07/22/2020	50	TEXT ONLY ENTRY: (IN CHAMBERS) SCHEDULING ORDER. The Court takes the Scheduling Conference off calendar and establishes the case management dates as proposed by parties in the Joint Rule 26(f) Report as further described in the Schedule of Pretrial and Trial dates except as noted in the Order re Trial. (See Order re Trial for specific dates and times.) These dates and requirements are firm. As the parties failed to comply with the Court's order concerning the expert discovery cut-off date, failure to complete expert discovery will not be grounds to continue the motion cut-off date. The Court is very unlikely to grant continuances unless the parties establish good cause through a concrete showing. Failure to complete discovery in a timely manner does not constitute good cause, nor does the fact that a settlement conference is pending. Each side is limited to five motions in limine unless the Court orders otherwise. All fictitiously named defendants are dismissed. THERE IS NO PDF DOCUMENT ASSOCIATED WITH THIS ENTRY.
