In addition, Province reserves its right to file a supplement to this Application prior to the hearing date to submit additional fees and expenses not previously included in this Application, but incurred prior to the date of the hearing on the Application, such as fees incurred in preparing this Application. Pursuant to Rule 2016-1 of the Local Rules of the United States Bankruptcy Court for the District of Delaware (the "Local Rules"), this Application is supported by the Certification of Sanjuro Kietlinski which is annexed hereto as **Exhibit A**. In support of this Application, Province respectfully represents as follows:

JURISDICTION AND VENUE

1. The Court has jurisdiction to consider the Application pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware, dated February 29, 2012. This is a core proceeding under 28 U.S.C. § 157(b). Venue of these cases and the Application in this District is proper under 28 U.S.C. §§ 1408 and 1409.

2. The legal predicates for the relief requested herein are Bankruptcy Code sections 328(a) and 1103(a), Bankruptcy Rule 2014, and Local Rule 2014-1.

3. The Committee confirms its consent, pursuant to Local Rule 9013-1(f), to the entry of a final order by the Court in connection with the Application in the event that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

BACKGROUND

4. On May 17, 2026 (the "Petition Date"), the Debtors each filed their voluntary petitions with this Court under chapter 11 of the Bankruptcy Code. The Debtors are operating their businesses and managing their properties as debtors-in-possession pursuant to sections 1107(a) and 1108(a) of the Bankruptcy Code. No trustee or examiner has been appointed in these chapter 11 cases.

5. On May 29, 2026, pursuant to section 1102(a)(1) of the Bankruptcy Code, the Office of the United States Trustee for Region 3, District of Delaware (the "U.S. Trustee"), appointed the Committee. [*See* Docket No. 103]. The following are the current members of the Committee: (i) Realty Income Corporation; (ii) Facility Solutions Group, Inc.; (iii) Modern Recreational Technologies, Inc.; (iv) East Penn Manufacturing Co.; (v) Virtual Supply, Inc.; (vi) Lippert Components, Inc.; and (vii) Garmin USA, Inc.

6. On June 2, 2026, the Committee selected Province as its proposed financial advisor.

7. On July 1, 2026, the Court entered the Administrative Order, authorizing the Committee's professionals ("Professionals") to submit monthly applications for interim compensation and reimbursement of expenses, pursuant to the procedures specified therein. The Administrative Order provides, among other things, that a Professional may file monthly fee applications. If no objections are made within fourteen (14) days after service of the monthly fee application, the Debtors are authorized to pay the Professional eighty percent (80%) of the requested fees and one hundred percent (100%) of the requested expenses. At three-month intervals or such other intervals convenient to the Court, each Professional shall file and serve an interim application for allowance of the amounts sought in its monthly fee applications for that period. All fees and expenses paid are on an interim basis until final allowance by the Court.

8. The retention of Province, as financial advisor to the Committee, was approved effective as of July 13, 2026, by this Court's *Order Authorizing and Approving the Employment of Province, LLC as Financial Advisor to the Official Committee of Unsecured Creditors Effective as of June 2, 2026* [Docket No. 401], entered on June 24, 2026 (the "Retention Order"). The Retention Order authorized Province to be compensated on an hourly basis and to be reimbursed for actual and necessary out-of-pocket expenses.

REQUESTED RELIEF

9. By this Application, Province requests that the Court allow and approve payment of one hundred percent (100%) of the fees and expenses incurred by Province during the First and Final Fee Period.

10. At all relevant times, Province has been a disinterested person as that term is defined in §101(14) of the Bankruptcy Code and has not represented or held an interest adverse to the interests of the Debtors.

11. All services for which compensation is requested by Province were performed for or on behalf of the Committee.

12. Province has received no payment and no promise for payment from any source other than the Debtors for services rendered or to be rendered in any capacity whatsoever in connection with the matters covered by this Application. There is no agreement or understanding between Province and any other person other than the partners and employees of Province for the sharing of compensation to be received for the services rendered in these cases.

13. The professional services and related expenses for which Province requests final allowance of compensation and reimbursement of expenses were rendered and incurred in connection with this case in the discharge of Province's professional responsibilities as financial

advisor for the Committee in these chapter 11 cases. Province's services have been necessary and beneficial to the Debtors and their estates, the Committee, creditors and other parties in interest.

14. In accordance with the factors enumerated in §330 of the Bankruptcy Code, it is respectfully submitted that the amount requested by Province is fair and reasonable given (a) the complexity of these cases, (b) the time expended, (c) the nature and extent of the services rendered, (d) the value of such services, and (e) the cost of comparable services other than in a case under the Bankruptcy Code. Moreover, Province has reviewed the requirements of Del. Bankr. LR 2016-1 and the Administrative Order and believes that this Application complies with such Rule and Order.

WHEREFORE, Province respectfully requests (i) approval of first and final compensation in the amount of $1,579,420.00[2] and final reimbursement of actual and necessary expenses in the amount of $1,771.58 for a total first and final allowance of $1,581,191.58 for the First and Final Fee Period; (ii) payment of the outstanding balance of all amounts not paid to date; and (iii) such other and further relief as this Court may deem just and proper.
