INTRODUCTION

On September 4, 2020 (the "Effective Date"), the Plan became effective as set forth in the notice filed with this Court. *See* Docket No. 6044. On or about the Effective Date, as set forth in more detail below, the Debtors substantially consummated the Plan, distributing substantially all of their assets—approximately $495 million of net distributable value—to (i) the bond trustees on account of their allowed secured claims, (ii) other creditors to the extent of their allowed secured claims, (iii) creditors that held, as of the Effective Date, allowed administrative or priority claims, (iv) the Liquidating Trust to establish the various reserves and funds required under the Plan and approved by this Court, pursuant to the Confirmation Order, (v) holders of allowed employee claims, (vi) holders of allowed capitation refund claims, and (vii) the Post-Effective Date Debtors to establish the Operating Account for the Post-Effective Date Debtors required under the Plan and approved by this Court, pursuant to the Confirmation Order. A summary of the payments and distributions made on the Effective Date, or shortly thereafter, are as follows:

On May 21, 2025, the Liquidating Trust paid off the Secured 2005 Revenue Bond Claims. More than $142.5 million has been paid since the Effective Date.

In addition to the classes of claims and interests designated by the Plan, the Plan also required payment of various Administrative Claims, Professional Claims, Statutory Fees, and Priority Tax Claims. A summary of these payments are set forth below.

A. FILED AND ORDINARY COURSE ADMINISTRATIVE CLAIMS

Section 15.3 of the Plan established an Administrative Claims Reserve. The Post-Effective Date Debtors initially estimated that Administrative Claims to be filed by the Administrative Claims Bar Date would total approximately $14,024,133, and ordinary course Administrative Claims would total approximately $38,725,294. Additionally, the Nonrefundable Deposit, in the amount of $30,000,000, was reserved for the SGM Sale disputed escrow. Consequently, the total Administrative Claims Reserve pursuant to 15.3 was $82,749,427. *See* Docket No. 5468, Ex. D, at 1-2. Pursuant to the express terms of the Confirmation Order, the Court approved the establishment of the Administrative Claims Reserve, in the amount of $52,749,427, as the sole source of payment for the aggregate amount of all allowed Administrative Claims (not including the Nonrefundable Deposit, which has been released, in part, to the Trust, pursuant to the Settlement Agreement (defined *infra*), and is to be disbursed as set forth in the Confirmation Order and Plan). *See* Confirmation Order, ¶ 24 at 36; *Memorandum of Decision Granting Motion to Authorize Liquidating Trustee to Undertake Final Distribution Program for Administrative Claimants* [Docket No. 6515] at 5-6.

On the Effective Date, the Debtors transferred $63,678,100 to the Liquidating Trust to create the reserves required by the Confirmation Order. Prior to the transfer of the foregoing funds to the Liquidating Trust on the Effective Date, (i) $8,723,794 of claims were paid, (ii) there were additional reserves of $2,799,840 in the Administrative Claims Reserve based on resolution of Plan objections, and (iii) $13,147,374 was paid on the Effective Date to various Holders of Administrative Claimants. Since the Effective Date, the Liquidating Trust has paid approximately $29.8 million to Holders of Administrative Claims allowed after the Effective Date for total payments to Administrative Claimants of approximately $51.7 million.

Since the Effective Date, the amount of the ordinary course Administrative Claims that have been asserted is higher than anticipated, including employee benefit claims and out-of-network claims. At the beginning of the distribution process there was approximately $6,065,915 in the Administrative Claims Reserve account. The Trust has reserved the entire cash balance available and has made initial distributions per the "Final Distribution Program" approved by the Court on June 15, 2021 [Docket No. 6523]. The Trust has received significant returned payments and has issued stop-payments on uncashed checks over 90 days old related to the distribution. The Trust has commenced processing a second and final distribution, in regard to which approximately 4.9% of payments were distributed in late October 2023. The Trust will continue the process of tracking down the claimants who did not cash payments from either distribution.

B. SGM ACTION SETTLEMENT

On April 22, 2021, the Post-Effective Date Debtors and the Liquidating Trustee, on the one hand, and SGM and parties in the SGM Action, on the other, entered into a settlement agreement (the "Settlement Agreement") resolving all claims and litigation in the SGM Action. *See In re Verity Health System of California, Inc.* (Case No. 2:20-cv-00631) (C.D. Cal.) Docket Nos. 95; 98. Pursuant to the Settlement Agreement and related stipulated order, the Liquidating Trustee disbursed (i) $5 million, plus interest in the amount of $595,160.66, to the KPC Parties (as defined in the Settlement Agreement), and (ii) the balance of the Nonrefundable Deposit to the Liquidating Trust. *See Id.*; Bankruptcy Docket No. 6474; 6484.

C. PROFESSIONAL CLAIMS

For the Professional Claims not yet fixed and Allowed by the Court prior to or on the Effective Date, the Plan established a Professional Claim Reserve. *See* Plan, § 7.9(b) at 50. On the Effective Date, the Debtors transferred $14.1 million to the Liquidating Trust to fund the Professional Claim Reserve. On December 17, 2020, the Court entered orders [Docket Nos. 6332, 6333] (the "Final Compensation Orders") awarding fees and expenses to Holders of Professional Claims through the Effective Date. Thereafter, payments in the amount of approximately $2,887,682, were made prior to December 31, 2020, in accordance with the Final Compensation Orders.

D. STATUTORY FEES AND PRIORITY TAX CLAIMS

Approximately $34,618 of California taxes have been paid post-Effective Date, including $25,505 of California franchise taxes and $9,113 of additional sales taxes. The Liquidating Trust finalized the final known tax claim of $64,368 with the California Department of Tax and Fee Administration. The Post-Effective Date Debtors are currently working with California, Oregon, and Louisiana regarding disputed claim amounts and a potential excise tax assessment under section 4960 of the IRC.

The Post -Effective Date Debtors are not aware of any tax liabilities accrued post-Effective Date.

E. DISPUTED UNCLASSIFIED CLAIMS AND DISPUTED CLASS 1A CLAIMS

The Disputed Unclassified Claims and Disputed Class 1A Claims Reserve contains funds to pay Disputed Unclassified Claims and Disputed Class 1A Claims once such Claims are allowed. On the Effective Date, the Debtors paid $2.2 million to Medline, Cardinal, US Foods, and Cochlear Americas, on account of § 503(b)(9) Claims. On the Effective Date, the Debtors transferred $3,710,778 into the Disputed Unclassified Claims and Disputed Class 1A Claims Reserve. Since the Effective Date, $2.4 million has been paid to Holders of § 503(b)(9) Claims from this reserve. All § 503(b)(9) claims have now been satisfied, leaving an excess reserve of $161,678.

The Trust has reserved sufficient funds and filed an appeal on August 19, 2025, in addition CAL/OES has supported the Trust's appeal, and the Trust is still awaiting the results..

The Post-Effective Date Debtors have filed almost all the debtor entities final tax returns. Those final returns on extension, will be filed before their respective due dates. Certificates of dissolution have been filed for all debtor entities. To date, the Post-Effective Debtors have spent an excess of $13.3 million in support of the Interim Agreements, the Transition Services Agreements, and wind-down, including $5.4 million in payroll or independent contractor costs, more than $2.0 million in pharmacy and IT systems costs in support of the Interim Agreements, and

$4.8 million in post-Effective Date professional fees. The Post-Effective Date Debtors anticipate spending an additional $0.4 million of accrued funds, dependent on recoveries, to complete the wind-down of the Post-Effective Date Debtors.

In addition, the Liquidating Trust has spent approximately $16.4 million in the implementation of the Plan (on an accrual basis), including the collection of outstanding accounts receivable, pursuing claims for underpayments against the health plans, pursuing reimbursement for COVID expenditures, pursuing litigation against SGM, Integrity, and Blue Mountain, and adjudicating and satisfying claims against the Estates. The Liquidating Trust anticipates it will spend an additional $1.8million of accrued funds, dependent on recoveries, to fulfill its remaining obligations under the Plan..

IV.

PENDING LITIGATION

The Liquidating Trust and the Liquidating Trustee were or are parties to three separate actions: (i) *Grobstein v. United States Trustee*, Case No. 2:21-cv-07371 (C.D. Cal.) (the "Trustee Fees Litigation"); (ii) *VHS Liquidating Trust v. MultiPlan Corp., et al*., Case No. CGC-21-594966 (San Francisco Cty. Sup. Ct.) (the "MultiPlan Litigation"); (iii) *VHS Liquidating Trust v. Blue Cross Blue Shield Association, et al*., Case No. RG21106600 (Alameda Cty. Sup. Ct.) (the "Blue Cross Litigation"); and (iv) *Rachel Oden v. Richard Adcock, et al*., Case No. 2:24-cv-07430-CV-RAO (the "Oden Complaint," and collectively, with the Trustee Fees Litigation, the Multiplan Litigation and the Blue Cross Litigation, the "Outstanding Litigation"). As set forth below, the status of the Outstanding Litigation is as follows:

On September 6, 2023, the Liquidating Trustee filed the Trustee Fees Litigation, seeking payment of approximately $9.8 million in allegedly overpaid quarterly fees to the Office of the United States Trustee (the "UST"). The UST requested a stay in October 2023, pending the decision of the United States Supreme Court in the case of *United States Trustee v. John Q. Hammons Fall 2006, LLC*. Oral argument occurred in *Hammons* on January 9, 2024. Based on the Supreme Court's decision in *Hammons*, the Liquidating Trustee filed a *Notice of Voluntary Dismissal Without Prejudice* on June 25, 2024.

DENTONS US LLP

The MultiPlan Litigation was filed in September 2021 in San Francisco County Superior Court alleging that MultiPlan's repricing tools for out-of-network services caused health plans that used MultiPlan's products to underpay providers such as Verity. The case was briefly stayed pending arbitration by the insurer defendants, who were subsequently dismissed by the Liquidating Trust after the parties entered into settlement agreements. On January 11, 2024, the Liquidating Trust filed its first amended complaint against the MultiPlan defendants, alleging that MultiPlan orchestrated an antitrust conspiracy in violation of California's Cartwright Act and Unfair Competition law. MultiPlan filed a demurrer which the trial court sustained without leave to amend on August 9, 2024. The Liquidating Trust filed a notice of appeal on October 14, 2024. *VHS Liquidating Trust v. MultiPlan Corp., et al*., Case No. A171914 (First Appellate Dt., Div. 3). The matter is fully briefed and the parties await the Court of Appeal setting a hearing date.

The Blue Cross Litigation was filed in Alameda County Superior Court in July 2021. The Liquidating Trust alleges that the defendant Blue Cross and Blue Shield health insurance companies violated the California Cartwright Act and California Unfair Competition Law, as well as other antitrust laws, by entering into unlawful agreements to reduce the reimbursements paid to healthcare providers, including Verity, and simultaneously forcing Verity and others to pay the defendants more to provide health insurance to their employees. On June 5, 2023, the court overruled the defendants' second demurrer and denied their second motion to strike. The parties completed fact discovery, including depositions, and the discovery cutoff was January 9, 2026. The parties are currently engaged in expert discovery, with a cutoff of August 21, 2026, and motions for summary judgment are due September 14, 2026. The trial date remains March 29, 2027.

On August 30, 2024, Rachel Oden, on behalf of herself and others similarly situated, filed a Class Action Complaint in the United States District Court for the Central District of California, Case No. 2:24-cv-07430-CV-RAO, amended January 31, 2025. Rachel Oden has named nine Directors and nine Committee Members (collectively, the "Defendants"). In her now First Amended Class Action Complaint (the "Oden Complaint"), Rachel Oden alleges that the Daughters of Charity Health System ("DOCHS") improperly operated the DOCHS pension and profit sharing plan (the "Pension Plan") as a "Church Plan" when it should have been an ERISA Plan, further

alleging that if the Pension Plan had been operated as an ERISA Plan, the Pension Plan would have been fully funded. Rachel Oden asserts that members of the Verity Board of Directors (the "Directors") and members of the Verity Health System Benefits Administration Committee (the "Committee Members") breached their fiduciary duties by failing to take action against the DOCHS, and Verity itself, relating to the alleged underfunding of the Pension Plan during the time it was operated by the DOCHS. More specifically, Rachel Oden asserts that the Directors and Committee Members should have sued the DOCHS on its alleged underfunding of the Pension Plan and/or should have sued Verity for Verity's alleged failure to fully fund the underfunded Pension Plan after Verity took over the Pension Plan.

All of the Defendants were served with the Oden Complaint. Defendants responded to the Complaint by filing on February 21, 2025 a *Motion For Referral Of Class Action Complaint To The United States Bankruptcy Court For The Central District Of California* (the "Referral Motion"), seeking referral of the case to the Bankruptcy Court. The Court took the Referral Motion under submission on April 8, 2024, then issued a decision on March 5, 2026 granting the Referral Motion, transferring the case to the Bankruptcy Court. On March 26, 2026, Defendant filed a *Motion For Dismissal Of The Amended Class Action Complaint In Accordance With F.R.C.P.12(b)(6)*, which is scheduled for hearing on May 26, 2026.

V.

ESTIMATED DATE OF FINAL DECREE

The Court confirmed the Plan fifty-five months ago. There remains outstanding litigation against various third parties that will continue through early 2027. Consequently, it is premature, at this point, to estimate a date of a final decree.
