prepare and timely file all cost reports relating to the periods ending prior to the Effective Time or required as a result of the consummation of the transactions described in this Agreement, including, without limitation, those relating to Medicare, Medicaid, and other third party payors which settle on a cost report basis (the "**Seller Cost Reports**").

(b) Upon reasonable notice and during normal business office hours, Purchaser will cooperate reasonably with Sellers in regard to Sellers' preparation and filing of the Seller Cost Reports. Such cooperation shall include, at no cost to Sellers, obtaining access to files at the Hospital and Purchaser's provision to Sellers of data and statistics, and the coordination with Sellers pursuant to reasonable notice of Medicare and Medicaid exit conferences or meetings. Sellers shall have no obligations after the Effective Time with respect to Seller Cost Reports except for preparation and filing thereof.

ARTICLE 12

MISCELLANEOUS PROVISIONS

12.1 Further Assurances and Cooperation. Sellers shall execute, acknowledge and deliver to Purchaser any and all other assignments, consents, approvals, conveyances, assurances, documents and instruments reasonably requested by Purchaser at any time and shall take any and all other actions reasonably requested by Purchaser at any time for the purpose of more effectively assigning, transferring, granting, conveying and confirming to Purchaser, the Assets. After consummation of the transaction contemplated in this Agreement, the parties agree to cooperate with each other and take such further actions as may be necessary or appropriate to effectuate, carry out and comply with all of the terms of this Agreement, the documents referred to in this Agreement and the transactions contemplated hereby.

12.2 Successors and Assigns. All of the terms and provisions of this Agreement shall be binding upon and shall inure to the benefit of and be enforceable by the respective successors and assigns of the parties hereto; *provided, however,* that no party hereto may assign any of its rights or delegate any of its duties under this Agreement without the prior written consent of the other parties which consent shall not be unreasonably withheld or delayed, except that Purchaser may, without the prior written consent of Sellers, assign all or any portion of its rights under this Agreement to one or more of its affiliates prior to the Closing Date.

12.3 Governing Law; Venue. This Agreement shall be construed, performed, and enforced in accordance with, and governed by, the laws of the State of California (without giving effect to the principles of conflicts of laws thereof), except to the extent that the laws of such State are superseded by the Bankruptcy Code or other applicable federal law. For so long as Sellers are subject to the jurisdiction of the Bankruptcy Court, the parties irrevocably elect, as the sole judicial forum for the adjudication of any matters arising under or in connection with the Agreement, and consent to the exclusive jurisdiction of, the Bankruptcy Court. The parties hereby consent to the jurisdiction of such court and waive their right to challenge any proceeding involving or relating to this Agreement on the basis of lack of jurisdiction over the Person or forum non conveniens.

12.4 Amendments. This Agreement may not be amended other than by written instrument signed by the parties hereto.

12.5 Exhibits, Schedules and Disclosure Schedule. The Disclosure Schedule and all exhibits and schedules referred to in this Agreement shall be attached hereto and are incorporated by reference herein. From the Signing Date until the Closing, the parties agree that Sellers may update the Disclosure Schedule as necessary upon written notice to Purchaser, and the applicable representation and warranty shall thereafter be deemed amended for all purposes by such updated Disclosure Schedule. Notwithstanding the foregoing, but subject to Section 9.2(c), should any exhibit or schedule not be completed and attached hereto as of the Signing Date, Sellers and Purchaser shall promptly negotiate in good faith any such exhibit or schedule, which exhibit or schedule must be acceptable to each of Sellers and Purchaser in their reasonable discretion prior to being attached hereto. Any matter disclosed in this Agreement or in the Disclosure Schedule with reference to any Section of this Agreement shall be deemed a disclosure in respect of all sections to which such disclosure may apply. The headings, if any, of the individual sections of the Disclosure Schedule are provided for convenience only and are not intended to affect the construction or interpretation of this Agreement. The Disclosure Schedule is arranged in sections and paragraphs corresponding to the numbered and lettered sections and paragraphs of Article III merely for convenience, and the disclosure of an item in one section of the Disclosure Schedule as an exception to a particular representation or warranty shall be deemed adequately disclosed as an exception with respect to all other representations or warranties to the extent that the relevance of such item to such representations or warranties is reasonably apparent on the face of such disclosure, notwithstanding the presence or absence of an appropriate section of the Disclosure Schedule with respect to such other representations or warranties or an appropriate cross reference thereto.

12.6 Notices. Any notice, demand or communication required, permitted, or desired to be given hereunder shall be deemed effectively given when personally delivered, when received by telegraphic or other electronic means (including facsimile) or overnight courier, or five (5)

calendar days after being deposited in the United States mail, with postage prepaid thereon, certified or registered mail, return receipt requested, addressed as follows:

12.7 Headings. The section and other headings contained in this Agreement and in the Disclosure Schedule, exhibits and schedules to this Agreement are included for the purpose of convenient reference only and shall not restrict, amplify, modify or otherwise affect in any way the meaning or interpretation of this Agreement or the Disclosure Schedule, exhibits and schedules hereto.

12.8 Publicity. Prior to the Closing Date, Sellers and Purchaser shall consult with each other as to the form and substance of any press release or other public disclosure materially related

to this Agreement or any other transaction contemplated hereby and each shall have the right to review and comment on the other's press releases prior to issuance; *provided*, *however*, that nothing in this Section 12.8 shall be deemed to prohibit either Sellers or Purchaser from making any disclosure that its counsel deems necessary or advisable in order to satisfy either party's disclosure obligations imposed by law subject to reasonable prior notice to the other party thereof.

12.9 Fair Meaning. This Agreement shall be construed according to its fair meaning and as if prepared by all parties hereto.

12.10 Gender and Number; Construction; Affiliates. All references to the neuter gender shall include the feminine or masculine gender and vice versa, where applicable, and all references to the singular shall include the plural and vice versa, where applicable. Unless otherwise expressly provided, the word "including" followed by a listing does not limit the preceding words or terms and shall mean "including, without limitation." Any reference in this Agreement to an "affiliate" shall mean any Person directly or indirectly controlling, controlled by or under common control with a second Person. The term "control" (including the terms "controlled by" and "under common control with") means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract or otherwise. A "Person" shall mean any natural person, partnership, corporation, limited liability company, association, trust or other legal entity.

12.11 Third Party Beneficiary. None of the provisions contained in this Agreement are intended by the parties, nor shall they be deemed, to confer any benefit on any person not a party to this Agreement, except for the parties' successors and permitted assigns, and except for any liquidating trustee or plan administrator for Sellers' estate.

12.12 Expenses and Attorneys' Fees. Except as otherwise provided in this Agreement, each party shall bear and pay its own costs and expenses relating to the preparation of this Agreement and to the transactions contemplated by, or the performance of or compliance with any condition or covenant set forth in, this Agreement, including without limitation, the disbursements and fees of their respective attorneys, accountants, advisors, agents and other representatives, incidental to the preparation and carrying out of this Agreement, whether or not the transactions contemplated hereby are consummated. The parties expressly agree that all sales, transfer, documentary transfer and similar taxes, fees, surcharges and the like in connection with the sale of the Assets shall be borne by Purchaser. If any action is brought by any party to enforce any provision of this Agreement, the prevailing party shall be entitled to recover its court costs and reasonable attorneys' fees.

12.13 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Agreement, binding on all of the parties hereto. The parties agree that facsimile copies of signatures shall be deemed originals for all purposes hereof and that a party may produce such copies, without the need to produce original signatures, to prove the existence of this Agreement in any proceeding brought hereunder.

12.14 Entire Agreement. This Agreement, the Disclosure Schedule, the exhibits and schedules, and the documents referred to in this Agreement contain the entire understanding

between the parties with respect to the transactions contemplated hereby and supersede all prior or contemporaneous agreements, understandings, representations and statements, oral or written, between the parties on the subject matter hereof (the "**Superseded Agreements**"), which Superseded Agreements shall be of no further force or effect; provided, that notwithstanding the foregoing, the letter Confidentiality Agreement dated July 12, 2018 between Purchaser and Cain Brothers, a division of KeyBanc Capital Markets Inc., on behalf of Sellers and their related entities shall not be a Superseded Agreement and shall continue in full force in effect in accordance with its terms.

12.15 No Waiver. Any term, covenant or condition of this Agreement may be waived at any time by the party which is entitled to the benefit thereof but only by a written notice signed by the party expressly waiving such term or condition. The subsequent acceptance of performance hereunder by a party shall not be deemed to be a waiver of any preceding breach by any other party of any term, covenant or condition of this Agreement, other than the failure of such other party to perform the particular duties so accepted, regardless of the accepting party's knowledge of such preceding breach at the time of acceptance of such performance. The waiver of any term, covenant or condition shall not be construed as a waiver of any other term, covenant or condition of this Agreement.

12.16 Severability. If any term, provision, condition or covenant of this Agreement or the application thereof to any party or circumstance shall be held to be invalid or unenforceable to any extent in any jurisdiction, then the remainder of this Agreement and the application of such term, provision, condition or covenant in any other jurisdiction or to persons or circumstances other than those as to whom or which it is held to be invalid or unenforceable, shall not be affected thereby, and each term, provision, condition and covenant of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

12.17 Time is of the Essence. Time is of the essence for all dates and time periods set forth in this Agreement and each performance called for in this Agreement.

RE: Verity Health System of California, Inc. Notice of Proposed Transfer
St. Francis Medical Center, St. Vincent Medical Center, and Seton Medical Center

Dear Ms. Levy-Biehl:

The Health Care Impact Statements for the proposed sale of the Verity hospitals for St. Vincent and St. Francis were posted today on the Attorney General's web site at http://oag.ca.gov/charities/nonprofithosp. Please have your clients review the proposed conditions in the Health Care Impact Statements, and let me know in writing whether any of the conditions are a "deal breaker." If there is such a condition, please provide an explanation why your client considers it a "deal breaker" and provide any supporting documents and information. Please provide your client's response on or before August 23, 2019. If I receive no response, I will assume your client has no such concerns. In addition, California Code of Regulations, Title 11, section 999.5(e)(3)(D) states in pertinent part:

> The applicant shall prominently post a copy of the independent health care impact statement on its website available to the public and any applicant's website available to its employees within 24 hours of receipt. Re: Verity Health System of California, Inc. Notice of Proposed Transfer of St. Francis Medical Center, St. Vincent Medical Center, and Seton Medical Center.

Dear Mr. Chan:

As you know, our firm is healthcare counsel to Strategic Global Management, Inc. ("SGM"), the purchaser of four of the Verity Hospitals pursuant to the Asset Purchase Agreement between the Verity Chapter 11 Debtors ("Verity") and SGM, as approved by the Bankruptcy Court ("APA").

We have reviewed your letters of August 16, 2019 and August 19, 2019, to Hope R. Levy-Biehl, outside counsel for the Verity, as well as the Initial Health Care Impact Statements ("Impact Statements"), related to St. Vincent Medical Center, St. Francis Medical Center and Seton Medical Center ("Hospitals"), which are referenced in the letters.

In your letters to Ms. Levy-Biehl, you have requested from her the identification of any conditions set forth in the Impact Statements which are considered "deal breakers," and you further requested an explanation as to why Verity would consider any of the conditions deal breakers. Although the letters were not sent to SGM, we do want to communicate to you SGM's position on the proposed conditions set forth in the Impact Statements.

Our client very much appreciates the ongoing efforts of the Attorney General to review our client's proposed acquisition of the Hospitals and related assets, and we look forward to the opportunity of continuing a dialogue with the Attorney General regarding the acquisition of these Hospitals and any conditions that may be attached to the Attorney General's approval of their transfer to SGM.

HOOPER, LUNDY & BOOKMAN, P.C.

HEALTH CARE LAWYERS & ADVISORS

However, the conditions recommended in the Impact Statements are materially inconsistent with the conditions which our client had thoughtfully developed and agreed to accept, as set forth in Schedule 8.6 to the APA. SGM continues to investigate and analyze the Hospitals' assets and operations, but SGM still believes that the conditions agreed to in Schedule 8.6 reflect the appropriate and needed approach in support of efforts to address the significant, long standing operational, economic and physical plant challenges facing these Hospitals, many of which were noted in the Impact Statements.

Accordingly, at this juncture, SGM would not accept the conditions proposed in the Impact Statements to the extent they materially differ from the conditions accepted by SGM in Schedule 8.6 to the APA. SGM reserves all of its rights in connection with the APA and, specifically, all of SGM's rights set forth in Section 8.6 thereof.

Nonetheless, as noted above, SGM is continuing its investigation and remains open to discussions with the Attorney General regarding these matters, including face-to-face meetings as appropriate.

Very truly yours,

Todd E. Swanson

Re: Response to August 16 and August 19, 2019 Correspondence Summary of "Deal Breakers"

Dear Mr. Chan,

Please consider this letter the response of Verity Health System of California, Inc. and its affiliates ("Verity" or "Debtors") to your letters regarding the conditions proposed (the "Recommended Conditions") by JD Healthcare, Inc. ("JD Healthcare" or "Expert") in its Health Care Impact Statements ("Impact Statements"), analyzing the proposed sale of St. Francis Medical Center ("St. Francis"), St. Vincent Medical Center (St. Vincent"), and Seton Medical Center, including its Daly City and Coastside Campuses ("Seton") (collectively, the "Hospitals") to Strategic Global Management, Inc. and/or one of its affiliated entities ("SGM" or "Buyer") (the "Transaction") pursuant to the Asset Purchase Agreement (the "APA"), entered into by and between the parties and approved by the Bankruptcy Court [Docket No. 2305]. We appreciate the opportunity to provide this response.

For the reasons outlined below, if the Attorney General ("AG") adopts the Recommended Conditions, SGM will not proceed with acquiring the Hospitals. SGM confirmed this in its letter to you dated August 21, 2019, when it stated that "the conditions recommended in the Impact Statements are materially inconsistent with the conditions . . . agreed to in Schedule 8.6." Importantly, any condition that the AG adopts that is not consistent with Schedule 8.6 is, in our view, a "deal breaker." Further, if the AG adopts the Proposed Conditions and if the Debtors are unsuccessful in their efforts to cut off the conditions under Section 363 of the Bankruptcy Code[1]

[1] Verity reserves the right to challenge the AG's ability to impose conditions such as the Recommended Conditions in the context of a sale in bankruptcy pursuant to section 363 of the Bankruptcy Code. In this case and *In re Gardens Regional Hospital and Medical Center, Inc.*, 567 B.R. 820 (Bankr. C.D. Cal. 2017), the Bankruptcy Court expressly held, for example, that conditions imposed on a buyer by the Attorney General, as part of the Attorney General's review of the sale of a non-for-profit hospital, is an "interest in property" that can be stripped off the assets through a sale under section 363 of the Bankruptcy Code. *See also In re Verity Health Sys. of Cal., Inc.*, 598 B.R. 283, 293 (Bankr. C.D. 2018) (holding that the "Conditions are an "interest in property" within the meaning of §363(f). These ruling are consistent with rulings by the Second, Third, Fourth and Seventh Circuits, and many lower courts, which have interpreted "any interest" expansively to include not only in rem interests in property, but also

Verity Health

and the sale to SGM does not proceed, the likely outcome is the closure of St. Vincent, Seton, and perhaps St. Francis. This would be an unnecessary and avoidable tragedy and would have a dire impact on countless patients, employees, vendors, and stakeholders. This is especially true here when SGM has agreed to continue to operate the Hospitals and to abide by the vast majority of the conditions imposed by the AG in its approval of the BlueMountain Transaction (the "2015 Conditions")[2] for the remaining term that the conditions apply to Verity, as set forth in Schedule 8.6 to the APA.

Consequently, we strongly request that your office not accept the Expert's Recommended Conditions, which are essentially a roll-forward of the 2015 Conditions based on the historic operations and not current patient care needs or market conditions. Instead, we encourage the AG to tailor the conditions to match those outlined in Schedule 8.6 providing SGM with the flexibility necessary to turn the Hospitals around financially, so they can continue to provide critical healthcare access to the communities they serve and thousands of jobs for the foreseeable future.

We further urge the Attorney General to exercise his discretion in a manner that considers the economic impact of the Recommended Conditions on the Hospitals. While the Impact Statements provide a significant amount of information related to the Hospitals background and the Transaction, the reports lack (i) any analysis of the economic impact that the 2015 Conditions have had on the Hospitals, and (ii) any cost-benefit analysis of the Recommended Conditions. Alarmingly, without regard to the economic and community realities, certain Recommended Conditions, if adopted, would force the Hospitals to maintain programs that not only lose significant amounts of money on an annual basis, but are unnecessary since the same services (and in some instances, more comprehensive or robust services) are already being provided at other hospitals in the area. To aid the Attorney General, we have provided evidence that considers the economic impact of the Recommended Conditions on the Hospitals both in this letter and in the enclosed, supporting declarations. We are happy to provide additional evidence and to discuss this further.

The Attorney General's consideration of the economic impact of the prospective conditions is critical. We, as operators of the Hospitals, know the 2015 Conditions were overly burdensome and hampered the Hospitals' ability to break even, let alone prosper. Indeed, the

Hospitals filed voluntary petitions for relief under Chapter 11 of the United States Bankruptcy Code on August 31, 2018 to stop hemorrhaging precious cash resources. Verity, its employees, its 10,000 vendors, and other parties have made tireless efforts during the tenure of the Chapter 11 cases to ensure continued patient care and to take the necessary steps to allow the Hospitals to be sold to a new operator that could successfully operate the Hospitals.

The Bankruptcy Court has now approved the Transaction, which paves the way for a better chapter for these Hospitals and the communities they serve. The Attorney General should carefully consider the foregoing and not impose any conditions, based largely on historic operations, that would unravel operational improvements resulting from the heroic efforts of Verity's employees and management to save these Hospitals and inexorably lead to their closure.

We also request the opportunity to meet with you and other key decisions makers before any conditions are finalized in this Transaction, given their importance and the fact that the Recommended Conditions would destroy the Transaction and have a negative impact on tens of thousands of patients, employees, vendors, and stakeholders.

I. The 2015 Conditions and the Chapter 11 Cases

Before discussing the Recommended Conditions, I would like you to have the benefit of my experience overseeing the operations and financial performance of the Hospitals. *See* Enclosed Declaration of Richard G. Adcock, Verity Health System of California, Inc. Chief Executive Officer. Upon my appointment of CEO as the Hospitals, two competing issues were immediately apparent: the Hospitals are (i) critically important to the communities they serve, but (ii) are damaged financially as a result of cumulative decisions made in the last two decades.

While my extensive experience in healthcare has assisted me in understanding and navigating the complex problems threatening the Hospitals, one thing has crystalized for me: *the Hospitals require operational flexibility to adjust to market needs and demands and to effectuate a financial turn-around*. The 2015 Conditions do not allow for that type of flexibility and therefore hamper the Hospitals' ability to succeed. Thus, it is imperative that the Attorney General consider the pragmatic realities of the Hospitals' operations when imposing conditions on the Hospitals. We strongly request that the AG tailor the conditions imposed on this Transaction to align with the Purchaser Approved Conditions in Schedule 8.6, providing SGM with the flexibility to close on the Transaction and turn the Hospitals around so they can continue to provide meaningful health care services, community benefits, and jobs to the communities they serve.

II. SGM Was the Only Qualified Bidder for St. Francis, St. Vincent, and Seton.

Verity conducted a robust process to market and solicit potential buyers. In June 2018, it engaged Cain Brothers, a division of KeyBanc Capital Markets ("Cain"), to identify potential

Verity Health
2040 E. Mariposa Avenue
El Segundo, CA 90245

buyers of some or all of the Verity hospitals and related assets and commenced discussions with those potential buyers. Cain prepared a Confidential Investment Memorandum and organized an online data site to share information with potential buyers, contacting over 181 prospective strategic and financial buyers beginning in July 2018 to solicit their interest in exploring a transaction regarding the Verity hospitals. As a result of its far-reaching marketing process, Cain received sixteen indications of interest or other proposals and continued to develop potential sales.

Verity, in consultation with Cain and its other advisors, selected SGM's offer to serve as the stalking-horse bid to acquire the assets of St. Francis, St. Vincent, St. Vincent Dialysis Center, Seton, and related assets (the "Assets") through a sale under section 363 of chapter 11 of title 11 of the United State Code (the "Bankruptcy Code"). Following extensive negotiations, SGM and St. Francis, St. Vincent, St. Vincent Dialysis Center, and Seton entered into the APA, which provides for the purchase of the Assets for $610 million, plus payments of cure costs, as set forth therein.

Thereafter, in accordance with the bidding procedures, Cain continued to actively market the Assets. Cain notified 90 parties of the sale process, directly sent the parties the bidding procedures approved by the bankruptcy court, and represented Cain's availability to assist in the bidding process. Thereafter, sixteen of those parties signaled ongoing interest by their requests for continued access to the data room containing information about the Assets.

Notwithstanding the time, energy, and resources dedicated to this process, SGM submitted the only qualified bid for St. Francis, St. Vincent, and Seton. *Again, and importantly, SGM has agreed to accept, in full or in large part, the majority of the* 2015 *Conditions imposed by the AG in its approval of the BlueMountain Transaction for the remainder of the term applicable to Verity*. SGM has not agreed to accept those 2015 Conditions in their entirety due to its need for flexibility to turn the Hospitals around financially and to modify or eliminate services that are not financially feasible to retain and/or not necessary to serve the community. The Bankruptcy Court entered orders (i) approving the APA, schedules and exhibits thereto, and (ii) authorizing the sale to SGM under section 363 of the Bankruptcy Code.

III. If the Attorney General's Office Adopts the Conditions Proposed by JD Healthcare, SGM Will Not Acquire the Hospitals.

Verity and SGM engaged in extensive discussions and negotiations about the 2015 Conditions, with Schedule 8.6 developed as a result of compromises and concessions made by the parties regarding what conditions SGM committed to accept, while ensuring it had the flexibility and opportunity to turn the failing healthcare system around. Pursuant to Section 8.6 of the APA, SGM negotiated the requirement to close on the Transaction only if the conditions imposed by the AG are "substantially consistent" with the conditions set forth in Schedule 8.6. As outlined in greater detail below, the Recommended Conditions are not substantially

Verity Health
2040 E. Mariposa Avenue
El Segundo, CA 90245

consistent with the conditions enumerated in Schedule 8.6 in a number of significant ways and, if adopted by the AG, will result in this Transaction failing. For the avoidance of any doubt, if the AG adopts and imposes any condition on this Transaction that is not consistent with Schedule 8.6, any such condition should be considered by the AG's office as a "deal breaker."

We highlight below some of the material ways in which the conditions proposed by the Expert diverge from Schedule 8.6.

A. The "term" of the Condition

In Schedule 8.6, there are a number of conditions that SGM accepted "for a term which coincides with the remaining term applicable to [the] condition" for the specific Hospital, as set forth in the 2015 Conditions. While SGM agreed to essentially stand in Verity's shoes and to honor the remaining term of the Prior Conditions, it was unwilling to commit to these 2015Conditions for a more extended period, as these conditions were a key factor contributing to the financial demise of the Hospitals and any requirement to honor these commitments for longer would inhibit SGM's ability to make operational changes necessary to turn the Hospitals around. SGM makes its point in its letter to you when it stated "the conditions agreed to in Schedule 8.6 reflect the appropriate and needed approach in support of efforts to address the significant, long standing operational, economic and physical plant challenges facing these Hospitals, many of which were noted in the Impact Statements."

It is worth noting that in at least some cases (and specifically for Seton), JD Healthcare has recommended that certain conditions be applied to SGM "for the remainder of the term" or in some cases for a period of time that is even shorter than the term remaining on the 2015 Conditions. The AG should apply this same standard to all of the conditions required of SGM (*i.e.*, not longer than the remaining term).

As outlined in greater detail below, if the AG does not allow SGM to honor its conditions for a term that runs concurrent with the term that currently applies to Verity, there is a significant risk that the Hospitals will close. This will result in the loss of critical community-based health care services, jobs, recoveries for creditors, and the loss of over $9 million annually in charity care and over $3,300,000 annually in community benefits currently provided by these Hospitals.

The closure of the Hospitals would be a tremendous and completely avoidable loss. By imposing conditions for a period of time that runs concurrent with the 2015 Conditions, the AG would help to ensure that the Transaction closes and the Hospitals remain open, potentially for much longer, once under new ownership, shed from burdensome historic liabilities and challenges and on more solid financial grounds. This will give SGM the time it needs to further evaluate the opportunities and challenges for these Hospitals and to determine what changes are appropriate to ensure their long-term viability and the best and most productive services for the Hospitals going forward. SGM can, at its election, and if financially prudent, continue to honor

Verity Health
2040 E. Mariposa Avenue
El Segundo, CA 90245

the 2015 Conditions and maintain the beds, services, and offerings beyond this term, but requiring it to do so will terminate this Transaction and result in the loss of all services before the 2015 Conditions have even lapsed.

B. Cancer Care

In its Recommended Conditions, JD Healthcare suggests that the AG require SGM to maintain cancer care at the Hospitals, including radiation therapy at St. Francis and St. Vincent, and inpatient oncology, interventional radiology, radiation therapy, and infusion service at Seton. This condition is a clear deal breaker for SGM.

As a threshold matter, it is important to note that none of the Hospitals offer a comprehensive oncology service today. *See* Enclosed Declaration of Tirso del Junco, Jr. M.D., Verity Health System of California, Inc. Chief Medical Officer. St. Francis, St. Vincent and Seton do not currently provide surgical oncology services. While Seton historically had a more robust oncology service line, two of the medical oncologists previously practicing at the Hospital retired and have not been replaced, which has resulted in a further decline in oncology services, including a significant decline in infusion services.

Importantly, demand for oncology services has been steadily on the decline at each Hospital. The reasons for this decline are a function of changing market conditions and are not a mystery. By its own account, the Expert found that St. Francis' cancer care volume decreased from fiscal year 2017 through fiscal year 2019. There are at least three other community hospitals offering cancer care to the same community of patients served by St. Francis. There has also been a decrease in oncology volume at St. Vincent over the last three years, with at least four other community hospitals and/or academic medical centers providing cancer care services to the same community of patients served by St. Vincent. JD Healthcare notes that cancer is the leading cause of death in Los Angeles. While this is very unfortunate and may well be true, the Expert has not suggested that this is the result of a lack of sufficient providers of oncology services or that the provision of cancer care services at St. Vincent and St. Francis is important in fighting this epidemic.

We cannot look at the provision of oncology services in a vacuum. Oncology is a very expensive service line. *See* Enclosed Declaration of Anita Chou, Verity Health System of California, Inc. Chief Financial Officer In FY 2018, St. Vincent provided 9,435 cancer treatments for a loss of $995,000. We would anticipate SGM losing an additional $547,000 as a result of its inability to access drug pricing under the federal 340B Drug Discount Program ("340B pricing"),[3] which would result in a projected net loss of approximately $1.5 million annual in the oncology service line . In FY 2018, Seton provided 8,429 in oncology treatments

[3] The 340B Drug Discount Program is a US federal government program created in 1992 that requires drug manufacturers to provide outpatient drugs to non-profit health care organizations at significantly reduced prices. As a for-profit enterprise, SGM is not eligible for 340B pricing.

Verity Health
2040 E. Mariposa Avenue
El Segundo, CA 90245

for a net loss of $3.8 million. SGM would have lost an additional $3 million as a result of its inability to access 340B pricing, with approximately $2.6 million attributable to higher oncology drug costs. It is not financially feasible to expect Seton, once owned by SGM, to operate an oncology program with diminishing volume and need at a loss of nearly $7 million per year, especially when the Hospital is already operating at an annual loss of $60 million. In FY 2018, St. Francis provided 15,556 oncology treatments for a total operating cost of $11.6 million. This service line generated a net income of $1.8 million. St. Francis will incur a loss of $262,000 under SGM ownership in light of its inability to access 340B drugs. Some portion of this would translate into additional costs for the St. Francis oncology program.

St. Vincent and Seton already sustain overwhelming losses each year. While St. Francis is operating at a modest profit, it has significant cash flow challenges and may not be financially successful if it had to stand on its own without the support of the system. Given these challenges, every dollar committed and lost impacts the ongoing operations and viability of the Hospitals. SGM recognized from the inception that maintaining oncology services without access to 340B pricing would negatively impact its ability to operate the Hospitals. While access to cancer care is critical, the Expert found sufficient alternative providers. Despite there being available cancer care providers in each of the Hospitals' communities, the Expert recommended requiring the Hospitals' admittedly partial cancer programs continue. The AG should not adopt these Recommended Conditions, which would require SGM to maintain an expensive, diminishing service line when there are alternative service providers in the Hospital communities.

C. Charity Care

SGM has committed to provide annual charity care funds equal to or greater than $430,384 for patients at St. Vincent, $8,000,000 for patients at St. Francis, and $935,405 for patients at Seton, for a term that coincides with the remaining term of the 2015 Conditions. This translates to a commitment of approximately $9,400,000 annually to support necessary medical services for patients in need of care. Any additional charity care requirements above these amounts are a deal breaker for SGM, as it would hinder the long term sustainability of the Hospitals' services.

We appreciate JD Healthcare's recognition that health reform and the Affordable Care Act ("ACA") have changed the need for charity care. We agree with JD Healthcare's suggestion that the AG should adjust the required commitment to charity care based on available data from time periods after the implementation of the ACA. However, a three-year lookback period is too long in light of the significant year-over-year changes in the need for charity care. Instead, the AG should look at the actual charity care provided in the past year by St. Francis, St. Vincent and Seton as a more appropriate barometer for the level of charity care that should be offered by the Hospitals prospectively. SGM has committed to a significant minimum amount of charity care in Schedule 8.6 and the AG should accept this commitment.

Verity Health
2040 E. Mariposa Avenue
El Segundo, CA 90245

SGM has agreed to administer the charity care funds under its existing financial assistance policy applicable across SGM's hospital system. In order to operate an efficient system, SGM will need to have one set of policies, procedures, and patient financial assistance applications. The Expert has recommended that SGM be required to operate under Verity's policy. SGM should be permitted to organize its administration of the charity care funds, consistent with its other hospitals, and in compliance with applicable state and federal law, without being required to continue Verity's specific policy.

D. Community Benefit

SGM has committed to provide annual community benefit services equal to or greater than $1,076,459 for the communities served by St. Vincent, $1,439,854 for the communities served by St. Francis, and $848,434 for the communities served by Seton, for a term that coincides with the remaining term of the Prior Conditions. Any additional community benefit program requirements above these amounts are a deal breaker for SGM, as it would hinder the long-term sustainability of the Hospitals' services. Further, SGM must be afforded the flexibility to determine how best to serve the community and which programs to provide on behalf of each Hospital.[4]

E. Capital Commitment

As of June 30, 2019, Verity expended approximately $172 million of the $180 million in capital commitments required as part of the 2015 Conditions applicable to Verity's six hospitals, leaving approximately $8 million unexpended by Verity. SGM has agreed to pay the previously required, but unexpended Verity capital commitment applicable to the three Hospitals it is acquiring. In order to determine SGM's share of the unexpended $8 million, we considered the Santa Clara County and SGM asset purchase agreements to arrive at the proxy value of the Verity hospitals of $845,000,000, comprised of $235,000,000 for O'Connor Hospital and Saint Louise Regional Hospital, and $610,000,000 for St. Francis, St. Vincent, and Seton. Based on these figures, SGM is acquiring approximately 72% of the Verity hospital assets. As such, SGM's portion of the outstanding capital commitment as of June 30, 2019, is approximately $5.8 million.

Provided that Verity does not expend any additional capital expenditures through the closing of the pending APA, then SGM would honor and commit to expend $5.8 million in capital commitments among St. Francis, St. Vincent, and Seton. If the remaining amount of the original capital commitment pursuant to the 2015 Conditions left unexpended through the closing of the APA is less than the above number, SGM would honor and commit to spend seventy-two percent (72%) of such lesser amount in capital commitments. We understand SGM

[4] Please note that although St. Francis Career College was referenced in the Expert's recommendations, American Career College bought St. Francis Career College in 2013 and has since closed the Lynwood Campus in 2019.

Verity Health
2040 E. Mariposa Avenue
El Segundo, CA 90245

would want to maintain the flexibility to determine how best to apportion these required expenditures among the Hospitals based on their individual needs and their operational priorities and to have the opportunity to expend such amounts over five (5) years following the closing pursuant to the APA.

F. Economic Impact of the Expert Proposed Conditions Generally

While the Impact Statements provide a significant amount of information about the Transaction, the Hospital operations and challenges, and the communities they serve, it lacks (i) any of the economic impact the 2015 Conditions have had on the Hospitals or that the Recommended Conditions would have on SGM, and (ii) any cost-benefit analysis of the conditions recommended by the Expert. Verity and SGM agree that many of the services provided by the Hospitals are essential to the communities they serve and that is why SGM has agreed to adopt many of the 2015 Conditions. The Impact Statements fail to consider and discuss the extent to which the economic impact of the proposed conditions guarantees a failed SGM transaction. In its letter to you, SGM states: "the conditions recommended in the Impact Statements are materially inconsistent with the conditions […] set forth in Schedule 8.6 to the APA." It goes on to say that "SGM would not accept the conditions proposed in the Impact Statements."

If the AG adopts the Recommended Conditions, based on the historical conditions, operations and needs and not the present reality, this will result in requirements for the Hospitals to maintain programs that not only lose a significant amount of money on an annual basis but that are also unnecessarily duplicative of other services (sometimes more comprehensive) already offered at other hospitals in the area. This will also result in SGM walking away from this Transaction.

As further discussed below, a failed SGM Transaction would mean closure for all the Hospitals resulting in the loss of access to medical care for hundreds of thousands of community members and patients, put thousands of employees out of work, and deny any financial recovery for former employees with pension rights, as well as other stakeholders.

By way of example, the Recommended Conditions require that SGM maintain transplant services at St. Vincent, including its newly developed liver transplant program, for at least five years from the Closing Date. St. Vincent established its liver transplant program earlier in 2019, performing a total of 10 liver transplants to date. At present, this program is not receiving any reimbursement as it is still going through the initial certification process. The liver transplant program places a significant financial burden on the Hospital. A third-party liver program expert consulting company has produced feasibility and performance projections for the St. Vincent program and anticipates that it will lose $21 million over 5 years, or somewhere in excess of 15% of the total value of St. Vincent. Liver transplant services were not a required service under the 2015 Conditions and SGM should not be required to maintain liver transplant services at St. Vincent as part of this Transaction.

Verity Health
2040 E. Mariposa Avenue
El Segundo, CA 90245

Additionally, the Recommended Conditions require SGM to contract with LA Care for St. Francis, and St. Vincent. Verity is currently involved in litigation with LA Care to recover approximately $15.2 million in underpaid and/or unpaid claims.[5] *See* St. Vincent Medical Center v. Local Initiative Health Authority for Los Angeles County dba L.A. Care Health Plan, Case No. 19-01002 at kccllc.net/verity. Requiring SGM to contract with LA Care is unreasonable in light of LA Care's inability to adequately ensure timely and full payment at market rates for services. When both parties can freely negotiate a new contract with needed assurances of payment at market rates, the community benefits. This is not possible if SGM is mandated to contract with LA Care regardless of the contract terms offered by LA Care or LA Care's performance or non-performance under the contract.

These are just a few examples of how the Recommended Conditions fail to take in to account the economic consequences of the suggestions and the impact these would have on hospital viability and prudent operations.

IV. If the AG Imposes the Conditions Recommended by its Expert, and the Debtors are Unsuccessful in their Efforts to Cut Off the Conditions under Section 363 of the Bankruptcy Code, the SGM Sale Will Terminate and St. Vincent and Seton Will Close.

A. The Debtors and Their Stakeholders Will Suffer Immediate Irreparable Harm if the SGM Sale Does Not Close.

The aftermath of a failed SGM sale is the prompt closure of St. Vincent and Seton in light of their unsustainable operational losses, the absence of an interested viable purchaser that would continue operations as acute care hospitals, and the almost certain lack of financing to continue their operations. While St. Francis would attempt a private sale in the bankruptcy case, the Debtors foresee significant challenges notwithstanding the fact that its financial performance may be stronger during parts of the year than the other Hospitals. Indeed, excluding QAF, since it is often difficult to rely on from a working capital perspective due to its sporadic payment pattern, St. Francis would need to borrow greater than $35 million from the Verity Hospital System throughout the year to manage large working capital fluctuations. The administrative expenses and risks associated with continuing the bankruptcy cases to attempt to identify a new buyer other than SGM, further threaten the Debtors' ability to finance and sell the Hospitals as going concerns and related recoveries to constituents. These threats are borne directly by the communities served by the Hospitals, their patients, employees, and other critical stakeholders, and are material considerations with which to assess the proposed SGM sale.

[5] To add specific examples, one large category of claims at issue involves services that were authorized by LA Care through delegated vendors but that LA Care denied payment because it had no way to track the delegated vendors' authorization numbers. As a result, LA Care required timely filed electronic claims to be resubmitted in paper. Another example is that LA Care has improperly administered payments under "stop loss" provisions – denying payment to St. Francis, in particular, for services to some of the most needy patients.

1. St. Vincent and Seton Will Likely Close.

St. Vincent and Seton are likely to close promptly after the SGM transaction fails for two significant reasons tied to their ongoing financial underperformance: (i) the Debtors cannot sustain the operational losses incurred by St. Vincent and Seton without the prospect of a potential purchaser, and (ii) the Debtors must conserve resources to underwrite a sale of St. Francis. St. Vincent and Seton (including both the Daly City and Coastside campuses) have combined operating losses greater than $105 million in the 10 months since filing bankruptcy.

The Expert acknowledges that "no other offers were received by the Bankruptcy Court to purchase and operate" St. Vincent and Seton. *See* St. Vincent Report at 86; Seton Report at 87. This finding is consistent with the results of the Debtors' extensive marketing efforts. As outlined in greater detail above, beginning in July 2018, the Debtors engaged Cain to identify potential buyers of some or all of the Debtors' Hospitals. Cain contacted over 181 strategic and financial buyers and received 11 indications of interest. None of these indications proposed purchasing and operating St. Vincent or Seton individually. The Debtors cannot sustain incurring ongoing operational losses to maintain the going-concern value of St. Vincent and Seton without the realistic prospect of a purchaser.

These closures would begin almost immediately. Because the failure of the SGM sale puts the recovery of secured creditors at risk, it is almost certain that the secured creditors would object to continued use of their cash collateral to subsidize the losses at St. Vincent and Seton. While the Debtors may be able to obtain an order authorizing the use of cash collateral over their objection, that use would be limited to the amount necessary to avoid harm to patients. Based on the experience of Debtors' counsel, St. Vincent and Seton would first seek court approval to close their emergency departments and close the Hospitals to new patients. Given the average length of stay for hospital inpatients, we would expect all acute care patients to be discharged within a week. We would expect St. Vincent to be closed in less than one month.

Closure of Seton would be much slower than St. Vincent, given the more involved process of the skilled nursing and sub-acute resident populations at both the Daly City and Coastside campuses, and would cost tens of millions of dollars to effectuate. We would immediately seek the assistance of the California Department of Public Health, the Center for Medicare and Medicaid Services, the Department of Health Care Services, Santa Clara and San Mateo Counties and other key governmental and non-governmental stake holders to find appropriate placements for the approximately 180 long term and subacute residents at Seton. However, the post-acute care delivery system in Northern California does not have the excess capacity to accept these residents. *See* Enclosed Declaration of Maya Altman, CEO for the Health Plan of San Mateo. We would anticipate many of these residents being displaced across the state and outside of the state in order to find appropriate and available beds and resources. The transfer trauma risk attendant to the closure of Seton's nursing facility would be significant with patients needing to be transferred, in many cases, hundreds of miles away from their communities, families and support networks.

Verity Health
2040 E. Mariposa Avenue
El Segundo, CA 90245

Thereafter, the Debtors would most likely attempt a private sale of St. Vincent and Seton after they are closed. After their extensive but ultimately unsuccessful marketing efforts, the Debtors believe that the most likely outcome is a sale to a real estate or similar purchaser without an interest in continuing or reopening the facilities as acute care hospitals, and without the need for Attorney General review. *See In re Gardens Reg'l Hosp. & Med. Ctr., Inc.*, 567 B.R. 820, 826-829 (Bankr. C.D. Cal. 2017) (Robles, J.) (holding that sale of a closed not for profit hospital is not subject to Attorney General review).

2. St. Francis Will Attempt a Private Sale at a Depressed Value with Significant Financial Obstacles and Creditor Scrutiny.

In the event the SGM transaction fails due to the imposition of conditions making continued operations economically unfeasible, the Debtors will turn their efforts to fund a renewed sale process for St. Francis, their only potentially profitable going-concern asset. A St. Francis sale process would face stiff headwinds and present significant liquidity demands, which would be further exacerbated if the Debtors are continuing to incur operating losses associated with St. Vincent and Seton. The Expert cites interviewees who "expressed that if this [SGM] transaction was not finalized, the Hospital would likely be acquired by another organization due to its history of financial success." *See* St. Francis Report at 85. However, this supposition does not account for the expenses and uncertainties associated with a single-facility sale.

St. Francis realizes substantial economic benefits from its integration in the Verity Health System that would be stripped in a single-facility sale. First, St. Francis cannot sustain itself solely on cash flow from operations. The primary receivables attributable to St. Francis operations—reimbursements and related supplemental payments on account of the Hospital Quality Assurance Fee program—are paid periodically during the year and substantially after the service period to which they relate. As stated previously, excluding QAF, St. Francis must borrow greater than $35 million from the Verity Hospital System throughout the year in order to manage its large working capital fluctuations. Historically, St. Francis has leveraged financing arrangements entered into by the Verity Health System. The obligated parties under those financing arrangements historically included VHS, O'Connor Hospital, Saint Louise Regional Hospital, Seton, St. Vincent, and St. Francis. St. Francis cannot achieve stable financial operations without access to credit historically supplied on a joint and several basis to the Verity Health System.

St. Francis benefits from the consolidated administrative functions and unified technology of the Verity Health System, which St. Francis would need to arrange for and purchase individually in anticipation of a single-facility sale. The total burden of the cost of the underlying IT systems and licensing agreements for the system, at a cost of more than $40 million per year, would likely be the burden of St. Francis alone. In addition, St. Francis would bear a significant portion of the current annual overhead costs of over $100 million that no longer could be spread across the other Hospitals. These two factors will put significant strain

Verity Health
2040 E. Mariposa Avenue
El Segundo, CA 90245

on the cash flow of the remaining Debtors and would ultimately make completing an extremely quick private sale of St. Francis critical to maintaining any value for the estate.

A private sale is more expedient, but, in the absence of a renewed, robust sale process, the Debtors expect the sale would yield a purchase price hundreds of millions of dollars lower than the SGM Transaction and would receive objections from constituents who would request a new marketing process. Based on the Debtors' experience through the extensive pre-bankruptcy and post-filing marketing efforts, the Debtors are very aware of (i) the difficulty in identifying a purchaser that is both interested in, and capable of, closing on such a transaction, and (ii) the large amount of time and money it takes to sustain ongoing operating losses while working with a prospective buyer through the complex sale process. In these circumstances, the Expert's comment, without support, that there would be "other buyers" if the SGM Transaction failed is at best unsupported and a gross oversimplification of what would be an involved, complicated process. Even if a new deal process were successful and yielded a willing buyer capable of closing, it is highly uncertain whether the Debtors could fund the ongoing operating capital necessary to continue to operate St. Francis while the sale worked its way through the rigorous bankruptcy, AG, and regulatory approval process.

The Debtors' creditors are also likely to object to a fire sale of St. Francis given the already small recoveries available if the SGM sale is successful. A private sale is likely to leave only a partial recovery for secured creditors and, as discussed below, no recovery for other critical stakeholders. These secured creditors and stakeholders are likely to carefully scrutinize such a transaction and demand a longer auction process in lieu of a private sale. Each of these likely demands from secured creditors, other stakeholders, and the Attorney General would expose St. Francis to further financial deterioration arising from the increased administrative and professional costs associated with a lengthy sale process as well as further losses from operations.

It should be noted that even if there are good sales prospects, Verity will likely have no choice but to close St. Francis pending a sale, putting the hospital license in suspense and closing all beds and service lines. This would require a prompt shut-down of St. Francis, including the closure of its emergency room and trauma center as well as its psychiatric unit. While a buyer could apply to have the St. Francis hospital license resurrected and taken out of suspense, this is not without consequence. As a Hospital that relies heavily on government reimbursement and QAF to survive, in taking the license out of suspense, a St. Francis buyer would need to apply for new Medicare and Medi-Cal provider agreements, enduring a period during which the hospital is open but not yet certified. In addition, St. Francis would not be eligible for QAF during the period of time when it is closed, which would also impact its QAF fees and payments upon reopening. All of this would likely have a negative impact on the value of St. Francis as a freestanding hospital as well as its timeline for reopening its emergency department and certain non-essential services.

B. A Renewed Sale Process Will Materially Delay the Bankruptcy Cases.

The Debtors have administered and financed their bankruptcy cases and plan of liquidation assuming that the cases would conclude shortly after the SGM sale. If SGM does not consummate the sale, then the Debtors will incur additional, unexpected administrative expenses associated with continued operations as they pursue new sales and closures. These expenses—unanticipated by the Debtors and their lenders—will increasingly burden the Debtors' ability to fund their operations.

While difficult to predict, the Debtors anticipate that a single-facility private sale of St. Francis will take approximately five to six months to close. The bankruptcy court process, assuming that (a) a buyer could be located, and (b) the Debtors would seek a private sale, would last approximately six to eight weeks and involve soliciting potential purchasers, drafting and negotiating an asset purchase agreement and sale motion, and holding a sale hearing on three weeks' notice to interested parties. The balance of time is allocated to the 90 to 135-day Attorney General review process. This assumes that the private sale of St. Francis would not require a more belabored auction process in bankruptcy court; however, as noted above, creditors disappointed with partial or no recovery on their claims may convince the court that an auction process will result in a higher sale price.

The Debtors anticipate that the private sales of St. Vincent and Seton would take substantially less time to close if the facilities are not operating as acute care hospitals. The Debtors estimate that sales of St. Vincent and Seton could close in no less than two months on the most favorable timeline and for substantially less consideration. This assumes an expedited disposition of the facilities' patient populations, which we anticipate will be especially challenging for Seton's long-term patient populations at both the Daly City and Coastside campuses.

There is significant risk in the Debtors ability to fund an additional six-month sale process. These alternative sale timelines, through abbreviated, nevertheless require the Debtors to incur significant administrative expenses. As discussed, the Debtors incur cash flow losses of $450,000 every day. The Debtors have obtained $185 million of debtor in possession financing to cover these operational and administrative expenses during their bankruptcy cases because their stakeholders were satisfied that there was a high likelihood of consummating significant asset sales; this matures September 7, 2019. In fact, the financing terms are subject to strict case milestones and short-term budgets based upon consummating sales of the Hospitals by specific dates. *See* Docket No. 309-2 (DIP Credit Agreement, § 7.1 at 63) (the Debtors financial covenants include limits on budget variances during the bankruptcy cases); *see id.* (DIP Credit Agreement, § 9.1(q) at 72-76) (providing for defaults if Debtors fail to meet case deadlines including sale deadlines). Without the prospect of an imminent asset sale that would, at a minimum, cover the costs of financing, the Debtors' ability to obtain financing is a significant risk. The Debtors' access to cash collateral and proceeds of the O'Connor Hospital and Saint Louise Regional Hospital sale are likewise subject to the liens and limitations of the Debtors'

2040 E. Mariposa Avenue
El Segundo, CA 90245

secured creditors. The Debtors' ability to fund their operations becomes increasingly dubious as the bankruptcy cases continue without resolution.

C. Patients, Employees, Vendors, Community Members, and Other Essential Stakeholders Bear Directly the Ramifications of a Failed SGM Transaction.

The Attorney General should not ignore the significant economic ramifications of a failed SGM sale because of the negative healthcare impacts on patients and community members. If the SGM sale does not close, patients and community members will lose access to healthcare facilities. Extending the timeline to a sale by six months will also jeopardize the ability to finance the remaining hospital. Furthermore, the degradation in value realized from the asset sales will directly affect key stakeholder recoveries.

1. The Impact on Community Members and Patients

Failure to consummate the SGM sale likely results in the closure of St. Vincent and Seton and risks closure of St. Francis. The Expert recognizes the unique role the Hospitals play in their communities. Although the Debtors challenge the specifics of the proposed conditions, it is indisputable that these facilities provide access to essential healthcare services in their communities. Faced with the possibility of losing these facilities in their entirety, rote application of historical conditions must yield to the pragmatics of economics and demonstrable community need.

St. Francis is a critical safety-net provider of health care services, serving a large number of uninsured and underinsured patients. It is located in a medically underserved area and operates the only trauma center in the service area. It also provides critical acute inpatient psychiatric services as well as a mobile crisis evaluation team.

St. Vincent is the oldest hospital in Los Angeles, providing critical emergency room and other specialized services to the community it serves. In addition to serving almost 180 skilled nursing and subacute residents, Seton also operates a geriatric-psych service line and the only emergency department on the Peninsula in the 55-mile stretch between Santa Cruz and Daly City.

In addition to the possibility of losing these Hospitals, the communities would also lose the charity care and community benefits they offer. This would be a tragic and unnecessary loss.

2. The Impact on Vendors

It is the vendors that have supported the Hospitals during the pendency of the bankruptcy cases, allowing the Hospitals to stay open and to continue providing services in the ordinary course. Under the SGM purchase agreement, these vendors will receive payment in full for their

Verity Health
2040 E. Mariposa Avenue
El Segundo, CA 90245

support of Verity during its bankruptcy and a failed sale to SGM could put those payments at risk.

In addition, there are thousands of vendors whose contracts will be assumed by SGM pursuant to the sale. As a consequence, these vendors will be paid for their pre-petition claims an estimated total recovery of more than $50 million. For those vendors whose contracts are not being assumed by SGM, the sale will still provide millions of dollars of recoveries. In total, the failed sale to SGM would cause these vendors to lose tens of millions of dollars in recoveries. Further, there would be a loss of future services by these vendors that would provide the go-forward services to the operating hospitals.

3. The Impact on Employees

St. Francis, St. Vincent, and Seton have approximately 4,950 employees. SGM has committed to retain "substantially all" employees of the Debtors, as set forth in the APA. *See* Docket No, 2305-1 (SGM APA, § 5.3(a) at 27). Similarly, SGM has committed to participate in good faith negotiations of new collective bargaining agreements with the unions. *See id.* (SGM APA, § 4.7 at 25). The SGM sale presents the Debtors' stakeholders with the best possible alternative, and the failure of the SGM transaction will likely result in losing healthcare access for vulnerable populations as well as the loss of employment for thousands of employees.

V. Conclusion.

For all of the reasons outlined above, the AG should not adopt the Recommended Conditions. This would result in the certain failure of the SGM Transaction and the likely closure of St. Vincent, Seton, and perhaps St. Francis. This would be a devastating loss to the communities the Hospitals serve, to their patients, employees, vendors, creditors, and more. This would entail the unnecessary loss of historic, meaningful, community hospitals with robust histories, dedicated to providing charity care and community benefits, especially when as here, there is a ready buyer in SGM who has agreed to continue to operate the Hospitals and to abide by the vast majority of the 2015 Conditions for the period of time they apply to Verity. We urge you to tailor the conditions imposed on this Transaction to align with the Purchaser Approved Conditions in Schedule 8.6, providing SGM with the flexibility to close on the Transaction and turn the Hospitals around so they can continue to provide meaningful health care services, community benefits, and jobs to the communities they serve.

Sincerely,

DECLARATION OF RICHARD G. ADCOCK

I, Richard G. Adcock, declare that I have personal knowledge of the facts set forth in this declaration, and I would competently testify to them under oath if called as a witness.

1. I am, and have been since January 2018, the Chief Executive Officer of Verity Health System of California, Inc. ("VHS"). Prior thereto, I served as VHS's Chief Operating Officer since August 2017.

2. I have extensive senior-level experience in the nonprofit healthcare arena, especially in the areas of healthcare delivery, hospital acute care services, health plan management, product management, acquisitions, integrations, population health management, budgeting, disease management and medical devices. I have meaningful experience in both the technology and healthcare industries in the areas of product development, business development, mergers and acquisitions, marketing, financing, strategic and tactical planning, human resources, and engineering.

3. Prior to VHS, from 2014 until 2017, I served as Executive Vice President and Chief Innovation Officer of Sanford Health, a large integrated health system headquartered in the Dakotas dedicated to health and healing. In this role, I was responsible for leading Sanford Health's growth and innovation, in addition to direct operational oversight of the following related entities: Sanford Research, Sanford Health Plan; Sanford Foundation (a philanthropic fundraising foundation); Sanford Frontiers (a commercial and real estate company); Profile by Sanford (a scientific weight loss program); and Sanford World Clinic (which operates clinics in multiple countries).

4. From 2012 to 2017, I served as the President of Sanford Frontiers and had the responsibility of starting a new entity within Sanford Health focused on innovative ventures. From 2008 to 2012, I served as Executive Vice President of Sanford Clinic. I was responsible both for (i) working directly with the President of the Clinic to the lead team of Vice Presidents in all aspects of management, and (ii) Sanford World Clinics operations, including the design, opening and operation of several global clinics. 2006 to 2008, I served as the Vice President of Sanford Clinic and was responsible for leading strategic, operational and financial aspects within Sanford Clinic. From 2004 to 2006, I served as Director of Clinical Operations at Sanford Children's Specialty Clinic and led the Pediatric Subspecialty Physician program and the clinical practice through all facets of the operation.

5. Prior to Sanford Health, I served as the Director of Engineering and Six Sigma Master Black Belt at GE Medical Systems, and before that served as the Vice President of Research and Development and the Co-Owner/Founder of Micro Medical Systems. I have a bachelor of science in business administration and a masters of business administration in healthcare management.

6. I have reviewed the conditions proposed (the "Recommended Conditions") by JD Healthcare, Inc. ("JD Healthcare" or "Expert") to the California Attorney General (the "Attorney General") in the Health Care Impact Statements (the "Reports"), analyzing the proposed sale of St. Francis Medical Center ("St. Francis"), St. Vincent Medical Center (St. Vincent"), and Seton Medical Center, including its Daly City and Coastside Campuses ("Seton") (collectively, the "Hospitals"), to Strategic Global Management, Inc. and its affiliated entities ("SGM"), as reflected in that certain Asset Purchase Agreement (the "APA").

7. Upon review of the Recommended Conditions, I urge the Attorney General not to issue the Recommended Conditions, and, instead, to impose the conditions to which SGM has agreed to in Schedule 8.6 to the APA.

8. As explained below in detail, the Attorney General should not impose the Recommended Conditions because they do not take into consideration the negative economic impact of the Recommended Conditions nor the negative economic impact of the previously imposed conditions on the Hospitals (the "2015 Conditions").

9. The Attorney General should exercise his oversight responsibilities and discretion to impose conditions that consider the economic impact to the Hospitals.

10. My extensive experience in healthcare has helped me understand and

navigate the complex problems threatening the Hospitals.

11. Two competing issues were immediately apparent upon my appointment as CEO: the Hospitals are (i) critically important to the communities they serve, but (ii) are damaged financially as a result of cumulative decisions made in the last two decades.

12. After overseeing the operations and financial performance of the Hospitals, I concluded that the only feasible path to maintain Hospital operations was to initiate a bankruptcy process that would allow the transfer of the Hospitals to more financially stable operators, reduce existing liabilities, and commence a process in cooperation with the Attorney General to ensure the continued viability of these important community assets.

13. While SGM has the ability to keep these Hospitals open and help them to prosper, the Attorney General's role in that process cannot be understated.

14. Specifically, to fix the problems that presently threaten the Hospitals continued viability, the Attorney General must consider the pragmatic realities of the Hospitals' operations.

15. The Hospitals require operational flexibility to address the fast-paced changes in the healthcare market. I will use a specific example to illustrate my point. One of the 2015 Conditions requires that St. Francis maintains a fixed number of beds for pediatric patients. However, and by way of example, children in the St. Francis service area often go to the nearby children's hospital for treatment (e.g., Miller Children's, Children's Hospital of Los Angeles, and Women's Hospital). Consequently, St. Francis does not utilize many of the beds it is required to maintain pursuant to the condition. This results in unnecessary operating costs without attendant increases in revenue and, more importantly, prevents St. Francis from instead applying its resources to address the demonstrated needs of the community. In addition, these pediatric beds are needed as general adult inpatient beds. Put simply, 2015 Conditions do not reflect the needs of the market place. This is one of many examples that is repeated across service lines affected by the 2015 Conditions.

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

16. The payor contracts present another example of the negative impact of the 2015 conditions on the Hospitals. In my experience, I have never seen a set of conditions that obligate the Hospitals, as providers, to accept a particular payor's contact no matter how disadvantageous the terms and conditions. The Attorney General's mandated requirement to remain in an economically damaging relationship obliterates the Hospitals' ability to negotiate appropriate terms, including reimbursement consistent with market conditions. The Hospital payor contracts are below-market as a result of many years of poor payor contract negotiations coupled with the 2015 Conditions. Stated differently, through the imposition of the conditions, the Attorney General transfers negotiating leverage to the payors and leaves the Hospitals severally disadvantaged. While the Attorney General certainly may not have intended that result at the time the 2015 Conditions were imposed, the 2015 Conditions had that impact and accelerated and contributed to the threats facing the Hospitals today.

17. While the impact reports provide a significant amount of information related to the Hospital's background and the SGM transaction, the reports are lacking (i) any analysis of the economic impact the 2015 Conditions have had on the Hospitals, and (ii) any cost benefit analysis of the Recommended Conditions.

18. Without regard to the economic and community realities, certain Recommended Conditions force the Hospitals to maintain programs that not only suffer significant losses an annual basis, but are unnecessary because the same services (and in some instances, more comprehensive services) are already provided at other Hospitals in the area.

19. The Attorney General's consideration of the economic impact of the Recommended Conditions is critical. As a Hospital operator, I know the 2015 Conditions were too burdensome and hampered the Hospitals ability to prosper, as discussed above. Verity, its employees, tens of thousands of vendors and other parties have made tireless efforts during the sale process to ensure high quality continued patient care and to take the necessary steps that would allow the Hospitals to be sold to a new operator that could

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

successfully operate the Hospitals. The Bankruptcy Court has now approved the sale to SGM, which paves the way for these Hospitals and the communities they serve to continue the Hospitals' mission of quality patient care.

20. The alternative to an SGM sale is, most likely, the closure of SVMC and Seton in light of their unsustainable operating losses, the absence of an interested viable purchaser that would continue operations as acute care hospitals, and the almost certain lack of financing to sustain their operations.

21. While SFMC would most likely attempt a private sale in the bankruptcy cases, I foresee significant challenges. SFMC's financial performance may be stronger during parts of the year than the other Hospitals; however, SFMC relies significantly on the Verity Hospital System to borrow an excess of $35 million throughout the year to achieve its financial success and has not demonstrated an ability to independently manage large working capital fluctuations. The administrative expenses and risks associated with continuing the cases to attempt to identify a new buyer other than SGM, further threaten the Debtors' ability to finance and sell the Hospitals as going concerns and related recoveries to constituents. These threats are borne directly by the communities served by the Hospitals, their patients, employees, and other critical stakeholders, and are material considerations with which to assess the proposed SGM sale.

22. The Reports recognize the unique role the Hospitals play in their communities. Although I disagree with the specifics of the Recommended Conditions, I believe it is indisputable that the Hospitals provide access to essential healthcare services in their communities. Faced with the possibility of losing the Hospitals in their entirety, rote application of the 2015 Conditions should yield to the pragmatics of economics and demonstrable patient care and community need.

23. If the SGM transaction does not close, the Debtors, employees, pension holders, other stakeholders, and community members, would be exposed to significant and unrecoverable health care and economic loss.

24. Among the stakeholders which will be harmed by a failed SGM sale are the

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

vendors that have supported the Hospitals by providing credit terms throughout these cases. Under the SGM sale, these creditors will receive payment for their support of the Hospitals during the sale process. A failed sale to SGM would put that at risk. In addition, there are thousands of vendors whose contracts will likely be assumed by SGM in the sale. Consequently, these vendors will be paid for their pre-petition claims, an estimated total recovery for these vendors of $50 million. Even those vendors whose contracts are not assumed by SGM are still expected to receive millions of dollars of recoveries. In total, the failed sale to SGM would cost these vendors tens of millions of dollars in recoveries. Further, there would be a loss of future income for services provided to the operating Hospitals on a go-forward basis.

25. The Hospitals have approximately 4,900 employees. SGM has committed to retain "substantially all" employees of the Debtors, as set forth in the APA.

26. The SGM sale presents the Debtors' stakeholders with the best possible alternative, and the failure of the SGM transaction will likely result in a loss of healthcare access for vulnerable populations, as well as jobs of thousands of employees.

27. Based on the foregoing, I request the Attorney General carefully consider the foregoing and not impose conditions that would threaten to close the Hospitals or otherwise unwind stakeholders' heroic efforts to save these Hospitals.

I declare under penalty of perjury under the laws of the United States that the foregoing is true and correct.

Executed this 23rd day of August, 2019, in Santa Monica, California.

DECLARATION OF ANITA CHOU

I, Anita Chou, declare, that if called as a witness, I would and could testify as follows based on my own personal knowledge.

1. I am the Chief Financial Officer ("CFO") of Verity Health System of California, Inc. ("VHS"). I became the Debtors' acting CFO on August 20, 2018, and on August 29, 2018, the board of directors appointed me as the CFO. Prior to my appointment as acting CFO, I served as the VHS SVP Hospital Finance, with oversight responsibilities over all of Verity Health System hospitals' CFOs from February 1, 2018 until August 19, 2018, and as the St. Vincent Medical Center CFO from March 2016 to February 2018. Prior to VHS, I spent three years at Prospect Medical Holdings from March 2013 to March 2016 in various senior level corporate finance positions including Hospital System CFO, ten years as the controller for three different hospital and hospital systems (*e.g.*, Saint John's Health Center & Affiliates, Valley Presbyterian Hospital, and USC Kenneth Norris Jr. Cancer Hospital), and three years as a Financial Market Analyst for El Camino Hospital. I received my Masters in Health Administration from the University of Southern California in 2005, and my Bachelor of Science from University of California, San Diego in 1998.

2. Debtor VHS, a California non-profit public benefit corporation, is the sole corporate member of the five debtor California non-profit public benefit corporations that operated six acute care hospitals (the "Hospitals"), including St. Francis Medical Center ("SFMC"), St. Vincent Medical Center ("SVMC") and Seton Medical Center, which includes its Daly City and Coastside Campuses ("Seton"). Seton operates under one consolidated general acute care hospital license. VHS, the Hospitals and their affiliated entities operated as a non-profit healthcare system in the State of California.

3. The statements herein are based upon my personal knowledge of the facts and information gathered by me in my capacity as CFO for VHS.

4. I have reviewed the Health Care Impact Statements (the "Reports"), analyzing the proposed sale of SFMC, SVMC and Seton to Strategic Global Management, Inc., and its affiliated entities ("SGM"), as reflected in that certain Asset Purchase Agreement (the "APA").

5. The report on SFMC, at pages 92-96, the report on SVMC, at pages 87-90, and the report on Seton, at pages 88-92, set forth JD's recommended conditions (the "Recommended Conditions") for the transactions to the California Attorney General (the "Attorney General"). I urge the Attorney General not to issue the proposed conditions and, instead, to impose the conditions to which SGM has agreed in Schedule 8.6 to the APA.

6. The Recommended Conditions for SFMC, SVMC and Seton that deviate from Schedule 8.6 attached to the APA are "deal breakers" and should not be imposed by the Attorney General.

A. St. Francis

7. The Recommended Conditions for SFMC include a requirement that, for at least 10 years from the closing date, SFMC maintain cancer services. The current cost to maintain cancer treatment at SFMC exceeds $11 million annually, which includes the financial advantages that permit SFMC, as a non-profit hospital, to use the 340B program. The 340B Drug Discount Program is a U.S. federal government program that requires drug manufacturers to provide outpatient drugs to eligible health care organizations and covered entities at significantly reduced prices. SGM will operate SFMC as a for-profit enterprise, and, therefore, the 340B program will no longer be available, increasing the cost of pharmaceuticals, and, therefore, the cancer program, by $262,000 per year.

8. The Recommended Conditions include a requirement that, for at least 10 years from the closing date, SFMC maintain Wound Care Services. The Wound Care Clinic operated at a $385,000 net loss in 2018 and is expected to continue to operate at a loss.

9. The Recommended Conditions include a requirement that, for at least 10 years from the closing date, SFMC maintain its participation in the Medi-Cal Managed Care Program, continuing its contracts with LA Care Health Plan and Health Net Community Solutions. With Managed Medi-Cal rates that are significantly below market, such a restriction will continue to impose a financial burden upon SFMC as well as hinder its ability to negotiate appropriate payor rates. These contracts have not been renegotiated in the last 5 years in part due to the imposition of the conditions.

10. The Recommended Conditions for SVMC include a requirement that, for at least 5 years from the closing date, SVMC maintain cancer services. The cancer treatment program at SVMC operated at a net loss in 2018 of $995,000. And, because SGM will operate SVMC as a for profit enterprise, SGM cannot utilize the benefit of the 340B program which will impose additional cost for pharmaceuticals by $547,000 per year, exacerbating existing operating losses at the facility of over $65 million annually. With the loss of the 340B program, cancer care at SVMC will operate at a projected increased net loss of approximately $1.5 million per year.

11. The Recommended Conditions include a requirement that, for 5 years after the closing date, SVMC will continue to provide liver transplant service. The liver transplant program at SVMC started in calendar year 2019. In fact, performance projections prepared by a third-party expert consultant in transplant programs show a 5-year net loss of $21 million for SVMC. Worse, currently SVMC is not receiving reimbursement for liver transplants because SVMC is still in process of being certified to perform these transplants. Finally, SGM will have to negotiate reimbursement rates with third party payors going forward which may not cover the cost of the surgeries.

12. The Recommended Conditions include a requirement that for 5 years from the closing date, SVMC shall maintain its participation in the Medi-Cal Managed Care program, including continuing contracts with LA Care Health Plan and Health Net Community Solutions, Inc. Just as in the case with SFMC, with Managed Medi-Cal rates that are significantly below market, such a restriction will continue to impose a financial burden upon SVMC as well as hinder its ability to negotiate appropriate payor rates. These contracts have not been renegotiated in more than 5 years in part due to the imposition of the conditions.

C. Seton and Seton Coastside

13. The Recommended Conditions include a requirement that for 6 years Seton continue to offer cancer services at its Daly City Campus. The cancer services at Seton operated at a net loss of $3.8 million in 2018. The loss of the 340B program will increase costs by $3 million, of which $2.6 million is attributable to the loss of infusion therapy services. It is not financially

feasible to operate a cancer program at a continuing loss of nearly $7 million per year for a facility that is currently operating at a loss of $60 million annually.

I declare under penalty of perjury that, to the best of my knowledge and after reasonable inquiry, the foregoing is true and correct.

DECLARATION OF TIRSO DEL JUNCO, JR., M.D.

I, Tirso del Junco, Jr., M.D., declare that if called as a witness, I would and could competently testify thereto, of my own personal knowledge as follows.

1. I am currently the Chief Medical Officer for Verity Health System of California, Inc. ("VHS"). I am licensed and authorized to practice medicine in the State of California. I have been with VHS since its beginning in December 2015. I have also served as VHS's Associate Chief Medical Officer and as St. Vincent Medical Center's Chief Medical Officer. Prior to joining VHS, I held several positions at Mission Community Hospital in Panorama City, including associate chief medical officer.

2. Debtor VHS, a California non-profit public benefit corporation, is the sole corporate member of the five debtor California non-profit public benefit corporations that operated six acute care hospitals (the "Hospitals"), including St. Francis Medical Center ("SFMC"), St. Vincent Medical Center ("SVMC") and Seton Medical Center, which includes its Daly City and Coastside Campuses ("Seton"). Seton operates under one consolidated general acute care hospital license. VHS, the Hospitals and their affiliated entities operated as a non-profit health care system in the State of California.

3. The statements herein are based upon my personal knowledge of the facts and information gathered by me in my capacity the Chief Medical Officer for VHS.

4. I have read the Health Care Impact Statements (the "Reports") prepared by JD Healthcare ("JD") analyzing the proposed sale of SFMC, SVMC and Seton to Strategic Global Management, Inc., and its affiliated entities ("SGM").

5. The report on SFMC, at pages 92-96, the report on SVMC, at pages 87-90, and the report on Seton and Seton Coastside, at pages 88-92, set forth JD's recommended conditions (the "Recommended Conditions") for the transactions to the California Attorney General (the "Attorney General").

6. The Recommended Conditions for SFMC, SVMC and Seton that deviate from Schedule 8.6 attached to the certain Asset Purchase Agreement are "deal breakers" and should not be adopted by the Attorney General.

7. The Recommended Conditions for SFMC include a requirement that, for at least 10 years from the closing date, SFMC maintain cancer services, including radiation oncology. First, SFMC currently does not have a full complement of cancer services to offer its patients. In fact, SFMC offers *only* radiation oncology, and does not provide infusion chemotherapy and does not have a formal surgical oncology program; SFMC patients who need these services go to other hospitals. All three of those cancer services are currently being provided to patients within the area by Long Beach Memorial, Downy PIH, Torrance Memorial Medical Center and Lakewood Community Hospital. In other words, other hospitals within the area offer a full array of cancer services that SFMC does not offer, and those hospitals can thoroughly meet the needs for such services in the area. SFMC, as a non-profit hospital, receives the benefit of the 340B program. The 340B Drug Discount Program is a U.S. federal government program that requires drug manufacturers to provide outpatient drugs to eligible health care organizations and covered entities at significantly reduced prices. SGM will operate SFMC as a for-profit hospital, and, therefore, the 340B program will no longer be available, thereby increasing the cost of supplies.

8. The Recommended Conditions include a requirement that, for at least 10 years from the closing date, SFMC maintain wound care services. The report fails to note that the wound care clinic was re-licensed as a multi-specialty clinic in 2019 (for gastrointestinal services and general surgery, among other specialties); requiring SFMC to continue to provide wound care in the multi-specialty clinic would prevent SFMC from providing in the same clinic at the same time—multi-specialty services to meet community needs. In addition, the report fails to note that the hyperbaric chamber that was utilized in connection with such wound care services was removed by the vendor in 2018. Other hospitals in the area provide wound care services for patients, including Long Beach Memorial, Torrance Memorial and Downey PIH.

B. St. Vincent Medical Center

9. The Recommended Conditions include a requirement that, for at least 5 years from the closing date, SVMC maintain cancer services, including radiation oncology. As is the case with SFMC, SVMC does *not* have a full complement of cancer services to offer its patients; SVMC does

not provide infusion or infusion chemotherapy, and does not have a formal surgical oncology program. SVMC patients who require those services are required to go to other hospitals. All four of those services are currently being provided at California Hospital, Good Samaritan, White Memorial, Hollywood Presbyterian and the Norris Cancer Center at USC Keck. In other words, other hospitals within the area offer a full array of services that SVMC does not offer, thoroughly meeting the need for such services in the area. As is the case with SFMC, the 340B program, which permits SVMC as a non-profit hospital, to obtain cancer supplies, principally pharmaceuticals, from vendors at discounted pricing, cannot continue at SVMC because SGM will operate SVMC as a for-profit hospital. The inability to utilize the financial advantages of the 340B program will have a material impact, increasing costs to provide cancer care.

10. As to both SFMC and SVMC, there are three facilities designated as National Cancer Institutes within the Los Angeles area, including the Norris Cancer Center at Keck USC Medical Center, City of Hope and UCLA Medical Center. Those facilities provide superior cancer treatment to their patients. All three are within 25 miles of SFMC and SVMC.

11. The Recommended Conditions for SVMC include a requirement that, for 5 years after the closing date, SVMC continue to provide liver transplants. The liver transplant program at SVMC only started in 2019. The reality is that the community has 5 neighboring liver transplant centers, which provide the same transplant services as SVMC. The cost to maintain the services is high, best demonstrated by the fact that in regards to the 10 liver transplants surgeries performed so far in 2019, patients have stayed an average of 35 days, which is 15 days over the geometric mean length of stay ("GMLOS"), which is a benchmark to enable comparison of length of stay versus severity of illness, set forth by Medicare. Worse, at the present time, SVMC is not receiving reimbursements because it is awaiting Medicare review of the program for certification.

C. <u>Seton Medical Center and Seton Coastside</u>

12. The Recommended Conditions requiring Seton to provide cancer services at its Daly City Campus should not be required as a condition for approval of the sale by the Attorney General.

13. More specifically, the Recommended Conditions include a requirement that for 6 years from the closing date, Seton shall maintain cancer services at its Daly City Campus, including

oncology services, radiation therapy and infusion services. Seton provides radiation oncology and infusion therapy, but does not have a formal surgical oncology program. Accordingly, just as is the case with SFMC and SVMC, Seton does not have the full complement of cancer services to offer its patients. Seton patients who need the full array of services, that includes surgical oncology, go to other hospitals. A full array of cancer services are currently being provided to patients within the area, at UCSF and Stanford, and at Mills Peninsula which is located within ten miles of Seton. Just as is the case with SFMC and SVMC, other hospitals within the area offer a full array of cancer services, thoroughly meeting the community's needs for such services. Finally, just as is the case with SFMC and SVMC, the 340B program cannot continue in a for-profit hospital as proposed by SGM for Seton. Accordingly, the cost for Seton to provide cancer care without the 340B program will dramatically increase.

I declare under penalty of perjury under the laws of the United State that the foregoing is true and correct. Executed this 23rd day of August, 2019, in Los Angeles, California.

DECLARATION OF MAYA ALTMAN

I, Maya Altman, declare that I have personal knowledge of the facts set forth in this declaration and I would competently testify to them under oath if called as a witness.

1. I am the CEO for the Health Plan of San Mateo. My office is located at 801 Gateway Blvd., South San Francisco, California.

2. The Health Plan of San Mateo (HPSM) is a County Organized Health System (COHS) that contracts with the State of California to operate the Medi-Cal program in San Mateo County. HPSM is the single Medi-Cal plan in this county. HPSM contracts with providers in San Mateo County as well as nearby counties to provide health services, including long term care and skilled nursing care, for its members. Seton Medical Center and Seton Coastside both currently contract with HPSM. HPSM has approximately 140,000 members; nearly all of them are enrolled in Medi-Cal or dually eligible for both Medicare and Medi-Cal.

3. I have been the CEO of HPSM since 2005. Prior to this position, I was the Director of Finance and Administration for the San Mateo County Health Department. I started with San Mateo County Health in 1994 and worked in various capacities before assuming responsibility for finance and administration.

4. I received a Master's Degree in Public Policy from the University of California at Berkeley, and a Bachelor of Arts degree from Bryn Mawr College.

5. Seton Medical Center and Seton Coastside offer services to HPSM members that are unavailable or minimally available from other providers. For example, Seton Medical Center operates the only subacute unit in San Mateo County, a 44 bed unit fully occupied with nearly all Medi-Cal beneficiaries. Were Seton Medical Center to close, these ventilator dependent patients would have to be moved to facilities at a great distance from their families.

6. Seton Medical Center and Seton Coastside operate a combined total of 155 skilled nursing facility beds. HPSM is gravely concerned about the erosion of SNF resources in San Mateo County and the Bay Area for people who are publicly insured

through Medi-Cal and Medicare. This is a national trend but is especially problematic in San Mateo County where the population is aging faster than the rest of California. The county's population of residents over the age of 65 is projected to increase by 57% from 91,447 in 2015 to 160,366 in 2030. San Mateo County's In Home Support Services (IHSS) Medi-Cal population is already 26% over the age of 85 compared to 15% in the rest of California. San Mateo County has already lost 264 licensed SNF beds since 2009, making it extremely difficult to place Medi-Cal enrollees who need this level of care in nursing facilities.

7. Were Seton Medical Center and Seton Coastside to close, Medi-Cal beneficiaries needing skilled nursing facilities would have to be placed in facilities far away, most likely outside of the Bay Area and at a great distance from their families.

I declare under penalty of perjury under the laws of the United States that the foregoing is true and correct.

Verity Health System of California, Inc. and the above-referenced affiliated debtors, the debtors and debtors in possession in the above-captioned chapter 11 bankruptcy cases (collectively, the "Debtors"), hereby file this notice regarding the proposed order (the "Proposed Order"), attached as Exhibit "A," granting the *Debtors' Emergency Motion for the Entry of an Order: (I) Enforcing the Order Authorizing the Sale to Strategic Global Management, Inc.; (II) Finding That the Sale Is Free and Clear of Conditions Materially Different Than Those Approved by the Court; (III) Finding That the Attorney General Abused His Discretion in Imposing Conditions on the Sale; and (IV) Granting Related Relief* [Docket No. 3188] (the "Motion") and the related stipulation [Docket No. 3572] (the "Stipulation") and order thereon, lodged by the Debtors concurrently herewith.

GENERAL BACKGROUND

On September 30, 2019, the Debtors filed the *Debtors' Emergency Motion for the Entry of an Order: (I) Enforcing the Order Authorizing the Sale to Strategic Global Management, Inc.; (II) Finding That the Sale Is Free and Clear of Conditions Materially Different Than Those Approved by the Court; (III) Finding That the Attorney General Abused His Discretion in Imposing Conditions on the Sale; and (IV) Granting Related Relief* [Docket No. 3188] (the "Motion"). On October 23, 2019, the Court entered the *Memorandum of Decision Granting Debtors' Emergency Motion to Enforce the Sale Order [Doc. No. 3188]* (the "Memorandum Decision"). The Memorandum Decision sets forth the Court's findings and conclusions concerning the Motion, grants the relief requested in the Motion, and requires that the Debtors submit an order granting the Motion. *See* Mem. Dec. at 24.

PROPOSED ORDER GRANTING MOTION

The Debtors and the California Attorney General (the "Attorney General") have reached a consensual resolution, on the terms set forth in the Stipulation and the Proposed Order. Entry of the Proposed Order, and of the order approving the Stipulation, will result in, among other things: granting of the Motion; vacation and withdrawal of the Memorandum Decision; the Attorney General's agreement not to appeal from the Proposed Order; and, in the Debtors' view,

satisfaction of section 8.6 of that certain asset purchase agreement [Docket No. 2305-1] between the Debtors and Strategic Global Management, Inc. (respectively the "SGM APA" and "SGM").

The reasons for entering into the Stipulation with the Attorney General, and seeking entry of the Proposed Order, are compelling: closing of the sale to SGM will be expedited (a critical consideration, given the Debtors' liquidity issues, including ongoing operational losses of approximately $450,000 per day); and the time, expense, and uncertainty, associated with an appeal by the Attorney General of any order granting the Motion, will be avoided.

The Debtors and the Attorney General have worked diligently over the past 10 days to satisfy SGM's concerns and thus obtain its joinder in the Stipulation, but have been unable to do so. Therefore, after careful consideration by the Debtors and their constituents, the Debtors respectfully request that the Court enter both (a) the Proposed Order and (b) the order approving the Stipulation, as agreed to by the Debtors and the Attorney General.

EXPEDITED ENTRY OF PROPOSED ORDER

The entry of the Proposed Order, and the order granting the Stipulation, on an expedited basis is necessary and appropriate given (i) the Debtors' liquidity issues [*see, e.g.*, Docket No. 3238 (Adcock Decl. ¶ 6)], (ii) the December 31, 2019 deadlines and milestones in the SGM APA and cash collateral agreement [*see*, SGM APA § 9.1(3); Docket No. 2968 (Cash Collateral Mot. at 24)], and (iii) that it will further the closing of the SGM sale (*see* SGM APA § 8.6). Accordingly, the Debtors respectfully request entry of the Proposed Order, and the order granting the Stipulation, on an expedited basis.

1820151191111000000000012

Strategic Global Management, Inc. ("SGM") submits the following Objection to the "Order Granting Debtor's Emergency Motion For The Entry Of An Order: (I) Enforcing The Order Authorizing The Sale To Strategic Global Management, Inc.; (II) Finding That The Sale Is Free And Clear Of Conditions Materially Different Than Those Approved By The Court; (III) Finding That The Attorney General Abused His Discretion In Imposing Conditions On That Sale; And (IV) Granting Related Relief" [Doc. 3574] submitted by Verity Health System of California, Inc. and related and affiliated Debtors.

I.

INTRODUCTION

An enormous amount of time and expense has been incurred in the efforts of the Debtors, SGM, and other parties in interest, to reach an agreement for SGM's purchase of 4 hospitals for a price of over $600 Million, which will pave the way for confirmation of the Debtors' Plan of Reorganization, and the continued operation of the hospitals, employment of thousands of people, and support of the communities they serve. Fundamental to that process has been the need to resolve the issue of whether and to what extent SGM would be obligated to perform or abide by conditions which the California Attorney General ("AG") might attempt to impose as part of his approval process. In recognition of the history in other cases of the AG's imposition of conditions that have had the effect of causing transaction to fail and hospitals to close, SGM bargained for protection such that it would not have to close this transaction if the conditions imposed by the AG were materially different ("Additional Conditions") from that which SGM had agreed to accept. The provisions of the APA addressing this subject matter are contained in section 8.6.

The AG issued his Decision on September 25, 2019, in which the AG imposed Additional Conditions for his approval of the sale to SGM. The Debtors, with SGM's support, filed its "Emergency Motion For The Entry Of An Order: (I) Enforcing The Order Authorizing The Sale To Strategic Global Management, Inc.; (II) Finding That The Sale Is Free And Clear Of Conditions Materially Different Than Those Approved By The Court; (III) Finding That The Attorney General Abused His Discretion In Imposing Conditions On That Sale; And (IV)

Granting Related Relief" [Doc. 3188] requesting a determination, among other things, that the sale to SGM was free and clear of such Additional Conditions. Following the conclusion of the hearing on the Emergency Motion, this court filed its Memorandum Decision on October 23, 2019 [Doc. 3446] in which it granted the Emergency Motion and, recognizing the importance (if not ground breaking nature) of its ruling, the Court certified its ruling for a direct appeal to the U.S. Court of Appeals for the Ninth Circuit.

The AG has agreed to waive its right to appeal in exchange for the Court's vacation of its Memorandum Decision and entry of a form of order to which it consents. That proposed order [Doc. 3574] attached as Exhibit A hereto (herein, the "AG Order"), is not acceptable to SGM. While SGM remains fully committed to the transaction, fundamental to SGM's rights as a purchaser is the protection to which it is entitled under APA section 8.6 in the form of a clearly and unambiguously written order which forecloses, to the extent possible, any disputes or controversies as to SGM's protection from such Additional Conditions, its right not to comply with, perform or adhere to any of the Additional Conditions, and SGM's ability to come to this court if there are future disputes or controversies over the interpretation or enforcement of such order. Rather than accomplish that end, the AG Order is muddled, obtuse, grammatically ambiguous, and, if entered, will not provide SGM the clear and unequivocal protection to which it is entitled and which SGM believes the court intended it to have. Fortunately, these deficiencies can be corrected, with no prejudice to the AG or to the Debtors.

Under the unique circumstances of this case including: (1) the removal from the record of the Court's Memorandum Decision, which thoroughly and comprehensively set forth the bases for the Court's ruling in granting the Motion, and (2) the profoundly important consequence of the Court's order on SGM's future relationship with the AG for many years, in a transaction in which SGM will be paying over $600 Million, SGM is entitled to have a clearly-written, unequivocal and unambiguous order that addresses the following subject matters which were not fully and clearly provided for in the AG Order: (1) a definition of "Additional Conditions," (2) a clear statement as to what the "free and clear" terminology means as to the "Additional Conditions," and (3) a clear and unambiguous statement regarding this Court's jurisdiction to

resolve disputes or controversies over the Order.

All of SGM's concerns over the AG Order can be fixed very simply and effectively by the alternative order forth on Exhibit B hereto (the "SGM Order"). The use of the SGM Order, in lieu of the AG Order, while providing necessary protection to SGM, will have no prejudicial impact whatsoever on the AG or the Debtors. While SGM recognizes that one of the AG's goals, in waiving its appeal and having the Court vacate its Memorandum Decision, is to limit, as much as possible, a public record regarding this Court's significant decision concerning the unenforceability of the Additional Conditions, the AG's goal of limiting the "collateral damage" from this Court's ruling must give way to SGM's entitlement to a clearly stated, unambiguous order which will avoid, or limit to the maximum extent, confusion and controversy over exactly what this Court has decided.

Unfortunately, the AG's effort to avoid the precedential effect of this Court's ruling has created an unnecessarily ambiguous order which may actually result in litigation between the AG and SGM. The AG's verbatim extraction of specific language from § 8.6, while superficially appealing, is grammatically unartful. Whether by design to obscure the outcome of the Court's ruling or simply poor draftsmanship, the end result is an order that does not do justice to, or fairly reflects, this Court's ruling and leaves SGM open to litigation.

II.

THE CHANGES NECESSARY TO PROTECT THE INTEREST OF SGM, CAN BE MADE WITHOUT ANY PREJUDICE TO THE AG

SGM's proposed alternative order, at Paragraph 2, which is the paragraph that addresses the "free and clear" provision of the order, states as follows:

> The Debtors' transfer to SGM of the Debtors' assets (the "SGM Sale") pursuant to that certain Asset Purchase Agreement [Docket No. 2305-1] (the "SGM APA") is free and clear of, and shall not be subject to or conditioned upon SGM's performance of, compliance with, or adherence to, any and all Additional Conditions (as defined in the SGM APA and in the Motion), pursuant to Bankruptcy Code § 363(b), (f1), and (f5) and otherwise is provided in the Sale Order."

The foregoing language is entirely consistent with the Debtor's Motion, this Court's Memorandum Decision and, most importantly, expressly states what "free and clear" means, i.e. that SGM is not required to perform, comply with or adhere to the Additional Conditions. Because the concept of a "free and clear" sale as applied to regulatory conditions is, to say the least, unusual, SGM believes that it is critical that the Order contain language, which clarifies that a sale free and clear of conditions means that SGM will not have to comply with them. Otherwise, there could be some doubt, and later a dispute, about exactly what the term "free and clear" means as applied to regulatory conditions. The whole purpose of the SGM's negotiation of its rights under § 8.6, and of the Debtor's Emergency Motion to satisfy its obligation under § 8.6, was to establish that SGM would not have to comply with the AG Conditions. There is no legitimate reason why the AG should refuse to have such language included in the Order – unless the AG desires to leave the Order ambiguous enough either to be able to "spin it" or to create a basis for controversy.

The problem with the AG's language, especially in comparison to that proposed by SGM, are several fold. First, the prefatory words "Solely and exclusively for the purposes of the APA" are unnecessary, not requested by the Debtor or SGM in the Motion, and are ambiguous. The transfer of the Debtor's assets free and clear of the Additional Conditions needs to be clearly and unambiguously stated. What does "Solely and exclusively for purpose of the APA" mean? If the AG wants language to the effect that this Order does not apply to some other transaction over which the AG has approval authority, then the Order can provide such language.

The AG Order contains the additional verbiage addressing the critical issue of the sale being free and clear of the Additional Conditions in an awkward and imprecise manner:

> Solely and exclusively for purposes of the APA . . . the Additional Conditions . . . are an "interest in property" for purposes of 11 U.S.C. § 363(f) and the assets (as defined in the APA) *can be* sold free and clear of the Additional Conditions . . . .(Emphasis added.)

The use of the words "can be sold" does not expressively state that they "are being transferred" free and clear. While the AG has adopted verbiage from § 8.6 of the APA, word for

word, those words do not translate clearly into a court order. There is no particular reason why the Order should use the phrase "can be sold" as opposed to "are being transferred" which is consistent with the Sale Order and is exactly what this Court decided when it granted the Emergency Motion.

Finally, this Court made no ruling as to the AG's enforcement rights (and no such ruling was requested) and this Court should retain exclusive jurisdiction to resolve any disputes or controversies concerning its Order. The AG Order, after acknowledging the Bankruptcy Court's exclusive jurisdiction, goes on to say:

> "Notwithstanding the preceding sentence, nothing contained in this Order shall prohibit or limit the authority of the Attorney General to enforce, in the state courts and pursuant to section 5926 of the California Corporations Code, the Purchaser Approved Conditions set forth in Schedule 8.6 to the SGM APA."

First, there is no basis, either in the Emergency Motion, the AG's Opposition or the Memorandum Decision, for this Court to be ruling on the AG's enforcement right, one way or the other, except with respect to the Additional Conditions. Second, the words "Notwithstanding the preceding sentence" obviously are meant to supersede the prior sentence and, since the prior sentence provided for the Bankruptcy Court's "exclusive jurisdiction" over disputes pertaining to the Order, the AG Order would effectively trump that provision which or, at least create a "forum war" over future disputes. In light of the fact that a dispute could involve whether the AG is improperly attempting to enforce an "Additional Condition", there should be no question that any such dispute should be heard in this Court, since it is this Court that has created the barrier against such enforcement.

Verity Health System of California, Inc. ("VHS") and the affiliated debtors, the debtors and debtors in possession (collectively, the "Debtors") in the above-captioned chapter 11 bankruptcy cases (the "Cases"), respectfully request (the "Motion") that the Court (A) approve a continuance of the hearing on the *Motion of the Debtors for an Order Approving: (I) Proposed Disclosure Statement; (II) Solicitation and Voting Procedures; (III) Notice and Objection Procedures for Confirmation of Debtors' Plan; and (IV) Granting Related Relief* [Docket No. 2995] (the "Disclosure Statement Motion") to a date to be set by the Court at the Status Conference (defined below), (B) reschedule the deadline to file replies to objections to the Disclosure Statement Motion at the Status Conference, and (C) to use November 20, 2019, 10:00 a.m., as a status conference (the "Status Conference"). In support of the Motion, the Debtors submit the attached *Declaration of Richard G. Adcock* (the "Adcock Declaration") and, respectfully state as follows:

I.

INTRODUCTION

Currently, the hearing on the Debtors' Disclosure Statement is scheduled to occur on November 20, 2019, with replies with respect to pending objections due today, November 15, 2019. This morning, the CEO of Strategic Global Management, Inc. ("SGM") informed the CEO of the Debtors that SGM will be sending the Debtors formal correspondence material to the sale transaction (the "SGM Sale"). *See* Declaration of Richard G. Adcock attached hereto ("Adcock Declaration"). As of the filing of this Motion, the Debtors have not received any formal correspondence.

The Debtors' plan of liquidation is contingent on the close of the sale to SGM. Given the potential significance of SGM's communications, the Debtors request that the Court enter an Order granting the following relief (collectively, the "Proposed Relief"): (A) reschedule the November 20, 2019 Hearing on the Disclosure Statement to a date to be set by the Court at the Status Conference; (B) reschedule the deadline to file replies to objections to the Disclosure Statement Motion at the Status Conference; and (C) maintain November 20, 2019, 10:00 a.m., as a status conference on this matter. The Debtors are informed that the Official Committee of

LOS ANGELES, CALIFORNIA 90017-5704

Unsecured Creditors and the Debtors' secured lenders support the Proposed Relief requested in this Motion.

As the Court is aware from the recent continuances and hearings in these Cases, the Debtors continued their confirmation timeline to achieve finality as to certain conditions issued by the California Attorney General (the "Attorney General") and Enforcement Motion (defined below). The Debtors were hopeful that the Court's order [Docket No. 3611] and the agreement from the Attorney General not to appeal that order would achieve that long-sought finality and move these Cases to confirmation. However, the Debtors in good faith cannot move forward with the Plan until the Debtors receive further information with respect to SGM. Given the foregoing, the Proposed Relief is necessary and appropriate.

II.

JURISDICTION AND VENUE

This Court has jurisdiction over this Motion under 28 U.S.C. § 157(b)(2)(A) and (L). Venue of these proceedings and this Motion is proper pursuant to 28 U.S.C. § 1409. The statutory predicate for this Motion is 11 U.S.C. § 105[1] and LBR 9013-1(m).

III.

BACKGROUND FACTS

A. General Background

1. On August 31, 2018, ("Petition Date"), the Debtors each filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code (the "Cases"). By entry of an order, the Cases are currently being jointly administered before the Bankruptcy Court. [Docket No. 17]. Since the commencement of their Cases, the Debtors have been operating their businesses as debtors in possession pursuant to §§ 1107 and 1108.

B. The Plan and Disclosure Statement

2. On September 3, 2019, the Debtors filed the *Debtors' Chapter 11 Plan of*

[1] All references to "§" herein are to sections of the United States Bankruptcy Code, 11 U.S.C. § 101 *et. seq*; "LBR" references the Local Bankruptcy Rules of the United States Bankruptcy Court for the Central District of California.

Liquidation (Dated September 3, 2019) [Docket No. 2993] (the "Plan") and related *Disclosure Statement Describing Debtors' Chapter 11 Plan of Liquidation (Dated September 3, 2019)* [Docket No. 2994] (the "Disclosure Statement").

3. On September 4, 2019, the Debtors filed the Disclosure Statement Motion. In the Disclosure Statement Motion, the Debtors seek approval of (i) the Disclosure Statement, (ii) proposed solicitation and voting procedures, (iii) proposed notice and objection procedures for confirmation of the Plan, and (iv) related relief. The Debtors also requested [Docket No. 2996] an order setting a hearing and briefing schedule on shortened notice.

4. On September 4, 2019, the Court entered an *Order Setting Hearing On Motion for Approval of Disclosure Statement for October 2, 2019, at 10:00 a.m.* [Docket No. 2998] (the "Disclosure Statement Scheduling Order"). The Disclosure Statement Scheduling Order set a hearing on the Disclosure Statement Motion for October 2, 2019 at 10:00 a.m., and provided that any oppositions to the Disclosure Statement Motion must be filed not later than September 18, 2019. *See* Scheduling Order at 2.

5. On September 18, 2019, certain parties in interest filed responses and oppositions to the Disclosure Statement Motion. *See* Docket Nos. 3079, 3084, 3086, 3087, 3089, 3090, 3092, 3094. Further, the Debtors have continued the opposition deadline by stipulation as they continue negotiations with certain other parties with respect to the Disclosure Statement Motion and Disclosure Statement. *See* Docket Nos. 3076, 3077, 3082, 3098, 3119, 3122, 3126, 3195.

C. The Emergency Motion and SGM Sale

6. On May 2, 2019, the Court entered an order [Docket No. 2306] (the "Sale Order") approving the SGM APA concerning the SGM Sale. On September 25, 2019, the Attorney General conditionally approved the SGM Sale subject to certain conditions (the "2019 Conditions"). Certain of the 2019 Conditions (the "Additional Conditions") were materially different than those to which SGM agreed under the Schedule 8.6 to the SGM APA.

7. On September 30, 2019, the Debtors filed the motion [Docket No. 3188] (the "Enforcement Motion") for entry of an order finding (i) that the Debtors could sell their assets pursuant to the SGM Sale free and clear of the Additional Conditions, or, alternatively, (ii) that

the Attorney General abused his discretion when imposing the Additional Conditions. As discussed in greater detail in the Enforcement Motion, the Additional Conditions recently issued by the Attorney General threatened the SGM Sale, and could have triggered SGM's termination rights under the APA unless the Debtors obtained the relief requested by the Enforcement Motion. *See* SGM APA, § 8.6.

8. On October 1, 2019, the Court entered the *Order Setting Hearing on Emergency Motion for the Entry of an Order Enforcing the Order Authorizing the Sale to Strategic Global Management for October 15, 2019, at 10:00 a.m.* [Docket No. 3193] (the "Scheduling Order"), which scheduled a hearing on the Enforcement Motion on October 15, 2019, at 10:00 a.m. (Pacific Time)—the same date and time as the hearing on the Disclosure Statement Motion. *See* Scheduling Order at 2.

9. On October 23, 2019, the Court entered the *Memorandum of Decision Granting Debtors' Emergency Motion to Enforce the Sale Order [Doc. No. 3188]* (the "Memorandum Decision"). The Memorandum Decision granted the Enforcement Motion and further provided that the Court will enter an order certifying the matter for direct appeal to the Ninth Circuit. *See* Mem. Dec. at 24. The Court requested that the Debtors submit an order on the Enforcement Motion consistent with the Memorandum Decision not later than October 30, 2019. *See id.* On November 14, 2019, after holding an emergency hearing on the proposed form of order, the Court entered the order granting the Enforcement Motion [Docket No. 3611] (the "Enforcement Order").

D. Continuance of Hearing on Disclosure Statement Motion

10. The Debtors have filed four motions [Docket No. 3103, 3238, 3384, 3502] to continue the hearing on the Disclosure Statement Motion, which were granted by the Court [Docket No. 3120, 3260, 3389, 3506]. The order on the Debtors' fourth continuance motion set the Debtors' reply deadline as November 13, 2019 (the "Reply Deadline"), and scheduled a continued hearing on the Motion for November 20, 2019, at 10:00 a.m. (Pacific Time) (the "Hearing"). The Debtors requested [Docket No. 3589] a further extension of the Reply Deadline to November 15, 2019, which the Court approved by order [Docket No. 3594] entered November

12, 2019.

E. Facts Relevant to the Motion

11. On October 10, 2019, SGM filed the *Statement of Strategic Global Management, Inc. in Support of "Debtors' Emergency Motion for the Entry of an Order: (I) Enforcing the Order Authorizing the Sale to Strategic Global Management, Inc.' (II) Finding that the Sale is Free and Clear of Conditions Materially Different Than Those Approved by the Court . . ."* [Docket No. 3356] (the "SGM Statement"). In the SGM Statement, SGM indicated that "it will not close the Sale unless the Debtors timely obtain a Free and Clear order from the Court." SGM Statement at 4. The SGM APA further provides that such order must be final and non-appealable, that is, an order "which has been affirmed or the appeal of which has been dismissed by any appellate court and for which the relevant appeal period has expired (other than any right of appeal to the U.S. Supreme Court)." *See* SGM APA § 8.6. The Court entered the Enforcement Order on November 14, 2019. The two parties that objected to the Enforcement Motion have agreed not to appeal the Enforcement Order.

12. On this morning of November 15, 2019, the CEO of SGM informed the CEO of the Debtors of SGM's intent to send the Debtors formal correspondence material to the SGM Sale. *See* Adcock Declaration, ¶ 4. As of the filing of this Motion, the Debtors have not received any such correspondence. *See id.*

13. Given the foregoing, the Debtors anticipate that the Proposed Relief is necessary. *See* Adcock Declaration, ¶ 5. Without a continuance, the outcome also could result in further amendments to the Disclosure Statement and Plan if the Debtors are required to file papers by the current November 15, 2019 deadline. *See id.* Given their limited resources, the Debtors seek to avoid the unnecessary expenses associated with multiple amendments to their Disclosure Statement and Plan. *See id.* Accordingly, the Debtors respectfully request the Proposed Relief.

IV.

ARGUMENT

LBR 9013-1(m)(1) governs motions for continuance and sets forth various general requirements. The Motion satisfies the requirements of the LBRs because it is filed more than

DENTONS US LLP
601 South Figueroa Street, Suite 2500
Los Angeles, California 90017-5704
(213) 623-9300

three days prior to the Hearing, sets forth the reasons for the proposed continuance in detail, and is supported by the Adcock Declaration. *See* LBR 9013-1(m)(1).

The Debtors require a continuance of the hearing on the Disclosure Statement Motion for the reasons discussed above. A continuance of the Hearing will serve the best interests of the estates and creditors because it will ensure that the Debtors avoid the expense of unnecessary amendments to their Plan and Disclosure Statement. In light of the benefit to the Debtors' Cases, the Debtors respectfully request that the Court continue the Hearing on the Disclosure Statement Motion from November 20, 2019, at 10:00 a.m., to a date to be set by the Court at the Status Conference (the "Continued Hearing Date"). In accordance with the LBR 9013-1(m)(4), the Continued Hearing Date will automatically extend the reply deadline unless otherwise ordered by the Court at the Status Conference.

V.

CONCLUSION

In light of the foregoing, the Debtors respectfully request that this Court enter an Order (i) granting this Motion, (ii) continuing the hearing on the Disclosure Statement Motion to at date to be set by the Court at the Status Conference, (iii) rescheduling the deadline to file replies in support of the Disclosure Statement Motion to a date set by the Court at the Status Conference; (iv) maintaining November 20, 2019, 10:00 a.m. as a Status Conference on this matter, and (v) granting such other relief as the Court deems just and proper under the circumstances.

DECLARATION OF RICHARD G. ADCOCK

I, Richard G. Adcock, submit this Declaration in support of the *Motion to (A) Continue Hearing on Motion of the Debtors for an Order Approving: (I) Proposed Disclosure Statement, (II) Solicitation and Voting Procedures, (III) Notice and Objection Procedures for Confirmation of Debtors' Plan, and (IV) Granting Related Relief; (B) Continue the Reply Deadline with Respect to Disclosure Statement Objections; and (C) Use the November 20, 2019, 10:00 a.m. Hearing Date for a Status Conference on This Matter* (the "Motion"),[1] and hereby state as follows:

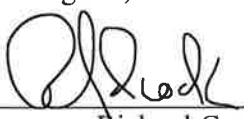
1. I am, and have been since January 2018, the Chief Executive Officer of Verity Health System of California, Inc. ("VHS"). Prior thereto, I served as VHS's Chief Operating Officer since August 2017.

2. I have extensive senior-level experience in the nonprofit healthcare arena, especially in the areas of healthcare delivery, hospital acute care services, health plan management, budgeting, disease management, and medical devices. I have meaningful experience in both the technology and healthcare industries in the areas of product development, business development, mergers and acquisitions, marketing, financing, strategic and tactical planning, human resources, and engineering.

3. I have personal knowledge of the facts stated in this declaration, except as to those stated on information and believe, and, as to those, I am informed and believe them to be true. If called as a witness, I could and would competently testify to the matters stated herein.

4. On this morning of November 15, 2019, the CEO of SGM informed me of SGM's intent to send the Debtors formal correspondence material to the SGM Sale. As of the filing of this Motion, the Debtors have not received any such correspondence.

5. Given the foregoing, the Debtors anticipate that the Proposed Relief is necessary. Without a continuance, the outcome also could result in further amendments to the Disclosure Statement and Plan if the Debtors are required to file papers by the current November 15, 2019



[1] Capitalized terms not otherwise defined in this Declaration have the definitions set forth in the Motion.

deadline. Given their limited resources, the Debtors seek to avoid the unnecessary expenses associated with multiple amendments to their Disclosure Statement and Plan. Accordingly, the Debtors respectfully request the Proposed Relief.

6. In my declaration filed in support of the second motion to continue the hearing on the Disclosure Statement Motion, I addressed the Debtors liquidity, including daily cash losses and accelerating negative cash flow. Given their limited resources, the Debtors seek to avoid the unnecessary expenses associated with multiple amendments to their Disclosure Statement and Plan.

I declare under penalty of perjury of the laws of the United States of America that the foregoing is true and correct.

Executed this 15th day of November, 2019, in Los Angeles, California.

(No response.)

All right. Thank you. I think we're ready to go forward.

You'll have to forgive me. I don't have a clear sense of who's on first on this. I know that the Court at

first made the request for a status conference I think in connection with the prior order, but this seems to have morphed into something else. So why don't we hear from you, counsel?

MR. MAIZEL: Your Honor, we'll take that burden. This is a status conference that parties have asked -- the debtors asked for and the Court's agreed that there should be a status conference on the status of the SGM sale and that's because of issues that have arisen between us and SGM, over whether the sales should close and, if so, when and if so on what terms.

We asked the Court to be cognizant as we have tried to be in the pleadings that there are issues between the parties which would have -- we think it aired publicly -- would have the possibility of a negative impact on the value of the assets, ability of the debtors to keep facilities open and the morale of the staff that work so hard to keep these facilities open for the now more than a year in bankruptcy. So we'd ask -- and that is why we filed a large portion of the status report under seal.

We'd ask the Court to be cognizant of that. We'd ask the parties to be cognizant of that and if necessary we'd ask the Court to take us in chambers if we have to go into any detail --

THE COURT: My chambers aren't big enough.

(Laughter)

MR. MAIZEL: All right, Your Honor. Then I know how difficult it is to close courtrooms. So then I suggest we -- I don't know what Plan C is.

THE COURT: Just to highlight some things, I don't think there's any need to go into any of those matters whatsoever this morning. So --

MR. MAIZEL: All right, Your Honor. So since it's a status conference I'll do some good news first, what I traditionally like to do in status conferences. First, in the last 24 hours we received the Attorney General's approval for the disposition as we had proposed of the philanthropic foundation debtors of those assets. So I think we now have a clear runway to dispose of those assets under -- in agreement with the Attorney General State of California.

We, as the Court is aware, have gotten a Medicare settlement agreement approved by the Court. While we believe we have satisfied the asset purchase agreement's obligations with regard to Medi-Cal, we also have continued to negotiate for a settlement and believe we have a settlement in principle, which we are now negotiating the terms of a written settlement agreement. Hope to have the Court -- have it to the Court shortly.

And, of course, the -- we believe the conditions

and the discussions with the Attorney General over the conditions and the Attorney General approval of the sale have all been settled, so those are all good things that I want to make sure the Court is reminded of and bring to everyone's attention.

THE COURT: Has the Attorney General withdrawn his appeal?

MS. MOYRON: Your Honor, he didn't file an appeal.

THE COURT: All right.

MR. MAIZEL: So, Your Honor, so what we're down -- what we're left with now is the issues that have been raised with regard to -- as were stated in the reservation of rights I believe last night by Mr. Klausner on behalf of SGM that whether there are material adverse effects which excuse closing of the transaction by SGM. And as we stated in the status conference, we've asked for the Court to set a briefing schedule on that. It is in everyone's best interests to resolve that issue before December 31st because there is --

THE COURT: What issue is there to resolve?

MR. MAIZEL: Well, Your Honor, whether there are material adverse effects.

THE COURT: Well, doesn't that need to be brought before the Court at a much earlier stage?

MR. MAIZEL: Well, Your Honor, we believe that the vast majority -- in fact, we believe all of the conditions are either satisfied or the allegations that have been raised were waived because of the due diligence period that expired on January 8th of this year.

THE COURT: Well --

MR. MAIZEL: So we agree with Your Honor, but the problem is we have a buyer who believes there are material adverse effects and the asset pur --

THE COURT: That's what confused me and that's why I wasn't sure who was on first on this because why is it your responsibility to give an avenue for the airing of some sort of dispute which I think is the obligation of the purchaser to have raised?

MR. MAIZEL: Well, Your Honor, we have an obligation as fiduciary, as do our creditors, to see if this sale can close because this is still Plan A sale. If we can -- we are optimistic that if we show this buyer that there are no -- that the Court would find there are no material adverse effects, that this buyer who says in their papers --

THE COURT: I have a surprise for you. As far as the Court is concerned, the purchaser is a proud owner of a passel of funds. Have fun.

All right. Look, there is no definition, as far

as I'm aware, in Article II of what a material adverse effect is, so let me supply what I think that definition is and that definition is con -- a condition under which a transaction -- a transaction would no longer be viable. And because it appears in Article II there is another requirement that that adverse effect is either a result of fraud or misrepresentation. And if the -- and also because there is a specific time requirement to get that material adverse effect, it is the product of misrepresentation or fraud before the Court has long since passed.

So what we have here, in my view, is just buyer's remorse and I don't share in the boo-hoo of that. I had an opportunity to review some of the correspondence going back and forth. The picayune, the smallness of those alleged transactions do not, in my view, reach the level of material adverse effect. Sorry. That's what I think

The argument that somehow this Court is required to have an adversary proceeding is absurd. That only appears as far -- again, as far as I'm aware in the longest paragraph known to man and that is I believe 8.6. Yes, 8.6. We're long past 8.6. The Attorney General has done the right thing and we don't have those conditions.

So now we're left with a curious statement at page 35 of my copy of the APA, which says that whether a material adverse effect has occurred for any purpose under

this agreement shall be exclusive settled by determination made by the Bankruptcy Court. Doesn't say anything about an adversary proceeding. "Exclusively," in my view, means not appealable. So once we make the determination, which I don't think we can do on a timely basis anymore, that's gone.

After reviewing the statement of strategic, I don't want to cast any negative aspersions at all. But I want to make clear that I believe that it is operating very closely within the satellite of bad faith. I think it has an obligation to close. I think it wants to negotiate a better deal. I think it believes that it will be unpalatable for the Court and for others here to see patients, young, old, infirmed, being wheeled or carted out of the hospitals. That's a cynical view and I don't adhere to it.

I believe that this contract is interpreted under the laws of the State of California and so it has with it the implied covenant of good faith and fair dealing and I don't think that we have that here. I suspect that this will close and if not, then they will pay damages pursuant to this agreement.

All right. And that's all. And I don't see a need for any further hearing.

Mr. Klausner.

MR. KLAUSNER: First of all, Your Honor, I do have to say that our client is reserving all of its rights. There are certain comments that were made by counsel with which we disagree, so I don't want my silence to be deemed any sort of concession or admission.

I do appreciate and take seriously all of the Court's comments. It's apparent to me from the Court's demeanor that the Court has very strong feelings and has formed very strong impressions. My concern is that the issues that exist between the parties need to be resolved in the appropriate context.

Well, what has happened today is simply the following. The debtor presented the buyer pursuant to the agreement with a demand to come to a closing on December 5. Our client responded as required by the terms of the agreement by providing Verity with a notice that this is -- its obligation under Section 8.4 of the asset purchase agreement that if our client believes that there are any conditions, covenants, agreements that haven't been satisfied we give Verity notice. That's all we've done.

We haven't said that we're not going to a closing. We haven't refused to close. We haven't exercised any right to terminate the agreement. We simply gave Verity a notice that we're obligated to give Verity in which we listed various conditions and covenants that we

believe Verity has not complied with.

That notice triggers a 15 business-day period for Verity to respond either to cure the defects that we've identified or to indicate to us why we're incorrect. We received a letter, as you received. We received a letter from Verity's counsel last evening in which in the course of about 12 pagers Verity's counsel addressed the issues that we raised in our letter.

It is unfortunate that the Court saw fit to receive those letters, notwithstanding that they were under seal. It was our view that in the event litigation should arise between the parties the issues that -- that exist between the parties, the disputes and the controversies, if any, should be presented to the Court in the appropriate manner in the appropriate context. And I'm disappointed that the Court reviewed that correspondence and has now effectively concluded that if our client does not come to a closing on December 5 our client is in breach of contract.

There's been no complaint. There's been no response. There's been no motion for summary judgment. There's been no presentation of evidence. This Court has simply concluded based upon an exchange of letters, some of which contain enormous hyperbole, that our client will be in breach if we don't close. I think that's unfortunate.

I think our client has the right to go to a

closing or not go to a closing and if our client fails to go to a closing, our client has a right to test its position in a courtroom in accordance with rules of procedure and rules of evidence. And for this Court to conclude at this stage of the proceeding that our client is obligated to close and if fails to close you're going to impose damages, I think that's very unfortunate.

So I'm not going to debate today the merits or substantive issues that have been -- that may be presented to this court at a later date. I'm not going to take the bait. I will simply on behalf of our client reserve our rights. We'll take whatever steps we need to take to protect the interests of our client. Do you have any questions?

THE COURT: No.

MR. KLAUSNER: Thank you.

THE COURT: Anyone else?

MR. SHINDERMAN: Your Honor, may I have 30 seconds to talk to the debtor and then I'd like to make a quick statement?

THE COURT: Certainly.

(Pause)

MR. SHINDERMAN: Thank you, Your Honor. Mark Shinderman, Milbank, on behalf of the Committee.

Your Honor, first the context. This is a status

conference on the disclosure statement, just to clear the calendar, because the disclosure statement can't go forward unless we know that we're going to have a close sale, so that's the context in which this -- it's not just about the sale. It's about the disclosure statement. So at the end of this hearing I'd ask that you continue further the debtor's obligation to file a reply to the objections of the disclosure statement. It's not relevant until we know we have a closing, number one.

Number two is, I completely agree with the statements of the Court. The buyer either closes or doesn't close. We talked about that last time in the context of the AG motion and we said the same thing. The debtor doesn't have a right -- the buyer doesn't have a right to come in here and say, "I like this; I don't like that." To us it appears that either the buyer doesn't have the financial wherewithal to close or he's trying to renegotiate. I don't -- I can't prove that. I don't know that. I read the same letters you did and that's what it looks like.

Because as Mr. Maizel points out, the APA was very clear. We are very concerned about the APA and optionality and we're concerned about it with respect to the Attorney General. What it said is, you have a certain period of time to due diligence, otherwise, the only out

you have, buyer, is if there's a material adverse change. And we constantly check with the debtor that neither the secured creditors, nor the Committee, nor the DIP lender before us got in the way of the debtor doing what the debtor needed to do to operate in the ordinary course with outside consultants, et cetera.

So we agree; the buyer has to close or not close. If they don't close then there'll be an action to enforce damages at the appropriate time, at the appropriate place. But there's no in between. They either close or they don't close.

Some of the statements that are made are very serious and, of course, the Committee doing its duty immediately called the debtor and we're satisfied that the debtor is doing everything it's supposed to do in the ordinary course to maintain the safety of patient care and that's very critical, and we take that job very seriously. Some of our union members on the Committee are the ones providing those services as well and we are satisfied.

We'll stop there and say we agree with Your Honor; buyer closes or doesn't close. The consequences are what they are.

THE COURT: All right. Thank you very much.

Anyone else wish to be heard?

(No response.)

All right. I'll do the following. First, I won't take the bait either. What I stated was not really founded on any letters, actually. It was founded just on the representations that were made in the statement. I think it was a reservation of rights as far as the purchaser was concerned, which I found wholly inapposite to my understanding of the APA. It appears to the Court that perhaps the purchaser felt that the asset purchase agreement wasn't actually an asset purchase agreement. It was a contract to contemplate the purchase of an asset after the Attorney General removed his conditions. And so once the Attorney General did that, then it become -- became the proverbial dog that caught the car. They didn't know what to do.

So I think that's the situation we have. With all due respect to counsel, I respect them, but I think the position of his client doesn't hold water. And again, that's not based upon any letters. That's just my review of the asset purchase agreement and the clear terms of that or where the terms have not been clear they have been made clear by the Court. As I've indicated, I've given a definition of "material adverse effect."

Just to go on further, we would have a material adverse effect if, for example, a hospital lost a certificate of occupancy. And if somehow the -- that was

the result of misrepresentation of fraud. So it's a very high level. I don't think we've reached it here. So I suspect that this matter will close.

All right. Thank you very much.

ATTORNEY: Thank you, Your Honor.

MR. SHINDERMAN: I'm sorry, Your Honor. Your Honor, I apologize. We need a continued hearing on the disclosure statement --

THE COURT: I'll do that later.

MR. SHINDERMAN: Okay. Thank you, Your Honor.

MEMORANDUM OF DECISION FINDING THAT SGM IS OBLIGATED TO CLOSE THE SGM SALE BY NO LATER THAN DECEMBER 5, 2019

Date: November 26, 2019

Time: 10:00 a.m.

Location: Ctrm. 1568

Los Angeles, CA 90012

I. Introduction

At the above-captioned date and time, the Court conducted a Status Conference regarding the Asset Purchase Agreement (the "APA") under which Strategic Global Management ("SGM") agreed to purchase the Debtors' four remaining hospitals (the "Hospitals," and the sale transaction, the "SGM Sale"). For the reasons set forth below, the Court finds that as of November 19, 2019, all conditions precedent to SGM's obligation to close had been satisfied.

1820151191127000000000017

Accordingly, pursuant to § 1.3 of the APA, SGM is obligated to close the SGM Sale by no later than December 5, 2019.

II. Findings and Conclusions

A. Adjudication of SGM's Obligations Under the APA Does Not Require an Adversary Proceeding

At the outset, the Court rejects SGM's contention that the Court is required adjudicate issues pertaining to SGM's obligations under the APA within the context of an adversary proceeding. SGM asserts that not all conditions precedent to closing have been satisfied. Specifically, SGM maintains that the Debtors have failed to comply with certain of the conditions and obligations imposed upon them by the APA, and that these alleged failures to perform have resulted in a Material Adverse Effect under the APA, relieving SGM of its obligation to close.

SGM is not obligated to close unless all the conditions precedent set forth in Article 8 have been satisfied. Among the conditions precedent is Article 8.4, which provides:

> Sellers [the Debtors] shall have in all material respects performed or complied with each and all of the obligations, covenants, agreements and conditions required to be performed or complied with by Sellers on or prior to the Closing Date; provided, however, this condition will be deemed to be satisfied unless (a) Sellers were given written notice of such failure to perform or comply and did not or could not cure such failure to perform or comply within fifteen (15) business days after receipt of such notice and (b) the respects in which such obligations, covenants, agreements and conditions have not been performed have had or would have a Material Adverse Effect.

The APA provides that "any dispute between Purchaser [SGM] and Sellers [the Debtors] as to whether a Material Adverse Effect has occurred for any purpose under this Agreement shall be exclusively settled by a determination made by the Bankruptcy Court." APA at Art. 9.1(c). Nothing within Article 9.1(c) requires that the determination contemplated therein occur through an adversary proceeding. In contrast, Article 8.6 provides that any dispute pertaining to certain aspects of that article "shall be determined by the Bankruptcy Court only in the context of an adversary proceeding." The absence of comparable language in Article 9.1(c) undercuts SGM's contention that disputes under that article must be determined through an adversary proceeding.

Bankruptcy Rule 7001[1] provides that the following matters are adversary proceedings:

1) a proceeding to recover money or property, other than a proceeding to compel the debtor to deliver property to the trustee, or a proceeding under §554(b) or §725 of the Code, Rule 2017, or Rule 6002;
2) a proceeding to determine the validity, priority, or extent of a lien or other interest in property, but not a proceeding under Rule 3012 or Rule 4003(d);

[1] Unless otherwise indicated, all "Civil Rule" references are to the Federal Rules of Civil Procedure, Rules 1–86; all "Bankruptcy Rule" references are to the Federal Rules of Bankruptcy Procedure, Rules 1001–9037; all "Evidence Rule" references are to the Federal Rules of Evidence, Rules 101–1103; all "LBR" references are to the Local Bankruptcy Rules of the United States Bankruptcy Court for the Central District of California, Rules 1001-1–9075-1; and all statutory references are to the Bankruptcy Code, 11 U.S.C. §§ 101–1532.

3) a proceeding to obtain approval under §363(h) for the sale of both the interest of the estate and of a co-owner in property;
4) a proceeding to object to or revoke a discharge, other than an objection to discharge under §§727(a)(8), 1 (a)(9), or 1328(f);
5) a proceeding to revoke an order of confirmation of a chapter 11, chapter 12, or chapter 13 plan;
6) a proceeding to determine the dischargeability of a debt;
7) a proceeding to obtain an injunction or other equitable relief, except when a chapter 9, chapter 11, chapter 12, or chapter 13 plan provides for the relief;
8) a proceeding to subordinate any allowed claim or interest, except when a chapter 9, chapter 11, chapter 12, or chapter 13 plan provides for subordination;
9) a proceeding to obtain a declaratory judgment relating to any of the foregoing; or
10) a proceeding to determine a claim or cause of action removed under 28 U.S.C. §1452.

SGM contends that a determination of whether a Material Adverse Effect has occurred is "a proceeding to recovery money or property," "a proceeding to obtain an injunction or other equitable relief," and/or "a proceeding to obtain a declaratory judgment relating" to any of the types of proceedings set forth in Bankruptcy Rule 7001(1)–(8). SGM is mistaken.

First, adjudication of whether a "Material Adverse Effect" has occurred is not "a proceeding to recover money or property." Instead, such adjudication involves interpretation of a contract (the APA). It is true that a determination that there has been no Material Adverse Effect and that SGM is obligated to close the sale would require SGM to perform under its agreement to purchase the Hospitals. The fact that performance would require SGM to transfer money to the Debtors (the purchase price for the Hospitals) does not transform the "Material Adverse Effect" issue into a "proceeding to recovery money or property" within the meaning of Bankruptcy Rule 7001(1). SGM voluntarily chose to execute the APA and serve as the stalking horse bidder for the Hospitals for a purchase price of $610 million, subject to various adjustments. A determination requiring SGM to follow through on its commitments is very different from the typical actions brought under Bankruptcy Rule 7001(1)—such as proceedings to avoid preferences under § 547, proceedings to avoid fraudulent transfers under § 548, or proceedings to set aside post-petition transfers under § 549.

Second, adjudication of the "Material Adverse Effect" issue is not "a proceeding to obtain an injunction or other equitable relief." A determination setting forth SGM's obligations under a contract which it executed (the APA) is not an injunction or a form of equitable relief.

Third, adjudication of the "Material Adverse Effect" issue is not "a proceeding to obtain a declaratory judgment" relating to any of the types of proceedings set forth in Bankruptcy Rule 7001(1)–(8). Interpretation of the APA does not fall within the scope of any of the types of proceedings set forth in Bankruptcy Rule 7001(1)–(8). Therefore, a declaration of SGM's obligations under the APA does not fall within the ambit of Bankruptcy Rule 7001(9).

B. Adjudication of SGM's Obligations Under the APA Is Not Premature

SGM asserts that the issue of whether it has performed its obligations under the APA is not yet properly before the Court, and that the Debtors' request for a determination as to this issue is premature. SGM states that it has not yet decided whether it will close the SGM Sale. According to SGM, a case or controversy will arise only after SGM makes a final determination that it will not close the SGM Sale.

SGM is incorrect. SGM has made representations to the Debtors that provide reasonable grounds for the Debtors to doubt that SGM will fulfill its obligations under the APA. (The contents of those representations are not discussed herein because they have been presented to the Court under seal.) In response to the Debtors' demand for written assurance that SGM would fulfill its obligations, SGM sent the Debtors two letters casting further doubt upon whether it would perform under the APA (the "Nov. 22 Letters").[2] SGM's actions have given rise to a case or controversy.

The Court further notes that although SGM presented its ripeness argument in a document captioned as a reservation of rights,[3] SGM's submission was in reality an opposition to the Debtor's assertion that all conditions precedent to SGM's obligation to close have been satisfied. The Nov. 22 Letters also qualify as an opposition to the Debtors' assertions regarding SGM's obligation to close. The Nov. 22 Letters contain 19 single-spaced pages of legal argument and 38 pages of supporting exhibits. SGM's arguments regarding its obligations under the APA have been fully presented to the Court.

Finally, and as further discussed in Section II.D., below, the Court finds that SGM's contention that it is not obligated to close is a cynical attempt to extract a better purchase price. A key component of SGM's negotiation strategy is its attempt to delay as long as possible the adjudication of its obligations under the APA. The Court will not facilitate SGM's dubious tactics.

C. SGM Is Not Entitled to Appeal the Bankruptcy Court's Determination Regarding a Material Adverse Effect

SGM received substantial benefits under the APA, including the right to receive a breakup fee in the event that it was outbid and consultation rights in the event that an auction of the Hospitals occurred. In exchange for receiving those benefits, SGM waived certain rights, including its right to appeal any determination made by the Bankruptcy Court with respect to the occurrence of a Material Adverse Effect.

As noted, the APA provides that "any dispute between Purchaser [SGM] and Sellers [the Debtors] as to whether a Material Adverse Effect has occurred for any purpose under this Agreement *shall be exclusively settled* by a determination made by the Bankruptcy Court." APA at Art. 9.1(c). This provision means that only the Bankruptcy Court, and no other court (including any appellate court), is entitled to determine Material Adverse Effect issues.

D. No Material Adverse Effect Has Occurred

As set forth above, SGM alleges that the Debtors have failed to comply with certain of the conditions and obligations imposed upon them by the APA, and that these alleged failures to perform have resulted in a Material Adverse Effect, relieving SGM of its obligation to close. This Memorandum of Decision does not discuss SGM's allegations in detail, as doing so would damage the estates by adversely affecting (1) the Debtors' efforts to close the SGM Sale and (2) the Debtors' ability to maximize the value of the Hospitals in the event the SGM Sale does not close.

---

[2] The Nov. 22 Letters have also been filed under seal.

[3] Doc. No. 3701.

Under Section 8.4 of the APA, SGM is excused from its obligation to close only if (1) the Debtors have failed to perform their obligations under the APA and if (2) such failure to perform has resulted in a Material Adverse Effect.

The APA's definition of "Material Adverse Effect" is very brief. Under the APA, a "Material Adverse Effect" is "a material adverse effect upon the Hospitals, taken as a whole …." APA at Art. 2, Preamble.

"Material Adverse Effect" is a term of art routinely used in asset purchase agreements of the type at issue here. The parties' use of a term of art, combined with their decision to define the term with only minimal detail, shows that the parties intended to rely upon the definition of the term contained in applicable caselaw.

The APA is governed by California law, except to the extent that California law is superseded by the Bankruptcy Code or other applicable federal law. APA at Art. 12.3. California law on the meaning of a material adverse effect clause—sometimes known as a material adverse change clause—is not well developed. The few cases which do address material adverse effect clauses view their enforcement with disfavor. For example, in *1601 McCarthy Blvd., LLC v. GMAC Comm'l Mortg. Corp.*, 2005 WL 4859147 (Cal. Super. Ct. June 1, 2005), the court held that a loan servicer's invocation of a material adverse effect clause to avoid its obligation to disburse funds to a borrower was an "unfair business practice or act," because the servicer "used the material adverse change clause as a lever against [the borrower] to retain control over the borrower's … funds." *McCarthy Blvd.*, 2005 WL 4859147 at *¶ 59. The court found:

> [L]enders rarely employ—and even less frequently invoke and enforce—this type of broad-based material adverse change clause in commercial real estate transactions…. And even when they are invoked, … lenders only use the clause as a tool to "bring the borrower to the table, use it as lever against the borrower, or ... a club against the borrower to modify the loan or change the loan." There is no evidence in the record that the material adverse change clause in the Deed of Trust benefits any side but the lender, or serves any other purpose than to threaten the borrower with dire consequences….
>
> The record supports Mr. Greenwald's opinion that broad-based material adverse change clauses are rarely used, and in those rare instances when they are, they are placed in deeds of trust purely for their in terrorem effect and not with any genuine intention to invoke them.

Id. at ¶¶ 59 and 68.

Although the APA is governed by California law, Delaware cases interpreting material adverse effect clauses are helpful persuasive authority. A significant amount of the litigation over the enforcement of asset purchase agreements occurs before Delaware courts, and the Delaware caselaw interpreting material adverse effect clauses is well developed.

In *In re IBP, Inc. Shareholders Litigation*, the court rejected purchaser Tyson Foods' claim that it was not required to consummate a merger because of a material adverse effect. The court held:

> [A] buyer ought to have to make a strong showing to invoke a Material Adverse Effect exception to its obligation to close. Merger contracts are heavily negotiated and cover a large number of specific risks explicitly. As a result, even where a Material Adverse Effect condition is as broadly written as the one in the Merger Agreement, that provision

> is best read as a backstop protecting the acquiror from the occurrence of unknown events that substantially threaten the overall earnings potential of the target in a durationally-significant manner. A short-term hiccup in earnings should not suffice; rather the Material Adverse Effect should be material when viewed from the longer-term perspective of a reasonable acquiror.

In re IBP, Inc. Shareholders Litig. (IBP, Inc. v. Tyson Foods, Inc.), 789 A.2d 14, 68 (Del. Ch. 2001).

In *Hexion Specialty Chemicals, Inc. v. Huntsman Corp.*, 965 A.2d 715, 738 (Del. Ch. 2008), the court reiterated that a "buyer faces a heavy burden when it attempts to invoke a material adverse effect clause in order to avoid its obligation to close."

Assessment of the occurrence of a Material Adverse Effect must take into account the $610 million purchase price for the Hospitals. To prevail upon its assertion of a Material Adverse Effect, SGM would be required to show the occurrence of unexpected events which have substantially reduced the value of the Hospitals. Here, representative examples of a "Material Adverse Effect" under Article 8.4 of the APA would include the Debtors' failure to maintain the Hospitals' licensure, or the Debtors' operation of the Hospitals in a manner that caused regulatory authorities to close key departments within the Hospitals, such as the emergency department or pharmacy.

None of SGM's allegations come even close to showing a Material Adverse Effect. Even if all the allegations are true (a finding the Court does not make), SGM would not be excused from closing the sale under Article 8.4 of the APA.[4]

SGM's invocation of the APA's Material Adverse Effect provision is not well taken. The Court has previously made clear that the closing of the SGM Sale is the lynchpin of the Debtors' plan of liquidation; that if the SGM Sale does not promptly close, the most likely outcome will be the closure of three of the four Hospitals; and that the prompt closing of the sale is critical to the estates' liquidity position.[5] SGM is well aware that it was the only bidder for the Hospitals. By presenting non-meritorious arguments as to why it is not obligated to close, SGM is holding the estates, creditors, and patients of the Hospitals hostage in an attempt to extort a better purchase price. SGM's cynical tactics are especially offensive given the significant harm that closure of the Hospitals would impose upon patients. For example, two of the Hospitals that

---

[4] Had SGM presented its allegations by way of an adversary complaint, the Court would dismiss such a complaint under Civil Rule 12(b)(6) for failure to state a claim upon which relief could be granted.

[5] *See* Memorandum of Decision Granting Debtors' Emergency Motion to Enforce the Sale Order (the "Sale Enforcement Memorandum") [Doc. No. 3446] at 3–4 and Memorandum of Decision (1) Finding that SGM is Obligated to Promptly Close the SGM Sale Under § 8.6 of the APA, Provided that All Other Conditions to Closing Have Been Satisfied and (2) Granting Debtors' Motion for a Continuance of the Hearing to Approve the Disclosure Statement [Doc. No. 3632]. The Sale Enforcement Memorandum was subsequently vacated pursuant to a stipulation between the Debtors and the California Attorney General (the "Attorney General"), under which the Attorney General agreed not to pursue an appeal in exchange for vacatur of the Sale Enforcement Memorandum. Doc. No. 3599. Notwithstanding such vacatur, the Sale Enforcement Memorandum's findings regarding the importance of consummation of the SGM Sale remain valid.

would likely close upon failure of the SGM Sale contain large populations of long-term patients suffering from severe illnesses, all of whom would have to be relocated to other facilities.

E. All Conditions Precedent to Closing Have Been Satisfied

The Court has previously found that the condition precedent to closing set forth in Article 8.6 of the APA has been satisfied.[6] All other conditions precedent to closing were satisfied as of November 19, 2019. On that date, the Debtors obtained a settlement with the Centers for Medicare and Medicaid Services providing for the transfer of their Medicare Provider Agreements to SGM, thereby satisfying their remaining obligations under Article 8.7 of the APA.[7]

Article 1.3 obligates SGM to close the sale "promptly but no later than ten (10) business days following the satisfaction" of all conditions precedent. As all conditions precedent were satisfied on November 19, 2019, SGM is obligated to close the sale by no later than December 5, 2019.

III. Conclusion

Based upon the foregoing, the Court finds that all conditions precedent to SGM's obligation to close the SGM Sale have been satisfied. Pursuant to Article 1.3 of the APA, SGM is obligated to close by no later than December 5, 2019. The Court will enter an order consistent with this Memorandum of Decision.

[7] Article 8.7 also obligates the Debtors to transfer their Medi-Cal Provider Agreements to SGM pursuant to a settlement agreement with the California Department of Health Care Services (the "DHCS"). The Debtors materially complied with Article 8.7 by obtaining an order authorizing the transfer of the Medi-Cal Provider Agreements free and clear of any interest asserted by the DHCS. *See* Order Authorizing Debtors to Sell Medi-Cal Provider Agreements, Free and Clear of Interest Asserted by the California Department of Health Care Services, Pursuant to §§ 363(b) and (f)(5) [Doc. Pursuant to LBR[1] 9020-1 and 9075-1, Rule 6004, and §§ 363 and 105(a), Verity Health System Of California, Inc. ("VHS") and the above-referenced affiliated debtors, the debtors and debtors in possession (collectively, the "Debtors") in the above-captioned chapter 11 bankruptcy cases (the "Cases"), respectfully request, on an emergency basis (the "Motion"), that the Court: (i) issue an order to show cause, lodged concurrently herewith pursuant to LBR 9020-1(a), on an expedited basis ordering Strategic Global Management, Inc. ("SGM") and its principals, Kali Pradip Chaudhuri, William Thomas, and Peter Baronoff, to appear in this Court, on December 11, 2019, at 10:00 a.m., and show cause as to why SGM failed to comply with this Court's order [Docket No. 3724] (the "Closing Order") requiring SGM to close the sale (the "SGM Sale") pursuant to that certain asset purchase agreement [Docket No. 2305-1] (the "APA") by no later than December 5, 2019, including, but not limited to, stating whether SGM has the financial ability to proceed with this transaction in accordance with the APA, and whether it intends to close the transaction; (ii) set the balance of the relief requested in this Motion and the attached Memorandum of Points and Authorities for an emergency hearing on December 11, 2019, at 10:00 a.m., to consider the Debtors' request for an order (a) enforcing this Court's order [Docket No. 2306] (the "Sale Order") approving the SGM Sale and Closing Order, (b) finding that SGM is in material breach of the APA for (among other things) failing to Close the SGM Sale by December 5, 2019, (c) finding that the Debtors may terminate the APA at any time without further notice to SGM, and (d) finding that the Debtors shall retain the $30 million non-refundable deposit received from SGM as Sales Proceeds within the meaning of and pursuant to the terms of the Final DIP Order [Docket No. 409]; and (iii) granting such other and further relief as the Court deems just and proper.

The Debtors request that the relief sought herein be granted on an emergency basis because they will suffer immediate and irreparable harm without the relief requested in this Motion. The

prompt sale and transition of the Debtors' four remaining general acute care hospitals[2] is needed to prevent any deterioration in critical healthcare in underserved communities caused by accelerating employee turnover, as well as the operating losses continuing to reduce anticipated recoveries to creditors. The Debtors (i) are operating at a loss of approximately $450,000 per day, imposing significant costs upon the estates and upon creditors, and (ii) the uncertainty caused by SGM has significantly increased the rate of employee turnover at Verity's hospitals, a void filled by expensive per diem, temporary nurses and *locum tenens* physicians at a much greater cost to the estates. Finally, but crucially, the APA specifically provides that "[t]ime is of the essence." *See* APA at §§ 12.17. SGM's failure to close the Sale violates the express terms of the APA, as well as this Court's unambiguous Orders. In order to make critical decisions impacting the Hospitals and alternative plans, the Debtors must have immediate clarity on (i) whether SGM has the financial ability to proceed with the Sale transaction, and (ii) whether SGM intends to proceed with the Sale transaction in 2019. SGM steadfastly has refused to provide such critical information to the Debtors, even in the face of its utter failure to comply with this Court's prior Orders. This Court's immediate intervention is respectfully requested and required.

I.

SUMMARY OF REQUESTED RELIEF

As set forth above, the Debtors seek the entry of three orders. ***First***, pursuant to LBR 9020-1, the Debtors respectfully request that the Court issue an order to show cause, lodged concurrently herewith pursuant to LBR 9020-1(a), on an expedited basis ordering SGM and its principals, Kali Pradip Chaudhuri, William Thomas, and Peter Baronoff, to appear in this Court, on December 11, 2019, at 10:00 a.m., and show cause as to why SGM failed to (a) close the SGM Sale by December 5, 2019, (b) comply with this Court's Closing Order, (c) demonstrate to the Debtors that SGM currently has the financial ability or access to sufficient capital to timely proceed with this transaction in accordance with the APA, and (d) advise the Debtors as to SGM's intention to close

[2] Specifically, the hospitals and healthcare facilities subject to the SGM Sale include St. Francis Medical Center, St. Vincent Medical Center, Seton Medical Center (including the Daly City and Coastside campuses), and St. Vincent Dialysis Center.

the transaction. Given the exigencies of the Debtors' Cases, the Debtors respectfully request that the Court reduce the 7-day opposition or response deadline set forth in LBR 9020-1(b), or provisionally issue the order to show cause and provide that parties may object to the issuance at the hearing on the order to show cause. Pursuant to LBR 9020-1, the Court is not required to hold a hearing on the Debtors' request to issue the order to show cause. *See* LBR 9020-1(d)(2). ***Second***, the Debtors respectfully request that the Court enter an order setting the balance of the relief requested in this Motion and the attached Memorandum of Points and Authorities for an emergency hearing on December 11, 2019, at 10:00 a.m. ***Third***, following the emergency hearing, the Debtors request entry of an order (a) enforcing this Court's Sale Order and Closing Order, (b) finding that SGM is in material breach of the APA for (among other things) failing to Close the SGM Sale by December 5, 2019, (c) finding that the Debtors may terminate the APA at any time without further notice to SGM, (d) finding that the Debtors shall retain the $30 million non-refundable deposit received from SGM as Sales Proceeds within the meaning of and pursuant to the terms of the Final DIP Order [Docket No. 409], and (e) granting such other and further relief as the Court deems just and proper

MEMORANDUM OF POINTS AND AUTHORITIES

Verity Health System Of California, Inc. ("VHS") and the above-referenced affiliated debtors, the debtors and debtors in possession (collectively, the "Debtors") in the above-captioned chapter 11 bankruptcy cases (the "Cases"), respectfully request, on an emergency basis (the "Motion"), that the Court: (i) issue an order to show cause, lodged concurrently herewith pursuant to LBR 9020-1(a), on an expedited basis ordering Strategic Global Management, Inc. ("SGM") and its principals, Kali Pradip Chaudhuri, William Thomas, and Peter Baronoff, to appear in this Court, on December 11, 2019, at 10:00 a.m., and show cause as to why SGM failed to comply with this Court's order [Docket No. 3724] (the "Closing Order") requiring SGM to close the sale (the "SGM Sale") pursuant to that certain asset purchase agreement [Docket No. 2305-1] (the "APA") by no later than December 5, 2019, including, but not limited to, stating whether SGM has the financial ability to proceed with this transaction in accordance with the APA, and whether it intends to close the transaction; (ii) set the balance of the relief requested in this Motion and the attached Memorandum of Points and Authorities for an emergency hearing on December 11, 2019, at 10:00 a.m., to consider the Debtors' request for an order (a) enforcing this Court's order [Docket No. 2306] (the "Sale Order") approving the SGM Sale and Closing Order, (b) finding that SGM is in material breach of the APA for (among other things) failing to Close the SGM Sale by December 5, 2019, (c) finding that the Debtors may terminate the APA at any time without further notice to SGM, and (d) finding that the Debtors shall retain the $30 million non-refundable deposit received from SGM as Sales Proceeds within the meaning of and pursuant to the terms of the Final DIP Order [Docket No. 409]; and (iii) granting such other and further relief as the Court deems just and proper.

The Motion is based on the *Declaration of Richard Adcock in Support of Emergency First-Day Motions* [Docket No. 8] (the "First-Day Declaration"), the *Declaration of Richard G. Adcock* [Docket No. 3188] ("Adcock Declaration"), the *Declaration of Carsten Beith* (the "Beith Declaration"), *Declaration of Sonia R. Martin* (the "Martin Declaration"), and the *Declaration of Elspeth Paul* (the "Paul Declaration"), which are filed concurrently herewith, the arguments and statements of counsel to be made at the hearing on the Motion, the record in the Debtors' Cases

and any other judicially noticeable facts, and other admissible evidence properly brought before the Court. In further support of the Motion, the Debtors respectfully state as follows:

I.

INTRODUCTION

Six months after this Court entered the order (the "Sale Order")[1] authorizing the Debtors to sell their four remaining general acute care hospitals[2] and St. Vincent Dialysis Center (the "Hospitals") to SGM, the Court entered its order, on November 27, 2019, obligating SGM to close the SGM Sale pursuant to the APA by December 5, 2019 (the "Closing Order").[3] The Court's Closing Order also found that there has been no material adverse effect under the APA, and that the APA does not permit SGM to appeal this Court's determination as to that issue.

Despite the clear requirements of the APA and in direct contravention of this Court's prior Orders, SGM announced that it *would not close the SGM Sale—and, then, did not close the SGM Sale—by December 5, 2019*. In a transparent attempt to delay this proceeding, frustrate the Debtors' ability to transfer the Hospitals pursuant to the APA, and manufacture a context to renegotiate the purchase price under the APA, SGM has filed three frivolous appeals. Further, SGM has taken the facially implausible position that it is entitled to a 21-day "Evaluation Period" under Section 8.6 of the APA, during which it may "determine" whether it is satisfied with the Attorney General Order that provides precisely the same protection that is set forth in Section 8.6 of the APA. Docket No. 2305-1. These actions expressly violate this Court's Orders and the APA. *See, e.g.,* APA, § 1.3 (" . . . Purchaser shall reasonably cooperate in any efforts to render the Supplemental Sale Order a final, non-appealable order[.]").

Each day that goes by without prompt action by SGM to close this transaction harms the estates. The Debtors' estates and their constituents have already borne operating losses of

approximately $450,000 per day waiting for SGM to close the SGM Sale. SGM's failure to timely issue offer letters has had a negative impact on employee morale. Moreover, the Debtors and third parties have expended tremendous efforts to prepare for and close the SGM Sale in reliance on the Sale Order and the Closing Order. Despite this, SGM has intentionally frustrated the closing process by refusing to participate. In addition to announcing that it would not close the SGM Sale on December 5, as ordered by the Court, throughout the week leading up to the filing of this Motion, SGM has refused to participate in the regular, pre-scheduled joint closing calls and operational transition calls, apparently based on the advice of its counsel.

By signing the APA, SGM represented and agreed that "[p]urchaser has the ability to obtain funds in cash in amounts equal to the Purchase Price by means of credit facilities or otherwise and will at the Closing have immediately available funds in cash, which are sufficient to pay the Purchase Price and to pay any other amounts payable pursuant to this Agreement and to consummate the transactions contemplated by this Agreement." Given the actions and inactions of SGM over the past month, which suggest SGM lacks the financial ability to close the SGM Sale, the Debtors have made repeated and direct requests that SGM state whether it has the financial ability to close the SGM Sale, and whether it intends to do so. SGM has refused to respond, attempting to distract from its apparent financial inability to perform and seeking to preserve the ability to argue at some later date that the Debtors breached the APA by deciding prematurely to distribute their assets in a different manner, *i.e.* "Plan B" as it was referred to during the November 26, 2019, status conference.

SGM is in direct violation of this Court's prior Orders. Its conduct is an effort to gain leverage against the Debtors in order to force a modification of the APA as to price and/or timing of closing. Such efforts are a manifestation of SGM's lack of good faith and fair dealing under the APA and constitute willful misconduct designed to harm the Debtors and impair the effectiveness of this Court's orders, *i.e.,* its actions have been taken in bad faith. The Debtors respectfully urge the Court to issue an order (i) enforcing this Court's Sale Order and Closing Order; (ii) ordering SGM and its principals, Kali Pradip Chaudhuri, William Thomas and Peter Baronoff, to appear in this Court, on December 11, 2019, and show cause as to why SGM failed to (a) close the SGM Sale

by December 5, 2019, (b) comply with this Court's Closing Order, (c) demonstrate to the Debtors that SGM currently has the financial ability or access to sufficient capital to timely proceed with this transaction in accordance with the APA, and (d) advise the Debtors as to SGM's intention to close the transaction; (iii) finding that SGM is in material breach of the APA for (among other things) failing to Close the SGM Sale by December 5, 2019; (iv) finding that the Debtors may terminate the APA at any time without further notice to SGM; (v) finding that the Debtors shall retain the $30 million non-refundable deposit received from SGM as Sales Proceeds within the meaning of and pursuant to the terms of the Final DIP Order [Docket No. 409]; (vi) granting such other and further relief as the Court deems just and proper.

II.

JURISDICTION, VENUE, AND STATUTORY PREDICATES

The Bankruptcy Court has jurisdiction to consider this matter pursuant to 28 U.S.C. §§ 157 and 1334. This matter is a core proceeding under 28 U.S.C. §§ 157(b)(2). Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

The Motion seeks an order of the Court enforcing the terms of its final order approving the SGM Sale [Docket No. 2306] and its order [Docket No. 3723-24] obligating SGM to close the SGM Sale, as well as to show cause to SGM for its failure to comply. The statutory predicates for this relief are §§ 363 and 105, and Bankruptcy Rule 6004. This Court "plainly ha[s] jurisdiction to interpret and enforce its own prior orders." *Travelers Indem. Co. v. Bailey*, 557 U.S. 137, 151, (2009); *see also In re Millenium Seacarriers, Inc*., 419 F.3d 83, 96 (2d Cir. 2005) ("A bankruptcy court retains jurisdiction to interpret and enforce its own orders . . . ." FACTUAL BACKGROUND

1. On May 2, 2019, this Court entered its *Order (A) Authorizing the Sale of Certain of the Debtors' Assets to Strategic Global Management, Inc. Free and Clear of Liens, Claims, Encumbrances, and Other Interests; (B) Approving the Assumption and Assignment of An Unexpired Lease Related Thereto; and (C) Granting Related Relief* [Docket No. 2306] ("Sale

Order"), approving the SGM Sale pursuant to the APA. Since this Court issued its Sale Order, the Debtors have engaged in extensive, time-consuming efforts on multiple fronts to transition the Hospitals to SGM. By way of example: (i) the Debtors have sent multiple rounds of WARN notices to all employees; (ii) medical groups affiliated with the Debtors have sent termination notices to their physicians; (iii) thousands of counterparties to executory contracts and unexpired leases have relied on the Sale Order and continued to provide services in reliance on the finality of that Sale Order; (iv) the Debtors and SGM have spent almost an entire year facilitating an efficient close of the SGM Sale and developing transition plans as appropriate, including the transition of various licenses, employees, etc.; (v) the Debtors and SGM spent months successfully negotiating and reaching modified collectively bargaining agreements with all of the unions; (vi) the Debtors spent months reaching finality with the California Attorney General, the Centers for Medicare and Medicaid Services, and the California Department of Health Care Services; and (vii) created plans to shut off certain services and modify various insurance policies.

2. On October 23, 2019, the Court issued a *Memorandum of Decision Granting the Debtors' Emergency Motion to Enforce the Sale Order [Doc. No. 3188]*. [Docket 3446.] Following extensive negotiations, the Debtors and the Attorney General reached a *Stipulation Resolving "Debtors Emergency Motion for the Entry of an Order: (I) Enforcing the Sale Order Authorizing the Sale to Strategic Global Management, Inc.; (II) Finding That the Sale Is Free and Clear of Conditions Materially Different Than Those Approved by the Court; (III) Finding That the Attorney General Abused His Discretion in Imposing Conditions on That Sale; and (IV) Granting Related Relief" [Docket No. 3188]*. [Docket 3572.] Accordingly, on November 14, 2019, the Court issued an *Order Granting "Debtors Emergency Motion for the Entry of an Order: (I) Enforcing the Sale Order Authorizing the Sale to Strategic Global Management, Inc.; (II) Finding That the Sale Is Free and Clear of Conditions Materially Different Than Those Approved by the Court; (III) Finding That the Attorney General Abused His Discretion in Imposing Conditions on That Sale; and (IV) Granting Related Relief" [Doc. 3188]* [Docket 3611] (the "Enforcement Order").

3. APA section 1.3 obligates SGM to close the sale "promptly but no later than ten (10) business days following the satisfaction" of all conditions precedent. On November 18, 2019, the Court issued an Order finding that: "The Debtors have complied with their obligation under the APA to obtain a final, nonappealable Supplemental Sale Order. Consequently, SGM is now obligated to promptly close the SGM Sale, provided that all other conditions to closing have been satisfied." Docket No. 3632.

4. On November 19, 2019, the Debtors obtained a settlement with the Centers for Medicare and Medicaid Services providing for the transfer of their Medicare Provider Agreements to SGM, thereby satisfying their remaining obligations under Article 8.7 of the APA. Docket No. 3680. With respect to California Department of Health Care Services ("DHCS"), the Debtors secured an Order [Docket No. 3372] from the Bankruptcy Court authorizing the transfer free and clear of any interests asserted by DHCS, in addition to the Sale Order which terminated any creditor's recoupment rights [Docket No. 2306]. Those Orders afford equal or greater protection to SGM than any settlement could have, thereby satisfying Section 8.7. In addition, on November 22, 2019, the Debtors reached a settlement in principle with DHCS to the same effect. *See* Nov. 26, 2019 Hr'g Tr. at 10:18-24.

5. As set forth in the Debtors' status report [Docket No. 3692] (the "Status Report"), Debtors sent a letter to SGM, on November 20, 2019, stating (i) the conditions to close under the APA had been satisfied on November 19, 2019, and that (ii) the transaction should promptly close by December 5, 2019. *See* Status Report at 1. The letter requested assurances from SGM that the transaction would close by that date. *See id.*

6. On November 19, 2019, SGM's CEO, Peter Baronoff, telephoned the Debtors' investment banker and stated that SGM could not obtain sufficient financing for the transaction, contrary to Section 3.9 of the APA. [Docket No. 3644.] That telephone call immediately resulted in the Debtors' request for an order [entered at Docket No. 3646] continuing the hearing on the Debtors' motion [Docket No. 2995] for approval of its disclosure statement [Docket No. 2994]. *See* Beith Decl., ¶ 2. Recognizing that the existence of financing is not a condition to close, SGM resorted to making unfounded and self-serving assertions that the Debtors breached the APA and

DENTONS US LLP

(213) 623-9300

embarked on impermissible efforts to re-trade the purchase price without regard to: (i) the language in the APA; (ii) the indisputable fact that SGM's diligence period had expired in January 2019; (iii) SGM's prior representations; and (iv) the fact that all conditions of the Debtors to close had been satisfied.

7. On November 22, 2019, SGM sent the Debtors letters from Gary Klausner, Esq. of Levene, Neale, Bender, Yoo & Brill L.L.P. and Robert W. Lundy, Jr. of Hooper, Lundy & Bookman, P.C. (with enclosures), setting forth the issues that SGM had asserted amounted to a "Material Adverse Effect" under the APA [Docket No. 3705] (the "November 22, 2019 Letters").[4] The issues SGM raised at the eleventh hour were not "new"—they were all known or discoverable during the diligence period. And none of them change the inescapable conclusion that this transaction was required to close by December 5 because the Debtors and SGM negotiated the sale as an "AS IS, WHERE IS" sale under the express terms of the APA. SGM's untimely, baseless and immaterial complaints were nothing more than a transparent attempt to delay the closing and manufacture a basis for a re-trade to obtain a lower purchase price.

8. On November 26, 2019, the Court held a Status Conference. In advance of the Status Conference, SGM filed a Reservation of Rights, alleging (among other things) that "there are no genuine disputes of material fact as to the [sic] whether there have been Material Adverse Effects under the terms of the APA." [Docket 3701.] In addition, the Debtors lodged with the Court SGM's November 22, 2019 Letters. At the status conference, the Court rejected SGM's arguments, stating (among other things) that "[a]s far as the Court is concerned" SGM is the "proud owner" of the Debtors' assets as set forth in the APA, and that SGM "has an obligation to close" the transaction pursuant to the APA. (Nov. 26, 2019 Hr'g Tr. at 12:22-24, 14:10-11.)

9. On November 27, 2019, the Court issued an Order finding that, "[p]ursuant to § 1.3 of the APA, SGM is obligated to close the SGM Sale by no later than December 5, 2019." [Docket 3724.] The Memorandum Decision supporting that Order concluded, among other things, that (i) "Adjudication of SGM's Obligations Under the APA Does Not Require an Adversary

[4] The November 22, 2019 Letters were filed under seal pursuant to Court order [Docket No. 3699].

Proceeding," (ii) "Adjudication of SGM's Obligations Under the APA Is Not Premature," (iii) "SGM Is Not Entitled to Appeal the Bankruptcy Court's Determination Regarding a Material Adverse Effect," (iv) "No Material Adverse Effect Has Occurred," (v) "All Conditions Precedent to Closing Have Been Satisfied." [Docket 3723.] The Court further concluded that:

> SGM's contention that it is not obligated to close is a cynical attempt to extract a better purchase price. A key component of SGM's negotiation strategy is its attempt to delay as long as possible the adjudication of its obligations under the APA. The Court will not facilitate SGM's dubious tactics.

> By presenting non-meritorious arguments as to why it is not obligated to close, SGM is holding the estates, creditors, and patients of the Hospitals hostage in an attempt to extort a better purchase price. SGM's cynical tactics are especially offensive given the significant harm that closure of the Hospitals would impose upon patients. For example, two of the Hospitals that would likely close upon failure of the SGM Sale contain large populations of long-term patients suffering from severe illnesses, all of whom would have to be relocated to other facilities.

10. On November 29, 2019, SGM filed two notices of appeal [Docket Nos. 3726, 3727] related to (i) the order granting the Debtors' motion to enforce the sale order [Docket No. 3611], and (ii) the order finding that SGM is obligated to promptly close the transaction under section 8.6 of the APA provided all other conditions to closing are satisfied [Docket No. 3633].

11. This week, beginning Monday, December 2, 2019, SGM representatives failed to participate in five pre-scheduled operations closing calls, stating that they were doing so on the advice of SGM's counsel. *See* Paul Decl., ¶ 2.

12. On December 3, 2019, the Debtors emailed SGM, expressing continued concern for the delay and the impact on the Hospitals, including that many employees no longer have confidence that SGM will purchase the hospitals given that they are still waiting for formal offers, that the Hospitals continue to flex staff and registry to manage patient care, and that vendors and the Hospitals' risk pool participants/IPAs have expressed concern that SGM does not intend to close the transaction. *See* Martin Decl., ¶ 2, Ex. A. In response, SGM announced that it would not

close the Sale by December 5, and that it had filed a notice of appeal [Docket No. 3746] of the Court's Closing Order. *See id.*, ¶ 3, Ex. B.

13. On December 4 and 5, 2019, the Debtors sent additional demands to SGM for information and assurances bearing on whether it has the financial ability to perform the APA and whether it intends to do so. *See* Martin Decl., ¶¶ 4, 6, Exs. C, E. SGM has not provided this information to Debtors. *Id.* ¶ 8.

ARGUMENT

SGM is unquestionably in violation of this Court's Sale Order and Closing Order, and time is of the essence. Bankruptcy courts have the inherent power and authority to enforce their own orders, including levying sanctions and/or civil contempt against violating parties. *See Travelers Indem. Co. v. Bailey*, 557 U.S. 137, 151 (2009) (finding that the "Bankruptcy Court plainly had jurisdiction to interpret and enforce its own prior orders"); *see also In re Millenium Seacarriers, Inc.*, 419 F.3d 83, 96 (2d Cir. 2005) ("A bankruptcy court retains jurisdiction to interpret and enforce its own orders[.]") (quoting *Luan Inv. S.E., v. Franklin 145 Corp. (In re Petrie Retail, Inc.)*, 304 F.3d 223, 230 (2d Cir.2002)); *In re Azevedo*, 506 B.R. 277, 282 (Bankr. E.D. Cal. 2014); *In re Gonzales*, 512 B.R. 255, 258 (Bankr. C.D. Cal. 2014) ("Bankruptcy court[s] have always been empowered to interpret and enforce their own orders.").

Accordingly, the Debtors request the following emergency relief:

A. The Court Should Order SGM's Principals To Appear And Show Cause.

SGM did not close the SGM Sale by December 5, 2019, in direct contravention of the Court's Sale Order and Closing Order. Accordingly, the Court should order the appearance of SGM's principals and explanation of why they did not comply because they are in contempt of the Court's Order. There is no disputing that the Court's order directed SGM to close on December 5, 2019 and was, therefore, a specific and definite order of the Court. Given that fact, SGM must appear before the Court and explain why it did not comply or be held in contempt. *See, e.g., Stone v. City and County of San Francisco*, 968 F.2d 850, 856 n. 9 (9th Cir.1992) ("The moving party has the burden of showing by clear and convincing evidence that the contemnors violated a specific

DENTONS US LLP

LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

and definite order of the court. The burden then shifts to the contemnors to demonstrate why they were unable to comply.").

While refusing to Close the transaction by December 5, 2019 in accordance with the Court's Closing Order, SGM has simultaneously and steadfastly refused to state whether it has the financial ability to close the SGM Sale and whether it ever intends to do so. As explained above, SGM's conduct strongly suggests that it has no intention of closing this transaction, as underscored by the recent statement of its CEO Peter Baronoff that SGM lacks the ability to secure funding at the level required for the purchase price under the APA. The Debtors have repeatedly and directly confronted SGM regarding whether it has the financial wherewithal to comply with the APA. SGM has consistently dodged those questions with the pretense that it is entitled to an alleged "Evaluation Period" under Section 8.6. SGM's position is meritless for at least three reasons.

First, the Evaluation Period contemplated by Section 8.6 is only triggered when the Attorney General is imposing conditions that *materially differ* from the conditions to which SGM agreed under the APA, i.e., the Purchaser Approved Conditions. Because the Attorney General is not imposing any such conditions, no Evaluation Period is implicated. Second, as the Court previously found, "SGM is judicially estopped from contending that it is entitled to the Evaluation Period and is not obligated to promptly close the sale" based on "its prior representations regarding its obligation to close the sale." [Docket No. 3632, pp. 4-5.] Third, even if a 21-business day Evaluation Period had been triggered (which the Debtors dispute), Section 8.6 provides that SGM "shall reasonably cooperate in any efforts to render the Supplemental Sale Order a final, non-appealable order" and "shall consummate the Sale" if "the Supplemental Sale Order becomes a final, non-appealable order prior to the expiration of the Evaluation Period . . . and all other conditions to closing have been satisfied." Here, as the Court has previously determined, there is a final non-appealable order, namely the Enforcement Order. [Docket No. 3611]. Obviously, filing meritless appeals is a far departure from SGM's obligation to reasonably cooperate. SGM's appeals are frivolous and designed solely to delay and frustrate these proceedings.

DENTONS US LLP

SGM should be directed to immediately and clearly respond to questions regarding its financial ability to perform under the APA. By signing the APA, SGM represented and agreed that:

> 3.9 Ability to Perform. Purchaser has the ability to obtain funds in cash in amounts equal to the Purchase Price by means of credit facilities or otherwise and will at the Closing have immediately available funds in cash, which are sufficient to pay the Purchase Price and to pay any other amounts payable pursuant to this Agreement and to consummate the transactions contemplated by this Agreement.

See APA § 3.9. This representation, warranty and covenant does not expire, and SGM "shall be deemed to remake" it "as of the Closing Date," *i.e.,* December 5, 2019. APA, Article III. SGM has repeatedly represented to the Court and the parties that SGM intends to close this transaction in accordance with the APA. For example, in its filing dated November 11, 2019, SGM described this as a "transaction in which SGM will be paying over $600 Million," and SGM's November 25, 2019 Reservation of Rights states that "SGM continues to desire to close the transaction between SGM and Verity as described in the APA."

If SGM does not have the financial ability to close the SGM Sale, as required by Section 3.9 of the APA, then it has an obligation to inform the Court and the Debtors of that fact, so they may immediately proceed with asset distribution in an alternative manner. Accordingly, the Debtors respectfully request that Court direct the following representatives of SGM to appear in Court on December 11, 2019, to address these issues and otherwise show cause why this transaction has not close: Chairman Kali Pradip Chaudhuri, MD, Chief Executive Officer Peter Baronoff and General Counsel William Thomas.

And, to be clear, SGM's only explanation must be why it did not comply with the order; this hearing should not be an opportunity for SGM to rehash its arguments already rejected by the Court. *See, e.g., Maggio v. Zeitz*, 333 U. S. 56, 333 U. S. 69 (1948) ("It would be a disservice to the law if we were to depart from the longstanding rule that a contempt proceeding does not open to reconsideration the legal or factual basis of the order alleged to have been disobeyed, and thus become a retrial of the original controversy. The procedure to enforce a court's order commanding or forbidding an act should not be so inconclusive as to foster experimentation with disobedience."

(213) 623-9300

B. The Court Should Find That SGM Is In Material Breach, That The Debtors May Immediately Terminate The APA And Retain The Deposit.

Finally, the Debtors respectfully request the Court issue an order finding that SGM is in material breach of the APA by failing to close the SGM Sale on December 5, 2019, as required by the APA and as specifically ordered by the Court in its Closing Order. "[A] material breach of a contract excuses further performance by the injured party and entitles that party to terminate the contract." *Pena v. GMAC Mortg., LLC*, No. CV0906939MMMJCX, 2010 WL 11519504, at *7 (C.D. Cal. Sept. 13, 2010) (citing *Pry Corp. of America v. Leach*, 177 Cal.App.2d 632, 639 (1960) and 1 B. Witkin, Summary of Cal. Law, Contracts, § 796 p. 719 (9th ed. 1990)). As a result of that material breach by SGM, the Debtors are now entitled to (i) walk away from the APA with no further notice to SGM, (ii) sue SGM for damages under APA Section 11.1 and as otherwise allowed under applicable law, and (iii) proceed with alternative plans to dispose of the assets. The Debtors respectfully request that the Court issue an Order to this effect.

In addition, the Debtors request an order that the Debtors may retain the $30 million non-refundable Deposit. Section 1.2 of the APA provides that: "The Deposit shall be non-refundable in all events, except as provided in Section 6.1(b) or Section 6.2, or in the event Purchaser has terminated this Agreement pursuant to Section 9.1 (other than Section 9.1(b)) or as set forth in Section 9.2, in which case Seller shall immediately return the Deposit to Purchaser with all interest earned thereon." Here, Sections 6.1(b) and Section 6.2 are inapplicable, and SGM has not terminated the Agreement under Section 9.2—rather, SGM has materially breached the Agreement by failing to perform. Accordingly, the Deposit is non-refundable, and the Debtors respectfully request that he Court order that the Debtors may retain it regardless of the manner in which the assets are ultimately distributed.

V.

CONCLUSION

WHEREFORE, for all the foregoing reasons and such additional reasons as may be advanced at or prior to the hearing regarding this Motion, the Debtors respectfully request that the Court: (i) issue an order to show cause, lodged concurrently herewith pursuant to LBR 9020-1(a),

on an expedited basis ordering SGM and its principals, Kali Pradip Chaudhuri, William Thomas, and Peter Baronoff, to appear in this Court, on December 11, 2019, at 10:00 a.m., and show cause as to why SGM failed to comply with this Court's Order and close the SGM Sale by December 5, 2019, including, but not limited to, stating whether SGM has the financial ability to proceed with this transaction in accordance with the APA, and whether it intends to close the transaction; and (ii) set the balance of the relief requested in this Motion and the attached Memorandum of Points and Authorities for an emergency hearing on December 11, 2019, at 10:00 a.m., to consider the Debtors request for an order (a) enforcing this Court's Sale Order and Closing Order, (b) finding that SGM is in material breach of the APA for (among other things) failing to Close the SGM Sale by December 5, 2019, (c) finding that the Debtors may terminate the APA at any time without further notice to SGM, and (d) finding that the Debtors shall retain the $30 million non-refundable deposit received from SGM as Sales Proceeds within the meaning of and pursuant to the terms of the Final DIP Order [Docket No. 409]; and (iii) granting such other and further relief as the Court deems just and proper.

Cc: Moyron, Tania M.; Maizel, Samuel R.; Montgomery, Claude D.; Alberts, Sam J.
Subject: RE: Verity

Gary,

As set forth in my emails dated November 16 and 18, 2019, there is no basis for SGM to appeal and there is no Evaluation Period. Even if SGM were correct about the existence of an Evaluation Period (which it is not), the appeal and SGM's failure to take reasonable steps towards closing the transaction would constitute a breach of the APA ("Purchaser shall reasonably cooperate in any efforts to render the Supplemental Sale Order a final, non-appealable order[.]").

Indeed, the Debtors believe SGM's appeals are frivolous, and we reserve the right to seek sanctions against you and your clients pursuant to FRAP 38 and 28 USC 1927. Further, it is the position of the Debtors, that as of December 6, 2019, the Deposit, as defined in the APA, will irrevocably belong to the Debtors and its use is permitted by the Final DIP Order and the Supplemental Cash Collateral Order.

Each day that goes by without prompt action by your clients towards closing this transaction is injuring the Hospitals. Employees are leaving on a daily basis as a direct result of your clients' failure to timely issue offer letters. And, as you know, the Debtors are suffering net operating losses estimated at $450,000 per day. Despite this, your clients continue to drag their feet on closing. Yesterday, you directed that they not participate on three regular, pre-scheduled closing calls -- calls that are essential to the transition of the Hospitals. Your clients are plainly in breach of APA Section 12.17, which provides that "[t]ime is of the essence for all dates and time periods set forth in this Agreement and each performance called for in this Agreement."

The conduct of you and your clients strongly suggests that they have no intention of closing this transaction, which is consistent with Mr. Baronoff's statement two weeks ago that they lack the ability to secure funding at the level required for the purchase price under the APA. By signing the APA, your clients represented and agreed that "[p]urchaser has the ability to obtain funds in cash in amounts equal to the Purchase Price by means of credit facilities or otherwise and will at the Closing have immediately available funds in cash, which are sufficient to pay the Purchase Price and to pay any other amounts payable pursuant to this Agreement and to consummate the transactions contemplated by this Agreement." On the basis of the APA, the Court entered its Sale Order. Since then, you and your clients have repeatedly represented to the Court and the parties that SGM intends to close this transaction in accordance with the APA. For example, in your filing dated November 11, 2019, you described this as a "transaction in which SGM will be paying over $600 Million," and your November 25, 2019 Reservation of Rights states that "SGM continues to desire to close the transaction between SGM and Verity as described in the APA."

If these representations are no longer true, your clients owe a duty to the Court and the Debtors to say so. As an officer of the court, you also owe that duty.

> "Counsel, as an officer of the court, also owes a duty of candor to the tribunal. Model Rules of Professional Conduct Rule 3.3. This duty precludes counsel from making false statements of law or fact to the court and offering false evidence, and requires counsel to disclose controlling adverse legal authority not disclosed by opposing counsel, and facts necessary to avoid assisting the client in a criminal or fraudulent act. Id."

Hansen, Jones & Leta, PC v. Segal, 220 B.R. 434, 455 (D. Utah 1998). *See also* Cal. Rule Prof. Conduct 5-200.

The Debtors again demand that you and your clients affirm whether they have the financial ability to proceed with this transaction in accordance with the APA, and whether they intend to close the transaction. If you do not respond to this request by close of business tomorrow, the Debtors will ask the Court to schedule an emergency Order to Show Cause hearing and require your clients to respond to such questions in open court.

Sonia; as you are aware, SGM has filed a notice of appeal from the Bankruptcy Court's order of November 14, 2019 regarding Verity's emergency motion. We understand your position regarding the "finality" of that order and we respectfully disagree as our client had standing to appeal to order entered by the court, notwithstanding the fact that SGM did not oppose the underlying emergency motion. Ultimately the appellate court will decide this issue.
In the meantime, so that there is no confusion or misunderstanding about SGM's position on this issue, the 21 business days evaluation period under section 8.6 began on November 14; that means, if my review of the calendar is correct, the 21 business days to respond under section 8.6 will not expire until December 16, 2019.

Gary,

As Tania stated on the record in court on Wednesday, we do not agree with SGM's position that it has a 21-day Evaluation Period.

The Evaluation Period contemplated by Section 8.6 was included to account for the possibility that the Attorney General might insist on imposing conditions that materially differ from the Purchaser Approved Conditions. Because the Attorney General is not imposing any such conditions, the provisions relating to an Evaluation Period are not implicated.

We also note that, even if a 21-day Evaluation Period had been triggered (which we do not concede), Section 8.6 provides that SGM "shall consummate the Sale" if "the Supplemental Sale Order becomes a final, non-appealable order prior to the expiration of the Evaluation Period . . . and all other conditions to closing have been satisfied." Here, we have a final non-appealable order because the only parties who could have standing to appeal have waived that right.

Sam, Tania; I have heard through the grapevine that Verity may be taking the position that SGM does not have (or somehow lost) the 21 day Evaluation Period provided for in section 8.6 of the APA, which started as of the entry of the supplemental sale order yesterday. Would you please let me know if this is, in fact, Verity's positions and if so, please advise me of Verity's basis for that position. Obviously, this is a time critical issue so please get back to me immediately as I have a call scheduled with SGM at 3:00 today. Thanks.

Sonia; in response to your email of 11:20 this morning; please be advised as follows:

1. SGM has appealed from the Court's order of November 27, 2019 regarding the December 5, 2019 closing;
2. SGM will not be closing the sale transaction on December 5, 2019 and is reserving all of its rights, claims and defenses relating to the APA;
3. SGM's failure to dispute factual or legal assertions in your email shall not be considered an admission of any such assertions;
4. SGM would very much like to engage in settlement discussions with Verity and other stakeholders to see if a solution can be reached which will allow for a sale closing to take place, and, to that end, we have sent to Dentons a proposed confidentiality stipulation which, if executed by Dentons will enable settlement discussions to commence immediately, at which time, SGM can discuss the various questions which you posed regarding the status of the transaction.

Gary,

You have not responded to the Debtors' request that you state whether your clients "have the financial ability to proceed with this transaction in accordance with the APA, and whether they intend to close the transaction." This includes, but is not limited to, confirmation that the representations set forth in the December 3, 2018 letter issued by Kevin R. Farrenkopf, President and CEO of The Bank of Hemet, and the December 4, 2018 email from William Thomas are still accurate, and that the funds referenced in those communications remain available for use in December 2019 in connection with this transaction. The Debtors insist that you and your clients provide this information outside the context of any confidentiality agreement, either now or in court.

Your clients have no valid basis to refuse to close this transaction. They are in breach of the APA, and the Debtors will proceed accordingly. Indeed, it has become increasingly clear that SGM likely never had the financial ability to perform the APA, and has been in breach of APA Section 3.8 from the outset.

Moreover, SGM lacks standing and has waived any ability to appeal the Court's orders. Manufacturing the Evaluation Period is precisely the type of bad faith conduct with which the Court expressed concern, and which permits the Debtors to recover damages in excess of Section 11.1 of the APA.

If SGM has a proposal that it wishes the Debtors to consider, it should send that proposal immediately. Be advised that the Debtors will proceed down another path unless SGM (i) provides a meaningful, actionable offer, and (ii) demonstrates the financial ability to perform (the failure of either condition would be fatal).

We will be sending you a revised confidentiality stipulation shortly.

Subject: Verity | Weekly KPC/Verity Transaction Committee Call

[External Sender]

Sonia; a checklist call is scheduled for 10:00 today.
As you are aware, SGM is not closing the sale reflected in the APA today. SGM disputes that the notice to close set forth in Sam's letter of November 20, 2019 was effective or consistent with the APA and, notwithstanding Judge Robles order of November 27, which is now on appeal, SGM is under no contractual obligation to close today. Indeed, Verity is not, itself, prepared to close the sale today or to provide the "deliverables" and complete all of the processes necessary for closing .
Notwithstanding the foregoing, SGM has been requesting an opportunity to meet and confer with Verity and other stakeholders to attempt to resolve the disputes that have so far prevented the parties from proceeding to a closing in an organized fashion and consistent with the APA. SGM requested mediation and Verity rejected that request. SGM requested a meeting, which would be governed by applicable privileges, and Verity rejected that request. SGM submitted a proposed confidentiality stipulation to Verity yesterday, made every change that you requested, submitted a draft order to you as requested, and then was advised that Verity refused to meet and confer unless SGM first provided a proposal and financial information, not protected by any privilege.
It is apparent from your litany of threatening letters and rejection of any opportunity to salvage this transaction, that Verity has elected to attempt to force SGM into a position of breach and will pursue litigation, as opposed to participating in a process that might save the hospitals, protect the patients and avoid terminating thousands of employees.
The scheduled "checklist" call for today is clearly a sham, designed to create the appearance, although not legitimate, that Verity is still pursuing a transaction which Verity has now chosen to forego , and to attempt to obtain information for use in the eventual litigation. Accordingly, SGM sees no useful purpose in participating in such a call.

Subject: In re Verity Health System of California, et al., Case No. 2:18-bk-20151-ER

Gary,

SGM still has not responded to the Debtors' request that it confirm whether it has the financial ability to proceed with this transaction in accordance with the APA, and whether it intends to close the transaction in accordance with the APA, i.e., for a purchase price of $610 million. This includes, but is not limited to, confirmation that the representations set forth in the December 3, 2018 letter issued by Kevin R. Farrenkopf, President and CEO of The Bank of Hemet, and the December 4, 2018 email from William Thomas are still accurate, and that the funds referenced in those communications remain available for use in December 2019 in connection with this transaction. These are simple and direct questions that must be answered under the APA.

SGM cannot hide behind the charade of an "Evaluation Period" any longer. It is becoming increasingly clear that SGM does not have the financial ability to perform under the APA, and may never have had that ability. This is in direct contravention to the representation, warranty and covenant set forth in APA Section 3.9:

> 3.9 Ability to Perform. Purchaser has the ability to obtain funds in cash in amounts equal to the Purchase Price by means of credit facilities or otherwise and will at the Closing have immediately available funds in cash, which are sufficient to pay the Purchase Price and to pay any other amounts payable pursuant to this Agreement and to consummate the transactions contemplated by this Agreement.

By failing to respond to the Debtors' direct questions regarding SGM's financial ability (or lack thereof), and while still purporting to "reserve rights" under the APA, you and your clients are continuing to engage in bad faith conduct at the expense of the Debtors, as well as their patients, employees and creditors. As the Court aptly observed in its November 29, 2019 Order:

> SGM's contention that it is not obligated to close is a cynical attempt to extract a better purchase price. A key component of SGM's negotiation strategy is its attempt to delay as long as possible the adjudication of its obligations under the APA. The Court will not facilitate SGM's dubious tactics.
>
> * * *
>
> By presenting non-meritorious arguments as to why it is not obligated to close, SGM is holding the estates, creditors, and patients of the Hospitals hostage in an attempt to extort a better purchase price. SGM's cynical tactics are especially offensive given the significant harm that closure of the Hospitals would impose upon patients.

Nor are the Debtors willing to allow SGM to try to immunize itself with a nebulous "mediation agreement." The information the Debtors have requested is squarely within the scope of the APA, and the Debtors are entitled to answers under the APA and without confidentiality. The Debtors will not enter any agreement that SGM might try to use to shield the financial information we have requested. The Debtors must have the ability to promptly disclose and

act on such information in order to make critical decisions impacting the Hospitals and alternative plans for disposition of the assets. You have made it clear that the Debtors must seek the Court's immediate intervention with these issues.

As to any settlement proposal that SGM wishes to make, the protections of Rule 408 should suffice and SGM should transmit any such proposal without further delay. That said, we are continuing to discuss the proposed stipulation with the Debtors and their advisors, and will revert on that issue separately.

Re: In re Verity Health Systems of California, Inc., et al., Debtors ("Verity")
Sale to Strategic Global Management, Inc. ("SGM")

Dear Sam:

The purpose of this letter is to notify Verity that Verity is in material default with respect to the Asset Purchase Agreement, which was filed with the Court on May 2, 2019 (Doc 2305) and that SGM is demanding that the immediate return of its deposit of $30 Million, with all interest earned thereon.

The Closing Condition in Section 8.7 Was Not and Continues to be Unsatisfied

Section 8.7 of the APA creates a closing condition, as follows:

"8.7 Medicare and Medi-Cal Provider Agreements. Sellers shall transfer their Medicare provider agreements pursuant to a settlement agreement with the Centers for Medicare and Medicaid Services ("CMS") and shall transfer their Medi-Cal provider agreements pursuant to a settlement agreement with the California Department of Health Care Services ("DHCS"), which such settlement agreements shall result in: (i) resolution of all outstanding financial defaults under any of Sellers' Medicare and Medi-Cal provider agreements and (ii) full satisfaction, discharge and release of any claims under the Medicare or Medi-Cal provider agreements, whether known or unknown, that CMS or DHCS, as applicable, has against the Seller or Purchaser for monetary liability arising under the Medicare or Medi-Cal; provider agreements before the Effective Time; provided, however, that Purchaser acknowledges that it will succeed to the quality history associated with the relevant Medicare or Medi-Cal provider agreements assigned and shall be treated, for purposed of survey and certification issues as if it is the relevant Seller and no change of ownership occurred."

Notwithstanding the fact that Verity had not complied with APA section 8.7, on November 20, 2019, Verity sent SGM, through counsel, a demand for a closing of the APA transaction on or before December 5, 2019 (herein the "Closing Demand") In your letter of November 20, 2019, you stated:

GARY E. KLAUSNER ATTORNEY AT LAW ▪ EMAIL: GEK@LNBYB.COM ▪ DIRECT: 310.229.3360
10250 CONSTELLATION BLVD., STE 1700, LOS ANGELES, CA 90067 ▪ TEL: 310.229.1234 FAX: 310.229.1244 WWW.LNBYB.COM

LNBY&B

> "Yesterday, as we notified you, that the Debtors reached a settlement agreement the United States on behalf of the Department of Health and Human Services and the Centers for Medicare and Medicaid Services, allowing for the transfer of the Medicare Provider Agreement without successor liability. Consequently, SGM must close this transaction promptly, but no later than ten (10) business days from yesterday, or December 5, 2019, because all conditions to closing are satisfied. *See* APA § 1.3". (Emphasis Added.)

Your representation that "all conditions to closing are satisfied" was false. As we now know (and there is no dispute) as of November 20, 2019, Verity had not complied with the condition set forth in 8.7 because, *inter alia*, Verity had not, as of November 20, 2019, entered into a settlement agreement with DHCS which resulted in: (1) resolution of all outstanding financial defaults under any of Verity's Medi-Cal Provider Agreements, and (2) full satisfaction, discharge and release of any claims under the Medi-Cal Provider Agreements, whether known or unknown that DHCS had against the seller or purchaser.

Indeed, as you acknowledged to the Court, at the hearing on November 26, 2019, Verity had not, even as of that hearing date, entered into a settlement agreement with DHCS. Nor, had Verity entered into such a settlement agreement, as of December 5, 2019, the time Verity set for closing.

Accordingly, Verity failed, as of the date and time which Verity set for closing, to satisfy the condition set forth in § 8.7 of the APA and, was and continues to be in material default.

> Neither The Sale Order entered May 2, 2019, nor the Order Authorizing the Transfer of the Medi-Cal Provider Agreement, entered October 11, 2019, satisfies the Condition in Section 8.7.

On November 25, 2019, in recognition that Verity had failed to reach an agreement with DHCS, you sent me an email in which you contended that no such agreement was necessary; notwithstanding the clear and unambiguous language of § 8.7. Your contention was been based on the theory that the Bankruptcy Court's Order, entered on May 2, 2019, authorizing the sale to SGM, satisfied the requirements of § 8.7 because the sale generally provided for it to be free and clear. However, as you well know, DHCS had objected to the sale and, to accommodate that objection, Verity agreed, and the Sale Order so provided, for DHCS to reserve all of its rights pertaining to the assumption of the Medi-Cal Provider Agreements. The Sale Order addressed the objection that DHCS had filed to the proposed transfer of the Medi-Cal Provider Agreements, in part, as follows:

> "Nothing in this Sale Order shall apply to Medical Provider Agreements until and unless there is a court order approving a settlement between the Debtors and the DHCS or a court order resolving the DHCS's objection" (Doc. 2306 at 25 l. 6-8). (Emphasis added.)

Consistent with that reservation and the need to resolve all issues regarding assumption and assignment of the Medi-Cal provider agreement, including the issue of recoupment, Verity filed its Reply Brief (Doc 3043) on September 18, 2019 seeking an order, which was necessary to satisfy its obligation under § 8.7 with respect to the transfer of the Medi-Cal Provider Agreement.

In the Court's Memorandum of Decision, issued on September 26, 2019 the Court expressly referred to § 8.7 and the necessity for Verity to obtain an order in compliance with that section as a condition to closing.

> The Asset Purchase Agreement (the "APA") [Doc. No. 2305-1] which governs the sale of the Hospitals to SGM, provides that the sale cannot close unless issues regarding alleged financial defaults existing under each Provider Agreement have been resolved" (Doc. No. 3146 at 3, citing to footnote 5, which states: APA at par. 8.7)

Even more significantly, in the Bankruptcy Court's Order granting the relief requested by Verity, which was entered on October 11, 2019, the Court deleted the word "recoup" from the section providing for a transfer "free and clear", and the Court expressly stated that it was reserving the issue of DHCS's right to recoup for future adjudication.

> Provided, however, that nothing in this paragraph shall be construed to limit whatever rights DHCS may or may not have to withhold, under principles of equitable recoupment, payments owed by DHCS to the Debtors and or the SGM Buyers, for the purpose of recovering alleged Pre-Transfer Effective Date Liabilities under or related to the Medi-Cal Program and/or HQAF Program." (Doc. 3372 at 4:7-10, 16-20).

Not only does the Court's reservation of the recoupment issue render any argument regarding the effect of either that order or the Sale Order completely meritless, but whatever benefit that might have been achieved by the Court's October 11, 2019 Order has been nullified by the fact that the DHCS has appealed it to the U.S. District Court and that appeal has not been adjudicated.

LNBY&B

While we do not concede that the condition in § 8.7 could have been satisfied by a court order, as opposed to a "settlement agreement", even if Verity could have sought an order from the Bankruptcy Court resolving the recoupment issue, Verity chose not to do so.

Despite the fact that Verity was required to satisfy the section 8.7 condition by a "settlement agreement", no such settlement agreement existed as of November 20, 2019, the date of the Closing Demand and the representation that "all conditions of closing are satisfied". Thus, the demand was improper that statement constituted a material misrepresentation as of that date. Nor was any such agreement reached prior to the date and time, which Verity set, for closing of the APA on December 5, 2019.

As a consequence of the foregoing, Verity improperly and knowingly misrepresented the status of conditions to closing in your letter of November 20, 2019. In reality, all conditions to closing had not been satisfied and remained unsatisfied as of the date and time that Verity set for closing.

The foregoing is by no means the sum-total of all Verity's material defaults and failed conditions relating to the APA. However, because the issue raised here regarding § 8.7 and the Debtor's failure to comply with its requirements relating to the Medi-Cal Provider Agreements are factually and legally indisputable, SGM need not present or prove any other basis to establish Verity's material default.

Based upon the foregoing, and pursuant to § 11.2 of the APA, SGM hereby demands the immediate return of its deposit in the amount of $30 Million, plus all interest earned thereon.

Very truly yours

Gary E. Klausner

For the reasons set forth below, the Application for OSC is **DENIED**.

I. Background

On November 27, 2019, the Court issued a *Memorandum of Decision Finding that SGM is Obligated to Close the SGM Sale By No Later than December 5, 2019* (the "Closing Memorandum") [Doc. No. 3723] and an accompanying *Order (1) Finding that SGM is Obligated to Close the SGM Sale By No Later than December 5, 2019 and (2) Setting Continued Hearing on Debtors' Motion for Approval of Disclosure Statement* (the "Closing Order") [Doc. No. 3724]. The Closing Order provided in relevant part: "Pursuant to § 1.3 of the APA, SGM is obligated to close the SGM Sale by no later than December 5, 2019." Closing Order at ¶ 1.

SGM[1] did not close the SGM Sale by December 5, 2019. The Debtors move for issuance of an order requiring SGM's principals, Chairman Kali Pradip Chaudhuri, MD, Chief Executive Officer Peter Baranoff, and General Counsel William Thomas, to appear and testify as to (1) why SGM did not close the SGM Sale by December 5, 2019 and (2) whether SGM has the financial ability to close the SGM Sale. The Debtors further request issuance of an order finding that: (1) SGM is in material breach of the APA by failing to close the SGM Sale on December 5, 2019, (2) the Debtors may retain SGM's $30 million good-faith deposit, and (3) the Debtors may proceed with alternative plans to dispose of the Hospitals.

II. Findings and Conclusions

Requiring SGM's representatives to testify as to SGM's reasons for not closing the SGM Sale would not increase the likelihood of the sale actually closing. By failing to close, SGM risks the loss of its $30 million good-faith deposit as well as the possibility of damages for breach of contract in an amount of up to $60 million.[2] Being compelled to offer testimony will not motivate SGM to close where the threat of the loss of up to $90 million has failed to accomplish that end. In the future, the Debtors will have the opportunity to litigate the issues of whether SGM has breached the APA and whether the Debtors are entitled to retain SGM's good-faith deposit. In the meantime, the Debtors' efforts would be better spent ensuring the health and safety of the patients at the affected Hospitals.

The prompt closing of the SGM Sale would be in the best interests of all constituents in these cases, and the Court remains hopeful that SGM will fulfill its obligation to close. However, the estates' precarious cash position requires that the Debtors have the ability to immediately explore options for the alternative disposition of the Hospitals. The Court finds that any efforts undertaken by the Debtors with respect to the alternative disposition of the Hospitals will not violate the Debtors' obligation under Article 12.1 of the APA to cooperate with SGM to

[1] Capitalized terms not defined herein have the meaning set forth in the Closing Memorandum.
[2] *See* APA at Art. 11.1 ("If Purchaser commits any material default under this Agreement, Sellers shall have the right to sue for damages; provided, however that the amount of such damages shall never exceed $60,000,000.00.").

consummate the SGM Sale; nor shall any such efforts constitute a material default by the Debtors under any other provision of the APA.

The Court will enter an order consistent with this Memorandum of Decision.

EMERGENCY MOTION

Pursuant to §§ 105, 363, and 1108 of title 11 of the United States Code, 11 U.S.C. §§ 101, *et seq.* (the "Bankruptcy Code"),[1] Verity Health System of California, Inc. ("VHS") and the above-referenced affiliated debtors, the debtors and debtors in possession (collectively, the "Debtors" or the "Verity Health System") in the above-captioned chapter 11 bankruptcy cases (the "Cases"), hereby move, on an emergency basis (the "Motion"), for the entry of an order authorizing the Debtors to: (1) take all actions necessary in the exercise of their business judgment to effectuate the orderly and expedited closure (the "Closure") of Debtor hospital St. Vincent Medical Center ("SVMC") and its dialysis center, St. Vincent Dialysis Center, Inc. (as a separate Debtor entity, "SVDC," and together with SVMC as an integrated medical center, "St. Vincent"), including the transfer of patient care to other health care providers,[2] the proper disposition of controlled substances and hazardous materials, notices to governmental entities, and ultimately, the cessation of operations at St. Vincent (the "Closure Plan");[3] and (2) granting such other relief as the Court deems just and proper in connection therewith.

The Debtors request that the relief sought be granted on an emergency basis to avoid immediate and irreparable harm given (i) St. Vincent's continuing economic losses, (ii) the Debtors' need to have sufficient cash on hand for the orderly closure of St. Vincent, (iii) the acceleration of staff turnover once this Motion is filed which will further increase short-term

---

[1] All references to "§" are to sections of the Bankruptcy Code.

[2] As part of the Closure Plan, St. Vincent intends to enter into an agreement with Good Samaritan Hospital ("GSH") whereby GSH agrees to accept transfers of St. Vincent's inpatients, subject to applicable legal requirements and patient consent. GSH is located approximately one mile from St. Vincent.

[3] Certain elements of the Closure Plan may require the Debtors to enter into new contracts and dispose of equipment and other property, which relief is incorporated in this Motion, and assume or reject current contracts and leases, which relief is not requested herein. To the extent the Debtors determine in their business judgment to assume or reject contracts and leases in connection with implementing the Closure Plan, such relief will be sought by separate motion(s).

operational costs, (iv) the Debtors' need to begin the closure process as soon as possible given that it will take at a minimum one month to safely transfer all patient care, and (v) generally that VHS cannot continue to subsidize St. Vincent's operations without putting the continued existence of the entire Verity Health System at risk. The sale of St. Vincent as documented in the Asset Purchase Agreement ("APA," and the sale documented thereby, the "SGM Sale") between the Debtors and Strategic Global Management, Inc. ("SGM") did not close as contemplated therein. At this point, any delay in St. Vincent's closure will significantly impact these Cases because St. Vincent operates with cash losses that put the entire Verity Health System at peril under the current circumstances. St. Vincent lost approximately $65 million in fiscal year 2019, which translates to daily cash losses of over $175,000. Accordingly, there are limited cash resources available for continued operation and patient care, which cannot at this stage be mitigated by either additional external financing (which is no longer available to the Debtors beyond a short extension by their current prepetition secured creditors to help allow the Debtors to finance an orderly wind-down) or sale prospects (of which there were none for St. Vincent as an operating entity). Moreover, once the relief sought in this Motion is made public, turnover of staff, especially nurses, is likely to accelerate, making maintenance of high quality patient care more difficult, and, to the extent that temporary nursing replacements are required, significantly more expensive. Thus, reducing the period of time between filing of the Motion and a hearing on the Motion is essential to maintaining patient care.

Finally, key constituents, including secured creditors and the Unsecured Creditors Committee have been fully informed of the Debtors' intent to file this Motion and the basis for the relief sought herein.

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

Accordingly, the Debtors respectfully request that the Court grant the Motion for an emergency hearing because the proposed expedited hearing will not prejudice any parties and is in the best interests of the Debtors' estates and creditors.

I.

BASIS FOR THE REQUESTED RELIEF

The Debtors seek authority to close St. Vincent as expeditiously as possible because continued subsidy of its operations by VHS puts the continued existence of the entire Verity Health System at risk. The Motion is based upon §§ 105, 363, and 1108, Bankruptcy Rule 6004, the attached Memorandum of Points and Authorities, the *Declaration of Richard Adcock in Support of Emergency First-Day Motions* [Docket No. 8] (the "First-Day Decl."), the *Declaration of James M. Moloney in Support of the Debtors' Memorandum. in Support of Entry of an Order: (A) Authorizing the Sale of Property Free and Clear of All Claims, Liens and Encumbrances; (B) Authorizing the Assumption and Assignment of Designated Executory Contracts and Unexpired Leases; and (C) Granting Related Relief* [Docket No. 2220] (the "Moloney Sale Decl."); the Declarations of Richard Adcock (the "Adcock Decl."), Peter C. Chadwick (the "Chadwick Decl."), and James M. Moloney (the "Moloney SVMC Decl.") filed concurrently herewith, the arguments and statements of counsel to be made at the hearing on the Motion, and any other admissible evidence properly brought before the Court. The Debtors request that the Court take judicial notice of the record in the Debtors' Cases and any other judicially noticeable facts in support of the Motion, as appropriate, including all documents filed with the Court in these Cases that relate to the SGM Sale and the prior sale of hospitals to Santa Clara County.

II.

RESPONSES

Any party opposing or responding to the Motion may present such response (the "Response") at any time before or at the hearing on the Motion. *See* LBR 9075-1(a)(8). A Response must be a complete written or oral statement of all reasons in opposition to the Motion or in support, declarations and copies of all evidence on which the responding party intends to

rely, and any responding memorandum of points and authorities. Pursuant to LBR 9013-1(h), the failure to file and serve a timely objection to the Motion may be deemed by the Court to be consent to the relief requested herein.

III.

SERVICE OF MOTION

Counsel to the Debtors will serve this Motion, the attached Memorandum of Points and Authorities, the Adcock Decl., the Chadwick Decl., the Moloney SVMC Decl., and any notice required by the Court on: (i) the California Attorney General; (ii) the Official Committee of Unsecured Creditors; (iii) the Debtors' prepetition secured creditors; (iv) SGM; (iv) the Office of the United States Trustee; and (v) any other parties on the Limited Service List set forth in the *Order Granting Emergency Motion of Debtors for Order Limiting Scope of Notice* [Docket No. 132]. To the extent necessary, the Debtors request that the Court waive compliance with LBR 9075-1(a)(6) and approve service (in addition to the means of service set forth in such LBR) by overnight delivery.

IV.

RESERVATION OF RIGHTS

Nothing contained herein is intended or shall be construed as: (i) an admission as to the validity of any claim against the Debtors; (ii) a waiver of the Debtors' or any appropriate party in interest's rights to dispute the amount of, basis for, or validity of any claim against the Debtors; or (iii) a waiver of any claims or causes of action which may exist against any creditor or interest holder.

V.

CONCLUSION

For all the foregoing reasons and such additional reasons as may be advanced at or prior to the hearing regarding this Motion, the Debtors respectfully request that the Court hold a hearing on an emergency basis to consider the Debtors request for an order (i) permitting the Debtors to implement the Closure Plan and to take all actions which in their business judgment they deem necessary and appropriate to effectuate the orderly Closure of St. Vincent; and (ii)

MEMORANDUM OF POINTS AND AUTHORITIES

I.

INTRODUCTION

St. Vincent Medical Center (including its on-campus dialysis center, "St. Vincent") has always been a vital part of the Verity Health System.[1] It is undeniable that everyone involved has done his and her utmost to promote St. Vincent's continued existence for the benefit of its patients, employees, and the communities it serves. However, St. Vincent has been operating at significant financial losses (more than $65 million in fiscal year 2019 alone), which has become unsustainable for both St. Vincent, and for the other Debtors forced to subsidize its losses. Additionally, as the Court is aware, the sale of St. Vincent as documented in the Asset Purchase Agreement ("APA," and the sale documented thereby, the "SGM Sale") between the Debtors and Strategic Global Management, Inc. ("SGM")—which would have provided for the sale of St. Vincent as a going concern—did not close. During the extensive marketing and sale process leading up to the APA with SGM, there was no interest for St. Vincent as a going concern. Currently, there is no buyer who has presented a feasible offer to purchase St. Vincent as a going concern.[2]

As responsible stewards of patient safety, the Debtors' foremost responsibility is delivery of high quality patient care, and, consequently, the Debtors must immediately begin the Closure Plan (as defined below) with sufficient cash on hand to orderly implement the plan and transfer of

[1] The "Verity Health System" comprises the following affiliated debtors and debtors and debtors in possession (collectively, the "Debtors") in these chapter 11 cases (the "Cases"): Verity Health System of California, Inc. ("VHS"), O'Connor Hospital, Saint Louise Regional Hospital, St. Francis Medical Center, St. Vincent Medical Center ("SVMC"), Seton Medical Center, O'Connor Hospital Foundation, Saint Louise Regional Hospital Foundation, St. Francis Medical Center of Lynwood Foundation, St. Vincent Foundation (the "Foundation"), St. Vincent Dialysis Center ("SVDC"), Inc., Seton Medical Center Foundation, Verity Business Services, Verity Medical Foundation, Verity Holdings, LLC, De Paul Ventures, LLC, De Paul Ventures - San Jose Dialysis, LLC.

[2] Even if there were any material interest to purchase St. Vincent, St. Vincent and the estates could not sustain the losses that would be incurred during the regulatory review process, such as the losses borne during the Attorney General review process for the sale to SGM, which failed when SGM did not close the sale.

patients. The Debtors anticipate that by mitigating St. Vincent's operational losses through closure of its facilities as expediently as possible, the Debtors will have sufficient cash-on-hand (*e.g.*, remaining proceeds from the hospital sales to Santa Clara County plus extended consensual use of cash collateral) to fund the closure (the "Closure") in an orderly manner. Continuing to incur operating losses at St. Vincent outside the Closure Plan would only deplete cash resources and place St. Vincent and the Debtors in a position that they would not have sufficient cash on hand to conduct the orderly Closure.

The Debtors anticipate it will take 30 days to discharge acute care patients. As part of the closure plan (the "Closure Plan"), St. Vincent intends to enter into an agreement with Good Samaritan Hospital ("GSH"), whereby GSH will accept transfers of St. Vincent's inpatients, subject to applicable legal requirements. GSH is located approximately one mile from St. Vincent. With respect to patients in St. Vincent's kidney/pancreas transplant program, it will take (i) 30 days to transfer those currently receiving care to alternate providers, and (ii) 60 days to coordinate care with other outpatient health care providers for those patients who are being evaluated for the program or have already received a transplant and been discharged. St. Joseph Hospital ("St. Joseph") has agreed to assume care of the kidney transplant patients who are part of the St. Vincent Transplant Program (defined below), subject to approval of the United Network for Organ Sharing ("UNOS"). St. Joseph has its own UNOS-approved Kidney Transplant Program. The Debtors are in discussions with other area hospitals to coordinate the transfer of care for the kidney/pancreas-only transplant patients (less than twenty patients).

Accordingly, the Debtors respectfully request that the Court grant the Motion to protect patient care and to avoid immediate and irreparable harm to the Debtors, the Hospitals, and the estates. The Debtors respectfully submit the proposed relief is in the best interests of St. Vincent, St. Vincent's patients, and the Debtors and their estates as a whole.

II.

JURISDICTION, VENUE, AND STATUTORY PREDICATES

§§ 1408 and 1409.

The statutory predicates for the relief sought in the Motion are §§ 105, 363, and 1108.[3]

III.

STATEMENT OF FACTS

A. General Background

1. On August 31, 2018 (the "Petition Date"), the Debtors each filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the Central District of California, Los Angeles Division (the "Bankruptcy Court"). Since the commencement of their Cases, the Debtors have been operating their businesses as debtors in possession pursuant to §§ 1107 and 1108. On September 14, 2018, the Office of the United States Trustee appointed the Official Committee of Unsecured Creditors [Docket No. 197].

2. Debtor VHS, a California nonprofit public benefit corporation, is the sole corporate member of five Debtor California nonprofit public benefit corporations that operated O'Connor Hospital and Saint Louise Regional Hospital, and currently operates St. Francis Medical Center, St. Vincent (the subject of this Motion), and Seton Medical Center, including Seton Medical Center Coastside Campus (collectively, the "Hospitals").

3. As of the Petition Date, the Verity Health System operated as a nonprofit healthcare system in the State of California, with approximately 1,680 inpatient beds, six active emergency rooms, a trauma center, eleven medical office buildings, and a host of medical specialties, including tertiary and quaternary care. *See Declaration of Richard Adcock in Support of Emergency First-Day Motions* [Docket No. 8] (the "First-Day Decl."), at ¶ 12. The scope of the services provided by the Verity Health System is exemplified by the fact that in 2017, the Hospitals provided medical services to over 50,000 inpatients and approximately 480,000 outpatients. *Id.* The Verity Health System was originally established by the Daughters of Charity of St. Vincent de Paul, Province of the West, to support the mission of the Catholic Church through a commitment to the sick and poor.

4. St. Vincent was founded as the first hospital in Los Angeles in 1856. First-Day Decl., at ¶ 34. In 1971, a new facility was constructed at the Hospital's current location at 2131 West Third Street, Los Angeles, CA 90057. *Id.* The Hospital has expanded to a 366 licensed bed, regional acute care, tertiary referral facility, specializing in cardiac care, cancer care, total joint and spine care, and multi-organ transplant services. *Id.* The Hospital serves both local residents and residents from Los Angeles, San Bernardino, Riverside, and Orange Counties. *Id.* St. Vincent provides medical care for both inpatients (*i.e.*, patients who remain in the hospital for more than 24 hours) and outpatients (*i.e.*, patients who receive outpatient services, such as MRIs). Additionally, the Debtors operate a Kidney-Pancreas Transplant Program at St. Vincent (the "St. Vincent Transplant Program").[4] The St. Vincent Transplant Program operates under UNOS approval. As a provider of healthcare services for a high percentage of elderly patients, many of the Hospital's services and programs are focused on the treatment of various chronic diseases. *Id.* In 2015, under a restructuring agreement, St. Vincent was converted from a religious corporation to a public benefit corporation. *Id.* at ¶¶ 21, 92. St. Vincent owns real property commonly known as: (i) 2131 W 3rd Street, Los Angeles, CA 90057, including the hospital and all of the facilities located thereon; and (ii) vacant land in Salton Sea, California. *Id.* at ¶ 23.[5]

5. St. Vincent has its own dialysis center (SVDC) on-campus, where St. Vincent's kidney disease patients receive dialysis services, including hemodialysis and isolated ultrafiltration treatments as part of St. Vincent's end-stage renal disease program. *Id.* at ¶ 36. Although together they form St. Vincent, the Hospital, SVMC and SVDC have separate corporate

[4] There are approximately 300 patients on the waitlist in the St. Vincent Transplant Program and approximately 700 patients who have received transplants in the last five years. Another one thousand individuals are currently being evaluated for a place on the transplant waitlist.

[5] The Foundation is governed by a Board of Trustees, and SVMC is the sole corporate member of the Foundation. Because the Foundation exists to support St. Vincent, the Debtors ultimately will seek to wind it down as well; however, they do not seek to do so through this Motion. Given its status as a medical foundation, the Foundation will be subject to a separate wind-down plan in coordination with the California Attorney General. The Foundation holds donor restricted funds, and owns: (i) a fractional timeshare of a condominium commonly known as 2600 Avenida Del Presidente, San Clemente, CA 92672; and (ii) Lot 10 of Block 572 of Rio Grande Estates, Unit 25, Valencia, NM.

identities, and SVMC is the sole corporate member of SVDC. *Id.* Both SVMC and SVDC are exempt from federal income taxation as an organization described in § 501(c)(3) of the Internal Revenue Code of 1986. *Id.* at ¶ 21.

6. St. Vincent as of the Petition date employed approximately 1,099 employees, of which 897 were full time, 42 were part time, and 160 were per diem. *Id.* at ¶ 59(f). St. Vincent employees are represented by two unions with the respective contractual obligations: (i) SEIU-UHW (Non-Nursing Service Employees); and (ii) California Nurses' Association ("CNA") (Nurses). *Id.* at ¶ 60.

7. St. Vincent is a jointly "obligated" party with its affiliates on approximately $461.4 million of outstanding secured debt consisting of: (a) $259.4 million outstanding tax exempt revenue bonds, Series 2005 A, G and H issued by the California Statewide Communities Development Authority (the "2005 Bonds"), which loaned the bond proceeds to certain Debtors to provide funds for capital improvements and to refinance certain tax exempt bonds previously issued in 2001 by the Daughters of Charity Health System, and (b) $202.0 million outstanding tax exempt revenue notes, Series 2015 A, B, C, and D and Series 2017 issued by the California Public Finance Authority. *Id.* at ¶ 121.

8. St. Vincent has consistently lost money for many years due to, among other things, unfavorable payor contracts, rising health care costs, high pension obligations and certain requirements imposed on St. Vincent by the State of California Attorney General, as more fully described below. *See id.* at ¶¶ 95, 99. St. Vincent is also dramatically under invested in structural improvements necessary to meet California's state mandated seismic and clean energy requirements. *Id.* The combined effect of these issues have been a consistent drag in operating cash balances absent additional financing. *See* Chadwick Decl., at ¶ 5.

9. While the Debtors collectively have a poor financial history, St. Vincent has been particularly troubled. *Id.* at ¶ 6. On the Petition Date, although St. Vincent accounted for approximately only 23% of the patient volume of the entire Verity Health System, the hospital accounted for approximately 60% of the operating losses. *Id.* The Debtors project continuing operating losses by St. Vincent. The reported financial statements of St. Vincent reflect that, in

fiscal year 2019 (ended June 30, 2019), SVMC lost approximately $65 million which was an 18% and 103% increase over the fiscal years 2018 and 2017, respectively. *Id.* at ¶ 8.

B. Marketing and Sale Efforts

(1) Prepetition Sale Efforts

10. Prior to the Petition Date, the Debtors engaged in substantial efforts to market and solicit interest in their assets, including the five Hospitals and related assets (collectively, the "Assets"). *See Declaration of James M. Moloney in Support of the Debtors' Memorandum. in Support of Entry of an Order: (A) Authorizing the Sale of Property Free and Clear of All Claims, Liens and Encumbrances; (B) Authorizing the Assumption and Assignment of Designated Executory Contracts and Unexpired Leases; and (C) Granting Related Relief* [Docket No. 2220] (the "Moloney Sale Decl."), at ¶ 4. In June 2018, Debtors engaged Cain Brothers, a division of KeyBanc Capital Markets ("Cain"), to assist in identifying potential buyers of some or all of the Assets and commenced discussions with those potential Buyers. *Id.* Cain prepared a Confidential Investment Memorandum and organized an online data site to share information with potential buyers and contacted strategic and financial buyers beginning in July 2018. *Id.* In this initial marketing process, Cain contacted more than 100 potential partners to evaluate their interest in exploring a transaction involving some or all of the Assets. *Id.* By August 2018, as a result of its ongoing and broad marketing process, Cain had received 11 "Indications of Interest" from potential buyers of some or all of the Assets. *Id.*

(2) DIP Facility

11. At the commencement of the Cases, the Debtors obtained court approval for a DIP financing facility with up to $185 million of availability from Ally Bank subject to a borrowing base (the "DIP Facility"). (*See* Docket No. 409). The DIP Facility was secured by substantially all of the Debtors' assets and also provided for super priority administrative priority status for all obligations under the facility. *Id.* The DIP Facility enabled Debtors to operate the Hospitals while they continued their efforts to find a purchaser for their assets and to reach agreements with key constituents. *See* Chadwick Decl., at ¶ 7. On September 6, 2019, the Debtors received

authority to pay off the DIP Facility and continue funding operations through the consensual use of cash collateral [Docket No. 3022].

(3) Postpetition Sale Efforts

12. Postpetition, Cain continued to work with potential buyers for some or all of the Assets. Moloney Sale Decl., at ¶ 5. Based on these discussions, the Debtors determined that seeking a buyer for the Assets in Santa Clara and a separate buyer for the other Assets would most likely yield higher net proceeds for the Debtors' estates. *Id.* As a result, the sale of the Santa Clara Assets to Santa Clara County was approved by the Court on December 27, 2018 [Docket No. 1153].

13. Thereafter, Cain focused on marketing the Debtors' remaining Assets, including St. Vincent. Moloney Sale Decl., at ¶ 6. As a part of this process, Cain contacted more 189 potential parties to evaluate potential stalking horse bidders for some or all of the Debtors' remaining Assets of which 92 had executed a NDA and 18 submitted written proposals. *Id.* Subsequent to receiving access to the virtual data room and being offered additional information via conference calls and site visits, many of the potential purchasers indicated that they were not interested in being the stalking horse bidder. *Id.* During November and December 2018, the Debtors and their advisors had substantial discussions with those potential buyers remaining, during which Prime Healthcare and SGM emerged as the leading potential candidates to be selected as the stalking horse bidder for the Debtors' remaining Assets. *Id.*

(4) The SGM APA

14. After extensive negotiations with both parties and careful review of the proposed transactions by the Debtor and its advisors, the Debtors selected SGM as the stalking horse bidder (the "Stalking Horse Bidder") for the Debtors' remaining Assets. *Id.* at ¶ 7. On February 19, 2019, the Court held a hearing on the Sale and Bidding Procedures Motion and thereafter entered an order approving the Sale and Bidding Procedures Motion (the "Bidding Procedures Order") [Docket No. 1572]. SGM served as the Stalking Horse Bidder under the terms of the Bidding Procedures Order. The Bidding Procedures Order also approved that certain asset purchase agreement [Docket No. 2305-1] (the "SGM APA") as modified therein.

15. Cain sent the approved bidding procedures to the 90 parties with whom the Debtor had previously executed NDAs and included the timetable for the sale of the Debtors' remaining Assets. Moloney Sale Decl., at ¶ 8. Cain also requested that each party confirm that each party continued access to the data room and were interested in continuing to evaluate the purchase of some or all of the Debtors' remaining assets. *Id.* Nineteen of those parties confirmed that were still evaluating the transaction and requested continued access to the data room. *Id.*

16. Cain facilitated due diligence by potential buyers, including arranging site visits, organizing calls with the Debtors' leadership team and facilitated follow-up from the Debtors and their advisors to address diligence requests. *Id.* at ¶ 9. Of these nineteen interested parties, certain parties evaluated acquiring all the Debtors' remaining Assets, others evaluated acquiring individual hospitals, and others were real estate companies that evaluated purchasing St. Vincent to convert its campus to non-hospital uses. *Id.*

17. At the end of the marketing period, two parties submitted Qualified Bids, one for St. Vincent and one for St. Francis Medical Center, one party submitted a non-Qualified Bid for St. Francis Medical Center and one party submitted a non-Qualified Bid for all of the assets. *Id.* at ¶ 10. No Qualified Full Bid was received.

18. Accordingly, under the terms of the SGM APA and the Bidding Procedures Order, no auction was held and the Debtors declared SGM as the "winning bidder" of the Hospitals. Docket No. 2053, at 2.

19. On May 2, 2019, the Bankruptcy Court entered the *Order (A) Authorizing the Sale of Certain of the Debtors' Assets to Strategic Global Management, Inc. Free and Clear of Liens, Claims, Encumbrances, and Other Interests; (B) Approving the Assumption and Assignment of an Unexpired Lease Related Thereto; and (C) Granting Related Relief* [Docket No. 2306] (the "Sale Order"), approving the sale to SGM (the "SGM Sale"). Pursuant to the SGM APA, SGM agreed to continue to operate St. Vincent as well as the Debtors' other three Hospitals.

20. The Debtors had expected the SGM Sale to close in the fourth quarter of 2019. On November 27, 2019, the Court entered an order and accompanying memorandum decision

requiring SGM to close the sale by December 5, 2019 [Docket Nos. 3723-24]. SGM did not close the sale by December 5, 2019.

21. The previous marketing and sale process yielded no buyer interested in the purchase of St. Vincent as a going concern, and no alternate buyer is anticipated. Moloney SVMC Decl., at ¶ 4. St. Vincent's operating losses are significant and unsustainable. Chadwick Decl., at ¶ 8. Consequently, the Debtors must start expeditiously resolving these Cases through alternative transactions, including the relief sought in this Motion, pursuant to the authority granted by the Court's order and accompanying memorandum decision [Docket Nos. 3783-84], and consistent with their fiduciary duty.

22. The Debtors recently stipulated with their prepetition secured lenders to extend their consensual use of cash collateral [Docket Nos. 3871-72] (the "Cash Collateral Agreement").

C. Closure Plan

(1) Overview

23. The Debtors, in consultation with their professionals and healthcare advisors, have developed a comprehensive Closure Plan, certain key elements of which are described herein.

24. The Closure Plan provides for each of the following steps to conclude St. Vincent's operations and services:

- Cessation of new inpatient admissions and closure of the emergency department;
- Transfer, discharge, and referral of patients;
- Communication to employees, patients, providers, government entities, area hospitals, and the community at large;
- Transfer, storage, and, when permitted, disposal of medical records;
- Disposal of pharmaceuticals, including controlled substances;
- Disposal and handling of medical waste and other hazardous materials;
- Coordination with Emergency Medical Services ("EMS") and removal of St. Vincent road signs; and
- Implementation of enhanced security measures.

LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

25. Above all, the Closure Plan emphasizes patient safety. The Debtors plan to work closely with the California Department of Public Health ("CDPH"), UNOS, EMS, the Center for Medicare and Medicaid Services ("CMS"), and other licensing and governmental authorities, and area providers to prevent disruption of patient care and ensure a smooth transition of the Debtors' patients to alternate health care providers. As part of the Closure Plan, St. Vincent's medical personnel will, among other steps, evaluate patients for safe transport, assess whether a patient is stable, obtain patient consents, obtain health plan authorization if required, and arrange for continuing care. In furtherance of this goal, by this Motion the Debtors also seek authority to enter into and perform under new contracts, as appropriate (*e.g.*, with such providers who accept transfer of patients), to the extent permitted by the terms of their Cash Collateral Agreement.

(2) Timeline

26. Although subject to modification based on patient needs and input from the CDPH and others, the Debtors' current general timeline for shut-down of operations is as follows (all dates are calculated with reference to entry of an order granting this Motion):[6]

- Order + 1 day: Notify EMS and place St. Vincent on diversion protocol for all patients. Begin process of transferring patients, along with their medical record information, to a hospital of their choice. This process includes outreach to local outpatient dialysis providers to help facilitate scheduling for St. Vincent dialysis outpatients with future appointments.
- Order + 3 days: Complete the emergency unit closure.
- Order + 5 days: Cease scheduling all elective procedures.
- Order + 7 days: Conclude and cease all elective surgeries and other procedures.
- Order + 21 days: Complete the dialysis unit closure.
- Order + 30 days: Complete the transplant unit closure.

[6] All dates are subject to discussions with the CDPH, UNOS, and others as appropriate.

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

- Order + 30 days: Complete closure and cease clinical operations (the "Closure Date").

27. Subsequent to the Closure Date, the Debtors will continue to assist with the coordination of care for certain patients with future outpatient appointments, namely those who are in the process of being evaluated for kidney and/or pancreas transplants and patients undergoing outpatient dialysis treatment. The Debtors expect it will take approximately another 30 days to complete the coordination of care with other outpatient health care providers.

(3) Transfer, Discharge, and Referral of Patients

28. The most critical aspect of the Closure Plan is ensuring continuity of care for the Debtors' patients. The majority of currently-admitted patients will be discharged in the ordinary course, and, if necessary, provided with information and assistance to make follow-up appointments with alternate providers. Inpatients will be notified of the anticipated Closure and will be transferred to other area hospitals (such as GSH) if they still require inpatient hospital services as of the Closure Date.[7] Arrangements with an ambulance carrier will be in place to accommodate the orderly transfer of all inpatients needing ambulance transport. Outpatients with future appointments and patients of the St. Vincent Transplant Program will similarly be notified of the anticipated Closure and the Debtors will assist with care coordination with other hospitals and outpatient health care providers as appropriate for each type of patient (*e.g.*, GSH, St. Joseph, etc.). Such care transfer arrangements likely will require entry into one or more postpetition contracts (*e.g.*, with hospitals, ambulance companies, outpatient providers, etc.), authority for which the Debtors request as part of this Motion's relief to implement the Closure Plan. The Debtors expect to complete the transfer and discharge of all inpatients by the Closure Date.

[7] Transfers arranged by St. Vincent will require, at minimum, that (i) the attending physician has determined the patient is stable for transfer, approved the mode of transportation for the transfer and approved the transfer, in accordance with the medical staff bylaws of St. Vincent, (ii) the patient or the patient's representative has consented to the transfer, and (iii) the patient's health plan, if any, has approved the transfer.

(4) Medical and Business Records Safeguard, Storage, Transfer, and Disposal

29. The safeguard, storage, transfer, and disposal of medical and business records are also an important element of the Closure Plan. As part of the Closure Plan, the Debtors intend to transfer custody of St. Vincent's records to St. Francis Medical Center ("SFMC"). St. Vincent's electronic records are currently stored on the same server as SFMC's records, so only St. Vincent's physical records require manual transfer. In SFMC's custody, St. Vincent's records will be maintained and retained in accordance with this Court's previous orders regarding (a) patient records [Docket No. 3597] and (b) business and other non-patient records [Docket No. 3596], to the extent applicable; otherwise, the Debtors will seek further disposition through a separate motion. A phone number and email address will be posted for patients to request copies of their medical records and this information will also be provided to CDPH as part of the closure notification process.

(5) Communications Regarding the Closure Plan

30. The Debtors are currently developing a comprehensive approach to keep patients, employees, government agencies, area hospitals, and the community at large informed of the Closure process. In particular, the Debtors will contact area hospitals and certain outpatient providers to inform them of the Closure and to discuss procedures for the transfer of patients. In addition, the Debtors will notify the fire department and the appropriate regulatory and governmental agencies of the Closure.

31. With respect to employees, the Debtors intend to arrange for job fairs with the desire that St. Vincent personnel may be hired by transferee hospitals and other local health care providers.

(6) Disposal of Controlled Substances, Pharmaceuticals, Medical Waste, and Other Hazardous Materials

32. The Debtors will manage and dispose of controlled substances, pharmaceuticals, medical waste, and other hazardous materials in accordance with state and federal guidelines. Medications, including controlled substances, radioactive materials, chemicals, medical waste, infectious materials, and other hazardous materials will be identified, secured and inventoried,

(213) 623-9300

then destroyed, disposed of, returned to vendors, or transferred to other providers, as appropriate. St. Vincent will engage vendors, as needed, to manage the disposal of medical waste and infectious materials. Retention of such vendors likely will require entry into one or more postpetition contracts, authority for which the Debtors request as part of this Motion's relief to implement the Closure Plan.

IV.

ARGUMENT

Pursuant to §§ 105(a), 363, and 1108, given the failure of the SGM Sale to close, the Court should authorize the orderly closure of St. Vincent in accordance with the Closure Plan because Closure will then be in the best interests of St. Vincent's patients, creditors, and the Debtors' estates.

A. This Court Can Authorize the Closure of St. Vincent Pursuant to §105.

Section 105(a) of the Bankruptcy Code in conjunction with the other sections referenced herein permits the requested relief. Section 105(a) provides:

> The court may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title. No provision of this title providing for the raising of an issue by a party in interest shall be construed to preclude the court from, *sua sponte*, taking any action or making any determination necessary or appropriate to enforce or implement court orders or rules, or to prevent an abuse of process.

11 U.S.C. § 105(a).

"Section 105(a) vests bankruptcy courts with broad residual powers". *In re Mastro*, 585 B.R. 587 (B.A.P. 9th Cir. 2018). Section 105(a) thus "confers authority to 'carry out' the provisions of the Code . . .". *Law v. Siegel*, 134 S. Ct. 1188, 1194 (2014).

The Bankruptcy Court may evoke § 105(a) if necessary to preserve a right provided elsewhere in the Code. *Bessette v. Avco Fin. Servs. Inc.*, 230 F.3d 439 (1st Cir. 2000), *cert denied*, 532 U.S. 1048 (2001); *Law v. Siegel*, 134 S. Ct. at 1194; *see also In re Chaussee*, 399 B.R. 225, 235 (B.A.P. 9th Cir. 2008) ("powers granted to the court under § 105(a) to implement the Code and prevent an abuse of process"); *In re Dyer*, 322 F.3d 1178, 1193 (9th Cir. 2003) (§ 105(a) provides bankruptcy courts the power to enforce the Bankruptcy Code). .

(213) 623-9300

"In enacting § 105, Congress also recognized bankruptcy courts' inherent authority to 'run their courtrooms and to supervise the attorneys appearing before them.'" *In re Thueson*, No. 4-08-BK-10121-JMM, 2009 WL 1076888, at *12 (Bankr. D. Ariz. Mar. 12, 2009) (*quoting In re Brooks-Hamilton*, 2009 WL 226002, at *5 (9th Cir. BAP January 21, 2009)). Bankruptcy courts, accordingly, also have the power under § 105(a) to enforce their prior orders. *See In re Stokes*, No. 09-60265-7, 2013 WL 492477, at *8 (Bankr. D. Mont. Feb. 8, 2013), *vacated and remanded*, No. ADV 12-00052-RBK, 2013 WL 5313412 (B.A.P. 9th Cir. Sept. 23, 2013) ("This Court has broad powers to enforce its orders under § 105(a).").

As more fully described below, the requested relief under § 105(a) is needed to preserve Debtors' rights under §§ 363(b) and 1108 to use their property in a manner that will enable them to move quickly to stave off continued losses and to address the current situation facing St. Vincent given no new purchaser is reasonably anticipated. In this case, if the Court enters an order permitting closure, the Debtors will be able to quickly move forward and implement the plans and procedures necessary to close the hospital.

B. Section 363(b) Authorizes the Debtors to Use Their Property According to Their Business Judgment

The Court has the authority to grant the requested relief under § 363(b), which permits a debtor to use its property in a manner which will enhance value to the estate. The Debtors must be able to "use" their property in a manner that permits them to stop St. Vincent's mounting losses and to retain value for the benefit of the remaining estates. More importantly in this case, as a hospital system, the Debtors must use their property in a manner that protects the patients in their care, who are best served by the orderly implementation of the Closure Plan.

Section 363(b) provides, in relevant part, that a debtor "after notice and a hearing, may **use**, sell or lease, other than in the ordinary course of business, property of the estate . . . ". 11 U.S.C. § 363(b) (emphasis added). While there is no legislative history to explain why the term "use" is part of § 363(b), courts have viewed § 363(b) as providing flexibility to debtors in the exercise of their business judgment. In reviewing a debtor's decision to use estate property pursuant to § 363, courts have routinely held that if such use represents reasonable business

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

judgment on the part of the debtor, such use should be approved. *See In re Gardens Reg'l Hosp. & Med. Ctr., Inc.*, Case No. 2:16-bk-17463-ER (Bankr. C.D. Cal. Jan. 20, 2017) (Robles, J.) ("The closing of the hospital constitutes use of estate property, outside the ordinary course of business, within the meaning of Bankruptcy Code §363(b). The Debtor's decision to close the hospital is a proper exercise of the Debtor's business judgment."); *see also In re Lionel Corp.*, 722 F.2d 1063, 1070-71 (2d Cir. 1983) (requiring a "good business reason" to approve a transaction under § 363). "Ordinarily, the position of the trustee is afforded deference, particularly where business judgment is entailed in the analysis or where there is no objection." *In re Lahijani*, 325 B.R. 282, 289 (9th Cir. B.A.P. 2005).

While the closure of St. Vincent is far from an ideal solution—in fact, it is a last, tragic resort—in the absence of other alternatives, it is the only viable solution that will grant the greatest safeguards to the patients in St. Vincent's care, accomplish the goal of addressing St. Vincent's cash losses, and retain some value for the Debtors' stakeholders. Declaration of Richard Adcock (the "Adcock Decl."), at ¶¶ 5-6. The Debtors are aware of their fiduciary duty to creditors as debtors in possession, and have determined that ceasing operations at St. Vincent in the absence of another viable solution is in the best interests of St. Vincent's individual estate as well as the Debtors' collective estates. *Id.*; *see also In re R.H. Macy & Co., Inc.*, 170 B.R. 69, 74 (Bankr. S.D.N.Y. 1994) ("The debtor's duty to maximize estate assets may require the cessation of operations at one location.").

Courts emphasize that the business judgment rule may be satisfied "as long as the proposed transaction appears to enhance the debtor's estate." *In re Food Barn Stores, Inc.*, 107 F.3d 558, 566 n.16 (8th Cir. 1997); *accord In re AbitibiBowater*, 418 B.R. 815, 831 (Bankr. D. Del. 2009) (the business judgment standard is "not a difficult standard to satisfy"). Under the business judgment rule, "management of a corporation's affairs is placed in the hands of its board of directors and officers, and the Court should interfere with their decisions only if it is made clear that those decisions are, *inter alia*, clearly erroneous, made arbitrarily, are in breach of the officers' and directors' fiduciary duty to the corporation, are made on the basis of inadequate information or study, are made in bad faith, or are in violation of the Bankruptcy Code." *In re*

Capital Bank, N.A.*, 762 F.2d 1303, 1309 (5th Cir. 1985); *In re Defender Drug Stores, Inc.*, 145 B.R. 312, 317 (B.A.P. 9th Cir. 1992)). Here, the Debtors have determined in their business judgment that it is prudent to seek permission to cease operations at St. Vincent. Adcock Decl., at ¶ 6. The Debtors have limited cash, cannot continue operations of St. Vincent, and have therefore determined that it is in the best interests of their respective estates and creditors to effectuate a Closure of St. Vincent and focus on a safe and orderly wind-down through implementation of the Closure Plan. *Id.* at ¶¶ 5-8.

In *Gardens Regional Hospital*, this Court granted similar relief under similar circumstances. This Court recognized the following facts in that case:

> The Debtor's existing operations do not generate sufficient cash flow to keep the hospital open. To maintain operations, the Debtor would be required to obtain additional debtor-in-possession ("DIP") financing. No lenders will extend credit to the Debtor unless the credit is secured by a lien senior in priority to the liens of the Debtor's pre-petition secured creditors. Under the circumstances, the Court lacks the statutory authority to authorize the Debtor to obtain additional credit priming the liens of the secured creditors.

Case No. 2:16-bk-17463-ER, Docket No. 633 (Bankr. C.D. Cal. Jan. 20, 2017). As a result, the Bankruptcy Court concluded that "[t]he closing of the hospital constitutes use of estate property, outside the ordinary course of business, within the meaning of Bankruptcy Code §363(b). The Debtor's decision to close the hospital is a proper exercise of the Debtor's business judgment." *Id.*

Indeed, this Court in *Gardens Regional Hospital* further recognized that under these circumstances, the Debtors' very duty is to close the Hospital:

> In view of the lack of funds to continue operations, and the inability of the Debtor to obtain additional credit, the vote by the Debtor's Board of Directors ("Board") to seek closure of the hospital was entirely consistent with the Board's fiduciary duties, imposed under state law, to uphold the hospital's mission of sustaining public health and welfare. Public health and safety would be jeopardized if the Debtor continued to admit new patients when it lacks funds to adequately sustain operations. In fact, the Board would be acting in violation of its fiduciary duties to the community if it attempted to continue operating the hospital despite the lack of sufficient cash to sustain operations.

For all the same reasons here, the Debtors request urgent approval to close St. Vincent. Absent the SGM Sale, there are no viable offers for St. Vincent as a going concern, and any delay in commencing a closure plan prejudices patients and estate stakeholders. Adcock Decl., at ¶ 5; Moloney SVMC Decl., at ¶ 4; *see also* Chadwick Decl., at ¶¶ 7, 9. The Motion is being made at this time because the orderly transfer of patients and wind-down of St. Vincent will take time, including time to arrange patient transfers with alternate health care providers. Adcock Decl., at ¶ 6. Beyond transfer of inpatients, St. Vincent provides longer-term care for certain outpatients receiving dialysis or on the UNOS transplant waitlist, which patients require further advance planning as part of any transition. *Id.* So timing is truly of the essence and St. Vincent is seeking authority to initiate this process as soon as possible.

C. Section 1108 Authorizes the Debtors *Not* to Operate Their "Moribund" Businesses

Section 1108 of the Bankruptcy Code grants a debtor in possession the *right* to operate its businesses, providing that the trustee (or debtor in possession) "*may* operate the debtor's business." 11 U.S.C. § 1108 (emphasis added). With its use of the permissive term, "may," the statute "clearly indicates that a trustee is not required to operate the debtor's business." *In re Thrifty Liquors, Inc.*, 26 B.R. 26, 28 (Bankr. D. Mass. 1982). Indeed, § 1108 "necessarily implies the lesser authority to modify the operation of the business on such grounds as he deems appropriate under the circumstances." *Id.* Thus, a debtor is not required to operate its business "if such operations will reduce the value of the debtor's assets or if the debtor's business is moribund." 7 *Collier on Bankruptcy,* ¶ 1108.13 (Alan N. Resnick & Henry Sommer eds., 16th ed.). Indeed, in such circumstances, "continued operation of a business that ought to be closed down and liquidated may be a breach of the fiduciary duties of a trustee or debtor in possession." *Id.* As discussed further herein, the Debtors have determined that there are compelling reasons to cease operations at St. Vincent.

D. Good Cause Exists for Granting the Relief

This Court has the authority to order the closure based on the facts and evidence presented. *See* 11 U.S.C. §§ 105(a), 363(b), and 1108. The Debtors intend to conduct the closure

in coordination with regulatory authorities and with due care for the patients and with the assistance of their medical personnel. Adcock Decl., at ¶ 9. St. Vincent will place its license in suspense, consistent with applicable law and with the assistance of the Debtors' health care experts.[8] *Id.*

After the closure of St. Vincent, the Debtors will seek to sell the land and buildings and otherwise dispose of their assets (*e.g.*, equipment), as may be approved by this Court in subsequent orders.

Relief similar to that requested herein has been granted in previous chapter 11 cases. *See In re Gardens Reg'l Hosp. & Med. Ctr., Inc.*, Case No. 2:16-bk-17463-ER, Docket No. 633 (Bankr. C.D. Cal. Jan. 20, 2017) (Robles, J.) (order authorizing closure of the debtor hospital); *In re Saint Vincents Catholic Med. Ctrs. of N.Y.*, Case No. 10-11963, Docket No. 276 (Bankr. S.D.N.Y. May 14, 2010) (order authorizing continued implementation of closure plan for the debtors' Manhattan hospital and certain affiliated outpatient clinics and practices); *In re Saint Vincents Catholic Med Ctr. of N.Y.*, Case No. 05-14945, Docket No. 394 (Bankr. S.D.N.Y. Sept. 20, 2005) (order authorizing closure of St. Mary's hospital).

V.

REQUEST FOR IMMEDIATE RELIEF AND WAIVER OF STAY

Pursuant to Bankruptcy Rule 6004(h), the Debtors seek a waiver of any stay of the effectiveness of any order granting the relief sought herein. Bankruptcy Rule 6004(h) provides that "[a]n order authorizing the use, sale, or lease of property other than cash collateral is stayed until the expiration of 14 days after entry of the order, unless the court orders otherwise." Fed. R. Bankr. P. 6004(h). Here, failure to grant immediate relief would risk immediate and irreparable harm to the Debtors' patients and the estates. Adcock Decl., at ¶ 5; Chadwick Decl., at ¶ 4. Notwithstanding the skill and dedication of the Debtors' employees to maintain St. Vincent's operations, given the Debtors' financial condition and available funding, the Debtors must be

permitted to move expeditiously to implement a closure plan for St. Vincent, in coordination with applicable governmental authorities. Adcock Decl., at ¶ 5.

VI.

CONCLUSION

For all of the reasons stated above, the Debtors request that the Court grant the requested relief.

DECLARATION OF RICHARD ADCOCK

I, Richard G. Adcock, hereby state and declare as follows:

1. I submit this declaration (the "Declaration") in support of the *Debtors' Emergency Motion for Authorization to Close St. Vincent Medical Center* (the "Motion"),[1] which seeks entry of an order authorizing the Debtors to: (a) take all actions necessary in the exercise of their business judgment to effectuate the orderly closure (the "Closure") of St. Vincent Medical Center (including its on-campus dialysis center, "St. Vincent"), including the transfer of patient care to other health care providers, the proper disposition of controlled substances and hazardous materials, notices to governmental entities, and ultimately, the cessation of operations at St. Vincent (the "Closure Plan"); and (b) granting such other relief as the Court deems just and proper in connection therewith.

2. I am the Chief Executive Officer ("CEO") of Verity Health System of California, Inc. ("VHS"). I became VHS' CEO effective January 2018. Prior thereto, I served as VHS' Chief Operating Officer ("COO") beginning in August 2017. In my roles as COO and CEO at VHS, I have become intimately familiar with all aspects of the Debtors as well as those affiliated entities that are not in bankruptcy.

3. I have worked for more than 25 years in the healthcare arena, with 15 years in not for profit operations. During this period, I have accumulated extensive senior level experience in the areas of not-for-profit healthcare, especially in healthcare delivery, hospital acute care services, health plan management, product management, acquisitions, integrations, population health management, budgeting, disease management and medical devices. I also have meaningful experience in other related areas, including human resources and personnel management.

4. My background and familiarity with the Debtors' day-to-day operations, business and financial affairs, and the circumstances leading to the commencement of these chapter 11 bankruptcy cases are set forth more fully in my *Declaration filed in Support of Emergency First-*

[1] Unless otherwise defined, capitalized terms used herein shall have the same meaning as in the Motion.

Day Motions [Docket No. 8] on the Petition Date, and is incorporated by reference into this Declaration.

5. For all of the reasons set forth in the Motion and the supporting declarations, I believe failure to grant immediate relief would risk immediate and irreparable harm to the Debtors' patients and the estates. The Debtors must be permitted to move expeditiously to implement a closure plan for St. Vincent because it is the only viable solution at this point in these cases and grants the greatest safeguards to the patients in St. Vincent's care. As set forth in the declaration of Peter Chadwick, St. Vincent has been operating at significant financial losses (more than $65 million in fiscal year 2019 alone), which has become unsustainable for both St. Vincent, and for the other Debtors forced to subsidize its losses. Further, as set forth in the declaration of James Moloney, there is no buyer who has presented a feasible offer to purchase St. Vincent as a going concern and the previous marketing and sale process yielded no bid for St. Vincent as a stand-alone hospital. Even if there were any material and viable interest to purchase St. Vincent, St. Vincent and the estates could not sustain the losses that would be incurred during the regulatory review process, such as the losses borne during the Attorney General review process for the sale to Strategic Global Management, Inc. ("SGM"), which failed when SGM did not close the sale.

6. Given the foregoing, the Debtors have determined in their business judgment that it is in the best interest of the Debtors and their estates to seek immediate closure of St. Vincent. Any delay in commencing a closure plan prejudices patients and the estates' stakeholders. The Motion is being made at this time because the orderly transfer of patients and wind-down of St. Vincent will take time, including time to arrange patient transfers with alternate health care providers. Beyond transfer of inpatients, St. Vincent provides longer-term care for certain outpatients receiving dialysis or on the UNOS transplant waitlist, which patients require further advance planning as part of any transition.

7. Further, as responsible stewards of patient safety, the Debtors' foremost responsibility is delivery of high quality patient care, and consequently the Debtors must begin the Closure Plan with sufficient cash on hand to orderly implement the plan and transfer of

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

patients. Currently, through use of cash collateral, the Debtors have sufficient cash on hand to conduct the Closure. However, this assumes that the current daily loss rate does not increase significantly and that the proposed Closure Plan is approved. Continuing to incur operating losses at St. Vincent outside the Closure Plan would only deplete cash resources and place St. Vincent and the Debtors in a position that they would not have sufficient cash on hand to conduct the orderly Closure.

8. The Debtors anticipate it will take 30 days to discharge acute care patients. As part of the Closure Plan, St. Vincent intends to enter into an agreement with Good Samaritan Hospital ("GSH") whereby GSH will accept transfers of St. Vincent's inpatients, subject to applicable legal requirements. GSH is located approximately one mile from St. Vincent. With respect to patients in St. Vincent's kidney/pancreas transplant program, it will take (i) 30 days to transfer those currently receiving care to alternate providers, and (ii) 60 days to coordinate care with other outpatient health care providers for those patients who are being evaluated for the program or have already received a transplant and been discharged. St. Joseph Hospital ("St. Joseph") has agreed to assume care of the kidney transplant patients who are part of the St. Vincent Transplant Program, subject to approval of the United Network for Organ Sharing ("UNOS"). St. Joseph has its own UNOS-approved Kidney Transplant Program. The Debtors are in discussions with other area hospitals to coordinate the transfer of care for the pancreas-only transplant patients (less than twenty patients).

9. The Debtors intend to conduct the Closure in coordination with regulatory authorities and with due care for the patients and with the assistance of their medical personnel. St. Vincent will place its license in suspense, consistent with applicable law and with the assistance of the Debtors' health care experts.

I declare under penalty of perjury that, to the best of my knowledge and after reasonable inquiry, the foregoing is true and correct.

DECLARATION OF PETER C. CHADWICK

I, Peter C. Chadwick, hereby state and declare as follows:

1. I submit this declaration (the "Declaration") in support of the *Debtors' Emergency Motion for Authorization to Close St. Vincent Medical Center* (the "Motion"),[1] which seeks entry of an order authorizing the Debtors to: (a) take all actions necessary in the exercise of their business judgment to effectuate the orderly closure of St. Vincent Medical Center (including its on-campus dialysis center, "St. Vincent"), including the transfer of patient care to other health care providers, the proper disposition of controlled substances and hazardous materials, notices to governmental entities, and ultimately, the cessation of operations at St. Vincent; and (b) granting such other relief as the Court deems just and proper in connection therewith.

2. I am a Managing Director of Berkeley Research Group, LLC ("BRG") and am duly authorized to make this declaration on behalf of BRG. Except as otherwise noted, the facts set forth herein are personally known to me and, if called as a witness, I could and would testify thereto.[2] In July 2018, BRG began its engagement serving as the financial advisor to the Debtors, which has continued since the Petition Date. In this capacity, I have become intimately familiar with the Debtors' operations, business, books, records, financial affairs, material agreements, and sale processes, and, as a result, have become uniquely situated to assist the Debtors.

3. As a result, pursuant to the Debtors' request, and as authorized by the Bankruptcy Court, I have agreed to serve in the role of Chief Financial Officer to the Debtors in these chapter 11 cases. I have significant operating experience, including improving underperforming businesses and advising debtors and creditors in complex financial matters. I have served as chief executive officer, chief operating officer, chief financial officer, and advisor to companies in a variety of industries. My healthcare experience includes acting as the advisor or an officer to healthcare providers, including leading hospital systems and long-term care providers through

[2] Certain of the disclosures herein relate to matters within the personal knowledge of other professionals at BRG and are based on information provided to me by such other BRG professionals.

operational turnarounds and financial restructurings. As an officer or advisor, I prepared and implemented post-acquisition integration plans, viability plans, asset dissolution strategies, and liquidity enhancement plans. My experience spans the spectrum from the largest U.S. companies to middle market proprietary companies.

4. For all of the reasons set forth in the Motion and the supporting declarations, failure to grant immediate relief would risk immediate and irreparable harm to the Debtors' patients and the estates.

5. When the Debtors filed their chapter 11 cases, they represented that St. Vincent had consistently lost money for many years due to, among other things, unfavorable payor contracts, rising health care costs, high pension obligations and certain requirements imposed on St. Vincent by the State of California Attorney General. They also represented that St. Vincent was dramatically under invested in structural improvements necessary to meet California's state mandated seismic and clean energy requirements. However, the combined effect of these issues have been a consistent drag in operating cash balances absent additional financing.

6. While the Debtors collectively have a poor financial history, St. Vincent has been particularly troubled. On the Petition Date, although St. Vincent accounted for approximately only 23% of the patient volume of the entire Verity Health System, the hospital accounted for approximately 60% of the operating losses.

7. The DIP Facility enabled Debtors to operate the Hospitals while they continued their efforts to find a purchaser for their assets and to reach agreements with key constituents. The Debtors had expected the SGM Sale to close in the fourth quarter of 2019, but it did not. At this point, even if there were any material interest (which there is not), St. Vincent and the estates could not sustain the losses that would be incurred during the regulatory review process, such as the losses borne during the Attorney General review process for the sale to Strategic Global Management, Inc. ("SGM"), which failed when SGM did not close the sale.

8. St. Vincent's operating losses are significant and unsustainable. The reported financial statements of St. Vincent reflect that, in fiscal year 2019 (ended June 30, 2019), SVMC

DENTONS US LLP

lost approximately $65 million which was an 18% and 103% increase over the fiscal years 2018 and 2017, respectively.

9. Although the Debtors have continued operating St. Vincent by subsidizing its losses in pursuit of selling the entire health system as a whole, the failure of SGM to close the SGM Sale and the Debtors' liquidity constraints requires the immediate reduction of operating losses to preserve the other hospitals' ability to continue to operate while alternative transactions are pursued.

10. The Debtors recently stipulated with their prepetition secured lenders to extend their consensual use of cash collateral to help fund the resolution of these Bankruptcy Cases. The Debtors anticipate that by mitigating St. Vincent's operational losses through closure of its facilities as expediently as possible, the Debtors will have sufficient cash-on-hand (*e.g.*, remaining proceeds from the hospital sales to Santa Clara County plus extended consensual use of cash collateral) to fund the Closure in an orderly manner.

I declare under penalty of perjury that, to the best of my knowledge and after reasonable inquiry, the foregoing is true and correct.

DECLARATION OF JAMES M. MOLONEY

I, James M. Moloney, hereby state and declare as follows:

1. I submit this declaration (the "Declaration") in support of the *Debtors' Emergency Motion for Authorization to Close St. Vincent Medical Center* (the "Motion"),[1] which seeks entry of an order authorizing the Debtors to: (a) take all actions necessary in the exercise of their business judgment to effectuate the orderly closure of St. Vincent Medical Center (including its on-campus dialysis center, "St. Vincent"), including the transfer of patient care to other health care providers, the proper disposition of controlled substances and hazardous materials, notices to governmental entities, and ultimately, the cessation of operations at St. Vincent; and (b) granting such other relief as the Court deems just and proper in connection therewith.

2. I am a managing director of Cain Brothers ("Cain"), which is a division of KeyBanc Capital Markets Inc., a wholly-owned broker/dealer subsidiary of KeyCorp and an affiliate of KeyBank National Association. I am located in Cain's San Francisco office which is located at One California Street, Suite 2400, San Francisco, California. Mr. Carsten Beith and I are the co-heads of Cain's Health Systems Mergers & Acquisition group. I am over the age of 18 and competent to testify as to the facts set forth herein and will do so if called upon.

3. As set forth in my previous declarations, beginning in June 2018, Cain began working with the Debtors to collect and review financial, operational and other information about the historic, current and project future operations and financial performance of each of the Debtors. Cain also began searching for a buyer or buyers for the Debtors' assets and created a potential list of buyers for the Verity Heath System as a whole or in parts. Mr. Beith and I led the marketing and sale efforts on behalf of Verity and advised Verity in connection with Verity's selection of Strategic Global Management, Inc., as the Stalking Horse Buyer for the Debtors' Hospitals and related assets.

4. The previous marketing and sale process yielded no bid for St. Vincent as a stand-alone hospital. Further, in our most recent discussions and outreach to potential buyers of the

[1] Unless otherwise defined, capitalized terms used herein shall have the same meaning as in the Motion.

debtors' assets, no potential bidders have expressed an interest in purchasing St. Vincent to operate the hospital as a going concern. Today, however, I did have a telephone conversation with a potential bidder that expressed an interest in acquiring St. Vincent with an unidentified partner with hospital operating experience. This potential bidder indicated that their long-term interest for St. Vincent was as a real-estate investment if the hospital operating partner could not develop a viable plan to operate St. Vincent's profitably. My discussion with this bidder indicated that limited due diligence had been conducted and that it may not have experience with the regulatory approval process required for such a transaction.

I declare under penalty of perjury that, to the best of my knowledge and after reasonable inquiry, the foregoing is true and correct.

STATUS REPORT

Verity Health System of California, Inc. ("VHS") and the affiliated debtors, the debtors and debtors in possession (collectively, the "Debtors") in the above-captioned chapter 11 bankruptcy cases (the "Cases"), submit this status report (the "Status Report"), pursuant to the Court's *Order Granting Debtors' Emergency Motion for Authorization to Close St. Vincent Medical Center* [Docket No. 3934] (the "Order") and the related *Memorandum of Decision Granting Debtors' Emergency Motion for Authorization to Close St. Vincent Medical Center* [Docket No. 3933] (the "Memorandum Decision"). The Order requires that the Debtors file this Status Report to discuss the implementation of the Closure Plan (as defined in the Memorandum of Decision) related to St. Vincent Medical Center ("St. Vincent" or "Hospital"). *See* Order at 2. Pursuant to the Order, and as may be further supplemented in subsequent status reports,[1] the Debtors respectfully state as follows:

I.

Introduction

The Debtors' admirable efforts have resulted in the smooth, safe, and orderly implementation of the Closure Plan. As discussed below, the Debtors have closed the St. Vincent emergency department, discharged and transferred all hospital inpatients, referred and coordinated follow-up appointments to other providers for outpatients, notified all kidney and kidney/pancreas transplant patients about the closure of the transplant program and alternative treatment options, and notified key governmental agencies. The Debtors have also provided job fairs and placements for employees of St. Vincent.

The Debtors' determined efforts have resulted in satisfaction of the milestones set forth in the Closure Plan that have come due thus far. The Debtors remain on-track to complete timely the Closure Plan. As remains paramount in these Cases, the Debtors will continue to prioritize patient care and safety as they continue to effectuate the Closure Plan.

[1] The Order requires that the Debtors a status report every 14 days hereafter until the Closure Plan is fully implemented. *See* Order at 2.

II.

The Status of the Closure Plan

A. Patients

1. Emergency Services

The Los Angeles Emergency Medical Services Agency (the "EMS Agency") placed St. Vincent's emergency department on permanent diversion (i.e., no ambulance transports should deliver patients to St. Vincent's emergency department) as of January 8, 2020. Prior to doing so, the EMS Agency sent written notice to St. Vincent area hospitals with emergency rooms and numerous constituents regarding the permanent diversion. The St. Vincent emergency department was permanently closed as January 9, 2020 at 7:00 a.m. In anticipation of the closure, all exterior emergency department signage was removed and closure signage was posted at the emergency room entrance and at the main hospital entrances, providing further notice of the closure, as well as information about neighboring hospitals offering emergency services, including their addresses and phone numbers.

2. General Hospital Services

Beginning January 8, 2020, the Debtors, administrators, nurses and doctors at St. Vincent worked expeditiously to safely transfer patients. Inpatients were discharged in the normal course of operations. In addition, inpatients were transferred to other local hospitals (such as Hollywood Presbyterian Hospital and Sherman Oaks Hospital), as well as to skilled nursing facilities (such as Burlington Convalescent Hospital and Virgil Rehabilitation Center). As of January 18, 2020, there were no inpatients in the Hospital.

Outpatients with recurring appointments, such as the cancer treatment center patients and dialysis patients, were referred to other facilities (such as St. Francis Medical Center, US Renal Dialysis Centers and Davita Dialysis Centers) or were referred to their treating physician for appropriate care. St. Vincent staff assisted patients with setting up appointments with their new providers.

(213) 623-9300

3. Kidney / Pancreas Transplant Services

In anticipation of the hospital closure, St. Vincent contacted the Organ Procurement and Transplantation Network ("OPTN") to discuss the timely closure of the St. Vincent kidney pancreas transplant program ("Transplant Program"). St. Vincent provided formal written notice to OPTN of the closure of its Transplant Program by letter, dated January 9, 2020. St. Vincent ceased performing transplants as of January 10, 2020. By letters, dated January 14, 2020, St. Vincent provided notification to its potential transplant candidates, waitlisted candidates, organ recipients and living donors receiving care of the imminent closure of the Transplant Program, along with information about other facilities offering kidney and/or kidney/pancreas transplant services.

St. Vincent's primary transplant physician, Robert Naraghi, M.D., intends to continue to treat all of the patients who are part of the St. Vincent Transplant Program, including all patients being evaluated for a transplant, all patients on the transplant list, all patients who need post-transplant care and all new referrals. Dr. Naraghi has established a clinic location approximately a mile away (at Good Samaritan Hospital) and is working to establish other outreach locations.

Effective January 23, 2020, St. Joseph Hospital, Orange is accepting the collective transfer of the St. Vincent waitlisted kidney transplant candidates and their respective waiting times pursuant to a Collective Transfer Letter Agreement.

B. Government Notifications

On January 9, 2020, St. Vincent provided notice of the anticipated Hospital closure to the California Department of Public Health ("CDPH"), the Los Angeles County Board of Supervisors, Los Angeles County Emergency Medical Services Agency, the Joint Commission, and the American College of Radiology. Further notices of the closure were provided to the Centers for Medicare and Medicaid Services and the California Department of Health Care Services on January 10, 2020. Notice of the closure of the Hospital and dialysis center was also published in the Los Angeles Times on Tuesday, January 14, 2020.

CDPH was provided notice of the closure of the St. Vincent Dialysis Center on January 13, 2020. This notice was sent concurrently to the Centers for Medicare and Medicaid Services and the California Department of Health Care Services.

St. Vincent will continue to work collaboratively with the different regulatory agencies to ensure the proper wind-down of hospital operations.

C. Employees

On January 10, 2020, St. Vincent employees were sent a written notice under the Workers Adjustment and Retraining Notice ("WARN") act regarding the closure. By Monday, January 27, 2020, there will be approximately twenty employees remaining to assist with the wind-down, plant maintenance and security. St. Vincent management worked tirelessly to create opportunities for the affected employees, including arranging for approximately 50 different healthcare organizations to participate in on-site job fairs, whereat hundreds of employees received offers on the spot or within days of the job fair. In addition, St. Francis Medical Center has made employment offers to approximately 50 employees from St. Vincent.

h) A Pretrial Conference is set for **11/17/2020 at 11:00 a.m.** By no later than fourteen days prior to the Pretrial Conference, the parties must submit a Joint Pretrial Stipulation via the Court's Lodged Order Upload (LOU) system. Submission via LOU allows the Court to edit the Joint Pretrial Stipulation, if necessary. Parties should consult the Court Manual, section 4, for information about LOU.
i) In addition to the procedures set forth in Local Bankruptcy Rule 7016-1(b), the following procedures govern the conduct of the Pretrial Conference and the preparation of the Pretrial Stipulation:

iii) The failure of a party to file a Motion in Limine complying with the requirements of ¶ (2)(i)(ii) shall be deemed a waiver of any objections to the admissibility of an exhibit.

iv) Motions in Limine seeking to exclude testimony to be offered by any witness shall comply with the requirements set forth in ¶ (2)(i)(ii), and shall be filed by the deadline specified in ¶ (2)(i)(ii). INSTRUCTIONS FOR TELEPHONIC APPEARANCES

For Judge Ernest M. Robles
United States Bankruptcy Court, Los Angeles Division

Telephone appearances will be arranged through *Court Call*™. Court Call is an independent conference call company that arranges conference calls nationally for Courts.

It is counsel's responsibility to schedule their telephonic appearance at least 5 court days prior to the hearing date by contacting CourtCall at 866-582-6878 or via internet by registering at **www.courtcall.com**.

Written confirmation will be provided for each separate CourtCall Appearance. If you have not received a written Confirmation, prior to the hearing date, please contact CourtCall immediately or you may be precluded from the telephone calendar.

It is the participant's responsibility to dial into to their conference by using the 800 number provided by CourtCall. The CourtCall Operator will not dial out to connect a participant.

Payment: CourtCall accepts 2 forms of payment:
1) Credit or Debit Card
2) CourtCall Debit Account
***Please contact CourtCall for more detailed information, not the Court.

Do not argue with Court Call or request special treatment. Court Call's function is no more than to offer you the opportunity to appear by telephone. Your election to appear by telephone constitutes your agreement for telephonic appearances.

At the time of the hearing, you will initially be placed in "Listen-only" mode and able to hear all proceedings just as if you were in the courtroom. Your line will be placed "Live" once the Judge calls your case. Each time a participant speaks to the Court, he or she must identify themselves for the record. When the Judge informs the participants that the hearing is completed, the participants may disconnect and the next case will be called. Please remain on the line if you are appearing on multiple cases on the same calendar.

Telephonic appearances are connected directly with the courtroom's public address system and electronic recording equipment so that a normal record is produced. To ensure a quality record, the use of car phones, public telephone booths, or phones in other public places is prohibited except in the most extreme emergencies. Participants should be able to hear all parties without difficulty or echo. The system also allows more than one speaker to be heard so that the Judge can interrupt a speaker to ask a question or redirect the discussion.

Telephonic appearances by multiple participants are only possible when there is compliance with every procedural requirement. Sanctions may be imposed when there is any deviation from the required procedures or the Court determines that a person's conduct makes telephonic appearances inappropriate. Sanctions may include dropping a matter from calendar, continuing

the hearing, proceeding in the absence of an unavailable participant, a monetary sanction, or a permanent prohibition against a person appearing telephonically.

SUMMARY

Pursuant to Local Bankruptcy Rules 2081-1(a)(12) and 9075-1, and 11 U.S.C. § 105(a), Strategic Global Management, Inc. ("SGM") moves for a stay on the ground this Court lacks jurisdiction to adjudicate the Adversary Proceeding until final resolution of SGM's appeals from three of this Court's Orders, which are currently pending in the U.S. District Court for the Central District of California (the "District Court"), and on which the Adversary Proceeding is based. This Court may not take any action on the Adversary Proceeding, including any pre-trial action, before the appeals are resolved, lest it disturb the *status quo* and usurp the jurisdiction of the District Court. Accordingly, all matters relating to the Adversary Proceeding, including the filing of any responsive pleading by the Defendants or compliance with this Court's Scheduling Order of January 6, 2020, must be stayed pending the final adjudication of the Appeals.

ADDITIONAL INFORMATION

The Motion is based upon Local Bankruptcy Rules 2081-1(a)(12) and 9075-1, 11 U.S.C. §105(a), the Motion, the supporting Memorandum of Points and Authorities and Klausner Declaration annexed hereto, the arguments and statements of counsel made at the hearing on the Motion, and other admissible evidence properly brought before the Court.

Concurrently with the filing of the Motion with the Court, SGM has served the Motion by messenger on the Office of the United States Trustee, counsel for the Debtor and counsel to the Official Committee of Unsecured Creditors (as a courtesy only). Notice of the hearing date and time on the Motion will also be served by overnight mail (or in another manner directed by the Court) once set by the Court. Additional hard copies or electronic copies of the Motion are available upon request to counsel for SGM, whose contact information is located on the upper-left hand corner of the Motion.

WHEREFORE, SGM respectfully requests that this Court enter an order staying the Adversary Proceeding and all matters relating to the Adversary Proceeding, including the filing of any responsive pleading or compliance with this Court's Scheduling Order of January 6, 2020 pending resolution of the Appeals.

MEMORANDUM OF POINTS AND AUTHORITIES

Strategic Global Management, Inc. ("SGM") submits this emergency motion for a stay of the Adversary Proceedings, Case No. 2:20-ap-01001-ER, filed by Verity Health System of California, Inc., St. Vincent Medical Center, St. Vincent Dialysis Center, Inc., St. Francis Medical Center, Seton Medical Center, and Verity Holdings, LLC ("Plaintiffs").

I. INTRODUCTION

"The filing of a notice of appeal is an event of jurisdictional significance-it confers jurisdiction on the court of appeals and divests the district court of its control over those aspects of the case involved in the appeal." *Griggs v. Provident Consumer Discount Co*., 459 U.S. 56, 58 (1982). This rule applies to matters on appeal from the bankruptcy court. *Matter of Combined Metals Reduction Co*., 557 F.2d 179, 200 (9th Cir. 1977).

SGM moves for a stay on the ground this Court lacks jurisdiction to adjudicate the Adversary Proceeding until final resolution of SGM's appeals from three of this Court's Orders, which are currently pending in the U.S. District Court for the Central District of California (the "District Court"), and which touch directly on the issues raised in the Adversary Proceeding. This Court cannot take any action on the Adversary Proceeding, including any pre-trial action, before the appeals are resolved, lest it disturb the *status quo* and usurp the jurisdiction of the District Court. Accordingly, all matters relating to the Adversary Proceeding, including the filing of any responsive pleading by the Defendants or compliance with this Court's Scheduling Order of January 6, 2020, must be stayed pending the final adjudication of the Appeals.

II. STATEMENT OF FACTS & PROCEDURAL HISTORY

In November 2019, this Court issued Orders dated November 14 (Doc. No. 3611), November 18 (Doc. No. 3633), and November 27 (Doc. No. 3724), all of which are pending appeal in the District Court.

In its November 14 Order, the Court granted, over SGM's objection, *Debtors' Emergency Motion for the Entry of an Order: (I) Enforcing the Order Authorizing the Sale to Strategic Global Management, Inc.; (II) Finding that the Sale Is Free and Clear of Conditions Materially Different than Those Approved by the Court*, ruling that the Assets (as defined in the APA) were

to be sold free and clear of Additional Conditions imposed by the California Attorney General ("AG"). SGM objected to the November 14 Order because the language agreed to by the Debtors and the AG failed to provide SGM the protection to which it was entitled under Section 8.6 of the APA.

In its November 18, Order, the Court held, *sua sponte*, without any adjudication of the merits, that the Debtors had complied with their obligations under Section 8.6 of the APA and that SGM was obligated "to promptly close the SGM Sale, provided that all other conditions to closing have been satisfied." (Doc No. 3633.)

In the November 27 Order and accompanying Memorandum of Decision, the Court ruled *sua sponte*, and without any adjudication of the merits, that "all conditions precedent to SGM's obligation to close the SGM Sale have been satisfied," and that SGM was thus "obligated to close by no later than December 5, 2019." (Doc. No. 3723.)

SGM timely appealed these Orders to the District Court. *See* Case Nos. 2:19-cv-10352; 2:19-cv-10354; and 2:19-cv-10356, respectively (collectively "the Appeals").

On December 10, 2019, Plaintiffs filed an "Emergency Motion to Dismiss" SGM's appeal of the November 14 Order; and, on December 19, 2019, they filed two similar "Emergency Motions to Dismiss" the Appeals of the November 18 and November 27 orders, arguing, *inter alia*, that the Orders appealed from were not final, appealable orders. All three motions were denied by the District Court, Honorable Dale S. Fischer presiding, on December 20, 2019.[1]

Notwithstanding the pendency of the Appeals, Plaintiffs filed an Adversary Proceeding in this Court against SGM and others on January 3, 2020, seeking damages related to SGM's failure to close by December 5, 2019. As we show, the Adversary Proceeding cannot go forward in this Court because it covers the same ground as, and is based on, the rulings on appeal.

As a separate matter, Plaintiffs' Adversary Proceeding is jurisdictionally flawed because it

---

[1] On December 20, 2019, SGM filed a motion to consolidate the three Appeals on the grounds they involve the same parties, the same operative facts, the same record, and same issues. Plaintiffs did not oppose SGM's consolidation motion, which is set for hearing on January 27, 2020.

names a number of parties, including Kali P. Chaudhuri, M.D., KPC Healthcare Holdings, Inc., KPC Health Plan Holdings, Inc., KPC Healthcare, Inc., and KPC Global Management, LLC (the "Non-SGM Defendants"), who have had no involvement in the Chapter 11 proceedings – they have not filed proofs of claim or participated in the Chapter 11 cases in any way; they have not waived their right to trial by an Article III court or their right to trial by jury; and they have not consented to having any specific issue, dispute, or motion relating to the Adversary Proceeding adjudicated by this Court. These Non-SGM Defendants are thus not properly before this Court.

On January, 14, 2020, Defendants' counsel requested that Plaintiffs' counsel extend the deadline for Defendants to respond to the Adversary Complaint 30 days to allow this Motion to be heard on normal notice. *See* Declaration of Gary Klausner ¶ 11. Plaintiffs refused to grant this request, thus necessitating that this motion be heard on an emergency basis. *Id.* ¶ 11 (attaching Plaintiffs' counsel's January 15, 2020 email stating that Defendants' ability to file this motion "on an expedited basis … undermines any notion that additional time is needed [to respond to the Complaint].")

III. ARGUMENT

A. This Court lacks jurisdiction over the Adversary Proceeding, which should be stayed pending resolution of the three Appeals.

The pending Appeals divest this Court of jurisdiction over the Adversary Proceeding, because it raises claims based on the rulings set forth in this Court's November 14, November 18 and November 27 Orders, all of which are pending appeal in the District Court. (*See, e.g.* Compl. ¶¶ 74-76; 83-95; 100; 107).

"The general rule is that once a notice of appeal has been filed, the lower court loses jurisdiction over the subject matter of the appeal." *Combined Metals*, 557 F.2d at 200 ("'The filing of a timely and sufficient notice of appeal has the effect of immediately transferring jurisdiction from the district court to the court of appeals with respect to any matters involved in the appeal. . . . Thus, after a notice of appeal is timely filed, the district court has no power to vacate the judgment, or to grant the appellant's motion to dismiss the action without prejudice, or to allow the filing of amended or supplemental pleadings.'") (quoting 9 Moore's Federal Practice,

2d ed., P 203.11, pp. 734-36) (further citations omitted); *see also Griggs*, 459 U.S. at 58 ("The filing of a notice of appeal is an event of jurisdictional significance-it confers jurisdiction on the court of appeals and divests the district court of its control over those aspects of the case involved in the appeal.").

While bankruptcy courts have "wide latitude to reconsider and vacate its prior decisions, so long as the proceedings have not been terminated," they are nevertheless bound by the general rule that an appeal divests the lower court of the power to modify the order or decision being appealed. *Combined Metals Reduction Co.*, 557 F.2d at 200-201. A different result "would permit bankruptcy courts to divest the courts of appeals of jurisdiction over appeals." *Id.* at 201; *accord, e.g.*, *In re Bialac*, 694 F.2d 625, 627 (1982) (following *Combined Metals*); *Midwest Properties No. Two v. Big Hill Inv. Co., Inc.*, 93 B.R. 357, 360 (N.D. Tex., 1988) ("The rule is well established that the taking of an appeal transfers jurisdiction from the Bankruptcy Court to the Appellate Court with regard to any matters involved in the appeal and divests the Bankruptcy Court of jurisdiction to proceed further with such matters[.]"); *Matter of Urban Development Ltd., Inc.*, 42 B.R. 741, 744 (Bankr. Fla., 1984) ("While the bankruptcy court has a wide latitude to reconsider and vacate its own prior decisions, it may not do anything which has any impact on the order on appeal."); *In re Butcher Boy Meat Market, Inc.*, 10 B.R. 258, 259 (Bankr. Pa., 1981).

"This [jurisdictional] rule is clearly necessary to prevent the procedural chaos that would result if concurrent jurisdiction were permitted." *Matter of Urban Development Ltd., Inc.*, 42 B.R. 741 (Bankr. M.D. Fla., 1984) (citing *Combined Metals, supra*); see also *In re Kendrick Equipment Corp.*, 60 B.R. 356, 358 (Bankr. W.D. Va., 1986) ("The divestment of jurisdiction is a judicial rule to avoid confusion and waste of time that might flow from putting the same issue before two courts at the same time.").

The Adversary Proceeding seeks damages arising from SGM's failure to close the Sale, and relies heavily on this Court's conclusions (set forth in the Orders on appeal) that Plaintiffs had complied with all of the conditions required for closing and that SGM was obligated to close

on December 5, 2019. SGM's appeals challenge these rulings on the merits,[2] and the manner in which they were decided, *i.e.*, without granting SGM notice or an opportunity to be heard.

Perusal of the Complaint readily demonstrates the degree to which the Adversary Proceeding overlaps with the challenged rulings. For example, Plaintiffs allege that SGM breached the APA by, *inter alia*: (1) "asserting entitlement to an 'Evaluation Period' when no such period existed after the entry of the Enforcement Order [the November 14 Order], the Section 8.6 Order [the November 18 Order] and the Closing Order [the November 27 Order]"; "appealing the Enforcement Order [the November 14 Order] to avoid its' obligation to close and despite the APA's requirement that Defendants cooperate to render it a final, nonappealable order"; and "filing meritless and frivolous Notices of Appeal." Compl. ¶ 100. A plain and fair reading of the Complaint compels the conclusion that all of the claims and relief requested directly implicate the matters on appeal in the District Court.

SGM's timely notices of appeal from this and two other Orders dealing with the interpretation of the APA divests this Court of jurisdiction, which transferred immediately to the District Court. Pursuant to the foregoing authorities, this Court may not take any action on Plaintiffs' Adversary Complaint, because it covers the same ground as the matters pending appeal and any action, including pre-trial action, may displace the status quo. If, for example, this Court were to determine that SGM materially breached the APA because it failed to consummate and close the Sale by December 5, 2019 in accordance with the APA and its November 27 Order, it would usurp SGM's right to appellate review, the jurisdiction of the District Court, and potentially the jurisdiction of the Ninth Circuit, should an appeal be taken by any party from the decision of the District Court.[3]

---

[2] For example, SGM contends that Section 8.7 of the APA was not satisfied at the time the November 27 Order was entered, or on November 20 when Plaintiffs made their Closing Demand, because Plaintiffs had failed to enter into the type of agreement with Medi-Cal required by Section 8.7.

[3] It remains to be seen which tribunal should handle the Adversary Proceeding, as set forth in SGM's forthcoming motion to withdraw the reference to this Court with respect to the Adversary Proceeding (the "Motion to Withdraw the Reference"). SGM's Motion to Withdraw the

B. Emergency Relief is Necessary Because Defendants' Response to the Complaint must be Filed on or Before February 5, 2020.

The Summons and Notice of Status Conference issued by this Court on January 6, 2020 requires Defendants to file and serve their responses to the Complaint on or before February 5, 2020. If this motion were heard on normal notice, any ruling on this motion would be delayed until at least 21 days from the filing of this motion; which would be after the deadline for responding to the Complaint. Recognizing this problem, Defendants requested that Plaintiff stipulate to a 30 day extension of the response date to permit this motion to be heard on normal notice. Plaintiffs refused to consent. Accordingly, this motion must be heard on an emergency basis so that Defendants' request for a stay (to which they are entitled) can be heard and decided before any response to the Complaint is due or other action needs to be taken in connection with the Adversary Proceeding.

IV. CONCLUSION

For all of the foregoing reasons, the Adversary Proceeding and all matters relating to the Adversary Proceeding, including the filing of any responsive pleading or compliance with this Court's Scheduling Order of January 6. 2020 should be stayed pending resolution of the Appeals.

Reference will be based, *inter alia*, on the grounds that: (1) the Adversary Proceeding is a "non-core" matter under 28 U.S.C § 157(b); (2) this Court lacks jurisdiction to rule on the Adversary Proceeding pending resolution of the Appeals; (3) the interests of judicial economy support having the Adversary Proceeding considered by the District Court after it decides the Appeals.

Re: In re Verity Health Systems, Inc., Debtor
Verity Health Systems of California, Inc., et al v. Strategic Global Management, Inc., et al, Adversary No. 2:20-ap-01001-ER

Dear Sonia:

The Summons and Notice of Status Conference in the above captioned Adversary Proceeding [LBR 7004-1] provides for the Defendants to file and serve a written response on or before February 5, 2020. The purpose of this letter is to request from Plaintiffs a 30-day extension of time for Defendants to respond to the Complaint, i.e. through March 5, 2020.

SGM intends to file a motion for a stay of all matters pertaining to the Adversary Proceeding, including the filing of responses by any of the Defendants. The motion for stay will be based upon the existence of the three appeals currently pending before District Judge Fischer, from the Bankruptcy Court's Orders of November 14, November 18 and November 27, 2019 (herein the "Appeals").

In its November 27 Memorandum Decision and Order, the Bankruptcy Court ruled that, as of November 19, 2019, Verity had complied with all of the conditions required of it for closing the SGM sale and concluded that SGM was obligated to close the sale by December 5, 2019 pursuant to Verity's closing demand of November 20, 2019. SGM has appealed from that Order. Similarly, SGM has appealed the November 14 Order and November 18 Order, which purported to establish Verity's compliance with APA section 8.6.

The pendency of the Appeals divests the Bankruptcy Court of jurisdiction to adjudicate the Adversary Proceeding. *Griggs v. Provident Consumer Discount Co.*, 459 U.S. 56, 58 (1982); *Matter of Combined Metals Reduction Company,* 557 S. 2d. 179, 200-201 (9th Cir. 1977). As a result, the District Court now has exclusive jurisdiction over the subject matter of the Appeals. Therefore, so long as the Appeals are pending, the Bankruptcy Court lacks jurisdiction to make any rulings related or bearing on the issues, which are the subject of appeal, i.e. Verity's compliance with all of its closing conditions and SGM's breach for failing to close theAPA on December 5, 2019 – all of which are the subject matter, and indeed the core allegations, of the Complaint.

At this time, we are not requesting that Verity stipulate to a stay; only that the response date be extended to March 5, 2020 to enable SGM to bring its stay motion on

normal notice. If after having seen SGM's motion for stay Verity is in agreement that the Bankruptcy Court has been divested of jurisdiction regarding the Adversary Proceeding, we will work in good faith with you to enter into a stipulation providing for a stay pending the resolution of the Appeals.

Please confirm that you will grant the extension by Wednesday January 15 at 5:00 p.m. If for some reason Verity will not agree to the extension, please explain your reasoning for refusing to grant a request for an extension that is both (1) generally granted as a normal professional courtesy (See Central District's Civility Guidelines § B, 2) and (2) would allow the parties and the Court a full opportunity to address the motion to stay. If we do not have Verity's agreement at that time then we will ask that the Court hear the motion on an expedited basis.

Finally, the request for this extension is without prejudice to any of the rights, claims or defenses of any of the parties to the Adversary Proceeding.

Very truly yours,

Gary:

Your request for a 30-day extension is not reasonable under the circumstances.

First, the appeals and the complaint are not a surprise and you have been involved in all of the briefing and the events to date. To the extent you believe the three orders that your clients appealed need a stay to protect them (putting aside that they never filed motions to stay the effect of those orders), your clients have more than enough time to prepare such a motion. The defendants' responses are due February 5 (22-days from your request and 30 days after issuance of the summons and the complaint). Indeed, in the same letter in which you requested this extension, you also threatened alternatively to move for such relief on an expedited basis, which undermines any notion that additional time is needed.

Second, the length of time of your request is not reasonable, as it seeks to extend the 30-day period by an additional 30 days without any explanation and to the prejudice of the Debtors. Indeed, you have cited to the Central District's Civility Rules, which state that counsel will not request an extension of time solely for the purpose of unjustified delay or to obtain a tactical advantage.

Third, your firm is not new to the representation of SGM or Dr. Chaudhuri, and your clients' request for an extension is not taken lightly by the Debtors given the harm your clients caused to the hospitals and the Debtors' estates and the need to move with alacrity given the nature of the bankruptcy cases (including the daily cash losses of $450,000).

Consequently, the Debtors will not agree to your request for a 30-day extension. The Debtors, however, we will agree to a one week (7 day) extension of your time to respond under FRBP 7012 for each client that you represent, provided you confirm to us today the identity of each client that you expect to represent.
