Triple P Securities, LLC ("Portage Point"), the investment banker for the debtors and debtors in possession (the "Debtors") in the above-captioned chapter 11 cases, hereby submits this first consolidated monthly fee application (this "Monthly Fee Application"), pursuant to sections 328, 330, and 331 of title 11 of the United States Code (the "Bankruptcy Code"), rule 2016 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), rule 2016-1 of the Local Rules of the United States Bankruptcy Court for the District of Delaware (the "Local Rules"), and the *Order (I) Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Retained Professionals and (II) Granting Related Relief* [Docket No. 337] (the "Interim Compensation Order"), requesting (a) allowance of compensation for professional services rendered on behalf of the Debtors during the period from May 17, 2026 through and including

[1] The Reorganized Debtors in these chapter 11 cases, along with the last four digits of each Reorganized Debtor's federal tax identification number, are: West Marine, Inc. For purposes of these chapter 11 cases, the Reorganized Debtors' service address is West Marine Headquarters, 1 East Broward Blvd., Suite 200, Fort Lauderdale, FL 33301.

August 21, 2026 (the "Compensation Period") in the amount of $1,650,000; (b) payment in the amount of $1,140,000, which, as noted below, is equal to 80% of the Restructuring Fee[2] earned during the Compensation Period; and (c) allowance and reimbursement of 100% of the actual and necessary expenses incurred by Portage Point during the Compensation Period in connection with such services in the amount of $20,208.69. In support of this Monthly Fee Application, Portage Point respectfully represents as follows:

JURISDICTION AND VENUE

1. The United States Bankruptcy Court for the District of Delaware (this "Court") has jurisdiction over this matter pursuant to 28 U.S.C. § 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware dated as of February 29, 2012. This is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2). Venue is proper in this District pursuant to 28 U.S.C. §§ 1408 and 1409.

2. The statutory and other bases for the relief requested in this Monthly Fee Application are sections 328(a), 330, and 331 of the Bankruptcy Code, Bankruptcy Rule 2016, Local Rule 2016-1, and the Interim Compensation Order.

BACKGROUND

3. On May 17, 2026 (the "Petition Date"), the Debtors each filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code.

---

[2] All capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Retention Application (as defined below). Pursuant to the Retention Order (as defined below), Portage Point received payment of its Monthly Fees during the Compensation Period in the aggregate of $225,000. Accordingly, through this Monthly Fee Application, Portage is seeking payment of only 80% of the Restructuring Fee and 100% reimbursement of actual and necessary expenses.

4. On May 18, 2026, the Debtors filed the *Joint Plan of Reorganization of West Marine, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 46] (as thereafter amended or modified, the "Plan").

5. On June 15, 2026, the Debtors filed an application to employ and retain Portage Point (the "Retention Application") [Docket No. 240] pursuant to the terms of that certain engagement letter between Portage Point and the Debtors, dated as of April 3, 2026 (the "Engagement Letter"). A copy of the Engagement Letter was appended to the Retention Application as Exhibit A.

6. On July 1, 2026, the Court entered the Interim Compensation Order, which generally sets forth the procedures for interim compensation and expense reimbursement for retained professionals in the Debtors' chapter 11 cases and allows Professionals (as that term is defined in the Interim Compensation Order) to submit monthly fee applications on or after the tenth day of each calendar month.

7. Also on July 1, 2026, the Court entered the order approving the Retention Application (the "Retention Order") [Docket No. 334]. The Retention Order, among other things, approved the Engagement Letter, as modified by the Retention Order, pursuant to section 328(a) of the Bankruptcy Code, and authorized the Debtors to pay, reimburse, and indemnify Portage Point in accordance with the terms and conditions of, and at the times specified in, the Engagement Letter. The Retention Order also provides that Portage Point may file and serve a fee statement immediately upon the consummation of a Restructuring.

8. On August 11, 2026, the Court entered the *Findings of Fact, Conclusions of Law, and Order Approving the Debtors' Disclosure Statement for, and Confirming the Second Amended Joint Plan of Reorganization of West Marine, Inc. and its Debtor Affiliates Pursuant to Chapter*

11 of the Bankruptcy Code [Docket No. 522] (the "Confirmation Order") confirming the Plan. The Plan became effective on August 21, 2026. *See* Docket No. 547.

RELIEF REQUESTED

9. By this Monthly Fee Application, Portage Point requests (a) allowance of compensation for professional services rendered on behalf of the Debtors during the Compensation Period in the amount of $1,425,000 on account of the Restructuring Fee; less a twenty percent (20%) holdback in the amount of $285,000, and 100% of Monthly Fees (in the aggregate amount of $225,000) for a total fee request of $1,650,000, (b) payment in the amount of $1,140,000, which is 80% of the Restructuring Fee, and (c) reimbursement of 100% of the actual and necessary expenses incurred by Portage Point during the Compensation Period in connection with such services in the amount of $20,208.69.

10. During the Compensation Period a Restructuring Fee in the amount of $1,500,000 became payable to Portage Point pursuant to the entry of the Confirmation Order upon the effective date of the Plan.

11. The Engagement Letter provides for crediting of certain Monthly Fees. Specifically, "[f]ifty (50%) of all Monthly Fees paid in respect of any months following the third month of the Engagement shall be credited (without duplication) against any Restructuring Fee or Sale Transaction Fee payable." The July 1, 2026 Monthly Fee was the fourth full Monthly Fee actually paid to Portage Point. Accordingly, 50% of the July and August Monthly Fees ($75,000 x 2 = $150,000 x 50% = $75,000) is to be credited against the Restructuring Fee, and the net amount of the Restructuring Fee is $1,425,000 ($1,500,000 - $75,000 = $1,425,000).

12. Although Portage Point, in line with market convention, does not bill by the hour, Portage Point kept track of its post-petition time in half-hour increments in accordance with the

Retention Order. During the Compensation Period, Portage Point professionals spent approximately 450 hours providing investment banking services to the Debtors. Such services are summarized across the following exhibits:

a. **Exhibit A** is a schedule of the number of hours expended by Portage Point during the Compensation Period by subject matter.

b. **Exhibit B** is a schedule providing certain information regarding Portage Point personnel for whose work compensation is being sought in this Monthly Fee Application.

c. **Exhibit C** consists of Portage Point's hourly time detail by professional.

13. The fees charged by Portage Point have been billed in accordance with the Engagement Letter and the Retention Order and are comparable to those fees charged by Portage Point for professional services rendered in connection with similar chapter 11 cases and non-bankruptcy matters. Portage Point submits that such fees are reasonable based upon the customary compensation charged by similarly skilled practitioners in comparable bankruptcy cases and non-bankruptcy matters in the competitive national investment banking market.

14. There is no agreement or understanding between Portage Point and any other person, other than members of the firm, for the sharing of compensation to be received for services rendered in these chapter 11 cases.

ACTUAL AND NECESSARY EXPENSES

15. Portage Point incurred certain necessary expenses during the Compensation Period for which it is entitled to reimbursement under the Engagement Letter. As set forth in detail on the attached **Exhibit D**, Portage Point's total expenses for the Compensation Period are

$20,208.69.[3] **Exhibit E** consists of Portage Point's records of expenses incurred during the Compensation Period as a result of the performance of professional services to the Debtors.

16. Portage Point believes the time entries included in **Exhibit C** and the expense breakdown set forth in **Exhibit E** attached hereto are in compliance with the requirements of Local Rule 2016-1, as modified by the Retention Order.

17. WHEREFORE, Portage Point respectfully requests (a) allowance of compensation for professional services rendered on behalf of the Debtors during the Compensation Period in the amount of $1,650,000; (b) payment in the amount of $1,140,000, which is 80% of the Restructuring Fee; and (c) allowance and reimbursement of 100% of the actual and necessary expenses incurred by Portage Point during the Compensation Period in connection with such services in the amount of $20,208.69.
