EMERGENCY MOTION

Verity Health System of California, Inc. ("VHS"), and the above-referenced affiliated debtors, the Debtors and Debtors in possession (the "Debtors") in the above-captioned chapter 11 cases (the "Cases"), hereby move, on an emergency basis (the "Motion"), pursuant to §§ 105(a), 361, 362, 363, 364 and 507 of title 11 of the United States Code, 11 U.S.C. §§ 101 *et seq.* (the "Bankruptcy Code"), Rules 2002, 4001 and 9014 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), and Rule 4001-2 of the Local Bankruptcy Rules of the United States Bankruptcy Court for the Central District of California ("LBR") for entry of an interim order (substantially in the form attached hereto as **Exhibit A**, the "Interim Order") and a final order (the "Final Order" and together with the Interim Order, the "DIP Orders") (i) authorizing the Debtors to enter into a senior secured, superpriority debtor in possession financing facility with Ally Bank, a subsidiary of Ally Financial, Inc. (the "DIP Lender"),[2] in an (a) interim amount not to exceed $30,000,000 and only as needed to avoid immediate and irreparable harm, and (b) after a final hearing, an amount up to total lending of not more than $185,000,000 (as amended, modified or otherwise in effect from time to time, the "DIP Facility"), substantially on the terms set forth in the Declaration of Anita M. Chou, Chief Financial Officer of VHS ("Chou Decl.") filed in Support of this Motion and the *Debtors In Possession Revolving Credit Agreement*, attached as **Exhibit "1"** to the proposed Interim Order (as amended, supplemented, or otherwise modified and in effect from time to time, the "DIP Credit Agreement,"[3] and together with all other agreements, documents, notes, certificates, and instruments executed and/or delivered with, to or in favor of the DIP Lender, the "DIP Financing Agreements"), and (c) granting the DIP Liens and the DIP Superpriority Claims (in each case, as defined below); (ii) authorizing the interim use of Cash Collateral (as defined below) on the terms set forth in the Interim Order; (iii)

[2] Ally Bank is an FDIC insured bank, originally formed in 2000 as GMAC Bank, and renamed Ally Bank 2009. More information on Ally Bank is available at https://www.aally.com

granting "adequate protection" to the holders of the California Statewide Communities Development Authority Revenue Bonds (Daughters of Charity Health System) Series 2005 A, G and H ("2005 Bonds"),[4] the holders of the California Public Finance Authority Revenue Notes (Verity Health System) Series 2015 A, B, C, and D and Series 2017 A and B (collectively, the "Working Capital Notes" and together with the 2005 Bonds, the "MTI Obligations")[5] and MOB Financing LLC and MOB Financing II LLC as holders of security interests in Verity Holdings prepetition accounts, including rents arising from the prepetition MOB Financing (described below) in the form of Adequate Protection Payments and Replacement Liens, each as defined in the Chou Decl.; (iv) modifying the automatic stay as imposed by § 362 of the Bankruptcy Code to the extent necessary to implement and effectuate the terms of the DIP Facility and the DIP Orders; and (v) scheduling an interim hearing to approve the proposed Interim Order and a final hearing with respect to the relief requested herein (the "Final Hearing").

SUMMARY OF REQUESTED RELIEF

This Motion is necessary to avoid immediate and irreparable harm because the bulk of the Debtors' income is subject to a prepetition perfected pledge on the gross revenue of their six operating hospitals (the "Gross Revenue Pledge") in favor of the MTI Obligations and their prepetition accounts and government receivables are subject to a senior perfected collateral pledge (the "Accounts Pledge") in favor of the Working Capital Notes. The Master Trustee, on behalf of the holders of the MTI Obligations, expressly agreed to subordinate the Gross Revenue Pledge to the Accounts Pledge. In addition, the assets, revenues and accounts for various income generating medical buildings owned by Verity Holdings, LLC ("Holdings") are the subject of prepetition deeds of trust and perfected pledges of accounts, including lease rents. Although the Debtors' operating cash is held in bank accounts that are not the subject of control agreements, all

[4] UMB Bank, N.A. ("UMB") serves as successor Master Trustee under the Master Indenture of Trust dated as of December 1, 2001, as supplemented (the "Master Indenture"), between the Obligated Group and the Master Trustee. The Series 2005 Bonds and Working Capital Notes were issued as Obligations under the Master Indenture.

[5] U.S. Bank National Association ("U.S. Bank") serves as the Collateral Agent and Note Trustee for the Working Capital Notes.

of the Debtors' Obligated Group revenue based receipts pass through Lockboxes[6] and Gross Revenue Accounts that are the subject of control agreements in favor of the prepetition Note Trustee. *See* Chou Decl., at ¶ 10.

The Debtors have continually lost money since well before completion of the VHS reorganization of the Daughters of Charity Health System in 2015. *See* Declaration of Richard G. Adcock In Support of Emergency First-Day Motions [Docket No. 8, at 21-25]. The Debtors sought alternative DIP financing from a number of prospective asset purchasers, traditional distressed credit lenders and identified major holders of their existing secured debt. As described in the Chou Decl., all of the parties who expressed interest offered less financing than the Debtors initially sought and all insisted upon a prompt sales process to dispose of all or substantially all of their assets under §§ 363 and 365 of the Bankruptcy Code. The DIP Lender with the most reasonable terms and providing the greatest additional liquidity was Ally Bank. The proposed DIP Lender is not affiliated with the Debtors, and is neither an existing Prepetition Secured Lender nor a proposed "stalking horse" bidder for any of the Debtors' assets.

In further support of the Motion, the Debtors rely upon and refer this Court to the Declarations of Rich Adcock, CEO of VHS ("Adcock Decl." or "First Day Decl.**")** in Support of the First Day Motions as well as the Chou Decl.

ADDITIONAL INFORMATION

The Motion is based on the Notice of Emergency Motions that will be filed and served after obtaining a hearing date for the Debtors' "First Day Motions," the attached Memorandum of Points and Authorities, the Chou Decl., the arguments of counsel and other admissible evidence properly brought before the Court at or before the hearing on this Motion. In addition, the Debtors request that the Court take judicial notice of all documents filed with the Court in this Case.

The Debtors will serve this Motion, the attached Memorandum of Points and Authorities,

[6] Each of the account Obligated Group Debtors has their own Lockbox and Gross Revenue Account, both of which are subject to control agreements in favor of UMB Bank as Master Trustee and/or U.S. Bank as Note Trustee for the MTI Obligations and Working Capital Notes, respectively.

the Adcock Declaration and Notice of Emergency Motions on: (i) the U.S. Trustee, (ii) all alleged secured creditors, (iii) the United States of America and the State of California, (iv) the fifty largest general unsecured creditors appearing on the list filed in accordance with Rule 1007(d) of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), (v) any parties requesting special notice, (vi) the DIP Lender, the DIP Agent and their counsel, and (vii) the Prepetition Secured Creditors and their counsel. To the extent necessary, the Debtors request that the Court waive compliance with LBR 9075 1(a)(6) and approve service (in addition to the means of service set forth in such LBR) by overnight delivery. Among other things, the Notice of Emergency Motions will provide that any opposition or objection to the Motion may be presented at any time before or at the hearing regarding the Motion, but that failure to timely object may be deemed by the Court to constitute consent to the relief requested herein. In the event that the Court grants the relief requested by the Motion, the Debtors shall provide notice of the entry of the order granting such relief upon each of the foregoing parties and any other parties in interest as the Court directs. The Debtors submit that such notice is sufficient and that no other or further notice be given.

WHEREFORE, the Debtors respectfully request entry of an order (i) granting the relief requested herein; and (ii) granting the Debtors such other and further relief as the Court deems just and proper.

Verity Holdings, LLC ("Holdings"), is a direct subsidiary of its sole member VHS and was created in 2016 to hold and finance VHS' interests in six medical office buildings whose tenants are primarily physicians, medical groups, healthcare providers, and certain of the VHS Hospitals. Holdings' real estate portfolio includes over 30 properties. Holdings is the borrower on approximately $66 million of non-recourse financing secured by separate deeds of trust and revenue and accounts pledges, including the rents on each medical office building.[7]

7. O'Conner Hospital Foundation, Saint Louise Regional Hospital Foundation, St. Francis Medical Center of Lynwood Foundation, St. Vincent Medical Center Foundation, and Seton Medical Center Foundation handle fundraising and grant-making programs for each of their respective Debtor Hospitals.

8. As of August 31, 2018, the Debtors have approximately 7,385 employees, of whom 4,733 are full-time employees. Approximately 78% of these employees are represented by collective bargaining units. A majority of the employees are represented by collective bargaining

[7] In addition, certain real property of Holdings located on Moss Boulevard on San Mateo County has been pledged as collateral for repayment of the Series 2017 Notes pursuant to a Deed of Trust.

with Service Employees International Union (approximately 40% of employees) and California Nurses Association (approximately 23% of employees).

9. Each of the Debtors are exempt from federal income taxation as an organization described in section 501(c)(3) of the Internal Revenue Code of 1986.

10. To date, no official committee or examiner has been appointed by the Office of the United States Trustee in these Cases.

B. Historical Challenges.

11. The Hospitals and VMF were originally owned and operated by the Daughters of Charity of St. Vincent de Paul, Province of the West (the "Daughters of Charity"), to support the mission of the Catholic Church through a commitment to the sick and poor. The Daughters of Charity began their healthcare mission in California in 1858 and they ministered to ill, poverty-stricken individuals for more than 150 years. In March 1995, the Daughters of Charity merged with Catholic Healthcare West ("CHW"). In June 2001, Daughters of Charity Health System ("DCHS") was formed, and in October 2001, the Daughters of Charity withdrew from CHW. In 2002, DCHS commenced operations and was the sole corporate member of the Hospitals, which at that time were California nonprofit religious corporations.

12. Between 1995 and 2015, the Daughters of Charity and DCHS struggled to find a solution to continuing operating losses, either through a sale of some or all of the hospitals or a merger with a more financially sound partner. All these efforts failed. During these efforts, however, the health system's losses continued to mount, and the health system borrowed more than $500 million – including through a 2008 bond issuance (the "2008 Bonds") – to fund operations, acquire assets, fund needed capital improvements and/or refinance existing debt.

13. Despite continuous efforts to improve operations, operating losses continued to plague the hospital system due to, among other things, mounting labor costs, low reimbursement rates and the ever-changing healthcare landscape. In 2013, DCHS actively solicited offers for O'Connor Hospital, St. Louise Regional Hospital, Seton Medical Center and Seton Medical Center Coastside. In 2013, to avoid failing debt covenants, the Daughters of Charity Foundation,

an organization separate and distinct from DCHS, donated $130 million to DCHS to allow it to retire the 2008 Bonds in the total amount of $143.7 million

14. In early 2014, DCHS announced that they were beginning a process to evaluate strategic alternatives for the health system. Throughout 2014, DCHS explored offers to sell their hospital system and, in October of 2014, they entered into an agreement with Prime Healthcare Services and Prime Healthcare Foundation (collectively, "Prime") to sell the system. However, to keep the hospitals open, DCHS, needed to borrow another $125 million to mitigate immediate cash needs during the sales process; in other words, to allow it to continue to operate until the sale could be consummated. In early 2015, the California Attorney General consented to the sale to Prime, but imposed conditions on that sale that were so onerous – at least from Prime's perspective – that Prime terminated the transaction.

15. In 2015, DCHS again marketed their health system for sale, and, again, focused on offers that maintained the health system as a whole, and assumed all the obligations. In July 2015, the DCHS Board of Directors selected BlueMountain Capital Management LLC ("BlueMountain"), a private investment firm, to recapitalize its operations and transition leadership of the health system to the new Verity Health System (the "BlueMountain Transaction").

16. In connection with the BlueMountain Transaction, BlueMountain agreed to make a capital infusion of $100 million to the hospital system, arrange loans for another $160 million to the health system, and manage operations of the health system, with an option to buy it. In addition, the parties entered into a System Restructuring and Support Agreement (the "Restructuring Agreement"), DCHS's name was amended to Verity Health Sysem, and Integrity Healthcare, LLC ("Integrity") was formed to carry out the management services under a new management agreement.

17. On December 3, 2015, the California Attorney General approved the BlueMountain Transaction, subject to conditions. Despite BlueMountain's infusion of cash and retention of various consultants and experts to assist in improving cash flow and operations, the health system did not prosper. Finally, in July 2017, NantWorks, LLC ("NantWorks") acquired a

controlling stake in Integrity. NantWorks brought in a new CEO, CFO, and COO. NantWorks invested or loaned another $148 million into the system. Despite the infusion of capital and new management, it became apparent that the problems facing the Verity Health System were too large to solve without a formal court supervised restructuring.

18. In sum, despite VHS' great efforts in the last couple of years to revitalize its Hospitals and improvements in performance and cash flow, the legacy burden of more than a billion dollars of bond debt and unfunded pension liabilities, an inability to renegotiate collective bargaining agreements or payor contracts, the continuing need for significant capital expenditures for seismic obligations and aging infrastructure, and the general headwinds facing the hospital industry, make success impossible. Losses continue to amount to approximately $175 million annually on a cash flow basis.

19. Additional background facts on the Debtors, including an overview of the Debtors' business, information on the Debtors' debt structure and information on the events leading up to the Cases, are contained in the Declaration of Richard Adcock.

C. Facts Relevant to this Motion: Capital Structure and Need for Additional Financing

20. VHS, Verity Business Services ("VBS") and VHS's five acute care hospital subsidiaries, and one operating division (the "Hospitals") are jointly obligated parties on approximately $461.4 million in outstanding principal amount of secured debt consisting of: (a) $259.4 million in outstanding principal amount of tax exempt revenue bonds, Series 2005 A, G and H issued by the California Statewide Communities Development Authority (the "2005 Bonds"), which loaned the bond proceeds to VHS to provide funds for capital improvements and to refinance certain tax exempt bonds previously issued in 2001 by the Daughters of Charity Health System, a religious enterprise and VHS's reorganization predecessor, and (b) $202 million in outstanding principal amount of tax exempt revenue notes, Series 2015 A, B, C, and D and Series 2017 issued by the California Public Finance Authority, which loaned the proceeds to VHS to provide working capital (the "Working Capital Notes"). Wells Fargo Bank, N.A. ("Wells Fargo") is the Bond Trustee and UMB Bank National Association ("UMB Bank") is the

successor Master Trustee and for the prepetition secured 2005 Bonds. U.S. Bank, National Association ("U.S. Bank") is the Note Trustee and also the Collateral Agent for the Working Capital Notes. *See* Chou Decl. at ¶ 4.

21. Except for the taxable Series 2015C Working Capital Notes, the MTI Obligations are all tax exempt, meaning interest on the bonds is not taxable to the holders so long as the issuer maintains its qualified tax exempt status and the proceeds of the bonds were used for the tax exempt purposes for which they were originally intended. The Series 2005 A Bonds are comprised of four term bonds maturing on July 1, 2024, 2030 and 2035 bearing interest at 5.75% (Series 2005A-2024), (Series 2005A-2030), (Series 2005A-2035) and one maturing July 1, 2039 bearing interest at 5.50% (Series 2005A-2039). The Series 2005G term bond matures on July 1, 2022 and bears interest at 5.50%. The Series 2005H- term bond matures on July 1, 2025 and bears interest at 5.75%. The Working Capital Notes mature on June 10, 2019 (Series 2015A, Series 2015B, Series 2015C and Series 2015D) and on December 10, 2020 (Series 2017A, 2017B). Series 2015A and B and Series 2017 and 2017B bear interest at 7.25%, while the Series 2015D carries an 8.75% interest rate and Series 2015C accrues interest at 9.5%. *See* Chou Decl. at ¶ 5.

22. Holdings, a direct subsidiary of its sole member Verity, was created in 2016 to hold and finance Verity's interests in six medical office buildings whose tenants are primarily physicians, medical groups and certain of the Verity Hospitals. Holdings' real estate portfolio includes over 30 properties, including, but not limited to, apartment buildings, parking lots, condominiums. Holdings is the borrower on approximately $66 million on two series of non-recourse financing secured by separate deeds of trust, revenue and accounts pledges, including lease rents on each medical building (collectively "MOB Financing"). The MOB Financings bear interest at a variable interest rate equal to One Month LIBOR plus a spread of 5.0% with a floor of 6.23%. The secured lenders for the MOB Financings are affiliates of NantWorks, LLC, which is an affiliate of the Debtors' prepetition manager, Integrity Healthcare, LLC ("Integrity"). *See* Chou Decl., at ¶ 6.

23. During September 2017, the California Statewide Communities Development Authority issued $20 million of limited obligation tax exempt bonds pursuant to the CaliforniaFIRST Clean Fund Program in five series all with the same maturity date of September 2, 2047 (the "Clean Fund Bonds") as the conduit issuer for the benefit and obligation of Verity. The purpose of the bond funding was to assist with clean energy construction efforts of the Seton Medical Center and are secured by Seton Medical Center's voluntary agreement to special tax assessments by Daly City. No other Debtor is liable for repayment of the Clean Fund Bonds. Wilmington Trust National Association ("WTNA") is the Trustee holding the construction funds, and a pre-funded capitalized interest fund and is the collateral agent for collection of the special tax assessments for use in paying interest and principal on the Clean Fund Bonds. Interest on the Clean Fund Bonds accrues at 6.4%. The special assessment runs for a period which is the shorter of 30 years or the early full defeasement of the Clean Fund Bonds. *See* Chou Decl. at ¶ 7-8.

24. Also in September 2017, The California Statewide Communities Development Authority operating under the CaliforniaFIRST Program issued a single series $20 million of limited obligation California 30 year tax exempt bonds for the purpose of seismic improvement construction at Seton Medical Center ("NR2 Petros Bonds"). The NR2 Petros Bonds also mature on September 2, 2047, but carry an interest rate of 6.45%. The NR2 Petros Bonds are also California tax exempt and are secured by a special Daly City tax assessment on Seton Medical Center property. No other Debtor is liable for repayment of the NR2 Petros Bonds. The special assessment runs for a period which is the shorter of 30 years or the early full defeasement of the NR2 Petros Bonds. WTNA is the Trustee holding the seismic improvement funds, as well as a pre-funded interest payment fund. *See* Chou Decl., at ¶ 8.

25. NantCapital also provided $40 million of unsecured debt financing for Verity as reflected in two $20 million unsecured notes dated March 7, 2018 and March 29, 2018 (the "Unsecured Notes"). The Unsecured Notes are balloon notes with interest and principal payable at maturity in 2020 and carry annual compounded interest rates of 7.25%. *See* Chou Decl., at ¶ 9.

D. Current Circumstances and Access to Cash

26. As explained above, virtually all the Debtors' income is subject to prepetition perfected pledges. The gross revenue of the Debtors' five hospital corporations are subject to a pledge (the "Gross Revenue Pledge") in favor of the MTI Obligations, and their prepetition accounts and government receivables are subject to a senior perfected collateral pledge (the "Accounts Pledge") in favor of the Working Capital Notes. Pursuant to the terms of a certain Amended and Restated Intercreditor Agreement dated September 1, 2017 (the "Intercreditor Agreement"), the Master Trustee acting on behalf of the MTI Obligations expressly agreed to subordinate of its liens, including the Gross Revenue Pledge, to the Accounts Pledge in favor of the holders of the Working Capital Notes. In addition, the assets, revenues and accounts for various income generating medical buildings owned by Verity Holdings, LLC are the subject of prepetition deeds of trust and perfected pledges of accounts, including lease rents. Although, the Debtors' operating cash is held in bank accounts that are not the subject of control agreements and are unsecured, all of the Debtors' revenue based receipts are pass through Lockboxes and Gross Revenue Accounts that are the subject of control agreements in favor of the prepetition collateral agent, U.S. Bank. *See* Chou Decl., at ¶ 10.

27. As explained in the First Day Declaration by Rich Adcock, and the Chou Declaration, the Debtors have consistently lost money for many years due to, among other things, unfavorable payor contracts and burdensome labor agreements with accelerating pension costs for represented and un-represented employees. The VHS Hospitals also are dramatically under invested in structural improvements necessary to meet California's state mandated seismic and clean energy requirements. The combined effect of these issues has resulted in a consistent decline in operating cash balances absent additional financing. *See* Chou Decl., at ¶ 11.

28. In addition, the Debtors have immediate needs for access to debtor in possession financing. The Debtors have substantial trade payables consistent with the operations of a large organization that receives substantial trade support in the form of traditional credit terms. While the length of terms has begun to shorten as the trade balances grow, financial and capital markets advisers from the Berkley Research Group ("BRG") and Cain Brothers, a division of KeyBanc

Capital Markets ("Cain"), believe that that the Debtors will have access to normal or near normal unsecured credit terms provided that the Debtors have access to substantial liquidity in the form of postpetition term loan financing.

29. During this time allocated to reorganizing the Debtors' business, the Debtors require additional cash as well as the use of cash proceeds of accounts and government receivables that comprises the collateral of the existing Prepetition Secured Creditors[8] securing the Prepetition Debt within the meaning of § 363(a) of the Bankruptcy Code (the "Cash Collateral"),[9] and the proceeds of the proposed DIP Facility, mainly to fund day-to-day operations and maintain and preserve the value of the Debtors' business (including the Prepetition Collateral), pending the Debtors' sale of all or substantially all their assets for the benefit of the Debtors' estate and creditors, including the Prepetition Secured Creditors. The availability to the Debtors of sufficient working capital and liquidity to finance their operations is vital to their ability to maintain such operations and is necessary for the preservation of the value of the estates as a whole, pending the contemplated sale.

30. As of the filing date, the Debtors expect to have less than $40 million of cash on hand that is not subject to control accounts in favor of either the MTI Obligations, the Working Capital Notes or the MOB Financings, and excluding cash held by WTNA for the Clean Fund Bonds or the NR2 Petros Bonds. However, the Debtors expect to spend approximately $113 million during the first four weeks of the case and operating cash losses for the same four weeks

[8] As described in the Chou Decl. at ¶¶ 4-6, the secured creditors as of the petition date are: the 2005 Bonds, the Working Capital Notes, the MOB Financing, the Clean Bonds and the NR2 Petros Bonds. Referring to the Prepetition Secured Creditors in this way is not an attempt to waive any rights of an unsecured creditors committee to review and determine whether that these parties, in fact, have non avoidable valid, enforceable prepetition security interests in the Debtors' assets; and the Debtors expressly reserve all rights with regard to those issues. As described in the Chou Decl. at ¶21, filed in support of the Motion, the estimated total amount owed to the Prepetition Secured Creditors is approximately $568,000,000 secured by liens on virtually all the Debtors' assets (the "Prepetition Liens"), excluding cash held by the trustees of the secured debt.

[9] Section 363(a) of the Bankruptcy Code defines "cash collateral" as: "cash, negotiable instruments, documents of title, securities, deposit accounts, or other cash equivalents whenever acquired in which the estate and an entity other than the estate have an interest and includes the proceeds, products, offspring, rents, or profits of property . . . subject to a security interest as provided in section 552(b) of this title, whether existing before or after the commencement of a case under this title." 11 U.S.C. § 363(a).

are expected to exceed $11 million. Such expenditure and negative cash flow (the "burn") does not include critical vendors payments, adequate protection payments to prepetition secured lenders, pension contributions or needed capital expenditures. Although the Debtors anticipate having in excess of $219 million in net accounts receivable on hand at the Petition Date and expect to generate approximately $80 million in new postpetition receivables over the first four week period, U.S. Bank as Note Trustee for the obligated group Working Capital Notes has taken the position that all of the postpetition receipts for the near term are the proceeds of prepetition and/or postpetition accounts and government receivables constituting priority collateral for the Working Capital Notes. As a result, in order to survive the opening phases of the Chapter 11 cases and beyond, the Debtors must obtain access to prepetition cash collateral by stipulation or order of this Court.

31. As a result of the above circumstances, the Debtors seek authority during the interim period, and pursuant to the terms of the Interim Order, to use Cash Collateral. The Debtors further seek authority to borrow up to $30,000,000 under the proposed term loan DIP Facility during the interim period, and up to an additional $155,000,000 following entry of the Final Order.

32. The terms of the DIP Facility are the result of a wide ranging market exploration by the Debtors and their professionals. In July 2018, Cain, acting as investment advisers to the Debtors, began to search alternative transactions including new investors. Beginning the week of July 23, Cain expanded its efforts to include possible debtor in possession ("DIP") financing. Cain has reached out to over 110 potential buyers and 16 DIP financing parties; 51 potential buyers and 8 DIP financing parties signed confidentiality agreements. The Debtors have also consulted with certain existing holders of the 2005 Bonds and the Working Capital Notes and the MOB Financings to gauge their interest in postpetition term loans and consents to the use of cash collateral. The combined searches yielded 11 indications of interest from potential buyers and 4 offers for debtor in possession financing, including the one firm proposal being put forward through the Debtors. A summary of principal terms expressly agreed by Ally Bank as DIP

Lender and DIP Agent is and described below under Section V, and a copy of the currently proposed form of DIP Credit Agreement is attached to the Chou Declaration as **Exhibit 2**.

33. As discussed more fully below, the Debtors propose to secure their obligations under the DIP Facility by, among other things, granting to the DIP Lender under the DIP Facility first priority priming liens on, and security interests in, substantially all of the Debtors' assets, with certain exceptions and, in each case, subject to the "Carve Out," as defined and described more fully below. The DIP Facility and the DIP Orders also provide the DIP Lender with allowed superpriority administrative expense claims.

34. The DIP Credit Agreement and the DIP Orders provide for, among other things, agreed budgetary constraints on the use of Cash Collateral and the proceeds of the DIP Facility. The proceeds of the DIP Facility will provide liquidity for up to 12 months to fund the chapter 11 Cases.

35. The Prepetition Secured Creditors are provided adequate protection through an "equity cushion" in their collateral, and, under the proposed DIP Orders solely to the extent of any diminution in the value of their respective interests in the Prepetition Collateral resulting from, among other things, the subordination to the Carve Out (as defined herein) and to the DIP Liens (as defined herein), the Debtors' use sale or lease of such Prepetition Collateral, including Cash Collateral, and the imposition of the automatic stay from and after the Petition Date (collectively, and solely to the extent of such diminution in value, the "Diminution in Value") as more fully set forth in the DIP Orders (and subject to the Carve Out and the Debtors' preserved rights pursuant to § 506(c) of the Bankruptcy Code), in the form of replacement security interests in and liens on substantially all of the Debtors' assets and property (with certain exclusions) and superpriority claims (in each case, in accordance with their relative priorities, and junior and subject to the liens and superpriority claims granted to the DIP Lender). If the Debtors are unable to obtain approval of the use of Cash Collateral and the DIP Facility, their ability to reorganize will be jeopardized, substantially reducing recoveries to all creditors. Entry of the Interim Order and, after the requisite notice and the Final Hearing, the Final Order is therefore (a) critical to the Debtors' ability to preserve and maximize the value of their assets in a sale of substantially all of

their assets under § 363 of the Bankruptcy Code, (b) in the best interests of the Debtors and their estates, and (c) necessary to avoid irreparable harm to the Debtors, their creditors and their assets, business, goodwill, reputation and employees. Furthermore, access to the Cash Collateral and the proceeds under the DIP Facility is necessary to avoid immediate and irreparable harm to the value of the Debtors' assets pending the sales. The Debtors, therefore, respectfully request that this Motion be granted.

38. As discussed more fully below, the provisions of the DIP Credit Agreement are all justified under the circumstances of these Cases. Prepetition, the Debtors were unable to obtain financing on more favorable terms from sources other than Ally Bank. The DIP Lender has agreed to lend $185 million, but would not do so without the protections and priorities sought in this Motion. Without such financing, the Debtors' ability to provide patient care and ultimately reorganize and/or consummate the sale of all of their assets will be severely jeopardized. The Debtors thus respectfully submits that the facts and circumstances of these Cases demonstrates

that the above-described provisions, which are set forth in greater detail below, are necessary and appropriate and should be authorized and approved by this Court.

IV. BACKGROUND

39. On August 14, 2018, (the "Petition Date"), the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors continue to operate their businesses and manage their property as Debtors in possession pursuant to §§1107(a) and 1108 of the Bankruptcy Code.

40. Additional background facts on the Debtors, including an overview of the Debtors' business, information on the Debtors' corporate structure, information on the Debtors' debt structure and information on the events leading up to the commencement of these Cases is contained in the Rich Adcock Declaration filed in support of the First Day Motions and the Chou Decl. contemporaneously filed in support of this Motion.

41. Additionally, the Debtors have agreed to promptly begin a process to sell certain of their assets at an auction or auctions under § 363 of the Bankruptcy Code, each sale to occur through use of "stalking horse" bidder or a private sale subject to approval by the Court.

V. JURISDICTION

42. This Court has jurisdiction to consider this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

VI. RELIEF REQUESTED

43. By this Motion, the Debtors seeks entry of the DIP Orders, *inter alia*:

DIP Credit Agreement, and approving the form of notice with respect to the Final Hearing; and

(ix) waiving any applicable stay (including under Bankruptcy Rule 6004) and providing for the immediate effectiveness of the DIP Orders.

VII. BASIS FOR RELIEF

A. The Debtors' Need for Financing and Use of Cash Collateral

44. As indicated above, the financing requested herein is being requested for up to 12 months or the duration of these reorganization cases. The Debtors' believe the eleven month time frame is the necessary period of time to facilitate the successful operation of the Hospitals in the hands of new owners, given their history and projection of continuing operating losses until all of the Debtors' major assets have been sold. The Debtors see little to no prospect of a reorganization as a not-for-profit enterprise that is self-sustaining on a cash flow basis and capable of supporting a capital structure sufficient to service the required capital improvements needed to provide a safe and efficient hospital and medical services delivery system that effective, safe and efficient for the benefit of the communities it may serve. Despite the proposed expedited term of these Cases, however, such financing is critical to the Debtors' operation and their ability to preserve the value of the assets pending the auction and approval of a sale. The proposed financing under the DIP Facility is needed to maintain an appropriate level of liquidity and help fund the Debtors' day-to-day operations.

45. The Debtors require sufficient liquidity during these Cases to fund working capital and general corporate requirements for essential, day-to-day operations to ensure continuity of patient care, to preserve and maintain the value of the Debtors' assets (including the Prepetition Collateral). The Debtors also need additional cash to fund the formal reorganization process in an manner consistent with the Debtors' receivables and payables balances, all in accordance with the Initial Agreed Budget for the benefit of the estate and creditors, including the Prepetition Secured Creditors.

46. The Debtors requires the immediate use of cash on hand, the DIP Facility, and other income generated from their commercial activities in order to maintain the quality of patient

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

care and the day-to-day business operations, and to pay employees and vendors on a timely basis pending transition of timely control over the Hospitals to new parties, if necessary, by sales of the Debtors' assets outside of the plan process. Absent such relief from the Court, the Debtors will not have sufficient liquidity to ensure uninterrupted business operations -- which could affect patient care -- and will suffer a substantial loss of asset value to the detriment of all parties in interest. It is therefore critical that the Debtors have the initial $30 million of the DIP Facility in place on an interim basis in order to ensure that the Debtors have enough cash to maintain patient care services and to maintain their healthcare and to assure adequate trade credit to prevent accelerating cash losses during operation. It is also obviously critical that the Debtors be able to demonstrate to their staff, vendors, and patients that the Hospital will continue to provide high quality patient care, and to function without interruption and that the Debtors will continue to pay vendors in the ordinary course of business. Absent such a showing—and in the event of any interruption or delay in the business—the Debtors' patients could suffer and staff will likely pursue opportunities with competitors, which would cripple the Debtors' business.

47. The interests of the Prepetition Secured Creditors will be protected and enhanced by the Debtors' use of Cash Collateral and the DIP Facility because such relief will ensure the uninterrupted operation of the Debtors' hospitals and operations that secure the Prepetition Secured Creditors claims, thus protecting the Debtors' revenue streams and protecting the going concern value of the Debtors. In the absence of approval of the DIP Facility, the Debtors' patients, for whom time is of the essence, would likely discontinue seeking treatments with the Debtors if the Debtors' business operations were halted, even briefly, and the Debtors were unable to timely fulfill their medical obligations. The DIP Facility is critical to the Debtors' ability to continue to provide patient care and maintain supportive business functions during the chapter 11 process. Moreover, employees, doctors and patients will expect the Debtors to have more than ample access to liquidity in order to continue patient care services and other business operations.

48. The ability of the Debtors to finance their business operations and the availability to the Debtors of sufficient working capital and liquidity is vital to their ability to continue

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

providing needed patient care services. If the Debtors are unable to obtain such financing and to use Cash Collateral for such purposes, the recoveries to all creditors, including the Prepetition Secured Creditors, would be greatly reduced because the value of the Debtors' estate would decline dramatically. Entry of the Interim Order is therefore (i) critical to the Debtors' ability to succeed in their plan to transition ownership and control of the Hospitals into stronger hands freed from legacy liabilities pursuant to the Bankruptcy Code, (ii) in the best interests of the Debtors and their estates, and (iii) necessary to avoid irreparable harm to the Debtors, their patients, their creditors, and their assets, business, goodwill, reputation and employees.

B. The Debtors' Entry into the DIP Facility Is Authorized Under § 364 of the Bankruptcy Code

49. Section 364 of the Bankruptcy Code gives bankruptcy courts the power to authorize post-petition financing for a chapter 11 debtors in possession. *See In re Defender Drug Stores. Inc.*, 126 B.R. 76, 81 (Bankr. D. Ariz. 1991), *aff'd.*, 145 B.R. 312 (B.A.P. 9th Cir. 1992).

50. Bankruptcy courts have the power to authorize secured postpetition financing under § 364 of the Bankruptcy Code, which provides, in pertinent part, as follows:

> (c) If the [Debtors in possession] is unable to obtain unsecured credit allowable under section 503(b)(1) of this title as an administrative expense, the court, after notice and a hearing, may authorize the obtaining of credit or the incurring of debt -
>
> (1) with priority over any or all administrative expenses of the kind specified in section 503(b) or 507(b) of this title;
>
> (2) secured by a lien on property of the estate that is not otherwise subject to a lien; or
>
> (3) secured by a junior lien on property of the estate that is subject to a lien.
>
> (d)(1) The court, after notice and a hearing, may authorize the obtaining of credit or the incurring of debt secured by a senior or equal lien on property of the estate that is subject to a lien only if
>
> (A) the [Debtors in possession] is unable to obtain such credit otherwise; and
>
> (B) there is adequate protection of the interest of the holder of the lien on the property of the estate on which such senior or equal lien is proposed to be granted.

11 U.S.C. § 364(c)-(d)(1).

51. "Having recognized the natural reluctance of lenders to extend credit to a company in bankruptcy, Congress designed [section] 364 to provide 'incentives to the creditor to extend post-petition credit.'" *Defender Drug Stores,* 126 B.R. at 81 (quoting *Unsecured Creditors' Comm. v. First Nat'l Bank & Trust Co. of Escanaba (In re Ellingsen MacLean Oil Co.),* 834 F.2d 59, 603 (6th Cir. 1987). *cert. denied,* 488 U.S. 817 (1988)). The incentives enumerated in § 364 are not intended to be an exhaustive list of the inducements that a court may grant. *Id.* In fact, it is not uncommon for a court to approve a lending arrangement containing terms that far exceed those authorized by § 364. *Id.*

52. Generally, courts apply a three-part test to determine whether a Debtors in possession may obtain credit under § 364(c) of the Bankruptcy Code. Under such test, the Debtors may incur postpetition financing under the DIP Facility pursuant to § 364(c) if it demonstrates that (a) it cannot obtain credit unencumbered or without superpriority status, (b) the DIP Facility is necessary to preserve the assets of their estates, and (c) the terms of the DIP Facility are fair, reasonable and adequate given the circumstances of the Debtors, as Borrower, and the proposed lenders. *See In re Crouse Group. Inc.*, 71 B.R. 544, 549-50 (Bankr. E.D. Pa. 1987); *and In re Aqua Assocs.*, 123 B.R. 192, 195-96 (Bankr. E.D. Pa. 1991).

53. In addition, § 364(d)(1) of the Bankruptcy Code authorizes a debtor in possession to incur superpriority senior secured or "priming" liens if (a) the debtor is unable to obtain financing from another source, and (b) the interests of the secured creditors whose liens are being primed by the postpetition financing are adequately protected. 11 U.S.C. § 364(d)(1); *see also Aqua Assocs.*, 123 B.R. at 196. Additionally, consent to priming by the prepetition secured creditors obviates the need to show adequate protection. *See Anchor Sav. Bank FSB v. Sky Valley. Inc.*, 99 B.R. 117, 122 (N.D. Ga. 1989) ("[B]y tacitly consenting to the superpriority lien, those [undersecured] creditors relieved the Debtors of having to demonstrate that they were adequately protected."). Accordingly, the Debtors may incur "priming" liens under the DIP Facility if it is unable to obtain unsecured or junior secured credit and either (i) the prepetition secured creditors have consented or (ii) their interests in the collateral are adequately protected.

LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

54. Against this statutory backdrop, courts will evaluate the facts and circumstances of a debtor's case and accord significant weight to the necessity for obtaining the financing. *See, e.g., In re Ames Dep't Stores. Inc.*, 115 B.R. 34, 40-41 (Bankr. S.D.N.Y. 1990). Debtors in possession are generally permitted to exercise their business judgment consistent with their fiduciary duties when evaluating the necessity of proposed protections for a party extending credit under § 364 of the Bankruptcy Code. *Id.* at 38.

(1) The Debtors are Unable to Obtain Unsecured or Junior Secured Credit

55. To show that the credit required is not obtainable on an unsecured basis, the Debtors need only demonstrate "by a good faith effort that credit was not available" without the protections afforded to potential lenders by § 364(c) or (d) of the Bankruptcy Code. *Bray v. Shenandoah Fed. Sav. & Loan Ass'n (In re Snowshoe Co.)*, 789 F.2d 1085, 1088 (4th Cir. 1986); *see also Anchor Sav. Bank*, 99 B.R. at 120 n.4 (noting that the Debtors satisfied the requirement of § 364(d) by "approach[ing] all lenders reasonably likely to be willing to make a junior or unsecured loan"); *Ames*, 115 B.R. at 37-40 (Debtors in possession must show that it has made a reasonable effort to seek other sources of financing under §§ 364(a) and (b) of the Bankruptcy Code). Thus, "[the] statute imposes no duty to seek credit from every possible lender before concluding that such credit is unavailable." *Snowshoe*, 789 F.2d at 1088; *see also In re Sky Valley, Inc.*, 100 B.R. 107,113 (Bankr. N.D. Ga. 1998) (finding that "it would be unrealistic and unnecessary to require [the Debtors] to conduct such an exhaustive search for financing" where the Debtors "suffers some financial stress and has little or no unencumbered property"), *aff'd sub nom., Anchor Sav. Bank*, 99 B.R. at 117.

56. As discussed above and in the Chou Declaration filed in support of this Motion, the Debtors' assets are subject to the Prepetition Liens asserted by the Prepetition Secured Creditors. Because of the Debtors' prepetition debt, obtaining the financing needed as unsecured debt on an administrative priority basis, or as debt which would be secured solely by liens junior to the liens of the Prepetition Secured Creditors, was not a viable option, especially from a third party who did not already have a financial interest in the Debtors to protect. The Debtors thus

concluded that adequate alternative financing terms more favorable than those to be provided by the DIP Lender under the DIP Facility are currently unobtainable.

(2) The Prepetition Secured Creditors' Interests Are Adequately Protected

57. If the Debtor is unable to obtain credit under the provisions of § 364(c) of the Bankruptcy Code, the Debtor may obtain credit secured by a senior or equal lien on property of the estate that is already subject to a lien (*i.e.*, a priming lien). *See* 11 U.S.C. § 364(d). Such relief may be granted so long as there is adequate protection of any pre-existing secured creditor's interests in the property on which the senior lien is supposed to be granted. *See id.; see also Aqua*, 123 B.R. at 196. Although the Bankruptcy Code does not explicitly define "adequate protection," § 361 of the Bankruptcy Code provides that it may take the form of (1) a cash payment or periodic cash payments to the extent that there is a decrease in the lien holder's property interest; (2) an additional or replacement lien to the extent that there is a decrease in the lien holder's property interest; or (3) other relief that will result in a secured party's realizing the indubitable equivalent of its property interest. *See* 11 U.S.C. § 361.

58. Where a debtor's proposed use of funds from additional postpetition financing augment the value of the secured creditor's collateral, adequate protection exists. *Sky Valley,* 100 B.R. at 114 (noting the flexible nature of § 361(3) and collecting cases). The Debtors believe that the measures of protection set forth in the DIP Facility and the Interim Order constitute adequate protection. In addition to replacement liens on substantially all assets, junior in priority only to the DIP Liens and any existing senior liens (and subject to the Carve Out), the Prepetition Secured Creditors will receive superpriority administrative expense claims. Moreover, the use of any DIP Facility proceeds shall be solely in accordance with the Initial Agreed Budget and subject to borrowing base requirements. Accordingly, the DIP Facility not only maintains the value of the collateral in which the Prepetition Secured Creditors are receiving replacement liens, it increases the collateral base and strengthens the value of the Debtors' business.

59. Moreover, an "equity cushion" can provide the Prepetition Secured Creditors with adequate protection. "Under the 'equity cushion' theory, if a debtor has equity in a property sufficient to shield the creditor from either the declining value of the collateral or an increase in

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

the claim from accrual of interest or expenses, then the creditor is adequately protected." *See Equitable Life Assurance Soc. v. James River Assocs. (In re James River Assocs)*, 148 B.R. 790, 796 (E.D. Va. 1992) (*citing In re Kost*, 102 B.R. 829, 831 (D. Wyo. 1989); *In re Lane*, 108 B.R. 6, 7 (Bankr. D. Mass. 1989)). "Case law has almost uniformly held that an equity cushion of 20% or more constitutes adequate protection. Case law has almost as uniformly held that an equity cushion under 11% is insufficient to constitute adequate protection. Case law is divided on whether a cushion of 12% to 20% constitutes adequate protection." *James River Assocs.*, 148 B.R. at 796 (*quoting Kost*, 102 B.R. at 831-32 (internal citations omitted)); *see also In re Rogers Dev. Corp.*, 2 B.R. 679, 685 (Bankr. E.D. Va. 1980) (15% to 20% equity cushion held to be sufficient to provide adequate protection to a creditor even though the Debtors had no equity in the property); *but see In re Schaller*, 27 B.R. 959, 961-62 (W.D. Wis. 1983) (17% to 18% cushion held not to offer adequate protection where cushion was being rapidly eroded by the daily accrual of interest on the debt); *In re Pitts*, 2 B.R. 476, 478 (Bankr. C.D. Cal. 1979) (holding a 15% cushion to be "minimal"). Here, the Debtors believe that the book value of the collateral is approximately $840 million, which provides more than a 20% equity cushion for the Prepetition Secured Creditors, even if the entire value of the Carve Out is included in the debt used to calculate the equity cushion. This value of the collateral package includes:(a) real property and improvements currently utilized as hospitals, (b) accounts receivables with a net book value of approximately $220 million, (c) real property currently utilized as medical office buildings with an estimated net book value of $110 million, and (d) accounts receivables related to workers compensation cases, with a value of no less than $1 million.

60. Finally, as mentioned above, consent may take the place of adequate protection under § 364(d)(1) of the Bankruptcy Code, and the Debtors hope to obtain consent of at least some of the Prepetition Secured Creditors to use the Cash Collateral, at least on an interim basis, and enter into the DIP Facility on the terms set forth in the DIP Orders.

(3) The DIP Facility Is Fair, Reasonable, and in the Best Interests of the Estate

61. The Debtors believes that the terms and conditions of the DIP Facility are fair and reasonable. The DIP Facility is necessary to support the Debtors' ongoing operations pending

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

approval and confirmation of a plan will signal the Debtors' continued strength to compete in the marketplace for new patients. The DIP Facility will also ensure the continued high quality care to the Debtors' patients and payments to critical suppliers. Furthermore, as is more fully explained in the Chou Declaration filed in support of this Motion, the Debtors, with Cain's assistance, undertook an effort to obtain the best available terms for debtors in possession financing. Based upon these efforts, the interest rates and fees appear to be consistent with the existing market for debtor in possession loans of this nature. The Debtors believe that the proposed DIP Facility is the best financing available and well within the exercise of sound business judgment.

62. Bankruptcy courts consistently defer to a debtor's business judgment on most business decisions, including the decision to borrow money, unless such decision is arbitrary and capricious. *See Trans World Airlines. Inc. v. Travellers Int'l AG. (In re Trans World Airlines, Inc.),* 163 B.R. 964, 974 (Bankr. D. Del. 1994) (noting that an interim loan, receivables facility and asset-based facility were approved because they "reflect[cd] sound and prudent business judgment... [were] reasonable under the circumstances and in the best interests [of the Debtors] and its creditors"); *In re Simasko Prod. Co.*, 47 B.R. 444, 449 (Bankr. D. Colo. 1985) ("In exercising [the Debtors'] business judgment of conducting its drilling operations, it has found it necessary to obtain loans to make these endeavors possible."). In fact, "[m]ore exacting scrutiny [of the Debtors' business decisions] would slow the administration of the Debtors' estate and increase its cost, interfere with the Bankruptcy Code's provision for private control of administration of the estate, and threaten the court's ability to control a case impartially." *Richmond Leasing Co. v. Capital Bank. N.A.*, 762 F.2d 1303, 1311 (5th Cir. 1985); *see also Simasko Prod.*, 47 B.R. at 449 ("Business judgments should be left to the board room and not to this Court." (quoting *In re Lifeguard Indus. Inc.*, 37 B.R. 3, 17 (Bankr. S.D. Ohio 1983)). Consistent with this authority, the Debtors respectfully submits that the Court should approve the Debtors' decision to accept and enter into the proposed DIP Facility.

63. Moreover, the Debtors have made a concerted good faith effort to obtain credit on the most favorable terms available. Specifically, prepetition, in connection with the marketing of the Debtors' assets, the Debtors also sought debtor in possession financing from interested

601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

parties, none of whom would agree to provide financing on a junior or *pari passu* basis. Given the dire circumstances facing the Debtors, the DIP Facility described in this Motion was ultimately determined to provide the requisite liquidity on the most advantageous terms given the circumstances. Absent consent, distracting and costly litigation over the propriety of any priming or *pari passu* third party debtor in possession financing would likely have ensued, with potentially severe consequences for the Debtors, their estates, and creditors. Against this backdrop, the Debtors carefully evaluated the proposed financing structure from the DIP Lender, engaged in negotiations with the DIP Lender regarding the proposed terms, and eventually agreed to the DIP Lender's proposal as the proposal best suited to the Debtors' needs. The terms and conditions of the DIP Facility were negotiated by the parties (and their legal and financial advisors) in good faith and at arms' length, and, as outlined above, were instituted for the purpose of enabling the Debtors to meet ongoing operational expenses while in chapter 11 and to preserve the going concern status of the Debtors as well as the value of the Prepetition Collateral. Accordingly, the DIP Lender should be provided with the benefit and protection of § 364(c) of the Bankruptcy Code, such that if any of the provisions of the DIP Facility are later modified, vacated, stayed or terminated by subsequent order of this or any other Court, the DIP Lender will be fully protected with respect to any amounts previously disbursed.

C. The Use of Cash Collateral Is Appropriate Under the Current Circumstances and Should Be Authorized under §§ 363(c)(2) and (e)

64. Section 363(c)(2) of the Bankruptcy Code sets forth the requirements for a debtor's proposed use of cash collateral. Specifically, § 363(c)(2) provides, in pertinent part:

> The trustee may not use, sell, or lease cash collateral under paragraph (1) of this subsection unless - (A) each entity that has an interest in such cash collateral consents; or (B) the court, after notice and a hearing, authorizes such use, sale, or lease in accordance with the provisions of this section.

11 U.S.C. § 363(c)(2). Additionally, § 105(a) of the Bankruptcy Code provides that "[t]he court may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of [the Bankruptcy Code]." 11 U.S.C. § 105(a).

65. Further, § 363(e) provides that "on request of an entity that has an interest in property . . . proposed to be used, sold or leased, by the trustee, the court, with or without a hearing, shall prohibit or condition such use, sale, or lease as is necessary to provide adequate protection of such interest." 11 U.S.C. § 363(e). As described below, the Debtors have proposed a reasonable package of adequate protection for both cash collateral and their other assets securing the Prepetition Secured Debt. Conditioning the Debtors use of cash collateral in the manner proposed is an entirely equitable arrangement designed to protect patients and the Hospitals as operating business units.

66. It is well settled that it is appropriate for a chapter 11 debtor to use cash collateral for a reasonable period of time for the purpose of maintaining and operating its property. *In re Oak Glen R-Vee*, 8 B.R. 213, 216 (Bankr. C.D. Cal 1981); *In re Tuscon Industrial Partners*, 129 B.R. 614 (9th Cir. BAP 1991). Where, as here, the debtor is operating a business, it is extremely important that the access to cash collateral be allowed to facility the survival of the debtors business units as going concerns: "the purpose of Chapter 11 is to rehabilitate debtors and generally access to cash collateral is necessary to operate a business." *In re Dynaco Corp.*, 162 B.R. 389 (Bankr. D.N.H. 1993), quoting *In re Stein*, 19 B.R. 458, 459 (Bankr. E.D. Pa. 1982).

67. The Court should authorize the Debtors to use Cash Collateral, whether existing as of the Petition Date or arising thereafter based on the conversion of existing non-cash collateral into cash. It is essential to the continued operation of the Debtors that they obtain authority to use Cash Collateral to fund payroll and other operating needs, including the costs of administration of these Chapter 11 Cases. Currently, the Debtors' free cash is manifesting insufficient for operating until postpetition receivables have been generated, and the prepetition accounts and government receivables on which the Debtors would ordinarily rely upon to fund operations consist entirely of the Prepetition Secured Lenders' cash collateral.

68. If the Debtors are permitted to use Cash Collateral to fund ongoing business operations and administration of these Cases, the Debtors will preserve the value of the Debtors' assets as a going concern. Thus, the Debtors can continue to operate and provide patient care, but only if they are allowed to use Cash Collateral in the course of the day-to-day operations.

Without such use, the detrimental result to the value of the estate will be rapid and ultimately disastrous, given the nature of the Debtors' business. Access to Cash Collateral is crucial to the Debtors' ability to provide patient care, and to avoid immediate and irreparable harm to the value of the estate and the creditors, and ongoing business operations both before and after the Final Hearing.

69. The Debtors respectfully submits that the proposed use of Cash Collateral, in conjunction with the DIP Facility, is necessary for the Debtors to have sufficient liquidity during the chapter 11 process to preserve the value of their assets and property (including the Prepetition Collateral). The Debtors' proposed use of Cash Collateral thus prejudices no one; it affirmatively and directly benefits the Debtors' estates and creditors, including the Prepetition Secured Creditors, and enhances the prospects of a successful outcome in this case.

D. The Proposed Adequate Protection for the Pre-petition Lenders Is Appropriate under §§ 105, 361(d), and 363(e).

70. In considering whether to authorize use of cash collateral, a court generally must find that the interests of the holder of the secured claim are adequately protected. *See* 11 U.S.C. § 363(e). Section 362(d)(1) of the Bankruptcy Code provides for adequate protection of interests in property due to the imposition of the automatic stay, *In re Continental Airlines*, 91 F.3d 553, 556 (3d Cir. 1996) (*en banc*), and § 361 of the Bankruptcy Code provides examples of possible forms of adequate protection, such as granting replacement liens and administrative claims. However, it is the courts that must decide what constitutes sufficient adequate protection on a case-by-case basis. *In re Mellor,* 734 F.2d 1396, 1400 (9th Cir 1984); *In re Macombs Properties VI, Ltd.,* 88 B.R. 261, 265 (Bankr. 71. In determining the appropriateness of proffered adequate protection, courts have frequently stressed the importance of a promoting a debtor's business reorganization. *In re O'Connor*, 808 F.2d 1393, 1398 (10th Cir. 1987). Section 363(e) of the Bankruptcy Code provides that "on request of an entity that has an interest in property proposed to be used, sold, or leased, by the trustee [or Debtors in possession], the court, with or without a hearing, shall prohibit or condition such use, sale, or lease as is necessary to provide adequate protection of such interest." 11 U.S.C. § 363(e). The Debtors' use of Cash Collateral is conditioned upon adequate protection being provided to the Prepetition Secured Creditors, as set forth in the proposed DIP Orders.

72. Here the Debtors propose four forms of adequate protection for their secured lenders: (1) adequate protection payments, (2) replacement lien, (3) preservation of Debtors' equity cushion through continuous maintenance of real property and (4) super priority expenses of administration for any proven Diminution of Value, as follows. First, use of DIP Facility proceeds in accordance with the Initial Agreed Budget attached to the Chou Declaration as Exhibit 2 to provide adequate protection payments equivalent to postpetition, non-default interest on the outstanding balances of the MTI Obligations and MOB Financings, plus reasonable attorneys' fees and financial advisor fees for one set of attorneys and financial advisors for each of U.S. Bank as Trustee and Collateral Agent for the Working Capital Notes, UMB Bank as Master Trustee for the MTI Obligations, and for the MOB Notes.

73. Second, to the extent of the Diminution of Value of the interest of the Prepetition Secured Creditors in the Prepetition Collateral the Debtors propose to provide junior replacement liens. The Prepetition Secured Creditors shall have, subject to the terms and conditions set forth below, pursuant to sections 361, 363(e), and 364(d) of the Bankruptcy Code additional and replacement security interests and Liens in the DIP Collateral, excluding Clean Fund Bonds and NR2 Petros Bonds collateral held by WTNA and Bankruptcy Recoveries (the "Prepetition Replacement Liens") which shall be junior only to the Carve Out and the DIP Liens securing the DIP Obligations, *provided, however,* that any Prepetition Replacement Liens granted to U.S. Bank, as Series 2015 and Series 2017 Note Trustee, on account of the Diminution in Value of any

Prepetition Collateral in which it holds senior priority security interests shall be senior, to the extent otherwise consistent with the Intercreditor Agreement, to the replacement liens granted to any other Prepetition Secured Creditors and junior only to the Carve Out and the DIP Liens securing the DIP Obligations. With respect to the Prepetition Collateral that is subject to the Second Amended and Restated Intercreditor Agreement, any proceeds of such Prepetition Collateral or Replacement Liens related thereto shall be allocated among the Prepetition Secured Creditors in accordance with the terms of the Second Amended and Restated Intercreditor Agreement. "Bankruptcy Recoveries" shall mean any claims and causes of action to which the Debtor may be entitled to assert by reason of any avoidance or other power vested in or on behalf of the Debtor or the estate of the Debtor under Chapter 5 of the Bankruptcy Code and any and all recoveries and settlements thereof.

74. Third, it is the Debtors' business judgment based upon the current book value of the Debtors' assets, that the realizable value of the prepetition collateral securing the obligations due the Prepetition Secured Lenders, exceeds the value of such obligations. To preserve the prepetition value of the Debtors real property and improvements, the Debtors will use DIP Facility proceeds in accordance with the Initial Agreed Budget and in the ordinary course to continue to maintain all of the pre-petition real property securing the Debtors' obligations due to the Prepetition Secured Creditors in good repair.

75. Fourth, to the extent of the Diminution of Value of the allowed interests of the Prepetition Secured Creditors in the Prepetition Collateral, the Prepetition Secured Creditors shall have an allowed superpriority administrative expense claim (the "Prepetition Superpriority Claim"), which shall have priority (except with respect to (i) the DIP Liens, (ii) the DIP Superpriority Claim, and (iii) the Carve Out), in the Chapter 11 Case under §§ 364(c)(1), 503(b), and 507(b) of the Bankruptcy Code and otherwise over all administrative expense claims and unsecured claims against the Debtors and their estates, now existing or hereafter arising, of any kind or nature whatsoever including, without limitation, administrative expenses of the kinds specified in or ordered pursuant to §§ 105, 326, 328, 330, 331, 503(a), 503(b), 507(a), 507(b), 546(c), 546(d), 552, 726, 1113, and 1114 of the Bankruptcy Code, and, upon entry of the Final

Order, § 506(c) of the Bankruptcy Code, whether or not such expenses or claims may become secured by a judgment Lien or other non-consensual Lien, levy, or attachment, *provided, however,* that any Prepetition Superpriority Claim granted to the Note Trustee on account of the Diminution in Value of any Prepetition Collateral in which it holds senior priority security interests shall be senior, to the extent otherwise consistent with the Intercreditor Agreement, to any Prepetition Superpriority Claim granted to other Prepetition Secured Creditors. Other than the DIP Liens, the DIP Superpriority Claim, and the Carve Out, no costs or expenses of administration, including, without limitation, professional fees allowed and payable under §§ 328, 330, and 331 of the Bankruptcy Code, or otherwise, that have been or may be incurred in the Chapter 11 Case, or in any Successor Case, will be senior to, prior to, or on parity with the Prepetition Superpriority Claim (for purposes hereof, such liens will be deemed part of the ‘‘Prepetition Replacement Liens”).

76. Thus, use of the Cash Collateral along with use of the DIP Financing proceeds in accordance with the Initial Agreed Budget will preserve the going concern value of the Debtors’ assets. Courts routinely have held that adequate protection may be demonstrated by a simple showing that the going concern value of the Debtors is preserved by the Debtors’ continuing operations and use of cash collateral. *See, e.g., In re Snowshoe Co., Inc.*, 789 F.2d at 1087-89 (trustee reported that ski resort would lose 50% to 90% of its fair market value if it ceased operations). Additionally, as mentioned above, the Debtors will be granting replacement liens and superpriority claims as adequate protection, which is commonplace. *See, e.g., MBank Dallas N.A. v. O’Connor (In re O’Connor),* 808 F.2d 1393, 1396-98 (10th Cir. 1987) (allowing the debtors to replace a lien on cash with a lien on property likely to be worth five times as much); *Owens-Corning Fiberglas Corp. v. Ctr. Wholesale, Inc. (In re Ctr. Wholesale. Inc.),* 759 F.2d 1440, 1450 (9th Cir. 1985) (observing that a lien on additional property of the debtors would likely constitute adequate protection for the secured creditor); *Wrecelesham Grange*, 221 B.R. at 981) (noting that a replacement lien of equal value on postpetition rents is adequate protection); *In re Stein*, 19 B.R. 458. 459 (Bankr. E.D. Pa. 1982) (continued lien on debtors’ crops, livestock and equipment resulted in an increase rather than a decrease in collateral, and debtors were

granted authority to use cash collateral to meet operating expenses during chapter 11 proceedings). Finally, the MTI Obligations on one hand and the MOB Financing on the other each have an sufficient equity cushion arguably entitling them to postpetition interest, which they are being paid in the form of adequate protection payments. For the foregoing reasons, the Debtors respectfully submit that the adequate protection proposed by the Debtors (described in more detail above) and in the DIP Orders is appropriate and should be approved.

VIII. REQUEST FOR AN INTERIM AND FINAL HEARING

77. Pursuant to Bankruptcy Rule 4001(b)(2), the Debtors respectfully request that the Court set a date for the Interim hearing no later than September 5, 2018 and a Final Hearing 25 days from entry of the Interim Order or September 30, 2018, whichever is earlier and approve the provisions for notice of the Final Hearing and the objection procedures that are set forth in the Interim Order.

IX. THE NEED FOR IMMEDIATE RELIEF PENDING A FINAL HEARING

78. Bankruptcy Rule 4001 (b) provides that a final hearing on a motion for authorization to use cash collateral may not be commenced earlier than fourteen (14) days after service of such motion. Fed. R. Bankr. P. 4001(b)(2). Upon request, however, a court may conduct a preliminary expedited hearing on a motion and authorize the use of only that amount of cash collateral as is necessary to avoid immediate and irreparable harm to the estate pending a final hearing, based on the business exigencies of individual cases. *See id.* The Debtors submit that, for the reasons set forth herein, authority to use Cash Collateral on an interim basis as requested in the Motion is necessary to enable the Debtors to maintain ongoing business operations pending a resolution in these Cases.

X. WAIVER OF BANKRUPTCY RULES 6004(a) AND (h)

79. Should the Court grant the Motion and enter the DIP Orders, the Debtors seek a waiver of the notice requirements under Bankruptcy Rule 6004(a) and the fourteen-day stay of an order authorizing the use, sale or lease of property under Bankruptcy Rule 6004(h).

MOB Financing, LLC and Verity MOB Financing II, LLC (together, "***Verity MOB***" and collectively with the holders of the 2005 Bonds and the Working Capital Notes, the "***Prepetition Secured Creditors***") as holders of security interests in Verity Holdings prepetition accounts, including rents arising from the prepetition MOB Financing (the "***MOB Financing***", and together with the 2005 Bonds and Working Capital Notes, the "***Prepetition Secured Documents***") holding approximately $568,000,000 of debt (the "***Prepetition Secured Obligations***") secured by liens on virtually all of the Debtors' assets (the "***Prepetition Liens***").

H. **Prepetition Collateral**. In order to secure the Prepetition Secured Obligations, the Debtors granted security interests in and liens (the "***Prepetition Liens***") on substantially all of their assets (the "***Prepetition Collateral***").

I. **Findings Regarding the Postpetition Financing**.

(i) **Consensual Priming of the Prepetition Liens**. The priming of the Prepetition Liens of the Prepetition Secured Creditors on the Prepetition Collateral under section 364(d) of the Bankruptcy Code, as contemplated by the DIP Financing Agreements, as authorized by this Interim Order, and as further described below, is consented to by the Prepetition Secured Creditors, and will enable the Debtors to continue borrowing under the DIP Facility and to continue operating their businesses for the benefit of their estates and creditors. The Prepetition Secured Creditors are each entitled to receive adequate protection as set forth in this Interim Order pursuant to sections 361, 363, and 364 of the Bankruptcy Code, for any Diminution in Value (as defined herein) of each of their respective interests in the Prepetition Collateral (including Cash Collateral).

(ii) **Good Cause; Need for Postpetition Financing**. Good cause has been shown for the entry of this Interim Order. An immediate need exists for the Debtors to obtain funds from the Interim DIP Loan in order to continue operations, continue to serve the Debtors mission to provide acute and specialized care for area patients and to administer and preserve the value of their estates. The ability of the Debtors to finance their operations, to preserve and maintain the value of the Debtors' assets and to maximize a return for all creditors requires the availability of working capital from the Interim DIP Loan, the absence of which would

immediately and irreparably harm the Debtors, their estates and their creditors and the possibility for a successful reorganization or sale of the Debtors' assets as a going concern or otherwise. The proposed Interim DIP Loan is in the best interests of the Debtors, their estates, and their creditors.

(iii) **No Credit Available on More Favorable Terms**. The Debtors have been unable to obtain (a) unsecured credit allowable under 503(b)(1) of the Bankruptcy Code section as an administrative expense, (b) credit for money borrowed secured solely by a lien on property of the estate that it not otherwise subject to a lien, (c) credit for money borrowed secured by a junior lien on property of the estate which is subject to a lien, (d) or credit otherwise on more favorable terms and conditions than those provided in the DIP Credit Agreement and this Interim Order. The Debtors are unable to obtain credit for borrowed money without granting to the DIP Lender the DIP Protections (as defined below).

J. **Use of Proceeds of the DIP Facility.** Proceeds of the DIP Facility (net of any amounts used to pay fees, costs and expenses under the DIP Financing Agreements) shall be utilized by the Debtors until the DIP Facility Termination Date in accordance with the DIP Budget and in a manner consistent with the terms and conditions of the DIP Credit Agreement, this Interim Order, and the Final Order.

K. **Application of Sale Proceeds of DIP Collateral.** The DIP Liens shall attach as first priority liens and security interests, pursuant to section 364(d) of the Bankruptcy Code and the DIP Financing Agreements, to all proceeds of any sale or other disposition of the Debtors' property, including, without limitation, the Facilities and any other DIP Collateral (as defined below) (the "***Sale Proceeds***"). The Sale Proceeds shall be held in escrow in one or more deposit accounts subject to a deposit account control agreement in favor of the DIP Lender (the "***Escrow Deposit Account***"). Any funds held in the Escrow Deposit Account shall not be commingled with any other funds of the Debtors or otherwise. The DIP Lender is granted a first priority lien on the Escrow Deposit Account and all Sale Proceeds, including any deposit provided by any buyer in connection with any asset sale, and such proceeds, deposits, and the Escrow Deposit Account shall constitute Collateral under the DIP Credit Agreement and DIP Collateral under this Interim Order. On the Revolving Loan Termination Date (as defined in the DIP Credit

(213) 623-9300

Agreement), the DIP Lender shall apply any and all amounts remaining on deposit in the Escrow Deposit Account to the outstanding principal amount of the DIP Loan, together with accrued and unpaid DIP Obligations, with any remaining balance to be delivered to the Debtors; provided, however, that upon any Debtor's request and with the consent of the DIP Lender (which consent may, for the avoidance of doubt, be withheld in its sole discretion), any Sale Proceeds and deposits provided in connection with any asset sale may be disbursed to the Prepetition Secured Creditors on terms and conditions that are acceptable to the DIP Lender in its sole discretion and in upon further order of this Court.

L. **Adequate Protection for Prepetition Secured Creditors.** The priming of the Prepetition Secured Creditors' Prepetition Liens to the extent set forth below pursuant to section 364(d) of the Bankruptcy Code is necessary to obtain the DIP Financing. In exchange for the priming of the Prepetition Liens set forth below, the Prepetition Secured Creditors shall be entitled to receive adequate protection, as set forth in this Interim Order, pursuant to sections 361, 363 and 364 of the Bankruptcy Code, for any diminution in the value of their respective interests in the Prepetition Collateral resulting from, among other things, the subordination to the Carve Out (as defined herein) and to the DIP Liens (as defined herein), the Debtors' use, sale or lease of such Prepetition Collateral, including Cash Collateral, and the imposition of the automatic stay from and after the Petition Date (collectively, and solely to the extent of such diminution in value, the "***Diminution in Value***"). The Prepetition Secured Creditors have negotiated in good faith regarding the Debtors' use of the Prepetition Collateral to help fund the administration of the Debtors' estates along with the proceeds of the DIP Financing. Based on the DIP Motion and the record presented to the Court at the Interim Hearing, the terms of the proposed adequate protection arrangements are fair and reasonable, reflect the Debtors' prudent exercise of business judgment and constitute reasonably equivalent value and fair consideration for the consent of the Prepetition Secured Creditors; provided, however, that nothing herein shall limit the rights of any of the Prepetition Secured Creditors to hereafter seek new or different adequate protection.

M. **Extension of Financing**. The DIP Lender has indicated a willingness to provide financing to the Debtors in accordance with the DIP Credit Agreement. The DIP Lender is

acting in good faith with respect to the DIP Facility and the terms and conditions of the DIP Credit Agreement and the other DIP Financing Agreements. The DIP Lender's claims, superpriority claims, security interests and liens and other protections granted pursuant to this Interim Order and the DIP Financing Agreements will not be affected by any subsequent reversal or modification of this Interim Order or the Final Order, as provided in section 364(e) of the Bankruptcy Code.

N. **Business Judgment and Good Faith Pursuant to Section 364(e).**

(i) The DIP Lender has indicated a willingness to provide DIP Financing to the Debtors in accordance with the DIP Financing Agreements. The terms and conditions of the DIP Facility and the DIP Financing Agreements, and the fees paid and to be paid thereunder are fair, reasonable, and the best available under the circumstances, reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties, and are supported by reasonably equivalent value and consideration;

(ii) The DIP Financing Agreements were negotiated in good faith and at arms' length between the Debtors and the DIP Lender;

(iii) The proceeds to be extended under the DIP Facility will be so extended in good faith, and for valid business purposes and uses; and

(iv) The DIP Lender is acting in good faith with respect to the DIP Facility and the terms and conditions of the DIP Financing Agreements, and the DIP Lender's claims, superpriority claims, security interests and liens and other protections granted pursuant to this Interim Order and the DIP Financing Agreements will not be affected or avoided by any subsequent reversal or modification of this Interim Order or the Final Order, as provided in section 364(e) of the Bankruptcy Code.

O. **Relief Essential; Best Interest; Good Cause**. The relief requested in the DIP Motion (and as provided in this Interim Order) is necessary, essential, and appropriate for the preservation of the Debtors' assets, business and property. It is in the best interest of the Debtors' estates to be allowed to establish the DIP Facility contemplated by the DIP Credit Agreement.

Good cause has been shown for the relief requested in the DIP Motion (and as provided in this Interim Order).

NOW, THEREFORE, on the DIP Motion and the record before this Court with respect to the DIP Motion, including the record created during the Interim Hearing, and with the consent of the Debtors, the Prepetition Secured Creditors and the DIP Lender to the form and entry of this Interim Order, and good and sufficient cause appearing therefor,

IT IS HEREBY ORDERED, ADJUDGED AND DECREED:

1. **Motion Granted**. The DIP Motion is granted in accordance with the terms and conditions set forth in this Interim Order and the DIP Credit Agreement. Any objections to the DIP Motion with respect to entry of this Interim Order to the extent not withdrawn, waived or otherwise resolved, and all reservations of rights included therein, are hereby denied and overruled.

2. **DIP Financing** Agreements.

(a) **Approval of Entry Into DIP Financing** Agreements. The Debtors are authorized, empowered and directed to execute and deliver the DIP Financing Agreements and to incur and to perform the DIP Obligations in accordance with, and subject to, the terms of this Interim Order and the DIP Financing Agreements, and to execute and deliver all instruments and documents which may be required or necessary for the performance by the Debtors under the DIP Financing Agreements and the creation and perfection of the DIP Liens described in and provided for by this Interim Order and the DIP Financing Agreements. The Debtors are hereby authorized and directed to do and perform all acts, pay the principal, interest, fees, expenses, indemnities and other amounts described in the DIP Credit Agreement as such amounts become due and payable without need to obtain further Court approval, including closing fees, unused line fees, administrative agent's fees, collateral agent's fees, and the reasonable fees and disbursements of the DIP Agent's and the DIP Lenders' respective attorneys, advisors, accountants, and other consultants, whether or not such fees arose before or after the Petition Date, and whether or not the transactions contemplated hereby are consummated, to implement all applicable reserves and to take any other actions that may be necessary or appropriate, all to the extent provided in this

Interim Order or the DIP Financing Agreements. All collections and proceeds, whether from ordinary course collections, asset sales, debt or equity issuances, insurance recoveries, condemnations or otherwise, will be deposited and applied as required by this Interim Order and the DIP Financing Agreements. The DIP Financing Agreements represent valid and binding obligations of the Debtors, enforceable against each of the Debtors and their estates in accordance with their terms, including, without limitation, commitment fees and reasonable attorneys' fees and disbursements as provided for in the DIP Credit Agreement, which amounts shall not otherwise be subject to approval of this Court.

(b) **Authorization to Borrow/and or Guarantee**. To enable them to continue to preserve the value of their estates and dispose of their assets in an orderly fashion, during the period prior to entry of the Final Order (the "***Interim Period***") and subject to the terms and conditions of this Interim Order, upon the execution of the DIP Credit Agreement and the other Financing Documents the Debtors are hereby authorized to borrow the Interim DIP Loan up to a total committed amount of $30,000,000 under the DIP Financing Agreements.

(c) **Conditions Precedent.** The DIP Lender shall have no obligation to make the Interim DIP Loan or any loan or advance under the DIP Credit Agreement during the Interim Period unless the conditions precedent to making such loan under the DIP Credit Agreement have been satisfied in full or waived by the DIP Lender in its sole discretion.

(d) **DIP Collateral; DIP Liens**. Effective immediately upon the entry of this Interim Order, on account of the Interim DIP Loan, the DIP Lender shall be and is hereby granted first-priority security interests and liens (which shall immediately be valid, binding, permanent, continuing, enforceable, perfected and non-avoidable) on all of the Debtors' property, including, without limitation, the Sale Proceeds and the Escrow Deposit Account, whether arising before or after the Petition Date (collectively, the "***DIP Collateral***," and all such liens and security interests granted on or in the DIP Collateral pursuant to this Interim Order and the DIP Financing Agreements, the "***DIP Liens***"), but excluding the Clean Fund Bonds and NR2 Petros Bonds collateral held by WTNA, and donor restricted funds held at Philanthropic Foundations. The DIP

Collateral shall not be subject to any surcharge under section 506(c) or any other provision of the Bankruptcy Code or other applicable law, nor by order of this Court.

(e) **DIP Lien Priority**. Subject only to the Carve Out (as defined below), the DIP Liens shall, pursuant to section 364(d)(1) of the Bankruptcy Code, be perfected, continuing, enforceable, non-avoidable first priority senior priming liens and security interests on the DIP Collateral, and shall prime all other liens and security interests on the DIP Collateral, including any liens and security interests in existence on the Petition Date against the Prepetition Collateral, and any other current or future liens granted on the DIP Collateral, including any adequate protection or replacement liens granted on the DIP Collateral (collectively, the "***Primed Liens***") (other than the Debtors' claims and causes of action under sections 502(d), 544, 545, 547, 548, 549, 550 and 553 of the Bankruptcy Code, and any other avoidance or similar actions under the Bankruptcy Code or similar state law (the "***Avoidance Actions***"), whether received by judgment, settlement or otherwise. Without limiting the foregoing, the DIP Liens shall not be made subject to, subordinate to, or pari passu with any lien or security interest by any court order heretofore or hereafter granted in the Chapter 11 Cases. The DIP Liens shall be valid and enforceable against any trustee appointed in the Chapter 11 Cases, upon the conversion of any of the Chapter 11 Cases to a case under Chapter 7 of the Bankruptcy Code or in any other proceedings related to any of the foregoing (any "***Successor Cases***"), and/or upon the dismissal of any of the Chapter 11 Cases or Successor Cases. Other than the Carve Out, no costs, expenses, claims, or liabilities that have been or may be incurred by Debtors during these Chapter 11 Case, or in any Successor Cases, will be senior to, prior to, or on parity with the DIP Liens.

(f) **Enforceable Obligations**. The DIP Financing Agreements shall constitute and evidence the valid and binding obligations of the Debtors, which obligations shall be enforceable against the Debtors, their estates and any successors thereto and their creditors or representatives thereof, in accordance with their terms.

(g) **Protection of DIP Lender and Other Rights**. From and after the Petition Date, the Debtors shall use the proceeds of the extensions of credit under the DIP Facility only for the purposes specifically set forth in the DIP Credit Agreement and this Interim Order and in

strict compliance with the DIP Budget (subject to any variances thereto permitted by the DIP Credit Agreement).

(h) **Additional Protections of DIP Lender: Superpriority Administrative Claim Status**. Subject to the Carve Out (as defined below), all DIP Obligations shall constitute an allowed superpriority administrative expense claim (the "***DIP Superpriority Claim***" and, together with the DIP Liens, the "***DIP Protections***") with priority in all of the Chapter 11 Cases and Successor Cases over all other administrative expense claims under sections 364(c)(1), 503(b) and 507(b) of the Bankruptcy Code and otherwise over all administrative expense claims and unsecured claims against the Debtors or their estates, now existing or hereafter arising, of any kind or nature whatsoever, including, without limitation, administrative expenses of the kinds specified in or ordered pursuant to sections 105, 326, 328, 330, 331, 365, 503(a), 503(b), 506(c), 507(a), 507(b), 546(c), 546(d), 1113 and 1114 and any other provision of the Bankruptcy Code except as otherwise set forth herein, whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment. The DIP Superpriority Claim shall be payable from and have recourse to all prepetition and post-petition property of the Debtors and all proceeds thereof. Without limiting the foregoing, the Superpriority Claim shall not be made subject to, subordinate to, or *pari passu* with any other administrative claim in the Chapter 11 Cases or Successor Cases, except for the Carve Out (as defined below). Other than the Carve Out, no costs, expenses, claims, or liabilities that have been or may be incurred by Debtors during these Chapter 11 Case, or in any Successor Cases, will be senior to, prior to, or on parity with the DIP Superpriority Claim.

3. **Authorization to Use Proceeds of DIP Facility**. Pursuant to the terms and conditions of this Interim Order, the DIP Credit Agreement and the other DIP Financing Agreements, and in accordance with the DIP Budget and the variances thereto set forth in the DIP Credit Agreement, the Debtors are authorized to use the advances under the DIP Credit Agreement during the period commencing immediately after the entry of this Interim Order and terminating upon the occurrence of an Event of Default (as defined below) and the termination of the DIP Credit Agreement in accordance with its terms and subject to the provisions hereof.

4. **Adequate Protection for Prepetition Secured Creditors**. As adequate protection for the interests of the Prepetition Secured Creditors in the Prepetition Collateral on account of the granting of the DIP Liens, subordination to the Carve Out (as defined below), any Diminution in Value arising out of the Debtors' use, sale, or disposition or other depreciation of the Prepetition Collateral, including Cash Collateral, resulting from the automatic stay, the Prepetition Secured Creditors shall receive adequate protection as follows:

(a) **Adequate Protection Replacement Liens**. To the extent of the Diminution in Value of the interest of the Prepetition Secured Creditors in the Prepetition Collateral, the Prepetition Secured Creditors shall have, subject to the terms and conditions set forth below, pursuant to sections 361, 363(e), and 364(d) of the Bankruptcy Code additional and replacement security interests and Liens in the DIP Collateral, excluding Clean Fund Bonds and NR2 Petros Bonds collateral held by WTNA and Bankruptcy Recoveries (the "***Prepetition Replacement Liens***"), which shall be junior only to the Carve Out, the DIP Liens securing the DIP Obligations, *provided, however*, that any Prepetition Replacement Liens granted to the Note Trustee on account of the Diminution in Value of any Prepetition Collateral in which it holds senior priority security interests shall be senior to the replacement liens granted to the other Prepetition Secured Creditors and junior only to the Carve Out and the DIP Liens securing the DIP Obligations. Proceeds of Prepetition Replacement Liens shall be allocated amongst the Prepetition Secured Creditors in accordance with the terms of the Second Amended and Restated Intercreditor Agreement.

(b) **Adequate Protection Payments and Protections**. So long as there is no Default or Event of Default, under this Interim Order, the Final Order, or the DIP Financing Agreements, the Debtors are also authorized and directed to provide to the Prepetition Secured Creditors adequate protection payments in the form of postpetition, non-default contractual interest on the outstanding balances of the Prepetition Secured Obligations, provided that reference to the non-default contractual rate of interest does not include the Penalty Rate, Default Rate or the Tax Rate as defined in the Prepetition Secured Documents interest on the Prepetition Secured Obligations, excluding the Clean Fund Bonds and NR2 Petros Bonds, plus

reimbursement of reasonable attorney's fees and financial advisor fees for one set of attorneys and financial advisors for each of (1) U.S. Bank as Trustee and Collateral Agent for the Working Capital Notes, (2) UMB Bank as the successor Master Trustee for the 2005 Bonds and (3) the MOB Notes (the "***Prepetition Adequate Protection Payments***"). Notwithstanding the foregoing, to the extent the Court determines, pursuant to sections 506(a) or (b) of the Bankruptcy Code, that the Prepetition Adequate Protection Payments are not properly allocable to interest on one or more of the respective Prepetition Secured Obligations to which they were made, the Prepetition Adequate Protection Payments may be re-characterized as payment(s) applied to the principal amount of the respective Prepetition Secured Obligations.

(c) **Prepetition Superpriority Claim**. To the extent of the Diminution in Value of the allowed interests of the Prepetition Secured Creditors in the Prepetition Collateral, the Prepetition Secured Creditors shall have an allowed superpriority administrative expense claim (the "***Prepetition Superpriority Claim***"), which shall have priority (except with respect to (i) the DIP Liens, (ii) the DIP Superpriority Claim, and (iii) the Carve Out), in the Chapter 11 Cases under sections 364(c)(1), 503(b), and 507(b) of the Bankruptcy Code and otherwise over all administrative expense claims and unsecured claims against the Debtors and their estates, now existing or hereafter arising, of any kind or nature whatsoever including, without limitation, administrative expenses of the kinds specified in or ordered pursuant to sections 105, 326, 328, 330, 331, 503(a), 503(b), 507(a), 507(b), 546(c), 546(d), 552, 726, 1113, and 1114 of the Bankruptcy Code, and, upon entry of the Final Order, section 506(c) of the Bankruptcy Code, whether or not such expenses or claims may become secured by a judgment Lien or other non-consensual Lien, levy, or attachment. Other than the DIP Liens, the DIP Superpriority Claim, and the Carve Out, no costs or expenses of administration, including, without limitation, professional fees allowed and payable under sections 328, 330, and 331 of the Bankruptcy Code, or otherwise, that have been or may be incurred in the Chapter 11 Case, or in any Successor Case, will be senior to, prior to, or on parity with the Prepetition Superpriority Claim (for purposes hereof, such liens will be deemed part of the "***Prepetition Replacement Liens***").

5. **Budget Maintenance**. The proceeds of the DIP Loan under the DIP Facility and the use of Cash Collateral shall be subject to, and in accordance with, the terms and conditions of the DIP Financing Agreements and the DIP Budget. The Initial Agreed Budget delivered to the DIP Agent shall be accompanied by such supporting documentation as reasonably requested by the DIP Agent. The DIP Budget shall be prepared in good faith based upon assumptions that the Debtors believe to be reasonable. A copy of any DIP Budget shall be delivered to counsel for the Committee and the U.S. Trustee after it has been approved in accordance with the DIP Financing Agreements.

6. **Budget Compliance**. The Debtors shall comply with the DIP Budget as and when required under the DIP Credit Agreement (subject to the variances set forth therein). The Debtors shall provide all reports and other information as required in the DIP Credit Agreement (subject to the grace periods provided therein), with copies delivered substantially contemporaneously to counsel to the Committee, should a Committee be appointed. The Debtors' failure to comply with the DIP Budget (including the variances set forth in the DIP Credit Agreement) or to provide the reports and other information required in the DIP Credit Agreement shall constitute an Event of Default (as defined herein), following the expiration of any applicable grace period set forth in the DIP Credit Agreement.

7. **Postpetition Lien Perfection.** This Interim Order shall be sufficient and conclusive evidence of the validity, perfection, and priority of the DIP Liens and Prepetition Replacement Liens without the necessity of filing or recording any financing statement, deeds of trust, mortgages, or other instruments or documents which may otherwise be required under the law of any jurisdiction or the taking of any other action (including, for the avoidance of doubt, entering into any deposit account control agreement or obtaining possession of any possessory collateral) to validate or perfect the DIP Liens or Prepetition Replacement Liens, or to entitle the DIP Liens and Prepetition Replacement Liens the respective priorities granted herein. Notwithstanding and without limiting the foregoing, the DIP Lender may file such financing statements, mortgages, deeds of trust, notices of liens and other similar documents as it deems appropriate, and it is hereby granted relief from the automatic stay of section 362 of the Bankruptcy Code in order to

do so, and all such financing statements, mortgages, deeds of trust, notices and other documents shall be deemed to have been filed or recorded at the time and on the date of the commencement of the Chapter 11 Cases. Notwithstanding and without limiting the foregoing provisions regarding the validity, perfection, and priority of the DIP Liens, the Debtors shall execute and deliver to the DIP Lender all such financing statements, mortgages, deeds of trust, deposit account control agreements, notices and other documents as the DIP Lender may reasonably request to evidence, confirm, validate or perfect, or to insure the contemplated priority of, the DIP Liens granted pursuant hereto and the DIP Financing Agreements. Any such financing statements, mortgages, deeds of trust, deposit account control agreements, notices and other documents shall be considered DIP Financing Agreements for all intents and purposes. The DIP Lender, in its discretion, may file a certified copy of this Interim Order as a financing statement with any recording officer designated to file financing statements or with any registry of deeds or similar office in any jurisdiction in which any Debtor has real or personal property, and in such event, the recording officer shall be authorized to file or record such copy of this Interim Order. To the extent that the Prepetition Agents or Verity MOB is the secured party under any security agreement, mortgage, leasehold mortgage, landlord waiver, credit card processor notices or agreements, bailee letters, custom broker agreements, financing statement, account control agreements, or any other Prepetition Secured Documents or is listed as loss payee or additional insured under any of the Debtors' insurance policies, the DIP Agent shall also be deemed to be the secured party under such documents or to be the loss payee or additional insured, as applicable. The Prepetition Agents and Verity MOB shall serve as agent for the DIP Agent for purposes of perfecting the DIP Agent's liens on all DIP Collateral that, without giving effect to the Bankruptcy Code and this Interim Order, is of a type such that perfection of a lien therein may be accomplished only by possession or control by a secured party, bailee or consignee.

8. **Application of Proceeds of Collateral**. As a condition to the continued extension of credit under the DIP Facility and the continued authorization to use Cash Collateral, the Debtors have agreed that as of and commencing on the Closing Date the Debtors shall apply all advances under the DIP Facility, as follows: (i) *first*, to fund the day to day operations and

general corporate purposes of the Debtors' estates; (ii) *second*, to pay the administrative expenses of the Chapter 11 Cases; and (iii) *third*, to make the Prepetition Adequate Protection Payments all in accordance with the DIP Budget.

9. **Proceeds of Subsequent Financing**. If the Debtors, any trustee, any examiner with expanded powers, or any responsible officer subsequently appointed in these Chapter 11 Cases or any Successor Cases, shall obtain credit or incur debt pursuant to Bankruptcy Code sections 364(b), 364(c), or 364(d) or in violation of the DIP Financing Agreemments at any time prior to the indefeasible repayment in full of all DIP Obligations and Prepetition Secured Obligations (to the extent such remain outstanding), and the termination of the DIP Agent's and the DIP Lenders' obligation to extend credit under the DIP Facility, including subsequent to the confirmation of any chapter 11 plan of reorganization with respect to any or all of the Debtors and the Debtors' estates, and such facility is secured by any DIP Collateral, then all the cash proceeds derived from such credit or debt shall immediately be turned over to the DIP Agent to be applied in accordance with this Interim Order and the DIP Financing Agreements.

10. **Cash Collection**.

(a) From and after the date of the entry of this Interim Order, all collections and proceeds of any DIP Collateral or Prepetition Collateral and all Cash Collateral that shall at any time come into the possession, custody, or control of any Debtor, or to which any Debtor is now or shall become entitled at any time, shall be promptly deposited accounts as specified in the DIP Credit Agreement (or in such other accounts as are designated by the DIP Agent from time to time) (collectively, the "***Cash Collection Accounts***"), which accounts shall be subject to the sole dominion and control of the DIP Agent. It is understood and agreed by the Debtors and the DIP Agent that, unless a "Default" or an "Event of Default" under the DIP Credit Agreement has occurred and is continuing, for so long as there are no amounts outstanding under the DIP Facility, proceeds in the Cash Collection Accounts shall be returned to the Debtors and the Debtors shall be authorized to use such Cash Collateral in accordance with this Interim Order. All proceeds and other amounts in the Cash Collection Accounts shall be remitted to the DIP Agent for application in accordance with the DIP Financing Agreements. Unless otherwise agreed to in

writing by the DIP Agent and the Prepetition Agents and Verity MOB or as set forth in this Interim Order, the Debtors shall maintain no accounts except those identified in the interim cash management order entered by the Court [Docket No. ____] with respect thereto (the "***Cash Management Order***"), whether now existing or hereafter established. The Debtors and the financial institutions where the Debtors' Cash Collection Accounts are maintained (including those accounts identified in the Cash Management Order), are authorized and directed to remit, without offset or deduction, funds in such Cash Collection Accounts upon receipt of any direction to that effect from the DIP Agent.

(b) Notwithstanding anything in this Interim Order or any of the DIP Financing Agreements, from and after the date of the entry of this Interim Order, all collections and proceeds of any DIP Collateral or Prepetition Collateral that shall at any time come into the possession, custody, or control of any Debtor, or to which any Debtor is now or shall become entitled at any time, shall promptly be deposited into a depository account furnished by a depository bank acceptable to the DIP Agent and such account shall be in the name of the DIP Agent and subject to the sole dominion and control of the DIP Agent (such account, the "***DIP Collateral Account***"). The Debtors' use of the proceeds in the DIP Collateral Account shall be subject to this Interim Order and the DIP Financing Agreements.

11. **Maintenance of DIP Collateral**. Until the indefeasible payment in full of all DIP Obligations, all Prepetition Secured Obligations, and the termination of the DIP Agent's and the DIP Lenders' obligation to extend credit under the DIP Facility, the Debtors shall: (a) insure the DIP Collateral as required under the DIP Facility or the Prepetition Secured Documents, as applicable; and (b) maintain the cash management system in effect as of the Petition Date, as modified by the Cash Management Order, or as otherwise agreed to by the DIP Agent or otherwise required or permitted by the DIP Financing Agreements or this Interim Order.

12. **DIP and Other Expenses**. The Debtors are authorized and directed to pay all reasonable and documented prepetition and postpetition fees and expenses of the DIP Agent, (including the fees, expenses, and disbursements of Waller, Lansden, Dortch & Davis, LLP, as counsel to the DIP Agent), and the DIP Lenders in connection with the DIP Facility, as provided

herein and in the DIP Financing Agreements, or, if requested by the Debtors, incurred with a proposed conversion of the DIP Facility into exit financing (including the preparation and negotiation of the documentation relating to the exit facility), whether or not the transactions contemplated hereby are consummated, including attorneys' fees, monitoring and appraisal fees, financial advisory fees, fees and expenses of other consultants, and indemnification and reimbursement of fees and expenses. Payment of all such fees and expenses shall not be subject to allowance by the Court. Professionals for the DIP Agent, the DIP Lenders and the Prepetition Secured Creditors shall not be required to comply with the U.S. Trustee fee guidelines; however, any time that such professionals seek payment of fees and expenses from the Debtors, each professional shall provide summary copies of its invoices to the U.S. Trustee contemporaneously with the delivery of such invoices to the Debtors. Any objections raised by the Debtors, the U.S. Trustee or the Committee, if one is appointed, with respect to such invoices must be in writing and state with particularity the grounds therefor and must be submitted to the applicable professional within ten (10) days of the receipt of such invoice; if after ten (10) days such objection remains unresolved, it will be subject to resolution by the Court. Pending such resolution, the undisputed portion of any such invoice will be paid promptly by the Debtors. Notwithstanding the foregoing, the Debtors were authorized and directed to pay on the Closing Date all reasonable and documented fees, costs, and out-of-pocket expenses of the DIP Agent, the DIP Lenders and the Prepetition Secured Creditors incurred on or prior to such date without the need for any professional engaged by such parties to first deliver a copy of its invoice or other supporting documentation. No attorney or advisor to the DIP Agent, the DIP Lenders or any Prepetition Secured Creditor shall be required to file an application seeking compensation for services or reimbursement of expenses with the Court. Upon entry of this Interim Order, any and all fees, costs, and expenses paid prior to the Petition Date by any of the Debtors to the (i) DIP Agent or the DIP Lenders in connection with or with respect to the DIP Facility, and (ii) Prepetition Secured Creditors in connection with or with respect to these matters, were approved in full and shall not be subject to avoidance, disgorgement or any similar form of recovery by the Debtors or any other person.

13. **Indemnification**. The Debtors shall indemnify and hold harmless the DIP Agent and the DIP Lenders in accordance with the terms and conditions of the DIP Credit Agreement.

14. **Right to Credit Bid**. The DIP Lender shall have the right, but not the obligation, to "credit bid" the DIP Obligations during any sale of the DIP Collateral, including without limitation, sales occurring pursuant to section 363 of the Bankruptcy Code or included as part of any reorganization plan subject to confirmation under section 1129(b)(2)(A)(iii) of the Bankruptcy Code.

15. **Carve Out**. The DIP Liens, DIP Superpriority Claim, and Replacement Liens are subordinate only to the following: (i) all fees required to be paid to the clerk of the Bankruptcy Court and to the Office of the United States Trustee pursuant to 28 U.S.C. § 1930(a)(6) (the "***U.S. Trustee Fees***"), together with interest, if any, at the statutory rate; and (ii) all allowed claims for unpaid fees, costs and expenses incurred by persons or firms retrain by the Debtors or the Committee, if any, whose retention is approved by the Bankruptcy Court pursuant to any one or more of sections 327, 328, 363, and 1103 of the Bankruptcy Code, to the extent such claims for fees, costs and expenses are both (a) allowed by the Bankruptcy Court pursuant to the Final Order, and (b) in accordance with, and solely up to the total respective amounts set forth in the DIP Budget for the applicable time frame (the "***Carve Out Expenses***"); provided that the aggregate amount of such Carve Out Expenses shall not exceed (a) $2,000,000 with respect to persons or firms retained by the Debtors, and (b) $75,000 with respect to persons or firms retained by the Committee (collectively, the "***Carve Out Amount***"). Any payment or reimbursement made after the Carve Out Trigger Date in respect of any Carve Out expenses shall permanently reduce the Carve Out Amount on a dollar-for-dollar basis.

16. **Limitation of Use of Proceeds**. Notwithstanding anything set forth herein and except as provided in the following paragraph, the Carve Out shall exclude any fees and expenses incurred in connection with initiating or prosecuting any claims, causes of action, adversary proceedings, or other litigation against the DIP Lender or any of the Prepetition Secured Creditors, including, without limitation, the assertion or joinder in any claim, counterclaim, action, proceeding, application, motion, objection, defenses or other contested matter, the purpose of

which is to seek any order, judgment, determination or similar relief (i) invalidating, setting aside, disallowing, avoiding, challenging or subordinating, in whole or in part, (a) the DIP Obligations, (b) the Prepetition Secured Obligations, (c) the Prepetition Liens, or (d) the DIP Liens, or (ii) preventing, hindering or delaying, whether directly or indirectly, the DIP Lender or Prepetition Secured Creditors' assertion or enforcement of their liens or security interests or realization upon any DIP Collateral or Prepetition Collateral, or (iii) prosecuting any Avoidance Actions against the DIP Lender or any Prepetition Secured Creditor, or (iv) challenging the amount, validity, extent, perfection, priority, or enforceability of, or asserting any defense, counterclaim, or offset to, the Prepetition Secured Obligations, or the adequate protection granted herein, *provided however*, that nothing in this Interim Order shall limit the right of the Debtors to challenge the reasonableness of attorney and financial advisory fees paid or proposed to be paid to Prepetition Secured Creditors as adequate protection payments.

17. **Payment of Compensation.** Nothing herein shall be construed as consent to the allowance of any professional fees or expenses of any of the Debtors or the Committee or shall affect the right of the DIP Lender or the Prepetition Secured Creditors to object to the allowance and payment of such fees and expenses or to permit the Debtors to pay any such amounts not set forth in the DIP Budget.

18. **Section 506(c) Claims**. Nothing contained in this Interim Order shall be deemed a consent by the DIP Lender to any charge, lien, assessment or claim against the DIP Collateral under Section 506(c) of the Bankruptcy Code or otherwise.

19. **Collateral Rights.** Unless the DIP Lender has provided its prior written consent or all DIP Obligations have been paid in full in cash (or will be paid in full in cash upon entry of an order approving indebtedness described in subparagraph (a) below), and all commitments by the DIP Lender to lend have terminated:

(a) The Debtors shall not seek entry, in these proceedings, or in any Successor Case, of any order which authorizes the obtaining of credit or the incurring of indebtedness that is secured by a security, mortgage, or collateral interest or other lien on all or any portion of the DIP Collateral and/or entitled to priority administrative status which is senior or pari passu to the DIP

Liens granted to the DIP Lender pursuant to this Interim Order, the DIP Financing Agreements or otherwise;

(b) The Debtors shall not consent to relief from the automatic stay by any person other than the DIP Lender with respect to all or any portion of the DIP Collateral without the express written consent of the DIP Lender; and

(c) In the event that the Debtors seek entry of an order in violation of subsection (a) hereof, the DIP Lender shall be granted relief from the automatic stay with respect to the DIP Collateral pursuant to the notice procedures set forth in this Order.

20. **Commitment Termination Date.** All DIP Obligations of the Debtors to the DIP Lender shall be immediately due and payable, and the Debtors' authority to use the proceeds of the DIP Facility shall cease, on the date that is the earliest to occur of: (i) September 5, 2019 (the "***Scheduled Termination Date***"); (ii) the earlier of: (a) the date that is thirty (30) days from entry of this Interim Order unless a final, non-appealable order of the Bankruptcy Court authorizing the DIP Facility in form and substance satisfactory to the DIP Lender in its sole and absolute discretion has been entered and has become effective prior to the expiration of such period (or such later date as the DIP Lender may approve in writing in its sole and absolute discretion), (b) the date the Court denies entry of the Final Order, or (c) the date of revocation of this Interim Order or the Final Order, as applicable; (iii) the substantial consummation (as defined in Section 1101 of the Bankruptcy Code and which for purposes hereof shall be no later than the "*effective date*") of a plan of reorganization filed in the Chapter 11 Cases that is confirmed pursuant to an order aentered by the Bankruptcy Court; (iv) the consummation of a sale of all or substantially all of the DIP Collateral; (v) the date the Bankruptcy Court orders the conversion of the Chapter 11 Cases to a Chapter 7 liquidation or the dismissal of the Chapter 11 Cases or the appointment of a trustee or examiner with expanded power in the Chapter 11 Cases; and (vi) the acceleration of the DIP Loan and the termination of the commitments with respect to the DIP Facility in accordance with the DIP Financing Agreements (the earliest of such dates, the "***Commitment Termination Date***").

21. **Disposition of Collateral**. The Debtors shall not sell, transfer, lease, encumber or otherwise dispose of any portion of the DIP Collateral, without the prior written consent of the DIP Lender (and no such consent shall be implied, from any other action, inaction or acquiescence by the DIP Lender or an order of this Court), except as provided in the DIP Financing Agreements and this Interim Order and approved by the Bankruptcy Court to the extent required under applicable bankruptcy law. Nothing herein shall prevent the Debtors from making sales in the ordinary course of business to the extent consistent with the DIP Budget and as permitted in the DIP Financing Agreements.

22. **Events of Default.** The occurrence of a "Default" or an "Event of Default" pursuant to Section 9.1 the DIP Credit Agreement, including, without limitation, the "Bankruptcy Defaults" enumerated in Section 9.1(q) of the DIP Credit Agreement, shall constitute an event of default under this Interim Order, unless expressly waived in writing in accordance with the consents required in the DIP Financing Agreements.

23. **Rights and Remedies Upon Event of Default.**

(a) Any otherwise applicable automatic stay is hereby modified so that after the occurrence of any Event of Default and at any time thereafter during the continuance of such Event of Default, the DIP Lender shall be entitled to exercise its rights and remedies with respect to the Debtors and the DIP Collateral provided in the DIP Financing Agreements and by applicable law, including, without limitation, foreclosing on and selling the DIP Collateral, without the need for further court approval or the consent of any other party.

(b) Notwithstanding the preceding paragraph, immediately following the giving of notice by the DIP Lender of the occurrence and continuance of an Event of Default, the DIP Lender shall have the right in its sole discretion to take any or all of the following actions: (i) declare the commitment of the DIP Lender to make the DIP Loan to be terminated; (ii) declare the unpaid principal amount of all outstanding DIP Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other DIP Financing Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by any Debtor; (iii) reduce the advance rates in

respect of Eligible Accounts (as defined in the DIP Credit Agreement) or take additional reserves against or otherwise modify the Borrowing Base; and (iv) exercise all rights and remedies available to the DIP Agent and the DIP Lenders under the DIP Financing Documents, including any right of set-off under Section 11.21 of the DIP Credit Agreement, or under the UCC or any other applicable law; *provided, however*, that upon the occurrence of an Event of Default under the DIP Credit Agreement, the obligation of the DIP Lenders to make the DIP Loan shall automatically terminate, the unpaid principal amount of all outstanding DIP Loans and other DIP Obligations and all interest and other amounts as aforesaid shall automatically become due and payable without further act of the DIP Agent or any DIP Lender.

(c) Nothing included herein shall prejudice, impair, or otherwise affect the DIP Lender's rights to seek any other or supplemental relief in respect of the DIP Lender's rights, as provided in the DIP Credit Agreement.

24. **Limitation on Lender Liability**. Nothing in this Interim Order, any of the DIP Financing Agreements, or any other documents related thereto shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Agent, the DIP Lenders or the Prepetition Secured Parties Creditors of any liability for any claims arising from any activities by the Debtors in the operation of their businesses or in connection with the administration of these Cases. The DIP Agent, the DIP Lenders and the Prepetition Secured Creditors shall not, solely by reason of having made loans under the DIP Facility, be deemed in control of the operations of the Debtors or to be acting as a "responsible person" or "owner or operator" with respect to the operation or management of the Debtors (as such terms, or any similar terms, are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§ 9601 et seq., as amended, or any similar federal or state statute). Nothing in this Interim Order or the DIP Financing Agreements shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Agent, the DIP Lenders, or any of the Prepetition Secured Creditors of any liability for any claims arising from the prepetition or postpetition activities of any of the Debtors.

25. **Insurance Proceeds and Policies**. As of the entry of this Interim Order and to the fullest extent provided by applicable law, the DIP Agent (on behalf of the DIP Lenders) and the Prepetition Agents and Verity MOB (on behalf of the Prepetition Secured Creditors), shall be, and shall be deemed to be, without any further action or notice, named as additional insured and as lender's loss payee with the priority as to all rights and remedies as set forth herein and in the DIP Credit Agreement.

26. **Proofs of Claim**. The DIP Lender will not be required to file proofs of claim in the Chapter 11 Cases. Any proof of claim so filed shall be deemed to be in addition and not in lieu of any other proof of claim that may be filed by any of the Prepetition Secured Creditors.

27. **Other Rights and Obligations**.

(a) **Good Faith Under Section 364(e) of the Bankruptcy Code. No Modification or Stay of this Interim Order.** The DIP Lender has acted in good faith in connection with negotiating the DIP Financing Agreements, extending credit under the DIP Facility, and its reliance on this Interim Order is in good faith. Based on the findings set forth in this Interim Order and the record made during the Interim Hearing, and in accordance with section 364(e) of the Bankruptcy Code, in the event any or all of the provisions of this Interim Order are hereafter reversed, modified amended or vacated by a subsequent order of this or any other Court, the DIP Lender is entitled to the protections provided in section 364(e) of the Bankruptcy Code. Any such reversal, modification, amendment or vacatur shall not affect the validity and enforceability of any advances made pursuant to this Interim Order or the DIP Financing Agreements, nor shall it affect the validity, priority, enforceability, or perfection of the DIP Liens. Any claims and DIP Protections granted to the DIP Lender hereunder arising prior to the effective date of such reversal, modification, amendment or vacatur shall be governed in all respects by the original provisions of this Interim Order, and the DIP Lender shall be entitled to all of the rights, remedies, privileges and benefits, including the DIP Protections granted herein, with respect to any such claim. Since the loans made pursuant to the DIP Credit Agreement are made in reliance on this Interim Order, the obligations owed to the DIP Lender prior to the effective date of any reversal or modification of this Interim Order cannot, as a result of any

subsequent order in the Chapter 11 Cases or in any Successor Cases, be subordinated, lose their lien priority or superpriority administrative expense claim status, or be deprived of the benefit of the status of the liens and claims granted to the DIP Lender under this Interim Order and/or the DIP Financing Agreements.

(b) **Binding Effect**. The provisions of this Interim Order shall be binding upon and inure to the benefit of the DIP Lender, the Debtors, the Prepetition Secured Lenders, the Committee, if appointed, all other Parties in Interest, and all creditors, and each of their respective successors and assigns (including any trustee or other fiduciary hereinafter appointed as a legal representative of the Debtors or with respect to the property of the estates of the Debtors) whether in the Chapter 11 Cases, in any Successor Cases, or upon dismissal of any such chapter 11 or chapter 7 case.

(c) **No Waiver**. The failure of the DIP Lender to seek relief or otherwise exercise its rights and remedies under the DIP Financing Agreements, the DIP Facility, this Interim Order or otherwise, as applicable, shall not constitute a waiver of the DIP Lender's rights hereunder, thereunder, or otherwise. Notwithstanding anything herein, the entry of this Interim Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, or otherwise impair the DIP Lender under the Bankruptcy Code or under non-bankruptcy law, including without limitation, the rights of the DIP Lender to (i) request conversion of the Chapter 11 Cases to cases under Chapter 7, dismissal of the Chapter 11 Cases, or the appointment of a trustee in the Chapter 11 Cases, (ii) propose, subject to the provisions of section 1121 of the Bankruptcy Code, a plan of reorganization, or (iii) exercise any of the rights, claims or privileges (whether legal, equitable or otherwise) the DIP Lender may have pursuant to this Interim Order, the DIP Financing Agreements, or applicable law. Nothing in this Interim Order shall interfere with the rights of any party with respect to any non-Debtors.

(d) **No Third Party Rights**. Except as explicitly provided for herein, this Interim Order does not create any rights for the benefit of any third party, creditor, equity holder or any direct, indirect, or incidental beneficiary. (e) No Marshaling. The DIP Lender shall not be

subject to the equitable doctrine of "marshaling" or any other similar doctrine with respect to any of the DIP Collateral.

(e) **No Marshaling**. The DIP Lender shall not be subject to the equitable doctrine of "marshaling" or any other similar doctrine with respect to any of the DIP Collateral.

(f) **Amendment.** The Debtors and the DIP Lender may amend or waive any provision of the DIP Financing Agreements, provided that, to the extent such amendment or waiver impairs the Debtors or DIP Collateral of the Debtors, such amendment must be on notice to the Office of the U.S. Trustee and any Committee (if appointed), provided that such amendment or waiver, in the reasonable judgment of the Debtors and the DIP Lender, is both non-prejudicial to the rights of third parties or is not material. Except as otherwise provided herein, no waiver, modification, or amendment of any of the provisions of the DIP Financing Agreements shall be effective unless set forth in writing, signed on behalf of all the Debtors and the DIP Lender, and, if material, approved by the Bankruptcy Court. Nothing herein shall preclude the Debtors and the DIP Lender from implementing any amendment or waiver of any provision of the DIP Financing Agreements.

28. **Survival of Interim Order and Other Matters.** The provisions of this Interim Order and any actions taken pursuant hereto shall survive entry of any order which may be entered (i) confirming any Plan in the Chapter 11 Cases, (ii) converting any of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code or any Successor Cases, (iii) to the extent authorized by applicable law, dismissing any of the Chapter 11 Cases, (iv) withdrawing of the reference of any of the Chapter 11 Cases from this Court, or (v) providing for abstention from handling or retaining of jurisdiction of any of the Chapter 11 Cases in this Court. The terms and provisions of this Interim Order including the DIP Protections granted pursuant to this Interim Order and the DIP Financing Agreements and any protections granted to the Prepetition Secured Creditors, shall continue in full force and effect notwithstanding the entry of such order, and such DIP Protections and protections for the Prepetition Secured Creditors shall maintain their priority as provided by this Interim Order until all the obligations of the Debtors to the DIP Lender pursuant to the DIP Financing Agreements have been indefeasibly paid in full and in cash and

discharged (such payment being without prejudice to any terms or provisions contained in the DIP Financing Agreements which survive such discharge by their terms). The DIP Obligations shall not be discharged by the entry of an order confirming a plan of reorganization, the Debtors having waived such discharge pursuant to section 1141(d)(4) of the Bankruptcy Code.

(a) **Inconsistency**. In the event of any inconsistency between the terms and conditions of the DIP Financing Agreements and of this Interim Order, the provisions of this Interim Order shall govern and control.

(b) **Enforceability**. This Interim Order shall constitute findings of fact and conclusions of law pursuant to the Bankruptcy Rule 7052 and shall take effect and be fully enforceable *nunc pro tunc* to the Petition Date immediately upon entry of this Interim Order. Notwithstanding Bankruptcy Rules 4001(a)(3), 6004(h), 6006(d), 7062, 9024, or any other Bankruptcy Rule, or Rule 62(a) of the Federal Rules of Civil Procedure, this Interim Order shall be immediately effective and enforceable upon its entry and there shall be no stay of execution or effectiveness of this Interim Order. The rights of all parties in interest to object to the terms of the Final Order, the DIP Credit Agreement and any other DIP Financing Agreements at the Final Hearing are expressly reserved.

(c) **Objections Overruled**. All objections to the DIP Motion to the extent not withdrawn or resolved, are hereby overruled on an interim basis.

(d) **No Waivers or Modification of Interim Order**. The Debtors irrevocably waive any right to seek any modification or extension of this Interim Order without the prior written consent of the DIP Lender and no such consent shall be implied by any other action, inaction or acquiescence of the DIP Lender. No Effect on Non-Debtor Collateral. Notwithstanding anything set forth herein, neither the liens nor claims granted in respect of the Carve Out shall be senior to any liens or claims of the DIP Lender with respect to any other non-Debtor or any of their assets.

29. **Final Hearing.**

I became the Debtors' acting CFO on August 20, 2018 and on August 29, 2018, the board of directors appointed me as the CFO. Prior to my appointment as acting CFO, I served as the VHS SVP Hospital Finance, with oversight responsibilities over all of Verity Health System hospitals' CFOs from February 1, 2018 until August 19, 2018, and as the St Vincent Medical Center CFO from March 2016 to February 2018. My career has included three years at Prospect Medical Holdings from March 2013 to March 2016 in various senior level corporate finance positions including Hospital System CFO, ten years as the controller for three different hospital and hospital systems (e.g., Saint John's Health Center & Affiliates, Valley Presbyterian Hospital, and USC Kenneth Norris Jr. Cancer Hospital), and three years as a Financial Market Analyst for El Camino Hospital. I received my Masters in Health Administration from the University of Southern California in 2005, and my Bachelor of Science from University of California, San Diego in 1998.

3. On August 31, 2018 (the "Petition Date"), the above referenced Debtors filed voluntary petitions under Chapter 11 of the United States Bankruptcy Code, 11 U.S.C. section 101, et seq. I have prepared a summary of the funded debt obligations of the Debtors in these jointly administered chapter 11 cases.[1] My summary is attached as **Exhibit "1"** to this Declaration.

4. VHS, Verity Business Services ("VBS") and VHS's five acute care hospital subsidiaries[2], and one operating division (the "Hospitals")[3] are jointly obligated parties on approximately $461.4 million of outstanding secured debt consisting of: (a) $259.4 million outstanding tax exempt revenue bonds, Series 2005 A, G and H issued by the California Statewide Communities Development Authority (the "2005 Bonds"), which loaned the bond proceeds to VHS to provide funds for capital improvements and to refinance certain tax exempt bonds previously issued in 2001 by the Daughters of Charity Health System, a religious enterprise and VHS's reorganization predecessor; and (b) $202 million outstanding tax exempt revenue notes, Series 2015[4] A, B, C, and D and Series 2017 issued by the California Public Finance Authority, which loaned the proceeds to VHS to provide working capital (the "Working Capital Notes"). Wells Fargo Bank, N.A. ("Wells Fargo") is the Bond Trustee and U.S. Bank National Association ("U.S. Bank") is the Master Trustee[5] and DACA Collateral Agent for the prepetition

[1] The Debtors in these cases are: Verity Health System of California, Inc., O'Connor Hospital, Saint Louise Regional Hospital, St Francis Medical Center, St. Vincent Medical Center, Seton Medical Center and Seton Coastside, Verity Holdings LLC and Verity Medical Foundation, O'Connor Hospital Foundation, Saint Louise Regional Hospital Foundation, St. Francis Medical Center of Lynwood Medical Foundation, St. Vincent Foundation, St. Vincent Dialysis Center, Seton Medical Center Foundation, Verity Business Services, and DePaul Ventures, LLC.

[2] The following hospitals operate as separate not-for-profit corporate subsidiaries of Verity: (1) O'Connor Hospital, located in San Jose, California (2) Saint Louise Regional Hospital, located in Daley City, California, (3) Seaton Medical Center, located in Daly City, California, (4) St. Francis Medical Center, located in Lynwood, California and (5) St. Vincent Medical Center, located in Los Angeles, California. Seton Medical Center Coastside is a separately named Obligor, but is an operating division of Seaton Medical Center located in Moss Beach, California.

[3] See note 1, *supra*.

[4] A portion of the Series 2015 Working Capital Notes refinanced a 2014 tax exempt conduit issuance of Verity secured debt also issued by the California Public Finance Authority.

[5] The Debtors have been advised, that UMB Bank, N.A., a national banking association, has accepted an appointment as successor Master Trustee as of the Petition Date.

secured 2005 Bonds. U.S. Bank is the Note Trustee and also the Collateral Agent for the Working Capital Notes.

5. Except for the taxable Series 2015C of the Working Capital Notes,[6] the 2005 Bonds and the Working Capital Notes are all tax exempt, meaning interest on the bonds and notes is not taxable to the holders so long as the issuer maintains its qualified tax-exempt status and the proceeds of the bonds and notes were used for the tax exempt purposes for which they were originally intended. The Series 2005 A Bonds are comprised four term bonds maturing on July 1, 2024, 2030 and 2035 bearing interest at 5.75% (Series 2005A-2024), (Series 2005A-2030), (Series 2005A-2035) and one maturing July 1, 2039 bearing interest at 5.50% (Series 2005A-2039). The Series 2005G term bond matures on July 1, 2022 and bears interest at 5.50%. The Series 2005H- term bond matures on July 1, 2025 and bears interest at 5.75%. The Working Capital Notes mature on June 10, 2019 (Series 2015A, Series 2015B, Series 2015C and Series 2015D) and on December 10, 2020 (Series 2017A, 2017B). Series 2015A and B and Series 2017 and 2017B bear interest at 7.25%, while the Series 2015D carries an 8.75% interest rate and Series 2015C accrues interest at 9.5%.

6. Verity Holdings LLC ("Holdings"), a direct subsidiary of its sole member VHS, was created in 2016 to hold and finance VHS's interests in various parcels of real estate, including six medical office buildings whose tenants are primarily physician and other practicing medical groups and certain of the Verity Hospitals. Holdings is the borrower on approximately $66 million in two series of non-recourse financing secured by separate deeds of trust, revenue and accounts pledges, including lease rents on each medical building (collectively the "MOB Financings"). The MOB Financings bear interest at a variable interest rate based on equal to One Month LIBOR plus a spread of 5.0% with a floor of 6.23% and 6.92%. The secured lenders for the MOB Financings are affiliates of NantWorks, LLC, which is an affiliate of the Debtors' pre-petition manager, Integrity Healthcare LLC ("Integrity").[7]

[6] The Working Capital Note Series 2015C in the currently outstanding amount of $10.0 million is the sole series of the Working Capital Notes that is not tax-exempt.

[7] Integrity was the prepetition manager of the Verity hospital system, whose contract and arrangement with Verity was approved by the former California Attorney General Kamala Harris during 2015.

7. During May 2017, the California Statewide Communities Development Authority issued $20 million of limited obligation tax exempt bonds,[8] pursuant to the CaliforniaFIRST Clean Fund Program in five series, all with the same maturity date of September 2, 2047 (the "Clean Fund Bonds"), as the conduit issuer for the benefit and obligation of Seton Medical Center. The purpose of the bond funding was to assist with clean energy and seismic construction efforts of the Seton Medical Center and are secured by Seton Medical Center's voluntary agreement to special tax assessments by Daly City. No other Debtor is liable for repayment of the Clean Fund Bonds. Wilmington Trust National Association ("WTNA") is the Trustee holding the construction funds, and a pre funded capitalized interest fund and is the collateral agent for collection of the special tax assessments for use in paying interest and principal on the Clean Fund Bonds. Interest on the Clean Fund Bonds accrues at 6.4%. The special assessment runs for a period which is the shorter of 30 years or the early full defeasement of the Clean Fund Bonds. However, only Seton Medical Center is liable on the Clean Fund Bonds.

8. Also in September 2017, the California Statewide Communities Development Authority issued a single series $20 million of limited obligation tax exempt bonds[9] pursuant to the CaliforniaFIRST Program for the purpose of assisting with clean energy and seismic improvement construction at Seton Medical Center ("NR2 Petros Bonds"). The NR2 Petros Bonds also mature on September 2, 2047 but carry an interest rate of 6.45%. The NR2 Petros Bonds also are secured by a special Daly City tax assessment on Seton Medical Center property. No other Debtor is liable for repayment of the NR2 Petros Bonds. The special assessment runs for a period which is the shorter of 30 years or the early full defeasement of the NR2 Petros Bonds.[10] WTNA is the Trustee holding the seismic improvement funds, as well as a pre-funded interest payment fund.

9. NantCapital, LLC also provided $40 million of unsecured debt financing for VHS as reflected in two $20 million unsecured notes dated March 7, 2018 and March 29, 2018 (the

"Unsecured Notes"). The Unsecured Notes are balloon notes with interest and principal payable at maturity in 2020 and near interest at 7.25% compounded annually.

II. Access to Cash

10. As explained above, virtually all the Debtors' income is subject to prepetition perfected pledges. The gross revenue of the Hospitals (the "Gross Revenue Pledge") is in favor of the 2005 Bonds and their prepetition accounts and government receivables are subject to a perfected collateral pledge (the "Accounts Pledge") in favor of the Working Capital Notes. Pursuant to the terms of a certain Amended and Restated Intercreditor Agreement dated September 1, 2017 (the "Intercreditor Agreement"), the Master Trustee acting on behalf of the 2005 Bonds expressly agreed to subordinate of its liens, including the Gross Revenue Pledge, to the Accounts Pledge. In addition, the assets, revenues and accounts for various income generating medical buildings owned by Holdings are the subject of prepetition deeds of trust and perfected pledges of accounts, including lease rents. Although, the Debtors' operating cash is held in bank accounts that are not the subject of control agreements, and are thus unsecured, all of the Debtors revenue-based receipts are pass through Lockboxes and Gross Revenue Accounts that are the subject of control agreements in favor of the prepetition collateral agent, U.S. Bank.

11. As explained in the First Day Declaration of Rich Adcock, the Debtors have consistently lost money for many years due to, among other things, unfavorable payor contracts and burdensome labor agreements with accelerating pension costs for union and non-union employees. The VHS Hospitals also are dramatically under invested in structural improvements necessary to meet California's state mandated seismic and clean energy requirements. The combined effect of these issues has resulted in a consistent decline in operating cash balances absent additional financing.

11A. Absent granting emergency access to the Debtors' cash collateral, the Debtors will not be able to make payroll or meet other obligations critical to the maintenance of safe facilities and the delivery of effective acute care services for its patients and staff during the week ending September 7, 2018. Absent emergency access to postpetition financing, the Debtors will lose vendor support for critical postpetition deliveries of goods and services further burdening the

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

Debtors use of cash. Absent entry of an interim order granting the requested relief, the very existence of the Hospitals will be threatened and the ability of the Hospitals to survive as going concerns, whether or not owned by the Debtors, will be irreparably harmed.

12. As of the filing date, I expect the Debtors to have less than $40 million of cash on hand[11] that is not subject to control accounts in favor of either the 2005 Bonds, the Working Capital Notes or the MOB Financings, and excluding cash held by WTNA for the Clean Fund Bonds or the NR2 Petros Bonds. However, the Debtors expect to spend approximately $113 million during the first four weeks of the case and operating cash losses for the same four weeks are expected to exceed $11 million. Such expenditure and negative cash flow (the "burn") does not include critical vendors payments, adequate protection payments to prepetition secured lenders, pension contributions or needed capital expenditures. Although, the Debtors anticipate having in excess of $219 million in net accounts receivable on hand at the Petition Date and expect to generate approximately $80 million in new post-petition receivables over the first four week period, U.S. Bank as Note Trustee for the obligated group Working Capital Notes has taken the position that all of the postpetition receipts for the near term are the proceeds of prepetition accounts and government receivables, which constitute priority collateral for the Working Capital Notes. As a result, in order to survive the opening phases of the Chapter 11 cases and beyond, the Debtors must obtain access to prepetition cash collateral by stipulation or order of this Court.

13. In addition, the Debtors have immediate needs for access to debtor in possession financing. The Debtors have substantial trade payables consistent with the operations of a large organization that receives substantial trade support in the form of traditional credit terms. While the length of terms has begun to shorten as the trade balances grew, I believe, after consultation with financial and capital markets advisers from the Berkley Research Group ("BRG") and Cain Brothers, a division of KeyBanc Capital Markets ("Cain"), that the Debtors will have access to normal or near normal unsecured credit terms providing the Debtors have access to substantial liquidity in the form of postpetition financing.

[11] This is a book balance value and does not take into consideration any uncashed employee wage checks against accounts or third-party payment checks drawn on the Debtors' bank accounts in accordance with long term risk sharing contracts with non-Verity hospital and medical providers.

13A. As a result of these factors, the Debtors have filed the Emergency Motion for an order seeking use of cash collateral and authority to undertake debtor in possession financing, both on terms described in this Declaration.

III. Search for Additional Financing

14. As indicated above, the financing requested herein is being requested for up to the lesser period of (a) the first anniversary of the Interim Order approving the DIP Facility or (b) the earlier of (i) the date that is 30 days from entry of the Interim Order (as defined herein) unless a final, non-appealable order of the Bankruptcy Court authorizing the DIP Facility in form and substance satisfactory to the DIP Agent in its sole and absolute discretion (the "Final Order") has been entered and has become effective prior to the expiration of such period (or such later date as the DIP Agent may approve in writing in its sole and absolute discretion), (ii) the date the Court denies entry of the Final Order, or (iii) the date of revocation of the Interim Order or the Final Order, as applicable; (c) the substantial consummation (as defined in § 1101 of the Bankruptcy Code and which for purposes hereof shall be no later than the "effective date") of a plan of reorganization filed in the Chapter 11 Cases that is confirmed pursuant to an order entered by the Bankruptcy Court; (d) the consummation of a sale of all or substantially all of the Collateral; (e) the date the Bankruptcy Court orders the conversion of the Chapter 11 Cases to a Chapter 7 liquidation or the dismissal of the Chapter 11 Cases or the appointment of a trustee or examiner with expanded power in the Chapter 11 Cases; and (f) the acceleration of the DIP Loans and the termination of the commitments with respect to the DIP Facility in accordance with the DIP Loan Documents (the earliest of such dates, the "Termination Date").

15. In my judgment, after consultation with advisers from Cain and BRG, the twelve-month time frame is the reasonably necessary period of time to reorganize or complete a plan of liquidation. The Debtors' have a poor financial history, face the possibility of extended regulatory review of any transactions by the Office of the California Attorney General, project continuing operating losses and were recently informed that California will delay disbursement of the next two cycles of the Managed Care Quality Assurance Fee payments to Hospitals by up to six months. As a result of the cumulative effect of these circumstances, the management team

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

has concluded that there is no realistic possibility for the Debtors to achieve a true reorganization as a not-for-profit enterprise that is (a) self-sustaining on a cash basis and (b) capable of supporting a capital structure sufficient to provide needed capital improvements to provide a safe and energy-efficient hospital and medical services delivery system. As a result, twelve months could be the reasonable minimum passage of time until either (i) all of the Debtors' major assets have been sold or (ii) the Court could confirm a plan of liquidation that anticipated the closings relating to such sales of assets. The proposed DIP Facility clearly advances the Debtors' public purpose of providing effective, safe and efficient medical services delivery for the benefit of the communities they may serve.

16. The proposed DIP Facility and its expedited term contemplate speedy resolution of these Chapter 11 cases. Such financing is critical to both the Debtors' operations, and their ability to preserve the value of the hospital and medical building assets pending the results of the Debtors' prepetition transaction solicitation process, one or more auctions and approval of any related private or auction sale(s). The proposed financing under the DIP Facility is needed to maintain an appropriate level of liquidity independently of the use of any asset sale proceeds and help fund the continuing losses associated with the Debtors' day-to-day operations.

17. As evidenced by the Unsecured Notes and the MOB Financing, the Debtors have continued to seek additional liquidity throughout 2018. In July 2018, Cain, acting as our investment advisers, began to search alternative transactions including new investors. Beginning the week of July 23, Cain expanded its efforts to include possible debtor in possession ("DIP") financing. Cain has reached out to over 110 potential buyers and 16 DIP financing parties; 51 potential buyers and 8 DIP financing parties signed confidentiality agreements. The Debtors have also consulted with certain existing holders of the 2005 Bonds and the Working Capital Notes and the MOB Financings to gauge their interest in post-petition term loans and consents to the use of cash collateral. The combined searches yielded 11 indications of interest from potential buyers and 4 offers for debtor in possession financing, including the one firm proposal being put forward through the Debtors. A summary of principal terms expressly agreed by Ally Bank as DIP

Lender and DIP Agent is and described below under Section V, and a copy of the currently proposed form of DIP Credit Agreement is attached to this Declaration as **Exhibit "3**."

18. All of the parties who expressed interest offered either less financing than the Debtors initially sought, sought higher interest rates on the offered lending and/or insisted upon a prompt sales process to dispose of all or substantially all of the Debtors' assets. Although the Debtors continue to explore the possibility of a reorganization as a tax-exempt enterprise around one or more Hospitals, it has chosen to agree to an expedited consideration of a sales process for all of its assets to compare against its possible reorganization value.

IV. Adequate Protection for Pre-Petition Secured Creditors.

19. The Debtors propose four forms of adequate protection for use of cash collateral and imposition of first priority priming liens on all assets of the Debtors that are subject to perfected liens and deeds of trust in favor of the Prepetition Secured Lenders: (1) adequate protection payments. (2) replacement lien, (3) preservation of Debtors' equity cushion through continuous maintenance of real property and (4) super priority expenses of administration for any proven diminution of value, as follows. First, use of DIP Facility proceeds in accordance with the Initial Agreed Budget (defined below) attached to my Declaration as **Exhibit "2"** to provide adequate protection payments equivalent to post-petition, non-default interest on the outstanding balances of the 2005 Bonds, Working Capital Notes and MOB Financings, plus reasonable attorneys' fees and financial advisor fees for one set of attorneys and financial advisors for U.S. Bank as Trustee and Collateral Agent for the Working Capital Notes and the 2005 Bonds and one set of attorneys and financial advisors for the MOB Notes.

20. Second, to the extent of the diminution in the value of the interest of the Prepetition Secured Creditors in the Prepetition Collateral the Debtors propose to provide junior replacement liens. The Prepetition Secured Creditors shall have, subject to the terms and conditions set forth below, pursuant to sections 361, 363(e), and 364(d) of the Bankruptcy Code additional and replacement security interests and Liens in the DIP Collateral, excluding Clean Fund Bonds and NR2 Petros Bonds collateral held by WTNA and Bankruptcy Recoveries (the "Prepetition Replacement Liens") which shall be junior only to the Carve Out, the DIP Liens

securing the DIP Obligations, *provided, however,* that any Prepetition Replacement Liens granted to the Note Trustee on account of the Diminution in Value of any Prepetition Collateral in which it holds senior priority security interests shall be senior to the replacement liens granted to the other Prepetition Secured Creditors and junior only to the Carve Out and the DIP Liens securing the DIP Obligations. Proceeds of Prepetition Replacement Liens shall be allocated amongst Prepetition Secured Creditors in accordance with the terms of the Second Amended and Restated Intercreditor Agreement. "Bankruptcy Recoveries" shall mean any claims and causes of action to which the Debtor may be entitled to assert by reason of any avoidance or other power vested in or on behalf of the Debtor or the estate of the Debtor under Chapter 5 of the Bankruptcy Code and any and all recoveries and settlements thereof.

21. Third, it is my judgment based upon the current book value of the Debtors' assets (approximately $847 million as of June 30, 2018), that the realizable value of the prepetition collateral securing the obligations due the Prepetition Secured Lenders, exceeds the value of such obligations (approximately $568 million). To preserve the prepetition value of the Debtors real property and improvements, the Debtors will use DIP Facility proceeds in accordance with the Initial Agreed Budget (defined below) and in the ordinary course to continue to maintain all of the pre-petition real property securing the Debtors' obligations due to the Prepetition Secured Creditors in good repair.

22. Fourth, to the extent of the diminution in the value of the allowed interests of the Prepetition Secured Creditors in the Prepetition Collateral, the Prepetition Secured Creditors shall have an allowed superpriority administrative expense claim (the "Prepetition Superpriority Claim"), which shall have priority (except with respect to (i) the DIP Liens, (ii) the DIP Superpriority Claim, and (iii) the Carve Out), in the Chapter 11 Case under sections 364(c)(1), 503(b), and 507(b) of the Bankruptcy Code and otherwise over all administrative expense claims and unsecured claims against the Debtor and its estate, now existing or hereafter arising, of any kind or nature whatsoever including, without limitation, administrative expenses of the kinds specified in or ordered pursuant to sections 105, 326, 328, 330, 331, 503(a), 503(b), 507(a), 507(b), 546(c), 546(d), 552, 726, 1113, and 1114 of the Bankruptcy Code, and, upon entry of the

Final Order, section 506(c) of the Bankruptcy Code, whether or not such expenses or claims may become secured by a judgment Lien or other non-consensual Lien, levy, or attachment. Other than the DIP Liens, the DIP Superpriority Claim, and the Carve Out, no costs or expenses of administration, including, without limitation, professional fees allowed and payable under sections 328, 330, and 331 of the Bankruptcy Code, or otherwise, that have been or may be incurred in the Chapter 11 Case, or in any Successor Case, will be senior to, prior to, or on parity with the Prepetition Superpriority Claim (for purposes hereof, such liens will be deemed part of the "Prepetition Replacement Liens").

23. All of the adequate protection and property maintenance expenses undertaken by the Debtors in the ordinary course of business are included in the Initial Agreed Budget (defined below). Thus, expenditures of DIP Financing proceeds along with use of cash derived from pre-petition cash collateral will preserve the Debtors going concern values, in general and for each subsidiary. In the event one or more Hospitals are sold, I am advised that the pre-petition lenders security interest, along with the DIP Liens will attach to the proceeds such sale providing more generalized protection of the collateral values as of the Petition Date.

24. As a final consideration of the adequacy of the Debtors protection proposal, based upon my experience and training as an operating finance professional, I believe based upon current book value of the Obligated Group assets of approximately $709 million, excluding related party receivables, that the realizable value of such assets exceeds the prepetition value of the secured Obligated Group liabilities of approximately $501 million. I also believe, based upon the current book value of the non-Obligated Group assets of $144 million, excluding related party receivables, that the realizable value of such assets exceeds the prepetition value of the secured non-Obligated Group liabilities of $66 million under the MOB Financings. Indeed, the book value, of the assets are respectively more than 20% above (a) the combined outstanding 2005 Bonds and Working Capital Notes and (b) the MOB Financings. My views are further informed by the confident expression of realizable value by Cain, as the Debtors investment advisors.

35. INTEREST RATE: Borrower shall pay interest under the DIP Facility at 30 Day LIBOR plus 4.50%. There will be a LIBOR floor of 2.0%. Interest shall be calculated on the basis of the actual number of days elapsed in a 360 day year.

36. FEES AND EXPENSES: The Debtors agree to pay to the DIP Lender, (i) a closing fee on the Closing Date in the amount of 1.25% of the commitment amount of the DIP Facility and (ii) Unused Line Fees of 0.75% per annum, on the average daily balance of the unused portion of the DIP Facility payable monthly in arrears, and (iii) all reasonable costs, fees and expenses incurred or to be incurred by the DIP Agent in connection with the documentation, administration, syndication, closing, amendment, modification and/or enforcement of the DIP Facility, including but not limited to field exam expenses, shall be payable upon demand by the Borrower. However, under the DIP Facility there will be no (x) early termination or prepayment fee, (y) collateral management fee or (z) minimum balance requirement.

37. CARVE OUT: The DIP Liens, DIP Superpriority Claim, the Prepetition Liens, the Prepetition Replacement Liens, and the Prepetition Superpriority Claims are subordinate only to the following (collectively, the "Carve Out"):

(b) to the extent allowed at any time, whether by interim order, procedural order or otherwise, all allowed claims for unpaid fees, costs and expenses incurred by persons or firms retained by the Borrowers or the official committee of unsecured creditors in the Chapter 11 Cases (the "Creditors' Committee"), if any, whose retention is approved by the Bankruptcy Court pursuant to any one or more of sections 327, 363, and 1103 of the Bankruptcy Code, to the extent

such claims for fees, costs and expenses are both (i) allowed by the Bankruptcy Court pursuant to a final order at any time, and (ii) in accordance with, and solely up to the total respective amounts set forth in, the DIP Budget (as defined below) for the applicable timeframe (the "Carve-Out Expenses"); provided that the aggregate amount of such Carve-Out Expenses shall not exceed (i) $2,000,000 with respect to persons or firms retained by the Borrowers, and (ii) $75,000 with respect to persons or firms retained by the Creditors' Committee (collectively, the "Carve-Out Amount"). Any payment or reimbursement made after the Carve Out Trigger Date in respect of any Carve-Out Expenses shall permanently reduce the Carve-Out Amount on a dollar-for-dollar basis.

38. DIP LIENS: All DIP Obligations of the Borrowers shall be secured by the DIP Liens, which shall be granted in the DIP Credit Documents and approved by the Bankruptcy Court in the DIP Orders, on (1) all existing and after-acquired real and personal property of each Borrower, and (2) the outstanding equity interests issued by each Borrower (to the extent applicable), and all substitutions, accessions, products and proceeds of each of the foregoing (the "Collateral"). 39. The DIP Collateral shall not include any specified excluded collateral agreed to by the DIP Lenders, and donor restricted funds at the Philanthropic Foundations, the Pace collateral (which consists solely of use restricted proceeds of a conduit California tax exempt financing under the control of WTNA as Trustee and the associated Daly City special property tax assessments on the applicable properties) and claims and causes of action of the Borrowers' bankruptcy estates under chapter 5 of the Bankruptcy Code ("Avoidance Actions").

40. PRIMING LIENS: The DIP Liens shall, pursuant to section 364(d)(1) of the Bankruptcy Code, be valid, perfected, continuing, enforceable, non-avoidable first priority liens and security interests on the Collateral of each Borrower, and shall prime all other liens and security interest on the Collateral, including any liens and security interests in existence on the Petition Date, and any other current or future liens granted on the Collateral, including any

adequate protection or replacement liens granted on the Collateral (the "Primed Liens").

41. SALE PROCEEDS AS COLLATERAL: Proceeds of sales of Hospitals and other assets constituting Collateral shall be held in escrow, shall constitute Collateral and shall not be distributed, in whole or in part to other creditors of the Borrowers until either (a) the DIP Agent and DIP Lenders shall have been paid in full all amounts owed under the DIP Credit Documents and all obligations of the Borrowers to the DIP Agent and DIP Lenders shall have been satisfied in full and the DIP Lenders shall have no further obligations under the DIP Facility to make any advances thereunder, or (b) the DIP Agent otherwise expressly consents in writing to such distribution on terms and conditions that are acceptable to the DIP Agent, which consent may be withheld in its sole discretion.

42. PRIORITY: The DIP Obligations shall, pursuant to Section 364(c)(1) of the Bankruptcy Code, be entitled to superpriority administrative expense claim status in the Chapter 11 Case of each Borrower (the "DIP Superpriority Claims"), which DIP Superpriority Claims in respect of the DIP Facility shall have priority over any and all claims against the Borrowers.

43. WAIVER OF 506(C) SURCHARGE: Except with respect to the Carve-Out, the DIP Liens shall not be subject to surcharge under section 506(c) or any other provision of the Bankruptcy Code.

44. FINANCIAL REPORTING:

(a) Prior to the Petition Date, the Borrowers shall deliver to the DIP Agent a 13-week cash flow forecast of receipts and disbursements (the "Initial 13 Week Cash Flow Forecast"), in form and substance satisfactory to the DIP Agent and the DIP Lenders in their sole discretion, for the initial 13-week period commencing on the Petition Date.

(b) Weekly Reporting. Commencing on the second Wednesday after the Petition Date, and on each subsequent Wednesday thereafter, the Borrowers will provide a certified "Variance Report" to the DIP Agent and containing: (a) a report (i) showing actual cash receipts and disbursements for the immediately preceding week (or weeks, depending on the applicable testing period), noting therein all variances, on a line-item basis, from amounts set forth for such period in the Cash Flow Forecast (as defined herein), and including explanations for all material

variances (including: (A) if known, the degree to which the variance is a permanent variance from the DIP Budget, (B) the cause of the variance, (C) if appropriate, how the source of such variance will be addressed in subsequent forecasts and (D) whether this variance is expected to impact the DIP Budget) and (ii) an update of the Cash Flow Forecast (as defined herein) to reflect the prior week's actual cash receipts and disbursements, and, as appropriate, an update to the remaining weeks under the then-current Cash Flow Forecast (as defined herein), and (b) an aged report listing current accounts receivable and current post-petition accounts payable.

(c) Monthly Reporting. On the first Thursday of each month after the Petition Date commencing in September, the Borrowers shall provide a new certified 13-week cash flow forecast (each an "Updated 13 Week Cash Flow Forecast", and, together with the Initial 13 Week Cash Flow Forecast, the "Cash Flow Forecast") that has been extended four weeks beyond the ending date for the prior Cash Flow Forecast. Each Updated 13 Week Cash Flow Forecast shall additionally contain: (a) a reconciliation of the prior month's actual results to the corresponding period in the Initial DIP Budget; (b) as appropriate, an Updated DIP Budget covering the period of the DIP Facility and (c) as appropriate, a reconciliation of the prior month's actual results to the corresponding period in the Updated DIP Budget.

45. AFFIRMATIVE AND NEGATIVE COVENANTS: Customary for financings of this type, as may be set forth more fully in the DIP Credit Agreement, but including the following financial covenants:

(1). Minimum Liquidity: The greater of $10 million and 10% of the Borrowing Base (except as otherwise provided for under the Interim Funding Conditions), to be tested weekly.

(2). Maximum DIP Budget Variance: Aggregate disbursements by the Borrowers shall not exceed the DIP Budget by more than a specified threshold, to be determined to the satisfaction of the DIP Agent. Any amounts unused by the Borrowers for a particular budget period may be carried forward to subsequent budget periods for the Borrowers until used in full. Any un-waived deviation from the covenant described above shall constitute an Event of Default upon notice given by the DIP Agent.

(3). Aggregate Limit. For the avoidance of doubt, nothing herein or in the other DIP

Credit Documents shall entitle the Borrowers to receive, or require the DIP Lenders to extend, a DIP Loan if, at the time of the proposed funding of such DIP Loan (and after giving effect thereto and to all pending requests for DIP Loans), the aggregate amount of DIP Loans would exceed the lesser of (a) the DIP Loan Commitment and (b) the Borrowing Base.

46. REPRESENTATIONS AND WARRANTIES: Customary for financings of this type, as may be set forth more fully in the DIP Credit Agreement.

47. EVENTS OF DEFAULT: Customary and appropriate for financings of this type, including the failure of the Court to approve the Bid Procedures Motion by a date to be mutually agreed upon.

48. CASH MANAGEMENT:

(a) Borrower agrees to obtain satisfactory control agreements for the benefit of the DIP Agent on existing account structure for the six hospitals. Cash collections from these existing accounts shall be remitted or swept to DIP Lockbox (defined below).

(b) Borrower shall maintain and pay for a depository account (the "DIP Lockbox") subject to a control agreement satisfactory to the DIP Agent into which any other Borrowers cash collections shall be remitted and swept to the DIP Agent on a daily basis for application to the DIP Facility balance, and thereafter made available for draw and transfer into existing AP accounts in accordance with the terms of the DIP Credit Agreement. The DIP Agent shall have full dominion over all collections, and collections will be swept on a daily basis at all times and applied to the amounts outstanding under the DIP Facility; provided that, for purposes of calculating interest and fees under the DIP Facility, all collections shall be subject to a two business day clearance period. For the avoidance of doubt, subject to the two business day clearance, the DIP Agent shall turn over excess proceeds of Accounts and Government Receivables on any date that there are no obligations owing and no claims have been made or threatened against DIP Agent or the DIP Lenders.

50. CONDITIONS PRECEDENT: In addition to such other customary conditions as set forth in the DIP Credit Documents and the continued satisfaction of the Interim Funding Conditions, the obligation of the DIP Lenders to advance the DIP Loans (other than the Interim

(a) entry of the Final Order within the time set forth above and the DIP Agent shall have received a signed copy of the Final Order, in form and substance satisfactory to the DIP Agent in its sole and absolute discretion, authorizing and approving, on a permanent basis, the making of the DIP Loans in the amounts consistent with those set forth in the "DIP Facility" section above and the granting of the superpriority claims and liens and other liens referred to above under the heading "Security and Priority", which Final Order shall not have been vacated, reversed or stayed in any respect;

(b) the Final Order shall have been entered without opposition by U.S. Bank as Note Trustee for 2015 and 2017 Working Capital Notes; U.S. Bank as Master Trustee for 2005 Series Bonds; Verity MOB Financing, LLC and Verity MOB Financing II, LLC; Wilmington Trust National Association, as Trustee for the California Statewide Communities Development Authority for the California First Clean Program and California First Seismic Program; and any other party identified by the DIP Agent, unless the DIP Agent waives such condition in its sole and absolute discretion; and

(c) Conditions customary and/or appropriate, in the judgment of the DIP Agent, for transactions of this type.

51. CONDITIONS TO EACH EXTENSION OF CREDIT: On the date of each extension of credit under the DIP Facility, the cash management order, Interim Order, or Final Order, as the case may be, shall be in full force and effect and shall not have been vacated, reversed or stayed in any respect or, except as expressly permitted by the DIP Credit Documents, modified or amended in any manner.

52. (a) Each Revolving Loan and Swingline Loan shall be made upon Borrower Representative's irrevocable notice to Administrative Agent, which may be given by telephone by an Authorized Officer of Borrower Representative (so long as such telephonic notice is confirmed by the delivery of a written Loan Notice in accordance with the terms and conditions set forth in the next sentence). Each notice by Borrower Representative pursuant to this Section 2.3 must be confirmed promptly by delivery to Administrative Agent of a written Loan Notice, appropriately completed and signed by an Authorized Officer of Borrower Representative. Such Loan Notice must be received by Administrative Agent (1) not later than 1:00 p.m. (New York City time) one (1) Business Day prior to the requested date of any Swingline Loan or (2) not later than 1:00 p.m. (New York City time) on the Business Day that is two (2) Business Days prior to the requested date of any Revolving Loan. Loan Notices received after 1:00 p.m. (New York City time) shall be deemed received on the next Business Day. Each Revolving Loan shall be in a principal amount of at least $250,000.00 and integral multiples of $50,000 in excess of such amount.

(b) Upon receipt of a Loan Notice, Administrative Agent will promptly notify each Lender of such Loan Notice and of the amount of such Lender's Pro Rata Share of the requested Revolving Loan. Each Lender shall promptly remit to Administrative Agent its Pro Rata Share of all funds disbursed on its behalf by Administrative Agent either before or after such disbursement as requested by Administrative Agent. If Administrative Agent requires funds from a Lender prior to disbursement to Borrowers, which Administrative Agent may so require in its sole and absolute discretion, Administrative Agent shall advise each such Lender by written notice in accordance with this Agreement of the amount of such Lender's Pro Rata Share of such requested disbursement no later than 5:00 p.m. (New York City time) on the Business Day prior to the funding date thereof, and each such Lender shall pay Administrative Agent its Pro Rata Share of such requested Revolving Loan, in same day funds, by wire transfer to Administrative Agent's account not later than 2:00 p.m. (New York City time) on the intended date of disbursement to Borrowers. If Administrative Agent shall have already disbursed funds to Borrowers, each Lender shall pay its Pro Rata Share thereof to Administrative Agent within one (1) Business Day of Administrative Agent's request therefor. If Administrative Agent shall have disbursed funds to Borrowers and any Lender fails to pay its Pro Rata Share thereof in accordance with this Agreement within one (1) Business Day of Administrative Agent's request therefor, Administrative Agent shall promptly notify Borrower Representative and Borrowers shall immediately repay such amount to Administrative Agent without premium or penalty. Nothing in any Loan Document shall be deemed to require Administrative Agent to advance funds on behalf of any Lender or to relieve any Lender from its obligation to fulfill its commitments under the Loan Documents (including those set forth in Section 12.12) or to prejudice any rights that Administrative Agent may have against any Lender as a result of any default by such Lender under the Loan Documents.

2.4 Deposit Accounts and Control Agreements.

(a) The Borrowers have established and shall maintain one or more Lockbox Accounts with Bank of America, N.A. (such depository institution, a "***Deposit Account Bank***"), subject to the provisions of this Agreement. Borrowers shall execute with the Deposit Account Bank a deposit account control agreement for each Lockbox Account in form and substance acceptable to Administrative Agent. Each Borrower shall ensure that all Collections of Accounts (including QAF Accounts) are paid directly into and deposited in the Lockbox Account of the applicable Borrower, and that all funds deposited into the Lockbox Account are immediately transferred into a depository account owned by a Borrower and subject to a deposit account control agreement in form and substance acceptable to Administrative Agent (the "***Concentration Account***") and that all funds deposited into the Concentration Account shall immediately be transferred to the Administrative Agent's Account for application to the Obligations in accordance with the terms and conditions of this Agreement. In addition, each Borrower shall ensure that the net proceeds from any Asset Disposition and any proceeds of insurance or condemnation awards paid are paid directly into the Escrow Deposit Account.

(b) The Borrowers may establish subaccounts of the Escrow Deposit Account as appropriate to hold funds on account of separate prepetition collateral pools, as may be direct by the Bankruptcy Court; provided that such subaccounts shall be subject to the requirements of Section 5.18.

(c) If any Borrower receives any Collections that should have been sent to a Lockbox Account, such Borrower shall promptly upon receipt (and in any event within one (1) Business Day of receipt) forward such Collections directly to the applicable Lockbox Account or the Concentration Account, as applicable, in the form received, and promptly notify Administrative Agent of such event. Until so forwarded, such Collections shall be held in trust for the benefit of Administrative Agent and Lenders.

(d) No Credit Party shall withdraw any amounts from any Lockbox Account, nor shall any Credit Party change the procedures or sweep instructions under any agreement governing a Lockbox Account. Each Credit Party shall cooperate with Administrative Agent in the identification and reconciliation on a daily basis of all amounts received in or required to be deposited into a Lockbox Account.

(e) Notwithstanding anything in any account instruction agreement or deposit account agreement to the contrary, each Credit Party agrees that it shall be liable for any fees and charges in effect from time to time and charged by the Deposit Account Bank in connection with the deposit accounts, and that neither Administrative Agent nor any Lender shall have any liability therefor. Each Credit Party agrees that all payments made to the Administrative Agent's Account or otherwise received by Administrative Agent, whether in respect of the Accounts or as proceeds of other Collateral or otherwise, may be applied by Administrative Agent on account of the Obligations. Each Credit Party further acknowledges and agrees that, to the extent such fees and charges are not paid by such Credit Party directly but are satisfied using Collections in the Deposit Accounts, such fees and charges shall be deemed to be Revolving Loans made by Lenders hereunder and, to the extent that the payment of such fees or charges by such Credit Party as provided herein results in any overadvance under Section 2.5 of this Agreement, such Credit Party agrees to immediately (upon notice to Borrower Representative) repay to Administrative Agent (for the benefit of itself and the Lenders) the amount of such overadvance. Each Credit Party agrees to indemnify and hold Administrative Agent harmless from any and all liabilities, claims, losses and demands whatsoever, including the fees and disbursements of legal counsel for Administrative Agent, including the charges of internal legal counsel, arising from or relating to actions of Administrative Agent or the Deposit Account Bank pursuant to this Section 2.4 or any deposit account agreement.

(f) Each Credit Party agrees that all payments made to the Administrative Agent's Account or otherwise received by Administrative Agent, whether in respect of the Accounts or as proceeds of other Collateral or otherwise, will be applied on account of the Obligations in accordance with the terms of this Agreement, but, for purposes of calculating interest and fees hereunder, shall be subject to a two (2) Business Day clearance period.

(g) Each Credit Party acknowledges and agrees that compliance with the provisions of this Section 2.4 is a material term of this Agreement and that, in addition to and notwithstanding any other rights Administrative Agent and the Lenders may have hereunder, under any other Loan Document, under Applicable Law or at equity, upon each and every failure by any Credit Party to comply with any of such provisions Administrative Agent shall be entitled to assess a non-compliance fee which shall operate to increase the rate of interest otherwise in effect hereunder with respect to the Loans by two percent (2.0%) per annum during any period of non-compliance, whether or not a Default or an Event of Default occurs or is declared, provided that nothing shall prevent Administrative Agent from considering any failure to comply with the provisions of this Section 2.4 to be a Default or an Event of Default.

(h) Each Borrower and each other Credit Party shall maintain at all times a valid and enforceable deposit account control agreement with respect to each deposit account of any such Borrower and any such other Credit Party (other than any deposit account dedicated exclusively to payroll purposes or donor restricted funds), in form and substance satisfactory to Administrative Agent in its reasonable discretion. Borrowers shall not maintain a greater balance in their payroll accounts than is necessary to support Borrowers' current payroll and payroll for one additional payroll cycle (bi-monthly or weekly as applicable). No Borrower shall (i) permit any donor restricted funds to be deposited or held in a Lockbox Account, the Concentration Account or any operating account that holds funds other than donor restricted funds or (ii) otherwise allow such funds to be commingled with any other funds of the Borrowers.

2.5 Borrowing Base Exceeded. If for any reason the Outstanding Amount at any time exceeds Availability, Borrowers shall immediately prepay outstanding Loans in an aggregate amount equal to such excess.

2.6 Repayment of the Loans. Notwithstanding the provisions of Section 362 of the Bankruptcy Code, and without further application to or order of the Bankruptcy Court, all of the Obligations shall be immediately due and payable upon the Revolving Loan Termination Date. Borrowers hereby unconditionally promise to pay to the Administrative Agent, on behalf of the Lenders, on the Revolving Loan Termination Date, the aggregate outstanding principal amount of the Loans as of such date together with interest (with interest being determined in accordance with the provisions of Section 2.7(a)) and all other Obligations outstanding and unpaid hereunder.

2.7 Interest.

(a) The unpaid principal amount of all Loans under the Revolving Facility shall bear interest, subject to the terms hereof, at a per annum rate equal to the LIBOR Rate plus the Applicable LIBOR Margin.

(b) Interest shall be payable monthly, in arrears, on each Payment Date, on the Revolving Loan Termination Date and as otherwise provided in this Agreement.

2.8 Additional Interest Provisions.

(a) All computations of interest for the Loans shall be made on the basis of a year of 360 days and calculated for actual days elapsed.

(b) Notwithstanding the provisions of Section 362 of the Bankruptcy Code, after the occurrence and during the continuance of an Event of Default hereunder, Administrative Agent may, in its sole discretion, or upon the request of the Required Lenders shall, increase the per annum effective rate of interest applicable to the Loans to the Default Rate. All such increases may be applied retroactively to the date of the occurrence of the Event of Default. Each Borrower agrees that the Default Rate payable to Lenders is a reasonable estimate of Lenders' damages and is not a penalty.

(c) All contractual rates of interest chargeable on outstanding principal under the Revolving Loans shall continue to accrue and be paid even after Default, an Event of Default, maturity, acceleration, judgment, Insolvency Proceedings or the happening of any other event or occurrence similar or dissimilar to the foregoing.

2.9 Fees and Charges.

(a) Contemporaneously with Borrowers' execution of this Agreement, Borrowers shall pay Administrative Agent, for the benefit of all Lenders committed to make Revolving Loans on the Closing Date, in accordance with their respective Pro Rata Share, a fee in an amount equal to (i) the Revolving Commitment, *multiplied by* (ii) one and one quarter percent (1.25%). All fees payable pursuant to this clause (f) shall be non-refundable as of the Closing Date.

(b) [Reserved].

(c) On each Payment Date, on the Revolving Loan Termination Date and as otherwise provided in this Agreement, Borrowers shall pay to Administrative Agent, for the benefit of Lenders in accordance with their Pro Rata Shares, an unused fee in an amount equal to 0.75% per annum

of the difference derived by subtracting (i) the average daily Outstanding Amount during the preceding month, from (ii) the Revolving Commitment.

(d) All fees hereunder shall be computed on the basis of a year of 360 days and calculated for the actual number of days elapsed in each calculation period. All fees hereunder shall be non-refundable and deemed fully earned when due and payable.

2.10 Use of Proceeds.

(a) The extensions of credit under and proceeds of the Revolving Loans pursuant to the Revolving Facility shall be made available subject to the terms and conditions herein (including but not limited to the absence of an Event of Default) and used in accordance with the Budget exclusively for (i) payment of all fees and expenses due to Administrative Agent and Lenders pursuant to this Agreement, (ii) financing ongoing debtor in possession working capital needs, maintenance and preservation of Borrowers' assets, general corporate purposes relating to postpetition operations and related costs, fees and expenses of the Bankruptcy Cases, (iii) payment of the administration expenses of the Bankruptcy Cases as approved by the Bankruptcy Court, (iv) to make adequate protection payments (absent the existence of a Default or Event of Default) to the Specified Prepetition Secured Creditors and (v) to pay Daly City, California special tax assessments, for the benefit of the PACE Bond Trustee.

(b) Notwithstanding anything to the contrary set forth herein or in any other Loan Document, no portion of the Revolving Loans, the Collateral, the Carve-Out funds or cash collateral of Administrative Agent or Lenders may be used to fund any activities: (i) preventing, hindering, or delaying any of Administrative Agent's or the Lenders' enforcement or realization upon any of the Collateral; (ii) using or seeking to use Administrative Agent's or any Lenders' cash collateral or selling or otherwise disposing of any of the Collateral (other than Permitted Asset Dispositions) without the consent of the Administrative Agent and the Required Lenders; (iii) using or seeking to use any insurance proceeds constituting Collateral without the consent of the Administrative Agent and the Required Lenders; (iv) except as permitted under Section 6.3, incurring Indebtedness without the prior written consent of Administrative Agent and the Required Lenders; (v) objecting or challenging in any way any claims, Liens, Collateral (including cash collateral) held by or on behalf of any of Administrative Agent or the Lenders; (vi) asserting any claims or causes of action including, without limitation, any action under Chapter 5 of the Bankruptcy Code, against any of Administrative Agent, the Lenders, or any of their respective affiliates, agents, attorneys, advisors, professionals, officers, directors, and employees; (vii) prosecuting an objection to, or contesting in any manner, or raising defenses to, the validity, extent, amount, perfection, priority, or enforceability of any of the Obligations, the Liens of Administrative Agent securing the Obligations or any other rights or interests of any of Administrative Agent or the Lenders; or (viii) taking any action which (A) has or could have the effect of adversely modifying or compromising the rights and remedies of Administrative Agent or the Lenders, or (B) is contrary, in a manner adverse to Administrative Agent or the Lenders, to any term or condition set forth in any of the Financing Orders or the other Loan Documents.

2.11 Evidence of Indebtedness. The Loans made by any Lender shall be evidenced by one or more accounts or records maintained by such Lender and by the Administrative Agent in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be prima facie evidence of the existence and amounts of the Loans and shall be conclusive absent manifest error with respect to the amount of the Loans and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrowers hereunder to pay any amount owing with respect to the Obligations. The Borrowers shall, upon the request of any Lender, execute and deliver to the Administrative Agent a Revolving Note or Swingline Note (as applicable) for such Lender, which Note shall evidence such Lender's applicable

Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, amount and maturity of its Loans and payments with respect thereto.

2.12 Payments Generally. All payments to be made by Borrowers shall be made without condition or deduction for any counterclaim, defense, recoupment or set-off. Except as otherwise expressly provided herein, all payments by Borrowers hereunder shall be made in Dollars immediately available to Administrative Agent, on behalf of Lenders, by 11:00 a.m. (New York City time), on the date such payment is due, to Administrative Agent by deposit to the Administrative Agent's Account or to such other deposit account as Administrative Agent may designate by written notice to Borrower Representative. All payments received by Administrative Agent after 11:00 a.m. (New York City time) shall be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by Borrowers shall become due on a day other than a Business Day, payment shall be made on the next following Business Day. Each Borrower hereby grants to Administrative Agent the right, in Administrative Agent's discretion, without notice to any Borrower, to make Loans to make payments on the Obligations, including any and all interest, fees and Expenses, as and when due hereunder. Each Borrower acknowledges that such Borrower's failure to maintain sufficient funds in any deposit account for payment of any of the Obligations, or Administrative Agent's failure to make a Loan or withdrawal from any deposit account shall not relieve Borrowers of any payment obligation hereunder or any other Loan Document.

2.13 Protective Advances. (a) Borrowers and Lenders authorize Administrative Agent, in its sole discretion, at any time that a Default or Event of Default exists or any conditions in Article 3 are not satisfied, and without regard to the Revolving Commitment or the Borrowing Base, to make Revolving Loans ("***Protective Advances***") (a) in such amounts as Administrative Agent deems necessary or desirable to preserve or protect any Collateral, or to enhance the collectability or repayment of Obligations, or (b) to pay any other amounts chargeable to Borrowers under any Loan Documents, including fees, Expenses, taxes, assessments, insurance, repairs, maintenance, storage and other charges and expenditures upon, against or otherwise relating to the Collateral; provided, however, that the aggregate amount of Protective Advances outstanding at any time shall not exceed ten percent (10%) of the Revolving Commitment without the consent of the Required Lenders. All Protective Advances constitute Obligations, are secured by the Collateral, and shall be treated for all purposes as Revolving Loans.

(b) Upon Administrative Agent's making of any Protective Advances under this Section 2.13, each of the Lenders shall be deemed to have irrevocably, unconditionally and immediately purchased from Administrative Agent a participation in such Protective Advances in an amount equal to such Lender's Pro Rata Share of the Revolving Commitment multiplied by the total amount of such Protective Advances outstanding under this Section 2.13. Each Lender shall effect such purchase by making available the amount of such Lender's participation in such Protective Advances in U.S. Dollars in immediately available funds to Administrative Agent's Account. In the event any Lender fails to make available to Administrative Agent when due the amount of such Lender's participation in such Protective Advances, Administrative Agent shall be entitled to recover such amount on demand from such Lender together with interest at the Federal Funds Effective Rate. Each such purchase by a Lender shall be made without recourse to Administrative Agent, without representation or warranty of any kind, and shall be effected and evidenced pursuant to documents reasonably acceptable to Administrative Agent. The obligations of the Lenders under this Section 2.13(b) shall be absolute, irrevocable and unconditional, shall be made under all circumstances and shall not be affected, reduced or impaired for any reason whatsoever.

2.14 Taxes.

(a) Defined Terms. For purposes of this Section 2.14, the term "Applicable Law" includes FATCA.

(b) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Credit Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by Applicable Law. If any Applicable Law (as determined in the good faith discretion of the Administrative Agent) requires the deduction or withholding of any Tax from any such payment by the Administrative Agent or a Credit Party, then the Administrative Agent or such Credit Party shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with Applicable Law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Credit Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(c) Payment of Other Taxes by the Credit Parties. The Credit Parties shall timely pay to the relevant Governmental Authority in accordance with Applicable Law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(d) Indemnification by the Borrower. The Credit Parties shall jointly and severally indemnify each Recipient, within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Credit Parties by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within ten (10) days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Credit Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Credit Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Article 10 relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this Section 2.14(e).

(f) Evidence of Payments. As soon as practicable after any payment of Taxes by any Credit Party to a Governmental Authority pursuant to this Section 2.14, such Credit Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(g) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrowers and the Administrative Agent, at the time or times reasonably requested by the Borrowers or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrowers or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrowers or the Administrative Agent, shall deliver such other documentation prescribed by Applicable Law or reasonably requested by the Borrowers or the Administrative Agent as will enable the Borrowers or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in clauses (ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, if any Borrower is a U.S. Person,

A. any Lender that is a U.S. Person shall deliver to the Borrowers and the Administrative Agent on or prior to the date on which such Lender becomes a Lender hereunder (and from time to time thereafter upon the reasonable request of the Borrowers or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

B. any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrowers and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender hereunder (and from time to time thereafter upon the reasonable request of the Borrowers or the Administrative Agent), whichever of the following is applicable:

1. in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

2. executed copies of IRS Form W-8ECI;

3. in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in form reasonably acceptable to Administrative Agent to the effect that such Foreign Lender is not a "bank" within the meaning of Section

881(c)(3)(A) of the Code, a "10 percent shareholder" of any Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "***U.S. Tax Compliance Certificate***") and (y) executed copies of IRS Form W-8BEN; or

4. to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, a U.S. Tax Compliance Certificate substantially in the form reasonably acceptable to Administrative Agent, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form reasonably acceptable to Administrative Agent on behalf of each such direct and indirect partner;

C. any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrowers and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender hereunder (and from time to time thereafter upon the reasonable request of the Borrowers or the Administrative Agent), executed copies of any other form prescribed by Applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by Applicable Law to permit the Borrowers or the Administrative Agent to determine the withholding or deduction required to be made; and

D. if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrowers and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrowers or the Administrative Agent such documentation prescribed by Applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrowers or the Administrative Agent as may be necessary for the Borrowers and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrowers and the Administrative Agent in writing of its legal inability to do so.

(h) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.14 (including by the payment of additional amounts pursuant to this Section 2.14), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than

any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this Section 2.14(h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) if such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 2.14(h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this Section 2.14(h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section 2.14(h) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(i) Survival. Each party's obligations under this Section 2.14 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Revolving Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

2.15 Increased Costs.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender;

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, converting to, continuing or maintaining any Loan or of maintaining its obligation to make any such Loan, or to reduce the amount of any sum received or receivable by such Lender or other Recipient hereunder (whether of principal, interest or any other amount) then, upon request of such Lender or other Recipient, the Borrowers will pay to such Lender or other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender or other Recipient, as the case may be, for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender determines that any Change in Law affecting such Lender or any lending office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements, has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Revolving Commitments of such Lender or the Loans made by, or participations in Swingline Loans held by, such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from

time to time the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in Sections 2.15(a) or (b) and delivered to the Borrowers, shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrowers shall not be required to compensate a Lender pursuant to this Section for any increased costs incurred or reductions suffered more than nine months prior to the date that such Lender notifies the Borrowers of the Change in Law giving rise to such increased costs or reductions, and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

(e) In the event that any change in market conditions or any Change in Law shall at any time after the date hereof, in the reasonable opinion of any Lender, make it unlawful or impractical for such Lender to determine or charge interest rates at the LIBOR Rate, such Lender shall give notice of such changed circumstances to Administrative Agent and Borrowers and Administrative Agent promptly shall transmit the notice to each other Lender and while such circumstances continue, the Revolving Loans held by such Lender shall be converted from accruing interest a per annum rate equal to the LIBOR Rate plus the LIBOR Rate Margin to accruing interest at a per annum rate equal to the Base Rate plus such applicable margin as will result in the same effective rate of interest applicable immediately prior to such conversion.

(f) After the occurrence and during the continuance of an Event of Default hereunder, each Lender may, in its sole discretion, provide Administrative Agent and Borrowers notice of its election to charge interest rates at the Base Rate, and Administrative Agent promptly shall transmit the notice to each other Lender and during the continuance of such Event of Default, the Revolving Loans held by such Lender shall be converted from accruing interest a per annum rate equal to the LIBOR Rate plus the LIBOR Rate Margin to accruing interest at a per annum rate equal to the Base Rate plus such applicable margin as will result in the same effective rate of interest applicable immediately prior to such conversion.

2.16 Effective Date and Termination. This Agreement shall become effective on the Closing Date and shall continue in full force and effect until the Revolving Loan Termination Date unless sooner terminated as herein provided. Borrowers may terminate this Agreement prior to the Revolving Loan Termination Date with at least thirty (30) Business Days' prior written notice thereof to Administrative Agent, upon (a) the payment in full of all outstanding Loans, together with accrued and unpaid interest thereon, and (b) the payment in full of all fees, Expenses and other Obligations together with accrued and unpaid interest thereon.

2.17 Effect of Termination. 4.2 Authorization; Enforceability. Each Borrower and each other Credit Party has taken all necessary action to authorize the execution, delivery and performance of the Loan Documents to which it is a party. The Loan Documents are not subject to, and neither Borrower nor any other Credit Party has asserted, any right of rescission, set-off, counterclaim or defense, including the defense of usury. No exercise of any of the terms or conditions of the Loan Documents, or any right thereunder, will render any Loan Document unenforceable.

4.3 No Conflicts. The execution, delivery and performance of the Loan Documents by each Borrower and each other Credit Party and the transactions contemplated thereby will not (a) conflict with or result in a breach of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any Lien (other than pursuant to the Loan Documents) upon any of the properties and assets of any Borrower or any other Credit Party pursuant to the terms of, any agreement or instrument to which such Borrower or such other Credit Party is a party or by which its property is subject or (b) result in any violation of any Applicable Laws relating to any Borrower, any Credit Party or the property or assets of the foregoing. No Credit Party has any contingent liabilities, liabilities for taxes, unusual forward or long-term commitments, unrealized or anticipated losses from any unfavorable commitments or any liabilities or obligations not expressly permitted by this Agreement. Since the financial statements delivered to Administrative Agent and the Lenders dated as of May 31, 2018, except for the filing of the Bankruptcy Cases and the Asset Sales, there has been no material adverse change in the financial condition, operations or business of any Borrower, any other Credit Party or the Healthcare Facilities from that set forth in such financial statements which has not been disclosed to the Administrative Agent in writing.

4.13 Federal Reserve Regulations; Investment Company Act. No part of the proceeds of the Loans will be used for the purpose of purchasing or acquiring any "margin stock" within the meaning of Regulation U of the Board of Governors of the Federal Reserve System or for any other purpose that would be inconsistent with such Regulation U or any other regulation of such Board of Governors, or for any purpose prohibited by Laws or any Loan Document. None of the Material Contracts have been amended or modified except pursuant to a written agreement which has been delivered to Administrative Agent.

4.16 Compliance with Environmental Laws. Each Credit Party's past or present operations, real estate or other properties and assets, including the Healthcare Facilities, are not subject to any investigation of any Governmental Authority to determine whether any remedial action is needed to

(c) From and after the entry of the Interim Order, and pursuant to and to the extent provided in the Interim Order, the Liens securing the Obligations are valid and enforceable, perfected Liens on all of the Collateral of the Administrative Agent and Lenders with the priority required by the Financing Orders with respect to all Collateral.

(d) After entry of the Interim Order, and pursuant to the Interim Order and Final Order, the Obligations will constitute allowed administrative expense claims in the Bankruptcy Case, having priority over all administrative expense claims and unsecured claims against the Borrowers and Guarantors now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expense claims of the kind specified in Sections 105, 326, 328, 330, 331, 503(a), 503(b), 506(c), 507(a), 507(b), 546(c) 726 (to the extent permitted by Law), 1113, 1114, or any other provision of

(g) Proper notice for (i) any Asset Sale Motions, Asset Sale Bid Procedure Orders, and Asset Sale Orders, and (ii) the hearing for the approval of any Asset Sale Orders has been given. Borrowers and Guarantors have given on a timely basis all notices required to be given to all parties specified in the applicable Asset Sale Motion, Asset Sale Bid Procedure Order and Asset Sale Order.

ARTICLE 5 AFFIRMATIVE COVENANTS

So long as any Lender shall have any commitment to make any Loan hereunder, or any Loan or other Obligation hereunder shall remain unpaid or unsatisfied, each Borrower and each other Credit Party that is a party hereto covenants and agrees as follows:

5.1 Payment of Obligations. Subject to the entry of appropriate orders of the Bankruptcy Court (if any), each Borrower and each other Credit Party shall pay and discharge as the same shall become due and payable, all its obligations and liabilities, including (a) all tax liabilities, assessments and governmental charges or levies upon it or its properties or assets, unless the same are being reasonably contested in good faith by appropriate proceedings diligently conducted and adequate reserves in accordance with GAAP are being maintained by such Borrower or such other Credit Party; (b) all lawful claims which, if unpaid, would by law become a Lien upon its property (other than Permitted Liens); and (c) all Indebtedness, as and when due and payable (subject to any applicable grace or cure periods), but subject to any subordination provisions contained in any instrument or agreement evidencing such Indebtedness.

5.2 Preservation of Existence, Etc. Each Borrower and each other Credit Party shall (a) preserve, renew and maintain in full force and effect its legal existence and good standing under the Laws of the jurisdiction of its organization; and (b) take all action to maintain all rights, privileges, permits, licenses and franchises necessary or desirable in the normal conduct of its business, except to the extent that failure to do so could not reasonably be expected to have a Material Adverse Effect.

5.3 Maintenance of Properties. Each Borrower and each other Credit Party shall (a) maintain, preserve and protect all of its material properties and equipment necessary in the operation of its business in good working order and condition, ordinary wear and tear excepted; (b) make all necessary repairs thereto and renewals and replacements thereof except where the failure to do so could not reasonably be expected to have a Material Adverse Effect; and (c) use the standard of care typical in the industry in the operation and maintenance of its Healthcare Facilities. Subject to entry of the appropriate order or orders of the Bankruptcy Court (if any), Borrowers will pay or cause to be paid all Taxes on or prior to the date due, and in any event, prior to the date upon which any fine, penalty, interest or cost for nonpayment could be imposed, and furnish to Administrative Agent, upon request, receipted bills of the appropriate taxing authority or other documentation reasonably satisfactory to Administrative Agent

evidencing the payment thereof. If any Borrower shall fail to pay any Taxes in accordance with this section (unless such Taxes are being reasonably contested in good faith by appropriate proceedings diligently conducted and adequate reserves in accordance with GAAP are being maintained by such Borrower or such other Credit Party), Administrative Agent shall have the right, but shall not be obligated, to (for the account of all Lenders) pay such Taxes, and Borrowers shall repay to Administrative Agent, on written demand, any amount paid by Administrative Agent, with interest thereon from the date of the advance thereof to the date of repayment, at the rate applicable during periods of Default hereunder, and such amount shall constitute a portion of the Obligations. Borrowers shall not pay any Taxes or other obligations in installments unless permitted by applicable Laws, and shall, upon the request of Administrative Agent, deliver copies of all notices and bills relating to any Taxes or other charge covered by this section to Administrative Agent.

5.4 Maintenance of Insurance. Subject to entry of the appropriate order or orders of the Bankruptcy Court (if any), each Borrower and each other Credit Party shall maintain at all times insurance on all of their respective properties and assets covering the repair and replacement costs of all such property (including the perils of flood and earthquake) and coverage for business interruption and professional liability, comprehensive general liability and excess liability/umbrella insurance with financially sound and reputable insurance companies, in such reasonable amounts and covering such insurable risks as are at all times reasonably satisfactory to Administrative Agent and with respect to coverage limits, the limits and coverages as in effect on the Closing Date (the "***Required Insurance***").[1] All policies relating to Required Insurance are to contain such other provisions as Administrative Agent reasonably may require to fully protect Administrative Agent's and Lenders' interest in the Collateral and to any payments to be made under such policies. All professional and general liability insurance policies, including umbrella/excess policies, relating to Required Insurance shall name Administrative Agent, on behalf of itself and the Lenders, as an "additional insured," and all property insurance policies relating to Required Insurance shall name Administrative Agent, on behalf of itself and the Lenders, as lender's loss payee. Each loss payable endorsement in favor of Administrative Agent, on behalf of itself and the Lenders, shall provide (x) for not less than thirty (30) days prior written notice to Administrative Agent of the exercise of any right of cancellation or material alteration and (y) that Administrative Agent's, on behalf of itself and the Lenders, right to payment under any property insurance policy will not be invalidated by any act or neglect of, or any breach of warranty or condition by, Borrowers (or any of them) or any other party. If an Event of Default shall have occurred and remain outstanding, Administrative Agent shall have the sole right, in the name of Administrative Agent, on behalf of itself and the Lenders, or Borrowers (or any of them), to file claims under any insurance policies, to receive, receipt and give acquittances for any payments that may be payable thereunder, and to execute any and all endorsements, receipts, releases, assignments, reassignments or other documents that may be necessary to effect the collection, compromise or settlement of any claims under any such insurance policies. In the event any Borrower or any other Credit Party fails to provide Administrative Agent with evidence of the Required Insurance in the manner set forth in this Section 5.4, Administrative Agent (for the benefit of itself and the Lenders) may, following three (3) days' written notice to Borrower Representative, purchase insurance at Borrowers' expense to protect Administrative Agent's and the Lenders' interests in the Collateral. The insurance purchased by Administrative Agent (for the benefit of itself and the Lenders) may, but need not, protect Borrowers' interests in the Collateral, and therefor such insurance may not pay any claim that any Borrower may make or any claim that is made against any Borrower in connection with the Collateral. Borrowers may later request that Administrative Agent cancel any insurance purchased by Administrative Agent, but only after providing Administrative Agent with satisfactory evidence that Borrowers have the Required Insurance. If Administrative Agent purchases insurance covering all or any portion of the Collateral, Borrowers shall be responsible for the costs of such insurance, including interest (at the applicable rate set forth hereunder for Revolving Loans) and other

charges accruing on the purchase price thereof, until the effective date of the cancellation or the expiration of the insurance, and Administrative Agent may add all of such costs, interest and other charges to the Obligations. The costs of the premiums of any insurance purchased by Administrative Agent may exceed the costs of insurance that Borrowers may be able to purchase on their own.

5.5 Compliance With Laws. Each Borrower and each other Credit Party shall and shall cause any Manager to comply with the requirements of all Applicable Laws (including without limitation any Environmental Laws and Healthcare Laws) and obtain, maintain and comply with all Governmental Authorizations and Healthcare Authorizations, in each instance, applicable to it or to its business or property, in each case except to the extent any failure to comply with the foregoing could not reasonably be expected to have a Material Adverse Effect. Without limiting the generality of the foregoing, if any Environmental Release occurs at any Healthcare Facility or any other properties of any Borrower or any other Credit Party, the applicable Borrower or other Credit Party shall act promptly and diligently to investigate and report to Administrative Agent and all appropriate Governmental Authorities the extent of, and to make appropriate remedial action to eliminate, such Environmental Release, whether or not directed to do so by any Governmental Authority.

5.6 Books and Records. Each Borrower and each other Credit Party shall (a) maintain proper books of record and account, in which full, true and correct entries in conformity with GAAP, consistently applied shall be made of all financial transactions and matters involving the assets and business of such Borrower or such other Credit Party; and (b) maintain such books of record and account in material conformity with all applicable requirements of any Governmental Authority having regulatory jurisdiction over such Borrower or such other Credit Party. Each Credit Party shall maintain or cause to be maintained at all times books and records pertaining to the Collateral in such detail, form and scope as Administrative Agent shall reasonably require.

5.7 Inspection Rights; Field Audits. Each Borrower and each other Credit Party will cause the Bankruptcy Court to provide access, pursuant to court order, to and will permit (and shall direct each Subsidiary and any Manager to permit) agents, representatives, consultants and other independent contractors of Administrative Agent to visit and inspect any of its Healthcare Facilities and other properties, to examine its corporate, financial and operating records, and make copies thereof or abstracts therefrom, to discuss its affairs, finances and accounts with its directors, officers, and independent public accountants, and to conduct a field examination and audit of the Collateral, all at the expense of Borrowers and at such reasonable times during normal business hours and as often as may be reasonably desired (provided that so long as no Event of Default exists, not more than once every three (3) months), and so long as no Event of Default exists, upon reasonable advance notice to Borrower Representative.

5.8 Landlord and Warehouse Agreements. Each Borrower and each other Credit Party shall, upon request, provide Administrative Agent with copies of all existing agreements, and promptly after execution thereof provide Administrative Agent with copies of all future agreements, between any Borrower, any other Credit Party and any landlord, warehouseman, processor, shipper, bailee or other Person that owns any premises at which any Collateral may be kept or that otherwise may possess or handle any Collateral and obtain a Collateral Access Agreement with any such landlord, warehouseman, processor, shipper, bailee or other Person. Upon Administrative Agent's request, each Borrower and each other Credit Party shall deliver to Administrative Agent fully-executed agreements, in form and substance satisfactory to Administrative Agent, between each Borrower and each other Credit Party, the Administrative Agent and the Credit Parties' vendors that provide off-site data storage, network hosting or management, shared application services or other "cloud-based" services to Borrowers or other Credit Parties, which shall provide Administrative Agent with such access to Borrowers' and other Credit Parties' billing and Accounts records as Administrative Agent deems necessary or helpful in connection

with Administrative Agent's and Lenders' audit and inspection rights under the Loan Documents and the collection or realization of or on the Collateral.

5.9 Licenses. Each Borrower and each other Credit Party shall (a) keep each License affecting any Collateral or any other properties and assets of any Credit Party in full force and effect, and pay all Royalties, in each case, except where the failure to do so would not reasonably be likely to result in a Material Adverse Effect (each such License shall be referred to herein as a "***Material License***"); (b) promptly notify Administrative Agent of any proposed modification to any Material License, or entry into any new Material License, in each case at least ten (10) days prior to its closing date; and (c) notify Administrative Agent of any default or breach (beyond any applicable cure period) asserted by any Person to have occurred under any Material License.

5.10 Healthcare Operations.

(a) Each Borrower and each other Credit Party shall maintain in full force and effect, and free from restrictions, probations, conditions or known conflicts which would materially impair the use or operation of any Healthcare Facility for its current use, all Healthcare Authorizations necessary under Healthcare Laws (A) to carry on the business of Borrowers as it is conducted on the Closing Date, and (B) to continue to receive reimbursement thereunder in substantial compliance with all requirements for participation in, and for the licensure required to provide the Healthcare Services that are reimbursable under, any Third-Party Payor programs as to which any Borrower or any other Credit Party receives or has applied for reimbursement as part of its business.

(b) Each Borrower and each other Credit Party shall cause all Healthcare Authorizations and any other agreements necessary for the use and operation of the Healthcare Facilities or as may be necessary for participation in Third-Party Payor programs to remain in full force and effect.

(c) Each Borrower and each other Credit Party shall maintain a CCP to ensure that all aspects of its operations, its employees and healthcare providers under contract comply with all applicable Healthcare Laws, and shall, upon request, allow Administrative Agent and/or any outside consultants from time to time to review such CCP.

(d) If any Healthcare Facility is currently accredited by the Joint Commission, Borrower and each other Credit Party shall (i) maintain such accreditation in good standing and without limitation or impairment, (ii) timely submit to the Joint Commission a plan of correction for any deficiencies listed on any Joint Commission accreditation survey report, and (iii) cure all such deficiencies within such time frame as is necessary to preserve and maintain in good standing and without limitation or impairment such Joint Commission accreditation.

(e) Each Borrower and each other Credit Party shall timely file all cost reports, cost statements, documents, notices and other reports required to be filed by any Governmental Authority or any Third-Party Payor program. All such filings shall be complete and accurate in all material respects and shall comply with all requirements of Applicable Law and all conditions of participation, conditions of payment, contracts, standards, policies, manuals, procedures and other requirements of all applicable Third-Party Payor programs.

(f) All documentation, coding, billing and collection practices of each Borrower and each other Credit Party, and of any billing or collection agent acting on behalf of any Borrower or any other Credit Party, shall be in compliance with all Applicable Laws and all conditions of participation, conditions of payment, contracts, standards, policies, manuals, procedures and other requirements of all applicable Third-Party Payor programs. Each Borrower and each other Credit Party shall document, code,

bill and process claims for reimbursement and report and refund any overpayments received from Third-Party Payor programs in material compliance with all Applicable Law and Third-Party Payor programs.

(g) Each Credit Party shall use commercially reasonable efforts to obtain and provide to Administrative Agent upon request, (i) an accurate, complete and current list of all participation agreements with Third-Party Payors and (ii) Medicare certification letters, in each case, with respect to the business of such Credit Party.

(h) Each Credit Party shall maintain each CON required under applicable Healthcare Laws in full force and effect and free from restrictions or known conflicts which would materially impair the use or operation of such Healthcare Facility for its current use, and shall not permit any such CON to become provisional, probationary or restricted in any way, except for such restrictions existing on the Closing Date with respect to which such Healthcare Facility's operations are compliant.

5.11 Further Assurances. Each Borrower and each other Credit Party shall (a) execute and deliver to Administrative Agent promptly upon request such documents, instruments, certificates, assignments and other writings, and do such other acts necessary or desirable, to evidence, preserve and/or protect the Collateral and/or for the better and more effective carrying out of the intents and purposes of the Loan Documents, as Administrative Agent may reasonably require from time to time including the filing of a financing statement or financing statement change to establish or maintain the validity, perfection and priority of the security interest granted herein in the event of the name change of a Credit Party, delivery of certificated equity interests required to be pledged, execution and delivery of intellectual property security agreements or other actions that are necessary or desirable to perfect the Liens of Administrative Agent on the Collateral; (b) upon Administrative Agent's request therefor given from time to time, pay for reports of UCC, federal tax Lien, state tax Lien, judgment and pending litigation searches with respect to each Borrower and each other Credit Party, each such search to be conducted by search firms designated by Administrative Agent in each of the locations designated by Administrative Agent; and (c) comply with the requirements of all Applicable Laws in order to grant to Administrative Agent, for the benefit of itself and Lenders, valid and perfected First Priority security interests in the Collateral, with perfection, in the case of any investment property, deposit account or letter of credit, being effected by giving Administrative Agent control of such investment property or deposit account or letter of credit.

5.12 [Reserved].

5.13 Environmental Matters. In addition to and without limiting the generality of Section 5.5, each Credit Party shall (a) comply with all applicable Environmental Laws to the extent that noncompliance could reasonably be expected to have a Material Adverse Effect; (b) obtain and comply with any and all Governmental Authorizations required by applicable Environmental Laws to the extent that not obtaining and not complying with such licenses, approvals, notifications, and registrations could reasonably be expected to have a Material Adverse Effect; and (c) conduct and complete all investigations, studies, sampling and testing, and all remedial, removal and other actions required under applicable Environmental Laws following any Environmental Release, and promptly comply with all lawful orders and directives of any Governmental Authority regarding such Environmental Laws, except orders and directives that are being challenged in good faith. 9.2 Remedies. Notwithstanding the provisions of Section 362 of the Bankruptcy Code, if any Event of Default occurs and is continuing, Administrative Agent shall have the right in its sole discretion (or at the discretion of the Required Lenders) to take any or all of the following actions:

(a) declare the commitment of the Lenders to make Loans to be terminated;

(b) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by any Borrower;

(c) reduce the advance rates in respect of Eligible Accounts or take additional reserves against or otherwise modify the Borrowing Base; and

(d) exercise all rights and remedies available to Administrative Agent and the Lenders under the Loan Documents, including any right of set-off under Section 11.21, or under the UCC or any other Applicable Law;

provided, however, that upon the occurrence of an Event of Default described in Section 9.1(r), the obligation of Lenders to make Loans shall automatically terminate, the unpaid principal amount of all outstanding Loans and other Obligations and all interest and other amounts as aforesaid shall automatically become due and payable without further act of Administrative Agent or any Lender.

9.3 Application of Payments.

(a) So long as no Event of Default has occurred and is continuing, all proceeds of any repayment, including any prepayments of the Loans, shall be applied by Administrative Agent in the following order of priority:

FIRST, to fees, Expenses and any other amounts then due and owing under the Loan Documents;

SECOND, to accrued and unpaid interest on the Loans of each Lender, ratably among them in accordance with their Pro Rata Shares; and

THIRD, to principal on the Loans of each Lender, ratably among them in accordance with their Pro Rata Shares.

(b) Notwithstanding any other provisions of this Agreement to the contrary, upon the occurrence and during the continuance of an Event of Default (or after the Loans and all other Obligations under the Loan Documents have otherwise become due and payable in accordance with the terms of Section 9.2), all amounts collected or received by Administrative Agent and any Lender on account of the Obligations or any other amounts outstanding under any of the Loan Documents or in respect of the Collateral or any disposition of the Collateral shall be applied as follows (and each Borrower irrevocably waives the right to direct the application of any such amounts in any other manner):

FIRST, to the payment of all fees, costs, Expenses and indemnities of Administrative Agent and any Protective Advances made by Administrative Agent pursuant to the terms of the Loan Documents;

SECOND, to payment of that portion of the Obligations constituting fees, costs, Expenses and indemnities of the Lenders as provided herein, ratably among them in accordance with their Pro Rata Shares;

THIRD, to the payment of all of the Obligations consisting of accrued and unpaid interest owing to the Lenders, ratably among them in accordance with their Pro Rata Shares;

FOURTH, to the payment on a pari passu basis of (1) all Obligations consisting of unpaid principal on the Loans, ratably among the Lenders in accordance with their Pro Rata Shares and (2) any amounts due under any Approved Cash Management Obligations;

FIFTH, to all other Obligations which shall have become due and payable under the Loan Documents or otherwise and not repaid pursuant to clauses "FIRST" through "FOURTH" above; and

SIXTH, to the payment of the surplus, if any, to Borrowers or whoever else may be lawfully entitled to receive such surplus.

In carrying out the foregoing, amounts received shall be applied in the numerical order provided above until exhausted prior to application to the next succeeding category.

9.4 Rights to Appoint Receiver. Without limiting and in addition to any other rights, options and remedies Administrative Agent and Lenders have hereunder, the other Loan Documents, the UCC, at law or in equity, upon the occurrence and continuation of an Event of Default or the acceleration of the Loans pursuant to Section 9.2, Administrative Agent shall have the right to apply for and have a receiver appointed by a court of competent jurisdiction to enforce the rights and remedies of the Administrative Agent and the Lenders in order to manage, protect, preserve, sell or dispose the Collateral and continue the operation of the business of Borrowers and the Credit Parties and to collect all revenues and profits thereof and apply the same to the payment of all expenses and other charges of such receivership including the compensation of the receiver and to the payments as aforesaid until a sale or other disposition of such Collateral shall be finally made and consummated. EACH BORROWER AND EACH OTHER CREDIT PARTY HEREBY IRREVOCABLY CONSENTS TO AND WAIVES ANY RIGHT TO OBJECT TO OR OTHERWISE CONTEST THE APPOINTMENT OF RECEIVER AS PROVIDED ABOVE. EACH BORROWER AND EACH OTHER CREDIT PARTY (I) GRANTS SUCH WAIVER AND CONSENT KNOWINGLY AFTER HAVING DISCUSSED THE IMPLICATIONS THEREOF WITH COUNSEL, (II) ACKNOWLEDGES THAT (A) THE UNCONTESTED RIGHT TO HAVE A RECEIVER APPOINTED FOR THE FOREGOING PURPOSES IS CONSIDERED ESSENTIAL BY THE ADMINISTRATIVE AGENT AND LENDERS IN CONNECTION WITH THE ENFORCEMENT OF ITS RIGHTS AND REMEDIES HEREUNDER AND THE OTHER LOAN DOCUMENTS, AND (B) THE AVAILABILITY OF SUCH APPOINTMENT AS A REMEDY UNDER THE FOREGOING CIRCUMSTANCES WAS A MATERIAL FACTOR IN INDUCING ADMINISTRATIVE AGENT AND LENDERS TO MAKE THE LOANS; AND (III) AGREES TO ENTER INTO ANY AND ALL STIPULATIONS IN ANY LEGAL ACTIONS, OR AGREEMENTS OR OTHER INSTRUMENTS IN CONNECTION WITH THE FOREGOING AND TO COOPERATE FULLY WITH ADMINISTRATIVE AGENT AND LENDERS IN CONNECTION WITH THE ASSUMPTION AND EXERCISE OF CONTROL BY THE RECEIVER

OVER ALL OR ANY PORTION OF THE COLLATERAL, THE HEALTHCARE FACILITIES OR ANY OTHER PROPERTY OF ANY BORROWER OR ANY OTHER CREDIT PARTY.

9.5 Remedies Cumulative. Upon the occurrence of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available to Administrative Agent or any Lender against any Borrower or any of the other Credit Parties under the Loan Documents or at law or in equity may be exercised by Administrative Agent at any time and from time to time, whether or not all or any of the Obligations shall be declared, or be automatically, due and payable, and whether or not Administrative Agent shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Loan Documents. Any such actions taken by Administrative Agent shall be cumulative and concurrent and may be pursued independently, singly, successively, together or otherwise, at such time and in such order as Administrative Agent may determine in its discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of Administrative Agent and Lenders permitted by law, equity or contract or as set forth in the Loan Documents. Without limiting the generality of the foregoing, each Borrower agrees that if an Event of Default is continuing, (i) to the extent permitted by Applicable Law, Administrative Agent is not subject to any "one action" or "election of remedies" law or rule, and (ii) all Liens and other rights, remedies or privileges provided to Administrative Agent and Lenders shall remain in full force and effect until Administrative Agent has exhausted all of its remedies against the Collateral, the Collateral has been sold and/or otherwise realized upon in satisfaction of the Obligations or the Obligations have been paid in full. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default, or the granting of any indulgence or compromise by Administrative Agent or any Lender shall impair any such remedy, right or power hereunder or be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. Any suspension or waiver by Administrative Agent or Lenders, as applicable, of a Default or Event of Default shall not suspend, waive or affect any other Default or Event of Default, whether the same is prior or subsequent thereto and whether of the same or of a different kind or character.

9.6 Severance. Administrative Agent shall have the right from time to time to sever this Agreement, any Revolving Notes, and the other Loan Documents into one or more separate notes, mortgages and other security documents in such denominations and priorities of payment and Liens as Administrative Agent shall determine in its discretion for purposes of evidencing and enforcing the rights and remedies of the Administrative Agent and the other Lenders hereunder. Each Credit Party shall execute and deliver to Administrative Agent from time to time, promptly after the request of Administrative Agent, a severance agreement and such other documents as Administrative Agent shall request in order to effect the severance described in the preceding sentence, all in form and substance reasonably satisfactory to Administrative Agent. Each Credit Party hereby absolutely and irrevocably appoints Administrative Agent as its true and lawful attorney, coupled with an interest, in its name and stead to make and execute all documents necessary or desirable to effect such severance, each Credit Party ratifying all that such attorney shall do by virtue thereof.

9.7 Administrative Agent's Right to Perform. If any Borrower or any other Credit Party fails to perform any covenant or obligation contained herein and such failure shall continue for a period of five (5) Business Days after any Borrower's or any other Credit Party's receipt of written notice thereof from Administrative Agent, without in any way limiting Administrative Agent's and Lenders' right to exercise any of their rights, powers or remedies as provided hereunder, or under any of the other Loan Documents, Administrative Agent may, but shall have no obligation to, perform, or cause performance of, such covenant or obligation, and all costs, expenses, liabilities, penalties and fines of Administrative Agent incurred or paid in connection therewith shall be payable by Borrowers to Administrative Agent upon demand and if not paid shall be added to the Obligations, shall be secured by the Collateral and shall

bear interest thereafter at the Default Rate. Notwithstanding the foregoing, Administrative Agent shall have no obligation to send notice to Borrower Representative or any Credit Party of any such failure.

9.8 License. Administrative Agent, on behalf of itself and the Lenders, is hereby granted an irrevocable, non-exclusive license or other right to use, license or sub-license (without payment of royalty or other compensation to any Person) any or all Intellectual Property of any Borrower or any other Credit Party, computer hardware and software, trade secrets, brochures, customer lists, promotional and advertising materials, labels, packaging materials and other property, in advertising for sale, marketing, selling, collecting, completing manufacture of, or otherwise exercising any rights or remedies with respect to, any Collateral. Each Credit Party's rights and interests under Intellectual Property shall inure to Administrative Agent's and Lenders' benefit.

9.9 Injunctive Relief. Each Borrower and each other Credit Party acknowledges and agrees that if any Borrower or other Credit Party fails to perform any covenant or obligation contained herein or under any of the other Loan Documents, Administrative Agent and Lenders may have no adequate remedy in monetary damages and, accordingly, shall be entitled to an injunction, (including a temporary restraining order, preliminary injunction, writ of attachment or order compelling performance) against such non-performance, including maintaining the procedure set forth in this Agreement with respect to Collections. Neither Administrative Agent nor Lenders shall be deemed to have waived any other legal or equitable remedies hereunder, the other Loan Documents or at law if Administrative Agent and Lenders shall seek injunctive relief under this Section 9.9. Each Borrower waives any requirement for the posting of a bond or other security by Administrative Agent and Lenders in connection with any such injunctive relief.

9.10 Collection of Accounts. Subject to Applicable Law regarding Government Account Debtors, Administrative Agent may, at any time and from time to time after the occurrence and during the continuance of an Event of Default, whether before or after notification to any Account Debtor and whether before or after the maturity of any of the Obligations, (i) enforce collection of any Accounts of any Credit Party or other amounts owed to any Credit Party by suit or otherwise; (ii) exercise all of any Credit Party's rights and remedies with respect to proceedings brought to collect any Accounts or other amounts owed to such Credit Party; (iii) surrender, release or exchange all or any part of any Accounts or other amounts owed to any Credit Party, or compromise or extend or renew for any period (whether or not longer than the original period) any indebtedness thereunder; (iv) sell or assign any Account of any Credit Party or other amount owed to any Credit Party upon such terms, for such amount and at such time or times as Administrative Agent deems advisable; (v) prepare, file and sign any Credit Party's name on any proof of claim in bankruptcy or other similar document against any Account Debtor or other Person obligated to any Credit Party; and (vi) do all other acts and things which are necessary, in Administrative Agent's sole discretion, to fulfill any Credit Party's obligations under this Agreement and the other Loan Documents and to allow Administrative Agent to collect the Accounts or other amounts owed to any Credit Party. In addition to any other provision hereof, Administrative Agent may at any time, after the occurrence and during the continuance of an Event of Default, at Borrowers' expense, notify Account Debtors (subject to Applicable Law regarding Government Account Debtors) to make payment directly to Administrative Agent of any amounts due or to become due thereunder (and once such notice has been given to an Account Debtor, no Credit Party shall give any contrary instructions to such Account Debtor during the continuance of an Event of Default without Administrative Agent's prior written consent).

9.11 Assistance and Cooperation. Each Credit Party agrees to assist and cooperate with Administrative Agent, and take any action which Administrative Agent may reasonably request or require of such Credit Party, in order to enable Administrative Agent and Lenders to obtain and enjoy the full rights and benefits granted to Administrative Agent and Lenders by the Credit Parties under this Agreement and the other Loan Documents, including specifically, at the cost and expense of Borrowers,

the use of their commercially reasonable efforts to assist in obtaining approval of any Governmental Authority for any transaction or action contemplated thereunder which is necessary under any Law or Contractual Obligation, and specifically, without limitation, the preparation, execution and filing with any such Person of any application for consent to assignment of Governmental Authorizations or otherwise.

9.12 Terminated Use of Cash Collateral. Without limitation of any of the remedies set forth in this Agreement and the other Loan Documents, upon the occurrence and during the continuance of any Event of Default, or upon the occurrence of the Revolving Loan Termination Date, no Borrower or Guarantor shall have any right to use any cash collateral (as defined in Section 363(a) of the Bankruptcy Code) in which Administrative Agent or the Lenders has an interest other than amounts used for purposes and in a manner otherwise permitted by this Agreement and held in operating accounts subject to "springing" deposit account control agreements in favor of Administrative Agent for which Administrative Agent has not given a notice of exclusive control or similar blocking notice.

9.13 Lift of Automatic Stay. Subject to the Financing Orders, if any Event of Default then exists, the automatic stay shall be modified or vacated to permit Administrative Agent and the Lenders to exercise all rights and remedies under this Agreement, the other Loan Documents or Applicable Law, without notice, application or motion, hearing before, or order of the Bankruptcy Court.

ARTICLE 10 PARTICIPATIONS AND ASSIGNMENTS

10.1 Participations and Assignments.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither the Borrower nor any other Credit Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender, and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of paragraph (b) of this Section, (ii) by way of participation in accordance with the provisions of paragraph (d) of this Section, or (iii) by way of pledge or assignment of a security interest subject to the restrictions of paragraph (e) of this Section (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby and Participants to the extent provided in paragraph (d) of this Section) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Any Lender may at any time assign to one or more assignees (any such assignee, an "***Assignee***") all or any portion of such Lender's Pro Rata Share of the Revolving Commitment, the Loans and its other rights and obligations hereunder, with the prior written consent of Administrative Agent, Swingline Lender and, so long as no Default or Event of Default has occurred and is continuing, with the prior written consent of Borrowers (all of which consents shall not be unreasonably withheld, conditioned or delayed and shall not be required for an assignment by a Lender to another Lender or an Affiliate of a Lender). Except as Administrative Agent may otherwise agree, any such assignment shall be in a minimum aggregate amount equal to $5,000,000 or, if less, the remaining Revolving Commitment and Loans held by the assigning Lender. Borrowers and Administrative Agent shall be entitled to continue to deal solely and directly with such assigning Lender in connection with the interests so assigned to an Assignee until Administrative Agent shall have received an Assignment Agreement executed, delivered and fully completed by the applicable parties thereto and a processing fee paid by such applicable parties of $3,500.00. No assignment hereunder shall be permitted if to any Ineligible Assignee. Any attempted assignment not made in accordance with this Section 10.1(b) shall be treated as the sale of a participation under Section 10.1(d).

(c) From and after the date on which the conditions described in Section 10.1(b) above have been met, (i) such Assignee shall be deemed automatically to have become a party hereto and, to the extent that rights and obligations hereunder have been assigned to such Assignee pursuant to such Assignment Agreement, shall have the rights and obligations of a Lender hereunder, and (ii) the assigning Lender, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment Agreement, shall be released from its rights (other than its indemnification rights) and obligations hereunder. Upon the request of the Assignee (and, as applicable, the assigning Lender) pursuant to an effective Assignment Agreement, Borrowers shall execute and deliver to Administrative Agent for delivery to the Assignee (and, as applicable, the assigning Lender) a Revolving Note in the principal amount of the Assignee's Revolving Commitment (and, as applicable, a Revolving Note in the principal amount of the Revolving Commitment retained by the assigning Lender). Each such Revolving Note shall be dated the effective date of such assignment. Upon receipt by the assigning Lender of such Revolving Note, the assigning Lender shall return to Borrowers any prior Revolving Note held by it.

(d) Any Lender may at any time (without any required consent) sell to one or more Persons (other than a Person that is an Ineligible Assignee) participating interests in its respective Revolving Commitment and Loans or other interests hereunder (any such Person, a "***Participant***"). In the event of a sale by a Lender of a participating interest to a Participant, (a) such Lender's obligations hereunder shall remain unchanged for all purposes, (b) Administrative Agent and Borrowers shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations hereunder and (c) all amounts payable by Borrowers shall be determined as if such Lender had not sold such participation and shall be paid directly to such Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "***Participant Register***"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. No Participant shall have any direct or indirect voting rights hereunder except with respect to any event described in Section 11.4 expressly requiring the unanimous vote of all Lenders or, as applicable, all affected Lenders. Each Lender agrees to incorporate the requirements of the preceding sentence into each participation agreement which such Lender enters into with any Participant. Each Borrower agrees that if amounts outstanding hereunder are due and payable (as a result of acceleration or otherwise), each Participant shall be deemed to have the right of set-off in respect of its participating interest in amounts owing hereunder to the same extent as if the amount of its participating interest were owing directly to it as a Lender hereunder; provided that such right of set-off shall be subject to the obligation of each Participant to share with Lenders, and Lenders agree to share with each Participant, as provided in Section 11.21. Each Borrower agrees that each Participant shall be entitled to the benefits of Section 2.15 as if it were a Lender (provided that on the date of the participation no Participant shall be entitled to any greater compensation pursuant to Section 2.15 than would have been paid to the participating Lender on such date if no participation had been sold and that each Participant complies with Section 2.15 as if it were an Assignee).

(e) Notwithstanding anything to the contrary set forth herein, any Lender may at any time pledge or assign a security interest in all or any portion of its rights hereunder and applicable Revolving Note to secure obligations of such Lender, including any pledge or assignment to secure obligations to any Federal Reserve Bank (including as collateral security pursuant to Regulation A and any Operating Circular issued by such Federal Reserve Bank), and such Loans and Revolving Note(s) shall be fully transferable as provided therein, and this Section 10.1 shall not apply to any such pledge or

assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(f) Administrative Agent will maintain a copy of each Assignment Agreement delivered and accepted by it and register (the "***Register***") for the recordation of names and addresses of Lenders, the Pro Rata Share of each Lender and the portion of the Revolving Commitment and the Loans of each Lender and whether such Lender is the original Lender or the Assignee. All records of transfer of a Lender's interest in the Register shall be conclusive, absent manifest error, as to the ownership of the interests in such Revolving Commitment and the Loans. Administrative Agent shall not incur any liability of any kind with respect to any Lender with respect to the maintenance of the Register or for any failure to ensure that any assignment is made in accordance with the terms hereof. Upon the reasonable written request of Borrower Representative, Administrative Agent will furnish a copy of the Register to Borrower Representative or another Borrower (at the cost, if any, to Borrowers).

ARTICLE 11 MISCELLANEOUS

11.1 Financial Advisors. Each Borrower (except for Cain Brothers and Berkley Research Group, LLC) shall indemnify and hold Administrative Agent and Lenders harmless from and against any and all claims, liabilities, costs and expenses (including the reasonable fees and disbursements of legal counsel for Administrative Agent and Lenders, including the reasonable charges of internal legal counsel, whether incurred in connection with enforcing this indemnity or defending claims of third parties) of any kind in any way relating to or arising from a claim by any Person that such Person acted on behalf of such Borrower in connection with the transactions contemplated herein.

11.2 Administrative Agent's Discretion. Whenever pursuant to this Agreement or any other Loan Document, Administrative Agent exercises any right given to it to approve or disapprove, or consent or withhold consent, or any arrangement or term is to be satisfactory to Administrative Agent or is to be in Administrative Agent's discretion, the decision of Administrative Agent to approve or disapprove, to consent or withhold consent, or to decide whether arrangements or terms are satisfactory or not satisfactory, or acceptable or unacceptable or in Administrative Agent's discretion shall (except as is otherwise specifically herein provided) be in the sole discretion of Administrative Agent (unless another standard is specified herein, in which event such other standard shall be applied) and shall be final and conclusive.

11.3 Governing Law.

(a) IN ALL RESPECTS, INCLUDING MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE, THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS AND THE OBLIGATIONS ARISING HEREUNDER AND THEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND PERFORMED IN SUCH STATE AND ANY APPLICABLE LAW OF THE UNITED STATES OF AMERICA. TO THE FULLEST EXTENT PERMITTED BY LAW, EACH BORROWER AND EACH OTHER CREDIT PARTY HEREBY UNCONDITIONALLY AND IRREVOCABLY WAIVES ANY CLAIM TO ASSERT THAT THE LAW OF ANY OTHER JURISDICTION GOVERNS THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AND THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS.

(b) EACH PARTY HERETO HEREBY CONSENTS AND AGREES THAT THE BANKRUPTCY COURT SHALL HAVE EXCLUSIVE JURISDICTION (OR IF THE BANKRUPTCY COURT DOES NOT HAVE JURISDICTION, ANY FEDERAL OR STATE COURT OF COMPETENT

JURISDICTION LOCATED IN NEW YORK, NEW YORK) TO HEAR AND DETERMINE ANY CLAIMS OR DISPUTES BETWEEN THE PARTIES HERETO, ON THE ONE HAND, AND ADMINISTRATIVE AGENT OR ANY LENDER, ON THE OTHER HAND, PERTAINING TO THE AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS OR TO ANY MATTER ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS; PROVIDED THAT EACH PARTY ACKNOWLEDGES THAT ANY APPEALS FROM THE BANKRUPTCY COURT MAY HAVE TO BE HEARD BY A COURT OTHER THAN THE BANKRUPTCY COURT; PROVIDED, FURTHER, THAT NOTHING IN THE AGREEMENT SHALL BE DEEMED OR OPERATE TO PRECLUDE ADMINISTRATIVE AGENT OR ANY LENDER FROM BRINGING SUIT OR TAKING OTHER LEGAL ACTION IN ANY OTHER JURISDICTION TO REALIZE ON THE COLLATERAL OR ANY OTHER SECURITY FOR THE OBLIGATIONS, OR TO ENFORCE A JUDGMENT OR OTHER COURT ORDER IN FAVOR OF ADMINISTRATIVE AGENT OR ANY LENDER. EACH PARTY HERETO EXPRESSLY SUBMITS AND CONSENTS IN ADVANCE TO SUCH JURISDICTION IN ANY ACTION OR SUIT COMMENCED IN ANY SUCH COURT, AND EACH PARTY HEREBY WAIVES ANY OBJECTION THAT SUCH PARTY MAY HAVE BASED UPON LACK OF PERSONAL JURISDICTION, IMPROPER VENUE OR FORUM NON CONVENIENS, AND HEREBY CONSENTS TO THE GRANTING OF SUCH LEGAL OR EQUITABLE RELIEF AS IS DEEMED APPROPRIATE BY SUCH COURT.

11.4 Modification, Waiver in Writing.

(a) **No Deemed Consent**. Administrative Agent's or Lenders' failure, at any time or times hereafter, to require strict performance by Borrowers or other Credit Parties of any provision of this Agreement shall not waive, affect or diminish any right of Administrative Agent or Lenders thereafter to demand strict compliance and performance therewith. In particular, and not by way of limitation, by accepting payment after the due date of any amount payable under any Loan Document, neither Administrative Agent nor any Lender shall be deemed to have waived any right either to require prompt payment when due of all other amounts due under the Loan Documents, or to declare an Event of Default for failure to effect prompt payment of any such other amount. None of the undertakings, agreements, warranties, covenants and representations of Borrowers and the other Credit Parties contained in this Agreement or any of the other Loan Documents and no Default or Event of Default shall be deemed to have been suspended or waived by Administrative Agent and Lenders unless such suspension or waiver is in writing signed by an officer of Administrative Agent and Required Lenders, and directed to Borrower specifying such suspension or waiver.

(b) **Amendments, Consents and Waivers Generally**. Except as otherwise expressly provided in this Agreement, (i) any consent or approval required or permitted by this Agreement or in any Loan Document to be given by the Lenders may be given, (ii) any term of this Agreement or of any other Loan Document may be amended, (iii) the performance or observance by the Borrower or any other Credit Party of any terms of this Agreement or any other Loan Document may be waived, and (iv) the continuance of any Default or Event of Default may be waived (either generally or in a particular instance and either retroactively or prospectively) with, but only with, the written consent of the Required Lenders (or the Administrative Agent at the written direction of the Required Lenders), and, in the case of an amendment to any Loan Document, the written consent of each Credit Party which is party thereto, provided that no such amendment, modification or waiver or consent shall:.

(i) extend or increase the Revolving Commitment of any Lender without the written consent of such Lender;

(ii) extend any date scheduled for the payment of principal or interest without the written consent of each Lender directly affected thereby;

(iii) extend the Revolving Loan Termination Date without the written consent of all Lenders;

(iv) reduce the principal amount of the Loans, the rate of interest thereon (including applicable margins and interest rate floors) or any fees payable hereunder, without the consent of each Lender directly affected thereby (except for any periodic adjustments of interest rates and fees as provided for in this Agreement or any right to waive the Default Rate);

(v) release any Borrower or any Guarantor from its obligations hereunder or under any Guaranty;

(vi) release all or substantially all of the Collateral granted hereunder or under any of the Loan Documents (except as otherwise specifically permitted or provided in this Agreement);

(vii) change the payment application waterfall in Section 9.3, the definition of Required Lenders, any provision of this Section 11.4 or reduce the aggregate Pro Rata Share required to effect an amendment, modification, waiver or consent, without, in each case, the written consent of all Lenders; or

(viii) provide, or otherwise permit, the subordination of any Loan, or authorize Administrative Agent to subordinate its Lien in all or substantially all of the Collateral to a third party (except as otherwise specifically permitted or provided in this Agreement) without the written consent of each Lender.

(c) **Administrative Agent Consent**. This Agreement or any Loan Document may be amended or waived pursuant to an agreement in writing entered into by the Administrative Agent and the Borrower or other applicable Credit Parties (without the consent of any Lender) (1) to cure a defect or error, (2) to grant a new Lien for the benefit of the Administrative Agent and the Lenders or extend an existing Lien over additional property or (3) to make modifications required under Applicable Law that are not materially adverse to the Lenders. No provision of Article 12 or other provision of this Agreement affecting Administrative Agent as such shall be amended, modified or waived without the prior written consent of Administrative Agent. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that the Revolving Commitment of such Lender may not be increased or extended without the consent of such Defaulting Lender.

(d) **Swingline Lender Consent**. No amendment, waiver or consent shall, unless in writing and signed by the Swingline Lender in addition to the Lenders otherwise required under this Section 11.4 affect the rights or duties of the Swingline Lender hereunder.

11.5 Waiver of Trial by Jury.

(a) EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN

THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION. ADMINISTRATIVE AGENT AND EACH LENDER IS HEREBY AUTHORIZED TO FILE A COPY OF THIS SECTION 11.5 IN ANY PROCEEDING AS CONCLUSIVE EVIDENCE OF THIS WAIVER BY ANY BORROWER AND ANY OTHER CREDIT PARTY.

(b) In the event any such action or proceeding is brought or filed in any United States federal court sitting in the State of California or in any state court of the State of California, and the waiver of jury trial set forth in Section 11.5(a) hereof is determined or held to be ineffective or unenforceable, the parties agree that all actions or proceedings shall be resolved by reference to a private judge sitting without a jury, pursuant to California Code of Civil Procedure Section 638, before a mutually acceptable referee or, if the parties cannot agree, a referee selected by the Presiding Judge of the Los Angeles County, California. Such proceeding shall be conducted in Los Angeles County, California, with California rules of evidence and discovery applicable to such proceeding. In the event any actions or proceedings are to be resolved by judicial reference, any party may seek from any court having jurisdiction thereover any prejudgment order, writ or other relief and have such prejudgment order, writ or other relief enforced to the fullest extent permitted by Law notwithstanding that all actions or proceedings are otherwise subject to resolution by judicial reference.

11.6 Waiver of Consequential Damages, Etc. To the fullest extent permitted by Applicable Law, each Borrower and each other Credit Party agree not to assert, and hereby waive, in any legal action or other proceeding, any claim against Administrative Agent, any Lender or any Lender Affiliate, on any theory of liability, for special, indirect, consequential, special, exemplary or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof.

11.7 Headings/Exhibits. The section headings in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose. The Exhibits attached hereto, are hereby incorporated by reference as a part of this Agreement with the same force and effect as if set forth in the body hereof.

11.8 Severability. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under Applicable Law, but if any provision of this Agreement shall be prohibited by or invalid under Applicable Law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

11.9 Preferences. To the extent Borrowers make a payment to Administrative Agent or any Lender hereunder, or Administrative Agent or any Lender receives proceeds of any Collateral, which is in whole or part subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any Debtor Relief Law, common law or equitable cause, then, to the extent of such payment or proceeds received, the Indebtedness or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by Administrative Agent or such Lender.

11.10 Waiver of Notice. Each Borrower and each other Credit Party hereby expressly waives the right to receive any notice from Administrative Agent or any Lender with respect to any matter, except to the extent that this Agreement or any other Loan Document specifically and expressly requires

the giving of notice by Administrative Agent or any Lender to any Borrower and except with respect to matters for which Borrowers are not, pursuant to Applicable Laws, permitted to waive the giving of notice.

11.11 Remedies of Borrowers. If a claim or adjudication is made that Administrative Agent or any Lender or any of their respective agents has acted unreasonably or unreasonably delayed acting in any case where by law or under any Loan Document, Administrative Agent, such Lender or any such agent, as the case may be, has an obligation to act reasonably or promptly, each Borrower and each other Credit Party agrees that neither Administrative Agent, any Lender nor its respective agents shall be liable for any monetary damages, and such Borrower's or Credit Party's sole remedy shall be to commence an action seeking injunctive relief or declaratory judgment. Any action or proceeding to determine whether Administrative Agent or any Lender has acted reasonably shall be determined by an action seeking declaratory judgment. Each Borrower and each other Credit Party specifically waives any claim against Administrative Agent, each Lender and its respective agents with respect to actions taken by Administrative Agent, each Lender or its respective agents on any Borrower's or Credit Party's behalf.

11.12 Prior Agreements. This Agreement and the other Loan Documents contain the entire agreement of the parties hereto and thereto in respect of the transactions contemplated hereby and thereby, and all prior agreements, understandings and negotiations among or between such parties, whether oral or written, are superseded by the terms of this Agreement and the other Loan Documents.

11.13 Offsets, Counterclaims and Defenses. Each Borrower and each other Credit Party hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Administrative Agent, any Lender or their respective agents or otherwise offset any obligations to make payments required under the Loan Documents. Any Assignee of Administrative Agent's or any Lender's interest in and to the Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses which such Borrower or such other Credit Party may otherwise have against any assignor of such documents, and no such offset, counterclaim or defense shall be interposed or asserted by such Borrower or such other Credit Party in any action or proceeding brought by any such Assignee upon such documents, and any such right to interpose or assert any such offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by such Borrower or such other Credit Party.

11.14 Publicity. Except as required in connection with the Bankruptcy Cases, neither any Borrower nor any other Credit Party shall, whether now or in the future issue. any press releases or other public disclosure using the name "Ally Bank", the name of any other Lender or the name of any of their respective Lender Affiliates or referring to this Agreement or the other Loan Documents without at least five (5) Business Days' prior notice to Administrative Agent (and in the case of a disclosure of a Lender's name, such Lender) and without the prior written consent of Administrative Agent (and in the case of a disclosure of a Lender's name, such Lender) unless (and only to the extent that) such Borrower or such other Credit Party is required to do so under Applicable Law and then, in any event, such Borrower or such other Credit Party will consult with Administrative Agent (and in the case of a disclosure of a Lender's name, such Lender) before issuing such press release or other public disclosure. Each Borrower and each other Credit Party expressly consents to and authorizes the publication by Administrative Agent and Lenders of a summary description of the transaction(s) contemplated by this Agreement in any format (including tombstones, deal listings or similar advertising materials), which may be published in one or more of financial or other industry periodicals, newspapers, reporting services, trade organizations, written promotional materials, web site, or otherwise. In addition, each Borrower or each other Credit Party expressly consents to and authorizes Administrative Agent and Lenders to provide to financial or other industry periodicals, newspapers, reporting services or trade organizations information necessary

and customary for inclusion of the transaction(s) in league table measurements, including the aggregate dollar value of the transaction.

11.15 Indemnification; Expenses.

(a) Expenses. Each Borrower and each other Credit Party shall reimburse Administrative Agent (or any Lender, as applicable) upon receipt of notice for all Expenses. Any Expenses due and payable by any Borrower or any other Credit Party hereunder which are not paid within five (5) days after demand shall accrue interest at the Default Rate and may be paid by Administrative Agent, in its sole discretion, pursuant to Section 2.8.

(b) Indemnity. Each Borrower and each other Credit Party shall defend, indemnify and hold harmless Administrative Agent, each Lender, each Lender Affiliate, each of their respective directors, officers, partners, members, shareholders, participants, employees, professionals and agents, and each of their respective successors and assigns (each, an "***Indemnified Party***"), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (including the fees and disbursements of counsel for an Indemnified Party in connection with any investigative, administrative or judicial proceeding commenced or threatened, court costs and costs of appeal at all appellate levels, investigation and laboratory fees, consultant fees and litigation expenses), that may be imposed on, incurred by, or asserted against any Indemnified Party (collectively, the "***Indemnified Liabilities***") arising out of or related to (i) the execution, enforcement, performance, or administration of this Agreement, any of the other Loan Documents, the transactions contemplated hereby; (ii) any breach by any Borrower, any other Credit Party or any Affiliate thereof of their obligations under, or any misrepresentation by any of the foregoing contained in, any Loan Document; (iii) any Environmental Release or the presence, disposal, escape, seepage, leakage, spillage, discharge, emission, release, or threatened release of any Hazardous Materials on, from or affecting any Healthcare Facility; (iv) any violation of any Laws by Borrower, any other Credit Party or any Affiliate thereof and (iv) any other mater arising out of or related to the Revolving Loans, any Credit Party, any Healthcare Facility or any Collateral; provided, however, that Borrowers shall not have any obligation to any Indemnified Party hereunder to the extent that it is judicially determined by a court of competent jurisdiction in a final, non-appealable judgment that such Indemnified Liabilities are the result of the gross negligence or willful misconduct of such Indemnified Party. Any amounts payable to any Indemnified Party by reason of the application of this Section 11.15 shall be payable on demand and shall bear interest at the Default Rate from the date loss or damage is sustained by any Indemnified Party until paid.

(c) Each Borrower and each other Credit Party for itself and all endorsers, guarantors and sureties and their heirs, legal representatives, successors and assigns, hereby further specifically waives any rights that it may have under Section 1542 of the California Civil Code (to the extent applicable), which provides as follows: "A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR," and further waives any similar rights under applicable Laws.

11.16 Survival. All obligations, covenants, agreements, representations, warranties, waivers and indemnities made by any Borrower in any Loan Document shall survive the execution and delivery of the Loan Documents, the Closing, the making of the Loans and any termination of this Agreement until all Obligations are fully performed and indefeasibly paid in full in cash. The obligations and provisions of Sections 2.2(k), 2.14, 2.15, 5.13, 9.9, 11.1, 11.3, 11.5, 11.6, 11.8, 11.9, 11.11, 11.13, 11.14, 11.15,

11.16, 11.17, 11.20, 11.27, 12.3, 12.6, 12.7 and 12.13 shall survive the termination of this Agreement and the other Loan Documents and any payment, in full or in part, of the Obligations.

11.17 No Usury. If Applicable Law is ever judicially interpreted so as to render usurious any amount called for hereunder or any other Loan Document, or contracted for, charged, taken, reserved or received with respect to the Obligations, or if Administrative Agent's and Lenders' exercise of the option to accelerate the maturity of the Loans or any prepayment by any Borrower results in Borrowers having paid any interest in excess of that permitted by Applicable Law, then it is each Borrower's, Administrative Agent's and Lenders' express intent that all excess amounts theretofore collected by Administrative Agent or any Lender shall be credited against the unpaid principal amount of the Obligations (or, if the Obligations have been or would thereby be paid in full, refunded to Borrowers), and the provisions of the Loan Documents immediately be deemed reformed and the amounts thereafter collectible thereunder reduced, without the necessity of the execution of any new document, so as to comply with Applicable Law, but so as to permit the recovery of the fullest amount otherwise called for thereunder. All sums paid or agreed to be paid to Lenders for the use, forbearance or detention of the Loans shall, to the extent permitted by Applicable Law, be amortized, prorated, allocated, and spread throughout the full stated term of the Loans until payment in full so that the rate or amount of interest on account of the Loans does not exceed the maximum lawful rate from time to time in effect and applicable to the Loans for so long as the Loans are outstanding. Notwithstanding anything to the contrary contained in any Loan Document, it is not the intention of Administrative Agent or any Lender to accelerate the maturity of any interest that has not accrued at the time of such acceleration or to collect unearned interest at the time of such acceleration.

11.18 Conflict; Construction of Documents. In the event of any conflict between the provisions of this Agreement and any of the other Loan Documents, the provisions of this Agreement shall control. The parties hereto acknowledge that each is represented by separate counsel in connection with the negotiation and drafting of the Loan Documents and that the Loan Documents shall not be subject to the principle of construing their meaning against the party that drafted them.

11.19 No Third Party Beneficiaries. The Loan Documents are solely for the benefit of Administrative Agent, Lenders and Credit Parties and nothing contained in any Loan Document shall be deemed to confer upon any Person (other than Administrative Agent, Lenders, Credit Parties, Indemnified Parties under Section 11.15 and Indemnified Agent Parties under Section 12.7, their respective successors and assigns permitted hereby and, to the extent expressly contemplated hereby, Affiliates of each of Administrative Agent and Lenders) any right to insist upon or to enforce the performance or observance of any of the obligations contained therein.

11.20 Assignment. The Loans, any Notes, the Loan Documents and/or any Lender's rights, title, obligations and interests therein may be assigned by such Lender and any of its successors and assigns in accordance with the terms and conditions set forth in Article 10. Neither any Borrower nor any other Credit Party may assign its rights, title, interests or obligations hereunder or under any of the other Loan Documents.

11.21 Set-Off. Subject in all events to Section 12.13 hereunder, if an Event of Default shall have occurred and be continuing, each Lender and each of their respective Affiliates is hereby authorized at any time and from time to time, after obtaining the prior written consent of the Administrative Agent, to the fullest extent permitted by Applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender or any such Affiliate to or for the credit or the account of any Borrower or any other Credit Party against any and all of the obligations of such Borrower or such other Credit Party now or hereafter existing hereunder or any other Loan Document to such

Lender, irrespective of whether or not such Lender shall have made any demand hereunder or any other Loan Document and although such obligations of such Borrower or such other Credit Party may be contingent or unmatured or are owed to a branch or office or Affiliate of such Lender different from the branch, office or Affiliate holding such deposit or obligated on such indebtedness; provided, that if any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 12.15 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender and their respective Affiliates under this Section 11.21 are in addition to other rights and remedies (including other rights of setoff) that such Lender or their respective Affiliates may have. Each Lender agrees to notify the Borrower Representative and the Administrative Agent promptly after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application.

11.22 Confidentiality. Except as required in connection with the Bankruptcy Cases, each Credit Party agrees (i) not to transmit or disclose provisions of any Loan Document to any Person (other than to Borrowers' advisors and officers on a need-to-know basis (as reasonably determined by the applicable Credit Party) or as otherwise may be required by Law) without the Administrative Agent's prior written consent and (ii) to inform all Persons of the confidential nature of the Loan Documents and to direct them not to disclose the same to any other Person and to require each of them to be bound by these provisions.

11.23 Patriot Act Compliance. Each Lender that is subject to the Patriot Act (as defined below) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies each Credit Party that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies each Credit Party, which information includes the name, address and tax identification number of each Credit Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Credit Party in accordance with the Patriot Act. The Borrowers shall, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the Patriot Act.

11.24 [Reserved].

11.25 Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. Delivery of an executed counterpart of a signature page to this Agreement by telecopier, facsimile machine, portable document format ("***PDF***") or other electronic means shall be as effective as delivery of a manually executed counterpart of this Agreement. The effectiveness of any such documents and signatures shall, subject to Applicable Laws, have the same force and effect as manually signed originals and shall be binding on Borrowers, Administrative Agent and Lenders. Administrative Agent may also require that any such documents and signatures be confirmed by a manually signed original thereof; provided, however, that the failure to request or deliver the same shall not limit the effectiveness of any facsimile document or signature. No party may raise the use of a telecopier, facsimile machine, PDF or other electronic means, or the fact that any signature was transmitted through the use of a telecopier, facsimile machine, PDF or other electronic means, as a defense to the enforcement of this Agreement.

11.26 Borrower Representative.

(a) Each Credit Party hereby irrevocably appoints and constitutes Borrower Representative as its agent to (i) request and receive the proceeds of advances in respect of the Loans (and to otherwise act on behalf of such Credit Party pursuant to this Agreement and the other Loan Documents) from Administrative Agent and Lenders in the name or on behalf of each such Credit Party, (ii) receive statements of account and all other notices from Administrative Agent or any Lender, as applicable, with respect to the Obligations or otherwise under or in connection with this Agreement and the other Loan Documents, (iii) execute and deliver Borrowing Base Certificates, Compliance Certificates and all other notices, certificates and documents to be executed and/or delivered by any Credit Party hereunder or the other Loan Documents; and (iv) otherwise act on behalf of such Credit Party pursuant to this Agreement and the other Loan Documents.

(b) The authorizations contained in this Section 11.26 are coupled with an interest and shall be irrevocable, and Administrative Agent and Lenders may rely on any notice, request, information supplied by Borrower Representative, every document executed by Borrower Representative, every agreement made by Borrower Representative or other action taken by Borrower Representative in respect of any Borrower or other Credit Party as if the same were supplied, made or taken by such Borrower or such other Credit Party. Without limiting the generality of the foregoing, the failure of one or more Borrowers or other Credit Parties to join in the execution of any writing in connection herewith shall not relieve any Borrower or other Credit Party from obligations in respect of such writing. No purported termination of the appointment of Borrower Representative as agent shall be effective without the prior written consent of Administrative Agent.

11.27 Joint and Several.

(a) Each Borrower shall be jointly and severally liable for all of the Obligations of Borrowers hereunder, regardless of which of Borrowers actually receives the proceeds or other benefits of the Loans or other extensions of credit hereunder or the manner in which Borrowers, the Administrative Agent or the Lenders account therefor in their respective books and records.

(b) Each Borrower is accepting joint and several liability hereunder and under the other Loan Documents in consideration of the financial accommodations to be provided by the Administrative Agent and Lenders hereunder, for the mutual benefit, directly and indirectly, of each Borrower and in consideration of the undertakings of the other Borrowers to accept joint and several liability for the Obligations.

(c) To the extent that Applicable Law otherwise would render the full amount of the joint and several obligations of any Borrower hereunder and under the other Loan Documents invalid or unenforceable, such Person's obligations hereunder and under the other Loan Documents shall be limited to the maximum amount which does not result in such invalidity or unenforceability; provided, however, that each Borrower's obligations hereunder and under the other Loan Documents shall be presumptively valid and enforceable to their fullest extent in accordance with the terms hereof or thereof, as if this Section 11.27 were not a part of this Agreement.

(d) To the extent that any Borrower shall make a payment under this Section 11.27 of all or any of the Obligations (as used in this clause (g), a "***Joint Liability Payment***") which, taking into account all other Joint Liability Payments then previously or concurrently made by any other Borrower, exceeds the amount that such Borrower would otherwise have paid if each Borrower had paid the aggregate Obligations satisfied by such Joint Liability Payments in the same proportion that such Person's "Allocable Amount" (as defined below) (as determined immediately prior to such Joint Liability

Payments) bore to the aggregate Allocable Amounts of each of Borrowers as determined immediately prior to the making of such Joint Liability Payments, then, following indefeasible payment in full in cash of the Obligations (other than contingent obligations that survive the repayment in full of the Loans and the termination of the Loan Documents and for which no claim has been asserted) and termination of the Revolving Commitment, such Borrower shall be entitled to receive contribution and indemnification payments from, and be reimbursed by, each other Borrower for the amount of such excess, *pro rata* based upon their respective Allocable Amounts in effect immediately prior to such Joint Liability Payments. As of any date of determination, the "Allocable Amount" of any Borrower shall be equal to the maximum amount of the claim which could then be recovered from such Borrower under this Section 11.27 without rendering such claim voidable or avoidable under §548 of the Bankruptcy Code or under any applicable state Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act or similar statute or common law.

(e) Each Borrower assumes responsibility for keeping itself informed of the financial condition of each other Borrower, and any and all endorsers and/or guarantors of any instrument or document evidencing all or any part of such other Borrower's Obligations, and of all other circumstances bearing upon the risk of nonpayment by such other Borrower of their Obligations and each Borrower agrees that neither Administrative Agent nor any Lender has any duty to advise such Borrower of information known to Administrative Agent or any Lender regarding such condition or any such circumstances or to undertake any investigation not a part of its regular business routine. If Administrative Agent or any Lender, in its sole discretion, undertakes at any time or from time to time to provide any such information to a Borrower, Administrative Agent or such Lender shall not be under any obligation to update any such information or to provide any such information to such Borrower or any other Person on any subsequent occasion.

(f) Administrative Agent and Lenders are hereby authorized, without notice or demand and without affecting the liability of a Borrower hereunder, to, at any time and from time to time, (A) renew, extend, accelerate or otherwise change the time for payment of, or other terms relating to, Obligations incurred by any Borrower or other Credit Party, otherwise modify, amend or change the terms of any promissory note or other agreement, document or instrument now or hereafter executed by any Borrower or other Credit Party and delivered to Administrative Agent or any Lender; (B) accept partial payments on an Obligation incurred by any Borrower; (C) take and hold security or collateral for the payment of an Obligation incurred by any Borrower hereunder or for the payment of any guaranties of an Obligation incurred by any Borrower or other liabilities of any Borrower and exchange, enforce, waive and release any such security or collateral; (D) apply such security or collateral and direct the order or manner of sale thereof as Administrative Agent may determine in its sole discretion; and (E) settle, release, compromise, collect or otherwise liquidate an Obligation incurred by any Borrower and any security or collateral therefor in any manner, without affecting or impairing the obligations of any other Borrower. Administrative Agent shall have the exclusive right to determine the time and manner of application of any payments or credits, whether received from a Borrower or any other source, and such determination shall be binding on each Borrower. All such payments and credits may be applied, reversed and reapplied, in whole or in part, to any of an Obligation incurred by any Borrower as Administrative Agent shall determine in their sole discretion without affecting the validity or enforceability of the Obligations of the other Borrowers.

(g) Each Borrower hereby agrees that, except as hereinafter provided, its obligations hereunder shall be unconditional, irrespective of and each Borrower hereby waives notice of: (A) the absence of any attempt to collect an Obligation incurred by a Borrower from any Borrower or any guarantor or other action to enforce the same; (B) the waiver or consent by Administrative Agent and Lenders with respect to any provision of any instrument evidencing an Obligation incurred by any other Borrower, or any part thereof, or any other agreement heretofore, now or hereafter executed by any other

Borrower and delivered to Administrative Agent or any Lender; (C) failure by Administrative Agent to take any steps to perfect and maintain its security interest in, or to preserve its rights to, any security or collateral for an Obligation incurred by any Borrower; (D) Administrative Agent's or any Lender's election in any of the Bankruptcy Cases of the application of §1111(b)(2) of the Bankruptcy Code; (E) any other borrowing or grant of a security interest by a Borrower to any third party in the Bankruptcy Cases; (F) the disallowance, under Section 502 of the Bankruptcy Code, of all or any portion of Administrative Agent's claim(s) for repayment of any of the Obligations; or (G) any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor.

(h) This Section 11.27 is intended only to define the relative rights of Borrowers and nothing set forth in this Section 11.27 is intended to or shall impair the obligations of Borrowers, jointly and severally, to pay any amounts as and when the same shall become due and payable in accordance with the terms of this Agreement or any other Loan Documents. Nothing contained in this Section 11.27 shall limit the liability of any Borrower to pay the Loans made directly or indirectly to such Borrower and accrued interest, fees and Expenses with respect thereto for which such Borrower shall be primarily liable.

(i) No payment made by or for the account of any Borrower, including (A) a payment made by such Borrower on behalf of an Obligation of another Borrower or (B) a payment made by any other person under any guaranty, shall entitle such Borrower, by subrogation or otherwise, to any payment from such other Borrower or from or out of property of such other Borrower and such Borrower shall not exercise any right or remedy against such other Borrower or any property of such other Borrower by reason of any performance of such Borrower of its joint and several obligations hereunder until the Obligations (other than contingent obligations that survive the repayment in full of the Loans and the termination of the Loan Documents and for which no claim has been asserted) are paid in full.

(j) Each Borrower hereby agrees that after the occurrence and during the continuance of any Default or Event of Default, such Borrower will not demand, sue for or otherwise attempt to collect any indebtedness of any other Borrower owing to such Borrower until the Obligations (other than contingent obligations that survive the repayment in full of the Loans and the termination of the Loan Documents and for which no claim has been asserted) are paid in full. If, notwithstanding the foregoing sentence, such Borrower shall collect, enforce or receive any amounts in respect of such indebtedness, such amounts shall be collected, enforced and received by such Borrower as trustee for Administrative Agent, and such Borrower shall deliver any such amounts to Administrative Agent for application to the Obligations in accordance with Section 9.3.

(k) Any notice given by Borrower Representative hereunder shall constitute and be deemed to be notice given by all Borrowers, jointly and severally. Notice given by Administrative Agent or any Lender to Borrower Representative hereunder or pursuant to any other Loan Documents in accordance with the terms hereof or thereof shall constitute notice to all Borrowers. The knowledge of any Borrower shall be imputed to all Borrowers and any consent by Borrower Representative or any Borrower shall constitute the consent of and shall bind all Borrowers.

(l) The parties hereto acknowledge that the rights of contribution and indemnification hereunder shall constitute assets of each Borrower to which such contribution and indemnification is owing. The rights of any indemnifying Borrower against the other Borrowers under this Section shall be exercisable upon the full and indefeasible payment of the Obligations (other than contingent obligations that survive the repayment in full of the Loans and the termination of the Loan Documents and for which no claim has been asserted) and the termination of the Revolving Facility.

11.28 Release of Claims. Each Borrower and each other Credit Party does hereby (i) waive any claim in tort, contract or otherwise which such Borrower or such other Credit Party may have against Administrative Agent, any Lender, any of their respective Affiliates or their respective officers, directors, agents, or employees (collectively, "***Lender Agents***") which may arise out of the relationship between any such Borrower or such other Credit Party and any such Person prior to the Closing Date; and (ii) absolutely and unconditionally releases and discharges the Administrative Agent, each Lender, each of their respective Affiliates and the Lender Agents from any and all claims, causes of action, losses, damages or expenses which may arise out of any relationship between it and the Administrative Agent, such Lender, any such Affiliate or the Lender Agents which such Borrower or such other Credit Party may have as of the Closing Date. Each Borrower and each other Credit Party acknowledges that it makes this waiver and release knowingly, voluntarily and only after considering the ramifications of this waiver and release with its legal counsel.

11.29 Acting Through Agents. In exercising any rights under the Loan Documents or taking any actions provided for therein, Administrative Agent may act through its employees, agents or independent contractors as authorized by Administrative Agent. Each Borrower shall authorize its accounting firm and/or service bureaus to provide Administrative Agent with such information as is requested by Administrative Agent in accordance with this Agreement. Each Borrower authorizes Administrative Agent to contact directly any such accounting firm and/or service bureaus to obtain such information.

ARTICLE 12 AGENCY PROVISIONS; SETTLEMENT

Administrative Agent, Lenders, Borrowers and each other Credit Party agree that, except for the rights expressly granted to Borrowers under Section 12.9, no Borrower or other Credit Party shall be a party to the agreements contained in this Article 12. Without limitation of the foregoing, Administrative Agent, Lenders, Borrowers and each other Credit Party agree that in no event shall Borrowers or other Credit Parties be required to seek comment from, deliver notices to or otherwise deal with any Lender other than Administrative Agent (except as otherwise specifically stated in this Agreement). No Borrower or other Credit Party shall have any benefits or rights as a third party beneficiary of any term or condition contained in this Article 12.

12.1 Appointment and Authorization.

(a) **Generally**. Each Lender hereby irrevocably (subject to Section 12.9) appoints, designates and authorizes Administrative Agent to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorized Administrative Agent to take such action on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to it by the terms of this Agreement or any other Loan Document, together with such powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary contained elsewhere in this Agreement or in any other Loan Document, Administrative Agent shall not have any duty or responsibility except those expressly set forth herein, nor shall Administrative Agent have or be deemed to have any fiduciary relationship with any Lender or Participant, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against Administrative Agent. The duties of Administrative Agent shall be mechanical and administrative in nature. Without limiting the generality of the foregoing sentence, the use of the term "agent" herein and in other Loan Documents with reference to Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any Applicable Law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) **Specific Authorizations**. Except as otherwise specified in this Agreement, Administrative Agent shall have the right to exercise its sole and absolute discretion to act or not to act under the Loan Documents. Without limiting the generality of the foregoing, Administrative Agent shall have the sole and exclusive right and authority to:

A. act as the disbursing and collecting agent for the Lenders with respect to all payments and collections arising in connection with this Agreement and the Loan Documents relating to the Collateral securing the Loans;

B. make any subsequent advances to the Borrower for the purposes described in this Agreement;

C. approve or disapprove any form of real property lease agreement to which the Borrowers or other Credit Parties are subject;

D. execute and deliver each Collateral Document and accept delivery of each such agreement delivered by the Credit Parties;

E. act as collateral agent for the Lenders for purposes of the perfection of all security interests and Liens created by such agreements and all other purposes stated therein;

F. take such action as is necessary or desirable to maintain the perfection and priority of the security interest and Liens created or purported to be created by the Loan Documents;

G. release or assign (without recourse, representation or warranty, other than representations as to title and as to no encumbrances by Administrative Agent) any or all Collateral upon payment and satisfaction in full of the Loans; and

H. enter into any so-called "pre-negotiation agreement" with Borrower or any other Credit Party (provided that as a condition precedent to such authority, all Lenders have been given a reasonable opportunity to (i) comment on the proposed form of pre-negotiation agreement and (ii) discuss such comments with Administrative Agent).

12.2 Delegation of Duties. Administrative Agent may execute any of its duties hereunder or any other Loan Document by or through agents, employees or attorneys-in-fact and shall be entitled to advice of legal counsel and other consultants, independent public accountants or experts concerning all matters pertaining to such duties. Administrative Agent shall not be responsible for the negligence or misconduct of any agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct as finally determined in a non-appealable judicial proceeding.

12.3 Exculpation of Administrative Agent. None of Administrative Agent nor any of its directors, officers, employees, Affiliates or agents shall (a) be liable to any Lender or any other Person for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except to the extent resulting from its own gross negligence or willful misconduct in connection with its duties expressly set forth herein as determined by a final, nonappealable judgment by a court of competent jurisdiction), or (b) be responsible in any manner to any Lender or Participant for any recital, statement, representation or warranty made by any Borrower, any Credit Party or any of their Affiliates, or any officer thereof, contained in this Agreement or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by Administrative Agent under or in connection with, this

Agreement or any other Loan Document, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document (or the creation, perfection or priority of any Lien or security interest therein), or for any failure of any Borrower, any Credit Party or any other party to any Loan Document to perform its obligations and liabilities hereunder or thereunder, or be responsible for or have any duty to ascertain or verify the satisfaction of any conditions specified in this Agreement or any other Loan Document. Administrative Agent shall not be under any obligation to any Lender to ascertain or to inquire as to (i) the performance or observance of any of the terms, provisions or conditions of this Agreement or any of the other Loan Documents, (ii) the financial condition of any Credit Party, (iii) the contents of any certificate, report or other document delivered hereunder or any other Loan Document or in connection herewith or therewith, (iv) the existence or possible existence of any Default or Event of Default, or (v) the satisfaction of any condition set forth in Section 3 of this Agreement or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to Administrative Agent.

12.4 Reliance by Administrative Agent. Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, communication, signature, resolution, representation, notice, consent, certificate, electronic mail message, affidavit, letter, telegram, facsimile, telex or telephone message, statement or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and upon advice and statements of legal counsel (including legal counsel to Borrowers), independent accountants and other experts selected by Administrative Agent. Administrative Agent shall be fully justified in failing or refusing to take any action hereunder or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders or such other number or percentage of Lenders as shall be required elsewhere in this Agreement as it deems appropriate and, if it so requests, confirmation from Lenders of their obligation to indemnify Administrative Agent against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, hereunder or any other Loan Document in accordance with a request or consent of the Required Lenders or such other number or percentage of Lenders as shall be required elsewhere in this Agreement and such request and any action taken or failure to act pursuant thereto shall be binding upon each Lender. For purposes of determining compliance with the conditions specified in Section 3.2, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless Administrative Agent shall have received written notice from such Lender prior to the Closing Date specifying its objection thereto.

12.5 Notice of Default. Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default except with respect to defaults in the payment of principal, interest and fees required to be paid to Administrative Agent for the account of Lenders, unless Administrative Agent shall have received written notice from a Lender or a Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default". Administrative Agent will notify Lenders of its receipt of any such notice. Administrative Agent shall take such action with respect to such Default or Event of Default as may be requested by the Required Lenders in accordance with Section 9.5; provided that unless and until Administrative Agent has received any such request, Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable or in the best interest of Lenders.

12.6 Credit Decision. Each Lender acknowledges that Administrative Agent has not made any representation or warranty to it, and that no act by Administrative Agent hereafter taken, including any consent and acceptance of any assignment or review of the affairs of Borrowers or the other Credit

Parties, shall be deemed to constitute any representation or warranty by Administrative Agent to any Lender as to any matter, including whether Administrative Agent has disclosed material information in its possession. Each Lender represents to Administrative Agent that it has, independently and without reliance upon Administrative Agent and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of Borrowers and the other Credit Parties, and made its own decision to enter into this Agreement and to extend credit to Borrowers hereunder. Each Lender also represents that it will, independently and without reliance upon Administrative Agent and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action hereunder and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of Borrowers and the other Credit Parties. Except for notices, reports and other documents expressly herein required to be furnished to Lenders by Administrative Agent, Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial or other condition or creditworthiness of Borrowers and the other Credit Parties which may come into the possession of Administrative Agent. Each Lender hereby acknowledges and agrees that it is not entitled to rely upon any notice, report or other document furnished by the Administrative Agent from time to time in connection with this Agreement and the other Loan Documents and the transactions contemplated hereby, and hereby release any and all claims it may have against Administrative Agent or any agent thereof as a result of any reliance by any Lender in any such notice, report, document or other information furnished by Administrative Agent.

12.7 Indemnification. Whether or not the transactions contemplated hereby are consummated, each Lender shall indemnify, defend and hold harmless upon demand Administrative Agent and its directors, officers, employees, Affiliates and agents (each an "***Indemnified Agent Party***") (to the extent not reimbursed by or on behalf of any Borrower and without limiting the obligation of any Borrower to do so), according to its applicable Pro Rata Share, from and against any and all Indemnified Liabilities (as defined in Section 11.15), provided, that no Lender shall be liable for any payment to any such Person of any portion of the Indemnified Liabilities to the extent determined by a final, non-appealable judgment by a court of competent jurisdiction to have resulted from the applicable Indemnified Agent Party's own gross negligence or willful misconduct. No action taken in accordance with the directions of Required Lenders shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 12.7. Without limitation of the foregoing, each Lender shall reimburse Administrative Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including all Expenses) incurred by Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that Administrative Agent is not reimbursed for such expenses by or on behalf of Borrowers. If any indemnity furnished to Administrative Agent for any purpose shall, in the reasonable, good faith opinion of Administrative Agent, be insufficient or become impaired, Administrative Agent may call for additional reasonable indemnity and cease, or not commence, to do the acts indemnified against even if so directed by Required Lenders until such additional reasonable indemnity is furnished. The undertaking in this Section 12.7 shall survive repayment of the Loans and other liabilities, cancellation of any promissory notes, any foreclosure under, or modification, release or discharge of, any or all of the Loan Documents, termination of this Agreement and the resignation or replacement of Administrative Agent.

12.8 Administrative Agent in Individual Capacity. Ally Bank and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire equity interests in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with any

Credit Party and its Affiliates as though Ally Bank were not Administrative Agent hereunder and without notice to or consent of any Lender; provided, however, if Ally Bank acquires equity interests in any Credit Party or any Affiliate of any Credit Party and such equity interests are not publicly traded, Ally Bank will provide written notice to the Lenders. Each Lender acknowledges that, pursuant to such activities, Ally Bank or its Affiliates may receive information regarding a Credit Party or its Affiliates (including information that may be subject to confidentiality obligations in favor of such Credit Party or such Affiliates) and acknowledge that Administrative Agent shall be under no obligation to provide such information to them. With respect to its portion of the Loans, Ally Bank and its Affiliates shall have the same rights and powers hereunder as any other Lender and may exercise the same as though Ally Bank were not Administrative Agent, and the terms "Lender" and "Lenders" include Ally Bank and its Affiliates, to the extent applicable, in their individual capacities.

12.9 Successor Administrative Agent. Administrative Agent may resign as Administrative Agent upon thirty (30) days' notice to Lenders. If Administrative Agent resigns hereunder, Required Lenders shall, with (so long as no Default or Event of Default exists) the consent of Borrowers (which shall not be unreasonably withheld, conditioned or delayed), appoint from among Lenders a successor agent for Lenders. Notwithstanding the immediately foregoing sentence, if no successor agent is appointed prior to the effective date of the resignation of Administrative Agent, Administrative Agent may appoint, after consulting with Lenders and Borrowers, a successor agent from among Lenders. Upon the acceptance of its appointment as successor agent hereunder, such successor agent shall succeed to and become vested with all the rights, powers and duties of the retiring Administrative Agent and the term "Administrative Agent" shall mean such successor agent, and the retiring Administrative Agent's appointment, powers and duties as Administrative Agent shall be terminated. After any retiring Administrative Agent's resignation hereunder as Administrative Agent, the provisions of this Article 12 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent hereunder. If no successor agent has accepted appointment as Administrative Agent by the date which is thirty (30) days following a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective and Lenders shall perform all of the duties of Administrative Agent hereunder until such time, if any, as Required Lenders appoint a successor agent as provided for above.

12.10 Collateral Matters; Restriction on Lenders. (a) Each Lender authorizes and directs Administrative Agent to enter into the other Loan Documents for the benefit of Administrative Agent and Lenders. Each Lender hereby agrees that, except as otherwise set forth herein, any action taken by Administrative Agent or Required Lenders in accordance with the provisions of this Agreement or the other Loan Documents, and the exercise by the Administrative Agent or Required Lenders of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all Lenders. Administrative Agent is hereby authorized on behalf of all Lenders, without the necessity of any notice to or further consent from any Lender, to take any action with respect to any Collateral and any of the other collateral pursuant to Loan Documents that may be necessary to perfect and maintain perfected the Liens upon the Collateral and the other collateral pursuant to the other Loan Documents. Lenders irrevocably authorize Administrative Agent, at its option and in its discretion, (i) to release any Lien granted to or held by Administrative Agent hereunder and any other Loan Document (x) upon the termination of this Agreement in accordance with Section 2.17; (y) constituting property sold or to be sold or disposed of, financed or refinanced, as part of or in connection with any sale, disposition, financing or refinancing which is expressly permitted by this Agreement at any time; or (z) subject to Section 11.4, if approved, authorized or ratified in writing by Required Lenders; or (ii) to subordinate its interest in any Collateral to any holder of a Lien on such Collateral which is expressly permitted by this Agreement. Upon request by Administrative Agent at any time, Lenders will promptly confirm in writing Administrative Agent's authority to release, or subordinate its interest in, particular types or items of Collateral pursuant to this Section 12.10. Administrative Agent and each

Lender hereby appoint each other Lender as agent for the purpose of perfecting Administrative Agent's security interest in assets and Collateral (and other collateral pursuant to other Loan Documents) which, in accordance with the Uniform Commercial Code in any applicable jurisdiction, can be perfected by possession or control. Should any Lender (other than Administrative Agent) obtain possession or control of any such assets or Collateral, such Lender shall promptly notify Administrative Agent thereof in writing, and, promptly upon Administrative Agent's written request therefor, shall deliver such assets or Collateral to Administrative Agent or in accordance with Administrative Agent's instructions or transfer control to Administrative Agent in accordance with Administrative Agent's instructions. Each Lender agrees that, except as otherwise expressly provided herein, it will not have any right individually to enforce or seek to enforce this Agreement or any other Loan Document or to realize upon any Collateral for the liabilities unless instructed in writing to do so by Administrative Agent, it being understood and agreed that such rights and remedies may be exercised only by Administrative Agent.

(b) Each Lender agrees that it shall not, without the express written consent of Administrative Agent, and shall, upon the written request of Administrative Agent (to the extent it is lawfully entitled to do so), set off against the liabilities, any amounts owing by such Lender to a Credit Party or any deposit accounts of any Credit Party now or hereafter maintained with such Lender. Each of the Lenders further agrees that it shall not, unless specifically requested to do so in writing by Administrative Agent, take or cause to be taken, any action, including the a commencement of any legal or equitable proceedings to foreclose any loan or otherwise enforce any security interest in any of the Collateral or to enforce all or any part of this Agreement or the other Loan Documents. All enforcement actions hereunder and the other Loan Documents against the Credit Parties or any third party with respect to the liabilities or the Collateral may only be taken by Administrative Agent (at the direction of the Required Lenders or as otherwise permitted in this Agreement) or by its agents at the direction of Administrative Agent.

(c) If any Lender, directly or through an Affiliate or branch office thereof, obtains any payment of any Obligation of any Credit Party (whether voluntary, involuntary or through the exercise of any right of setoff or the receipt of any Collateral or "proceeds" (as defined under the applicable UCC) of Collateral) other than from the Administrative Agent in accordance with this Agreement and such payment exceeds the amount such Lender would have been entitled to receive if all payments had gone to, and been distributed by, Administrative Agent in accordance with the provisions of the Loan Documents, such Lender shall purchase for cash from other Lenders such participations in their Obligations as necessary for such Lender to share such excess payment with such Lenders to ensure such payment is applied as though it had been received by Administrative Agent and applied in accordance with this Agreement (or, if such application would then be at the discretion of the Borrowers, applied to repay the Obligations in accordance herewith); provided, however, that (a) if such payment is rescinded or otherwise recovered from such Lender in whole or in part, such purchase shall be rescinded and the purchase price therefor shall be returned to such Lender without interest and (b) such Lender shall, to the fullest extent permitted by Applicable Law, be able to exercise all its rights of payment (including the right of setoff) with respect to such participation as fully as if such Lender were the direct creditor of the applicable Credit Party in the amount of such participation.

12.11 Administrative Agent May File Proofs of Claim. In case of the pendency of any Insolvency Proceeding relative to any Borrower or other Credit Party, Administrative Agent (irrespective of whether the principal of the Loans shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether Administrative Agent shall have made any demand on a Borrower or other Credit Party) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, and all other liabilities that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of Lenders and Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of Lenders and Administrative Agent and their respective agents and attorneys and all other amounts due Lenders and Administrative Agent hereunder) allowed in such judicial proceedings; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to Administrative Agent and, if Administrative Agent shall consent to the making of such payments directly to Lenders, to pay to Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of Administrative Agent and its agents and attorneys, and any other amounts due Administrative Agent hereunder.

Nothing contained herein shall be deemed to authorize Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, affecting the liabilities or to authorize Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

12.12 Return of Payments.

(a) If Administrative Agent pays an amount to a Lender hereunder in the belief or expectation that a related payment has been or will be received by Administrative Agent from any Borrower and such related payment is not received by Administrative Agent, or if Administrative Agent overpays an amount to a Lender hereunder or otherwise in error, then Administrative Agent shall be entitled to recover such amount from such Lender on demand without setoff, counterclaim or deduction of any kind, together with interest accruing on a daily basis at the Federal Funds Effective Rate. If Administrative Agent determines at any time that any amount received by Administrative Agent hereunder must be returned to Borrowers or paid to any other Person pursuant to any insolvency law or otherwise, then, notwithstanding any other term or condition of this Agreement or any other Loan Document, Administrative Agent will not be required to distribute any portion thereof to any Lender. In addition, each Lender shall repay to Administrative Agent on demand any portion of such amount that Administrative Agent has distributed to such Lender, together with interest at such rate, if any, as Administrative Agent is required to pay to Borrowers or such other Person, without setoff, counterclaim or deduction of any kind.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of the making of any Loan that such Lender will not make available to the Administrative Agent such Lender's share of such Loan, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.3(b) and may, in reliance upon such assumption, make available to the Borrowers a corresponding amount. If a Lender has not in fact made its share of the applicable Loan available to Administrative Agent, then the applicable Lender agrees to pay to Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the applicable Borrower to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. The obligations of each Lender hereunder are in addition to

any obligation of Borrowers to make any repayment to Lender (including those provided in Section 2.3(b)).

12.13 Sharing of Payments by Lenders. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or other obligations hereunder resulting in such Lender receiving payment of a proportion of the aggregate amount of its Loans and accrued interest thereon or other such obligations greater than its Pro Rata Share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Loans and such other obligations of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them; provided that:

(a) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(b) the provisions of this Section 12.13 shall not be construed to apply to (x) any payment made by the Borrowers pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender), or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any Assignee or Participant.

Each Credit Party consents to the foregoing and agrees, to the extent it may effectively do so under Applicable Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against each Borrower and each other Credit Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of each Borrower and each other Credit Party in the amount of such participation.

12.14 Settlements; Payments. The Outstanding Amount may fluctuate from day to day through Administrative Agent's disbursement of funds to, and receipt of funds from, Borrowers. In order to minimize the frequency of transfers of funds between Administrative Agent and each Lender, repayments of Loans may, at the election of Administrative Agent, be settled according to the procedures set forth in this Section 12.14. Notwithstanding the procedures set forth in this Section 12.14, each Lender's obligation to fund its portion of any advances made by Administrative Agent to Borrowers will commence on the date such advances are made by Administrative Agent. Such payments will be made by such Lender without set-off, counterclaim or reduction of any kind.

(a) At least once each calendar week, or more frequently if Administrative Agent so elects (each such day being a "***Settlement Date***"), Administrative Agent will advise each Lender by 1:00 p.m. (New York City time) on a Business Day by telephone or written notice in accordance with this Agreement of the amount of each such Lender's Pro Rata Share of the Outstanding Amount. If payments are necessary to adjust the amount of such Lender's share of the Outstanding Amount to such Lender's Pro Rata Share of the Outstanding Amount, the party from which such payment is due will pay the other party, in same day funds, by wire transfer to the other's account, not later than 1:00 p.m. (New York City time) on the Business Day immediately following the Settlement Date (provided that if Administrative Agent gives such notice at or prior to 1:00 p.m. (New York City time) on the Settlement Date, such funding shall be made on the Settlement Date).

(b) On the first Business Day of each month (each, an "***Interest Settlement Date***"), Administrative Agent will advise each Lender by written notice in accordance with this Agreement of the amount of interest and fees charged to and collected from Borrowers for the preceding month in respect of the Loans. Provided that such Lender is not then a Defaulting Lender, Administrative Agent will pay to such Lender, by wire transfer to such Lender's account (as specified by such Lender in accordance with this Agreement) such Lender's Pro Rata Share of such interest and fees not later than the next Business Day following the Interest Settlement Date.

12.15 Defaulting Lender.

(a) **Defaulting Lender Adjustments**. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(i) Any amount payable to a Defaulting Lender hereunder (whether on account of principal, interest, fees or otherwise) shall, in lieu of being distributed to such Defaulting Lender, be retained by Administrative Agent in a segregated account and, subject to any Applicable Law, be applied at such time or times as may be determined by Administrative Agent (i) first, to the payment of any amounts owing by such Defaulting Lender to Administrative Agent hereunder, (ii) second, if so determined by Administrative Agent and Borrowers, held in such account as cash collateral for future funding obligations (if any) of the Defaulting Lender hereunder, (iii) third, pro rata, to the payment of any amounts owing to Borrowers, Administrative Agent or the Lenders as a result of any judgment of a court of competent jurisdiction obtained by Borrowers, Administrative Agent or any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations hereunder, and (iv) fourth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided, that if such payment is a prepayment of the principal amount of the Loan, such payment shall be applied solely to prepay the Loans of all Lenders that are not Defaulting Lenders pro rata prior to being applied to the prepayment of any Loans of any Defaulting Lender.

(ii) Notwithstanding anything set forth herein to the contrary, a Defaulting Lender shall not have any voting or consent rights under or with respect to this Agreement or any other Loan Document or constitute a "Lender" (or be included in the calculation of "Required Lenders" hereunder) for any voting or consent rights under or with respect to this Agreement or any other Loan Document except with respect to items described in Section 11.4(c) which require the vote or consent of all Lenders or all affected Lenders, and no Defaulting Lender shall have any other right to approve or disapprove any amendment, waiver, consent or any other action the Lenders or the Required Lenders have taken or may take hereunder (including any consent to any amendment or waiver pursuant to Section 11.4), provided that any waiver, amendment or modification described in Section 11.4(c) requiring the consent of all Lenders or each directly affected Lender which affects such Defaulting Lender differently than other affected Lenders shall require the consent of such Defaulting Lender.

(iii) The failure of any Defaulting Lender to make any Loan, advance or any payment required by it hereunder shall not relieve any other Lender of its obligations to make such Loan, advance or payment, but neither any Lender nor Administrative Agent shall be responsible for the failure of any Defaulting Lender to make a Loan, advance or make any other payment required hereunder.

(iv) At the written request of the Borrower Representative, Administrative Agent or a Person reasonably acceptable to Administrative Agent shall have the right with

Administrative Agent's written consent and in Administrative Agent's sole discretion (but without any obligation whatsoever on Administrative Agent) to purchase from any Defaulting Lender, and each Defaulting Lender agrees that it shall, at Administrative Agent's written request, promptly sell and assign to Administrative Agent or such Person, all of the lending commitments and commitment interests of that Defaulting Lender for an amount equal to the principal balance of all Loans held by such Defaulting Lender and all accrued interest and fees with respect thereto through the date of sale, such purchase and sale to be consummated (if at all upon Administrative Agent's election) pursuant to an executed Assignment Agreement.

(b) **Defaulting Lender Cure**. If Borrowers and Administrative Agent agree in writing that a Lender is no longer a Defaulting Lender, Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any cash collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Swingline Loans to be held pro rata by the Lenders in accordance with their Pro Rata Shares, whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of Borrowers while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

12.16 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

49. Marillac Insurance Company, LTD. ("Marillac"), a wholly-owned subsidiary of VHS, was incorporated in the Cayman Islands on December 9, 2003, as an exempted company and was granted an Unrestricted Class "B" Insurer's License effective December 15, 2003, which it holds subject to the provisions of the Insurance Law of the Cayman Islands. On November 1, 2012, The Insurance Law, 2010 (the "Law") became effective. Under such law, Class B licenses were changed from "restricted" and "unrestricted," as they had been described in previous revisions of the law, into three separate classes "(i)," "(ii)" and "(iii)." Insurers writing at least 95% of net premiums with their related business (in this case VHS) fell into Class B(i). The Company was granted a Class B(i) license, effective April 2, 2015. Marillac provides insurance coverage to VHS and its affiliates.

50. St. Vincent De Paul Ethics Corporation does not hold any assets and is a nondebtor entity. St. Francis Medical Center is its sole corporate member.

51. VHoldings MOB, LLC ("VHoldings") is currently an inactive subsidiary of VHS and has no assets or obligations. It was created as a "special purpose entity" for a proposed financing that did not materialize. As part of the proposed transaction structure, four additional LLCs were established in which, VHoldings was the sole member of each. The four additional LLCs were dissolved on January 23, 2017.

52. De Paul Ventures – San Jose ASC, LLC ("San Jose ASC"), was formed in February 2011, by De Paul Ventures, LLC (which is a filing entity), and owns a 25% interest as a limited partner in a partnership with Physician Surgery Services, dba Advanced Surgery Center, a freestanding surgery center in San Jose. San Jose ASC's only asset is a sale contract, pursuant to which it receives payments of $125,000 every other month. Postpetition, San Jose ASC will continue to forward to VHS the $125,000 received every other month. Once all payments are received, the Debtors will dissolve San Jose.

53. Robert F. Kennedy Medical Center is a nonprofit public benefit corporation that

operated a 229-bed general acute care hospital and served residents in Hawthorne, California, until December 31, 2004. Robert F. Kennedy Medical Center Foundation is a nonprofit public benefit corporation that raised funds for the Robert F. Kennedy Medical Center.

54. O'Connor Health Center I is a California limited partnership, formed in January 1996 ("OCH1"). O' Connor Hospital is a limited partner in OCH1 and the general partner is OCH Forest 1, LP. OCH1 owns certain real property at 455 O'Connor Drive, San Jose, California. Such property is leased by O'Connor Hospital.

55. Sports Medical Management, Inc. has no assets or obligations.

B. Integrity's Management of Debtors.

56. As set forth above, Integrity was formed in 2015 to carry out the management services under the Management Agreement, for which Integrity is paid a monthly management fee. Through June 30, 2017, Integrity was wholly owned by BlueMountain. In July 2017, NantWorks, LLC ("NantWorks"), acquired a majority stake in Integrity from BlueMountain. There were no significant changes to the terms of the Restructuring Agreement or the California Attorney General requirements as a result of this transaction.

57. On a monthly basis, VHS records management fee expense and makes payments to Integrity associated with the management services received under the Management Agreement. During the initial fiscal year which ended June, 2016, the monthly management fee was determined based on a specified percentage of trailing 12 month operating revenues for VHS. Such management fees are adjusted each succeeding fiscal year based on changes in the consumer price index. VHS defers payment for a portion of management fees based on its days' cash on hand over the most recent 90 day period. All deferred management fees accrue interest at 2.82% per annum to the extent such amounts are not paid in the fiscal year that services are received. Such deferred management fees are contingently payable based on the terms of the Management Agreement, which include annual calculations of excess cash on hand.

C. Verity's Employees.

58. As set forth above, altogether, the Debtors employ approximately 7,385 employees (the "Employees") – 6,907 excluding VMF and 478 under VMF. Almost three-quarters of the

Debtors' Employees – approximately 5,488 Employees in total – are represented through CNA, SEIU, California Licensed Vocational Nurses' Association, and The International Union of Operating Engineers, Stationary Local No. 39, AFL-CIO.

59. For W-2 tax and payroll purposes, the Debtors are divided into eight employers:

(a) VHS, which covers the Systems Office and the Philanthropic Foundations, and as of the Petition Date employed approximately 294 employees, of which 289 are full-time, 3 are part time and 2 are employed on a per diem basis;

(b) Verity Business Services, which as of the Petition Date employed approximately 307 employees, of which 285 are full-time, 11 are part time and 11 are per diem;

(c) O'Connor Hospital, which as of the Petition Date employed approximately 1,370 employees, of which 586 are full-time, 441 are part time and 343 are per diem;

(d) Saint Louise Regional Hospital, which as of the Petition Date employed approximately 480 employees, of which 153 are full-time, 159 are part time and 168 are per diem;

D. Pension and Other Postretirement Benefit Plans.

61. VHS maintains two single employer defined benefit pension plans and participates in two multi-employer defined benefit pension plans. The defined benefit pension plans have been frozen for all employees, except members of the CNA at certain facilities. Defined benefit pension plan benefits are generally based on age, years of service, and employee compensation. In addition, VHS and VMF maintain several defined contribution retirement plans for employees.

62. The significant multiemployer defined benefit pension plan is the Retirement Plan for Hospital Employees ("RPHE"). The VHS entities that participate in the RPHE are Seton Medical Center, Seton Medical Center Coastside, O'Connor Hospital, Saint Louise Regional Hospital, and Verity Business Services. The RPHE is frozen as to these facilities, other than with respect to CNA members at O'Connor Hospital, Saint Louise Regional Hospital and Seton Medical Center. Benefits under the RPHE are generally based on years of service and employee compensation. Contributions to the RPHE are based on actuarially determined amounts by the RPHE Board of Trustees to meet benefits to be paid to plan participants and satisfy IRS funding requirements. VHS recorded benefit expenses of approximately $20.46 million and $17.22 million in cash contributions to the RPHE for the fiscal years ended June 30, 2017 and 2016, respectively. The VHS contributions accounted for approximately 43% and 40% of total contributions made to the RPHE for the fiscal years ending June 30, 2017 and 2016, respectively. Of the estimated remaining $4.79 million for 2018 and expected $12.68 million for 2019, VHS contributions to RPHE, approximately $3.15 million and $7.63 million, respectively, is for make-up of underfunded amounts that arose prior to VHS' acquisition from the Daughters of Charity Health System ("DCHS"). As of July 31, 2018, there were no unpaid contribution installment obligations owed by VHS to the RPHE.

63. In addition to the RPHE, Verity assumed in the Daughters of Charity restructuring

certain obligations under a multiemployer plan commonly referred to as Stationary Engineers Local 39 Pension Plan (the "Local 39 Plan"). As of July 31, 2018, there were no unpaid contributions due on the Local 39 Plan.

64. VHS maintains two single-employer defined benefit pension plans (the "Verity A & B Plans"). VHS personnel at St. Francis Medical Center, St. Vincent Medical Center, O'Connor Hospital, Saint Louise Regional Hospital, and the VHS system office are eligible to participate in these plans. However, only CNA members continue to earn new benefits under the Verity Plan A; the Verity Plan B is completely frozen with no ongoing benefit accruals. VHS contributed approximately $41.68 million and $9.92 million during the fiscal years ended June 30, 2017 and 2016, respectively. Of the estimated remaining $10.12 million for 2018 and expected $35.53 million for 2019 VHS contributions to Verity Plan A, approximately $8.10 million and $28.05 million, respectively, is for make-up of underfunded amounts that arose prior to VHS' acquisition from the Daughters of Charity. As of July 31, 2018, there were no unpaid contribution installment obligations owed by VHS to the Verity A & B Plans.

65. VHS and VMF also maintain several active defined contribution retirement plans for eligible employees; eligibility for and benefits under the defined contribution retirement plans vary according to facility, union status, and employee classification/hire date. These defined contribution plans include the Verity Health System Supplemental Retirement Plan (TSA), the Verity Health System Supplemental Retirement Plan (401(a)), the Verity Health System Retirement Account (RPA), the Verity Medical Foundation 401(k) Plan, the Verity Medical Foundation Management Bargaining Unit Employees 401(k) Plan for represented employees and the Verity Health System Executive Long-Term Savings Plan (457(b)) Plan for nonrepresented employees. These defined contribution plans are funded from employee and/or employer contributions generally on a payroll by payroll basis. In addition to the above active defined contribution plans, there are several small, frozen ancillary retirement plans. During the fiscal years ended June 30, 2017 and 2016, the employer's contribution expense for defined contribution plans was approximately $18.48 million and $21.75 million respectively. As of July 31, 2018, there were no unpaid employer contributions owed on any of these defined contribution

plans other than unpaid contributions for current and recent payroll cycles consistent with ordinary administrative practices.

66. VHS also maintains an early retiree health insurance program (the Postretirement Healthcare Plan), which provides medical benefits to eligible retirees from early retirement to age 65 only. The postretirement health care benefits are determined based on age and years of service. Certain employees at O'Connor Hospital, St. Louise Regional Hospital, Seton Medical Center, and Seton Medical Center Coastside are eligible to participate in this plan. The Postretirement Healthcare Plan is an unfunded plan. VHS contributed $50,000 and $58,000 to the Postretirement Healthcare Plan during the fiscal years ended June 30

E. Insurance Policies

67. The Debtors maintain various insurance policies issued by several insurance carriers (collectively, the "Insurance Carriers"). Collectively, these policies provide for coverage for, among other things: storage tank liability, commercial property, workers' compensation and employers liability, commercial automobile, helipad liability & non-owned aircraft liability, sexual misconduct and molestation liability, D&O liability, general liability, and professional liability (collectively, the "Insurance Policies").[2]

68. Significant insurance is issued to the Debtors by its captive insurer Marillac. VHS is the sole owner of Marillac. The policies issued by Marillac cover professional and general liability (both at the primary and excess level) and additional excess coverage as to automobile liability, heliport and non-owned aircraft liability, employer's liability and certain other general liability. Marillac also issued a Deductible Liability Protection Policy which provides coverage for the deductible obligations on the Debtors' workers' compensation policy issued by Old Republic Insurance Company ("Old Republic").

69. Most of the Debtors' Insurance Policies will expire between September 5, 2018 and July 1, 2019. The Debtors have begun negotiating renewals, extensions and/or entries into new insurance policies with respect to the expiring Insurance Policies.

[2] The Insurance Policies include six (6) CA DHS patient Trust Bonds, which have an annual premium in the aggregate of $1,100 that was paid in full in December 2017 and will not come due for renewal until December 2018.

70. In certain instances, the Debtors pay premiums for their Insurance Policies in full at the beginning of the policy and in other instances in quarterly installments. The total annual premium due for Insurance Policies is approximately $18,647,036. Of that amount, the Debtors pay $2,637,071 at the time of inception, and the remaining $16,009,965 is paid in quarterly installments. As of the Petition Date, there are no outstanding unpaid premiums due. The total amount of annual insurance premiums which will come due postpetition is $10,043,085.

a. Self-Insured Retentions

71. The Debtors maintain self-insured retentions of $250,000 per claim under their D&O liability coverage, $350,000 per claim under their employment practices coverage, $50,000 per claim under their fiduciary liability coverage, $100,000 per claim under their crime coverage, and $50,000 per claim under their sexual misconduct and molestation liability coverage (the "Self-Insured Retentions" or "SIRs"). A SIR is a loss amount that the insured is obligated to pay before the insurer's coverage obligation is triggered.

72. The Debtors' Self-Insured Retentions are administered so that the Debtors pay directly for the losses under each policy as they are incurred up to the amounts of the Self-Insured Retentions. Such SIRs due prepetition have been paid. For the last year, no SIR amounts have been due for (a) the D&O liability coverage, (b) the employment practices coverage, (c) the fiduciary liability coverage, and (d) the crime coverage. There have also been no SIR amounts incurred under the sexual misconduct and molestation liability policy last year.

b. Deductibles

73. The Debtors maintain a workers' compensation insurance policy with Old Republic with a $500,000 deductible for each claim. Old Republic provides coverage under the policy up to $1 million for each claim. On average, the monthly invoice amounts for deductibles (including ALAE) incurred under the workers' compensation policy is between $400,000 and $650,000, which are timely paid by Marillac under the Deductible Liability Protection Policy.

74. The deductibles included in the Debtors' other Insurance Policies are:

- Storage Tank Liability - ACE American Insurance Company (Chubb) - $5,000 per Storage Tank Incident;

- Storage Tank Liability - Tokio Marine Specialty Insurance Company (Philadelphia) - $25,000 per Confirmed Release;
- Commercial Property - American Guarantee and Liability Insurance Company (Zurich) - $100,000 Basic Policy Deductible;
- Commercial Automobile - National Union Fire Insurance Company of Pittsburg, PA (AIG) - $1,000 Comprehensive, $1,000 Collision;
- Helipad Liability & Non-Owned Aircraft Liability - StarNet Insurance Company (Berkley Aviation) - $1,000 Physical Damage per Occurrence; and
- General Liability - Chubb - $10,000 per Occurrence.

75. The Debtors expect their prepetition deductible obligations, other than those deductibles owed under the workers' compensation policy (which are paid by Marillac, a non-debtor), to be minimal.

c. Letter of Credit

76. The Debtors provide a $34,087,296 letter of credit to Old Republic as security for all of the Debtors' obligations, as required under their workers' compensation policy. Marillac is the account party on the letter of credit, and the letter of credit is fully secured by Marillac's assets - $34,087,296 of liquid securities. Pursuant to the Program Agreement Endorsement to the workers' compensation policy, Old Republic may draw upon the letter of credit to reimburse Old Republic for payment of the Debtors' deductible obligations or for payment of other obligations of the Debtors under the workers' compensation policy, if not paid by Marillac. Old Republic may also draw down the $34,087,296 letter of credit in full upon the Debtors' insolvency or filing of a bankruptcy petition.

77. The Debtors expect that Marillac will continue to honor its policy to insure the Debtors' obligations under the workers' compensation policy, and that Old Republic will not be harmed by the Debtors' chapter 11 filing.

d. Claims Administration Agreements

78. The Debtors have entered into administrative services contracts with Sedgwick Claims Management Services, Inc. ("Sedgwick"), for administration of claims submitted under

DENTONS US LLP
601 South Figueroa Street, Suite 2500
Los Angeles, California 90017-5704
(213) 623-9300

the Debtors' workers' compensation policy as well as their professional and general liability policy.

79. The Debtors pay Sedgwick an annual estimated fee of $702,000 which is paid in quarterly installments of $175,000 for services provided by Sedgwick under the Debtor's workers' compensation policy. The actual fees owed to Sedgwick are based on the staffing necessary for Sedgwick to provide claims services and are calculated by taking the actual program salaries, bonuses and temporary expenses multiplied by the salary multiplier. Sedgwick will periodically provide an accounting to determine the actual fees incurred. The Debtors are entitled to a credit if the amount of actual fees owed to Sedgwick are less than the estimated fees paid. On the other hand, Sedgwick bills the Debtors for the additional actual fee owed if the actual fee amount is higher than the estimated fees.

80. With respect to administration of their professional and general liability policy, the Debtors pay Sedgwick $3,545 per claim and suit file, $1,825 per Potentially Compensable Event ("PCE") where an investigation has been requested, $275 for a PCE where an investigation has not been requested pursuant to this agreement. Fees are paid monthly as files are assigned to Sedgwick by the Debtors. Debtors also pay Sedgwick a program management fee of $1,250 each month.

F. Recent Financial Results.

81. As of June 30, 2018, Verity's consolidated unaudited financial statements reflected total assets of approximately $847 million and total liabilities of approximately $1,278 billion.

III. The Need For Chapter 11 Relief And The Events Leading To The Commencement Of These Chapter 11 Cases

A. Historical Challenges.

82. The Hospitals and VMF were originally owned and operated by the Daughters of Charity of St. Vincent de Paul, Province of the West (the "Daughters of Charity"), to support the mission of the Catholic Church through a commitment to the sick and poor. The Daughters of Charity began their healthcare mission in California in 1858 with the opening of Los Angeles Infirmary, now known as St. Vincent Medical Center. The Daughters of Charity expanded its

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

hospitals to San Jose in 1889 and San Francisco in 1893. The Daughters of Charity ministered to ill, poverty-stricken individuals for more than 150 years.

83. In March 1995, the Daughters of Charity merged with Catholic Healthcare West ("CHW"). In June 2001, the Daughters of Charity Health System ("DCHS") was formed. In October 2001, the Daughters of Charity withdrew from CHW. In 2002, DCHS commenced operations and was the sole corporate member of the Hospitals, which at that time were California nonprofit religious corporations.

84. Between 1995 and 2015, the Daughters of Charity and DCHS struggled to find a solution to continuing operating losses, either through a sale of some or all of the hospitals or a merger with a more financially sound partner. All these efforts failed. During these efforts, however, the health system's losses continued to mount. In 2005, DCHS issued $364 million in bonds to refinance existing debt and to fund future capital expenditures. Three years later, in 2008, they issued another $143 million in bonds to refinance existing debt.

85. Between 2012 and 2014, DCHS participated in an affiliation with Ascension Health Alliance ("Ascension") in an effort to create greater operating efficiencies. Ascension is the largest Catholic health system in the world and the largest non-profit health system in the United States with facilities in 23 states and the District of Columbia. The affiliation between DCHS and Ascension failed.

86. Despite continuous efforts to improve operations, operating losses continued to plague the health system due to, among other things, mounting labor costs, low reimbursement rates and the ever-changing healthcare landscape. In 2013, DCHS actively solicited offers for O'Connor Hospital, St. Louise Regional Hospital, Seton Medical Center and Seton Medical Center Coastside. In 2013, to avoid failing debt covenants, the Daughters of Charity Foundation, an organization separate and distinct from DCHS, donated $130 million to DCHS to allow it to retire the 2008 Bonds in the total amount of $143.7 million.

87. In early 2014, DCHS announced that they were beginning a process to evaluate strategic alternatives for the health system. Throughout 2014, DCHS explored offers to sell their health system and, in October of 2014, they entered into an agreement with Prime Healthcare

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

Services and Prime Healthcare Foundation (collectively, "Prime") to sell the health system. However, to keep the hospitals open, DCHS, needed to borrow another $125 million to mitigate immediate cash needs during the sale process; in other words, to allow DCHS to continue to operate until the sale could be consummated. Notably, DCHS' goal in the transaction was to basically maintain the status quo; their guiding principles for the sale included protecting existing pensions, repaying all their bond debt, continuation of all collective bargaining agreements, maintenance of existing contracts for patient services, and obtaining promises for substantial capital expenditures. In early 2015, the California Attorney General consented to the sale to Prime, subject to conditions on that sale that were so onerous that Prime terminated the transaction.

88. In 2015, DCHS again marketed their health system for sale, and, again, focused on offers that maintained the health system as a whole, and assumed all the obligations. In July 2015, the DCHS Board of Directors selected BlueMountain Capital Management LLC ("BlueMountain"), a private investment firm, to recapitalize its operations and transition leadership of the health system to the new Verity Health System (the "BlueMountain Transaction").

89. In connection with the BlueMountain Transaction, BlueMountain agreed to make a capital infusion of $100 million to the hospital system, arrange loans for another $160 million to the health system, and manage operations of the health system, with an option to buy the health system at a future time. In addition, the parties entered into a System Restructuring and Support Agreement (the "Restructuring Agreement"), DCHS's name was changed to Verity Health System, and Integrity was formed to carry out the management services under a new management agreement.

90. DCHS requested the California Attorney General's consent to enter into the Restructuring Agreement and the BlueMountain Transaction. According to report prepared by MDS Consulting, an expert consulting firm retained to prepare healthcare impact reports for the AG, DCHS outlined the following reasons why the BlueMountain Transaction was either necessary or desirable:

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

- The current structure and sponsorship of DHCS was no longer plausible as a result of cash flow projections and dire financial conditions.
- In July and August of 2014, DCHS obtained a short-term financing bridge loan in the amount of $125 million to mitigate the immediate cash needs for an estimated period of time long enough to allow for the transaction to close. Repayment of the funds was due on December 15, 2015, at which time if the full amount was not repaid, DCHS would be at risk of defaulting on both their 2014 and 2005 Revenue Bonds.
- Without bankruptcy protection or additional financial support, DHCS could not continue hospital operations if there is a default.

91. On December 3, 2015, the California Attorney General approved the BlueMoutain Transaction, subject to conditions. The Attorney General conditions were imposed for periods ranging from 5 to 15 years. Generally, the terms of conditions (collectively, the "Conditions") included: (1) limits on transfers of control; (2) maintenance of specific health services and specific bed counts; (3) required participation in Medicare and Medi-Cal programs; (4) required levels of community benefit programs; (5) required levels of charity care; (6) maintenance of certain county payor contracts; (7) requirements for local governing boards; (8) requirements for medical staff compliance; and (9) an annual attestation of compliance with the AG conditions.

92. Under the Restructuring Agreement, VHS, O'Connor Hospital, Saint Louise Regional Hospital, St. Francis Medical Center, St. Vincent Medical Center, Seton Medical Center and Seton Medical Center Coastside, all of whom are members of the Obligated Group (as defined below), were converted from religious corporations to public benefit corporations.

93. Despite BlueMountain's infusion of cash and retention of various consultants and experts to assist in improving cash flow and operations, the health system did not prosper.

94. In July 2017, NantWorks, LLC acquired a controlling stake in Integrity. NantWorks brought in a new CEO, CFO, and COO. NantWorks loaned another $148 million to the Debtors.

95. Despite the infusion of capital and new management, it became apparent that the problems facing the Verity Health System were too large to solve without a formal court supervised restructuring. Thus, despite VHS' great efforts to revitalize its Hospitals and improvements in performance and cash flow, the legacy burden of more than a billion dollars of bond debt and unfunded pension liabilities, an inability to renegotiate collective bargaining

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

agreements or payor contracts, the continuing need for significant capital expenditures for seismic obligations and aging infrastructure, and the general headwinds facing the hospital industry, make success impossible. Losses continue to amount to approximately $175 million annually on a cash flow basis.

96. Based on the foregoing, and while VHS has made improvements to the existing system, the Debtors have commenced these chapter 11 cases to protect the original legacy of the Daughters of Charity to the maximum extent possible by retiring debt incurred over the past 18 years and freeing the hospital facilities and work force to continue to operate as hospitals under new ownership and leadership without the accumulated crisis of the past. To do that requires the bankruptcy court supervised sale of some or all of the hospitals and related facilities, and the comprehensive resolution of the Debtors financial obligations through a court approved plan of reorganization.

97. The goals of the Debtors' restructuring are to maintain the Debtors' business operations; preserve the going-concern value of the Debtors' businesses, its stakeholders, and parties in interest; and, most importantly, to protect the health and wellbeing of the patients who are treated at the Hospitals and the jobs of the Debtors' approximately 7,000 employees.

B. Current Fiscal Crisis.

98. As described above, the fiscal crisis is the confluence of various factors and historical challenges. Below are a few of the most significant and expected funding requirements in the immediate future.

a. Payor Rates.

99. Verity is paid below market rates through its payor contracts with health plans. Verity's contracts are 20-43% below market. These below market rates would make it difficult for any hospital to break even. Summarized below is illustrative data, highlighting Verity's rates as a percentage of Medicare relative to the market rates.

b. Labor Rates.

100. Payroll costs in the last twelve months have increased nearly $65,000,000 partially related to Verity's union contracts (~5% increases year over year forward).

c. Pension Obligations.

101. Under the Pension Plans (as defined above), there are expected pension funding requirements in the next year of over $66 million. Only ~$20M relates to current year costs. In other words, most is funding the underfunded status of the plans.

d. IT Investment.

102. VHS' system requires IT investment in the amount of nearly $50 million over the next year alone. There is outdated electronic health records and enterprise resource planning (i.e., human resources, supply chain management, inventory management, etc.). Further, VHS needs significant upgrades to its IT assets in order to modernize its Hospitals and remain able to continue providing quality patient care services. For example, VHS needs to (i) immediately replace its outdated local area and wireless networking equipment with modern equipment to enable reliable access by all VHS system users (estimated cost $15 million over a one-year implementation period), (ii) replace VHS' obsolete clinical systems — including its medical record systems and financial systems — in order to provide up-to-date patient records, improved clinical planning, care management, and better charge control (estimated cost $220 million over a period of two years), and (iii) replace and upgrade such other information technology hardware and software, including for imaging clinics, that are necessary for operating a full range of healthcare services.

e. Seismic and Energy Requirements.

103. The Verity system requires seismic and energy expenditures of over $150 million over the next few years. By way of example, there are significant improvements (including demolishment of certain buildings) required by 2020 to St. Vincent Medical Center, Seton Medical Center, and O'Connor Medical Center. There are additional improvement required by 2030 to St. Vincent, Seton Medical Center, O'Connor Medical Center, and St. Louise Regional Hospital. These seismic improvement deadlines are part of the conditions imposed by the Attorney General in the BlueMountain Transaction, as well as mandated by the California Office of Statewide Health Planning and Development (OSHPD).

f. Medical Equipment.

104. The Verity system requires over $100 million in medical equipment expenditures over a period of several years.

C. Working Capital Shortages.

105. The Debtors, like other hospitals serving similar communities, rely on HQAF, DSH and other government support to help bridge the gap between what they get reimbursed by Medicare and Medi-Cal and their cost of providing care. The Hospital Quality Assurance Fee (HQAF), established in 2010, provides funding for supplemental payments to California hospitals that serve Medi-Cal and uninsured patients. The program has been very successful, providing billions of dollars in supplemental payments to California hospitals. The Medicare and Medi-cal programs also provide funding to hospitals that treat indigent patients through the Disproportionate Share Hospital (DSH) programs, under which facilities are able to receive at least partial compensation. Under the Patient Protection and Affordable Care Act of 2010 (ACA, P.L. 111-148, as amended), Congress would have reduced federal DSH allotments beginning in 2014, to account for the decrease in uncompensated care anticipated under health insurance coverage expansion. However, several pieces of legislation have been enacted since 2010 have since delayed the ACA's Medicaid DSH reduction schedule. Unfortunately, both HQAF and DSH have proven difficult to rely on, as payments are reduced and delayed.

106. Relying on the HQAF payments has led to working capital shortages due to delays

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

in approval and receiving less than expected amounts. For example:

- *14-Month Delay*: QAF 5 FFS (service period 1/1/17 –6/30/19) was not approved until Dec. 2017 and the Debtors did not start receiving payments until the end of Feb. 2018 (14-month delay);
- *Potential 24 Month Delay*: QAF 5 HMO is likely not going to be approved until the end of 2018 (potentially a 24-month delay on receiving funds);
- *Receiving less than Expected*: through the first 4 cycles of QAF 5 FFS, the Debtors have received anywhere from 69.2-93.9% of expected payments.

D. Attorney General Requirements.

107. As set forth above, as part of approving the Restructuring Agreement, the AG placed certain operational restrictions on VHS and each of the Hospitals, which include certain minimum annual requirements for charity care, community benefits, and capital expenditures among other mandates. Taken separately, most of these conditions would not have contributed to the Debtors' failure to thrive. However, the cumulative effect of the conditions was to lock the Debtors into a failing business model, dictating both minute details of business operations, as well as denying the Debtors the ability to repurpose facilities. For example, SMC could better serve the community by operating as a much-needed long-term post-acute care facility, rather than as one of the many acute care hospitals in a saturated service area.

108. The AG's conditions also compelled the expenditure of millions of dollars to provide charity care even though the number of uninsured people in California has steadily decreased since passage of the Affordable Care Act. Also, as a result of a shortfall in the fiscal year 2017 charity care requirement for certain hospitals, VHS was required to make an additional contribution to the Retirement Plans of $7,619,000 in October 2017.

109. The AG's conditions denied the Debtor the benefits of the marketplace. For example, the conditions required Verity to enter into contracts with certain entities. Because those entities were well aware of the AG's requirement that Verity contract with them or be in default, Verity had no bargaining power with those entities or payors.

E. Increased Cap Volumes.

110. The Debtors have capitation contracts with health plans. Capitation is a flat periodic payment per enrollee paid to a healthcare provider; it is the sole reimbursement for

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

providing services to a defined population. Under capitation, fixed payments are made to providers regardless of the volume of services rendered, so providers like the Debtors bear the risk that the costs of providing service, including opportunity costs (profits), might exceed the capitation payment. Capitation completely reverses the actions that providers must take to ensure financial success; under capitation, the keys to profitability are to work more efficiently and decrease volume. The Debtors have seen a significant increase in volume from capitated populations and therefore are bearing the loss from that increased volume.

IV. Corporate And Capital Structure

A. Corporate Structure.

111. As set forth above, VHS is a California nonprofit public benefit corporation and the sole member of O'Connor Hospital, St. Francis Medical Center, St. Vincent Medical Center, Seton Medical Center, Verity Business Services, Verity Medical Foundation, Verity Holdings, LLC, and DePaul Ventures, LLC.

112. As set forth above, each Debtor Hospital is the sole member of the Debtor nonprofit public benefit corporation that handles its fundraising and grant-making programs: St. Francis Medical Center Foundation, St. Vincent Foundation, Seton Medical Center Foundation, Saint Louise Regional Hospital Foundation, and O'Connor Hospital Foundation (collectively, the "Philanthropic Foundations").

113. St. Vincent Medical Center is the sole Member of St. Vincent Dialysis Center, Inc.

114. VHS is the sole member of DePaul Ventures, LLC. DePaul Ventures, LLC, is the sole Member of DePaul Ventures-San Jose ASC, LLC, and of DePaul Ventures-San Jose Dialysis, LLC.

115. The following graphic depicts Verity's prepetition organizational structure:

116. Each Debtor entity has its own management and governance structure. Under the leadership of the Daughters of Charity, each Hospital operated independently except that all employees were under the same pension plans. After the transition of operations and leadership to VHS, there has been a systemizing of operations, so that functions that were being performed at each of the Debtors are being transitioned and performed by VHS and being standardized, such as pharmacy operations, credentialing, IT, case management, etc.

117. As set forth above, VMF offers medical, surgical and related healthcare services for people of all ages at community-based, multi-specialty clinics conveniently located in areas served by Verity hospitals. The following graphic depicts VMF's structure that is comprised of, among other things, professional service agreements with seven medical groups that provide physicians to VMF's clinics:

120. Verity Holdings, LLC, De Paul Ventures, LLC, and De Paul - San Jose Dialysis, LLC, are all limited liability companies that do not have Boards of Directors. The sole Member of Verity Holdings, LLC, and De Paul Ventures, LLC, is VHS. The sole member of De Paul Ventures - San Jose Dialysis, LLC, is De Paul Ventures, LLC. I am the President and Eleanor Ramirez and Art Huber were appointed Vice Presidents of Verity Holdings, LLC, on November 17, 2017. I am the managing member for De Paul Ventures, LLC. Dr. Tirso del Junco, Jr., is the managing member for De Paul Ventures - San Jose Dialysis, LLC.

B. Capital Structure.

121. As more fully set forth in the declaration of Anita Chou in support of the Debtors' *Emergency Motion Of Debtors For Interim And Final Orders (A) Authorizing The Debtors To Obtain Post Petition Financing (B) Authorizing The Debtors To Use Cash Collateral And (C) Granting Adequate Protection To Prepetition Secured Creditors Pursuant To 11 U.S.C. §§ 105, 363, 364, 1107 And 1108*, VHS, Verity Business Services ("VBS"), the Hospitals, and one operating division are jointly obligated parties on approximately $461.4 million of outstanding secured debt consisting of: (a) $259.4 million outstanding tax exempt revenue bonds, Series 2005 A, G and H issued by the California Statewide Communities Development Authority (the "2005 Bonds"), which loaned the bond proceeds to VHS to provide funds for capital improvements and to refinance certain tax exempt bonds previously issued in 2001 by the DCHS, a religious not-for-profit enterprise and VHS's reorganization predecessor; and (b) $202 million outstanding tax exempt revenue notes, Series 2015 A, B, C, and D and Series 2017 issued by the California Public Finance Authority, which loaned the proceeds to VHS to provide working capital (the "Working Capital Notes"). Wells Fargo Bank, N.A. ("Wells Fargo") is the Bond Trustee and UMB Bank National Association ("UMB Bank") is the successor Master Trustee and for the prepetition secured 2005 Bonds. U.S. Bank, National Association ("U.S. Bank") is the Note Trustee and also the Collateral Agent for the Working Capital Notes.

122. Except for the taxable Series 2015C Working Capital Notes, the 2005 Bonds and the Working Capital notes are all tax exempt, meaning interest on the bonds is not taxable to the holders so long as the issuer maintains its qualified tax exempt status and the proceeds of the

DENTONS US LLP

LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

bonds were used for the tax exempt purposes for which they were originally intended. The Series 2005 A Bonds are comprised four term bonds maturing on July 1, 2024, 2030 and 2035 bearing interest at 5.75% (Series 2005A-2024), (Series 2005A-2030), (Series 2005A-2035) and one maturing July 1, 2039 bearing interest at 5.50% (Series 2005A-2039). The Series 2005G term bond matures on July 1, 2022 and bears interest at 5.50%. The Series 2005H- term bond matures on July 1, 2025 and bears interest at 5.75%. The Working Capital Notes mature on June 10, 2019 (Series 2015A, Series 2015B, Series 2015C and Series 2015D) and on December 10, 2020 (Series 2017A, 2017B). Series 2015A and B and Series 2017 and 2017B bear interest at 7.25%, while the Series 2015D carries an 8.75% interest rate and Series 2015C accrues interest at 9.5%.

123. As set forth above, Holdings, a direct subsidiary of its sole member Verity, was created in 2016 to hold and finance Verity's interests in six medical office buildings whose tenants are primarily physician and other practicing medical groups and certain of the Verity Hospitals. Holdings is the borrower on approximately of $66 million on two series of non-recourse financing secured by separate deeds of trust, revenue and accounts pledges, including lease rents on each medical buildings (collectively "MOB Financing"). The MOB Financings bear interest at a variable interest rate based on equal to One Month LIBOR plus a spread of 5.0% with a floor of 6.23%. The secured lenders for the MOB Financings are affiliates of NantWorks, LLC, which is an affiliate of Integrity.

124. During May 2017, the California Statewide Communities Development Authority issued $20 million of limited obligation tax exempt bonds, pursuant to the CaliforniaFIRST Clean Fund Program in five series all with the same maturity date of September 2, 2047 (the "Clean Fund Bonds") as the conduit issuer for the benefit and obligation of Verity. The purpose of the bond funding was to assist with clean energy construction efforts of the Seaton Medical Center and are secured by Seton Medical Center's voluntary agreement to special tax assessments by Daley City. No other Debtor is liable for repayment of the Clean Fund Bonds. Wilmington Trust National Association ("WTNA") is the Trustee holding the construction funds, and a pre funded capitalized interest fund and is the collateral agent for collection of the special tax assessments for use in paying interest and principal on the Clean Fund Bonds. Interest on the Clean Fund Bonds

accrues at 6.4%. The special assessment runs for a period which is the shorter of 30 years or the early full defeasement of the Clean Fund Bonds.

125. Also in September 2017, the California Statewide Communities Development Authority issued a single series $20 million of limited obligation tax exempt bonds pursuant to the CaliforniaFIRST Program for the purpose of assisting with clean energy and seismic improvement construction at Seton Medical Center ("NR2 Petros Bonds"). The NR2 Petros Bonds also mature on September 2, 2047, but carry an interest rate of 6.45%. The NR2 Petros Bonds are also California tax exempt and are secured by a special Daly City tax assessment on Seton Medical Center property. No other Debtor is liable for repayment of the NR2 Petros Bonds. The special assessment runs for a period which is the shorter of 30 years or the early full defeasement of the NR2 Petros Bonds. WTNA is the Trustee holding the seismic improvement funds, as well as a pre-funded interest payment fund.

126. NantCapital also provided $40 million of unsecured debt financing for Verity as reflected in two $20 million unsecured notes (the "Unsecured Notes"). The Unsecured Notes are balloon notes with interest and principal payable at maturity in 2020 and carry annual compounded interest rates of 7.25%.

C. Unsecured Debt.

127. The Debtors have approximately $500 million in total unsecured debt, including disputed, unliquidated or contingent claims, which are comprised of claims made by vendors of goods and services, cost report payables, pension obligations, management fees, and incurred but not reported third party claims.

V. Sale Efforts

128. Prior to the Petition Date, the Debtors engaged in substantial efforts to market and sell their assets. In June 2018, the Debtor engaged Cain Brothers, a division of KeyBanc Capital Markets ("Cain"), to identify potential buyers of some or all of the Verity hospitals and related assets and commenced discussions with those potential buyer.

129. Cain prepared a Confidential Investment Memorandum (the "CIM") and organized an online data site to share information with potentially buyers and contacted over 110 strategic

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500

(213) 623-9300

and financial buyers beginning in July 2018 to solicit their interest in exploring a transaction regarding the Debtors and has advanced significantly towards achieving sales.

130. In August 2018, as a result of its ongoing and broad marketing process, Cain has received 11 Indications of Interest ("IOI") to date, and expects to receive additional proposals on or near the end of August. Shortly after the Petition Date, the Debtors, in consultation with Cain and its other advisors, anticipate selecting an offer from one or more stalking horse bidder(s) to acquire some or substantially all of the Debtors' assets through a sale under § 363 of the Bankruptcy Code.

V. First-Day Pleadings

131. The Debtors request that the relief described below in the First-Day Motions be granted, as each request constitutes a critical element in achieving the successful restructuring of the Debtors for the benefit of its patients, creditors and the communities they serve.

A. Administrative Motions.

132. In the *Motion of Debtors for Entry of an Order Directing the Joint Administration of their Related Chapter 11 Cases* (the "Joint Administration Motion"), the Debtors request entry of an order directing joint administration of these chapter 11 cases for procedural purposes pursuant to Bankruptcy Rule 1015(b) and that the Court maintain one file and one docket for all of the chapter 11 cases under the lead case, Verity Health System of California, Inc.

133. Joint administration of the chapter 11 cases will provide significant administrative efficiencies without harming the substantive rights of any party in interest. Many of the motions, hearings and orders that will be filed in the chapter 11 cases almost certainly will affect each of the Debtors. The entry of an order directing joint administration of the chapter 11 cases will reduce fees and costs by avoiding duplicative filings, objections, notices, and hearings, and will allow all parties in interest to monitor the chapter 11 cases with greater ease and efficiency. The relief requested in the Joint Administration Motion is in the best interests of the Debtors' estates, their creditors, and all other parties in interest and will enable the Debtors to continue to operate their businesses in chapter 11 with the least disruption.

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

134. In the *Ex Parte Motion For Entry Of Order Extending Time To File Schedules Of Assets And Liabilities, Schedules Of Executory Contracts And Unexpired Leases, And Statements Of Financial Affairs* (the "Schedules and SOFA Motion"), as set forth in the declaration of Anita M. Chou, the Debtors request entry of an order granting additional time to file their schedules of assets and liabilities, schedules of executory contracts and unexpired leases, and statements of financial affairs. As a consequence of the size and complexity of the Debtors' business operations, the number of creditors likely to be involved in these chapter 11 cases, the numerous critical operational matters that the Debtors' management and employees must address, a 30-day extension (without prejudice to further extensions) is necessary and appropriate.

135. In the *Debtors' Emergency Motion (A) Approving the Debtors Filing a Consolidated List of Fifty Largest General Unsecured Creditors For All Cases; (B) Approving The Debtors Filing A Consolidated Master Mailing Matrix For All Cases; and (C) Permitting the Debtors' Claims And Noticing Agent To Maintain The Master Mailing Matrix*, the Debtors seek entry of an order approving each Debtor having filed in its respective case: a consolidated list of the fifty largest general unsecured creditors for all eighteen Debtors and a consolidated Master Mailing Matrix for all 17 Debtors; and permitting the Debtor's claims and Noticing Agent (Kurztman Carson Consultants) to maintain and update the Master Mailing Matrix. There are 17 entities that are Debtors in these chapter 11 cases. As of the Petition Date, the Debtors estimate that they have over $1 billion in liabilities and they have over 20,000-40,000 potential creditors and parties in interest (on a consolidated basis) in these chapter 11 cases. Many of the Debtors' creditors overlap. As such, requiring the Debtors to prepare individual Top 20 Lists of Creditors and individual Mailing Matrixes for each Debtor would be an exceptionally burdensome task and would greatly increase the risk and recurrence of error of information already on computer systems maintained by the Debtors or their agents.

B. Operational Motions Requesting Immediate Relief.

136. The Debtors intend to ask for immediate relief with respect to the following First Day Pleadings and, therefore, will present these motions at the First Day Hearing.

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500

a. Emergency Motion Of Debtors For Interim And Final Orders (A) Authorizing The Debtors To Obtain Post Petition Financing (B) Authorizing The Debtors To Use Cash Collateral And (C) Granting Adequate Protection To Prepetition Secured Creditors Pursuant To 11 U.S.C. §§ 105, 363, 364, 1107 And 1108 (the "Cash Collateral/DIP Motion").

137. By way of the Cash Collateral/DIP Motion, and as set forth in the Declaration of Anita M. Chou (the "Chou Declaration"), Chief Financial Officer of VHS ("Chou Decl."), in support of the Cash Collateral/DIP Motion, the Debtors move, on an emergency basis, for entry of an interim order (substantially in the form attached as Exhibit "A" to the Chou Declaration, the "Interim Order") and a final order (the "Final Order" and together with the Interim Order, the "DIP Orders") (i) (a) authorizing the Debtors to enter into a senior secured, superpriority debtor in possession financing facility with Ally Bank, a subsidiary of Ally Financial, Inc., (the "DIP Lender"), in an (a) interim amount not to exceed $30,000,000 and only as needed to avoid immediate and irreparable harm, and (b) after a final hearing, amount up to $185,000,000 (as amended, modified or otherwise in effect from time to time, the "DIP Facility"), substantially on the terms set forth in the Chou Declaration and the Debtors In Possession Facility Agreement, attached as Exhibit "1" to the proposed Interim Order (as amended, supplemented, or otherwise modified and in effect from time to time, the "DIP Facility Agreement," and together with all other agreements, documents, notes, certificates, and instruments executed and/or delivered with, to or in favor of the DIP Lender, (the "DIP Financing Agreements"), and (b) granting the DIP Liens and the DIP Superpriority Claims (in each case, as defined below); (ii) authorizing the interim use of Cash Collateral (as defined below) on the terms set forth in the Interim Order; (iii) granting "adequate protection" to UMB Bank, N.A., as successor Master Trustee for the Prepetition Secured Revenue Bonds, Series 2005 A, G and H ("2005 Bonds") , U.S. Bank National Association ("U.S. Bank"), as the Collateral Agent and Note Trustee for the Series 2015 A, B, C, and D and the Series 2017 A and B Revenue Notes (collectively, the "Working Capital Notes") and MOB Financing LLC and MOB Financing II LLC as holders of security interests in Verity Holdings prepetition accounts, including rents arising from the prepetition MOB Financing (described below) in the form of Adequate Protection Payments and Replacement Liens, each as defined in the Chou Decl.; (iv) modifying the automatic stay as imposed by section 362 of the

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

Bankruptcy Code to the extent necessary to implement and effectuate the terms of the DIP Facility and the DIP Orders; and (v) scheduling an interim hearing to approve the proposed Interim Order and a final hearing with respect to the relief requested herein (the "Final Hearing").

138. Each Debtor has all requisite corporate power and authority to execute and deliver the DIP Financing Agreements to which it is a party and to perform its obligations thereunder.

139. Absent granting emergency access to the Debtors' cash collateral, the Debtors will not be able to made payroll or meet other obligations critical to the maintenance of safe facilities and the delivery of effective acute care services for its patients and staff during the week ending September 7, 2018. Absent emergency access to postpetition financing, the Debtors will lose vendor support for critical postpetition deliveries of goods and services further burdening the Debtors use of cash. Absent entry of an interim order granting the requested relief, the very existence of the Hospitals will be threatened and the ability of the Hospitals to survive as long term going concerns, whether or not owned by the Debtors, will be irreparably harmed.

b. Emergency Motion Of Debtors For Entry Of Order: (I) Authorizing The Debtors To (A) Pay Prepetition Employee Wages And Salaries, And (B) Pay And Honor Employee Benefits And Other Workforce Obligations; And (II) Authorizing And Directing The Applicable Bank To Pay All Checks And Electronic Payment Requests Made By The Debtors Relating To The Foregoing; Memorandum Of Points And Authorities In Support Thereof (the "Wage Motion").

140. By the Wage Motion, the Debtors move the Court for entry of an order (i) authorizing the Debtors, in their discretion, to (a) pay prepetition employee wages and salaries, and (b) pay and honor employee benefits and other workforce obligations (including remitting withholding obligations, maintaining workers' compensation and benefits programs, paying related administration obligations, making contributions to retirement plans, and paying reimbursable employee expenses) (collectively, the "Employee Obligations"); and (ii) authorizing and directing the applicable bank to pay all checks and electronic payment requests made by the Debtors relating to the foregoing.

141. Wages. The Employees are paid their wages and salaries (the "Wages") bi-weekly, in arrears, either five or six days after the end of every 14-day pay period, through direct deposit or by check. The Debtors' average bi-weekly gross payroll is approximately

DENTONS US LLP
601 South Figueroa Street, Suite 2500
Los Angeles, California 90017-5704
(213) 623-9300

$25,394,994, which includes approximately $463,907 for executive payroll, $3,726,816 for withholding obligations (relating to various taxes, claims and other obligations) and $208,476 for retirement plan contribution matching. Under a bifurcated, constant pay cycle, Employees were last paid on August 24 and 30, 2018. The next routine payroll dates covering all Employees' accrued and unpaid prepetition Wages are scheduled for September 7, 13 and 14, 2018, and expected to include approximately $15,353,375 that is attributable to prepetition Wages (the "Requested Prepetition Payroll"), which the Debtors seek authority to pay by the Wage Motion. The Debtors do not believe payments of Wages to any individual Employee will exceed the $12,850 cap under § 507(a).

142. Withholding and Union Obligations. In the ordinary course of their business, the Debtors routinely withhold from the Wages certain amounts that the Debtors are required to transmit to third parties for purposes such as Social Security and Medicare, federal and state or local income taxes, contributions to the Debtors' benefit plans, savings and retirement plan contributions, union claims, garnishment, child support or other similar obligations pursuant to court order or law (collectively, the "Withholding Obligations"). The Debtors owe approximately $3,726,816 for Withholding Obligations in connection with the Requested Prepetition Payroll, which the Debtors seek authority to pay by the Wage Motion. The Debtors are also required to make certain Union-specific contributions, which are currently accrued and unpaid in the amount of $85,089 on account of prepetition Wages, which the Debtors seek authority to pay by the Wage Motion.

143. Bonuses. Certain Employees are eligible to receive sign-on, retention and incentive bonuses. Payout opportunity is based on Employee position, title and location (i.e., Hospital or Systems Office). The Debtors do not, by the Wage Motion, seek permission to pay any bonuses to continuing Employees but do seek the authority, in the Debtors' discretion, to pay the Employees for contractually agreed bonuses that accrued within the 180 days prior to the Petition Date when their services with the Debtors are terminated so long as the total of the payments already then made for prepetition Employee Obligations and the bonuses does not exceed the statutory limit for priority claims of $12,850.

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

144. Reimbursement Obligations. The Debtors customarily reimburse Employees who incur business expenses in the ordinary course of performing their duties on behalf of the Debtors. Such expenses typically include, but are not limited to, business-related travel expenses (including mileage), business meals, relocation allowances, tuition reimbursement, and other items specified in the CBAs. Based on historical experience, the Debtors anticipate that, as of the Petition Date, the Debtors owe an estimated $30,200 in Reimbursement Obligations to their Employees, which they seek authority to pay by the Wage Motion. The Debtors further seek to continue to pay Reimbursement Obligations incurred postpetition in the ordinary course of the Debtors' business.

145. Paid Time Off and Extended Sick Leave. Full-time and part-time Employees become eligible to receive employment benefits beginning the first of the month following 30 days of employment (when they become "Eligible Employees"). *Per diem* Employees are not Eligible Employees. The Debtors provide Eligible Employees with Paid Time Off ("PTO") and Extended Sick Leave ("ESL"), which are accrued annually and in increasing rates over successive years. PTO is time off due to vacation, holiday, personal or incidental sick time. ESL kicks in (a) immediately where the Eligible Employee is admitted for surgery, (b) after a 3-day waiting period for a workers' compensation injury, and (c) after a 7-day waiting period if workers' compensation is not implicated. As of the Petition Date, the Debtors are carrying approximately $36.6 million on their books for 789,942 hours of accrued and unused PTO. Eligible Employees are permitted to cash out their unused PTO on one or two occasions during the year depending on the relevant Hospital or CBA. As of the Petition Date, the Debtors are carrying approximately $17.5 million on their books for 372,000 hours of accrued and unused ESL. Some CBAs permit Eligible Employees to cash out a portion of their unused ESL at retirement. By the Wage Motion, the Debtors seek authority to honor their existing PTO and ESL policies to the extent it would permit continuing Employees to use their prepetition accrued leave in the ordinary course of business, and going forward. The Debtors are not, by the Wage Motion, seeking permission to cash out any accrued and unused PTO or ESL of continuing Employees but do seek the authority, in the Debtors' discretion, to pay the Employees for unused PTO and/or ESL, as permitted per

Hospital policy and relevant CBA terms, that accrued within the 180 days prior to the Petition Date so long as the total of the payments for prepetition Employee Obligations does not exceed the statutory limit for priority claims of $12,850.

146. Health Benefits. The Debtors offer Eligible Employees the opportunity to participate in a number of insurance and benefit programs, including, among other things, medical, dental and vision plans, life insurance, short-term and long-term disability insurance, workers' compensation, retirement plans and other insurance plans and benefits. As of the Petition Date, the Debtors owed (a) approximately $3,162,816 to Healthnow as third-party administrator on account of accrued and unpaid prepetition claims against the self-insured medical plans; (b) approximately $48,060 to Cigna and Delta Dental for accrued and unpaid prepetition claims against the self-insured dental plans; (c) approximately $60,150 to VSP for accrued and unpaid prepetition claims on account of the self-insured vision plans. By the Wage Motion, the Debtors seek authority to pay these prepetition claims. The Debtors believe that they are current on the administration fees and premiums related to the health plans to pay their portion of any premiums or administration fees for the health plans that accrued and remain unpaid as of the Petition Date, and to turn over to Blue Shield of California any amounts sufficient to satisfy the portion of the accrued and unpaid prepetition premiums to be paid by the Employees in connection with the payment of the Wages and Withholding Obligations. By the Wage Motion, the Debtors also seek authority to continue to pay, in their discretion and in the ordinary course of their business, the administration fees, premiums for and claims under the health plans incurred postpetition. The Debtors further seek, by the Wage Motion, to continue to perform any obligations under Continuation Health Coverage (COBRA) in respect to former employees.

147. Life, Disability and Workers' Compensation. The Debtors offer Eligible Employees premium-based group life insurance and accidental death and dismemberment insurance ("AD&D") through UNUM; premium based short term ("STD") and long term disability coverage ("LTD") through Cigna; workers' compensation insurance through Old Republic Insurance; and an employee assistance program through Optum. The Debtors are also are obligated to Cigna on account of claims under the Federal Medical Leave Act (FMLA) and

California Family Rights Act (CFRA). The Debtors believe that they are current on all the above mentioned insurance policies and claims obligations. To the extent they are not, however, the Debtors seek authority, by the Wage Motion, in their discretion, to pay any accrued and unpaid prepetition premiums and related charges and to continue these benefits postpetition and to deliver the Employees' portion of any accrued and unpaid prepetition premiums to the corresponding administrators.

148. Retirement Plans. As described in further detail above, the Debtors offer eligible Employees the opportunity to participate in various retirement plans, including defined benefit plans and defined contribution plans. By the Wage Motion, the Debtors seek authority to pay their matching contributions that accrued and remain unpaid as of the Petition Date for the retirement plans and to deliver the Employee contributions in connection with the payment of Wages and Withholding Obligations described above. The Debtors also seek authority, by the Wage Motion, to continue to pay, in their discretion and in the ordinary course of their business, matching contributions for the retirement plans incurred postpetition.

149. Miscellaneous Plans. The Debtors also offer their eligible Employees the opportunity to participate in a "Cafeteria Plan" through Alliant Choice Plus, which includes voluntary critical care insurance, pet insurance, auto and home insurance. The healthcare reimbursement account and dependent care reimbursement account are administered through Healthnow, and long-term care is administered through UNUM. All of these programs are 100% funded by the Employees and are paid for through payroll deductions. By the Wage Motion, the Debtors request authority to continue to honor these programs, in their discretion, and to continue distributing to third-parties the payments for these programs in connection with the payment of Wages and Withholding Obligations as described above, including the distributions of payments that are for prepetition amounts due.

150. The Debtors believe that substantially all of its Employees rely exclusively on their compensation to pay their daily living expenses. Also, the Employee Benefit Programs are a critical component of the Employees' total compensation package. It is imperative to the accomplishment of the Debtors' goals in this case that the Debtors minimize any adverse impact

of the chapter 11 filing on the Debtors' workforce, patients, operations, and orderly administration of these Cases. Any disruption to payment of the payroll in the ordinary course, or to the continued implementation of employee programs in the Debtors' discretion, would adversely affect the Debtors' goals in this case because such events are likely to cause some employees to terminate their employment with the Debtors, will cause employees to be distracted from their duties to care for the patients, and will hurt employee morale at a particularly sensitive time for all employees. Failure to honor the Employee Obligations could have severe repercussions on the Debtors' ability to preserve its assets and administer its estate, to the detriment of all constituencies. Accordingly, as set forth in the Wage Motion, the Debtors request authority to continue paying the Employees and administering the Employee Benefit Programs and any obligations related to the foregoing (subject to the Budget and any applicable payment caps) in the ordinary course of business.

c. Emergency Motion Of Debtors For Authority To: (1) Continue Using Existing Cash Management System, Bank Accounts And Business Forms; (2) Implement Changes To The Cash Management System In The Ordinary Course Of Business; (3) Continue Intercompany Transactions; (4) Provide Administrative Expense Priority For Postpetition Intercompany Claims; And (5) Obtain Related Relief; Memorandum Of Points And Authorities In Support Thereof (the "Cash Management Motion").

151. By the Cash Management Motion, the Debtors move the Court for the entry of an order authorizing them, subject to the terms of the DIP Orders and DIP Financing Agreements to: (1) continue to use their cash management system, including the continued maintenance of their existing bank accounts (three of which include passive investing) and business forms; (2) implement changes to their cash management system in the ordinary course of business, including opening new or closing existing bank accounts; (3) continue to perform under and honor intercompany transactions in the ordinary course of business, in their business judgment and at their sole discretion; (4) provide administrative expense priority for postpetition intercompany claims, all as set forth in more detail below; and (5) obtain related relief.

152. The Debtors further request, by the Cash Management Motion, that the Court authorize the financial institutions at which the Debtors maintain various bank accounts to (a) continue to maintain, service and administer the Debtors' bank accounts, and (b) debit the bank

accounts in the ordinary course of business on account of (i) wire transfers or checks drawn on the bank accounts, or (ii) undisputed service charges owed to the banks for maintenance of the Debtors' cash management system, if any.

153. The Debtors currently have 63 accounts (the "Accounts") with five commercial banks and one investment bank (collectively the "Banks"). The Debtors request authority to continue utilizing the Accounts, subject to the terms of the DIP Orders and DIP Financing Agreements. Requiring the Debtors to close certain of the Accounts and open new ones will disrupt the Debtors' cash flow – and, ultimately, impact patient care – because (i) the depositors (some of which are governmental agencies) will not respond quickly to the change and will likely continue to send deposits to the original deposit account, and (ii) the Debtors have certain obligations (including for debt, pension and defined contribution) that they pay exclusively by electronic funds transfer and changes to the payment accounts have the potential of slowing down these crucial payments. Closing the Accounts will also increase the work of the Debtors' accounting personnel, who are already dealing with the many and varied issues related to these Cases. Closing the Accounts and opening new ones under the circumstances described in the corresponding Memorandum of Points and Authorities would needlessly cost the Debtors time and money at a time when they are trying to conserve both, and would result in no discernible benefit to the Debtors' bankruptcy estates.

154. The Debtors also request in the Cash Management Motion authority to continue using their business forms without the designation "Debtors in Possession" on them *for a limited time*. The Debtors' forms are either electronically printed or can be electronically altered. The Debtors seek the authority of this Court to utilize their electronically generated forms without the "Debtors in Possession" designation until the adjustments to the software can be initiated and existing stock is exhausted.

155. Subject to the DIP Orders and DIP Financing Agreements, by the Cash Management Motion, the Debtors request that the Court authorize them to continue using their cash management system in connection with the continued use of Accounts and continued use of

the Debtors' business forms; in furtherance thereof, the Debtors further request that the Court authorize and direct the Banks to continue honoring the Debtors' transactions.

d. Emergency Motion Of Debtors For Order (A) Prohibiting Utilities From Altering, Refusing, Or Discontinuing Service And (B) Determining Adequate Assurance Of Payment For Future Utility Services (the "Utilities Motion").

156. By the Utilities Motion, the Debtors move the Court for the entry of an order authorizing them to (i) prohibiting utilities (collectively, the "Utility Companies" and individually, a "Utility Company") from altering, refusing, or discontinuing service without further order of the Court; and (ii) determining adequate assurance of payment for future utility services. The Debtors receive essential utility services from several Utility Companies. Furthermore, the Debtors seek a determination that: (i) a deposit made by the Debtors to each Utility Company in an amount equal to the average monthly invoice for prepetition services provided to the Debtors by such Utility Company (the "Deposit"); (ii) the ability of any Utility Company to obtain an initial hearing on the adequacy of the Deposit; and (iii) the ability of any Utility Company to obtain an expedited hearing regarding further adequate assurance if the Debtors fail to cure a post-petition payment default within twenty (20) days after written notice of such default, constitute adequate assurance of payment for future utility services.

157. As life-saving medical service providers, the Debtors are situated in a vulnerable position—without the continual flow of vital services of Utility Companies, the mission of the Debtors' business would unravel, irreparably harming the Debtors and their patients who seek medical care in the hospitals, medical centers, and clinics operated by the Debtors. Thus, I believe that in order to ensure the timely and proper care of the patients and maintain ongoing business operations, it is imperative the Debtors are able to rely on a consistent supply of these services.

158. Specifically, uninterrupted electricity, gas, telephone, and similar services are essential to the Debtors' provision of medical services to the Debtors' patients. Any interruption, however brief, to utility services to the Debtors' business will result in a serious disruption of the Debtors' business operations and dramatically affect patient care. Therefore, I believe that it is critical that the Court prohibit the Utility Companies from altering, refusing or discontinuing service to the Debtors without further order of this Court. The Deposit for each of the Utility

Companies, coupled with the streamlined mechanism for requesting further adequate assurance will provide adequate assurance of payment to the Utility Companies as well as safeguard the Debtors' continuing operations.

159. The Debtors are current on payment to the Utility Companies. Further, the Debtors have sufficient cash to pay their postpetition utility bills as they come due and have specifically budgeted for such payments in the Debtors' operating budget submitted in connection with the Debtors' Cash Collateral Motion.

e. Debtors' Emergency Motion For Entry Of An Order Authorizing Debtors To Honor Prepetition Obligations To Critical Vendors (the "Critical Vendors Motion").

160. By the Critical Vendors Motion, the Debtors move the Court for the entry of an order authorizing, but not directing, the Debtors to continue to pay and/or honor the prepetition claims, up to $20 million (the "Critical Vendor Cap"), with (i) an interim amount of up to $5 Million, and (ii) an additional amount of up to $15 Million, of their most critical vendors, in the Debtors' discretion and in the ordinary course of the Debtors' business, pursuant to a carefully-designed Protocol (defined below) overseen by a core, centralized team consisting of senior members of Debtors' management and professional advisors, and subject to the terms and conditions. The Debtors will suffer irreparable harm without the relief requested in Critical Vendors Motion.

161. As life-saving medical service providers, the Debtors are situated in a vulnerable position in that their entire mission would immediately unravel, irreparably harming the Debtors and their patients without the continual flow of vital medical services, medical supplies, medical equipment, physicians, nurses, nurse practitioners, physicians assistants, professional technicians such as, imaging technicians, surgical technicians, sterile processing technicians and interim clinical/management staff, coders, admission department staff, as well as non-medical services, information technology support, and/or benefits.

162. Additionally, local, state, and federal law places certain compliance requirements on the Debtors. For example, as the operator of hospitals licensed under California state law and certified to participate in the Medicare and Medicaid programs, the Debtors must comply with all

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

hospital licensing and certification requirements, including those found in the Health and Safety Code and in Title 22 of the California Code of Regulations, as well as the applicable Medicare conditions of participation and corresponding Medicaid requirements. In addition to complying with these overarching requirements, the Debtors must monitor and comply with all of the other licensing and operational requirements that apply to the different service lines and programs offered by the hospitals, including, for example, those applicable to the hospital pharmacies and laboratories. These extensive, comprehensive requirements can only be fulfilled through continued, uninterrupted access to various goods and services. Thus, in order to ensure the timely and proper care of the patients and maintain ongoing business operations, it is imperative the Debtors are able to rely on a consistent, quality supply of various physicians, nurses, nurse practitioners, physicians assistants, professional technicians such as, imaging technicians, surgical technicians, sterile processing technicians and interim clinical/management staff, coders, admission department staff, as well as certain medical supplies, medical equipment, and services provided by vendors, suppliers and/or service-providers that are "critical" to the Debtors' businesses (the "Critical Vendors").

163. The Debtors' Critical Vendors include the following categories of providers: (i) uncompensated care contract physicians and on-call coverage physicians (collectively, the "Uncompensated Care and On-Call Coverage Physicians"); (ii) medical directors (the "Medical Directors"); (iii) medical staff officers and leadership positions ("Medical Leadership"); (iv) physicians providing teaching services ("Physician Educators"); (v) medical services providers (the "Medical Services Providers"); (vi) medical supplies and medical equipment providers (collectively, the "Medical Supplies and Equipment Providers"); (vii) medical staffing agencies and hospital-based services providers (collectively, the "Clinical Staffing"); (viii) non-medical services providers (the "Non-Medical Services Providers"); (ix) information technology services providers (the "IT Services Providers"); and (x) various employee benefits providers (the "Benefits Providers").

(213) 623-9300

164. The Debtors require the use of various physicians, the Uncompensated Care and On-Call Coverage Physicians, who provide care to patients who lack the ability to compensate the Debtors for their medical treatment (individually, "Uncompensated Care Contract Physicians") and the physicians who provide on-call services to cover the Debtors' daily on-call needs (individually, "On-Call Coverage Physicians"), all in order to ensure patient care. The Uncompensated Care Contract Physicians routinely provide the following vital services: (i) Emergency Room coverage; (ii) surgical procedures for any Patient who is uninsured or underinsured; (iii) psychiatry; and (iv) cardiac services. The On-Call Coverage Physicians make themselves available to the Debtors for certain periods of time to ensure that a specialist is available at all times for emergency situations, including such emergent conditions as cardiac arrest and immediate trauma. The On-Call Coverage Physicians routinely provide the following areas of expertise: (i) urology; (ii) general surgery; (iii) orthopedics; (iv) cardiology; (v) neurosurgery; (vi) thoracic surgery; (vii) cardiac surgery; (viii) radiation oncology; (ix) neurology, (x) psychiatry; (xi) nephrology; (xii) gastroenterology; (xiii) pediatric surgery; and (xiv) obstetrics.

165. Due to the strong economy and the tight labor market for professionals with expertise, Uncompensated Care and On-Call Coverage Physicians have a vast array of working opportunities available to them, and to the extent the Debtors are unable to ensure payment for prepetition claims, these Uncompensated Care and On-Call Coverage Physicians will work at other hospitals, resulting in a devastating impact on patient care and irreparable harm to the smooth transition into chapter 11 and preservation and maximization of value for the benefit of the Debtors' creditors.

166. Further, the Debtors require the use of various physicians who serve as Medical Directors. As Medical Directors, it is their responsibility to ensure the hospital runs smoothly and efficiently and according to local, state, and federal mandates in order to ensure patient care. These Medical Directors supervise and coordinate the On-Call Coverage Physicians, provide vital operating and administrative services, such as (i) the Long Term & Sub-Acute Unit; (ii) Advanced Wound Care; (iii) the Comprehensive Spine Care Program; (iv) the Stroke Program;

(v) Cardiac & Pulmonary Rehabilitation; (vi) Oncology; (vii) Non-Invasive Cardiology; (viii) Radiation Therapy; (ix) the Intensive Care Unit and Neonatal Intensive Care Unit; (x) the Antimicrobial Stewardship Program; (xi) Interventional Neurology; (xii) the Bioethics Program; (xiii) the Catherization Laboratory; (xiv) the Skilled Nursing Facility, the Stroke Program; (xv) Thoracic Surgery; (xvi) the Dialysis Center; and (xvii) Nuclear Medicine and Vascular Laboratory. They also are vital for program quality, oversight, and risk management. There are approximately 60 physicians serving as Medical Directors. Similar to the Uncompensated Care and On-Call Coverage Physicians. I believe they also are vital for program quality, oversite, and risk management. There are approximately 68 physicians serving as Medical Directors.

167. Similar to the Uncompensated Care and On-Call Coverage Physicians, and due to the strong economy and the low labor market for professionals with expertise, Medical Directors are in demand and have a vast array of working opportunities available to them. To the extent the Debtors are unable to ensure payment for prepetition claims to Medical Directors, these Medical Directors will work at other hospitals, resulting in a devastating impact on patient care and irreparable harm to the smooth transition into chapter 11 and preservation and maximization of value for the benefit of the Debtors' creditors.

168. Debtors require the use of various physicians who serve as medical staff officers and in other leadership positions, as required by each Hospital's accreditation with The Joint Commission (the "TJC"). Medical Leadership includes the Chiefs of Staff and all Department Chairs required by each of the Debtors' Medical Staff Bylaws, and by Title 22, including physician oversight for cardiology, pulmonary, laboratory, stroke, and ST-elevation myocardial infarction departments. The Chief Medical Officers are essential to ensure quality and risk oversight. Without these physicians, who I believe can easily find competitive opportunities elsewhere, the Debtors' day-to-day programs will cease to function, resulting in a significant impact on patient care and other irreparable harm to the Debtors' Chapter 11 Cases.

169. The Debtors require the use of various physicians, the Physician Educators, who provide teaching services in the Debtors' graduate medical education (the "GME") program, a legal requirement with which the Debtors must comply. The GME program simultaneously

provides: (i) training for interns, residents, and fellows until they become independent and licensed practitioners; and (ii) access to healthcare for elderly and impoverished patients. Physician Educators are in high demand because the State of California mandates that every teaching hospital support the efforts to provide access to high quality healthcare to its most vulnerable population. To maintain Level 2 Trauma status, the Debtors must maintain the GME program. Therefore, the Physician Educators are vital to maintaining the Debtors' teaching hospital status and affording access to healthcare, both of which are key to the Debtors' Patient care, ongoing operations, and/or potential sale of its assets for the benefit of its creditors and the Estates.

170. Debtors require the use of various Medical Services Providers, including, but not limited to, those who provide services such as surgical anesthesia coverage, organ harvesting and organ matching services, medical equipment sanitization, diagnostic interventional cardiology services, interventional neuroradiology, imaging services, advanced wound care, pathology and laboratory services, dialysis services, lithotripsy services, sterile compounding services, rehabilitation staffing and management services, subacute management services, psychiatric management services, hospitalist services, intensivist program services, medical screening services, and medical instrument repair services. These services are vital to the Debtors' day-to-day operations, in particular with regard to Patient care, and the Debtor will suffer immediate irreparable harm should the Court not grant the Debtors' request to include the Medical Services Providers as Critical Vendors.

171. Debtors require the use of various medical supplies and medical equipment from the Medical Supplies and Equipment Providers, including, but not limited to, blood and plasma, heart valves, coronary intervention products, defibrillators, laparoscopic and minimally invasive surgical supplies, neurosurgical supplies and neurology devices, other surgical medical products, bone substitute biologics, regenerative vascular grafts, vaccinations and other pharmaceuticals, nuclear medicines, medical gases, anesthesia medical equipment, laboratory medical supplies, radiation equipment, gastrointestinal supplies, cochlear implants, orthopedic implants, spinal implants, intraocular lenses and ophthalmology supplies, sterilization equipment and products,

and fetal monitoring systems. Equipment includes medical equipment rentals, biomedical repair tools and equipment, patient beds and stretchers, vital sign monitoring, infusion pumps, medication supply stations, gastro-intestinal lab equipment, cardiac catherization lab equipment, operating room equipment, imaging equipment, laboratory equipment, pharmacy dispensing equipment, and transplant program equipment. The medical supplies and medical equipment the Debtors receive from the Medical Supplies and Equipment Providers are vital to the Debtors' day-to-day operations, to maintain Patient care, and the Debtors will suffer immediate irreparable harm should the Court not grant the Debtors' request to include the Medical Supplies and Equipment Providers as Critical Vendors.

172. The Debtors also require the Clinical Staffing, which are various medical groups, staffing agencies, and other hospital-based services providers, to meet critical thresholds of physicians, nurses, nurse practitioners, physicians assistants, professional technicians such as, imaging technicians, surgical technicians, sterile processing technicians and interim clinical/management staff, coders, and admission department staff servicing patients in emergency and non-emergency room situations. The provision of physicians, nurses, professional technicians such as, imaging technicians, surgical technicians, sterile processing technicians and interim clinical/management staff, coders, and admission department staff is vital to service the Debtors' six active emergency rooms, trauma center, and the multiple medical specialty units providing tertiary and quaternary care.

173. Additionally, regarding the provision of nurses, the staffing supplementation is essential because: (1) California has a mandatory statutory nurse to patient ratio, and so the Debtors are required by law to meet certain ratios in order to operate on a daily basis; and (2) it is difficult to recruit experienced staff—as opposed to recent graduates—for short-term assignments. Indeed, these staffing agencies provide the requisite "registry" nurses who take short single-day assignments and "traveler" nurses who take longer-term assignments to fill in during busier seasons—*e.g.*, flu season—and understaffed periods—*e.g.*, during nurses strikes of represented nurses—where the Debtors may not otherwise have sufficient numbers of nurses between their core and per diem nurses.

LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

174. Moreover, many of the Clinical Staffing who provide physicians, nurses, nurse practitioners, physicians assistants, professional technicians such as, imaging technicians, surgical technicians, sterile processing technicians and interim clinical/management staff, coders, and admission department staff to the Debtors will not staff the Debtors' business if there is any interruption or delay in the payment of the amounts due to them. Given the Debtors' reliance on the medical services provided by the Clinical Staffing to provide Patient care and otherwise fulfill the Debtors' daily medical services needs, and the fact that the Clinical Staffing can simply shift their services to a medical services company, it is crucial that the Debtors be authorized to pay any prepetition amounts due to the Clinical Staffing as Critical Vendors in the ordinary course of business.

175. The Debtors require use of Non-Medical Services Providers, including, but not limited to, those who provide services such as payroll tax services, financial audit services, billing services, cost reporting services, revenue cycle management services, consulting and education services for various required national, state, and local accreditations and mandates, environmental services, record retention services, building maintenance services, medical equipment maintenance services, management services, and other similar services, as well as to seismic contractors. Seismic contractors are designers, engineers, suppliers and constructors who are engaged in the statutory work of retrofitting hospital structures to meet the SB1953 and subsequent amendments that are required to be completed by December 31, 2019. Delay of the projects will cause the Debtors to miss the regulated deadlines, risking the Debtors' California Department of Public Health license and suspension of such. These non-medical services are vital to the Debtors' day-to-day operations, particular with regard to Patient care, and the Debtor's ability to comply with regulatory requirements set by the State of California legislature, and the Debtor will suffer immediate irreparable harm should the Court not grant the Debtors' request to include the Non-Medical Services Providers as Critical Vendors.

176. The Debtors require use of various IT Services Providers who provide information technology services, including, but not limited to, those who provide services such as diagnostic technology, interoperability between devices, risk management and software services, revenue

cycle management billing software and services, teleradiology services, customer relationship management, networking solutions services, multi-function copiers, voice over internet protocol system services, hosting services for applications, and point of care data management system services. Critical patient care systems such as electronic health record systems and enterprise resource planning systems must be maintained to ensure continuity and Patient care. I believe these information technology services are vital to the Debtors' day-to-day operations, in particular with regard to Patient care, and the Debtor will suffer immediate irreparable harm should the Court not grant the Debtors' request to include the IT Services Providers as Critical Vendors.

177. The Debtors require certain Benefits Providers because the Debtors have incentivized their employees to continue working through the continuation of company-subsidized benefits, such as workers compensation, medical, dental, vision, short term and long term care, leave of absence, and life insurance. If the Debtors are not permitted to pay any prepetition premium amounts due to these Benefits Providers, the employees' insurance coverage will be jeopardized and the employees will likely seek employment elsewhere. Specifically, I believe any disruption to payment of the employee benefits in the ordinary course (and in the Debtors' discretion), would adversely affect the Debtors' goals in this Case because such events are likely to cause some employees to terminate their employment with the Debtors, will cause all employees to be distracted from their duties to care for the patients and the operations of the hospitals, and will inevitably hurt employee morale at a particularly sensitive time for all employees, resulting in severe repercussions on the Debtors' ability to provide Patient care, and to preserve their assets and administer the Estates, to the detriment of all constituencies. Since the Debtors do not have the ability to quickly or cost-effectively replace their employees who provide vital medical and non-medical services on a daily basis, it is critical that the Debtors be allowed to continue these benefits in order to retain their employees and maintain their business operations to preserve the full value of their assets for the benefit of their creditors. Therefore, the Court should include Benefits Providers as Critical Vendors.

178. I, along with the Debtors, am mindful of the Debtors' fiduciary obligations to seek to preserve and maximize the value of their Bankruptcy Estate. To that end, the Debtors and their

advisors have engaged in an intense process of reviewing and analyzing the Debtors' books and records, consulting operations management and purchasing personnel, reviewing contracts and supply agreements, and analyzing applicable laws, regulations, and historical practices to identify business relationships—which, if lost, could materially harm the Debtors' patients, the Debtors' businesses, reduce their enterprise value, and/or impair their restructuring process—all in an effort to identify only those most critical vendors using their business judgment (the "Protocol"). Such Protocol is on-going; however, the amounts proposed to be paid to the Critical Vendors are already provided for in the Debtors' operating budget submitted in connection with the Debtors' Cash Collateral Motion.

179. Indeed, during the Protocol process, the Debtors and I have deemed certain vendors as critical because each of these Critical Vendors meets the following criteria: (a) the vendor is essential to patient care, supports maintaining the Debtors' business in full compliance with California's Title XII requirements for operating general acute care hospitals in the state of California, and allows the Debtors to maintain their business postpetition until reorganization and/or sale of the Debtors' assets for the benefit of creditors; (b) the vendor is indispensable for providing vital goods or services, replacing said vendor would be prohibitively expensive, or said vendor is otherwise critical to prevent the diversion of management and key personnel to solicit other vendors to provide comparable goods or services and to prevent other unnecessary distraction during the extensive transitional period; (c) the vendor holds an unpaid prepetition claim for the provision of goods or services; (d) the vendor will refuse to deliver goods or provide services without payment of the prepetition claim and the automatic stay imposed by section 362(a) will be inadequate to address the issue; (e) cash on delivery is unlikely to provide the requisite incentive for the vendor to continue providing goods or services; (f) the Debtors lack a long-term contractual relationship with the vendor that would oblige the vendor to continue the prepetition relationship, and the Debtors are otherwise without adequate leverage to compel performance on commercially reasonable terms; and (g) the Debtors will suffer immediate and irreparable harm if the vendor is not specially incentivized to continue providing goods or services. The Debtors will use commercially reasonable efforts to require the vendor to sign a

postpetition agreement with normalized terms and conditions that contractually bind the vendor to continue providing goods and services postpetition.

I declare under penalty of perjury that, to the best of my knowledge and after reasonable inquiry, the foregoing is true and correct.

U.S. Bank National Association, not individually but in its respective capacities as Series 2015 Note Trustee ("*2015 Note Trustee*") and as Series 2017 Note Trustee ("*2017 Note Trustee*" and together, the "*Notes Trustee*"), hereby submits this combined reservation of rights with respect to the *Emergency Motion of Debtors for Interim and Final Orders (A) Authorizing the Debtors to Obtain Post Petition Financing, (B) Authorizing the Debtors to Use Cash Collateral, and (C) Granting Adequate Protection to Prepetition Secured Creditors Pursuant to 11 U.S.C. §§ 105, 363, 364, 1107 and 1108* [Docket No. 31] (the "*DIP Motion*") and respectfully states as follows:

I. Jurisdiction and Venue

1. This Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2).

2. Venue is proper in this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

II. Background

3. The 2015 Note Trustee represents the interests of the holders of the $160,000,000 California Public Finance Authority Revenue Notes (Verity Health System) Series 2015 A, B, C, and D (collectively, the "*2015 Notes*") and the 2017 Note Trustee represents the interests of the $42,000,000 California Public Finance Authority Revenue Notes (Verity Health System) Series 2017 A and B (collectively, the "*2017 Notes*" and, together with the 2015 Notes, the "*Notes*").

4. The 2015 Notes were issued in four series pursuant to Indentures dated as of December 1, 2015, and the 2017 Notes were issued in two series pursuant to Indentures dated as of September 1, 2017 and December 1, 2017, each made by and between the Notes Trustee as trustee and the California Public Finance Authority as issuer (the "*Authority*").

5. The proceeds of each series of Notes were loaned to the Debtors pursuant to (i) Loan Agreements dated as of December 1, 2015, with respect to the 2015 Notes, and (ii) Loan Agreements dated as of September 1, 2017 and December 1, 2017, with respect to the 2017 Notes, each between the Authority and Verity Health System of California, Inc. ("*VHS*"), for itself and as a representative of the Verity Health System Obligated Group under

the Master Indenture of Trust dated as of December 1, 2001, as supplemented (the "*Master Indenture*"), between the Obligated Group and UMB Bank, N.A., as successor Master Trustee.[1]

6. The indebtedness evidenced by the Notes is jointly secured by senior first priority security interests and liens on certain of the Debtors' assets, including (x) Accounts[2] of St. Francis Medical Center, St. Vincent Medical Center, O'Connor Hospital, Saint Louise Regional Hospital, and Seton Medical Center, including Seton Medical Center Coastside (each a "*Hospital*" and collectively, the "*Hospitals*") and (y) real property and certain personal property comprising St. Francis Medical Center and Saint Louise Regional Hospital (collectively, the "*Senior Note Collateral*").[3]

7. The Notes are also jointly secured on a parity basis with the collateral pledged to the other Obligations under the Master Indenture, including the Series 2005 Bonds.[4] Those Obligations are secured by, *inter alia*, (i) Deeds of Trust on the Hospitals and (ii) the "Gross Revenues" of the Obligated Group, which is broadly defined to include "all revenues, income, receipts and money received by or on behalf of the Members from all sources" (collectively,

[1] Capitalized terms used but not defined herein shall have the meanings given to them in the Motion. The Obligated Group consists of VHS and the Hospitals.

[2] "'Accounts" includes, collectively, (a) any right to payment of a monetary obligation whether or not earned by performance, that relates to or arises out of any services provided or goods rendered by an Obligated Group Member (including, without limitation, payments made by or through a governmental authority to an individual patient assigned to such Member), (b) without duplication, any 'account' (as defined in the Uniform Commercial Code) ("*UCC*"), any accounts receivable, whether in the form of payments for services rendered or goods sold, rents, license fees or otherwise, any Health-Care-Insurance Receivables and any Payment Intangibles (each as defined in the UCC), (c) all General Intangibles, Intellectual Property (each as defined in the UCC), rights, remedies, guarantees, supporting obligations and letter of credit rights relating to or arising out of the foregoing assets described in clauses (a) and (b), (d) all information and data compiled or derived by any Member or to which any Member is entitled in respect of or related to the foregoing assets described in clauses (a) and (b) and (e) and all proceeds of any of the foregoing. *See* Amended and Restated Supplemental Master Indenture Number 20 dated as of January 1, 2016, between VHS and the prior Master Trustee.

[3] The Senior Note Collateral was pledged pursuant to (i) certain Security Agreements dated as of December 11, 2015 and Amended and Restated Security Agreements dated as of September 1, 2017, between the members of the Obligated Group and the Notes Trustee and (ii) certain Deeds of Trust with Fixture Filing and Security Agreement and Assignment of Leases and Rents dated as of December 11, 2015 and Amended and Restated Deeds of Trust with Fixture Filing and Security Agreement and Assignment of Leases and Rents dated as of September 15, 2017, by the members of the Obligated Group in favor of the Notes Trustee.

[4] In addition to the Notes, the Obligations also include the California Statewide Communities Development Authority Revenue Bonds (Daughters of Charity Health System) Series 2005A, F, G and H (the "*Series 2005 Bonds*").

the "*MTI Collateral*").[5]

8. The indebtedness evidenced by the 2017 Notes is additionally secured by a Deed of Trust with Fixture Filing and Security Agreement and Assignment of Rents and Leases, dated September 15, 2017, as amended, (the "*Moss Deed of Trust*") granted by Verity Holdings LLC on certain real estate and related property located in San Mateo County, California. (the "*Moss Property*").

9. Pursuant to that certain Intercreditor Agreement dated as of December 1, 2015, as amended by the Amended and Restated Intercreditor Agreement dated as of September 1, 2017, as further amended by the Second Amended and Restated Intercreditor Agreement dated as of December 1, 2017 (as amended, the "*Intercreditor Agreement*"), the Master Trustee subordinated its liens and security interests, including the Gross Revenue pledge, to the Notes Trustee with respect to the Senior Note Collateral.

10. The Senior Note Collateral, the MTI Collateral and the Moss Deed of Trust include "cash collateral" (the "*Cash Collateral*") as defined in section 363(a) of Title 11 of the United States Code (the "*Bankruptcy Code*").

11. On August 31, 2018 (the "*Petition Date*"), VHS and the above-captioned affiliated debtors (collectively, the "*Debtors*"), each filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code, commencing the above-captioned chapter 11 cases (the "*Cases*"). Since the commencement of the Cases, the Debtors have been operating their businesses as debtors in possession pursuant to §§ 1107 and 1108 of the Bankruptcy Code. To date, no official committee or examiner has been appointed by the Office of the United States Trustee in these Cases.

---

[5] *See* Master Indenture § 1.01 ("'Gross Revenues' means all revenues, income, receipts and money received by or on behalf of the Members from all sources, including (a) gross revenues derived from their operation and possession of each Member's facilities; (b) gifts, grants, bequests, donations and contributions, exclusive of any gifts, grants, bequests, donations and contributions to the extent specifically restricted by the donor to a particular purpose inconsistent with their use for the payment of Required Payments; (c) proceeds derived from (i) condemnation proceeds, (ii) accounts receivable, (iii) securities and other investments, (iv) inventory and other tangible and intangible property, (v) medical reimbursement programs and agreements, (vi) insurance proceeds and (vii) contract rights and other rights and assets now or hereafter owned by each Member; and (d) rentals received from the lease of office space.").

12. On the Petition Date, the Debtors filed the DIP Motion in order to obtain (i) post petition financing, (ii) authorization to use Cash Collateral, and (iii) approval of the adequate protection proposed therein. The Motion seeks approval of post petition debtor-in-possession financing (the "DIP Facility") in an aggregate principal amount of up to $185,000,000, with up to $30,000,000 to be advanced during the interim period. This includes upwards of $20,000,000 in critical vendor payments and $5,720,000 in capital expenditures which the Debtors seek to make within the first 30 days of the case.

III. Reservation of Rights

13. Subject to acceptable protections that the 2015 Note Trustee and the 2017 Note Trustee are entitled to receive as perfected prepetition secured creditors, including without limitation, adequate protection for priming liens being granted to the DIP Facility lender and the use of Cash Collateral, they both support entry of an order approving the DIP Facility and the Debtors' use of Cash Collateral. The Notes Trustee acknowledges that the Debtors face a serious liquidity crisis and urgently require some level of debtor-in-possession financing and use of Cash Collateral on an interim basis.

14. The Notes Trustee has engaged in discussions with the Debtors regarding, among other things, the proposed amount and uses of the DIP Facility, the proposed budget, and adequate protection issues. Those discussions have been productive, and have helped narrow the scope of open issues. While the Notes Trustee is hopeful that continued discussions may resolve its remaining concerns, it reserves all rights and objections with respect to both interim and final relief on the Motion. The Notes Trustee intends to work with the Debtors to address, among other things, the below-described areas.

15. **The Proposed Amount of the DIP Facility.** The Notes Trustee wants to make sure that the amount of money borrowed by the Debtors on an interim basis is truly necessary and the Debtors' longer term borrowing and related budgets include input from the Notes Trustee prior to the final hearing, and periodically thereafter. For example, the proposed authorization for up to $20,000,000 in critical vendor payments seems extraordinary, and the Debtors have not yet demonstrated that such a large allocation is truly "critical" or appropriate.

McDermott Will & Emery LLP
Attorneys at Law
Los Angeles

Also, given that the Debtors' facilities are being marketed for sale, the Debtors should be required to demonstrate why it is necessary or appropriate for the Debtors to allocate $8,367,000 toward capital expenditures in the first 13-week period of the case – $5,720,000 in the first 30 days – which may largely benefit the eventual purchasers of the facilities but not the Debtors' estates or their senior secured creditors.

16. **Respect for the Separateness of the Debtors' Bankruptcy Estates.** The interim and final orders on the Motion need to include protections that respect the separateness of each bankruptcy estate, including separate budgets for borrowings and repayments of the DIP Facility and the use of Cash Collateral. Each Hospital is a distinct entity with its own operations, assets, and creditors. Some Hospitals, such as the St. Francis Medical Center on which the Notes Trustee has priority liens, are cash flow positive and may not even utilize the DIP Facility. The DIP Facility may be disproportionately used for the benefit of Hospitals that have negative cash flows and cannot operate without access to external liquidity. Thus, the Debtors should be required to account for and report on their use of the DIP Facility on an entity-by-entity basis.

17. **Adequacy of Notes Trustee Replacement Liens**. The Debtors correctly acknowledge that they are required to provide adequate protection to their prepetition secured creditors, and propose to do so, in part, in the form of replacement liens if a prepetition secured creditor suffers a diminution in the value of its collateral as a result of the priming liens granted to the DIP Lender. The Notes Trustee anticipates that the sale proceeds of the two most cash flow positive Hospitals, St. Francis Medical Center and Saint Louise Regional Hospital, in which the Notes Trustee holds senior liens, may be used in whole or in part to repay the DIP Facility. If this occurs, the Notes Trustee needs by the time of the final hearing to have a better understanding of whether replacement liens will be adequate to address such a potentially large diminution in the value of its Cash Collateral in the context of the anticipated liquidation process. The Notes Trustee continues to work with the Debtors to make this assessment, both with respect to the interim DIP Facility and the balance of the DIP Facility.

McDERMOTT WILL & EMERY LLP
ATTORNEYS AT LAW
LOS ANGELES

18. **Appropriate Agreed Upon Conditions to the Use of Cash Collateral.** The Notes Trustee is seeking some additional limited projections with respect to the Debtors' use of the Cash Collateral. The Notes Trustee expects at the interim hearing to consent to the Debtors' use of case collateral until the final hearing. Prior to the final hearing, the Notes Trustee wants to reach a broader set of agreements and limitations that would be included in a Cash Collateral stipulation or final order on the Motion, including, without limitation, sale milestones, termination rights, and financial reporting requirements.

19. **Loss of Prepetition Priority of Moss Boulevard Deed of Trust**. The 2017 Note Trustee holds the only lien in the Moss Property under the Moss Deed of Trust. The proposed interim order on the Motion does preserve the relative priority of the Notes Trustee and the Master Trustee as provided in the Intercreditor Agreement, but does not preserve the relative prepetition priority of the 2017 Note Trustee in the Moss Property. The Notes Trustee has suggested language for the interim order on the Motion to clarify that the prepetition priority status of the Moss Deed of Trust will not be primed by Replacement Liens. Based on its discussions with the Debtors, the Notes Trustee believes that the Debtors are amenable to including this language in a revised form of interim order to be filed with the Court.

20. **Adequate Protection of Notes Trustee Fees and Expenses**. In the Motion, the Debtors propose to limit the adequate protection payment of the Notes Trustee's fees and expenses to out-of-pocket expenses incurred with respect to *one* law firm and *one* financial advisor. However, the 2015 Notes and the 2017 Notes were issued under separate indentures; they have separate trustees; they have distinct governance prerogatives; and they have some separate collateral rights. The Notes Trustee has discussed with the Debtors its position that there is no justification for limiting U.S. Bank to one counsel with respect to both sets of trusteeships, and requested that any order on the Motion should provide for payment of all reasonable fees and expenses of the 2015 Note Trustee and 2017 Note Trustee, respectively, to the extent provided by the terms of the underlying Indentures. The Notes Trustee believes that the Debtors are amenable to including language to this effect in a revised form of interim order to be filed with the Court.

21. Subject to the foregoing, the Notes Trustee looks forward to achieving a consensual Interim Order and thereafter a consensual Final Order. The Notes Trustee will continue its good faith efforts to resolve its concerns through its ongoing dialogue and negotiation with the Debtors and continued analysis and due diligence. Nonetheless, the Notes Trustee hereby expressly reserves all of its rights, claims, objections, and remedies, including the right to amend, modify, or supplement this reservation of rights, to seek discovery, to raise additional objections and to introduce evidence at the interim and final hearings on the Motion, on any grounds, as may be appropriate. Further, the Notes Trustee further reserves its right to amend or supplement this reservation of rights, based upon any facts or arguments that come to light prior to the hearing on these issues.

Interim Order having been withdrawn, resolved or overruled by the Court; and after due deliberation and consideration, and for good and sufficient cause appearing therefor:

BASED UPON THE RECORD ESTABLISHED AT THE INTERIM HEARING, THE COURT MAKES THE FOLLOWING FINDINGS OF FACT AND CONCLUSIONS OF LAW:[2]

A. **Petition Date**. On August 31, 2018 (the "***Petition Date***"), each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code with the United States Bankruptcy Court for the Central District of California (the "***Court***"). The Debtors have continued in the management and operation of their businesses and properties as debtors in possession pursuant to sections 1107 and 1108 of the Bankruptcy Code.

B. **Jurisdiction and Venue**. This Court has jurisdiction over the Cases, the DIP Motion and the parties and property affected hereby pursuant to 28 U.S.C. §§ 157(b) and 1334(b), and over the persons and property affected hereby. Consideration of the DIP Motion constitutes a core proceeding as defined in 28 U.S.C. § 157(b)(2). Venue for these Chapter 11 Cases and proceedings on the DIP Motion is proper before this district pursuant to 28 U.S.C. §§ 1408 and 1409.

C. **Committee Formation** As of the date hereof, the Office of the United States Trustee (the "***U.S. Trustee***") has not appointed any official committee of unsecured creditors in these Cases pursuant to section 1102 of the Bankruptcy Code (the "***Committee***").

D. **Notice**. Notice of the Interim Hearing and notice of the DIP Motion has been provided by the Debtors to: (i) the Office of the United States Trustee for the Central District of California (the "***U.S. Trustee***"); (ii) the United States Securities and Exchange Commission; (iii) the Office of the United States Attorney for the Central District of California; (iv) the Internal Revenue Service; (v) the Debtors' fifty (50) largest unsecured creditors on a consolidated basis;

[2] The findings and conclusions set forth herein constitute the Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to this proceeding pursuant to Bankruptcy Rule 9014. To the extent that any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent any of the following conclusions of law constitute findings of fact, they are adopted as such.

(vi) counsel to each of the Prepetition Secured Creditors (as defined below); (vii) counsel to the DIP Agent and the DIP Lender; (viii) the Office of the Attorney General for the State of California, Charities Division; and (ix) all other parties known to assert a lien on any of the Debtors' assets. Under the circumstances, such notice of the Interim Hearing and the DIP Motion constitute due, sufficient and appropriate notice and complies with sections 102(1) and 363 of the Bankruptcy Code, Bankruptcy Rules 2002 and 4001(b), and the Local Rules, and no other or further notice is required under the circumstances.

E. **Findings Regarding Corporate Authority**. As set forth in the resolutions accompanying the Petitions and the Adcock Declaration, each Debtor has all requisite corporate power and authority to execute and deliver the DIP Financing Agreements to which it is a party and to perform its obligations thereunder.

F. **Intercreditor Agreement**. Pursuant to section 510 of the Bankruptcy Code, but subject to the terms of this Interim Order and the Intercreditor Acknowledgment (as defined herein), the Amended and Restated Intercreditor Agreement dated September 1, 2017 (the "***Intercreditor Agreement***") and any other applicable intercreditor or subordination provisions contained in any of the Prepetition Secured Documents (i) shall remain in full force and effect, (ii) shall continue to govern the relative priorities, rights and remedies of the Prepetition Secured Creditors (including the relative priorities, rights and remedies of such parties with respect to the Prepetition Replacement Liens and Adequate Protection Superpriority Claims granted, or amounts payable, by the Debtors under this Interim Order or otherwise and the modification of the automatic stay), and (iii) shall not be deemed to be amended, altered or modified by the terms of this Interim Order or the DIP Financing Agreements, unless expressly set forth herein or therein.

G. **Prepetition Secured Credit Facilities**. As of the Petition Date, the Debtors were indebted and liable to: UMB Bank, N.A., ("***UMB Bank***") as successor Master Trustee under the Master Trust under master indenture obligations for the California Statewide Communities Development Authority Revenue Bonds (Daughters of Charity Health System) Series 2005 A, G and H (the "***2005 Bonds***") and California Public Finance Authority Revenue Notes (Verity Health

System) Series 2015 A, B, C, and D and the Series 2017 A and B (collectively, the "***Working Capital Notes***" and together with the 2005 Bonds, the "***MTI Obligations***"), Wells Fargo Bank National Association ("***Wells Fargo***") serves as indenture trustee for the Series 2005 Bonds. U.S. Bank National Association ("***U.S. Bank***" and together with Wells Fargo and UMB Bank, the "***Prepetition Agents***") serves as the Collateral Agent and Note Trustee for the Working Capital Notes. As of the Petition Date, the Debtors were indebted and liable to Verity MOB Financing, LLC and Verity MOB Financing II, LLC (together, "***Verity MOB***" and collectively with the Prepetition Agents and holders of the 2005 Bonds and the Working Capital Notes, the "***Prepetition Secured Creditors***") as holders of security interests in Verity Holdings prepetition accounts, including rents arising from the prepetition MOB Financing (the "***MOB Financing***", and together with the 2005 Bonds and Working Capital Notes, the "***Prepetition Secured Documents***") holding approximately $568,000,000 of debt as set forth on **Exhibit 1** to the Chou Decl. (the "***Prepetition Secured Obligations***") secured by liens on virtually all of the Debtors' assets (the "***Prepetition Liens***").

H. **Prepetition Collateral**. In order to secure the Prepetition Secured Obligations, the Debtors granted the Prepetition Liens to the Prepetition Secured Creditors on substantially all of their assets (the "***Prepetition Collateral***").

I. **Findings Regarding the Postpetition Financing**.

(i) **Consensual Priming of the Prepetition Liens**. The priming of the Prepetition Liens of the Prepetition Secured Creditors on the Prepetition Collateral under section 364(d) of the Bankruptcy Code, as contemplated by the DIP Financing Agreements, as authorized by this Interim Order, and as further described below, is consented to by the Prepetition Secured Creditors solely on an interim basis, and will enable the Debtors to continue borrowing under the DIP Facility and to continue operating their businesses for the benefit of their estates and creditors. The Prepetition Secured Creditors are each entitled to receive adequate protection as set forth in this Interim Order pursuant to sections 361, 363, and 364 of the Bankruptcy Code, for any Diminution in Value (as defined herein) of each of their respective interests in the Prepetition Collateral (including Cash Collateral).

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

(ii) **Good Cause; Need for Postpetition Financing**. Good cause has been shown for the entry of this Interim Order. An immediate need exists for the Debtors to obtain funds from the Interim DIP Loan in order to continue operations, continue to serve the Debtors mission to provide acute and specialized care for area patients and to administer and preserve the value of their estates. The ability of the Debtors to finance their operations, to preserve and maintain the value of the Debtors' assets and to maximize a return for all creditors requires the availability of working capital from the Interim DIP Loan, the absence of which would immediately and irreparably harm the Debtors, their estates and their creditors and the possibility for a successful reorganization or sale of the Debtors' assets as a going concern or otherwise. The proposed Interim DIP Loan is in the best interests of the Debtors, their estates, and their creditors.

(iii) **No Credit Available on More Favorable Terms**. The Debtors have been unable to obtain (a) unsecured credit allowable under 503(b)(1) of the Bankruptcy Code section as an administrative expense, (b) credit for money borrowed secured solely by a lien on property of the estate that it not otherwise subject to a lien, (c) credit for money borrowed secured by a junior lien on property of the estate which is subject to a lien, (d) or credit otherwise on more favorable terms and conditions than those provided in the DIP Credit Agreement and this Interim Order. The Debtors are unable to obtain credit for borrowed money without granting to the DIP Lender the DIP Protections (as defined below).

J. **Use of Proceeds of the DIP Facility.** Proceeds of the DIP Facility (net of any amounts used to pay fees, costs and expenses under the DIP Financing Agreements) shall be utilized by the Debtors until the DIP Facility Termination Date in accordance with the DIP Budget and in a manner consistent with the terms and conditions of the DIP Credit Agreement, this Interim Order, and the Final Order.

K. **Application of Sale Proceeds of DIP Collateral.** The DIP Liens shall attach as first priority liens and security interests, pursuant to section 364(d) of the Bankruptcy Code and the DIP Financing Agreements, to all proceeds of any sale or other disposition of the Debtors' property, including, without limitation, the Facilities and any other DIP Collateral (as defined below) (the "***Sale Proceeds***"). The Sale Proceeds shall be held in escrow in one or more deposit

LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

accounts subject to a deposit account control agreement in favor of the DIP Lender (the "***Escrow Deposit Account***"). Any funds held in the Escrow Deposit Account shall not be commingled with any other funds of the Debtors or otherwise. The DIP Lender is granted a first priority lien on the Escrow Deposit Account and all Sale Proceeds, including any deposit provided by any buyer in connection with any asset sale, and such proceeds, deposits, and the Escrow Deposit Account shall constitute Collateral under the DIP Credit Agreement and DIP Collateral under this Interim Order. On the Revolving Loan Termination Date (as defined in the DIP Credit Agreement), the DIP Lender shall apply any and all amounts remaining on deposit in the Escrow Deposit Account to the outstanding principal amount of the DIP Loan, together with accrued and unpaid DIP Obligations, with any remaining balance to be delivered to the Debtors; provided, however, that upon any Debtor's request and with the consent of the DIP Lender (which consent may, for the avoidance of doubt, be withheld in its sole discretion), any Sale Proceeds and deposits provided in connection with any asset sale may be disbursed to the Prepetition Secured Creditors on terms and conditions that are acceptable to the DIP Lender in its sole discretion and in upon further order of this Court.

L. **Adequate Protection for Prepetition Secured Creditors.** The priming of the Prepetition Secured Creditors' Prepetition Liens to the extent set forth below pursuant to section 364(d) of the Bankruptcy Code is necessary to obtain the DIP Financing. In exchange for the priming of the Prepetition Liens set forth below, the Prepetition Secured Creditors shall be entitled to receive adequate protection, as set forth in this Interim Order, pursuant to sections 361, 363 and 364 of the Bankruptcy Code, for any diminution in the value of their respective interests in the Prepetition Collateral resulting from, among other things, the subordination to the Carve Out (as defined herein) and to the DIP Liens (as defined herein), the Debtors' use, sale or lease of such Prepetition Collateral, including Cash Collateral, and the imposition of the automatic stay from and after the Petition Date (collectively, and solely to the extent of such diminution in value, the "***Diminution in Value***"). The Prepetition Secured Creditors have negotiated in good faith regarding the Debtors' use of the Prepetition Collateral to help fund the administration of the Debtors' estates along with the proceeds of the DIP Financing. Based on the DIP Motion and the

DENTONS US LLP
601 SOUTH FIGUEROA STREET, SUITE 2500
LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

record presented to the Court at the Interim Hearing, the terms of the proposed adequate protection arrangements are fair and reasonable, reflect the Debtors' prudent exercise of business judgment and constitute reasonably equivalent value and fair consideration for the consent of the Prepetition Secured Creditors; provided, however, that nothing herein shall limit the rights of any of the Prepetition Secured Creditors to hereafter seek new or different adequate protection.

M. **Extension of Financing**. The DIP Lender has indicated a willingness to provide financing to the Debtors in accordance with the DIP Credit Agreement. The DIP Lender is acting in good faith with respect to the DIP Facility and the terms and conditions of the DIP Credit Agreement and the other DIP Financing Agreements. The DIP Lender's claims, superpriority claims, security interests and liens and other protections granted pursuant to this Interim Order and the DIP Financing Agreements will not be affected by any subsequent reversal or modification of this Interim Order or the Final Order, as provided in section 364(e) of the Bankruptcy Code.

N. **Business Judgment and Good Faith Pursuant to Section 364(e).**

(i) The DIP Lender has indicated a willingness to provide DIP Financing to the Debtors in accordance with the DIP Financing Agreements. The terms and conditions of the DIP Facility and the DIP Financing Agreements, and the fees paid and to be paid thereunder are fair, reasonable, and the best available under the circumstances, reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties, and are supported by reasonably equivalent value and consideration;

(ii) The DIP Financing Agreements were negotiated in good faith and at arms' length between the Debtors and the DIP Lender;

(iii) The proceeds to be extended under the DIP Facility will be so extended in good faith, and for valid business purposes and uses; and

(iv) The DIP Lender is acting in good faith with respect to the DIP Facility and the terms and conditions of the DIP Financing Agreements, and the DIP Lender's claims, superpriority claims, security interests and liens and other protections granted pursuant to this Interim Order and the DIP Financing Agreements will not be affected or avoided by any

subsequent reversal or modification of this Interim Order or the Final Order, as provided in section 364(e) of the Bankruptcy Code.

O. **Relief Essential; Best Interest; Good Cause**. The relief requested in the DIP Motion (and as provided in this Interim Order) is necessary, essential, and appropriate for the preservation of the Debtors' assets, business and property. It is in the best interest of the Debtors' estates to be allowed to establish the DIP Facility contemplated by the DIP Credit Agreement. Good cause has been shown for the relief requested in the DIP Motion (and as provided in this Interim Order) solely on an interim basis.

NOW, THEREFORE, on the DIP Motion and the record before this Court with respect to the DIP Motion, including the record created during the Interim Hearing, and with the consent of the Debtors, the Prepetition Secured Creditors and the DIP Lender to the form and entry of this Interim Order, and good and sufficient cause appearing therefor,

IT IS HEREBY ORDERED, ADJUDGED AND DECREED:

1. **Motion Granted**. The DIP Motion is granted on an interim basis in accordance with the terms and conditions set forth in this Interim Order and the DIP Credit Agreement. Any objections to the DIP Motion with respect to entry of this Interim Order to the extent not withdrawn, waived or otherwise resolved, and all reservations of rights included therein, are hereby denied and overruled.

2. **DIP Financing Agreements.**

without need to obtain further Court approval, including closing fees, unused line fees, administrative agent's fees, collateral agent's fees, and the reasonable fees and disbursements of the DIP Agent's and the DIP Lenders' respective attorneys, advisors, accountants, and other consultants, whether or not such fees arose before or after the Petition Date, and whether or not the transactions contemplated hereby are consummated, to implement all applicable reserves and to take any other actions that may be necessary or appropriate, all to the extent provided in this Interim Order or the DIP Financing Agreements. All collections and proceeds, whether from ordinary course collections, asset sales, debt or equity issuances, insurance recoveries, condemnations or otherwise, will be deposited and applied as required by this Interim Order and the DIP Financing Agreements. The DIP Financing Agreements represent valid and binding obligations of the Debtors, enforceable against each of the Debtors and their estates in accordance with their terms, including, without limitation, commitment fees and reasonable attorneys' fees and disbursements as provided for in the DIP Credit Agreement, which amounts shall not otherwise be subject to approval of this Court, *provided however*, that notwithstanding section 2.9(a) of the DIP Credit Agreement, following entry of this Interim Order, the Debtors shall pay only $1,600,000 on account of the commitment fee. The Debtors shall pay the deferred balance of the commitment fee required by section 2.9(a) of the DIP Credit Agreement only upon entry of a Final Order approving the DIP Credit Agreement.

(b) **Authorization to Borrow/and or Guarantee**. To enable them to continue to preserve the value of their estates and dispose of their assets in an orderly fashion, during the period prior to entry of the Final Order (the "***Interim Period***") and subject to the terms and conditions of this Interim Order, upon the execution of the DIP Credit Agreement and the other Financing Documents the Debtors are hereby authorized to borrow the Interim DIP Loan up to a total committed amount of $30,000,000 under the DIP Financing Agreements.

(c) **Conditions Precedent.** The DIP Lender shall have no obligation to make the Interim DIP Loan or any loan or advance under the DIP Credit Agreement during the Interim Period unless the conditions precedent to making such loan under the DIP Credit Agreement have been satisfied in full or waived by the DIP Lender in its sole discretion.

(d) **DIP Collateral; DIP Liens**. Effective immediately upon the entry of this Interim Order, on account of the Interim DIP Loan, the DIP Lender shall be and is hereby granted first-priority security interests and liens (which shall immediately be valid, binding, permanent, continuing, enforceable, perfected and non-avoidable) on all of the Debtors' property, including, without limitation, the Sale Proceeds and the Escrow Deposit Account, whether arising before or after the Petition Date (collectively, the "***DIP Collateral***," and all such liens and security interests granted on or in the DIP Collateral pursuant to this Interim Order and the DIP Financing Agreements, the "***DIP Liens***"), but excluding the Clean Fund Bonds and NR2 Petros Bonds collateral held by WTNA, donor restricted funds held at Philanthropic Foundations, Avoidance Actions (defined below) and any proceeds thereof and any funds held by the Prepetition Agents (including amounts set forth on **Exhibit 1** to the Chou Decl.). The DIP Collateral shall not be subject to any surcharge under section 506(c) or any other provision of the Bankruptcy Code or other applicable law, nor by order of this Court.

(e) **DIP Lien Priority**. Subject only to the Carve Out (as defined below), the DIP Liens shall, pursuant to section 364(d)(1) of the Bankruptcy Code, be perfected, continuing, enforceable, non-avoidable first priority senior priming liens and security interests on the DIP Collateral, and shall prime all other liens and security interests on the DIP Collateral, including any liens and security interests in existence on the Petition Date against the Prepetition Collateral, and any other current or future liens granted on the DIP Collateral, including any adequate protection or replacement liens granted on the DIP Collateral (collectively, the "***Primed Liens***") (other than the Debtors' claims and causes of action under sections 502(d), 544, 545, 547, 548, 549, 550 and 553 of the Bankruptcy Code, and any other avoidance or similar actions under the Bankruptcy Code or similar state law (the "***Avoidance Actions***"), whether received by judgment, settlement or otherwise. Without limiting the foregoing, the DIP Liens shall not be made subject to, subordinate to, or pari passu with any lien or security interest by any court order heretofore or hereafter granted in the Chapter 11 Cases. The DIP Liens shall be valid and enforceable against any trustee appointed in the Chapter 11 Cases, upon the conversion of any of the Chapter 11 Cases to a case under Chapter 7 of the Bankruptcy Code or in any other proceedings related to

any of the foregoing (any "***Successor Cases***"), and/or upon the dismissal of any of the Chapter 11 Cases or Successor Cases. Other than the Carve Out, no costs, expenses, claims, or liabilities that have been or may be incurred by Debtors during these Chapter 11 Case, or in any Successor Cases, will be senior to, prior to, or on parity with the DIP Liens.

(f) **Enforceable Obligations**. The DIP Financing Agreements shall constitute and evidence the valid and binding obligations of the Debtors, which obligations shall be enforceable against the Debtors, their estates and any successors thereto and their creditors or representatives thereof, in accordance with their terms.

(g) **Protection of DIP Lender and Other Rights**. From and after the Petition Date, the Debtors shall use the proceeds of the extensions of credit under the DIP Facility only for the purposes specifically set forth in the DIP Credit Agreement and this Interim Order and in strict compliance with the DIP Budget (subject to any variances thereto permitted by the DIP Credit Agreement).

(h) **Additional Protections of DIP Lender: Superpriority Administrative Claim Status**. Subject to the Carve Out (as defined below), all DIP Obligations shall constitute an allowed superpriority administrative expense claim (the "***DIP Superpriority Claim***" and, together with the DIP Liens, the "***DIP Protections***") with priority in all of the Chapter 11 Cases and Successor Cases over all other administrative expense claims under sections 364(c)(1), 503(b) and 507(b) of the Bankruptcy Code and otherwise over all administrative expense claims and unsecured claims against the Debtors or their estates, now existing or hereafter arising, of any kind or nature whatsoever, including, without limitation, administrative expenses of the kinds specified in or ordered pursuant to sections 105, 326, 328, 330, 331, 365, 503(a), 503(b), 506(c), 507(a), 507(b), 546(c), 546(d), 1113 and 1114 and any other provision of the Bankruptcy Code except as otherwise set forth herein, whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment. The DIP Superpriority Claim shall be payable from and have recourse to all prepetition and post-petition property of the Debtors and all proceeds thereof. Without limiting the foregoing, the Superpriority Claim shall not be made subject to, subordinate to, or *pari passu* with any other administrative claim in the

Chapter 11 Cases or Successor Cases, except for the Carve Out (as defined below). Other than the Carve Out, no costs, expenses, claims, or liabilities that have been or may be incurred by Debtors during these Chapter 11 Case, or in any Successor Cases, will be senior to, prior to, or on parity with the DIP Superpriority Claim.

3. **Authorization to Use Proceeds of DIP Facility**. Pursuant to the terms and conditions of this Interim Order, the DIP Credit Agreement and the other DIP Financing Agreements, and in accordance with the DIP Budget and the variances thereto set forth in the DIP Credit Agreement, the Debtors are authorized to use the advances under the DIP Credit Agreement during the period commencing immediately after the entry of this Interim Order and terminating upon the occurrence of an Event of Default (as defined below) and the termination of the DIP Credit Agreement in accordance with its terms and subject to the provisions hereof.

4. **Adequate Protection for Prepetition Secured Creditors**. As adequate protection for the interests of the Prepetition Secured Creditors in the Prepetition Collateral on account of the granting of the DIP Liens, subordination to the Carve Out (as defined below), any Diminution in Value arising out of the Debtors' use, sale, or disposition or other depreciation of the Prepetition Collateral, including Cash Collateral, resulting from the automatic stay, the Prepetition Secured Creditors shall receive adequate protection as follows:

(a) **Adequate Protection Replacement Liens**. To the extent of the Diminution in Value of the interest of the respective Prepetition Secured Creditors in Prepetition Collateral, each of the affected Prepetition Secured Creditors shall be granted, subject to the terms and conditions set forth below, pursuant to sections 361, 363(e), and 364(d) of the Bankruptcy Code additional valid, perfected and enforceable replacement security interests and Liens in the DIP Collateral, excluding the prepetition collateral held by WTNA with respect to the Clean Fund Bonds and the NR2 Petros Bonds, donor restricted funds held at Philanthropic Foundations and Avoidance Actions and any proceeds thereof (the "***Prepetition Replacement Liens***"), which shall be junior only to (1) the Carve Out, (2) to the DIP Liens securing the DIP Obligations, and (3) any perfected, unavoidable, prepetition liens granted by Holdings pursuant to those certain deeds of trust issued in connection with the MOB Financing and the Moss Deed of Trust; *provided,*

however, that any Prepetition Replacement Liens granted to the 2015 Note Trustee and/or 2017 Note Trustee on account of the Diminution in Value of the Priority Collateral under the Intercreditor Agreement shall be senior to the Prepetition Replacement Liens granted to any other Prepetition Secured Creditors and junior to (i) the Carve Out, (ii) the DIP Liens securing the DIP Obligations, and (iii) perfected, unavoidable, prepetition liens granted by Holdings pursuant to those certain deeds of trust issued in connection with the MOB Financing and the Moss Deed of Trust, and *further provided* that any Prepetition Replacement Liens granted to the holders of deeds of trust issued in connection with the MOB Financing and the Moss Deed of Trust, on account of the Diminution in Value of such Prepetition Collateral shall be senior to the Prepetition Replacement Liens granted to any other Prepetition Secured Creditors and junior to (x) the Carve Out, (y) the DIP Liens securing the DIP Obligations, and (z) perfected, unavoidable, prepetition liens of the Master Trustee, the 2015 Note Trustee and/or the 2017 Note Trustee on property other than the property subject to the Moss Deed of Trust. With respect to the Prepetition Collateral that is subject to the Second Amended and Restated Intercreditor Agreement, any proceeds of such Prepetition Collateral or Prepetition Replacement Liens related thereto shall be allocated among the Prepetition Secured Creditors in accordance with the terms of the Second Amended and Restated Intercreditor Agreement.

(b) **Adequate Protection Payments and Protections**. So long as there is no Default or Event of Default, under this Interim Order, the Final Order, or the DIP Financing Agreements, the Debtors are also authorized and directed to provide to the Prepetition Secured Creditors monthly adequate protection payments equal to the amount of postpetition, non-default contractual interest on the outstanding balances of the Prepetition Secured Obligations excluding the Clean Fund Bonds and NR2 Petros Bonds collateral held by WTNA, provided that reference to the non-default contractual rate of interest shall not include any Penalty Rate, Default Rate or the Tax Rate as defined in the Prepetition Secured Documents, plus monthly payment of reasonable trustee fees for each of (1) Wells Fargo, (2) UMB Bank as Master Trustee, (3) U.S. Bank as 2015 Note Trustee, and (4) U.S. Bank as 2017 Note Trustee, respectively, and reimbursement of reasonable attorney's fees for one set of attorneys for (1) Wells Fargo as the

successor indenture trustee for the 2005 Bonds, (2) UMB Bank as Master Trustee, (3) U.S. Bank as 2015 Note Trustee, (4) U.S. Bank as 2017 Note Trustee, and (5) MOB Financing and reimbursement of reasonable financial advisor fees for one set of financial advisors for (1) Wells Fargo as the successor indenture trustee for the 2005 Bonds and UMB Bank as Master Trustee, (2) U.S. Bank as 2015 Note Trustee and 2017 Note Trustee and (3) MOB Financing (the "***Prepetition Adequate Protection Payments***"). Notwithstanding the foregoing, to the extent the Court enters a final and non-appealable order that determines, pursuant to sections 506(a) or (b) of the Bankruptcy Code, that the Prepetition Adequate Protection Payments are not properly allocable to interest on one or more of the respective Prepetition Secured Obligations to which they were made, the Prepetition Adequate Protection Payments may be re-characterized as payment(s) applied to the principal amount of the respective Prepetition Secured Obligations.

(c) **Prepetition Superpriority Claim**. To the extent of the Diminution in Value of the interest of the respective Prepetition Secured Creditors in Prepetition Collateral, each of the affected Prepetition Secured Creditors shall be granted, subject to the terms and conditions set forth below, an allowed superpriority administrative expense claim (the "***Prepetition Superpriority Claims***"), which shall have priority (except with respect to (i) the DIP Liens, (ii) the DIP Superpriority Claim, (iii) the Carve Out, and (iv) any claims granted by Holdings pursuant to those certain deeds of trust issued in connection with the MOB Financing and the Moss Deed of Trust) in the Chapter 11 Cases under sections 363(c)(1), 503(b) and 507(b) of the Bankruptcy Code and otherwise over all administrative expense claims and unsecured claims against the Debtors and their estates, now existing or hereafter arising of any kind or nature whatsoever including, without limitation, administrative expenses of the kind specified or ordered pursuant to sections 105, 326, 328, 330, 331, 503(a), 503(b), 507(a), 507(b), 546(c), 546(d) 552, 726, 1113 and 1114 of the Bankruptcy Code, and upon entry of the Final Order, section 506(c) of the Bankruptcy Code, whether or not such expenses or claims may become secured by a judgment Lien or other non-consensual Lien, levy or attachment; *provided, however*, that any Prepetition Superpriority Claim granted to the 2015 Note Trustee and/or 2017 Note Trustee on account of the Diminution in Value of the Priority Collateral under the Intercreditor Agreement

shall have priority over the Prepetition Superpriority Claims granted to any other Prepetition Secured Creditors (except with respect to (i) the DIP Liens, (ii) the DIP Superpriority Claim, (iii) the Carve Out, and (iv) claims associated with the MOB Financing and the Moss Deed of Trust) and *further provided* that any Prepetition Superpriority Claim granted to the holders of those certain deeds of trust issued in connection with the MOB Financing and the Moss Deed of Trust, on account of the Diminution in Value of such Prepetition Collateral shall be senior to the Prepetition Superpriority Claims granted to any other Prepetition Secured Creditors (except with respect to (i) the DIP Liens, (ii) the DIP Superpriority Claim, (iii) the Carve Out, and (iv) the claims of the Master Trustee, the 2015 Note Trustee and/or the 2017 Note Trustee on property other than the property subject to the Moss Deed of Trust). With respect to the Prepetition Collateral that is subject to the Second Amended and Restated Intercreditor Agreement, any proceeds of such Prepetition Collateral or Prepetition Superpriority Claim related thereto shall be allocated among the Prepetition Secured Creditors in accordance with the terms of the Second Amended and Restated Intercreditor Agreement.

(d) **Validity, Perfection and Amount of Prepetition Liens**. The Debtors further acknowledge and agree that, as of the Petition Date, (a) the Prepetition Liens securing the Prepetition Secured Obligations on the Prepetition Collateral were valid, binding, enforceable, non-avoidable, and properly perfected and were granted to, or for the benefit of, the Prepetition Secured Creditors and (b) the Prepetition Liens were senior in priority over any and all other Liens on the Prepetition Collateral. The findings and stipulations set forth in this Interim Order with respect to the validity, enforceability and amount of the Prepetition Secured Obligation and the Prepetition Liens shall be binding on any subsequent trustee, responsible person, examiner with expanded powers, any other estate representative, and all creditors and parties in interest and all of their successors in interest and assigns, including the Committee, unless, and solely to the extent that, a party in interest with requisite standing and authority (other than the Debtors, as to which any Challenge (as defined below) is irrevocably waived and relinquished) has timely filed the appropriate pleadings, and timely commenced the appropriate proceeding required under the Bankruptcy Code and Bankruptcy Rules, including as required pursuant to Part VII of the

Bankruptcy Rules (in each case subject to the limitations set forth in this paragraph 4(d)) challenging the Prepetition Liens (each such proceeding or appropriate pleading commencing a proceeding or other contested matter, a "***Challenge***") within ninety (90) days from the formation of the Committee (the "***Challenge Deadline***"); *provided however* that the filing by the Committee of a motion for standing to prosecute a Challenge shall automatically toll the Challenge Deadline; and *provided further*, that the "Challenge Deadline" for matters solely relating to the value of the Prepetition Collateral may be further extended to such time as may be agreed by the parties or further ordered by the Court. The foregoing limitation on use of Prepetition Collateral or its proceeds shall only be amended upon further order of this Court and the consent of both the Prepetition Secured Creditors and the DIP Lender. The Debtors shall not use the Prepetition Collateral or its proceeds to investigate, prosecute claims against the Prepetition Secured Creditors, including Avoidance Actions, *provided however* that the Committee may investigate the existence of such claims and have allowed fees paid from the Prepetition Collateral up to the amount of $50,000, *provided further however* that no Prepetition Collateral or the proceeds thereof may be used to prosecute claims against Prepetition Secured Creditors. For the avoidance of doubt, the Debtors, on behalf of their estates, do not release or indemnify the Prepetition Secured Creditors from any Challenge raised by third parties, including the Committee, to the validity, amount or enforceability of the Prepetition Secured Obligations and the Prepetition Liens.

(e) **Sections 506(c) and 552(b)**. In light of the Prepetition Secured Creditors' agreement that their Prepetition Liens shall be subject to the Carve Out and subordinate to the DIP Liens, the Prepetition Secured Creditors are each entitled to a waiver of any "equities of the case" exception under section 552(b) of the Bankruptcy Code, and a waiver of the provisions of section 506(c) of the Bankruptcy Code.

(f) Nothing contained in this Interim Order shall prevent the Prepetition Secured Creditors from application or use of the funds held by the Prepetition Agents in accordance with the Prepetition Secured Documents.

5. **Budget Maintenance**. The proceeds of the DIP Loan under the DIP Facility and the use of Cash Collateral shall be subject to, and in accordance with, the terms and conditions of the

DIP Financing Agreements and the DIP Budget. The Initial Agreed Budget delivered to the DIP Agent shall be accompanied by such supporting documentation as reasonably requested by the DIP Agent. The DIP Budget shall be prepared in good faith based upon assumptions that the Debtors believe to be reasonable. A copy of any DIP Budget shall be delivered to counsel for the Committee and the U.S. Trustee and counsel for the Prepetition Secured Creditors after it has been approved in accordance with the DIP Financing Agreements. Except to the extent required by the DIP Agent to accommodate the Prepetition Adequate Protection Payments, for the duration of this Interim Order, the DIP Budget may not be amended without the prior consent of the Prepetition Secured Creditors.

6. **Budget Compliance and Reporting**. The Debtors shall comply with the DIP Budget as and when required under the DIP Credit Agreement (subject to the variances set forth therein). The Debtors shall provide all reports and other information as required in the DIP Credit Agreement (subject to the grace periods provided therein), with copies delivered substantially contemporaneously to counsel for the Prepetition Secured Creditors and counsel to the Committee, should a Committee be appointed, such information to include reasonably complete details on the payments contemplated by the Critical Vendors Motion and the Utilities Motion, as defined in the Adcock Declaration and such information to be timely provided, sufficient for the Prepetition Secured Creditors to file an objection with this Court on two business days notice. The Debtors' failure to comply with the DIP Budget (including the variances set forth in the DIP Credit Agreement) or to provide the reports and other information required in the DIP Credit Agreement shall constitute an Event of Default (as defined herein), following the expiration of any applicable grace period set forth in the DIP Credit Agreement. Subject to the execution and continuation of valid and binding confidentiality agreements, prior to any hearing to consider entry of a Final Order related to this DIP Motion, the Debtors shall provide to the Prepetition Secured Creditors information concerning (i) the Debtors' efforts to obtain debtor in possession financing proposals, including any proposals the Debtors received, and (ii) the Debtors' ongoing efforts to market their assets, including all marketing materials used by the Debtors in this process, information identifying the parties the Debtors have contacted, copies of any proposals or

expressions of interest, and other information concerning these matters the Prepetition Secured Creditors may reasonably request.

7. **Postpetition Lien Perfection.** This Interim Order shall be sufficient and conclusive evidence of the validity, perfection, and priority of the DIP Liens and Prepetition Replacement Liens without the necessity of filing or recording any financing statement, deeds of trust, mortgages, or other instruments or documents which may otherwise be required under the law of any jurisdiction or the taking of any other action (including, for the avoidance of doubt, entering into any deposit account control agreement or obtaining possession of any possessory collateral) to validate or perfect the DIP Liens or Prepetition Replacement Liens, or to entitle the DIP Liens and Prepetition Replacement Liens the respective priorities granted herein. Notwithstanding and without limiting the foregoing, the DIP Lender may file such financing statements, mortgages, deeds of trust, notices of liens and other similar documents as it deems appropriate, and it is hereby granted relief from the automatic stay of section 362 of the Bankruptcy Code in order to do so, and all such financing statements, mortgages, deeds of trust, notices and other documents shall be deemed to have been filed or recorded at the time and on the date of the commencement of the Chapter 11 Cases. Notwithstanding and without limiting the foregoing provisions regarding the validity, perfection, and priority of the DIP Liens, the Debtors shall execute and deliver to the DIP Lender all such financing statements, mortgages, deeds of trust, deposit account control agreements, notices and other documents as the DIP Lender may reasonably request to evidence, confirm, validate or perfect, or to insure the contemplated priority of, the DIP Liens granted pursuant hereto and the DIP Financing Agreements. Any such financing statements, mortgages, deeds of trust, deposit account control agreements, notices and other documents shall be considered DIP Financing Agreements for all intents and purposes. The DIP Lender, in its discretion, may file a certified copy of this Interim Order as a financing statement with any recording officer designated to file financing statements or with any registry of deeds or similar office in any jurisdiction in which any Debtor has real or personal property, and in such event, the recording officer shall be authorized to file or record such copy of this Interim Order. To the extent that the Prepetition Agents or Verity MOB is the secured party under any security

agreement, mortgage, leasehold mortgage, landlord waiver, credit card processor notices or agreements, bailee letters, custom broker agreements, financing statement, account control agreements, or any other Prepetition Secured Documents or is listed as loss payee or additional insured under any of the Debtors' insurance policies, the DIP Agent shall also be deemed to be the secured party under such documents or to be the loss payee or additional insured, as applicable.

8. **Application of Proceeds of Collateral**. As a condition to the continued extension of credit under the DIP Facility and the continued authorization to use Cash Collateral, the Debtors have agreed that as of and commencing on the Closing Date the Debtors shall apply all advances under the DIP Facility, as follows: (i) *first*, to fund the day to day operations and general corporate purposes of the Debtors' estates; (ii) *second*, to pay the administrative expenses of the Chapter 11 Cases; and (iii) *third*, to make the Prepetition Adequate Protection Payments all in accordance with the DIP Budget.

9. **Proceeds of Subsequent Financing**. If the Debtors, any trustee, any examiner with expanded powers, or any responsible officer subsequently appointed in these Chapter 11 Cases or any Successor Cases, shall obtain credit or incur debt pursuant to Bankruptcy Code sections 364(b), 364(c), or 364(d) or in violation of the DIP Financing Agreements at any time prior to the indefeasible repayment in full of all DIP Obligations and Prepetition Secured Obligations (to the extent such remain outstanding), and the termination of the DIP Agent's and the DIP Lenders' obligation to extend credit under the DIP Facility, including subsequent to the confirmation of any chapter 11 plan of reorganization with respect to any or all of the Debtors and the Debtors' estates, and such facility is secured by any DIP Collateral, then all the cash proceeds derived from such credit or debt shall immediately be turned over to the DIP Agent to be applied in accordance with this Interim Order and the DIP Financing Agreements.

10. **Cash Collection**.

(a) From and after the date of the entry of this Interim Order, all collections and proceeds of any DIP Collateral or Prepetition Collateral and all Cash Collateral that shall at any time come into the possession, custody, or control of any Debtor, or to which any Debtor is now

or shall become entitled at any time, shall be promptly deposited accounts as specified in the DIP Credit Agreement (or in such other accounts as are designated by the DIP Agent from time to time) (collectively, the "***Cash Collection Accounts***"), which accounts shall be subject to the sole dominion and control of the DIP Agent. It is understood and agreed by the Debtors and the DIP Agent that, unless a "Default" or an "Event of Default" under the DIP Credit Agreement has occurred and is continuing, for so long as there are no amounts outstanding under the DIP Facility, proceeds in the Cash Collection Accounts shall be returned to the Debtors and the Debtors shall be authorized to use such Cash Collateral in accordance with this Interim Order. All proceeds and other amounts in the Cash Collection Accounts shall be remitted to the DIP Agent for application in accordance with the DIP Financing Agreements. Unless otherwise agreed to in writing by the DIP Agent and the Prepetition Agents and Verity MOB or as set forth in this Interim Order, the Debtors shall maintain no accounts except those identified in the interim cash management order entered by the Court with respect thereto (the "***Cash Management Order***"), whether now existing or hereafter established. The Debtors and the financial institutions where the Debtors' Cash Collection Accounts are maintained (including those accounts identified in the Cash Management Order), are authorized and directed to remit, without offset or deduction, funds in such Cash Collection Accounts upon receipt of any direction to that effect from the DIP Agent.

(b) Notwithstanding anything in this Interim Order or any of the DIP Financing Agreements, from and after the date of the entry of this Interim Order, all collections and proceeds of any DIP Collateral or Prepetition Collateral that shall at any time come into the possession, custody, or control of any Debtor, or to which any Debtor is now or shall become entitled at any time, shall promptly be deposited into a depository account furnished by a depository bank acceptable to the DIP Agent and such account shall be in the name of the DIP Agent and subject to the sole dominion and control of the DIP Agent (such account, the "***DIP Collateral Account***"). The Debtors' use of the proceeds in the DIP Collateral Account shall be subject to this Interim Order and the DIP Financing Agreements.

11. **Maintenance of DIP Collateral**. Until the indefeasible payment in full of all DIP Obligations, all Prepetition Secured Obligations, and the termination of the DIP Agent's and the

DIP Lenders' obligation to extend credit under the DIP Facility, the Debtors shall: (a) insure the DIP Collateral as required under the DIP Facility or the Prepetition Secured Documents, as applicable; and (b) maintain the cash management system in effect as of the Petition Date, as modified by the Cash Management Order, and maintain books and records sufficient to account for postpetition intercompany transfers in a manner required by the Cash Management Order at paragraph 6 and the DIP Credit Agreement at section 5.6 or as otherwise agreed to by the DIP Agent or otherwise required or permitted by the DIP Financing Agreements or this Interim Order.

12. **DIP and Other Expenses**. The Debtors are authorized and directed to pay all reasonable and documented prepetition and postpetition fees and expenses of the (1) DIP Agent, (including the fees, expenses, and disbursements of Waller, Lansden, Dortch & Davis, LLP, as counsel to the DIP Agent), (2) the DIP Lenders in connection with the DIP Facility, as provided herein and in the DIP Financing Agreements, or, if requested by the Debtors, incurred with a proposed conversion of the DIP Facility into exit financing (including the preparation and negotiation of the documentation relating to the exit facility), and (3) the Prepetition Secured Creditors, whether or not the transactions contemplated hereby are consummated, including attorneys' fees, monitoring and appraisal fees, financial advisory fees, fees and expenses of other consultants, and indemnification and reimbursement of fees and expenses. Payment of all such fees and expenses shall not be subject to allowance by the Court. Professionals for the DIP Agent, the DIP Lenders and the Prepetition Secured Creditors shall not be required to comply with the U.S. Trustee fee guidelines; however, any time that such professionals seek payment of fees and expenses from the Debtors, each professional shall provide summary copies of its invoices to the U.S. Trustee contemporaneously with the delivery of such invoices to the Debtors. Any objections raised by the Debtors, the U.S. Trustee or the Committee, if one is appointed, with respect to such invoices must be in writing and state with particularity the grounds therefor and must be submitted to the applicable professional within ten (10) days of the receipt of such invoice; if after ten (10) days such objection remains unresolved, it will be subject to resolution by the Court. Pending such resolution, the undisputed portion of any such invoice will be paid promptly by the Debtors. Notwithstanding the foregoing, the Debtors are authorized and directed

to pay on the Closing Date all reasonable and documented fees, costs, and out-of-pocket expenses of the DIP Agent, the DIP Lenders and the Prepetition Secured Creditors incurred on or prior to such date without the need for any professional engaged by such parties to first deliver a copy of its invoice or other supporting documentation. No attorney or advisor to the DIP Agent, the DIP Lenders or any Prepetition Secured Creditor shall be required to file an application seeking compensation for services or reimbursement of expenses with the Court. 18. **Section 506(c) Claims; Equities of the Case**. Nothing contained in this Interim Order shall be deemed a consent by the DIP Lender or any Prepetition Secured Creditor to any charge, lien, assessment or claim against the DIP Collateral under Section 506(c) of the Bankruptcy Code or otherwise. The "equities of the case" exception under Section 552(b) of the Bankruptcy Code and surcharge powers under section 506(c) of the Bankruptcy Code are waived as to the Prepetition Creditors and all pre and post petition collateral securing their claims.

19. **Collateral Rights.** Unless the DIP Lender has provided its prior written consent or all DIP Obligations have been paid in full in cash (or will be paid in full in cash upon entry of an order approving indebtedness described in subparagraph (a) below), and all commitments by the DIP Lender to lend have terminated:

(a) The Debtors shall not seek entry, in these proceedings, or in any Successor Case, of any order which authorizes the obtaining of credit or the incurring of indebtedness that is secured by a security, mortgage, or collateral interest or other lien on all or any portion of the DIP Collateral and/or entitled to priority administrative status which is senior or pari passu to the DIP Liens granted to the DIP Lender pursuant to this Interim Order, the DIP Financing Agreements or otherwise;

California, Charities Division; and (ix) all other ~~known~~ parties ~~asserting~~known to assert a lien on any of the Debtors' assets. Under the circumstances, such notice of the Interim Hearing and the DIP Motion constitute due, sufficient and appropriate notice and complies with sections 102(1) and 363 of the Bankruptcy Code, Bankruptcy Rules 2002 and 4001(b), and the Local Rules, and no other or further notice is required under the circumstances.

E. **Findings Regarding Corporate Authority**. As set forth in the resolutions accompanying the Petitions and the Adcock Declaration, each Debtor has all requisite corporate power and authority to execute and deliver the DIP Financing Agreements to which it is a party and to perform its obligations thereunder.

F. **Intercreditor Agreement**. Pursuant to section 510 of the Bankruptcy Code, but subject to the terms of this Interim Order and the Intercreditor Acknowledgment (as defined herein), the Amended and Restated Intercreditor Agreement dated September 1, 2017 (the "***Intercreditor Agreement***") and any other applicable intercreditor or subordination provisions contained in any of the Prepetition Secured Documents (i) shall remain in full force and effect, (ii) shall continue to govern the relative priorities, rights and remedies of the Prepetition Secured Creditors (including the relative priorities, rights and remedies of such parties with respect to the Prepetition Replacement Liens and Adequate Protection Superpriority Claims granted, or amounts payable, by the Debtors under this Interim Order or otherwise and the modification of the automatic stay), and (iii) shall not be deemed to be amended, altered or modified by the terms of this Interim Order or the DIP Financing Agreements, unless expressly set forth herein or therein.

Bonds, the "***MTI Obligations***"), Wells Fargo Bank National Association ("***Wells Fargo***") serves as indenture trustee for the Series 2005 Bonds. U.S. Bank National Association ("***U.S. Bank***" and together with Wells Fargo and UMB Bank, the "***Prepetition Agents***") serves as the Collateral Agent and Note Trustee for the Working Capital Notes. As of the Petition Date, the Debtors were indebted and liable to Verity MOB Financing, LLC and Verity MOB Financing II, LLC (together, "***Verity MOB***" and collectively with the Prepetition Agents and holders of the 2005 Bonds and the Working Capital Notes, the "***Prepetition Secured Creditors***") as holders of security interests in Verity Holdings prepetition accounts, including rents arising from the prepetition MOB Financing (the "***MOB Financing***", and together with the 2005 Bonds and Working Capital Notes, the "***Prepetition Secured Documents***") holding approximately $568,000,000 of debt as set forth on **Exhibit 1** to the Chou Decl. (the "***Prepetition Secured Obligations***") secured by liens on virtually all of the Debtors' assets (the "***Prepetition Liens***").

H. **Prepetition Collateral**. In order to secure the Prepetition Secured Obligations, the Debtors granted ~~security interests in and liens (~~the "Prepetition Liens"~~)~~ to the Prepetition Secured Creditors on substantially all of their assets (the "***Prepetition Collateral***").

I. **Findings Regarding the Postpetition Financing**.

(i) **Consensual Priming of the Prepetition Liens**. The priming of the Prepetition Liens of the Prepetition Secured Creditors on the Prepetition Collateral under section 364(d) of the Bankruptcy Code, as contemplated by the DIP Financing Agreements, as authorized by this Interim Order, and as further described below, is consented to by the Prepetition Secured Creditors solely on an interim basis, and will enable the Debtors to continue borrowing under the DIP Facility and to continue operating their businesses for the benefit of their estates and creditors. The Prepetition Secured Creditors are each entitled to receive adequate protection as set forth in this Interim Order pursuant to sections 361, 363, and 364 of the Bankruptcy Code, for any Diminution in Value (as defined herein) of each of their respective interests in the Prepetition Collateral (including Cash Collateral).

(ii) **Good Cause; Need for Postpetition Financing**. Good cause has been shown for the entry of this Interim Order. An immediate need exists for the Debtors to obtain

LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

funds from the Interim DIP Loan in order to continue operations, continue to serve the Debtors mission to provide acute and specialized care for area patients and to administer and preserve the value of their estates. The ability of the Debtors to finance their operations, to preserve and maintain the value of the Debtors' assets and to maximize a return for all creditors requires the availability of working capital from the Interim DIP Loan, the absence of which would immediately and irreparably harm the Debtors, their estates and their creditors and the possibility for a successful reorganization or sale of the Debtors' assets as a going concern or otherwise. The proposed Interim DIP Loan is in the best interests of the Debtors, their estates, and their creditors.

(iii) **No Credit Available on More Favorable Terms**. The Debtors have been unable to obtain (a) unsecured credit allowable under 503(b)(1) of the Bankruptcy Code section as an administrative expense, (b) credit for money borrowed secured solely by a lien on property of the estate that it not otherwise subject to a lien, (c) credit for money borrowed secured by a junior lien on property of the estate which is subject to a lien, (d) or credit otherwise on more favorable terms and conditions than those provided in the DIP Credit Agreement and this Interim Order. The Debtors are unable to obtain credit for borrowed money without granting to the DIP Lender the DIP Protections (as defined below).

J. **Use of Proceeds of the DIP Facility.** Proceeds of the DIP Facility (net of any amounts used to pay fees, costs and expenses under the DIP Financing Agreements) shall be utilized by the Debtors until the DIP Facility Termination Date in accordance with the DIP Budget and in a manner consistent with the terms and conditions of the DIP Credit Agreement, this Interim Order, and the Final Order.

K. **Application of Sale Proceeds of DIP Collateral.** The DIP Liens shall attach as first priority liens and security interests, pursuant to section 364(d) of the Bankruptcy Code and the DIP Financing Agreements, to all proceeds of any sale or other disposition of the Debtors' property, including, without limitation, the Facilities and any other DIP Collateral (as defined below) (the "***Sale Proceeds***"). The Sale Proceeds shall be held in escrow in one or more deposit accounts subject to a deposit account control agreement in favor of the DIP Lender (the "***Escrow Deposit Account***"). Any funds held in the Escrow Deposit Account shall not be commingled

with any other funds of the Debtors or otherwise. The DIP Lender is granted a first priority lien on the Escrow Deposit Account and all Sale Proceeds, including any deposit provided by any buyer in connection with any asset sale, and such proceeds, deposits, and the Escrow Deposit Account shall constitute Collateral under the DIP Credit Agreement and DIP Collateral under this Interim Order. On the Revolving Loan Termination Date (as defined in the DIP Credit Agreement), the DIP Lender shall apply any and all amounts remaining on deposit in the Escrow Deposit Account to the outstanding principal amount of the DIP Loan, together with accrued and unpaid DIP Obligations, with any remaining balance to be delivered to the Debtors; provided, however, that upon any Debtor's request and with the consent of the DIP Lender (which consent may, for the avoidance of doubt, be withheld in its sole discretion), any Sale Proceeds and deposits provided in connection with any asset sale may be disbursed to the Prepetition Secured Creditors on terms and conditions that are acceptable to the DIP Lender in its sole discretion and in upon further order of this Court.

L. **Adequate Protection for Prepetition Secured Creditors.** The priming of the Prepetition Secured Creditors' Prepetition Liens to the extent set forth below pursuant to section 364(d) of the Bankruptcy Code is necessary to obtain the DIP Financing. In exchange for the priming of the Prepetition Liens set forth below, the Prepetition Secured Creditors shall be entitled to receive adequate protection, as set forth in this Interim Order, pursuant to sections 361, 363 and 364 of the Bankruptcy Code, for any diminution in the value of their respective interests in the Prepetition Collateral resulting from, among other things, the subordination to the Carve Out (as defined herein) and to the DIP Liens (as defined herein), the Debtors' use, sale or lease of such Prepetition Collateral, including Cash Collateral, and the imposition of the automatic stay from and after the Petition Date (collectively, and solely to the extent of such diminution in value, the "***Diminution in Value***"). The Prepetition Secured Creditors have negotiated in good faith regarding the Debtors' use of the Prepetition Collateral to help fund the administration of the Debtors' estates along with the proceeds of the DIP Financing. Based on the DIP Motion and the record presented to the Court at the Interim Hearing, the terms of the proposed adequate protection arrangements are fair and reasonable, reflect the Debtors' prudent exercise of business

LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

judgment and constitute reasonably equivalent value and fair consideration for the consent of the Prepetition Secured Creditors; provided, however, that nothing herein shall limit the rights of any of the Prepetition Secured Creditors to hereafter seek new or different adequate protection.

M. **Extension of Financing**. The DIP Lender has indicated a willingness to provide financing to the Debtors in accordance with the DIP Credit Agreement. The DIP Lender is acting in good faith with respect to the DIP Facility and the terms and conditions of the DIP Credit Agreement and the other DIP Financing Agreements. The DIP Lender's claims, superpriority claims, security interests and liens and other protections granted pursuant to this Interim Order and the DIP Financing Agreements will not be affected by any subsequent reversal or modification of this Interim Order or the Final Order, as provided in section 364(e) of the Bankruptcy Code.

N. **Business Judgment and Good Faith Pursuant to Section 364(e).**

(i) The DIP Lender has indicated a willingness to provide DIP Financing to the Debtors in accordance with the DIP Financing Agreements. The terms and conditions of the DIP Facility and the DIP Financing Agreements, and the fees paid and to be paid thereunder are fair, reasonable, and the best available under the circumstances, reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties, and are supported by reasonably equivalent value and consideration;

(ii) The DIP Financing Agreements were negotiated in good faith and at arms' length between the Debtors and the DIP Lender;

(iii) The proceeds to be extended under the DIP Facility will be so extended in good faith, and for valid business purposes and uses; and

(iv) The DIP Lender is acting in good faith with respect to the DIP Facility and the terms and conditions of the DIP Financing Agreements, and the DIP Lender's claims, superpriority claims, security interests and liens and other protections granted pursuant to this Interim Order and the DIP Financing Agreements will not be affected or avoided by any subsequent reversal or modification of this Interim Order or the Final Order, as provided in section 364(e) of the Bankruptcy Code.

O. **Relief Essential; Best Interest; Good Cause**. The relief requested in the DIP Motion (and as provided in this Interim Order) is necessary, essential, and appropriate for the preservation of the Debtors' assets, business and property. It is in the best interest of the Debtors' estates to be allowed to establish the DIP Facility contemplated by the DIP Credit Agreement. Good cause has been shown for the relief requested in the DIP Motion (and as provided in this Interim Order) solely on an interim basis.

NOW, THEREFORE, on the DIP Motion and the record before this Court with respect to the DIP Motion, including the record created during the Interim Hearing, and with the consent of the Debtors, the Prepetition Secured Creditors and the DIP Lender to the form and entry of this Interim Order, and good and sufficient cause appearing therefor,

IT IS HEREBY ORDERED, ADJUDGED AND DECREED:

1. **Motion Granted**. The DIP Motion is granted on an interim basis in accordance with the terms and conditions set forth in this Interim Order and the DIP Credit Agreement. Any objections to the DIP Motion with respect to entry of this Interim Order to the extent not withdrawn, waived or otherwise resolved, and all reservations of rights included therein, are hereby denied and overruled.

2. **DIP Financing Agreements.**

(a) **Approval of Entry Into DIP Financing Agreements**. The Debtors are authorized, empowered and directed to execute and deliver the DIP Financing Agreements and to incur and to perform the DIP Obligations in accordance with, and subject to, the terms of this Interim Order and the DIP Financing Agreements, and to execute and deliver all instruments and documents which may be required or necessary for the performance by the Debtors under the DIP Financing Agreements and the creation and perfection of the DIP Liens described in and provided for by this Interim Order and the DIP Financing Agreements. The Debtors are hereby authorized and directed to do and perform all acts, pay the principal, interest, fees, expenses, indemnities and other amounts described in the DIP Credit Agreement as such amounts become due and payable without need to obtain further Court approval, including closing fees, unused line fees, administrative agent's fees, collateral agent's fees, and the reasonable fees and disbursements of

the DIP Agent's and the DIP Lenders' respective attorneys, advisors, accountants, and other consultants, whether or not such fees arose before or after the Petition Date, and whether or not the transactions contemplated hereby are consummated, to implement all applicable reserves and to take any other actions that may be necessary or appropriate, all to the extent provided in this Interim Order or the DIP Financing Agreements. All collections and proceeds, whether from ordinary course collections, asset sales, debt or equity issuances, insurance recoveries, condemnations or otherwise, will be deposited and applied as required by this Interim Order and the DIP Financing Agreements. The DIP Financing Agreements represent valid and binding obligations of the Debtors, enforceable against each of the Debtors and their estates in accordance with their terms, including, without limitation, commitment fees and reasonable attorneys' fees and disbursements as provided for in the DIP Credit Agreement, which amounts shall not otherwise be subject to approval of this Court~~.~~, *provided however*, that notwithstanding section 2.9(a) of the DIP Credit Agreement, following entry of this Interim Order, the Debtors shall pay only $1,600,000 on account of the commitment fee. The Debtors shall pay the deferred balance of the commitment fee required by section 2.9(a) of the DIP Credit Agreement only upon entry of a Final Order approving the DIP Credit Agreement.

(b) **Authorization to Borrow/and or Guarantee**. To enable them to continue to preserve the value of their estates and dispose of their assets in an orderly fashion, during the period prior to entry of the Final Order (the "***Interim Period***") and subject to the terms and conditions of this Interim Order, upon the execution of the DIP Credit Agreement and the other Financing Documents the Debtors are hereby authorized to borrow the Interim DIP Loan up to a total committed amount of $30,000,000 under the DIP Financing Agreements.

(c) **Conditions Precedent.** The DIP Lender shall have no obligation to make the Interim DIP Loan or any loan or advance under the DIP Credit Agreement during the Interim Period unless the conditions precedent to making such loan under the DIP Credit Agreement have been satisfied in full or waived by the DIP Lender in its sole discretion.

(d) **DIP Collateral; DIP Liens**. Effective immediately upon the entry of this Interim Order, on account of the Interim DIP Loan, the DIP Lender shall be and is hereby granted

first-priority security interests and liens (which shall immediately be valid, binding, permanent, continuing, enforceable, perfected and non-avoidable) on all of the Debtors' property, including, without limitation, the Sale Proceeds and the Escrow Deposit Account, whether arising before or after the Petition Date (collectively, the "***DIP Collateral***," and all such liens and security interests granted on or in the DIP Collateral pursuant to this Interim Order and the DIP Financing Agreements, the "***DIP Liens***"), but excluding the Clean Fund Bonds and NR2 Petros Bonds collateral held by WTNA, ~~and~~ donor restricted funds held at Philanthropic Foundations, Avoidance Actions (defined below) and any proceeds thereof and any funds held by the Prepetition Agents (including amounts set forth on **Exhibit 1** to the Chou Decl.). The DIP Collateral shall not be subject to any surcharge under section 506(c) or any other provision of the Bankruptcy Code or other applicable law, nor by order of this Court.

(e) **DIP Lien Priority**. Subject only to the Carve Out (as defined below), the DIP Liens shall, pursuant to section 364(d)(1) of the Bankruptcy Code, be perfected, continuing, enforceable, non-avoidable first priority senior priming liens and security interests on the DIP Collateral, and shall prime all other liens and security interests on the DIP Collateral, including any liens and security interests in existence on the Petition Date against the Prepetition Collateral, and any other current or future liens granted on the DIP Collateral, including any adequate protection or replacement liens granted on the DIP Collateral (collectively, the "***Primed Liens***") (other than the Debtors' claims and causes of action under sections 502(d), 544, 545, 547, 548, 549, 550 and 553 of the Bankruptcy Code, and any other avoidance or similar actions under the Bankruptcy Code or similar state law (the "***Avoidance Actions***"), whether received by judgment, settlement or otherwise. Without limiting the foregoing, the DIP Liens shall not be made subject to, subordinate to, or pari passu with any lien or security interest by any court order heretofore or hereafter granted in the Chapter 11 Cases. The DIP Liens shall be valid and enforceable against any trustee appointed in the Chapter 11 Cases, upon the conversion of any of the Chapter 11 Cases to a case under Chapter 7 of the Bankruptcy Code or in any other proceedings related to any of the foregoing (any "***Successor Cases***"), and/or upon the dismissal of any of the Chapter 11 Cases or Successor Cases. (g) **Protection of DIP Lender and Other Rights**. From and after the Petition Date, the Debtors shall use the proceeds of the extensions of credit under the DIP Facility only for the purposes specifically set forth in the DIP Credit Agreement and this Interim Order and in strict compliance with the DIP Budget (subject to any variances thereto permitted by the DIP Credit Agreement).

(h) **Additional Protections of DIP Lender: Superpriority Administrative Claim Status**. Subject to the Carve Out (as defined below), all DIP Obligations shall constitute an allowed superpriority administrative expense claim (the "***DIP Superpriority Claim***" and, together with the DIP Liens, the "***DIP Protections***") with priority in all of the Chapter 11 Cases and Successor Cases over all other administrative expense claims under sections 364(c)(1), 503(b) and 507(b) of the Bankruptcy Code and otherwise over all administrative expense claims and unsecured claims against the Debtors or their estates, now existing or hereafter arising, of any kind or nature whatsoever, including, without limitation, administrative expenses of the kinds specified in or ordered pursuant to sections 105, 326, 328, 330, 331, 365, 503(a), 503(b), 506(c), 507(a), 507(b), 546(c), 546(d), 1113 and 1114 and any other provision of the Bankruptcy Code except as otherwise set forth herein, whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment. The DIP Superpriority Claim shall be payable from and have recourse to all prepetition and post-petition property of the Debtors and all proceeds thereof. Without limiting the foregoing, the Superpriority Claim shall not be made subject to, subordinate to, or *pari passu* with any other administrative claim in the Chapter 11 Cases or Successor Cases, except for the Carve Out (as defined below). 4. **Adequate Protection for Prepetition Secured Creditors**. As adequate protection for the interests of the Prepetition Secured Creditors in the Prepetition Collateral on account of the granting of the DIP Liens, subordination to the Carve Out (as defined below), any Diminution in Value arising out of the Debtors' use, sale, or disposition or other depreciation of the Prepetition Collateral, including Cash Collateral, resulting from the automatic stay, the Prepetition Secured Creditors shall receive adequate protection as follows:

(d) **Validity, Perfection and Amount of Prepetition Liens**. The Debtors further acknowledge and agree that, as of the Petition Date, (a) the Prepetition Liens securing the Prepetition Secured Obligations on the Prepetition Collateral were valid, binding, enforceable, non-avoidable, and properly perfected and were granted to, or for the benefit of, the Prepetition

Secured Creditors and (b) the Prepetition Liens were senior in priority over any and all other Liens on the Prepetition Collateral. The findings and stipulations set forth in this Interim Order with respect to the validity, enforceability and amount of the Prepetition Secured Obligation and the Prepetition Liens shall be binding on any subsequent trustee, responsible person, examiner with expanded powers, any other estate representative, and all creditors and parties in interest and all of their successors in interest and assigns, including the Committee, unless, and solely to the extent that, a party in interest with requisite standing and authority (other than the Debtors, as to which any Challenge (as defined below) is irrevocably waived and relinquished) has timely filed the appropriate pleadings, and timely commenced the appropriate proceeding required under the Bankruptcy Code and Bankruptcy Rules, including as required pursuant to Part VII of the Bankruptcy Rules (in each case subject to the limitations set forth in this paragraph 4(d)) challenging the Prepetition Liens (each such proceeding or appropriate pleading commencing a proceeding or other contested matter, a "***Challenge***") within ninety (90) days from the formation of the Committee (the "***Challenge Deadline***"); *provided however* that the filing by the Committee of a motion for standing to prosecute a Challenge shall automatically toll the Challenge Deadline; and *provided further*, that the "Challenge Deadline" for matters solely relating to the value of the Prepetition Collateral may be further extended to such time as may be agreed by the parties or further ordered by the Court. The foregoing limitation on use of Prepetition Collateral or its proceeds shall only be amended upon further order of this Court and the consent of both the Prepetition Secured Creditors and the DIP Lender. The Debtors shall not use the Prepetition Collateral or its proceeds to investigate, prosecute claims against the Prepetition Secured Creditors, including Avoidance Actions, *provided however* that the Committee may investigate the existence of such claims and have allowed fees paid from the Prepetition Collateral up to the amount of $50,000, *provided further however* that no Prepetition Collateral or the proceeds thereof may be used to prosecute claims against Prepetition Secured Creditors. For the avoidance of doubt, the Debtors, on behalf of their estates, do not release or indemnify the Prepetition Secured Creditors from any Challenge raised by third parties, including the Committee, to the

(e) **Sections 506(c) and 552(b)**. In light of the Prepetition Secured Creditors' agreement that their Prepetition Liens shall be subject to the Carve Out and subordinate to the DIP Liens, the Prepetition Secured Creditors are each entitled to a waiver of any "equities of the case" exception under section 552(b) of the Bankruptcy Code, and a waiver of the provisions of section 506(c) of the Bankruptcy Code.

(f) Nothing contained in this Interim Order shall prevent the Prepetition Secured Creditors from application or use of the funds held by the Prepetition Agents in accordance with the Prepetition Secured Documents.

5. **Budget Maintenance**. The proceeds of the DIP Loan under the DIP Facility and the use of Cash Collateral shall be subject to, and in accordance with, the terms and conditions of the DIP Financing Agreements and the DIP Budget. The Initial Agreed Budget delivered to the DIP Agent shall be accompanied by such supporting documentation as reasonably requested by the DIP Agent. The DIP Budget shall be prepared in good faith based upon assumptions that the Debtors believe to be reasonable. A copy of any DIP Budget shall be delivered to counsel for the Committee and the U.S. Trustee and counsel for the Prepetition Secured Creditors after it has been approved in accordance with the DIP Financing Agreements. Except to the extent required by the DIP Agent to accommodate the Prepetition Adequate Protection Payments, for the duration of this Interim Order, the DIP Budget may not be amended without the prior consent of the Prepetition Secured Creditors.

6. **Budget Compliance and Reporting**. The Debtors shall comply with the DIP Budget as and when required under the DIP Credit Agreement (subject to the variances set forth therein). The Debtors shall provide all reports and other information as required in the DIP Credit Agreement (subject to the grace periods provided therein), with copies delivered substantially contemporaneously to counsel for the Prepetition Secured Creditors and counsel to the Committee, should a Committee be appointed, such information to include reasonably complete details on the payments contemplated by the Critical Vendors Motion and the Utilities Motion, as

defined in the Adcock Declaration and such information to be timely provided, sufficient for the Prepetition Secured Creditors to file an objection with this Court on two business days notice. The Debtors' failure to comply with the DIP Budget (including the variances set forth in the DIP Credit Agreement) or to provide the reports and other information required in the DIP Credit Agreement shall constitute an Event of Default (as defined herein), following the expiration of any applicable grace period set forth in the DIP Credit Agreement. Subject to the execution and continuation of valid and binding confidentiality agreements, prior to any hearing to consider entry of a Final Order related to this DIP Motion, the Debtors shall provide to the Prepetition Secured Creditors information concerning (i) the Debtors' efforts to obtain debtor in possession financing proposals, including any proposals the Debtors received, and (ii) the Debtors' ongoing efforts to market their assets, including all marketing materials used by the Debtors in this process, information identifying the parties the Debtors have contacted, copies of any proposals or expressions of interest, and other information concerning these matters the Prepetition Secured Creditors may reasonably request.

7. **Postpetition Lien Perfection.** This Interim Order shall be sufficient and conclusive evidence of the validity, perfection, and priority of the DIP Liens and Prepetition Replacement Liens without the necessity of filing or recording any financing statement, deeds of trust, mortgages, or other instruments or documents which may otherwise be required under the law of any jurisdiction or the taking of any other action (including, for the avoidance of doubt, entering into any deposit account control agreement or obtaining possession of any possessory collateral) to validate or perfect the DIP Liens or Prepetition Replacement Liens, or to entitle the DIP Liens and Prepetition Replacement Liens the respective priorities granted herein. Notwithstanding and without limiting the foregoing, the DIP Lender may file such financing statements, mortgages, deeds of trust, notices of liens and other similar documents as it deems appropriate, and it is hereby granted relief from the automatic stay of section 362 of the Bankruptcy Code in order to do so, and all such financing statements, mortgages, deeds of trust, notices and other documents shall be deemed to have been filed or recorded at the time and on the date of the commencement of the Chapter 11 Cases. Notwithstanding and without limiting the foregoing provisions regarding the

validity, perfection, and priority of the DIP Liens, the Debtors shall execute and deliver to the DIP Lender all such financing statements, mortgages, deeds of trust, deposit account control agreements, notices and other documents as the DIP Lender may reasonably request to evidence, confirm, validate or perfect, or to insure the contemplated priority of, the DIP Liens granted pursuant hereto and the DIP Financing Agreements. Any such financing statements, mortgages, deeds of trust, deposit account control agreements, notices and other documents shall be considered DIP Financing Agreements for all intents and purposes. The DIP Lender, in its discretion, may file a certified copy of this Interim Order as a financing statement with any recording officer designated to file financing statements or with any registry of deeds or similar office in any jurisdiction in which any Debtor has real or personal property, and in such event, the recording officer shall be authorized to file or record such copy of this Interim Order. To the extent that the Prepetition Agents or Verity MOB is the secured party under any security agreement, mortgage, leasehold mortgage, landlord waiver, credit card processor notices or agreements, bailee letters, custom broker agreements, financing statement, account control agreements, or any other Prepetition Secured Documents or is listed as loss payee or additional insured under any of the Debtors' insurance policies, the DIP Agent shall also be deemed to be the secured party under such documents or to be the loss payee or additional insured, as applicable. ~~The Prepetition Agents and Verity MOB shall serve as agent for the DIP Agent for purposes of perfecting the DIP Agent's liens on all DIP Collateral that, without giving effect to the Bankruptcy Code and this Interim Order, is of a type such that perfection of a lien therein may be accomplished only by possession or control by a secured party, bailee or consignee.~~

8. **Application of Proceeds of Collateral**. As a condition to the continued extension of credit under the DIP Facility and the continued authorization to use Cash Collateral, the Debtors have agreed that as of and commencing on the Closing Date the Debtors shall apply all advances under the DIP Facility, as follows: (i) *first*, to fund the day to day operations and general corporate purposes of the Debtors' estates; (ii) *second*, to pay the administrative expenses of the Chapter 11 Cases; and (iii) *third*, to make the Prepetition Adequate Protection Payments all in accordance with the DIP Budget.

If the Debtors, any trustee, any examiner with expanded powers, or any responsible officer subsequently appointed in these Chapter 11 Cases or any Successor Cases, shall obtain credit or incur debt pursuant to Bankruptcy Code sections 364(b), 364(c), or 364(d) or in violation of the DIP Financing ~~Agreemments~~Agreements at any time prior to the indefeasible repayment in full of all DIP Obligations and Prepetition Secured Obligations (to the extent such remain outstanding), and the termination of the DIP Agent's and the DIP Lenders' obligation to extend credit under the DIP Facility, including subsequent to the confirmation of any chapter 11 plan of reorganization with respect to any or all of the Debtors and the Debtors' estates, and such facility is secured by any DIP Collateral, then all the cash proceeds derived from such credit or debt shall immediately be turned over to the DIP Agent to be applied in accordance with this Interim Order and the DIP Financing Agreements.

10. **Cash Collection**.

(a) From and after the date of the entry of this Interim Order, all collections and proceeds of any DIP Collateral or Prepetition Collateral and all Cash Collateral that shall at any time come into the possession, custody, or control of any Debtor, or to which any Debtor is now or shall become entitled at any time, shall be promptly deposited accounts as specified in the DIP Credit Agreement (or in such other accounts as are designated by the DIP Agent from time to time) (collectively, the "***Cash Collection Accounts***"), which accounts shall be subject to the sole dominion and control of the DIP Agent. It is understood and agreed by the Debtors and the DIP Agent that, unless a "Default" or an "Event of Default" under the DIP Credit Agreement has occurred and is continuing, for so long as there are no amounts outstanding under the DIP Facility, proceeds in the Cash Collection Accounts shall be returned to the Debtors and the Debtors shall be authorized to use such Cash Collateral in accordance with this Interim Order. All proceeds and other amounts in the Cash Collection Accounts shall be remitted to the DIP Agent for application in accordance with the DIP Financing Agreements. Unless otherwise agreed to in writing by the DIP Agent and the Prepetition Agents and Verity MOB or as set forth in this Interim Order, the Debtors shall maintain no accounts except those identified in the interim cash management order entered by the Court ~~[Docket No. _____]~~ with respect thereto (the "***Cash***

The Debtors and the financial institutions where the Debtors' Cash Collection Accounts are maintained (including those accounts identified in the Cash Management Order), are authorized and directed to remit, without offset or deduction, funds in such Cash Collection Accounts upon receipt of any direction to that effect from the DIP Agent.

(b) Notwithstanding anything in this Interim Order or any of the DIP Financing Agreements, from and after the date of the entry of this Interim Order, all collections and proceeds of any DIP Collateral or Prepetition Collateral that shall at any time come into the possession, custody, or control of any Debtor, or to which any Debtor is now or shall become entitled at any time, shall promptly be deposited into a depository account furnished by a depository bank acceptable to the DIP Agent and such account shall be in the name of the DIP Agent and subject to the sole dominion and control of the DIP Agent (such account, the "***DIP Collateral Account***"). The Debtors' use of the proceeds in the DIP Collateral Account shall be subject to this Interim Order and the DIP Financing Agreements.

11. **Maintenance of DIP Collateral**. Until the indefeasible payment in full of all DIP Obligations, all Prepetition Secured Obligations, and the termination of the DIP Agent's and the DIP Lenders' obligation to extend credit under the DIP Facility, the Debtors shall: (a) insure the DIP Collateral as required under the DIP Facility or the Prepetition Secured Documents, as applicable; and (b) maintain the cash management system in effect as of the Petition Date, as modified by the Cash Management Order, and maintain books and records sufficient to account for postpetition intercompany transfers in a manner required by the Cash Management Order at paragraph 6 and the DIP Credit Agreement at section 5.6 or as otherwise agreed to by the DIP Agent or otherwise required or permitted by the DIP Financing Agreements or this Interim Order.

12. **DIP and Other Expenses**. Payment of all such fees and expenses shall not be subject to allowance by the Court. Professionals for the DIP Agent, the DIP Lenders and the Prepetition Secured Creditors shall not be required to comply with the U.S. Trustee fee guidelines; however, any time that such professionals seek payment of fees and expenses from the Debtors, each professional shall provide summary copies of its invoices to the U.S. Trustee contemporaneously with the delivery of such invoices to the Debtors. Any objections raised by the Debtors, the U.S. Trustee or the Committee, if one is appointed, with respect to such invoices must be in writing and state with particularity the grounds therefor and must be submitted to the applicable professional within ten (10) days of the receipt of such invoice; if after ten (10) days such objection remains unresolved, it will be subject to resolution by the Court. 13. **Indemnification**. The Debtors shall indemnify and hold harmless the DIP Agent and the DIP Lenders in accordance with the terms and conditions of the DIP Credit Agreement.

14. **Right to Credit Bid**. The DIP Lender shall have the right, but not the obligation, to "credit bid" the DIP Obligations during any sale of the DIP Collateral, including without limitation, sales occurring pursuant to section 363 of the Bankruptcy Code or included as part of any reorganization plan subject to confirmation under section 1129(b)(2)(A)(iii) of the Bankruptcy Code. 18. **Section 506(c) Claims; Equities of the Case**. (vi) counsel to each of the Prepetition Secured Creditors (as defined below); (vii) counsel to the DIP Agent and the DIP Lender; (viii) the Office of the Attorney General for the State of California, Charities Division; and (ix) all other parties known to assert a lien on any of the Debtors' assets. Under the circumstances, such notice of the Interim Hearing and the DIP Motion constitute due, sufficient and appropriate notice and complies with sections 102(1) and 363 of the Bankruptcy Code, Bankruptcy Rules 2002 and 4001(b), and the Local Rules, and no other or further notice is required under the circumstances.

E. **Findings Regarding Corporate Authority**. As set forth in the resolutions accompanying the Petitions and the Adcock Declaration, each Debtor has all requisite corporate power and authority to execute and deliver the DIP Financing Agreements to which it is a party and to perform its obligations thereunder.

F. **Intercreditor Agreement**. Pursuant to section 510 of the Bankruptcy Code, but subject to the terms of this Interim Order and the Intercreditor Acknowledgment (as defined herein), the Second Amended and Restated Intercreditor Agreement dated December 1, 2017 (the "***Intercreditor Agreement***") and any other applicable intercreditor or subordination provisions contained in any of the Prepetition Secured Documents (i) shall remain in full force and effect, (ii) shall continue to govern the relative priorities, rights and remedies of the Prepetition Secured Creditors (including the relative priorities, rights and remedies of such parties with respect to the Prepetition Replacement Liens and Adequate Protection Superpriority Claims granted, or amounts payable, by the Debtors under this Interim Order or otherwise and the modification of the automatic stay), and (iii) shall not be deemed to be amended, altered or modified by the terms of this Interim Order or the DIP Financing Agreements, unless expressly set forth herein or therein.

G. **Prepetition Secured Credit Facilities**. As of the Petition Date, the Debtors were indebted and liable to: UMB Bank, N.A., ("***UMB Bank***") as successor Master Trustee under the Master Trust under master indenture obligations for the California Statewide Communities Development Authority Revenue Bonds (Daughters of Charity Health System) Series 2005 A, G and H (the "***2005 Bonds***") and California Public Finance Authority Revenue Notes (Verity Health

System) Series 2015 A, B, C, and D and the Series 2017 A and B (collectively, the "***Working Capital Notes***" and together with the 2005 Bonds, the "***MTI Obligations***"), Wells Fargo Bank National Association ("***Wells Fargo***") serves as indenture trustee for the Series 2005 Bonds. U.S. Bank National Association ("***U.S. Bank***" and together with Wells Fargo and UMB Bank, the "***Prepetition Agents***") serves as the Collateral Agent and the 2015 Note Trustee and 2017 Note Trustee for the Working Capital Notes. As of the Petition Date, the Debtors were indebted and liable to Verity MOB Financing, LLC and Verity MOB Financing II, LLC (together, "***Verity MOB***" and collectively with the Prepetition Agents and holders of the 2005 Bonds and the Working Capital Notes, the "***Prepetition Secured Creditors***") as holders of security interests in Verity Holdings prepetition accounts, including rents arising from the prepetition MOB Financing (the "***MOB Financing***", and together with the 2005 Bonds and Working Capital Notes, the "***Prepetition Secured Documents***") holding approximately $568,000,000 of debt as set forth on **Exhibit 1** to the Chou Decl. (the "***Prepetition Secured Obligations***") secured by liens on virtually all of the Debtors' assets (the "***Prepetition Liens***").

H. **Prepetition Collateral**. In order to secure the Prepetition Secured Obligations, the Debtors granted the Prepetition Liens to the Prepetition Secured Creditors on substantially all of their assets (the "***Prepetition Collateral***").

I. **Findings Regarding the Postpetition Financing**.

(i) **Consensual Priming of the Prepetition Liens**. The priming of the Prepetition Liens of the Prepetition Secured Creditors on the Prepetition Collateral under section 364(d) of the Bankruptcy Code, as contemplated by the DIP Financing Agreements, as authorized by this Interim Order, and as further described below, is consented to by the Prepetition Secured Creditors solely on an interim basis, and will enable the Debtors to continue borrowing under the DIP Facility and to continue operating their businesses for the benefit of their estates and creditors. The Prepetition Secured Creditors are each entitled to receive adequate protection as set forth in this Interim Order pursuant to sections 361, 363, and 364 of the Bankruptcy Code, for any Diminution in Value (as defined herein) of each of their respective interests in the Prepetition Collateral (including Cash Collateral).

LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

(ii) **Good Cause; Need for Postpetition Financing**. Good cause has been shown for the entry of this Interim Order. An immediate need exists for the Debtors to obtain funds from the Interim DIP Loan in order to continue operations, continue to serve the Debtors mission to provide acute and specialized care for area patients and to administer and preserve the value of their estates. The ability of the Debtors to finance their operations, to preserve and maintain the value of the Debtors' assets and to maximize a return for all creditors requires the availability of working capital from the Interim DIP Loan, the absence of which would immediately and irreparably harm the Debtors, their estates and their creditors and the possibility for a successful reorganization or sale of the Debtors' assets as a going concern or otherwise. The proposed Interim DIP Loan is in the best interests of the Debtors, their estates, and their creditors.

(iii) **No Credit Available on More Favorable Terms**. The Debtors have been unable to obtain (a) unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code ~~section~~ as an administrative expense, (b) credit for money borrowed secured solely by a lien on property of the estate that it not otherwise subject to a lien, (c) credit for money borrowed secured by a junior lien on property of the estate which is subject to a lien, (d) or credit otherwise on more favorable terms and conditions than those provided in the DIP Credit Agreement and this Interim Order. The Debtors are unable to obtain credit for borrowed money without granting to the DIP Lender the DIP Protections (as defined below).

J. **Use of Proceeds of the DIP Facility.** Proceeds of the DIP Facility (net of any amounts used to pay fees, costs and expenses under the DIP Financing Agreements) shall be utilized by the Debtors until the DIP Facility Termination Date in accordance with the DIP Budget and in a manner consistent with the terms and conditions of the DIP Credit Agreement, this Interim Order, and the Final Order.

K. **Application of Sale Proceeds of DIP Collateral.** The DIP Liens shall attach as first priority liens and security interests, pursuant to section 364(d) of the Bankruptcy Code and the DIP Financing Agreements, to all proceeds of any sale or other disposition of the Debtors' property, including, without limitation, the Facilities and any other DIP Collateral (as defined below) (the "***Sale Proceeds***"). The Sale Proceeds shall be held in escrow in one or more deposit

LOS ANGELES, CALIFORNIA 90017-5704
(213) 623-9300

accounts subject to a deposit account control agreement in favor of the DIP Lender (the "***Escrow Deposit Account***"). Any funds held in the Escrow Deposit Account shall not be commingled with any other funds of the Debtors or otherwise. The DIP Lender is granted a first priority lien on the Escrow Deposit Account and all Sale Proceeds, including any deposit provided by any buyer in connection with any asset sale, and such proceeds, deposits, and the Escrow Deposit Account shall constitute Collateral under the DIP Credit Agreement and DIP Collateral under this Interim Order. On the Revolving Loan Termination Date (as defined in the DIP Credit Agreement), the DIP Lender shall apply any and all amounts remaining on deposit in the Escrow Deposit Account to the outstanding principal amount of the DIP Loan, together with accrued and unpaid DIP Obligations, with any remaining balance to be delivered to the Debtors subject to any Prepetition Liens and Prepetition Replacement Liens; provided, however, that upon any Debtor's request and with the consent of the DIP Lender (which consent may, for the avoidance of doubt, be withheld in its sole discretion), any Sale Proceeds and deposits provided in connection with any asset sale may be disbursed to the Prepetition Secured Creditors on terms and conditions that are acceptable to the DIP Lender in its sole discretion and upon further order of this Court.

L. **Adequate Protection for Prepetition Secured Creditors.** The priming of the Prepetition Secured Creditors' Prepetition Liens to the extent set forth below pursuant to section 364(d) of the Bankruptcy Code is necessary to obtain the DIP Financing. In exchange for the priming of the Prepetition Liens set forth below, the Prepetition Secured Creditors shall be entitled to receive adequate protection, as set forth in this Interim Order, pursuant to sections 361, 363 and 364 of the Bankruptcy Code, for any diminution in the value of their respective interests in the Prepetition Collateral resulting from, among other things, the subordination to the Carve Out (as defined herein) and to the DIP Liens (as defined herein), the Debtors' use, sale or lease of such Prepetition Collateral, including Cash Collateral, and the imposition of the automatic stay from and after the Petition Date (collectively, and solely to the extent of such diminution in value, the "***Diminution in Value***"). The Prepetition Secured Creditors have negotiated in good faith regarding the Debtors' use of the Prepetition Collateral to help fund the administration of the Debtors' estates along with the proceeds of the DIP Financing. Based on the DIP Motion and the

DENTONS US LLP

(213) 623-9300

record presented to the Court at the Interim Hearing, the terms of the proposed adequate protection arrangements are fair and reasonable, reflect the Debtors' prudent exercise of business judgment and constitute reasonably equivalent value and fair consideration for the consent of the Prepetition Secured Creditors; provided, however, that nothing herein shall limit the rights of any of the Prepetition Secured Creditors to hereafter seek new, additional, or different adequate protection.

M. **Extension of Financing**. The DIP Lender has indicated a willingness to provide financing to the Debtors in accordance with the DIP Credit Agreement. The DIP Lender is acting in good faith with respect to the DIP Facility and the terms and conditions of the DIP Credit Agreement and the other DIP Financing Agreements. The DIP Lender's claims, superpriority claims, security interests and liens and other protections granted pursuant to this Interim Order and the DIP Financing Agreements will not be affected by any subsequent reversal or modification of this Interim Order or the Final Order, as provided in section 364(e) of the Bankruptcy Code.

N. **Business Judgment and Good Faith Pursuant to Section 364(e).**

(i) The DIP Lender has indicated a willingness to provide DIP Financing to the Debtors in accordance with the DIP Financing Agreements. The terms and conditions of the DIP Facility and the DIP Financing Agreements, and the fees paid and to be paid thereunder are fair, reasonable, and the best available under the circumstances, reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties, and are supported by reasonably equivalent value and consideration;

(ii) The DIP Financing Agreements were negotiated in good faith and at arms' length between the Debtors and the DIP Lender;

(iii) The proceeds to be extended under the DIP Facility will be so extended in good faith, and for valid business purposes and uses; and

(iv) The DIP Lender is acting in good faith with respect to the DIP Facility and the terms and conditions of the DIP Financing Agreements, and the DIP Lender's claims, superpriority claims, security interests and liens and other protections granted pursuant to this

Interim Order and the DIP Financing Agreements will not be affected or avoided by any subsequent reversal or modification of this Interim Order or the Final Order, as provided in section 364(e) of the Bankruptcy Code.

O. **Relief Essential; Best Interest; Good Cause**. The relief requested in the DIP Motion (and as provided in this Interim Order) is necessary, essential, and appropriate for the preservation of the Debtors' assets, business and property. It is in the best interest of the Debtors' estates to be allowed to establish the DIP Facility contemplated by the DIP Credit Agreement. Good cause has been shown for the relief requested in the DIP Motion (and as provided in this Interim Order) solely on an interim basis.

NOW, THEREFORE, on the DIP Motion and the record before this Court with respect to the DIP Motion, including the record created during the Interim Hearing, and with the consent of the Debtors, the Prepetition Secured Creditors and the DIP Lender to the form and entry of this Interim Order, and good and sufficient cause appearing therefor,

IT IS HEREBY ORDERED, ADJUDGED AND DECREED:

1. **Motion Granted**. The DIP Motion is granted on an interim basis in accordance with the terms and conditions set forth in this Interim Order and the DIP Credit Agreement. Any objections to the DIP Motion with respect to entry of this Interim Order to the extent not withdrawn, waived or otherwise resolved, and all reservations of rights included therein, are hereby denied and overruled.

2. **DIP Financing Agreements.**

(a) **Approval of Entry Into DIP Financing Agreements**. The Debtors are authorized, empowered and directed to execute and deliver the DIP Financing Agreements and to incur and to perform the DIP Obligations in accordance with, and subject to, the terms of this Interim Order and the DIP Financing Agreements, and to execute and deliver all instruments and documents which may be required or necessary for the performance by the Debtors under the DIP Financing Agreements and the creation and perfection of the DIP Liens described in and provided for by this Interim Order and the DIP Financing Agreements. The Debtors are hereby authorized and directed to do and perform all acts, pay the principal, interest, fees, expenses, indemnities and

other amounts described in the DIP Credit Agreement as such amounts become due and payable without need to obtain further Court approval, including closing fees, unused line fees, administrative agent's fees, collateral agent's fees, and the reasonable fees and disbursements of the DIP Agent's and the DIP Lenders' respective attorneys, advisors, accountants, and other consultants, whether or not such fees arose before or after the Petition Date, and whether or not the transactions contemplated hereby are consummated, to implement all applicable reserves and to take any other actions that may be necessary or appropriate, all to the extent provided in this Interim Order or the DIP Financing Agreements. All collections and proceeds, whether from ordinary course collections, asset sales, debt or equity issuances, insurance recoveries, condemnations or otherwise, will be deposited and applied as required by this Interim Order and the DIP Financing Agreements. The DIP Financing Agreements represent valid and binding obligations of the Debtors, enforceable against each of the Debtors and their estates in accordance with their terms, including, without limitation, commitment fees and reasonable attorneys' fees and disbursements as provided for in the DIP Credit Agreement, which amounts shall not otherwise be subject to approval of this Court, *provided however,* that notwithstanding section 2.9(a) of the DIP Credit Agreement, following entry of this Interim Order, the Debtors shall pay only $1,600,000 on account of the commitment fee. The Debtors shall pay the deferred balance of the commitment fee required by section 2.9(a) of the DIP Credit Agreement only upon entry of a Final Order approving the DIP Credit Agreement.

(b) **Authorization to Borrow/and or Guarantee**. To enable them to continue to preserve the value of their estates and dispose of their assets in an orderly fashion, during the period prior to entry of the Final Order (the "***Interim Period***") and subject to the terms and conditions of this Interim Order, upon the execution of the DIP Credit Agreement and the other Financing Documents the Debtors are hereby authorized to borrow the Interim DIP Loan up to a total committed amount of $30,000,000 under the DIP Financing Agreements.

(c) **Conditions Precedent.** The DIP Lender shall have no obligation to make the Interim DIP Loan or any loan or advance under the DIP Credit Agreement during the Interim

Period unless the conditions precedent to making such loan under the DIP Credit Agreement have been satisfied in full or waived by the DIP Lender in its sole discretion.

(d) **DIP Collateral; DIP Liens**. Effective immediately upon the entry of this Interim Order, on account of the Interim DIP Loan, the DIP Lender shall be and is hereby granted first-priority security interests and liens (which shall immediately be valid, binding, permanent, continuing, enforceable, perfected and non-avoidable) on all of the Debtors' property, including, without limitation, the Sale Proceeds and the Escrow Deposit Account, whether arising before or after the Petition Date (collectively, the "***DIP Collateral***," and all such liens and security interests granted on or in the DIP Collateral pursuant to this Interim Order and the DIP Financing Agreements, the "***DIP Liens***"), but excluding the Clean Fund Bonds and NR2 Petros Bonds collateral held by WTNA, donor restricted funds held at Philanthropic Foundations, Avoidance Actions (defined below) and any proceeds thereof and any funds held by the Prepetition Agents (including amounts set forth on **Exhibit 1** to the Chou Decl.). The DIP Collateral shall not be subject to any surcharge under section 506(c) or any other provision of the Bankruptcy Code or other applicable law, nor by order of this Court.

(e) **DIP Lien Priority**. Subject only to the Carve Out (as defined below), the DIP Liens shall, pursuant to section 364(d)(1) of the Bankruptcy Code, be perfected, continuing, enforceable, non-avoidable first priority senior priming liens and security interests on the DIP Collateral, and shall prime all other liens and security interests on the DIP Collateral, including any liens and security interests in existence on the Petition Date against the Prepetition Collateral, and any other current or future liens granted on the DIP Collateral, including any adequate protection or replacement liens granted on the DIP Collateral (collectively, the "***Primed Liens***") (other than the Debtors' claims and causes of action under sections 502(d), 544, 545, 547, 548, 549, 550 and 553 of the Bankruptcy Code, and any other avoidance or similar actions under the Bankruptcy Code or similar state law (the "***Avoidance Actions***"), whether received by judgment, settlement or otherwise. Without limiting the foregoing, the DIP Liens shall not be made subject to, subordinate to, or *pari passu* with any lien or security interest by any court order heretofore or hereafter granted in the Chapter 11 Cases. The DIP Liens shall be valid and enforceable against

any trustee appointed in the Chapter 11 Cases, upon the conversion of any of the Chapter 11 Cases to a case under Chapter 7 of the Bankruptcy Code or in any other proceedings related to any of the foregoing (any "***Successor Cases***"), and/or upon the dismissal of any of the Chapter 11 Cases or Successor Cases. Other than the Carve Out, no costs, expenses, claims, or liabilities that have been or may be incurred by Debtors during these Chapter 11 Case, or in any Successor Cases, will be senior to, prior to, or on parity with the DIP Liens.

(f) **Enforceable Obligations**. The DIP Financing Agreements shall constitute and evidence the valid and binding obligations of the Debtors, which obligations shall be enforceable against the Debtors, their estates and any successors thereto and their creditors or representatives thereof, in accordance with their terms.

(g) **Protection of DIP Lender and Other Rights**. From and after the Petition Date, the Debtors shall use the proceeds of the extensions of credit under the DIP Facility only for the purposes specifically set forth in the DIP Credit Agreement and this Interim Order and in strict compliance with the DIP Budget (subject to any variances thereto permitted by the DIP Credit Agreement).

(h) **Additional Protections of DIP Lender: Superpriority Administrative Claim Status**. Subject to the Carve Out (as defined below), all DIP Obligations shall constitute an allowed superpriority administrative expense claim (the "***DIP Superpriority Claim***" and, together with the DIP Liens, the "***DIP Protections***") with priority in all of the Chapter 11 Cases and Successor Cases over all other administrative expense claims under sections 364(c)(1), 503(b) and 507(b) of the Bankruptcy Code and otherwise over all administrative expense claims and unsecured claims against the Debtors or their estates, now existing or hereafter arising, of any kind or nature whatsoever, including, without limitation, administrative expenses of the kinds specified in or ordered pursuant to sections 105, 326, 328, 330, 331, 365, 503(a), 503(b), 506(c), 507(a), 507(b), 546(c), 546(d), 1113 and 1114 and any other provision of the Bankruptcy Code except as otherwise set forth herein, whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment. The DIP Superpriority Claim shall be payable from and have recourse to all prepetition and post-petition property of the

Debtors and all proceeds thereof. Without limiting the foregoing, the Superpriority Claim shall not be made subject to, subordinate to, or *pari passu* with any other administrative claim in the Chapter 11 Cases or Successor Cases, except for the Carve Out (as defined below). Other than the Carve Out, no costs, expenses, claims, or liabilities that have been or may be incurred by Debtors during these Chapter 11 Case, or in any Successor Cases, will be senior to, prior to, or on parity with the DIP Superpriority Claim.

3. **Authorization to Use Proceeds of DIP Facility**. Pursuant to the terms and conditions of this Interim Order, the DIP Credit Agreement and the other DIP Financing Agreements, and in accordance with the DIP Budget and the variances thereto set forth in the DIP Credit Agreement, the Debtors are authorized to use the advances under the DIP Credit Agreement during the period commencing immediately after the entry of this Interim Order and terminating upon the occurrence of an Event of Default (as defined below) and the termination of the DIP Credit Agreement in accordance with its terms and subject to the provisions hereof.

4. **Adequate Protection for Prepetition Secured Creditors**. As adequate protection for the interests of the Prepetition Secured Creditors in the Prepetition Collateral on account of the granting of the DIP Liens, subordination to the Carve Out (as defined below), any Diminution in Value arising out of the Debtors' use, sale, or disposition or other depreciation of the Prepetition Collateral, including Cash Collateral, resulting from the automatic stay, the Prepetition Secured Creditors shall receive adequate protection as follows:

(a) **Adequate Protection Replacement Liens**. To the extent of the Diminution in Value of the interest of the respective Prepetition Secured Creditors in Prepetition Collateral, each of the affected Prepetition Secured Creditors shall be granted, subject to the terms and conditions set forth below, pursuant to sections 361, 363(e), and 364(d) of the Bankruptcy Code additional valid, perfected and enforceable replacement security interests and Liens in the DIP Collateral, excluding the prepetition collateral held by WTNA with respect to the Clean Fund Bonds and the NR2 Petros Bonds, donor restricted funds held at Philanthropic Foundations and Avoidance Actions and any proceeds thereof (the "***Prepetition Replacement Liens***"), which shall be junior only to (1) the Carve Out, (2) to the DIP Liens securing the DIP Obligations, and (3)

any perfected, unavoidable, prepetition liens granted by Holdings pursuant to those certain deeds of trust issued in connection with the MOB Financing and that certain Deed of Trust with Fixture Filing and Security Agreement and Assignment of Leases and Rents by Holdings in favor of U.S. Bank as 2017 Note Trustee and Deed of Trust Beneficiary, dated as of September 15, 2017, as further amended or modified (the "***Moss Deed of Trust***") to secure the Series 2017 Working Capital Notes; *provided, however*, that any Prepetition Replacement Liens granted to the 2015 Note Trustee and/or 2017 Note Trustee on account of the Diminution in Value of the Priority Assets as defined in the Intercreditor Agreement shall be senior to the Prepetition Replacement Liens granted to any other Prepetition Secured Creditors and junior to (i) the Carve Out, (ii) the DIP Liens securing the DIP Obligations, and (iii) perfected, unavoidable, prepetition liens granted by Holdings pursuant to those certain deeds of trust issued in connection with the MOB Financing and the Moss Deed of Trust, and *further provided* that any Prepetition Replacement Liens granted to the holders of deeds of trust issued in connection with the MOB Financing and the Moss Deed of Trust, on account of the Diminution in Value of such Prepetition Collateral shall be senior to the Prepetition Replacement Liens granted to any other Prepetition Secured Creditors and junior to (x) the Carve Out, (y) the DIP Liens securing the DIP Obligations, and (z) perfected, unavoidable, prepetition liens of the Master Trustee, the 2015 Note Trustee and/or the 2017 Note Trustee on property other than the property subject to the Moss Deed of Trust. With respect to the Prepetition Collateral that is subject to the Intercreditor Agreement, any proceeds of such Prepetition Collateral or Prepetition Replacement Liens related thereto shall be allocated among the Prepetition Secured Creditors in accordance with the terms of the Second Amended and Restated Intercreditor Agreement.

(b) **Adequate Protection Payments and Protections**. So long as there is no Default or Event of Default under this Interim Order, the Final Order, or the DIP Financing Agreements, the Debtors are also authorized and directed to provide to the Prepetition Secured Creditors monthly adequate protection payments equal to the amount of postpetition, non-default contractual interest on the outstanding balances of the Prepetition Secured Obligations excluding the Clean Fund Bonds and NR2 Petros Bonds collateral held by WTNA, provided that reference

Notwithstanding the foregoing, to the extent the Court enters a final and non-appealable order that determines, pursuant to sections 506(a) or (b) of the Bankruptcy Code, that the Prepetition Adequate Protection Payments are not properly allocable to interest on one or more of the respective Prepetition Secured Obligations to which they were made, the Prepetition Adequate Protection Payments may be re-characterized as payment(s) applied to the principal amount of the respective Prepetition Secured Obligations.

(c) **Prepetition Superpriority Claim**. To the extent of the Diminution in Value of the interest of the respective Prepetition Secured Creditors in Prepetition Collateral, each of the affected Prepetition Secured Creditors shall be granted, subject to the terms and conditions set forth below, an allowed superpriority administrative expense claim (the "***Prepetition Superpriority Claims***"), which shall have priority (except with respect to (i) the DIP Liens, (ii) the DIP Superpriority Claim, (iii) the Carve Out, and (iv) any claims granted by Holdings pursuant to those certain deeds of trust issued in connection with the MOB Financing and the Moss Deed of Trust) in the Chapter 11 Cases under sections 363(c)(1), 503(b) and 507(b) of the Bankruptcy Code and otherwise over all administrative expense claims and unsecured claims against the Debtors and their estates, now existing or hereafter arising of any kind or nature whatsoever including, without limitation, administrative expenses of the kind specified or ordered pursuant to sections 105, 326, 328, 330, 331, 503(a), 503(b), 507(a), 507(b), 546(c), 546(d), 552,

With respect to the Prepetition Collateral that is subject to the Second Amended and Restated Intercreditor Agreement, any proceeds of such Prepetition Collateral or Prepetition Superpriority Claim related thereto shall be allocated among the Prepetition Secured Creditors in accordance with the terms of the Second Amended and Restated Intercreditor Agreement.

(d) **Validity, Perfection and Amount of Prepetition Liens**. The Debtors further acknowledge and agree that, as of the Petition Date, (a) the Prepetition Liens securing the Prepetition Secured Obligations on the Prepetition Collateral were valid, binding, enforceable, non-avoidable, and properly perfected and were granted to, or for the benefit of, the Prepetition Secured Creditors and (b) the Prepetition Liens were senior in priority over any and all other Liens on the Prepetition Collateral. The findings and stipulations set forth in this Interim Order with respect to the validity, enforceability and amount of the Prepetition Secured Obligation and the Prepetition Liens shall be binding on any subsequent trustee, responsible person, examiner with expanded powers, any other estate representative, and all creditors and parties in interest and

all of their successors in interest and assigns, including the Committee, unless, and solely to the extent that, a party in interest with requisite standing and authority (other than the Debtors, as to which any Challenge (as defined below) is irrevocably waived and relinquished) has timely filed the appropriate pleadings, and timely commenced the appropriate proceeding required under the Bankruptcy Code and Bankruptcy Rules, including as required pursuant to Part VII of the Bankruptcy Rules (in each case subject to the limitations set forth in this paragraph 4(d)) challenging the Prepetition Liens (each such proceeding or appropriate pleading commencing a proceeding or other contested matter, a "***Challenge***") within ninety (90) days from the formation of the Committee (the "***Challenge Deadline***"); *provided however* that the filing by the Committee of a motion for standing to prosecute a Challenge shall automatically toll the Challenge Deadline; and *provided further*, that the "Challenge Deadline" for matters solely relating to the value of the Prepetition Collateral may be further extended to such time as may be agreed by the parties or further ordered by the Court. The foregoing limitation on use of Prepetition Collateral or its proceeds shall only be amended upon further order of this Court and the consent of both the Prepetition Secured Creditors and the DIP Lender. The Debtors shall not use the Prepetition Collateral or its proceeds to investigate or prosecute claims against the Prepetition Secured Creditors, including Avoidance Actions, *provided however* that the Committee may investigate the existence of such claims and have allowed fees paid from the Prepetition Collateral and the proceeds of the DIP Facility up to the amount of $50,000, *provided further however* that no Prepetition Collateral, the proceeds thereof or the proceeds of the DIP Facility may be used to prosecute claims against Prepetition Secured Creditors. For the avoidance of doubt, the Debtors, on behalf of their estates, do not release or indemnify the Prepetition Secured Creditors from any Challenge raised by third parties, including the Committee, to the validity, amount or enforceability of the Prepetition Secured Obligations and the Prepetition Liens.

(e) **Sections 506(c) and 552(b)**. In light of the Prepetition Secured Creditors' agreement that their Prepetition Liens shall be subject to the Carve Out and subordinate to the DIP Liens, the Prepetition Secured Creditors are each entitled to a waiver of any "equities of the

case" exception under section 552(b) of the Bankruptcy Code, and a waiver of the provisions of section 506(c) of the Bankruptcy Code.

(f) Nothing contained in this Interim Order shall prevent the Prepetition Secured Creditors from application or use of the funds held by the Prepetition Agents in accordance with the Prepetition Secured Documents.

5. **Budget Maintenance**. The proceeds of the DIP Loan under the DIP Facility and the use of Cash Collateral shall be subject to, and in accordance with, the terms and conditions of the DIP Financing Agreements and the DIP Budget. The Initial Agreed Budget delivered to the DIP Agent shall be accompanied by such supporting documentation as reasonably requested by the DIP Agent. The DIP Budget shall be prepared in good faith based upon assumptions that the Debtors believe to be reasonable. A copy of any DIP Budget shall be delivered to counsel for the Committee and the U.S. Trustee and counsel for the Prepetition Secured Creditors after it has been approved in accordance with the DIP Financing Agreements. Except to the extent required by the DIP Agent to accommodate the Prepetition Adequate Protection Payments, for the duration of this Interim Order, the DIP Budget may not be amended without the prior consent of the Prepetition Secured Creditors.

6. **Budget Compliance and Reporting**. The Debtors shall comply with the DIP Budget as and when required under the DIP Credit Agreement (subject to the variances set forth therein). The Debtors shall provide all reports and other information as required in the DIP Credit Agreement (subject to the grace periods provided therein), with copies delivered substantially contemporaneously to counsel for the Prepetition Secured Creditors and counsel to the Committee, should a Committee be appointed, such information to include reasonably complete details on the payments contemplated by the Critical Vendors Motion and the Utilities Motion, as defined in the Adcock Declaration and such information to be timely provided, sufficient for the Prepetition Secured Creditors to file an objection with this Court on two business days notice. The Debtors' failure to comply with the DIP Budget (including the variances set forth in the DIP Credit Agreement) or to provide the reports and other information required in the DIP Credit Agreement shall constitute an Event of Default (as defined herein), following the expiration of

any applicable grace period set forth in the DIP Credit Agreement. Subject to the execution and continuation of valid and binding confidentiality agreements, prior to any hearing to consider entry of a Final Order related to this DIP Motion, the Debtors shall provide to the Prepetition Secured Creditors information concerning (i) the Debtors' efforts to obtain debtor in possession financing proposals, including any proposals the Debtors received, and (ii) the Debtors' ongoing efforts to market their assets, including all marketing materials used by the Debtors in this process, information identifying the parties the Debtors have contacted, copies of any proposals or expressions of interest, and other information concerning these matters the Prepetition Secured Creditors may reasonably request.

7. **Postpetition Lien Perfection.** This Interim Order shall be sufficient and conclusive evidence of the validity, perfection, and priority of the DIP Liens and Prepetition Replacement Liens without the necessity of filing or recording any financing statement, deeds of trust, mortgages, or other instruments or documents which may otherwise be required under the law of any jurisdiction or the taking of any other action (including, for the avoidance of doubt, entering into any deposit account control agreement or obtaining possession of any possessory collateral) to validate or perfect the DIP Liens or Prepetition Replacement Liens, or to entitle the DIP Liens and Prepetition Replacement Liens the respective priorities granted herein. Notwithstanding and without limiting the foregoing, the DIP Lender may file such financing statements, mortgages, deeds of trust, notices of liens and other similar documents as it deems appropriate, and it is hereby granted relief from the automatic stay of section 362 of the Bankruptcy Code in order to do so, and all such financing statements, mortgages, deeds of trust, notices and other documents shall be deemed to have been filed or recorded at the time and on the date of the commencement of the Chapter 11 Cases. Notwithstanding and without limiting the foregoing provisions regarding the validity, perfection, and priority of the DIP Liens, the Debtors shall execute and deliver to the DIP Lender all such financing statements, mortgages, deeds of trust, deposit account control agreements, notices and other documents as the DIP Lender may reasonably request to evidence, confirm, validate or perfect, or to insure the contemplated priority of, the DIP Liens granted pursuant hereto and the DIP Financing Agreements. Any such financing

statements, mortgages, deeds of trust, deposit account control agreements, notices and other documents shall be considered DIP Financing Agreements for all intents and purposes. The DIP Lender, in its discretion, may file a certified copy of this Interim Order as a financing statement with any recording officer designated to file financing statements or with any registry of deeds or similar office in any jurisdiction in which any Debtor has real or personal property, and in such event, the recording officer shall be authorized to file or record such copy of this Interim Order. To the extent that the Prepetition Agents or Verity MOB is the secured party under any security agreement, mortgage, leasehold mortgage, landlord waiver, credit card processor notices or agreements, bailee letters, custom broker agreements, financing statement, account control agreements, or any other Prepetition Secured Documents or is listed as loss payee or additional insured under any of the Debtors' insurance policies, the DIP Agent shall also be deemed to be the secured party under such documents or to be the loss payee or additional insured, as applicable.

8. **Application of Proceeds of Collateral**. As a condition to the continued extension of credit under the DIP Facility and the continued authorization to use Cash Collateral, the Debtors have agreed that as of and commencing on the Closing Date the Debtors shall apply all advances under the DIP Facility, as follows: (i) *first*, to fund the day to day operations and general corporate purposes of the Debtors' estates; (ii) *second*, to pay the administrative expenses of the Chapter 11 Cases; and (iii) *third*, to make the Prepetition Adequate Protection Payments all in accordance with the DIP Budget.

9. **Proceeds of Subsequent Financing**. If the Debtors, any trustee, any examiner with expanded powers, or any responsible officer subsequently appointed in these Chapter 11 Cases or any Successor Cases, shall obtain credit or incur debt pursuant to Bankruptcy Code sections 364(b), 364(c), or 364(d) or in violation of the DIP Financing Agreements at any time prior to the indefeasible repayment in full of all DIP Obligations and Prepetition Secured Obligations (to the extent such remain outstanding), and the termination of the DIP Agent's and the DIP Lenders' obligation to extend credit under the DIP Facility, including subsequent to the confirmation of any chapter 11 plan of reorganization with respect to any or all of the Debtors and the Debtors'

estates, and such facility is secured by any DIP Collateral, then all the cash proceeds derived from such credit or debt shall immediately be turned over to the DIP Agent to be applied in accordance with this Interim Order and the DIP Financing Agreements.

10. **Cash Collection**.

(a) From and after the date of the entry of this Interim Order, all collections and proceeds of any DIP Collateral or Prepetition Collateral and all Cash Collateral that shall at any time come into the possession, custody, or control of any Debtor, or to which any Debtor is now or shall become entitled at any time, shall be promptly deposited in accounts as specified in the DIP Credit Agreement (or in such other accounts as are designated by the DIP Agent from time to time) (collectively, the "***Cash Collection Accounts***"), which accounts shall be subject to the sole dominion and control of the DIP Agent. It is understood and agreed by the Debtors and the DIP Agent that, unless a "Default" or an "Event of Default" under the DIP Credit Agreement has occurred and is continuing, for so long as there are no amounts outstanding under the DIP Facility, proceeds in the Cash Collection Accounts shall be returned to the Debtors and the Debtors shall be authorized to use such Cash Collateral in accordance with this Interim Order. All proceeds and other amounts in the Cash Collection Accounts shall be remitted to the DIP Agent for application in accordance with the DIP Financing Agreements. Unless otherwise agreed to in writing by the DIP Agent and the Prepetition Agents and Verity MOB or as set forth in this Interim Order, the Debtors shall maintain no accounts except those identified in the interim cash management order entered by the Court with respect thereto (the "***Cash Management Order***"), whether now existing or hereafter established. The Debtors and the financial institutions where the Debtors' Cash Collection Accounts are maintained (including those accounts identified in the Cash Management Order), are authorized and directed to remit, without offset or deduction, funds in such Cash Collection Accounts upon receipt of any direction to that effect from the DIP Agent.

(b) Notwithstanding anything in this Interim Order or any of the DIP Financing Agreements, from and after the date of the entry of this Interim Order, all collections and proceeds of any DIP Collateral or Prepetition Collateral that shall at any time come into the possession, custody, or control of any Debtor, or to which any Debtor is now or shall become

entitled at any time, shall promptly be deposited into a depository account furnished by a depository bank acceptable to the DIP Agent and such account shall be in the name of the DIP Agent and subject to the sole dominion and control of the DIP Agent (such account, the "***DIP Collateral Account***"). The Debtors' use of the proceeds in the DIP Collateral Account shall be subject to this Interim Order and the DIP Financing Agreements.

11. **Maintenance of DIP Collateral**. Until the indefeasible payment in full of all DIP Obligations, all Prepetition Secured Obligations, and the termination of the DIP Agent's and the DIP Lenders' obligation to extend credit under the DIP Facility, the Debtors shall: (a) insure the DIP Collateral as required under the DIP Facility or the Prepetition Secured Documents, as applicable; and (b) maintain the cash management system in effect as of the Petition Date, as modified by the Cash Management Order, and maintain books and records sufficient to account for postpetition intercompany transfers in a manner required by the Cash Management Order at paragraph 6 and the DIP Credit Agreement at section 5.6 or as otherwise agreed to by the DIP Agent or otherwise required or permitted by the DIP Financing Agreements or this Interim Order.

12. **DIP and Other Expenses**. The Debtors are authorized and directed to pay all reasonable and documented prepetition and postpetition fees and expenses of the (1) DIP Agent, (including the fees, expenses, and disbursements of Waller, Lansden, Dortch & Davis, LLP, as counsel to the DIP Agent), (2) the DIP Lenders in connection with the DIP Facility, as provided herein and in the DIP Financing Agreements, or, if requested by the Debtors, incurred with a proposed conversion of the DIP Facility into exit financing (including the preparation and negotiation of the documentation relating to the exit facility), and (3) the Prepetition Secured Creditors, whether or not the transactions contemplated hereby are consummated, including attorneys' fees, monitoring and appraisal fees, financial advisory fees, fees and expenses of other consultants, and indemnification and reimbursement of fees and expenses. Payment of all such fees and expenses shall not be subject to allowance by the Court. Professionals for the DIP Agent, the DIP Lenders and the Prepetition Secured Creditors shall not be required to comply with the U.S. Trustee fee guidelines; however, any time that such professionals seek payment of fees and expenses from the Debtors, each professional shall provide summary copies of its invoices to the

U.S. Trustee contemporaneously with the delivery of such invoices to the Debtors. Any objections raised by the Debtors, the U.S. Trustee or the Committee, if one is appointed, with respect to such invoices must be in writing and state with particularity the grounds therefor and must be submitted to the applicable professional within ten (10) days of the receipt of such invoice; if after ten (10) days such objection remains unresolved, it will be subject to resolution by the Court. Pending such resolution, the undisputed portion of any such invoice will be paid promptly by the Debtors. Notwithstanding the foregoing, the Debtors are authorized and directed to pay on the Closing Date all reasonable and documented fees, costs, and out-of-pocket expenses of the DIP Agent, the DIP Lenders and the Prepetition Secured Creditors incurred on or prior to such date without the need for any professional engaged by such parties to first deliver a copy of its invoice or other supporting documentation. No attorney or advisor to the DIP Agent, the DIP Lenders or any Prepetition Secured Creditor shall be required to file an application seeking compensation for services or reimbursement of expenses with the Court. Upon entry of this Interim Order, any and all fees, costs, and expenses paid prior to the Petition Date by any of the Debtors to the (i) DIP Agent or the DIP Lenders in connection with or with respect to the DIP Facility, and (ii) Prepetition Secured Creditors in connection with or with respect to these matters, were approved in full and shall not be subject to avoidance, disgorgement or any similar form of recovery by the Debtors or any other person.

13. **Indemnification**. The Debtors shall indemnify and hold harmless the DIP Agent and the DIP Lenders in accordance with the terms and conditions of the DIP Credit Agreement.

14. **Right to Credit Bid**. The DIP Lender shall have the right, but not the obligation, to "credit bid" the DIP Obligations during any sale of the DIP Collateral, including without limitation, sales occurring pursuant to section 363 of the Bankruptcy Code or included as part of any reorganization plan subject to confirmation under section 1129(b)(2)(A)(iii) of the Bankruptcy Code. Subject to the indefeasible payment in full of the DIP Obligations, the Prepetition Secured Creditors shall have the right but not the obligation to credit bid the Prepetition Secured Obligations during any sale of the Prepetition Collateral, including without limitation, sales occurring pursuant to section 363 of the Bankruptcy Code.

15. **Carve Out**. The DIP Liens, DIP Superpriority Claim, and Replacement Liens are subordinate only to the following: (i) all fees required to be paid to the clerk of the Bankruptcy Court and to the Office of the United States Trustee pursuant to 28 U.S.C. § 1930(a)(6) (the "***U.S. Trustee Fees***"), together with interest, if any, at the statutory rate; and (ii) all allowed claims for unpaid fees, costs and expenses incurred by persons or firms retained ~~retrain~~ by the Debtors or the Committee, if any, whose retention is approved by the Bankruptcy Court pursuant to any one or more of sections 327, 328, 363, and 1103 of the Bankruptcy Code, to the extent such claims for fees, costs and expenses are both (a) allowed by the Bankruptcy Court pursuant to the Final Order, and (b) in accordance with, and solely up to the total respective amounts set forth in the DIP Budget for the applicable time frame (the "***Carve Out Expenses***"); provided that the aggregate amount of such Carve Out Expenses shall not exceed (a) $2,000,000 with respect to persons or firms retained by the Debtors, and (b) $75,000 with respect to persons or firms retained by the Committee (collectively, the "***Carve Out Amount***"). Any payment or reimbursement made after the Carve Out Trigger Date in respect of any Carve Out expenses shall permanently reduce the Carve Out Amount on a dollar-for-dollar basis.

16. **Limitation of Use of Proceeds**. Notwithstanding anything set forth herein and except as provided in the following paragraph, the Carve Out shall exclude any fees and expenses incurred in connection with initiating or prosecuting any claims, causes of action, adversary proceedings, or other litigation against the DIP Lender or any of the Prepetition Secured Creditors, including, without limitation, the assertion or joinder in any claim, counterclaim, action, proceeding, application, motion, objection, defenses or other contested matter, the purpose of which is to seek any order, judgment, determination or similar relief (i) invalidating, setting aside, disallowing, avoiding, challenging or subordinating, in whole or in part, (a) the DIP Obligations, (b) the Prepetition Secured Obligations, (c) the Prepetition Liens, or (d) the DIP Liens, or (ii) preventing, hindering or delaying, whether directly or indirectly, the DIP Lender or Prepetition Secured Creditors' assertion or enforcement of their liens or security interests or realization upon any DIP Collateral or Prepetition Collateral, or (iii) prosecuting any Avoidance Actions against the DIP Lender or any Prepetition Secured Creditor, or (iv) challenging the amount, validity,

extent, perfection, priority, or enforceability of, or asserting any defense, counterclaim, or offset to, the Prepetition Secured Obligations, or the adequate protection granted herein, *provided however*, that nothing in this Interim Order shall limit the right of the Debtors to challenge the reasonableness of attorney and financial advisory fees paid or proposed to be paid to Prepetition Secured Creditors as adequate protection payments

17. **Payment of Compensation.** Nothing herein shall be construed as consent to the allowance of any professional fees or expenses of any of the Debtors or the Committee or shall affect the right of the DIP Lender or the Prepetition Secured Creditors to object to the allowance and payment of such fees and expenses or to permit the Debtors to pay any such amounts not set forth in the DIP Budget.

18. **Section 506(c) Claims; Equities of the Case**. Nothing contained in this Interim Order shall be deemed a consent by the DIP Lender or any Prepetition Secured Creditor to any charge, lien, assessment or claim against the DIP Collateral under Section 506(c) of the Bankruptcy Code or otherwise. The "equities of the case" exception under Section 552(b) of the Bankruptcy Code and surcharge powers under section 506(c) of the Bankruptcy Code are waived as to the Prepetition Creditors and all pre and post petition collateral securing their claims.

19. **Collateral Rights.** Unless the DIP Lender has provided its prior written consent or all DIP Obligations have been paid in full in cash (or will be paid in full in cash upon entry of an order approving indebtedness described in subparagraph (a) below), and all commitments by the DIP Lender to lend have terminated:

(a) The Debtors shall not seek entry, in these proceedings, or in any Successor Case, of any order which authorizes the obtaining of credit or the incurring of indebtedness that is secured by a security, mortgage, or collateral interest or other lien on all or any portion of the DIP Collateral and/or entitled to priority administrative status which is senior or *pari passu* to the DIP Liens granted to the DIP Lender pursuant to this Interim Order, the DIP Financing Agreements or otherwise;

(b) The Debtors shall not consent to relief from the automatic stay by any person other than the DIP Lender with respect to all or any portion of the DIP Collateral without the express written consent of the DIP Lender; and

(c) In the event that the Debtors seek entry of an order in violation of subsection (a) hereof, the DIP Lender shall be granted relief from the automatic stay with respect to the DIP Collateral pursuant to the notice procedures set forth in this Order.

20. **Commitment Termination Date.** All DIP Obligations of the Debtors to the DIP Lender shall be immediately due and payable, and the Debtors' authority to use the proceeds of the DIP Facility shall cease, on the date that is the earliest to occur of: (i) September 5, 2019 (the "***Scheduled Termination Date***"); (ii) the earlier of: (a) the date that is thirty (30) days from entry of this Interim Order unless a final, non-appealable order of the Bankruptcy Court authorizing the DIP Facility in form and substance satisfactory to the DIP Lender in its sole and absolute discretion has been entered and has become effective prior to the expiration of such period (or such later date as the DIP Lender may approve in writing in its sole and absolute discretion), (b) the date the Court denies entry of the Final Order, or (c) the date of revocation of this Interim Order or the Final Order, as applicable; (iii) the substantial consummation (as defined in Section 1101 of the Bankruptcy Code and which for purposes hereof shall be no later than the "*effective date*") of a plan of reorganization filed in the Chapter 11 Cases that is confirmed pursuant to an order entered by the Bankruptcy Court; (iv) the consummation of a sale of all or substantially all of the DIP Collateral; (v) the date the Bankruptcy Court orders the conversion of the Chapter 11 Cases to a Chapter 7 liquidation or the dismissal of the Chapter 11 Cases or the appointment of a trustee or examiner with expanded power in the Chapter 11 Cases; and (vi) the acceleration of the DIP Loan and the termination of the commitments with respect to the DIP Facility in accordance with the DIP Financing Agreements (the earliest of such dates, the "***Commitment Termination Date***"). The occurrence of the Commitment Termination Date, shall also constitute, subject to further Court order, termination of the Prepetition Secured Creditors' consent to the Debtors' use of their prepetition cash collateral.

B. The Financing Motion

The Debtors make the following arguments and representations in support of the Financing Motion:

Debtors seek authorization to enter into a senior secured, superpriority debtor in possession financing facility with Ally Bank, a subsidiary of Ally Financial, Inc. (the "DIP Lender"), in (a) an interim amount not to exceed $30 million, and (b) after a final hearing, in an amount up to total lending of not more than $185 million (such financing, the "DIP Facility").

VHS, VBS, and VHS' five acute care hospital subsidiaries (O'Connor Hospital, Saint Louise Regional Hospital, St. Francis Medical Center, St. Vincent Medical Center, Seton Medical Center, and Seton Medical Center Coastside) are jointly obligated parties on approximately $461.4 million in outstanding secured debt consisting of (a) $259.4 million in outstanding principal amount of tax exempt revenue bonds, Series 2005 A, G and H issued by the California Statewide Communities Development Authority (the "2005 Bonds") and (b) $202 million in outstanding principal amount of tax exempt revenue notes, Series 2015 A, B, C, and D and Series 2017 issued by the California Public Financing Authority (the "Working Capital Notes").

Bank, N.A. ("U.S. Bank") is the Note Trustee and Collateral Agent. (The Working Capital Notes, together with the 2005 Bonds, are collectively referred to as the "MTI Obligations" ("MTI" is an abbreviation for "Master Trustee Indenture").)

Holdings, a direct subsidiary of its sole member VHS, was created in 2016 to hold and finance VHS' interests in six medical office buildings whose tenants are primarily physicians and medical groups affiliated with certain of the Hospitals operated by the Debtors. Holdings' real estate portfolio consists of over 30 properties, including, but not limited to, apartment buildings, parking lots, and condominiums. Holdings is the borrower on approximately $66 million on two series of non-recourse financing secured by separate deeds of trust and revenue and accounts pledges, including lease rents on medical buildings (the "MOB Financing"). The secured lenders for the MOB Financing are affiliates of NantWorks, LLC, which is an affiliate of the Debtors' prepetition manager, Integrity Healthcare, LLC ("Integrity") (Integrity has not sought bankruptcy protection).

Debtor Seton Medical Center is liable for repayment of $20 million of limited obligation tax exempt bonds issued in September 2017 by the California Statewide Communities Development Authority (the "Clean Fund Bonds"). The Clean Fund Bonds were issued to assist with clean energy-related capital improvements to Seton Medical Center. No other Debtor is liable for repayment of the Clean Fund Bonds. Wilmington Trust National Association ("WTNA") is the Trustee holding the construction funds raised in connection with the Clean Fund Bonds.

Debtor Seton Medical Center is also liable for repayment of $20 million in California 30-year tax exempt bonds, issued in September 2017 for the purpose of seismic improvements at Seton Medical Center (the "NR2 Petros Bonds"). No other Debtor is liable for repayment of the NR2 Petros Bonds. WTNA is the Trustee holding the construction funds raised in connection with the NR2 Petros Bonds.

NantCapital, LLC has provided $40 million in unsecured debt financing for VHS, as reflected in two $20 million unsecured notes dated March 7, 2018 and March 29, 2018 (the "Unsecured Notes").

All of the Debtors' income is subject to prepetition perfected pledges. The gross revenue of the Hospitals is pledged in favor of the 2005 Bonds. The prepetition accounts receivable and government receivables of the Hospitals are pledged in favor of the Working Capital Notes. As of August 31, 2018 (the "Petition Date"), the Debtors had less than $40 million of cash on hand that is not subject to control accounts in favor of either the 2005 Bonds, the Working Capital Notes, or the MOB Financing (excluding cash held by WTNA on account of the Clean Fund Bonds and/or

the NR2 Petros Bonds). The Debtors expect to spend approximately $113 million during the first four weeks of the case; operating cash losses for this period are expected to exceed $11 million. These figures do not include critical vendor payments, adequate protection payments, pension contributions, or capital expenditures.

As of the Petition Date, the Debtors anticipate having in excess of $219 million in net accounts receivable, and expect to generate approximately $80 million in new post-petition receivables during the first four weeks of the case. U.S. Bank, as Note Trustee for the Working Capital Notes, asserts that all postpetition receipts are proceeds of prepetition accounts receivable and prepetition government receivables and as such constitute priority collateral for the Working Capital Notes.

The terms of the DIP Facility are the result of a wide-ranging market exploration by the Debtors and their professionals. Beginning the week of July 23, 2018, Cain Brothers, a division of KeyBanc Capital Markets ("Cain"), acting as investment advisers to the Debtors, began searching for DIP financing. Cain consulted with 16 potential DIP Lenders. Cain's efforts yielded four offers for debtor-in-possession financing. The Debtors believe the financing offered by Ally Bank (the "DIP Lender") to be the most favorable.

To secure the DIP Facility, the Debtors propose to grant the DIP Lender first priority priming liens on, and security interests in, substantially all of the Debtors' assets, subject to a Carve-Out not to exceed (a) $2 million for fees accrued by professionals retained by the Debtors and (b) $75,000 for fees accrued by professionals retained by the Official Committee of Unsecured Creditors (the "Committee").

Secured Creditors will receive the following adequate protection:

1) Secured Creditors in connection with the 2005 Bonds, Working Capital Notes, and MOB Financing shall receive post-petition, non-default interest. WTNA, which holds the cash raised in connection with the Clean Fund Bonds and NR2 Petros Bonds, will not receive interest payments.
2) To the extent of any diminution in value of their interests, Secured Creditors shall receive replacement liens.
3) To preserve the prepetition value of the Debtors' real property and improvements, the Debtors will use the DIP Facility Proceeds and cash collateral to continue to maintain such property in good repair.
4) To the extent of any diminution in the value of their interests, Secured Creditors shall have an allowed superpriority administrative expense

claim.

B. The Attorney General's Limited Objection

The California Attorney General (the "Attorney General") filed a Limited Objection to the Financing Motion. The Attorney General makes the following arguments and representations in support of the Limited Objection:

> The Debtors are nonprofit public benefit corporations that hold charitable gifts and assets that are restricted for a specific purpose. Those restricted gifts and assets are not to be used for any other purposes than the restricted purpose and should not be available to creditors unless authorized in the restriction.
>
> Restricted donations to nonprofit corporations have been held not to be property of the bankruptcy estate and therefore not available for distribution to general creditors. *See In re Save Our Springs (S.O.S.)
