FOR THE SOUTHERN DISTRICT OF TEXAS
HOUSTON DIVISION

In re:	)	Chapter 11
BANGO OIL LLC,[1]	)	Case No. 24-90508 (CML)
Reorganized Debtor.	)	

REORGANIZED DEBTOR'S SECOND OMNIBUS OBJECTION (SUBSTANTIVE) TO CERTAIN PROOFS OF CLAIM (MODIFIED AMOUNT AND RECLASSIFIED CLAIMS; FULLY SATISFIED CLAIMS; INCORRECT DEBTOR AND RECLASSIFIED CLAIMS; RECLASSIFIED CLAIMS; NO LIABILITY CLAIMS)

THIS IS AN OBJECTION TO YOUR CLAIM(S). THE OBJECTING PARTY IS ASKING THE COURT TO DISALLOW OR MODIFY THE CLAIM(S) THAT YOU FILED IN THIS BANKRUPTCY CASE. YOU SHOULD IMMEDIATELY CONTACT THE OBJECTING PARTY TO RESOLVE THE DISPUTE. IF YOU DO NOT REACH AN AGREEMENT, YOU MUST FILE A RESPONSE TO THE OBJECTING PARTY WITHIN 30 DAYS AFTER THE OBJECTION WAS SERVED ON YOU. YOUR RESPONSE MUST STATE WHY THE OBJECTION WAS NOT VALID. IF YOU DO NOT FILE A RESPONSE WITHIN 30 DAYS AFTER THIS OBJECTION WAS SERVED ON YOU, YOUR CLAIM(S) MAY BE DISALLOWED AT THE HEARING.

REPRESENTED PARTIES SHOULD ACT THROUGH THEIR ATTORNEY.

THIS OBJECTION SEEKS TO DISALLOW OR MODIFY CERTAIN PROOFS OF CLAIM. CLAIMANTS RECEIVING THIS OBJECTION SHOULD LOCATE THEIR NAMES AND CLAIMS ON SCHEDULES 1 THROUGH 5 TO THE ORDER ATTACHED TO THIS OBJECTION.

The above-captioned reorganized debtor (the "Reorganized Debtor") states the following in support of this objection (the "Objection"):

[1] The Reorganized Debtor's service address for purposes of this chapter 11 case is: 9107 West Russell Road, Suite 100, Las Vegas, Nevada 89148. The Reorganized Debtor's chapter 11 case was previously jointly administered under the chapter 11 case of Vertex Energy, Inc., Case No. 24-90507 (CML).

Relief Requested

1. The Reorganized Debtor seeks entry of an order substantially in the form attached hereto (the "Order"):

(a) Modifying and reclassifying each claim identified on **Schedule 1** to the Order (collectively, the "Modified Amount and Reclassified Claims") to the extent provided on **Schedule 1** because such claim is not entitled to the priority status asserted and/or was partially resolved or satisfied, or is not aligned with the Reorganized Debtors' books and records;

(b) Disallowing each claim identified on **Schedule 2** to the Order (collectively, the "Fully Satisfied Claims") in its entirety because such Fully Satisfied Claim has been previously paid in full by the Debtors or Reorganized Debtors, as applicable (including, for the avoidance of doubt, via payment of the applicable cure cost), and is neither a liability of the Reorganized Debtors, nor reflected as a current liability in the Reorganized Debtors' books and records;

(c) Reclassifying each claim identified on **Schedule 3** to the Order (collectively, the "Incorrect Debtor and Reclassified Claims") in its entirety because such Reclassified Claim is not entitled to the priority status asserted and was filed against the incorrect Debtor entity;

(d) Reclassifying each claim identified on **Schedule 4** to the Order (collectively, the "Reclassified Claims") in its entirety because each such Reclassified Claim is not entitled to the priority status asserted, or is not aligned with the Reorganized Debtors' books and records; and

(e) Disallowing each claim identified on **Schedule 5** to the Order (collectively, the "No Liability Claims") in its entirety, because each such No Liability Claim is neither a liability of the Reorganized Debtors, nor reflected as a current liability in the Reorganized Debtors' books and records and the Reorganized Debtors are not liable for the No Liability Claims.

2. In support of this Objection to certain proofs of claim (each, an "Objected Claim," and collectively, the "Objected Claims"), the Reorganized Debtor submits the *Declaration of Robert Country in Support of Reorganized Debtor's Second Omnibus Objection (Substantive) to Certain Proofs of Claim (Modified Amount and Reclassified Claims; Fully Satisfied Claims;*

Incorrect Debtor and Reclassified Claims; Reclassified Claims; No Liability Claims), attached hereto as **Exhibit A**.

Jurisdiction and Venue

3. The United States Bankruptcy Court for the Southern District of Texas (the "Court") has jurisdiction over this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). The Reorganized Debtor confirms its consent, pursuant to rule 7008 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), to the entry of a final order by the Court.

4. Venue is proper pursuant to 28 U.S.C. § 1408.

5. The bases for the relief requested herein are sections 105(a) and 502(a) of title 11 of the United States Code (the "Bankruptcy Code"), Bankruptcy Rule 9018, Bankruptcy Rule 3007, rule 3007-1 of the Bankruptcy Local Rules for the Southern District of Texas (the "Bankruptcy Local Rules"), and the Omnibus Objection Procedures Order (defined below).

Background

6. On September 24, 2024 (the "Petition Date"), Vertex Energy, Inc. and certain of its affiliates (collectively, the "Debtors" or "Reorganized Debtors," as applicable) filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. From and after the Petition Date, the Debtors operated their businesses and managed their properties as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

7. On December 20, 2024, the Court entered the *Order Confirming the Second Amended Joint Chapter 11 Plan of Vertex Energy, Inc. and its Debtor Affiliates* (the "Confirmation Order") [Docket No. 578]. The Plan became effective on January 21, 2025 (the "Effective Date") and, on the same day, the Debtors filed the *Notice of (i) Entry of an Order Confirming the Second*

Amended Joint Chapter 11 Plan of Vertex Energy, Inc. and its Debtor Affiliates and (ii) Occurrence of the Effective Date [Docket No. 646]. Article VII of the Plan provides that, "after the Effective Date, the Reorganized Debtors and the GUC Trustee (solely with respect to General Unsecured Claims and 2027 Convertible Notes Claims), as applicable, have the exclusive authority to (a) File, withdraw, or litigate to judgment any objections to Claims, (b) settle or compromise any such objections to Claims without further notice to or action, order, or approval of the Bankruptcy Court, and (c) administer and adjust the Claims Register to reflect such settlements or compromises without further notice to or action, order, or approval of the Court." *See* Plan at Art. VII.B.

8. On April 1, 2025, the court entered the *Final Decree Closing Certain of the Chapter 11 Cases* [Docket No. 760] (the "Final Decree"), which among other things, closed all chapter 11 cases except for the above captioned chapter 11 case of the Reorganized Debtor. Pursuant to the Final Decree, the court retains jurisdiction and authority with regard to, among other remaining matters, the claims reconciliation process, and any actions with regard to the claims reconciliation process shall be filed, administered, and/or adjudicated in the Reorganized Debtor's chapter 11 case. Final Decree ¶ 5.

9. On April 7, 2025, the Reorganized Debtor filed the *Reorganized Debtor's and Vertex GUC Trust's Joint Motion for an Order (A) Approving Omnibus Claims Objection Procedures; (B) Waiving the Requirements of Bankruptcy Rule 3007(e)(6); and (C) Granting Related Relief* [Docket No. 5], which was granted by the Court on April 30, 2025 [Docket No. 8] (the "Omnibus Objection Procedures Order").

Claims Reconciliation Process

10. On October 28, 2024, the Court entered the *Order (I) Establishing Deadlines for the Filing of Proofs of Claim, (II) Approving the Form and Manner of Notice Thereof, (III) Approving the Form and Manner for Filing Proofs of Claim, and (IV) Granting Related Relief* [Docket No. 312] (the "Bar Date Order"), which established, among other things, November 27, 2024, as the deadline for all non-governmental entities holding or wishing to assert a "claim" (as defined in section 101(5) of the Bankruptcy Code) against any of the Debtors that arose before the Petition Date to file proof of such claim (the "Claims Bar Date") and March 24, 2025, as the deadline all governmental entities holding or wishing to assert a "claim" (as defined in section 101(5) of the Bankruptcy Code) against any of the Debtors that arose before the Petition Date (the "Governmental Bar Date" and together with the Claims Bar Date, the "Bar Date"). Paragraph 18 of the Bar Date Order provides, in pertinent part, "[a]ny person or entity that is required, but fails, to file a Proof of Claim in accordance with the Bar Date Order on or before the applicable Bar Date shall be forever barred, estopped, and enjoined from asserting such claim against the Debtors and their estates (or filing a Proof of Claim with respect thereto) and the Debtors and their property and estates shall be forever discharged from any and all indebtedness or liability with respect to or arising from such claim." Bar Date Order ¶ 18.

11. On October 25, 2024, the Debtors filed their statements of financial affairs and schedules of assets and liabilities (the "SOFAs and Schedules") [Docket No. 260-308], pursuant to Bankruptcy Rule 1007. The SOFAs and Schedules for certain Debtor entities were amended on October 30, 2024 [Docket No. 336-341].

12. On November 5, 2024, Verita Global (the "Claims and Noticing Agent") sent notice of the Bar Date Order (the "Bar Date Notice") to thousands of potential claimants in accordance

with the procedures outlined therein. *See Affidavit of Service* [Docket No. 385]. The Debtors caused the Bar Date Notice to be published in the national edition of The New York Times. *See Affidavit of Publication of Notice of Bankruptcy Cases* [Docket No. 138].

13. To date, approximately 647 Proofs of Claim have been filed in the chapter 11 cases, in addition to approximately 642 scheduled Claims, all totaling over $1.3 billion in asserted or scheduled Claims. Approximately 89 Administrative Claims have been filed in the chapter 11 cases, asserting Administrative Claims totaling over $11.3 million, and approximately 43 Priority Tax and Other Priority Claims have been filed, asserting Priority Tax and Other Priority Claims totaling over $30.7 million.

14. The Reorganized Debtor and its advisors have been working diligently to review the proofs of claim, including supporting documentation, if any, filed together with any proof of claim. As a result of this process, the Reorganized Debtor has identified certain claims that it now seeks to disallow, modify, and/or reclassify by this Objection for the reasons stated below.

Objection

15. Section 502(a) of the Bankruptcy Code provides that "[a] claim or interest, proof of which is filed under section 501 of this title is deemed allowed, unless a party in interest . . . objects." 11 U.S.C. § 502(a). Section 502(b)(1) provides that a court shall not allow a claim if "such claim is unenforceable against the debtor and property of the debtor, under any agreement or applicable law" 11 U.S.C. § 502(b)(1). Bankruptcy Rule 3007 provides certain grounds upon which "objections to more than one claim may be joined in an omnibus objection," which include when "the objections are based solely on the grounds that the claims should be disallowed, in whole or in part, because they duplicate other claims; they have been filed in the wrong case; they have been satisfied or released during the case in accordance with the Code, applicable rules, or a

court order; [or] they assert priority in an amount that exceeds the maximum amount under § 507 of the Code." Fed. R. Bankr. P. 3007(d). The Omnibus Objection Procedures Order provides certain additional grounds upon which objections to more than one claim may be joined in an omnibus objection, which includes certain of the bases for objection below. *See* Omnibus Objection Procedures Order, at ¶ 1.

16. As set forth in Bankruptcy Rule 3001(f), a properly executed and filed proof of claim constitutes prima facie evidence of the validity and the amount of the claim under section 502(a) of the Bankruptcy Code. *See, e.g., In re Jack Kline Co., Inc.*, 440 B.R. 712, 742 (Bankr. S.D. Tex. 2010). A proof of claim loses the presumption of prima facie validity under Bankruptcy Rule 3001(f) if an objecting party refutes at least one of the allegations that are essential to the claim's legal sufficiency. *See In re Fidelity Holding Co., Ltd.*, 837 F.2d 696, 698 (5th Cir. 1988). Once such an allegation is refuted, the burden reverts to the claimant to prove the validity of its claim by a preponderance of the evidence. *Id*. Despite this shifting burden during the claim objection process, "the ultimate burden of proof always lies with the claimant." *In re Armstrong*, 347 B.R. 581, 583 (Bankr. N.D. Tex. 2006) (citing *Raleigh v. Ill. Dep't of Rev.*, 530 U.S. 15 (2000)). For the reasons set forth below, the Reorganized Debtor objects to each Objected Claim.

Objected Claims

A. Modified Amount and Reclassified Claims

17. As set forth in the Country Declaration, the Reorganized Debtor and its advisors have reviewed the Reorganized Debtors' books and records and the claims register and have determined that the Modified Amount and Reclassified Claims identified on **Schedule 1** to the Order should be modified and reclassified as identified in the "Modified" column on **Schedule 1**. The Reorganized Debtor believes that the Modified Amount and Reclassified Claims assert (a) a priority amount or treatment to which they are not entitled under the Bankruptcy Code or other

Court order and (b) an amount that is not reflected in the Reorganized Debtors' books and records. To allow the Modified Amount and Reclassified Claims to remain on the claims register as filed would lead to unwarranted recoveries on account of the Modified Amount and Reclassified Claims, to the detriment of other creditors.

B. Fully Satisfied Claims

18. As set forth in the Country Declaration, the Reorganized Debtor and its advisors have reviewed the Debtors' books and records and the claims register and have determined that the Reorganized Debtor's books and records reflect that the claims on **Schedule 2** have been paid in full by the Debtors or Reorganized Debtors, as applicable (including, for the avoidance of doubt, via payment of the applicable cure cost), and accordingly the Reorganized Debtors have no outstanding liability on the grounds asserted in the Fully Satisfied Claims. Therefore, the Reorganized Debtor seeks entry of an order disallowing the Fully Satisfied Claims identified on **Schedule 2** in their entirety.

C. Incorrect Debtor and Reclassified Claims

19. As set forth in the Country Declaration, the Reorganized Debtor and its advisors have reviewed the Reorganized Debtors' books and records and the claims register and have determined that the Incorrect Debtor and Reclassified Claims identified on **Schedule 3** to the Order should be moved to a different Reorganized Debtor and reclassified as identified in the "Modified" column on **Schedule 3**. The Reorganized Debtor believes that the Incorrect Debtor and Reclassified Claims incorrectly (a) assert a priority amount or treatment to which it is not entitled under the Bankruptcy Code or other Court order, (b) against the incorrect debtor. To allow the Incorrect Debtor and Reclassified Claims to remain on the claims register as filed would lead to unwarranted recoveries on account of the Incorrect Debtor and Reclassification Claims, to the detriment of other creditors.

D. Reclassified Claims

20. As set forth in the Country Declaration, the Reorganized Debtor and its advisors have reviewed the Debtors' books and records and the claims register and have determined that the Reclassified Claims identified on **Schedule 4** to the Order should be reclassified as set forth therein. The Reorganized Debtor believes that each of the Reclassified Claims assert a priority amount or treatment to which it is not entitled under the Bankruptcy Code or other Court order. To allow the Reclassified Claims to remain on the claims register as filed would lead to unwarranted recoveries on account of the Reclassified Claims to the detriment of other creditors. Accordingly, the Reorganized Debtor requests that the Bankruptcy Court reclassify the Reclassified Claims to the extent set forth on **Schedule 4** to the Order.

E. No Liability Claims

21. As set forth in the Country Declaration, the Reorganized Debtor and its advisors have reviewed the Reorganized Debtors' books and records and the claims register and have determined that the No Liability Claims identified on **Schedule 5** to the Order should be disallowed as the Reorganized Debtor's books and records reflect no outstanding liability on such claims.

Reservation of Rights

22. This Objection is limited to the grounds stated herein. Accordingly, it is without prejudice to the rights of the Reorganized Debtor to object to any claim on any ground whatsoever. The Reorganized Debtor expressly reserves all further substantive or procedural objections. Nothing contained herein or any actions taken pursuant to such relief is intended or should be construed as: (a) an admission as to the validity of any prepetition claim against a Reorganized Debtor entity; (b) a waiver of the Reorganized Debtor's right to dispute any prepetition claim on any grounds; (c) a promise or requirement to pay any prepetition claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Objection or any order

granting the relief requested by this Objection; (e) a request or authorization to assume any prepetition agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; or (f) a waiver of the Debtors' rights under the Bankruptcy Code or any other applicable law.

Separate Contested Matter

23. Pursuant to paragraph 9 of the Omnibus Objection Procedures Order, each Objected Claim subject to this Objection and any response thereto constitutes a separate contested matter under Bankruptcy Rule 9014, and any order entered by the Court will be deemed a separate order with respect to each affected Claim.

Notice

24. Notice of the hearing on the relief requested in this Objection will be provided by the Reorganized Debtor in accordance and compliance with Bankruptcy Rules 4001 and 9014, as well as the Bankruptcy Local Rules and the Claims Procedures Order, and is sufficient under the circumstances. The Reorganized Debtor will provide notice to parties-in-interest, including: (a) the U.S. Trustee for the Southern District of Texas; (b) holders of the Objected Claims, and (c) any party that has requested notice pursuant to Bankruptcy Rule 2002. In light of the nature of the relief requested, no other or further notice need be given. The Reorganized Debtor requests that the Court enter an order sustaining this Objection and granting such other and further relief as is just.

DECLARATION OF ROBERT COUNTRY IN SUPPORT OF REORGANIZED DEBTOR'S SECOND OMNIBUS OBJECTION (SUBSTANTIVE) TO CERTAIN PROOFS OF CLAIM (MODIFIED AMOUNT AND RECLASSIFIED CLAIMS; FULLY SATISFIED CLAIMS; INCORRECT DEBTOR AND RECLASSIFIED CLAIMS; RECLASSIFIED CLAIMS; NO LIABILITY CLAIMS)

I, Robert Country, hereby declare that the following is true and correct to the best of my knowledge, information, and belief:

1. I am a director of Alvarez & Marsal North America, LLC, which was retained as financial advisor to Vertex Energy, Inc. and certain of its affiliates (collectively, the "Debtors" or "Reorganized Debtors," as applicable) and continues to serve as financial advisor to the above-captioned reorganized debtor (the "Reorganized Debtor").

2. I submit this declaration (this "Declaration") in support of the *Reorganized Debtor's Second Omnibus Objection (Substantive) to Certain Proofs of Claim (Modified Amount and Reclassified Claims; Fully Satisfied Claims; Incorrect Debtor and Reclassified Claims; Reclassified Claims; No Liability Claims)* filed concurrently herewith (the "Objection").[2] I am authorized to submit this Declaration on behalf of the Reorganized Debtor. I am familiar with the

contents of the Objection. I, or persons under my direction, have also reviewed the Objected Claims included in the Objection and all supporting information and documentation provided therewith, if any, made reasonable efforts to research the Objected Claims on the Debtors' or Reorganized Debtors' books and records, and I believe such documentation is insufficient to provide *prima facie* evidence of the validity, classification, and/or amount of the Objected Claims for the reasons set forth in the Objection and this Declaration. Specifically:

a. I, or persons under my direction, have reviewed the Reorganized Debtors' books and records and the claims register and have determined that the Modified Amount and Reclassified Claims identified on **Schedule 1** to the Order should be modified and reclassified as identified in the "Modified" column on **Schedule 1**. The Modified Amount and Reclassified Claims assert (a) a priority amount or treatment to which they are not entitled under the Bankruptcy Code or other Court order and (b) an amount that is not reflected in the Reorganized Debtors' books and records.

b. I, or persons under my direction, have reviewed the Debtors' books and records and the claims register and have determined that the Reorganized Debtor's books and records reflect that the claims listed on **Schedule 2** have been paid in full by the Debtors or Reorganized Debtors, as applicable (including, for the avoidance of doubt, via payment of the applicable cure cost), and accordingly the Reorganized Debtors have no outstanding liability on the grounds asserted in the Fully Satisfied Claims.

c. I, or persons under my direction, have reviewed the Reorganized Debtors' books and records and the claims register and have determined that the Incorrect Debtor and Reclassified Claims identified on **Schedule 3** to the Order should be moved to a different Reorganized Debtor and reclassified as identified in the "Modified" column on **Schedule 3**. The Incorrect Debtor and Reclassified Claims incorrectly (a) assert a priority amount or treatment to which it is not entitled under the Bankruptcy Code or other Court order, (b) against the incorrect debtor.

d. I, or persons under my direction, have reviewed the Debtors' books and records and the claims register and have determined that the Reclassified Claims identified on **Schedule 4** to the Order should be reclassified as set forth therein. Each of the Reclassified Claims assert a priority amount or treatment to which it is not entitled under the Bankruptcy Code or other Court order.

e. I, or persons under my direction, have reviewed the Reorganized Debtors' books and records and the claims register and have determined that the No Liability Claims identified on **Schedule 5** to the Order should be disallowed as the

Reorganized Debtor's books and records reflect no outstanding liability on such claims.

3. Except as otherwise indicated, all statements in this Declaration are based on my personal knowledge, my review of relevant documents, or my opinion based upon my experience and knowledge of the Debtors' operations and financial condition. If I were called upon to testify, I could and would testify to each of the facts set forth herein based on such personal knowledge, review of the documents, or opinion.

4. The information set forth in the Objection and its exhibits is true and correct to the best of my knowledge and belief. I hereby reserve my right to supplement the testimony set forth herein as necessary at any hearing to consider the Objection.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the facts set forth in this declaration are true and correct to the best of my knowledge, information and belief.
