Tax Return & Estimated Tax Payments

Management submitted the necessary forms to the IRS to request an extension on the filing of the 2025 income tax returns by the April 15, 2026 deadline. However, the estimated tax liability calculation required further review and revision to adequately reflect all applicable 2025 activity. Management has been working diligently with the tax CPA to finalize the estimated liability and intends to make any estimated payment immediately after review and approval of the calculation.
