[2] A detailed description of the Debtors and their business, including the facts and circumstances giving rise to the Debtors' chapter 11 cases, is set forth in the *Declaration of Paulee Day, Chief Executive Officer of West Marine, Inc., in Support of the Debtors' Chapter 11 Petitions and First Day Pleadings* [Docket No. 15] (the "First Day Declaration"), incorporated by reference herein. Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the First Day Declaration.

effective date of the Plan occurred and the Reorganized Debtors emerged from chapter 11. On September 16, 2026, the Bankruptcy Court entered the *Final Decree and Order (I) Closing Certain of the Reorganized Debtors' Chapter 11 Cases and (II) Granting Relief* [Docket No. 598], thereby closing all of the chapter 11 cases with the exception of the Reorganized Debtor's chapter 11 case. Additional information about the chapter 11 cases, court filings, and claims information is available at the website maintained by the Reorganized Debtor's claims and noticing agent: https://www.veritaglobal.net/westmarine.

The Reorganized Debtors have prepared and filed the attached monthly operating reports (collectively, the "MORs") and the exhibits thereto for the period including July 26, 2026 through August 21, 2026 (the "Reporting Period") with the assistance of their advisors solely for the purpose of complying with the monthly operating requirements applicable in these chapter 11 cases and the instructions provided by the U.S. Trustee.

The following notes, statements and limitations should be referred to, and referenced in connection with, any review of the MORs.

1. **General.** The Reorganized Debtors are filing the MORs solely for purposes of complying with the monthly operating requirements applicable in the chapter 11 cases. Each MOR is in a format acceptable to the U.S. Trustee. The MORs should not be relied upon by any persons for information relating to current or future financial conditions, events, or performance of any of the Reorganized Debtors.

   In preparing the MORs, the Reorganized Debtors relied on financial data derived from their books and records that were available at the time of preparation. Subsequent information or discovery may result in material changes to the MORs and errors or omissions may exist. Notwithstanding any such discovery, new information, or errors or omissions, the Reorganized Debtors do not undertake any obligation or commitment to update the MORs.

   The MORs are limited in scope and cover only the Reporting Period. The financial and supplemental information contained herein is presented on a preliminary and unaudited basis, remains subject to future adjustments, and may not comply in all material respects with generally accepted accounting principles in the United States of America ("U.S. GAAP"), or any other accounting standards. Upon application of such procedures, the financial information could be subject to changes, which could be material. Solely to comply with their obligations to provide MORs during these chapter 11 cases, the Reorganized Debtors have prepared the MORs using the best information presently available to them, which has been collected, maintained, and prepared in accordance with their historical accounting practices. The results of the operations and financial position contained herein are not necessarily indicative of results which may be expected for any other period or for the full year and may not necessarily reflect the combined results of operations and financials positions of the Reorganized Debtors in the future. To the extent that a Debtor's MOR shows more assets than liabilities, this is not an admission that such Debtor was solvent on the Petition Date or at any other time, including the date as of or for the period of any financial statements or other information included in the MORs. The MORs should not be relied on by any person for information relating to current or future financial conditions, events, or performance of any of the Reorganized Debtors.

The information furnished in the MORs includes normal recurring adjustments but does not include all of the adjustments that typically would be made for interim financial statements presented in accordance with U.S. GAAP or any other accounting standards. Although the Reorganized Debtors made commercially reasonable efforts to ensure the accuracy and completeness of the MORs, inadvertent errors or omissions may exist. Accordingly, the Reorganized Debtors hereby reserve all rights to dispute the validity, status, enforceability, or executory nature of any claim amount, agreement, representation, or other statement set forth in the MORs. Further, the Reorganized Debtors reserve the right to amend, modify, or supplement the MORs in all respects, if necessary or appropriate, but undertake no obligation to do so. Nothing contained in the MORs shall constitute a waiver of any of the Reorganized Debtors' rights or an admission with respect to the chapter 11 cases or otherwise.

Specifically, nothing contained in the MORs shall constitute a waiver or admission by the Reorganized Debtors in any respect nor shall the MORs or any information set forth therein waive or release any of the Reorganized Debtors' rights or admission with respect to the chapter 11 cases, including with respect to, among other things, matters involving objections to claims, substantive consolidation, equitable subordination, defenses, characterization or re-characterization of contracts, assumption or rejection of contracts under the Bankruptcy Code, and/or causes of action under the Bankruptcy Code or any other relevant applicable laws to recover assets or avoid transfers. The Reorganized Debtors are reviewing their assets and liabilities on an ongoing basis, and nothing contained in this MOR shall constitute a waiver of any of the Reorganized Debtors' rights with respect to such assets, liabilities, claims, and obligations that may exist.

The MORs are true and accurate to the best of the Reorganized Debtors' knowledge, information, and belief based on currently available data. For the reasons discussed above, there can be no assurance that the non-consolidated financial information presented herein is complete, and readers are cautioned not to rely on the MORs for any reason.

2. **Reporting Period.** The Debtors followed (and the Reorganized Debtors follow) a 4-4-5 calendar convention for managing their accounting period and, unless otherwise noted herein, the MORs generally reflect the Debtors' books and records and financial activity occurring during the Reporting Period. In accordance with the U.S. Trustee's instructions for filing MORs, the Reorganized Debtors have indicated the Reporting Period on the cover page of the MORs as ending on August 21, 2026.

3. **Consolidated Entity Accounts Payable and Disbursements Systems.** Cash is received and disbursed as described in the *Debtors' Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Continue to Operate Their Cash Management System, (B) Honor Certain Prepetition Obligations Related Thereto, (C) Maintain Existing Business Forms, (D) Perform Intercompany Transactions, and (E) Grant Administrative Expense Status to Postpetition Intercompany Claims; (II) Suspending the Time to Comply with 11 U.S.C. § 345(b) and Waiving Certain Operating Guidelines; and (III) Granting Related Relief* [Docket No. 12] (the "Cash Management Motion") to the extent approved in the order granting the relief requested in

the Cash Management Motion on an interim basis [Docket No. 69] and a final basis [Docket No. 204].

4. **Accuracy.** The financial information disclosed herein was not prepared in accordance with federal or state securities laws or other applicable non-bankruptcy law or in lieu of complying with any periodic reporting requirements thereunder. Persons and entities trading in or otherwise purchasing, selling, or transferring the claims against or equity interests in the Debtors should evaluate this financial information in light of the purposes for which it was prepared. The Reorganized Debtors and their advisors are not liable for and undertake no responsibility to indicate variations from securities laws or for any evaluations based on this financial information or any other information.

5. **Currency.** Unless otherwise indicated, all amounts listed in the MORs are reflected in U.S. dollars.

6. **Payment of Pre-Petition Claims Pursuant to First Day Orders.** The Bankruptcy Court entered orders authorizing, but not directing, the Debtors to pay, among other things, certain pre-petition (a) employee wages, salaries and other compensation and benefits [Docket No. 67 (interim relief) and Docket No. 200 (final relief)]; (b) obligations related to the use of the Debtors' cash management system [Docket No. 69 (interim relief) and Docket No. 204 (final relief)]; (c) taxes and related obligations [Docket No. 64 (interim relief) and Docket No. 197 (final relief)]; (d) insurance obligations [Docket No. 63 (interim relief) and Docket No. 196 (final relief)]; (e) critical vendor obligations [Docket No. 70 (interim relief) and Docket No. 203 (final relief)]; (f) fees owed to the Debtors' utility administrator and certain waste service providers [Docket No. 65 (interim relief) and Docket No. 206 (final relief)]; and (g) customer programs [Docket No. 62 (interim relief) and Docket No. 195 (final relief)] ((a)-(g) collectively, the "First Day Orders"). To the extent any payments were made on account of such claims or obligations following the commencement of the chapter 11 cases pursuant to the authority granted to the Debtors by the Bankruptcy Court under the First Day Orders, such payments have been included in the applicable MOR unless otherwise noted.

7. **Statements of Cash Receipts and Disbursements.** Reported cash receipts and disbursements exclude intercompany and Debtor-to-Debtor transactions, if any, as provided in the instructions to the MOR.

Specific MOR Disclosures

Notes to Part 1: Cash Receipts and Disbursements

- All figures include both cash and restricted cash reported in the Debtors' bank statements. Reconciliation differences will exist between bank statement balances and book balance sheet cash balances due to ordinary-course timing differences between payment execution in the Debtors' financial system and actual disbursement of funds from the Debtors' bank accounts and the clearing of checks.

- Cash receipts and disbursements are presented based on the Debtor on whose behalf the cash was received or from which the cash was disbursed. Cash balances are as reported on the Debtors' balance sheets.

Notes to Part 2: Asset and Liability Status

- The Reorganized Debtors have made a diligent effort to include all prepetition debt amounts and trade claims; however, the Reorganized Debtors cannot warrant the absolute accuracy and completeness of the amount(s). The ultimate amount of the Debtors' liabilities is undetermined at this time. The amounts currently classified are preliminary, subject to future adjustments, and may be settled for greater or lesser amounts, depending on court actions, further developments with respect to disputed claims, determinations of the secured status of certain claims, the values of any collateral securing such claims, rejection of executory contracts, continued reconciliation, or other events. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change. Further, the Reorganized Debtors have not conducted an analysis as to the prepetition liabilities which may require reclassification to liabilities subject to compromise under GAAP.

- Certain of the Debtors were obligors under certain prepetition secured debt. Debtor Rising Tide Holdings Inc. ("Rising Tide Holdings") was the borrower, with certain of the other Debtors providing guarantees of such debt, as reflected on the *Schedules of Assets and Liabilities* (the "Schedules") for each applicable Debtor. Consistent with the Schedules and the instructions to the MOR, the prepetition secured debt is reflected in Part 2(k) for Rising Tide Holdings and the guarantor Debtors in the applicable MORs. Such debt is reflected in the balance sheet attached to the MORs for guarantor Debtor West Marine Products, Inc. only. Prepetition secured debt reported in part 2(k) of the MORs reflects principal amounts and is exclusive of interest, carrying value, capitalized bank fees, and original issue discounts, which appear on West Marine Products, Inc.'s balance sheet but are excluded on the MORs. The Debtors' prepetition secured debt was satisfied in accordance with the treatment afforded to such debt under the Plan.

Notes to Part 5: Professionals.

- The Debtors report payments made for professional fees on the MOR for Rising Tide Holdings, as Rising Tide Holdings is the entity which maintains the Professional Fee Escrow Account (as defined in the Cash Management Motion) which the Debtors funded each week, and from which disbursements to Debtor Professionals and Committee Professionals are made. Professional fees are reported on Rising Tide Holdings' MOR regardless of which Debtor entity executed an engagement letter with the professional being paid.

- Disbursements made to Debtor professionals that were not eligible for payment from the Professional Fee Escrow Account are reported in the MOR as disbursements.

Notes to Part 6: Postpetition Taxes

- In the ordinary course of business, the Debtors collected, incurred, remitted, withheld, and paid taxes, fees, and assessments related to, among others, sales and use, franchise, business, excise, income, environmental and waste, customs, import duties, operations, third-party services, permitting, licensing, employees, and various other governmental charges, fees, regulatory fees, and assessments in respect of such amounts.
